

# TITANS

**CREATED BY**

Greg Berlanti | Akiva Goldsman | Geoff Johns

**EPISODE 4.11**

**"Project Starfire"**

When an unexpected reconnection sheds light on Project Starfire, Kory is forced to make a difficult decision regarding her role in taking down Sebastian. Meanwhile a trip to Gotham prompts new discoveries for Tim, as Mother Mayhem schemes.

Natalie Gumede	...	Mercy Graves
Rebecca Amzallag	...	Julia
Jenny Itwaru	...	Waitress
Joshua Maloney	...	Intruder
Don Gough	...	Hoodlum #1
Liz Adjei	...	Latrice
Brynn Godenir	...	Tilda
Gurdeep Ahluwalia	...	TV Reporter

1

00:01:03,898 --> 00:01:05,942  
[computer whirring]

2

00:01:30,341 --> 00:01:32,844  
- [Kory] Hey.  
- You find anything?

3

00:01:34,053 --> 00:01:35,805  
[sighs and whispers] No.

4

00:01:35,888 --> 00:01:37,265  
Sebastian's gone underground.

5

00:01:38,808 --> 00:01:40,351  
Any word on Conner?

6

00:01:40,434 --> 00:01:41,727  
They must be together.

7

00:01:41,811 --> 00:01:43,646  
We're running a bridge  
and toll search.

8

00:01:43,729 --> 00:01:46,023  
If one of them shows their  
faces, we'll find both of them.

9

00:01:46,524 --> 00:01:47,524  
Okay.

10

00:01:51,487 --> 00:01:52,697  
All those people down there.

11

00:01:53,990 --> 00:01:59,245  
They don't know about Horns  
or Trigons or magical powers.

12

00:01:59,328 --> 00:02:01,455  
They'll go to bed, wake  
up, make their coffee

13

00:02:01,539 --> 00:02:03,082  
and go to work  
like any other day.

14

00:02:04,500 --> 00:02:05,500  
Or not.

15

00:02:13,301 --> 00:02:14,461  
If you could be anywhere else

16

00:02:14,510 --> 00:02:15,529  
[chuckles] on Earth right now,

17

00:02:15,553 --> 00:02:16,554  
where would you be?

18

00:02:18,848 --> 00:02:19,891  
[chuckles softly]

19

00:02:23,686 --> 00:02:25,062  
I don't know. Here  
is pretty nice.

20

00:02:27,356 --> 00:02:28,357  
[chuckles softly]

21

00:02:32,653 --> 00:02:34,280  
Yeah, here's pretty nice.

22

00:02:39,869 --> 00:02:41,495  
[cell phone beeping]

23

00:02:47,710 --> 00:02:49,462  
- Gotta get back.  
- Yeah.

24

00:03:07,605 --> 00:03:08,606  
How's Bernard?

25

00:03:09,815 --> 00:03:11,150  
No change.

26

00:03:11,233 --> 00:03:14,195  
Theta waves with  
intermittent hypsarrhythmia.

27

00:03:14,278 --> 00:03:17,823  
He's in status.  
Continuous seizures.

28

00:03:17,907 --> 00:03:19,384  
But we're gonna try  
upping the phenobarb,

29

00:03:19,408 --> 00:03:20,785  
see if we can  
interrupt the cycle.

30

00:03:22,370 --> 00:03:23,370  
Can I see him?

31

00:03:24,205 --> 00:03:26,332  
Not now. We're  
still running scans.

32

00:03:26,415 --> 00:03:27,833  
I'll keep you posted. Okay?

33

00:03:28,501 --> 00:03:30,127  
Yeah. Thank you.

34

00:03:37,593 --> 00:03:39,428  
- [Tim] Going somewhere?  
- Nope.

35

00:03:40,262 --> 00:03:41,262  
You are.

36

00:03:42,556 --> 00:03:43,891  
I need you back in Gotham.

37

00:03:45,017 --> 00:03:46,102  
You're sending me home?

38

00:03:46,602 --> 00:03:47,687  
Kinda.

39

00:03:47,770 --> 00:03:49,331  
There's a guy who used to  
work for the organization.

40

00:03:49,355 --> 00:03:50,898  
He has information  
on Mother Mayhem,

41

00:03:51,440 --> 00:03:52,483  
and we need it.

42

00:03:55,403 --> 00:03:58,030  
I don't know, Dick. Bernard's  
not looking good, man.

43

00:03:58,114 --> 00:03:59,949  
You're not doing him

any good by being here.

44

00:04:02,034 --> 00:04:04,078  
The guy's name is Venta.  
He lives down on Harbor.

45

00:04:04,161 --> 00:04:05,241  
I told him you were coming.

46

00:04:06,706 --> 00:04:07,915  
[sighs] That's it?

47

00:04:10,209 --> 00:04:12,670  
Just get the information  
and report back?

48

00:04:13,254 --> 00:04:14,254  
That's it.

49

00:04:15,297 --> 00:04:16,297  
[exhales]

50

00:04:19,802 --> 00:04:21,971  
Keep your eyes open.  
Gotham's still Gotham.

51

00:04:24,515 --> 00:04:25,808  
Need you back in one piece.

52

00:04:29,020 --> 00:04:31,230  
If anything changes with  
Bernard, I'll call you.

53

00:04:33,357 --> 00:04:34,817  
Well, what about the suitcase?

54

00:04:38,487 --> 00:04:39,487  
I don't know.

55

00:04:39,822 --> 00:04:40,822  
Open it.

56

00:05:13,481 --> 00:05:16,734  
[reporter on TV] Sebastian Sanger's  
fans worldwide are demanding answers

57

00:05:16,817 --> 00:05:19,820  
on why his game's  
been shut down.

58

00:05:19,904 --> 00:05:22,615  
This amid concerns that  
the global sensation

59

00:05:22,698 --> 00:05:25,493  
could be causing mysterious  
medical side effects.

60

00:05:27,828 --> 00:05:29,455  
But the biggest mystery of all,

61

00:05:30,372 --> 00:05:31,832  
where is Sebastian Sanger?

62

00:05:31,916 --> 00:05:32,916  
[screams]

63

00:05:39,423 --> 00:05:40,424  
Patience.

64

00:05:41,342 --> 00:05:42,760  
[scoffs]

65

00:05:42,843 --> 00:05:46,347  
You know, your friends  
destroyed my game.

66

00:05:47,014 --> 00:05:48,641  
And they took my powers.

67

00:05:48,724 --> 00:05:51,268  
So don't tell me  
to have patience.

68

00:05:51,352 --> 00:05:53,354  
I want them back now!

69

00:05:56,941 --> 00:05:58,901  
The Titans aren't my friends.

70

00:06:00,945 --> 00:06:02,488  
And they didn't  
take your powers.

71

00:06:05,157 --> 00:06:06,158  
It was your mother.

72

00:06:07,243 --> 00:06:09,036  
What are you talking about?

73

00:06:09,120 --> 00:06:10,830  
Retribution.

74

00:06:10,913 --> 00:06:13,040  
For you refusing  
to call your daddy.

75

00:06:15,626 --> 00:06:16,626  
Don't worry.

76

00:06:18,754 --> 00:06:19,754  
It's okay.

77

00:06:20,548 --> 00:06:21,548  
We kill her,

78

00:06:22,133 --> 00:06:24,051  
powers will be restored.

79

00:06:24,135 --> 00:06:26,512  
Then we're back on  
track to run the world,

80

00:06:26,595 --> 00:06:29,890  
however the fuck we want.

81

00:06:31,225 --> 00:06:32,226  
[chuckles softly]

82

00:06:33,394 --> 00:06:40,359  
[people chanting]  
Azarath Metrion Zinthos.

83

00:06:42,778 --> 00:06:43,863  
[sighs]

84

00:06:47,658 --> 00:06:50,119  
I told you we would be back  
here when the time was right.

85

00:06:54,665 --> 00:06:58,210  
The Titans destroyed  
Sebastian's beloved game.

86

00:07:00,504 --> 00:07:02,548

Finally, they're proving useful.

87

00:07:03,465 --> 00:07:05,050  
After what he's done to you,

88

00:07:06,302 --> 00:07:08,429  
it will take more than that.

89

00:07:08,512 --> 00:07:09,805  
You asked to see me, Mother?

90

00:07:16,395 --> 00:07:17,855  
Leave us.

91

00:07:17,938 --> 00:07:19,773  
[people muttering indistinctly]

92

00:07:24,987 --> 00:07:27,156  
[Julie] Has Brother Blood  
returned with the Horn?

93

00:07:28,032 --> 00:07:29,700  
I hear the time is near.

94

00:07:29,783 --> 00:07:30,783  
[Mother Mayhem] It is.

95

00:07:31,535 --> 00:07:33,287  
But are you ready to serve him?

96

00:07:34,246 --> 00:07:35,331  
You doubt my devotion?

97

00:07:36,081 --> 00:07:37,081  
[chuckles]

98

00:07:38,292 --> 00:07:39,292  
Perhaps.

99

00:07:44,840 --> 00:07:46,467  
I would do anything  
for your son.

100

00:07:47,384 --> 00:07:49,637  
I've always known  
that he was special.

101

00:07:49,720 --> 00:07:52,723  
Since we first met,  
I could see it.

102

00:07:53,349 --> 00:07:55,142  
I could feel it.

103

00:07:55,226 --> 00:07:57,186  
- [chuckles nervously]  
- [Mother Mayhem laughs]

104

00:07:59,813 --> 00:08:02,441  
Your devotion is pure.

105

00:08:05,945 --> 00:08:10,282  
So, I would like to  
ask for your help.

106

00:08:13,118 --> 00:08:19,500  
Those with great power cannot sense  
without the sacrifice of others.

107

00:08:19,583 --> 00:08:24,380  
It may sound forward of me  
as a mother to suggest this,

108

00:08:24,463 --> 00:08:25,565  
but to complete his journey,

109

00:08:25,589 --> 00:08:31,387  
my son needs someone  
to give of themselves.

110

00:08:35,557 --> 00:08:36,557  
Give?

111

00:08:37,810 --> 00:08:38,810  
Yes.

112

00:08:42,398 --> 00:08:44,858  
I'm speaking very  
bluntly of your body.

113

00:08:45,734 --> 00:08:46,485  
[exhales]

114

00:08:46,568 --> 00:08:48,779  
For this intimate task,

115

00:08:48,862 --> 00:08:51,991  
I need a heart with  
unwavering devotion.

116

00:08:54,743 --> 00:08:56,870  
But you're free to say no.

117

00:08:56,954 --> 00:08:58,956  
As with anything in  
my son's journey,

118

00:08:59,707 --> 00:09:01,959  
it must be by choice.

119  
00:09:05,296 --> 00:09:07,172  
I'm honored that you chose me.

120  
00:09:09,675 --> 00:09:11,385  
It may please you  
to know that I've

121  
00:09:12,219 --> 00:09:13,595  
never been with any other.

122  
00:09:15,431 --> 00:09:17,016  
My heart has  
belonged to your son

123  
00:09:17,099 --> 00:09:18,559  
since the day we first met.

124  
00:09:20,436 --> 00:09:21,437  
Oh.

125  
00:09:24,189 --> 00:09:26,692  
And so it shall remain.

126  
00:09:26,775 --> 00:09:27,693  
- [squelching]  
- [gasps]

127  
00:09:27,776 --> 00:09:29,778  
- [grunts]  
- [groans]

128  
00:09:30,279 --> 00:09:31,279  
[thuds]

129  
00:09:47,504 --> 00:09:48,505

[grunts]

130

00:09:59,641 --> 00:10:01,393  
[siren wailing]

131

00:10:04,313 --> 00:10:05,564  
[man 1] Come on. Let's go.

132

00:10:11,320 --> 00:10:13,405  
[both panting]

133

00:10:13,489 --> 00:10:14,609  
[man 2] Put this in the bag.

134

00:10:21,288 --> 00:10:22,414  
Evening, boys.

135

00:10:25,000 --> 00:10:26,043  
Who the fuck are you?

136

00:10:26,919 --> 00:10:28,754  
I'm looking for Venta.

137

00:10:28,837 --> 00:10:29,838  
[man 1] Who's asking?

138

00:10:30,506 --> 00:10:31,840  
A friend of Dick Grayson.

139

00:10:32,549 --> 00:10:34,301  
[man 2] The Flying Grayson?

140

00:10:34,385 --> 00:10:35,260  
That's the one.

141

00:10:35,344 --> 00:10:36,929  
[man 2] Any friend  
of Dick Grayson

142  
00:10:37,012 --> 00:10:39,264  
[screams] is a fucking dead man!

143  
00:10:39,348 --> 00:10:41,392  
Get a load of this,  
Gotham. [grunts]

144  
00:10:42,434 --> 00:10:44,186  
[all grunting]

145  
00:10:56,532 --> 00:10:58,200  
- [gun fires]  
- [grunts]

146  
00:10:59,410 --> 00:11:00,828  
[panting]

147  
00:11:00,911 --> 00:11:02,454  
- [shouts]  
- [thuds and groans]

148  
00:11:02,538 --> 00:11:04,182  
- [gun cocking] - [man 1]  
Bye-bye, little birdie.

149  
00:11:04,206 --> 00:11:05,916  
[both men shout]

150  
00:11:05,999 --> 00:11:07,000  
[gun firing]

151  
00:11:09,878 --> 00:11:10,879  
[grunting]

152  
00:11:12,214 --> 00:11:13,507  
[chokes and thuds]

153  
00:11:13,590 --> 00:11:15,300  
- [gun fires]  
- Argh! [groans]

154  
00:11:37,281 --> 00:11:38,282  
[chuckles]

155  
00:11:39,700 --> 00:11:41,452  
Who the fuck are  
you supposed to be?

156  
00:11:46,790 --> 00:11:47,790  
I'm Robin.

157  
00:11:49,543 --> 00:11:51,587  
[theme music playing]

158  
00:12:13,066 --> 00:12:14,985  
- [policewoman] Ms. Anders?  
- [Kory] Yes.

159  
00:12:15,068 --> 00:12:16,668  
There's something I  
think you should see.

160  
00:12:20,908 --> 00:12:22,201  
[tablet beeping]

161  
00:12:32,503 --> 00:12:34,546  
[cell phone vibrating]

162  
00:12:48,560 --> 00:12:50,062

Morning. Are these vegan?

163

00:12:51,313 --> 00:12:53,732  
- [Rachel] Hey, Gar.  
- Morning to you, too.

164

00:12:53,815 --> 00:12:56,068  
Morning. Have you seen Tim?

165

00:12:56,151 --> 00:12:58,111  
No, Dick sent him to  
Gotham on assignment.

166

00:12:59,655 --> 00:13:00,655  
Gotham?

167

00:13:02,199 --> 00:13:03,519  
Do you think Tim's  
ready for that?

168

00:13:04,326 --> 00:13:05,326  
Dick thinks he is.

169

00:13:06,286 --> 00:13:07,871  
[mutters] Oh, Dick thinks he is.

170

00:13:11,667 --> 00:13:13,252  
Guess it's a trend now.

171

00:13:13,335 --> 00:13:15,170  
People disappearing  
without telling me.

172

00:13:17,381 --> 00:13:20,759  
Sorry, I know I've been  
kind of scarce lately.

173  
00:13:21,718 --> 00:13:23,011  
It's okay.

174  
00:13:23,095 --> 00:13:24,535  
You've been spending  
time in The Red?

175  
00:13:25,138 --> 00:13:26,557  
Yeah.

176  
00:13:26,640 --> 00:13:29,643  
And the more I do, the less I'm  
sure where I'm supposed to be.

177  
00:13:30,644 --> 00:13:32,020  
Here or there.

178  
00:13:34,314 --> 00:13:35,315  
I think it's there.

179  
00:13:36,275 --> 00:13:37,818  
- Wow.  
- [both laugh]

180  
00:13:37,901 --> 00:13:39,212  
- Nice knowing you too.  
- [chuckles] No.

181  
00:13:39,236 --> 00:13:40,571  
No, that's not what I meant.

182  
00:13:40,654 --> 00:13:41,947  
It's just...

183  
00:13:42,030 --> 00:13:44,491  
I've been feeling a similar

way, you know, like,

184

00:13:45,867 --> 00:13:48,704  
I just want a change,  
something different.

185

00:13:48,787 --> 00:13:49,787  
Like what?

186

00:13:49,830 --> 00:13:51,123  
I don't know.

187

00:13:51,206 --> 00:13:54,042  
I just feel like I'm standing on  
the edge of a cliff and I just...

188

00:13:55,168 --> 00:13:57,629  
I wanna jump. I  
wanna, I wanna see.

189

00:13:58,797 --> 00:13:59,798  
Maybe you should, too.

190

00:14:01,466 --> 00:14:03,747  
Maybe I wanna know what's at  
the bottom of the cliff first.

191

00:14:05,804 --> 00:14:07,806  
I don't think it  
works like that.

192

00:14:07,889 --> 00:14:09,891  
I think we just got to do it.

193

00:14:11,768 --> 00:14:13,895  
Hey, you guys seen Kory?

194  
00:14:14,396 --> 00:14:15,480  
[both] No.

195  
00:14:15,564 --> 00:14:17,858  
All right, check around,  
find out who saw her last.

196  
00:14:17,941 --> 00:14:19,141  
- [Gar] On it.  
- [Rachel] Okay.

197  
00:14:21,236 --> 00:14:22,236  
[mutters] Oh.

198  
00:14:23,405 --> 00:14:24,990  
- [Rachel] Gar.  
- I'm coming.

199  
00:14:25,824 --> 00:14:26,824  
[Rachel] Jesus.

200  
00:14:29,911 --> 00:14:32,289  
[Sebastian] Conner,  
where are you?

201  
00:14:34,374 --> 00:14:35,542  
What's the plan?

202  
00:14:35,626 --> 00:14:37,002  
Call me back, okay?

203  
00:14:40,005 --> 00:14:43,008  
We hurt the ones  
we love the most.

204  
00:14:43,091 --> 00:14:45,135

[breathing heavily]

205

00:14:49,014 --> 00:14:52,017

I have to say,  
really fucking hurt.

206

00:14:52,934 --> 00:14:53,934

I'm sorry.

207

00:14:59,816 --> 00:15:01,234

You took my powers.

208

00:15:02,235 --> 00:15:03,403

I did no such thing.

209

00:15:06,573 --> 00:15:07,991

Your powers are yours,

210

00:15:09,576 --> 00:15:11,036

if you use them wisely.

211

00:15:16,750 --> 00:15:18,919

You want me to bring  
back my father.

212

00:15:21,797 --> 00:15:23,757

I need something for myself.

213

00:15:27,719 --> 00:15:29,012

I know what you crave.

214

00:15:30,847 --> 00:15:32,349

You've tasted it now.

215

00:15:32,432 --> 00:15:34,351

The power, the adulation.

216  
00:15:35,185 --> 00:15:36,311  
I know.

217  
00:15:36,395 --> 00:15:38,563  
If you bring back your father,

218  
00:15:40,691 --> 00:15:43,235  
you'll get everything  
you ever wanted.

219  
00:16:01,336 --> 00:16:02,713  
[Sebastian breathes heavily]

220  
00:16:08,343 --> 00:16:09,583  
[grunting in pain]  
What is this?

221  
00:16:10,178 --> 00:16:11,430  
[gasps]

222  
00:16:16,017 --> 00:16:17,269  
[grunting]

223  
00:16:23,066 --> 00:16:24,317  
Meet me at the Temple tonight.

224  
00:16:26,111 --> 00:16:27,612  
[Sebastian breathing heavily]

225  
00:16:42,711 --> 00:16:44,629  
Somebody said they  
saw Kory come in here.

226  
00:16:45,422 --> 00:16:47,340  
Anybody seen Starfire?

227

00:16:47,424 --> 00:16:48,884  
[people muttering indistinctly]

228

00:16:54,806 --> 00:16:55,806  
She's got something.

229

00:17:01,313 --> 00:17:03,482  
So you spoke to Ms. Anders?

230

00:17:03,565 --> 00:17:05,817  
I have no idea what  
you're talking about.

231

00:17:06,735 --> 00:17:07,735  
Yeah, you do.

232

00:17:10,572 --> 00:17:13,200  
I don't consent to them using  
their powers to analyze me.

233

00:17:13,283 --> 00:17:14,326  
I didn't use my powers.

234

00:17:14,409 --> 00:17:15,660  
She's just a bad liar.

235

00:17:21,208 --> 00:17:22,208  
Fine.

236

00:17:24,002 --> 00:17:28,465  
Ms. Anders asked me to try and track  
Superboy using our Satcom Heat Tracker.

237

00:17:28,548 --> 00:17:31,635  
Normally, we just use it

to detect thermal activity.

238

00:17:31,718 --> 00:17:35,722  
But since Superboy's laser vision  
has a heat signature, I got a hit.

239

00:17:36,598 --> 00:17:39,184  
Why didn't you tell us?

240

00:17:39,267 --> 00:17:42,354  
Ms. Anders preferred that I  
keep that information to myself.

241

00:17:48,068 --> 00:17:50,654  
- [Jason] Venta?  
- [Tim] Yeah.

242

00:17:50,737 --> 00:17:52,364  
He lives down on Harbor.

243

00:17:52,447 --> 00:17:54,115  
[Jason] Never heard of him.

244

00:17:54,199 --> 00:17:56,451  
Dick says he's got information  
on the Organization.

245

00:17:58,370 --> 00:17:59,746  
Maybe we could team up on this.

246

00:18:00,872 --> 00:18:02,040  
[Jason] I don't team anymore.

247

00:18:02,123 --> 00:18:04,251  
[automated voice]  
Security deactivated.

248

00:18:04,334 --> 00:18:05,836  
[Tim] You don't understand.

249

00:18:05,919 --> 00:18:07,963  
Brother Blood put my  
boyfriend in a coma.

250

00:18:10,090 --> 00:18:12,010  
[Jason] How long you been  
doing this Robin thing?

251

00:18:12,342 --> 00:18:13,385  
[Tim] Uh...

252

00:18:14,010 --> 00:18:15,303  
Not long.

253

00:18:15,387 --> 00:18:16,388  
[Jason] A couple weeks?

254

00:18:17,472 --> 00:18:18,472  
Not quite.

255

00:18:18,890 --> 00:18:19,890  
A week?

256

00:18:20,851 --> 00:18:22,227  
Last night was my first night.

257

00:18:23,979 --> 00:18:25,856  
Oh, the suit did look  
fresh off the rack.

258

00:18:27,399 --> 00:18:28,859  
If I were you, I'd  
get out of Gotham.

259

00:18:28,942 --> 00:18:31,319  
Take some reps in, like,  
Tucson or some shit.

260

00:18:31,403 --> 00:18:32,904  
Dick sent me here to find Venta.

261

00:18:34,281 --> 00:18:35,991  
Your funeral.

262

00:18:36,074 --> 00:18:37,426  
You can crash here if  
you don't have plans.

263

00:18:37,450 --> 00:18:39,703  
I mean, there's  
eggs, beer, cheese.

264

00:18:40,745 --> 00:18:41,745  
Thanks.

265

00:18:44,833 --> 00:18:45,917  
You working on something?

266

00:18:46,001 --> 00:18:48,420  
No. I'm paying the  
fucking cable bill.

267

00:18:49,421 --> 00:18:50,589  
You need some help?

268

00:18:50,672 --> 00:18:52,799  
Since you're being nosy,

269

00:18:52,883 --> 00:18:55,343

Shimmer's been pulling off  
high-end heists all over Gotham,

270

00:18:56,303 --> 00:18:57,554  
sending ciphers as clues.

271

00:19:03,977 --> 00:19:05,137  
Hey, what the fuck you doing?

272

00:19:05,187 --> 00:19:07,314  
You got your A right,  
but your coding's off.

273

00:19:08,106 --> 00:19:09,106  
Fuck you.

274

00:19:09,816 --> 00:19:12,444  
It's a Fibonacci sequence.

275

00:19:12,527 --> 00:19:15,864  
Each number is the sum of  
two numbers that precede it.

276

00:19:17,908 --> 00:19:18,908  
K.

277

00:19:20,827 --> 00:19:21,827  
L.

278

00:19:21,870 --> 00:19:28,919  
[softly] E-I-D-O-S-C-O-P-E.

279

00:19:36,885 --> 00:19:37,886  
[Jason] "Kaleidoscope."

280

00:19:38,720 --> 00:19:39,720

Oh, shit.

281

00:19:40,722 --> 00:19:41,806  
I just had fresh eyes.

282

00:19:43,350 --> 00:19:45,936  
Hey, Babs. Uh,  
Kaleidoscope Auction House.

283

00:19:46,019 --> 00:19:47,646  
That's the target for  
Shimmer's next hit.

284

00:19:50,065 --> 00:19:51,650  
And I'll take my  
usual percentage.

285

00:19:56,988 --> 00:19:58,049  
[Sebastian] Where  
have you been?

286

00:19:58,073 --> 00:19:59,282  
[Conner] We're all good.

287

00:19:59,366 --> 00:20:00,366  
I've got a plan.

288

00:20:00,951 --> 00:20:01,951  
[Sebastian] So have I.

289

00:20:09,084 --> 00:20:10,210  
My mother was here.

290

00:20:11,294 --> 00:20:12,420  
It's all clear now.

291

00:20:14,047 --> 00:20:15,674  
When I summon my father,

292

00:20:16,841 --> 00:20:18,885  
I'm gonna get my powers back.

293

00:20:20,053 --> 00:20:21,972  
Don't worry.

294

00:20:23,098 --> 00:20:24,391  
I'm not gonna cut you out.

295

00:20:25,058 --> 00:20:26,058  
No.

296

00:20:28,103 --> 00:20:30,605  
I'm gonna make sure we  
both get what we deserve.

297

00:20:34,109 --> 00:20:35,318  
[Conner exhales]

298

00:20:36,444 --> 00:20:37,821  
- Sebastian.  
- [clears throat]

299

00:20:38,446 --> 00:20:39,531  
She's lying to you.

300

00:20:41,992 --> 00:20:43,827  
No... No no, no.

301

00:20:43,910 --> 00:20:45,370  
- No.  
- [glass clinks]

302

00:20:45,453 --> 00:20:46,453  
See...

303  
00:20:50,875 --> 00:20:55,714  
I used to think that my game  
was the answer, but it's not.

304  
00:20:56,631 --> 00:20:57,966  
Family is.

305  
00:20:59,801 --> 00:21:01,136  
Your mother's using you.

306  
00:21:04,139 --> 00:21:06,933  
Maybe you're using me, hmm?

307  
00:21:07,559 --> 00:21:09,060  
To get what you want.

308  
00:21:09,144 --> 00:21:10,145  
Hmm?

309  
00:21:11,312 --> 00:21:12,731  
Vengeance for your father.

310  
00:21:15,025 --> 00:21:17,444  
- She's trying to kill you.  
- [screaming] No!

311  
00:21:22,782 --> 00:21:23,908  
My mother loves me.

312  
00:21:26,661 --> 00:21:27,661  
Fine.

313  
00:21:28,496 --> 00:21:29,664

If you won't believe me...

314

00:21:32,751 --> 00:21:33,751  
[The Confessor grunts]

315

00:21:36,588 --> 00:21:37,464  
Believe him.

316

00:21:37,547 --> 00:21:38,757  
[The Confessor groans]

317

00:21:38,840 --> 00:21:40,120  
[The Confessor  
breathing heavily]

318

00:21:50,685 --> 00:21:53,980  
I asked everybody down on  
Harbor about this guy, Venta.

319

00:21:54,731 --> 00:21:55,899  
And nobody's heard of him.

320

00:21:55,982 --> 00:21:56,982  
[metal clinking]

321

00:21:57,817 --> 00:21:58,943  
Must be in deep cover.

322

00:22:00,361 --> 00:22:01,361  
Or dead.

323

00:22:06,493 --> 00:22:07,494  
You like that thing?

324

00:22:08,536 --> 00:22:09,704  
Can you actually use it?

325  
00:22:12,540 --> 00:22:14,501  
Why don't we go a few  
rounds and I'll show you?

326  
00:22:26,805 --> 00:22:27,805  
One round.

327  
00:22:31,559 --> 00:22:32,559  
[Tim exhales]

328  
00:22:33,895 --> 00:22:36,397  
[chuckles softly]  
Maybe two rounds.

329

496  
00:33:08,738 --> 00:33:10,489

after I let them  
triangulate my location.

497

00:33:12,533 --> 00:33:13,533  
Let them?

498

00:33:17,037 --> 00:33:18,205  
You learn by doing,

499

00:33:19,874 --> 00:33:21,000  
not being coddled.

500

00:33:22,668 --> 00:33:24,420  
- [shakes hand]  
- You're welcome.

501

00:33:27,882 --> 00:33:28,883  
[Jason] Nicely done.

502

00:33:33,554 --> 00:33:34,554  
Thanks.

503

00:33:46,901 --> 00:33:49,904  
You said he would  
be useful to us.

504

00:33:50,905 --> 00:33:51,905  
How?

505

00:33:56,869 --> 00:34:01,040  
The blood running through his veins  
is infused with your mother's magic.

506

00:34:04,794 --> 00:34:07,129  
We need to transfer  
that power to you.

507  
00:34:17,890 --> 00:34:19,099  
When he comes,

508  
00:34:20,351 --> 00:34:22,019  
it will rain heavenly succor

509  
00:34:23,020 --> 00:34:24,730  
on those who believed,

510  
00:34:24,814 --> 00:34:25,940  
those who endured.

511  
00:34:26,690 --> 00:34:27,858  
[exhales]

512  
00:34:27,942 --> 00:34:30,861  
Take my corporeal form! Please.

513  
00:34:30,945 --> 00:34:32,279  
Let me pour it in your cup.

514  
00:34:32,363 --> 00:34:35,366  
Grant me the power to  
crush your enemies.

515  
00:34:35,783 --> 00:34:36,700  
[grunts]

516  
00:34:36,784 --> 00:34:38,494  
I am your servant. [groans]

517  
00:34:39,787 --> 00:34:40,787  
[screams]

518  
00:34:41,247 --> 00:34:42,247

[moans in pain]

519

00:34:49,672 --> 00:34:50,672  
Drink.

520

00:35:00,891 --> 00:35:01,891  
[The Confessor] No.

521

00:35:04,270 --> 00:35:05,604  
[The Confessor sobbing]

522

00:35:09,149 --> 00:35:11,193  
[The Confessor screaming]

523

00:35:12,653 --> 00:35:15,865  
Argh! No, no, no, no, no.

524

00:35:15,948 --> 00:35:17,575  
[sobs] Please, please.

525

00:35:17,658 --> 00:35:19,869  
Make him stop. Make him stop.

526

00:35:37,720 --> 00:35:39,722  
[panting]

527

00:35:40,848 --> 00:35:43,475  
I can feel her power rise in me.

528

00:36:00,367 --> 00:36:01,367  
[grunts]

529

00:36:04,538 --> 00:36:06,582  
[breathes heavily]

530

00:36:07,666 --> 00:36:09,066  
[Jason] Sorry, I  
gotta kick you out.

531  
00:36:09,126 --> 00:36:12,254  
I have a rule about fish and  
new Robins, 24 hours max.

532  
00:36:12,338 --> 00:36:13,464  
[Tim] It's all good.

533  
00:36:13,547 --> 00:36:14,882  
I gotta get back anyway.

534  
00:36:14,965 --> 00:36:16,175  
Check on my boyfriend.

535  
00:36:16,258 --> 00:36:18,378  
[Jason] If I hear about your  
guy, Venta, I'll hit you.

536  
00:36:18,427 --> 00:36:19,427  
Sorry, it was a bust.

537  
00:36:19,470 --> 00:36:21,013  
[Tim] I'm glad I came.

538  
00:36:21,096 --> 00:36:22,598  
I got to meet the  
great Red Hood.

539  
00:36:22,681 --> 00:36:24,441  
[chuckles] Was I on your  
fucking bucket list?

540  
00:36:24,475 --> 00:36:26,393  
- [Tim] Kind of, yeah.

- [both laugh]

541

00:36:26,477 --> 00:36:28,312  
Well, good luck in Metropolis.

542

00:36:28,395 --> 00:36:31,774  
And if shit hits the fan, just  
hide behind Raven and Starfire.

543

00:36:31,857 --> 00:36:32,857  
[Tim] Got it.

544

00:36:35,152 --> 00:36:36,862  
- Enjoy the ride home.  
- [keys jangling]

545

00:36:57,174 --> 00:36:58,174  
[Dick on phone] Jason.

546

00:36:59,051 --> 00:37:00,302  
How'd it go?

547

00:37:00,386 --> 00:37:02,280  
[Jason on phone] Sending him  
back to you in one piece.

548

00:37:02,304 --> 00:37:04,014  
[Dick] Hope you didn't  
go too easy on him.

549

00:37:04,098 --> 00:37:05,298  
[Jason] Don't worry, I didn't.

550

00:37:08,185 --> 00:37:09,185  
[Jason] And, Dick...

551

00:37:12,273 --> 00:37:13,691  
He'll be a better Robin than me.

552  
00:37:25,285 --> 00:37:26,285  
[cell phone clicks]

553  
00:37:27,579 --> 00:37:28,579  
[Dick] Gar?

554  
00:37:31,709 --> 00:37:34,128  
[Dick on speaker] We're in the  
north tunnel. Which way next?

555  
00:37:34,211 --> 00:37:35,963  
About 100 yards ahead  
is a storage room.

556  
00:37:36,046 --> 00:37:37,923  
Follow the steps up  
into the facility.

557  
00:37:38,007 --> 00:37:39,883  
I'll turn off the  
motion detectors.

558  
00:37:39,967 --> 00:37:42,177  
Once inside, there's a  
security code for the lab.

559  
00:37:42,261 --> 00:37:43,595  
We're working on cracking that.

560  
00:37:48,767 --> 00:37:50,352  
We might have a bigger problem.

561  
00:37:55,315 --> 00:37:56,315  
[Conner] It's okay.

562

00:37:57,484 --> 00:37:58,484  
I'm on your side.

563

00:38:00,821 --> 00:38:01,821  
Let me talk to him.

564

00:38:08,495 --> 00:38:11,373  
You want to take a swing at  
me, I wouldn't blame you.

565

00:38:11,457 --> 00:38:14,084  
I would, but I'd probably  
break my hand. [chuckles]

566

00:38:14,168 --> 00:38:15,169  
[chuckles]

567

00:38:20,507 --> 00:38:22,468  
I thought I could do it myself.

568

00:38:23,635 --> 00:38:24,803  
Stop Sebastian.

569

00:38:27,014 --> 00:38:28,014  
Stop them both.

570

00:38:30,350 --> 00:38:31,477  
Could've asked for help.

571

00:38:32,603 --> 00:38:33,896  
I needed to do it alone.

572

00:38:35,522 --> 00:38:36,522  
I had to prove it.

573

00:38:37,358 --> 00:38:38,358  
To who?

574

00:38:39,109 --> 00:38:40,109  
Lex.

575

00:38:41,695 --> 00:38:42,695  
Superman.

576

00:38:50,287 --> 00:38:51,287  
You.

577

00:38:52,998 --> 00:38:54,166  
I made things worse.

578

00:38:55,918 --> 00:38:57,002  
I did things...

579

00:39:00,714 --> 00:39:03,717  
Things Titans don't do.

580

00:39:06,261 --> 00:39:07,346  
People like us,

581

00:39:09,431 --> 00:39:10,849  
we're close to the darkness.

582

00:39:12,101 --> 00:39:13,101  
We seek it out.

583

00:39:15,896 --> 00:39:17,231  
Sometimes, it has its way.

584

00:39:20,234 --> 00:39:21,777  
We're supposed to be better.

585

00:39:21,860 --> 00:39:22,940  
[Dick] Sometimes we're not.

586

00:39:23,779 --> 00:39:24,979  
That's why we have each other.

587

00:39:26,115 --> 00:39:28,909  
I tried, I... I tried  
to keep Sebastian close.

588

00:39:29,827 --> 00:39:31,370  
Use his game as a distraction.

589

00:39:32,287 --> 00:39:33,872  
When I found out it  
was hurting people,

590

00:39:33,956 --> 00:39:36,717  
I created a vulnerability in the code  
to try to help you bring it down.

591

00:39:39,002 --> 00:39:40,170  
Yeah, I figured that was you.

592

00:39:41,088 --> 00:39:42,131  
[Conner] It wasn't enough.

593

00:39:44,883 --> 00:39:46,510  
[breathes deeply]  
I'm sorry, Dick.

594

00:39:50,514 --> 00:39:51,514  
We can fix this.

595

00:39:52,766 --> 00:39:53,766

Together.

596

00:39:55,269 --> 00:39:56,436  
You'd trust me again?

597

00:39:58,105 --> 00:39:59,273  
The truth is, we need you.

598

00:40:02,609 --> 00:40:04,194  
How do the others  
feel about that?

599

00:40:05,779 --> 00:40:06,779  
[Kory] Dick...

600

00:40:10,701 --> 00:40:12,828  
Gar cracked the security  
code into Lex's lab.

601

00:40:15,164 --> 00:40:16,248  
So is he in or out?

602

00:40:24,673 --> 00:40:25,673  
He's in.

603

00:40:30,804 --> 00:40:31,804  
[machine buzzes]

604

00:40:39,813 --> 00:40:41,053  
[Dick on speaker]  
Security code?

605

00:40:43,317 --> 00:40:44,401  
You're gonna love this.

606

00:40:52,534 --> 00:40:53,534

[Kory] Charming.

607

00:41:07,925 --> 00:41:09,801

Construction of the  
shell is nested,

608

00:41:10,844 --> 00:41:12,596

perfectly aligned,  
to the nanometer.

609

00:41:13,931 --> 00:41:15,432

Kinetic shielding,

610

00:41:15,515 --> 00:41:19,770

but the surface of each plate has  
a micro array of energy absorption

611

00:41:19,853 --> 00:41:22,022

to house the energy  
across the sphere itself.

612

00:41:23,565 --> 00:41:26,485

The internal mechanics are  
flawless and fully intact.

613

00:41:26,568 --> 00:41:28,028

Whoa.

614

00:41:28,111 --> 00:41:30,671

Maybe don't touch anything until  
we understand how it fully works.

615

00:41:31,031 --> 00:41:32,115

Well, actually, uh,

616

00:41:33,283 --> 00:41:34,284

it doesn't.

617

00:41:34,368 --&gt; 00:41:36,119

-What?

-[Gar on speaker] Conner's right.

618

00:41:36,203 --&gt; 00:41:39,164

According to Lex's files,  
the engineering is complete,

619

00:41:39,248 --&gt; 00:41:42,084

but it's lacking an energy  
source to activate it.

620

00:41:43,377 --&gt; 00:41:44,962

My blue light.

621

00:41:45,045 --&gt; 00:41:48,757

[chuckles] So, Lex wasn't keeping tabs  
on you to learn about your powers.

622

00:41:48,840 --&gt; 00:41:49,840

He needed you.

623

00:41:50,801 --&gt; 00:41:52,177

Honestly, who doesn't?

624

00:41:52,261 --&gt; 00:41:54,072

[Rachel on speaker] So how  
do we activate this thing?

625

00:41:54,096 --&gt; 00:41:56,765

The orb's like a  
nuclear grenade,

626

00:41:56,848 --&gt; 00:41:59,226

meant only to be  
launched at a metahuman.

627  
00:41:59,309 --> 00:42:00,352  
If the math is right,

628  
00:42:01,311 --> 00:42:03,355  
the meta human absorbs  
all of the blast.

629  
00:42:03,438 --> 00:42:06,149  
Otherwise, it'll blow  
a hole in the planet.

630  
00:42:06,233 --> 00:42:07,276  
If the math is right.

631  
00:42:08,568 --> 00:42:11,238  
Activation is fairly  
straightforward.

632  
00:42:11,321 --> 00:42:14,032  
Kory infuses the  
orb with her power,

633  
00:42:14,116 --> 00:42:16,576  
and it's designed to initiate  
a fission chain reaction.

634  
00:42:18,078 --> 00:42:21,206  
And then the orb holds the  
energy until we pull the pin.

635  
00:42:21,290 --> 00:42:22,582  
That's pretty much the idea.

636  
00:42:24,042 --> 00:42:25,711  
So wait, has this  
thing ever been tested?

637  
00:42:27,796 --> 00:42:29,381  
Prototype.

638  
00:42:29,464 --> 00:42:33,468  
So, if I set off the  
fission reaction,

639  
00:42:33,552 --> 00:42:37,097  
there's no way to know if the weapon  
will destroy Brother Blood or...

640  
00:42:37,180 --> 00:42:38,180  
Kill us all.

641  
00:42:57,576 --> 00:42:59,911  
All right. We all clear  
on how this goes down?

642  
00:42:59,995 --> 00:43:01,663  
I blast the orb with my energy.

643  
00:43:01,747 --> 00:43:03,057  
[Gar on speaker] I'll  
track the heat index.

644  
00:43:03,081 --> 00:43:04,166  
I'll watch the pressure.

645  
00:43:04,249 --> 00:43:07,044  
And when both indexes  
are at 100 percent,

646  
00:43:07,127 --> 00:43:09,546  
that means the fission  
reaction is complete.

647

00:43:09,629 --> 00:43:11,048  
That's when you take over.

648

00:43:11,131 --> 00:43:13,300  
Kory will exit while  
you stabilize the orb.

649

00:43:13,383 --> 00:43:15,135  
And then we all do  
some deep breathing.

650

00:43:15,218 --> 00:43:18,680  
When she's out of here, I'll activate  
the vault's nuclear containment shield,

651

00:43:18,764 --> 00:43:19,924  
in case something goes wrong.

652

00:43:22,642 --> 00:43:23,642  
You ready?

653

00:43:24,102 --> 00:43:25,102  
Ready.

654

00:43:30,359 --> 00:43:31,777  
[metal thudding]

655

00:44:00,514 --> 00:44:02,766  
Index climbing, 11%.

656

00:44:02,849 --> 00:44:03,850  
Pressure's at 19.

657

00:44:07,312 --> 00:44:09,231  
-[Kory sighs] -[Gar on  
speaker] Heat's at 35%.

658

00:44:11,274 --> 00:44:12,692  
[Gar on speaker] Forty.

659

00:44:12,776 --> 00:44:14,778  
Pressure is at 49, 50%.

660

00:44:14,861 --> 00:44:17,739  
[automated voice] Device  
instability detected.

661

00:44:17,823 --> 00:44:19,783  
Hey, guys, stand down.  
Something's wrong.

662

00:44:19,866 --> 00:44:21,368  
Hey, what's  
happening over there?

663

00:44:21,451 --> 00:44:24,579  
[automated voice] Increased  
instability detected.

664

00:44:24,663 --> 00:44:27,374  
Begin nuclear containment  
shield activation.

665

00:44:31,837 --> 00:44:33,588  
Shit.

666

00:44:33,672 --> 00:44:36,133  
- I don't know if it's gonna hold!  
- We're not at 100%.

667

00:44:36,216 --> 00:44:38,343  
- Heat's at 96.  
- [Rachel] Pressure, 94.

668  
00:44:38,427 --> 00:44:39,469  
Kory, get out of there.

669  
00:44:39,553 --> 00:44:41,054  
No, this is our only chance.

670  
00:44:41,138 --> 00:44:42,806  
[automated voice]  
Secure levels exceeded.

671  
00:44:42,889 --> 00:44:44,933  
Activate nuclear  
containment shield.

672  
00:44:45,767 --> 00:44:47,144  
[Gar] Heat's at 98.

673  
00:44:47,227 --> 00:44:49,938  
Pressure is at 98%. Dick, you  
need to get her out of there.

674  
00:44:50,021 --> 00:44:52,065  
- Go!  
- No, it's not at full power.

675  
00:44:52,149 --> 00:44:54,985  
[automated voice] Self-activating  
nuclear containment shield.

676  
00:44:55,068 --> 00:44:56,153  
Stand clear.

677  
00:44:56,236 --> 00:44:57,446  
I'm shutting it down.

678

00:44:57,529 --> 00:44:58,529  
[machine beeps]

679

00:44:59,573 --> 00:45:00,813  
[automated voice] System error.

680

00:45:01,450 --> 00:45:02,701  
[Kory] We're almost there.

681

00:45:03,785 --> 00:45:04,945  
[Conner] It's not gonna hold.

682

00:45:06,580 --> 00:45:08,220  
[Gar on speaker] Cut  
the power to the lab.

683

00:45:08,582 --> 00:45:09,622  
[Kory and Conner grunting]

684

00:45:24,097 --> 00:45:25,348  
[computer beeping]

685

00:45:27,392 --> 00:45:28,392  
[Conner grunts]

686

00:45:33,690 --> 00:45:35,066  
You shouldn't have stopped me.

687

00:45:35,150 --> 00:45:36,230  
You could have been killed.

688

00:45:36,276 --> 00:45:37,694  
[Kory sighs in exasperation]

689

00:45:37,777 --> 00:45:40,197  
- How far did we get?

- [Gar on speaker] 98.6%.

690

00:45:40,280 --> 00:45:41,615  
[Kory and Conner panting]

691

00:45:42,115 --> 00:45:43,115  
[Rachel sighs]

692

00:45:44,284 --> 00:45:45,327  
I hope it was enough.

693

00:45:48,205 --> 00:45:49,205  
It's gonna have to be.

694

00:45:53,126 --> 00:45:55,545  
I really wish it was  
somebody else doing it.

695

00:45:55,629 --> 00:45:58,423  
He's the only one that can get  
the orb close enough to Sebastian.

696

00:46:03,220 --> 00:46:04,580  
They're meeting at  
the Temple soon.

697

00:46:06,806 --> 00:46:08,058  
However you wanna do this,

698

00:46:09,142 --> 00:46:10,185  
we don't have much time.

699

00:46:30,622 --> 00:46:31,622  
I won't let you down.

700

00:46:42,509 --> 00:46:43,509

[Kory sighs]

701  
00:46:46,054 --> 00:46:47,054  
[sighs]

702  
00:46:58,358 --> 00:46:59,484  
[metal creaking]

703  
00:47:08,034 --> 00:47:09,369  
My beautiful boy.

704  
00:47:13,915 --> 00:47:15,584  
Finally, the day has come.

705  
00:47:24,467 --> 00:47:25,760  
You must move quickly.

706  
00:47:26,803 --> 00:47:30,015  
The Titans and the  
Tamaranean will never stop.

707  
00:47:31,933 --> 00:47:32,933  
Neither will I.

708  
00:47:38,773 --> 00:47:39,773  
What have you done?

709  
00:47:40,525 --> 00:47:41,443  
[grunts]

710  
00:47:41,526 --> 00:47:42,986  
[grunting]

711  
00:47:43,069 --> 00:47:45,113  
- [both grunting]  
- [Mother Mayhem screaming]

712  
00:47:45,196 --> 00:47:46,698  
- [metal clanging]  
- [thuds]

713  
00:47:49,618 --> 00:47:50,618  
[groans]

714  
00:47:57,500 --> 00:47:58,500  
[breathes deeply] Mmm.

715  
00:48:18,021 --> 00:48:19,481  
Don't make me destroy it.

716  
00:48:22,817 --> 00:48:23,817  
What are you doing?

717  
00:48:24,736 --> 00:48:26,196  
I'm taking what's mine.

718  
00:48:28,490 --> 00:48:29,490  
Sebastian, no.

719  
00:48:33,203 --> 00:48:35,330  
You must listen to me.

720  
00:48:35,413 --> 00:48:38,958  
No, it's time for  
you to listen to me.

721  
00:48:43,588 --> 00:48:45,298  
You never cared  
about me, did you?

722  
00:48:46,549 --> 00:48:47,967  
You were just using me.

723

00:48:48,677 --&gt; 00:48:51,513

All I wanted was a family.

724

00:48:52,013 --&gt; 00:48:53,013

But guess what?

725

00:48:53,556 --&gt; 00:48:55,100

You underestimated me.

726

00:48:56,017 --&gt; 00:48:57,519

Just like everyone else.

727

00:49:00,980 --&gt; 00:49:02,190

I'm done with you.

728

00:49:04,818 --&gt; 00:49:05,819

My sweet child,

729

00:49:08,279 --&gt; 00:49:10,448

the Titans are done with you.

730

00:49:12,242 --&gt; 00:49:13,242

Don't you see?

731

00:49:17,414 --&gt; 00:49:19,999

They're filling  
your head with lies.

732

00:49:21,334 --&gt; 00:49:23,336

[breathes deeply]

733

00:49:24,003 --&gt; 00:49:25,880

The world can be yours.

734

00:49:29,884 --> 00:49:31,469  
We're so close.

735  
00:49:34,931 --> 00:49:36,766  
Don't let them take  
that away from you.

736  
00:49:38,643 --> 00:49:39,643  
[exhales]

737  
00:49:42,355 --> 00:49:45,358  
[whispers] I won't let anyone  
take that away from me.

738  
00:49:46,526 --> 00:49:47,526  
[gasps] Argh!

739  
00:49:48,820 --> 00:49:50,029  
[grunting]

740  
00:49:57,787 --> 00:49:58,955  
[groaning]

741  
00:50:00,707 --> 00:50:02,083  
[both grunting]

742  
00:50:05,587 --> 00:50:06,587  
[Mother Mayhem groans]

743  
00:50:11,050 --> 00:50:12,761  
[grunting]

744  
00:50:21,519 --> 00:50:23,563  
[Sebastian screaming]

745  
00:50:38,578 --> 00:50:39,788

[shuddering]

746  
00:50:47,086 --> 00:50:48,086  
[Conner] Hey.

747  
00:50:52,592 --> 00:50:53,592  
Catch.

748  
00:50:54,594 --> 00:50:55,594  
[Sebastian grunts]

749  
00:51:02,018 --> 00:51:03,269  
[Sebastian screaming]

750  
00:51:11,653 --> 00:51:12,653  
[Sebastian grunts]

751  
00:51:13,905 --> 00:51:14,905  
[exhales]

752  
00:51:42,433 --> 00:51:43,433  
My turn.

753  
00:51:44,227 --> 00:51:45,562  
[screams]

754  
00:51:46,104 --> 00:51:47,104  
[Conner grunts]

755  
00:51:54,988 --> 00:51:55,988  
What happened?

756  
00:51:58,032 --> 00:52:00,076  
The orb never reached  
its heat apex.

757

00:52:00,159 --> 00:52:03,913  
It's like it was subsumed before  
it could deal the killing blow.

758

00:52:03,997 --> 00:52:06,082  
Subsumed by what?

759

00:52:07,083 --> 00:52:08,251  
Wild guess?

760

00:52:10,837 --> 00:52:12,672  
It wasn't strong enough.

761

00:52:12,755 --> 00:52:14,173  
I shut it off too soon.

762

00:52:14,257 --> 00:52:15,337  
[Rachel] What about Conner?

763

00:52:47,874 --> 00:52:49,834  
[blowing]

764

00:53:17,111 --> 00:53:18,655  
There's only one  
way to end this.

765

00:53:22,742 --> 00:53:23,742  
My way.

766

00:53:46,099 --> 00:53:48,142  
[theme music playing]

# TITANS
