1  
00:00:08,416 --> 00:00:10,000  
[panting]

2  
00:00:22,000 --> 00:00:24,333  
[grunting]

3  
00:00:26,208 --> 00:00:27,666  
What took you so long?

4  
00:00:36,166 --> 00:00:37,458  
[both grunting]

5  
00:00:46,708 --> 00:00:47,625  
Jason?

6  
00:00:47,708 --> 00:00:49,166  
I got a new name now, though.

7  
00:00:50,041 --> 00:00:51,208  
Red Hood.

8  
00:00:53,333 --> 00:00:54,708  
[panting]

9  
00:00:59,750 --> 00:01:00,875  
Oh, no.

10  
00:01:08,708 --> 00:01:10,791  
[theme music playing]

11  
00:01:28,416 --> 00:01:29,875  
There was a dead body.

12  
00:01:29,958 --> 00:01:32,291  
Jason's body. Bruce saw

it with his own eyes.

13

00:01:32,375 --> 00:01:34,708  
Maybe he was confused.

14

00:01:34,791 --> 00:01:36,125  
Bruce doesn't do confused.

15

00:01:36,208 --> 00:01:37,559  
- I don't want to say it, but...  
- It was Jason.

16

00:01:37,583 --> 00:01:38,583  
I saw him.

17

00:01:41,166 --> 00:01:42,750  
How did he do it?

18

00:01:42,833 --> 00:01:45,353  
Somebody do some kind of voodoo  
act and raise him from the dead?

19

00:01:45,416 --> 00:01:46,625  
Bruce knows people.

20

00:01:46,708 --> 00:01:48,500  
Bruce doesn't know  
anything about this.

21

00:01:48,583 --> 00:01:50,392  
He never would have killed  
the Joker if Jason was alive.

22

00:01:50,416 --> 00:01:51,750  
Then Ra's al Ghul?

23

00:01:51,833 --> 00:01:53,791  
Unlikely. He's in Kadeem.

24

00:01:53,875 --> 00:01:57,583  
If someone's bringing people back to  
life, maybe they could bring Donna back.

25

00:02:03,375 --> 00:02:07,041  
Well, it's a little early for Easter, but  
someone resurrected the little assbite.

26

00:02:07,125 --> 00:02:10,208  
Or he faked his death well  
enough to fool even Bruce.

27

00:02:10,291 --> 00:02:13,000  
Either way, he sure as shit  
didn't do it on his own.

28

00:02:13,083 --> 00:02:14,875  
Whatever's happened,  
he's changed.

29

00:02:14,958 --> 00:02:18,708  
The kid always had issues, but  
he was not a full on psychopath.

30

00:02:18,791 --> 00:02:20,541  
He could be using.

31

00:02:20,625 --> 00:02:23,000  
When I got to Gotham, I found  
a place where he was cooking.

32

00:02:23,083 --> 00:02:24,958  
Tested a few samples  
in the bat computer.

33

00:02:25,041 --> 00:02:26,458  
No hits.

34

00:02:26,541 --> 00:02:29,583  
For fuck's sake. Enough with  
the paralysis by analysis.

35

00:02:29,666 --> 00:02:32,291  
Everyone's just trying to figure  
out what the hell happened, Hank.

36

00:02:32,375 --> 00:02:34,625  
He's right. We figure out  
the how and why later.

37

00:02:34,708 --> 00:02:36,416  
Jason's out there and  
we need to stop him.

38

00:02:36,500 --> 00:02:39,500  
You guys do what you want, but  
if it ends up him versus me,

39

00:02:39,583 --> 00:02:40,750  
kid's going down.

40

00:02:43,000 --> 00:02:44,500  
So, now we're killing Jason?

41

00:02:46,666 --> 00:02:47,916  
He wrote his own ticket.

42

00:02:49,000 --> 00:02:51,125  
He starts taking people out,

43

00:02:51,208 --> 00:02:52,208

game's over.

44

00:02:56,000 --> 00:02:58,791  
Look, we find him first. Start  
in the place he was cooking.

45

00:03:10,500 --> 00:03:11,500  
What are you doing?

46

00:03:12,583 --> 00:03:13,583  
Fueling up.

47

00:03:15,833 --> 00:03:17,666  
Could be a long day.

48

00:03:17,750 --> 00:03:19,684  
You need to give everybody a minute  
to get their heads around this.

49

00:03:19,708 --> 00:03:22,541  
We all thought Jason was dead,  
and now we're talking about him

50

00:03:22,625 --> 00:03:24,625  
like he's some  
Gotham supervillain.

51

00:03:24,708 --> 00:03:27,666  
I think you mean  
supervillain wanna be.

52

00:03:27,750 --> 00:03:29,910  
You keep forgetting, this is  
Jason we're talking about.

53

00:03:29,958 --> 00:03:31,791  
It makes it complicated

for everybody.

54

00:03:31,875 --> 00:03:34,666  
We need to forget he's Jason.

55

00:03:34,750 --> 00:03:36,416  
Put blinders on.

56

00:03:36,500 --> 00:03:39,541  
Otherwise, people get soft  
and someone gets hurt.

57

00:03:39,625 --> 00:03:41,083  
No one's getting soft.

58

00:03:41,166 --> 00:03:43,208  
Dick's just trying to  
do what Bruce wants.

59

00:03:43,291 --> 00:03:44,291  
Why?

60

00:03:44,375 --> 00:03:45,916  
Because Jason's his brother?

61

00:03:46,000 --> 00:03:47,875  
- Yes.  
- Well, he's not mine.

62

00:03:47,958 --> 00:03:49,476  
Give me ten seconds  
alone with that kid,

63

00:03:49,500 --> 00:03:51,416  
I'll make him wish  
he stayed dead.

64

00:03:54,083 --> 00:03:56,458  
Just dial it down a notch, okay?

65

00:03:56,541 --> 00:03:58,250  
Everybody here knows  
what they need to do.

66

00:04:01,208 --> 00:04:02,500  
What about you?

67

00:04:02,583 --> 00:04:03,583  
What about me?

68

00:04:04,666 --> 00:04:05,958  
Are you up to it?

69

00:04:07,666 --> 00:04:09,041  
You know the answer to that.

70

00:04:10,375 --> 00:04:11,666  
[cell phone ringing]

71

00:04:15,708 --> 00:04:16,708  
Yeah.

72

00:04:19,125 --> 00:04:21,375  
I know, I fucked up.

73

00:04:21,458 --> 00:04:22,916  
Please, you gotta help me out.

74

00:04:24,041 --> 00:04:25,208  
Jason?

75

00:04:26,833 --> 00:04:28,166

Hey, you there?

76

00:04:28,250 --> 00:04:30,666  
I shouldn't have called you.

77

00:04:30,750 --> 00:04:32,875  
- Is anybody else with you?  
- No.

78

00:04:33,625 --> 00:04:34,625  
It's just me.

79

00:04:35,708 --> 00:04:36,958  
Talk to me, pal.

80

00:04:37,041 --> 00:04:38,250  
Hank...

81

00:04:38,333 --> 00:04:40,458  
You've got to believe  
me, man. Okay?

82

00:04:40,541 --> 00:04:41,916  
All of this shit I've done,

83

00:04:42,000 --> 00:04:43,250  
it's not my fault.

84

00:04:43,333 --> 00:04:44,559  
I don't know what's  
happening to me.

85

00:04:44,583 --> 00:04:45,750  
Something's wrong with me.

86

00:04:48,916 --> 00:04:49,958

Where are you?

87

00:04:50,041 --> 00:04:51,833  
I can't tell you.

88

00:04:51,916 --> 00:04:55,083  
Dick will kill me. I just...  
I wanted to talk to somebody.

89

00:04:55,166 --> 00:04:58,000  
And you're the only one who  
ever tries to listen to me.

90

00:04:58,083 --> 00:05:00,166  
Fuck, this was a  
mistake. I gotta go.

91

00:05:00,250 --> 00:05:02,000  
No, no, no. Jason! Jason, wait.

92

00:05:03,125 --> 00:05:04,208  
I can help you.

93

00:05:05,125 --> 00:05:08,166  
Just tell me where you are.

94

00:05:08,250 --> 00:05:09,375  
And you'll tell Dick.

95

00:05:09,458 --> 00:05:10,666  
No, I won't.

96

00:05:13,125 --> 00:05:14,750  
It's just you and me.

97

00:05:18,208 --> 00:05:19,208

[exhales]

98

00:05:21,291 --> 00:05:22,642  
[computer] Good  
morning, Mr. Logan.

99

00:05:22,666 --> 00:05:23,708  
How can I help you?

100

00:05:23,791 --> 00:05:25,208  
Send message to Bruce Wayne.

101

00:05:25,291 --> 00:05:26,500  
No contact found.

102

00:05:26,583 --> 00:05:28,875  
- Bullshit.  
- Language, Mr. Logan.

103

00:05:28,958 --> 00:05:30,583  
Would you prefer French?

104

00:05:30,666 --> 00:05:34,083  
- Record audio message.  
- Ready to record.

105

00:05:34,166 --> 00:05:37,583  
Hey, Bruce, this is Gar.

106

00:05:37,666 --> 00:05:39,392  
I know you've got to be  
checking in from somewhere,

107

00:05:39,416 --> 00:05:42,791  
because Batman wouldn't  
abandon the only family he has.

108  
00:05:45,541 --> 00:05:47,375  
You've got to come  
back to Gotham, man.

109  
00:05:49,000 --> 00:05:50,625  
They're saying Jason's alive.

110  
00:05:51,500 --> 00:05:52,875  
He needs your help.

111  
00:05:54,458 --> 00:05:55,708  
We need your help.

112  
00:05:57,166 --> 00:05:59,166  
[Conner] You really think  
he is going to hear that?

113  
00:06:01,500 --> 00:06:05,000  
Between sipping martinis,  
I figure he's got time.

114  
00:06:05,083 --> 00:06:09,500  
Just under 48 hours ago, we were  
kicking ass in San Francisco.

115  
00:06:09,583 --> 00:06:11,291  
Now the whole world  
has turned upside down.

116  
00:06:13,166 --> 00:06:15,000  
I don't understand it, either.

117  
00:06:15,083 --> 00:06:18,125  
But if Jason's alive,  
killing innocent people

118

00:06:18,958 --> 00:06:20,500  
we have to stop him.

119  
00:06:20,583 --> 00:06:22,458  
That's what Titans do.

120  
00:06:22,541 --> 00:06:25,421  
Yeah, but, normally when we do it,  
we're not hunting down one of our own.

121  
00:06:33,958 --> 00:06:37,041  
Hey, are we going anywhere, or  
you are just seeing the sights?

122  
00:06:37,125 --> 00:06:39,416  
I'll let you know,  
just keep driving.

123  
00:06:41,625 --> 00:06:44,416  
Come on, you little shit.  
Don't bail on me now.

124  
00:06:46,875 --> 00:06:48,000  
[cell phone ringing]

125  
00:06:48,708 --> 00:06:50,416  
Hey, man.

126  
00:06:50,500 --> 00:06:52,458  
- Hey.  
- I thought I lost you.

127  
00:06:52,541 --> 00:06:53,958  
Are you okay?

128  
00:06:54,041 --> 00:06:56,166  
Uh, no, not really.

129  
00:06:57,625 --> 00:06:59,125  
Are you alone?

130  
00:06:59,208 --> 00:07:00,708  
Just me and, uh...

131  
00:07:03,250 --> 00:07:05,541  
Ezekiel.

132  
00:07:05,625 --> 00:07:08,750  
- Who is that?  
- Cabdriver, relax. [Chuckles]

133  
00:07:10,041 --> 00:07:12,500  
So, where are we going?

134  
00:07:12,583 --> 00:07:14,541  
Go to the old  
Gotham Observatory.

135  
00:07:14,625 --> 00:07:16,708  
Gotham Observatory.

136  
00:07:16,791 --> 00:07:18,166  
Tourist.

137  
00:07:27,875 --> 00:07:28,875  
Okay, I'm here.

138  
00:07:32,583 --> 00:07:35,125  
[Jason] Your cell could be  
tracked. You gotta destroy it.

139  
00:07:35,208 --> 00:07:36,791  
I'm not calling anyone.

140  
00:07:36,875 --> 00:07:38,250  
I'm sorry, man.

141  
00:07:38,333 --> 00:07:41,375  
It's not you I don't trust.  
Dick's a fucking psycho.

142  
00:07:41,458 --> 00:07:42,916  
He could be following  
you right now.

143  
00:07:44,916 --> 00:07:46,416  
Destroy it, and then what?

144  
00:07:47,250 --> 00:07:48,458  
[line disconnects]

145  
00:07:56,125 --> 00:07:57,416  
[cell phone ringing]

146  
00:08:12,458 --> 00:08:14,791  
There better be a chalupa  
at the end of this.

147  
00:08:14,875 --> 00:08:16,625  
Gotham City Gym.

148  
00:08:16,708 --> 00:08:18,267  
[driver] Are you sure? Board of  
Health closed it down last month.

149  
00:08:18,291 --> 00:08:19,291  
[Hank] Just go!

150  
00:08:26,500 --> 00:08:27,875

[door opens]

151

00:08:31,625 --> 00:08:33,125

[door closes]

152

00:08:33,208 --> 00:08:34,291

[Hank] Jason?

153

00:08:36,625 --> 00:08:37,750

[rats squeak]

154

00:08:41,000 --> 00:08:42,000

Awesome.

155

00:08:43,375 --> 00:08:44,791

[cell phone ringing]

156

00:08:46,500 --> 00:08:48,000

I'm here.

157

00:08:48,083 --> 00:08:49,916

Where are you?

158

00:08:50,000 --> 00:08:52,434

[Jason] Take off your shirt and pants to prove you're not wired.

159

00:08:52,458 --> 00:08:53,750

Come on. Really?

160

00:08:57,166 --> 00:08:58,166

Okay.

161

00:08:59,666 --> 00:09:00,666

Okay.

162  
00:09:14,708 --> 00:09:15,708  
[sighing]

163  
00:09:19,791 --> 00:09:21,125  
What next?

164  
00:09:21,208 --> 00:09:22,208  
Full Monty?

165  
00:09:23,250 --> 00:09:24,250  
[Jason] You said it.

166  
00:09:28,791 --> 00:09:30,458  
Remember, I work for tips.

167  
00:09:39,291 --> 00:09:40,625  
Happy now?

168  
00:09:40,708 --> 00:09:43,250  
See? No wires.

169  
00:09:44,375 --> 00:09:45,541  
Start talking about a glove,

170  
00:09:45,625 --> 00:09:47,333  
it's gonna cost extra.

171  
00:09:47,416 --> 00:09:49,541  
[Jason] You gotta  
swim to the other end.

172  
00:09:49,625 --> 00:09:51,166  
In this shit?

173  
00:09:51,250 --> 00:09:53,458

You think I got a  
tracker on under my junk?

174

00:09:53,541 --> 00:09:55,250

If you can't do  
it, neither can I.

175

00:10:01,583 --> 00:10:02,583

You're welcome.

176

00:10:14,041 --> 00:10:15,750

All right. No more games.

177

00:10:17,375 --> 00:10:18,500

I'm here.

178

00:10:19,291 --> 00:10:20,541

[grunts]

179

00:10:20,625 --> 00:10:22,041

Good to see you, Hank.

180

00:10:27,333 --> 00:10:29,208

Where the hell did he go?

181

00:10:29,291 --> 00:10:31,791

Couple minutes later, he  
leaves, gets in a cab.

182

00:10:33,125 --> 00:10:34,916

Now his phone is off the grid.

183

00:10:39,708 --> 00:10:41,125

Can you pull the plate?

184

00:10:41,208 --> 00:10:42,208

I'll try.

185

00:10:43,916 --> 00:10:46,458  
[Dawn] We talked in the  
kitchen. Everything was fine.

186

00:10:46,541 --> 00:10:48,166  
I told him to dial  
it down a notch.

187

00:10:48,250 --> 00:10:49,666  
- Present and accounted for.  
- What?

188

00:10:52,791 --> 00:10:53,833  
[Dawn] Hank!

189

00:10:55,125 --> 00:10:56,125  
What happened?

190

00:10:58,500 --> 00:11:00,041  
Just get it out of me.

191

00:11:00,125 --> 00:11:01,541  
Oh, my God.

192

00:11:01,625 --> 00:11:02,875  
Is that a bomb?

193

00:11:03,666 --> 00:11:05,375  
It's a gift.

194

00:11:05,458 --> 00:11:06,875  
From our pal Jason.

195

00:11:09,000 --> 00:11:10,708

Oh, good. You found him.

196  
00:11:13,083 --> 00:11:14,208  
Or not?

197  
00:11:16,000 --> 00:11:18,250  
Went to talk to  
Jason by yourself?

198  
00:11:18,333 --> 00:11:20,416  
Seemed like a good  
idea at the time.

199  
00:11:20,500 --> 00:11:22,726  
Just give me a shot of whiskey  
and get the damn thing out.

200  
00:11:22,750 --> 00:11:24,059  
I'm all for not  
touching that thing

201  
00:11:24,083 --> 00:11:25,875  
until we figure  
out how it works.

202  
00:11:25,958 --> 00:11:27,934  
Conner, take a look inside and  
tell us what we're dealing with.

203  
00:11:27,958 --> 00:11:28,958  
Yeah.

204  
00:11:30,625 --> 00:11:31,666  
[heart beating]

205  
00:11:32,416 --> 00:11:33,416  
Whoa.

206

00:11:34,000 --> 00:11:35,250  
This is pretty bitching.

207

00:11:35,333 --> 00:11:37,208  
[Dawn] Conner!

208

00:11:37,291 --> 00:11:40,500  
[clears throat] It has anti-retraction  
barbs that hold the device in place.

209

00:11:40,583 --> 00:11:43,291  
Looks like it's embedded  
in the pectoralis major,

210

00:11:43,375 --> 00:11:45,541  
right through to  
the aortic arch.

211

00:11:45,625 --> 00:11:47,250  
No part of that sounded good.

212

00:11:47,333 --> 00:11:49,416  
The engineering is  
incredibly nuanced.

213

00:11:52,000 --> 00:11:55,500  
Bomb's designed to tolerate  
insertion, not retraction.

214

00:11:57,166 --> 00:12:00,333  
These barbs in Hank's  
chest, they have sensors.

215

00:12:00,416 --> 00:12:02,958  
If those sensors detect too  
much force, it'll explode.

216

00:12:03,041 --> 00:12:04,625  
What if we remove it surgically?

217

00:12:04,708 --> 00:12:07,333  
Same outcome. Once activated,  
it's designed to kill.

218

00:12:09,625 --> 00:12:11,083  
That fucking little shit.

219

00:12:11,166 --> 00:12:14,875  
This whole thing's engineered  
to read EKG signals.

220

00:12:14,958 --> 00:12:18,625  
The countdown isn't seconds. It's  
the number of heartbeats he has left.

221

00:12:18,708 --> 00:12:19,868  
What do you mean "countdown"?

222

00:12:26,291 --> 00:12:27,625  
When it gets down to zero.

223

00:12:27,708 --> 00:12:29,500  
Jason can't actually  
want him to die, right?

224

00:12:31,625 --> 00:12:32,833  
[cell phone ringing]

225

00:12:32,916 --> 00:12:34,625  
I have a feeling we're  
about to find out.

226

00:12:38,208 --> 00:12:39,416  
I'm listening.

227  
00:12:39,500 --> 00:12:40,500  
[Jason] About time.

228  
00:12:41,625 --> 00:12:43,166  
How's my buddy, Hank?

229  
00:12:43,250 --> 00:12:45,142  
Whatever you want, killing  
Hank is no way to get it.

230  
00:12:45,166 --> 00:12:46,846  
[Jason] Still trying  
to tell me what to do?

231  
00:12:46,916 --> 00:12:47,958  
Enough with the games.

232  
00:12:48,750 --> 00:12:49,750  
Tell me how we end this.

233  
00:12:49,791 --> 00:12:51,416  
\$50 million in gold bars

234  
00:12:51,500 --> 00:12:54,500  
is being delivered at one  
o'clock to Gotham Central.

235  
00:12:54,583 --> 00:12:57,083  
If you want Hank old boy  
to stay in one piece,

236  
00:12:57,166 --> 00:12:58,208  
bring 'em to me.

237

00:12:58,291 --&gt; 00:13:00,000

This isn't about  
the money for you.

238

00:13:00,083 --&gt; 00:13:02,208

I could wire that right now  
and it would all be over.

239

00:13:02,291 --&gt; 00:13:04,875

And rob Gotham of a  
good show, Circus Boy?

240

00:13:06,333 --&gt; 00:13:09,000

Bring me the gold and I'll  
deactivate the device.

241

00:13:09,083 --&gt; 00:13:10,291

Never gonna happen.

242

00:13:10,375 --&gt; 00:13:11,958

Do it your way, Dick.

243

00:13:12,041 --&gt; 00:13:13,833

That always turns out well.

244

00:13:17,000 --&gt; 00:13:18,166

Gold bars?

245

00:13:18,250 --&gt; 00:13:20,083

Did he have a white  
cat on his lap, too?

246

00:13:20,166 --&gt; 00:13:21,250

What did you tell him?

247

00:13:21,333 --&gt; 00:13:22,958

Fucking N-O, I hope?

248

00:13:23,041 --> 00:13:24,791  
No way we negotiate  
with terrorists.

249

00:13:24,875 --> 00:13:26,875  
So we're just gonna  
call his bluff?

250

00:13:26,958 --> 00:13:28,208  
Jason's crazy.

251

00:13:28,291 --> 00:13:30,833  
Where I come from,  
you come after family,

252

00:13:30,916 --> 00:13:32,500  
we show no mercy.

253

00:13:33,625 --> 00:13:35,291  
How much time do we have left?

254

00:13:35,375 --> 00:13:37,495  
The average resting heart  
rate is 80 beats per minute.

255

00:13:37,541 --> 00:13:41,208  
- Well, mine's a little closer to 72.  
- 4300 beats per hour, that's...

256

00:13:41,291 --> 00:13:42,708  
Less than four hours.

257

00:13:45,708 --> 00:13:47,375  
All right, get him on  
a beta blocker drip.

258

00:13:47,458 --> 00:13:49,698  
It'll slow down his heart rate  
and buy us some more time.

259

00:13:54,375 --> 00:13:55,375  
Hey.

260

00:13:56,833 --> 00:13:59,208  
You're not seriously  
letting Hank call the shots?

261

00:13:59,291 --> 00:14:01,208  
That's not the  
plan. We find Jason.

262

00:14:01,291 --> 00:14:03,767  
- How?

- The building where he was cooking was torched last night.

263

00:14:03,791 --> 00:14:05,583  
So, he is covering his tracks.

264

00:14:05,666 --> 00:14:08,625  
I'll send Kory to GCPD, see  
what leads Barbara's got.

265

00:14:08,708 --> 00:14:10,583  
[scoffs]

266

00:14:10,666 --> 00:14:12,601  
And if she doesn't roll out the red  
carpet after last night, what's plan B?

267

00:14:12,625 --> 00:14:15,208  
We focus on reeling  
Jason back in.

268

00:14:15,291 --> 00:14:16,458  
We play our game, not his.

269

00:14:16,541 --> 00:14:19,041  
Our game is to save  
Hank, not Jason.

270

00:14:19,125 --> 00:14:20,375  
It's not one or the other.

271

00:14:24,208 --> 00:14:25,833  
Let's just keep our  
priorities straight.

272

00:14:32,791 --> 00:14:35,875  
[male reporter 1] A police standoff  
is underway in the Gotham suburbs.

273

00:14:36,000 --> 00:14:38,125  
The suspect involved in  
a violent road rage...

274

00:14:38,208 --> 00:14:41,625  
[female reporter 1] South East Gotham  
is currently under evacuation orders.

275

00:14:41,708 --> 00:14:45,791  
[male reporter 2] The victim, a  
student at Gotham State College...

276

00:14:45,875 --> 00:14:48,208  
[female reporter 2] The  
driver suffered fatal burns.

277

00:14:48,291 --> 00:14:51,625  
Residents not in the area

are asked to stay away.

278

00:14:54,541 --> 00:14:55,958  
[sniffing]

279

00:14:56,041 --> 00:14:57,458  
I took my eye off the ball.

280

00:14:59,375 --> 00:15:01,041  
I knew he was screwing with me.

281

00:15:02,750 --> 00:15:03,750  
It wasn't your fault.

282

00:15:05,166 --> 00:15:06,366  
[EKG machine beeping steadily]

283

00:15:09,208 --> 00:15:10,208  
I should have had him!

284

00:15:10,250 --> 00:15:11,666  
[EKG machine beeping rapidly]

285

00:15:11,750 --> 00:15:14,333  
Hank, stop. You're making  
your heart beat faster.

286

00:15:23,875 --> 00:15:25,083  
What's this?

287

00:15:25,166 --> 00:15:27,333  
It's a carotid massage.

288

00:15:27,416 --> 00:15:29,750  
Someone's gotta keep  
your heart rate down.

289  
00:15:31,416 --> 00:15:33,000  
[beeping steadily]

290  
00:15:33,083 --> 00:15:35,916  
You just want an excuse  
to get into bed with me.

291  
00:15:36,000 --> 00:15:38,125  
Stop planning your  
next orgy and relax.

292  
00:15:39,750 --> 00:15:41,541  
Who says an orgy  
is not relaxing?

293  
00:15:41,625 --> 00:15:42,500  
[barks]

294  
00:15:42,583 --> 00:15:43,750  
Don't encourage him.

295  
00:15:43,833 --> 00:15:44,833  
That's my boy.

296  
00:15:46,250 --> 00:15:47,916  
- [gate buzzing]  
- [doors clang open]

297  
00:15:53,916 --> 00:15:54,958  
[sighs heavily]

298  
00:15:55,041 --> 00:15:56,041  
Grace.

299  
00:15:58,416 --> 00:16:01,708

And they say there's no such  
thing as a merciful God.

300

00:16:01,791 --> 00:16:03,083  
Eighth of Lemon Lyric.

301

00:16:03,166 --> 00:16:05,708  
High grade sativa crossed  
with Blue Dream Fl.

302

00:16:06,666 --> 00:16:08,791  
It's good shit, or so I'm told.

303

00:16:11,833 --> 00:16:14,916  
I don't think your guy's working  
alone, someone's got his ear.

304

00:16:15,000 --> 00:16:16,708  
I need a profile.

305

00:16:16,791 --> 00:16:18,767  
What makes you so sure he's not  
capable of doing it all on his own?

306

00:16:18,791 --> 00:16:20,875  
He's a follower, drawn  
to brighter lights.

307

00:16:20,958 --> 00:16:22,541  
Maybe he's looking  
for a father figure.

308

00:16:22,625 --> 00:16:24,916  
- Sure.  
- To fill the void.

309

00:16:25,000 --> 00:16:26,916

You know, a daddy  
that flew the coop?

310  
00:16:27,000 --> 00:16:29,583  
Or to replace a daddy  
he's rebelling against.

311  
00:16:29,666 --> 00:16:31,208  
[gurgling]

312  
00:16:31,291 --> 00:16:34,208  
Ooh! Oh, I like that.  
That's very good.

313  
00:16:34,291 --> 00:16:37,291  
It's the old, uh,  
mentor/patricide combo.

314  
00:16:37,375 --> 00:16:38,851  
[Dick] Got some  
criminal father figure

315  
00:16:38,875 --> 00:16:40,309  
or someone who likes  
a grand gesture?

316  
00:16:40,333 --> 00:16:42,375  
[scoffs] Huh.

317  
00:16:43,041 --> 00:16:44,583  
Yeah.

318  
00:16:44,666 --> 00:16:47,333  
I'd say, uh... I'd say  
the Joker, you know,

319  
00:16:47,416 --> 00:16:50,916

but, uh, the bat  
snuffed that out.

320

00:16:51,000 --> 00:16:53,625  
I don't know, I'm gonna have  
to rack my brain on this one.

321

00:16:53,708 --> 00:16:54,916  
The search for daddy,

322

00:16:55,000 --> 00:16:57,125  
it's going to affect everything.

323

00:16:57,208 --> 00:16:59,625  
- How he fights, why he fights.  
- Meaning?

324

00:16:59,708 --> 00:17:02,791  
Meaning that he's in a  
battle with his father.

325

00:17:02,875 --> 00:17:05,750  
So he's going to use the  
weapons of his father.

326

00:17:06,833 --> 00:17:08,750  
The abused becomes the abuser.

327

00:17:14,791 --> 00:17:17,125  
Hey, Grayson, where  
are you going?

328

00:17:17,208 --> 00:17:19,291  
You just got here,  
buddy old pal.

329

00:17:25,125 --> 00:17:27,041

NSA database, Interpol,

330

00:17:27,125 --> 00:17:29,875  
I've searched everywhere for bomb  
specs matching Hank's device,

331

00:17:29,958 --> 00:17:31,291  
no hits.

332

00:17:31,375 --> 00:17:33,458  
'Cause you're not searching  
under Wayne Enterprises.

333

00:17:34,875 --> 00:17:36,833  
Bruce is making  
weapons to kill people?

334

00:17:36,916 --> 00:17:38,333  
Good question.

335

00:17:38,416 --> 00:17:39,434  
[female computer voice]  
Database access granted.

336

00:17:39,458 --> 00:17:40,666  
Sick!

337

00:17:40,750 --> 00:17:43,458  
Search explosives,  
EKG, anything surgical.

338

00:17:43,541 --> 00:17:45,041  
On it.

339

00:17:45,125 --> 00:17:47,125  
[keyboard clacking]

340

00:17:47,208 --> 00:17:50,625  
I synced it with Hank's device to keep  
track of how much time we have left.

341

00:17:50,708 --> 00:17:53,083  
- [keyboard clacking]  
- [machine beeping]

342

00:17:53,166 --> 00:17:55,250  
I got a hit.

343

00:17:55,333 --> 00:17:59,291  
Surgical EKG detonation  
implant, Wayne Tech.

344

00:17:59,375 --> 00:18:01,208  
It's patented and everything.

345

00:18:01,291 --> 00:18:03,791  
- Specs are there?  
- [Conner] Reading them now.

346

00:18:08,166 --> 00:18:11,458  
Wait, to save Hank we have to  
go up against Batman technology?

347

00:18:11,541 --> 00:18:13,291  
It's designed to outperform

348

00:18:13,375 --> 00:18:16,000  
the military's most sophisticated  
electromagnetic explosives.

349

00:18:16,083 --> 00:18:17,416  
Any duplicates on the market,

350

00:18:17,500 --> 00:18:19,625  
customer with a  
deactivator we can modify?

351

00:18:19,708 --> 00:18:22,416  
[exhales] Hank's was  
the first prototype.

352

00:18:22,500 --> 00:18:26,000  
I need you to build a deactivator  
using these blueprints.

353

00:18:26,083 --> 00:18:28,684  
You read through those schematics  
faster than any human ever could,

354

00:18:28,708 --> 00:18:30,416  
you can do this.

355

00:18:30,500 --> 00:18:32,976  
Wait, reading... reading is just  
assimilating other people's work.

356

00:18:33,000 --> 00:18:36,000  
You want me to build  
something this complex

357

00:18:36,083 --> 00:18:38,208  
- in less than three hours?  
- Yeah.

358

00:18:39,750 --> 00:18:40,958  
[sighs]

359

00:18:43,916 --> 00:18:45,625  
- You got this.  
- [sighs]

360  
00:18:46,791 --> 00:18:48,375  
[exhales heavily]

361  
00:18:55,416 --> 00:18:57,375  
I wanted the Titans  
out of Gotham,

362  
00:18:57,458 --> 00:19:00,458  
but instead I get one  
rising from the dead.

363  
00:19:01,250 --> 00:19:02,541  
My lucky day.

364  
00:19:02,625 --> 00:19:04,625  
Jason's not a Titan anymore.

365  
00:19:04,708 --> 00:19:06,476  
And there's no way he  
pulled this off on his own.

366  
00:19:06,500 --> 00:19:09,041  
So we're looking  
for the live person

367  
00:19:09,125 --> 00:19:12,208  
who helped resurrect  
the dead person?

368  
00:19:12,291 --> 00:19:14,208  
I need to see the  
morgue security footage

369  
00:19:14,291 --> 00:19:17,708  
to see if his body  
was left unattended.

370  
00:19:17,791 --> 00:19:19,500  
After what you guys  
pulled last night,

371  
00:19:19,583 --> 00:19:21,375  
I'm not exactly  
in a giving mood.

372  
00:19:22,250 --> 00:19:24,333  
Hank's attached to a bomb,

373  
00:19:24,416 --> 00:19:26,125  
I'm not asking.

374  
00:19:36,000 --> 00:19:38,416  
[monitor beeping steadily]

375  
00:19:38,500 --> 00:19:40,333  
[Hank] What are you calculating?

376  
00:19:40,416 --> 00:19:42,208  
Beta blockers.

377  
00:19:42,291 --> 00:19:44,250  
I think we can bump you  
up to ten milligrams.

378  
00:19:44,333 --> 00:19:46,083  
[Hank] So how much  
time does that buy me?

379  
00:19:46,166 --> 00:19:47,416  
Twenty minutes?

380  
00:19:47,500 --> 00:19:50,583  
Maybe more if I watch

golf. [chuckles]

381

00:19:50,666 --> 00:19:52,208  
How about something to eat?

382

00:19:52,291 --> 00:19:54,434  
[Hank] If this is my last  
meal, you are not cooking it.

383

00:19:54,458 --> 00:19:55,541  
[Dawn laughs]

384

00:19:55,625 --> 00:19:57,500  
Not even my amazing frittata?

385

00:19:57,583 --> 00:19:58,916  
You gotta speak your truth.

386

00:20:00,375 --> 00:20:01,916  
Yo, Krypto,

387

00:20:02,000 --> 00:20:04,416  
- go heat vision me up some hot dogs.  
- [dog whines]

388

00:20:07,500 --> 00:20:10,083  
See if you can sniff out some  
Bourbon while you're at it.

389

00:20:10,166 --> 00:20:12,291  
[barks distantly]

390

00:20:12,375 --> 00:20:14,208  
If Alfred greets me  
at the pearly gates,

391

00:20:14,291 --> 00:20:17,083  
I'm gonna tell him he's  
got some competition.

392

00:20:17,166 --> 00:20:18,500  
You're not meeting Alfred.

393

00:20:18,583 --> 00:20:21,125  
- Why, you think he's in Hell?  
- Stop.

394

00:20:21,208 --> 00:20:23,708  
- You think I'm going to Hell?  
- You're not going anywhere.

395

00:20:23,791 --> 00:20:24,916  
I don't know...

396

00:20:25,000 --> 00:20:26,833  
If I was a betting  
man, I'd say...

397

00:20:26,916 --> 00:20:29,208  
Hank, stop. Please.

398

00:20:32,458 --> 00:20:34,375  
You're going to make it.

399

00:20:37,208 --> 00:20:40,125  
You're not leaving me in this  
shithole world without you.

400

00:20:42,166 --> 00:20:43,333  
Okay?

401

00:20:53,291 --> 00:20:55,750  
Was that a pity kiss

'cause I'm dying?

402

00:20:58,083 --> 00:21:01,250  
You're choosing eternity  
with Alfred over me?

403

00:21:03,583 --> 00:21:04,916  
You wouldn't dare.

404

00:21:08,750 --> 00:21:10,125  
Come here.

405

00:21:19,791 --> 00:21:21,875  
[moaning]

406

00:21:50,583 --> 00:21:52,250  
I'm such an idiot.

407

00:21:52,333 --> 00:21:53,583  
[Dawn] Mm-hmm.

408

00:21:55,125 --> 00:21:57,375  
I screwed everything up.

409

00:21:57,458 --> 00:22:01,458  
Yeah, and you're gonna  
keep screwing it up.

410

00:22:03,625 --> 00:22:05,416  
What if I can't?

411

00:22:07,166 --> 00:22:09,333  
- I want you to know...  
- No.

412

00:22:13,083 --> 00:22:14,583

Look, Dawn...

413

00:22:20,458 --> 00:22:22,541  
[exhales]

414

00:22:22,625 --> 00:22:23,916  
[footsteps depart]

415

00:22:24,000 --> 00:22:27,000  
The original deactivator  
functions remotely,

416

00:22:27,750 --> 00:22:29,250  
and the lock's coded

417

00:22:29,333 --> 00:22:31,708  
- with a precise electrical charge...  
- [beeping]

418

00:22:32,958 --> 00:22:34,458  
that I have to match.

419

00:22:34,541 --> 00:22:36,666  
How many more tries do  
you think it will take?

420

00:22:39,000 --> 00:22:41,958  
There are over 1.5  
million permutations.

421

00:22:47,041 --> 00:22:50,125  
The failure rate's gotta  
be zero, or Hank dies.

422

00:22:50,208 --> 00:22:51,791  
[machines beeping]

423

00:22:51,875 --> 00:22:53,166  
[sighs in exasperation]

424

00:22:56,083 --> 00:22:57,375  
Thanks for the reminder.

425

00:22:59,416 --> 00:23:02,291  
[woman] Will you pull up  
the morgue, Tuesday morning

426

00:23:02,375 --> 00:23:04,000  
07:00?

427

00:23:04,083 --> 00:23:06,563  
- Love me a little morgue in the morning.  
- [keyboard clacking]

428

00:23:10,000 --> 00:23:12,208  
[woman] Bet you wish you'd  
stayed in San Francisco.

429

00:23:12,291 --> 00:23:14,083  
What'd I give for  
an oatmeal cortado.

430

00:23:14,166 --> 00:23:16,916  
[scoffs] Gotham's got a  
whole mess of Cortados.

431

00:23:17,000 --> 00:23:20,000  
Crime family that deals  
synthetic opioids.

432

00:23:20,916 --> 00:23:22,250  
[keyboard clacking]

433

00:23:22,333 --> 00:23:24,291  
That guy, back it up.

434

00:23:26,041 --> 00:23:27,500  
[Kory] Baseball hat.

435

00:23:27,583 --> 00:23:29,708  
But he's supposed to be  
wheeling the body out back.

436

00:23:29,791 --> 00:23:32,208  
That's the door to the  
coroner's locker room.

437

00:23:32,291 --> 00:23:35,625  
Check the locker room  
back exit, side alley.

438

00:23:35,708 --> 00:23:36,708  
[keyboard clacking]

439

00:23:39,125 --> 00:23:40,375  
[woman] The camera was out.

440

00:23:40,458 --> 00:23:42,333  
Our friend covered his tracks.

441

00:23:42,416 --> 00:23:44,916  
Right back inside, find  
the next time we spot him.

442

00:23:45,000 --> 00:23:46,125  
[keyboard clacking]

443

00:23:53,750 --> 00:23:55,833  
[distorted voices]

444  
00:23:57,416 --> 00:23:59,375  
Maybe when we get to  
the other side of this,

445  
00:23:59,458 --> 00:24:02,625  
you can convince Dick to  
move back to San Francisco,

446  
00:24:02,708 --> 00:24:05,291  
before this city eats him alive.

447  
00:24:05,375 --> 00:24:08,500  
Him and me, both.

448  
00:24:08,583 --> 00:24:11,666  
Baseball fanboy is coming  
out of the back door.

449  
00:24:11,750 --> 00:24:13,166  
Four minutes later.

450  
00:24:16,250 --> 00:24:19,333  
Plenty of time to take  
Jason's body out of there.

451  
00:24:22,916 --> 00:24:24,750  
[machine beeps, chirps]

452  
00:24:34,125 --> 00:24:36,541  
- [man] How's the patient?  
- Hungry, as always.

453  
00:24:36,625 --> 00:24:38,041  
You should talk to him.

454  
00:24:38,125 --> 00:24:40,375

I don't know what to say.

455

00:24:40,458 --> 00:24:42,541  
I go in that room, it's  
for one reason only,

456

00:24:42,625 --> 00:24:43,916  
to say goodbye.

457

00:24:44,000 --> 00:24:45,791  
I can't do it.  
I'm not giving up.

458

00:24:45,875 --> 00:24:47,195  
[Dawn] Are you  
watching the clock?

459

00:24:47,250 --> 00:24:49,083  
The gold bar delivery  
is in 45 minutes.

460

00:24:49,166 --> 00:24:51,250  
- We're not heisting an armored truck.  
- Why?

461

00:24:51,333 --> 00:24:52,541  
Because Batman wouldn't?

462

00:24:52,625 --> 00:24:54,291  
Because that's exactly  
what Jason wants.

463

00:24:54,375 --> 00:24:56,055  
It's a game to make us  
look like criminals,

464

00:24:56,083 --> 00:24:57,416

to turn Gotham against us.

465

00:24:57,500 --> 00:24:59,000  
And you're willing  
to let a friend die

466

00:24:59,083 --> 00:25:00,500  
to keep that from happening?

467

00:25:02,375 --> 00:25:04,083  
[cell phone ringing]

468

00:25:07,125 --> 00:25:08,416  
Hey, what's up?

469

00:25:08,500 --> 00:25:10,059  
Video footage of one  
of Jason's henchmen

470

00:25:10,083 --> 00:25:12,125  
helped him disappear  
from the morgue.

471

00:25:12,208 --> 00:25:13,750  
[phone beeps]

472

00:25:17,666 --> 00:25:21,125  
His name is Cyrus Peak,  
lives at 622 Logan Street.

473

00:25:21,208 --> 00:25:22,642  
- All right, I'm on it.  
- [disconnects call]

474

00:25:22,666 --> 00:25:24,458  
I gotta go, Kory's  
got a lead on Jason.

475  
00:25:24,541 --> 00:25:26,083  
How good a lead?

476  
00:25:26,166 --> 00:25:27,541  
Look, we're moving  
on all fronts.

477  
00:25:27,625 --> 00:25:28,958  
Conner's running at full speed,

478  
00:25:29,041 --> 00:25:30,841  
I'm closing in on Jason,  
we're gonna get this.

479  
00:25:31,625 --> 00:25:33,000  
Tell Hank...

480  
00:25:34,500 --> 00:25:36,250  
Tell Hank I'll call him.

481  
00:26:07,250 --> 00:26:08,958  
[doors creak open]

482  
00:26:22,333 --> 00:26:24,041  
[man groans]

483  
00:26:25,083 --> 00:26:26,166  
[grunting]

484  
00:26:35,250 --> 00:26:37,250  
[man] Security breach,  
we need backup.

485  
00:26:37,333 --> 00:26:38,666  
[gunfire]

486  
00:26:40,083 --> 00:26:41,333  
[groans]

487  
00:26:44,041 --> 00:26:46,083  
[panting]

488  
00:27:00,250 --> 00:27:01,750  
[dialing]

489  
00:27:01,833 --> 00:27:03,208  
[line rings]

490  
00:27:05,166 --> 00:27:06,166  
Now what?

491  
00:27:08,125 --> 00:27:09,708  
I'm sure Hank will be proud.

492  
00:27:09,791 --> 00:27:11,751  
- [Dawn] Just tell me where to meet.  
- Come alone.

493  
00:27:12,708 --> 00:27:14,416  
But the party's over.

494  
00:27:21,458 --> 00:27:23,041  
And with that

495  
00:27:24,375 --> 00:27:27,000  
someone's got a flight to catch.

496  
00:27:28,375 --> 00:27:30,083  
Ah. [Chuckles]

497

00:27:31,750 --> 00:27:33,416  
[device beeping]

498

00:27:35,000 --> 00:27:37,291  
[heartbeat pounding]

499

00:27:40,375 --> 00:27:42,583  
[breathes slowly]

500

00:27:49,416 --> 00:27:50,833  
[Dawn] It's about our new place.

501

00:27:51,541 --> 00:27:53,708  
[Dawn chuckling]

502

00:27:53,791 --> 00:27:55,625  
Do you wanna sleep over?

503

00:27:55,708 --> 00:27:57,291  
On the couch, that's all.

504

00:27:57,375 --> 00:27:58,416  
Oh, is that all?

505

00:27:58,500 --> 00:28:00,583  
[Dawn] Oh, it's beautiful!

506

00:28:00,666 --> 00:28:02,875  
[Hank] They pair for life.

507

00:28:02,958 --> 00:28:07,458  
Angry old man. The boys have  
got the Catamaran idling.

508

00:28:07,541 --> 00:28:09,041  
They're just waiting

on their captain.

509

00:28:09,125 --> 00:28:10,642  
[speaking in British  
accent] Thank you, Garfield.

510

00:28:10,666 --> 00:28:12,958  
Let the boys know we'll  
take her out tonight.

511

00:28:15,458 --> 00:28:18,125  
You think this place has  
a big enough chandelier?

512

00:28:18,208 --> 00:28:19,541  
When bats have sex,

513

00:28:19,625 --> 00:28:21,708  
they gotta have  
something to hang from.

514

00:28:21,791 --> 00:28:23,333  
[both laughing]

515

00:28:27,791 --> 00:28:30,916  
Uh, Gotham is Bruce's mess,

516

00:28:31,041 --> 00:28:32,416  
why do we even come here?

517

00:28:32,500 --> 00:28:35,666  
Oh, I just came back because  
I got the hots for Dawn.

518

00:28:35,750 --> 00:28:37,291  
Love's a bitch.

519

00:28:37,375 --> 00:28:39,458  
Never learned my lesson.

520

00:28:40,833 --> 00:28:42,500  
How are you holding up?

521

00:28:42,583 --> 00:28:43,791  
Me?

522

00:28:46,375 --> 00:28:48,500  
This is less than great.

523

00:28:50,166 --> 00:28:51,708  
You hung up the suit.

524

00:28:53,375 --> 00:28:54,541  
You were out.

525

00:28:55,333 --> 00:28:57,125  
Yeah.

526

00:28:57,208 --> 00:28:58,625  
Maybe it's a sign.

527

00:28:58,708 --> 00:29:01,041  
That you should  
have never left DC?

528

00:29:01,125 --> 00:29:03,875  
That I never should  
have left my family.

529

00:29:05,208 --> 00:29:07,416  
That's not what you do.

530

00:29:07,500 --> 00:29:09,250  
No matter what.

531  
00:29:15,583 --> 00:29:18,458  
So what, this is...

532  
00:29:19,375 --> 00:29:20,916  
This is karma?

533  
00:29:23,541 --> 00:29:25,250  
I don't know,

534  
00:29:27,000 --> 00:29:29,250  
but I'm not ready to go.

535  
00:29:31,291 --> 00:29:33,416  
It's not my time yet.

536  
00:29:35,833 --> 00:29:37,833  
I got too much left to do.

537  
00:29:39,666 --> 00:29:41,458  
And so do you.

538  
00:29:42,750 --> 00:29:45,125  
So get the hell out of here.

539  
00:29:45,208 --> 00:29:47,416  
I'm counting on you bozos  
to get me out of this mess.

540  
00:29:53,125 --> 00:29:54,666  
An evening sail...

541  
00:29:58,041 --> 00:29:59,541  
I'm gonna hold you to that.

542

00:30:01,166 --> 00:30:03,041  
See how the main sail sets.

543

00:30:05,791 --> 00:30:07,375  
Aye, aye, Captain.

544

00:30:25,916 --> 00:30:28,125  
- [thuds, glass clanking]  
- Oh, shit.

545

00:30:29,208 --> 00:30:30,333  
[opens door]

546

00:30:31,666 --> 00:30:33,791  
[closes door]

547

00:30:49,583 --> 00:30:52,250  
[cellphone ringing]

548

00:30:53,541 --> 00:30:56,500  
- Yeah?  
- [man] Oh, Cyrus!

549

00:30:56,583 --> 00:30:58,916  
Always dropping  
in at a bad time.

550

00:30:59,000 --> 00:31:01,208  
Show me your face,  
we end this now.

551

00:31:07,291 --> 00:31:10,333  
[tires squealing, screeching]

552

00:31:15,833 --> 00:31:18,500

- Gar, where we at?  
- [Gar] Conner's getting close.

553  
00:31:18,583 --> 00:31:19,625  
How close?

554  
00:31:19,708 --> 00:31:21,125  
Under six percent  
failure rate now.

555  
00:31:21,208 --> 00:31:23,088  
[Dick] All right, call  
me as soon as he gets it.

556  
00:31:33,458 --> 00:31:35,041  
Call Hank.

557  
00:31:35,125 --> 00:31:38,458  
[phone ringing]

558  
00:31:40,041 --> 00:31:41,641  
[Hank] If this is  
about the pay per view,

559  
00:31:41,666 --> 00:31:42,958  
it was all Dawn's idea.

560  
00:31:43,041 --> 00:31:43,958  
I deny everything.

561  
00:31:44,041 --> 00:31:45,250  
How are you feeling, buddy?

562  
00:31:45,333 --> 00:31:47,208  
You know, pal...

563

00:31:47,291 --> 00:31:49,333  
I gotta say...

564  
00:31:49,416 --> 00:31:52,375  
I'm pretty God damn scared.

565  
00:31:52,458 --> 00:31:54,708  
It's a hell of a  
situation we're in.

566  
00:31:55,541 --> 00:31:56,916  
[exhales] Yeah, it is.

567  
00:31:57,000 --> 00:31:58,625  
We've been through  
worse though, right?

568  
00:31:58,708 --> 00:32:01,958  
South city, the Chilean  
dude with the elephant guns?

569  
00:32:02,041 --> 00:32:03,541  
You pretended you  
were a bird man

570  
00:32:03,625 --> 00:32:06,708  
sent from another  
galaxy to make peace.

571  
00:32:06,791 --> 00:32:09,791  
Hey, he handed over that big  
ass gun, didn't he? [Chuckles]

572  
00:32:09,875 --> 00:32:11,916  
He did.

573  
00:32:12,000 --> 00:32:13,916

[Hank] Ah, man.

574  
00:32:14,833 --> 00:32:16,166  
I'm

575  
00:32:16,250 --> 00:32:18,500  
not going to ask  
how you're feeling.

576  
00:32:19,708 --> 00:32:21,416  
- [Dick] Look, Hank, I'm...  
- No.

577  
00:32:22,916 --> 00:32:24,916  
You're doing your best by me.

578  
00:32:25,916 --> 00:32:27,541  
Always have.

579  
00:32:27,625 --> 00:32:29,333  
I'm on my way to see Jason.

580  
00:32:29,416 --> 00:32:30,517  
I'm gonna take care of this.

581  
00:32:30,541 --> 00:32:31,875  
Yeah, about that,

582  
00:32:31,958 --> 00:32:33,684  
you gotta promise not to  
wreck this all for me.

583  
00:32:33,708 --> 00:32:35,083  
Jason needs to be stopped.

584  
00:32:35,166 --> 00:32:36,500

Yeah

585

00:32:36,583 --> 00:32:39,875  
maybe what happened  
to him is on us.

586

00:32:39,958 --> 00:32:42,416  
But you cannot let him  
tear this family apart.

587

00:32:42,500 --> 00:32:44,583  
We worked too god  
damn hard to build it.

588

00:32:46,750 --> 00:32:49,541  
I don't know if I'll be  
eating pizza tomorrow but,

589

00:32:49,625 --> 00:32:52,750  
I'll be damned if I'm the  
reason the Titans go down.

590

00:32:52,833 --> 00:32:54,791  
The Titans aren't going down.

591

00:32:56,416 --> 00:32:58,458  
And I'll buy tomorrow.

592

00:32:58,541 --> 00:33:00,541  
Now you know the order.

593

00:33:00,625 --> 00:33:02,750  
Extra-large Hawaiian,  
add jalapeño.

594

00:33:04,291 --> 00:33:05,291  
You're killing me.

595  
00:33:05,375 --> 00:33:06,750  
You know me

596  
00:33:06,833 --> 00:33:09,458  
hot going in, hot going out.

597  
00:33:09,541 --> 00:33:11,822  
Listen, Hank, I just wanted  
to say... [line disconnects]

598  
00:33:13,583 --> 00:33:14,958  
Hank?

599  
00:33:21,458 --> 00:33:23,083  
[whoosh due to hand]

600  
00:33:23,166 --> 00:33:25,083  
[machine clicks, start]

601  
00:33:25,166 --> 00:33:26,166  
[sighs]

602  
00:33:26,208 --> 00:33:28,000  
[hand whooshing]

603  
00:33:28,083 --> 00:33:31,291  
[siren blaring]

604  
00:33:32,750 --> 00:33:34,958  
- [footsteps approaching]  
- [Dawn] All right,

605  
00:33:35,041 --> 00:33:36,916  
I did what you asked.

606  
00:33:37,000 --> 00:33:38,333  
[breathing heavily]

607  
00:33:41,333 --> 00:33:42,666  
Now, it's your turn.

608  
00:33:43,833 --> 00:33:44,958  
Jason?

609  
00:33:46,750 --> 00:33:48,166  
Jason?

610  
00:33:53,875 --> 00:33:56,208  
[Jason] It's not Jason anymore.

611  
00:33:58,291 --> 00:33:59,333  
Where's the deactivator?

612  
00:33:59,416 --> 00:34:00,583  
In front of you.

613  
00:34:04,833 --> 00:34:06,291  
You're wasting precious time.

614  
00:34:10,916 --> 00:34:12,708  
What the hell is this?

615  
00:34:12,791 --> 00:34:15,166  
I've got the  
deactivator as promised.

616  
00:34:15,250 --> 00:34:17,625  
It engages as soon as my  
thumb releases the trigger.

617

00:34:18,375 --> 00:34:19,791  
You wanna save Hank?

618

00:34:19,875 --> 00:34:21,125  
[machine detaching]

619

00:34:22,916 --> 00:34:24,791  
All you have to do is kill me.

620

00:34:24,875 --> 00:34:26,791  
[sighs] What happened to you?

621

00:34:26,875 --> 00:34:28,708  
[Jason] Same thing that  
happens to everybody.

622

00:34:28,791 --> 00:34:30,375  
I grew up.

623

00:34:31,208 --> 00:34:32,458  
You can, too.

624

00:34:32,541 --> 00:34:35,500  
You just have to face your fear.

625

00:34:35,583 --> 00:34:38,000  
Batman did it, it's  
easier than you think.

626

00:34:38,083 --> 00:34:40,166  
Just pull the trigger  
and you'll be free!

627

00:34:40,250 --> 00:34:42,125  
You're an asshole, Jason.

628

00:34:42,208 --> 00:34:45,208  
Yeah, well, we all  
get there eventually.

629  
00:34:47,708 --> 00:34:50,333  
- Oh, Hank's gonna blow soon.  
- [clicking]

630  
00:34:50,416 --> 00:34:52,083  
So, who's it gonna be, babe?

631  
00:34:52,166 --> 00:34:53,333  
Me?

632  
00:34:53,416 --> 00:34:54,416  
Or him?

633  
00:34:57,625 --> 00:34:58,750  
You did this.

634  
00:34:59,541 --> 00:35:00,625  
Not me.

635  
00:35:04,416 --> 00:35:06,125  
Dawn, don't.

636  
00:35:06,208 --> 00:35:08,000  
Who invited that guy?

637  
00:35:08,083 --> 00:35:09,333  
[breathing heavily]

638  
00:35:10,916 --> 00:35:12,166  
What did you do?

639  
00:35:14,333 --> 00:35:15,958

[Dawn grunts]

640

00:35:16,916 --> 00:35:19,166  
[both grunting]

641

00:35:19,250 --> 00:35:20,583  
[Robin] Dawn, stop!

642

00:35:20,666 --> 00:35:22,041  
This is what he wants.

643

00:35:22,125 --> 00:35:23,250  
Let him have it.

644

00:35:23,333 --> 00:35:24,833  
[Robin] You don't wanna do this.

645

00:35:24,916 --> 00:35:27,250  
Don't tell me what  
I fucking want.

646

00:35:27,333 --> 00:35:30,166  
You can't come back from this.  
We can save Hank another way.

647

00:35:31,458 --> 00:35:32,666  
He's lying, Dawn.

648

00:35:32,750 --> 00:35:33,875  
Gar, talk to me.

649

00:35:33,958 --> 00:35:35,041  
He's almost got it.

650

00:35:35,125 --> 00:35:36,833  
Dawn, we're almost there.

651  
00:35:37,625 --> 00:35:38,875  
[sighing impatiently]

652  
00:35:38,958 --> 00:35:40,416  
I can't wait anymore.

653  
00:35:40,500 --> 00:35:41,916  
Hank, hold on!

654  
00:35:42,000 --> 00:35:43,500  
I don't know, buddy.
