

# TITANS

**CREATED BY**

Greg Berlanti | Akiva Goldsman | Geoff Johns

**EPISODE 4.12**

**"Titans Forever"**

With Brother Blood at full power and Conner left in critical condition, the Titans join forces to try and defeat Sebastian once and for all.

**WRITTEN BY:**

Richard Hatem

**EPISODE CAST**

Brenton Thwaites	...	Dick Grayson / Nightwing
Anna Diop	...	Kory Anders / Koriand'r / Starfire
Teagan Croft	...	Rachel Roth / Raven
Ryan Potter	...	Gar Logan / Beast Boy
Joshua Orpin	...	Conner Kent / Superboy
Jay Lycurgo	...	Tim Drake
Joseph Morgan	...	Sebastian Sanger
James Scully	...	Bernard Fitzmartin
Kyana Teresa	...	Dr. Espenson
Craig Burnatowski	...	Trigon
Daniel Lavigne	...	Unit Leader

1  
00:00:17,393 --> 00:00:18,393  
They changed the code.

2  
00:00:18,895 --> 00:00:20,562  
What?

3  
00:00:20,563 --> 00:00:22,355  
We gotta get down  
there. Keep trying.

4  
00:00:22,356 --> 00:00:23,483  
[explosion]

5  
00:00:24,525 --> 00:00:25,525  
I've got this.

6  
00:00:29,739 --> 00:00:30,739  
No, wait.

7  
00:00:46,422 --> 00:00:48,089  
[rumbling]

8  
00:00:48,090 --> 00:00:51,886  
[Trigon] You have summoned me.

9  
00:00:59,143 --> 00:01:00,895  
Yes, I have.

10  
00:01:02,605 --> 00:01:05,316  
[Trigon] You had doubts.

11  
00:01:07,485 --> 00:01:10,071  
You hesitated.

12  
00:01:11,948 --> 00:01:16,409

Your soul was racked by fear

13

00:01:16,410 --> 00:01:20,623  
and weakened with confusion.

14

00:01:22,959 --> 00:01:23,959  
It was.

15

00:01:25,670 --> 00:01:28,798  
But you overcame that.

16

00:01:29,799 --> 00:01:35,763  
You are the true son of Trigon.

17

00:01:38,558 --> 00:01:40,226  
You're not angry about Mother?

18

00:01:43,521 --> 00:01:45,523  
She was a vessel,

19

00:01:47,233 --> 00:01:49,485  
nothing more.

20

00:01:52,113 --> 00:01:56,283  
She told me that when you rose,

21

00:01:56,284 --> 00:01:59,871  
we would rule  
together as equals.

22

00:02:00,621 --> 00:02:01,621  
[Trigon growls]

23

00:02:04,667 --> 00:02:07,253  
But of course.

24

00:02:09,171 --> 00:02:10,172  
[Raven] He's lying.

25

00:02:13,175 --> 00:02:15,011  
That's all he ever does, is lie.

26

00:02:17,930 --> 00:02:19,473  
[shuddering]

27

00:02:20,433 --> 00:02:21,433  
Is she okay?

28

00:02:23,352 --> 00:02:25,021  
She's done this sort  
of thing before.

29

00:02:26,814 --> 00:02:27,732  
I don't like it.

30

00:02:27,733 --> 00:02:28,733  
Just give her some time.

31

00:02:32,445 --> 00:02:34,071  
My daughter.

32

00:02:35,364 --> 00:02:39,410  
I can't tell you how  
glad I am to see you.

33

00:02:41,037 --> 00:02:45,833  
I've thought of you. Often.

34

00:02:46,834 --> 00:02:47,919  
I'm sure you have.

35

00:02:52,340 --> 00:02:53,340  
Sebastian.

36  
00:02:56,218 --> 00:02:57,762  
You know you can't trust him.

37  
00:02:58,596 --> 00:02:59,597  
He will kill you.

38  
00:03:00,723 --> 00:03:02,099  
Why would you bring him here?

39  
00:03:07,229 --> 00:03:08,648  
He has something I need.

40  
00:03:12,610 --> 00:03:13,402  
[grunts]

41  
00:03:13,403 --> 00:03:14,528  
[Trigon groans]

42  
00:03:16,155 --> 00:03:17,656  
[screams]

43  
00:03:17,657 --> 00:03:19,200  
- [grunts]  
- [groans]

44  
00:03:29,627 --> 00:03:31,420  
[yells]

45  
00:03:33,339 --> 00:03:35,633  
[Trigon panting]

46  
00:03:39,971 --> 00:03:42,598  
- [grunts]

- [screams]

47

00:03:44,558 --> 00:03:46,018  
[groans]

48

00:03:53,109 --> 00:03:55,027  
[Brother Blood  
breathing heavily]

49

00:04:12,044 --> 00:04:13,044  
[Brother Blood] Rachel,

50

00:04:17,091 --> 00:04:19,093  
you're the only family  
I have left now.

51

00:04:22,054 --> 00:04:23,222  
So, what do you say, hmm?

52

00:04:27,643 --> 00:04:29,312  
You and me against the world.

53

00:04:30,396 --> 00:04:31,396  
You know I can't.

54

00:04:32,857 --> 00:04:33,941  
You've gone too far.

55

00:04:34,817 --> 00:04:36,652  
We're not family anymore.

56

00:04:39,613 --> 00:04:40,906  
Well, that's a shame.

57

00:04:47,705 --> 00:04:49,999  
[sizzling]

58

00:05:09,101 --> 00:05:11,621  
- [gasps] - [Brother Blood] You  
know, Mom and Dad were delicious,

59

00:05:13,522 --> 00:05:16,025  
but I think I still have a  
little bit of room for you.

60

00:05:18,319 --> 00:05:19,278  
[grunts]

61

00:05:19,279 --> 00:05:22,572  
- [gasps]  
- Rachel, are you okay?

62

00:05:22,573 --> 00:05:24,700  
Something happened to  
Conner. [breathing heavily]

63

00:05:30,623 --> 00:05:31,707  
Trigon came back.

64

00:05:33,292 --> 00:05:34,627  
And Brother Blood killed him.

65

00:05:36,378 --> 00:05:40,048  
He... absorbed his power

66

00:05:40,049 --> 00:05:43,885  
and his evil.

67

00:05:43,886 --> 00:05:46,597  
It was like he  
absorbed his soul.

68

00:05:49,725 --> 00:05:51,310  
I don't know how  
we're gonna stop him.

69  
00:05:52,645 --> 00:05:54,730  
[theme music playing]

70  
00:06:11,413 --> 00:06:13,957  
Sebastian did this to him.

71  
00:06:13,958 --> 00:06:15,626  
He's not Sebastian anymore.

72  
00:06:16,919 --> 00:06:18,254  
Call him what he is.

73  
00:06:19,171 --> 00:06:20,297  
Brother Blood.

74  
00:06:21,632 --> 00:06:23,092  
[sobbing] Can you  
feel anything?

75  
00:06:28,681 --> 00:06:30,141  
[Dick] No.

76  
00:06:32,768 --> 00:06:34,270  
Come on, let's get  
him back to the RV.

77  
00:06:42,486 --> 00:06:44,530  
[Krypto whining]

78  
00:06:47,324 --> 00:06:48,324  
What is that?

79

00:06:50,161 --> 00:06:54,372  
Red Kryptonite combined with  
nitroglycerin and epinephrine.

80

00:06:54,373 --> 00:06:56,708  
S.T.A.R. Labs had it  
designed to stabilize Kal-El

81

00:06:56,709 --> 00:06:58,126  
if the worst ever happened.

82

00:06:58,127 --> 00:07:00,128  
Will it work?

83

00:07:00,129 --> 00:07:02,506  
I don't know. It's  
never been used.

84

00:07:04,800 --> 00:07:06,594  
[EKG flatlining]

85

00:07:08,470 --> 00:07:09,513  
[sighs]

86

00:07:16,854 --> 00:07:19,023  
[Krypto whining]

87

00:07:23,527 --> 00:07:25,237  
[EKG flatlining]

88

00:07:26,822 --> 00:07:27,822  
Now what?

89

00:07:27,823 --> 00:07:29,867  
[Krypto whining]

90

00:07:56,018 --> 00:07:58,103  
[line ringing]

91

00:07:59,521 --> 00:08:01,231  
Mark Hopkins Hotel?

92

00:08:01,232 --> 00:08:03,712  
I'd like to make a reservation  
for the Top of the Mark, please.

93

00:08:03,984 --> 00:08:04,984  
This Friday night.

94

00:08:11,367 --> 00:08:13,244  
Six. Party of six.

95

00:08:15,913 --> 00:08:17,623  
Seven o'clock's  
fine. Thank you.

96

00:08:25,589 --> 00:08:27,258  
[sighs] We'll be there.

97

00:08:35,891 --> 00:08:37,850  
Remember the first day we met?

98

00:08:37,851 --> 00:08:40,437  
At the roller rink. Yeah.

99

00:08:43,732 --> 00:08:45,817  
Yeah, I really didn't like you.

100

00:08:45,818 --> 00:08:46,818  
[chuckles]

101

00:08:48,737 --> 00:08:49,737

I didn't like you either.

102  
00:08:50,739 --> 00:08:52,533  
[chuckles] Why not?

103  
00:08:53,617 --> 00:08:55,034  
'Cause you stole my car.

104  
00:08:55,035 --> 00:08:58,289  
Oh, yeah. Yeah,  
sorry about that.

105  
00:09:01,709 --> 00:09:04,086  
I'm really glad I took the  
time to get to know you.

106  
00:09:08,757 --> 00:09:10,718  
Sounds like you're  
trying to say goodbye.

107  
00:09:19,018 --> 00:09:20,018  
Please don't.

108  
00:09:23,981 --> 00:09:24,981  
We're not there.

109  
00:09:28,110 --> 00:09:29,110  
Maybe we are.

110  
00:09:41,498 --> 00:09:42,790  
I'm not liking this.

111  
00:09:42,791 --> 00:09:44,752  
Well, there's not a lot to like.

112  
00:09:48,297 --> 00:09:52,383

I think Kory's really planning  
on sacrificing herself.

113

00:09:52,384 --> 00:09:55,178  
Well, maybe Dick's right.  
Maybe there's another way.

114

00:09:55,179 --> 00:09:57,305  
[sighs] Like what?

115

00:09:57,306 --> 00:09:58,307  
[computer beeps]

116

00:10:01,060 --> 00:10:03,979  
There. Dick, I  
have eyes on him.

117

00:10:06,148 --> 00:10:07,900  
Chemical warehouse. Rail yards.

118

00:10:10,944 --> 00:10:13,529  
Why is he going there?

119

00:10:13,530 --> 00:10:16,825  
Because it's not just a chemical  
warehouse, it's a government black site.

120

00:10:17,701 --> 00:10:19,243  
[sighs]

121

00:10:19,244 --> 00:10:21,330  
They're storing  
biochemical weapons.

122

00:10:22,915 --> 00:10:24,291  
Kory, change of plans.

123  
00:10:26,919 --> 00:10:28,795  
[Beast Boy] Looks like  
everyone left in a hurry.

124  
00:10:28,796 --> 00:10:31,423  
The biochemical materials must be  
stored in the underground bunker.

125  
00:10:31,965 --> 00:10:33,424  
Come on.

126  
00:10:33,425 --> 00:10:34,425  
[Robin] Hey, guys.

127  
00:10:38,013 --> 00:10:39,556  
Nice. Very nice.

128  
00:10:41,183 --> 00:10:42,518  
[Beast Boy] Robin 3.0.

129  
00:10:47,606 --> 00:10:49,650  
What do you think?  
[breathing heavily]

130  
00:10:51,944 --> 00:10:53,153  
Third time's the charm.

131  
00:10:54,696 --> 00:10:56,456  
[Brother Blood] You  
shouldn't have come here.

132  
00:11:08,377 --> 00:11:09,836  
[grunts]

133  
00:11:09,837 --> 00:11:11,004  
Is that all you got?

134

00:11:12,005 --> 00:11:12,840  
Fuck this dude.

135

00:11:12,841 --> 00:11:14,007  
Double fuck this dude.

136

00:11:16,093 --> 00:11:17,219  
[Raven grunts]

137

00:11:22,057 --> 00:11:23,057  
It was an illusion.

138

00:11:23,934 --> 00:11:24,977  
He was never really here.

139

00:11:27,312 --> 00:11:28,312  
Are you sure?

140

00:11:41,160 --> 00:11:42,536  
The whole thing  
was a distraction.

141

00:11:44,413 --> 00:11:45,413  
From what?

142

00:11:46,915 --> 00:11:48,333  
[birds chirping]

143

00:11:57,634 --> 00:12:01,555  
[woman on speaker] Welcome to  
S.T.A.R. Labs. Making tomorrow, today.

144

00:12:05,767 --> 00:12:08,853  
All international metahuman  
conference delegates,

145  
00:12:08,854 --> 00:12:10,898  
please report to  
conference room 12.

146  
00:12:12,774 --> 00:12:13,774  
Sebastian.

147  
00:12:22,826 --> 00:12:23,826  
What are you doing here?

148  
00:12:25,829 --> 00:12:30,167  
Ah. Hello, Dr. Espenson.

149  
00:12:33,045 --> 00:12:35,713  
I was just stopping  
by because I heard

150  
00:12:35,714 --> 00:12:38,299  
that S.T.A.R. Labs was  
instrumental in shutting down

151  
00:12:38,300 --> 00:12:39,635  
the game I developed.

152  
00:12:41,512 --> 00:12:43,639  
I... I don't know what  
you're talking about.

153  
00:12:44,890 --> 00:12:47,017  
It was the only thing  
that mattered to me.

154  
00:12:49,228 --> 00:12:54,148  
The one good and  
pure part of myself

155  
00:12:54,149 --> 00:12:56,025  
that I wanted to  
share with the world,

156  
00:12:56,026 --> 00:12:57,819  
but that didn't  
matter to you, did it?

157  
00:12:59,821 --> 00:13:00,821  
Did it?

158  
00:13:01,740 --> 00:13:03,491  
[alarm beeping]

159  
00:13:03,492 --> 00:13:06,012  
[man over speaker] Unsanctioned  
metahuman detected in main lobby.

160  
00:13:12,751 --> 00:13:13,751  
[groans]

161  
00:13:23,887 --> 00:13:25,096  
You need to leave.

162  
00:13:25,097 --> 00:13:26,806  
[sighs]

163  
00:13:26,807 --> 00:13:30,519  
If people like you had just  
been a little bit nicer to me,

164  
00:13:31,728 --> 00:13:33,564  
none of this would've  
had to happen.

165  
00:13:35,649 --> 00:13:37,024

[gasps]

166

00:13:37,025 --> 00:13:40,279  
None of that matters  
anymore, does it?

167

00:13:43,574 --> 00:13:47,786  
I'm going to need access  
to your Icarus Lab.

168

00:13:51,373 --> 00:13:53,584  
[Dr. Espenson screaming]

169

00:13:58,130 --> 00:14:00,757  
But let's just keep that  
between you and me, hmm?

170

00:14:02,509 --> 00:14:03,510  
[people screaming]

171

00:14:07,723 --> 00:14:08,723  
[exhales]

172

00:14:10,767 --> 00:14:11,852  
Well, that works, too.

173

00:14:18,275 --> 00:14:20,319  
[EKG flatlining]

174

00:14:22,738 --> 00:14:23,655  
Any sign?

175

00:14:23,656 --> 00:14:25,156  
Nothing.

176

00:14:25,157 --> 00:14:27,950

We've checked news feeds,  
residual spectral signatures.

177

00:14:27,951 --> 00:14:29,493  
Both negative.

178

00:14:29,494 --> 00:14:31,663  
[cell phone vibrating]

179

00:14:32,789 --> 00:14:35,291  
[Tim] Holy shit. Bernard.

180

00:14:35,292 --> 00:14:39,004  
- [alarms blaring]  
- Yeah, it's me. Hi. Um...

181

00:14:40,047 --> 00:14:41,422  
we've got trouble.

182

00:14:41,423 --> 00:14:43,023  
[Tim] Hang on, let me  
put you on speaker.

183

00:14:43,925 --> 00:14:44,925  
It's Bernard.

184

00:14:45,636 --> 00:14:47,178  
Are you okay?

185

00:14:47,179 --> 00:14:48,680  
[Bernard] Brother  
Blood is here.

186

00:14:50,265 --> 00:14:51,141  
Gar, S.T.A.R. Labs.

187

00:14:51,142 --> 00:14:52,224  
Yeah, I'm on it.

188

00:14:52,225 --> 00:14:55,186  
[Bernard] It's bad. Um, and...

189

00:14:55,187 --> 00:14:56,979  
[engine starts]

190

00:14:56,980 --> 00:15:00,191  
He killed everyone he saw. And  
it's only luck he didn't see me.

191

00:15:00,192 --> 00:15:01,942  
What is he doing now?

192

00:15:01,943 --> 00:15:03,654  
He's headed to the Icarus Lab.

193

00:15:05,197 --> 00:15:06,281  
What's the Icarus Lab?

194

00:15:08,408 --> 00:15:09,868  
Dick, we need to tell them.

195

00:15:15,957 --> 00:15:18,417  
All right, go ahead.

196

00:15:18,418 --> 00:15:23,422  
S.T.A.R. Labs has always been  
about the betterment of mankind.

197

00:15:23,423 --> 00:15:28,511  
We debate our research and development  
and the possible consequences

198

00:15:28,512 --> 00:15:31,013  
of our actions.

199

00:15:31,014 --> 00:15:35,017  
Project Icarus is as close to  
the line as we've ever gone.

200

00:15:35,018 --> 00:15:37,228  
Does anyone else hate  
where this is going?

201

00:15:37,229 --> 00:15:38,689  
Dick, you wanna catch us up?

202

00:15:41,400 --> 00:15:42,400  
It's a wormhole.

203

00:15:44,361 --> 00:15:47,363  
Sorry, you mean  
like... A wormhole?

204

00:15:47,364 --> 00:15:49,073  
[Bernard] Pretty much. Yeah.

205

00:15:49,074 --> 00:15:52,118  
The Icarus Gate is controllable.

206

00:15:52,119 --> 00:15:53,786  
It's programmable.

207

00:15:53,787 --> 00:15:57,081  
It allows for any object to be  
sent anywhere in the universe.

208

00:15:57,082 --> 00:15:59,709  
From something as  
small as a single atom

209

00:15:59,710 --> 00:16:01,586  
to as large as an entire planet.

210

00:16:02,546 --> 00:16:04,171  
I just sent you the data.

211

00:16:04,172 --> 00:16:08,092  
It's completely operational.  
Except for one small problem.

212

00:16:08,093 --> 00:16:11,262  
There isn't enough energy  
on Earth to run it.

213

00:16:11,263 --> 00:16:14,598  
Why would Brother Blood  
want access to a wormhole?

214

00:16:14,599 --> 00:16:16,268  
He wants to destroy Tamaran.

215

00:16:17,686 --> 00:16:19,521  
We represent  
everything he's not.

216

00:16:21,523 --> 00:16:25,068  
He can't rule until there's no  
trace of us left. Gar, stop the RV.

217

00:16:28,029 --> 00:16:29,029  
Kory, wait!

218

00:16:30,824 --> 00:16:32,033  
[RV door shuts]

219

00:16:35,746 --> 00:16:37,830  
[car engine starts]

220

00:16:37,831 --> 00:16:39,749  
[tires screeching]

221

00:16:39,750 --> 00:16:41,167  
[Dick] You trying to  
steal my car again?

222

00:16:41,168 --> 00:16:42,669  
[Kory] You knew  
about the Icarus Lab?

223

00:16:44,296 --> 00:16:47,798  
I knew it existed. I didn't  
know this was gonna happen.

224

00:16:47,799 --> 00:16:52,136  
It's not just Tamaran,  
you know. It's Earth too.

225

00:16:52,137 --> 00:16:54,513  
He's gonna destroy both.  
I have to stop him.

226

00:16:54,514 --> 00:16:56,641  
No, we have to stop him.

227

00:16:59,770 --> 00:17:01,061  
[Kory sighs]

228

00:17:01,062 --> 00:17:02,188  
I have a plan.

229

00:17:02,189 --> 00:17:03,981  
[scoffs] Better be

a damn good one.

230

00:17:03,982 --> 00:17:05,691  
Bernard thinks he can  
get us inside the lab.

231

00:17:05,692 --> 00:17:08,360  
Once we're in, we can  
destroy the Icarus Gate.

232

00:17:08,361 --> 00:17:10,237  
Brother Blood can't use  
it if you blow it up.

233

00:17:10,238 --> 00:17:11,739  
Hmm.

234

00:17:11,740 --> 00:17:13,824  
We save Earth, save Tamaran.  
Live to fight another day.

235

00:17:13,825 --> 00:17:15,993  
It's just putting  
off the inevitable.

236

00:17:15,994 --> 00:17:19,539  
Maybe. Maybe not. But at least with  
my plan, no one has to die. Not today.

237

00:17:21,625 --> 00:17:23,126  
Okay. Fine.

238

00:17:26,755 --> 00:17:28,380  
But I'm going alone.

239

00:17:28,381 --> 00:17:31,300  
Bad idea. He knows

you're coming.

240

00:17:31,301 --> 00:17:33,344  
You could get killed  
before you get a shot off.

241

00:17:33,345 --> 00:17:36,472  
I'm done asking anyone else to  
risk their lives to stop him.

242

00:17:36,473 --> 00:17:39,517  
[Dick] It's not your decision  
to make, it's theirs.

243

00:17:39,518 --> 00:17:41,353  
We're stronger together,  
you know we are.

244

00:17:44,731 --> 00:17:46,691  
But we're even on me  
stealing your car.

245

00:17:47,651 --> 00:17:48,651  
[chuckles]

246

00:17:51,363 --> 00:17:53,197  
- [alarms blaring] - [man over  
speaker] This is an emergency.

247

00:17:53,198 --> 00:17:55,324  
All personnel  
evacuate S.T.A.R. Labs

248

00:17:55,325 --> 00:17:56,951  
and seek shelter.

249

00:17:56,952 --> 00:18:00,747

This is not a drill.  
Repeat, this is not a drill.

250  
00:18:10,799 --> 00:18:14,427  
[woman over speaker] Unknown  
presence detected. Please identify.

251  
00:18:15,387 --> 00:18:17,055  
My name is Brother Blood.

252  
00:18:21,560 --> 00:18:24,144  
And I'm going to  
change the world.

253  
00:18:24,145 --> 00:18:26,565  
[machines powering up]

254  
00:18:29,860 --> 00:18:33,989  
[Calliope] Good evening. My name  
is Calliope. How may I help you?

255  
00:18:35,282 --> 00:18:36,408  
Calliope.

256  
00:18:38,785 --> 00:18:41,288  
I need to engage  
your Icarus Gate.

257  
00:18:42,956 --> 00:18:44,249  
What is the password?

258  
00:18:51,882 --> 00:18:56,970  
Azarath Metrion Zinthos.

259  
00:18:59,723 --> 00:19:00,974  
Password accepted.

260

00:19:11,985 --> 00:19:16,739  
The Icarus Gate is not working  
at full capacity, is it?

261

00:19:16,740 --> 00:19:20,576  
[Calliope] No. The Icarus Gate  
requires 1,000 zettajoules

262

00:19:20,577 --> 00:19:22,329  
to become fully operative.

263

00:19:24,289 --> 00:19:28,000  
Equivalent to the thermal  
solar output of 10,000 suns.

264

00:19:28,001 --> 00:19:30,837  
[Calliope] Ten thousand  
and eighty-nine Earth suns.

265

00:19:36,217 --> 00:19:41,640  
If a Tamaranean were to use  
their power in this room,

266

00:19:42,891 --> 00:19:45,267  
would that be enough  
to activate the Gate?

267

00:19:45,268 --> 00:19:48,270  
[Calliope] Correct. A typical  
Tamaranean can generate

268

00:19:48,271 --> 00:19:51,149  
well over 1,000  
zettajoules of energy.

269

00:19:52,692 --> 00:19:55,445  
[alarms blaring]

270  
00:20:17,759 --> 00:20:19,803  
- Bernard.  
- [shuddering breaths]

271  
00:20:21,888 --> 00:20:23,138  
You okay?

272  
00:20:23,139 --> 00:20:24,641  
Yeah. I'm fine.

273  
00:20:30,480 --> 00:20:31,690  
Where is the Icarus Lab?

274  
00:20:32,440 --> 00:20:34,066  
The top floor.

275  
00:20:34,067 --> 00:20:35,735  
Well, if we're gonna  
do this, let's do it.

276  
00:20:36,695 --> 00:20:37,695  
[police siren wailing]

277  
00:20:38,947 --> 00:20:41,074  
- [breathing deeply]  
- I'll be back, okay?

278  
00:20:43,660 --> 00:20:44,828  
Sooner or later,

279  
00:20:48,540 --> 00:20:50,750  
we all have to face our demons.

280  
00:20:53,003 --> 00:20:55,546  
By now, Brother Blood

probably knows we're coming.

281

00:20:55,547 --> 00:20:58,590  
Once we're inside, distract  
him for as long as possible.

282

00:20:58,591 --> 00:21:00,719  
Long enough for Kory  
to destroy the gate.

283

00:21:04,472 --> 00:21:05,472  
[creature snarls]

284

00:21:13,940 --> 00:21:15,691  
Bernard, what have you got?

285

00:21:15,692 --> 00:21:19,111  
All right. Keep heading for the  
north staircase. It's all clear.

286

00:21:19,112 --> 00:21:21,114  
If he's got any surprises,  
I'm not seeing them.

287

00:21:28,329 --> 00:21:29,329  
Kory.

288

00:21:33,168 --> 00:21:35,003  
Dick. Dick!

289

00:21:37,422 --> 00:21:38,422  
Kory's gone.

290

00:21:39,799 --> 00:21:41,134  
Tim! Gar!

291

00:21:42,343 --> 00:21:43,343  
[Raven] Kory!

292  
00:21:54,105 --> 00:21:55,482  
[whining]

293  
00:22:07,243 --> 00:22:08,368  
[Krypto whining]

294  
00:22:08,369 --> 00:22:09,369  
[EKG beeps]

295  
00:22:11,873 --> 00:22:14,958  
Kory! Kory!

296  
00:22:14,959 --> 00:22:17,252  
[Nightwing] Tim! Anything?

297  
00:22:17,253 --> 00:22:18,796  
[Robin] She's not down here.

298  
00:22:18,797 --> 00:22:20,923  
You don't think she'd go  
off on her own, do you?

299  
00:22:20,924 --> 00:22:22,132  
No, she would've said something.

300  
00:22:22,133 --> 00:22:23,426  
There's gotta be another reason.

301  
00:22:24,719 --> 00:22:26,178  
Nightwing, I see her.

302  
00:22:26,179 --> 00:22:30,307  
She's outside the Icarus Lab.

But... something's wrong.

303

00:22:30,308 --> 00:22:33,852  
There's a metahuman assault  
squad guarding the door.

304

00:22:33,853 --> 00:22:36,480  
[gun cocks]

305

00:22:36,481 --> 00:22:39,317  
[Brother Blood over speakers]  
Gentlemen, allow my guest to pass.

306

00:22:49,786 --> 00:22:51,829  
Why would he bring her up  
there? She could kill him.

307

00:22:51,830 --> 00:22:53,163  
Not if he's controlling her.

308

00:22:53,164 --> 00:22:55,582  
Why not put a  
spell on all of us?

309

00:22:55,583 --> 00:22:57,252  
'Cause he needs  
her for something.

310

00:22:58,253 --> 00:22:59,254  
Oh, my God, Dick.

311

00:23:01,506 --> 00:23:04,216  
Starfire's not his problem,  
she's his solution.

312

00:23:04,217 --> 00:23:06,136  
He's gonna try to use

her to power the Gate.

313  
00:23:19,315 --> 00:23:20,566  
[creature snarls]

314  
00:23:20,567 --> 00:23:22,861  
[breathes deeply]

315  
00:23:37,542 --> 00:23:38,542  
Hello, Kory.

316  
00:23:41,129 --> 00:23:43,798  
I bet you wish you killed  
me when you had the chance.

317  
00:23:46,968 --> 00:23:50,053  
Back then you weren't  
Brother Blood.

318  
00:23:50,054 --> 00:23:52,932  
You deserved the right to make  
a choice about your future.

319  
00:23:54,142 --> 00:23:56,019  
This is who I always was.

320  
00:23:57,478 --> 00:23:59,606  
You just liked me  
better when I was weak.

321  
00:24:04,736 --> 00:24:05,736  
Look.

322  
00:24:07,363 --> 00:24:10,992  
Earth and Tamaran  
will finally meet.

323

00:24:12,160 --> 00:24:13,911  
When the Gate is fully charged,

324

00:24:13,912 --> 00:24:18,040  
I am going to send this  
garbage-covered excuse for a planet

325

00:24:18,041 --> 00:24:22,420  
hurtling through space  
to destroy a diamond.

326

00:24:23,713 --> 00:24:24,713  
[Starfire] Sebastian.

327

00:24:27,217 --> 00:24:31,471  
Destroying Earth and Tamaran  
was your father's goal.

328

00:24:33,556 --> 00:24:35,766  
It was never yours.

329

00:24:35,767 --> 00:24:39,394  
I'm gonna let you in  
on a little secret.

330

00:24:39,395 --> 00:24:43,482  
When you murder someone and  
you drink their life's blood

331

00:24:43,483 --> 00:24:44,901  
from their beating heart,

332

00:24:46,861 --> 00:24:48,655  
you really get to know them.

333

00:24:52,242 --> 00:24:55,786

It turns out, my father's  
deepest fear was that one day,

334

00:24:55,787 --> 00:25:00,207  
the people of Earth and the people  
of Tamaran would join forces.

335

00:25:00,208 --> 00:25:04,420  
And he knew that if that happened,  
they would be unbeatable.

336

00:25:07,048 --> 00:25:09,884  
I won't let anyone  
have power over me.

337

00:25:10,677 --> 00:25:12,095  
Never again.

338

00:25:13,888 --> 00:25:16,808  
[Calliope] Icarus Gate  
targeting computations complete.

339

00:25:19,394 --> 00:25:20,394  
Yeah.

340

00:25:22,313 --> 00:25:26,276  
You're thinking of destroying  
it, aren't you? Hmm?

341

00:25:31,906 --> 00:25:33,574  
Or maybe...

342

00:25:38,246 --> 00:25:43,543  
Maybe you're thinking of  
sacrificing yourself to destroy me.

343

00:25:46,129 --> 00:25:49,172

Either way it doesn't matter.

344

00:25:49,173 --> 00:25:53,552  
Any light you release in this  
room will be instantly absorbed

345

00:25:53,553 --> 00:25:58,141  
by the Gate's power coil,  
bringing it to full capacity.

346

00:26:00,560 --> 00:26:03,771  
It's waiting for your  
energy, Starfire.

347

00:26:07,358 --> 00:26:08,693  
It's hungry for it.

348

00:26:10,778 --> 00:26:14,657  
And you're the only person  
on Earth who can feed it.

349

00:26:19,662 --> 00:26:21,080  
So how does this end?

350

00:26:24,000 --> 00:26:29,672  
I use my blue light. The Earth  
goes into a wormhole and you die.

351

00:26:30,381 --> 00:26:31,632  
Gods don't die.

352

00:26:33,593 --> 00:26:34,634  
You're no god.

353

00:26:34,635 --> 00:26:35,970  
I am a god!

354

00:26:39,682 --> 00:26:40,933  
My whole life.

355

00:26:42,643 --> 00:26:47,981  
My whole life, all I ever  
wanted was love and acceptance,

356

00:26:47,982 --> 00:26:51,986  
and all I got in return  
was cruelty and pain.

357

00:26:53,780 --> 00:26:56,740  
It took me a long  
time to realize that

358

00:26:56,741 --> 00:27:00,870  
cruelty and pain are the only  
true principles of existence.

359

00:27:03,122 --> 00:27:06,125  
And you either suffer them,

360

00:27:09,170 --> 00:27:10,546  
or you inflict them.

361

00:27:13,174 --> 00:27:15,343  
It's time for other  
people to suffer.

362

00:27:17,053 --> 00:27:18,346  
I'm done suffering.

363

00:27:21,682 --> 00:27:25,352  
[breathes deeply] Let's  
get started, shall we?

364

00:27:25,353 --> 00:27:26,979  
[alarm blaring]

365

00:27:34,404 --> 00:27:36,989  
Six. Armed. Riot gear.

366

00:27:39,992 --> 00:27:41,112  
We're gonna need some cover.

367

00:27:51,212 --> 00:27:52,338  
[guard] Firing positions.

368

00:27:54,048 --> 00:27:55,173  
[all groaning]

369

00:27:55,174 --> 00:27:56,174  
Go.

370

00:27:58,719 --> 00:27:59,762  
- [grunts]  
- [groans]

371

00:28:02,390 --> 00:28:03,850  
- [tiger roars]  
- [guard screams]

372

00:28:12,358 --> 00:28:13,901  
[both grunting]

373

00:28:20,825 --> 00:28:22,952  
I won't help you  
destroy my home.

374

00:28:26,747 --> 00:28:27,832  
Either one of them.

375

00:28:31,043 --> 00:28:32,336  
Yes, you will.

376

00:28:34,338 --> 00:28:36,132  
[Starfire grunting]

377

00:28:43,473 --> 00:28:45,224  
- [Starfire gasps]  
- [breathing heavily]

378

00:28:47,768 --> 00:28:50,645  
- [Calliope] Icarus Gate power sequence initiated.  
- [gasps]

379

00:28:50,646 --> 00:28:52,315  
[panting]

380

00:28:55,860 --> 00:28:56,861  
[screams]

381

00:29:00,448 --> 00:29:01,449  
[grunts]

382

00:29:21,719 --> 00:29:23,721  
[buzzing]

383

00:29:24,889 --> 00:29:27,058  
- [grunting]  
- [groans]

384

00:29:34,857 --> 00:29:35,857  
Bernard!

385

00:29:39,111 --> 00:29:40,111  
[both chuckle]

386

00:29:42,490 --> 00:29:44,533  
[Bernard] I might be  
able to hack my way in.

387  
00:29:44,534 --> 00:29:46,034  
[Nightwing] Anytime!

388  
00:29:46,035 --> 00:29:47,577  
Almost there.

389  
00:29:47,578 --> 00:29:49,163  
- [door beeps]  
- Bernard!

390  
00:29:51,040 --> 00:29:52,123  
[groans]

391  
00:29:52,124 --> 00:29:54,668  
[Calliope] Power is at 17%.

392  
00:29:54,669 --> 00:29:55,669  
[groans]

393  
00:29:56,754 --> 00:29:57,754  
[panting]

394  
00:30:01,342 --> 00:30:03,636  
The irony is  
irresistible, isn't it?

395  
00:30:04,303 --> 00:30:05,303  
[grunts]

396  
00:30:10,518 --> 00:30:13,436  
The one whom the prophecy  
states would save worlds

397  
00:30:13,437 --> 00:30:14,604  
will now destroy them.

398  
00:30:14,605 --> 00:30:15,606  
[Starfire screams]

399  
00:30:16,691 --> 00:30:18,692  
[shushes]

400  
00:30:18,693 --> 00:30:22,947  
[Calliope] Wormhole to Tamaran  
will be charged in 320 seconds.

401  
00:30:24,282 --> 00:30:27,785  
You see, destinies  
can be rewritten.

402  
00:30:29,537 --> 00:30:31,663  
It just depends  
who holds the pen.

403  
00:30:31,664 --> 00:30:33,791  
- [chuckles]  
- [Calliope] Power is at 22%.

404  
00:30:34,458 --> 00:30:36,460  
[grunts]

405  
00:30:40,965 --> 00:30:41,965  
[growls]

406  
00:30:47,138 --> 00:30:49,306  
[Calliope] Power is at 27%.

407  
00:30:49,307 --> 00:30:50,974  
[Raven] Kory!

408

00:30:50,975 --> 00:30:52,976  
Bernard, he's got Starfire hooked  
up to some kind of machine.

409

00:30:52,977 --> 00:30:54,269  
- He's draining her!  
- [Raven yelps]

410

00:30:54,270 --> 00:30:55,729  
How do we shut it down?

411

00:30:55,730 --> 00:30:57,314  
You're gonna have to get  
close but be careful.

412

00:30:57,315 --> 00:31:00,108  
The gravitational pull  
can be very unpredictable.

413

00:31:00,109 --> 00:31:03,112  
Look for four black cables  
just beneath the Gate.

414

00:31:05,740 --> 00:31:06,990  
I see them!

415

00:31:06,991 --> 00:31:09,160  
- [grunts]  
- [groans]

416

00:31:10,244 --> 00:31:12,787  
[Calliope] Power is at 30%.

417

00:31:12,788 --> 00:31:15,457  
Those black cables, they're the  
navigational guidance system.

418

00:31:15,458 --> 00:31:17,877  
If you pull them out, he won't  
be able to target Tamaran.

419

00:31:19,962 --> 00:31:22,381  
[grunts]

420

00:31:24,425 --> 00:31:26,677  
[Bernard] First cable  
down, three to go.

421

00:31:27,970 --> 00:31:29,596  
Bernard, I can't shut it down.

422

00:31:29,597 --> 00:31:32,140  
Brother Blood has locked  
down the entire mainframe.

423

00:31:32,141 --> 00:31:34,602  
- [Calliope] Power is at 43%.  
- [yelps]

424

00:31:35,269 --> 00:31:36,520  
[screaming]

425

00:31:37,146 --> 00:31:39,148  
[grunts]

426

00:31:40,232 --> 00:31:41,232  
[groans]

427

00:31:44,195 --> 00:31:45,195  
[grunts]

428

00:31:51,285 --> 00:31:54,871

For the record, that game  
you made fucking sucks.

429

00:31:54,872 --> 00:31:55,872

- [grunts]

- [groans]

430

00:32:00,127 --> 00:32:02,880

[Calliope] Wormhole initial  
ignition commencing.

431

00:32:04,632 --> 00:32:06,717

- [groans]

432

00:32:10,221 --> 00:32:12,806

- [grunts] - [Bernard] Gar, how are  
we doing with that second cable?

433

00:32:12,807 --> 00:32:14,141

[Gar straining]  
I'm working on it!

434

00:32:15,685 --> 00:32:17,227

[Bernard] Two more  
cables to go, Gar.

435

00:32:17,228 --> 00:32:18,895

[Calliope] Power is at 70%.

436

00:32:18,896 --> 00:32:22,108

[panting] Okay. I'm gonna  
help you. Let me help you.

437

00:32:23,025 --> 00:32:24,025

[grunts]

438

00:32:24,652 --> 00:32:25,695

[buzzing]

439

00:32:27,822 --> 00:32:29,949

- [grunts]

- [groans]

440

00:32:36,664 --> 00:32:38,415

[groaning] Help!

441

00:32:38,416 --> 00:32:41,001

Go help Beast Boy.

He's getting sucked in!

442

00:32:41,919 --> 00:32:42,919

[straining]

443

00:32:46,799 --> 00:32:48,843

[straining]

444

00:32:52,555 --> 00:32:53,930

[groans]

445

00:32:53,931 --> 00:32:56,641

[Calliope] Tamaranean solar  
system arrival imminent.

446

00:32:56,642 --> 00:32:58,436

[both straining]

447

00:33:00,229 --> 00:33:02,314

[Calliope] Power is at 84%.

448

00:33:06,527 --> 00:33:08,404

- No, no.

- [straining]

449

00:33:12,241 --> 00:33:14,285  
[both grunting]

450  
00:33:25,337 --> 00:33:26,337  
[spits]

451  
00:33:36,223 --> 00:33:38,141  
- [groans]  
- [buzzing]

452  
00:33:38,142 --> 00:33:40,935  
- Come on.  
- [Calliope] Planet Tamaran now in range of Icarus Wormhole.

453  
00:33:40,936 --> 00:33:42,771  
We don't have much time left!

454  
00:33:42,772 --> 00:33:43,813  
Help me with these cables!

455  
00:33:43,814 --> 00:33:45,149  
Okay! [strains]

456  
00:33:47,151 --> 00:33:49,487  
- [Calliope] Power is at 95%.  
- [bone snaps]

457  
00:33:50,070 --> 00:33:51,321  
[screams]

458  
00:33:51,322 --> 00:33:52,739  
[Calliope] Commencing  
primary ignition.

459  
00:33:52,740 --> 00:33:53,949  
[grunts]

460  
00:34:09,006 --> 00:34:11,050  
Hey. Hey. [gasps]

461  
00:34:11,759 --> 00:34:13,551  
[screams]

462  
00:34:13,552 --> 00:34:15,678  
[Calliope] Wormhole  
activation ready.

463  
00:34:15,679 --> 00:34:20,350  
Earth targeted to Tamaran. Ready  
to execute on your command.

464  
00:34:20,351 --> 00:34:26,941  
Did you really think you had  
a chance? You can't beat me!

465  
00:34:27,942 --> 00:34:29,985  
No. But he can.

466  
00:34:41,121 --> 00:34:42,705  
[both straining]

467  
00:34:42,706 --> 00:34:45,292  
- [computer beeps] - [Calliope]  
Targeting system failure.

468  
00:34:47,795 --> 00:34:49,463  
[screams]

469  
00:34:50,297 --> 00:34:51,674  
[electric buzzing]

470  
00:34:56,595 --> 00:34:57,763  
[grunts]

471  
00:34:59,682 --> 00:35:01,224  
[yells]

472  
00:35:01,225 --> 00:35:03,394  
[Brother Blood groans]

473  
00:35:08,649 --> 00:35:09,900  
[panting]

474  
00:35:15,698 --> 00:35:17,324  
[Starfire shudders] Rachel.

475  
00:35:32,214 --> 00:35:33,214  
You're alive.

476  
00:35:34,466 --> 00:35:35,550  
Damn straight.

477  
00:35:35,551 --> 00:35:36,593  
[laughs]

478  
00:35:36,594 --> 00:35:40,347  
[chuckles] Wait, was I dead?

479  
00:35:41,765 --> 00:35:42,808  
I'll explain later.

480  
00:35:45,352 --> 00:35:46,353  
[panting] Are you okay?

481  
00:35:52,902 --> 00:35:53,902  
I don't think so.

482  
00:36:04,330 --> 00:36:09,752

It's over. The prophecies,  
the story. Everything.

483

00:36:11,879 --> 00:36:12,922

We won.

484

00:36:14,798 --> 00:36:16,883

We can toss him into  
the Icarus Gate.

485

00:36:16,884 --> 00:36:19,427

Blast him back to the  
other side of the universe.

486

00:36:19,428 --> 00:36:20,638

Conner, give me a hand!

487

00:36:21,889 --> 00:36:22,889

No.

488

00:36:33,317 --> 00:36:35,109

What if he comes back?

489

00:36:35,110 --> 00:36:36,653

[breathing deeply]

490

00:36:36,654 --> 00:36:37,654

Stronger.

491

00:36:38,948 --> 00:36:40,532
