

TITANS

CREATED BY

Greg Berlanti | Akiva Goldsman | Geoff Johns

EPISODE 3.13

"Purple Rain"

The Titans must put past grievances aside to protect their city as an unhinged Crane reveals his maniacal endgame.

Joshua Orpin	...	Conner Kent / Superboy
Damaris Lewis	...	Komand'r / Blackfire
Savannah Welch	...	Barbara Gordon
Vincent Kartheiser	...	Jonathan Crane / Scarecrow
Iain Glen	...	Bruce Wayne
Jay Lycurgo	...	Tim Drake
Karen Robinson	...	Vee
Greg Bryk	...	Fletcher
Vinson Tran	...	Stephen Chen
Ryan Allen	...	Jack Drake
Chantria Tram	...	Janet Drake
Kris Siddiqi	...	Dr. Artie Kind
Benedict Campbell	...	W.H. Auden (voice)
Nate Colitto	...	Cop
Kenzie Delo	...	GCPD Cop #1
Phi Huynh	...	GCPD Commando

1

00:00:13,046 --> 00:00:15,215

[man over PA]

"I sit in one of the dives

2

00:00:15,315 --> 00:00:20,387

On Fifty-second Street,

Uncertain and afraid,

3

00:00:20,487 --> 00:00:25,492

As the clever hopes expire

Of a low dishonest decade

4

00:00:26,893 --> 00:00:29,162

Waves of anger and fear

5

00:00:29,229 --> 00:00:31,064

Circulate over the bright

6

00:00:31,164 --> 00:00:33,767

And darkened lands of the earth

7

00:00:33,867 --> 00:00:37,437

Obsessing our private lives

8

00:00:37,537 --> 00:00:43,943

The unmentionable odor of death

Offends the September night

9

00:00:44,044 --> 00:00:46,112

Accurate scholarship can

Unearth..."

10

00:00:46,212 --> 00:00:47,947

-Computer...

-[beeping]

11

00:00:48,048 --> 00:00:49,616
-...stop poem.
-[poem stops]

12
00:00:49,716 --> 00:00:51,251
Call Fletcher.

13
00:00:52,919 --> 00:00:54,120
Yes, Doctor.

14
00:00:54,220 --> 00:00:55,622
[Crane] I've had
a change of heart.

15
00:00:55,722 --> 00:00:57,457
As satisfying
as it would be to see

16
00:00:57,557 --> 00:00:58,958
Barbara Gordon's reaction
to our little presentation,

17
00:00:59,059 --> 00:01:02,595
I realize now I don't need
an audience.

18
00:01:02,695 --> 00:01:06,533
But I know that her fate is
very much of interest to you.

19
00:01:06,599 --> 00:01:09,803
So... I give her to you.

20
00:01:09,903 --> 00:01:14,140
She's yours to do with
as you please. Have at it!

21

00:01:14,240 --> 00:01:15,809
-Consider it done.
-Good.

22
00:01:15,909 --> 00:01:18,144
And Doctor,
the security cameras
at the armory

23
00:01:18,244 --> 00:01:21,381
caught your friend, Red Hood.
He was with Dick Grayson.

24
00:01:22,449 --> 00:01:23,416
That's excellent.

25
00:01:24,284 --> 00:01:25,218
It's good.

26
00:01:26,052 --> 00:01:27,887
It's very good. Okay.

27
00:01:27,954 --> 00:01:29,823
It seems he found his way back,

28
00:01:29,923 --> 00:01:31,558
and he's received
my little gift.

29
00:01:33,126 --> 00:01:34,094
Good work.

30
00:01:35,095 --> 00:01:36,496
-Computer.
-[beep]

31
00:01:36,596 --> 00:01:38,164

Activate the charges.

32

00:01:38,264 --> 00:01:39,432
[computer] Confirmed.

33

00:01:39,499 --> 00:01:40,834
Prepare for the beginning
of the end.

34

00:01:40,934 --> 00:01:42,135
[computer beeping]

35

00:01:44,170 --> 00:01:47,340
Gentlemen, I can't begin
to tell you the number of ways

36

00:01:47,440 --> 00:01:50,777
this is a bad idea.
Actually, no, I can.

37

00:01:50,844 --> 00:01:53,313
Commissioner Gordon is
still your commander

38

00:01:53,413 --> 00:01:55,682
and any attempt
to harm her will

39

00:01:55,782 --> 00:01:57,450
come back
to bite you in the ass.

40

00:01:57,517 --> 00:02:01,321
And that's if she doesn't
take care of you herself.

41

00:02:01,421 --> 00:02:03,323

You do realize she's armed?

42

00:02:05,959 --> 00:02:07,127
Last chance.

43

00:02:10,263 --> 00:02:11,197
Okay.

44

00:02:21,641 --> 00:02:23,810
It's not personal. Just orders.

45

00:02:23,877 --> 00:02:26,012
I was really hoping
you wouldn't say that.

46

00:02:27,147 --> 00:02:29,616
[elevator rumbling]

47

00:02:34,454 --> 00:02:35,788
[elevator dings]

48

00:02:38,391 --> 00:02:39,893
[Vee] You need
to put that thing down

49

00:02:39,993 --> 00:02:41,561
or we're going
to have a problem.

50

00:02:48,334 --> 00:02:50,203
Are you ready to get to work?

51

00:02:52,639 --> 00:02:54,040
The main building is secured,

52

00:02:54,140 --> 00:02:56,309

but there are still
rogue GCPD units

53

00:02:56,376 --> 00:02:57,911
out in the city,

54

00:02:58,011 --> 00:02:59,879
Secured by whom?

55

00:03:01,014 --> 00:03:03,349
Okay, full disclosure.

56

00:03:04,551 --> 00:03:06,319
I don't really work for GCPD.

57

00:03:06,386 --> 00:03:09,422
Yeah, I use the gym
and the Costco discount,

58

00:03:09,522 --> 00:03:13,159
but I was actually sent here
by A.R.G.U.S.

59

00:03:13,226 --> 00:03:15,094
to monitor
suspicious super activity.

60

00:03:15,195 --> 00:03:16,763
after Ra's Al Ghul started

61

00:03:16,863 --> 00:03:19,065
poking his nose
around these parts.

62

00:03:19,165 --> 00:03:21,367
A.R.G.U.S.
Like Roy Harper A.R.G.U.S.?

63

00:03:21,434 --> 00:03:23,570
The one and only.

64

00:03:23,670 --> 00:03:25,772
Oh, he sends his regards,
by the way.

65

00:03:25,872 --> 00:03:28,041
Is Vee even your real name?

66

00:03:28,107 --> 00:03:30,677
Depends. Do you like it?

67

00:03:30,743 --> 00:03:33,046
-It suits you.
-Okay.

68

00:03:33,112 --> 00:03:34,581
Then, we'll keep it.

69

00:03:34,681 --> 00:03:36,349
I have other news.

70

00:03:36,416 --> 00:03:39,586
We suspect
that Ra's Al Ghul was here

71

00:03:39,686 --> 00:03:41,087
to place a Lazarus Pit

72

00:03:41,187 --> 00:03:43,556
as a first step
in a larger plan.

73

00:03:43,623 --> 00:03:47,393

And we believe that Crane used
it to resurrect Jason Todd.

74

00:03:49,429 --> 00:03:50,563
There's more.

75

00:03:50,630 --> 00:03:53,199
It's a good thing
you're sitting down.

76

00:03:53,266 --> 00:03:54,701
Why?

77

00:03:54,767 --> 00:03:56,436
Dick Grayson is alive.

78

00:03:58,471 --> 00:03:59,606
What?

79

00:03:59,706 --> 00:04:02,041
His Titan friends took him
to the Pit

80

00:04:02,108 --> 00:04:04,577
and he came out alive.

81

00:04:04,644 --> 00:04:07,547
Now, we're not sure
what they're doing yet,

82

00:04:07,614 --> 00:04:09,148
but we're using
the A.R.G.U.S. satellite

83

00:04:09,249 --> 00:04:11,284
to try and track
the Titans right now.

84

00:04:12,952 --> 00:04:14,053
Okay.

85

00:04:14,120 --> 00:04:15,421
Time to save Gotham.

86

00:04:16,389 --> 00:04:17,924
[door opens]

87

00:04:24,597 --> 00:04:27,900
I took the liberty of making
a few staffing changes.

88

00:04:29,469 --> 00:04:31,471
HR is going to be pissed.

89

00:04:47,320 --> 00:04:48,254
On your three!

90

00:04:54,694 --> 00:04:56,629
Where the hell
did you learn how to do that?

91

00:04:56,696 --> 00:04:57,864
YouTube.

92

00:04:57,964 --> 00:04:59,198
Uh, Donna.

93

00:05:01,534 --> 00:05:02,702
[gunfire]

94

00:05:07,006 --> 00:05:08,808
Go back with your family,
I'll deal with them.

95
00:05:08,875 --> 00:05:10,043
-You can't--
-Go!

96
00:05:11,978 --> 00:05:13,279
[gunfire continues]

97
00:05:15,648 --> 00:05:17,150
[commando grunting]

98
00:05:17,216 --> 00:05:18,651
[commando] Get
this thing off of me!

99
00:05:22,221 --> 00:05:23,823
[commando screaming]

100
00:05:26,392 --> 00:05:28,027
[screaming]

101
00:05:37,670 --> 00:05:38,805
[snarling and roaring]

102
00:05:39,972 --> 00:05:40,973
[roaring]

103
00:05:46,145 --> 00:05:48,181
[police siren wailing
in the distance]

104
00:05:52,985 --> 00:05:54,087
Why don't you get out
of that fur suit

105
00:05:54,187 --> 00:05:55,254

and come say hi?

106

00:05:57,590 --> 00:06:00,259
Jeez, you look good
for someone who's undead.

107

00:06:00,360 --> 00:06:02,929
Oh, that's sweet.

108

00:06:03,029 --> 00:06:06,099
Hey, look. Lydia told me
that you held vigil for me.

109

00:06:06,199 --> 00:06:07,700
I really appreciate that.

110

00:06:07,767 --> 00:06:09,569
Well, it probably did more
for me than it did for you,

111

00:06:09,669 --> 00:06:11,738
but, hey, I tried.

112

00:06:11,838 --> 00:06:13,506
Funny how that works, huh?

113

00:06:14,507 --> 00:06:15,608
Hey, kiddo.

114

00:06:15,708 --> 00:06:17,276
If it ain't Wonder Girl,
the sequel?

115

00:06:20,179 --> 00:06:22,415
We have to go.
Dick sent us to find you.

116
00:06:22,515 --> 00:06:24,617
There's something going down
with Crane.

117
00:06:24,717 --> 00:06:26,252
[siren wailing in distance]

118
00:06:26,352 --> 00:06:28,054
I think we're going to need
a minute.

119
00:06:28,121 --> 00:06:30,289
Bro. Impressive.

120
00:06:30,390 --> 00:06:31,858
Seriously.

121
00:06:31,924 --> 00:06:33,092
I didn't know
you had it in you.

122
00:06:33,192 --> 00:06:34,961
Neither did I.

123
00:06:35,061 --> 00:06:36,295
[Jack] We better get moving.

124
00:06:36,396 --> 00:06:37,530
You need to say goodbye
to your friends?

125
00:06:40,700 --> 00:06:41,601
I'm good.

126
00:06:42,802 --> 00:06:43,770
Let's go.

127
00:06:47,206 --> 00:06:48,374
You need to stay.

128
00:06:49,642 --> 00:06:51,277
This is where you belong.

129
00:06:51,377 --> 00:06:53,913
We need you,
but Gotham needs you more.

130
00:06:54,881 --> 00:06:55,815
She's right.

131
00:06:57,083 --> 00:06:58,050
We'll be fine.

132
00:07:01,988 --> 00:07:03,122
Do us proud.

133
00:07:06,659 --> 00:07:07,493
I will.

134
00:07:31,117 --> 00:07:32,185
Called it.

135
00:07:42,161 --> 00:07:43,796
[coughing]

136
00:07:46,032 --> 00:07:47,700
[Starfire] You did this?

137
00:07:47,800 --> 00:07:49,135
-I didn't mean to.
-You didn't mean to what?

138
00:07:49,202 --> 00:07:51,838
Blow up her ship?
Her only way back home?

139
00:07:52,972 --> 00:07:54,874
You know what
cowards hide behind?

140
00:07:55,608 --> 00:07:57,143
Intentions.

141
00:07:57,210 --> 00:07:59,879
I'm sick of people telling me
what they didn't mean to do

142
00:07:59,979 --> 00:08:01,147
after they did it!

143
00:08:01,214 --> 00:08:02,949
[barking]

144
00:08:03,015 --> 00:08:05,351
-I'm sorry.
-Sorry's not enough!

145
00:08:05,451 --> 00:08:06,285
Starfire.

146
00:08:08,955 --> 00:08:10,556
I don't blame him.

147
00:08:10,656 --> 00:08:11,891
[Starfire] Excuse me?

148
00:08:11,991 --> 00:08:14,126
Did he not just blow up

your ship?

149

00:08:14,193 --> 00:08:16,462
Yes, he acted selfishly.

150

00:08:16,529 --> 00:08:19,232
And I would have done
the same thing if I were him.

151

00:08:19,332 --> 00:08:22,168
Some of us have to fight
for what we get.

152

00:08:23,336 --> 00:08:24,904
And do stupid things along
the way.

153

00:08:26,906 --> 00:08:28,708
After everything
we've gone through,

154

00:08:28,808 --> 00:08:30,309
you're just going
to forgive this?

155

00:08:30,376 --> 00:08:33,412
I don't know what I'm gonna do,
but whatever it is,

156

00:08:33,513 --> 00:08:35,915
it sure as shit is not going
to bring my ship back.

157

00:08:36,015 --> 00:08:37,650
[clears throat]
On a purely technical level,

158

00:08:37,717 --> 00:08:39,018
I can confirm that.

159
00:08:39,085 --> 00:08:40,052
Not now.

160
00:08:41,487 --> 00:08:42,355
You know what?

161
00:08:44,056 --> 00:08:45,725
I'm done with this bullshit.

162
00:08:48,761 --> 00:08:50,663
[over comm] Starfire, this is
Commissioner Gordon.

163
00:08:50,730 --> 00:08:51,764
Can you hear me?

164
00:08:51,864 --> 00:08:52,832
Barbara?

165
00:08:55,935 --> 00:08:57,770
One poem, multiple bombs.

166
00:08:57,870 --> 00:09:00,606
Clues to where the bombs are
are placed in the poem.

167
00:09:00,706 --> 00:09:02,008
What's the plan?

168
00:09:02,074 --> 00:09:04,710
Find some supers and stop
the bombs from going off.

169

00:09:05,545 --> 00:09:06,946
Titans?

170

00:09:07,046 --> 00:09:08,781
What are they gonna do
when they see me?

171

00:09:09,715 --> 00:09:10,783
They're not.

172

Purple rain.

525
00:32:56,808 --> 00:32:59,344
[baby crying]

526
00:33:24,302 --> 00:33:25,336
Artie?

527
00:33:27,005 --> 00:33:28,873

I was driving around,
I was looking for you guys,

528

00:33:28,973 --> 00:33:31,676
but I just figured
that everything was okay-- Oh.

529

00:33:32,477 --> 00:33:33,711
Thanks.

530

00:33:33,811 --> 00:33:36,180
God, these things
are very stuffy.

531

00:33:36,247 --> 00:33:38,082
I came as soon as I got
your call.

532

00:33:38,182 --> 00:33:39,984
It's a brilliant plan.

533

00:33:40,051 --> 00:33:41,519
What are you doing here?

534

00:33:41,586 --> 00:33:44,989
I am here to make
this day amazing.

535

00:33:45,056 --> 00:33:47,258
What if I told you
that there was still a way

536

00:33:47,358 --> 00:33:49,327
to make your dreams come true?

537

00:33:49,394 --> 00:33:50,695
Who is this dude?

538

00:33:51,562 --> 00:33:52,697
You're Donna Troy!

539

00:33:54,098 --> 00:33:55,066
You're Raven!

540

00:33:55,166 --> 00:33:58,002
Oh, my God, this is...

541

00:33:58,069 --> 00:34:01,105
uh... you guys mind
if I get a selfie?

542

00:34:01,205 --> 00:34:04,342
Yeah. I told you this day was
going to be amazing!

543

00:34:05,076 --> 00:34:06,044
Get ready.

544

00:34:24,695 --> 00:34:25,630
[Bruce] Slow down.

545

00:34:43,147 --> 00:34:44,749
[indistinct chatter]

546

00:35:03,901 --> 00:35:05,069
Not exactly the welcome home

547

00:35:05,136 --> 00:35:07,138
I had planned for you.

548

00:35:07,238 --> 00:35:09,440
I'm lucky
to have a home at all.

549

00:35:09,507 --> 00:35:11,476
A lot of people had it
much worse.

550

00:35:17,081 --> 00:35:18,349
Do me a favor.

551

00:35:18,449 --> 00:35:20,318
Next time you decide
to leave town,

552

00:35:21,285 --> 00:35:22,487
don't.

553

00:35:23,988 --> 00:35:26,023
You did what I asked you to do.

554

00:35:27,158 --> 00:35:28,926
You saved Gotham City.

555

00:35:31,295 --> 00:35:33,264
I had help.

556

00:35:33,331 --> 00:35:35,800
-The Titans?
-And Barbara.

557

00:35:38,669 --> 00:35:41,005
You succeeded where I failed.

558

00:35:42,306 --> 00:35:43,808
I failed too, Bruce.

559

00:35:47,311 --> 00:35:48,946
But I got a second chance.

560
00:35:56,320 --> 00:35:57,288
[sighs]

561
00:36:10,835 --> 00:36:12,503
Coming here wasn't my idea.

562
00:36:17,842 --> 00:36:19,076
Can you forgive me?

563
00:36:21,879 --> 00:36:23,548
But you can't forgive me.

564
00:36:25,416 --> 00:36:27,051
There was a time
when that would have been true,

565
00:36:27,151 --> 00:36:28,352
Jason, but...

566
00:36:30,721 --> 00:36:34,692
we've all crossed lines,
starting with me.

567
00:36:34,759 --> 00:36:36,727
I did things
I can't come back from.

568
00:36:38,362 --> 00:36:39,597
Do you want to come back?

569
00:36:42,500 --> 00:36:43,401
Here?

570
00:36:47,772 --> 00:36:48,706
No.

571

00:36:51,209 --> 00:36:52,410
That life is over.

572

00:36:55,346 --> 00:36:56,881
What life is next?

573

00:36:57,682 --> 00:36:58,950
I don't know.

574

00:36:59,050 --> 00:37:01,586
The fear that you felt,

575

00:37:02,853 --> 00:37:05,189
I refused to see it,

576

00:37:05,256 --> 00:37:07,625
because it's something
that you and I share.

577

00:37:09,594 --> 00:37:11,462
It held sway over us.

578

00:37:13,130 --> 00:37:15,533
But fear is a bad mentor.

579

00:37:18,736 --> 00:37:21,706
I wish I'd had the strength
to help you face yours.

580

00:37:24,642 --> 00:37:26,110
When you killed the Joker,

581

00:37:27,144 --> 00:37:28,579
did you do that for me?

582

00:37:31,382 --> 00:37:33,317
Yes, I did.

583

00:37:35,586 --> 00:37:36,621
Thank you.

584

00:37:51,269 --> 00:37:52,903
[sighing deeply]

585

00:37:56,340 --> 00:37:57,608
Goodbye, son.

586

00:38:01,579 --> 00:38:04,015
This is the last place on Earth
I want to be right now.

587

00:38:04,115 --> 00:38:06,117
I promise it'll be worth it.

588

00:38:06,183 --> 00:38:07,518
Okay, everyone ready?

589

00:38:09,420 --> 00:38:10,988
Ta-da!

590

00:38:11,088 --> 00:38:12,089
[chuckles]

591

00:38:14,959 --> 00:38:16,193
I don't understand.

592

00:38:19,497 --> 00:38:21,432
How were you able to do this?

593

00:38:21,499 --> 00:38:25,369

Well, your friend here has
a hell of a memory.

594

00:38:25,469 --> 00:38:26,771
It's like a computer.

595

00:38:29,206 --> 00:38:30,708
So there's still a chance?

596

00:38:30,808 --> 00:38:32,610
It won't even take
that long to build.

597

00:38:32,677 --> 00:38:34,545
My 3-D printer can do
a lot of the little things,

598

00:38:34,645 --> 00:38:35,880
and, you know, there's always

599

00:38:35,980 --> 00:38:37,715
your preferred
online retail provider.

600

00:38:37,815 --> 00:38:39,183
It was the least I could do.

601

00:38:40,484 --> 00:38:43,387
What I did was pretty selfish.

602

00:38:43,487 --> 00:38:46,057
If you really want
to go back to Tamaran,

603

00:38:46,157 --> 00:38:48,159
I have no right to stop you.

604

00:38:48,225 --> 00:38:49,393
Thank you.

605

00:39:03,074 --> 00:39:05,009
Hi, Commissioner Gordon
called me.

606

00:39:05,076 --> 00:39:07,878
She said someone named Vee
was looking to see me.

607

00:39:07,978 --> 00:39:10,047
I did. Margarita Vee.

608

00:39:11,515 --> 00:39:14,352
I've had my eye on you
for quite a while now.

609

00:39:15,419 --> 00:39:17,188
-Thank you.
-[Vee chuckles]

610

00:39:17,254 --> 00:39:20,758
[Vee] Remember when you
and Starfire brought
down Shimmer?

611

00:39:20,858 --> 00:39:22,360
That file ended up on my desk.

612

00:39:22,426 --> 00:39:27,031
Closed case. We could
always use more of those.

613

00:39:27,098 --> 00:39:29,600
-You're with A.R.G.U.S.
-Uh-huh. And you're dead.

614

00:39:29,700 --> 00:39:31,102
Well, according
to our database.

615

00:39:31,202 --> 00:39:33,204
So, you can imagine my surprise

616

00:39:33,270 --> 00:39:35,740
when you showed up
in Gotham alive and kicking.

617

00:39:35,840 --> 00:39:38,943
-I'm full of surprises.
-Hmm.

618

00:39:39,043 --> 00:39:40,778
What are your plans
for your second life?

619

00:39:40,878 --> 00:39:45,049
Uh, spend less time
in mysterious conversations.

620

00:39:47,017 --> 00:39:48,386
I think I can remember that.

621

00:39:48,452 --> 00:39:50,621
[Vee] Oh, no. See,
this one's got a chip in it.

622

00:39:50,721 --> 00:39:51,789
You just hold it up
to your phone

623

00:39:51,889 --> 00:39:52,923
and it dials for you.

624
00:39:53,023 --> 00:39:55,226
Pretty cool.

625
00:39:55,292 --> 00:39:57,595
-Well, not my idea.
-[Donna smiles]

626
00:39:58,529 --> 00:39:59,797
You should give me a call.

627
00:40:07,605 --> 00:40:09,240
I thought maybe
you'd have a day or two off

628
00:40:09,306 --> 00:40:10,441
before jumping right back

629
00:40:10,541 --> 00:40:12,643
into rebuilding
the police force.

630
00:40:12,743 --> 00:40:14,211
What police force?

631
00:40:14,278 --> 00:40:15,446
Good point.

632
00:40:16,147 --> 00:40:17,415
So, now what?

633
00:40:17,481 --> 00:40:18,983
Well, since A.R.G.U.S is
already on the scene--

634
00:40:19,083 --> 00:40:20,418

Why not make the most of it?

635

00:40:20,484 --> 00:40:21,619

Why not?

636

00:40:22,620 --> 00:40:23,921

Have 'em stick around,

637

00:40:23,988 --> 00:40:25,990

help us build back

better than ever.

638

00:40:26,824 --> 00:40:27,992

-I like it.

-Oh.

639

00:40:28,092 --> 00:40:29,427

And the A.R.G.U.S Satellite is

640

00:40:29,493 --> 00:40:31,429

working to bring

Oracle back online.

641

00:40:31,495 --> 00:40:34,632

And if it can, I'm the only one
who can handle him.

642

00:40:34,732 --> 00:40:36,400

And what if he doesn't

forgive you for--

643

00:40:36,467 --> 00:40:37,835

Destroying him?

644

00:40:37,935 --> 00:40:39,336

Yeah.

645

00:40:39,437 --> 00:40:43,073
Well, what's a partnership
without a little conflict?

646

00:40:44,408 --> 00:40:45,609
True.

647

00:40:49,146 --> 00:40:50,915
Speaking of...

648

00:40:52,750 --> 00:40:54,585
do I need to worry
about Red Hood?

649

00:40:55,786 --> 00:40:58,022
No. He's leaving Gotham.

650

00:40:59,457 --> 00:41:00,958
How are the Titans taking it?

651

00:41:03,527 --> 00:41:04,862
Very differently.

652

00:41:04,962 --> 00:41:08,365
Gar always saw
the person behind the hood,

653

00:41:08,466 --> 00:41:11,001
and he knows how far Jason went
to helping us out in the end.

654

00:41:11,802 --> 00:41:13,170
And the others?

655

00:41:13,270 --> 00:41:15,105
-We'll see.

-Hmm.

656

00:41:15,840 --> 00:41:16,874
And you?

657

00:41:19,310 --> 00:41:21,212
We made our peace.

658

00:41:21,312 --> 00:41:22,313
Good.

659

00:41:24,849 --> 00:41:26,317
So you're heading out?

660

00:41:27,852 --> 00:41:29,453
You could always come with.

661

00:41:31,155 --> 00:41:33,023
You could always stay.

662

00:41:42,366 --> 00:41:45,402
Listen, Barb,
I wanted to stay...

663

00:41:45,503 --> 00:41:46,637
It's okay.

664

00:41:47,638 --> 00:41:49,039
I'll see you next time.

665

00:41:51,509 --> 00:41:52,676
See you next time.

666

00:41:55,913 --> 00:41:57,047
Hey, Dick.

667

00:42:01,519 --> 00:42:02,486
Thank you.

668

00:42:07,157 --> 00:42:08,058
Yeah.

669

00:42:10,661 --> 00:42:11,695
Thank you.

670

00:42:23,674 --> 00:42:25,609
You asked her to go
to San Francisco with you,
didn't you?

671

00:42:25,709 --> 00:42:27,711
-And she asked me to stay here.
-Mm.

672

00:42:27,778 --> 00:42:31,782
And yet here you are,
walking off alone, again.

673

00:42:31,882 --> 00:42:33,918
Never alone when you're around.

674

00:42:34,018 --> 00:42:35,853
So, we'll be seeing you
in San Francisco?

675

00:42:35,920 --> 00:42:37,221
Probably not.

676

00:42:37,288 --> 00:42:39,890
No, I think I'm headed
to Paris to see Dawn.

677

00:42:39,957 --> 00:42:42,393
I've got a message from Hank
I need to deliver.

678
00:42:42,459 --> 00:42:43,861
After that?

679
00:42:43,928 --> 00:42:47,565
You never know. There's always
more bad guys than good.

680
00:42:47,631 --> 00:42:51,235
Maybe I can figure a way
even out the odds a little.

681
00:42:51,302 --> 00:42:52,636
Congrats, by the way.

682
00:42:53,304 --> 00:42:54,305
For what?

683
00:42:54,405 --> 00:42:55,873
Finding Nightwing.

684
00:42:56,941 --> 00:42:58,475
Starting to.

685
00:42:58,576 --> 00:43:00,811
And all I had to do
to find him was die.

686
00:43:00,911 --> 00:43:02,046
[Donna chuckles]

687
00:43:02,112 --> 00:43:04,415
Now, I will say this.

688

00:43:04,481 --> 00:43:07,217
The one thing about dying
and coming back,

689

00:43:07,284 --> 00:43:09,486
it sure sets
your priorities straight.

690

00:43:12,590 --> 00:43:14,058
You want to come for a drive?

691

00:43:15,059 --> 00:43:16,327
Come on.

692

00:43:16,427 --> 00:43:18,596
["Just like Heaven"
by The Cure playing]

693

00:43:20,931 --> 00:43:22,633
[Kory] He said ten o'clock.

694

00:43:22,733 --> 00:43:25,169
-He did say ten, right?
-He said ten.

695

00:43:25,269 --> 00:43:26,804
He'll get here.

696

00:43:26,904 --> 00:43:28,405
Eventually.

697

00:43:28,472 --> 00:43:29,506
He always does.

698

00:43:33,811 --> 00:43:36,680
Hey, did someone order a bus?

699

00:43:36,780 --> 00:43:38,015
[vehicle approaching]

700

00:43:38,682 --> 00:43:40,084
[bus honks]

701

00:43:51,462 --> 00:43:53,964
Hey, Dick, uh, what is that?

702

00:43:54,932 --> 00:43:56,333
That's an RV.

703

00:43:56,433 --> 00:43:58,502
I figured it'd be way more fun
than taking Bruce's Jet.

704

00:44:01,472 --> 00:44:03,207
Why would that be a more fun?

705
