Karen Robinson	...	Vee
Paulino Nunes	...	B.O.P. Official
Kris Siddiqi	...	Dr. Artie Kind
Viktor Sawchuk	...	Young Dick
Tig Fong	...	Orderly
Tyler Williams	...	Arkham Corrections Officer #1
Christopher Bautista	...	Sharpshooter

1  
00:00:07,000 --> 00:00:07,976  
[nurse] There you go.

2  
00:00:08,000 --> 00:00:09,000  
Enjoy.

3  
00:00:12,000 --> 00:00:13,000  
[mumbling]

4  
00:00:21,000 --> 00:00:22,280  
[orderly] This is from Red Hood!

5  
00:00:33,000 --> 00:00:34,000  
Hey!

6  
00:00:35,000 --> 00:00:36,000  
Get off him!

7  
00:00:37,000 --> 00:00:37,976  
This isn't over!

8  
00:00:38,000 --> 00:00:38,977  
Red Hood wants you!

9  
00:00:39,001 --> 00:00:40,976  
He'll get you!

10  
00:00:41,000 --> 00:00:43,000  
[grunts] He'll get you!

11  
00:00:44,000 --> 00:00:44,976  
[choking]

12  
00:00:45,000 --> 00:00:46,000  
[orderly] He'll get you!

13

00:00:49,000 --> 00:00:51,000  
[theme music playing]

14

00:01:11,000 --> 00:01:12,000  
Take a break.

15

00:01:13,000 --> 00:01:15,000  
You've been cleaning for hours.

16

00:01:16,000 --> 00:01:17,000  
Eat something.

17

00:01:19,000 --> 00:01:20,000  
Can't eat.

18

00:01:21,000 --> 00:01:22,000  
I failed.

19

00:01:24,000 --> 00:01:25,976  
Superman never would've failed.

20

00:01:26,000 --> 00:01:28,000  
Don't think like that. We

21

00:01:29,000 --> 00:01:30,000  
we did the best we could.

22

00:01:31,000 --> 00:01:31,976  
Then why isn't Hank still alive?

23

00:01:32,000 --> 00:01:32,977  
Conner, I know this is hard.

24

00:01:33,001 --> 00:01:35,976

How about stop the bullshit?

25

00:01:36,000 --> 00:01:37,000  
Just come out and say it.

26

00:01:39,000 --> 00:01:41,000  
If I wasn't a  
fucked-up half breed,

27

00:01:42,000 --> 00:01:42,976  
none of this would've happened.

28

00:01:43,000 --> 00:01:43,977  
Don't say that word.

29

00:01:44,001 --> 00:01:46,976  
I'm talking about  
the Lex part of me.

30

00:01:47,000 --> 00:01:50,976  
It's like everyone was  
waiting for him to take over.

31

00:01:51,000 --> 00:01:53,976  
So, you can all do  
your happy dance now

32

00:01:54,000 --> 00:01:58,000  
because Superboy definitely  
did not save the day.

33

00:02:00,000 --> 00:02:01,976  
Don't do this to yourself.

34

00:02:02,000 --> 00:02:03,976  
Great.

35  
00:02:04,000 --> 00:02:07,000  
Advice from a talking  
green tiger. Thanks.

36  
00:02:09,000 --> 00:02:10,000  
You're right.

37  
00:02:11,000 --> 00:02:13,000  
You're not Superman.

38  
00:02:17,000 --> 00:02:18,000  
[Dawn] Sorry.

39  
00:02:19,000 --> 00:02:21,000  
I didn't mean to interrupt.

40  
00:02:24,000 --> 00:02:25,000  
It's okay.

41  
00:02:28,000 --> 00:02:29,000  
Hey.

42  
00:02:30,000 --> 00:02:31,000  
It's not your fault.

43  
00:02:33,000 --> 00:02:35,000  
I pulled the trigger.

44  
00:02:37,000 --> 00:02:38,000  
That's not on you.

45  
00:02:39,000 --> 00:02:41,000  
But it was our job to save him.

46  
00:02:42,000 --> 00:02:44,000

It was our job to try.

47

00:02:47,000 --> 00:02:48,000  
And we did. [Sniffles]

48

00:02:55,000 --> 00:02:56,200  
I want him back, too. [Crying]

49

00:03:09,000 --> 00:03:10,000  
[Dick] Paris?

50

00:03:11,000 --> 00:03:12,000  
[Dawn] For now.

51

00:03:13,000 --> 00:03:14,976  
I'll hole up in  
my family's place.

52

00:03:15,000 --> 00:03:17,000  
See what the world  
looks like without Dove.

53

00:03:20,000 --> 00:03:21,160  
I liked how it looked before.

54

00:03:24,000 --> 00:03:26,000  
I worry about where  
your mind is going.

55

00:03:29,000 --> 00:03:30,000  
Jason has to be stopped.

56

00:03:31,000 --> 00:03:31,977  
How he's stopped matters.

57

00:03:32,001 --> 00:03:33,976

Not with Hank dead.

58

00:03:34,000 --> 00:03:34,976  
Deathstroke damaged us all,

59

00:03:35,000 --> 00:03:36,400  
but none of us  
turned into a killer.

60

00:03:39,000 --> 00:03:40,000  
Speak for yourself.

61

00:03:46,000 --> 00:03:49,000  
I keep thinking about the time  
I told you not to be Batman.

62

00:03:50,000 --> 00:03:52,976  
I knew what Gotham  
could do to a person.

63

00:03:53,000 --> 00:03:56,000  
Bruce was on to something  
when he walked away from this.

64

00:03:57,000 --> 00:03:59,000  
Hank wanted to stop, too.

65

00:04:03,000 --> 00:04:05,000  
I know in my heart  
there's a way out.

66

00:04:08,000 --> 00:04:10,000  
There's something more  
on the other side.

67

00:04:12,000 --> 00:04:13,200  
You could always come with me.

68

00:04:17,000 --> 00:04:18,000  
You know I hate flying.

69

00:04:22,000 --> 00:04:23,000  
Love you.

70

00:04:25,000 --> 00:04:26,000  
I love you, too.

71

00:04:28,000 --> 00:04:30,000  
Always. [Inhales]

72

00:04:31,000 --> 00:04:32,000  
[sighs]

73

00:04:35,000 --> 00:04:35,976  
[Dawn] Okay.

74

00:04:36,000 --> 00:04:37,000  
[Dick] Okay.

75

00:04:40,000 --> 00:04:43,000  
[cell phone ringing]

76

00:04:45,000 --> 00:04:47,000  
[sighs]

77

00:04:49,000 --> 00:04:49,977  
Yeah.

78

00:04:50,001 --> 00:04:52,000  
[Barbara] How are  
you holding up?

79

00:04:53,000 --> 00:04:54,000  
I'm at the hangar.

80  
00:04:56,000 --> 00:04:57,000  
How is she?

81  
00:04:58,000 --> 00:04:58,976  
She's on a plane.

82  
00:04:59,000 --> 00:05:00,000  
Any leads?

83  
00:05:02,000 --> 00:05:02,977  
Red Hood put out a  
hit on Jonathan Crane

84  
00:05:03,001 --> 00:05:05,000  
in Arkham this morning.

85  
00:05:06,000 --> 00:05:07,976  
- What?  
- They tried to shank him.

86  
00:05:08,000 --> 00:05:10,976  
Details are still sketchy, but  
it looks to be retaliation.

87  
00:05:11,000 --> 00:05:12,976  
Maybe 'cause he was helping you.

88  
00:05:13,000 --> 00:05:14,976  
- And Crane?  
- Just wounded.

89  
00:05:15,000 --> 00:05:16,976  
We're moving him to  
a secure location.

90

00:05:17,000 --> 00:05:17,977  
Blackgate.

91

00:05:18,001 --> 00:05:19,976  
He'll be safe there.

92

00:05:20,000 --> 00:05:21,976  
- He survived a Red Hood attack?  
- Got lucky.

93

00:05:22,000 --> 00:05:24,976  
We're investigating who  
Red Hood has on the inside.

94

00:05:25,000 --> 00:05:26,976  
- When are you moving him?  
- Within the hour.

95

00:05:27,000 --> 00:05:28,000  
Just waiting on B.O.P.

96

00:05:29,000 --> 00:05:30,000  
Hey.

97

00:05:31,000 --> 00:05:33,000  
I'm really sorry about Hank.

98

00:05:34,000 --> 00:05:36,976  
Maybe you should  
take a few days.

99

00:05:37,000 --> 00:05:38,976  
Take it easy. Process it all.

100

00:05:39,000 --> 00:05:40,976

Good idea.

101

00:05:41,000 --> 00:05:42,000  
Take care.

102

00:05:58,000 --> 00:05:58,977  
Hey, what's up, Kory?

103

00:05:59,001 --> 00:06:00,976  
I made a pizza. You want some?

104

00:06:01,000 --> 00:06:02,976  
I should be getting  
paid an hourly rate

105

00:06:03,000 --> 00:06:03,977  
for how much house  
work I'm doing.

106

00:06:04,001 --> 00:06:06,976  
Not to mention the  
crisis counseling.

107

00:06:07,000 --> 00:06:08,320  
Where is Alfred  
when you need him?

108

00:06:12,000 --> 00:06:14,000  
Sorry. Bad joke.

109

00:06:15,000 --> 00:06:16,000  
[yelps]

110

00:06:18,000 --> 00:06:19,000  
Kory, stop! [Grunts]

111

00:06:23,000 --> 00:06:25,000  
What the shit!

112  
00:06:33,000 --> 00:06:34,000  
[whimpers]

113  
00:06:38,000 --> 00:06:38,977  
Gar, what happened?

114  
00:06:39,001 --> 00:06:41,000  
Stay away from me.

115  
00:06:42,000 --> 00:06:43,000  
Gar?

116  
00:06:44,000 --> 00:06:45,000  
What?

117  
00:06:47,000 --> 00:06:48,000  
Shit.

118  
00:06:49,000 --> 00:06:50,976  
Fuck!

119  
00:06:51,000 --> 00:06:52,880  
[Sanchez] The Bureau of  
Prisons is placing Crane

120  
00:06:53,000 --> 00:06:54,976  
in a high-security facility.

121  
00:06:55,000 --> 00:06:55,977  
I'd be careful he  
doesn't get out.

122  
00:06:56,001 --> 00:06:57,976

It took Batman to  
bring him in last time.

123

00:06:58,000 --> 00:07:00,000  
Yeah, I heard he blew town.

124

00:07:01,000 --> 00:07:01,977  
We'll be okay.

125

00:07:02,001 --> 00:07:04,976  
Gotham PD can handle  
anything thrown at it.

126

00:07:05,000 --> 00:07:06,000  
I admire the courage.

127

00:07:07,000 --> 00:07:08,976  
I got a good GI doc  
if the ulcers kick in.

128

00:07:09,000 --> 00:07:09,977  
All this time, I  
thought that's what

129

00:07:10,001 --> 00:07:11,976  
- the bourbon was for.  
- [Sanchez chuckles]

130

00:07:12,000 --> 00:07:13,976  
Spoken like Jim Gordon himself.

131

00:07:14,000 --> 00:07:16,000  
My father was a Scotch man.

132

00:07:18,000 --> 00:07:19,280  
We'll be in touch, Commissioner.

133  
00:07:26,000 --> 00:07:28,000  
- [line trilling]  
- Pick up.

134  
00:07:30,000 --> 00:07:31,000  
[cell phone ringing]

135  
00:07:33,000 --> 00:07:33,977  
Don't tell me.

136  
00:07:34,001 --> 00:07:36,976  
You are at the airport and  
you want me to pick you up,

137  
00:07:37,000 --> 00:07:38,976  
and whisk you away to the finest

138  
00:07:39,000 --> 00:07:41,000  
San Francisco has to offer.

139  
00:07:42,000 --> 00:07:44,000  
I think I'm losing my mind.

140  
00:07:45,000 --> 00:07:46,976  
Talk to me.

141  
00:07:47,000 --> 00:07:48,976  
I didn't know who else to call.

142  
00:07:49,000 --> 00:07:50,976  
- I'm scared.  
- Hey.

143  
00:07:51,000 --> 00:07:51,977  
It's okay. I'm here for you.

144

00:07:52,001 --> 00:07:53,976  
Just tell me what happened.

145

00:07:54,000 --> 00:07:56,000  
I had another dream.

146

00:07:57,000 --> 00:08:00,000  
I was sleepwalking,  
but I lost control.

147

00:08:02,000 --> 00:08:02,977  
I could have killed him.

148

00:08:03,001 --> 00:08:05,000  
Whoa. Killed who?

149

00:08:06,000 --> 00:08:06,977  
It doesn't matter.

150

00:08:07,001 --> 00:08:08,976  
Do you hear me?

151

00:08:09,000 --> 00:08:12,000  
People in my life  
are getting hurt.

152

00:08:13,000 --> 00:08:15,000  
They're dying.

153

00:08:16,000 --> 00:08:18,000  
And now I'm hurting them, too.

154

00:08:20,000 --> 00:08:22,000  
I just feel so out of control.

155

00:08:23,000 --> 00:08:23,977  
I hear you.

156  
00:08:24,001 --> 00:08:26,976  
And you did the right  
thing, asking for help.

157  
00:08:27,000 --> 00:08:29,000  
I feel so ashamed.

158  
00:08:30,000 --> 00:08:31,976  
I'm supposed to be the one  
people turn to for help.

159  
00:08:32,000 --> 00:08:33,000  
Because you're a Titan.

160  
00:08:35,000 --> 00:08:35,977  
Yeah.

161  
00:08:36,001 --> 00:08:37,976  
Well, you're also human.

162  
00:08:38,000 --> 00:08:40,000  
The grief you feel, the fear

163  
00:08:41,000 --> 00:08:42,976  
it's just part of being one.

164  
00:08:43,000 --> 00:08:45,000  
That's just it.  
I'm not... human.

165  
00:08:48,000 --> 00:08:51,000  
You know what, Dr. Cole,  
I'm sorry I called you.

166  
00:08:55,000 --> 00:08:56,000  
[sighs]

167  
00:09:03,000 --> 00:09:05,976  
- Stay back.  
- Gar, it's okay.

168  
00:09:06,000 --> 00:09:08,000  
I'm so sorry.

169  
00:09:10,000 --> 00:09:10,977  
Are you okay?

170  
00:09:11,001 --> 00:09:12,976  
Am I okay? Yeah, I'm great.

171  
00:09:13,000 --> 00:09:15,976  
Perfect. Seared medium  
rare. What happened?

172  
00:09:16,000 --> 00:09:18,000  
I had another one  
of those dreams.

173  
00:09:19,000 --> 00:09:20,976  
Visions. Whatever they are,

174  
00:09:21,000 --> 00:09:22,360  
they're coming more  
frequently now.

175  
00:09:23,000 --> 00:09:25,000  
Hey, what kind of visions?

176  
00:09:26,000 --> 00:09:26,977  
I don't know. It's like I'm me,

177

00:09:27,001 --> 00:09:28,976  
but I'm someone else, too,

178

00:09:29,000 --> 00:09:31,000  
watching me from the outside.

179

00:09:33,000 --> 00:09:34,976  
They're pulling me somewhere,  
but I don't know where.

180

00:09:35,000 --> 00:09:37,000  
Rachel had visions,  
too, you know?

181

00:09:39,000 --> 00:09:39,977  
When she learned  
to embrace them,

182

00:09:40,001 --> 00:09:41,976  
then she could figure  
out what they were about.

183

00:09:42,000 --> 00:09:43,160  
How am I supposed to do that?

184

00:09:45,000 --> 00:09:47,000  
They come out of nowhere.

185

00:09:50,000 --> 00:09:51,976  
What?

186

00:09:52,000 --> 00:09:54,000  
Stop. You mean I'm  
supposed to follow you?

187

00:09:56,000 --> 00:09:57,000  
[sighs]

188  
00:09:59,000 --> 00:10:00,976  
It's a sensory deprivation tank.

189  
00:10:01,000 --> 00:10:02,976  
Dick said Batman used  
it for meditation.

190  
00:10:03,000 --> 00:10:04,976  
It's supposed to  
help you block out

191  
00:10:05,000 --> 00:10:07,000  
the outside world,  
and get super focused.

192  
00:10:09,000 --> 00:10:09,977  
Are you putting me in time-out?

193  
00:10:10,001 --> 00:10:11,976  
Look, it's supposed to work.

194  
00:10:12,000 --> 00:10:12,977  
It's made out of  
reinforced steel

195  
00:10:13,001 --> 00:10:14,976  
and depleted promethium,

196  
00:10:15,000 --> 00:10:15,977  
so it's basically  
indestructible.

197  
00:10:16,001 --> 00:10:18,000  
So, you can use it

without hurting anyone.

198

00:10:19,000 --> 00:10:20,000  
Especially me.

199

00:10:52,000 --> 00:10:53,000  
[snarling]

200

00:10:59,000 --> 00:11:03,000  
[screaming]

201

00:11:08,000 --> 00:11:08,977  
How quaint.

202

00:11:09,001 --> 00:11:10,976  
Real government men.

203

00:11:11,000 --> 00:11:12,000  
You boys do taxes, too?

204

00:11:13,000 --> 00:11:14,976  
I need some help with my I-9.

205

00:11:15,000 --> 00:11:16,976  
I'm sure they got  
TurboTax at Blackgate.

206

00:11:17,000 --> 00:11:19,000  
Blackgate? I thought we  
were going to a day spa.

207

00:11:23,000 --> 00:11:25,000  
- Get in there!  
- Hey, easy.

208

00:11:32,000 --> 00:11:33,440

You guys got that  
paperwork set to...

209

00:11:39,000 --> 00:11:40,000  
The fuck?

210

00:11:57,000 --> 00:11:58,000  
Let's go.

211

00:12:14,000 --> 00:12:15,976  
[Crane] I'm an Alfa man myself.

212

00:12:16,000 --> 00:12:20,000  
Those Italians, those  
lines, that flair

213

00:12:21,000 --> 00:12:22,000  
the sprezzatura.

214

00:12:25,000 --> 00:12:25,976  
It's a term.

215

00:12:26,000 --> 00:12:26,977  
It means the art of making

216

00:12:27,001 --> 00:12:29,000  
something complicated look easy.

217

00:12:32,000 --> 00:12:33,976  
Like that trail of bodies  
you left back there.

218

00:12:34,000 --> 00:12:36,000  
You didn't even break  
a sweat, did you?

219

00:12:37,000 --> 00:12:37,977  
Like an old pro.

220  
00:12:38,001 --> 00:12:40,000  
See, now that is sprezzatura.

221  
00:12:44,000 --> 00:12:45,976  
Look, I don't need to  
worry about that piece

222  
00:12:46,000 --> 00:12:48,976  
you nicked from the  
B.O.P. back there, do I?

223  
00:12:49,000 --> 00:12:49,977  
I mean, you wouldn't  
shoot a bound

224  
00:12:50,001 --> 00:12:52,000  
and defenseless  
man now, would you?

225  
00:12:54,000 --> 00:12:55,000  
Depends.

226  
00:13:04,000 --> 00:13:05,000  
[yelps]

227  
00:13:27,000 --> 00:13:30,000  
[birds chirping]

228  
00:13:35,000 --> 00:13:36,000  
- [banging]  
- [gasps]

229  
00:13:38,000 --> 00:13:38,977  
Hello?

230  
00:13:39,001 --> 00:13:41,000  
[man] Let me out of here!

231  
00:13:42,000 --> 00:13:42,976  
Who is "me"?

232  
00:13:43,000 --> 00:13:43,976  
Gar!

233  
00:13:44,000 --> 00:13:45,000  
Gar.

234  
00:13:49,000 --> 00:13:49,976  
[gasping]

235  
00:13:50,000 --> 00:13:51,000  
Oh, my God!

236  
00:13:52,000 --> 00:13:53,976  
What the hell is going on?

237  
00:13:54,000 --> 00:13:55,976  
I try to help you, and  
this is the thanks I get?

238  
00:13:56,000 --> 00:13:58,976  
You knock me out, throw me  
in the back of a trunk, and

239  
00:13:59,000 --> 00:14:02,000  
drive me out to... where  
the hell even is this?

240  
00:14:03,000 --> 00:14:04,976  
- That was me?

- Yeah.

241

00:14:05,000 --> 00:14:05,977  
You went into a trance,

242

00:14:06,001 --> 00:14:07,976  
broke out of the  
isolation chamber,

243

00:14:08,000 --> 00:14:09,976  
and when I tried to stop you,  
you punched me in the face.

244

00:14:10,000 --> 00:14:11,976  
That's bad.

245

00:14:12,000 --> 00:14:12,977  
- That's really bad.  
- Yup.

246

00:14:13,001 --> 00:14:16,976  
And I'm through being nice  
and taking care of all of you.

247

00:14:17,000 --> 00:14:19,000  
You, Conner, and  
everybody else sucks!

248

00:14:20,000 --> 00:14:21,000  
You suck!

249

00:14:22,000 --> 00:14:24,000  
Gar. [Sniffles]

250

00:14:29,000 --> 00:14:31,000  
You drove out here asleep?

251  
00:14:33,000 --> 00:14:34,000  
Where are we?

252  
00:14:35,000 --> 00:14:35,977  
I don't know.

253  
00:14:36,001 --> 00:14:38,976  
I just woke up and  
I was parked here.

254  
00:14:39,000 --> 00:14:41,000  
What did you see this  
time in your vision?

255  
00:14:45,000 --> 00:14:46,000  
Blackfire.

256  
00:14:47,000 --> 00:14:48,000  
- Your sister.  
- Mm.

257  
00:14:49,000 --> 00:14:50,000  
The crazy one

258  
00:14:51,000 --> 00:14:51,977  
that killed your parents?

259  
00:14:52,001 --> 00:14:53,976  
Her.

260  
00:14:54,000 --> 00:14:56,976  
I don't know. It feels like  
I'm supposed to be here.

261  
00:14:57,000 --> 00:14:58,976  
Like she brought me here.

262  
00:14:59,000 --> 00:15:01,000  
She brought you to  
the middle of nowhere?

263  
00:15:08,000 --> 00:15:09,000  
The car.

264  
00:15:11,000 --> 00:15:12,000  
Move it.

265  
00:15:13,000 --> 00:15:14,000  
Keep going.

266  
00:15:16,000 --> 00:15:17,000  
That's good.

267  
00:15:20,000 --> 00:15:22,976  
- [Kory] What is it?  
- A hatch.

268  
00:15:23,000 --> 00:15:26,000  
Whatever your psychic  
GPS was leading you to...

269  
00:15:28,000 --> 00:15:28,977  
[grunts]

270  
00:15:29,001 --> 00:15:30,976  
It's down here.

271  
00:15:31,000 --> 00:15:31,977  
My sister is down that hole?

272  
00:15:32,001 --> 00:15:34,976  
Eh, she might be, among

many other things.

273

00:15:35,000 --> 00:15:36,976  
- Only one way to find out.  
- Okay. Ha, yes.

274

00:15:37,000 --> 00:15:37,977  
Common Sense committee.

275

00:15:38,001 --> 00:15:39,976  
Let's talk this out.

276

00:15:40,000 --> 00:15:40,977  
The last time you  
saw your sister,

277

00:15:41,001 --> 00:15:42,976  
she cooked your  
boyfriend. Right?

278

00:15:43,000 --> 00:15:45,976  
Either I find out  
what's down that hatch,

279

00:15:46,000 --> 00:15:48,040  
or I keep sleepwalking and  
punching you in the face.

280

00:15:49,000 --> 00:15:50,000  
Your choice.

281

00:15:53,000 --> 00:15:55,000  
This Grayson, he's one of yours?

282

00:15:56,000 --> 00:15:57,000  
Not exactly.

283

00:15:59,000 --> 00:15:59,977  
That's an answer?

284

00:16:00,001 --> 00:16:01,976  
He used to be Detroit PD.

285

00:16:02,000 --> 00:16:03,976  
Then he went to SF.

286

00:16:04,000 --> 00:16:04,977  
And he just moved back to town.

287

00:16:05,001 --> 00:16:06,976  
So he's a friend?

288

00:16:07,000 --> 00:16:08,976  
Yes. Grayson was using  
Crane as a consultant

289

00:16:09,000 --> 00:16:10,976  
on this new Red Hood case.

290

00:16:11,000 --> 00:16:12,976  
He lost a colleague to  
Red Hood last night.

291

00:16:13,000 --> 00:16:14,976  
I'm guessing this is  
an emotional reaction.

292

00:16:15,000 --> 00:16:17,240  
He just wants to talk to Crane  
and then he'll let him go.

293

00:16:18,000 --> 00:16:19,976  
So you're gonna talk him into

surrendering the prisoner?

294

00:16:20,000 --> 00:16:20,977  
Absolutely.

295

00:16:21,001 --> 00:16:23,000  
Out of respect for your father,

296

00:16:24,000 --> 00:16:25,976  
and because you took on a  
shitty job no one else would,

297

00:16:26,000 --> 00:16:28,976  
you have until  
midnight to fix this.

298

00:16:29,000 --> 00:16:30,200  
And then it's a B.O.P. matter.

299

00:16:31,000 --> 00:16:32,000  
We'll track him down.

300

00:16:39,000 --> 00:16:41,976  
More CCTV footage. This  
time from the city limits.

301

00:16:42,000 --> 00:16:43,976  
Looks like Grayson's still  
on the move with Crane.

302

00:16:44,000 --> 00:16:47,976  
[phone ringing]

303

00:16:48,000 --> 00:16:50,000  
- Hello?  
- [Barbara] Where are you, Dick?

304  
00:16:51,000 --> 00:16:51,977  
Change of plans.

305  
00:16:52,001 --> 00:16:53,976  
Bring Crane back.

306  
00:16:54,000 --> 00:16:56,976  
- I will.  
- I'd get that in writing.

307  
00:16:57,000 --> 00:16:57,977  
Is that him listening?

308  
00:16:58,001 --> 00:16:59,976  
- Yo, Babs.  
- Jesus, Dick.

309  
00:17:00,000 --> 00:17:01,976  
I need Crane back here

310  
00:17:02,000 --> 00:17:03,000  
right now.

311  
00:17:06,000 --> 00:17:07,000  
Gotta go.

312  
00:17:10,000 --> 00:17:11,976  
Put out an APB on  
a black Maserati.

313  
00:17:12,000 --> 00:17:12,977  
I wanna know where he's heading,

314  
00:17:13,001 --> 00:17:15,000  
'cause it sure as  
shit isn't Blackgate.

315  
00:17:17,000 --> 00:17:19,080  
I overheard the police  
talking about what happened

316  
00:17:20,000 --> 00:17:21,000  
to that Hawk fellow.

317  
00:17:30,000 --> 00:17:30,977  
Red Hood is a monster.

318  
00:17:31,001 --> 00:17:32,976  
We've both got  
proof of that now.

319  
00:17:33,000 --> 00:17:34,976  
But I can still help you.

320  
00:17:35,000 --> 00:17:37,000  
You know, just let me  
know what I can do.

321  
00:17:38,000 --> 00:17:39,000  
You can shut up.

322  
00:17:42,000 --> 00:17:43,000  
Enjoy the sprezzatura.

323  
00:17:57,000 --> 00:17:58,976  
[Kory] Watch your back.

324  
00:17:59,000 --> 00:18:01,000  
Blackfire probably  
knows we're here.

325  
00:18:02,000 --> 00:18:04,000

Feel free to watch mine, too.

326  
00:18:19,000 --> 00:18:21,000  
[woman screaming]

327  
00:18:24,000 --> 00:18:25,976  
- You all right?  
- Yeah.

328  
00:18:26,000 --> 00:18:28,000  
[shivering] Just keep moving.

329  
00:18:34,000 --> 00:18:34,976  
What is it?

330  
00:18:35,000 --> 00:18:36,000  
This doorway,

331  
00:18:37,000 --> 00:18:38,976  
I've seen it in my dreams.

332  
00:18:39,000 --> 00:18:41,000  
We're in the right place.

333  
00:18:58,000 --> 00:18:59,000  
Oh, my God.

334  
00:19:04,000 --> 00:19:04,977  
Oh, snap.

335  
00:19:05,001 --> 00:19:09,000  
[chuckles] I knew I  
was right. I knew it.

336  
00:19:10,000 --> 00:19:11,976  
You just... you

have these theories.

337

00:19:12,000 --> 00:19:13,976  
You talk to yourself  
in the mirror

338

00:19:14,000 --> 00:19:14,977  
to convince yourself

339

00:19:15,001 --> 00:19:16,976  
you're not cuckoo  
Cocoa Puffs crazy.

340

00:19:17,000 --> 00:19:18,976  
You know, because  
there's no one...

341

00:19:19,000 --> 00:19:19,977  
There's no really  
down here to talk to.

342

00:19:20,001 --> 00:19:21,976  
I mean, in a meaningful,  
connected way.

343

00:19:22,000 --> 00:19:25,976  
Oh, but then... [laughing]  
just like magic,

344

00:19:26,000 --> 00:19:28,000  
here you are. [Laughs]

345

00:19:29,000 --> 00:19:30,976  
[clears throat] Sorry, I...

346

00:19:31,000 --> 00:19:33,976  
I got lost there

for a moment. Uh...

347

00:19:34,000 --> 00:19:36,000  
You two probably have  
some questions. Yeah?

348

00:19:59,000 --> 00:20:01,000  
Let me go.

349

00:20:02,000 --> 00:20:03,000  
Not gonna happen.

350

00:20:35,000 --> 00:20:36,976  
[Crane straining]

351

00:20:37,000 --> 00:20:39,000  
[pants]

352

00:20:48,000 --> 00:20:49,000  
Are you done now?

353

00:21:00,000 --> 00:21:02,000  
Ah, is this where you  
carve up the victims?

354

00:21:04,000 --> 00:21:05,000  
Just keep walking.

355

00:21:24,000 --> 00:21:25,976  
It's not what you think it is.

356

00:21:26,000 --> 00:21:28,976  
Look, I had nothing to  
do with what happened.

357

00:21:29,000 --> 00:21:30,000

What's his name, Hawk?

358

00:21:31,000 --> 00:21:32,280  
You don't get to talk about him.

359

00:21:34,000 --> 00:21:35,976  
It was Red Hood who did  
it. The kid's a monster.

360

00:21:36,000 --> 00:21:39,000  
Bullshit! You were the one  
that made Jason into a monster.

361

00:21:42,000 --> 00:21:44,976  
The attack at Arkham was  
a phony. It wasn't a hit.

362

00:21:45,000 --> 00:21:47,160  
It was just an excuse to get  
your ass out of Blackgate.

363

00:21:48,000 --> 00:21:49,976  
Red Hood's your protege.

364

00:21:50,000 --> 00:21:51,560  
And I know he's coming  
here to save you.

365

00:21:55,000 --> 00:21:56,976  
You may be overestimating him.

366

00:21:57,000 --> 00:21:58,520  
[Dick] He'll come.  
He knows this place.

367

00:21:59,000 --> 00:22:00,000  
Bruce took him here too.

368

00:22:03,000 --> 00:22:04,000  
It's where he trained us.

369

00:22:08,000 --> 00:22:10,976  
We'll see him  
coming a mile away.

370

00:22:11,000 --> 00:22:13,976  
So why would he  
walk into a trap?

371

00:22:14,000 --> 00:22:15,976  
Because he can't help himself.

372

00:22:16,000 --> 00:22:16,977  
Because you made  
him feel invincible.

373

00:22:17,001 --> 00:22:18,976  
You think I changed him?

374

00:22:19,000 --> 00:22:20,976  
Oh, buddy, no. I  
got news for you.

375

00:22:21,000 --> 00:22:22,976  
That kid came to  
me broken. Okay?

376

00:22:23,000 --> 00:22:24,976  
All I did was rebuild  
him. And it was easy, too,

377

00:22:25,000 --> 00:22:26,976  
after what you did to him in SF.

378

00:22:27,000 --> 00:22:29,976  
And that Titans business,

379

00:22:30,000 --> 00:22:31,976  
what a twisted mind-fuck.

380

00:22:32,000 --> 00:22:34,976  
I kind of wish I'd actually  
thought of that myself.

381

00:22:35,000 --> 00:22:37,000  
- [Dick] It's not true.  
- Isn't it?

382

00:22:38,000 --> 00:22:40,000  
Isn't that what you do  
to all the young people

383

00:22:41,000 --> 00:22:43,000  
that you fail? Abandon them.

384

00:22:44,000 --> 00:22:45,976  
Or kill them.

385

00:22:46,000 --> 00:22:48,000  
How is that little  
witch girl, by the way?

386

00:22:49,000 --> 00:22:50,000  
Or the mute boy.

387

00:22:51,000 --> 00:22:52,000  
Oh.

388

00:22:54,000 --> 00:22:54,977  
[scoffs]

389

00:22:55,001 --> 00:22:58,000  
You must be so sorry  
about all of that now.

390

00:23:03,000 --> 00:23:04,000  
Time to eat.

391

00:23:09,000 --> 00:23:09,977  
So why is my sister here?

392

00:23:10,001 --> 00:23:11,976  
[Kind] Well, 'cause we're a  
Defense Department contractor

393

00:23:12,000 --> 00:23:13,976  
tasked with extraterrestrial  
threat assessment

394

00:23:14,000 --> 00:23:16,976  
and executing  
containment strategies.

395

00:23:17,000 --> 00:23:17,977  
Containment strategies?

396

00:23:18,001 --> 00:23:20,976  
Well, Blackfire was a  
hostile, so we shut her down.

397

00:23:21,000 --> 00:23:22,976  
The red infrared  
light, the cold air,

398

00:23:23,000 --> 00:23:24,976  
the metallic chromium inside  
the holding area walls,

399

00:23:25,000 --> 00:23:27,976  
these are all methods  
of tamping down

400

00:23:28,000 --> 00:23:29,976  
I don't understand.  
Are her powers gone?

401

00:23:30,000 --> 00:23:32,000  
Well, mostly. But her  
brain scan still showed

402

00:23:33,000 --> 00:23:34,976  
that she still possesses  
extra-sensory perception.

403

00:23:35,000 --> 00:23:37,000  
So, it appears that she was able

404

00:23:38,000 --> 00:23:39,976  
to psychically communicate  
her whereabouts to you,

405

00:23:40,000 --> 00:23:41,976  
the only other  
Tamaranean on Earth.

406

00:23:42,000 --> 00:23:44,976  
So, your organization  
goes around imprisoning

407

00:23:45,000 --> 00:23:47,976  
and experimenting on aliens  
that just happen to land.

408

00:23:48,000 --> 00:23:49,976

Oh. No, no. Uh...

409

00:23:50,000 --> 00:23:50,977  
Are you gonna lock me up too?

410

00:23:51,001 --> 00:23:53,976  
[laughing] No, no, no,  
no, no, no, of course not.

411

00:23:54,000 --> 00:23:58,000  
Uh, I'm a solitary  
remote op, you know,

412

00:23:59,000 --> 00:23:59,976  
with one inmate, so,

413

00:24:00,000 --> 00:24:01,000  
even if I want to...

414

00:24:04,000 --> 00:24:05,976  
I wouldn't do that.

415

00:24:06,000 --> 00:24:09,976  
Uh, I am a huge fan  
of yours, Starfire.

416

00:24:10,000 --> 00:24:10,977  
You're amazing.

417

00:24:11,001 --> 00:24:13,000  
And you too, Beast Boy.

418

00:24:15,000 --> 00:24:17,976  
- Thanks.  
- I need to talk to my sister.

419

00:24:18,000 --> 00:24:19,976  
[Kind] Oh, okay, uh...

420  
00:24:20,000 --> 00:24:21,000  
Coffee's almost ready.

421  
00:24:34,000 --> 00:24:35,000  
Komand'r.

422  
00:24:45,000 --> 00:24:46,000  
Koriand'r.

423  
00:24:48,000 --> 00:24:49,000  
You came.

424  
00:24:57,000 --> 00:24:59,000  
- You must be happy.  
- Do I look like I'm happy?

425  
00:25:00,000 --> 00:25:01,976  
If you didn't come  
to laugh at me,

426  
00:25:02,000 --> 00:25:03,976  
You called me here.

427  
00:25:04,000 --> 00:25:06,976  
I didn't think you  
could still hear me.

428  
00:25:07,000 --> 00:25:10,976  
It's been a while since I  
heard your voice so clearly.

429  
00:25:11,000 --> 00:25:12,976  
- Not since we were...  
- Children.

430

00:25:13,000 --> 00:25:14,976  
Well, now that you're here,

431

00:25:15,000 --> 00:25:16,976  
if you have any shred  
of mercy left in you,

432

00:25:17,000 --> 00:25:19,000  
you'll put me out of my misery.

433

00:25:20,000 --> 00:25:20,977  
You want me to kill you?

434

00:25:21,001 --> 00:25:23,976  
Being a prisoner on  
this backwater planet

435

00:25:24,000 --> 00:25:26,976  
- I would rather die than...  
- Maybe you should.

436

00:25:27,000 --> 00:25:29,976  
As payment for all the  
lives you've taken.

437

00:25:30,000 --> 00:25:33,976  
For Mother, and  
Father. For Faddei.

438

00:25:34,000 --> 00:25:34,977  
You killed Faddei.

439

00:25:35,001 --> 00:25:38,000  
And didn't you come to Earth  
to kill a child, Starfire?

440  
00:25:42,000 --> 00:25:43,976  
[Kory] Things were  
different then.

441  
00:25:44,000 --> 00:25:45,976  
- I was different.  
- That's right.

442  
00:25:46,000 --> 00:25:47,976  
You used to believe  
in Tamaranean law,

443  
00:25:48,000 --> 00:25:49,976  
all the things we learned  
from Mother and Father.

444  
00:25:50,000 --> 00:25:51,976  
But you turned  
your back on them.

445  
00:25:52,000 --> 00:25:53,000  
I didn't kill them.

446  
00:25:54,000 --> 00:25:55,976  
Things aren't always what  
they seem, Koriand'r.

447  
00:25:56,000 --> 00:25:58,976  
What the hell is that  
even supposed to mean?

448  
00:25:59,000 --> 00:26:00,040  
You haven't changed a bit.

449  
00:26:01,000 --> 00:26:01,977  
You are just as broken  
as you've ever been.

450

00:26:02,001 --> 00:26:03,976  
Just like when we were kids.

451

00:26:04,000 --> 00:26:05,976  
And I suppose that has  
nothing to do with you?

452

00:26:06,000 --> 00:26:06,977  
[Kory] Of course not.

453

00:26:07,001 --> 00:26:09,000  
You made your choices.

454

00:26:11,000 --> 00:26:11,977  
- The Pit.  
- [Kory scoffs]

455

00:26:12,001 --> 00:26:14,000  
- X'Hal's Mouth.  
- It was a pit.

456

00:26:16,000 --> 00:26:16,977  
A prison for a child.

457

00:26:17,001 --> 00:26:18,976  
You remember.

458

00:26:19,000 --> 00:26:21,976  
"Girls, one of Father's  
trophies is missing."

459

00:26:22,000 --> 00:26:24,976  
"Girls, someone left  
the stables open."

460

00:26:25,000 --> 00:26:27,000  
Mm-hmm. So what? We were  
kids, we played pranks.

461

00:26:28,000 --> 00:26:28,977  
We were punished.

462

00:26:29,001 --> 00:26:30,976  
You always fought back,  
that's why they were.

463

00:26:31,000 --> 00:26:31,977  
You brought it onto yourself.

464

00:26:32,001 --> 00:26:34,976  
You were never  
punished like I was.

465

00:26:35,000 --> 00:26:35,977  
Tamarin's favorite princess.

466

00:26:36,001 --> 00:26:37,976  
I didn't put you in the Pit.

467

00:26:38,000 --> 00:26:39,040  
You never stood up for me.

468

00:26:41,000 --> 00:26:43,000  
I am your sister.

469

00:26:45,000 --> 00:26:46,000  
You hurt people.

470

00:26:49,000 --> 00:26:50,040  
You deserve to be in here.

471

00:26:52,000 --> 00:26:53,000  
I knew you'd say that.

472

00:26:57,000 --> 00:26:59,976  
You pretend to be above it all.

473

00:27:00,000 --> 00:27:01,040  
But you love getting even.

474

00:27:03,000 --> 00:27:04,000  
Like with Faddei.

475

00:27:06,000 --> 00:27:08,976  
He broke your heart all  
those years ago, didn't he?

476

00:27:09,000 --> 00:27:12,000  
I bet that so-called mercy  
kill was easy for you.

477

00:27:14,000 --> 00:27:14,977  
No. No, no, no, no.

478

00:27:15,001 --> 00:27:16,976  
You need to do something

479

00:27:17,000 --> 00:27:18,976  
or she's going to  
blow up Blackfire.

480

00:27:19,000 --> 00:27:19,977  
Don't worry, don't worry.  
There's security provisions

481

00:27:20,001 --> 00:27:22,000  
they've reduced Starfire's power

482  
00:27:46,000 --> 00:27:47,000  
[exhales]

483  
00:28:00,000 --> 00:28:02,000  
Do it, please.

484  
00:28:10,000 --> 00:28:11,976  
I hate you.

485  
00:28:12,000 --> 00:28:13,000  
I know.

486  
00:28:15,000 --> 00:28:17,000  
I'm gonna leave you in here,

487  
00:28:18,000 --> 00:28:19,080  
let justice run its course.

488  
00:28:23,000 --> 00:28:24,000  
Kind, open up.

489  
00:28:25,000 --> 00:28:26,320  
- [loud beep]  
- [Blackfire groans]

490  
00:28:35,000 --> 00:28:37,976  
You're exactly what I  
thought you always were.

491  
00:28:38,000 --> 00:28:39,000  
Disloyal.

492  
00:28:40,000 --> 00:28:41,976  
A hypocrite.

493

00:28:42,000 --> 00:28:45,000  
I deserve the sister  
who would fight for me.

494

00:28:46,000 --> 00:28:49,000  
Everything I ever did was  
because I never had that.

495

00:28:50,000 --> 00:28:52,000  
I am who I am because of you...

496

00:28:53,000 --> 00:28:55,000  
Koriand'r.

497

00:29:14,000 --> 00:29:15,000  
[door opens]

498

00:29:29,000 --> 00:29:30,280  
[Crane] So what's  
your plan here?

499

00:29:32,000 --> 00:29:34,976  
I told you, wait for Red  
Hood and take him out.

500

00:29:35,000 --> 00:29:36,976  
No, I mean, I mean, in Gotham.

501

00:29:37,000 --> 00:29:38,976  
You stepping into Daddy's shoes?

502

00:29:39,000 --> 00:29:40,976  
Now, don't get me  
wrong, I mean, you know,

503

00:29:41,000 --> 00:29:41,977  
we all want to

please our parents.

504

00:29:42,001 --> 00:29:43,976  
That's why I became a doctor.

505

00:29:44,000 --> 00:29:47,976  
You see how well that  
worked out, right?

506

00:29:48,000 --> 00:29:49,976  
You actually think  
we're the same?

507

00:29:50,000 --> 00:29:50,977  
No, no, no.

508

00:29:51,001 --> 00:29:52,976  
What I'm saying is  
that we all get stuck

509

00:29:53,000 --> 00:29:54,976  
on this hamster wheel of...

510

00:29:55,000 --> 00:29:58,976  
[sighing] Trying to live up  
to the expectations of others.

511

00:29:59,000 --> 00:30:01,976  
And we always think that it's  
gonna turn out different,

512

00:30:02,000 --> 00:30:04,976  
but the outcome is  
somehow always the same.

513

00:30:05,000 --> 00:30:07,000  
And is that what you told Jason?

514

00:30:08,000 --&gt; 00:30:09,976

No, I'm talking about you.

515

00:30:10,000 --&gt; 00:30:12,976

You come back here and you wanna

516

00:30:13,000 --&gt; 00:30:15,976

as if that's somehow  
a better outcome

517

00:30:16,000 --&gt; 00:30:17,976

than anything that  
Batman ever did.

518

00:30:18,000 --&gt; 00:30:19,976

Bruce was a psychopath.

519

00:30:20,000 --&gt; 00:30:22,976

He was using fear  
to control everyone,

520

00:30:23,000 --&gt; 00:30:23,977

including his sons.

521

00:30:24,001 --&gt; 00:30:28,976

I mean, he did it to Jason,  
and he did it to you.

522

00:30:29,000 --&gt; 00:30:32,976

And you and Jason, you  
both use that fear.

523

00:30:33,000 --&gt; 00:30:34,976

You wield it like a weapon,

524

00:30:35,000 --> 00:30:38,976  
but it hurts people, right?

525

00:30:39,000 --> 00:30:40,976  
It hurts people  
that you care about.

526

00:30:41,000 --> 00:30:42,000  
Like Hawk.

527

00:30:44,000 --> 00:30:47,000  
It's still Bruce's  
game, isn't it?

528

00:30:48,000 --> 00:30:49,000  
It always has been.

529

00:30:57,000 --> 00:30:59,000  
Is there something on your mind?

530

00:31:00,000 --> 00:31:00,976  
[chuckles softly]

531

00:31:01,000 --> 00:31:02,000  
"Fear is your friend."

532

00:31:05,000 --> 00:31:07,000  
- What's that?  
- Bruce used to say it.

533

00:31:08,000 --> 00:31:10,000  
He said, "Fear reveals  
your weakness,"

534

00:31:12,000 --> 00:31:14,976  
"and it gives you the chance  
to make it your strength."

535

00:31:15,000 --> 00:31:16,000  
[Crane] Hmm.

536

00:31:18,000 --> 00:31:19,976  
And him being the  
man that he is, he

537

00:31:20,000 --> 00:31:23,000  
needed to make sure  
that you were afraid,

538

00:31:25,000 --> 00:31:27,000  
I was out here all alone once.

539

00:31:30,000 --> 00:31:33,000  
Bruce made me go out into  
the forest by myself.

540

00:31:37,000 --> 00:31:39,000  
I had no idea what  
was out there.

541

00:31:40,000 --> 00:31:43,000  
[wolf howling]

542

00:31:49,000 --> 00:31:50,000  
[wolf growling]

543

00:31:54,000 --> 00:31:54,977  
You were just a boy,

544

00:31:55,001 --> 00:31:57,000  
and those were the lessons  
that he taught you.

545

00:32:01,000 --> 00:32:02,000  
It's not your fault.

546

00:32:05,000 --> 00:32:05,977  
But you need to make sure

547

00:32:06,001 --> 00:32:08,000  
that this doesn't  
happen to someone else.

548

00:32:10,000 --> 00:32:12,000  
That it stops with you.

549

00:32:15,000 --> 00:32:17,976  
Now you let Gotham  
take care of Gotham.

550

00:32:18,000 --> 00:32:20,000  
The water will find its level.

551

00:32:23,000 --> 00:32:25,000  
Stop trying to prove  
something here.

552

00:32:26,000 --> 00:32:26,977  
[beeping]

553

00:32:27,001 --> 00:32:29,000  
[automated voice  
speaking] Motion detected.

554

00:32:30,000 --> 00:32:31,000  
Perimeter breached.

555

00:32:36,000 --> 00:32:37,976  
But the thing about that is

556

00:32:38,000 --> 00:32:39,080  
I've already proved myself.

557

00:32:42,000 --> 00:32:44,000  
That night when I was a kid

558

00:32:45,000 --> 00:32:47,000  
- without Bruce.  
- [door opens]

559

00:33:21,000 --> 00:33:22,600  
I shouldn't have been  
afraid of the wolf.

560

00:33:27,000 --> 00:33:28,520  
The wolf should have  
been afraid of me.

561

00:33:32,000 --> 00:33:35,000  
Now, let's get you all fixed up.

562

00:33:36,000 --> 00:33:37,000  
Company's coming.

563

00:33:43,000 --> 00:33:45,160  
You know, I can't say how  
much of a privilege it's been

564

00:33:46,000 --> 00:33:46,977  
to have you here, Starfire.

565

00:33:47,001 --> 00:33:48,976  
And rest assured that  
your sister will stay here

566

00:33:49,000 --> 00:33:53,000

until she is no longer a  
threat to Tamaran, or to Earth.

567

00:33:54,000 --> 00:33:55,976  
But you said her  
powers are gone.

568

00:33:56,000 --> 00:33:56,977  
Yeah, they are.

569

00:33:57,001 --> 00:33:59,976  
Uh, if she were ever  
released, I mean,

570

00:34:00,000 --> 00:34:02,976  
there's just no guarantee  
that her powers won't be.

571

00:34:03,000 --> 00:34:06,000  
So you intend to keep  
her here until she dies?

572

00:34:07,000 --> 00:34:07,976  
Yeah, absolutely.

573

00:34:08,000 --> 00:34:09,760  
But that could be hundreds  
of years from now.

574

00:34:10,000 --> 00:34:10,977  
Yes, well, we've  
constructed her cell

575

00:34:11,001 --> 00:34:12,976  
to make sure she stays contained

576

00:34:13,000 --> 00:34:14,976

with or without our oversight.

577

00:34:15,000 --> 00:34:16,976  
She's gonna be here even  
after you guys are gone?

578

00:34:17,000 --> 00:34:18,976  
Yes, Blackfire will remain here,

579

00:34:19,000 --> 00:34:21,000  
and the world will  
be safe from her.

580

00:34:31,000 --> 00:34:33,000  
Okay. Heat sensor  
data came through.

581

00:34:36,000 --> 00:34:37,976  
Crane was abducted  
here at Arkham.

582

00:34:38,000 --> 00:34:40,976  
Then the traffic camera  
clocked the Maserati here,

583

00:34:41,000 --> 00:34:44,976  
150 miles up the 34  
highway two hours later.

584

00:34:45,000 --> 00:34:47,976  
At first it looked like he was  
headed towards Haddon's Mark,

585

00:34:48,000 --> 00:34:49,976  
but then, this detour

586

00:34:50,000 --> 00:34:51,976

away from Blackgate.

587

00:34:52,000 --> 00:34:53,976  
And we picked up a  
heat marker here.

588

00:34:54,000 --> 00:34:57,000  
But there is nothing  
around there for miles.

589

00:34:59,000 --> 00:35:00,000  
I need a helicopter.

590

00:35:03,000 --> 00:35:04,976  
[Gar] So this is  
best-case scenario, right?

591

00:35:05,000 --> 00:35:08,000  
Blackfire behind bars  
for the rest of her life?

592

00:35:09,000 --> 00:35:10,000  
Just like the Pit.

593

00:35:11,000 --> 00:35:12,000  
What?

594

00:35:13,000 --> 00:35:15,000  
[sighing] Fuck. I don't  
think so. Come on.

595

00:35:23,000 --> 00:35:24,400  
[Kind] Oh, did you  
forget something?

596

00:35:25,000 --> 00:35:26,976  
Yeah. Blackfire.

597

00:35:27,000 --> 00:35:28,976  
- [alarm beeps]  
- [Kind] What are you doing?

598

00:35:29,000 --> 00:35:29,977  
She's coming with me.

599

00:35:30,001 --> 00:35:31,976  
[Kind] What? You  
cannot take her.

600

00:35:32,000 --> 00:35:32,977  
She is our sole detainee.

601

00:35:33,001 --> 00:35:34,976  
Put a vacancy sign out front.  
On your feet, let's go.

602

00:35:35,000 --> 00:35:36,976  
[Blackfire] What are you doing?

603

00:35:37,000 --> 00:35:38,000  
Don't make me regret it.

604

00:35:40,000 --> 00:35:41,976  
I'm sorry, but I just... Please.

605

00:35:42,000 --> 00:35:44,000  
You can't leave. [Sighs]

606

00:35:53,000 --> 00:35:54,976  
Starfire, this is an  
egregious violation

607

00:35:55,000 --> 00:35:57,976

of a number of statutes,  
both federal and local.

608

00:35:58,000 --> 00:36:00,000  
- Get out of our way.  
- [Kind] I can't.

609

00:36:01,000 --> 00:36:03,000  
Blackfire belongs to  
the US Government.

610

00:36:07,000 --> 00:36:09,976  
Get out of my way,

611

00:36:10,000 --> 00:36:11,280  
or I'm gonna burn your dick off.

612

00:36:18,000 --> 00:36:21,000  
There's a strong chance  
that your fire bolts.

613

00:36:22,000 --> 00:36:24,000  
Do you want to find out?

614

00:36:40,000 --> 00:36:41,976  
Now understand that  
if you leave with her,

615

00:36:42,000 --> 00:36:42,976  
then that's final sale.

616

00:36:43,000 --> 00:36:43,977  
The government has  
neither the means

617

00:36:44,001 --> 00:36:46,976  
nor the appetite to

pursue a lethal alien.

618

00:36:47,000 --> 00:36:48,000  
She's your problem now.

619

00:36:49,000 --> 00:36:50,000  
[Kory] What else is new?

620

00:37:07,000 --> 00:37:08,000  
Get in.

621

00:37:11,000 --> 00:37:12,000  
Where are you taking me?

622

00:37:13,000 --> 00:37:14,976  
Are you serious? You'd  
rather stay down there?

623

00:37:15,000 --> 00:37:17,976  
- I don't trust you.  
- Goes both ways, sister.

624

00:37:18,000 --> 00:37:19,976  
Look, either stay  
here or come with us.

625

00:37:20,000 --> 00:37:20,976  
But we got to go.

626

00:37:21,000 --> 00:37:22,200  
We're gonna have company soon.

627

00:37:23,000 --> 00:37:24,000  
[sighs]

628

00:37:27,000 --> 00:37:28,000

[sniffs]

629

00:37:31,000 --> 00:37:33,000  
Your vehicle is filthy.

630

00:37:34,000 --> 00:37:36,000  
- [Kory sighs]  
- Oh, boy.

631

00:37:37,000 --> 00:37:41,000  
["Oh Bondage! Up  
Yours!" playing]

632

00:37:51,000 --> 00:37:53,000  
[Red Hood] There you  
are, Dick Grayson.

633

00:37:57,000 --> 00:37:58,000  
Let's get this over with.

634

00:38:05,000 --> 00:38:07,000  
[Red Hood groans and screams]

635

00:38:13,000 --> 00:38:14,976  
[Red Hood] Wow. Classic moves.

636

00:38:15,000 --> 00:38:17,000  
You even fight me  
like Bats, huh?

637

00:38:39,000 --> 00:38:40,000  
[Crane groans]

638

00:38:42,000 --> 00:38:44,000  
[both grunting]

639

00:38:48,000 --> 00:38:50,000  
You told Crane everything.

640  
00:38:51,000 --> 00:38:52,000  
Everything!

641  
00:38:53,000 --> 00:38:53,977  
This ends here.

642  
00:38:54,001 --> 00:38:55,976  
[Red Hood] What did you  
think was gonna happen

643  
00:38:56,000 --> 00:38:56,977  
after what you did to me?

644  
00:38:57,001 --> 00:38:58,976  
After what you let happen?

645  
00:38:59,000 --> 00:38:59,977  
This isn't on me. You  
made your own choices.

646  
00:39:00,001 --> 00:39:01,976  
[Red Hood] Like you made yours?

647  
00:39:02,000 --> 00:39:03,976  
Come on, dude.

648  
00:39:04,000 --> 00:39:05,160  
You're just like the old man.

649  
00:39:06,000 --> 00:39:07,976  
A copy.

650  
00:39:08,000 --> 00:39:09,880

Everything you do or ever  
did is because of him.

651

00:39:24,000 --> 00:39:24,977  
But not for long.

652

00:39:25,001 --> 00:39:27,000  
[officer] Gotham PD!  
Drop your weapon!

653

00:39:32,000 --> 00:39:32,977  
[Vee] Six-billion-dollar budget,

654

00:39:33,001 --> 00:39:34,976  
and we still can't  
get a clear signal.

655

00:39:35,000 --> 00:39:36,200  
[Barbara] There. Nine o'clock.

656

00:39:39,000 --> 00:39:40,240  
Do you have a shot on Red Hood?

657

00:39:41,000 --> 00:39:41,000  
[officer] Affirmative!

658
