1
00:00:09,578 --> 00:00:10,734
[Rachel] Dick is dying.

2
00:00:13,671 --> 00:00:14,764
I can feel it.

3
00:00:20,321 --> 00:00:21,397
Can you find him?

4
00:00:26,350 --> 00:00:27,506
[Rachel] Follow me.

5
00:00:39,214 --> 00:00:40,264
[Gar] Dick!

6
00:00:41,561 --> 00:00:42,562
[Rachel] No!

7
00:00:43,792 --> 00:00:45,060
[Rachel breathing heavily]

8
00:00:45,145 --> 00:00:46,745
[Gar] Rach, is there anything
you can do?

9
00:01:01,688 --> 00:01:02,811
[Rachel sobs] Dick!

10
00:01:06,445 --> 00:01:07,445
[Rachel] No.

11
00:01:15,032 --> 00:01:16,053
It's too late.

12
00:01:16,335 --> 00:01:17,636

[somber music playing]

13

00:01:18,194 --> 00:01:19,366
[screaming]

14

00:01:23,056 --> 00:01:24,424
[bats screeching]

15

00:01:34,226 --> 00:01:35,561
[dramatic music playing]

16

00:01:42,079 --> 00:01:43,655
[distorted snarling]

17

00:01:47,267 --> 00:01:48,267
Gar?

18

00:01:51,953 --> 00:01:53,108
[screeching]

19

00:02:40,454 --> 00:02:41,689
Gar, now!

20

00:02:41,984 --> 00:02:43,285
[screeching continues]

21

00:03:03,073 --> 00:03:04,575
[ominous music playing]

22

00:03:11,449 --> 00:03:12,449
[Gar] Rachel?

23

00:03:14,999 --> 00:03:16,042
Is he gonna make it?

24

00:03:18,938 --> 00:03:20,003
I don't know.

25

00:03:27,717 --> 00:03:29,956
Theme music playing...

26

00:03:33,626 --> 00:03:35,503

29

00:03:46,100 --> 00:03:47,802
[metallic scraping]

30

00:03:55,559 --> 00:03:57,175
[Jason]
Nightwing is dead.

31

00:03:58,800 --> 00:04:00,316
[Crane]
Batman saved my toy.

32

00:04:00,970 --> 00:04:02,271
[Crane chuckles]

33

00:04:05,312 --> 00:04:08,206
A trinket...
of our courtship together.

34

00:04:10,038 --> 00:04:13,386

Who would have thought
he was so... sentimental?

35

00:04:14,235 --> 00:04:15,448
[Jason] Did you hear me?

36

00:04:16,122 --> 00:04:17,862
I said
Nightwing is dead!

37

00:04:19,666 --> 00:04:20,666
So?

38

00:04:21,464 --> 00:04:23,206
He wasn't my monster.

39

00:04:23,601 --> 00:04:25,003
[metal clangs]

40

00:04:25,800 --> 00:04:26,847
He's your monster.

41

00:04:27,924 --> 00:04:28,994
What do you want,
a cookie?

42

00:04:29,079 --> 00:04:30,144
[chuckles]

43

00:04:30,969 --> 00:04:32,737
But you said that's what
you wanted.

44

00:04:35,011 --> 00:04:37,401
When it was done,
we would save Gotham our way.

45

00:04:37,866 --> 00:04:41,972
Gotham will be saved,
but first... it must be destroyed.

46

00:04:46,210 --> 00:04:51,330
As clever hopes expire,
waves of fear and anger

47

00:04:51,415 --> 00:04:55,816
circulate over the bright and
darkened lands of the Earth.

48

00:04:55,901 --> 00:04:57,573
What the fuck kind
of gibberish is that?

49

00:04:57,658 --> 00:04:59,952
No, not gibberish, no.

50

00:05:00,036 --> 00:05:02,464
It's the past come to
life in the present.

51

00:05:05,566 --> 00:05:08,495
An ode to the Bat
and his wee Bird

52

00:05:09,177 --> 00:05:10,862
from when
they stopped me.

53

00:05:11,048 --> 00:05:12,729
But they can't stop me
now.

54

00:05:13,004 --> 00:05:15,847
No, they can't stop me now

55

00:05:16,379 --> 00:05:17,447
because...

56

00:05:20,116 --> 00:05:22,095
because we will walk
among them.

57

00:05:22,812 --> 00:05:23,907
The dead.

58

00:05:25,778 --> 00:05:27,647
And the fallen city
will be like...

59

00:05:29,104 --> 00:05:30,634
It'll be like a beacon.

60

00:05:33,438 --> 00:05:36,660
Very soon, Jason.
Very, very soon they will die.

61

00:05:36,760 --> 00:05:37,962
Yes, they will die.

62

00:05:39,997 --> 00:05:42,395
- Who will die?
- All of them!

63

00:05:42,858 --> 00:05:44,246
All of them.

64

00:05:45,689 --> 00:05:47,082
Everybody.

65

00:05:53,582 --> 00:05:58,168

You still stink of fear.
After all that I've given you.

66

00:05:58,649 --> 00:06:01,114
You said I was gonna
be a savior.

67

00:06:02,292 --> 00:06:03,887
I won't help you
destroy the city.

68

00:06:03,988 --> 00:06:06,426
[sighs] Well...

69

00:06:10,032 --> 00:06:11,379
perhaps you won't.

70

00:06:12,757 --> 00:06:13,858
[grunts]

71

00:06:20,250 --> 00:06:22,419
[clanging]

72

00:06:27,845 --> 00:06:30,770
Keep running, boy...
keep running.

73

00:06:36,319 --> 00:06:39,489
"As the...
clever hopes expire,

74

00:06:40,152 --> 00:06:43,020
waves
of fear and anger...

75

00:06:44,328 --> 00:06:50,535
waves of fear and anger...

waves of fear and anger."

76

00:06:53,504 --> 00:06:56,286
There's heavy smoke coming from
an explosion south of the dock.

77

00:06:56,371 --> 00:06:57,770
Last radio alert
said that someone

78

00:06:57,855 --> 00:06:59,965
saw Crane's cops
at Greene and Sixth.

79

00:07:00,344 --> 00:07:02,629
They're wiping out the
Resistance cells one by one.

80

00:07:02,785 --> 00:07:04,931
Heading east. Right toward
us. We don't have much time.

81

00:07:05,015 --> 00:07:06,967
Let's get everyone together.
Go over the plan again

82

00:07:07,051 --> 00:07:09,012
and make sure everyone's
armed and ready.

83

00:07:09,725 --> 00:07:11,205
[Stephen] Grab them while
they're hot.

84

00:07:12,989 --> 00:07:14,263
[Janet] Where'd did you
get those?

85

00:07:14,347 --> 00:07:17,067
Tim's got a secret closet,
I got a secret stash.

86

00:07:19,734 --> 00:07:21,481
[Tim] Hey, cuz.
Know how to use an Uzi?

87

00:07:22,332 --> 00:07:23,333
[exhales softly]

88

00:07:24,956 --> 00:07:26,231
Nightwing is dead.

89

00:07:26,713 --> 00:07:27,778
What?

90

00:07:28,207 --> 00:07:29,608
That... that's impossible.

91

00:07:29,833 --> 00:07:32,660
A guy had photos of his dead
body in the street.

92

00:07:33,496 --> 00:07:35,031
I've got them, it's him.

93

00:07:35,179 --> 00:07:36,179
Show me.

94

00:07:42,277 --> 00:07:43,879
You can't believe
everything you see.

95

00:07:44,054 --> 00:07:45,130
Those don't look real

to you?

96

00:07:45,214 --> 00:07:47,512
Scarecrow's weaving his web.
We don't know what's real.

97

00:07:47,597 --> 00:07:48,701
[Janet] It's real enough
for me.

98

00:07:48,785 --> 00:07:50,895
If superheroes are dying,
we don't stand a chance.

99

00:07:51,208 --> 00:07:52,542
We need
to get out of Gotham.

100

00:07:52,627 --> 00:07:54,745
Find a way past
the GCPD Border Patrol.

101

00:07:54,830 --> 00:07:57,483
I got friends who tried.
They're dead.

102

00:07:57,568 --> 00:08:00,606
I heard there might be
an underground route north of the docks.

103

00:08:01,090 --> 00:08:03,067
- If we can make it there...
- Go if you want.

104

00:08:03,727 --> 00:08:04,878
I'm fighting
to save Gotham.

105
00:08:05,056 --> 00:08:07,725
Son... there's no
Gotham left to save.

106
00:08:07,809 --> 00:08:09,028
Not if
we just give up.

107
00:08:09,113 --> 00:08:11,364
Enough trying
to be a superhero.

108
00:08:11,449 --> 00:08:12,384
Last time you almost died.

109
00:08:12,476 --> 00:08:13,864
No one's going
to die.

110
00:08:15,110 --> 00:08:16,504
Stay here.
I'll be back.

111
00:08:28,787 --> 00:08:30,055
[cell door buzzes]

112
00:08:41,501 --> 00:08:43,136
The fuck do you think
you're doing?

113
00:08:45,282 --> 00:08:46,516
What you should have done.

114
00:09:01,799 --> 00:09:02,933
[clangs]

115

00:09:06,637 --> 00:09:08,205
[CCTV camera beeps]

116
00:09:08,445 --> 00:09:11,481
[Crane] Sorry I'm late
for our daily chat.

117
00:09:13,910 --> 00:09:15,011
[sawing]

118
00:09:16,676 --> 00:09:17,811
[panting]

119
00:09:20,073 --> 00:09:22,066
You know, I lost
my right-hand man recently

120
00:09:22,151 --> 00:09:24,278
and I was feeling
a tad bit lonely.

121
00:09:24,378 --> 00:09:28,800
But then I realized,
well, I have a man.

122
00:09:30,011 --> 00:09:31,699
And I have a right hand.

123
00:09:33,204 --> 00:09:34,572
[clattering]

124
00:09:34,657 --> 00:09:35,848
So what the heck?

125
00:09:35,933 --> 00:09:37,769
[laughs]

126

00:09:38,761 --> 00:09:41,043
Now for our daily trivia.

127

00:09:42,506 --> 00:09:45,347
What's merrier than Christmas
and jollier than an elf?

128

00:09:46,199 --> 00:09:47,833
[in sing-song voice]
Johnny in the Batcave.

129

00:09:47,917 --> 00:09:49,394
[Crane laughing]

130

00:09:53,175 --> 00:09:55,449
Oh? You don't like it, huh?

131

00:09:55,686 --> 00:09:57,793
It's a tough crowd.
It's a tough crowd.

132

00:09:58,021 --> 00:09:59,894
Oh, I know something
that will perk you up.

133

00:10:01,559 --> 00:10:02,769
Nightwing is dead.

134

00:10:02,864 --> 00:10:04,866
[dramatic droning note plays]

135

00:10:05,130 --> 00:10:09,148
A dismal duel to the death
between two beloved Bat brothers.

136

00:10:09,233 --> 00:10:11,839

Poetic or pathetic,
you be the judge.

137

00:10:14,277 --> 00:10:15,458
Come on.

138

00:10:15,543 --> 00:10:17,289
How about
a little bit of appreciation

139

00:10:17,374 --> 00:10:18,879
for all of my hard work.

140

00:10:19,101 --> 00:10:20,605
And cool it
on the feels.

141

00:10:20,844 --> 00:10:23,696
You know, the tragic end
of Nightwing,

142

00:10:23,780 --> 00:10:25,058
it's just an aperitif.

143

00:10:25,200 --> 00:10:28,339
The main course is the death
of your beloved city.

144

00:10:29,085 --> 00:10:33,936
I only wish Papa Jim and Batman
were around to savor it with you...

145

00:10:34,694 --> 00:10:38,670
along with your dearly departed
Dick Grayson. God, I miss him already.

146

00:10:38,755 --> 00:10:42,381

Anyways, stay tuned.
See you soon.

147
00:10:42,466 --> 00:10:45,135
Same Crane channel,
same Crane time.

148
00:10:45,235 --> 00:10:46,436
[device beeps]

149
00:10:47,062 --> 00:10:48,230
[chuckles]

150
00:11:06,156 --> 00:11:09,662
[Gar's voice echoing] Rachel?
Is he going to make it?

151
00:11:10,215 --> 00:11:11,950
[Rachel's voice echoing]
I don't know.

152
00:11:12,035 --> 00:11:14,545
[Crane's voice echoing] In
the beginning, there was fear.

153
00:11:16,633 --> 00:11:17,650
[voice echoing] Where am I?

154
00:11:17,734 --> 00:11:18,850
Eternity.

155
00:11:18,935 --> 00:11:22,444
Your story begins the night
your parents died.

156
00:11:23,310 --> 00:11:26,498
When Mommy and Daddy died,

a door in you closed.

157

00:11:28,078 --> 00:11:32,702
You closed it in an attempt
to avoid further pain.

158

00:11:32,916 --> 00:11:34,327
Didn't quite work though,
did it?

159

00:11:34,412 --> 00:11:35,522
What are you talking about?

160

00:11:35,607 --> 00:11:40,725
When a parent dies, it's like the
ground beneath you suddenly gives way.

161

00:11:42,125 --> 00:11:44,592
You trust nothing good again,
not fully.

162

00:11:46,163 --> 00:11:47,686
You live in fear.

163

00:11:48,365 --> 00:11:52,085
But Bruce Wayne, he showed
you how to live with that fear.

164

00:11:52,169 --> 00:11:54,553
Punish it, strike first.

165

00:11:55,706 --> 00:11:59,170
And then that's all you had.
Fear and rage.

166

00:11:59,509 --> 00:12:02,436
You felt fear, and dealt rage.

167
00:12:03,066 --> 00:12:04,234
[yelling]

168
00:12:05,949 --> 00:12:07,684
[indistinct shouting]

169
00:12:08,628 --> 00:12:09,733
Don't you get it?

170
00:12:10,821 --> 00:12:15,125
The battle for your soul...
is over.

171
00:12:16,226 --> 00:12:17,226
You lost.

172
00:12:19,296 --> 00:12:20,941
- [Rachel] Dick...
- You chose the path...

173
00:12:21,026 --> 00:12:22,528
- Talk to me.
- Of Bruce Wayne.

174
00:12:26,367 --> 00:12:27,701
But he was not your father.

175
00:12:29,139 --> 00:12:32,576
You are the son
of John Grayson.

176
00:12:32,676 --> 00:12:35,670
And he would be so disappointed
with the man that you've become.

177

00:12:37,179 --> 00:12:38,803
You're failing him.

178
00:12:38,888 --> 00:12:40,475
Just like you failed everyone.

179
00:12:43,387 --> 00:12:44,488
[Nightwing] Donna!

180
00:12:46,023 --> 00:12:47,024
[device beeping]

181
00:12:51,283 --> 00:12:52,717
Jason.

182
00:12:52,802 --> 00:12:53,922
He never stood a chance too.

183
00:12:54,176 --> 00:12:56,211
[Nightwing] Hold on!

184
00:12:56,296 --> 00:12:58,022
[Crane] You always
wanted him dead.

185
00:13:00,704 --> 00:13:02,866
- No.
- [Crane] So you killed him.

186
00:13:02,951 --> 00:13:04,413
No, it was the Joker.

187
00:13:06,378 --> 00:13:09,319
The Joker was just a weapon
in your hands.

188

00:13:11,081 --> 00:13:12,382
[Joker cackling]

189
00:13:25,896 --> 00:13:28,069
[Crane] You always
wanted Jason gone.

190
00:13:28,965 --> 00:13:30,367
So you abandoned him.

191
00:13:33,052 --> 00:13:34,436
You hated him.

192
00:13:35,372 --> 00:13:37,889
You wanted to be
the Detective's only son.

193
00:13:38,141 --> 00:13:40,243
And then Jason came
and he took your place.

194
00:13:40,988 --> 00:13:42,217
He took your home...

195
00:13:45,006 --> 00:13:46,530
he took your father.

196
00:13:52,934 --> 00:13:54,686
Please.

197
00:13:54,825 --> 00:13:57,043
You holding a gun
to his head tonight,

198
00:13:57,127 --> 00:13:59,563
that was as predictable
as the sun rising.

199

00:14:02,933 --> 00:14:05,602
[Jason] No, please.
Don't. Please don't do this.

200

00:14:06,929 --> 00:14:07,997
[grunting]

201

00:14:12,309 --> 00:14:13,309
[rock music playing]

202

00:14:23,820 --> 00:14:25,255
I need your keys and your car.

203

00:14:26,215 --> 00:14:27,215
Fuck off.

204

00:14:28,556 --> 00:14:30,108
Don't make me ask twice.

205

00:14:32,381 --> 00:14:33,449
Okay.

206

00:14:34,296 --> 00:14:36,913
She... she's a stick.

207

00:14:37,157 --> 00:14:38,757
She grinds a little bit
coming out there.

208

00:14:39,970 --> 00:14:41,505
Just watch the suspension.

209

00:14:41,605 --> 00:14:43,507
There's a quarter tank
of gas left.

210
00:14:43,607 --> 00:14:45,375
Just keep an eye on
the fuel gauge, okay?

211
00:14:45,475 --> 00:14:46,475
[Krypto barking]

212
00:14:52,516 --> 00:14:53,516
Krypto.

213
00:14:54,184 --> 00:14:55,519
Where is he?

214
00:14:55,619 --> 00:14:57,287
[barking]

215
00:15:05,228 --> 00:15:06,696
[Krypto barking]

216
00:15:08,398 --> 00:15:09,398
Conner!

217
00:15:18,475 --> 00:15:19,475
[whines]

218
00:15:26,416 --> 00:15:27,751
[Conner gasping]

219
00:15:32,470 --> 00:15:33,782
Who did this to you?

220
00:15:36,927 --> 00:15:37,928
[barking]

221

00:15:39,596 --> 00:15:42,165
Fuck the Titans.
Let it go.

222
00:15:44,034 --> 00:15:46,352
Dick said
we were family.

223
00:15:46,436 --> 00:15:48,772
But family is supposed
to be there for you.

224
00:15:48,872 --> 00:15:49,989
Not betray you.

225
00:15:50,073 --> 00:15:51,691
I'm done pretending
that's possible.

226
00:15:51,775 --> 00:15:54,110
From now on,
I do what I want.

227
00:15:54,211 --> 00:15:56,996
I don't know
what I want.

228
00:15:57,080 --> 00:16:00,250
There's a part of me that wants to
destroy Dick for what he did to me.

229
00:16:01,885 --> 00:16:03,684
There's the part that says
the family is everything,

230
00:16:03,768 --> 00:16:06,371
and I should always do good,
not harm.

231

00:16:08,792 --> 00:16:11,261
Maybe we can
do good together,

232

00:16:12,229 --> 00:16:13,012
as a team.

233

00:16:13,096 --> 00:16:14,631
- A team?
- Why not?

234

00:16:14,731 --> 00:16:16,433
I've got some
loose ends to tie up.

235

00:16:17,567 --> 00:16:18,602
We could do it together.

236

00:16:19,302 --> 00:16:20,270
Then keep going.

237

00:16:20,370 --> 00:16:21,905
- Just you and me?
- [barks]

238

00:16:23,974 --> 00:16:24,975
[Blackfire] And Krypto.

239

00:16:25,075 --> 00:16:26,276
[chuckles softly]

240

00:16:28,078 --> 00:16:29,980
- You're serious?
- We both know what it's like,

241

00:16:30,080 --> 00:16:32,315
to be treated
as if we don't belong.

242

00:16:34,084 --> 00:16:35,452
We can make sure
others like us

243

00:16:35,552 --> 00:16:37,537
get the respect
and protection they deserve.

244

00:16:37,621 --> 00:16:38,788
Like Hawk and Dove.

245

00:16:39,789 --> 00:16:41,791
Be our own super duo.

246

00:16:41,891 --> 00:16:42,993
- Who?
- [chuckles]

247

00:16:43,093 --> 00:16:44,227
Nevermind.

248

00:16:48,999 --> 00:16:50,066
You're right.

249

00:16:51,434 --> 00:16:52,469
Fuck the Titans.

250

00:16:53,770 --> 00:16:55,171
[Stephen] Oh, shit!

251

00:16:55,272 --> 00:16:57,807
- Incoming.
- Crane's cops. Take your positions.

252

00:16:59,609 --> 00:17:04,397
Tim. Keep the safety on
until showtime.

253

00:17:04,481 --> 00:17:05,749
You got this, son.

254

00:17:07,350 --> 00:17:08,418
Be careful.

255

00:17:09,986 --> 00:17:11,321
If anyone gets past us,

256

00:17:11,421 --> 00:17:13,323
- you know what to do.
- I love you.

257

00:17:16,426 --> 00:17:17,927
[dramatic music intensifies]

258

00:17:30,440 --> 00:17:31,608
[engine revving]

259

00:17:34,844 --> 00:17:36,281
Don't ding up your ride.

260

00:17:37,013 --> 00:17:38,148
[sighs in relief]

261

00:17:47,190 --> 00:17:49,225
[ethereal music plays]

262

00:17:49,326 --> 00:17:50,827
[grunts softly]

263

00:17:54,164 --> 00:17:55,699
Can you sense him
in there?

264

00:17:57,367 --> 00:18:00,403
He has to fight, Gar.

265

00:18:00,503 --> 00:18:03,206
We can't help him, anymore.
He has to fight.

266

00:18:04,174 --> 00:18:05,709
[sighs] He will.

267

00:18:10,380 --> 00:18:11,964
[Rachel] What's wrong?

268

00:18:12,048 --> 00:18:13,350
[Gar groans] I'm okay.

269

00:18:14,651 --> 00:18:16,519
The bat... I'm still
working through it.

270

00:18:17,854 --> 00:18:18,988
How did you do that?

271

00:18:20,690 --> 00:18:22,174
I don't know.

272

00:18:22,258 --> 00:18:24,694
These new changes, they
always happen when I'm afraid.

273

00:18:26,229 --> 00:18:27,597
It's like,

my ability to change

274

00:18:27,682 --> 00:18:28,970
is locked behind a door.

275

00:18:29,933 --> 00:18:31,167
And fear...

276

00:18:33,536 --> 00:18:36,539
[sighs] Fear cracks it open
for a brief moment.

277

00:18:38,208 --> 00:18:39,709
And then it just
slams shut again.

278

00:18:41,745 --> 00:18:44,830
When it happens,
when I start to change,

279

00:18:44,914 --> 00:18:46,249
it feels like I'm dying.

280

00:18:47,951 --> 00:18:49,853
I know I can do more,
I can...

281

00:18:50,587 --> 00:18:51,688
be more.

282

00:18:53,123 --> 00:18:55,191
I just don't want it
to always be this way.

283

00:18:59,028 --> 00:19:02,465
My whole life,
I thought it was hate

284

00:19:02,565 --> 00:19:03,633
that gave me power.

285

00:19:04,634 --> 00:19:06,052
Like my father.

286

00:19:06,136 --> 00:19:07,553
You're nothing like him.

287

00:19:07,637 --> 00:19:09,305
I know that.

288

00:19:09,406 --> 00:19:12,041
But I know that because when
it came time for me to face him...

289

00:19:12,909 --> 00:19:14,244
it wasn't hate...

290

00:19:15,078 --> 00:19:16,780
that gave me power.

291

00:19:16,880 --> 00:19:19,783
It was love, for you...

292

00:19:20,917 --> 00:19:21,951
for Dick...

293

00:19:22,886 --> 00:19:24,487
for Kory.

294

00:19:24,587 --> 00:19:27,590
I wouldn't let him hurt you

295

00:19:28,425 --> 00:19:31,377
because I loved you

296

00:19:31,461 --> 00:19:35,331
and that gave me all the
strength I could possibly need.

297

00:19:37,133 --> 00:19:40,136
It unlocked everything
for me.

298

00:19:44,941 --> 00:19:45,975
Close your eyes.

299

00:19:48,578 --> 00:19:49,578
Trust me.

300

00:20:02,592 --> 00:20:04,794
When you saw Dick's, body,
you felt...

301

00:20:06,129 --> 00:20:07,363
so much pain.

302

00:20:08,765 --> 00:20:11,034
But then you saw the bats.

303

00:20:11,134 --> 00:20:13,169
You knew you had
to join them.

304

00:20:14,137 --> 00:20:16,506
They found you because...

305

00:20:16,606 --> 00:20:19,342
they knew you loved
Dick Grayson.

306
00:20:22,278 --> 00:20:24,514
You have everything
you need.

307
00:20:30,987 --> 00:20:32,805
[water sloshing]

308
00:20:32,889 --> 00:20:34,324
Something is happening.

309
00:20:42,465 --> 00:20:43,633
[crowbar clanging]

310
00:20:44,367 --> 00:20:46,135
[grunting]

311
00:20:48,171 --> 00:20:50,073
[Dick panting]

312
00:20:50,173 --> 00:20:52,158
[Crane] You're mine now.

313
00:20:52,242 --> 00:20:54,377
And you are never
going to escape.

314
00:20:57,380 --> 00:20:58,548
[straining]

315
00:21:04,187 --> 00:21:05,421
I don't want this.

316
00:21:05,522 --> 00:21:07,690
[dramatic music intensifying]

317
00:21:11,160 --> 00:21:12,762
[triumphant music playing]

318
00:21:21,938 --> 00:21:23,339
[boy laughing]

319
00:21:32,382 --> 00:21:34,117
[serene music playing]

320
00:21:40,523 --> 00:21:41,523
Dad!

321
00:22:01,077 --> 00:22:02,211
Dad, I'm sorry.

322
00:22:03,646 --> 00:22:04,714
I lost my way.

323
00:22:07,784 --> 00:22:09,485
I was trying to be
someone I'm not.

324
00:22:11,988 --> 00:22:13,423
And I failed you.

325
00:22:16,426 --> 00:22:17,560
It's okay, son.

326
00:22:20,897 --> 00:22:21,931
I love you.

327
00:22:45,455 --> 00:22:46,522
[girl] Daddy, come here.

328
00:23:31,668 --> 00:23:32,702

Hi, Daddy.

329

00:23:37,540 --> 00:23:39,075

[Crane reciting]

"What huge imago made

330

00:23:41,210 --> 00:23:42,745

A psychopathic god:

331

00:23:54,023 --> 00:23:55,758

I and the public know

332

00:23:55,858 --> 00:23:58,394

What all schoolchildren learn

333

00:23:58,494 --> 00:24:00,596

Those to whom evil is done

334

00:24:00,697 --> 00:24:02,598

Do evil in return."

335

00:24:07,070 --> 00:24:11,541

[suspenseful music playing]

336

00:24:14,210 --> 00:24:15,278

Jason.

337

00:24:15,378 --> 00:24:16,546

[gasping]

338

00:24:18,681 --> 00:24:20,416

Your father wasn't
the only one you failed.

339

00:24:20,516 --> 00:24:21,951

You failed Jason

as well.

340
00:24:22,051 --> 00:24:22,868
There's still time.

341
00:24:22,952 --> 00:24:24,120
Time for what?

342
00:24:24,220 --> 00:24:25,788
- Time to change him.
- To change? No.

343
00:24:25,888 --> 00:24:27,506
No, no, no.
He works for me now.

344
00:24:27,590 --> 00:24:29,459
All it took was a simple
fear treaty.

345
00:24:29,559 --> 00:24:32,128
And poof!
His soul was mine.

346
00:24:32,228 --> 00:24:33,345
I can stop you.

347
00:24:33,429 --> 00:24:34,764
No, you can never
stop me now.

348
00:24:34,864 --> 00:24:37,066
You had your chance
and you failed.

349
00:24:41,738 --> 00:24:43,239
[triumphant music playing]

350
00:24:48,077 --> 00:24:49,078
[gasps]

351
00:24:52,582 --> 00:24:54,050
[coughing]

352
00:24:55,418 --> 00:24:56,452
Dick.

353
00:25:06,763 --> 00:25:08,580
- [Krypto barks]
- [gasps]

354
00:25:08,664 --> 00:25:12,301
Hey, why are you
in here, huh?

355
00:25:12,401 --> 00:25:14,303
Why? You got a leash law?

356
00:25:15,104 --> 00:25:16,639
Oh, my God.

357
00:25:16,739 --> 00:25:19,008
I'm dreaming.
You're Superboy.

358
00:25:19,108 --> 00:25:20,176
And you're an asshole.

359
00:25:20,276 --> 00:25:22,812
What? Wait.
What are you doing?

360
00:25:22,912 --> 00:25:25,181

That's up to my girlfriend.

361

00:25:25,281 --> 00:25:26,916

Is it okay if I call you
my girlfriend?

362

00:25:28,117 --> 00:25:29,152

You better.

363

00:25:33,956 --> 00:25:37,026

Uh, hi, Blackfire.

364

00:25:37,126 --> 00:25:39,111

Well, it is... it is
so great to see you.

365

00:25:39,195 --> 00:25:42,448

And how cool that you two
are a couple, right?

366

00:25:42,532 --> 00:25:44,416

Man, I love when
people find love.

367

00:25:44,500 --> 00:25:47,870

I see you're still hard at work
doing the government's ill deeds.

368

00:25:47,970 --> 00:25:49,806

I prefer to call it research.

369

00:25:51,674 --> 00:25:52,708

[gasps]

370

00:25:54,811 --> 00:25:56,428

You have firepower now.

371
00:25:56,512 --> 00:25:58,714
- That is very...
- Hot.

372
00:25:58,815 --> 00:26:02,018
Look, I understand you have
some unresolved feelings,

373
00:26:02,118 --> 00:26:06,138
but... if I could ask,
very politely,

374
00:26:06,222 --> 00:26:07,773
that, if, maybe
you could refrain

375
00:26:07,857 --> 00:26:10,059
from destroying
government property.

376
00:26:10,159 --> 00:26:14,313
Hm. Good point. It's not
the stuff, that's the problem.

377
00:26:14,397 --> 00:26:15,398
It's the people.

378
00:26:16,632 --> 00:26:17,867
Please don't hurt me.

379
00:26:17,967 --> 00:26:19,084
You didn't care
when you were hurting me.

380
00:26:19,168 --> 00:26:20,403
Wait! Wait!

381
00:26:20,503 --> 00:26:21,737
I have something you want.

382
00:26:21,838 --> 00:26:23,539
- He's lying.
- No, no, no, no, I'm not.

383
00:26:23,639 --> 00:26:25,208
If you let me live,
I'll prove it.

384
00:26:27,810 --> 00:26:28,811
Prove it.

385
00:26:33,683 --> 00:26:34,884
Is that your ship?

386
00:26:35,885 --> 00:26:36,885
Yes.

387
00:26:38,421 --> 00:26:40,472
You told me
you destroyed it.

388
00:26:40,556 --> 00:26:42,641
Yeah, that was a tiny
white lie.

389
00:26:42,725 --> 00:26:44,843
We retrieved it
so we could study.

390
00:26:44,927 --> 00:26:47,096
But, uh, in light
of recent events

391

00:26:47,196 --> 00:26:49,599
and in exchange for
my physical well-being,

392

00:26:49,699 --> 00:26:52,902
I would love
to return it to you.

393

00:26:53,002 --> 00:26:55,671
And I'll even nix
the storage fee.

394

00:26:56,439 --> 00:26:57,573
That was a joke.

395

00:26:57,673 --> 00:26:58,953
[Blackfire]
I have no use for it.

396

00:27:00,076 --> 00:27:02,712
What do you mean?
It's your only way home.

397

00:27:04,046 --> 00:27:05,615
Why would I want
to return home

398

00:27:05,715 --> 00:27:08,117
to a planet where
everyone hates me?

399

00:27:08,217 --> 00:27:11,354
The people of Tamaran
treated me just like you did.

400

00:27:12,722 --> 00:27:13,756
And they were wrong.

401
00:27:17,226 --> 00:27:18,794
We were all wrong.

402
00:27:18,895 --> 00:27:20,129
How did you find me?

403
00:27:20,229 --> 00:27:22,714
You said you had
unfinished business.

404
00:27:22,798 --> 00:27:24,934
Figured this was the first
place you'd go.

405
00:27:25,034 --> 00:27:26,369
If you're here to kill me...

406
00:27:27,470 --> 00:27:29,205
I'm happy to meet
the challenge.

407
00:27:30,873 --> 00:27:32,241
I'm not here to kill anyone.

408
00:27:35,444 --> 00:27:36,545
But we need to talk.

409
00:27:39,415 --> 00:27:40,415
[gasps]

410
00:27:45,755 --> 00:27:46,538
Rachel.

411
00:27:46,622 --> 00:27:47,906
[breathing heavily]

412
00:27:47,990 --> 00:27:48,824
Gar.

413
00:27:48,925 --> 00:27:50,293
It's okay now, you're safe.

414
00:27:50,927 --> 00:27:52,161
Let us help you.

415
00:27:52,261 --> 00:27:53,879
Are you all right?

416
00:27:53,963 --> 00:27:55,564
What... what happened
down there?

417
00:27:59,402 --> 00:28:01,170
Crane can be stopped.

418
00:28:01,270 --> 00:28:02,387
There's still time.

419
00:28:02,471 --> 00:28:04,890
Wait, Dick,
you need to rest, man.

420
00:28:04,974 --> 00:28:07,559
Anton and First Street, there's
an abandoned control room.

421
00:28:07,643 --> 00:28:09,312
Find Conner.
Make sure he is okay.

422
00:28:10,112 --> 00:28:11,563
Unite the Titans.

423

00:28:11,647 --> 00:28:12,949
Unite the Titans where?

424

00:28:13,983 --> 00:28:15,084
Take them to Donna.

425

00:28:16,752 --> 00:28:18,120
Did he just say Donna?

426

00:28:20,756 --> 00:28:22,374
Apparently they haven't
secured the Kane Bridge,

427

00:28:22,458 --> 00:28:23,742
or the Tenth Street tunnel,

428

00:28:23,826 --> 00:28:25,586
so those are our best routes
out of the city.

429

00:28:27,363 --> 00:28:29,665
You wanna get my family
out of Gotham? Fine.

430

00:28:29,765 --> 00:28:31,250
But I'm staying
with you to fight.

431

00:28:31,334 --> 00:28:33,869
- This isn't a debate.
- And you're not my mother.

432

00:28:33,970 --> 00:28:36,872
No, but she's right there. Do
you see that look on her face?

433

00:28:36,973 --> 00:28:39,008

She can't lose
her only son.

434

00:28:39,108 --> 00:28:40,459

So if you give
one shit about her,

435

00:28:40,543 --> 00:28:42,227

you'll stop being yammering
and do as I say.

436

00:28:42,311 --> 00:28:43,629

I didn't make it
across that bridge

437

00:28:43,713 --> 00:28:45,381

to come back
and be a coward.

438

00:28:45,481 --> 00:28:48,017

You made it across that bridge
because Hank made a sacrifice.

439

00:28:48,117 --> 00:28:51,387

He put your life before his
because that's what a true hero does.

440

00:28:52,488 --> 00:28:53,939

You wanna be a hero?

441

00:28:54,023 --> 00:28:56,308

Save your mom's life,
and fucking live.

442

00:28:56,392 --> 00:28:57,526

Get in the damn truck.

443
00:29:03,199 --> 00:29:04,900
Classic Gotham bullshit.

444
00:29:06,902 --> 00:29:07,970
All my life...

445
00:29:09,839 --> 00:29:11,374
this feeling like
I was more...

446
00:29:12,508 --> 00:29:13,976
that I was meant
to be a queen.

447
00:29:15,211 --> 00:29:16,211
You are.

448
00:29:17,747 --> 00:29:19,048
It's your destiny.

449
00:29:20,216 --> 00:29:21,536
[Blackfire] And you
had no idea...

450
00:29:23,853 --> 00:29:25,888
- this entire time?
- No.

451
00:29:26,856 --> 00:29:28,391
The visions led me to it.

452
00:29:30,893 --> 00:29:32,928
I wish it weren't true.

453
00:29:33,029 --> 00:29:34,269

[Blackfire]
It's not your fault.

454
00:29:35,398 --> 00:29:36,665
Our parents did this.

455
00:29:39,035 --> 00:29:40,069
They lied...

456
00:29:41,604 --> 00:29:42,671
to both of us.

457
00:29:47,877 --> 00:29:51,914
But a queen's power lies not in
shedding tears over battles lost.

458
00:29:54,050 --> 00:29:55,384
I finally know my truth.

459
00:29:57,086 --> 00:29:59,338
Now I want my throne.

460
00:29:59,422 --> 00:30:02,007
How long will it take
to prepare my ship to Tamaran?

461
00:30:02,091 --> 00:30:03,092
You wanna go back?

462
00:30:04,226 --> 00:30:05,877
Uh, actually,

463
00:30:05,961 --> 00:30:10,466
about that one small thing
about your ship, Your Majesty...

464

00:30:10,566 --> 00:30:12,468
Is that what they call
queens on Tamaran?

465

00:30:12,568 --> 00:30:15,153
- Is there a different term or...
- On with it. What about my ship?

466

00:30:15,237 --> 00:30:18,523
Uh, in studying its unique
and powerful fuel orb,

467

00:30:18,607 --> 00:30:23,612
my research team, uh,
accidentally... destroyed it.

468

00:30:23,712 --> 00:30:25,530
Well, we'll mine some more.

469

00:30:25,614 --> 00:30:27,199
[Starfire] It's not
that simple.

470

00:30:27,283 --> 00:30:28,734
The ore is plentiful
on Tamaran

471

00:30:28,818 --> 00:30:30,569
but it doesn't exist here
on Earth.

472

00:30:30,653 --> 00:30:33,405
Yeah. We mined what's
most comparable, but to...

473

00:30:33,489 --> 00:30:37,376
develop that into the purified
compound that your ship needs...

474

00:30:37,460 --> 00:30:40,162
Well, that takes the kind of
intense heat and pressure

475

00:30:40,262 --> 00:30:41,997
that's only achievable
at the Earth's core

476

00:30:42,098 --> 00:30:44,967
and applied over
several centuries.

477

00:30:45,067 --> 00:30:46,585
We don't need any of that.

478

00:30:46,669 --> 00:30:47,736
We have Superboy.

479

00:30:48,938 --> 00:30:49,972
Can we, uh...

480

00:30:50,840 --> 00:30:51,907
Can we talk?

481

00:30:55,144 --> 00:30:56,846
Why are you doing this?

482

00:30:56,946 --> 00:30:59,648
You know Kryptonians
can't survive on Tamaran.

483

00:30:59,748 --> 00:31:01,266
And why do you even
wanna go back?

484

00:31:01,350 --> 00:31:03,001
You said it yourself,
they never appreciated you.

485

00:31:03,085 --> 00:31:04,320
But now it's different.

486

00:31:05,321 --> 00:31:06,655
Now, I'm their queen.

487

00:31:06,755 --> 00:31:09,191
[scoffs] So you need to be
a queen to matter?

488

00:31:11,193 --> 00:31:13,095
You mattered to me
from the moment I saw you.

489

00:31:17,299 --> 00:31:18,334
Komand'r.

490

00:31:21,804 --> 00:31:23,005
Stay here with me.

491

00:31:24,473 --> 00:31:26,008
To hell with everyone else.

492

00:31:31,714 --> 00:31:32,948
I wish I could.

493

00:31:35,151 --> 00:31:36,685
- But it's not that simple.
- [sighs]

494

00:31:40,022 --> 00:31:42,224
So you're just like
the rest of them.

495

00:31:42,324 --> 00:31:43,975
You promise one thing,
and then change the rules.

496

00:31:44,059 --> 00:31:46,195
I meant what I said about
wanting us to be together.

497

00:31:48,797 --> 00:31:50,299
But ever since I was a girl...

498

00:31:52,034 --> 00:31:54,453
there's been
a voice inside me,

499

00:31:54,537 --> 00:31:56,788
that says that
I am meant to be more

500

00:31:56,872 --> 00:31:58,674
than what others
make me out to be.

501

00:32:01,310 --> 00:32:02,645
Now I finally know...

502

00:32:05,214 --> 00:32:07,316
that voice was telling me
who I really am.

503

00:32:10,719 --> 00:32:12,488
If I don't go back
to Tamaran...

504

00:32:16,425 --> 00:32:17,493
I won't be whole.

505

00:32:19,195 --> 00:32:20,896
And if I don't go back now...

506

00:32:28,070 --> 00:32:29,338
I never will.

507

00:32:42,051 --> 00:32:44,286
- I know it's a lot to ask.
- [sighs]

508

00:32:48,891 --> 00:32:53,362
But please...
will you help me?

509

00:33:01,604 --> 00:33:02,771
[Gar] Conner?

510

00:33:05,574 --> 00:33:06,742
Conner?

511

00:33:07,610 --> 00:33:08,811
[Rachel] Hey, over here.

512

00:33:25,561 --> 00:33:27,463
- What is that?
- Kryptonite.

513

00:33:28,264 --> 00:33:29,965
So, Conner was here.

514

00:33:31,333 --> 00:33:32,668
What the hell happened?

515

00:33:33,569 --> 00:33:34,970
Where did he go?

516

00:33:35,070 --> 00:33:36,672
[static crackles]

517

00:33:36,772 --> 00:33:38,007
[Tim over radio] ...location.

518

00:33:38,107 --> 00:33:39,891
[Gar] Huh, something in here
still works?

519

00:33:39,975 --> 00:33:42,427
[Tim over radio] ...89th
Street and Keane Avenue.

520

00:33:42,511 --> 00:33:44,729
Do not come to this location.

521

00:33:44,813 --> 00:33:46,482
Resistance no longer secure.

522

00:33:46,582 --> 00:33:49,018
Repeat. We are
no longer secure.

523

00:33:49,118 --> 00:33:52,354
- Titan on site leading the evacuation.
- "Titan on site."

524

00:34:20,049 --> 00:34:21,517
Don't even think about it.

525

00:34:25,187 --> 00:34:27,307
- I'm staying here to fight.
- [sighs in exasperation]

526

00:34:28,991 --> 00:34:31,894
And don't tell me I need
to do this for my family.

527
