EPISODE 4.01

"Lex Luthor"

After Superman requests a meeting with Conner, the Titans travel to Metropolis for exclusive access to S.T.A.R. Labs. But when unexpected complications arise, including the re-emergence of Lex Luthor, Conner faces a tough decision.

What is it?

356
00:17:42,854 --> 00:17:44,523
That is Superman.

357
00:17:50,362 --> 00:17:51,362
Where is he going?

358

00:17:52,572 --> 00:17:55,992
He's headed to Q4 105BV.

359

00:17:56,076 --> 00:17:58,829
We've predicted the
collapse of a red dwarf star

360

00:17:58,912 --> 00:18:00,580
near a planet that
might hold life.

361

00:18:00,664 --> 00:18:04,626
When he gets there, he'll try
to counter-act the effects.

362

00:18:04,709 --> 00:18:06,795
Save an entire galaxy
from destruction.

363

00:18:12,133 --> 00:18:13,677
This is what we do.

364

00:18:13,760 --> 00:18:15,011
You'll meet him in person.

365

00:18:16,263 --> 00:18:17,263
Some day.

366

00:18:22,310 --> 00:18:23,310
This way, gentlemen.

367

00:18:37,033 --> 00:18:38,033
[grunts]

368

00:18:46,334 --> 00:18:47,334
Holy shit.

369
00:18:49,129 --> 00:18:51,047
Do we have to pay
for that? [sighs]

370
00:18:51,131 --> 00:18:53,091
No, we actually
needed it fragmented.

371
00:18:53,174 --> 00:18:55,010
This was way
cheaper than lasers.

372
00:18:55,093 --> 00:18:56,136
[sighs in relief]

373
00:18:56,219 --> 00:18:58,013
So, how'd I do?

374
00:18:58,096 --> 00:18:59,931
Well, considering
that was Perithium,

375
00:19:00,015 --> 00:19:02,517
the hardest substance
known to man,

376
00:19:02,601 --> 00:19:05,854
I'd say you did great.

377
00:19:05,937 --> 00:19:08,064
And you have no idea
what this power is

378
00:19:08,148 --> 00:19:09,399
or where it came from?

379

00:19:09,482 --> 00:19:10,692
Well... [sighs]

380
00:19:10,775 --> 00:19:12,611
Apparently, I was
born with it, but...

381
00:19:12,694 --> 00:19:14,446
I just discovered it last week.

382
00:19:14,529 --> 00:19:17,407
Okay. Well, we can try
to identify the nature

383
00:19:17,490 --> 00:19:19,284
of the energy source
you're drawing from.

384
00:19:20,160 --> 00:19:21,912
But I can tell you this.

385
00:19:21,995 --> 00:19:24,539
You've just barely
scratched the surface.

386
00:19:25,790 --> 00:19:29,210
Just now, you've used only 8.1%

387
00:19:29,294 --> 00:19:31,671
of your total estimated
kinetic output.

388
00:19:34,633 --> 00:19:35,693
All right, that's everyone.

389
00:19:35,717 --> 00:19:36,777
You sure you don't

want anything?

390

00:19:36,801 --> 00:19:38,053
No, I'm good.

391

00:19:38,136 --> 00:19:39,572
- All right, let's go.
- Hold on a second.

392

00:19:39,596 --> 00:19:41,097
- Here he is.
- Tim?

393

00:19:41,181 --> 00:19:42,724
When, uh, Mr. Grayson called us

394

00:19:42,807 --> 00:19:45,727
he asked that we design
something especially for you.

395

00:19:48,188 --> 00:19:49,188
[whispers] No.

396

00:19:50,607 --> 00:19:51,608
The Robin Suit?

397

00:19:53,443 --> 00:19:54,277
Yes!

398

00:19:54,361 --> 00:19:55,361
I knew it!

399

00:19:57,030 --> 00:19:58,490
Uh, no.

400

00:19:58,573 --> 00:20:01,034

- That's, uh... I'm sorry, it's not the Robin Suit.
- Huh?

401
00:20:02,118 --> 00:20:03,870
- It's not?
- Of course, not.

402
00:20:03,954 --> 00:20:05,914
Are you crazy? You've
been a Titan five minutes.

403
00:20:06,456 --> 00:20:07,582
Oh.

404
00:20:07,666 --> 00:20:09,066
Still something
pretty cool, though.

405
00:20:11,336 --> 00:20:12,336
This...

406
00:20:12,879 --> 00:20:14,130
is a rokushakubo.

407
00:20:17,384 --> 00:20:18,384
It's a Bo staff.

408
00:20:23,264 --> 00:20:25,141
But I don't know how
to use one of these.

409
00:20:25,767 --> 00:20:26,767
Yet.

410
00:20:27,394 --> 00:20:28,311
You're gonna teach me?

411
00:20:28,395 --> 00:20:29,395
Starting tomorrow.

412
00:20:33,441 --> 00:20:34,985
- Thank you.
- Of course.

413
00:20:35,068 --> 00:20:36,319
It's my pleasure.

414
00:20:36,403 --> 00:20:38,123
And, um, should you
ever have any questions,

415
00:20:39,406 --> 00:20:40,490
don't hesitate to ask.

416
00:20:42,117 --> 00:20:43,117
[Dick] Tim?

417
00:20:44,452 --> 00:20:46,538
[Bernard] One more thing.

418
00:20:46,621 --> 00:20:50,125
We did a quick retrofit of
your recreational vehicle

419
00:20:50,208 --> 00:20:51,710
while you were inside.

420
00:20:51,793 --> 00:20:52,793
I hope you don't mind.

421
00:21:05,265 --> 00:21:06,891
A gift from Bruce Wayne.

422
00:21:06,975 --> 00:21:09,394
Something about
saving Gotham city.

423
00:21:09,477 --> 00:21:11,021
This is ridiculous.

424
00:21:11,104 --> 00:21:12,689
Who is driving that thing?

425
00:21:12,772 --> 00:21:13,690
I am.

426
00:21:13,773 --> 00:21:15,150
Are we allowed to sit in it?

427
00:21:16,109 --> 00:21:17,360
[Dick] You are.

428
00:21:17,444 --> 00:21:19,004
Everyone else can
start a sign-up sheet.

429
00:21:19,779 --> 00:21:20,780
You can go first.

430
00:21:22,782 --> 00:21:23,782
Where do I sign?

431
00:21:24,701 --> 00:21:25,869
Whoo-hoo!

432
00:21:26,786 --> 00:21:27,871
[Dick] Hey!

433

00:21:27,954 --> 00:21:28,788
[Tim] Get in here!

434
00:21:28,872 --> 00:21:29,998
[faint laughter]

435
00:21:30,081 --> 00:21:31,458
[Dick] Get your
ass out of there.

436
00:21:31,541 --> 00:21:32,541
New kid.

437
00:21:35,086 --> 00:21:37,380
[man on tv] Happy rush
hour, Metropolitites.

438
00:21:37,464 --> 00:21:40,300
We've got traffic,
traffic and more traffic,

439
00:21:40,383 --> 00:21:43,762
with some big slow-downs for
you folks coming into town.

440
00:21:43,845 --> 00:21:46,890
The city is gearing up for
the big hero day parade

441
00:21:46,973 --> 00:21:47,973
and if you're planning...

442
00:21:48,016 --> 00:21:49,350
Hey, Conner.

443
00:21:49,434 --> 00:21:51,644
Can you take a picture

of me with the Bo staff?

444
00:21:51,728 --> 00:21:52,604
[chuckles] Sure.

445
00:21:52,687 --> 00:21:53,897
[Tim] Yes.

446
00:21:53,980 --> 00:21:54,980
All right.

447
00:21:58,068 --> 00:21:59,068
Nice.

448
00:22:02,072 --> 00:22:04,908
Uh, what's this for? A profile?

449
00:22:04,991 --> 00:22:06,618
Uh, nah. I just...

450
00:22:06,701 --> 00:22:08,578
I wanna send it to that guy.

451
00:22:08,661 --> 00:22:10,413
That guy? Who?

452
00:22:10,497 --> 00:22:13,750
Uh, Bernard. The
S.T.A.R. Labs dude.

453
00:22:13,833 --> 00:22:15,543
Oh, okay. Got it.

454
00:22:15,627 --> 00:22:18,588
I mean, come on, they
made this for me.

455
00:22:18,671 --> 00:22:19,871
I would like to say thank you.

456
00:22:19,923 --> 00:22:20,799
Yeah.

457
00:22:20,882 --> 00:22:21,882
Say thank you.

458
00:22:24,302 --> 00:22:26,429
- What?
- Your phone just died.

459
00:22:26,513 --> 00:22:27,555
But I just charged it.

460
00:22:27,639 --> 00:22:29,099
[electricity buzzing]

461
00:22:33,603 --> 00:22:35,146
[honking]

462
00:22:35,230 --> 00:22:36,606
What the hell's going on?

463
00:22:36,689 --> 00:22:37,732
[yelps and groans]

464
00:22:37,816 --> 00:22:38,834
- [Conner groans]
- [Rachel] Conner!

465
00:22:38,858 --> 00:22:40,527
[Conner groaning]

466
00:22:40,610 --> 00:22:41,736
[dog whines]

467
00:22:41,820 --> 00:22:43,238
[Rachel] Hey. Hey.
Conner? Conner?

468
00:22:43,321 --> 00:22:44,601
[Lex] Conner. This
is Lex Luthor.

469
00:22:45,907 --> 00:22:47,617
I know this might
seem a bit much,

470
00:22:47,700 --> 00:22:49,619
but how else was I
going to contact you?

471
00:22:50,620 --> 00:22:51,996
I'd like to meet in person.

472
00:22:54,374 --> 00:22:56,543
Come to LexCorp Tower
tonight at 8:00 p.m.

473
00:22:58,002 --> 00:22:59,087
What's going on?

474
00:22:59,170 --> 00:23:00,588
I'll expect to see you then.

475
00:23:00,672 --> 00:23:01,840
[groaning]

476
00:23:03,383 --> 00:23:04,527

- [electricity buzzing]
- [exhales]

477

00:23:04,551 --> 00:23:06,219

- Conner!

- [engine revs]

478

00:23:07,387 --> 00:23:08,596

[panting]

479

00:23:08,680 --> 00:23:10,014

Are you okay?

480

00:23:10,098 --> 00:23:11,516

- Yeah.

- What happened?

481

00:23:12,308 --> 00:23:13,768

[breathing heavily]

482

00:23:16,062 --> 00:23:17,730

We have to go back
to Metropolis.

483

00:23:20,233 --> 00:23:21,233

What?

484

00:23:24,863 --> 00:23:26,823

[Kory] All I'm saying
is, it's complicated.

485

00:23:27,657 --> 00:23:29,617

I mean, not really.

486

00:23:29,701 --> 00:23:32,453

He wants me to come to LexCorp
Tower tonight at 8:00 p.m.

487

00:23:32,537 --> 00:23:34,622
Look, we're talking
about Lex Luthor here.

488

00:23:34,706 --> 00:23:37,333
He's the only man Bruce
Wayne was ever afraid of.

489

00:23:37,417 --> 00:23:39,252
Superman's not afraid of him.

490

00:23:39,335 --> 00:23:40,170
Neither am I.

491

00:23:40,253 --> 00:23:41,588
You should be.

492

00:23:41,671 --> 00:23:43,357
He spent the last 40 years
trying to kill Superman.

493

00:23:43,381 --> 00:23:44,549
He tried to kill you, too.

494

00:23:44,632 --> 00:23:45,675
[Conner] He failed.

495

00:23:45,758 --> 00:23:46,758
He's just a man.

496

00:23:47,886 --> 00:23:49,387
He doesn't have superpowers.

497

00:23:50,805 --> 00:23:51,639
Not all of us do.

498

00:23:51,723 --> 00:23:53,016
[Conner] Dick.

499

00:23:53,099 --> 00:23:55,018
The whole reason we
came to Metropolis

500

00:23:55,101 --> 00:23:57,353
was so that I could
meet one of my parents.

501

00:23:57,437 --> 00:24:00,732
Okay, so it wasn't
the one that I wanted.

502

00:24:00,815 --> 00:24:02,692
Am I supposed to
just ignore him?

503

00:24:03,776 --> 00:24:04,776
Walk away?

504

00:24:05,737 --> 00:24:07,280
No.

505

00:24:07,363 --> 00:24:08,740
You deserve to
know your parents.

506

00:24:09,741 --> 00:24:11,618
Everyone does.

507

00:24:11,701 --> 00:24:14,579
It's just Lex Luthor never shows his
cards. We don't know what he wants.

508

00:24:15,997 --> 00:24:17,415
Then maybe we should find out.

509

00:24:19,083 --> 00:24:20,585
I mean, if he is up to something

510

00:24:20,668 --> 00:24:22,128
isn't it better that we know?

511

00:24:22,212 --> 00:24:23,713
The man's a psychopath.

512

00:24:23,796 --> 00:24:25,996
I know. You won't get any
argument from me there, but...

513

00:24:27,133 --> 00:24:29,052
ultimately, it's
not our decision.

514

00:24:30,386 --> 00:24:31,386
It's Conner's.

515

00:24:35,934 --> 00:24:36,934
I wanna meet him.

516

00:24:38,728 --> 00:24:40,188
Okay.

517

00:24:40,271 --> 00:24:42,690
I don't like it, but if it's
gonna happen, Kory's right.

518

00:24:42,774 --> 00:24:44,859
We should get as much
information as we can first.

519

00:24:46,611 --> 00:24:49,030
So, what do we do, call him
and ask for a quick chat?

520

00:24:50,782 --> 00:24:52,533
That's not really my style.

521

00:24:52,617 --> 00:24:53,743
Yeah.

522

00:24:53,826 --> 00:24:54,826
Me neither.

523

00:24:57,038 --> 00:24:58,038
[Kory] Hmm.

524

00:25:03,586 --> 00:25:05,713
[piano music playing on record]

525

00:25:15,473 --> 00:25:16,473
[Lex] Thank you.

526

00:25:24,857 --> 00:25:26,150
[sniffing]

527

00:25:30,571 --> 00:25:31,990
- [crashes]
- [man 1 grunts]

528

00:25:32,073 --> 00:25:34,075
[man 1] Alpha two. I have
a breach Top level...

529

00:25:34,158 --> 00:25:35,427
Hey, what do you

think you're doing?

530
00:25:35,451 --> 00:25:36,369
[man 1 grunts]

531
00:25:36,452 --> 00:25:38,204
[man 2 groaning]

532
00:25:45,086 --> 00:25:46,838
- [Starfire grunts]
- [man 3 screams]

533
00:25:47,880 --> 00:25:49,173
[man 1 grunts]

534
00:25:49,257 --> 00:25:50,697
- [Starfire grunts]
- [man 1 screams]

535
00:25:50,758 --> 00:25:51,758
[man 4 grunts]

536
00:25:52,885 --> 00:25:54,512
[man 5 grunts]

537
00:25:56,264 --> 00:25:57,598
[man 5 groaning]

538
00:25:57,682 --> 00:25:59,976
[men grunting and groaning]

539
00:26:00,059 --> 00:26:01,269
[Starfire grunts]

540
00:26:01,352 --> 00:26:03,313
- [objects clattering]

- [men grunting]

541
00:26:03,396 --> 00:26:06,524
[men groaning]

542
00:26:11,070 --> 00:26:12,280
[objects clattering]

543
00:26:15,408 --> 00:26:16,408
[sighs]

544
00:26:19,829 --> 00:26:21,664
Sorry to interrupt your meal.

545
00:26:24,584 --> 00:26:27,754
I would have beamed a message
into your head, but...

546
00:26:27,837 --> 00:26:29,130
this seemed like more fun.

547
00:26:33,134 --> 00:26:34,469
[Starfire exhales]

548
00:26:34,552 --> 00:26:36,272
Well, what a pleasure
to meet you, Starfire.

549
00:26:37,096 --> 00:26:38,765
Or may I call you Koriand'r?

550
00:26:39,932 --> 00:26:41,142
You can call me Kory...

551
00:26:41,976 --> 00:26:43,436
Lex.

552

00:26:43,519 --> 00:26:45,521
May I offer you some
Spaghetti Puttanesca?

553

00:26:45,605 --> 00:26:47,774
- Or perhaps a glass of wine?
- [chuckles]

554

00:26:47,857 --> 00:26:49,442
No, I'm okay. Thank you.

555

00:26:51,069 --> 00:26:52,612
I understand
there've been some...

556

00:26:53,488 --> 00:26:54,822
changes on Tamaran.

557

00:26:56,115 --> 00:26:58,993
Komand'r has now rightfully
taken the throne?

558

00:26:59,077 --> 00:27:00,078
That's right.

559

00:27:00,161 --> 00:27:01,162
And now,

560

00:27:01,245 --> 00:27:02,372
she possesses

561

00:27:03,122 --> 00:27:04,122
the power...

562

00:27:05,249 --> 00:27:06,709

you've always thought
of as your own.

563

00:27:07,960 --> 00:27:10,380
Yes, yes, but, you know,

564

00:27:10,463 --> 00:27:12,173
it's for the best,
really. [sighs]

565

00:27:12,256 --> 00:27:13,256
She's...

566

00:27:14,717 --> 00:27:17,136
She spent her whole
life feeling denied.

567

00:27:17,220 --> 00:27:18,554
Overshadowed.

568

00:27:18,638 --> 00:27:19,638
Less than.

569

00:27:22,058 --> 00:27:24,453
But of course, you wouldn't know
anything about that, would you?

570

00:27:24,477 --> 00:27:25,477
[chuckles]

571

00:27:27,480 --> 00:27:28,731
We have much to discuss.

572

00:27:30,483 --> 00:27:31,943
This way, please.

573

00:27:35,405 --> 00:27:38,074
[Starfire] What a quaint
little place you have here.

574
00:27:38,157 --> 00:27:39,867
[Lex] Allow me to
show you around.

575
00:27:39,951 --> 00:27:40,951
May I give you a tour?

576
00:27:41,661 --> 00:27:42,661
So far nothing.

577
00:27:44,664 --> 00:27:46,582
Just give her some time.

578
00:27:46,666 --> 00:27:48,751
[Jim] Welcome to the
Daily Planet archives.

579
00:27:48,835 --> 00:27:51,087
Outsiders usually don't get
access to this kind of stuff,

580
00:27:51,170 --> 00:27:54,632
but considering it's you
guys, I'll make an exception.

581
00:27:54,715 --> 00:27:56,551
[Conner] Thanks.

582
00:27:56,634 --> 00:27:58,445
Every single issue dating back to
our very first day of publication,

583
00:27:58,469 --> 00:28:00,304

November 2nd, 1775.

584

00:28:00,388 --> 00:28:02,068

- [Rachel] This is insane.

- [Jim chuckles]

585

00:28:02,140 --> 00:28:04,410

- [Rachel] How do you find anything?

- Ah, it's all cataloged.

586

00:28:04,434 --> 00:28:05,476

Well, most of it.

587

00:28:05,560 --> 00:28:07,019

We're digitizing
as fast as we can.

588

00:28:07,103 --> 00:28:08,771

The Luthor section
is just down there.

589

00:28:08,855 --> 00:28:11,441

According to Dick, Lex
Luthor never tips his hand.

590

00:28:11,524 --> 00:28:13,043

So, we need to see
what cards he's showing

591

00:28:13,067 --> 00:28:14,795

and then try to figure
out what he's holding.

592

00:28:14,819 --> 00:28:16,672

Okay, so we'll need
everything you've got on him.

593

00:28:16,696 --> 00:28:18,906
Everything? I mean, that could
take months to go through.

594
00:28:18,990 --> 00:28:21,075
[chuckles] Don't worry.
He's a fast reader.

595
00:28:21,159 --> 00:28:24,120
I mean, I believe you, but
still. Can we narrow it down?

596
00:28:24,203 --> 00:28:26,330
I mean, we got a lot on the guy.

597
00:28:27,081 --> 00:28:28,207
We got...

598
00:28:28,291 --> 00:28:31,169
Felony arrests,
felony convictions,

599
00:28:31,252 --> 00:28:34,088
capital crimes, crimes
on the high seas,

600
00:28:34,172 --> 00:28:36,048
space-based crimes,
philanthropy.

601
00:28:36,132 --> 00:28:37,252
Oh, definitely the pirate...

602
00:28:37,300 --> 00:28:39,010
- Philanthropy.
- Philanthropy.

603

00:28:39,093 --> 00:28:40,678
- Philanthropy.
- [Jim] Okay.

604

00:28:40,761 --> 00:28:42,961
Let's head to my office. We
can pull it up on the server.

605

00:28:53,941 --> 00:28:55,359
[sinister music playing]

606

00:29:03,826 --> 00:29:04,826
[Lex] Powerful, isn't it?

607

00:29:08,956 --> 00:29:11,501
Gautier 1762.

608

00:29:11,584 --> 00:29:13,878
I acquired this
bottle at auction.

609

00:29:13,961 --> 00:29:18,341
It was found in the sealed-off compartment
underneath Jean Paul Marat's bathtub.

610

00:29:19,634 --> 00:29:21,886
- It tastes like it.
- [chuckles]

611

00:29:21,969 --> 00:29:23,888
- To new friends.
- [scoffs] We'll see.

612

00:29:25,932 --> 00:29:27,452
[Lex] I have so many
questions for you.

613

00:29:27,517 --> 00:29:29,894
So much I want to learn
about your planet,

614

00:29:29,977 --> 00:29:31,896
history, your abilities.

615

00:29:31,979 --> 00:29:34,732
I have a few questions
for you, too.

616

00:29:34,815 --> 00:29:37,360
Why do you want to
meet with Conner?

617

00:29:37,443 --> 00:29:40,404
Doesn't a father have a
right to meet his son?

618

00:29:40,488 --> 00:29:42,406
[Starfire] A desire
doesn't equal a right.

619

00:29:47,578 --> 00:29:49,580
It worked. Unbelievable.

620

00:29:49,664 --> 00:29:53,209
The unbelievable thing about Bruce's
toys is never that they work.

621

00:29:53,292 --> 00:29:54,877
It's what they do.

622

00:29:54,961 --> 00:29:59,090
I got personal, medical,
financial, schedules, calendars.

623

00:29:59,173 --> 00:30:01,968
[chuckles] Hell, I've even
got his Twitter account.

624
00:30:02,051 --> 00:30:02,969
What do you want?

625
00:30:03,052 --> 00:30:04,387
I want Conner to stay with me.

626
00:30:04,470 --> 00:30:05,513
Here in Metropolis.

627
00:30:06,472 --> 00:30:07,723
[Starfire chuckles]

628
00:30:07,807 --> 00:30:10,309
No, no. That's... that's
never gonna happen.

629
00:30:10,393 --> 00:30:11,393
[Lex] It might.

630
00:30:13,187 --> 00:30:14,230
After all,

631
00:30:14,313 --> 00:30:15,565
it is his decision.

632
00:30:15,648 --> 00:30:17,942
He knows who you are.

633
00:30:18,025 --> 00:30:20,444
- What you are.
- That's exactly the point.

634

00:30:20,528 --> 00:30:21,528
He doesn't.

635
00:30:24,740 --> 00:30:28,953
I wanna give him the benefit
of my knowledge and guidance.

636
00:30:30,329 --> 00:30:32,373
And I want him to be
prepared to one day...

637
00:30:33,666 --> 00:30:37,128
take over as
President of LexCorp.

638
00:30:37,211 --> 00:30:39,213
[Starfire] You
know what I think?

639
00:30:39,297 --> 00:30:41,674
I think what you really want

640
00:30:41,757 --> 00:30:44,677
is to own the thing you created.

641
00:30:44,760 --> 00:30:46,804
You consider Conner
your possession.

642
00:30:47,847 --> 00:30:48,847
He is not.

643
00:30:50,850 --> 00:30:51,892
He has compassion,

644
00:30:52,685 --> 00:30:53,811
empathy,

645

00:30:53,894 --> 00:30:55,479
moral intelligence.

646

00:30:55,563 --> 00:30:58,899
All of which make him
far stronger than you.

647

00:30:58,983 --> 00:31:00,234
In every way.

648

00:31:00,318 --> 00:31:02,987
You want him to be
your personal weapon.

649

00:31:03,070 --> 00:31:04,238
He will never be that.

650

00:31:07,366 --> 00:31:09,327
Isn't that exactly...

651

00:31:09,410 --> 00:31:10,410
how you're using him...

652

00:31:11,495 --> 00:31:12,495
Richard?

653

00:31:15,041 --> 00:31:17,084
Hasn't Bruce taught
you any other way?

654

00:31:24,133 --> 00:31:25,509
[door opens]

655

00:31:25,593 --> 00:31:27,233
I'd like you to meet

some friends of mine.

656

00:31:29,805 --> 00:31:30,806
Remember, Richard,

657

00:31:31,515 --> 00:31:32,515
this is me...

658

00:31:33,351 --> 00:31:34,351
being gentle.

659

00:31:41,859 --> 00:31:43,444
Tim, stay down.

660

00:31:48,199 --> 00:31:49,325
[sighs]

661

00:31:49,408 --> 00:31:50,408
Ninjas.

662

00:31:55,498 --> 00:31:57,708
[all grunting]

663

00:32:06,217 --> 00:32:08,469
[all yelling and grunting]

664

00:32:16,352 --> 00:32:17,353
[grunts]

665

00:32:18,062 --> 00:32:19,062
[ninja 1 groans]

666

00:32:22,274 --> 00:32:24,026
[breathing heavily]

667

00:32:24,110 --> 00:32:25,361
You good?

668
00:32:25,444 --> 00:32:26,444
I hate ninjas.

669
00:32:31,617 --> 00:32:32,617
[sighs wearily]

670
00:32:33,452 --> 00:32:34,870
More ninjas.

671
00:32:34,954 --> 00:32:36,038
[sighs] Okay.

672
00:32:41,377 --> 00:32:43,754
[all yelling]

673
00:32:43,838 --> 00:32:46,757
[all grunting]

674
00:32:53,806 --> 00:32:54,806
[yells]

675
00:32:58,352 --> 00:32:59,352
[Tim grunts]

676
00:33:07,027 --> 00:33:08,195
[grunting]

677
00:33:13,993 --> 00:33:15,745
[both grunting]

678
00:33:20,207 --> 00:33:21,333
[ninja 2 groans]

679
00:33:28,758 --> 00:33:29,758
[groans in pain]

680
00:33:34,472 --> 00:33:35,472
[Tim grunts]

681
00:33:38,976 --> 00:33:40,978
- [grunts]
- [ninja 3 groans]

682
00:33:44,148 --> 00:33:45,148
[groans]

683
00:33:46,525 --> 00:33:47,525
[inhales]

684
00:33:49,695 --> 00:33:50,863
I liked those men.

685
00:33:53,491 --> 00:33:56,035
All I ask is six months.

686
00:33:56,118 --> 00:33:58,454
If you believe you
know Conner's answer,

687
00:33:58,537 --> 00:34:01,040
then you'll have no
problem conveying my offer.

688
00:34:03,709 --> 00:34:06,128
I expect an answer tonight.

689
00:34:06,212 --> 00:34:07,852
- [Nightwing sighs] Let's go.
- All right.

690

00:34:08,798 --> 00:34:10,633
[siren wailing distantly]

691

00:34:14,053 --> 00:34:16,096
Here you go. The
Luthor Foundation.

692

00:34:16,180 --> 00:34:20,142
"Just announced 18 months ago, Luthor
Foundation recently broke ground on

693

00:34:20,226 --> 00:34:21,811
a dozen hospitals and schools."

694

00:34:21,894 --> 00:34:26,023
Scholarships, research grants,
charities all over the world.

695

00:34:26,106 --> 00:34:28,317
Funded at over a
billion dollars.

696

00:34:28,400 --> 00:34:29,610
He seems serious.

697

00:34:29,693 --> 00:34:31,320
There's one thing
I know about Lex.

698

00:34:31,403 --> 00:34:32,403
He's always serious.

699

00:34:34,031 --> 00:34:35,031
Where's Rachel?

700

00:34:40,162 --> 00:34:41,539
[eerie music playing]

701

00:34:53,968 --> 00:34:54,968
[grunts]

702

00:35:17,533 --> 00:35:18,367
- Rachel.
- [gasps]

703

00:35:18,450 --> 00:35:19,618
[panting]

704

00:35:19,702 --> 00:35:20,828
What are you doing?

705

00:35:22,162 --> 00:35:23,162
I don't know.

706

00:35:24,039 --> 00:35:25,039
[Rachel exhales]

707

00:35:26,709 --> 00:35:28,002
Gar...

708

00:35:28,085 --> 00:35:30,045
I think something terrible
is about to happen.

709

00:35:35,885 --> 00:35:37,136
I need to get out of here.

710

00:35:37,219 --> 00:35:39,305
We should not have come
back to Metropolis.

711

00:35:41,015 --> 00:35:42,600
Who is this guy?

712

00:35:42,683 --> 00:35:44,184
He's in a lot of
these photographs.

713

00:35:44,268 --> 00:35:45,728
Uh, I don't know.

714

00:35:45,811 --> 00:35:47,730
I can't find his name anywhere.

715

00:35:47,813 --> 00:35:49,481
Maybe he works for
the foundation.

716

00:35:49,565 --> 00:35:51,233
[Conner] Even bigger question.

717

00:35:51,317 --> 00:35:54,361
Why does Luthor suddenly have a
charitable foundation, anyway?

718

00:35:54,445 --> 00:35:55,485
[Dick] Because he's dying.

719

00:35:56,322 --> 00:35:57,406
What?

720

00:35:57,489 --> 00:35:58,908
Lex Luthor has six
months to live.

721

00:36:00,117 --> 00:36:01,368
What are you talking about?

722

00:36:01,452 --> 00:36:03,579
He wants you to stay with him.

723

00:36:03,662 --> 00:36:05,331
Learn how to run LexCorp.

724

00:36:05,414 --> 00:36:07,541
Learn about him
while you still can.

725

00:36:07,625 --> 00:36:09,001
How do you know all this?

726

00:36:09,084 --> 00:36:11,795
Oh, I let one of these
loose in his penthouse.

727

00:36:11,879 --> 00:36:13,464
It's a superbug from WayneTech.

728

00:36:14,632 --> 00:36:16,258
It hacked into Lex's files

729

00:36:16,342 --> 00:36:18,153
and revealed multiple
visits to medical clinics

730

00:36:18,177 --> 00:36:19,595
all around the world.

731

00:36:19,678 --> 00:36:22,765
This guy right here, his
name is Arthur Holmwood.

732

00:36:22,848 --> 00:36:25,851
He's the world's leading

expert in kryptonite poisoning.

733

00:36:27,061 --> 00:36:29,438
Luthor was diagnosed
two years ago.

734

00:36:29,521 --> 00:36:30,521
And there's no cure.

735

00:36:31,732 --> 00:36:33,150
This changes things.

736

00:36:33,233 --> 00:36:34,735
It does.

737

00:36:34,818 --> 00:36:36,546
We think Lex wants to use you
as a way of saving himself.

738

00:36:36,570 --> 00:36:39,114
Holmwood created a
theory. It's called, um,

739

00:36:39,198 --> 00:36:41,158
radical mass transfusions.

740

00:36:41,242 --> 00:36:42,928
- [Conner whispers] Radical mass transfusions.
- [Kory] It's blood, organs,

741

00:36:42,952 --> 00:36:43,952
everything.

742

00:36:45,120 --> 00:36:47,289
You're the closest
living genetic match.

743

00:36:47,373 --> 00:36:49,458
Your body's obviously
stronger than his.

744

00:36:49,541 --> 00:36:51,794
There might be a way he can
use it to fight his disease.

745

00:36:53,879 --> 00:36:55,339
Okay. Uh...

746

00:36:55,422 --> 00:36:56,966
A blood transfusion.

747

00:36:57,049 --> 00:36:58,634
People get those
all the time, right?

748

00:36:58,717 --> 00:37:00,719
If that's all he's asking...

749

00:37:00,803 --> 00:37:03,180
Conner. You can't be serious.

750

00:37:05,557 --> 00:37:06,557
Can we talk?

751

00:37:09,144 --> 00:37:11,271
A dying man is like
a cornered animal.

752

00:37:11,355 --> 00:37:13,148
That's when they're
most dangerous.

753

00:37:13,232 --> 00:37:15,776

Listen, Conner, at the end
of the day, it's up to you.

754

00:37:15,859 --> 00:37:17,194

But if my opinion
means anything,

755

00:37:17,277 --> 00:37:18,957

I wouldn't get within
a mile of Lex Luthor.

756

00:37:18,988 --> 00:37:20,614

[Conner] I hear you.

757

00:37:20,698 --> 00:37:23,098

But you're the one who told me
I deserved to know my parents.

758

00:37:23,742 --> 00:37:25,536

Maybe he's a terrible person.

759

00:37:25,619 --> 00:37:27,139

But I have to find
that out for myself.

760

00:37:28,038 --> 00:37:29,206

And I have to know it

761

00:37:29,289 --> 00:37:30,767

before I can know
what to do about it.

762

00:37:30,791 --> 00:37:32,126

You don't owe him anything.

763

00:37:32,209 --> 00:37:33,460

Maybe he owes me something.

764

00:37:34,169 --> 00:37:35,169

Like what?

765

00:37:35,212 --> 00:37:36,672

Answers.

766

00:37:36,755 --> 00:37:37,755

Why was I created?

767

00:37:38,590 --> 00:37:39,590

For what purpose?

768

00:37:40,426 --> 00:37:42,261

I understand. Trust me.

769

00:37:43,345 --> 00:37:45,180
But none of that matters to him.

770

00:37:45,264 --> 00:37:46,557

His purpose is not yours.

771

00:37:47,933 --> 00:37:49,143

I still need to find out.

772

00:37:52,438 --> 00:37:53,772

I can't tell you what to do.

773

00:37:55,149 --> 00:37:56,817

I can tell you this.

774

00:37:56,900 --> 00:37:58,020

You're a part of our family.

775

00:37:59,153 --> 00:38:00,153

And if you leave,

776

00:38:01,530 --> 00:38:02,530
it's gonna hurt us.

777

00:38:05,409 --> 00:38:06,409
I know.

778

00:38:07,953 --> 00:38:08,953
I'm sorry, Dick.

779

00:38:11,123 --> 00:38:12,166
But I have to do this.

780

00:38:14,793 --> 00:38:15,793
[sighs]

781

00:38:24,178 --> 00:38:25,512
I hate Lex Luthor.

782

00:38:26,388 --> 00:38:28,015
Yeah, I hate him, too.

783

00:38:29,892 --> 00:38:31,852
I know Conner needs to do this.

784

00:38:32,936 --> 00:38:34,438
For his own personal growth.

785

00:38:35,731 --> 00:38:36,774
I needed it, too.

786

00:38:38,734 --> 00:38:41,278
It's a painful thing, not
knowing where you come from.

787

00:38:43,447 --> 00:38:45,115
But people like Lex Luthor...

788

00:38:47,659 --> 00:38:49,203
they only destroy things.

789

00:38:51,413 --> 00:38:53,290
Like you said, it's
Conner's choice.

790

00:38:55,334 --> 00:38:56,752
I just hope he
made the right one.

791

00:38:59,838 --> 00:39:00,838
[sighs]

792

00:39:07,513 --> 00:39:08,806
[suspenseful music playing]

793

00:39:22,027 --> 00:39:23,027
Mr. Luthor?

794

00:39:27,533 --> 00:39:28,533
I'm Conner Kent.

795

00:39:38,001 --> 00:39:39,461
[Lex exhales]

796

00:39:39,545 --> 00:39:40,545
You took his name.

797

00:39:42,422 --> 00:39:45,300
I understand you came to
Metropolis at his invitation.

798
00:39:46,468 --> 00:39:47,468
So?

799
00:39:48,345 --> 00:39:49,805
How was it?

800
00:39:49,888 --> 00:39:52,182
Meeting the great Man of Steel?

801
00:39:52,266 --> 00:39:53,346
[Conner] I didn't meet him.

802
00:39:53,934 --> 00:39:56,436
He was... away.

803
00:39:56,520 --> 00:39:59,273
Oh. That must have been
devastating for you.

804
00:40:01,024 --> 00:40:02,961
Well, I hope I'm not too
much of a disappointment.

805
00:40:02,985 --> 00:40:05,154
And I suppose you're...

806
00:40:05,237 --> 00:40:07,948
- probably wondering exactly why...
- I'm not.

807
00:40:08,031 --> 00:40:10,075
I'm not wondering why
you invited me here.

808
00:40:10,159 --> 00:40:11,410
I don't care.

809

00:40:11,493 --> 00:40:12,773
I'm here because of what I want.

810

00:40:14,204 --> 00:40:16,039
Putting your own desires first.

811

00:40:20,252 --> 00:40:21,378
Like father, like son.

812

00:40:26,049 --> 00:40:28,468
I want you to know that I
don't consider you my father.

813

00:40:29,428 --> 00:40:30,929
[Lex] I see.

814

00:40:31,013 --> 00:40:32,139
[Conner] Are you dying?

815

00:40:35,142 --> 00:40:36,310
Perhaps.

816

00:40:36,393 --> 00:40:37,787
Were you hoping to
use me for a cure?

817

00:40:37,811 --> 00:40:38,645
[snaps fingers]

818

00:40:38,729 --> 00:40:39,729
Splendid idea.

819

00:40:41,607 --> 00:40:42,607
I already tried.

820

00:40:45,611 --> 00:40:47,696

I have an ample supply
of the genetic material

821

00:40:47,779 --> 00:40:49,907

it took to create you.

822

00:40:49,990 --> 00:40:52,367

It follows that a treatment
might be found there...

823

00:40:55,621 --> 00:40:56,621

Didn't work.

824

00:40:57,414 --> 00:40:58,415

However,

825

00:40:58,498 --> 00:40:59,875

I do owe you an apology.

826

00:41:01,043 --> 00:41:02,127

For what?

827

00:41:02,211 --> 00:41:03,670

[Lex] For creating
you in my image.

828

00:41:04,463 --> 00:41:05,464

If people found out,

829

00:41:07,299 --> 00:41:08,800

they would see you as partly me.

830

00:41:08,884 --> 00:41:10,719

Well, they love you now.

831
00:41:10,802 --> 00:41:12,596
But all it would
take is one mistake.

832
00:41:13,305 --> 00:41:14,973
And then...

833
00:41:15,057 --> 00:41:16,350
they will see you differently.

834
00:41:17,559 --> 00:41:18,620
I don't have to listen to this.

835
00:41:18,644 --> 00:41:19,937
No, you don't. But you should.

836
00:41:20,020 --> 00:41:22,147
Because I'm the only
person in the world

837
00:41:22,231 --> 00:41:23,815
who can truly understand you.

838
00:41:23,899 --> 00:41:25,192
The only one

839
00:41:25,275 --> 00:41:27,402
who will never judge you
for being what you are.

840
00:41:28,403 --> 00:41:29,403
How could I?

841
00:41:30,614 --> 00:41:31,865
I created you.

842
00:41:31,949 --> 00:41:32,949
[Conner] Why?

843
00:41:34,326 --> 00:41:35,327
Why did you create me?

844
00:41:36,995 --> 00:41:38,580
Am I to assume

845
00:41:38,664 --> 00:41:40,832
that your decision on
whether or not to stay

846
00:41:40,916 --> 00:41:43,543
rests on my answer
to this question?

847
00:41:45,671 --> 00:41:46,671
Very well.

848
00:41:52,761 --> 00:41:55,514
I created you...
for one reason.

849
00:41:57,182 --> 00:42:00,394
To see my dream of becoming
Superman come true.

850
00:42:03,188 --> 00:42:07,109
Please understand, I
realized many years ago

851
00:42:07,192 --> 00:42:09,486
that I, myself,

852
00:42:09,570 --> 00:42:12,531

could never become
Superman, so...

853

00:42:12,614 --> 00:42:15,200
I went about achieving my
personal dream the way men have

854

00:42:15,284 --> 00:42:16,910
since the beginning of humanity.

855

00:42:18,996 --> 00:42:19,996
I had a son.

856

00:42:22,291 --> 00:42:24,376
My dream was that...

857

00:42:24,459 --> 00:42:26,795
my child would succeed
where I had not.

858

00:42:28,255 --> 00:42:29,255
To be...

859

00:42:31,008 --> 00:42:32,676
both man and Superman.

860

00:42:35,554 --> 00:42:36,554
Did I succeed?

861

00:42:38,348 --> 00:42:40,017
Maybe you should tell me.

862

00:42:40,100 --> 00:42:41,852
[Lex] I see what
Superman has given you.

863

00:42:42,853 --> 00:42:44,813
So does the world.

864
00:42:44,896 --> 00:42:47,441
You show them with
your actions every day.

865
00:42:47,524 --> 00:42:48,859
But what I have given you...

866
00:42:51,361 --> 00:42:52,446
expresses itself...

867
00:42:54,573 --> 00:42:55,573
more subtly.

868
00:42:56,908 --> 00:42:58,160
And I admit,

869
00:42:58,243 --> 00:43:00,329
it is pride and self-regard,
and what I'm sure

870
00:43:00,412 --> 00:43:03,832
the television psychologists
would call "narcissism"

871
00:43:03,915 --> 00:43:06,126
that has driven me
to want this meeting.

872
00:43:06,209 --> 00:43:07,669
To want my time with you.

873
00:43:07,753 --> 00:43:10,756
To give you some part of
myself and not just my DNA,

874

00:43:12,924 --> 00:43:14,634
but my real actual thoughts.

875

00:43:17,429 --> 00:43:18,429
My thesis.

876

00:43:25,270 --> 00:43:26,270
Conner.

877

00:43:29,775 --> 00:43:31,234
I don't want you to become me.

878

00:43:31,318 --> 00:43:32,319
I've already done that.

879

00:43:33,403 --> 00:43:34,654
What I want is for you...

880

00:43:35,572 --> 00:43:36,740
with all your gifts...

881

00:43:39,034 --> 00:43:40,034
to know me.

882

00:43:41,787 --> 00:43:42,871
And with that knowledge,

883

00:43:44,122 --> 00:43:46,041
choose for yourself,

884

00:43:46,124 --> 00:43:47,124
what and who...

885

00:43:47,668 --> 00:43:48,668

you will be.

886

00:43:51,505 --> 00:43:54,257

Now I've answered
your questions,

887

00:43:54,341 --> 00:43:56,259

please allow me the
only one I have.

888

00:43:58,762 --> 00:43:59,762

Will you stay?

889

00:44:01,306 --> 00:44:02,391

[exhales softly]

890

00:44:05,686 --> 00:44:06,686

Yes.

891

00:44:08,271 --> 00:44:09,271

I will.

892

00:44:10,690 --> 00:44:11,690

Excellent.

893

00:44:12,984 --> 00:44:15,195

I have something I
wanna share with you.

894

00:44:15,278 --> 00:44:17,239

A project I've been working on.

895

00:44:17,322 --> 00:44:20,409

The reason why death
may no longer be the foe

896

00:44:20,492 --> 00:44:21,576
I once thought it to be.

897

00:44:22,702 --> 00:44:23,703
But there's problems.

898

00:44:25,997 --> 00:44:27,332
My partners may have...

899

00:44:28,708 --> 00:44:30,377
even darker ideas than I do.

900

00:44:33,171 --> 00:44:34,172
I may need your help.

901

00:44:39,219 --> 00:44:40,219
[coughs]

902

00:44:46,351 --> 00:44:48,770
[coughing]

903

00:44:49,479 --> 00:44:52,524
[chokes and gags]

904

00:44:56,111 --> 00:44:57,571
[coughing]

905

00:45:02,576 --> 00:45:04,119
[continues coughing]

906

00:45:25,640 --> 00:45:26,850
[gags]

907

00:45:26,933 --> 00:45:27,933
[Conner] Mr. Luthor?

908
00:45:28,477 --> 00:45:29,477
[coughs]

909
00:45:29,978 --> 00:45:31,563
[coughing]

910
00:45:35,108 --> 00:45:35,984
Are you okay?

911
00:45:36,067 --> 00:45:37,110
[vomits]

912
00:45:38,945 --> 00:45:41,114
I actually hate tomatoes, Raven.

913
00:45:42,324 --> 00:45:43,324
Gross.

914
00:45:45,911 --> 00:45:47,704
- [chokes]
- [Gar] You okay?

915
00:45:49,080 --> 00:45:51,166
[retching]

916
00:45:52,000 --> 00:45:53,168
[coughing]

917
00:45:54,294 --> 00:45:55,378
[Conner] Lex!

918
00:45:55,462 --> 00:45:56,338
Lex!

919
00:45:56,421 --> 00:45:58,465

[screaming]

920

00:45:58,548 --> 00:46:00,008

[barking]

921

00:46:01,384 --> 00:46:02,511

[tires screech]

922

00:46:03,595 --> 00:46:04,595

[retches]

923

00:46:10,519 --> 00:46:11,311

[screams]

924

00:46:11,394 --> 00:46:12,812

[Gar] Rachel! Rachel!

925

00:46:13,438 --> 00:46:14,856

[hisses]

926

00:46:18,568 --> 00:46:19,568

[Conner grunts]

927

00:46:25,033 --> 00:46:26,033

[grunts]

928

00:46:28,787 --> 00:46:30,705

[panting]

929

00:46:30,789 --> 00:46:32,541

- [Rachel screams]

- [Gar] Dick!

930

00:46:32,624 --> 00:46:34,834

[Rachel screaming]

931
00:46:34,918 --> 00:46:36,044
Rachel!

932
00:46:36,670 --> 00:46:37,670
[gasps]

933
00:46:42,968 --> 00:46:43,968
What happened?

934
00:46:48,056 --> 00:46:50,141
[breathing heavily]

935
00:46:57,816 --> 00:46:58,817
Lex.

936
00:46:58,900 --> 00:46:59,900
Lex.

937
00:47:01,403 --> 00:47:03,989
- [gun cocking]
- Down! Down! Now!

938
00:47:04,072 --> 00:47:06,283
Show me your hands!
Get away from him!

939
00:47:08,326 --> 00:47:10,036
I said show me your hands!

940
00:47:13,164 --> 00:47:14,416
Watch his eyes.

941
00:47:14,499 --> 00:47:17,419
[breath trembling]

942
00:47:23,049 --> 00:47:24,049
[scoffs]

943
00:47:25,176 --> 00:47:26,176
[chuckles softly]

944
00:47:28,388 --> 00:47:29,723
You see, Mr. Luthor...

945
00:47:32,350 --> 00:47:33,350
someone...

946
00:47:34,144 --> 00:47:35,270
always pays.

947
00:47:39,399 --> 00:47:40,734
[chuckles]

948
00:47:51,286 --> 00:47:53,371
[theme music playing]
