EPISODE 3.05

"Lazarus"

Crane's role in creating Red Hood finally comes into terrifying focus. Also, Jason attempts to reverse engineer a deadly toxin.

Dylan Trowbridge	...	Pete Hawkins
Ilan O'Driscoll	...	Teenage Girl
Dan Darin-Zanco	...	Frank
Thomas Lorber	...	Cyrus Beake
Ryan Turner	...	Arkham Guard
Cole King	...	Diego Martinez

1

00:00:13,043 --> 00:00:15,126
[breathing heavily]

2

00:00:15,209 --> 00:00:17,126
[helicopter hovering]

3

00:00:25,001 --> 00:00:26,501
[Crane] Buck up, snowflake.

4

00:00:29,001 --> 00:00:30,959
We've eluded our overdudes.

5

00:00:31,691 --> 00:00:33,941
Now it's time to boogie.

6

00:00:34,243 --> 00:00:36,160
Did you even see what
happened back there?

7

00:00:36,243 --> 00:00:39,451
Well, the part where we skirted
catastrophe and emerged victorious?

8

00:00:40,391 --> 00:00:42,433
I did. Bully for us.

9

00:00:42,684 --> 00:00:44,184
[laughs] Et voila.

10

00:00:44,209 --> 00:00:45,709
We barely made it out of there.

11

00:00:45,793 --> 00:00:47,459
Ah, details.

12

00:00:47,543 --> 00:00:49,459
We won. Nightwing lost.

13

00:00:49,543 --> 00:00:51,126
You don't know him.

14

00:00:51,209 --> 00:00:52,918
He won't stop. Not after Hawk.

15

00:00:54,459 --> 00:00:56,043
Hawk? Who's Hawk?

16

00:00:56,126 --> 00:00:57,793
Oh, right. The big fella.

17

00:00:57,876 --> 00:00:59,293
With the bomb.

18

00:00:59,376 --> 00:01:01,084
It's hard to keep
you guys straight.

19

00:01:01,168 --> 00:01:02,668
So many of you are birds.

20

00:01:02,751 --> 00:01:04,626
Dick knows everything now.

21

00:01:04,709 --> 00:01:06,293
Okay? We're fucked.

22

00:01:06,959 --> 00:01:08,293
Hey!

23

00:01:08,376 --> 00:01:10,394
You need to make me believe

you have a fucking plan.

24

00:01:10,418 --> 00:01:11,977
You need to stop being
afraid of Dick Grayson.

25

00:01:12,001 --> 00:01:13,251
I'm not afraid of him!

26

00:01:13,334 --> 00:01:15,918
Of course you are.
Hold onto that fear.

27

00:01:16,001 --> 00:01:17,459
Use it

28

00:01:17,543 --> 00:01:19,793
[gun cocks] - I should
fucking kill you right now.

29

00:01:19,876 --> 00:01:21,209
A lot of people should kill me.

30

00:01:21,293 --> 00:01:23,959
I need to know the fucking plan!

31

00:01:24,084 --> 00:01:27,418
The plan is simple.

32

00:01:27,501 --> 00:01:30,709
We immerse the good citizens of
Gotham in a world of fear and terror,

33

00:01:30,793 --> 00:01:32,876
where there is no
one to protect them.

34

00:01:32,959 --> 00:01:36,418
And when they feel that all hope
has been exhausted, we swoop in

35

00:01:36,501 --> 00:01:38,459
and be the answer to their fear.

36

00:01:40,084 --> 00:01:42,043
Eh, you feed a starving dog,

37

00:01:42,126 --> 00:01:43,709
it's always by your side.

38

00:01:45,918 --> 00:01:49,335
Why don't we get you a little hit of your
happy juice and then we'll be on our way?

39

00:01:51,584 --> 00:01:52,784
Here you go.

40

00:01:53,751 --> 00:01:54,793
That's it.

41

00:01:54,876 --> 00:01:56,834
- [inhaler hisses]
- [inhales deeply]

42

00:01:59,918 --> 00:02:01,118
All better now?

43

00:02:02,543 --> 00:02:03,876
No.

44

00:02:03,959 --> 00:02:05,459
[pats arm] That-a-boy.

45
00:02:09,084 --> 00:02:11,168
[theme music playing]

46
00:02:28,751 --> 00:02:30,793
[panting heavily]

47
00:02:33,293 --> 00:02:34,584
[man] Jason!

48
00:02:35,668 --> 00:02:37,584
[sinister laughter]

49
00:02:38,251 --> 00:02:39,451
Jason.

50
00:02:41,501 --> 00:02:43,459
[indistinct voices whispering]

51
00:02:43,543 --> 00:02:45,043
[breathing heavily]

52
00:02:46,168 --> 00:02:47,376
[woman] Jason.

53
00:02:50,376 --> 00:02:52,126
[breath trembling]

54
00:02:56,709 --> 00:02:58,251
[man] Jason.

55
00:02:58,334 --> 00:03:00,293
[sinister laughter continues]

56
00:03:04,584 --> 00:03:06,293
[woman] Jason! Stop!

57
00:03:08,334 --> 00:03:09,793
[door hinges creaking]

58
00:03:13,251 --> 00:03:14,451
[gun cocks]

59
00:03:20,959 --> 00:03:23,126
- [gun fires]
- [Jason coughing]

60
00:03:38,584 --> 00:03:40,501
[breathing shakily]

61
00:03:41,126 --> 00:03:42,326
Donna...

62
00:03:45,584 --> 00:03:46,876
[echoing] Don't go.

63
00:03:53,376 --> 00:03:55,584
You still have time, Jason.

64
00:03:58,876 --> 00:04:00,168
[distorted voice] Jason...

65
00:04:01,126 --> 00:04:02,376
[man] Jason.

66
00:04:03,376 --> 00:04:04,576
[Bruce] Jason!

67
00:04:07,751 --> 00:04:08,951
You're okay.

68

00:04:09,001 --> 00:04:10,201
You're safe.

69
00:04:11,126 --> 00:04:13,626
Jason, you're home.

70
00:04:14,543 --> 00:04:16,501
[breath trembling]

71
00:04:16,584 --> 00:04:18,418
[breathing heavily]

72
00:04:18,501 --> 00:04:19,876
I'm fine.

73
00:04:19,959 --> 00:04:21,793
- I'm fine.
- You were screaming.

74
00:04:22,376 --> 00:04:23,959
[grunts]

75
00:04:24,043 --> 00:04:26,834
[Jason] Got to meet
someone in the city.

76
00:04:26,918 --> 00:04:28,876
It's been a few weeks
of these dreams.

77
00:04:29,793 --> 00:04:32,168
You sure you're okay?

78
00:04:32,251 --> 00:04:34,668
You shouldn't ask
people if they're okay.

79

00:04:34,751 --> 00:04:35,960
You're not really good at it.

80

00:04:41,709 --> 00:04:43,168
[Bruce sighs]

81

00:04:43,251 --> 00:04:45,459
Bruce, I didn't mean... [sighs]

82

00:04:45,543 --> 00:04:47,459
People have bad dreams.

83

00:04:47,543 --> 00:04:48,793
It's not a thing.

84

00:04:49,834 --> 00:04:51,668
[Bruce inhales deeply]

85

00:04:51,751 --> 00:04:53,834
I'd like you to see
an old friend of mine.

86

00:04:54,668 --> 00:04:56,209
Dr. Leslie Thompkins.

87

00:04:57,168 --> 00:04:58,293
What kind of doctor?

88

00:04:58,376 --> 00:05:00,168
[Bruce] A psychologist.

89

00:05:00,251 --> 00:05:01,334
[scoffs]

90

00:05:01,418 --> 00:05:03,084

You're sending me to a shrink?

91

00:05:03,168 --> 00:05:04,543
Because I have fucking dreams?

92

00:05:04,626 --> 00:05:06,293
She's more than
simply a psychologist.

93

00:05:06,376 --> 00:05:07,602
She knows everything about me.

94

00:05:07,626 --> 00:05:09,376
She understands the work we do.

95

00:05:09,459 --> 00:05:11,001
I've done my time with shrinks.

96

00:05:12,126 --> 00:05:13,326
Not gonna happen.

97

00:05:16,043 --> 00:05:18,043
No more Robin until you see her.

98

00:05:21,126 --> 00:05:22,334
What?

99

00:05:22,418 --> 00:05:25,126
I've set an appointment
for tomorrow.

100

00:05:25,209 --> 00:05:26,793
Bruce, please don't do this.

101

00:05:27,584 --> 00:05:29,084
I'm fine.

102

00:05:29,168 --> 00:05:30,852
If Leslie agrees with you, you
can go back to being Robin.

103

00:05:30,876 --> 00:05:34,084
But until I hear the word
from her, you're shut down.

104

00:05:51,001 --> 00:05:53,293
["Deliverance" by The Mission
playing over the speakers]

105

00:06:00,918 --> 00:06:02,709
[sighs]

106

00:06:02,793 --> 00:06:04,459
- [Molly] Hey.
- Sorry I'm late. Molly.

107

00:06:04,543 --> 00:06:06,293
It's cool. I ordered for you.

108

00:06:08,001 --> 00:06:10,084
God, you look tired.

109

00:06:12,043 --> 00:06:13,084
You sleeping?

110

00:06:13,168 --> 00:06:14,668
You still trying to save me?

111

00:06:16,043 --> 00:06:17,084
Always.

112

00:06:17,168 --> 00:06:18,368

[chuckles softly]

113

00:06:18,418 --> 00:06:19,709
What are you working on?

114

00:06:23,584 --> 00:06:25,668
Diego from the
shelter went missing.

115

00:06:25,751 --> 00:06:29,626
Rumor is, the Joker's got a dude
on the street taking in strays.

116

00:06:29,709 --> 00:06:34,709
Diego's poor and brown, so, you
know the cops don't give a shit.

117

00:06:34,793 --> 00:06:36,334
Batman will take care of him.

118

00:06:38,168 --> 00:06:40,459
Batman protects rich people.

119

00:06:42,251 --> 00:06:43,451
Careful, J.

120

00:06:43,501 --> 00:06:46,543
Living in that fake
house got you slipping.

121

00:06:48,084 --> 00:06:49,834
Should've stayed
in San Francisco.

122

00:06:49,918 --> 00:06:51,584
Fuck San Francisco.

123

00:06:51,668 --> 00:06:53,959
That whole thing was a mistake.

124

00:06:54,043 --> 00:06:55,543
Gotham's where I need to be.

125

00:06:59,959 --> 00:07:02,126
You've been different
since you've been back.

126

00:07:04,293 --> 00:07:07,043
- Different how?
- I don't know.

127

00:07:07,126 --> 00:07:08,793
Like something
happened over there.

128

00:07:08,876 --> 00:07:10,168
Nothing happened.

129

00:07:10,251 --> 00:07:11,834
I was bored, so I left.

130

00:07:15,834 --> 00:07:17,418
Okay.

131

00:07:17,501 --> 00:07:19,102
Look, if you don't want
to talk about it...

132

00:07:19,126 --> 00:07:21,584
Where's this guy who's
picking up the street kids?

133

00:07:24,043 --> 00:07:26,668

I heard he's hanging near
a shelter on Dunsmuir.

134

00:07:26,751 --> 00:07:28,418
Show me.

135

00:07:28,501 --> 00:07:30,376
[scoffs] Right.

136

00:07:30,459 --> 00:07:32,834
- 'Cause you're a cop now.
- I'm serious.

137

00:07:32,918 --> 00:07:34,626
Let's just go see if he's there.

138

00:07:36,209 --> 00:07:37,043
And then what?

139

00:07:37,126 --> 00:07:38,326
Take some photos.

140

00:07:38,376 --> 00:07:39,584
Show them to the cops.

141

00:07:40,793 --> 00:07:42,126
It's worth trying.

142

00:07:47,918 --> 00:07:49,118
I know that look.

143

00:07:51,543 --> 00:07:52,743
What look?

144

00:07:54,793 --> 00:07:57,293
The one that used to

get me in trouble.

145

00:08:03,959 --> 00:08:05,918

[Jason] You still
with what's her name?

146

00:08:06,001 --> 00:08:07,126

Sheila?

147

00:08:07,209 --> 00:08:09,251

[Molly] Nah. Sheila
was the wrong one.

148

00:08:09,334 --> 00:08:11,084

I might even date boys again.

149

00:08:18,293 --> 00:08:19,493

Over there.

150

00:08:20,709 --> 00:08:21,909

Gotta be him.

151

00:08:25,834 --> 00:08:27,034

Got it?

152

00:08:27,876 --> 00:08:29,459

[Jason] Hold on.

153

00:08:29,543 --> 00:08:31,584

Name's Pete Hawkins.

154

00:08:31,668 --> 00:08:33,751

Piece of shit's been in
and out of Blackgate.

155

00:08:33,834 --> 00:08:35,668

Gooned up with the
Joker last year.

156

00:08:35,751 --> 00:08:37,001
How do you know that?

157

00:08:37,084 --> 00:08:38,284
Told you.

158

00:08:38,626 --> 00:08:40,501
I'm still me.

159

00:08:40,584 --> 00:08:42,644
Right. That's one of those
things that sounds real cool,

160

00:08:42,668 --> 00:08:45,001
but doesn't actually
mean anything.

161

00:08:45,084 --> 00:08:46,584
Let's go introduce ourselves.

162

00:08:46,668 --> 00:08:48,626
- J...
- Just a conversation.

163

00:08:49,709 --> 00:08:50,834
That's all.

164

00:08:50,918 --> 00:08:52,118
Come on.

165

00:08:52,543 --> 00:08:53,743
[sighs]

166

00:09:00,626 --> 00:09:03,084
[girl grunts] What's in
this? It's really strong.

167
00:09:03,168 --> 00:09:04,685
[Hawkins] You look
like you can handle it.

168
00:09:04,709 --> 00:09:06,709
- [girl laughs]
- [Hawkins] I love your smile.

169
00:09:07,709 --> 00:09:09,376
What if I told you

170
00:09:09,459 --> 00:09:11,102
I could introduce you to someone
that would make you smile,

171
00:09:11,126 --> 00:09:12,326
all the time?

172
00:09:14,043 --> 00:09:16,001
[Jason] It never
works out like that.

173
00:09:21,918 --> 00:09:23,118
Give us a second.

174
00:09:23,709 --> 00:09:24,909
Keep the drink.

175
00:09:26,876 --> 00:09:28,076
We have a problem?

176
00:09:29,251 --> 00:09:31,626
A little young for

you, isn't she, hoss?

177

00:09:31,709 --> 00:09:34,084
She's old enough to
make her own choices.

178

00:09:35,584 --> 00:09:36,793
Do I know you?

179

00:09:36,876 --> 00:09:39,543
I'm "Fuck." She's "Off."

180

00:09:40,543 --> 00:09:42,001
We hate clowns.

181

00:09:44,209 --> 00:09:45,409
Clowns?

182

00:09:47,376 --> 00:09:49,543
Maybe you ran across a kid?

183

00:09:49,626 --> 00:09:51,543
- Diego.
- Martinez.

184

00:09:56,626 --> 00:09:57,826
You know him?

185

00:10:00,043 --> 00:10:03,001
You must have me confused
with someone else.

186

00:10:08,751 --> 00:10:11,418
You haven't done enough time

187

00:10:11,501 --> 00:10:13,001

to look at me like that.

188

00:10:15,251 --> 00:10:17,751
You have no idea who I am.

189

00:10:20,209 --> 00:10:21,584
J, let's get out of here.

190

00:10:21,668 --> 00:10:22,868
[gun cocks]

191

00:10:24,209 --> 00:10:26,168
Where's your swag, cowboy?

192

00:10:27,334 --> 00:10:28,793
[groaning]

193

00:10:28,876 --> 00:10:30,076
[screams]

194

00:10:31,626 --> 00:10:33,001
[grunts]

195

00:10:33,084 --> 00:10:33,959
Jason!

196

00:10:34,043 --> 00:10:35,418
You shut your mouth, bitch!

197

00:10:37,626 --> 00:10:39,043
- [Hawkins grunts]
- [groans]

198

00:10:39,126 --> 00:10:40,709
[Jason coughing]

199
00:10:40,793 --> 00:10:42,043
[both grunting]

200
00:10:45,543 --> 00:10:46,743
Stop it!

201
00:10:48,251 --> 00:10:49,459
Stop it!

202
00:10:51,001 --> 00:10:52,626
Stop it, please.

203
00:10:52,709 --> 00:10:54,168
[Jason coughing]

204
00:10:56,334 --> 00:10:57,626
Just for you, cutie.

205
00:11:00,001 --> 00:11:01,668
[continues coughing]

206
00:11:03,626 --> 00:11:05,376
I'll see you around.

207
00:11:05,459 --> 00:11:07,418
[car door opens and closes]

208
00:11:07,501 --> 00:11:09,084
- Jason!
- [engine starts]

209
00:11:10,293 --> 00:11:11,493
Jason.

210
00:11:13,834 --> 00:11:15,126

[car driving away]

211

00:11:17,168 --> 00:11:18,368
Get off of me!

212

00:11:20,001 --> 00:11:21,126
Look, you're hurt.

213

00:11:21,209 --> 00:11:22,251
We need to get you
to a hospital...

214

00:11:22,334 --> 00:11:24,418
I'm fine. I'm fine.

215

00:11:25,918 --> 00:11:27,418
Just tell me what
I can do to help...

216

00:11:27,501 --> 00:11:29,918
Get the fuck away from me, okay?

217

00:11:30,001 --> 00:11:32,126
Go! Get the fuck away from me!

218

00:11:33,376 --> 00:11:34,576
I said go!

219

00:11:42,168 --> 00:11:45,376
[Jason] Smells like fucking
French fries in here.

220

00:11:45,459 --> 00:11:46,959
Wednesday is my cheat day.

221

00:11:53,959 --> 00:11:55,159

Have a seat.

222

00:11:56,793 --> 00:12:00,043
You want the emotional shit
and then I can leave, right?

223

00:12:00,126 --> 00:12:02,751
Big fan of the emotional shit.

224

00:12:02,834 --> 00:12:05,918
My mother was a smack
addict and it killed her.

225

00:12:06,001 --> 00:12:08,126
My dad was murdered by Two-Face.

226

00:12:08,209 --> 00:12:12,168
Add three years of foster care bullshit
and I'm probably fucked up, okay?

227

00:12:13,543 --> 00:12:16,168
Look, I'm having bad
dreams, I'm off my game.

228

00:12:17,043 --> 00:12:18,543
Just give me the pill.

229

00:12:18,626 --> 00:12:21,293
- The pill?
- That's what you fucking do, right?

230

00:12:21,376 --> 00:12:25,751
You get people to open up about
their shit and you give them pills.

231

00:12:25,834 --> 00:12:28,168
Happened to me when I was

bouncing around State.

232

00:12:29,501 --> 00:12:30,701
Ritalin.

233

00:12:30,751 --> 00:12:32,751
Adderall. Dexedrine.

234

00:12:32,834 --> 00:12:34,834
And something else
I can't remember.

235

00:12:34,918 --> 00:12:37,376
- Did the pills help?
- I never took 'em.

236

00:12:37,459 --> 00:12:40,418
First foster family took the
scripts before they got to me.

237

00:12:40,501 --> 00:12:41,959
Well, medication's
an option but...

238

00:12:42,043 --> 00:12:43,626
That's Jonathan Crane.

239

00:12:46,626 --> 00:12:47,826
Yes.

240

00:12:56,959 --> 00:12:58,459
You knew the Scarecrow?

241

00:13:00,418 --> 00:13:03,918
He wasn't the "Scarecrow"
when I knew him.

242

00:13:04,001 --> 00:13:07,043

He was actually a
brilliant graduate student.

243

00:13:08,084 --> 00:13:09,293

Obsessed with fear.

244

00:13:10,918 --> 00:13:12,543

Driven by ego.

245

00:13:12,626 --> 00:13:14,376

He had real insight.

246

00:13:14,459 --> 00:13:15,659

He was my friend.

247

00:13:18,001 --> 00:13:19,293

Until he tried to kill me.

248

00:13:21,918 --> 00:13:23,543

What happened?

249

00:13:23,626 --> 00:13:26,293

He poisoned me with his gas.

250

00:13:26,376 --> 00:13:30,251

He blamed me for betraying him when
I find out about his experiments.

251

00:13:30,334 --> 00:13:31,793

His fear gas?

252

00:13:33,543 --> 00:13:34,743

Yes.

253

00:13:35,251 --> 00:13:36,451
What was it like?

254

00:13:38,709 --> 00:13:40,459
We're here to talk about you.

255

00:13:41,293 --> 00:13:42,876
My session. My money.

256

00:13:42,959 --> 00:13:44,459
Answer the question.

257

00:13:52,543 --> 00:13:55,293
It was as close to hell as
you can get when you're alive.

258

00:13:58,751 --> 00:14:00,668
If Bruce hadn't saved me...

259

00:14:03,834 --> 00:14:05,584
I still have
nightmares about it.

260

00:14:08,334 --> 00:14:10,918
If you're that fucked up,
how are you a therapist?

261

00:14:12,626 --> 00:14:14,251
I'm honest.

262

00:14:14,334 --> 00:14:16,959
That's how this process starts.

263

00:14:17,043 --> 00:14:18,293
I told you my truth.

264

00:14:18,376 --> 00:14:19,418
What's yours?

265

00:14:19,501 --> 00:14:20,918
What's that supposed to mean?

266

00:14:21,001 --> 00:14:24,584
Crane's specialty was
terrorizing his victims

267

00:14:24,668 --> 00:14:26,376
with their worst fear.

268

00:14:28,668 --> 00:14:29,868
What's yours?

269

00:14:35,793 --> 00:14:38,168
Being stuck in this room with
you for the rest of my life,

270

00:14:38,209 --> 00:14:39,543
talking about my shit.

271

00:14:41,793 --> 00:14:43,084
First days are hard.

272

00:14:45,709 --> 00:14:47,334
We'll see how tomorrow goes.

273

00:14:47,418 --> 00:14:48,618
That's it?

274

00:14:49,209 --> 00:14:50,459
We're done?

275

00:14:50,543 --> 00:14:52,251

[Leslie] Come back
and we'll try again.

276

00:14:54,459 --> 00:14:56,584
I might even tell you
a story about Superman.

277

00:15:10,168 --> 00:15:11,584
[soft whirring]

278

00:15:11,668 --> 00:15:12,868
[door unlocks]

279

00:15:53,584 --> 00:15:55,084
[Bruce] Thoughts about Leslie?

280

00:15:56,668 --> 00:15:58,501
You shouldn't
creep up on people.

281

00:15:58,584 --> 00:16:00,418
It's a skill that
comes in handy.

282

00:16:01,126 --> 00:16:02,326
How did it go?

283

00:16:02,959 --> 00:16:04,168
Okay.

284

00:16:04,251 --> 00:16:06,918
You're looking at my
Scarecrow keepsakes.

285

00:16:08,668 --> 00:16:10,584
Leslie told you
about her encounter?

286
00:16:11,543 --> 00:16:12,501
She tell you that?

287
00:16:12,584 --> 00:16:14,043
No.

288
00:16:14,126 --> 00:16:16,293
What goes on in your sessions
is between you and her.

289
00:16:18,751 --> 00:16:22,376
People underestimate
the power of fear.

290
00:16:22,459 --> 00:16:25,543
Leslie did too, until
she ran into Scarecrow.

291
00:16:25,626 --> 00:16:27,126
She was lucky to survive.

292
00:16:28,168 --> 00:16:30,043
It made her a better therapist.

293
00:16:30,126 --> 00:16:31,326
She's kind of hot.

294
00:16:32,293 --> 00:16:33,626
Did you two ever...

295
00:16:33,709 --> 00:16:37,293
I've got a conference call
with Metropolis tonight.

296
00:16:39,251 --> 00:16:41,084

Luther is up to something.

297

00:16:41,168 --> 00:16:42,501
Can you handle dinner?

298

00:16:43,501 --> 00:16:45,293
Yeah. I'll order in.

299

00:16:47,501 --> 00:16:48,584
You wanna tell me something?

300

00:16:48,668 --> 00:16:50,959
Uh... Spilled off the bike.

301

00:16:52,418 --> 00:16:53,709
Anyway,

302

00:16:53,793 --> 00:16:55,459
the suit's locked up.

303

00:16:55,543 --> 00:16:56,743
I'm benched.

304

00:16:56,793 --> 00:16:58,293
It's the way you want it, right?

305

00:16:58,376 --> 00:16:59,793
[Bruce] For now.

306

00:16:59,876 --> 00:17:02,751
Seeing Leslie was a huge step
to getting back on track.

307

00:17:03,543 --> 00:17:05,418
I know it wasn't easy.

308
00:17:05,501 --> 00:17:06,793
I'm proud of you, son.

309
00:17:12,251 --> 00:17:13,451
Son?

310
00:17:18,834 --> 00:17:20,034
Yeah.

311
00:17:29,168 --> 00:17:31,668
The Ducati's gassed up.

312
00:17:31,751 --> 00:17:34,543
If this new girl
likes cats... run.

313
00:17:37,043 --> 00:17:38,243
[chuckles softly]

314
00:17:43,918 --> 00:17:46,584
- [Leslie] Mother.
- [Jason] Fucker.

315
00:17:51,584 --> 00:17:52,784
Sorry, my bad.

316
00:17:55,293 --> 00:17:56,251
Don't apologize.

317
00:17:56,334 --> 00:17:57,626
[pen scratching on paper]

318
00:17:57,709 --> 00:17:58,909
Mother.

319

00:18:00,209 --> 00:18:01,409
Gone.

320
00:18:02,501 --> 00:18:03,701
[Leslie] Father.

321
00:18:04,043 --> 00:18:05,243
Bruce.

322
00:18:06,043 --> 00:18:07,243
[Leslie] San Francisco.

323
00:18:08,668 --> 00:18:09,868
Rose.

324
00:18:10,376 --> 00:18:11,576
[Leslie] Friend.

325
00:18:12,001 --> 00:18:13,201
Molly.

326
00:18:14,084 --> 00:18:15,284
Robin.

327
00:18:16,043 --> 00:18:17,243
Freedom.

328
00:18:19,168 --> 00:18:22,168
The other day when
you were in the alley,

329
00:18:22,251 --> 00:18:24,584
when that man had the
gun pointed at you,

330
00:18:25,793 --> 00:18:26,993

were you afraid?

331

00:18:27,834 --> 00:18:28,918
Why?

332

00:18:29,001 --> 00:18:31,168
Robin's not supposed
to be afraid.

333

00:18:31,251 --> 00:18:33,043
Bruce puts a lot
of pressure on you.

334

00:18:33,126 --> 00:18:35,668
It's not his fault I
keep fucking it up.

335

00:18:35,751 --> 00:18:37,543
If he thinks I'm
scared, he'll...

336

00:18:39,751 --> 00:18:40,959
He'll what?

337

00:18:45,959 --> 00:18:47,918
I can't be like this.

338

00:18:49,959 --> 00:18:51,209
This?

339

00:18:51,293 --> 00:18:53,876
I'm tired of being afraid.

340

00:18:53,959 --> 00:18:55,334
Freaking out all the time.

341

00:18:55,418 --> 00:18:58,376
The nightmares, the
hand shaking, all of it.

342
00:18:58,459 --> 00:19:01,709
Once he loses faith in
somebody, he takes it all away.

343
00:19:01,793 --> 00:19:03,126
[Leslie] Okay.

344
00:19:03,209 --> 00:19:05,459
Say he stops you
from being Robin.

345
00:19:05,543 --> 00:19:08,543
You just get to be
you, Jason Todd.

346
00:19:08,626 --> 00:19:11,626
Jason Todd lived on the streets
and he ate out of dumpsters.

347
00:19:11,709 --> 00:19:14,584
My life isn't shit
without Robin.

348
00:19:14,668 --> 00:19:17,709
- Does Molly know that you're Robin?
- Fuck no.

349
00:19:20,251 --> 00:19:22,043
Molly likes Jason.

350
00:19:22,126 --> 00:19:24,376
'Cause Jason's a real person.

351

00:19:24,459 --> 00:19:27,459
Robin, on the other
hand, is a construct,

352

00:19:27,543 --> 00:19:30,001
made by a
crime-fighting vigilante

353

00:19:30,084 --> 00:19:33,626
who has a borderline
personality disorder.

354

00:19:33,709 --> 00:19:37,001
Robin is the living embodiment
of that man's projection.

355

00:19:37,084 --> 00:19:38,284
And that's

356

00:19:38,334 --> 00:19:40,334
what you're afraid of not being?

357

00:19:41,043 --> 00:19:42,251
A ghost.

358

00:19:46,043 --> 00:19:47,293
No.

359

00:19:47,376 --> 00:19:49,418
[Leslie] So what
are you afraid of?

360

00:19:49,501 --> 00:19:52,959
Not being Robin or
having to be yourself?

361

00:19:53,043 --> 00:19:55,543

And I know you won't
believe this, but

362
00:19:55,626 --> 00:19:59,084
you'll survive just
fine without a costume.

363
00:19:59,168 --> 00:20:03,209
[scoffs] Is that what
you're going to tell Bruce?

364
00:20:03,293 --> 00:20:06,001
I'll tell him whatever
you want me to.

365
00:20:06,084 --> 00:20:08,084
But he said you had to
sign off on me going back.

366
00:20:08,168 --> 00:20:09,793
[Leslie] Bruce is
not my patient.

367
00:20:09,876 --> 00:20:11,168
What do you want?

368
00:20:15,209 --> 00:20:16,409
To feel better.

369
00:20:19,209 --> 00:20:20,959
[Leslie] Then
let's keep talking.

370
00:20:21,043 --> 00:20:22,668
If after all this,

371
00:20:22,751 --> 00:20:25,293

you want to be Robin
again, that's great.

372

00:20:25,376 --> 00:20:27,876

If not, great
also. Work for you?

373

00:20:29,793 --> 00:20:30,993

Yeah.

374

00:20:32,584 --> 00:20:34,084

Next week, same time?

375

00:20:34,876 --> 00:20:36,076

Yeah, sure.

376

00:20:38,084 --> 00:20:39,284

Thanks.

377

00:20:39,834 --> 00:20:41,034

Thank yourself.

378

00:20:41,084 --> 00:20:42,584

You're the one that's
doing the work.

379

00:20:45,168 --> 00:20:46,418

Jason, wait.

380

00:20:48,459 --> 00:20:50,918

Just because you're afraid,
doesn't mean you're broken.

381

00:20:53,043 --> 00:20:56,334

I want you to hear someone
say that and mean it.

382
00:20:58,918 --> 00:21:00,118
I'll see you soon.

383
00:21:12,418 --> 00:21:14,293
[engine roaring]

384
00:21:32,209 --> 00:21:33,751
[engine accelerating]

385
00:21:55,751 --> 00:21:57,251
Put the phone away, please.

386
00:22:23,876 --> 00:22:25,543
This is where your parents died.

387
00:22:30,584 --> 00:22:32,584
I was standing
right where you are.

388
00:22:36,376 --> 00:22:40,793
Everything that made sense
left my life in one moment.

389
00:22:40,876 --> 00:22:43,168
- Bruce, we don't have to talk about...
- Let me finish.

390
00:22:50,668 --> 00:22:53,251
Everything I've done
is to help you, son.

391
00:22:55,959 --> 00:22:57,159
I know.

392
00:22:59,959 --> 00:23:01,459
What I brought you into...

393
00:23:02,918 --> 00:23:04,118
Robin

394
00:23:05,459 --> 00:23:07,626
is tearing you apart.

395
00:23:07,709 --> 00:23:09,334
It wasn't fair of
me to push you.

396
00:23:10,709 --> 00:23:11,909
You didn't push me.

397
00:23:12,709 --> 00:23:13,959
I needed this.

398
00:23:16,209 --> 00:23:18,168
This city does things to us.

399
00:23:21,043 --> 00:23:22,793
It can take the worst
parts of ourselves

400
00:23:22,876 --> 00:23:24,376
and put them in control.

401
00:23:26,543 --> 00:23:29,126
Sometimes I think it's alive.

402
00:23:29,209 --> 00:23:30,459
Like it has a will.

403
00:23:31,668 --> 00:23:34,251
And it wants us to
destroy ourselves.

404

00:23:37,126 --> 00:23:39,334
I've lost too many
people to Gotham.

405

00:23:41,418 --> 00:23:42,668
I won't lose you.

406

00:23:47,459 --> 00:23:48,659
You won't.

407

00:23:49,584 --> 00:23:51,334
You can't make that promise,

408

00:23:52,084 --> 00:23:53,334
but I can keep it.

409

00:23:58,251 --> 00:23:59,959
I don't want you to be Robin.

410

00:24:04,084 --> 00:24:06,959
You... You talked to Leslie.

411

00:24:07,043 --> 00:24:09,876
I didn't speak to her.
This is my decision alone.

412

00:24:10,751 --> 00:24:12,293
Bullshit.

413

00:24:12,376 --> 00:24:14,060
Hey, what did she tell you,
that I'm a fucking mental case?

414

00:24:14,084 --> 00:24:16,459
She didn't tell me anything.

This has nothing to do

415

00:24:16,543 --> 00:24:18,668
with your psychological
condition. Just hear...

416

00:24:18,751 --> 00:24:21,209
I did exactly what
you asked me to do.

417

00:24:22,501 --> 00:24:24,043
I went to Leslie.

418

00:24:24,126 --> 00:24:26,959
I talked to her.
She's helping me out.

419

00:24:27,043 --> 00:24:28,959
Please don't take
this away from me.

420

00:24:30,418 --> 00:24:33,501
You don't need to wear
a costume to be my son.

421

00:24:37,043 --> 00:24:38,543
You think I'm weak.

422

00:24:40,709 --> 00:24:43,168
You always thought I was weak.

423

00:24:43,251 --> 00:24:44,751
You never did this to Dick.

424

00:24:45,918 --> 00:24:47,376
It's a different matter.

425

00:24:47,459 --> 00:24:49,376
I've learned from my mistakes.

426

00:24:49,459 --> 00:24:51,459
Oh, so I'm a
fucking mistake now?

427

00:24:52,293 --> 00:24:54,668
You gave Dick everything!

428

00:24:54,751 --> 00:24:55,959
And no matter what he does,

429

00:24:56,043 --> 00:24:57,918
you keep on giving
him more and more.

430

00:25:01,293 --> 00:25:03,376
Why don't you do that with me?

431

00:25:03,459 --> 00:25:05,251
What's so bad about me?

432

00:25:06,793 --> 00:25:08,668
Please, just hear
what I'm saying.

433

00:25:08,751 --> 00:25:10,459
This is not your fault.

434

00:25:15,668 --> 00:25:17,668
Please don't give
up on me, Bruce.

435

00:25:20,459 --> 00:25:21,659
I never will.

436
00:25:24,543 --> 00:25:26,459
But I've made my choice.

437
00:25:32,043 --> 00:25:34,376
I've got to go to
London tonight.

438
00:25:34,459 --> 00:25:37,168
Business. You come with me.

439
00:25:37,251 --> 00:25:39,543
We could both use
time away from Gotham.

440
00:25:43,001 --> 00:25:44,626
You're wrong about me.

441
00:25:45,751 --> 00:25:46,951
I'll prove it.

442
00:25:48,209 --> 00:25:50,501
- Jason.
- You're wrong.

443
00:25:58,334 --> 00:26:00,418
[siren wailing in distance]

444
00:26:03,876 --> 00:26:05,793
[cell phone vibrating]

445
00:26:11,876 --> 00:26:13,334
Leslie Thompkins.

446
00:26:13,418 --> 00:26:14,876
Word association.

447
00:26:16,084 --> 00:26:18,334
You know the game, right?

448
00:26:19,834 --> 00:26:20,793
Liar.

449
00:26:20,876 --> 00:26:22,076
Jason, where are you?

450
00:26:22,668 --> 00:26:23,868
Liar!

451
00:26:24,376 --> 00:26:25,576
Jason?

452
00:26:41,709 --> 00:26:43,584
[Crane grunting]

453
00:26:43,668 --> 00:26:45,251
Oh, you are very sly.

454
00:26:45,918 --> 00:26:47,334
But so am I.

455
00:26:47,876 --> 00:26:50,251
[laughs]

456
00:26:50,334 --> 00:26:52,709
Ah. [Sighs]

457
00:26:52,793 --> 00:26:54,334
You must be hungry.

458
00:26:54,418 --> 00:26:56,501

Let me get you your lunch.

459

00:26:56,584 --> 00:26:58,001
You want salad?

460

00:26:58,084 --> 00:26:59,501
Cyrus,

461

00:26:59,584 --> 00:27:02,918
would you be so kind as to
get me a lighter, please?

462

00:27:03,001 --> 00:27:04,201
Jonathan Crane.

463

00:27:05,543 --> 00:27:07,168
Whose little boy are you?

464

00:27:08,126 --> 00:27:09,751
I'm working with the Gotham PD.

465

00:27:11,709 --> 00:27:12,909
[Crane scoffs]

466

00:27:13,501 --> 00:27:14,793
Credentials, please.

467

00:27:18,668 --> 00:27:20,126
No?

468

00:27:20,209 --> 00:27:22,793
Lying makes you feel
icky, doesn't it?

469

00:27:24,293 --> 00:27:26,293
[sighs] Well,

whomever you are...

470

00:27:27,459 --> 00:27:29,751
[sighs] You got fire? [Sniffs]

471

00:27:29,834 --> 00:27:31,034
[Jason] What?

472

00:27:31,084 --> 00:27:32,284
For the strain.

473

00:27:33,293 --> 00:27:34,751
- No.
- Oh.

474

00:27:35,876 --> 00:27:37,076
Well

475

00:27:37,584 --> 00:27:38,784
then run along.

476

00:27:39,959 --> 00:27:41,918
Cut the pothead act, okay?

477

00:27:42,001 --> 00:27:43,209
I know you're the Scarecrow.

478

00:27:43,293 --> 00:27:44,626
Everyone knows that.

479

00:27:44,709 --> 00:27:46,126
You created the fear gas.

480

00:27:46,209 --> 00:27:48,126
That was my former life.

481

00:27:48,209 --> 00:27:49,626
I'm a good citizen now.

482

00:27:49,709 --> 00:27:51,751
In fact, I'm on the
Gotham PD payroll

483

00:27:51,834 --> 00:27:54,043
as a consultant,
which you would know

484

00:27:54,126 --> 00:27:56,918
if you were actually
in the Gotham PD.

485

00:27:57,001 --> 00:27:58,418
Now move along, fan boy.

486

00:27:58,501 --> 00:28:00,418
Listen to me, you sick fuck.

487

00:28:01,834 --> 00:28:04,126
You made a fear gas, right?

488

00:28:04,209 --> 00:28:06,459
That means you can make
something to get rid of fear.

489

00:28:06,543 --> 00:28:10,168
Well, I admire your
logic recto verso.

490

00:28:10,251 --> 00:28:12,543
Even if I could, what
on Earth makes you think

491

00:28:12,626 --> 00:28:15,043
I would share it with
a C-list impostor?

492

00:28:18,668 --> 00:28:19,918
Because I'm special.

493

00:28:26,834 --> 00:28:28,543
[Crane] A collector's item.

494

00:28:28,626 --> 00:28:31,209
From a very specific collector.

495

00:28:36,293 --> 00:28:39,001
Ah. But the question is

496

00:28:40,584 --> 00:28:42,751
how did you get
your hands on it?

497

00:28:44,501 --> 00:28:45,834
You help me, I'll tell you.

498

00:28:45,918 --> 00:28:47,710
I thought the Batman
destroyed all of those.

499

00:28:47,793 --> 00:28:50,001
- He keeps trophies.
- Huh.

500

00:28:50,084 --> 00:28:52,918
Ah. Which would
only be accessible

501

00:28:53,001 --> 00:28:54,709
to people closest to him.

502

00:28:59,168 --> 00:29:01,876
I always imagined
you to have wings.

503

00:29:01,959 --> 00:29:03,209
You disappointed?

504

00:29:03,293 --> 00:29:05,001
No. To the contrary.

505

00:29:07,001 --> 00:29:08,201
So

506

00:29:09,043 --> 00:29:10,584
What is, uh

507

00:29:11,834 --> 00:29:15,293
our young Robin looking for?

508

00:29:15,376 --> 00:29:18,126
I want to reverse-engineer
your fear gas.

509

00:29:18,209 --> 00:29:20,126
To create an antidote to fear.

510

00:29:20,209 --> 00:29:22,334
Assuming it's possible,

511

00:29:22,418 --> 00:29:23,709
what's in it for me?

512

00:29:26,459 --> 00:29:27,659
Information

513
00:29:28,584 --> 00:29:30,209
on the man who put you in here.

514
00:29:31,626 --> 00:29:32,826
A betrayal.

515
00:29:33,501 --> 00:29:34,701
More like, uh...

516
00:29:35,251 --> 00:29:36,584
"Do unto others."

517
00:29:39,334 --> 00:29:42,709
You are a very
mysterious and curious

518
00:29:43,584 --> 00:29:44,784
little bird.

519
00:29:47,126 --> 00:29:48,418
[Crane chuckles softly]

520
00:29:49,918 --> 00:29:52,543
I would want to know
everything about Batman.

521
00:29:56,209 --> 00:29:58,126
Everything about everything.

522
00:29:59,501 --> 00:30:02,918
All details, salient
to ephemeral.

523
00:30:03,001 --> 00:30:05,584
A granular look
at his operations.

524

00:30:05,668 --> 00:30:07,751
Things that only you would know.

525

00:30:10,626 --> 00:30:11,918
And one more thing.

526

00:30:12,959 --> 00:30:14,584
I want out of this place.

527

00:30:16,209 --> 00:30:18,043
And I don't just want out.

528

00:30:19,126 --> 00:30:20,326
[chuckles softly]

529

00:30:21,043 --> 00:30:22,959
I want Robin

530

00:30:23,043 --> 00:30:26,209
to fly me out of
here on his wings

531

00:30:26,293 --> 00:30:30,459
the same way Batman
brought me in on his.

532

00:30:30,543 --> 00:30:32,543
There's a perverse poetry,

533

00:30:32,626 --> 00:30:34,793
and it makes my heart sing.

534

00:30:35,959 --> 00:30:37,159
You down?

535

00:30:39,168 --> 00:30:40,626
I just want the formula.

536

00:30:44,126 --> 00:30:45,326
Get a pencil.

537

00:30:50,418 --> 00:30:51,668
[Frank sighs]

538

00:30:54,418 --> 00:30:56,209
Uh, shower runs cold.

539

00:30:56,293 --> 00:30:58,918
It ain't gonna get fixed
soon, so don't ask.

540

00:31:01,084 --> 00:31:02,284
[Jason] I'll take it.

541

00:31:03,918 --> 00:31:05,918
That should be a month.

542
