Vincent Kartheiser	...	Jonathan Crane / Scarecrow
Iain Glen	...	Bruce Wayne (voice)
Jay Lycurgo	...	Tim Drake
Andrew Moodie	...	King Myand'r
Vinson Tran	...	Stephen Chen
Ryan Allen	...	Jack Drake
Chantria Tram	...	Janet Drake
Makambe Simamba	...	Kapelwa
Asha James	...	Queen Luand'r
Steven Yaffee	...	Max
Ben Beauchemin	...	Owen
Lili Francks	...	Soothsayer
Mark Sparks	...	Guard #1
Stuart Fink	...	Pharmacist
Sarah Dodd	...	Impatient Customer
Alec Dahmer	...	Armed Boy
Lara Zaluski	...	Cop #1
Emilio Vieira	...	Cop #2

1

00:00:07,841 --> 00:00:09,743
[Crane] Computer, play music.

2

00:00:09,843 --> 00:00:11,978
[TLC's "Waterfalls" playing]

3

00:01:45,972 --> 00:01:48,007
Computer,
does Batman have a dossier

4

00:01:48,108 --> 00:01:51,811
on all the high-level criminals
in Gotham?

5

00:01:51,911 --> 00:01:55,148
-[Batcomputer] Affirmative.
- Lovely.

6

00:01:55,248 --> 00:01:59,919
Is there a file labeled
Crane, Jonathan,
AKA Scarecrow?

7

00:01:59,986 --> 00:02:01,521
[Batcomputer] Affirmative.

8

00:02:01,621 --> 00:02:02,655
[music continues in background]

9

00:02:02,755 --> 00:02:04,357
Play the file.

10

00:02:04,457 --> 00:02:08,661
[Bruce] Addendum,
psych profile,
Jonathan Crane...

11

00:02:08,761 --> 00:02:12,665
After a detailed study
of Crane's criminal record,

12

00:02:12,765 --> 00:02:16,936
as well as an assessment of his
particular form of psychosis,

13

00:02:17,003 --> 00:02:20,039
I can conclude
that Crane's efforts
are most effective

14

00:02:20,140 --> 00:02:22,108
via the use of proxies.

15

00:02:22,175 --> 00:02:23,643
Unwitting associates

16

00:02:23,710 --> 00:02:26,012
commonly drugged
into submissive complacency,

17

00:02:26,112 --> 00:02:28,047
as opposed to
any direct actions

18

00:02:28,148 --> 00:02:29,649
of the dominant personality.

19

00:02:29,716 --> 00:02:31,217
Is that what you think,
Brucey boy?

20

00:02:31,317 --> 00:02:34,120
In other words, Jonathan Crane,

21

00:02:34,187 --> 00:02:36,956
the victim of abuse
and neglect,

22

00:02:37,023 --> 00:02:41,661
was ill equipped
for the Scarecrow's
unique form of brutality.

23

00:02:43,696 --> 00:02:44,864
Computer, stop music.

24

00:02:44,964 --> 00:02:46,966
[music stops]

25

00:02:47,033 --> 00:02:49,903
[Bruce] Taking into account
that Crane's alter ego
was the mastermind,

26

00:02:50,003 --> 00:02:54,741
while Crane himself,
the scientist,
the diligent student,

27

00:02:54,841 --> 00:02:57,010
was wholly ineffectual.

28

00:02:57,076 --> 00:02:59,012
It is my opinion that Crane

29

00:02:59,078 --> 00:03:02,649
is one of the most pitiable
among Gotham's
violent criminals.

30

00:03:02,715 --> 00:03:07,921

A broken man without a voice
doomed to speak through others.

31

00:03:13,526 --> 00:03:14,360
[sighs]

32

00:03:18,164 --> 00:03:19,499
[door slams open]

33

00:03:19,566 --> 00:03:21,201
- I know what your problem is.
- What the fuck?

34

00:03:21,267 --> 00:03:22,769
- You're scared.
- I'm not scared.

35

00:03:22,869 --> 00:03:24,704
- Yes, you are.
- No, I'm not.

36

00:03:24,771 --> 00:03:26,272
Yes, you are!

37

00:03:26,372 --> 00:03:28,575
You are terrified
of everything in this house,

38

00:03:28,675 --> 00:03:31,377
and I get it, coming home
can do that to a boy.

39

00:03:31,444 --> 00:03:34,581
Everywhere you look,
there he is looking back
at you, judging you.

40

00:03:34,681 --> 00:03:37,250
What does he think of you?
What does he want from you?

41

00:03:37,350 --> 00:03:39,285
Will you ever be good enough?

42

00:03:39,385 --> 00:03:42,422
Well, let me end
your suspense right now.

43

00:03:42,522 --> 00:03:46,960
No, you're never gonna be
good enough for Bruce Wayne.

44

00:03:49,229 --> 00:03:50,563
[exhales]

45

00:03:50,630 --> 00:03:53,066
It's a relief, isn't it?
Like ripping a band-aid off.

46

00:03:53,132 --> 00:03:54,701
Not so bad.

47

00:03:54,767 --> 00:03:57,203
But now that we've addressed
your deep psychological issues,

48

00:03:57,270 --> 00:04:01,374
why don't you go ahead
and get your lazy ass
out of this fucking bed?

49

00:04:01,441 --> 00:04:03,209
We have work to do.

50

00:04:03,276 --> 00:04:05,712
- What work?
- What work? What?

51
00:04:05,778 --> 00:04:07,080
What work?

52
00:04:07,146 --> 00:04:08,615
The same work we've been doing
every single day.

53
00:04:08,715 --> 00:04:11,651
We are trying to save
this godforsaken city.

54
00:04:11,751 --> 00:04:16,122
The next step in our plan,
we have to get rid
of public enemy number one.

55
00:04:16,222 --> 00:04:17,423
That's Nightwing.

56
00:04:17,490 --> 00:04:18,992
That's fucking crazy.

57
00:04:19,092 --> 00:04:21,227
That's right. We're gonna
give the people what they want.

58
00:04:21,294 --> 00:04:24,998
You can be a homicidal maniac.
They don't care.

59
00:04:25,098 --> 00:04:27,500
So long is that they think that
you are on their side,

60
00:04:27,600 --> 00:04:30,637
and Jason, you are.

61
00:04:30,737 --> 00:04:35,241
You're on their side!

62
00:04:35,308 --> 00:04:38,578
Get up, buttercup.
I got a busy day.

63
00:04:42,515 --> 00:04:44,617
[theme music playing]

64
00:04:55,295 --> 00:04:57,363
[man on radio] Is anyone
up there? Can anyone hear us?

65
00:04:57,463 --> 00:05:00,099
-[siren wailing on radio]
-[people screaming on radio]

66
00:05:00,166 --> 00:05:02,435
Man, it is bad out there.

67
00:05:03,136 --> 00:05:04,837
Even for Gotham.

68
00:05:04,937 --> 00:05:06,606
I didn't see a single cop.

69
00:05:06,673 --> 00:05:08,374
Most of the stores
are gated up,

70
00:05:08,474 --> 00:05:11,544
but we still managed to harvest

some supplies, didn't we, pal?

71

00:05:11,644 --> 00:05:12,945
[barks]

72

00:05:13,012 --> 00:05:14,380
Thanks for the clothes.

73

00:05:14,480 --> 00:05:16,449
I didn't think traipsing
around Gotham in a supersuit

74

00:05:16,516 --> 00:05:18,117
was the greatest idea
right now.

75

00:05:19,552 --> 00:05:21,688
Any luck
tracking down Blackfire?

76

00:05:21,788 --> 00:05:24,557
Or Gar or anyone?

77

00:05:24,657 --> 00:05:28,394
No. Internet's down,
cell phones are down.

78

00:05:28,494 --> 00:05:31,230
Police scanners
must have switched
to an encrypted frequency.

79

00:05:31,331 --> 00:05:33,466
How long do you think
they've been working for Crane?

80

00:05:33,533 --> 00:05:34,534

I don't know.

81

00:05:34,634 --> 00:05:35,902
[sighs]

82

00:05:36,002 --> 00:05:37,837
Guess that explains
what happened last night.

83

00:05:40,073 --> 00:05:42,175
[Red Hood on screen]
Hello, Gotham.

84

00:05:42,241 --> 00:05:43,242
What the hell?

85

00:05:44,711 --> 00:05:46,913
It's Red Hood.

86

00:05:47,013 --> 00:05:50,416
Coming to you live
from the most
exclusive spot in town,

87

00:05:52,185 --> 00:05:54,654
the Batcave.

88

00:05:54,721 --> 00:05:58,591
For too long, this city
has been at the mercy
of criminals.

89

00:05:58,691 --> 00:06:01,060
And I'm not just talking
about the Penguin,

90

00:06:01,160 --> 00:06:03,329

and the Riddler and the Joker.

91

00:06:03,396 --> 00:06:06,999

I'm talking about the ones
who pretend to help
but only makes things worse.

92

00:06:07,066 --> 00:06:09,235

You've gotta be kidding me.

93

00:06:09,335 --> 00:06:11,504

[Red Hood] First Batman,
now the Titans.

94

00:06:11,571 --> 00:06:14,941

Hypocrites who
feed off your terror
in pursuit of glory.

95

00:06:15,041 --> 00:06:18,678

And they turned Gotham
into a city of carnage.

96

00:06:18,745 --> 00:06:21,080

But it all comes
to an end today.

97

00:06:22,081 --> 00:06:23,916

There's a new savior in town.

98

00:06:28,454 --> 00:06:31,424

First thing I'm going to do
is burn the trash.

99

00:06:32,725 --> 00:06:35,094

You hear me Nightwing?

100

00:06:35,194 --> 00:06:37,430
You're public enemy
numero uno...

101
00:06:38,297 --> 00:06:39,532
But not for long.

102
00:06:39,599 --> 00:06:41,067
Meet me at midnight.

103
00:06:41,134 --> 00:06:42,769
You know the place.

104
00:06:42,869 --> 00:06:44,804
It's time
for us to finish this.

105
00:06:54,814 --> 00:06:56,315
He's right.

106
00:06:56,416 --> 00:06:57,617
Time to finish this.

107
00:06:57,717 --> 00:06:59,285
We've got to get back
to Wayne Manor.

108
00:06:59,385 --> 00:07:01,587
We can't just burst in there.
That's what he wants.

109
00:07:01,654 --> 00:07:03,055
What he expects.

110
00:07:03,122 --> 00:07:04,657
We need to break through
the security system remotely,

111
00:07:04,757 --> 00:07:06,659
and I can do that
at Wayne Enterprises.

112
00:07:06,759 --> 00:07:09,495
- Stay here.
- Are you talking to me
or Krypto?

113
00:07:09,595 --> 00:07:11,164
Both.

114
00:07:11,264 --> 00:07:12,832
So I'm good enough
for getting groceries,
but not this?

115
00:07:12,932 --> 00:07:14,734
I need you to stay here.
I'll see you when I get back.

116
00:07:14,801 --> 00:07:17,837
Hey, Blackfire was shot.

117
00:07:17,937 --> 00:07:21,574
I'm not gonna stay here
and do nothing.

118
00:07:21,641 --> 00:07:25,645
Look, our best chance
of connecting with Blackfire
is through that radio.

119
00:07:25,745 --> 00:07:27,413
I need you to be here
if they call.

120
00:07:33,119 --> 00:07:34,921
Conner, I need you
to let go off my arm.

121
00:07:40,960 --> 00:07:42,161
Be here when I get back.

122
00:08:27,406 --> 00:08:28,908
Hey! Hey! [gasps]

123
00:08:29,008 --> 00:08:31,310
- You're--
- Alive, yeah.

124
00:08:32,545 --> 00:08:34,413
- And you're...
- Me, too.

125
00:08:34,514 --> 00:08:35,748
[chuckles]

126
00:08:35,848 --> 00:08:38,017
I can't believe it, Ms. Troy.

127
00:08:38,084 --> 00:08:38,918
Donna.

128
00:08:40,186 --> 00:08:42,021
They just let you
out the hospital?

129
00:08:42,088 --> 00:08:43,823
I let myself out.

130
00:08:43,890 --> 00:08:46,325
When I woke up,

no one was there.

131

00:08:46,392 --> 00:08:47,894

And then

I checked the bandages...

132

00:08:48,561 --> 00:08:49,896

[groans]

133

00:08:51,063 --> 00:08:52,064

It's healed.

134

00:08:54,033 --> 00:08:56,702

I just grabbed some clothes
and took off.

135

00:08:58,037 --> 00:08:59,272

[Donna] Where are you headed?

136

00:08:59,372 --> 00:09:01,440

I'm just trying
to get home, remember?

137

00:09:01,541 --> 00:09:02,942

What about you?

138

00:09:03,042 --> 00:09:04,777

Looking for the Titans.

139

00:09:04,877 --> 00:09:06,779

I have a lead that says
they might be holed up
in Chinatown.

140

00:09:06,879 --> 00:09:07,713

Chinatown?

141
00:09:08,881 --> 00:09:09,782
That's where I live.

142
00:09:11,417 --> 00:09:13,052
Classic Gotham bullshit.

143
00:09:17,590 --> 00:09:18,591
Let's get going.

144
00:09:22,061 --> 00:09:24,730
[Rachel] Any plans on how
we're gonna find Dick and Kory?

145
00:09:24,797 --> 00:09:25,698
No.

146
00:09:26,732 --> 00:09:28,200
And maybe it's for the best.

147
00:09:28,267 --> 00:09:29,902
Why would you say that?

148
00:09:29,969 --> 00:09:31,904
We might all be safer
on our own.

149
00:09:34,740 --> 00:09:37,410
Rach, things got really bad.

150
00:09:37,476 --> 00:09:41,647
The entire city of Gotham
thinks that this is all
the Titans' fault.

151
00:09:41,747 --> 00:09:43,649
They think we poisoned

the water.

152

00:09:46,385 --> 00:09:47,920
There are people
who want us dead.

153

00:09:48,988 --> 00:09:50,723
Even cops.

154

00:09:50,790 --> 00:09:52,825
[Rachel] I should
never have left you guys.

155

00:09:52,925 --> 00:09:54,660
[Gar] Don't say that.

156

00:09:54,760 --> 00:09:56,395
You did what you had to do.

157

00:09:56,462 --> 00:09:57,897
Nothing to show for it.

158

00:09:58,731 --> 00:09:59,765
But I'm here now,

159

00:10:00,933 --> 00:10:02,335
and I want to help.

160

00:10:02,435 --> 00:10:03,336
Good.

161

00:10:05,071 --> 00:10:07,139
Because I might have something.

162

00:10:07,239 --> 00:10:09,742
It's been bugging me

that Jason just miraculously

163

00:10:09,809 --> 00:10:12,278
returned from the dead,
and no one seems to know how.

164

00:10:12,345 --> 00:10:15,081
So, I did some digging.

165

00:10:15,147 --> 00:10:17,183
I found some of Bruce Wayne's
old journals,

166

00:10:18,618 --> 00:10:20,653
and I found this symbol.

167

00:10:23,656 --> 00:10:26,525
Bruce wrote that it's related
to a place of rebirth.

168

00:10:28,094 --> 00:10:29,161
The Lazarus pit.

169

00:10:30,963 --> 00:10:33,666
I might be crazy,
but I keep thinking, like,

170

00:10:33,766 --> 00:10:36,202
this might be the key
to everything.

171

00:11:04,463 --> 00:11:05,665
I know how to find it.

172

00:11:35,528 --> 00:11:36,996
[man] That'll be 50.

173

00:11:37,063 --> 00:11:38,531
[woman 1] What do you mean \$50?
This is outrageous.

174

00:11:38,597 --> 00:11:40,666
The price was \$10 before.

175

00:11:40,733 --> 00:11:42,034
Emergency premium.

176

00:11:42,101 --> 00:11:43,536
Look, I got a lot of people
waiting out here.

177

00:11:43,602 --> 00:11:45,671
Pay or get out of the way, FOB.

178

00:11:45,738 --> 00:11:46,939
What did you say?

179

00:11:47,039 --> 00:11:48,274
[woman 2] You heard me.

180

00:11:48,374 --> 00:11:49,942
Right. And you hear me.

181

00:11:50,042 --> 00:11:51,877
I may have my baby right here,

182

00:11:51,944 --> 00:11:53,946
but I can still slap the taste
out of your rotten mouth
with one hand.

183

00:11:54,046 --> 00:11:55,781
Straighten those

crooked teeth for you.

184

00:11:55,881 --> 00:11:58,250
That's it. I'm gonna
call the cops
if you don't beat it.

185

00:11:58,350 --> 00:12:00,119
I want to buy medicine
for my sick child

186

00:12:00,219 --> 00:12:01,721
and you want
to call the police?

187

00:12:03,222 --> 00:12:04,056
Fine.

188

00:12:04,690 --> 00:12:05,558
Keep it.

189

00:12:06,859 --> 00:12:09,795
[baby crying]

190

00:12:09,895 --> 00:12:13,099
I'll find you something, love.
Don't worry.

191

00:12:46,599 --> 00:12:48,300
[Batcomputer] Access granted.

192

00:13:19,131 --> 00:13:20,833
[Red Hood]
Come on, Dick. Really?

193

00:13:21,667 --> 00:13:23,202
I knew you'd try this.

194

00:13:23,302 --> 00:13:26,138
Going through the back door
rather than having to face me.

195

00:13:26,872 --> 00:13:28,774
Sorry, but no.

196

00:13:28,841 --> 00:13:32,444
All your base are belong to us.

197

00:13:32,511 --> 00:13:34,313
You should stop by
the old digs.

198

00:13:34,380 --> 00:13:36,715
Crane's kicking it
in Bruce's bed.

199

00:13:36,816 --> 00:13:38,184
It's a party.

200

00:13:38,284 --> 00:13:40,286
Hey, uh, asking for a friend,

201

00:13:41,187 --> 00:13:43,022
how are the Titans doing?

202

00:13:43,122 --> 00:13:44,723
You know
you're never gonna win.

203

00:13:44,824 --> 00:13:46,225
Yeah, we'll see about that.

204

00:13:47,159 --> 00:13:48,027

Midnight.

205

00:13:48,828 --> 00:13:49,995
Third and Barons.

206

00:13:51,230 --> 00:13:53,032
This is how it was always
gonna end.

207

00:13:53,966 --> 00:13:54,867
You're wrong.

208

00:14:01,907 --> 00:14:02,741
[sighs]

209

00:14:38,844 --> 00:14:41,580
[panting]
What the hell happened?

210

00:14:59,431 --> 00:15:01,133
Wait, wait, wait. Stand back.

211

00:15:01,233 --> 00:15:02,401
We don't know who's inside.

212

00:15:14,046 --> 00:15:14,980
Anyone in here?

213

00:15:16,148 --> 00:15:17,483
Dad, stop! It's me!

214

00:15:19,818 --> 00:15:20,719
Tim?

215

00:15:23,222 --> 00:15:24,590
[Janet] Are you sure

you're okay?

216

00:15:24,657 --> 00:15:25,991
I don't understand.
You were in the ICU.

217

00:15:26,091 --> 00:15:28,827
[Tim] Mom, I'm fine.
I mean, it was bad,

218

00:15:28,928 --> 00:15:30,629
but since I woke up, I feel...

219

00:15:35,768 --> 00:15:36,669
different.

220

00:15:38,437 --> 00:15:40,005
Where is everybody, anyway?

221

00:15:40,105 --> 00:15:41,006
We don't know.

222

00:15:41,106 --> 00:15:42,675
We haven't left here in days.

223

00:15:42,775 --> 00:15:44,743
Looters swept through
last night,

224

00:15:44,810 --> 00:15:48,747
plus some guys
who definitely drank the water,
but we held them off.

225

00:15:48,814 --> 00:15:50,582
Word is there are
a few neighborhoods like ours.

226

00:15:50,649 --> 00:15:52,418
Holdouts that haven't been
taken over by the crazies.

227

00:15:52,484 --> 00:15:54,153
- And where are the cops?
-[Janet] They come by.

228

00:15:54,253 --> 00:15:55,521
But they seem
more interested in us

229

00:15:55,621 --> 00:15:56,822
than stopping the bad guys.

230

00:15:56,922 --> 00:15:58,524
And no sign of the Titans?

231

00:15:58,624 --> 00:16:00,626
We don't even think
they're in Gotham
after what happened.

232

00:16:02,127 --> 00:16:04,530
Do you guys have
any Internet? Cell service?

233

00:16:04,630 --> 00:16:06,699
No, we're lucky
we still have electricity

234

00:16:06,799 --> 00:16:08,867
or else it would be
the Middle Ages around here.

235

00:16:08,968 --> 00:16:10,135

We're totally cut off.

236

00:16:12,304 --> 00:16:13,272
Maybe not.

237

00:16:29,221 --> 00:16:30,856
Welcome to my secret base.

238

00:16:30,956 --> 00:16:32,491
I thought we were
storing rice down here.

239

00:16:32,558 --> 00:16:33,459
I moved all that.

240

00:16:37,663 --> 00:16:38,497
[scoffs]

241

00:16:39,498 --> 00:16:41,400
What the hell is all this?

242

00:16:41,500 --> 00:16:45,137
You know how
I'm always talking about
Batman and Robin and stuff,

243

00:16:45,204 --> 00:16:47,673
and I kind of know things
about them?

244

00:16:49,041 --> 00:16:53,312
Well, the thing is,
this is how I know.

245

00:16:53,379 --> 00:16:57,383
I've hacked into
security cameras,

police radios, cell phones,

246

00:16:57,483 --> 00:16:58,984
gathering info
on what they're up to...

247

00:16:59,051 --> 00:17:00,919
What Gotham's up to.

248

00:17:01,687 --> 00:17:03,555
Shortwave.

249

00:17:03,655 --> 00:17:05,424
Do you think
we can raise anyone on this?

250

00:17:06,392 --> 00:17:07,760
I know we can.

251

00:17:07,860 --> 00:17:09,661
Is that what you were doing
the other night?

252

00:17:09,728 --> 00:17:11,597
When you got shot?
Gathering info?

253

00:17:11,697 --> 00:17:14,433
- Mom, no. I was just--
-[Jack] Where did you
even get all this?

254

00:17:14,533 --> 00:17:18,237
I found it, Dad.
In the street at garage sales.

255

00:17:19,538 --> 00:17:21,040

Come on. You think I stole it?

256

00:17:21,106 --> 00:17:23,442
Look, I'm sure you folks have
a lot to catch up on,

257

00:17:23,542 --> 00:17:25,244
but I really need to get
in touch with my team.

258

00:17:25,344 --> 00:17:28,680
So if we could just put
the family drama aside, like--

259

00:17:28,747 --> 00:17:32,551
We didn't know
where you were that night.
We were scared to death.

260

00:17:32,618 --> 00:17:34,286
And then we got the call
from the hospital.

261

00:17:34,386 --> 00:17:37,756
- If that has anything
to do with this--
- That's you.

262

00:17:39,058 --> 00:17:41,560
- Yes.
-[Jack] You're part of this?

263

00:17:41,627 --> 00:17:43,629
Did you know my boy
was out there risking his life?

264

00:17:43,729 --> 00:17:46,098
- We met after.

- Donna is a friend.

265

00:17:46,198 --> 00:17:48,634
If it weren't for her,
I wouldn't be standing here.

266

00:17:48,734 --> 00:17:51,303
I don't want you
having anything
to do with any of this.

267

00:17:51,403 --> 00:17:53,072
Look, I don't blame you.

268

00:17:53,138 --> 00:17:55,207
I don't even disagree with you.

269

00:17:55,274 --> 00:17:58,644
But whether you approve of it
or not, everything that
your son has down here

270

00:17:58,744 --> 00:18:02,481
is our only chance
of figuring out what the hell
is going on out there.

271

00:18:02,581 --> 00:18:07,319
So if it's all the same to you,
let's crank up this garbage,

272

00:18:07,419 --> 00:18:09,488
and let me get in touch
with my team

273

00:18:09,588 --> 00:18:11,056
and I will get out of
your hair.

274

00:18:15,260 --> 00:18:16,895
This conversation isn't over.

275

00:18:19,331 --> 00:18:20,232
[Tim sighs]

276

00:18:22,401 --> 00:18:23,836
That was a total disaster.

277

00:18:23,936 --> 00:18:25,571
Oh, yeah, big time.

278

00:18:27,072 --> 00:18:28,674
Now, what do you say
we find Nightwing?

279

00:18:37,583 --> 00:18:39,618
[baby crying]

280

00:18:42,121 --> 00:18:44,022
Hey. Hey, excuse me.

281

00:18:44,123 --> 00:18:47,526
Um... I need to speak to you.

282

00:18:48,494 --> 00:18:50,262
Will this buy me five minutes?

283

00:18:53,465 --> 00:18:56,602
I saw your baby in a vision,
and I need to know why.

284

00:18:56,668 --> 00:18:57,870
Are you serious?

285

00:18:57,970 --> 00:18:59,505
I know, I know, I know.
It sounds insane.

286

00:18:59,605 --> 00:19:01,707
It's just, um...

287

00:19:01,807 --> 00:19:04,510
I've been having these bizarre
waking dreams for weeks,

288

00:19:04,610 --> 00:19:07,212
and this is the closest
I've gotten to an answer.

289

00:19:07,312 --> 00:19:09,281
So, could you tell me
who you are?

290

00:19:09,348 --> 00:19:12,885
And if I don't?
Will you burn me up?

291

00:19:12,985 --> 00:19:15,654
I saw the video, Starfire.

292

00:19:15,721 --> 00:19:17,656
I don't have my powers anymore,

293

00:19:18,957 --> 00:19:20,125
but I wouldn't do that.

294

00:19:21,059 --> 00:19:22,161
Whatever you say.

295

00:19:30,469 --> 00:19:34,139

My name's Kapelwa.
This is Maya. That enough?

296
00:19:34,206 --> 00:19:35,674
Why am I seeing her
in my vision?

297
00:19:35,741 --> 00:19:38,076
I don't know.
But as you can see, she's sick.

298
00:19:38,177 --> 00:19:39,545
This city is off its rocker.

299
00:19:39,645 --> 00:19:42,247
I have to take her home
before something happens.

300
00:19:42,347 --> 00:19:43,916
Sorry I couldn't be
of more help.

301
00:19:44,016 --> 00:19:45,884
No, I'm sorry. I don't mean
to hound you. It's just...

302
00:19:47,686 --> 00:19:50,923
These dreams are paralyzing me.

303
00:19:51,023 --> 00:19:54,092
I need to figure out
what they mean
so I can stop them.

304
00:19:54,193 --> 00:19:58,030
Well, Superhero,
welcome to my life.

305
00:19:58,096 --> 00:19:59,565
Nothing makes sense.

306
00:20:03,035 --> 00:20:04,736
Kapelwa.

307
00:20:04,836 --> 00:20:07,773
Funny running into you.
I was just thinking about you.

308
00:20:08,440 --> 00:20:09,875
Hello, Max.

309
00:20:09,942 --> 00:20:12,344
I was gonna call you,
but the phones were all down.

310
00:20:12,411 --> 00:20:14,012
I was hoping I could reach you.

311
00:20:14,079 --> 00:20:16,448
Find out about
that cash flow situation
we got set up.

312
00:20:16,548 --> 00:20:18,951
Yes. And I told you
I would pay you back in a week

313
00:20:19,051 --> 00:20:20,719
when I got my check.

314
00:20:20,786 --> 00:20:24,756
I know, I know,
but with everything
going crazy in town, uh,

315
00:20:25,958 --> 00:20:27,759
I figured
I should get it sooner.

316
00:20:27,859 --> 00:20:30,028
Yes, of course.
It's just that--

317
00:20:30,095 --> 00:20:33,398
You know, everyone said

318
00:20:33,465 --> 00:20:35,968
"Don't drink the water,"

319
00:20:36,068 --> 00:20:37,769
and dumb me,
I forgot. [chuckles]

320
00:20:38,804 --> 00:20:40,472
Turns out, it's not so bad.

321
00:20:40,572 --> 00:20:43,475
I feel great.
Like I could do anything.

322
00:20:45,944 --> 00:20:47,579
Like I could even get
my money tonight.

323
00:20:47,646 --> 00:20:48,447
[gun cocks]

324
00:20:48,547 --> 00:20:50,449
Hey. Hey. Max, listen.

325
00:20:50,549 --> 00:20:52,551

I'm sure we could give you
what you need.

326

00:20:53,485 --> 00:20:54,953
You seem pretty confident.

327

00:20:55,053 --> 00:20:56,989
I know a lot of people
in this city.

328

00:20:57,089 --> 00:20:59,091
Lot of people who can get you
exactly what you want.

329

00:20:59,157 --> 00:21:01,827
Just put the gun down.

330

00:21:01,927 --> 00:21:06,465
I guess I'm not getting paid
unless I shoot someone tonight.

331

00:21:48,507 --> 00:21:49,975
[Kory] What is happening?

332

00:22:04,823 --> 00:22:06,224
Mother?

333

00:22:06,325 --> 00:22:07,793
Hello, my beautiful girl.

334

00:22:08,860 --> 00:22:10,696
My little Princess Koriand'r.

335

00:22:11,997 --> 00:22:15,033
[guard] His Royal Majesty,
King Myand'r.

336
00:22:18,170 --> 00:22:20,305
- My queen, is it--
- A girl!

337
00:22:21,907 --> 00:22:23,175
[exclaims]

338
00:22:25,677 --> 00:22:27,646
[King Myand'r]
Koriand'r, my love.

339
00:22:57,676 --> 00:22:59,378
Your Highness.

340
00:22:59,444 --> 00:23:02,948
It pains me to tell you
your daughter
does not possess that

341
00:23:03,048 --> 00:23:05,183
which the throne
of Tamaran demands

342
00:23:05,250 --> 00:23:08,954
How can that be?
Every member
of the family has--

343
00:23:09,054 --> 00:23:14,393
The fire that burns
within your veins
is absent within this child.

344
00:23:14,459 --> 00:23:16,294
[Queen Luand'r]
You must be mistaken.

345

00:23:16,395 --> 00:23:19,464
[soothsayer] The voice
and vision of X' Hal
is never mistaken.

346
00:23:19,564 --> 00:23:22,434
I am simply his messenger.

347
00:23:22,534 --> 00:23:25,070
If Koriand'r doesn't possess
the power of fire,

348
00:23:25,137 --> 00:23:27,539
she has no claim
to this throne.

349
00:23:27,606 --> 00:23:29,474
This is impossible.

350
00:23:29,574 --> 00:23:32,110
We will not lose this kingdom.

351
00:23:32,878 --> 00:23:34,146
Do you not see it?

352
00:23:34,246 --> 00:23:36,081
Usurpers on all sides?

353
00:23:36,148 --> 00:23:38,917
The need for guarded escort
to your own queen's chamber?

354
00:23:44,423 --> 00:23:50,162
Tell the people that Koriand'r
is the next queen of Tamaran,

355
00:23:50,262 --> 00:23:52,464

and quell any whisper
of revolt.

356

00:23:52,564 --> 00:23:55,500
Your Highness, it is a lie.

357

00:23:55,600 --> 00:23:58,303
[King Myand'r] Yes,
and you will do it.

358

00:23:58,403 --> 00:23:59,638
So says your King.

359

00:24:08,113 --> 00:24:09,147
Blackfire...

360

00:24:12,150 --> 00:24:13,618
Your Highness.

361

00:24:13,685 --> 00:24:15,987
- Yes.
-[soothsayer] Your new child
Komand'r...

362

00:24:16,087 --> 00:24:17,088
What is it?

363

00:24:17,155 --> 00:24:19,191
She possesses the gift of fire.

364

00:24:20,959 --> 00:24:24,129
But Koriand'r
is successor to the throne.

365

00:24:25,363 --> 00:24:27,132
As you commanded.

366

00:24:27,199 --> 00:24:31,536
You can make it,
so that Koriand'r
has the power.

367

00:24:31,636 --> 00:24:35,373
Cast a spell that will take
the gift of fire from Komand'r,

368

00:24:35,474 --> 00:24:37,442
and bestow it upon
her older sister.

369

00:24:37,509 --> 00:24:40,045
[soothsayer] Your Highness,
I must warn you,

370

00:24:40,145 --> 00:24:44,182
this sort of magic
always comes with a price.

371

00:24:45,450 --> 00:24:46,384
Is that a threat?

372

00:24:50,455 --> 00:24:52,557
[soothsayer] Bring
Princess Koriand'r.

373

00:25:02,868 --> 00:25:06,972
May the fire
that burns within Komand'r,

374

00:25:10,575 --> 00:25:13,411
be given to Koriand'r.

375

00:25:15,080 --> 00:25:15,981
No.

376
00:25:17,516 --> 00:25:18,717
No, it can't be.

377
00:25:31,396 --> 00:25:32,264
What the...

378
00:26:02,193 --> 00:26:03,094
Starfire!

379
00:26:20,912 --> 00:26:22,414
[Gar] Hey, Rach,

380
00:26:22,480 --> 00:26:25,216
I'm not getting magical
resurrection vibes here.

381
00:26:25,283 --> 00:26:26,217
[Rachel] I know.

382
00:26:28,753 --> 00:26:31,222
I'm sensing
some strange energy.

383
00:26:33,091 --> 00:26:35,126
Must be pretty dark magic.

384
00:26:35,226 --> 00:26:38,763
I guess bringing people
back from the dead isn't
all sunshine and rainbows.

385
00:26:44,636 --> 00:26:46,571
Smell like bagels to you?

386
00:26:46,638 --> 00:26:49,808

[Rachel] Yeah, Gar, I'm sure
the creepy abandoned building
sells bagels.

387

00:26:49,908 --> 00:26:51,576
[Gar] A simple no
would suffice.

388

00:26:53,144 --> 00:26:55,013
Oh, we're going...

389

00:27:01,119 --> 00:27:02,120
Gar, stay back.

390

00:27:03,488 --> 00:27:04,789
Did you see something?

391

00:27:04,856 --> 00:27:06,791
No, I felt something...

392

00:27:09,628 --> 00:27:10,795
Energy signatures

393

00:27:12,163 --> 00:27:14,032
from people who were here
a long time ago.

394

00:27:23,174 --> 00:27:24,042
After you.

395

00:27:46,398 --> 00:27:47,465
Hello?

396

00:27:49,300 --> 00:27:50,669
Someone order a pizza?

397

00:27:54,305 --> 00:27:55,140
Wow!

398
00:27:56,207 --> 00:27:58,343
What a palace!

399
00:27:58,410 --> 00:28:00,378
- Thank you.
- Oh!

400
00:28:00,478 --> 00:28:02,681
I'm sorry. The front door
was wide open.

401
00:28:02,747 --> 00:28:04,716
Don't be sorry, man.
I left it open.

402
00:28:04,816 --> 00:28:07,252
- Cool.
- So, how much?

403
00:28:07,352 --> 00:28:08,486
Twenty-five.

404
00:28:08,553 --> 00:28:10,188
\$25 for a pizza?

405
00:28:10,255 --> 00:28:13,224
- Really?
- Well, I mean, you're kind of
out of the delivery zone,

406
00:28:13,324 --> 00:28:17,095
- so we charge extra for all--
- Buddy, I'm joking, you know?

407

00:28:17,195 --> 00:28:18,530
- Right.
-[both chuckle]

408
00:28:18,596 --> 00:28:20,598
Oh, shit, I forgot
my wallet upstairs.

409
00:28:20,699 --> 00:28:22,267
Hang tight, okay?
I'll get you a big tip.

410
00:28:22,367 --> 00:28:23,334
Oh, sure.

411
00:28:24,736 --> 00:28:25,937
No problem.

412
00:28:28,039 --> 00:28:29,908
[mumbling indistinctly]

413
00:28:38,016 --> 00:28:39,884
- Oh!
-[thuds]

414
00:28:45,557 --> 00:28:47,592
[exhales]

415
00:28:47,692 --> 00:28:49,728
I just love
gourmet kitchens, don't you?

416
00:28:55,567 --> 00:28:57,635
- Did you do it?
- Do what?

417
00:28:57,736 --> 00:28:59,537

Break into the Wayne Manor
security system

418

00:28:59,604 --> 00:29:00,805
like you said
you were going to.

419

00:29:00,905 --> 00:29:02,640
[Dick] Change of plans.

420

00:29:02,741 --> 00:29:04,642
Wait a minute.
You're not really meeting up
with him, are you?

421

00:29:04,743 --> 00:29:06,911
Dick. It's a trap.

422

00:29:06,978 --> 00:29:09,447
Yeah, I know.
That's why I'm going.

423

00:29:09,547 --> 00:29:11,316
- So I'm going, too.
- Nope.

424

00:29:11,416 --> 00:29:14,919
Look, I don't mean
to get all Lex Luther on you,

425

00:29:14,986 --> 00:29:16,654
but I'm bigger than you.

426

00:29:16,755 --> 00:29:18,256
I'm stronger than you.

427

00:29:18,323 --> 00:29:20,091

I'm faster than you.

428

00:29:20,158 --> 00:29:21,826
So I am going with you.

429

00:29:21,926 --> 00:29:24,496
And there's really not a thing
you could do to stop me.

430

00:29:24,596 --> 00:29:25,897
I was worried you'd say that.

431

00:29:37,142 --> 00:29:38,309
I'm sorry, Conner.

432

00:29:40,245 --> 00:29:42,480
Sorry. I had no choice.

433

00:29:42,580 --> 00:29:44,282
[whines, barks]

434

00:29:45,984 --> 00:29:47,585
- Hey, buddy,
-[barks]

435

00:29:47,652 --> 00:29:48,486
Hey boy.

436

00:30:04,269 --> 00:30:06,805
All right, Red Hood,
let's finish this.

437

00:30:08,873 --> 00:30:10,642
[breathing heavily]

438

00:30:10,708 --> 00:30:12,043

[muffled screaming]

439

00:30:14,345 --> 00:30:16,548

Now, your night took
a little bit of a detour,
didn't it?

440

00:30:16,648 --> 00:30:17,782

[Owen groaning]

441

00:30:17,849 --> 00:30:19,217

But I can assure you,

442

00:30:19,317 --> 00:30:23,321

everything is happening
for very good reason.

443

00:30:23,388 --> 00:30:26,291

You should be
as excited as I am right now.

444

00:30:26,357 --> 00:30:28,860

[shouting] 'Cause you're
in the Batcave!

445

00:30:28,960 --> 00:30:32,230

And we have a chance
to prove the Batman wrong.

446

00:30:32,330 --> 00:30:34,365

[Owen continues groaning]

447

00:30:37,702 --> 00:30:40,205

We have a chance to prove
that I can elicit

448

00:30:41,339 --> 00:30:43,875

as much fear as Scarecrow can.

449

00:30:45,643 --> 00:30:46,845

So...

450

00:30:46,911 --> 00:30:49,147

[muffled groaning]

451

00:30:49,214 --> 00:30:51,216

[Crane] Which one
scares you the most?

452

00:30:51,316 --> 00:30:54,219

Maybe a little slice
down the cheek?

453

00:30:56,855 --> 00:30:58,656

What if I took off
one of your ears?

454

00:31:00,091 --> 00:31:01,059

Maybe...

455

00:31:02,193 --> 00:31:05,029

-[Crane laughing]
-[Owen] No. No, No.

456

00:31:05,096 --> 00:31:07,665
Winner, winner, chicken dinner.

457

00:31:09,734 --> 00:31:12,437

See? We're a good team.

458

00:31:12,537 --> 00:31:15,440

You and me. Look at us.

459

00:31:15,540 --> 00:31:19,544
And all of this screaming,
the squirming, this fighting,
this shouting, this crying,

460

00:31:19,611 --> 00:31:21,012
it's wonderful.

461

00:31:21,079 --> 00:31:23,548
Keep it coming. I need
the positive reinforcement.

462

00:31:24,716 --> 00:31:26,284
Okay.

463

00:31:26,384 --> 00:31:29,120
Here we go. Here we go.

464

00:31:30,255 --> 00:31:31,689
[muffled screaming]

465

00:31:33,558 --> 00:31:35,059
Okay, come on.

466

00:31:36,094 --> 00:31:37,195
Motherfucker!

467

00:31:38,963 --> 00:31:40,765
Okay, okay.

468

00:31:41,633 --> 00:31:43,768
Okay. You can do this.

469

00:31:44,769 --> 00:31:47,071
All right, here we go.

470

00:31:50,975 --> 00:31:52,477
Still weak.

471
00:31:53,378 --> 00:31:54,312
Who's here?

472
00:31:55,713 --> 00:31:56,581
Who said that?

473
00:32:00,752 --> 00:32:02,287
- You.
- No!

474
00:32:03,254 --> 00:32:04,322
Why did you say that?

475
00:32:04,422 --> 00:32:05,556
[grunts] Okay.

476
00:32:05,623 --> 00:32:06,791
Answer me. Shut up!

477
00:32:06,891 --> 00:32:08,293
[whimpering]

478
00:32:08,393 --> 00:32:10,161
You sound just like
my fucking mother.

479
00:32:11,129 --> 00:32:12,563
Your mother was right.

480
00:32:12,630 --> 00:32:14,565
[Owen crying]

481
00:32:21,272 --> 00:32:23,474

No. No!

482

00:32:23,574 --> 00:32:25,176

No. No!

483

00:32:25,276 --> 00:32:26,244

No.

484

00:32:26,945 --> 00:32:29,013

No!

485

00:32:29,113 --> 00:32:30,982

[Donna] You sure
they saw Nightwing?

486

00:32:31,082 --> 00:32:34,686

[Tim] The guy said he saw him
heading downtown.

487

00:32:34,786 --> 00:32:37,021

Does that mean he's really
planning to fight Red Hood?

488

00:32:37,121 --> 00:32:39,757

I don't know, but I'm not gonna
let him do it by himself.

489

00:32:41,793 --> 00:32:43,494

I guess this is it.

490

00:32:43,594 --> 00:32:44,996

- Hey.

- See you down the-- Okay.

491

00:32:45,863 --> 00:32:46,998

[knock on door]

492
00:32:47,098 --> 00:32:48,533
[cop 1] GCPD, open up!

493
00:32:53,037 --> 00:32:53,938
[Jack exhales]

494
00:33:15,393 --> 00:33:17,328
Hi, guys. Can I help you?

495
00:33:17,395 --> 00:33:20,064
Just on our rounds.
Checking to see who's home.

496
00:33:20,164 --> 00:33:21,299
Doing okay in there?

497
00:33:21,366 --> 00:33:22,367
We're doing all right.

498
00:33:23,401 --> 00:33:24,836
How many folks
you got in there?

499
00:33:24,902 --> 00:33:26,137
Just me and my family.

500
00:33:27,638 --> 00:33:28,973
Water situation?

501
00:33:29,040 --> 00:33:30,641
[Jack] We've got enough
of the bottled stuff.

502
00:33:30,708 --> 00:33:31,843
What about out there?

503
00:33:31,909 --> 00:33:34,412
What's happening?
We heard gunshots.

504
00:33:34,512 --> 00:33:35,380
Looters.

505
00:33:36,848 --> 00:33:39,384
You have any way to defend
yourselves? Any weapons?

506
00:33:39,484 --> 00:33:40,818
[Jack] Nothing in here.

507
00:33:40,885 --> 00:33:42,854
[cop 2] We'll keep you
on our regular beat then.

508
00:33:42,920 --> 00:33:46,090
Anyone comes by,
you hang tight
till we get here.

509
00:33:46,190 --> 00:33:47,692
You have
a nice night, Mr. Drake.

510
00:33:52,563 --> 00:33:53,931
What the hell was that about?

511
00:33:54,032 --> 00:33:57,168
They come by every six hours
like clockwork.

512
00:33:57,235 --> 00:33:58,202
And I don't like it.

513

00:33:58,269 --> 00:33:59,704
Why are they checking on you?

514

00:33:59,771 --> 00:34:01,339
Because they're
up to something.

515

00:34:01,406 --> 00:34:02,707
What are you talking about?

516

00:34:02,774 --> 00:34:05,676
We have someone
inside GCPD headquarters.

517

00:34:05,743 --> 00:34:08,179
Says Crane wants to
wipe out neighborhoods
holding out.

518

00:34:08,246 --> 00:34:10,448
So they're making plans
to raid the armory.

519

00:34:10,548 --> 00:34:12,517
Place is full of
high powered weapons.

520

00:34:12,583 --> 00:34:13,551
Assault shit.

521

00:34:15,920 --> 00:34:17,255
Looks like
they're coming for us.

522

00:34:19,924 --> 00:34:20,892
This is us.

523

00:34:22,293 --> 00:34:23,861
And that's the armory.

524

00:34:23,928 --> 00:34:25,797
If they're cleaning house,
they'd start with these cells.

525

00:34:25,897 --> 00:34:27,965
You really think they're just
gonna come down here

526

00:34:29,400 --> 00:34:31,569
and start killing people?

527

00:34:31,636 --> 00:34:34,138
When's the last time anyone's
heard from Barbara Gordon?

528

00:34:34,238 --> 00:34:36,641
They arrested her
the night the Titans
tried to turn themselves in

529

00:34:36,741 --> 00:34:37,875
and everything went to shit.

530

00:34:38,643 --> 00:34:40,311
Well, if you're right,

531

00:34:40,411 --> 00:34:42,880
and Crane's got these cops
on his payroll,

532

00:34:42,947 --> 00:34:44,749
they're his eyes
and ears on the street.

533

00:34:46,417 --> 00:34:49,253
With them, he can control
the whole damn city.

534

00:34:49,320 --> 00:34:50,922
That's why they're
making rounds.

535

00:34:52,323 --> 00:34:53,658
Gathering information,

536

00:34:53,758 --> 00:34:55,159
finding out how many people
are in each cell,

537

00:34:55,259 --> 00:34:56,461
what kinda weapons they have.

538

00:34:57,595 --> 00:34:59,664
Crane's one inch from winning.

539

00:34:59,764 --> 00:35:01,399
His only conceivable threat

540

00:35:02,633 --> 00:35:04,969
are these hold-out cells.

541

00:35:05,069 --> 00:35:06,437
[Stephen] So he's gonna
shut them down.

542

00:35:07,905 --> 00:35:08,773
Permanently.

543

00:35:09,941 --> 00:35:11,442
You gotta to get out of here.

544

00:35:11,509 --> 00:35:13,978

- What?

- Go stop Nightwing,
bring him back here.

545

00:35:15,012 --> 00:35:16,114

It's almost midnight.

546

00:35:17,782 --> 00:35:19,851

Those cops could
come back any minute.

547

00:35:19,951 --> 00:35:21,752

[Stephen] Not if they're
starting north of Harper.

548

00:35:21,819 --> 00:35:23,421

We've got some time.

549

00:35:23,488 --> 00:35:24,789

We can hold them off
for a while.

550

00:35:24,856 --> 00:35:26,124

I have people
inside the buildings.

551

00:35:27,125 --> 00:35:28,359

We got this.

552

00:35:28,459 --> 00:35:30,361

This is my block, my home.

553

00:35:31,529 --> 00:35:32,630

This is why I came back.

554

00:35:35,633 --> 00:35:37,135
Look, I don't know, Tim.

555

00:35:40,338 --> 00:35:43,975
If we can coordinate
with these cells,

556

00:35:44,041 --> 00:35:46,110
then maybe there's a way
we can actually fight back.

557

00:35:46,844 --> 00:35:48,713
Against 100 cops?

558

00:35:48,813 --> 00:35:50,281
I spent half my life
on an island

559

00:35:50,348 --> 00:35:52,850
learning how to lead
five people against 50.

560

00:35:54,152 --> 00:35:55,820
Or 50 against 500.

561

00:35:58,789 --> 00:36:00,725
Maybe it's time I started
putting it to use.

562

00:36:02,527 --> 00:36:03,628
[bats squeaking]

563

00:36:23,080 --> 00:36:24,382
[Rachel] Bats?

564

00:36:24,482 --> 00:36:26,417

[Gar] I swear they keep following me everywhere.

565

00:36:33,391 --> 00:36:34,425
[Rachel] We found it.

566

00:36:36,761 --> 00:36:38,029
[Gar] The Lazarus Pit.

567

00:36:50,775 --> 00:36:53,211
Don't worry,
it's from a bottle.

568

00:36:53,277 --> 00:36:54,679
[Maya crying]

569

00:37:00,551 --> 00:37:01,686
[Kory] Is she feeling better?

570

00:37:04,522 --> 00:37:05,790
[groans]

571

00:37:05,890 --> 00:37:07,592
I was just about to
ask you the same thing.

572

00:37:09,126 --> 00:37:10,628
I was shot.

573

00:37:10,728 --> 00:37:12,129
[Kapelwa] But you didn't fall.

574

00:37:12,230 --> 00:37:15,032
This bright, blue light
came out of your body.

575

00:37:15,700 --> 00:37:16,968
It took out Max.

576
00:37:18,069 --> 00:37:19,403
- But--
- It healed me.

577
00:37:20,538 --> 00:37:22,473
You saved us.

578
00:37:22,573 --> 00:37:24,375
So does this mean
your powers are back?

579
00:37:26,544 --> 00:37:27,979
Yes, I guess.

580
00:37:29,080 --> 00:37:30,314
They're different.

581
00:37:30,414 --> 00:37:32,383
When I was shot,
I had another vision.

582
00:37:32,450 --> 00:37:34,652
Not of Maya,
this time it was of myself.

583
00:37:38,222 --> 00:37:39,991
I found out that
the powers I lost

584
00:37:40,091 --> 00:37:42,493
weren't really mine
to begin with.

585
00:37:42,593 --> 00:37:44,061

They belong to someone else.

586

00:37:46,664 --> 00:37:47,999

So these are new powers.

587

00:37:49,166 --> 00:37:50,167

That blue light?

588

00:37:50,901 --> 00:37:51,769

Not new.

589

00:37:55,273 --> 00:37:56,941

They were with me all along.

590

00:37:57,808 --> 00:37:58,676

The real me.

591

00:37:58,776 --> 00:38:00,144

[Maya crying]

592

00:38:04,915 --> 00:38:05,983

[groans softly]

593

00:38:08,786 --> 00:38:09,620

[exhales]

594

00:38:11,255 --> 00:38:12,957

[crying]

595

00:38:16,494 --> 00:38:17,762

[Kapelwa shushes]

596

00:38:26,203 --> 00:38:27,705

That was over a year ago,

597

00:38:27,805 --> 00:38:31,609
before my husband spoke out
against the president,

598

00:38:31,676 --> 00:38:35,446
before he and our son, Lutangu,
were taken away.

599

00:38:36,814 --> 00:38:38,616
So you fled when
you were pregnant.

600

00:38:38,683 --> 00:38:41,519
They were going to
arrest me, too.
I had to leave that day.

601

00:38:42,553 --> 00:38:43,654
Never saw them again.

602

00:38:45,890 --> 00:38:50,061
Maya is the last tangible part
of my old life,

603

00:38:52,296 --> 00:38:55,132
and the entirety of my new one.

604

00:38:55,199 --> 00:38:58,402
This beautiful light
was already inside me.

605

00:39:00,338 --> 00:39:01,572
I just didn't know it yet.

606

00:39:08,979 --> 00:39:10,548
I'm glad we met, Starfire.

607

00:39:15,353 --> 00:39:16,253
I am, too.

608
00:39:28,532 --> 00:39:29,700
You were right, Mom.

609
00:39:32,870 --> 00:39:34,572
I'm just a coward.

610
00:39:34,672 --> 00:39:35,606
You know.

611
00:39:36,273 --> 00:39:37,441
I know what?

612
00:39:37,541 --> 00:39:39,243
[Alter Crane]
What you have to do.

613
00:39:39,343 --> 00:39:41,045
The time for masks is over.

614
00:40:17,314 --> 00:40:20,050
-[stabbing]
-[Owen screaming]

615
00:40:23,788 --> 00:40:25,423
[screaming fades]

616
00:40:32,663 --> 00:40:34,131
[Nightwing]
Tick-tock, Red hood.

617
00:40:35,099 --> 00:40:36,333
Your time is running out.

618

00:40:38,302 --> 00:40:41,605
[laughs] You were never
very good at this game.

619

00:40:43,741 --> 00:40:45,276
You always fell for the bait.

620

00:40:52,249 --> 00:40:53,083
[grunts]

621

00:41:10,601 --> 00:41:13,170
So that's how
it's going down now.

622

00:41:13,270 --> 00:41:15,539
No more playing by the rules,
ol' Dickie Grayson?

623

00:41:16,941 --> 00:41:18,709
Standard bat shit.

624

00:41:18,809 --> 00:41:20,544
Intimidation through terror.

625

00:41:27,384 --> 00:41:28,652
[gun firing]

626

00:41:41,699 --> 00:41:43,200
[Red Hood] You hiding
out there, Dick?

627

00:41:44,335 --> 00:41:45,202
Huh?

628

00:41:46,637 --> 00:41:48,339
[Nightwing] I'm just
setting the stage.

629
00:42:00,050 --> 00:42:01,018
Right on time.

630
00:42:04,822 --> 00:42:06,156
[gun firing]

631
00:42:11,395 --> 00:42:12,830
[electricity crackling]

632
00:42:14,431 --> 00:42:15,766
[both grunting]

633
00:42:23,774 --> 00:42:25,342
[both grunting]

634
00:42:31,248 --> 00:42:32,883
[electricity crackling]

635
00:42:36,387 --> 00:42:38,022
[both grunting]

636
00:42:38,088 --> 00:42:39,790
[indistinct chatter]

637
00:42:42,426 --> 00:42:43,761
[bystander 1] Leave him alone!

638
00:42:57,141 --> 00:42:58,442
[both grunting]

639
00:43:16,260 --> 00:43:17,761
[crowd gasping]

640
00:43:27,237 --> 00:43:29,740

[gasps, coughs]

641

00:43:31,942 --> 00:43:34,678
Just remember,
I did this to you.

642

00:43:35,512 --> 00:43:36,814
You did this to yourself.

643

00:43:38,415 --> 00:43:39,483
Finish it.

644

00:43:46,457 --> 00:43:47,858
[Red Hood coughing]

645

00:43:52,296 --> 00:43:54,298
[bystander 2] We want you
out of here, Nightwing!

646

00:43:55,966 --> 00:43:56,867
[gunshot]

647

00:44:01,538 --> 00:44:02,373
Easy.

648

00:44:03,374 --> 00:44:04,608
I'm not here to hurt you.

649

00:44:05,542 --> 00:44:06,710
Kid, put the gun down.

650

00:44:09,113 --> 00:44:09,980
[gun cocks]

651

00:44:16,320 --> 00:44:17,454
[gun fires]

652
00:44:33,370 --> 00:44:34,405
I did it for you.

653
00:44:35,673 --> 00:44:39,076
Red Hood! Red Hood!

654
00:44:39,176 --> 00:44:41,845
[crowd chanting]

655
00:44:42,680 --> 00:44:46,016
Red Hood! Red Hood!

656
00:44:46,083 --> 00:44:50,087
Red Hood! Red Hood!

657
00:44:50,187 --> 00:44:53,757
Red Hood! Red Hood!

658
00:44:53,857 --> 00:44:57,594
Red Hood! Red Hood!

659
00:44:57,695 --> 00:45:00,998
Red Hood! Red Hood!

660
00:45:01,065 --> 00:45:03,267
[chanting continues]

661
00:45:32,029 --> 00:45:33,097
Uh, Rach.

662
00:45:36,100 --> 00:45:37,067
What's going on?

663
00:45:37,935 --> 00:45:39,369

It's Dick.

664

00:45:39,436 --> 00:45:40,871
Something's happening to him.

665

00:45:42,139 --> 00:45:43,941
[indistinct chatter]

666

00:45:46,210 --> 00:45:47,311
[screams]

667

00:45:49,279 --> 00:45:50,914
[screaming continues]

668

00:46:20,944 --> 00:46:21,845
[Crane] Jason.

669

00:46:33,791 --> 00:46:36,260
Ah, finally home.

670

00:46:36,326 --> 00:46:39,196
Finally home.
See you lost the hood, too.

671

00:46:39,296 --> 00:46:40,264
Good call.

672

00:46:40,964 --> 00:46:41,965
You know,

673

00:46:43,500 --> 00:46:46,470
the time for masks is over.

TITANS
