EPISODE 4.10

"Game Over"

With help from Conner at LexCorp, Sebastian manifests his powers in a sinister new way, as Dick and Rachel have a close encounter with black magic.

EPISODE CAST

Brenton Thwaites	...	Dick Grayson / Nightwing
Anna Diop	...	Kory Anders / Koriand'r / Starfire
Teagan Croft	...	Rachel Roth / Raven
Ryan Potter	...	Gar Logan / Beast Boy
Joshua Orpin	...	Conner Kent / Superboy
Jay Lycurgo	...	Tim Drake
Franka Potente	...	Mother Mayhem / Ms. Bennett
Joseph Morgan	...	Sebastian Sanger
Joivan Wade	...	Victor Stone / Cyborg
Riley Shanahan	...	Cliff Steele / Robotman
Matthew Zuk	...	Larry Trainor / Negative Man
Matt Bomer	...	Larry Trainor / Negative Man (voice)
Brendan Fraser	...	Cliff Steele / Robotman (voice)
James Scully	...	Bernard Fitzmartin
Allegra Fulton	...	Helena
Vardan Deroché	...	Teen Gamer
Marissa Orjalo	...	E-Girl
MacKenzie Boyd-Garrison	...	Lab Tech
Fallon Bowman	...	Dr. Helen Fabian

1
00:00:31,281 --> 00:00:32,281
[groans softly]

2
00:00:49,048 --> 00:00:50,048
[yawning]

3
00:00:50,884 --> 00:00:52,259
What the fuck?

4
00:00:52,260 --> 00:00:54,219
Well, you look like shit.

5
00:00:54,220 --> 00:00:56,347
[both laugh]

6
00:00:58,183 --> 00:01:00,809
Everybody! Fucknut lives.

7
00:01:00,810 --> 00:01:03,562
[Larry] Finally. You've
been asleep for three days.

8
00:01:03,563 --> 00:01:04,563
[chuckles]

9
00:01:07,233 --> 00:01:08,525
What is going on?

10
00:01:08,526 --> 00:01:10,736
[Vic] We was hoping
that you could tell us.

11
00:01:10,737 --> 00:01:12,863
Everything was a hell of a
lot less George of the Jungle

12

00:01:12,864 --> 00:01:14,698
around here until you rolled up.

13

00:01:14,699 --> 00:01:17,451
Oh, Gar, meet Vic.

14

00:01:17,452 --> 00:01:19,704
There's a 50/50 chance
you'll kill each other.

15

00:01:23,583 --> 00:01:24,583
[metal whirring]

16

00:01:27,962 --> 00:01:29,838
Nice guns.

17

00:01:29,839 --> 00:01:33,300
[Cliff] So you gonna tell us why
we've been mowing Mother Nature's bush

18

00:01:33,301 --> 00:01:34,885
for the past 72 hours?

19

00:01:34,886 --> 00:01:36,845
[Larry] First of all, so wrong.

20

00:01:36,846 --> 00:01:39,348
Second, it's not just that
the house is blooming.

21

00:01:39,349 --> 00:01:41,225
It's also not our house.

22

00:01:41,226 --> 00:01:43,269
[Larry] And just to make
the madness complete...

23

00:01:45,855 --> 00:01:47,482
there's apparently no way out.

24

00:01:49,234 --> 00:01:50,234
So?

25

00:01:51,277 --> 00:01:52,821
Any answers, Broccoli Top?

26

00:01:59,327 --> 00:02:01,663
I... I'm not sure where we are.

27

00:02:03,289 --> 00:02:04,666
[siren wailing]

28

00:02:13,174 --> 00:02:14,467
I'm taking over LexCorp.

29

00:02:15,677 --> 00:02:16,677
Good for you.

30

00:02:17,804 --> 00:02:19,097
That could be good for us.

31

00:02:24,269 --> 00:02:26,270
Wouldn't you like a morning

32

00:02:26,271 --> 00:02:30,691
where May Bennett's marionette
strings aren't pulling you out of bed?

33

00:02:30,692 --> 00:02:33,360
Walking you to where
she wants you to go?

34

00:02:33,361 --> 00:02:35,487

You don't know
anything about me.

35

00:02:35,488 --> 00:02:37,948

Well, I know you
haven't blown that Horn

36

00:02:37,949 --> 00:02:39,784

and brought Trigon
into the world.

37

00:02:41,494 --> 00:02:46,039

And I know that you're May
Bennett's suicide bomber,

38

00:02:46,040 --> 00:02:48,917

and once she straps
you with her hatred,

39

00:02:48,918 --> 00:02:51,754

kicks you into a shopping mall,
she watches the explosion.

40

00:02:55,341 --> 00:02:57,010

And nothing of you remains.

41

00:03:06,686 --> 00:03:07,854

That's programming code.

42

00:03:09,188 --> 00:03:10,481

[breathes heavily]

43

00:03:13,443 --> 00:03:17,821

You know what we call the things
we keep in a little private book

44

00:03:17,822 --> 00:03:19,365
that we don't want
others to see?

45

00:03:22,869 --> 00:03:24,370
We call those dreams.

46

00:03:28,708 --> 00:03:30,752
What's your dream, Sebastian?

47

00:03:37,008 --> 00:03:40,052
I wanted to create something

48

00:03:40,053 --> 00:03:42,388
that would bring the
whole world together.

49

00:03:45,058 --> 00:03:47,226
I wanted to make games.

50

00:03:52,398 --> 00:03:54,275
Sounds ridiculous
now, doesn't it?

51

00:03:56,235 --> 00:03:57,779
No, it doesn't.

52

00:04:02,116 --> 00:04:03,493
Join me at LexCorp.

53

00:04:05,995 --> 00:04:07,497
Whatever is in that book,

54

00:04:08,790 --> 00:04:10,166
I can make it a reality.

55

00:04:14,462 --> 00:04:16,463

I don't dream anymore.

56

00:04:16,464 --> 00:04:18,049

[laughs] Sebastian...

57

00:04:19,217 --> 00:04:20,884

I'm here.

58

00:04:20,885 --> 00:04:22,512

I'm asking you what you want.

59

00:04:24,764 --> 00:04:27,432

When's the last time
someone did that for you?

60

00:04:27,433 --> 00:04:31,270

Has May Bennett ever
done that for you?

61

00:04:45,785 --> 00:04:46,785

[sighs]

62

00:04:51,082 --> 00:04:52,082

Consider my offer.

63

00:04:53,960 --> 00:04:56,796

Call the number on that card if you
want to believe in dreams again.

64

00:05:24,615 --> 00:05:25,615

You're late.

65

00:05:28,953 --> 00:05:31,455

Uh, I... I thought if we
were gonna change the world,

66

00:05:31,456 --> 00:05:33,666
I might have time to at
least grab a cup of coffee.

67

00:05:35,334 --> 00:05:37,295
You're now at the
end of the journey.

68

00:05:39,172 --> 00:05:40,965
Tonight we trumpet the Horn,

69

00:05:42,592 --> 00:05:45,093
let your father arrive,

70

00:05:45,094 --> 00:05:49,264
in the center of
their gleaming city.

71

00:05:49,265 --> 00:05:53,478
I would love to see Metropolis be
the first brought to its knees.

72

00:05:55,521 --> 00:05:57,315
You never asked
me what I wanted.

73

00:05:59,025 --> 00:06:00,192
What?

74

00:06:00,193 --> 00:06:02,236
How come you never
ask me what I want?

75

00:06:05,698 --> 00:06:08,701
We don't need to summon Trigon.

76

00:06:09,619 --> 00:06:11,286
I have power.

77

00:06:11,287 --> 00:06:14,248
Mother, I have power.

78

00:06:16,375 --> 00:06:18,419
[laughing]

79

00:06:20,254 --> 00:06:22,214
Ah, you have power?

80

00:06:22,215 --> 00:06:23,382
- Yeah.
- [both chuckle]

81

00:06:24,133 --> 00:06:25,133
Oh.

82

00:06:27,053 --> 00:06:28,053
You're nothing.

83

00:06:29,972 --> 00:06:33,851
Without Trigon's power,
you will always be nothing.

84

00:06:36,813 --> 00:06:37,896
[breathing heavily]

85

00:06:37,897 --> 00:06:38,815
Nothing?

86

00:06:38,816 --> 00:06:39,982
I gave you destiny.

87

00:06:41,234 --> 00:06:43,735
And now you want to shame me?

88
00:06:43,736 --> 00:06:44,861
Pathetic child.

89
00:06:44,862 --> 00:06:46,530
Don't, Mother.

90
00:06:46,531 --> 00:06:48,490
[Mother Mayhem]
Don't call me that.

91
00:06:48,491 --> 00:06:51,326
My son would not be a coward.

92
00:06:51,327 --> 00:06:54,830
My son would embrace this power.

93
00:06:54,831 --> 00:06:56,290
I am trying.

94
00:06:57,917 --> 00:07:00,044
I'm trying. What do
you want from me?

95
00:07:00,920 --> 00:07:01,920
[sighs]

96
00:07:02,547 --> 00:07:03,798
You are so...

97
00:07:05,258 --> 00:07:06,467
desperately,

98
00:07:07,260 --> 00:07:09,595

disgustingly weak.

99

00:07:11,931 --> 00:07:13,098
Oh.

100

00:07:13,099 --> 00:07:14,683
Are you gonna cry, Sebastian?

101

00:07:14,684 --> 00:07:16,101
- Are you crying, Sebastian?
- [sniffles]

102

00:07:16,102 --> 00:07:17,853
[Mother Mayhem gasps]

103

00:07:17,854 --> 00:07:20,689
Piss yourself and
cry all you want,

104

00:07:20,690 --> 00:07:24,402
but tonight you're gonna use that Horn
and you're gonna bring him back to us.

105

00:07:29,615 --> 00:07:31,659
[screaming] No!

106

00:07:37,123 --> 00:07:39,167
[screaming]

107

00:07:58,728 --> 00:08:00,813
[theme music playing]

108

00:08:16,329 --> 00:08:18,246
[Conner] And that is why
I am formally taking over

109

00:08:18,247 --> 00:08:21,583
all LexCorp operations
as the new CEO.

110
00:08:21,584 --> 00:08:24,170
Now, I know there were rumors

111
00:08:25,421 --> 00:08:26,714
that I was his enemy,

112
00:08:28,090 --> 00:08:30,051
his creation.

113
00:08:31,344 --> 00:08:33,595
Consider me his son.

114
00:08:33,596 --> 00:08:37,850
Consider this an
inheritance of his legacy.

115
00:08:38,684 --> 00:08:41,228
And a new direction.

116
00:08:41,229 --> 00:08:44,815
Expect to see LexCorp's
influence grow across the globe.

117
00:08:46,817 --> 00:08:50,946
Technical innovation that
brings the world closer,

118
00:08:50,947 --> 00:08:52,615
instead of tearing it apart.

119
00:08:54,116 --> 00:08:55,116
Clean energy,

120
00:08:55,993 --> 00:08:57,744
ending starvation,

121
00:08:57,745 --> 00:08:58,745
disease,

122
00:08:59,580 --> 00:09:01,957
poverty.

123
00:09:01,958 --> 00:09:06,379
Capitalism and conscience don't have
to be enemies in a zero-sum game.

124
00:09:07,797 --> 00:09:10,215
Thank you, everyone.

125
00:09:10,216 --> 00:09:12,218
- I'll take questions now.
- [reporters clamoring]

126
00:09:13,386 --> 00:09:14,928
[woman on TV speaking
indistinctly]

127
00:09:14,929 --> 00:09:17,306
So, Conner's playing Lex and
teaming up with Sebastian.

128
00:09:18,891 --> 00:09:20,558
He's too smart for that.

129
00:09:20,559 --> 00:09:21,726
He's working an angle.

130
00:09:21,727 --> 00:09:23,812
[Bernard] You gotta

give it to him.

131

00:09:23,813 --> 00:09:27,232
He does the whole bald-headed, charming
psychopath thing very well. [chuckles]

132

00:09:27,233 --> 00:09:29,151
What if he is working
with Sebastian?

133

00:09:31,028 --> 00:09:32,612
We up against him now, too?

134

00:09:32,613 --> 00:09:34,906
[Dick] May Bennett offered
Sebastian Armageddon.

135

00:09:34,907 --> 00:09:39,119
What did Conner offer him to
get him standing on that stage?

136

00:09:39,120 --> 00:09:42,498
Well, now I'm wondering
what's worse than Armageddon.

137

00:09:43,749 --> 00:09:45,542
[Rachel] So let's go to LexCorp.

138

00:09:45,543 --> 00:09:48,336
Conner will have to
decide which side he's on,

139

00:09:48,337 --> 00:09:51,465
and then, either way,
this thing's finished.

140

00:09:56,304 --> 00:09:57,304

What?

141

00:09:59,682 --> 00:10:00,724
You're shutting me out?

142

00:10:00,725 --> 00:10:02,225
[Dick] We're protecting you.

143

00:10:02,226 --> 00:10:04,311
He cut you with a knife
and he bled the same way.

144

00:10:04,312 --> 00:10:06,688
Whatever happens to him
could happen to you.

145

00:10:06,689 --> 00:10:08,023
Yeah, in that town.

146

00:10:08,024 --> 00:10:09,733
We're not in that town anymore.

147

00:10:09,734 --> 00:10:11,484
We're your family.

148

00:10:11,485 --> 00:10:13,611
We're deciding not
to take the risk.

149

00:10:13,612 --> 00:10:15,739
Sebastian is my family, too.

150

00:10:15,740 --> 00:10:17,824
We have the same
father, the same blood.

151

00:10:17,825 --> 00:10:20,785
All of this happened
because of me.

152

00:10:20,786 --> 00:10:22,329
Because of what I am.

153

00:10:22,330 --> 00:10:24,706
If I have to die to stop it,
then better me than Kory.

154

00:10:24,707 --> 00:10:26,583
No one has to die.

155

00:10:26,584 --> 00:10:29,294
Agreed. Maybe there's a way to sever
the connection between you two.

156

00:10:29,295 --> 00:10:31,838
[Tim] We broke a town
free from a magical curse.

157

00:10:31,839 --> 00:10:33,590
There has to be a way.

158

00:10:33,591 --> 00:10:36,509
Exactly. Look, magic is just
science we don't understand yet.

159

00:10:36,510 --> 00:10:38,136
Except when it's not.

160

00:10:38,137 --> 00:10:39,429
The connection is genetic.

161

00:10:39,430 --> 00:10:41,766
You can't just recode

DNA with a spell.

162

00:10:43,768 --> 00:10:47,270
Please, don't make me do this.
Don't make me wait on the sidelines.

163

00:10:47,271 --> 00:10:48,522
Let me help.

164

00:10:51,317 --> 00:10:52,859
I gotta make a call.

165

00:10:52,860 --> 00:10:53,903
Long distance.

166

00:10:57,990 --> 00:11:00,325
What the fuck is long distance?

167

00:11:00,326 --> 00:11:02,744
I don't know anything you don't.

168

00:11:02,745 --> 00:11:07,416
Look, I'm gonna go prep us on Baby
Luthor and Mr. End of the World.

169

00:11:09,668 --> 00:11:11,836
Keep an eye on LexCorp, hm?

170

00:11:11,837 --> 00:11:12,837
Hm.

171

00:11:20,554 --> 00:11:21,554
[sighs]

172

00:11:29,105 --> 00:11:29,939
[Larry] The door.

173

00:11:29,940 --> 00:11:31,774
- [Cliff] No!
- No!

174

00:11:33,526 --> 00:11:34,818
[Cliff laughing] Oh!

175

00:11:34,819 --> 00:11:35,819
[door closes]

176

00:11:39,031 --> 00:11:40,031
[groans]

177

00:11:41,700 --> 00:11:44,453
Fuck. [breathes
deeply and groans]

178

00:11:46,080 --> 00:11:47,247
Do I know you?

179

00:11:47,248 --> 00:11:48,290
[Gar] Kory?

180

00:11:49,708 --> 00:11:51,960
- Gar?
- [both laugh]

181

00:11:51,961 --> 00:11:53,212
[Kory] Oh, my gosh.

182

00:11:54,046 --> 00:11:54,964
Are you okay?

183

00:11:54,965 --> 00:11:56,423
Yeah. Have you guys been okay?

184

00:11:56,424 --> 00:11:59,342
Yeah. Rachel heard your
voice. You saved us.

185

00:11:59,343 --> 00:12:01,803
So, we just gonna ignore
the sucker punch or...

186

00:12:01,804 --> 00:12:05,515
Uh, Kory. You remember
Cliff and Larry?

187

00:12:05,516 --> 00:12:07,976
Yeah, I thought
I recognized you.

188

00:12:07,977 --> 00:12:11,230
And, uh, I believe your fist
already met Vic's face. [chuckles]

189

00:12:12,231 --> 00:12:13,523
[exhales]

190

00:12:13,524 --> 00:12:15,191
Sorry about that.

191

00:12:15,192 --> 00:12:16,359
[Cliff] Ah, he's fine.

192

00:12:16,360 --> 00:12:17,820
Happens all the time.

193

00:12:18,737 --> 00:12:19,737
Forget about it.

194

00:12:19,738 --> 00:12:20,738
[Kory exhales]

195
00:12:21,907 --> 00:12:24,367
[whispers] Gar, where are we?

196
00:12:24,368 --> 00:12:25,660
Oh.

197
00:12:25,661 --> 00:12:27,079
We're in my house,

198
00:12:28,456 --> 00:12:29,456
but we're not.

199
00:12:30,750 --> 00:12:31,750
But we are.

200
00:12:34,837 --> 00:12:36,797
Okay, I'm gonna need
you to just make, like,

201
00:12:37,590 --> 00:12:39,215
100% more sense.

202
00:12:39,216 --> 00:12:41,009
[Larry] May as well
join the party.

203
00:12:41,010 --> 00:12:44,179
Not making sense is kind
of how we roll around here.

204
00:12:44,180 --> 00:12:45,638
[sarcastically]
Yeah, thank you.

205
00:12:45,639 --> 00:12:47,516
But we can't stay.

206
00:12:48,726 --> 00:12:49,727
Sure, you can.

207
00:12:53,063 --> 00:12:54,063
Sorry, Kory.

208
00:12:55,274 --> 00:12:56,275
We're trapped here.

209
00:12:57,026 --> 00:12:58,026
[chuckles]

210
00:13:05,951 --> 00:13:06,951
[exhales]

211
00:13:10,122 --> 00:13:12,625
[Conner] I call this
programmers' playhouse,

212
00:13:13,626 --> 00:13:15,461
courtesy of the new LexCorp.

213
00:13:16,170 --> 00:13:17,545
All for you.

214
00:13:17,546 --> 00:13:20,590
The worker bees have already
implemented your code.

215
00:13:20,591 --> 00:13:22,383
Assets built.

216

00:13:22,384 --> 00:13:27,055
Once you review, we instantly
distribute to anything running LexOS.

217
00:13:27,056 --> 00:13:29,849
From there, word of
mouth takes over.

218
00:13:29,850 --> 00:13:31,559
If your game is viable...

219
00:13:31,560 --> 00:13:33,604
[chuckles] I don't see a
limit in consumer adoption.

220
00:13:35,105 --> 00:13:37,690
If the game is viable.

221
00:13:37,691 --> 00:13:41,152
We can lead consumers to a game,
but we can't make them play it.

222
00:13:41,153 --> 00:13:43,113
Even corporate America
has its limits.

223
00:13:45,157 --> 00:13:46,617
And if it fails, what then?

224
00:13:48,994 --> 00:13:51,205
Be a laughingstock
all over the world?

225
00:13:53,374 --> 00:13:55,041
[breathing heavily]
I... I can't...

226

00:13:55,042 --> 00:13:56,668
- Hey.
- [breathing heavily]

227
00:13:56,669 --> 00:14:01,005
Failure is what happens when
we stop making attempts.

228
00:14:01,006 --> 00:14:04,468
If it doesn't succeed,
we iterate and try again.

229
00:14:08,681 --> 00:14:10,140
Can I have a moment alone?

230
00:14:13,477 --> 00:14:14,477
It's all a bit...

231
00:14:15,729 --> 00:14:17,231
overwhelming, you know?

232
00:14:19,024 --> 00:14:20,024
Of course.

233
00:14:20,943 --> 00:14:22,819
Take as long as you need.

234
00:14:22,820 --> 00:14:26,156
The, uh, green button on the intercom
goes direct to the coffee bar.

235
00:14:27,157 --> 00:14:28,200
Try the cortado.

236
00:14:37,084 --> 00:14:38,084
[Dick] Hey, Rach.

237

00:14:40,170 --> 00:14:41,629
You got a second?

238

00:14:41,630 --> 00:14:42,964
I'm not that little kid at
the police station anymore.

239

00:14:42,965 --> 00:14:44,549
You don't need to
give me a jacket

240

00:14:44,550 --> 00:14:47,051
and tell me, "Everything's
going to be okay."

241

00:14:47,052 --> 00:14:48,137
Didn't bring a jacket.

242

00:14:51,599 --> 00:14:52,891
But I did bring this.

243

00:14:55,936 --> 00:14:56,936
What is it?

244

00:14:58,147 --> 00:15:00,481
The Clavis Noctem.

245

00:15:00,482 --> 00:15:02,568
In English, "The Key of Night."

246

00:15:04,111 --> 00:15:05,195
This is black magic.

247

00:15:07,615 --> 00:15:08,823
I spoke to my friend in London.

248
00:15:08,824 --> 00:15:10,658
He thinks this
ritual might help.

249
00:15:10,659 --> 00:15:13,244
It finds inner evil,
gives it a physical form.

250
00:15:13,245 --> 00:15:15,038
A form that can be destroyed.

251
00:15:15,039 --> 00:15:19,250
So, you wanna use this to
break my tie with Sebastian.

252
00:15:19,251 --> 00:15:20,878
I wanted to give you the choice.

253
00:15:27,718 --> 00:15:31,387
Black magic is not like me.
It's something different.

254
00:15:31,388 --> 00:15:33,432
It's something... darker.

255
00:15:35,434 --> 00:15:37,852
It's the kind of thing
that requires a price.

256
00:15:37,853 --> 00:15:41,356
Like I said, it's your choice.

257
00:15:41,357 --> 00:15:44,859
This is, um... This is
just you and me, okay?

258

00:15:44,860 --> 00:15:47,613
It's just the other
Titans can't know.

259

00:15:49,740 --> 00:15:53,911
It's just a side of me that, um,
I don't really want them to see.

260

00:15:54,787 --> 00:15:56,955
They won't know. I promise.

261

00:16:08,217 --> 00:16:09,468
[Sebastian] I have power.

262

00:16:10,302 --> 00:16:13,930
Mother, I have power.

263

00:16:13,931 --> 00:16:16,599
[Mother Mayhem] You're
nothing without me.

264

00:16:16,600 --> 00:16:20,521
Without Trigon's power,
you will always be nothing.

265

00:16:22,731 --> 00:16:23,899
You are so...

266

00:16:25,234 --> 00:16:26,234
desperately,

267

00:16:27,236 --> 00:16:29,654
disgustingly weak!

268

00:16:29,655 --> 00:16:31,782
[screaming]

269

00:16:35,494 --> 00:16:36,494
Azarath,

270

00:16:39,373 --> 00:16:40,373
Metrion,

271

00:16:42,126 --> 00:16:43,460
Zinthos.

272

00:17:55,324 --> 00:17:56,158
[grunts]

273

00:17:56,159 --> 00:17:58,076
[panting]

274

00:18:01,246 --> 00:18:03,290
[breathes deeply]

275

00:18:07,544 --> 00:18:09,588
[groans and pants]

276

00:18:15,594 --> 00:18:18,387
[Sebastian] Sebastian
Sanger, god of games.

277

00:18:18,388 --> 00:18:19,932
Has a nice ring to it.

278

00:18:25,646 --> 00:18:27,563
Sorry to invade your office.

279

00:18:27,564 --> 00:18:30,234
It turns out this is the only
room where people don't bother me.

280

00:18:32,611 --> 00:18:33,694
[softly] Ah.

281
00:18:33,695 --> 00:18:35,906
So, feeling better?

282
00:18:39,326 --> 00:18:40,326
Fantastic.

283
00:18:42,621 --> 00:18:43,664
We're really doing this?

284
00:18:44,957 --> 00:18:45,958
Just say the word.

285
00:18:50,796 --> 00:18:51,630
Yes.

286
00:18:51,631 --> 00:18:53,465
[both laughing]

287
00:18:55,801 --> 00:18:56,801
Excellent.

288
00:18:57,469 --> 00:18:59,136
Soon,

289
00:18:59,137 --> 00:19:02,391
Sebastian Sanger will make
himself known to the world.

290
00:19:04,268 --> 00:19:05,643
Now,

291
00:19:05,644 --> 00:19:07,271
I should get out of your office.

292
00:19:08,564 --> 00:19:09,564
Oh, Conner?

293
00:19:13,652 --> 00:19:15,904
You don't have to worry
about my mother anymore.

294
00:19:18,657 --> 00:19:19,657
I'm not.

295
00:19:20,826 --> 00:19:22,244
And if she's out of your way,

296
00:19:23,245 --> 00:19:24,246
then you're better off.

297
00:19:26,164 --> 00:19:28,959
No one has ever let
me choose my own path.

298
00:19:30,502 --> 00:19:31,502
Till now.

299
00:19:32,838 --> 00:19:33,838
Thank you.

300
00:19:36,091 --> 00:19:38,468
To the future.

301
00:19:40,762 --> 00:19:42,014
I'll prepare us for the launch.

302
00:19:46,018 --> 00:19:47,895
[exhales and laughs]

303

00:19:53,692 --> 00:19:55,526

[Kory] I'm sorry
about hitting you.

304

00:19:55,527 --> 00:19:58,030

- I thought you were attacking me.
- Oh, totally understandable.

305

00:20:00,657 --> 00:20:02,325

You got one hell
of a right hook.

306

00:20:02,326 --> 00:20:03,618

[chuckles] Yeah.

307

00:20:03,619 --> 00:20:05,412

We wind up punching
people a lot.

308

00:20:06,872 --> 00:20:08,706

It's kind of a reflex. [laughs]

309

00:20:08,707 --> 00:20:10,625

Here, put these on
there. It might help.

310

00:20:10,626 --> 00:20:12,210

- Just, um, little... Ooh.
- [Vic] Oh.

311

00:20:12,211 --> 00:20:13,502

[both] Sorry.

312

00:20:13,503 --> 00:20:14,838

- [Kory] Sorry.
- [Vic] Okay.

313
00:20:17,007 --> 00:20:18,007
Thanks.

314
00:20:19,551 --> 00:20:20,551
Yeah.

315
00:20:30,437 --> 00:20:31,897
So, this is The Red?

316
00:20:33,065 --> 00:20:35,483
It's a dimension of pure life.

317
00:20:35,484 --> 00:20:37,694
Kind of like the living
soul of the universe.

318
00:20:38,654 --> 00:20:40,154
[Kory] Okay.

319
00:20:40,155 --> 00:20:42,282
And it stuck us in
Doom Patrol's house?

320
00:20:43,867 --> 00:20:45,702
Gar?

321
00:20:47,037 --> 00:20:48,037
Why are we here?

322
00:20:48,914 --> 00:20:51,124
The Red has a will of its own.

323
00:20:52,584 --> 00:20:55,002
It doesn't tell you
directly what it wants.

324
00:20:55,003 --> 00:20:56,420
You have to figure it out.

325
00:20:56,421 --> 00:20:59,090
[Kory] Great.
Okay, that's great.

326
00:20:59,091 --> 00:21:01,343
[sighs] What's up with
the spooky arcades?

327
00:21:02,135 --> 00:21:03,844
Hm.

328
00:21:03,845 --> 00:21:05,721
- Yeah. I... I don't know. I've never seen them before.
- [machine beeps]

329
00:21:05,722 --> 00:21:08,099
[Kory] Gar, Sebastian is worse.

330
00:21:08,100 --> 00:21:11,560
Everything is a lot worse.

331
00:21:11,561 --> 00:21:14,230
Every minute we stay here is
another minute closer to...

332
00:21:14,231 --> 00:21:15,565
[whispering] Hey, just, uh...

333
00:21:23,448 --> 00:21:24,950
The Red showed me things.

334
00:21:26,660 --> 00:21:28,662
Things I needed to see.

335

00:21:30,288 --> 00:21:32,206
About Niles Caulder.

336

00:21:32,207 --> 00:21:34,333
The doctor that saved your life?

337

00:21:34,334 --> 00:21:36,544
He didn't save my life.

338

00:21:36,545 --> 00:21:38,922
He created the virus
that killed my parents.

339

00:21:40,549 --> 00:21:43,301
- [sighs softly] - The Red
wanted me to accept it,

340

00:21:44,845 --> 00:21:46,596
find balance. [sighs]

341

00:21:48,557 --> 00:21:52,059
Hasn't been easy, but
I'm making peace with it.

342

00:21:52,060 --> 00:21:55,313
Gar, I'm so proud of you. I'm
so happy to hear that, really.

343

00:21:57,232 --> 00:21:59,734
But is that why you
brought me here?

344

00:21:59,735 --> 00:22:00,902
To tell me that?

345

00:22:01,820 --> 00:22:03,613
No, I... I didn't.

346

00:22:04,990 --> 00:22:06,825
I'm assuming The Red did. I...

347

00:22:08,160 --> 00:22:11,037
Maybe there's something
you need to balance.

348

00:22:11,038 --> 00:22:13,498
I don't have time to
find balance right now.

349

533

00:34:14,135 --> 00:34:15,594
[Vic] I have, actually.

534

00:34:15,595 --> 00:34:17,220
I learned it last night
when I was with your mom.

535

00:34:17,221 --> 00:34:19,306
Whoa! As your friend
and colleague,

536

00:34:19,307 --> 00:34:20,682
I need to advise you

537

00:34:20,683 --> 00:34:23,310
a solid, but inappropriate,
mom joke here

538

00:34:23,311 --> 00:34:26,147
cuts way against
the Cyborg brand.

539

00:34:28,524 --> 00:34:29,859
Are you fucking kidding me?

540

00:34:32,153 --> 00:34:34,280
Uh, I think you guys
should see this.

541

00:34:35,239 --> 00:34:36,281
You found a way out?

542

00:34:36,282 --> 00:34:37,283
Maybe.

543

00:34:44,749 --> 00:34:45,833
[Kory chuckles softly]

544
00:34:47,919 --> 00:34:48,919
You okay?

545
00:34:49,712 --> 00:34:51,047
Yeah, um...

546
00:34:53,758 --> 00:34:55,842
I think if me finding some
balance gets us out of here,

547
00:34:55,843 --> 00:34:57,303
we're about to
leave. [chuckles]

548
00:34:57,929 --> 00:34:59,513
Really?

549
00:34:59,514 --> 00:35:00,723
[sputtering] What'd you find?

550
00:35:01,599 --> 00:35:02,767
Yeah, I just, um...

551
00:35:04,435 --> 00:35:07,438
Come on, you know you can
tell me anything. [chuckles]

552
00:35:12,026 --> 00:35:14,362
I don't wanna go back
to another psychopath

553
00:35:15,738 --> 00:35:17,865
with a silly name
and too much power.

554

00:35:19,784 --> 00:35:20,827
But I know you.

555

00:35:21,994 --> 00:35:22,994
You're going to.

556

00:35:23,996 --> 00:35:24,996
[sighs]

557

00:35:28,000 --> 00:35:30,253
Ever since I didn't kill
Sebastian, I've been...

558

00:35:31,921 --> 00:35:34,507
thinking about how I
could've stopped all of this.

559

00:35:36,634 --> 00:35:37,634
Hating him.

560

00:35:38,469 --> 00:35:39,637
Judging myself.

561

00:35:41,222 --> 00:35:44,016
Something just clicked
for me while I was here.

562

00:35:45,518 --> 00:35:47,562
I don't need to hate
him to stop him.

563

00:35:48,980 --> 00:35:50,647
Goofing around with you
guys made me think about

564

00:35:50,648 --> 00:35:53,150
all the times I've had
so much fun with you,

565

00:35:54,193 --> 00:35:56,027
and Dick, and Rachel,

566

00:35:56,028 --> 00:35:58,656
and Krypto, and Conner.
And... [chuckles]

567

00:36:00,324 --> 00:36:02,493
And maybe that's what
I need to hold on to.

568

00:36:06,539 --> 00:36:08,875
I'm not going back
because I hate Sebastian.

569

00:36:11,752 --> 00:36:14,755
I'm going back because I love
what he's trying to destroy.

570

00:36:19,218 --> 00:36:20,344
[sighs]

571

00:36:28,394 --> 00:36:30,062
[sighs]

572

00:36:31,689 --> 00:36:32,814
What's happening to him?

573

00:36:32,815 --> 00:36:34,524
[Dr. Fabian] Well,
he's in a coma.

574

00:36:34,525 --> 00:36:35,818

We don't know the cause.

575

00:36:37,153 --> 00:36:39,362
And it's not just him.

576

00:36:39,363 --> 00:36:42,949
Whatever it is, it's happening
to people all over the world.

577

00:36:42,950 --> 00:36:45,410
Another crisis to
add to the pile.

578

00:36:45,411 --> 00:36:48,121
Until we can
understand the cause,

579

00:36:48,122 --> 00:36:49,415
this is everything we can do.

580

00:37:19,236 --> 00:37:20,654
[Dick] Do you sense anything?

581

00:37:20,655 --> 00:37:21,947
Left.

582

00:37:21,948 --> 00:37:22,948
Go left.

583

00:37:32,583 --> 00:37:33,792
[Kory scoffs]

584

00:37:33,793 --> 00:37:35,085
[Gar sniffs]

585

00:37:35,086 --> 00:37:37,504

- Wow, it smells like...
- Death.

586

00:37:37,505 --> 00:37:40,591
Whatever Sebastian's doing, I
think it's creeping in here.

587

00:37:41,842 --> 00:37:42,843
[Larry] Check this out.

588

00:37:48,849 --> 00:37:50,183
Never saw that before.

589

00:37:50,184 --> 00:37:51,227
Yeah, me either.

590

00:37:55,982 --> 00:37:59,235
Well, let's not look a
gift-back-door in the asshole.

591

00:38:14,166 --> 00:38:16,585
Maybe The Red left me a
message in one of these books.

592

00:38:17,670 --> 00:38:19,212
[Vic] Oh, I read that already.

593

00:38:19,213 --> 00:38:20,853
It says that we're
trapped because of you.

594

00:38:21,507 --> 00:38:22,341
Hm.

595

00:38:22,341 --> 00:38:23,341
[slams]

596
00:38:25,636 --> 00:38:26,429
[rumbling]

597
00:38:26,430 --> 00:38:27,846
[Kory] What's that?

598
00:38:27,847 --> 00:38:29,974
[Larry] If I'm lucky,
the end of everything.

599
00:38:34,562 --> 00:38:35,562
[grunts]

600
00:38:37,148 --> 00:38:38,899
Guys? Little help?

601
00:38:41,152 --> 00:38:42,819
[Cliff] Also, fuck
you, powers-that-be

602
00:38:42,820 --> 00:38:45,114
that brought Gar
back into our lives!

603
00:38:47,742 --> 00:38:48,617
Shit!

604
00:38:48,618 --> 00:38:50,119
Negative Spirit, release!

605
00:38:52,747 --> 00:38:53,830
I have an idea!

606
00:38:53,831 --> 00:38:55,582
Vic, I'm going to
need your help.

607

00:38:55,583 --> 00:38:56,791

Oh, so, now we're besties?

608

00:38:56,792 --> 00:38:58,168

Did you ever see
Killers Trilogy?

609

00:38:58,169 --> 00:38:59,419

What, you talkin'
about movies now?

610

00:38:59,420 --> 00:39:00,420

- Come on, man!
- Okay. Which one?

611

00:39:00,421 --> 00:39:01,755

A Killer's Response.

612

00:39:01,756 --> 00:39:03,131

Oh, that's the best
one of the three.

613

00:39:03,132 --> 00:39:04,591

Agreed. At, at the
end of the movie,

614

00:39:04,592 --> 00:39:06,926

Sonny's in his cell. He
uses smuggled C-4 to...

615

00:39:06,927 --> 00:39:08,094

To blow off the roof.

616

00:39:08,095 --> 00:39:09,262

Exactly. Do you
still have the...

617
00:39:09,263 --> 00:39:10,347
[grunts] ...arm gun?

618
00:39:13,350 --> 00:39:15,268
Cannon.

619
00:39:15,269 --> 00:39:17,479
Larry's negative spirit is lighting a
spatial rift at the top of the ceiling.

620
00:39:17,480 --> 00:39:19,272
If you hit it, I
think we're out.

621
00:39:19,273 --> 00:39:20,732
I... I don't see it.

622
00:39:20,733 --> 00:39:23,276
Aim at me. I'll be
your guidance system.

623
00:39:23,277 --> 00:39:24,319
You'll what?

624
00:39:24,320 --> 00:39:25,320
[grunts]

625
00:39:28,199 --> 00:39:29,200
[screeches]

626
00:39:30,534 --> 00:39:31,618
Oh, shit.

627
00:39:31,619 --> 00:39:34,246
[yells] Popping

rivets over here!

628

00:39:38,876 --> 00:39:39,918
What if I hit him?

629

00:39:39,919 --> 00:39:41,294
Just don't!

630

00:39:41,295 --> 00:39:42,504
[Cliff grunts]

631

00:39:42,505 --> 00:39:43,838
[Cliff] Wait, wait,
wait, wait, wait!

632

00:39:43,839 --> 00:39:46,049
If we die, somebody
needs to know.

633

00:39:46,050 --> 00:39:47,634
Joan Jett once told me

634

00:39:47,635 --> 00:39:50,095
I danced in the sheets
like a jungle cat.

635

00:39:50,096 --> 00:39:51,679
Hand to God.

636

00:39:51,680 --> 00:39:52,680
Good to know.

637

00:39:53,516 --> 00:39:54,516
Clear, Gar!

638

00:39:55,142 --> 00:39:56,142

[grunts]

639

00:39:57,061 --> 00:39:58,061

Booyah!

640

00:40:00,981 --> 00:40:02,141

- [gags]

- [breathing heavily]

641

00:40:04,568 --> 00:40:05,693

Okay.

642

00:40:05,694 --> 00:40:06,737

So we're back?

643

00:40:07,571 --> 00:40:08,571

I hope so.

644

00:40:08,572 --> 00:40:09,989

[sighs in relief]

645

00:40:09,990 --> 00:40:11,950

- Thanks, Kory.

- Yeah. [chuckles]

646

00:40:11,951 --> 00:40:13,076

[Tim] Kory.

647

00:40:13,077 --> 00:40:14,370

Hey. Look who I
brought with me.

648

00:40:15,871 --> 00:40:16,872

Welcome back.

649

00:40:18,082 --> 00:40:19,290

Where were you?

650

00:40:19,291 --> 00:40:20,771
You wouldn't believe
me if I told you.

651

00:40:22,920 --> 00:40:24,379
Tim, what's wrong?

652

00:40:24,380 --> 00:40:27,133
[sighs] I know what Sebastian
and Conner are doing.

653

00:40:29,051 --> 00:40:31,177
Every game has pathing.

654

00:40:31,178 --> 00:40:33,513
The ghosts in Pac-Man
moving along a set course,

655

00:40:33,514 --> 00:40:35,390
a long block in Tetris.

656

00:40:35,391 --> 00:40:37,935
But this game's player icon
always makes this pattern.

657

00:40:44,525 --> 00:40:46,693
That symbol was at
the Temple of Azarath.

658

00:40:46,694 --> 00:40:50,280
So Sebastian created a
game that's also a spell.

659

00:40:50,281 --> 00:40:52,157
[Tim] I'm thinking ritual.

660
00:40:52,158 --> 00:40:53,367
The players don't know it.

661
00:40:54,827 --> 00:40:56,036
Bernard didn't know it.

662
00:40:57,371 --> 00:40:58,651
But I think it's killing people.

663
00:41:27,443 --> 00:41:28,443
[metal scrapes]

664
00:41:48,547 --> 00:41:50,007
Hey, behind you! Behind you!

665
00:41:58,390 --> 00:41:59,433
[pants]

666
00:42:13,489 --> 00:42:15,156
I noticed you only
pushed the game out

667
00:42:15,157 --> 00:42:16,908
to players over 18.

668
00:42:16,909 --> 00:42:19,954
We can't leave anyone out,
Conner. This is too important.

669
00:42:21,747 --> 00:42:23,206
That's a database of children

670
00:42:23,207 --> 00:42:25,500
with purchase access to LexOS.

671

00:42:25,501 --> 00:42:29,547

Yeah, LexCorp has excellent
collection data on all its customers.

672

00:42:30,339 --> 00:42:31,340

Naughty or nice,

673

00:42:32,466 --> 00:42:34,176

they will all take part.

674

00:42:35,719 --> 00:42:37,553

Listen,

675

00:42:37,554 --> 00:42:40,556

I was always left
out as a child.

676

00:42:40,557 --> 00:42:43,644

And I am not gonna let
that happen to anyone else.

677

00:42:46,563 --> 00:42:47,563

Apple?

678

00:42:50,734 --> 00:42:53,362

"Suffer little children
to come unto me,

679

00:42:54,238 --> 00:42:56,073

and forbid them not."

680

00:43:01,120 --> 00:43:03,121

S.T.A.R. Labs can brute
force hack into LexCorp

681

00:43:03,122 --> 00:43:04,872

and corrupt their servers.

682

00:43:04,873 --> 00:43:07,166

And delete the game on any
device connected to the Internet.

683

00:43:07,167 --> 00:43:10,128

If we can make it through
LexCorp's mainframe security.

684

00:43:10,129 --> 00:43:11,839

Sounds like a big "if."

685

00:43:14,591 --> 00:43:16,342

What?

686

00:43:16,343 --> 00:43:18,469

I think he is waiting for you
to give him permission to do it.

687

00:43:18,470 --> 00:43:20,388

Technically, we'd be committing

688

00:43:20,389 --> 00:43:23,933

cyber-warfare against a private
corporation, and that's a felony.

689

00:43:23,934 --> 00:43:26,144

Well, Sebastian is
killing the world

690

00:43:26,145 --> 00:43:27,605

with evil Donkey Kong.

691

00:43:28,647 --> 00:43:29,647

Break the law, Tim.

692
00:43:30,274 --> 00:43:31,275
Got it.

693
00:43:36,989 --> 00:43:38,240
[computer beeps]

694
00:43:40,409 --> 00:43:42,369
That's an external
attack on the server.

695
00:43:43,078 --> 00:43:44,078
By who?

696
00:43:49,001 --> 00:43:50,376
[Conner] It's triangulated.

697
00:43:50,377 --> 00:43:53,004
Location trace hasn't
isolated the source.

698
00:43:53,005 --> 00:43:54,630
Doesn't matter.

699
00:43:54,631 --> 00:43:57,467
I'm gonna give your
cyber-security a little boost.

700
00:43:57,468 --> 00:43:58,594
[breathes deeply]

701
00:44:03,307 --> 00:44:04,891
[Kory] Wild guess,
it's not working.

702
00:44:04,892 --> 00:44:07,560
LexCorp's security is

blocking the brute force.

703

00:44:07,561 --> 00:44:08,853
Or Conner and Sebastian

704

00:44:08,854 --> 00:44:10,772
are catching on and
they're stopping it.

705

00:44:10,773 --> 00:44:14,151
Are we positive I can't stop this
by just blowing something up?

706

00:44:15,944 --> 00:44:16,944
[sighs]

707

00:44:17,946 --> 00:44:19,530
Okay.

708

00:44:19,531 --> 00:44:21,657
You know, if only there was some
sort of... [sighs] Forget it.

709

00:44:21,658 --> 00:44:23,242
No. Wh... What were
you going to say?

710

00:44:23,243 --> 00:44:24,660
[Tim] You know, if somehow
there was some sort of,

711

00:44:24,661 --> 00:44:26,872
back door through
LexCorp's security.

712

00:44:29,208 --> 00:44:30,709
[chuckles] Back door.

713
00:44:32,169 --> 00:44:33,378
[Tim] Forget it.

714
00:44:33,379 --> 00:44:34,630
They'd never be that sloppy.

715
00:44:36,590 --> 00:44:37,590
Give it a try.

716
00:44:38,175 --> 00:44:39,175
Trust her.

717
00:44:40,844 --> 00:44:41,887
[grunts softly]

718
00:44:48,018 --> 00:44:49,061
[growling]

719
00:44:50,104 --> 00:44:51,105
[snarls]

720
00:44:59,613 --> 00:45:00,614
[beeping]

721
00:45:22,344 --> 00:45:23,344
[apple crunches]

722
00:45:25,681 --> 00:45:27,558
You chew very loudly.

723
00:45:29,393 --> 00:45:30,393
[chuckles]

724
00:45:31,854 --> 00:45:33,646

[automated voice]
Invasion successful.

725
00:45:33,647 --> 00:45:36,357
Oh, yeah. Yes.

726
00:45:36,358 --> 00:45:37,900
[Gar chuckles]

727
00:45:37,901 --> 00:45:40,021
Would you look at that?
There's a back door after all.

728
00:45:40,446 --> 00:45:41,446
Holy shit.

729
00:45:42,072 --> 00:45:43,406
We're in.

730
00:45:43,407 --> 00:45:45,207
[automated voice] Target
deletion in progress.

731
00:45:47,286 --> 00:45:48,286
[snarls]

732
00:45:53,167 --> 00:45:54,960
- [growls]
- [Rachel chokes]

733
00:46:01,633 --> 00:46:02,633
[Dick] Hey, ugly.

734
00:46:03,469 --> 00:46:04,553
Get away from my friend.

735

00:46:08,682 --> 00:46:09,892
[snarls]

736
00:46:10,517 --> 00:46:11,517
[shrieking]

737
00:46:14,438 --> 00:46:15,439
[grunts]

738
00:46:16,190 --> 00:46:17,733
[screams]

739
00:46:24,615 --> 00:46:25,741
[snarls]

740
00:46:32,748 --> 00:46:33,790
[growls]

741
00:46:38,378 --> 00:46:39,379
[screams]

742
00:46:49,890 --> 00:46:50,890
It's all gone.

743
00:46:56,271 --> 00:46:57,271
My game.

744
00:46:59,983 --> 00:47:00,983
My powers.

745
00:47:05,697 --> 00:47:07,740
[Dick] Are you okay?

746
00:47:07,741 --> 00:47:09,867
So when do I get to
meet your friend?

747

00:47:09,868 --> 00:47:11,745
He's not the kind of
friend you wanna have.

748

00:47:13,580 --> 00:47:14,705
[Sebastian shuddering] Rachel.

749

00:47:14,706 --> 00:47:15,706
[grunts]

750

00:47:18,001 --> 00:47:19,210
Rachel?

751

00:47:19,211 --> 00:47:20,879
- [Sebastian gasps]
- What about Rachel?

752

00:47:22,339 --> 00:47:24,258
I can't feel her anymore.

753

00:47:27,678 --> 00:47:28,804
[shuddering] I can't feel...

754

00:47:35,018 --> 00:47:36,770
[Conner] I'm sorry, Sebastian.

755

00:47:50,075 --> 00:47:51,743
They still don't know
if he'll recover.

756

00:47:58,208 --> 00:48:00,626
Millions of people would be hurt

757

00:48:00,627 --> 00:48:03,088
if you hadn't destroyed

Sebastian's game.

758

00:48:07,634 --> 00:48:08,969
Tim, you stopped him.

759

00:48:11,430 --> 00:48:13,265
Then why do I feel so powerless?

760

00:48:14,433 --> 00:48:15,433
[sniffles]

761

00:48:18,645 --> 00:48:19,645
[shudders]

762

00:48:27,321 --> 00:48:28,321
Gar?

763

00:48:30,657 --> 00:48:31,658
Buddy.

764

00:48:33,201 --> 00:48:34,910
- [chuckles]
- [Dick] You good?

765

00:48:34,911 --> 00:48:35,911
I'm good.

766

00:48:36,788 --> 00:48:37,830
Good to have you back.

767

00:48:37,831 --> 00:48:39,081
Ah, it's good to be back.

768

00:48:39,082 --> 00:48:42,251
So Conner's still right
next to Sebastian.

769

00:48:42,252 --> 00:48:43,711
And we don't know
what he's planning.

770

00:48:43,712 --> 00:48:46,380
I had a look at the event
protocol for Tim's hack.

771

00:48:46,381 --> 00:48:48,884
We didn't break their security.
Someone over there let us in.

772

00:48:49,593 --> 00:48:51,427
Conner?

773

00:48:51,428 --> 00:48:54,598
[sighs] I think the new CEO
of LexCorp is on our side.

774

00:49:26,004 --> 00:49:27,004
[rattling]

775

00:49:47,859 --> 00:49:48,859
[whispers] Sebastian.

776

00:49:50,612 --> 00:49:51,904
[gasps]

777

00:49:51,905 --> 00:49:53,406
[anchor 1] It's just
a total self-own.

778

00:49:53,407 --> 00:49:55,658
[anchor 2] Right?
Watch it in real time.

779

00:49:55,659 --> 00:49:57,743

The destruction of
LexCorp's Abraxus.

780

00:49:57,744 --> 00:49:59,787

[anchor 1] The
hottest game ever!

781

00:49:59,788 --> 00:50:02,957

[anchor 2] Has to go down as one of
the biggest failures in app history.

782

00:50:02,958 --> 00:50:07,337

[Mother Mayhem] Without Trigon's
power, you will always be nothing.

783

00:50:12,384 --> 00:50:14,469

[theme music playing]
