EPISODE CAST

Brenton Thwaites	...	Dick Grayson / Nightwing
Anna Diop	...	Kory Anders / Starfire
Teagan Croft	...	Rachel Roth / Raven
Ryan Potter	...	Gar Logan / Beast Boy
Joshua Orpin	...	Conner Kent / Superboy
Jay Lycurgo	...	Tim Drake
Franka Potente	...	Mother Mayhem
Joseph Morgan	...	Sebastian Blood
Lisa Ambalavanar	...	Jinx
James Scully	...	Bernard Fitzmartin
Nicola Correia-Damude	...	Gina
Noah Dalton Danby	...	The Confessor
Somkele Iyamah-Idhalama	...	Zadira
Allain Lupien	...	Acolyte Raymond
Lillian Monize	...	Little Girl

1

00:00:12,013 --> 00:00:13,598
[sirens wailing]

2

00:00:29,572 --> 00:00:33,117
[Sebastian] It was the same dream
I've had ever since I was a child.

3

00:00:33,201 --> 00:00:34,911
It still scares me.

4

00:00:34,994 --> 00:00:36,370
[Rachel] I won't judge.

5

00:00:36,454 --> 00:00:39,665
[Sebastian] It always
starts the same way.

6

00:00:39,749 --> 00:00:43,169
I'm on this empty train,
going through a dark tunnel,

7

00:00:43,252 --> 00:00:44,837
but it's endless.

8

00:00:45,880 --> 00:00:48,800
Just a void of nothing.

9

00:00:50,134 --> 00:00:53,054
And so, I start screaming.

10

00:00:54,889 --> 00:00:57,391
I scream for my mother.

11

00:00:59,560 --> 00:01:01,020
But she doesn't come.

12
00:01:02,271 --> 00:01:03,940
No one comes.

13
00:01:04,649 --> 00:01:06,859
And I'm so alone,

14
00:01:06,943 --> 00:01:09,946
and all I want is to
get off this train.

15
00:01:13,366 --> 00:01:14,909
But... But I can't.

16
00:01:16,327 --> 00:01:18,037
I know I'm awake now,

17
00:01:19,121 --> 00:01:21,207
but this feels the same.

18
00:01:21,290 --> 00:01:24,001
Feels like I'm on
that train, Rachel,

19
00:01:24,085 --> 00:01:25,920
and there is no stopping it.

20
00:01:27,255 --> 00:01:28,673
Yeah, I know how you feel.

21
00:01:31,217 --> 00:01:34,720
But in the dream, you
don't get a choice.

22
00:01:34,804 --> 00:01:37,515
You do have a choice, Sebastian.

23

00:01:40,434 --> 00:01:42,311
I don't even know what I am.

24

00:01:44,856 --> 00:01:48,860
My entire life, I
thought I was nothing.

25

00:01:51,153 --> 00:01:53,114
Or maybe, it's worse.

26

00:01:56,617 --> 00:01:57,827
Maybe, I'm just...

27

00:01:58,494 --> 00:01:59,662
What?

28

00:02:01,956 --> 00:02:02,957
Damned.

29

00:02:05,251 --> 00:02:07,753
I'm a child of Trigon too.

30

00:02:07,837 --> 00:02:10,298
I made the choice
to become a Titan.

31

00:02:11,799 --> 00:02:13,676
Because you do get a choice.

32

00:02:14,677 --> 00:02:16,470
And you'll make the right one.

33

00:02:19,140 --> 00:02:20,558
I know you will.

34

00:02:20,641 --> 00:02:22,435
You're my big bro, after all.

35

00:02:35,031 --> 00:02:36,532
All right.

36

00:02:36,616 --> 00:02:39,660
Just six hours to keep
Sebastian away from that witch,

37

00:02:39,744 --> 00:02:42,163
and we are home free.

38

00:02:42,246 --> 00:02:44,749
Or, we're living
through the end of days.

39

00:02:45,958 --> 00:02:47,001
Cool.

40

00:02:49,170 --> 00:02:51,964
[Bernard] You could afford
to be more optimistic.

41

00:02:52,048 --> 00:02:54,175
[Tim] Yeah, but
that would be lying.

42

00:03:03,142 --> 00:03:04,477
Oh.

43

00:03:15,154 --> 00:03:16,822
[footsteps approaching]

44

00:03:16,906 --> 00:03:19,784
[The Confessor] Mother,
we found the dissenter.

45

00:03:34,215 --> 00:03:35,257
Hello, Raymond.

46

00:03:37,093 --> 00:03:39,387
You seem troubled.

47

00:03:39,470 --> 00:03:43,099
Go ahead, tell her what
you told the others.

48

00:03:44,934 --> 00:03:48,562
You're safe here. Speak.

49

00:03:48,646 --> 00:03:50,564
The others are worried.

50

00:03:52,233 --> 00:03:53,943
Why?

51

00:03:54,026 --> 00:03:57,154
The blood moon has risen, and
we've not seen our brother.

52

00:03:59,740 --> 00:04:02,702
What is my flock saying?

53

00:04:02,785 --> 00:04:04,662
That our long wait
has been in vain.

54

00:04:04,745 --> 00:04:08,332
Never speak to our
mother that way!

55

00:04:11,043 --> 00:04:12,920

You are afraid.

56

00:04:14,255 --> 00:04:15,255
But have faith.

57

00:04:18,676 --> 00:04:22,930
I have waited much longer
than you for this moment.

58

00:04:24,015 --> 00:04:26,726
Longer than anyone, really.

59

00:04:29,103 --> 00:04:33,024
I have sacrificed my very self
to be reunited with my son.

60

00:04:35,818 --> 00:04:36,986
So...

61

00:04:37,653 --> 00:04:38,696
Yes.

62

00:04:39,989 --> 00:04:41,741
He will be brought home.

63

00:04:54,795 --> 00:05:00,801
[Mother Mayhem] Azarath.
Metrion. Zinthos.

64

00:05:20,362 --> 00:05:21,739
[screeches]

65

00:05:29,538 --> 00:05:31,624
[theme music playing]

66

00:05:45,805 --> 00:05:47,973

[Tim] All clear.

67

00:05:48,057 --> 00:05:49,558
All clear.

68

00:05:50,392 --> 00:05:52,019
All clear.

69

00:05:53,562 --> 00:05:55,481
Wow, look over there!

70

00:05:55,564 --> 00:05:58,025
It's an empty hallway again.

71

00:05:58,109 --> 00:06:00,027
Why don't you say "All
clear" one more time?

72

00:06:01,570 --> 00:06:03,531
It was, really, such
a delightful phrase.

73

00:06:03,614 --> 00:06:06,826
It's so obvious Dick's
putting me on ice.

74

00:06:06,909 --> 00:06:09,787
"Everyone with no skills, go
hide behind the monitors."

75

00:06:09,870 --> 00:06:10,913
No offense.

76

00:06:10,996 --> 00:06:12,498
I think you meant
a little offense.

77

00:06:13,791 --> 00:06:15,918
Alternative take?

78

00:06:16,001 --> 00:06:18,170
Dick knows that being
a "super" involves

79

00:06:18,254 --> 00:06:20,297
deep commitment and sacrifice,

80

00:06:20,381 --> 00:06:23,884
and he just needs to know it's
what you want before you jump in.

81

00:06:23,968 --> 00:06:25,469
Yeah.

82

00:06:25,553 --> 00:06:29,140
For what it's worth,
I believe in you.

83

00:06:30,641 --> 00:06:32,685
You'll know your
moment when it comes

84

00:06:36,438 --> 00:06:37,731
What?

85

00:06:37,815 --> 00:06:39,775
In Gotham, it felt like
I was on the ground.

86

00:06:40,776 --> 00:06:42,444
Making a difference.

87

00:06:42,528 --> 00:06:46,365

Now I'm just dodging
VR nunchucks.

88

00:06:46,448 --> 00:06:50,035
It's like they're on the PS5
and I'm stuck on the Wii.

89

00:06:50,119 --> 00:06:53,247
Wow, okay, that actually
was really offensive.

90

00:06:53,330 --> 00:06:55,450
- I worked hard on those nunchucks.
- Wait, wait, wait.

91

00:06:56,834 --> 00:06:59,420
Do you have any experiments
here that involve snakes?

92

00:07:00,838 --> 00:07:02,673
No.

93

00:07:02,756 --> 00:07:04,884
[Tim] Wasn't it a snake
that killed Lex Luthor?

94

00:07:04,967 --> 00:07:06,468
[Bernard] Yes.

95

00:07:06,552 --> 00:07:09,889
Then that's what I call
suspicious activity.

96

00:07:09,972 --> 00:07:12,266
- Tim, no.
- Come on.

97

00:07:12,349 --> 00:07:13,851
Tim. Oh, God.

98
00:07:13,934 --> 00:07:16,145
No, no. Tim, stop!

99
00:07:19,023 --> 00:07:21,775
- Tim!
- Yeah.

100
00:07:21,859 --> 00:07:26,113
What are you gonna do? Um,
catch it like it's Ekans?

101
00:07:26,197 --> 00:07:30,576
A first gen Pokemon reference.
You really are a geek.

102
00:07:30,659 --> 00:07:31,911
Thank you.

103
00:07:31,994 --> 00:07:34,914
I'm so ready for some
action, I'm telling you.

104
00:07:34,997 --> 00:07:36,332
[snake growling]

105
00:07:41,962 --> 00:07:43,422
[Tim] Oh...

106
00:07:44,673 --> 00:07:46,133
[both yelp]

107
00:07:48,177 --> 00:07:50,512
Get up! Get up!

108

00:07:50,596 --> 00:07:53,474

Go, go, go! To the
left! Tim, to the left!

109

00:07:56,644 --> 00:07:57,978

[lock engaging]

110

00:07:58,062 --> 00:07:59,355

[both panting]

111

00:08:08,614 --> 00:08:10,991

That was way too close.

112

00:08:11,075 --> 00:08:12,952

The thing was enormous.

113

00:08:13,035 --> 00:08:15,663

It went by the door, and then
we lost it on the monitors.

114

00:08:15,746 --> 00:08:18,499

But we definitely saw
it in the north hallway.

115

00:08:18,582 --> 00:08:21,669

I'm going to have a
lifetime of nightmares now.

116

00:08:21,752 --> 00:08:24,880

I would be bathing in that thing's
digestive enzymes, if it weren't for Tim.

117

00:08:24,964 --> 00:08:27,549

- Thanks, for the visual.
- [Tim] I should have tried to kill it.

118

00:08:27,633 --> 00:08:28,735
That would've been a bad idea.

119
00:08:28,759 --> 00:08:30,010
[Dick] Or a fatal one.

120
00:08:30,094 --> 00:08:32,763
This is magic. We're
in Jinx's world now.

121
00:08:32,846 --> 00:08:34,390
What's your take on this?

122
00:08:34,473 --> 00:08:38,310
Well, a snake is that crazy
lady's signature move, right?

123
00:08:38,394 --> 00:08:40,038
Could have been the same
snake that killed Lex.

124
00:08:40,062 --> 00:08:42,606
How did the snake get
inside of S.T.A.R. Labs?

125
00:08:42,690 --> 00:08:45,317
We had every inch of
this place covered.

126
00:08:45,401 --> 00:08:48,195
[Jinx] Doesn't matter now, does
it? The point is that it's here.

127
00:08:48,279 --> 00:08:51,991
And Mommy's gonna use that snake
to get what she really wants.

128

00:08:52,074 --> 00:08:54,576
Which is Sebastian. So
how do we stop this thing?

129
00:08:54,660 --> 00:08:57,788
Well, I am gonna have to
consult the only person

130
00:08:57,871 --> 00:09:00,666
capable of handling a
snake of this magnitude.

131
00:09:02,626 --> 00:09:03,877
Samuel L. Jackson.

132
00:09:03,961 --> 00:09:05,504
[chuckles]

133
00:09:05,587 --> 00:09:08,882
- Jinx. Focus, please.
- Okay, okay.

134
00:09:08,966 --> 00:09:10,634
It's magic versus magic, right?

135
00:09:10,718 --> 00:09:15,055
So, if you catch this thing, I
will magic your little snake.

136
00:09:15,139 --> 00:09:16,348
So not little.

137
00:09:16,432 --> 00:09:19,685
Then, I will magic
your enormous snake.

138
00:09:19,768 --> 00:09:21,186

Happy now?

139

00:09:21,270 --> 00:09:23,230
Make cowboy boots out of
the thing, for all I care.

140

00:09:23,272 --> 00:09:25,482
Let's find it. Kory, you
and I on the west wing.

141

00:09:25,566 --> 00:09:27,526
Gar and Jinx, take the east.

142

00:09:27,610 --> 00:09:31,238
Conner, guard the silo and make
sure nothing gets to Sebastian.

143

00:09:31,947 --> 00:09:33,449
Okay.

144

00:09:33,532 --> 00:09:35,576
-Tim and Bernard...
-Let me guess. Security monitors.

145

00:09:36,618 --> 00:09:38,120
Yeah. For now.

146

00:09:45,252 --> 00:09:50,591
[Gar] Well, hypothetically, yes, I have
turned into a snake before, I think.

147

00:09:50,674 --> 00:09:53,052
[Jinx] Okay, great.
So, our superior plan

148

00:09:53,135 --> 00:09:55,387
is that you are gonna

turn into a snake,

149

00:09:55,471 --> 00:09:57,365
then, you're gonna make the
snake fall in love with you,

150

00:09:57,389 --> 00:09:59,892
and then you're not gonna
text the snake back.

151

00:09:59,975 --> 00:10:01,560
[Gar] Ghost the ghost snake.

152

00:10:01,643 --> 00:10:03,580
[Jinx] Yeah, then it'll be
like, "Fuck you, Snake."

153

00:10:03,604 --> 00:10:04,730
[both chuckle]

154

00:10:07,691 --> 00:10:10,778
Hey, can I, uh... Can
I ask you something?

155

00:10:10,861 --> 00:10:12,654
Yeah, spill.

156

00:10:12,738 --> 00:10:14,948
You know about magic...

157

00:10:15,032 --> 00:10:17,409
My guild card came in
the post last week.

158

00:10:17,493 --> 00:10:20,621
[Gar sighs] This is
gonna sound crazy.

159

00:10:20,704 --> 00:10:23,791
I hope so. I am getting bored.

160

00:10:23,874 --> 00:10:27,836
[Gar sighs] A tree of
bones tried to talk to me.

161

00:10:27,920 --> 00:10:30,923
Whoa. Tried, or did?

162

00:10:32,174 --> 00:10:33,050
Did.

163

00:10:33,133 --> 00:10:34,551
Okay.

164

00:10:34,635 --> 00:10:37,221
Did this tree of bones
happen to be under a red sky?

165

00:10:37,304 --> 00:10:38,722
Yeah.

166

00:10:38,806 --> 00:10:40,599
Yeah, that place has a name.

167

00:10:43,018 --> 00:10:44,228
The Red.

168

00:10:45,396 --> 00:10:47,648
Underwhelming and unoriginal.

169

00:10:47,731 --> 00:10:48,941
[chuckles] Yeah.

170

00:10:49,024 --> 00:10:50,192
What else do you know?

171

00:10:50,275 --> 00:10:52,778
Ugh, not much,
really, just rumors.

172

00:10:52,861 --> 00:10:59,284
"It's a place of great power and
mystery." You know, rumor-ey stuff.

173

00:10:59,368 --> 00:11:01,995
It's really starting
to freak me out, Jinx.

174

00:11:02,079 --> 00:11:04,665
I don't know why I keep seeing
it or what it wants from me...

175

00:11:04,748 --> 00:11:08,460
Ugh, Gar, only the
most boring people

176

00:11:08,544 --> 00:11:10,504
need to know what's
at the other end.

177

00:11:10,587 --> 00:11:14,258
Can't you see that
this is a gift?

178

00:11:14,341 --> 00:11:17,511
Sometimes, you just have to
go in blind and figure it out.

179

00:11:20,848 --> 00:11:21,932
Oh, my God.

180
00:11:25,018 --> 00:11:27,563
Hey. Are you all right?

181
00:11:28,230 --> 00:11:29,481
Dude?

182
00:11:30,607 --> 00:11:33,569
Okay, buddy. You all right?

183
00:11:36,572 --> 00:11:38,449
[Jinx] Oh! Oh, my God.

184
00:11:41,243 --> 00:11:44,746
[Gar over radio] We found a dead
guy. The snake ate his face off!

185
00:11:44,830 --> 00:11:47,749
- Guys, this is really bad.
- [groans]

186
00:11:47,833 --> 00:11:50,169
Be careful, you do not
wanna mess with this thing.

187
00:11:50,794 --> 00:11:52,421
[groaning]

188
00:11:56,592 --> 00:11:57,676
[rustling]

189
00:11:58,802 --> 00:11:59,802
[snake hisses]

190
00:12:08,395 --> 00:12:10,272
I'm sensing a theme here.

191

00:12:10,355 --> 00:12:13,001
Dick really needs to talk to someone
about the Titans' merchandising.

192

00:12:13,025 --> 00:12:15,736
I... I can barely find a mug.

193

00:12:20,073 --> 00:12:21,533
Hey, how's life on the outside?

194

00:12:21,617 --> 00:12:23,869
Oh, everything's totally fine.

195

00:12:23,952 --> 00:12:25,632
Dick asked me to take
over for you, Rachel.

196

00:12:25,704 --> 00:12:27,289
He figured you
could use a break.

197

00:12:28,248 --> 00:12:29,541
Oh.

198

00:12:29,625 --> 00:12:31,210
Okay. That's nice of him.

199

00:12:31,293 --> 00:12:33,545
Um... Do you want anything,
like, chips or something?

200

00:12:33,629 --> 00:12:35,255
Uh, yeah. Okay.

201

00:12:35,339 --> 00:12:38,425

Yeah? And don't play Monopoly
without me. It is going to be...

202

00:12:38,509 --> 00:12:40,511
Super. Yeah. Got it.

203

00:12:40,594 --> 00:12:41,720
Yeah.

204

00:12:44,806 --> 00:12:46,391
Take your time.

205

00:12:46,475 --> 00:12:47,559
Okay.

206

00:12:57,069 --> 00:12:59,655
- [Kory] This feels wrong.
- [Dick] Wrong, how?

207

00:12:59,738 --> 00:13:02,324
Things would play out
differently on Tamaran.

208

00:13:02,407 --> 00:13:03,742
What do you mean?

209

00:13:03,825 --> 00:13:06,453
My people would embrace
the uglier option.

210

00:13:07,663 --> 00:13:09,873
We may need to
reconsider things.

211

00:13:09,957 --> 00:13:13,085
Sebastian is right here. We may
never have this chance again.

212

00:13:13,168 --> 00:13:15,688
So you wanna take out the one guy who
spent this whole time protecting...

213

00:13:15,712 --> 00:13:18,090
Well, that book was very clear.

214

00:13:18,173 --> 00:13:20,676
- So, if the prophecy is right...
- So, we should all just do

215

00:13:20,759 --> 00:13:22,678
what this picture says?

216

00:13:22,761 --> 00:13:24,721
Look, we've had it
worse with Rachel.

217

00:13:24,805 --> 00:13:26,157
We'll do the same
thing with Sebastian.

218

00:13:26,181 --> 00:13:28,475
Mmm-hmm. What if
Sebastian is not like...

219

00:13:28,559 --> 00:13:30,102
Rachel?

220

00:13:30,185 --> 00:13:31,937
Hey, do you guys have,
like, five dollars?

221

00:13:32,020 --> 00:13:33,897
What the hell are you doing?

222

00:13:33,981 --> 00:13:35,274
Getting chips.

223

00:13:35,357 --> 00:13:37,192
Why, you patrolling
my sodium intake now?

224

00:13:37,276 --> 00:13:38,443
Where is Sebastian?

225

00:13:38,527 --> 00:13:40,487
In the silo with
Conner, like you wanted.

226

00:13:40,571 --> 00:13:41,780
We wanted?

227

00:13:41,863 --> 00:13:44,366
Yeah. You sent him there
to give me a break?

228

00:13:46,285 --> 00:13:48,537
What's going on?

229

00:13:48,620 --> 00:13:50,956
I thought that it was
safer for me at the silo?

230

00:13:51,039 --> 00:13:54,626
It was. But Dick thinks there's
an even safer place for you.

231

00:13:54,710 --> 00:13:55,711
I'm taking you there now.

232

00:13:55,794 --> 00:13:58,630

That's good. So, where is it?

233

00:13:58,714 --> 00:14:01,550
Nearby. Outside. We just
need to leave S.T.A.R. Labs.

234

00:14:01,633 --> 00:14:05,137
Actually, uh, look. I
would feel a lot better

235

00:14:05,220 --> 00:14:07,472
if we could just go
back to the silo.

236

00:14:07,556 --> 00:14:10,517
Or I, I can go back myself. I
bet Dick wouldn't even mind.

237

00:14:10,601 --> 00:14:14,521
But you can't. Everybody's
waiting for you.

238

00:14:15,856 --> 00:14:17,232
Who?

239

00:14:18,066 --> 00:14:19,526
The Titans?

240

00:14:24,740 --> 00:14:25,824
[voice distorts] My son.

241

00:14:27,159 --> 00:14:28,452
Oh, my God.

242

00:14:28,535 --> 00:14:31,079
You get more beautiful
every time I see you.

243
00:14:33,123 --> 00:14:35,417
I would never take you by force.

244
00:14:36,793 --> 00:14:39,379
You already know the words.

245
00:14:39,463 --> 00:14:40,964
I'm here to warn you.

246
00:14:42,049 --> 00:14:43,550
Do not trust the Titans.

247
00:14:44,635 --> 00:14:46,011
They mean to harm you.

248
00:14:47,679 --> 00:14:50,349
And I would hate
to see you die...

249
00:14:50,432 --> 00:14:52,809
Conner, what's going on?

250
00:14:57,105 --> 00:15:00,442
Dick, just walk away.

251
00:15:00,525 --> 00:15:03,779
Why don't we take a minute to sit
down and just cool off a little bit?

252
00:15:04,780 --> 00:15:07,699
I feel perfectly cool, Dick.

253
00:15:09,117 --> 00:15:11,662
When I told you to walk away,

254

00:15:13,372 --> 00:15:14,373
I meant it.

255

00:15:16,375 --> 00:15:17,417
Conner, stop!

256

00:15:22,964 --> 00:15:26,510
Look, this shit
isn't magic, okay?

257

00:15:26,593 --> 00:15:28,845
Well, technically it
is. But what I mean is,

258

00:15:28,929 --> 00:15:32,307
we've only got three minutes until
this guy is up and at it again.

259

00:15:43,151 --> 00:15:44,945
[sirens wailing in distance]

260

00:15:51,326 --> 00:15:55,080
I know that was a close call,
but we will protect you.

261

00:15:55,163 --> 00:15:57,040
[Sebastian] Is that
really true, though?

262

00:15:57,124 --> 00:15:59,626
Because I obviously wasn't
safe at S.T.A.R. Labs.

263

00:15:59,710 --> 00:16:02,421
And that woman told me I
wasn't safe with you, either,

264

00:16:02,504 --> 00:16:04,339
that I was gonna get killed.

265

00:16:04,423 --> 00:16:07,063
Yes, you weren't safe. Which is why
I got you the hell out of there.

266

00:16:08,009 --> 00:16:12,347
We will figure this
out. I promise.

267

00:16:12,431 --> 00:16:16,977
It'll be all right. You can
trust Kory with your life.

268

00:16:17,602 --> 00:16:18,687
I did.

269

00:16:22,941 --> 00:16:27,821
[Kory] I know you have
questions. We do too.

270

00:16:29,364 --> 00:16:31,783
We just need to buy some
time to get some answers.

271

00:16:31,867 --> 00:16:33,076
[phone dings]

272

00:16:35,370 --> 00:16:38,290
Hey. Elko Diner.

273

00:16:39,374 --> 00:16:42,377
Okay, Universe. We hear you.

274

00:16:42,461 --> 00:16:44,755

Who's in the mood for pancakes?

275

00:16:51,344 --> 00:16:53,305

Dick, we may be in
over our heads, man.

276

00:16:53,388 --> 00:16:54,806

Look, she was able
to summon a beast

277

00:16:54,890 --> 00:16:56,641

inside the most secure
lab on the planet.

278

00:16:56,725 --> 00:16:58,393

Who knows what
she's done to Conner

279

00:16:58,477 --> 00:17:00,717

and how much time we have left
until the end of the world.

280

00:17:02,022 --> 00:17:03,648

Five hours and 15 minutes.

281

00:17:05,066 --> 00:17:07,194

And the world is
not ending, okay?

282

00:17:07,277 --> 00:17:09,237

I told Kory we'd get
through this, and we will.

283

00:17:11,782 --> 00:17:13,408

Where did she take him?

284

00:17:13,492 --> 00:17:15,553

Don't worry about her. She's
taking care of Sebastian.

285

00:17:15,577 --> 00:17:17,037
We've gotta take care of this.

286

00:17:18,997 --> 00:17:20,665
Give me some time with Conner.

287

00:17:26,087 --> 00:17:27,464
Hey, Dick.

288

00:17:27,547 --> 00:17:30,133
[Conner] Sorry about before.

289

00:17:30,217 --> 00:17:32,302
I guess things got
a little heated.

290

00:17:33,970 --> 00:17:35,472
That's an understatement.

291

00:17:35,555 --> 00:17:37,682
Hey, what do you say we
take these cuffs off?

292

00:17:37,766 --> 00:17:39,643
The kryptonite stays on.

293

00:17:39,726 --> 00:17:42,020
Hmm. That's disappointing.

294

00:17:45,690 --> 00:17:47,067
Don't worry about that.

295

00:17:53,532 --> 00:17:56,493

-Jesus.

-[Conner groans] Don't resist.

296

00:17:56,576 --> 00:17:59,871

We all keep fighting
and fighting.

297

00:17:59,955 --> 00:18:01,039

Maybe...

298

00:18:01,122 --> 00:18:03,458

Maybe, now's the time to let go.

299

00:18:03,542 --> 00:18:05,710

[snarls and laughs]

300

00:18:09,130 --> 00:18:10,549

What's the matter? You scared?

301

00:18:11,925 --> 00:18:13,093

[laughs]

302

00:18:20,350 --> 00:18:22,811

[people chattering indistinctly]

303

00:18:22,894 --> 00:18:24,229

[bell tinkles]

304

00:18:28,900 --> 00:18:31,862

I can't believe they've got
one of these in Metropolis.

305

00:18:31,945 --> 00:18:34,573

Yeah, it turns out, it's not
just a metaphysical diner,

306

00:18:34,656 --> 00:18:35,991
but a chain, too.

307

00:18:36,074 --> 00:18:38,285
Metaphysical? So,
it'll protect me?

308

00:18:39,244 --> 00:18:41,621
Yeah, I, uh, hope so.

309

00:18:41,705 --> 00:18:43,099
[Sebastian] I'm sorry,
but I'm just not seeing

310

00:18:43,123 --> 00:18:45,125
how a milkshake is
gonna save my life.

311

00:18:45,208 --> 00:18:46,918
Isn't there somewhere
else we can go?

312

00:18:47,002 --> 00:18:49,796
Like a witness protection
thing? Or a different country?

313

00:18:49,880 --> 00:18:51,715
I've always wanted
to go to Bimini.

314

00:18:51,798 --> 00:18:53,091
Just give me a second.

315

00:18:56,970 --> 00:18:58,763
Hi, you two. Right this way.

316

00:19:07,856 --> 00:19:09,357

[pop music playing]

317
00:19:15,655 --> 00:19:16,740
[machine whirring]

318
00:19:28,919 --> 00:19:30,170
There we go.

319
00:19:32,923 --> 00:19:34,591
Koriand'r.

320
00:19:34,674 --> 00:19:35,759
Zadira.

321
00:19:41,348 --> 00:19:42,891
You brought us here.

322
00:19:44,225 --> 00:19:45,560
Why?

323
00:19:45,644 --> 00:19:47,270
We don't have much time.

324
00:19:52,609 --> 00:19:55,737
We will find him
soon enough, Mother.

325
00:19:55,820 --> 00:19:57,697
We'll bring your son home.

326
00:20:00,408 --> 00:20:04,079
Uh, I can't feel him. It's
just nothing. It's empty.

327
00:20:06,748 --> 00:20:08,458
We have located Sebastian.

328
00:20:10,001 --> 00:20:11,252
Where?

329
00:20:11,336 --> 00:20:13,630
A place that none
of us can reach.

330
00:20:17,550 --> 00:20:19,844
You're not safe here.
Not until you gain

331
00:20:19,928 --> 00:20:21,197
enough power for the
coming war with...

332
00:20:21,221 --> 00:20:23,348
Trigon. I know.

333
00:20:24,099 --> 00:20:25,725
Are you done?

334
00:20:25,809 --> 00:20:27,328
I see, I'm still not
allowed to interrupt.

335
00:20:27,352 --> 00:20:31,189
You were always a wise
pupil. Keep it that way.

336
00:20:32,107 --> 00:20:33,107
Pupil?

337
00:20:33,858 --> 00:20:35,694
I'll fill you in later.

338

00:20:35,777 --> 00:20:38,530
There's no time. The shield around
this place will only last so long.

339
00:20:38,613 --> 00:20:42,367
And the evil woman will certainly
come to claim what is hers.

340
00:20:42,450 --> 00:20:44,661
She's talking about me.

341
00:20:44,744 --> 00:20:47,080
Don't listen to her.
You're not "hers."

342
00:20:47,163 --> 00:20:50,667
He is. That is
precisely the problem.

343
00:20:50,750 --> 00:20:52,335
And the forces
working with Trigon

344
00:20:52,419 --> 00:20:54,546
will stop at nothing to
assure his ascension.

345
00:20:54,629 --> 00:20:59,676
Not if Sebastian has a say. And he doesn't
have to do anything he doesn't want to.

346
00:20:59,759 --> 00:21:02,804
[Zadira] He won't be able
to resist his destiny.

347
00:21:02,887 --> 00:21:05,140
No one can.

348

00:21:05,223 --> 00:21:08,935
We just have to keep him safe
until the blood moon passes.

349

00:21:09,019 --> 00:21:13,064
This naive optimism
is... touching.

350

00:21:13,148 --> 00:21:15,567
And from where is the source?

351

00:21:15,650 --> 00:21:16,985
The cult's book.

352

00:21:17,068 --> 00:21:18,903
We found that it
details the prophecy.

353

00:21:18,987 --> 00:21:22,240
He can only rise to power while
the blood moon is still in the sky.

354

00:21:22,323 --> 00:21:26,077
And what makes you think that
you can save him from his mother,

355

00:21:26,161 --> 00:21:28,329
when you barely understand
your capabilities,

356

00:21:28,413 --> 00:21:32,417
let alone your responsibilities
to people of Tamaran?

357

00:21:32,500 --> 00:21:33,960
I owe them nothing.

358

00:21:34,794 --> 00:21:37,505
I fulfilled my mission.

359

00:21:37,589 --> 00:21:40,300
Rachel defeated Trigon.
The prophecy was denied.

360

00:21:40,383 --> 00:21:41,551
As will this one.

361

00:21:41,634 --> 00:21:44,137
You did nothing to
change the girl.

362

00:21:44,220 --> 00:21:46,097
The change was already in her.

363

00:21:46,181 --> 00:21:49,726
You were merely a spectator
to destiny running its course.

364

00:21:49,809 --> 00:21:51,770
That's not true.
Kory helped me.

365

00:21:51,853 --> 00:21:55,315
You know, we don't have to
listen to her. We can just leave.

366

00:21:55,398 --> 00:21:57,317
Do so at your own peril.

367

00:21:57,400 --> 00:22:01,029
But you know you won't
be able to protect them.

368

00:22:03,073 --> 00:22:05,617
I can't save anyone
on an empty stomach.

369
00:22:06,826 --> 00:22:07,952
Kitchen.

370
00:22:15,335 --> 00:22:18,671
[Mother Mayhem]
Great Trigon. Please.

371
00:22:19,714 --> 00:22:21,299
Speak to me.

372
00:22:22,092 --> 00:22:24,928
I'm begging you.

373
00:22:25,011 --> 00:22:29,516
Our son was taken away by the
Tamaranean to a place I cannot enter.

374
00:22:29,599 --> 00:22:30,975
I need your guidance.

375
00:22:32,602 --> 00:22:34,270
Forgive me. Forgive me!

376
00:22:36,147 --> 00:22:37,816
Forgive me. You
have forsaken me.

377
00:22:37,899 --> 00:22:40,860
You have forsaken me, when
I need you! I need our son!

378
00:22:47,826 --> 00:22:49,994
- [scoffs]

- [bubbling]

379

00:22:50,078 --> 00:22:51,913
Trigon, you're here?

380

00:22:53,998 --> 00:22:58,628
Oh. Your Grace, thank
you, for heeding me.

381

00:22:58,711 --> 00:23:00,463
[bubbling intensifies]

382

00:23:02,423 --> 00:23:03,591
That's not true.

383

00:23:04,551 --> 00:23:06,636
I love none more
than I love you.

384

00:23:08,763 --> 00:23:10,974
I'm sorry.

385

00:23:11,057 --> 00:23:14,394
I never meant to place
anyone above my Lord.

386

00:23:17,647 --> 00:23:18,898
What should I do?

387

00:23:20,942 --> 00:23:22,735
[bubbling]

388

00:23:25,864 --> 00:23:26,948
I understand.

389

00:23:32,662 --> 00:23:34,205

Someone always pays.

390

00:23:40,295 --> 00:23:42,964
[computer] Probability
of organ failure, 80%.

391

00:23:43,047 --> 00:23:47,468
Dick, please, please don't
let me die like this.

392

00:23:48,887 --> 00:23:50,680
Hey, it's gonna be okay, buddy.

393

00:23:52,849 --> 00:23:54,392
I'm so scared.

394

00:23:56,477 --> 00:23:58,730
[Dick] I understand.

395

00:23:58,813 --> 00:24:00,732
We're not going anywhere.

396

00:24:00,815 --> 00:24:02,108
Okay. Okay.

397

00:24:02,192 --> 00:24:04,444
I want you to hear me.
We're gonna save you.

398

00:24:04,527 --> 00:24:07,614
Okay, you're gonna save
me. You're gonna save me.

399

00:24:07,697 --> 00:24:09,657
Wait, wait, wait, wait.

400

00:24:09,741 --> 00:24:11,367
Where have I heard that before?

401
00:24:12,493 --> 00:24:14,746
Oh. Oh, right.

402
00:24:14,829 --> 00:24:16,080
[chuckles]

403
00:24:16,164 --> 00:24:17,832
Why don't we just ask Hank?

404
00:24:17,916 --> 00:24:19,584
That's what you
said to him, right?

405
00:24:19,667 --> 00:24:20,919
Right before he died, right?

406
00:24:21,002 --> 00:24:23,838
- Put him under.
- Oh, come on. Come on.

407
00:24:23,922 --> 00:24:25,256
[grunting indistinctly]

408
00:24:25,340 --> 00:24:26,984
Listen, we got to get
that thing out of him.

409
00:24:27,008 --> 00:24:30,136
- Tell me you got something.
- Well, that's no snake.

410
00:24:30,220 --> 00:24:31,930
That is a curse.

411

00:24:32,013 --> 00:24:34,474
So, we need a magical expulsion,
which I've never done before.

412

00:24:34,557 --> 00:24:35,892
And if it goes wrong...

413

00:24:37,393 --> 00:24:39,854
Well, uh, I think you can guess.

414

00:24:39,938 --> 00:24:42,190
But for it to work,
I'd need my blue ash.

415

00:24:42,273 --> 00:24:46,611
It's from the ground up teeth of a
Baba Yaga, a John Constantine special.

416

00:24:46,694 --> 00:24:48,529
Then we go with that.
We have no choice.

417

00:24:48,613 --> 00:24:50,531
- I can't.
- Why?

418

00:24:50,615 --> 00:24:53,093
Well, because we need to get close
enough to that snake to fight it directly

419

00:24:53,117 --> 00:24:57,121
and we can't rouse its
defenses. It's a total fortress.

420

00:24:57,205 --> 00:24:58,581
Then how do we get
in the fortress?

421
00:25:01,709 --> 00:25:03,461
The Trojan horse.

422
00:25:03,544 --> 00:25:05,046
A man on the inside.

423
00:25:05,129 --> 00:25:07,173
We need something small
enough to get into his body

424
00:25:07,257 --> 00:25:08,341
and stay undetected.

425
00:25:08,424 --> 00:25:09,676
Like a virus?

426
00:25:09,759 --> 00:25:12,053
But a virus smart enough
to target only the snake.

427
00:25:15,807 --> 00:25:16,849
Huh.

428
00:25:19,519 --> 00:25:20,519
What?

429
00:25:40,123 --> 00:25:41,958
Trigon has spoken to you.

430
00:25:48,089 --> 00:25:50,425
You understand I
don't want to do this.

431
00:25:57,307 --> 00:25:59,559
You must be strong

for both of us.

432

00:26:01,436 --> 00:26:05,440
[Gina] You forgave me
for what I did to you.

433

00:26:20,663 --> 00:26:25,752
And you have been by my side
since, despite everything.

434

00:26:30,298 --> 00:26:31,883
Loyal, trustworthy...

435

00:26:33,801 --> 00:26:37,138
your strength has guided me
through the darkest times.

436

00:26:38,973 --> 00:26:42,560
And now it is time to bring
Sebastian to his rightful place.

437

00:26:51,736 --> 00:26:52,820
Quickly, please.

438

00:27:11,547 --> 00:27:13,132
[gurgling]

439

00:27:16,594 --> 00:27:19,555
I will honor your
sacrifice forever. I swear.

440

00:27:28,189 --> 00:27:29,774
[Gar] Okay, here's the big idea.

441

00:27:29,857 --> 00:27:32,944
I turn into to a
virus. Any questions?

442

00:27:33,027 --> 00:27:35,279
I have plenty. Let's
start with the basics.

443

00:27:35,363 --> 00:27:36,840
I thought you could
only turn into animals.

444

00:27:36,864 --> 00:27:39,659
Well, technically,
Niles Caulder said

445

00:27:39,742 --> 00:27:43,037
that I could unzip and
rearrange my DNA into anything

446

00:27:43,121 --> 00:27:44,747
as long as it has DNA

447

00:27:44,831 --> 00:27:47,625
And viruses are actually the
most primordial form of DNA,

448

00:27:47,708 --> 00:27:50,044
so technically it should work.

449

00:27:50,128 --> 00:27:51,462
"Should"?

450

00:27:51,546 --> 00:27:54,632
Theoretically, uh, the idea
would be that Gar's virus

451

00:27:54,715 --> 00:27:57,760
becomes a carrier agent
for Jinx's blue ash.

452

00:28:01,848 --> 00:28:05,601
So, Gar, as a virus, gets
inside Conner's body,

453

00:28:05,685 --> 00:28:07,562
replicates, infects the snake...

454

00:28:07,645 --> 00:28:10,231
And boom! Conner lives.

455

00:28:15,153 --> 00:28:16,237
What?

456

00:28:19,198 --> 00:28:21,993
If Conner dies, so does Gar.

457

00:28:22,076 --> 00:28:24,245
A virus can't live
outside a dead host.

458

00:28:29,041 --> 00:28:30,334
And...

459

00:28:30,418 --> 00:28:32,378
- There's more?
- And...

460

00:28:32,462 --> 00:28:35,173
We haven't exactly figured
out an exit strategy for me

461

00:28:35,256 --> 00:28:37,467
once I'm actually
in Conner's body,

462

00:28:37,550 --> 00:28:39,719
so I could kinda get stuck.

463

00:28:46,726 --> 00:28:47,894
Come with me.

464

00:28:56,652 --> 00:28:58,696
Listen, I need you to
think clearly about this

465

00:28:58,779 --> 00:28:59,989
away from everyone else.

466

00:29:00,072 --> 00:29:01,741
I'm fine.

467

00:29:01,824 --> 00:29:05,036
Gar. Take a moment. Okay?

468

00:29:05,119 --> 00:29:07,288
It's bad enough that
Conner's life is on the line.

469

00:29:08,247 --> 00:29:10,166
I understand the risk.

470

00:29:13,252 --> 00:29:14,712
But I've got this, Dick.

471

00:29:15,880 --> 00:29:17,798
If you were me, would
you even hesitate?

472

00:29:21,469 --> 00:29:23,471
Taught me too well, man.

473

00:29:23,554 --> 00:29:25,389
We'll figure it
out. We always do.

474
00:29:26,557 --> 00:29:27,767
[chuckles softly]

475
00:29:27,850 --> 00:29:29,060
All right.

476
00:29:33,898 --> 00:29:35,274
[Gar] Here we go.

477
00:29:47,912 --> 00:29:48,912
[device beeps]

478
00:30:01,676 --> 00:30:04,095
Come on, Gar virus.

479
00:30:04,845 --> 00:30:06,138
This won't work.

480
00:30:07,557 --> 00:30:09,850
Not that I care.

481
00:30:09,934 --> 00:30:12,603
It will. It just
needs to replicate.

482
00:30:16,232 --> 00:30:17,775
He's doing it.

483
00:30:18,859 --> 00:30:20,319
Now he needs to surround it.

484
00:30:21,195 --> 00:30:22,238

[groans]

485

00:30:25,533 --> 00:30:26,367

Come on.

486

00:30:26,450 --> 00:30:27,785

Are you casting a spell?

487

00:30:29,745 --> 00:30:31,205

No. I'm praying.

488

00:30:35,501 --> 00:30:36,961

He's there.

489

00:30:37,044 --> 00:30:40,131

Right. Now he just needs
to infect the snake.

490

00:30:40,214 --> 00:30:41,733

It should only take
a couple of seconds.

491

00:30:41,757 --> 00:30:43,593

- [groaning]
- [computer beeping]

492

00:30:45,261 --> 00:30:46,887

His vitals are plummeting.

493

00:30:50,016 --> 00:30:51,392

V-Fib. It's his heart!

494

00:30:53,644 --> 00:30:55,062

We need adrenaline.

495

00:30:55,146 --> 00:30:56,814

- Tim!
- [ECG flatlines]

496
00:30:59,775 --> 00:31:01,277
[gasps]

497
00:31:02,570 --> 00:31:03,904
[instruments beeping]

498
00:31:08,034 --> 00:31:09,660
[beeping intensifies]

499
00:31:15,166 --> 00:31:16,334
[Bernard] Okay.

500
00:31:19,629 --> 00:31:21,505
He did it. Now
all we need to do

501
00:31:21,589 --> 00:31:23,069
is figure out how
to get Gar out of...

502
00:31:23,549 --> 00:31:24,550
[gasps]

503
00:31:25,259 --> 00:31:27,637
[gurgling]

504
00:31:27,720 --> 00:31:29,347
Oh, God.

505
00:31:29,430 --> 00:31:31,265
What the hell is happening?

506
00:31:33,267 --> 00:31:34,268

Conner!

507

00:31:46,322 --> 00:31:47,322
[grunts]

508

00:31:58,668 --> 00:32:00,628
Looks like all that
training paid off.

509

00:32:04,799 --> 00:32:05,799
You okay?

510

00:32:06,842 --> 00:32:08,219
Yes.

511

00:32:08,302 --> 00:32:09,387
Good.

512

00:32:17,144 --> 00:32:18,688
Wow.

513

00:32:18,771 --> 00:32:21,065
- Mmm-hmm.
- Straight? No chaser?

514

00:32:24,694 --> 00:32:26,696
That is a lot of...

515

00:32:27,321 --> 00:32:29,073
syrup.

516

00:32:29,156 --> 00:32:30,533
See how good life can be

517

00:32:30,616 --> 00:32:32,260
when you're not worrying

about the end of the world?

518

00:32:32,284 --> 00:32:36,247

Yeah. It suddenly
seems more... sugary.

519

00:32:36,330 --> 00:32:41,168

That is what being a Titan
is all about. The snacks.

520
