Jay Lycurgo	...	Tim Drake
Eve Harlow	...	Molly Jensen
Karen Robinson	...	Vee
Viktor Sawchuk	...	Young Dick
Melissa Murray-Mutch	...	Nurse
Sheldon Davis	...	Demo Inspector
Katie Buitendyk	...	Razz Berry
Garrett Hnatiuk	...	Johnny Cake
Maroc Rey	...	Taxi Driver
Terrence Balazo	...	Building Super
Debra Hale	...	Crane's Mother
Makambe Simamba	...	Kapelwa

1

00:00:07,250 --> 00:00:09,786
[Molly] And Jason
knows a Titan how?

2

00:00:11,054 --> 00:00:13,289
We had friends in common.

3

00:00:13,389 --> 00:00:14,757
Had?

4

00:00:14,857 --> 00:00:16,959
- Have you seen him lately?
- Not in a while.

5

00:00:17,060 --> 00:00:19,629
Last time he showed up here,
he found a missing kid for me.

6

00:00:19,729 --> 00:00:21,431
And he seemed okay?

7

00:00:21,531 --> 00:00:23,633
I mean, other than
the whack suit?

8

00:00:23,733 --> 00:00:24,967
Yeah, tip-top.

9

00:00:25,068 --> 00:00:27,236
[sighs] Jason's in trouble.

10

00:00:28,071 --> 00:00:29,372
I need to find him.

11

00:00:29,439 --> 00:00:30,306
And then what?

12

00:00:30,406 --> 00:00:31,908
Some people want him dead.

13

00:00:33,576 --> 00:00:34,644
I just want to help him.

14

00:00:35,578 --> 00:00:36,979
And I think you do, too.

15

00:00:37,080 --> 00:00:38,214
How does this happen?

16

00:00:38,915 --> 00:00:39,916
He was erratic.

17

00:00:40,716 --> 00:00:41,818
But he cared.

18

00:00:41,918 --> 00:00:43,920
Then he wakes up one
day and he's just...

19

00:00:45,388 --> 00:00:46,422
I don't even know.

20

00:00:48,925 --> 00:00:50,660
It's like the old Jason died.

21

00:00:52,095 --> 00:00:53,329
When Jason came back,

22

00:00:53,429 --> 00:00:55,098
was there anything
different about him,

23

00:00:56,099 --> 00:00:57,433
his voice, the way he walked?

24

00:00:57,500 --> 00:01:01,437
Like dead and come
back to life different?

25

00:01:01,504 --> 00:01:02,805
I don't know.

26

00:01:02,905 --> 00:01:04,774
I'm trying to figure
this out like you.

27

00:01:04,841 --> 00:01:06,776
What are you asking me?

28

00:01:09,245 --> 00:01:10,580
I need to speak with him.

29

00:01:11,614 --> 00:01:13,616
Fix this.

30

00:01:13,683 --> 00:01:16,152
And you think you're
the man for that job?

31

00:01:16,252 --> 00:01:18,087
[suspenseful music playing]

32

00:01:25,862 --> 00:01:27,463
Not just me.

33

00:01:27,530 --> 00:01:29,031
[music intensifies]

34
00:01:33,703 --> 00:01:35,805
[theme music playing]

35
00:01:46,649 --> 00:01:48,518
[Barbara] Well,
what do you think?

36
00:01:48,618 --> 00:01:50,119
Can you make it any bigger?

37
00:01:50,186 --> 00:01:51,554
[Barbara] How big
do you need it?

38
00:01:51,654 --> 00:01:53,789
Bigger than the Bat
Signal. At least.

39
00:01:53,856 --> 00:01:55,576
[Barbara] The man takes
out one drug factory

40
00:01:55,658 --> 00:01:57,360
and thinks he's the
Prince of Gotham.

41
00:01:57,460 --> 00:01:59,328
[Dick] I was thinking
more like viceroy.

42
00:02:02,865 --> 00:02:04,300
[knife clanging]

43
00:02:05,234 --> 00:02:06,836
What was that?

44

00:02:06,903 --> 00:02:09,138
Uh, batarang, actually.

45
00:02:11,707 --> 00:02:13,242
Huh?

46
00:02:13,342 --> 00:02:14,887
[Dick] Hey, you sure you wanna
go to this gala thing tonight?

47
00:02:14,911 --> 00:02:17,079
[sighs] Yeah. Dick?

48
00:02:17,180 --> 00:02:18,714
[Dick] We could cozy
up in the Batcave

49
00:02:18,814 --> 00:02:20,349
and watch the facial
recognition comps.

50
00:02:20,416 --> 00:02:22,294
Crane and Red Hood are
gonna get flagged tonight.

51
00:02:22,318 --> 00:02:23,419
I can feel it.

52
00:02:23,519 --> 00:02:26,055
You know what I can
feel? My hunger pangs.

53
00:02:26,155 --> 00:02:28,758
If I don't get some
hors d'oeuvres soon,

54
00:02:28,858 --> 00:02:31,761

I'm gonna eat these
poor goldfish.

55

00:02:31,861 --> 00:02:33,429
Vee will have you arrested.

56

00:02:33,529 --> 00:02:35,932
Their fate is in your hands.

57

00:02:36,032 --> 00:02:37,567
Don't be late.

58

00:02:37,667 --> 00:02:40,169
See you at eight.

59

00:02:40,236 --> 00:02:43,272
Hey, I thought you
were going to the gala?

60

00:02:43,372 --> 00:02:45,541
- I am.
- Pre-game meal?

61

00:02:45,608 --> 00:02:47,410
Have you seen the
dinners at those things?

62

00:02:47,510 --> 00:02:48,878
Chicken the size of golf balls.

63

00:02:48,945 --> 00:02:49,945
[Kory chuckles]

64

00:02:51,080 --> 00:02:52,080
Mmm. Dick.

65

00:02:53,416 --> 00:02:54,917
Oh, thanks.

66
00:02:55,017 --> 00:02:57,086
Enjoying some of our good press?

67
00:02:57,186 --> 00:02:59,288
Barb asked me to look at it.

68
00:02:59,388 --> 00:03:00,957
It's a T in the sky.

69
00:03:01,057 --> 00:03:04,126
[chuckles] Yes.
Yes, that it is.

70
00:03:04,227 --> 00:03:05,294
[remote clicks]

71
00:03:05,394 --> 00:03:07,630
[projector whirring]

72
00:03:10,900 --> 00:03:12,101
[remote clicks]

73
00:03:12,201 --> 00:03:15,071
There. Between
the two red ones.

74
00:03:15,137 --> 00:03:16,305
[Conner] The blue one?

75
00:03:16,405 --> 00:03:18,241
[Blackfire] That's
where Krypton was.

76

00:03:18,307 --> 00:03:19,307
Home.

77

00:03:20,776 --> 00:03:23,646
I guess home is just in us,
whether we have one or not.

78

00:03:26,749 --> 00:03:28,551
Show me Tamaran.

79

00:03:28,618 --> 00:03:30,753
We'll have to switch galaxies.

80

00:03:30,820 --> 00:03:37,460
Try Z-3-X-4-5-8-9-I.

81

00:03:37,560 --> 00:03:39,595
[Conner] Did you just give
me your space address?

82

00:03:39,662 --> 00:03:42,265
- Yes, but, call first.
- [chuckles]

83

00:03:44,834 --> 00:03:45,834
Oh...

84

00:03:46,936 --> 00:03:48,271
[Blackfire] There she is.

85

00:03:48,337 --> 00:03:50,006
[Conner] Think
you'll ever go back?

86

00:03:51,007 --> 00:03:52,842
I don't know if I can.

87

00:03:54,610 --> 00:03:55,911
So you're staying.

88

00:03:58,748 --> 00:03:59,915
At least for tonight.

89

00:04:08,824 --> 00:04:10,526
[system beeps]

90

00:04:10,626 --> 00:04:11,661
Hey, Dick.

91

00:04:11,761 --> 00:04:12,771
[Dick over comms]
Hey. What's up?

92

00:04:12,795 --> 00:04:14,463
Someone's here to see you.

93

00:04:15,298 --> 00:04:16,699
I'm heading out.

94

00:04:16,799 --> 00:04:18,276
[Gar] No. You're gonna
want to talk to him.

95

00:04:18,300 --> 00:04:20,703
[Dick] Gar, I can't be late.

96

00:04:20,803 --> 00:04:22,338
He says he knows
you're Nightwing.

97

00:04:26,309 --> 00:04:27,309
Who is this?

98

00:04:27,343 --> 00:04:28,844
Says his name is Tim.

99

00:04:30,112 --> 00:04:31,480
Tim Drake.

100

00:04:31,547 --> 00:04:33,115
Maybe a friend of Crane's?

101

00:04:33,182 --> 00:04:34,359
That was right before he told me

102

00:04:34,383 --> 00:04:35,718
Bruce Wayne is Batman.

103

00:04:45,027 --> 00:04:46,295
[sighs]

104

00:04:46,362 --> 00:04:49,665
I was there. At the
beginning. At the end.

105

00:04:52,902 --> 00:04:55,738
I went to Haly's Circus to
see The Flying Graysons...

106

00:04:57,573 --> 00:04:58,933
the night your
parents were killed.

107

00:05:00,343 --> 00:05:02,078
You signed it for
me before the show.

108

00:05:04,013 --> 00:05:05,915
I remember every

move you performed.

109

00:05:08,317 --> 00:05:10,252

Then one day...

110

00:05:10,353 --> 00:05:13,155

I saw Batman and Robin on
the news chasing Penguin.

111

00:05:15,358 --> 00:05:17,159

Robin did a one-handed meat-hook

112

00:05:17,226 --> 00:05:18,694

to scale a rain gutter...

113

00:05:20,196 --> 00:05:21,196

[sighs]

114

00:05:22,698 --> 00:05:26,869

A trapeze move only two
people in the world can do.

115

00:05:26,936 --> 00:05:29,572

You... and your dad.

116

00:05:35,444 --> 00:05:36,512

[chuckles softly]

117

00:05:39,014 --> 00:05:40,549

So, Robin pinched my moves.

118

00:05:40,616 --> 00:05:41,951

I can't copyright them.

119

00:05:43,119 --> 00:05:46,188

Then, the Titans made a splash.

120
00:05:46,255 --> 00:05:49,692
I heard they were good,
so I started keeping tabs.

121
00:05:49,759 --> 00:05:50,759
Guess what?

122
00:05:52,228 --> 00:05:54,930
Nightwing also does the
one-handed meat-hook.

123
00:05:56,532 --> 00:05:58,134
You were Robin.
Then, Nightwing.

124
00:06:05,441 --> 00:06:06,942
Keep 'em. I got copies.

125
00:06:08,210 --> 00:06:09,210
[sighs]

126
00:06:10,246 --> 00:06:11,246
Thank you.

127
00:06:13,549 --> 00:06:16,952
Like I said, stole my moves.

128
00:06:17,052 --> 00:06:18,053
Come on, follow me.

129
00:06:23,259 --> 00:06:25,461
[female reporter] About a
dozen downtown businesses

130
00:06:25,561 --> 00:06:28,297

were boarded up and
glass-littered sidewalks

131

00:06:28,397 --> 00:06:31,500
following an exchange of fire that
wounded more than two dozen...

132

00:06:31,600 --> 00:06:34,270
My dad got shot and the
Titans put on a light show?

133

00:06:34,336 --> 00:06:35,838
[female reporter] Stay out...

134

00:06:40,142 --> 00:06:41,310
I'm sorry about your dad.

135

00:06:42,778 --> 00:06:44,578
It wouldn't have happened
if Batman were here.

136

00:06:46,782 --> 00:06:47,782
[Tim] You need help.

137

00:06:49,018 --> 00:06:50,018
Help?

138

00:06:52,121 --> 00:06:53,656
I want to be the next Robin.

139

00:06:55,291 --> 00:06:56,592
[scoffs]

140

00:06:58,160 --> 00:06:59,971
[smacks lips] Look, you're
barking up the wrong tree.

141
00:06:59,995 --> 00:07:01,263
I appreciate your imagination,

142
00:07:01,330 --> 00:07:02,774
but Bruce Wayne is
just a philanthropist

143
00:07:02,798 --> 00:07:04,533
currently consulting in Europe.

144
00:07:04,633 --> 00:07:06,502
I'm just a former
Detroit city cop.

145
00:07:07,603 --> 00:07:08,871
We don't wear capes.

146
00:07:08,971 --> 00:07:10,651
Oh, next you'll tell
me there's no Batcave.

147
00:07:12,942 --> 00:07:14,302
Come on, I'll give
you a lift home.

148
00:07:17,480 --> 00:07:18,480
[sighs]

149
00:07:21,784 --> 00:07:24,854
[machine whirring]

150
00:07:34,497 --> 00:07:35,664
I need more!

151
00:07:36,999 --> 00:07:37,999
[whirring stops]

152
00:07:45,174 --> 00:07:46,475
You're back.

153
00:07:46,542 --> 00:07:48,244
Come on, bring it in.

154
00:07:48,344 --> 00:07:49,845
I need another inhaler, Crane.

155
00:07:52,181 --> 00:07:53,983
Well, you're gonna have
to cook it yourself.

156
00:07:54,049 --> 00:07:55,049
I'm fresh out.

157
00:07:56,051 --> 00:07:57,051
What about that?

158
00:07:58,487 --> 00:08:00,256
[Crane] That is
too concentrated.

159
00:08:00,356 --> 00:08:02,157
Deadly in its uncut form.

160
00:08:02,224 --> 00:08:04,493
[breathing heavily]
This is a fuck show.

161
00:08:05,694 --> 00:08:08,731
[Crane] J? J-dawg.

162
00:08:08,831 --> 00:08:10,432
Take heart, my friend.

163

00:08:10,533 --> 00:08:12,935
We are just a few swift strokes

164

00:08:13,035 --> 00:08:16,038
away from the sweetest comeback

165

00:08:16,105 --> 00:08:17,439
the world has ever seen.

166

00:08:17,540 --> 00:08:19,300
I mean, they're gonna
make a biopic about us.

167

00:08:19,375 --> 00:08:22,011
How we met, our
ups, our downs...

168

00:08:22,077 --> 00:08:23,946
How the Titans wiped us out?

169

00:08:24,046 --> 00:08:25,381
Do you remember why we're here?

170

00:08:26,715 --> 00:08:28,617
The details are hazy, Crane.

171

00:08:28,717 --> 00:08:31,053
You zombified me, remember that?

172

00:08:31,120 --> 00:08:32,120
I do remember.

173

00:08:33,222 --> 00:08:35,624
Well, um, quick
refresher course.

174

00:08:35,724 --> 00:08:40,296
So this pump station is perched directly
above the Courtland Valve station,

175

00:08:40,396 --> 00:08:43,732
which controls all of the
water supply for all of Gotham.

176

00:08:43,799 --> 00:08:47,970
So all I need to do is drill
through this flimsy piece of steel

177

00:08:48,070 --> 00:08:49,972
that is covering the floor.

178

00:08:50,072 --> 00:08:54,443
Then I take my little friend there and
I dump it into the water supply and...

179

00:08:54,543 --> 00:08:58,480
- [drilling]
- [laughing]

180

00:09:00,149 --> 00:09:03,252
[laughing]

181

00:09:05,554 --> 00:09:07,656
You think that's funny?

182

00:09:07,756 --> 00:09:12,995
Just wait until you see what we're
gonna do to Gotham when we're done here,

183

00:09:13,095 --> 00:09:14,396
[chuckles]

184

00:09:14,463 --> 00:09:17,132
Gotham is going
to destroy itself.

185

00:09:18,434 --> 00:09:21,270
House by house,
family by family.

186

00:09:21,337 --> 00:09:23,505
This plan is a
fucking joke, Crane.

187

00:09:23,606 --> 00:09:24,673
And so are you.

188

00:09:24,773 --> 00:09:26,175
Me?

189

00:09:26,275 --> 00:09:28,310
But I reached over
to the other side,

190

00:09:28,410 --> 00:09:32,414
- dragged you back to the living...
- So you could use me.

191

00:09:32,481 --> 00:09:35,084
Yes, so I could use you.

192

00:09:35,150 --> 00:09:37,786
Life is transactional,
my dear boy.

193

00:09:38,621 --> 00:09:41,757
Well, I gave you life.

194

00:09:41,824 --> 00:09:46,261
You gave me secrets about
Batman and Dick Grayson,

195

00:09:46,328 --> 00:09:48,163
and, uh, what was his name?

196

00:09:48,263 --> 00:09:49,263
Hank?

197

00:09:50,966 --> 00:09:52,635
I'm done telling secrets.

198

00:09:52,701 --> 00:09:54,203
Done being fucking used.

199

00:09:56,105 --> 00:09:57,339
[Jason grunts]

200

00:10:02,011 --> 00:10:03,679
Are you done? [spits]

201

00:10:05,948 --> 00:10:06,948
Almost.

202

00:10:11,053 --> 00:10:12,054
Now I'm done.

203

00:10:18,560 --> 00:10:20,639
You sure you don't want me to
drop you at the Noodle House?

204

00:10:20,663 --> 00:10:21,797
That's far enough.

205

00:10:21,864 --> 00:10:23,184

My cousin lives
around the corner.

206

00:10:23,899 --> 00:10:26,068
Hey, listen.

207

00:10:26,168 --> 00:10:28,648
I'm not gonna tell anybody, if
that's what you're worried about.

208

00:10:29,571 --> 00:10:30,873
I know the rules.

209

00:10:30,973 --> 00:10:33,375
Some secrets have to be kept.

210

00:10:33,475 --> 00:10:35,544
If I can do anything
for your dad...

211

00:10:37,179 --> 00:10:38,747
or your family, let me know.

212

00:10:41,650 --> 00:10:43,570
There's one last thing I
haven't figured out yet.

213

00:10:45,220 --> 00:10:48,223
Who the second Robin
was? The dead one.

214

00:10:48,323 --> 00:10:52,394
I used to think it was Jason Todd
because he was also a Bruce Wayne kid.

215

00:10:52,494 --> 00:10:54,430
But then, I saw him

the other night.

216

00:10:54,530 --> 00:10:57,599
- You saw Jason Todd?
- The night my father was shot.

217

00:10:57,700 --> 00:11:01,203
He was standing across the street
from the shop wearing a hoody.

218

00:11:01,270 --> 00:11:03,772
And you recognized him
from across the street?

219

00:11:03,872 --> 00:11:05,441
He walked like Robin.

220

00:11:05,541 --> 00:11:06,575
I studied him, too.

221

00:11:08,010 --> 00:11:09,178
It's nice to meet you, Tim.

222

00:11:10,412 --> 00:11:11,412
We'll meet again.

223

00:11:18,887 --> 00:11:20,789
[Barbara] Hey, I'm coming down.

224

00:11:20,889 --> 00:11:22,289
[Dick over comms]
I'm not there yet.

225

00:11:23,092 --> 00:11:24,760
It smells like a cancelation.

226

00:11:24,860 --> 00:11:27,229
- Just got a strange tip.
- Yeah, me, too.

227

00:11:27,296 --> 00:11:30,532
Police Commissioner Gordon's going
to the gala without Richard Grayson.

228

00:11:30,599 --> 00:11:32,968
Can you access Gotham's
security video outside

229

00:11:33,068 --> 00:11:34,803
the Drake restaurant
two nights ago?

230

00:11:34,903 --> 00:11:37,023
The night of the attack.
Somebody says they saw Jason.

231

00:11:37,072 --> 00:11:38,874
We did that already.

232

00:11:38,941 --> 00:11:40,776
Can you do a face
recognition sweep?

233

00:11:41,910 --> 00:11:44,313
- This is gonna cost you.
- [Dick chuckles]

234

00:11:49,251 --> 00:11:50,819
Yep. Somebody was right.

235

00:11:50,919 --> 00:11:54,089
I pulled some old video of
Jason as Robin and got a hit.

236

00:11:54,156 --> 00:11:57,459
- Got the same walker.
- Can you track him?

237

00:11:57,559 --> 00:11:59,719
He left the Drake restaurant
the night of the shooting.

238

00:11:59,762 --> 00:12:01,797
Went straight to ABC Liquor.

239

00:12:01,897 --> 00:12:04,666
Can you fast forward?
I've got a gala to catch.

240

00:12:04,767 --> 00:12:08,437
[chuckles] Hold on, Captain
Dateless. Jumping to hyper speed.

241

00:12:08,504 --> 00:12:10,405
[tense music playing]

242

00:12:13,108 --> 00:12:15,511
And we're live.

243

00:12:15,611 --> 00:12:19,248
Last seen at the south end of
Ripley Park. Ten minutes ago.

244

00:12:20,115 --> 00:12:22,084
Ripley Park? Okay.

245

00:12:32,294 --> 00:12:33,294
Jason!

246

00:12:34,530 --> 00:12:35,931

[motorbike engine revving]

247

00:12:43,806 --> 00:12:44,806
Dick?

248

00:12:45,941 --> 00:12:48,010
[car honking, alarm wailing]

249

00:12:48,944 --> 00:12:50,712
[tense music continues]

250

00:13:08,397 --> 00:13:09,498
Jason.

251

00:13:19,341 --> 00:13:21,310
[Blackfire moaning]

252

00:13:41,697 --> 00:13:44,733
[bed creaking, rattling]

253

00:13:46,235 --> 00:13:47,569
[moans loudly]

254

00:13:47,669 --> 00:13:49,404
[both chuckle]

255

00:13:51,340 --> 00:13:52,941
[both laughing]

256

00:13:56,245 --> 00:13:57,245
[both gasp]

257

00:14:00,282 --> 00:14:01,283
It's not what you think.

258

00:14:05,787 --> 00:14:06,787
Koriand'r?

259

00:14:09,224 --> 00:14:10,893
- [yells]
- [grunts]

260

00:14:10,959 --> 00:14:12,127
What are you doing?

261

00:14:12,227 --> 00:14:13,629
[panting]

262

00:14:13,729 --> 00:14:14,729
I don't know.

263

00:14:15,898 --> 00:14:17,466
You almost cooked me.

264

00:14:18,934 --> 00:14:20,636
I'm sorry, it's, um...

265

00:14:20,736 --> 00:14:23,472
It's happening
again. The visions.

266

00:14:25,741 --> 00:14:27,476
Were they coming from you?

267

00:14:27,576 --> 00:14:34,449
Uh, no, I was, um, sleeping.

268

00:14:34,549 --> 00:14:36,485
Somebody's trying to
tell me something.

269

00:14:40,322 --> 00:14:42,603
- [machine beeping] - [woman
announcing indistinctly on PA]

270

00:14:49,431 --> 00:14:50,431
Morning, sunshine.

271

00:14:51,767 --> 00:14:53,302
How are you feeling?

272

00:14:53,402 --> 00:14:55,637
[sighs] Like I was
hit by a truck.

273

00:14:56,405 --> 00:14:57,406
How was the gala?

274

00:14:58,407 --> 00:14:59,975
It was amazing.

275

00:15:00,075 --> 00:15:01,143
I danced my ass off.

276

00:15:01,777 --> 00:15:03,178
Liar.

277

00:15:03,278 --> 00:15:05,580
She was here ten minutes
after you came in.

278

00:15:05,647 --> 00:15:06,815
Didn't sleep a wink.

279

00:15:08,583 --> 00:15:10,118
[Dick] Oh.

280

00:15:10,686 --> 00:15:11,686
I'm sorry.

281
00:15:12,955 --> 00:15:14,623
I'd better call home.

282
00:15:14,690 --> 00:15:18,827
I did. Uh, they're worried, but
I told her I had it covered.

283
00:15:20,195 --> 00:15:22,464
- Thanks.
- Yeah.

284
00:15:22,531 --> 00:15:24,633
It's quite the spill you took.

285
00:15:24,700 --> 00:15:27,002
You're lucky the paramedics
got there so quick.

286
00:15:27,102 --> 00:15:29,871
Somebody anonymous dialed 911.

287
00:15:29,972 --> 00:15:33,375
- I think it was Jason.
- Funny.

288
00:15:33,475 --> 00:15:36,345
I'm not kidding. He was standing right
over me when I was on the ground.

289
00:15:36,445 --> 00:15:39,381
Babe, you hit your
head pretty hard.

290
00:15:39,481 --> 00:15:43,518

You're saying Jason was standing
over you, and could have killed you

291

00:15:43,618 --> 00:15:45,220
but called 911 instead?

292

00:15:45,320 --> 00:15:48,623
He must have lost his nerve.
Run out of drugs. Who knows?

293

00:15:50,859 --> 00:15:52,961
It'll be easier
to finish off now.

294

00:15:53,028 --> 00:15:54,730
Finish?

295

00:15:54,830 --> 00:15:57,632
Bruce used to say, "Throw water on
a drowning man. Close the deal."

296

00:15:59,401 --> 00:16:04,039
I know that the peaceful
way might not have the same

297

00:16:04,139 --> 00:16:07,476
Batman flourish that
you're looking for.

298

00:16:07,542 --> 00:16:10,145
But if Jason wants
to end this quietly,

299

00:16:11,179 --> 00:16:13,548
we'll do that. Right?

300

00:16:15,984 --> 00:16:17,486

Right.

301
00:16:18,754 --> 00:16:20,889
Yeah.

302
00:16:20,989 --> 00:16:24,993
- How's your head?
- [chuckles softly] It's fine.

303
00:16:26,728 --> 00:16:28,330
Can I get out of here or what?

304
00:16:30,065 --> 00:16:31,366
Read the sixth line.

305
00:16:33,035 --> 00:16:36,438
Jewelry thief, police
commissioner and now optometrist.

306
00:16:37,506 --> 00:16:38,573
Humor me.

307
00:16:40,542 --> 00:16:43,845
- E-D-F-C-Z-P.
- Good.

308
00:16:45,213 --> 00:16:46,515
Read the eight line.

309
00:17:04,065 --> 00:17:07,269
D-E-F-P-O-T-E-C.

310
00:17:10,405 --> 00:17:12,641
Is that good enough for
you, Doctor? Can I go now?

311

00:17:12,741 --> 00:17:13,975
Not quite.

312
00:17:14,543 --> 00:17:15,744
Soon.

313
00:17:16,578 --> 00:17:17,813
Oh, shit.

314
00:17:17,913 --> 00:17:19,881
I think I have an 11
o'clock with the mayor.

315
00:17:19,948 --> 00:17:21,917
[Dick] You tell him
we're getting close.

316
00:17:21,983 --> 00:17:24,486
We'll wrap this up,
give the city back

317
00:17:24,586 --> 00:17:27,055
Whose city will it be then?

318
00:17:27,122 --> 00:17:30,325
Yours, of course, Commissioner.

319
00:17:32,127 --> 00:17:33,328
All right.

320
00:17:33,428 --> 00:17:35,430
I'll give the
mayor your regards.

321
00:17:40,001 --> 00:17:41,002
Be back in a few hours.

322

00:17:43,405 --> 00:17:44,406
Don't go running off!

323

00:17:51,613 --> 00:17:52,747
Are you sure about this?

324

00:17:52,814 --> 00:17:54,516
Yeah. They worked last time.

325

00:17:54,616 --> 00:17:57,819
Isn't this how Gar ended up,
locked in a trunk with a black eye?

326

00:17:57,919 --> 00:18:01,123
So he says. This
time I have you two.

327

00:18:02,624 --> 00:18:05,861
Any sign of trouble,
I'm pulling you out.

328

00:18:05,961 --> 00:18:07,772
I'm sorry. I have to slam
you two together on this,

329

00:18:07,796 --> 00:18:09,464
it's just I could
use the backup.

330

00:18:09,531 --> 00:18:11,333
- We work well together.
- No problem.

331

00:18:12,801 --> 00:18:14,102
Do you?

332

00:18:14,169 --> 00:18:16,171
- If we have to.
- I mean... we can.

333
00:18:18,039 --> 00:18:19,274
Okay.

334
00:18:21,476 --> 00:18:23,145
[suspenseful music playing]

335
00:18:35,290 --> 00:18:36,992
[energy crackling]

336
00:18:46,334 --> 00:18:48,537
[gasps softly]

337
00:18:53,308 --> 00:18:54,910
Hello? [echoes]

338
00:19:24,573 --> 00:19:25,941
[woman shouting] My baby!

339
00:19:35,217 --> 00:19:37,252
Hello? [echoes]

340
00:19:44,926 --> 00:19:46,461
[baby cooing]

341
00:19:55,270 --> 00:19:58,773
[chanting indistinctly]

342
00:20:06,581 --> 00:20:08,283
[breathing heavily]

343
00:20:14,489 --> 00:20:15,957
[sighs]

344

00:20:18,927 --> 00:20:20,996

- Kory?

- Hmm?

345

00:20:21,096 --> 00:20:22,464

- Are you awake?

- Yeah.

346

00:20:23,932 --> 00:20:26,167

You guys let me
steal Bruce's car?

347

00:20:26,268 --> 00:20:30,305

We didn't think he'd mind. I mean,
technically, we've stolen, too.

348

00:20:30,405 --> 00:20:32,641

You got out of that pod thing
and seem to want to drive.

349

00:20:33,441 --> 00:20:34,442

We followed.

350

00:20:34,509 --> 00:20:35,744

Where did I go?

351

00:20:35,810 --> 00:20:37,946

[Conner] You just kept
circling the spot.

352

00:20:38,013 --> 00:20:39,814

- This spot?

- Did you see anything?

353

00:20:40,782 --> 00:20:41,816

Remember anything?

354

00:20:41,916 --> 00:20:43,318
No, no, nothing.

355

00:20:44,419 --> 00:20:45,487
I'll drive you back.

356

00:20:45,587 --> 00:20:47,522
No, it's okay. I'm awake now.

357

00:20:52,627 --> 00:20:53,662
Hey!

358

00:20:55,297 --> 00:20:56,998
So, you two are
sleeping together?

359

00:21:02,637 --> 00:21:05,040
[footsteps receding]

360

00:21:05,140 --> 00:21:06,441
[car door opens]

361

00:21:15,984 --> 00:21:18,119
[shivering]

362

00:21:26,494 --> 00:21:28,029
Hey, what the fuck?

363

00:21:28,129 --> 00:21:29,898
You can't be in here.

364

00:21:29,998 --> 00:21:33,902
Hey man. I don't want any trouble.
Just trying to find a place to sleep.

365
00:21:34,502 --> 00:21:35,704
Sorry.

366
00:21:35,804 --> 00:21:38,239
It's crazy out there lately.

367
00:21:38,340 --> 00:21:41,242
Regular God-fearing people
killing for no good reason.

368
00:21:42,977 --> 00:21:44,245
Somebody beat you up?

369
00:21:45,013 --> 00:21:46,481
Uh, no, no.

370
00:21:46,548 --> 00:21:49,651
I mean, my friend. Yeah.

371
00:21:49,718 --> 00:21:52,420
Oh, we had a spat...

372
00:21:52,520 --> 00:21:54,155
and, uh, he ran off.

373
00:21:54,222 --> 00:21:56,224
You didn't see anyone
up there, did you?

374
00:21:56,324 --> 00:21:57,359
No, just you.

375
00:21:58,393 --> 00:21:59,928
You hungry?

376

00:22:00,028 --> 00:22:02,931
I got a yogurt cup I
was saving for dessert,

377

00:22:04,599 --> 00:22:05,700
It's pre-stirred.

378

00:22:07,202 --> 00:22:09,104
- You giving that to me?
- Yeah.

379

00:22:13,208 --> 00:22:15,276
Thank you.

380

00:22:15,377 --> 00:22:20,415
Yeah. I wish I could let you sleep here,
but, uh, they're gonna tear the place down.

381

00:22:23,118 --> 00:22:24,352
[camera shutter clicks]

382

00:22:24,419 --> 00:22:26,287
What are you...
What are you doing?

383

00:22:26,388 --> 00:22:28,289
Final inspection.

384

00:22:28,390 --> 00:22:32,260
No, I mean, what... What
are you taking a picture of?

385

00:22:32,360 --> 00:22:35,130
Oh, that's for office yucks.

386

00:22:35,230 --> 00:22:39,634
Some moron tried to drill through a ten

foot steel plate with a concrete drill.

387

00:22:39,734 --> 00:22:40,802
[chuckles]

388

00:22:41,369 --> 00:22:42,470
Ten foot!

389

00:22:44,239 --> 00:22:45,774
Concrete drill.

390

00:22:45,874 --> 00:22:47,909
- What a jag ass!
- [chuckles]

391

00:22:47,976 --> 00:22:52,614
Yeah. You'd be needing a settling torch
the size of the sun to cut through that.

392

00:22:54,149 --> 00:22:55,450
What the hell?

393

00:22:56,584 --> 00:22:58,720
[Crane] Uh, I
wouldn't touch that.

394

00:22:58,787 --> 00:22:59,654
[man] What?

395

00:22:59,754 --> 00:23:01,156
It could be dangerous.

396

00:23:01,756 --> 00:23:03,091
Yeah.

397

00:23:03,158 --> 00:23:05,059

That's what I'm here for.

398

00:23:05,126 --> 00:23:06,961
To get rid of shit like this.

399

00:23:07,061 --> 00:23:08,296
[camera shutter clicks]

400

00:23:10,265 --> 00:23:12,333
[typing on phone]

401

00:23:14,769 --> 00:23:16,237
[dialing]

402

00:23:16,304 --> 00:23:17,639
[dramatic music playing]

403

00:23:18,506 --> 00:23:19,340
What?

404

00:23:19,441 --> 00:23:20,642
- [neck snaps]
- [groans]

405

00:23:20,742 --> 00:23:22,677
[tense music playing]

406

00:23:30,952 --> 00:23:32,187
[footsteps approaching]

407

00:23:33,922 --> 00:23:34,922
Jason?

408

00:24:03,284 --> 00:24:05,186
[panel squeaking]

409
00:24:14,963 --> 00:24:16,498
Any requests?

410
00:24:17,565 --> 00:24:19,400
[Jason] Requests?

411
00:24:19,501 --> 00:24:22,670
Doggy, wheelbarrow
Magic Mountain.

412
00:24:22,737 --> 00:24:25,340
Magic Mountain's extra,
but it's worth it.

413
00:24:27,141 --> 00:24:28,142
I don't want any of that.

414
00:24:29,544 --> 00:24:30,545
I just want to talk.

415
00:24:31,513 --> 00:24:32,514
You're on the clock.

416
00:24:32,580 --> 00:24:34,716
What do you want to talk about?

417
00:24:34,816 --> 00:24:37,051
I want you to answer
to the name, Hank.

418
00:24:38,319 --> 00:24:40,522
- And you're Dawn.
- So I'm playing a dude.

419
00:24:41,189 --> 00:24:43,424
No, Dawn.

420
00:24:43,525 --> 00:24:44,525
Like the sunrise.

421
00:24:45,693 --> 00:24:46,895
Oh, Dawn.

422
00:24:47,729 --> 00:24:49,264
Okay.

423
00:24:49,364 --> 00:24:51,232
What do you want to
talk about sunshine?

424
00:24:52,867 --> 00:24:55,103
I just want to say,
I'm sorry, Hank.

425
00:24:55,203 --> 00:24:56,905
Don't worry about it.

426
00:24:57,005 --> 00:24:58,339
Shit happens.

427
00:24:59,340 --> 00:25:00,742
For killing you.

428
00:25:04,546 --> 00:25:05,880
Is that supposed to be funny?

429
00:25:07,682 --> 00:25:08,683
No.

430
00:25:10,385 --> 00:25:11,553
Yeah.

431
00:25:12,620 --> 00:25:14,455
I'm not playing this.

432
00:25:29,637 --> 00:25:31,472
I'm sure he had it coming.

433
00:25:31,573 --> 00:25:32,707
[Jason] That's the thing.

434
00:25:33,775 --> 00:25:34,943
He didn't.

435
00:25:36,244 --> 00:25:37,745
Were you high?

436
00:25:39,080 --> 00:25:40,448
It's no excuse.

437
00:25:40,548 --> 00:25:42,750
I've done a lot of
bad things high, too.

438
00:25:43,651 --> 00:25:44,652
A lot of things.

439
00:25:46,588 --> 00:25:47,989
My advice,

440
00:25:48,089 --> 00:25:50,258
there's only one place they
forgive stuff like that.

441
00:25:51,492 --> 00:25:54,329
Home. Time's up, sweetie.

442

00:25:59,233 --> 00:26:00,335
[sighs]

443
00:26:02,737 --> 00:26:03,737
That's all gone.

444
00:26:06,107 --> 00:26:07,642
[cell phone vibrating]

445
00:26:13,414 --> 00:26:16,084
[Dick over phone]
So, they released me?

446
00:26:16,150 --> 00:26:18,086
You could've at least
let me drive you.

447
00:26:18,152 --> 00:26:21,189
Did you do another video sweep of
the accident, see where Jason went?

448
00:26:21,289 --> 00:26:23,491
Yeah, I did. Last night.

449
00:26:23,591 --> 00:26:26,327
It was like he
vanished into thin air.

450
00:26:28,363 --> 00:26:30,363
Once it's stained, you'll
never look up there again.

451
00:26:31,799 --> 00:26:33,601
[Barbara] That's what
you said last month.

452
00:26:33,668 --> 00:26:34,769

Said what?

453

00:26:34,836 --> 00:26:35,970
Oh, sorry.

454

00:26:36,037 --> 00:26:37,605
My ceiling.

455

00:26:37,672 --> 00:26:40,108
- You're what?
- I think we have a structural problem.

456

00:26:40,174 --> 00:26:41,342
You do?

457

00:26:42,010 --> 00:26:43,344
What? Sorry. No.

458

00:26:43,444 --> 00:26:45,613
- Barb?
- [line disconnects]

459

00:26:47,315 --> 00:26:48,349
Barbara?

460

00:26:59,160 --> 00:27:01,462
[somber music playing]

461

00:27:07,168 --> 00:27:09,570
[young Dick] It's all gone.

462

00:27:09,671 --> 00:27:11,906
The old road, the old house.

463

00:27:12,840 --> 00:27:14,375
You're never gonna find them.

464
00:27:16,377 --> 00:27:18,413
Is there a problem?

465
00:27:21,349 --> 00:27:22,984
Oh, sorry.

466
00:27:30,358 --> 00:27:31,358
[engine starts]

467
00:27:40,234 --> 00:27:43,004
[suspenseful music playing]

468
00:28:11,466 --> 00:28:13,868
[cell phone ringing]

469
00:28:15,470 --> 00:28:16,704
Hello?

470
00:28:16,771 --> 00:28:18,639
[on phone] Hey, it's Molly.

471
00:28:20,074 --> 00:28:21,776
[Gar] Jason wants to meet you.

472
00:28:21,876 --> 00:28:23,478
Not Nightwing.

473
00:28:23,578 --> 00:28:24,979
- Alone.
- Where?

474
00:28:25,079 --> 00:28:26,380
Townsend Tunnel. Six o'clock.

475

00:28:26,447 --> 00:28:27,482
He said you know them.

476
00:28:31,552 --> 00:28:33,654
[sighs] Feels like
another set-up.

477
00:28:34,622 --> 00:28:36,824
Uh, we can give you backup.

478
00:28:36,924 --> 00:28:37,959
Be close by.

479
00:28:38,059 --> 00:28:39,494
Tunnels?

480
00:28:39,594 --> 00:28:41,729
Rum runners built
them back in the day.

481
00:28:41,796 --> 00:28:43,140
Bruce used them as
an escape route,

482
00:28:43,164 --> 00:28:45,333
wired them with
cameras and sensors.

483
00:28:45,433 --> 00:28:47,668
Anybody who goes in or out
Jason'll know about it.

484
00:28:47,769 --> 00:28:49,070
That's why he chose them.

485
00:28:49,137 --> 00:28:50,938
I can ask Molly if you'll

meet someplace else.

486

00:28:51,005 --> 00:28:52,573
No.

487

00:28:52,640 --> 00:28:54,175
If it's the tunnels he wants,

488

00:28:54,275 --> 00:28:56,110
it's the tunnels he gets.

489

00:28:59,013 --> 00:29:00,815
It was careless

490

00:29:00,915 --> 00:29:03,017
holing up in my
room for 24 hours,

491

00:29:03,117 --> 00:29:04,652
saying we were sick.

492

00:29:04,752 --> 00:29:06,821
Yeah, I don't get sick,

493

00:29:08,089 --> 00:29:11,459
except for kryptonite poisoning.

494

00:29:11,526 --> 00:29:13,161
[Connor exhales]

495

00:29:13,261 --> 00:29:14,996
So, what do we do now?

496

00:29:16,430 --> 00:29:18,299
What do you want to do?

497

00:29:20,368 --> 00:29:21,368
I don't know.

498

00:29:23,971 --> 00:29:26,207
We could just forget
the whole thing.

499

00:29:26,307 --> 00:29:28,209
Honestly, we have
nothing in common.

500

00:29:28,309 --> 00:29:29,210
I'm Tamaranean,

501

00:29:29,310 --> 00:29:31,212
and you're some kind of, uh,

502

00:29:31,312 --> 00:29:32,814
genetic cocktail.

503

00:29:32,880 --> 00:29:34,182
I'm not a cocktail.

504

00:29:34,282 --> 00:29:35,516
You know what I mean.

505

00:29:35,616 --> 00:29:36,960
You don't have a
mother and a father.

506

00:29:36,984 --> 00:29:38,319
I know what you mean.

507

00:29:42,390 --> 00:29:43,391
Are you upset?

508
00:29:46,627 --> 00:29:48,329
I can't forget it.

509
00:29:49,797 --> 00:29:51,632
It was my first time.

510
00:29:52,834 --> 00:29:53,901
First...

511
00:29:54,001 --> 00:29:55,336
Tamaranean?

512
00:29:57,205 --> 00:29:59,040
First anyone.

513
00:30:00,842 --> 00:30:01,842
Oh!

514
00:30:04,345 --> 00:30:05,413
Oh.

515
00:30:08,850 --> 00:30:11,219
Hmm.

516
00:30:11,319 --> 00:30:16,057
Well, to be honest with you, I
didn't want to forget it either

517
00:30:17,992 --> 00:30:22,697
I was just, you know,
trying to give you an out.

518
00:30:22,763 --> 00:30:24,732
An out?

519

00:30:24,832 --> 00:30:28,102
Yeah, I'm the bad
sister, remember?

520

00:30:29,904 --> 00:30:31,439
Men don't usually stick around.

521

00:30:32,707 --> 00:30:33,707
You're not bad.

522

00:30:37,511 --> 00:30:38,546
You're not bad either.

523

00:30:40,214 --> 00:30:43,017
Technically, I am half bad,

524

00:30:43,084 --> 00:30:45,419
but I get what you're saying.

525

00:31:03,738 --> 00:31:06,207
I guess you want to
finish him alone.

526

00:31:07,742 --> 00:31:09,977
Like Batman would have done.

527

00:31:10,077 --> 00:31:12,813
[sighs] I don't know where
you get these ideas, Tim.

528

00:31:12,914 --> 00:31:14,949
I'm just a regular guy
doing regular things.

529

00:31:18,552 --> 00:31:20,655
I'm actually on a
special investigation

530

00:31:20,755 --> 00:31:21,622
for the GCPD.

531

00:31:21,722 --> 00:31:23,124
Batman used these tunnels.

532

00:31:23,224 --> 00:31:25,893
- Saw him come out once.
- Go home, Tim.

533

00:31:25,960 --> 00:31:28,129
Before you get hurt.

534

00:31:28,229 --> 00:31:30,998
My dad was a cop. Homicide.

535

00:31:31,098 --> 00:31:32,400
A knife and fork man.

536

00:31:32,466 --> 00:31:35,169
Taught me how to investigate
and how to shoot.

537

00:31:35,269 --> 00:31:37,171
I can help you.

538

00:31:38,439 --> 00:31:39,974
I'm sure your dad is a good man.

539

00:31:41,475 --> 00:31:43,644
I'm gonna find Red
Hood and Scarecrow,

540

00:31:43,744 --> 00:31:45,279
and show you how it's done.

541
00:31:46,480 --> 00:31:49,250
It's not a good idea. Tim...

542
00:31:49,317 --> 00:31:50,451
Tim!

543
00:31:59,694 --> 00:32:02,763
[dramatic music playing]

544
00:32:06,200 --> 00:32:07,200
Jason?

545
00:32:21,949 --> 00:32:23,551
You're not my six o'clock.

546
00:32:23,651 --> 00:32:25,720
[Crane] There was a
cancelation. They were able to

547
00:32:25,820 --> 00:32:27,555
squeeze me in. Is it okay?

548
00:32:27,655 --> 00:32:30,124
You could have called first.

549
00:32:30,191 --> 00:32:31,025
I just assumed that you

550
00:32:31,125 --> 00:32:33,661
wouldn't pick up, Mom.

551
00:32:37,999 --> 00:32:40,067
After you escaped from Arkham,

552

00:32:40,167 --> 00:32:42,503
I thought you'd leave town.

553

00:32:42,570 --> 00:32:44,705
Leave beautiful Gotham?

554

00:32:44,805 --> 00:32:45,840
Never.

555

00:32:50,211 --> 00:32:52,046
What do you want, Jon?

556

00:32:52,146 --> 00:32:54,515
I want to lay my
head on your lap.

557

00:32:55,850 --> 00:32:57,752
Lap time is over.

558

00:32:57,852 --> 00:32:59,086
[Crane] I've lost steam.

559

00:32:59,186 --> 00:33:01,222
I was hoping maybe you...

560

00:33:01,322 --> 00:33:04,058
You'd give me one of
your classic lectures.

561

00:33:04,158 --> 00:33:07,595
Some tough love. You know,
get the fires relit again.

562

00:33:07,695 --> 00:33:10,865
I'm sorry, but there
is no more love.

563

00:33:10,931 --> 00:33:13,267
No more lectures.

564

00:33:13,367 --> 00:33:15,036
You don't exist to me.

565

00:33:17,371 --> 00:33:21,242
Maybe just some old-fashioned
clinical analysis then.

566

00:33:21,342 --> 00:33:22,877
It's a broken record.

567

00:33:22,943 --> 00:33:25,413
You're afraid to
take risks, Jon.

568

00:33:26,213 --> 00:33:28,049
Loved ones. Career.

569

00:33:28,115 --> 00:33:29,950
Physical confrontation.

570

00:33:30,051 --> 00:33:32,686
So you apply the
common coward's vices.

571

00:33:32,753 --> 00:33:36,223
Drugs, weak friends
to speak for you,

572

00:33:36,290 --> 00:33:37,892
shield you from the world.

573

00:33:37,958 --> 00:33:39,093
You played your part.

574

00:33:39,193 --> 00:33:41,095
What was my part again?

575

00:33:41,929 --> 00:33:43,798
You left.

576

00:33:43,898 --> 00:33:45,966
I deserve better than you.

577

00:33:46,067 --> 00:33:48,536
A new life, a new child.

578

00:33:48,602 --> 00:33:49,770
And I got it.

579

00:33:49,870 --> 00:33:53,207
It doesn't pay to
look backwards.

580

00:33:53,274 --> 00:33:55,042
- [Crane crying]
- Jon?

581

00:33:56,644 --> 00:33:58,879
[breathing heavily]

582

00:34:01,749 --> 00:34:04,552
[continues crying]

583

00:34:07,555 --> 00:34:08,823
I have...

584

00:34:11,258 --> 00:34:13,494
I have terror, Mom.

585
00:34:14,395 --> 00:34:16,397
Terror?

586
00:34:16,464 --> 00:34:18,833
A terror that I'll
fall short again.

587
00:34:22,770 --> 00:34:24,839
Terror that

588
00:34:24,939 --> 00:34:27,341
my ambitions would
be unrealized.

589
00:34:28,843 --> 00:34:30,778
And I see it all...

590
00:34:32,947 --> 00:34:34,682
I see it all laid out

591
00:34:34,782 --> 00:34:36,617
right before me.

592
00:34:37,818 --> 00:34:39,153
And just...

593
00:34:40,187 --> 00:34:42,189
Just as I'm about
to break through,

594
00:34:42,289 --> 00:34:44,525
this dark creature,
this dark creature

595
00:34:44,625 --> 00:34:46,460
just swoops through,

596

00:34:46,527 --> 00:34:48,529
and it just steals
it all away from me.

597

00:34:50,131 --> 00:34:52,533
Does this creature have a shape?

598

00:34:52,633 --> 00:34:53,767
A color?

599

00:34:53,834 --> 00:34:56,637
- It's just darkness...
- Like Batman.

600

00:34:58,205 --> 00:35:01,809
There is no actual
dark creature, Mom!

601

00:35:01,876 --> 00:35:03,844
It's a fucking metaphor!

602

00:35:04,778 --> 00:35:05,880
No...

603

00:35:05,980 --> 00:35:08,215
No man in a cape.
There's no boy in a mask

604

00:35:08,315 --> 00:35:10,484
that's gonna keep
me from Valhalla!

605

00:35:10,551 --> 00:35:14,188
I am both the dreamer,
and the thief.

606

00:35:14,288 --> 00:35:19,894
Are you unable to grasp such a
simple psychological concept?

607

00:35:19,994 --> 00:35:21,896
[whimpering] I'm sorry.

608

00:35:21,996 --> 00:35:23,631
I'm sorry.

609

00:35:24,565 --> 00:35:25,799
Sorry.

610

00:35:32,540 --> 00:35:35,876
[tense music playing]

611

00:35:39,513 --> 00:35:41,048
What did you do?

612

00:35:41,749 --> 00:35:43,384
I'm sorry, honey,

613

00:35:49,056 --> 00:35:50,157
I forgive you.

614

00:36:03,237 --> 00:36:06,106
[dramatic music playing]

615

00:36:08,576 --> 00:36:10,844
[Crane] I really thought you
would've come back by now.

616

00:36:10,911 --> 00:36:12,947
But you haven't so...

617

00:36:13,047 --> 00:36:14,915
I mean, I'm all for a
little space, you know?

618
00:36:16,217 --> 00:36:17,618
But you're my prize possession.

619
00:36:17,718 --> 00:36:20,221
I cannot let you
out without a leash.

620
00:36:20,287 --> 00:36:22,890
[tracker beeping]

621
00:36:26,093 --> 00:36:27,895
[young Dick] Bruce!

622
00:36:29,129 --> 00:36:30,564
Bruce!

623
00:36:32,433 --> 00:36:33,968
I can see it now.

624
00:36:34,068 --> 00:36:35,736
I know the way.

625
00:36:37,571 --> 00:36:40,574
[dramatic music playing]

626
00:36:45,913 --> 00:36:46,981
[exhales]

627
00:36:49,316 --> 00:36:50,551
[Jason over intercom] Dick.

628
00:36:50,618 --> 00:36:51,952

Here I am.

629

00:36:52,052 --> 00:36:54,054
Remember these tunnels?

630

00:36:54,121 --> 00:36:55,889
Yep. I do.

631

00:36:55,956 --> 00:36:58,659
Bruce nearly scared
me to death down here.

632

00:36:58,759 --> 00:36:59,994
[Dick] Where are you?

633

00:37:00,094 --> 00:37:02,062
Once I figured out how
to use them though...

634

00:37:02,129 --> 00:37:03,998
they were my ticket out.

635

00:37:04,098 --> 00:37:05,766
I heard you wanted
to talk to me.

636

00:37:06,500 --> 00:37:08,402
Are you alone?

637

00:37:08,469 --> 00:37:10,104
I am. Are you?

638

00:37:13,941 --> 00:37:16,010
Me and Crane are finished.

639

00:37:16,110 --> 00:37:17,845

I'm done killing for him.

640

00:37:17,945 --> 00:37:19,346
How do I know that?

641

00:37:19,446 --> 00:37:21,015
You saw me standing over you.

642

00:37:22,082 --> 00:37:24,084
I could've killed you, Dick.

643

00:37:24,151 --> 00:37:25,519
What do you want?

644

00:37:25,619 --> 00:37:27,121
[Jason] I want to come home.

645

00:37:27,187 --> 00:37:28,656
Be with my friends.

646

00:37:29,456 --> 00:37:30,991
Be a Titan again.

647

00:37:31,091 --> 00:37:32,526
You killed Hank.

648

00:37:32,626 --> 00:37:33,994
That wasn't me.

649

00:37:34,094 --> 00:37:36,030
That was the drugs talking.
Crane talking, too.

650

00:37:37,498 --> 00:37:38,932
But I'm clean now.

651
00:37:44,271 --> 00:37:47,141
You can come home if
you give up Crane.

652
00:37:47,207 --> 00:37:48,976
Live in the house?

653
00:37:49,043 --> 00:37:50,511
[Dick] Right in your old bed.

654
00:37:54,214 --> 00:37:57,284
Meet me at the old Wellington
pump station tonight at 9:00.

655
00:38:00,621 --> 00:38:02,389
- And, Dick?
- [Dick] Yeah.

656
00:38:05,492 --> 00:38:06,492
Thank you.

657
00:38:07,728 --> 00:38:09,196
Of course. You're family.

658
00:38:12,299 --> 00:38:14,034
[Kory] You said
he could do what?

659
00:38:14,134 --> 00:38:15,235
He killed Hank.

660
00:38:15,336 --> 00:38:16,737
He kidnapped kids.

661
00:38:16,837 --> 00:38:18,639
He made that woman

snap her own neck.

662

00:38:18,706 --> 00:38:21,241

So we're just gonna set an
extra place at the dinner table?

663

00:38:21,342 --> 00:38:23,043

"Oh, hey, J, pass
the mashed potatoes."

664

00:38:23,143 --> 00:38:25,713

He's offering to turn himself
in and bring in Crane.

665

00:38:25,813 --> 00:38:27,081

This is bullshit.

666

00:38:27,181 --> 00:38:28,882

You're forgiving a murderer.

667

00:38:28,982 --> 00:38:30,384

We need Crane.

668

00:38:30,484 --> 00:38:32,486

Hold on. What if all the
killing was Scarecrow?

669

00:38:32,553 --> 00:38:34,088

No. He needs to be
held accountable.

670

00:38:34,188 --> 00:38:36,757

You didn't hold me accountable
when Cadmus took me over,

671

00:38:36,857 --> 00:38:38,425

made me a killer.

672

00:38:38,525 --> 00:38:40,928
You guys all took me back,

673

00:38:41,028 --> 00:38:41,829
no questions asked,

674

00:38:41,895 --> 00:38:43,597
because we're family.

675

00:38:43,697 --> 00:38:45,866
Jason deserves the same chance.

676

00:38:51,939 --> 00:38:53,219
All right. We
bring them both in,

677

00:38:53,273 --> 00:38:55,075
and after that we
assess the situation.

678

00:38:55,175 --> 00:38:58,212
I've never met the guy, but
I'm bullish on second chances.

679

00:39:01,582 --> 00:39:02,883
Batcave, five minutes.

680

00:39:03,517 --> 00:39:04,517
Hey.

681

00:39:05,919 --> 00:39:07,721
I can't believe you,

682

00:39:07,788 --> 00:39:11,792
Bruce said be a better Batman and

there are two versions of that.

683

00:39:11,892 --> 00:39:14,762
One kills, one doesn't.

684

00:39:18,232 --> 00:39:19,232
We should go.

685

00:40:01,241 --> 00:40:03,410
[bus engine revs]

686

00:40:13,654 --> 00:40:14,988
[brakes screech]

687

00:40:17,458 --> 00:40:20,461
[suspenseful music playing]

688

00:40:47,654 --> 00:40:49,056
[metal clanks]

689

00:41:06,740 --> 00:41:07,740
[exhales]

690

00:41:09,810 --> 00:41:12,012
[thunder rumbling]

691

00:41:29,596 --> 00:41:30,596
[gun cocking]

692

00:41:33,600 --> 00:41:34,600
[gunshot]

693

00:41:37,538 --> 00:41:38,538
[body thuds]

694

00:41:41,008 --> 00:41:42,109
[sighs]

695
00:41:46,780 --> 00:41:48,081
[gasping]

696
00:41:52,886 --> 00:41:54,254
Who are you?

697
00:41:54,354 --> 00:41:55,689
[gasps] Tim.

698
00:41:56,924 --> 00:41:58,725
Hey, what are you doing here?

699
00:41:58,792 --> 00:42:00,193
I followed you.

700
00:42:00,260 --> 00:42:01,295
Why?

701
00:42:01,395 --> 00:42:02,395
[Tim] I want...

702
00:42:03,430 --> 00:42:04,898
to be Robin.

703
00:42:04,965 --> 00:42:06,466
[groans]

704
00:42:11,705 --> 00:42:12,705
[barks]

705
00:42:14,141 --> 00:42:16,476
[tense music playing]

706

00:42:18,879 --> 00:42:20,781
That was Jason.

707

00:42:20,881 --> 00:42:22,149
There's someone on the ground.

708

00:42:23,450 --> 00:42:24,450
[Nightwing] Tim!

709

00:42:25,786 --> 00:42:27,220
[Nightwing] Conner.

710

00:42:27,287 --> 00:42:29,389
Looks like the bullet
went clean through.

711

00:42:29,456 --> 00:42:30,891
Somebody call an ambulance.

712

00:42:30,958 --> 00:42:32,292
I'm on it.

713

00:42:32,392 --> 00:42:34,227
I need something to
stop the bleeding.

714

00:42:34,294 --> 00:42:35,294
[gasping]

715

00:42:40,300 --> 00:42:42,836
He's got blood in his
lungs, he's gonna drown.

716

00:42:42,936 --> 00:42:45,005
Paramedics are on their
way. Three minutes, tops,

717
00:42:50,310 --> 00:42:51,511
[gasps softly]

718
00:42:51,612 --> 00:42:52,813
Dick? You all right?

719
00:42:55,949 --> 00:42:57,117
Yeah, I'm okay.

720
00:42:58,418 --> 00:42:59,853
Kory and I will go in this way.

721
00:42:59,953 --> 00:43:02,033
- We'll go around back.
- [Nightwing] Stay here, Gar.

722
00:43:08,462 --> 00:43:09,462
Jason!

723
00:43:29,816 --> 00:43:32,386
You're too afraid to
take any real risks, Jon.

724
00:43:35,188 --> 00:43:36,356
Fuck you, Mom.

725
00:43:38,325 --> 00:43:39,993
[Crane yells like a banshee]

726
00:43:40,060 --> 00:43:41,128
[Nightwing] No. Wait!

727
00:43:45,365 --> 00:43:48,402
[computer beeping]

728

00:43:48,502 --> 00:43:50,237

There's been an
explosion downtown.

729

00:43:50,337 --> 00:43:52,539

The old pump station
on Wellington.

730

00:43:52,639 --> 00:43:53,807

Send a SWAT unit.

731

00:43:54,641 --> 00:43:56,209

SWAT unit for a fire?

732

00:43:56,309 --> 00:43:58,745

I got a hit on Jason Todd
a half mile from there.

733

00:44:12,059 --> 00:44:14,728

- [alarm buzzing]
- [siren wailing]

734

00:44:24,171 --> 00:44:26,873

[electricity crackling]

735

00:44:30,343 --> 00:44:31,578

They set us up.

736

00:44:31,678 --> 00:44:33,513

They used me to burn
their way down here.

737

00:44:35,015 --> 00:44:37,551

I saw one of these canisters
at the Snowy Cones place.

738

00:44:39,686 --> 00:44:42,389
This pump station leads directly
to Gotham's water supply.

739
00:44:43,924 --> 00:44:46,927
Are you telling me I
just dosed all of Gotham?

740
00:44:47,027 --> 00:44:50,230
[ominous music playing]

741
00:44:56,069 --> 00:44:58,438
[telephones ringing]

742
00:45:20,093 --> 00:45:21,762
[thunder claps]

743
00:45:24,297 --> 00:45:26,399
[rock music playing]
