EPISODE 4.03

"Jinx"

With Rachel left powerless, Dick turns to an old friend whose magic could be the key to identifying their mysterious enemy. Meanwhile, Conner and Tim investigate attack victims, and Sebastian finds himself at the center of an eerie plot.

1

00:00:09,083 --> 00:00:12,127
[Night wing breathing heavily]

2

00:00:12,555 --> 00:00:13,889
[Beast Boy]
Is she gonna be okay?

3

00:00:13,973 --> 00:00:15,808
[Night wing]
Her heartbeat's steady.

4

00:00:15,892 --> 00:00:18,227
Rachel, can you hear me?

5

00:00:18,311 --> 00:00:19,562
[Star fire] She's so cold.

6

00:00:21,230 --> 00:00:22,230
[gasps]

7

00:00:23,357 --> 00:00:24,316
[breathing heavily]

8

00:00:24,400 --> 00:00:25,317
What happened?

9

00:00:25,401 --> 00:00:26,527
[Night wing] We were attacked.

10

00:00:26,611 --> 00:00:28,320
You got hit pretty bad.

11

00:00:28,404 --> 00:00:29,404
Are you okay?

12

00:00:30,615 --> 00:00:31,615
No.

13
00:00:34,952 --> 00:00:36,078
I can't feel you.

14
00:00:45,630 --> 00:00:47,047
[Jo] So, tonight's
the big night.

15
00:00:47,131 --> 00:00:49,508
[Lamar] I got the ring.
All I need now is a yes.

16
00:00:49,592 --> 00:00:50,843
[Jo] If she doesn't say yes,

17
00:00:50,927 --> 00:00:52,469
I'll make a voodoo doll
and stick pins

18
00:00:52,553 --> 00:00:54,263
- in her for all eternity.
- [laughs]

19
00:00:55,181 --> 00:00:56,933
[sighs] Hold on.

20
00:00:57,600 --> 00:00:58,600
[grunts]

21
00:01:03,564 --> 00:01:05,941
[eerie music playing]

22
00:01:06,025 --> 00:01:07,151
[chittering]

23
00:01:10,112 --> 00:01:11,112
[groans]

24
00:01:12,573 --> 00:01:13,490
[choking]

25
00:01:13,574 --> 00:01:15,618
[coughing]

26
00:01:21,290 --> 00:01:22,375
Lamar?

27
00:01:27,046 --> 00:01:28,046
Lamar.

28
00:01:30,716 --> 00:01:32,050
[squelching]

29
00:01:32,134 --> 00:01:33,134
[grunting]

30
00:01:35,346 --> 00:01:36,931
[eerie music continues playing]

31
00:01:38,641 --> 00:01:39,641
[coughing]

32
00:01:40,351 --> 00:01:42,436
[squelching]

33
00:01:43,354 --> 00:01:44,480
[groans]

34
00:02:03,332 --> 00:02:04,375
[warbling]

35

00:02:06,335 --> 00:02:07,335
We have the blood.

36

00:02:08,546 --> 00:02:10,464
And I have something
even more valuable.

37

00:02:13,050 --> 00:02:15,511
The heretic is without
her power.

38

00:02:15,595 --> 00:02:17,763
It was never hers
to begin with.

39

00:02:17,847 --> 00:02:19,765
She had no right to it.

40

00:02:19,849 --> 00:02:21,433
You shouldn't have
brought it here.

41

00:02:21,517 --> 00:02:25,021
Now is not the time
for worry or doubt.

42

00:02:29,025 --> 00:02:31,027
Powers backward demands.

43

00:02:36,324 --> 00:02:37,324
[grunts]

44

00:02:38,451 --> 00:02:39,451
[chuckles]

45

00:02:41,162 --> 00:02:42,162
You're right.

46
00:02:43,748 --> 00:02:44,832
You always are.

47
00:02:46,125 --> 00:02:49,586
Tonight we shall
take back what's ours.

48
00:02:49,670 --> 00:02:51,464
After that,
nothing else matters.

49
00:02:53,090 --> 00:02:55,176
[theme music playing]

50
00:03:07,730 --> 00:03:09,147
[Dick] You sure you're okay?

51
00:03:09,231 --> 00:03:12,776
Yeah, I just... I feel empty.

52
00:03:12,860 --> 00:03:15,070
Like there's something,
you know...

53
00:03:15,154 --> 00:03:16,572
missing.

54
00:03:16,656 --> 00:03:19,283
But it... it's so big that
I can't feel it all at once.

55
00:03:19,367 --> 00:03:21,827
I want you to rest. Okay?

56

00:03:21,911 --> 00:03:23,495
We don't know what happened
to you, and until we do...

57

00:03:23,579 --> 00:03:24,705
It's my soul-self.

58

00:03:25,498 --> 00:03:26,957
It's just gone.

59

00:03:27,041 --> 00:03:29,251
How can your soul be gone?

60

00:03:30,211 --> 00:03:31,587
[Conner] Who the hell was that?

61

00:03:31,671 --> 00:03:33,630
She just took us all out.

62

00:03:33,714 --> 00:03:35,507
It's like, we didn't
stand a chance.

63

00:03:35,591 --> 00:03:38,677
Look, we're all here, okay?
We're all alive.

64

00:03:38,761 --> 00:03:40,178
That's all that matters.

65

00:03:40,262 --> 00:03:41,763
Somehow, what Kory
did drove her off,

66

00:03:41,847 --> 00:03:43,515
which means

she's not invincible.

67

00:03:43,599 --> 00:03:44,892

We're gonna find
out who she is,

68

00:03:44,976 --> 00:03:47,644

how she fights,
what her powers are.

69

00:03:47,728 --> 00:03:49,568

The next time we see her,
we're gonna be ready.

70

00:03:50,398 --> 00:03:51,398

[sighs]

71

00:03:52,191 --> 00:03:53,150

Gar, stay here.

72

00:03:53,234 --> 00:03:54,568

Keep an eye on Rachel.

73

00:03:54,652 --> 00:03:56,320

Tim, I want you back
at S.T.A.R. Labs.

74

00:03:56,821 --> 00:03:58,238

Why?

75

00:03:58,322 --> 00:04:00,198

'Cause you almost died last
night. I can't risk losing you.

76

00:04:00,282 --> 00:04:02,534

So... I'm off the team?

77

00:04:02,618 --> 00:04:05,037

No. You start your
Robin training today.

78

00:04:05,121 --> 00:04:07,206

You're gonna finally learn
how to use that Bo staff.

79

00:04:08,416 --> 00:04:09,708

Okay. [Laughs]

80

00:04:09,792 --> 00:04:11,543

Kory and I have
an errand to run.

81

00:04:11,627 --> 00:04:13,045

We do?

82

00:04:13,129 --> 00:04:16,298

We're gonna go meet someone.
Someone who can help us.

83

00:04:21,637 --> 00:04:22,637

Dick, wait.

84

00:04:23,681 --> 00:04:24,890

She, uh...

85

00:04:24,974 --> 00:04:26,391

She caught me off guard.

86

00:04:26,475 --> 00:04:29,770

Next time I'll be faster.
I, uh... [inhales deeply]

87

00:04:29,854 --> 00:04:31,480

I know there's a way
I can beat her.

88

00:04:31,564 --> 00:04:32,940
Don't take this on by yourself.

89

00:04:33,024 --> 00:04:34,483
We're a team.
We do it together.

90

00:04:40,740 --> 00:04:41,741
[door closes]

91

00:04:49,665 --> 00:04:51,542
[somber music playing]

92

00:05:11,854 --> 00:05:14,065
[cell phone ringing]

93

00:05:23,240 --> 00:05:24,449
Hello.

94

00:05:24,533 --> 00:05:26,910
Sebastian.
Derek Sands at Bixel.

95

00:05:26,994 --> 00:05:28,245
You ready to change your life?

96

00:05:29,080 --> 00:05:30,205
I'm sorry. What?

97

00:05:30,289 --> 00:05:31,540
Your video game.

98

00:05:31,624 --> 00:05:34,084

My team
and I have reconsidered.

99

00:05:34,168 --> 00:05:35,627
We'd like to buy it.

100

00:05:35,711 --> 00:05:36,711
Seriously?

101

00:05:37,797 --> 00:05:40,966
Um... I mean, that's...
that's great.

102

00:05:41,050 --> 00:05:42,300
[in Derek's voice]
I need you to come in

103

00:05:42,384 --> 00:05:44,094
so we can talk next steps.

104

00:05:44,178 --> 00:05:45,554
Can you meet me this afternoon?

105

00:05:45,638 --> 00:05:48,265
[Sebastian] Yeah.
Yeah, of course.

106

00:05:48,349 --> 00:05:50,267
Great. I'll see you then.

107

00:05:53,062 --> 00:05:55,022
[Kory] So are you gonna
tell me why we're here?

108

00:05:55,106 --> 00:05:56,648
[Dick] Didn't wanna say
anything back there,

109
00:05:56,732 --> 00:05:58,775
but what happened
to Rachel scares me.

110
00:05:58,859 --> 00:06:00,485
We're dealing with
the supernatural.

111
00:06:00,569 --> 00:06:02,363
That's just not something
I know a lot about.

112
00:06:03,239 --> 00:06:04,865
[indistinct chatter]

113
00:06:04,949 --> 00:06:06,616
Without Rachel,
we're gonna need someone

114
00:06:06,700 --> 00:06:09,244
who knows this stuff,
knows the players.

115
00:06:09,328 --> 00:06:11,413
[electronic music playing]

116
00:06:13,165 --> 00:06:16,835
There's a woman I knew back
in Gotham. Her name's Jinx.

117
00:06:16,919 --> 00:06:19,046
She's a thief and a grifter.

118
00:06:19,130 --> 00:06:21,715
[Kory] And this is the person
we're going to for help?

119

00:06:21,799 --> 00:06:23,383
[Dick] She travels
in those circles.

120

00:06:23,467 --> 00:06:25,761
She might be able to tell us
who hit us last night.

121

00:06:29,431 --> 00:06:30,432
She looks harmless.

122

00:06:32,476 --> 00:06:33,476
Yeah, I know.

123

00:06:35,813 --> 00:06:37,398
I felt something in my shoe.

124

00:06:38,983 --> 00:06:40,650
You ever let her
out of her cell?

125

00:06:40,734 --> 00:06:43,154
No. She's been in solitary
since she got here.

126

00:06:44,155 --> 00:06:45,155
Open the gate.

127

00:06:47,032 --> 00:06:48,576
[gate buzzing]

128

00:06:50,369 --> 00:06:51,578
Oh, shit.

129

00:06:51,662 --> 00:06:53,622

- What's wrong?
- Stop.

130
00:06:53,706 --> 00:06:56,250
Stop! Don't let her foot
hit the ground.

131
00:07:01,297 --> 00:07:02,756
[wind blowing]

132
00:07:09,180 --> 00:07:10,222
[grunts]

133
00:07:20,482 --> 00:07:21,358
[sighs]

134
00:07:21,442 --> 00:07:22,651
[Kory] So now what?

135
00:07:22,735 --> 00:07:24,444
We're chasing down
a human tornado?

136
00:07:24,528 --> 00:07:26,071
Jinx got nailed
for trying to steal

137
00:07:26,155 --> 00:07:28,073
a high value artifact
from a dealer in Bludhaven.

138
00:07:28,157 --> 00:07:29,741
Right, a thief. You said that.

139
00:07:29,825 --> 00:07:32,410
As it turns out, there's an
auction in Geneva next week.

140

00:07:32,494 --> 00:07:36,123
The dealer is transporting his
entire inventory this weekend.

141

00:07:36,207 --> 00:07:37,750
Returning to the scene
of a crime.

142

00:07:38,417 --> 00:07:39,668
It's bold.

143

00:07:39,752 --> 00:07:42,129
Well, if there's
money to be made,

144

00:07:42,213 --> 00:07:43,631
that's where
we're gonna find Jinx.

145

00:07:52,431 --> 00:07:53,390
[sniffs]

146

00:07:53,474 --> 00:07:54,725
Oh, my God.

147

00:07:56,018 --> 00:07:57,978
Is everything okay
with the pancake?

148

00:07:58,062 --> 00:07:59,479
Yeah, they smell amazing.

149

00:07:59,563 --> 00:08:01,439
- I'm ready to start.
- [laughs]

150
00:08:01,523 --> 00:08:02,523
Thank you.

151
00:08:03,150 --> 00:08:04,317
I'm kind of starving.

152
00:08:04,401 --> 00:08:05,986
So I guess
you're feeling better.

153
00:08:06,862 --> 00:08:07,863
Oh, yeah.

154
00:08:08,864 --> 00:08:11,116
Yeah, 'cause...

155
00:08:11,200 --> 00:08:14,870
At first I was feeling empty,
but now I just feel...

156
00:08:15,829 --> 00:08:16,829
light.

157
00:08:17,456 --> 00:08:19,457
Like... [sniffs]

158
00:08:19,541 --> 00:08:21,877
I'm smelling this maple syrup.

159
00:08:21,961 --> 00:08:23,461
[sniffs deeply]

160
00:08:23,545 --> 00:08:24,672
And I... I'm just...

161

00:08:25,714 --> 00:08:28,175
smelling this maple syrup,

162

00:08:28,259 --> 00:08:30,594
without the pain of everyone,

163

00:08:30,678 --> 00:08:33,305
like, flowing through me,
all the time.

164

00:08:33,389 --> 00:08:34,473
It's...

165

00:08:35,557 --> 00:08:38,185
Is this what life
is like for you?

166

00:08:38,269 --> 00:08:40,020
Without having people's
troubles, just like,

167

00:08:40,104 --> 00:08:42,606
brushing through you
every second of every day?

168

00:08:43,941 --> 00:08:45,358
I wouldn't know.
[chuckles softly]

169

00:08:45,442 --> 00:08:46,902
Oh, my God.

170

00:08:46,986 --> 00:08:48,362
But I guess so, yeah.

171

00:08:49,530 --> 00:08:51,323
I think I like it.

172

00:08:51,407 --> 00:08:52,647
Is that a terrible
thing to say?

173

00:08:54,243 --> 00:08:56,077
Why is that a terrible thing?

174

00:08:56,161 --> 00:08:57,662
I don't know. I just feel like,

175

00:08:57,746 --> 00:09:00,124
I've got a responsibility,
as, like, a Titan.

176

00:09:01,333 --> 00:09:02,667
I... [sighs]

177

00:09:02,751 --> 00:09:04,252
But this is what living
a normal life is like.

178

00:09:04,336 --> 00:09:05,379
Oh, God.

179

00:09:06,922 --> 00:09:08,173
Is it your responsibility

180

00:09:08,257 --> 00:09:09,777
if it wasn't your
choice to begin with?

181

00:09:10,801 --> 00:09:11,801
I don't know.

182

00:09:12,261 --> 00:09:13,261

Isn't it?

183
00:09:19,768 --> 00:09:21,228
[distorted voices]

184
00:09:23,689 --> 00:09:24,690
[Rachel] What's wrong?

185
00:09:25,983 --> 00:09:27,234
Gar, what...

186
00:09:29,445 --> 00:09:31,155
[tense music playing]

187
00:09:53,719 --> 00:09:54,719
[sighs]

188
00:09:57,222 --> 00:09:58,640
[inhales deeply]

189
00:10:00,517 --> 00:10:01,852
[Rachel] My chef ghosted me.

190
00:10:02,895 --> 00:10:03,895
Sorry.

191
00:10:04,897 --> 00:10:06,899
- Needed a break.
- [chuckles]

192
00:10:08,484 --> 00:10:10,568
You know, I... I didn't mean
to say that, like,

193
00:10:10,652 --> 00:10:12,904
it was your responsibility

to be a Titan.

194

00:10:12,988 --> 00:10:14,406
Because I know you
didn't choose this,

195

00:10:14,490 --> 00:10:16,408
and Niles, that whole mess.

196

00:10:16,492 --> 00:10:17,826
It's okay, I'm past all that.

197

00:10:19,328 --> 00:10:20,328
This is my life.

198

00:10:22,206 --> 00:10:24,291
I just wanna take charge of it.

199

00:10:24,375 --> 00:10:26,459
Like, your transformations?

200

00:10:26,543 --> 00:10:29,421
- I... I thought that you already...
- No, there's something else.

201

00:10:30,506 --> 00:10:31,923
Ever since
we got to Metropolis,

202

00:10:32,007 --> 00:10:34,926
strange things have
been happening to me.

203

00:10:35,010 --> 00:10:37,470
Stranger than being
blasted blonde?

204
00:10:37,554 --> 00:10:38,554
[chuckles]

205
00:10:39,348 --> 00:10:41,266
[chuckling] No?

206
00:10:43,268 --> 00:10:45,521
At first I thought they
were just hallucinations.

207
00:10:47,356 --> 00:10:50,484
I would get flashes
of this weird place.

208
00:10:51,777 --> 00:10:54,530
I'm in a world surrounded
by red, and I...

209
00:10:57,658 --> 00:10:59,617
Then yesterday,

210
00:10:59,701 --> 00:11:01,828
before the attack,
in the woods, I...

211
00:11:01,912 --> 00:11:02,912
heard voices.

212
00:11:04,748 --> 00:11:06,041
They called me "skin walker",

213
00:11:08,043 --> 00:11:10,295
and they kept
saying, "Join us."

214
00:11:10,379 --> 00:11:11,379

Join who?

215

00:11:12,506 --> 00:11:13,506
I don't know.

216

00:11:14,883 --> 00:11:18,553
But in Navajo culture,
skin walkers are shape shifters

217

00:11:18,637 --> 00:11:19,846
that can change into animals.

218

00:11:19,930 --> 00:11:21,473
So I...

219

00:11:21,557 --> 00:11:23,797
Oh, so you think this is a
connection to your animal side.

220

00:11:24,476 --> 00:11:25,894
And...

221

00:11:25,978 --> 00:11:28,105
I think they're trying to tell
me something about her.

222

00:11:29,148 --> 00:11:30,023
Her?

223

00:11:30,107 --> 00:11:31,358
The witch that attacked us.

224

00:11:32,568 --> 00:11:33,985
Weird.

225

00:11:34,069 --> 00:11:36,321

If I can just get them
to talk to me again.

226
00:11:37,781 --> 00:11:39,450
Maybe they could
help us take her down.

227
00:11:41,368 --> 00:11:42,786
Oh.

228
00:11:42,870 --> 00:11:44,163
Okay, wait. Hold on.

229
00:11:49,376 --> 00:11:51,295
[drums beating]

230
00:11:56,717 --> 00:11:57,759
[staff clinks]

231
00:11:59,219 --> 00:12:00,554
[grunts]

232
00:12:03,015 --> 00:12:04,933
[grunting]

233
00:12:13,525 --> 00:12:16,152
I'm supposed to
fight back or...

234
00:12:16,236 --> 00:12:19,197
No, just let him
tire himself out.

235
00:12:19,281 --> 00:12:20,866
Then we can actually
get started.

236
00:12:23,994 --> 00:12:24,994
[mouthing] Okay.

237
00:12:27,664 --> 00:12:30,333
[grunting]

238
00:12:30,417 --> 00:12:34,379
They're just crash pads, sensors
that connect to the VR simulator.

239
00:12:34,463 --> 00:12:37,382
They're just gonna make sparring
with your opponents a little more...

240
00:12:38,175 --> 00:12:39,217
realistic.

241
00:12:39,301 --> 00:12:40,381
Meaning I'll feel the hits.

242
00:12:41,303 --> 00:12:42,720
Seriously?

243
00:12:42,804 --> 00:12:44,556
You're scared of a little pain?

244
00:12:44,640 --> 00:12:47,225
- I'm not scared.
- [chuckles] Yeah, you are.

245
00:12:47,309 --> 00:12:49,269
- [heart thumping]
- Your heart rate's 174...

246
00:12:50,020 --> 00:12:50,979
Oh, 178.

247
00:12:51,063 --> 00:12:52,897
- I...
- Tim, relax.

248
00:12:52,981 --> 00:12:55,191
Conner, stop looking
inside of people.

249
00:12:55,275 --> 00:12:57,444
He's no help to the team
if he can't suck it up.

250
00:12:57,528 --> 00:12:59,446
Hey, don't put your shit on me.

251
00:12:59,530 --> 00:13:00,572
You're the one that freaked out

252
00:13:00,656 --> 00:13:01,990
about not taking
down that witch.

253
00:13:02,074 --> 00:13:03,408
Boys.

254
00:13:03,492 --> 00:13:06,411
There was a break in
at the MPD evidence warehouse.

255
00:13:06,495 --> 00:13:08,163
And two people are dead.

256
00:13:08,247 --> 00:13:09,539
What got stolen?

257

00:13:09,623 --> 00:13:10,958
[Bernard]
Forty gallons of blood.

258
00:13:15,837 --> 00:13:17,339
[sirens wailing]

259
00:13:29,768 --> 00:13:30,852
You've upped your game.

260
00:13:32,646 --> 00:13:34,147
[exhales] Okay.

261
00:13:50,872 --> 00:13:52,249
Still got the moves.

262
00:14:01,174 --> 00:14:02,384
[door hissing]

263
00:14:21,820 --> 00:14:23,280
I got some moves, too.

264
00:14:23,947 --> 00:14:25,449
Who invited you?

265
00:14:26,325 --> 00:14:28,993
And... whoever she is.

266
00:14:29,077 --> 00:14:32,247
Koriand'r, this is Jinx.
Jinx, Kory.

267
00:14:32,331 --> 00:14:34,666
We're here because
we need your help.

268

00:14:34,750 --> 00:14:36,125
And this is payment
if you accept.

269
00:14:36,209 --> 00:14:39,045
Dick Grayson,
deal maker extraordinaire.

270
00:14:39,129 --> 00:14:41,297
- [chuckles] Hard Pass.
- [Dick] You sure?

271
00:14:41,381 --> 00:14:42,882
It must be pretty
valuable considering

272
00:14:42,966 --> 00:14:44,509
you came straight
back here to get it.

273
00:14:44,593 --> 00:14:45,885
[Jinx]
You're a genius.

274
00:14:45,969 --> 00:14:48,263
Yeah, it's valuable
and it's dangerous.

275
00:14:48,347 --> 00:14:51,975
If you're smart, you'll give it back
to me before someone gets hurt.

276
00:14:52,059 --> 00:14:55,979
Then again,
you are kind of into that.

277
00:14:56,063 --> 00:14:59,357
[Dick chuckles] - Okay. I

don't know whatever all this is,

278

00:14:59,441 --> 00:15:00,775
but we do
need your help.

279

00:15:00,859 --> 00:15:02,443
And the sooner
you give it to us,

280

00:15:02,527 --> 00:15:05,072
the sooner you can have
whatever's in this box.

281

00:15:05,697 --> 00:15:06,948
Is that a heart?

282

00:15:07,032 --> 00:15:08,283
[heart beating]

283

00:15:11,119 --> 00:15:12,162
[Dick] Kory?

284

00:15:13,455 --> 00:15:15,123
Kory?

285

00:15:15,207 --> 00:15:16,708
- Undo it now.
- [Jinx scoffs]

286

00:15:16,792 --> 00:15:18,626
I love it when you get bossy.

287

00:15:18,710 --> 00:15:20,837
But there's nothing I can do.
It's not my spell.

288

00:15:20,921 --> 00:15:22,964
Is her heart beating?
Can she breathe?

289

00:15:23,048 --> 00:15:24,591
She'll be fine.

290

00:15:24,675 --> 00:15:25,592
I think.

291

00:15:25,676 --> 00:15:26,968
Tell me how
to get her back.

292

00:15:27,052 --> 00:15:29,971
I don't know.

293

00:15:30,055 --> 00:15:32,391
That box belonged
to Lironne, the dark elf.

294

00:15:33,558 --> 00:15:35,059
Probably her spell.

295

00:15:35,143 --> 00:15:36,894
- Did you just say dark elf?
- [Jinx] Oh, I did.

296

00:15:36,978 --> 00:15:38,730
Yeah, that heart
was stolen from her.

297

00:15:38,814 --> 00:15:41,024
There's a hefty reward
for its return.

298

00:15:41,108 --> 00:15:43,318
Hey, maybe when
I take it back to her,

299

00:15:43,402 --> 00:15:44,736
she'll unrock your friend.

300

00:15:44,820 --> 00:15:46,112
I'll let you know.

301

00:15:46,196 --> 00:15:48,031
So this friend of yours
can undo the spell?

302

00:15:48,115 --> 00:15:50,408
No, I never said that
she was a friend.

303

00:15:50,492 --> 00:15:52,076
- I don't trust you to go alone.
- [Jinx sighs]

304

00:15:52,160 --> 00:15:54,204
Fine. I'll take you
to the Lironne.

305

00:15:55,414 --> 00:15:56,957
But I collect
the finder's fee.

306

00:16:01,753 --> 00:16:03,338
[Dick] Wait. We can't just
leave her here.

307

00:16:03,422 --> 00:16:04,422
[Jinx chuckles]

308

00:16:04,506 --> 00:16:06,341
Trust me,
she's not going anywhere.

309
00:16:10,178 --> 00:16:12,180
I hate magic.

310
00:16:12,264 --> 00:16:14,015
- [man] But we're not...
- [woman] Yeah.

311
00:16:14,099 --> 00:16:17,101
[man] ...so they're just going
to have to live with the deal.

312
00:16:17,185 --> 00:16:19,437
[man 2] Yeah, well,
I hate it, too.

313
00:16:19,521 --> 00:16:21,565
But she's the devil
that we know.

314
00:16:22,357 --> 00:16:23,358
So make it work.

315
00:16:24,943 --> 00:16:26,194
Yeah. All right.

316
00:16:27,529 --> 00:16:28,863
[Sebastian clears throat]

317
00:16:28,947 --> 00:16:32,867
Hi, I...
Sorry if I'm too early.

318
00:16:32,951 --> 00:16:33,994

Let me call you back.

319

00:16:36,246 --> 00:16:37,289

What are you doing here?

320

00:16:42,377 --> 00:16:45,672

You asked me to come
in to talk about next steps.

321

00:16:45,756 --> 00:16:47,632

We told you yesterday, okay?

322

00:16:47,716 --> 00:16:49,467

We're not interested
in your game.

323

00:16:49,551 --> 00:16:52,012

You... you said
you'd reconsidered, so...

324

00:16:53,221 --> 00:16:54,430

What is this?

325

00:16:54,514 --> 00:16:56,265

Some twisted sales tactic?

326

00:16:56,349 --> 00:16:58,852

No. No, on the phone...

327

00:17:00,061 --> 00:17:03,022

- You said...
- I never called you.

328

00:17:03,106 --> 00:17:04,482

All right? But if you
don't leave right now,

329
00:17:04,566 --> 00:17:05,817
I am calling security.

330
00:17:05,901 --> 00:17:07,193
Wait, wait, wait.

331
00:17:07,277 --> 00:17:08,361
Please. I...

332
00:17:08,445 --> 00:17:10,071
Look, I have the call.
I can...

333
00:17:10,155 --> 00:17:12,365
It's in my recents.
I can show you.

334
00:17:12,449 --> 00:17:13,742
Then you're going to see.

335
00:17:14,910 --> 00:17:16,411
It's, uh... Sorry.

336
00:17:16,495 --> 00:17:17,412
It's just...

337
00:17:17,496 --> 00:17:18,788
Sorry. Sorry.

338
00:17:18,872 --> 00:17:20,415
[voices chanting]
Azarath, Metrion, Zinthos!

339
00:17:20,499 --> 00:17:21,499
I'm sorry...

340
00:17:23,752 --> 00:17:26,838
[chanting continues]
Azarath, Metrion, Zinthos!

341
00:17:26,922 --> 00:17:28,006
What are you doing?

342
00:17:29,424 --> 00:17:31,134
No. Stop!

343
00:17:31,218 --> 00:17:32,302
[flesh squelches]

344
00:17:34,387 --> 00:17:35,387
Stop.

345
00:17:36,306 --> 00:17:37,974
Somebody help!

346
00:17:38,058 --> 00:17:39,601
- Help!
- [indistinct chatter]

347
00:17:41,603 --> 00:17:42,687
Help!

when the time comes.

527

00:26:35,928 --> 00:26:37,347

I want to know. Now.

528

00:26:39,557 --> 00:26:42,101

Koriand'r... patience.

529

00:26:43,227 --> 00:26:45,271

It's all how
it's meant to be.

530
00:26:47,482 --> 00:26:49,525
You got the results
on the blood analysis?

531
00:26:50,193 --> 00:26:51,527
Uh, yes.

532
00:26:51,611 --> 00:26:55,531
Um, so each victim
has a genetic mutation

533
00:26:55,615 --> 00:27:00,494
that traces its origins back
to an ancient Assyrian tribe.

534
00:27:00,578 --> 00:27:01,954
The Kurzus.

535
00:27:02,038 --> 00:27:02,997
Never heard of it.

536
00:27:03,081 --> 00:27:05,874
Guys, come check this out.

537
00:27:05,958 --> 00:27:07,584
That's the symbol
from the slaughterhouse.

538
00:27:07,668 --> 00:27:09,253
Where'd you find it?

539
00:27:09,337 --> 00:27:11,088
It's a screen grab from a
beta version of a video game.

540
00:27:11,172 --> 00:27:14,550

This guy, Sebastian
Sanger, uploaded it online.

541

00:27:14,634 --> 00:27:16,218
Says he's the creator.

542

00:27:16,302 --> 00:27:19,346
All right, um, let me see
what I can dig up on him.

543

00:27:19,430 --> 00:27:23,058
You think he could be a part
of this? Like, one of the killers?

544

00:27:23,142 --> 00:27:24,643
The symbol from the crime scene
just happens

545

00:27:24,727 --> 00:27:26,478
to be the centerpiece
of his game?

546

00:27:26,562 --> 00:27:28,314
My first day of fourth grade,
I wore the exact

547

00:27:28,398 --> 00:27:30,691
same green striped pants
as my best friend, Kaiya.

548

00:27:34,153 --> 00:27:35,279
Got him.

549

00:27:35,363 --> 00:27:37,156
Sebastian Sanger.
Place of birth, unknown.

550

00:27:37,240 --> 00:27:39,408
Raised in Metropolis
by Sandra Sanger.

551
00:27:39,492 --> 00:27:42,077
Foster mother.
Currently employed...

552
00:27:42,161 --> 00:27:44,121
at Wolf man's Taxidermy.

553
00:27:44,205 --> 00:27:46,206
I think we better
find him fast.

554
00:27:46,290 --> 00:27:48,959
I've just taken a morally questionable
peek at Sebastian Sanger's medical records,

555
00:27:49,043 --> 00:27:52,212
and he has the same genetic
mutation as the other victims.

556
00:27:52,296 --> 00:27:54,841
So, for all we know,
he could be the next one.

557
00:27:57,760 --> 00:27:58,844
[upbeat party music playing]

558
00:27:58,928 --> 00:28:01,597
Amar. Two Blutbads.

559
00:28:01,681 --> 00:28:03,307
He's buying.

560
00:28:03,391 --> 00:28:05,893

Rumor had it you busted out.

561

00:28:05,977 --> 00:28:07,811
Working with humans again?

562

00:28:07,895 --> 00:28:09,605
I need to talk to Lironne.

563

00:28:09,689 --> 00:28:11,190
Don't know who
you're talking about.

564

00:28:18,739 --> 00:28:19,949
[Dick] That change your mind?

565

00:28:25,746 --> 00:28:26,746
Stay here.

566

00:28:33,171 --> 00:28:34,838
You should let me handle this.

567

00:28:34,922 --> 00:28:35,881
I don't think so.

568

00:28:35,965 --> 00:28:38,092
Look, they know me here.

569

00:28:38,176 --> 00:28:40,677
Lironne and I go back.
You're an outsider.

570

00:28:40,761 --> 00:28:42,304
As you might have noticed...

571

00:28:42,388 --> 00:28:43,639
they don't like outsiders.

572

00:28:44,515 --> 00:28:45,516
Nice try,

573

00:28:46,601 --> 00:28:47,852
but I can take care of myself.

574

00:28:48,686 --> 00:28:49,686
[Amar] You...

575

00:28:50,354 --> 00:28:51,897
come with me.

576

00:28:51,981 --> 00:28:53,566
Don't worry,
you'll get your reward.

577

00:28:56,402 --> 00:28:57,528
Damn right I will.

578

00:28:59,655 --> 00:29:01,532
[suspenseful music playing]

579

00:29:14,879 --> 00:29:16,339
[speaking Elvish]

580

00:29:19,217 --> 00:29:20,593
[speaking Elvish]

581

00:29:26,974 --> 00:29:29,977
[in English] What do you have
that belongs to me?

582

00:29:30,061 --> 00:29:32,396
Always happy to recover
stolen goods.

583

00:29:33,397 --> 00:29:34,690
First, I need a favor.

584

00:29:34,774 --> 00:29:36,317
[scoffs] I'm sorry, what?

585

00:29:38,736 --> 00:29:41,572
This little box
turned my friend to stone.

586

00:29:41,656 --> 00:29:44,867
Release the spell
and we all get what we want.

587

00:29:44,951 --> 00:29:47,578
For all I know, you're the one
who stole it in the first place.

588

00:29:47,662 --> 00:29:50,914
Now, you want favors?

589

00:29:50,998 --> 00:29:54,251
I'd ask someone else, but apparently
you're the only one who can undo it.

590

00:29:54,335 --> 00:29:57,337
Impudent and naive.

591

00:29:57,421 --> 00:29:58,923
[speaking Elvish]

592

00:30:05,012 --> 00:30:06,973
[all grunting]

593

00:30:26,033 --> 00:30:27,659

[in English] Fine.

594

00:30:27,743 --> 00:30:29,078
I'll kill you myself.

595

00:30:37,878 --> 00:30:39,088
[Lironne shouts]

596

00:30:43,801 --> 00:30:46,095
[dramatic music
tempo increases]

597

00:30:51,559 --> 00:30:52,727
[crowd gasps]

598

00:31:14,206 --> 00:31:17,001
[door opens and closes]

599

00:31:18,878 --> 00:31:20,128
[sighs]

600

00:31:20,212 --> 00:31:22,965
You can undo the spell
yourself, can't you?

601

00:31:23,049 --> 00:31:25,926
You only took me here as a distraction
to get to whatever's in that box.

602

00:31:26,010 --> 00:31:28,887
[scoffs] Don't act like
I owe you favors.

603

00:31:28,971 --> 00:31:31,348
We're both adults.
We know how the game is played.

604

00:31:31,432 --> 00:31:32,767

This is more than that,
isn't it?

605

00:31:34,769 --> 00:31:36,062

You have a death mark.

606

00:31:36,854 --> 00:31:37,980

What?

607

00:31:38,064 --> 00:31:39,773

I know you.

608

00:31:39,857 --> 00:31:41,066

As much as you hate me, you
wouldn't get anyone else killed

609

00:31:41,150 --> 00:31:42,777

unless your life
was on the line.

610

00:31:46,072 --> 00:31:48,740

Congratulations, detective.

611

00:31:48,824 --> 00:31:50,409

You've earned your gold star.

612

00:31:52,286 --> 00:31:53,621

How much do you owe?

613

00:31:55,748 --> 00:31:56,748

Five million.

614

00:32:00,127 --> 00:32:03,255

No doubt, with a little padding for
a private yacht to sail the Maldives?

615

00:32:03,339 --> 00:32:05,716

Yeah, well, since yours is
no longer at my disposal.

616

00:32:09,303 --> 00:32:10,303

All right.

617

00:32:13,516 --> 00:32:14,725

[cell phone chimes]

618

00:32:14,809 --> 00:32:16,351

Done.

619

00:32:16,435 --> 00:32:19,062

The funds are in escrow.
Transfer activates in seven days.

620

00:32:19,146 --> 00:32:21,774

You free Kory and helped
the Titans, and this is yours.

621

00:32:23,943 --> 00:32:24,943

Help how?

622

00:32:25,653 --> 00:32:26,946

With her magic problems.

623

00:32:28,114 --> 00:32:29,115

We have a deal?

624

00:32:32,159 --> 00:32:33,159

[sighs]

625

00:32:38,082 --> 00:32:39,082

Shut that.

626

00:32:42,503 --> 00:32:46,132
You know, I think she'd look
really good on Bruce's terrace.

627

00:32:47,049 --> 00:32:48,384
You sure you wanna to do this?

628

00:32:50,386 --> 00:32:51,678
Fine.

629

00:32:51,762 --> 00:32:53,055
Go ahead and kiss her.

630

00:32:53,139 --> 00:32:55,516
- What?
- It's how you undo the spell.

631

00:32:58,018 --> 00:32:59,603
Okay, no, it's not.
I just wanted to see

632

00:32:59,687 --> 00:33:01,355
if I could make
you kiss a rock.

633

00:33:04,900 --> 00:33:06,610
[reciting spell]

634

00:33:12,158 --> 00:33:13,408
[gasping]

635

00:33:13,492 --> 00:33:15,202
Kory? Are you okay?

636

00:33:16,996 --> 00:33:18,831

No, I'm not okay.

637

00:33:19,915 --> 00:33:21,041

Did you do this?

638

00:33:22,126 --> 00:33:24,836

Hi. Yeah. It wasn't my spell.

639

00:33:24,920 --> 00:33:26,838

And I warned you, so...

640

00:33:26,922 --> 00:33:28,382

Don't worry,
she's going to help us.

641

00:33:28,466 --> 00:33:29,466

[coughs]

642

00:33:29,550 --> 00:33:31,802

Great. That's great.

643

00:33:31,886 --> 00:33:33,804

If you try something
like that again,

644

00:33:34,555 --> 00:33:36,974

I will fuck you up.

645

00:33:39,393 --> 00:33:41,187

I can see why you like her.

646

00:33:43,189 --> 00:33:44,189

[Kory sighs]

647

00:33:44,273 --> 00:33:45,733

[cell phone buzzing]

648

00:33:49,069 --> 00:33:50,821
Conner, talk to me.

649

00:33:50,905 --> 00:33:53,240
We identified a unique genetic
marker common to all the victims

650

00:33:53,324 --> 00:33:55,117
and traced it to a guy
in Metropolis.

651

00:33:55,201 --> 00:33:56,576
Sebastian Sanger.

652

00:33:56,660 --> 00:33:58,495
- [Dick] Can you get to him?
- Uh, we tried.

653

00:33:58,579 --> 00:33:59,830
That's where it gets strange.

654

00:33:59,914 --> 00:34:02,332
He's just been arrested
for murder.

655

00:34:02,416 --> 00:34:04,543
- What?
- [Conner] Yeah, it's really weird.

656

00:34:04,627 --> 00:34:07,504
The cops arrived almost
as the murder was happening.

657

00:34:07,588 --> 00:34:08,672
[Tim] It's like they knew.

658

00:34:08,756 --> 00:34:10,882
It's a set-up. It has to be.

659

00:34:10,966 --> 00:34:12,968
She's engineering
the whole thing.

660

00:34:13,052 --> 00:34:15,095
Then we know
where she'll be next.

661

00:34:15,179 --> 00:34:18,181
They're holding him at
Metropolis PD. I can stop her there.

662

00:34:18,265 --> 00:34:20,642
Connor, no.
This isn't the time.

663

00:34:20,726 --> 00:34:23,687
No, I told you, I just need
one more shot at her.

664

00:34:23,771 --> 00:34:25,856
We need to know more about
what we're going up against.

665

00:34:25,940 --> 00:34:28,191
We do that together.
Do not go off on your own.

666

00:34:28,275 --> 00:34:29,484
But, Dick, I got this.

667

00:34:29,568 --> 00:34:31,153
[Dick]
Meet us at Metropolis PD.

668

00:34:31,237 --> 00:34:33,447
Our mission is to get
Sebastian, that's all.

669

00:34:40,246 --> 00:34:41,413
[door opens]

670

00:34:43,624 --> 00:34:45,584
[Sebastian breathes heavily]

671

00:34:54,051 --> 00:34:55,845
[indistinct chatter]

672

00:35:15,239 --> 00:35:17,157
[footsteps approaching]

673

00:35:21,662 --> 00:35:22,746
[Sebastian] Who are you?

674

00:35:30,087 --> 00:35:31,088
That doesn't matter.

675

00:35:32,339 --> 00:35:33,339
Not yet.

676

00:35:34,717 --> 00:35:37,719
All that matters
is that I'm here...

677

00:35:37,803 --> 00:35:39,638
and I'm going
to take care of you.

678

00:35:41,390 --> 00:35:42,766
Are you my lawyer?

679
00:35:44,226 --> 00:35:45,226
No.

680
00:35:48,314 --> 00:35:49,732
But I know you, Sebastian.

681
00:35:51,859 --> 00:35:53,777
I've known you since
before you were born.

682
00:35:54,695 --> 00:35:56,280
I know what's in your heart.

683
00:35:57,197 --> 00:35:58,782
And I know...

684
00:35:58,866 --> 00:36:01,827
that you didn't do any of
the things they said you did.

685
00:36:03,454 --> 00:36:05,080
[voice shakes] You believe me?

686
00:36:06,916 --> 00:36:08,417
Of course I do.

687
00:36:11,837 --> 00:36:13,505
I know about your game.

688
00:36:13,589 --> 00:36:16,175
All the years
you've spent working on it.

689
00:36:17,384 --> 00:36:19,136
All your dedication

and passion.

690

00:36:20,638 --> 00:36:21,638
It's wonderful.

691

00:36:25,893 --> 00:36:27,143
You're right, by the way.

692

00:36:27,227 --> 00:36:29,188
You are going to change
the world.

693

00:36:31,523 --> 00:36:33,943
And I'm here to help you do it.

694

00:36:35,277 --> 00:36:36,653
[Sebastian sighs]

695

00:36:36,737 --> 00:36:38,572
Would you like that, Sebastian?

696

00:36:45,746 --> 00:36:47,414
I can make all this go away...

697

00:36:48,749 --> 00:36:49,749
if you let me.

698

00:36:50,709 --> 00:36:52,086
Will you let me?

699

00:36:54,004 --> 00:36:55,004
Yes.

700

00:36:58,717 --> 00:36:59,802
Shall we do it?

701
00:37:01,470 --> 00:37:03,264
Shall we do it now?

702
00:37:07,726 --> 00:37:08,769
Yes.

703
00:37:12,773 --> 00:37:14,358
Then say these words.

704
00:37:15,859 --> 00:37:16,859
Azarath.

705
00:37:20,322 --> 00:37:21,490
Azarath.

706
00:37:23,367 --> 00:37:24,660
Metrion.

707
00:37:27,997 --> 00:37:29,164
Metrion.

708
00:37:32,126 --> 00:37:33,126
Zinthos.

709
00:37:37,631 --> 00:37:39,550
[dramatic music playing]

710
00:37:56,692 --> 00:37:57,692
Who are you?

711
00:37:57,776 --> 00:37:59,445
We're the Titans.
Buckle up.

712
00:38:00,988 --> 00:38:02,364

[alarm ringing]

713

00:38:22,509 --> 00:38:23,510
[Rachel] What is that?

714

00:38:25,179 --> 00:38:27,222
[Gar] That's the tree
I saw in my vision.

715

00:38:42,154 --> 00:38:43,154
What are they?

716

00:38:48,035 --> 00:38:49,161
[Gar] They're trophies.

717

00:38:50,857 --> 00:38:54,110
Collected and slaughtered
by a dark force.

718

00:38:56,491 --> 00:38:58,076
They're trying to tell
me something.

719

00:39:00,380 --> 00:39:01,580
[Rachel] What are they saying?

720

00:39:07,638 --> 00:39:09,764
[foreboding music playing]

721

00:39:09,848 --> 00:39:13,519
"When the blood moon is full,
the world will follow you."

722

00:39:15,854 --> 00:39:18,023
[ominous music playing]

723

00:39:25,531 --> 00:39:27,616

Theme music playing...
