**EPISODE CAST**

Teagan Croft	...	Rachel Roth / Raven
Ryan Potter	...	Gar Logan / Beast Boy
Grant Morrison	...	Grant Morrison
Joivan Wade	...	Victor Stone / Cyborg
Brec Bassinger	...	Courtney Whitmore / Stargirl
Nyambi Nyambi	...	Dominic Mndawe / Freedom Beast
Lisa Ambalavanar	...	Jinx
Wyatt Lindner	...	Young Gar
Keilah Griffiths	...	Kris
Ryan O'Callaghan	...	Dr. Seaton
Robert B. Kennedy	...	Dr. Myers

1  
00:00:07,008 --> 00:00:08,718  
[horses whinny]

2  
00:00:10,511 --> 00:00:12,305  
[animals chittering]

3  
00:00:19,395 --> 00:00:20,395  
[woman] Hi, there.

4  
00:00:24,192 --> 00:00:25,192  
You okay, hon?

5  
00:00:32,492 --> 00:00:33,492  
[sighs]

6  
00:00:35,328 --> 00:00:36,370  
What's your name?

7  
00:00:38,539 --> 00:00:39,874  
Garfield Logan.

8  
00:00:41,250 --> 00:00:43,503  
Garfield? Like the cat?

9  
00:00:43,586 --> 00:00:45,713  
I love that cat.

10  
00:00:45,797 --> 00:00:48,841  
My name's Kris. I take  
care of the gorillas.

11  
00:00:50,968 --> 00:00:52,595  
[grunts]

12  
00:00:56,015 --> 00:00:57,642

Do you like gorillas, Garfield?

13

00:00:59,352 --> 00:01:02,063  
Okay. You just sit here  
and watch them a minute.

14

00:01:03,606 --> 00:01:05,358  
[breathing heavily] I  
don't wanna be alone.

15

00:01:06,984 --> 00:01:09,612  
You're gonna have to be, okay?

16

00:01:09,695 --> 00:01:12,907  
I need to go make an announcement  
so we can find your parents.

17

00:01:12,990 --> 00:01:14,742  
I'm sure they're as  
worried as you are.

18

00:01:17,578 --> 00:01:19,330  
I'll be right back, sweetie.

19

00:01:25,002 --> 00:01:27,171  
[crying]

20

00:01:32,593 --> 00:01:33,636  
[gorilla grunts]

21

00:01:35,388 --> 00:01:36,556  
[grunting]

22

00:01:40,935 --> 00:01:42,895  
[foreboding music playing]

23

00:01:46,774 --> 00:01:49,026  
[grunting]

24

00:01:53,322 --> 00:01:54,824  
[monitor beeping]

25

00:01:56,117 --> 00:01:57,410  
[monkey screeching]

26

00:01:58,411 --> 00:02:00,079  
[gorilla growling]

27

00:02:00,705 --> 00:02:02,039  
[sobbing]

28

00:02:03,124 --> 00:02:04,124  
[growls]

29

00:02:07,420 --> 00:02:08,546  
[growls]

30

00:02:08,629 --> 00:02:09,629  
[grunts]

31

00:02:11,883 --> 00:02:14,343  
[Dominic] Garfield Logan.

32

00:02:14,427 --> 00:02:16,304  
[Rachel] Gar, where are you?

33

00:02:16,387 --> 00:02:17,763  
Rachel!

34

00:02:17,847 --> 00:02:18,973  
[Dick] Gar!

35  
00:02:19,056 --> 00:02:19,932  
Dick?

36  
00:02:20,016 --> 00:02:23,186  
[Dominic] Yes.

37  
00:02:23,269 --> 00:02:25,187  
Protector of The Red.

38  
00:02:26,230 --> 00:02:27,230  
[grunts]

39  
00:02:29,275 --> 00:02:32,153  
[Dominic] I have found you.

40  
00:02:33,195 --> 00:02:34,195  
[gasps]

41  
00:02:37,950 --> 00:02:38,950  
[groans]

42  
00:03:03,726 --> 00:03:05,394  
[fire crackling]

43  
00:03:08,397 --> 00:03:09,398  
[creature growls]

44  
00:03:09,482 --> 00:03:11,400  
Whoa! [grunts]

45  
00:03:14,028 --> 00:03:15,613  
[growling]

46  
00:03:15,696 --> 00:03:19,492  
[laughing] Welcome.

47

00:03:19,575 --> 00:03:21,118  
- [Gar] Who are you?  
- [laughs]

48

00:03:21,202 --> 00:03:22,870  
[creature growls]

49

00:03:22,954 --> 00:03:23,954  
What is that?

50

00:03:25,373 --> 00:03:28,876  
Some loyal friends  
working together.

51

00:03:28,960 --> 00:03:30,795  
[Gar] "Friends?"

52

00:03:30,878 --> 00:03:32,296  
Did he frighten you?

53

00:03:33,130 --> 00:03:35,007  
A lion and a bat.

54

00:03:36,175 --> 00:03:37,176  
[laughs]

55

00:03:38,302 --> 00:03:39,302  
[chuckles nervously]

56

00:03:42,264 --> 00:03:44,475  
[grunts]

57

00:03:50,231 --> 00:03:51,607  
[growls]

58

00:03:54,568 --&gt; 00:03:57,029

They are hungry,  
so they go hunt.

59

00:03:58,406 --&gt; 00:04:01,659

Ah, yes. And you?  
Are you hungry?

60

00:04:05,037 --&gt; 00:04:06,037

[Gar] Who are you?

61

00:04:08,374 --&gt; 00:04:09,834

Where am I?

62

00:04:09,917 --&gt; 00:04:12,128

[Dominic] You are atop  
Mount Kilimanjaro.

63

00:04:14,755 --&gt; 00:04:17,174

I pulled you here.  
Out of The Red.

64

00:04:18,592 --&gt; 00:04:19,844

The Red?

65

00:04:19,927 --&gt; 00:04:22,972

The truth. That is  
what and who I am.

66

00:04:24,473 --&gt; 00:04:25,641

Where are my friends?

67

00:04:25,725 --&gt; 00:04:27,351

Who are you?

68

00:04:27,435 --&gt; 00:04:29,186

[Dominic] I am like  
you, my friend.

69

00:04:29,270 --&gt; 00:04:33,357

I am one with all beasts  
who breathe and bleed.

70

00:04:35,568 --&gt; 00:04:36,568

I...

71

00:04:38,738 --&gt; 00:04:40,364

am your freedom.

72

00:04:46,871 --&gt; 00:04:48,956

[theme music playing]

73

00:05:09,643 --&gt; 00:05:10,811

[sighs]

74

00:05:10,895 --&gt; 00:05:11,895

[grunts]

75

00:05:13,147 --&gt; 00:05:17,151

The last thing I remember,  
I was with my friends,

76

00:05:18,235 --&gt; 00:05:19,904

facing the end, I guess...

77

00:05:21,697 --&gt; 00:05:22,948

Then...

78

00:05:23,032 --&gt; 00:05:24,742

[thrumming]

79

00:05:24,825 --&gt; 00:05:25,910

Take me to The Red.

80

00:05:33,334 --> 00:05:34,334

What happened?

81

00:05:37,505 --> 00:05:39,256

You did what I told you to.

82

00:05:40,174 --> 00:05:41,675

You saved yourself.

83

00:05:47,348 --> 00:05:48,348

Then...

84

00:05:52,853 --> 00:05:54,230

I brought you here.

85

00:05:56,357 --> 00:05:57,566

Where are the Titans?

86

00:05:59,068 --> 00:06:00,069

I do not know.

87

00:06:02,154 --> 00:06:03,197

[mumbles]

88

00:06:05,491 --> 00:06:06,491

Come.

89

00:06:12,623 --> 00:06:15,751

Try some. Mmm.

90

00:06:15,835 --> 00:06:19,463

If you brought me here,  
you can take me back.

91  
00:06:19,547 --> 00:06:21,507  
I'm a very good cook.

92  
00:06:21,590 --> 00:06:22,967  
I need to go home.

93  
00:06:26,512 --> 00:06:27,805  
[grunts]

94  
00:06:27,888 --> 00:06:29,140  
Take me to The Red!

95  
00:06:31,058 --> 00:06:32,768  
[breathing heavily]

96  
00:06:32,852 --> 00:06:34,812  
[shouts] Take me to The Red!

97  
00:06:42,069 --> 00:06:43,069  
[grunts]

98  
00:06:45,197 --> 00:06:46,198  
Why isn't it working?

99  
00:06:46,282 --> 00:06:49,118  
[sighs] You need your strength.

100  
00:06:49,952 --> 00:06:51,120  
You are famished.

101  
00:06:52,413 --> 00:06:53,664  
I can feel it.

102  
00:06:55,916 --> 00:06:57,585  
Now, sit.

103  
00:06:57,668 --> 00:06:59,003  
Eat what I offer you.

104  
00:07:03,132 --> 00:07:04,175  
Send me back.

105  
00:07:05,718 --> 00:07:08,637  
Only you can find your  
way back through The Red.

106  
00:07:10,431 --> 00:07:12,308  
And what exactly is The Red?

107  
00:07:15,269 --> 00:07:20,441  
It is a force that connects  
and pervades all animal life

108  
00:07:20,524 --> 00:07:24,320  
in this universe  
and many others.

109  
00:07:25,613 --> 00:07:27,072  
A place fully alive,

110  
00:07:27,156 --> 00:07:30,868  
one that every beating  
heart flows into.

111  
00:07:30,951 --> 00:07:36,248  
Only a chosen few can  
tap into its raw power.

112  
00:07:39,043 --> 00:07:42,421  
The Green Plague that  
killed your parents,

113  
00:07:42,504 --> 00:07:44,131  
also it changed you.

114  
00:07:45,299 --> 00:07:48,385  
That disease didn't change me.

115  
00:07:49,553 --> 00:07:51,263  
A lunatic called the Chief did.

116  
00:07:52,473 --> 00:07:53,724  
Dr. Niles Caulder...

117  
00:07:54,892 --> 00:07:57,102  
cured me of the Green Plague.

118  
00:07:58,354 --> 00:07:59,939  
I was its only survivor.

119  
00:08:01,357 --> 00:08:02,357  
I know.

120  
00:08:04,985 --> 00:08:07,446  
Sakutia killed my family, too.

121  
00:08:09,323 --> 00:08:10,866  
My sister and her children.

122  
00:08:27,883 --> 00:08:28,883  
I'm sorry.

123  
00:08:30,678 --> 00:08:34,098  
The outbreak took those  
we love the most from us.

124  
00:08:35,683 --> 00:08:37,351

That is why I brought you here.

125

00:08:38,310 --> 00:08:41,563  
Our shared grief fuels us.

126

00:09:04,128 --> 00:09:05,462  
I need your help.

127

00:09:13,304 --> 00:09:14,304  
[Gar] Listen...

128

00:09:16,181 --> 00:09:18,600  
We all have problems  
these days, man, I...

129

00:09:18,684 --> 00:09:22,313  
And I'm sure yours  
are important.

130

00:09:22,396 --> 00:09:25,816  
And if I can help you  
in the future, I will.

131

00:09:27,568 --> 00:09:29,945  
But right now, I need to  
get back to my friends.

132

00:09:33,407 --> 00:09:36,535  
You have no idea the evil  
we've been up against.

133

00:09:36,618 --> 00:09:40,289  
Blood moons,  
curses, demons. I...

134

00:09:42,916 --> 00:09:46,712  
It may be a matter of life and

death that I get back to my friends.

135

00:09:47,755 --> 00:09:51,008  
Maybe for the entire world.

136

00:09:51,091 --> 00:09:54,803  
You do not yet know what  
truly threatens the world.

137

00:09:55,888 --> 00:09:57,348  
[footsteps approaching]

138

00:09:59,141 --> 00:10:00,267  
[explosion]

139

00:10:00,351 --> 00:10:01,871  
- [security guard yelling]  
- [gunshots]

140

00:10:02,353 --> 00:10:03,520  
[grunts]

141

00:10:04,605 --> 00:10:06,273  
[Dominic yells]

142

00:10:07,107 --> 00:10:08,609  
[grunting]

143

00:10:08,692 --> 00:10:09,860  
- [Gar growls]  
- [Dominic] No.

144

00:10:09,943 --> 00:10:10,778  
Stay.

145

00:10:10,861 --> 00:10:12,946

- [thuds]  
- [gasps]

146  
00:10:13,030 --> 00:10:15,074  
- [security guard groans] No!  
- [bone snaps]

147  
00:10:19,620 --> 00:10:21,538  
- [grunts]  
- [security guard 2] Wait!

148  
00:10:21,622 --> 00:10:23,332  
- [thuds]  
- [screams]

149  
00:10:34,718 --> 00:10:36,178  
[Dominic breathing heavily]

150  
00:10:46,522 --> 00:10:47,815  
Who were those guys?

151  
00:10:47,898 --> 00:10:51,777  
[Dominic] Men who did  
not belong in my domain.

152  
00:10:51,860 --> 00:10:54,113  
They knew I sought to end them,

153  
00:10:55,697 --> 00:10:57,491  
so they struck first.

154  
00:11:02,246 --> 00:11:05,582  
When I wear the  
helmet of The Beast,

155  
00:11:08,210 --> 00:11:11,588  
I can hear the apes they

took from the jungles...

156  
00:11:12,923 --> 00:11:13,757  
screaming.

157  
00:11:13,841 --> 00:11:15,342  
[apes screaming]

158  
00:11:15,426 --> 00:11:16,760  
[door creaking]

159  
00:11:16,844 --> 00:11:19,179  
[Dominic] Rattling the  
bars of their cages.

160  
00:11:20,055 --> 00:11:21,098  
[door opens]

161  
00:11:21,181 --> 00:11:22,766  
They are infected now.

162  
00:11:25,310 --> 00:11:26,770  
Dying.

163  
00:11:26,854 --> 00:11:28,094  
[Dr. Myers] Keep her breathing.

164  
00:11:29,648 --> 00:11:30,482  
But Dr. Myers...

165  
00:11:30,566 --> 00:11:33,527  
I need the data. Scalpel.

166  
00:11:33,610 --> 00:11:36,238  
[Dominic] Dissected  
while still alive.

167
