EPISODE 4.06

"Brother Blood"

As they return to S.T.A.R. Labs, Rachel reveals to Kory that she also saw her vision, as well as Dick back in Gotham. At the labs, the Titans begin to devise a plan to stop the Blood Moon ritual.

Jay Lycurgo	...	Tim Drake
Franka Potente	...	Mother Mayhem
Joseph Morgan	...	Sebastian Blood
Nyambi Nyambi	...	Red Representative
Lisa Ambalavanar	...	Jinx
James Scully	...	Bernard Fitzmartin
Noah Dalton Danby	...	The Confessor
Kyana Teresa	...	Dr. Espenson
Diana Chrisman	...	Young Sandra
Charlie Zeltzer	...	Young Sebastian
Devin Ross	...	Teen Sebastian
Ziyanda Moyo	...	Young Lila
Deneisha Henry	...	Lila
Rebecca Amzallag	...	Julia
Daniel Brière	...	Mr. Ross
Oshini Wanigasekera	...	Lab Tech

1

00:00:13,431 --> 00:00:15,391
- [rock music playing]
- [panting]

2

00:01:07,068 --> 00:01:08,653
What are we gonna do?

3

00:01:10,780 --> 00:01:14,784
Hmm, we're gonna go back to STAR
Labs and tell them what happened.

4

00:01:23,793 --> 00:01:25,253
You weren't gonna kill him?

5

00:01:27,630 --> 00:01:29,173
No.

6

00:01:29,257 --> 00:01:32,134
Which now means the end
of the world is on me.

7

00:01:35,888 --> 00:01:41,644
Hey, that vision you had... I
was there, too. Like, I saw it.

8

00:01:44,897 --> 00:01:47,149
All of us, together at the park?

9

00:01:48,317 --> 00:01:49,694
Yeah.

10

00:01:51,487 --> 00:01:53,739
I know this is, like,
none of my business,

11

00:01:53,823 --> 00:01:55,408

and there's a lot
going on right now,

12

00:01:55,491 --> 00:01:58,494
but I think that's why I
need to say something...

13

00:02:00,580 --> 00:02:03,207
In Gotham, in the Lazarus Pit,

14

00:02:03,291 --> 00:02:08,254
when I was sucking up all the
nightmares, I saw what Dick saw.

15

00:02:08,337 --> 00:02:10,256
What are you talking about?

16

00:02:10,339 --> 00:02:14,969
Dick had a vision, too, and it was,
pretty much exactly like yours.

17

00:02:18,180 --> 00:02:19,180
The little girl?

18

00:02:20,308 --> 00:02:22,768
With the red balloon.

19

00:02:22,852 --> 00:02:25,229
I don't know if he's
talked to you about this.

20

00:02:25,313 --> 00:02:26,772
No, he hasn't.

21

00:02:36,073 --> 00:02:37,992
[Sebastian shuddering]

22

00:02:46,459 --> 00:02:47,919
What's happening to me?

23

00:02:48,002 --> 00:02:49,962
You're transitioning.

24

00:02:50,046 --> 00:02:53,466
You started the process
when you said the words.

25

00:02:53,549 --> 00:02:56,135
Now, you must drink
from the Well of Blood

26

00:02:56,218 --> 00:02:58,638
and submerge your body
in it to gain peace.

27

00:02:58,721 --> 00:03:02,350
Until you do that, your
misery will only grow.

28

00:03:02,433 --> 00:03:04,852
No. No, I can't.

29

00:03:06,145 --> 00:03:08,189
I won't.

30

00:03:08,272 --> 00:03:11,984
I only came with you to stop
you from killing my friends.

31

00:03:13,069 --> 00:03:14,654
Just leave me alone.

32

00:03:18,616 --> 00:03:20,576

- Is he ready?
- Not yet.

33

00:03:20,660 --> 00:03:23,788
We're running out of time. If we
don't complete the ritual soon...

34

00:03:23,871 --> 00:03:25,706
He must come to the
Well of Blood willingly.

35

00:03:25,790 --> 00:03:27,875
- And if he doesn't?
- He will.

36

00:03:28,668 --> 00:03:30,044
I have a plan.

37

00:03:31,212 --> 00:03:32,296
He will.

38

00:03:34,757 --> 00:03:36,842
[Jinx] Oh, hey. Look at you.

39

00:03:36,926 --> 00:03:40,554
- [Tim] Hey, Gar-virus.
- Almost human-sized again.

40

00:03:40,638 --> 00:03:41,889
[Tim] Yeah, yeah.

41

00:03:43,432 --> 00:03:44,684
How's Conner?

42

00:03:44,767 --> 00:03:46,978
I'm not sure, he keeps
calling me "home slice".

43

00:03:47,061 --> 00:03:50,648
Well, he said I'm hotter than
last July, so, I'd say he's fine.

44

00:03:50,731 --> 00:03:52,650
Are you sure he's
clean? From the curse?

45

00:03:52,733 --> 00:03:54,819
Mmm, he's clean, all right.

46

00:03:54,902 --> 00:03:57,238
I checked him up one
side and down the other.

47

00:03:57,321 --> 00:03:58,481
[Tim chuckling] Good for you.

48

00:04:04,328 --> 00:04:05,538
Where's Sebastian?

49

00:04:07,123 --> 00:04:12,128
He sacrificed himself to
save us. She has him now.

50

00:04:12,211 --> 00:04:15,881
As far as we know, this temple could
be on the top of Mount Everest.

51

00:04:15,965 --> 00:04:18,551
And even if we do find it, how
do we get him out of there?

52

00:04:18,634 --> 00:04:20,177
We could teleport.

53

00:04:20,261 --> 00:04:21,804
Or that's not a thing?

54

00:04:21,887 --> 00:04:24,515
And this is all assuming the
ritual hasn't already happened.

55

00:04:24,598 --> 00:04:26,600
- If it has...
- We're fucked.

56

00:04:26,684 --> 00:04:27,893
The whole world is fucked.

57

00:04:27,977 --> 00:04:29,854
We gotta still believe
there's a chance.

58

00:04:29,937 --> 00:04:31,564
A chance to save him.

59

00:04:31,647 --> 00:04:33,524
Yes, anything less is a failure.

60

00:04:33,607 --> 00:04:35,007
- So what's our move?
- [door opens]

61

00:04:38,446 --> 00:04:40,573
Something happened
to... to your head?

62

00:04:40,656 --> 00:04:42,658
[sniffing] Are you
wearing cologne?

63

00:04:42,742 --> 00:04:43,868
[Kory coughs]

64

00:04:43,951 --> 00:04:47,246
It's Drakkar Noir.
You're welcome.

65

00:04:50,624 --> 00:04:52,835
If you're all done
taking in the view...

66

00:04:54,170 --> 00:04:55,504
[exhales]

67

00:04:56,255 --> 00:04:57,381
Grab a seat.

68

00:04:58,966 --> 00:05:00,384
We've got a demon to stop.

69

00:05:04,096 --> 00:05:06,182
[theme music playing]

70

00:05:17,026 --> 00:05:19,862
The Blood Moon sets in
two hours and six minutes.

71

00:05:19,945 --> 00:05:21,864
What's your big idea?

72

00:05:21,947 --> 00:05:27,453
It's a three-step process. We find
them, kill them, and go have a cold one.

73

00:05:27,536 --> 00:05:29,455
- Hot take.
- We're not doing that.

74

00:05:29,538 --> 00:05:32,792
I am done playing
demon rescue-and-rehab.

75

00:05:32,875 --> 00:05:36,128
This bitch killed my dad
and put a snake up my guts.

76

00:05:36,212 --> 00:05:37,963
It's time for her and
the kid to go bye-bye.

77

00:05:38,047 --> 00:05:40,007
She's on high alert.
It's too dangerous.

78

00:05:40,091 --> 00:05:42,652
We need to find a way to bring
Sebastian back without a head-on battle.

79

00:05:42,676 --> 00:05:44,470
[Conner] There's an
old saying, Richard.

80

00:05:44,553 --> 00:05:47,348
"He, who doesn't learn
from history is a..."

81

00:05:47,431 --> 00:05:52,019
What is it? Oh, yeah,
a fucking moron.

82

00:05:52,103 --> 00:05:53,663
If we killed him when
we had the chance,

83

00:05:53,729 --> 00:05:55,815
we'd all be in the RV
heading to 'Frisco right now.

84

00:05:55,898 --> 00:05:57,399
Don't call it 'Frisco.

85

00:05:57,483 --> 00:05:58,859
We don't kill people, Conner.

86

00:05:58,943 --> 00:06:00,528
We're not murderers.

87

00:06:00,611 --> 00:06:03,280
[scoffs] Got it. Except for
all the people you've murdered.

88

00:06:03,364 --> 00:06:05,491
Like the ones you burned
alive in the asylum,

89

00:06:05,574 --> 00:06:07,535
which caused this whole
mess in the first place.

90

00:06:07,618 --> 00:06:09,203
- That was different.
- Hey!

91

00:06:09,286 --> 00:06:11,956
I'm not complaining.
Shit happens.

92

00:06:12,039 --> 00:06:14,834
Sometimes, people die. It's
not always a bad thing.

93

00:06:14,917 --> 00:06:16,627
We're not killing Sebastian.

94

00:06:16,710 --> 00:06:18,838
Even Bruce figured
it out, eventually.

95

00:06:18,921 --> 00:06:21,921
Do you know how many people The Joker
killed since Batman bashed his head in?

96

00:06:24,885 --> 00:06:25,885
Zero.

97

00:06:25,928 --> 00:06:29,181
Zero. I like that kind of math.

98

00:06:34,937 --> 00:06:36,772
[breathing heavily]

99

00:06:38,107 --> 00:06:39,191
[sniffles]

100

00:07:09,305 --> 00:07:11,223
[breathing heavily]

101

00:07:13,767 --> 00:07:16,395
[Conner] Looks like you're not
all the way back yet, are you?

102

00:07:16,478 --> 00:07:18,731
No, I guess not.

103

00:07:29,158 --> 00:07:31,368
Looks like you're not all
the way back yet, are you?

104

00:07:54,099 --> 00:07:57,770
I can't do this. I won't.

105

00:08:01,523 --> 00:08:03,776
Deep inside, you know,
the life you've led

106

00:08:03,859 --> 00:08:06,111
is not the life
you're meant to lead.

107

00:08:07,905 --> 00:08:10,658
There are so many
memories hidden,

108

00:08:10,741 --> 00:08:13,535
because they're too
painful to remember.

109

00:08:13,619 --> 00:08:15,412
Are you ready to see them now?

110

00:08:28,550 --> 00:08:30,427
This is your home
now, Sebastian.

111

00:08:32,388 --> 00:08:36,141
And this... is your room.

112

00:08:37,810 --> 00:08:39,061
Just for me?

113

00:08:41,146 --> 00:08:45,818
Oh, and here's a little
"welcome home" gift.

114

00:08:47,903 --> 00:08:50,030
I've seen other children
your age play with these,

115
00:08:50,114 --> 00:08:53,200
uh, although, I have to say, I don't
really understand how they work.

116
00:08:54,201 --> 00:08:56,203
I hope you do.

117
00:08:56,287 --> 00:08:58,622
[Mother Mayhem] You were
very happy for a time...

118
00:09:00,666 --> 00:09:03,002
but then, your guardian
made a mistake.

119
00:09:06,255 --> 00:09:07,798
This is your home now, Lila.

120
00:09:18,100 --> 00:09:19,768
She'll need your
bedroom, Sabbie.

121
00:09:20,769 --> 00:09:23,439
It's warmer in here and...

122
00:09:23,522 --> 00:09:27,276
She's not well. You
understand, don't you?

123
00:09:33,240 --> 00:09:34,491
Come here, love.

124
00:09:40,706 --> 00:09:42,124

Do you know what that is, Lila?

125

00:09:45,794 --> 00:09:47,394
Why don't you let her
have a try, Sabbie?

126

00:10:03,645 --> 00:10:06,273
Thank you. You're a good boy.

127

00:10:09,360 --> 00:10:12,154
[Mother Mayhem] Do you know
what really happened that day?

128

00:10:15,991 --> 00:10:20,412
You were punished because
you were stronger than her.

129

00:10:20,496 --> 00:10:24,124
But she was sick. I wasn't.

130

00:10:24,208 --> 00:10:26,085
Was that your fault?

131

00:10:26,168 --> 00:10:29,213
You had done nothing wrong.

132

00:10:29,296 --> 00:10:33,384
Your strength should have been
rewarded, not her weakness.

133

00:10:45,771 --> 00:10:48,482
Hey, excuse me. Have
you seen Conner?

134

00:10:48,565 --> 00:10:50,442
Are you kidding? Take a look.

135
00:10:51,693 --> 00:10:54,530
Bernard, I need
orbital elements.

136
00:10:54,613 --> 00:10:57,449
I gotta see what I'm
working with, you feel me?

137
00:10:57,533 --> 00:10:59,451
I feel you, Mr. Kent.

138
00:10:59,535 --> 00:11:02,871
I think we can stop with the
"Mr. Kent" business, don't you?

139
00:11:02,955 --> 00:11:06,375
Just call me Conner.
Or Mr. Luthor.

140
00:11:08,836 --> 00:11:10,587
All right, Conner.

141
00:11:10,671 --> 00:11:11,964
What the hell is going on?

142
00:11:12,047 --> 00:11:13,549
[sarcastically] Ask Mr. Luthor.

143
00:11:13,632 --> 00:11:16,510
I am taking away the moon.

144
00:11:16,593 --> 00:11:18,637
I accessed LexCorp's mainframe.

145
00:11:18,720 --> 00:11:20,472
We're redirecting 58

of their satellites

146

00:11:20,556 --> 00:11:22,433
to reflect sunlight
back onto the moon.

147

00:11:22,516 --> 00:11:25,310
It'll basically erase the illusion
that the moon's turning red.

148

00:11:25,394 --> 00:11:28,772
No Blood Moon, no blood ritual.

149

00:11:28,856 --> 00:11:31,483
Okay, everyone, listen up.

150

00:11:31,567 --> 00:11:33,652
Once we're fully online,
I'm gonna need thrusters

151

00:11:33,735 --> 00:11:38,031
on all satellites beyond
249.3 degrees East,

152

00:11:38,115 --> 00:11:40,451
all the way up. Got it?

153

00:11:40,534 --> 00:11:42,244
[people acknowledging]

154

00:11:42,327 --> 00:11:44,246
Hey, uh, Conner, can I
talk to you for a second?

155

00:11:44,329 --> 00:11:46,498
Kind of busy, Richard.

156
00:11:46,582 --> 00:11:48,667
We're down to one
hour, 46 minutes.

157
00:11:48,750 --> 00:11:49,910
Please don't call me Richard.

158
00:11:51,003 --> 00:11:52,963
You actually prefer Dick?

159
00:11:53,046 --> 00:11:55,549
The last person to call
me that was Lex Luthor.

160
00:11:55,632 --> 00:11:57,759
Then he sent six ninjas
to kill me and Tim,

161
00:11:57,843 --> 00:11:59,219
so yeah, I actually prefer Dick.

162
00:12:00,220 --> 00:12:02,181
Okay.

163
00:12:02,264 --> 00:12:05,350
You know he wasn't actually
trying to kill you, right?

164
00:12:05,434 --> 00:12:06,685
He was just sending a message.

165
00:12:06,768 --> 00:12:07,853
How do you know?

166
00:12:07,936 --> 00:12:09,376
'Cause if he were

trying to kill you,

167

00:12:09,438 --> 00:12:11,857
he would have rigged the
room with explosives.

168

00:12:11,940 --> 00:12:15,736
That's what I would have
done, if I wanted to kill you.

169

00:12:18,697 --> 00:12:20,866
Look, Conner, you've been
through a lot, lately.

170

00:12:20,949 --> 00:12:22,343
An hour ago, we
thought you were dead.

171

00:12:22,367 --> 00:12:24,286
- Why don't you take some time...
- No time.

172

00:12:24,369 --> 00:12:26,889
If we don't re-position these
satellites now, we miss our chance.

173

00:12:27,372 --> 00:12:29,500
- Thoughts?
- About Conner?

174

00:12:29,583 --> 00:12:31,710
That something is
definitely wrong.

175

00:12:31,793 --> 00:12:34,963
It's like, the "Lex" side
of him is taking over,

176
00:12:35,047 --> 00:12:38,467
which, of course, means
that this satellite idea

177
00:12:38,550 --> 00:12:39,927
is probably going to work.

178
00:12:45,891 --> 00:12:47,392
All right, go for it.

179
00:12:47,476 --> 00:12:50,020
Thank you. Sir.

180
00:12:52,523 --> 00:12:54,066
I knew you'd see it my way...

181
00:12:55,150 --> 00:12:56,860
Dick.

182
00:12:56,944 --> 00:12:59,863
By the way, how's your,
uh, "non-confrontational,

183
00:12:59,947 --> 00:13:02,533
let's just sneak Sebastian out
the back door of the temple

184
00:13:02,616 --> 00:13:05,077
while May Bennet's looking
the other way" plan going?

185
00:13:05,160 --> 00:13:08,121
Hey, Dick. I have an idea.

186
00:13:09,581 --> 00:13:11,625
It's going great.

Thanks for asking.

187

00:13:13,961 --> 00:13:18,048

Do you remember when Gar
mentioned teleportation earlier?

188

00:13:18,131 --> 00:13:19,716

Well, that is the idea.

189

00:13:19,800 --> 00:13:21,927

I remember when he said it
hadn't been invented yet.

190

00:13:22,010 --> 00:13:24,072

Yeah, well, if you'd bothered
to ask me, I would've told you

191

00:13:24,096 --> 00:13:28,058

that it has, by magicians,
over 10,000 years ago.

192

00:13:28,141 --> 00:13:29,476

They should have told somebody.

193

00:13:29,560 --> 00:13:32,062

Yeah, I didn't say
they'd perfected it.

194

00:13:32,145 --> 00:13:33,981

How am I gonna
explain this to you?

195

00:13:34,064 --> 00:13:36,358

Does anyone know how to turn
this on and make it do things?

196

00:13:36,441 --> 00:13:39,653

No, wait, fuck it. I... I'm gonna
do this the old-fashioned way.

197

00:13:41,863 --> 00:13:42,990

Okay.

198

00:13:46,827 --> 00:13:47,661

[exhales]

199

00:13:47,744 --> 00:13:48,745

Okay.

200

00:13:50,372 --> 00:13:55,961

So, the old magicians got
the first part nailed.

201

00:13:56,044 --> 00:14:01,049

There has always been a spell
to get someone to disorganize.

202

00:14:01,133 --> 00:14:03,093

- "Disorganize"?
- Yeah. You know,

203

00:14:03,176 --> 00:14:06,305

go all to bits. That
was the easy part.

204

00:14:06,388 --> 00:14:08,682

The hard part was putting
them back together again.

205

00:14:08,765 --> 00:14:10,142

And that's where
things went wrong.

206

00:14:10,225 --> 00:14:11,703

You'd always end up
with some poor bloke

207

00:14:11,727 --> 00:14:14,479
with a... a foot sticking
out of his mouth,

208

00:14:14,563 --> 00:14:17,649
or just a big mass of quivering
jelly with one blinking eye.

209

00:14:17,733 --> 00:14:20,319
Uh, this is beginning to
sound not very promising.

210

00:14:20,402 --> 00:14:23,238
Yeah. The other problem was
that no one could ever predict

211

00:14:23,322 --> 00:14:26,825
exactly where a person would
be when they re-organized.

212

00:14:26,908 --> 00:14:29,220
Back then they didn't know that
the earth moved through space,

213

00:14:29,244 --> 00:14:33,498
so someone could re-appear
a mile high in the sky,

214

00:14:33,582 --> 00:14:37,919
or right at the
bottom of the ocean.

215

00:14:38,003 --> 00:14:41,089
If only there was a computer that
could predict in time and space

216

00:14:41,173 --> 00:14:43,675
exactly where a disorganized
person would reorganize.

217

00:14:43,759 --> 00:14:46,511
And had the ability to
control the reorganization.

218

00:14:46,595 --> 00:14:48,388
Right down to the
very last atom.

219

00:14:49,598 --> 00:14:53,935
Oh, wait. We do.
You're welcome.

220

00:14:57,814 --> 00:14:59,191
Where is Espenson?

221

00:15:00,525 --> 00:15:03,695
You're fighting your instincts.

222

00:15:03,779 --> 00:15:07,115
But your instincts have always
guided you to your destiny.

223

00:15:09,409 --> 00:15:11,870
Even when the world
stood in your way.

224

00:15:25,676 --> 00:15:29,221
[Mr. Ross] So, in this line
of code, X equals X plus one.

225

00:15:29,304 --> 00:15:32,057
You can see we have a

variable, then an equal sign,

226

00:15:32,140 --> 00:15:35,477
then that same variable again,
then some math operator.

227

00:15:35,560 --> 00:15:38,522
In this case, it happens
to be a plus sign.

228

00:15:38,605 --> 00:15:42,025
- Then a one and...
- I see a shortcut.

229

00:15:45,487 --> 00:15:49,408
Instead of writing "X
equals X plus one,"

230

00:15:49,491 --> 00:15:52,452
um, you could just write
"X plus equals one"

231

00:15:52,536 --> 00:15:54,955
and it performs
the same function.

232

00:15:59,042 --> 00:16:03,046
Ding-ding, Mr. Sanger. Looks like
you are headed to the bonus round,

233

00:16:03,130 --> 00:16:05,507
where the scores can
really change. [chuckles]

234

00:16:08,969 --> 00:16:09,969
[female student] Lame.

235

00:16:11,722 --> 00:16:12,848
[bell ringing]

236

00:16:18,311 --> 00:16:20,605
Hey, Sebastian, hang back a sec.

237

00:16:28,989 --> 00:16:32,284
So... you're a smart kid.

238

00:16:32,367 --> 00:16:33,910
Now, here's the thing,

239

00:16:33,994 --> 00:16:37,914
teaching is about
fundamentals, not shortcuts.

240

00:16:37,998 --> 00:16:42,043
And I'm worried that you haven't
mastered the fundamentals.

241

00:16:43,795 --> 00:16:46,798
Take this to the
guidance office.

242

00:16:46,882 --> 00:16:49,634
Have Mr. Perez find you a
spot in Basic Programming.

243

00:16:52,137 --> 00:16:55,891
I was... I was trying to help.

244

00:16:55,974 --> 00:16:58,059
I think you need to work
on your maturity level.

245

00:17:07,319 --> 00:17:08,695
That's all. You can go.

246

00:17:10,489 --> 00:17:13,658
[Mother Mayhem] He punished
you for being smarter than him.

247

00:17:13,742 --> 00:17:15,911
That's what happens when
common people are given power

248

00:17:15,994 --> 00:17:18,622
over those who
are extraordinary.

249

00:17:18,705 --> 00:17:22,042
Mother, there is
something you need to see.

250

00:17:24,961 --> 00:17:29,132
-[sighs] This can't be happening.
-But it is...

251

00:17:29,216 --> 00:17:32,302
[screaming]

252

00:17:32,385 --> 00:17:34,846
The pain of his
transition is growing.

253

00:17:34,930 --> 00:17:36,473
Mother, make him enter the Well.

254

00:17:36,556 --> 00:17:37,891
Make him drink from it now.

255

00:17:37,974 --> 00:17:40,352
No. I won't force him.

256

00:17:42,604 --> 00:17:44,981
[Sebastian whimpering]

257

00:17:45,065 --> 00:17:46,775
So the trick is
re-organizing matter

258

00:17:46,858 --> 00:17:49,027
back into its original
coherent shape.

259

00:17:49,110 --> 00:17:52,197
Theoretically, it's what Beast
Boy does every time he transforms.

260

00:17:52,280 --> 00:17:55,242
Can it be done for someone
who's DNA isn't already encoded?

261

00:17:55,325 --> 00:17:57,160
How long do I have
to figure it out?

262

00:17:57,244 --> 00:17:58,619
No time at all.

263

00:18:00,247 --> 00:18:01,623
Hard maybe.

264

00:18:06,962 --> 00:18:10,465
[Jinx] Right, it's nearly
time. You ready to power up?

265

00:18:10,549 --> 00:18:14,344
What makes you think you can
get me my powers back, again?

266

00:18:14,427 --> 00:18:16,930
Okay. Well, I never said I
could get you your powers back.

267

00:18:17,013 --> 00:18:19,516
I said I had a spell
to help you find them.

268

00:18:22,102 --> 00:18:23,228
[clears throat]

269

00:18:23,311 --> 00:18:25,230
You can still feel
them, can't you?

270

00:18:25,313 --> 00:18:29,401
Like a phantom limb? Or
when someone you love dies.

271

00:18:29,484 --> 00:18:31,820
They might be gone, but the
connection is always there.

272

00:18:34,114 --> 00:18:36,992
- Yeah. That's how it feels.
- Mmm-hmm.

273

00:18:37,075 --> 00:18:39,536
The thing is though, Rachel,

274

00:18:39,619 --> 00:18:42,372
magic is about intention, right?

275

00:18:42,455 --> 00:18:44,499
So, your powers couldn't
have been taken from you,

276

00:18:44,583 --> 00:18:47,419
unless a part of you
wanted to lose them.

277

00:18:47,502 --> 00:18:49,045
You think I wanted
this to happen?

278

00:18:49,129 --> 00:18:50,547
Well, you tell me.

279

00:18:50,630 --> 00:18:52,108
You've done a lot of
amazing things in your life,

280

00:18:52,132 --> 00:18:53,508
but you've never
just been normal.

281

00:18:55,510 --> 00:18:56,887
Being normal...

282

00:18:58,513 --> 00:18:59,973
Yeah, that felt pretty good.

283

00:19:01,266 --> 00:19:04,311
Do you even want
your powers back?

284

00:19:04,394 --> 00:19:08,064
'Cause if you don't, that
is okay. I'll never tell.

285

00:19:13,445 --> 00:19:16,114
Maybe being normal is
a little overrated.

286
00:19:16,197 --> 00:19:18,742
[chuckles] Yes, I
could not agree more.

287
00:19:19,868 --> 00:19:21,828
So, Raven...

288
00:19:23,079 --> 00:19:24,164
let's get started.

289
00:19:25,373 --> 00:19:26,416
What are you doing?

290
00:19:28,376 --> 00:19:30,211
Right. Eat that.

291
00:19:31,129 --> 00:19:32,589
- What?
- Yeah.

292
00:19:32,672 --> 00:19:33,924
That's a part of the spell.

293
00:19:34,007 --> 00:19:37,177
A very important,
albeit disgusting part.

294
00:19:37,260 --> 00:19:38,303
So, start eating.

295
00:19:38,386 --> 00:19:39,512
Okay.

296
00:19:39,596 --> 00:19:41,431
- Why does it smell like...
- Pineapple-mango?

297

00:19:41,514 --> 00:19:43,391
Yeah, that's my conditioner.

298

00:19:43,475 --> 00:19:44,976
You know, that doesn't help.

299

00:19:45,060 --> 00:19:48,313
Really? Pineapple-mango
is nice.

300

00:19:48,396 --> 00:19:52,025
- [gulping] - That's it. Quickly,
like ripping off a band-aid.

301

00:19:53,318 --> 00:19:54,569
Well done.

302

00:19:55,278 --> 00:19:56,279
[scoffs]

303

00:19:57,364 --> 00:19:58,657
[cell phone ringing]

304

00:20:02,452 --> 00:20:04,120
Bernard. What's up?

305

00:20:04,204 --> 00:20:06,539
[Bernard] You'd
better get over here.

306

00:20:06,623 --> 00:20:11,002
[Conner] Flatten the eccentricity
of all northern satellites to .078.

307

00:20:13,296 --> 00:20:14,965

Increase inclination by 39.

308

00:20:15,048 --> 00:20:17,217

Yes, sir.

309

00:20:17,300 --> 00:20:23,056

You, maximize Delta-V between
longitudes, a 165.4 degrees East,

310

00:20:23,139 --> 00:20:26,559

- 14.7 degrees West. Quickly.

- Okay.

311

00:20:26,643 --> 00:20:28,645

- This is insane.

- [Gar] Compared to what?

312

00:20:28,728 --> 00:20:31,773

Two hours ago I was inside a stomach
trying to kill a ghost snake.

313

00:20:31,856 --> 00:20:34,442

And two hours before that,
we were fighting zombies.

314

00:20:34,526 --> 00:20:35,694

And I kissed Bernard.

315

00:20:38,279 --> 00:20:39,572

Big night for everyone.

316

00:20:41,032 --> 00:20:44,035

- We don't have all night.

- Whoa!

317

00:20:44,119 --> 00:20:45,704

[keyboard clacking]

318
00:20:45,787 --> 00:20:48,039
And in her grace and wisdom...

319
00:20:51,001 --> 00:20:52,043
Yo.

320
00:20:59,426 --> 00:21:00,760
[computer beeping]

321
00:21:01,761 --> 00:21:03,555
Luna granted us the Moon.

322
00:21:03,638 --> 00:21:04,638
[computers beeping]

323
00:21:05,223 --> 00:21:06,891
[Rachel laughing]

324
00:21:06,975 --> 00:21:08,411
[man on radio] All satellites
orientation complete.

325
00:21:08,435 --> 00:21:09,853
[all cheering]

326
00:21:17,777 --> 00:21:18,862
Yes.

327
00:21:25,618 --> 00:21:27,078
Well, he pulled it off.

328
00:21:28,663 --> 00:21:29,706
[sighs]

329

00:21:34,210 --> 00:21:35,587
We have just over an hour.

330
00:21:35,670 --> 00:21:38,048
If the Blood Moon does not
return to us, we are...

331
00:21:38,131 --> 00:21:39,466
It will.

332
00:21:39,549 --> 00:21:41,509
There's no natural way
this can be happening.

333
00:21:45,013 --> 00:21:46,598
Hack into the LexCorp server.

334
00:21:46,681 --> 00:21:48,683
I think I know
who's behind this.

335
00:21:58,693 --> 00:22:01,112
Tonight's been pretty crazy.

336
00:22:01,196 --> 00:22:02,614
I know.

337
00:22:02,697 --> 00:22:05,742
I kept imagining Kal-El flying
in and seeing bald Conner

338
00:22:05,825 --> 00:22:07,410
ordering everyone around.

339
00:22:08,828 --> 00:22:12,707
Yeah, but, I was
thinking more about us.

340
00:22:15,627 --> 00:22:16,878
Oh.

341
00:22:18,004 --> 00:22:20,465
Speaking of that, um...

342
00:22:21,508 --> 00:22:23,134
If we find this temple...

343
00:22:24,761 --> 00:22:26,096
Are you going?

344
00:22:27,931 --> 00:22:29,849
Sounds like we
might not have to.

345
00:22:30,475 --> 00:22:31,726
[exhales]

346
00:22:31,810 --> 00:22:32,811
Thank God.

347
00:22:32,894 --> 00:22:34,145
- [Bernard chuckles]
- What?

348
00:22:34,229 --> 00:22:36,189
Uh, because it sounded
very dangerous,

349
00:22:36,272 --> 00:22:38,459
and all you have is that tiny Bo
staff that you barely know how to use.

350
00:22:38,483 --> 00:22:41,277

Um, why don't you ask that
snake if I know how to use it?

351

00:22:41,361 --> 00:22:43,113

- Oh, well, maybe I will.

- Oh.

352

00:22:43,196 --> 00:22:46,491

Oh, but I can't. Can I? 'Cause
you killed it, didn't you?

353

00:22:47,534 --> 00:22:48,701

My hero.

354

00:22:50,245 --> 00:22:51,454

[Bernard chuckles]

355

00:22:53,248 --> 00:22:56,876

You know, sooner or later,

356

00:22:56,960 --> 00:22:59,295

I am gonna have to
go fight with them.

357

00:23:00,463 --> 00:23:01,881

As long as it's later.

358

00:23:11,516 --> 00:23:12,851

[tense music playing]

359

00:23:21,151 --> 00:23:22,527

[Kory] You okay?

360

00:23:24,779 --> 00:23:26,197

You don't look so good.

361

00:23:27,407 --> 00:23:29,200
Yeah, I don't feel so good.

362

00:23:29,284 --> 00:23:31,202
Why don't you go lie
down. Go get some rest.

363

00:23:31,286 --> 00:23:34,706
It's okay. I just gonna get some
fresh air. No, I'm okay. I'll...

364

00:23:34,789 --> 00:23:36,207
Hey, do you want some company?

365

00:23:43,464 --> 00:23:45,633
It's okay. It's been
happening to me all day.

366

00:23:58,229 --> 00:24:02,233
You seem restless. Are
you all right, my friend?

367

00:24:02,317 --> 00:24:04,444
I'm not really in the mood
for conversation right now.

368

00:24:04,527 --> 00:24:07,155
Yet so many wish
to speak with you.

369

00:24:07,238 --> 00:24:10,533
If you want an autograph, I
can sign a napkin or something.

370

00:24:12,452 --> 00:24:13,703
Listen...

371

00:24:14,996 --> 00:24:16,456
[lions roaring distantly]

372

00:24:19,334 --> 00:24:21,794
You see? They speak.

373

00:24:25,590 --> 00:24:27,926
Do I know you?

374

00:24:28,009 --> 00:24:31,346
The animals, they also see.

375

00:24:32,847 --> 00:24:35,225
You will see,

376

00:24:35,308 --> 00:24:40,438
like Buddy Baker and Mari
McCabe, but you must look.

377

00:24:40,521 --> 00:24:44,609
Well, it was nice speaking
with you, but I gotta go.

378

00:24:44,692 --> 00:24:46,152
- Wait!
- [lion growling distantly]

379

00:24:47,820 --> 00:24:51,324
When the tower splits
in half, go to The Red.

380

00:24:52,200 --> 00:24:53,660
What?

381

00:24:53,743 --> 00:24:55,954
When the tower splits in
half, when you see it happen,

382

00:24:56,037 --> 00:24:59,040
take yourself to The
Red. Do you understand?

383

00:24:59,958 --> 00:25:01,793
Do not forget this.

384

00:25:01,876 --> 00:25:05,630
In the end, all of life,
everyone and everything,

385

00:25:06,839 --> 00:25:10,885
it depends on you...
Garfield Logan.

386

00:25:20,937 --> 00:25:21,938
Hey!

387

00:25:26,234 --> 00:25:27,610
Uh, sorry.

388

00:25:40,123 --> 00:25:42,166
Good work. That was impressive.

389

00:25:45,378 --> 00:25:46,379
I know.

390

00:25:46,462 --> 00:25:48,131
You bought us some time.

391

00:25:48,214 --> 00:25:52,468
- Pretty sure I saved your ass, but... sure.
- [Dick scoffs]

392

00:25:52,552 --> 00:25:56,806

You moved some satellites. You
didn't stop the earth from turning.

393

00:25:56,889 --> 00:25:58,933
When they drift out of position,

394

00:25:59,017 --> 00:26:01,203
they'll have a five-minute window to do
the ritual just before the moon sets.

395

00:26:01,227 --> 00:26:02,562
But you knew that, right?

396

00:26:04,355 --> 00:26:08,151
If they figure it out,
which they probably won't.

397

00:26:08,234 --> 00:26:11,154
Right now, they're panicking, and
panic clouds rational thought.

398

00:26:11,237 --> 00:26:13,590
I gotta be honest, Conner. I'm starting
to get a little concerned about you.

399

00:26:13,614 --> 00:26:15,783
Why? 'Cause I'm
winning so hard?

400

00:26:15,867 --> 00:26:18,347
[Dick] Leather jacket, the bald
head, I get it, you're changing,

401

00:26:18,411 --> 00:26:20,246
you're growing, that's all good.

402

00:26:20,330 --> 00:26:22,707

Just trust me, you don't
want it to happen too fast.

403

00:26:22,790 --> 00:26:25,877

Mmm, too fast.

404

00:26:25,960 --> 00:26:30,173

Well, you know what, I'd say it's
happening just in fucking time.

405

00:26:30,882 --> 00:26:32,592

Rachel's useless.

406

00:26:32,675 --> 00:26:36,888

Gar's losing his mind, Kory's
blue-thing, inconsistent at best.

407

00:26:36,971 --> 00:26:40,683

And, Tim, well, he can't
do anything... at all.

408

00:26:41,934 --> 00:26:43,644

So, if I were you,

409

00:26:43,728 --> 00:26:45,980

I'd stop worrying
about my best player

410

00:26:46,064 --> 00:26:47,690

and just take the win.

411

00:26:47,774 --> 00:26:50,443

You're not the only one to
ever have to go through this.

412

00:26:50,526 --> 00:26:53,738

Me, Kory, Rachel,

Gar, we've been there.

413

00:26:53,821 --> 00:26:56,115

We've all had to fight a
battle with our dark side.

414

00:26:57,742 --> 00:27:00,745

This isn't my dark side.

415

00:27:02,830 --> 00:27:05,291

This is the side that's
looking out for me.

416

00:27:05,375 --> 00:27:07,251

Maybe that's why
you don't like it.

417

00:27:11,839 --> 00:27:13,424

If we're done here,

418

00:27:13,508 --> 00:27:15,868

we'll be in the lab setting up
a way to bring Sebastian back.

419

00:27:18,805 --> 00:27:20,139

We could use your help.

420

00:27:28,147 --> 00:27:29,857

You.

421

00:27:29,941 --> 00:27:32,702

Have the LexCorp servers had any hack
attempts in the last ten minutes?

422

00:27:33,277 --> 00:27:35,446

Four minutes ago.
Mainframe breach.

423

00:27:35,530 --> 00:27:36,948
Satnav was accessed and viewed.

424

00:27:37,031 --> 00:27:39,617
- Point of origin?
- Huh?

425

00:27:39,700 --> 00:27:42,328
Where did it come from?

426

00:27:42,412 --> 00:27:47,333
Um... North Metro Quadrant. Just
off State Road 19 near Hynek Lake.

427

00:27:47,417 --> 00:27:48,751
The Fire Creek Dam.

428

00:27:49,669 --> 00:27:51,045
That's where she is.

429

00:27:55,258 --> 00:27:56,384
Thank you.

430

00:27:59,429 --> 00:28:01,431
[Sebastian shivering]

431

00:28:05,435 --> 00:28:08,771
Go ahead. This will
ease your pain.

432

00:28:08,855 --> 00:28:10,064
At least for now.

433

00:28:16,737 --> 00:28:17,989
We don't have much time.

434

00:28:18,072 --> 00:28:20,158
When the moment comes,
you must be ready.

435

00:28:22,201 --> 00:28:24,245
- Please...
- No.

436

00:28:24,328 --> 00:28:25,746
I need your full attention now.

437

00:28:28,749 --> 00:28:31,085
You still have a
final lesson to learn.

438

00:28:56,652 --> 00:28:57,820
What's this?

439

00:28:59,572 --> 00:29:00,823
I knew you'd forget.

440

00:29:06,120 --> 00:29:07,663
Oh, no.

441

00:29:07,747 --> 00:29:11,626
It was six months ago, tonight,
that I came into your store.

442

00:29:11,709 --> 00:29:13,878
- Oh, my God.
- And you were standing there

443

00:29:13,961 --> 00:29:16,797
with your... your apron
and your little turtle...

444
00:29:16,881 --> 00:29:20,468
Tortoise, actually, and
it was quite big, so...

445
00:29:20,551 --> 00:29:23,054
Yes, tortoise. Whatever.

446
00:29:23,137 --> 00:29:26,057
And, uh, you looked up at me...

447
00:29:26,140 --> 00:29:27,951
[imitates Sebastian] "Hello,
then. Can I help you?"

448
00:29:27,975 --> 00:29:31,729
Is that supposed to be me? But
I don't sound like that, do I?

449
00:29:31,812 --> 00:29:34,690
- You sound exactly like that.
- Oh, my God.

450
00:29:34,774 --> 00:29:36,984
[Julie] And I remember
thinking, um...

451
00:29:39,153 --> 00:29:41,322
"That's the loneliest
man I've ever seen.

452
00:29:43,282 --> 00:29:45,576
Why is he so lonely? [chuckles]

453
00:29:45,660 --> 00:29:47,662
I've gotta do
something about that."

454

00:29:49,163 --> 00:29:51,541

And I've seen you every
single day since then.

455

00:29:56,712 --> 00:29:58,256

Are you gonna open
it? [chuckles]

456

00:30:13,854 --> 00:30:17,024

You always talked about how
the one your mother gave you

457

00:30:17,108 --> 00:30:19,151

was the start of
everything, so...

458

00:30:20,570 --> 00:30:24,532

And now with you
designing your own game,

459

00:30:24,615 --> 00:30:27,618

I thought maybe it would
be... inspirational.

460

00:30:33,416 --> 00:30:34,667

We need to talk.

461

00:30:36,836 --> 00:30:41,299

Uh... okay. [chuckles]

462

00:30:41,382 --> 00:30:43,926

Well, I... I think you... you
know what I'm going to say.

463

00:30:46,387 --> 00:30:49,307

I really don't.
[chuckles nervously]

464
00:30:53,936 --> 00:30:55,104
It's over.

465
00:30:57,898 --> 00:30:59,233
You're joking, right?

466
00:31:00,735 --> 00:31:03,404
- What's... what's wrong?
- This.

467
00:31:03,487 --> 00:31:07,783
All of this, this... None
of it makes any sense.

468
00:31:07,867 --> 00:31:09,702
I mean, what... what
am I supposed to do?

469
00:31:09,785 --> 00:31:13,289
Just sit here and wait
for you to figure it out?

470
00:31:14,915 --> 00:31:16,417
What are you talking about?

471
00:31:16,500 --> 00:31:18,336
Don't, don't, don't,
don't do that.

472
00:31:18,419 --> 00:31:22,465
Don't act all surprised,
or... or upset, or...

473
00:31:23,382 --> 00:31:24,884
Look, um,

474
00:31:24,967 --> 00:31:29,722
I'm... I'm trying to make
this easier on both of us.

475
00:31:29,805 --> 00:31:31,349
Are you breaking up with me?

476
00:31:32,516 --> 00:31:33,559
Yes.

477
00:31:37,688 --> 00:31:40,650
Look, um... Okay.

478
00:31:40,733 --> 00:31:43,027
- I don't know what's hap...
- I can't do this anymore!

479
00:31:43,110 --> 00:31:45,071
I'm sorry. I'm
sorry. I'm sorry.

480
00:31:45,780 --> 00:31:47,031
I'm sorry.

481
00:31:47,615 --> 00:31:48,741
I'm sorry.

482
00:31:50,743 --> 00:31:54,205
I... Look, I... I
know how this goes.

483
00:31:54,288 --> 00:31:56,707
Things seem great, and then,

484
00:31:56,791 --> 00:32:00,503
someone else comes

along. And that's it.

485

00:32:00,586 --> 00:32:05,341

- What? That isn't true.

- Yes. Yes, yes, it is.

486

00:32:05,424 --> 00:32:10,388

See, I'm not the destination,
Julie. I never am.

487

00:32:10,471 --> 00:32:12,223

I'm just a step along the way.

488

00:32:13,516 --> 00:32:14,767

You're wrong.

489

00:32:18,437 --> 00:32:19,897

You can lie to yourself...

490

00:32:22,483 --> 00:32:23,776

but don't lie to me.

491

00:32:30,825 --> 00:32:33,411

[chuckles nervously]

Look, I'm... I'm gonna go.

492

00:32:36,122 --> 00:32:37,748

Uh...

493

00:32:37,832 --> 00:32:40,143

I think we have more to talk
about, so I'm gonna call you...

494

00:32:40,167 --> 00:32:41,167

Don't.

495

00:33:02,648 --> 00:33:04,150
Why did you do it?

496

00:33:04,233 --> 00:33:07,528
Because I knew she
would, eventually...

497

00:33:09,238 --> 00:33:11,782
When other people hurt
you, that's a tragedy.

498

00:33:11,866 --> 00:33:15,244
But if you take up the cudgel
and do it for them, that's a sin.

499

00:33:18,456 --> 00:33:22,376
Every single one of your
followers knows your greatness.

500

00:33:22,460 --> 00:33:23,794
They will never leave you.

501

00:33:25,129 --> 00:33:27,465
If you don't know
that, you're lost.

502

00:33:27,548 --> 00:33:29,884
[all] We pledge our
eternal devotion.

503

00:33:30,968 --> 00:33:32,344
Show him your devotion.

504

00:33:44,774 --> 00:33:46,650
We pledge our eternal devotion.

505

00:33:52,239 --> 00:33:56,660

They see you. They
know what you are.

506

00:33:58,245 --> 00:33:59,246

Do you?

507

00:34:03,584 --> 00:34:06,670

Yes. I do.

508

00:34:17,431 --> 00:34:19,767

So, do I have enough juice?

509

00:34:19,850 --> 00:34:22,853

Did you do something to
increase your strength?

510

00:34:24,063 --> 00:34:26,023

I'm not sure. Why?

511

00:34:26,106 --> 00:34:29,693

When I saw you last week,
you only had access to 8.1%

512

00:34:29,777 --> 00:34:32,363

of your total estimated
kinetic output.

513

00:34:32,446 --> 00:34:34,740

You now have access to over 80%.

514

00:34:37,117 --> 00:34:39,203

And what does that mean?

515

00:34:39,286 --> 00:34:42,164

It means, you need
to be careful.

516

00:34:42,248 --> 00:34:44,583

This isn't just a
weapon anymore, Kory.

517

00:34:44,667 --> 00:34:47,253

If you go all out,
it'll consume you.

518

00:34:48,212 --> 00:34:49,380

It'll kill you.

519

00:34:51,298 --> 00:34:55,386

[Dick] All right. We need to be clear
on exactly how this is gonna work.

520

00:34:55,469 --> 00:34:57,346

Let's run it one
more time. Rachel?

521

00:34:57,429 --> 00:34:59,032

I'll reach out, search
for my powers and then,

522

00:34:59,056 --> 00:35:00,700

from there, I should be able
to zone-in on Sebastian.

523

00:35:00,724 --> 00:35:02,434

Okay, once that starts... Kory?

524

00:35:02,518 --> 00:35:05,229

I join hands with Rachel and
begin feeding her my blue light.

525

00:35:05,312 --> 00:35:07,481

And once the connection
is secure... Jinx?

526

00:35:07,565 --> 00:35:09,233
I join hands with
Rachel and Kory,

527

00:35:09,316 --> 00:35:11,086
and once Sebastian is
thoroughly disorganized,

528

00:35:11,110 --> 00:35:12,903
the three of us
draw him back here.

529

00:35:12,987 --> 00:35:14,787
And as long as all his
physical matter ends up

530

00:35:14,864 --> 00:35:17,575
somewhere in this room,
I'll reassemble him.

531

00:35:17,658 --> 00:35:19,827
All right. Once we start,
we've got one shot at this.

532

00:35:21,036 --> 00:35:23,455
It has to work. Okay.

533

00:35:24,832 --> 00:35:25,958
Hey.

534

00:35:28,335 --> 00:35:29,753
Just wanted to say thank you.

535

00:35:31,505 --> 00:35:33,841
For what? [chuckles] I
haven't done anything yet.

536

00:35:33,924 --> 00:35:36,802

Either way, I'd say you've
earned your five million dollars.

537

00:35:36,886 --> 00:35:38,262

Don't make me regret it.

538

00:35:38,345 --> 00:35:40,472

You really think this
was about the money?

539

00:35:40,556 --> 00:35:41,557

Wasn't it?

540

00:35:43,517 --> 00:35:47,605

Yeah. Yeah, of course.

541

00:35:47,688 --> 00:35:52,985

But, I have to admit, hanging
out with you these past few days,

542

00:35:53,068 --> 00:35:55,279

it's been a lot more
fun than I expected.

543

00:36:00,576 --> 00:36:01,744

You call this fun?

544

00:36:03,954 --> 00:36:05,456

Sick, isn't it?

545

00:36:05,539 --> 00:36:07,207

[Jinx chuckles]

546

00:36:07,291 --> 00:36:08,459

What have I become?

547

00:36:11,837 --> 00:36:13,088

Let's go get Sebastian.

548

00:36:20,596 --> 00:36:22,222

[banging on door]

549

00:36:22,306 --> 00:36:23,724

[door smashes open]

550

00:36:27,061 --> 00:36:28,520

[wind whistling]

551

00:36:30,564 --> 00:36:31,774

[gasps]

552

00:36:33,442 --> 00:36:34,443

Do it.

553

00:36:38,530 --> 00:36:39,740

With pleasure.

554

00:36:43,202 --> 00:36:44,912

[yelling]

555

00:36:51,460 --> 00:36:52,753

- So...

- [gasps]

556

00:36:54,046 --> 00:36:55,089

How did that feel?

557

00:37:00,094 --> 00:37:02,846

You have pleased
me by coming here

558

00:37:02,930 --> 00:37:06,725
and showing me your
capacity for blind rage.

559

00:37:06,809 --> 00:37:09,937
An instinct you have
ignored for too long.

560

00:37:13,565 --> 00:37:16,193
- You killed my father.
- [scoffs]

561

00:37:17,152 --> 00:37:21,198
He was so easy to kill.

562

00:37:21,282 --> 00:37:23,202
I sent the same serpent
for you to do my bidding,

563

00:37:23,242 --> 00:37:25,869
but you are so much
stronger than him.

564

00:37:28,455 --> 00:37:30,249
But you're not stronger than me.

565

00:37:37,589 --> 00:37:40,509
Okay, Rachel,
focus on the light.

566

00:37:43,929 --> 00:37:45,597
Now,

567

00:37:45,681 --> 00:37:52,521
picture your power growing like
leaf-shoots bursting from a tiny seed

568

00:37:52,604 --> 00:37:56,567
and spreading out,
searching for air,

569

00:37:57,443 --> 00:37:59,737
searching for sunlight.

570

00:37:59,820 --> 00:38:01,572
Searching for you.

571

00:38:15,002 --> 00:38:16,170
[gasps]

572

00:38:38,275 --> 00:38:39,568
Now, Kory.

573

00:38:53,207 --> 00:38:54,416
[gasps]

574

00:38:59,797 --> 00:39:00,797
[exhales]

575

00:39:26,907 --> 00:39:27,907
[gasps]

576

00:39:29,243 --> 00:39:30,953
They've got Conner.

577

00:39:31,036 --> 00:39:33,122
[Tim] Fire Creek Dam.

578

00:39:33,205 --> 00:39:34,998
Forty miles north of here.

579

00:39:35,082 --> 00:39:37,376
Funded by the Luthor Foundation.

580
00:39:37,459 --> 00:39:40,170
Yep. That's where they are.
Maybe 200 feet underneath.

581
00:39:40,254 --> 00:39:41,672
Then that's where we're going.

582
00:39:41,755 --> 00:39:43,841
I thought we wanted to avoid
a head-on confrontation?

583
00:39:43,924 --> 00:39:45,401
Thanks to Conner, now
we have no choice.

584
00:39:45,425 --> 00:39:46,927
Can't we teleport them both out?

585
00:39:47,010 --> 00:39:49,930
No! When you try and do two,
their cells intermingle.

586
00:39:50,013 --> 00:39:51,515
It's not pretty.

587
00:39:51,598 --> 00:39:52,742
And do them one at a time,
they'll notice what's happening

588
00:39:52,766 --> 00:39:54,059
and make sure it doesn't.

589
00:39:54,143 --> 00:39:55,943
All right. Find Gar. We

leave in five minutes.

590

00:40:04,069 --> 00:40:05,070
Dick, wait!

591

00:40:10,450 --> 00:40:13,036
This prophecy, it's, um...

592

00:40:13,120 --> 00:40:15,539
I don't know. I have a really
bad feeling about tonight.

593

00:40:15,622 --> 00:40:17,875
If you're asking if I
believe in that? No, I don't.

594

00:40:17,958 --> 00:40:20,544
Well, it's hard to
dismiss, isn't it?

595

00:40:20,627 --> 00:40:22,129
Everything else
is coming true...

596

00:40:22,212 --> 00:40:25,215
To hell with prophecies
and destinies, and visions.

597

00:40:25,299 --> 00:40:26,675
Kory, you said it yourself,

598

00:40:26,758 --> 00:40:28,069
you've had more
visions than anyone,

599

00:40:28,093 --> 00:40:29,373
and none of them have come true.

600
00:40:31,388 --> 00:40:32,556
There's one more.

601
00:40:34,516 --> 00:40:35,976
You and me...

602
00:40:37,436 --> 00:40:39,646
and a little girl
holding a red balloon.

603
00:40:43,901 --> 00:40:45,068
I had it, too.

604
00:40:47,487 --> 00:40:48,780
Why didn't you tell me?

605
00:40:56,288 --> 00:40:57,539
I don't know.

606
00:40:59,333 --> 00:41:00,584
It's okay.

607
00:41:02,002 --> 00:41:04,087
It's like you said.
To hell with visions.

608
00:41:14,556 --> 00:41:17,517
[Nightwing] This is a map to the
temple based on what Rachel saw.

609
00:41:17,601 --> 00:41:20,187
Gar, you're first. Break in
and find Rachel's powers.

610
00:41:20,270 --> 00:41:22,439

We need her back up to full
speed as soon as possible.

611

00:41:22,523 --> 00:41:24,983
Be destructive. Something big.

612

00:41:25,067 --> 00:41:26,693
I got it covered.

613

00:41:26,777 --> 00:41:28,737
All I need from you is
to keep her distracted,

614

00:41:28,820 --> 00:41:31,540
while, Tim, and Rachel find Conner
and Sebastian and get out of there.

615

00:41:31,573 --> 00:41:32,950
That leaves the rest up to you.

616

00:41:33,033 --> 00:41:34,660
I'm gonna have to
get real close.

617

00:41:34,743 --> 00:41:36,286
You can kill her?

618

00:41:36,370 --> 00:41:38,690
Yeah, I could fucking kill her.
I'll take her out. Nut her!

619

00:41:41,708 --> 00:41:44,253
I mean, I will freeze her

620

00:41:44,336 --> 00:41:46,797
long enough for us to get the
fuck out of there, presumably.

621

00:41:46,880 --> 00:41:49,466
Let's be clear on one
thing. This is not personal.

622

00:41:49,549 --> 00:41:51,552
This is a smash-and-grab.

623

00:41:51,635 --> 00:41:54,179
We get in, we get the boys
and get out. Understood?

624

00:41:55,722 --> 00:41:56,765
[barks]

625

00:41:59,351 --> 00:42:00,351
All right, let's go.

626

00:42:04,064 --> 00:42:06,358
Hey, it's okay, Krypto.
We'll bring him back.

627

00:42:06,441 --> 00:42:07,734
- I promise.
- [Krypto whines]

628

00:42:11,321 --> 00:42:12,406
[whimpering]

629

00:42:20,622 --> 00:42:24,501
Mother... the Blood
Moon is coming back.

630

00:42:24,584 --> 00:42:26,420
We only have five minutes.

631

00:42:27,796 --> 00:42:30,007
The time for transformation
is finally here.

632
00:42:32,217 --> 00:42:34,177
Drink from the blood.

633
00:42:34,261 --> 00:42:36,346
Then bathe in the pool.

634
00:42:36,430 --> 00:42:38,849
Only then, your transformation
will be complete.

635
00:42:41,852 --> 00:42:47,024
Azarath. Metrion. Zinthos.

636
00:42:48,066 --> 00:42:49,066
[loud rumbling]

637
00:42:50,277 --> 00:42:51,528
[roars]

638
00:42:53,363 --> 00:42:54,573
[all screaming]

639
00:42:58,368 --> 00:42:59,411
[Beast Boy roaring]

640
00:43:06,168 --> 00:43:08,045
[grunts]

641
00:43:09,129 --> 00:43:10,172
[roars]

642
00:43:16,094 --> 00:43:17,679

[grunting]

643

00:43:21,308 --> 00:43:24,019

[grunting]

644

00:43:24,102 --> 00:43:25,437

[staff clatters]

645

00:43:29,983 --> 00:43:32,319

[both grunting]

646

00:43:56,009 --> 00:43:57,302

[gasps]

647

00:43:59,137 --> 00:44:00,222

Rachel?

648

00:44:01,473 --> 00:44:02,808

I have no idea.

649

00:44:04,518 --> 00:44:06,269

[both grunting]

650

00:44:09,523 --> 00:44:10,607

[yells]

651

00:44:15,862 --> 00:44:16,862

[groans]

652

00:44:22,452 --> 00:44:24,538

I have to admit,
as welcomes go...

653

00:44:28,125 --> 00:44:30,210

This is a little
on the chilly side.

654
00:44:32,671 --> 00:44:36,466
What's that, love?
Can't hear you.

655
00:44:40,178 --> 00:44:41,178
[groans]

656
00:44:45,767 --> 00:44:46,893
Jinx!

657
00:44:53,817 --> 00:44:55,986
Fuck! Not again.

658
00:45:14,004 --> 00:45:15,172
I got this.

659
00:45:26,641 --> 00:45:27,767
Hey!

660
00:45:33,648 --> 00:45:34,900
[straining]

661
00:45:34,983 --> 00:45:36,985
Son, help me!

662
00:45:37,068 --> 00:45:40,238
Sebastian! Sebastian, come
on, please, it's not too late.

663
00:45:41,323 --> 00:45:42,532
Please, Sebastian!

664
00:45:44,034 --> 00:45:47,829
I'm sorry, Rachel. I'm staying.

665
00:45:47,913 --> 00:45:50,999
Sebastian, you don't
have to do this.

666
00:45:52,793 --> 00:45:53,877
Yes, I do.

667
00:45:55,962 --> 00:46:01,051
I'm just so tired
of being nothing.

668
00:46:01,134 --> 00:46:02,135
No!

669
00:46:08,266 --> 00:46:09,726
[screaming]

670
00:46:28,870 --> 00:46:30,247
Take me to The Red.

671
00:46:41,132 --> 00:46:42,759
[screaming stops]

672
00:46:42,842 --> 00:46:45,387
[panting]

673
00:46:53,687 --> 00:46:54,688
[sighs]

674
00:47:09,953 --> 00:47:11,371
[rock music playing]

675
00:47:47,282 --> 00:47:50,827
My son, you're finally home.

676
00:48:03,590 --> 00:48:05,675
[theme music playing]
