THE
HAUNTING
— OF BLY MANOR —

CREATED BY
Mike Flanagan

BASED ON THE BOOK BY
Henry James

EPISODE 1.06

"The Jolly Corner"

In denial and embroiled in his work, Henry Wingrave must reckon with himself. Dani reaches out to Jamie while Flora gets lost in the past.

Rahul Kohli	...	Owen
Tahirah Sharif	...	Rebecca Jessel
Amelie Bea Smith	...	Flora
Benjamin Evan Ainsworth	...	Miles
Henry Thomas	...	Henry Wingrave
Alex Essoe	...	Charlotte Wingrave
Matthew Holness	...	Dominic Wingrave
Liza Cosier	...	Receptionist
Calix Fraser	...	Doll Face Ghost

1
00:00:10,000 --> 00:00:11,916
[theme music playing]

2
00:01:20,375 --> 00:01:21,541
[sipping]

3
00:01:26,000 --> 00:01:26,833
[knock at door]

4
00:01:29,541 --> 00:01:30,541
The post is here.

5
00:01:31,833 --> 00:01:33,208
-Thank you.
-You're welcome.

6
00:01:35,041 --> 00:01:35,958
[footsteps recede]

7
00:01:43,208 --> 00:01:45,250
[pensive music playing]

8
00:01:46,125 --> 00:01:47,083
[sighs]

9
00:01:50,916 --> 00:01:52,583
[sighs]

10
00:01:59,125 --> 00:02:02,000
[storyteller] Lord Wingrave greatly
preferred the confines of his office

11
00:02:02,083 --> 00:02:03,833
to the comfort of his London flat.

12
00:02:06,166 --> 00:02:09,625
He trapped himself there,
day and night tucked away in his work,

13
00:02:10,291 --> 00:02:11,666
in his nightly routine,

14

00:02:12,541 --> 00:02:14,083
until he was entombed in it.

15

00:02:14,750 --> 00:02:17,791
Until there was no room left
inside of him for anything else.

16

00:02:18,916 --> 00:02:20,083
Until he felt...

17

00:02:20,666 --> 00:02:22,708
-most like himself.
-[footsteps approaching]

18

00:02:22,791 --> 00:02:24,416
For better or worse.

19

00:02:24,958 --> 00:02:26,583
[receptionist] Miss Clayton phoned.

20

00:02:27,125 --> 00:02:27,958
And?

21

00:02:28,041 --> 00:02:30,833
Just an update.
Wanted to report about the children.

22

00:02:30,916 --> 00:02:32,500
And how are the children?

23

00:02:32,583 --> 00:02:35,583
She says they're well,
but she's a bit concerned,

24

00:02:35,666 --> 00:02:39,041
and that she's happy to elaborate,
if you'd like to schedule a call.

25

00:02:39,666 --> 00:02:42,041
Says there's some things,

26

00:02:42,125 --> 00:02:43,958
nothing alarming she says, but...

27

00:02:44,458 --> 00:02:46,541
some things you may want to hear about.

28

00:02:47,250 --> 00:02:48,166
No need.

29

00:02:48,250 --> 00:02:49,875
I'm happy the children are well.

30

00:02:52,416 --> 00:02:53,833
Of course. [inhales deeply]

31

00:02:57,875 --> 00:02:59,166
Have a good weekend.

32

00:03:00,916 --> 00:03:01,916
[receptionist] Uh...

33

00:03:02,000 --> 00:03:02,833
Thank you.

34

00:03:07,500 --> 00:03:08,375
[sips]

35

00:03:13,375 --> 00:03:16,875
[door opens and closes]

36

00:03:18,500 --> 00:03:19,666
[sighs]

37

00:03:33,833 --> 00:03:35,500
[sighs]

38

00:03:38,458 --> 00:03:40,458
[sighs]

39

00:03:41,666 --> 00:03:43,666

[ominous music playing]

40

00:03:46,583 --> 00:03:47,458
[sniffs]

41

00:03:48,958 --> 00:03:51,458
Scotch or bourbon tonight?

42

00:04:00,625 --> 00:04:02,166
Scotch it is.

43

00:04:07,000 --> 00:04:08,750
[haunting music playing quietly]

44

00:04:29,875 --> 00:04:30,750
[opens bottle]

45

00:04:30,833 --> 00:04:31,833
[exhales slowly]

46

00:04:38,750 --> 00:04:39,833
[sighs]

47

00:04:43,416 --> 00:04:44,791
[frightening clicking]

48

00:04:57,541 --> 00:04:59,541
[music intensifying]

49

00:05:04,875 --> 00:05:05,875
[dramatic crescendo]

50

00:05:16,250 --> 00:05:17,416
[exhales]

51

00:05:19,166 --> 00:05:21,208
[motor roars]

52

00:05:30,791 --> 00:05:31,791
[Dominic] Charlotte!

53

00:05:32,583 --> 00:05:33,416
Charlotte!

54

00:05:34,916 --> 00:05:35,750
Too late?

55

00:05:35,833 --> 00:05:37,333
-[Henry] You're on time.
-I'm on time?

56

00:05:37,416 --> 00:05:40,000
-Yeah, she's close but not yet.
-Thank God for that.

57

00:05:40,083 --> 00:05:40,916
Charlotte, I'm here!

58

00:05:41,000 --> 00:05:43,583
I... I don't think she cares much
right now, to be honest.

59

00:05:44,916 --> 00:05:45,958
She's early.

60

00:05:46,041 --> 00:05:47,166
She's quite early.

61

00:05:47,250 --> 00:05:48,625
It happens, doesn't it?

62

00:05:48,708 --> 00:05:50,875
I'd never have left
if I'd thought she'd be this early.

63

00:05:50,958 --> 00:05:52,666
Well, you made it, you're fine.

64

00:05:52,750 --> 00:05:54,791
I'd never miss the birth
of my own daughter.

65

00:05:54,875 --> 00:05:57,041
[panting] I'd never.
Why not the hospital?

66

00:05:57,125 --> 00:05:58,791
It was faster
to have the doctor come here.

67

00:05:58,875 --> 00:06:00,666
This early,
you should take her to a hospital.

68

00:06:00,750 --> 00:06:03,916
A hospital is two hours away.
The doctor was 40 minutes away.

69

00:06:04,000 --> 00:06:05,833
-Miles?
-He's fine. He's asleep.

70

00:06:05,916 --> 00:06:06,750
Okay.

71

00:06:07,500 --> 00:06:09,166
-I'm here, darling.
-[Charlotte groaning]

72

00:06:09,708 --> 00:06:10,875
Here's my girl.

73

00:06:10,958 --> 00:06:11,791
My girls.

74

00:06:12,541 --> 00:06:13,708
How are my girls?

75

00:06:13,791 --> 00:06:16,166
[whimpers, screams]

76

00:06:16,250 --> 00:06:17,416
[panting]

77

00:06:20,166 --> 00:06:21,875
[pensive music playing]

78

00:06:22,666 --> 00:06:23,875
[screams]

79

00:06:33,291 --> 00:06:35,416
[Charlotte continues screaming and crying]

80

00:06:40,208 --> 00:06:41,458
[birdsong]

81

00:07:27,625 --> 00:07:29,625
[unsettling hushed sounds]

82

00:07:54,083 --> 00:07:55,125
[knocking on door]

83

00:07:58,041 --> 00:08:00,500
[Jamie] Don't usually see you
this early in the a.m.

84

00:08:01,416 --> 00:08:02,250
Uh...

85

00:08:02,333 --> 00:08:04,250
Yeah, well, I-I knew... um...

86

00:08:04,750 --> 00:08:07,083
I know that y-you start early
on Thursdays.

87

00:08:08,250 --> 00:08:09,083
[Dani] So,

88

00:08:09,166 --> 00:08:11,208
I thought I'd bring you some coffee.

89

00:08:12,208 --> 00:08:13,583
You Yanks and your coffee.

90

00:08:14,333 --> 00:08:15,250
You might like it.

91
00:08:19,000 --> 00:08:19,833
Cheers.

92
00:08:20,416 --> 00:08:21,250
Cheers.

93
00:08:26,083 --> 00:08:28,833
-[spits]
-I'm not the best at coffee, either.

94
00:08:29,375 --> 00:08:30,500
-[chuckles]
-[Jamie] Ahem.

95
00:08:31,625 --> 00:08:32,833
How's your week been?

96
00:08:33,333 --> 00:08:34,583
It's been okay.

97
00:08:36,333 --> 00:08:37,250
Yeah, um...

98
00:08:39,583 --> 00:08:41,666
The kids have been
a little strange, lately.

99
00:08:42,291 --> 00:08:44,416
Everything's been a bit strange, really.

100
00:08:45,458 --> 00:08:46,500
And no Owen.

101
00:08:48,125 --> 00:08:49,166
No you.

102
00:08:50,500 --> 00:08:51,875
[Jamie] Mm. [clears throat]

103

00:08:52,375 --> 00:08:54,416

I seem to see less and less of Hannah.

104

00:08:55,375 --> 00:08:56,416

She just...

105

00:08:56,500 --> 00:08:57,916

goes out, I guess.

106

00:08:59,208 --> 00:09:00,375

By herself.

107

00:09:00,458 --> 00:09:04,250

Sometimes, I just turn around,
and-and she's gone.

108

00:09:06,000 --> 00:09:08,000

Sometimes, people just need to be alone.

109

00:09:15,708 --> 00:09:17,416

Did you wake up just for this?

110

00:09:18,250 --> 00:09:19,125

No.

111

00:09:20,416 --> 00:09:22,125

You just waited for me to come back.

112

00:09:22,791 --> 00:09:25,333

I-I knew that you were coming back
today, but...

113

00:09:26,875 --> 00:09:28,875

no, no particular reason.

114

00:09:29,416 --> 00:09:30,500

Are the kids awake?

115

00:09:30,583 --> 00:09:32,875

Um, no. No, they're asleep.

116

00:09:32,958 --> 00:09:34,750
So, you just got up with the sun.

117

00:09:35,458 --> 00:09:36,541
And you're, uh...

118

00:09:36,625 --> 00:09:40,458
tiptoeing around the kitchen
making awful coffee by yourself,

119

00:09:41,166 --> 00:09:43,416
just to come say hi at six in the morning,

120

00:09:43,500 --> 00:09:44,750
for no particular reason?

121

00:09:47,416 --> 00:09:49,583
Poppins, you flirt.

122

00:09:51,041 --> 00:09:51,875
Fine.

123

00:09:52,541 --> 00:09:55,708
I-I... I don't like the way we left it.

124

00:09:57,833 --> 00:09:59,041
And how did we leave it?

125

00:09:59,708 --> 00:10:00,541
Wrong.

126

00:10:01,708 --> 00:10:02,875
And-And I wanted to...

127

00:10:03,541 --> 00:10:05,458
I wanted to start doing something right.

128

00:10:06,208 --> 00:10:08,125
So, I thought I'd start with coffee.

129

00:10:11,000 --> 00:10:12,083
Are you sure about that?

130
00:10:12,958 --> 00:10:15,000
Because every time
I think you might be sure,

131
00:10:15,583 --> 00:10:17,875
you've got this irritating habit
of jumping back,

132
00:10:17,958 --> 00:10:19,291
like you've just seen a scary bug.

133
00:10:20,375 --> 00:10:21,833
Maybe that's best, really.

134
00:10:22,375 --> 00:10:23,375
I like you.

135
00:10:24,791 --> 00:10:27,000
But I also like my life the way it is.

136
00:10:27,083 --> 00:10:28,750
Nice and boring.

137
00:10:28,833 --> 00:10:31,250
[scoffs]
Yeah, I-I wouldn't want to disrupt that.

138
00:10:32,375 --> 00:10:35,333
[in forced Cockney accent]
Gotta keep things proper borin',

139
00:10:35,833 --> 00:10:36,916
'aven't we?

140
00:10:37,000 --> 00:10:37,875
[Jamie snickers]

141
00:10:41,916 --> 00:10:44,916
[in normal accent]

Look, there's-there's a pub in Bly, right?

142

00:10:46,291 --> 00:10:47,125
There is.

143

00:10:49,208 --> 00:10:50,708
Would you want to get a drink?

144

00:10:52,166 --> 00:10:53,208
Away from the house.

145

00:10:53,958 --> 00:10:55,333
Away from all this.

146

00:10:57,875 --> 00:10:59,750
That could be kind of boring, right?

147

00:11:00,833 --> 00:11:02,208
Could be dreadfully boring.

148

00:11:02,708 --> 00:11:05,416
Okay, so I could ask Hannah
to watch the kids one night.

149

00:11:06,416 --> 00:11:08,291
And you and me...

150

00:11:09,625 --> 00:11:11,208
could get a boring, old drink...

151

00:11:12,166 --> 00:11:13,500
in a boring, old pub...

152

00:11:14,625 --> 00:11:16,416
and see where that takes us.

153

00:11:19,458 --> 00:11:21,458
You know I live above that pub, right?

154

00:11:23,375 --> 00:11:25,083
I told you that already, didn't I?

155
00:11:26,250 --> 00:11:27,291
Got a little flat.

156
00:11:27,833 --> 00:11:30,125
Right above the boring, little pub.

157
00:11:34,125 --> 00:11:35,875
[eerie music playing]

158
00:11:36,375 --> 00:11:37,208
Flora?

159
00:11:38,458 --> 00:11:39,875
[eerie music plays]

160
00:11:44,500 --> 00:11:45,416
[Dani] Flora!

161
00:11:45,500 --> 00:11:46,750
Flora, Flora!

162
00:11:46,833 --> 00:11:48,125
Hey, hey.

163
00:11:48,208 --> 00:11:49,083
Hey.

164
00:11:49,166 --> 00:11:50,125
What are you doing?

165
00:11:53,208 --> 00:11:54,416
I don't feel good.

166
00:11:54,875 --> 00:11:56,541
How long have you been out here?

167
00:12:00,791 --> 00:12:02,166
I just woke up.

168

00:12:04,375 --> 00:12:05,333
I don't know.

169
00:12:05,833 --> 00:12:07,000
[suspenseful crescendo]

170
00:12:07,083 --> 00:12:09,500
-[music stops abruptly]
-[birdsong]

171
00:12:23,416 --> 00:12:24,250
[soft thud]

172
00:12:24,750 --> 00:12:25,583
[Flora] Hello?

173
00:12:29,083 --> 00:12:29,916
Miles?

174
00:12:31,458 --> 00:12:32,291
Is that you?

175
00:12:44,875 --> 00:12:45,708
[quiet creaking]

176
00:12:50,083 --> 00:12:50,916
[creak]

177
00:12:52,375 --> 00:12:53,208
Wait!

178
00:12:58,541 --> 00:12:59,416
Who are you?

179
00:13:03,833 --> 00:13:04,791
Did you hear me?

180
00:13:07,875 --> 00:13:08,875
I'm Flora.

181
00:13:12,500 --> 00:13:13,625

[ominous shrill sound]

182

00:13:13,708 --> 00:13:14,708
[Flora screams]

183

00:13:14,791 --> 00:13:16,625
[screaming] Mummy, Mummy!
[panting]

184

00:13:16,708 --> 00:13:18,375
-[whimpers]
-[unsettling music playing]

185

00:13:19,666 --> 00:13:20,500
Mummy!

186

00:13:21,958 --> 00:13:22,833
Mummy!

187

00:13:24,375 --> 00:13:25,250
What is it?

188

00:13:25,333 --> 00:13:27,333
There's someone in my room.
A little boy.

189

00:13:27,416 --> 00:13:29,000
Oh, Miles!

190

00:13:29,625 --> 00:13:31,583
-For God's sake.
-It's not Miles.

191

00:13:32,083 --> 00:13:33,875
It's not. It's...

192

00:13:37,333 --> 00:13:38,166
Uncle Henry?

193

00:13:39,166 --> 00:13:40,000
Oh.

194
00:13:40,083 --> 00:13:41,833
-Hello, Flora.
-[Charlotte chuckles awkwardly]

195
00:13:42,375 --> 00:13:43,583
What are you doing here?

196
00:13:44,541 --> 00:13:47,000
I didn't drive back
to the city last night.

197
00:13:47,083 --> 00:13:48,500
Uncle Henry slept over.

198
00:13:48,583 --> 00:13:49,916
In one of the guest rooms.

199
00:13:50,500 --> 00:13:52,583
And I was just saying good morning
just now.

200
00:13:52,666 --> 00:13:53,500
[Charlotte] Yes.

201
00:13:53,583 --> 00:13:56,458
And I-I just heard you say
there was someone in your room.

202
00:13:56,541 --> 00:13:58,791
Come! See, quickly!

203
00:14:08,916 --> 00:14:10,916
You see? No one there.

204
00:14:12,625 --> 00:14:13,541
Not now,

205
00:14:14,291 --> 00:14:15,125
but there was.

206
00:14:15,625 --> 00:14:17,083

There definitely was.

207

00:14:17,666 --> 00:14:19,541
And stop saying there wasn't!

208

00:14:19,625 --> 00:14:21,708
All right, all right. There was.

209

00:14:22,958 --> 00:14:24,583
There was a little boy, you say?

210

00:14:25,500 --> 00:14:27,166
Little, like me.

211

00:14:27,666 --> 00:14:30,166
Oh, surely no one is as little as you.

212

00:14:31,791 --> 00:14:32,833
[Charlotte chuckles]

213

00:14:33,458 --> 00:14:35,916
Well, if there is a little boy,

214

00:14:36,000 --> 00:14:38,000
and you're the only one who can see him,

215

00:14:38,625 --> 00:14:40,333
perhaps he'd like to be your friend.

216

00:14:41,791 --> 00:14:44,458
No, there's something wrong with him.

217

00:14:45,333 --> 00:14:46,958
His face isn't finished.

218

00:14:47,041 --> 00:14:48,958
-Oh, no.
-[Charlotte chuckles]

219

00:14:49,333 --> 00:14:51,166
He doesn't even have a mouth.

220

00:14:51,250 --> 00:14:54,375
Well, I should think
he would be a very good listener.

221

00:14:54,458 --> 00:14:57,958
And there's almost nothing
more important than that in a friend.

222

00:14:58,041 --> 00:14:59,291
[Charlotte] That's right.

223

00:14:59,375 --> 00:15:03,125
And if he can listen, perhaps he'd love
to hear some of your stories, Flora.

224

00:15:03,750 --> 00:15:06,500
But... how can he be my friend

225

00:15:06,583 --> 00:15:09,125
if... he can't tell me his name?

226

00:15:10,041 --> 00:15:12,375
Well, perhaps you could give him a name.

227

00:15:12,458 --> 00:15:14,791
You could give him
a whole story of his own.

228

00:15:14,875 --> 00:15:17,708
Uh, I had a friend
when I was your age, too.

229

00:15:17,791 --> 00:15:19,333
In this house, in fact.

230

00:15:19,791 --> 00:15:20,833
He was a soldier,

231

00:15:21,625 --> 00:15:23,250
and I was very afraid of him,

232

00:15:23,750 --> 00:15:25,291
until I gave him a story.

233

00:15:25,375 --> 00:15:27,375
Was he happy when you gave him one?

234

00:15:27,458 --> 00:15:28,625
Oh, he was.

235

00:15:29,416 --> 00:15:32,083
So, maybe I could do that.

236

00:15:32,166 --> 00:15:33,875
Give him a story.

237

00:15:33,958 --> 00:15:35,333
That's my sweet girl.

238

00:15:44,000 --> 00:15:47,500
When's Daddy coming home
from Scotland, Mummy?

239

00:15:49,083 --> 00:15:50,166
Uh...

240

00:15:50,250 --> 00:15:51,166
U-Um...

241

00:15:51,833 --> 00:15:53,583
Soon, my love.

242

00:15:53,666 --> 00:15:55,500
This is strange.

243

00:15:56,291 --> 00:15:57,166
It is?

244

00:15:58,041 --> 00:15:58,958
I think...

245

00:16:00,166 --> 00:16:01,000
because...

246
00:16:02,375 --> 00:16:05,875
Well, I suppose it's because I'm too old.

247
00:16:06,833 --> 00:16:07,666
Isn't it?

248
00:16:09,291 --> 00:16:11,166
Yes, I expect that's it.

249
00:16:11,625 --> 00:16:13,541
I feel like I should be littler.

250
00:16:14,083 --> 00:16:16,666
Well, you should be five years old,
in fact.

251
00:16:17,250 --> 00:16:19,416
You were five years old
when this happened.

252
00:16:19,875 --> 00:16:20,708
[Flora] So,

253
00:16:20,791 --> 00:16:22,541
why aren't I five years old?

254
00:16:23,958 --> 00:16:27,250
I'm not five years old,
I'm eight years old.

255
00:16:27,333 --> 00:16:29,166
Why is my age all wrong?

256
00:16:29,250 --> 00:16:30,791
You know why, don't you?

257
00:16:33,041 --> 00:16:34,875
Because this is a memory.

258
00:16:34,958 --> 00:16:36,250
That's right.

259
00:16:37,333 --> 00:16:40,041
[Flora] I've been tucked away again,
in another memory.

260
00:16:40,625 --> 00:16:41,458
You have.

261
00:16:41,541 --> 00:16:43,333
This is happening more and more,

262
00:16:43,416 --> 00:16:44,333
isn't it?

263
00:16:45,000 --> 00:16:46,208
It is.

264
00:16:46,291 --> 00:16:49,416
[Flora] I keep getting tucked away
in one memory or another,

265
00:16:50,000 --> 00:16:52,125
and, then, I start to realize it,

266
00:16:52,208 --> 00:16:54,750
and it'll be over as soon as I...

267
00:16:54,833 --> 00:16:55,666
Wake up.

268
00:16:56,458 --> 00:16:57,291
Wake up.

269
00:16:58,250 --> 00:16:59,083
Hey.

270
00:16:59,166 --> 00:17:00,666
Hey. [chuckles softly]

271

00:17:00,750 --> 00:17:01,791
Hey, you just...

272

00:17:02,833 --> 00:17:04,666
You just nodded off there.
[chuckles]

273

00:17:04,750 --> 00:17:05,791
You just, um...

274

00:17:06,333 --> 00:17:07,750
What-- What happened?

275

00:17:07,833 --> 00:17:09,250
[sighs] I don't know.

276

00:17:10,750 --> 00:17:12,250
I'm sorry.

277

00:17:13,333 --> 00:17:15,166
I'm having a bit of a moment.

278

00:17:15,708 --> 00:17:16,875
Oh, it's all right, we...

279

00:17:17,416 --> 00:17:20,291
We, uh...
we just wanna make sure that you're okay.

280

00:17:20,375 --> 00:17:21,416
What were you doing?

281

00:17:22,041 --> 00:17:23,375
[Dani] We were talking.

282

00:17:23,458 --> 00:17:25,291
We were, uh, talking about the walk.

283

00:17:26,375 --> 00:17:27,916
Your-Your walk last night.

284
00:17:28,500 --> 00:17:29,500
And, uh...

285
00:17:30,208 --> 00:17:31,333
And you just, um...

286
00:17:32,458 --> 00:17:35,583
Well, it-it looked like y-you fainted,

287
00:17:36,166 --> 00:17:37,291
but, uh...

288
00:17:37,375 --> 00:17:38,375
are you okay now?

289
00:17:39,750 --> 00:17:40,916
I'm quite tired.

290
00:17:42,416 --> 00:17:44,291
I'd like to go back to sleep.

291
00:17:44,958 --> 00:17:46,041
But to dream...

292
00:17:47,250 --> 00:17:48,166
not a memory.

293
00:17:49,250 --> 00:17:50,458
Dream, this time.

294
00:17:52,458 --> 00:17:53,416
[Dani] Okay.

295
00:17:58,416 --> 00:17:59,250
Okay.

296
00:17:59,791 --> 00:18:01,083
[knocking on door]

297
00:18:04,291 --> 00:18:05,833

It's Miss Clayton.

298

00:18:06,291 --> 00:18:07,916
Said Flora's been sleepwalking.

299

00:18:08,500 --> 00:18:10,791
-And she's all right? [sighs]
-I'm not sure.

300

00:18:10,875 --> 00:18:12,750
If she's all right, that's all.

301

00:18:12,833 --> 00:18:13,875
If she isn't?

302

00:18:15,375 --> 00:18:18,625
If she isn't, then why isn't she calling
a bloody doctor?

303

00:18:18,708 --> 00:18:19,625
[quietly] Yes.

304

00:18:23,541 --> 00:18:25,458
-[drops pen]
-[sighs]

305

00:18:25,541 --> 00:18:26,666
[clocks ticks quietly]

306

00:18:30,875 --> 00:18:31,708
[sighs quietly]

307

00:18:31,791 --> 00:18:33,333
[distant siren wailing]

308

00:18:36,666 --> 00:18:37,833
[line ringing]

309

00:18:39,916 --> 00:18:41,416
[Flora] Flora residence.

310

00:18:42,375 --> 00:18:43,708
Well, hello, Flora.

311
00:18:44,583 --> 00:18:45,583
It's Uncle Henry.

312
00:18:46,083 --> 00:18:46,916
Hello.

313
00:18:47,500 --> 00:18:48,916
How are you doing, darling?

314
00:18:49,500 --> 00:18:50,666
I-Is your mother...

315
00:18:51,708 --> 00:18:52,750
What about Mummy?

316
00:18:54,791 --> 00:18:56,583
Well, I mean to say, uh...

317
00:18:56,666 --> 00:18:58,666
have you seen that little boy again?

318
00:18:59,333 --> 00:19:01,750
Oh, no, not yet.

319
00:19:02,291 --> 00:19:03,916
Oh, well, that's fine, isn't it?

320
00:19:04,625 --> 00:19:06,708
Now, are you working on a story for him?

321
00:19:07,416 --> 00:19:08,250
I'm trying.

322
00:19:08,750 --> 00:19:11,375
But Daddy says he's a type of mint.

323
00:19:12,416 --> 00:19:13,541
I'm sorry?

324

00:19:13,625 --> 00:19:17,291
He says he's a type of special mint.
And that's all.

325

00:19:18,041 --> 00:19:20,541
A fig mint, he says.

326

00:19:20,625 --> 00:19:23,625
-In my imagination.
-[Henry laughing]

327

00:19:24,375 --> 00:19:28,000
Well, you-you tell your dad
even "fig mints" need a story.

328

00:19:28,458 --> 00:19:29,750
Tell him yourself.

329

00:19:30,250 --> 00:19:32,958
Dad, Uncle Henry's on the phone!

330

00:19:34,166 --> 00:19:35,208
What?

331

00:19:35,291 --> 00:19:36,416
Hang on.

332

00:19:36,500 --> 00:19:39,291
He says fig mints need stories, too.

333

00:19:39,375 --> 00:19:41,208
-[sighs]
-[Dominic] Thanks, sweetheart.

334

00:19:42,208 --> 00:19:43,125
What's this, then?

335

00:19:43,791 --> 00:19:46,083
Hi, you're, you're back.

336

00:19:46,166 --> 00:19:47,666
I am. Just for a bit.

337

00:19:47,750 --> 00:19:50,416
Flew in last night,
last flight out of Glasgow.

338

00:19:50,500 --> 00:19:53,458
Spur of the moment thing, but, uh...
But don't worry about the case.

339

00:19:53,541 --> 00:19:56,208
-I'm heading back tomorrow.
-Uh, well done.

340

00:19:56,916 --> 00:20:00,291
I-I'm sure the children
are beyond thrilled to see you.

341

00:20:01,375 --> 00:20:02,291
How did you know?

342

00:20:03,375 --> 00:20:04,291
Know what?

343

00:20:04,375 --> 00:20:05,791
That I was back.

344

00:20:05,875 --> 00:20:08,166
Or were you-- Why are you calling?

345

00:20:08,791 --> 00:20:09,708
I was...

346

00:20:10,458 --> 00:20:12,666
I was looking for you. I...

347

00:20:13,625 --> 00:20:16,833
I tried Glasgow,
and I couldn't find you, so...

348

00:20:18,333 --> 00:20:22,375

I thought Charlotte would know
if you'd swapped hotels.

349

00:20:22,458 --> 00:20:24,083
No, no, I'm still at the...

350

00:20:24,166 --> 00:20:26,291
Well, anyway, you found me.
What's happening?

351

00:20:26,375 --> 00:20:27,625
Well, I've...

352

00:20:29,500 --> 00:20:32,416
Well, I've answered
my own question, actually.

353

00:20:32,500 --> 00:20:34,958
In the time that we've been... talking,

354

00:20:35,041 --> 00:20:36,625
I've sorted it out.

355

00:20:37,333 --> 00:20:38,625
Oh, well.

356

00:20:38,708 --> 00:20:39,625
Well done.

357

00:20:40,625 --> 00:20:41,458
Sure.

358

00:20:43,166 --> 00:20:44,166
Safe travels.

359

00:20:48,125 --> 00:20:50,208
[footsteps receding]

360

00:20:52,791 --> 00:20:53,708
[Henry sighs]

361

00:20:57,916 --> 00:20:59,125
Fuck.

362
00:21:00,791 --> 00:21:02,125
[sighs heavily]

363
00:21:05,166 --> 00:21:06,208
[ominous music playing]

364
00:21:06,291 --> 00:21:08,500
Don't know who you're trying to hide from.

365
00:21:12,250 --> 00:21:13,375
Might as well come in.

366
00:21:21,250 --> 00:21:22,208
[alter ego] So...

367
00:21:22,750 --> 00:21:25,833
we decided on Scotch and bourbon tonight.

368
00:21:26,333 --> 00:21:29,208
[chuckles] And the '62, at that.

369
00:21:30,083 --> 00:21:32,625
Are you sure we can still afford it?

370
00:21:32,708 --> 00:21:34,583
After Peter robbed you blind.

371
00:21:34,666 --> 00:21:36,000
Hardly blind.

372
00:21:36,666 --> 00:21:37,958
What's a quarter mil?

373
00:21:38,458 --> 00:21:41,583
And Miles' money, after all, not yours.

374
00:21:41,666 --> 00:21:43,416
I replaced all of it as...

375

00:21:44,333 --> 00:21:45,625
You know this.

376

00:21:46,875 --> 00:21:49,958
Don't know why I bother
explaining myself to you.

377

00:21:50,500 --> 00:21:51,750
You know everything.

378

00:21:53,541 --> 00:21:54,375
Oh.

379

00:21:54,875 --> 00:21:56,833
She's likely asleep by now.

380

00:21:56,916 --> 00:21:59,875
You'd get the cook again,
or the housekeeper.

381

00:22:00,500 --> 00:22:02,625
Or that cute little American.

382

00:22:04,000 --> 00:22:06,291
The calls are spooking them.

383

00:22:06,375 --> 00:22:07,208
You know it.

384

00:22:13,666 --> 00:22:15,791
The Scholarship Society.

385

00:22:15,875 --> 00:22:18,750
[scoffs] Well, they should know better,
shouldn't they?

386

00:22:18,833 --> 00:22:21,625
[laughs]
They've had years to figure it out.

387

00:22:22,750 --> 00:22:24,625
The receptionist could handle this.

388
00:22:25,208 --> 00:22:28,291
This... and all his correspondence.

389
00:22:28,375 --> 00:22:30,000
I'm perfectly capable.

390
00:22:30,083 --> 00:22:33,375
She could send out a notice of death,
and stop the incoming mail.

391
00:22:33,458 --> 00:22:34,583
Could send a dozen.

392
00:22:35,041 --> 00:22:37,625
Could send a notice
every time something comes in

393
00:22:37,708 --> 00:22:39,458
without ever bothering you with it.

394
00:22:40,000 --> 00:22:41,416
You wouldn't even need to know it.

395
00:22:42,041 --> 00:22:43,666
I'm perfectly capable.

396
00:22:43,750 --> 00:22:44,666
Hm.

397
00:22:44,750 --> 00:22:47,791
You insist on handling it
so that no one does,

398
00:22:48,708 --> 00:22:52,458
because every time you send out
a notice of death,

399
00:22:52,541 --> 00:22:55,583
the world where you can pretend

your brother's still alive

400

00:22:55,666 --> 00:22:57,083
gets a little bit smaller.

401

00:22:57,166 --> 00:22:58,375
Doesn't it?

402

00:22:58,458 --> 00:23:00,500
I'm not pretending a fucking thing.

403

00:23:00,583 --> 00:23:03,750
Well, then take down the address
on this envelope,

404

00:23:03,833 --> 00:23:07,166
and draft a notice of death
for Dominic Wingrave,

405

00:23:07,250 --> 00:23:09,291
and put it in the post.

406

00:23:11,083 --> 00:23:13,416
[Henry sighs heavily]

407

00:23:16,291 --> 00:23:17,333
[drawer slides open]

408

00:23:19,750 --> 00:23:20,708
[drawer slams shut]

409

00:23:22,333 --> 00:23:23,333
[chuckling]

410

00:23:29,041 --> 00:23:29,875
[sighs]

411

00:23:31,375 --> 00:23:33,375
-[insects chirping]
-[footsteps creaking]

412

00:23:39,250 --> 00:23:40,083
How is she?

413
00:23:41,666 --> 00:23:42,875
She slept all day.

414
00:23:42,958 --> 00:23:43,791
[Hannah] Hm.

415
00:23:43,875 --> 00:23:46,375
[sighs] No fever, though. I keep checking.

416
00:23:47,375 --> 00:23:48,916
Poor thing must be exhausted.

417
00:23:50,416 --> 00:23:52,333
[Dani] We-We missed you this afternoon.

418
00:23:52,416 --> 00:23:53,750
Where did you run off to?

419
00:23:53,833 --> 00:23:54,750
[Hannah] Oh, um...

420
00:23:54,833 --> 00:23:55,666
I'm not...

421
00:23:56,916 --> 00:23:58,958
Well, I suppose I was around.

422
00:23:59,708 --> 00:24:03,875
[scoffs] God, what does that say about me?
I can... can hardly remember this afternoon.

423
00:24:03,958 --> 00:24:06,083
[Dani] If she's the same tomorrow,
I'll call the doctor.

424
00:24:06,166 --> 00:24:09,166
-Yes. Yes, that sounds about right.
-I called Henry, but...

425

00:24:10,166 --> 00:24:11,166
he didn't call back.

426

00:24:11,875 --> 00:24:14,708
I... don't understand. I mean...

427

00:24:15,833 --> 00:24:16,833
how could a person...

428

00:24:17,958 --> 00:24:19,541
They're his only family.

429

00:24:20,750 --> 00:24:23,416
Henry's not exactly himself anymore.

430

00:24:24,791 --> 00:24:25,750
Not really, I mean...

431

00:24:26,750 --> 00:24:28,375
he hasn't been for a long time.

432

00:24:28,958 --> 00:24:32,333
[sighs] Ever since Charlotte and Dominic
went on that blasted trip.

433

00:24:33,500 --> 00:24:35,500
Well, I suppose none of them came back.

434

00:24:35,583 --> 00:24:37,458
I mean, Charlotte and Dominic,
obviously, but...

435

00:24:38,208 --> 00:24:39,875
neither did Henry, if I'm honest.

436

00:24:41,291 --> 00:24:42,125
Oh.

437

00:24:42,708 --> 00:24:44,208
All three of them just...

438
00:24:44,291 --> 00:24:45,166
[splutters]

439
00:24:46,083 --> 00:24:46,916
gone.

440
00:24:49,750 --> 00:24:50,750
Are you coming down?

441
00:24:52,291 --> 00:24:53,125
In a bit.

442
00:24:54,500 --> 00:24:55,333
All righty.

443
00:25:16,375 --> 00:25:18,375
[quiet, unsettling music playing]

444
00:25:36,750 --> 00:25:37,583
[Owen] We can go...

445
00:25:37,666 --> 00:25:40,166
Like, we can go this weekend.
It's Patrick Swayze, come on.

446
00:25:40,250 --> 00:25:42,666
-Yeah, in concert.
-[Hannah muttering indistinctly]

447
00:25:43,416 --> 00:25:44,916
You're still here?

448
00:25:45,000 --> 00:25:46,958
-Oh, yes.
-Oh, yeah, had to wash up.

449
00:25:47,041 --> 00:25:48,875
Besides, I was asked to stay behind.

450
00:25:48,958 --> 00:25:49,791
[Dani scoffs]

451

00:25:50,291 --> 00:25:52,583
Now, who would ask you to do that?

452

00:25:53,833 --> 00:25:54,916
[Owen clears throat]

453

00:25:56,750 --> 00:25:58,375
[Jamie] Don't touch that.

454

00:25:58,458 --> 00:25:59,750
You'll just desecrate it.

455

00:25:59,833 --> 00:26:02,958
[laughs] Hey, I, uh...
I thought you left a while ago.

456

00:26:03,041 --> 00:26:06,166
Made it halfway home,
and I thought, "Rough day.

457

00:26:07,625 --> 00:26:09,791
Maybe Poppins
might fancy a little boredom."

458

00:26:10,791 --> 00:26:11,958
What do you say?

459

00:26:12,041 --> 00:26:14,541
-The kids, I--
-Already taken care of.

460

00:26:14,625 --> 00:26:16,875
[Hannah] I've got things handled here.
You, uh...

461

00:26:16,958 --> 00:26:18,166
You go and enjoy yourselves.

462

00:26:18,250 --> 00:26:20,583
-Uh, we have things handled here.
-Yes.

463

00:26:20,666 --> 00:26:23,166
Any nightmares, bogeymen,
or monsters under the bed

464

00:26:23,250 --> 00:26:24,916
will be dealt with swiftly and fairly,

465

00:26:26,041 --> 00:26:27,416
in an impartial court.

466

00:26:27,500 --> 00:26:28,625
[Dani laughs]

467

00:26:28,708 --> 00:26:29,541
Come on.

468

00:26:34,333 --> 00:26:36,708
-[rain pattering]
-[animal howls]

469

00:26:36,791 --> 00:26:37,666
[Dani] Where, uh...

470

00:26:38,541 --> 00:26:39,666
Where are we going?

471

00:26:41,958 --> 00:26:44,208
Are you taking me out here to kill me?

472

00:26:45,125 --> 00:26:46,875
[Jamie] Keep talking, I just might.

473

00:26:50,083 --> 00:26:51,166
So, uh...

474

00:26:51,916 --> 00:26:55,166
there's not many secret spots,
even on grounds this big.

475

00:26:56,583 --> 00:26:59,791

-But this one... special.
-[Dani] Wow, that's beautiful.

476
00:27:00,583 --> 00:27:02,166
-You planted that?
-Yeah.

477
00:27:03,250 --> 00:27:04,208
It's a moonflower.

478
00:27:06,458 --> 00:27:07,916
Bloody hard to grow in England.

479
00:27:08,541 --> 00:27:09,750
[Jamie clears throat]

480
00:27:09,833 --> 00:27:10,708
Yeah, but...

481
00:27:13,208 --> 00:27:14,041
worth it.

482
00:27:15,125 --> 00:27:16,208
[Jamie] Is it?

483
00:27:18,000 --> 00:27:18,833
Isn't it?

484
00:27:21,125 --> 00:27:23,375
This plant only blooms two months a year.

485
00:27:23,458 --> 00:27:24,375
And only at night.

486
00:27:25,250 --> 00:27:26,916
Each bud, only once.

487
00:27:28,333 --> 00:27:30,333
These flowers will be dead by morning,

488
00:27:31,000 --> 00:27:34,083

and tomorrow night,
new buds will bloom, and then they'll die.

489

00:27:35,458 --> 00:27:37,791
In three weeks,
this entire plant will be dead.

490

00:27:38,000 --> 00:27:41,000
And in the spring, I'll have to plant
a whole new moonflower.

491

00:27:45,750 --> 00:27:48,500
That's a lot of work
for a flower that only blooms once.

492

00:27:49,750 --> 00:27:51,583
That's what people feel like to me.

493

00:27:53,166 --> 00:27:54,291
Exhaustive effort.

494

00:27:55,458 --> 00:27:56,833
Very little to show for it.

495

00:27:59,625 --> 00:28:00,458
All of them?

496

00:28:01,750 --> 00:28:02,708
All of them.

497

00:28:03,916 --> 00:28:04,833
Even you.

498

00:28:06,791 --> 00:28:07,625
Even me.

499

00:28:09,541 --> 00:28:10,375
Especially me.

500

00:28:13,333 --> 00:28:15,375
So, I figured I'd save you some effort.

501

00:28:17,583 --> 00:28:19,583
[night animals calling distantly]

502

00:28:23,625 --> 00:28:24,833
[Jamie] Skip to the end.

503

00:28:26,250 --> 00:28:27,083
Take a shot.

504

00:28:27,791 --> 00:28:28,625
Why not?

505

00:28:30,583 --> 00:28:31,791
So, here goes, okay?

506

00:28:33,666 --> 00:28:34,541
[Dani] Mm-hm.

507

00:28:37,916 --> 00:28:38,750
Okay.

508

00:28:39,666 --> 00:28:41,875
[emotional music playing]

509

00:28:41,958 --> 00:28:42,875
Mum was Louise.

510

00:28:43,500 --> 00:28:44,458
Dad was Dennis.

511

00:28:45,166 --> 00:28:47,125
Dennis met Louise when she was 18.

512

00:28:47,958 --> 00:28:48,791
He was 24.

513

00:28:49,916 --> 00:28:52,833
Total surprise, a year later,
my brother Denny.

514

00:28:53,666 --> 00:28:56,416
And me, less of a surprise, I guess.

515
00:28:57,875 --> 00:28:59,583
Dad starts working in a coal mine.

516
00:29:00,125 --> 00:29:01,250
It's, uh, more money.

517
00:29:01,916 --> 00:29:02,875
Slightly more,

518
00:29:03,458 --> 00:29:07,375
but he's barely home now,
and Louise, well...

519
00:29:08,083 --> 00:29:11,541
Louise is home with the kids,
but she's basically a kid herself.

520
00:29:12,500 --> 00:29:15,833
A kid with two kids,
and a husband 600 meters down.

521
00:29:15,916 --> 00:29:17,583
So, she does what kids do.

522
00:29:18,500 --> 00:29:19,333
She plays.

523
00:29:21,125 --> 00:29:25,083
So, Dad's underground,
and Mum's under some bloke, and...

524
00:29:25,875 --> 00:29:27,291
the thing about a coal mine...

525
00:29:28,875 --> 00:29:31,291
Well, the thing I think about most
now I'm older...

526
00:29:34,208 --> 00:29:35,333

No plants down there.

527

00:29:37,000 --> 00:29:37,833
No life at all.

528

00:29:39,541 --> 00:29:40,541
See, these men...

529

00:29:41,291 --> 00:29:46,500
We send them down into this dark mess,
digging for something dead.

530

00:29:47,041 --> 00:29:50,541
So... dead that it's now lumps
of dead things,

531

00:29:50,625 --> 00:29:54,541
so old and lifeless
that they will literally burn,

532

00:29:54,625 --> 00:29:55,833
and that was his life.

533

00:29:56,958 --> 00:29:59,291
While she did
whatever she could to feel alive.

534

00:30:00,625 --> 00:30:01,750
All that death,

535

00:30:01,833 --> 00:30:05,791
that dark, powdery death
is all over his face,

536

00:30:06,625 --> 00:30:09,333
his hands, his fucking lungs,
when he comes up.

537

00:30:11,250 --> 00:30:14,291
There's not a leaf, not a branch,
not a flower in his world,

538

00:30:14,375 --> 00:30:16,583
and when he finally
climbs out of that grave,

539

00:30:17,583 --> 00:30:19,833
finally climbs back
to the land of the living..

540

00:30:22,458 --> 00:30:23,666
they laugh at him.

541

00:30:24,500 --> 00:30:28,250
They laugh because the whole town knows
that the new baby,

542

00:30:28,750 --> 00:30:31,208
my little brother Mikey, isn't his.

543

00:30:34,541 --> 00:30:36,833
So, Dennis buries his head in the soot,

544

00:30:37,375 --> 00:30:40,541
and they... [chuckles]
...praise him for his loyalty,

545

00:30:41,125 --> 00:30:42,833
while they mock him for a cuckold.

546

00:30:43,458 --> 00:30:44,833
Louise, on the other hand,

547

00:30:45,333 --> 00:30:48,416
call a spade a spade,
and they call my mum a whore.

548

00:30:51,166 --> 00:30:52,541
Call the daughter one, too,

549

00:30:53,458 --> 00:30:55,875
bully her at school, on the streets.

550

00:30:55,958 --> 00:30:57,208

Even makes its way home.

551

00:30:57,958 --> 00:30:59,208
Little Denny piles on,

552

00:30:59,916 --> 00:31:03,500
tries to save his own skin
by blaming all the females in the family,

553

00:31:03,583 --> 00:31:06,416
and in '67, Louise bolts.

554

00:31:07,583 --> 00:31:08,416
She splits,

555

00:31:09,416 --> 00:31:11,583
and I come home from school to find Mikey..

556

00:31:12,541 --> 00:31:13,375
alone..

557

00:31:14,708 --> 00:31:16,208
screaming his little head off.

558

00:31:16,708 --> 00:31:18,083
He's still a baby,

559

00:31:18,583 --> 00:31:20,791
and he doesn't understand
what he's done wrong.

560

00:31:24,458 --> 00:31:25,875
I try and take care of him.

561

00:31:28,333 --> 00:31:29,291
But I'm just a kid.

562

00:31:30,250 --> 00:31:31,458
Kids can't raise kids.

563

00:31:32,625 --> 00:31:33,625

I forget things.

564

00:31:36,000 --> 00:31:37,958
Like watching over a pot when it boils.

565

00:31:44,291 --> 00:31:45,916
So, one day there's an accident.

566

00:31:47,291 --> 00:31:49,583
Social Services gets involved,
and we're split up.

567

00:31:50,625 --> 00:31:51,750
Dad did his best.

568

00:31:52,333 --> 00:31:55,250
He spent so long underground, didn't know
what to do with a kid, let alone...

569

00:31:56,541 --> 00:31:57,500
three kids.

570

00:31:59,375 --> 00:32:01,083
So, he disappeared into the dirt.

571

00:32:02,583 --> 00:32:04,083
Then, it was foster care.

572

00:32:04,708 --> 00:32:07,750
Just a bunch of stale, perverted men

573

00:32:08,250 --> 00:32:09,458
with bitter wives,

574

00:32:09,958 --> 00:32:12,916
hoping to make a few quid
by taking care of the local trash.

575

00:32:14,166 --> 00:32:16,250
I left for London pretty soon after that.

576

00:32:17,291 --> 00:32:19,541
[sniffs] Got myself
into all sorts of trouble there.

577

00:32:20,583 --> 00:32:22,333
Wound up serving a couple of years.

578

00:32:24,416 --> 00:32:26,083
And it's there I start gardening.

579

00:32:26,166 --> 00:32:28,333
Busy work for idle hands.

580

00:32:30,083 --> 00:32:31,208
But I fucking love it.

581

00:32:32,666 --> 00:32:33,500
Love it.

582

00:32:35,750 --> 00:32:37,041
And it's so clear then...

583

00:32:38,041 --> 00:32:39,125
how people...

584

00:32:39,791 --> 00:32:40,666
aren't worth it.

585

00:32:42,458 --> 00:32:43,416
But plants...

586

00:32:46,208 --> 00:32:47,208
you pour your love,

587

00:32:47,791 --> 00:32:48,666
and your effort,

588

00:32:49,333 --> 00:32:50,916
and your nourishment into them...

589

00:32:52,958 --> 00:32:54,416

and you see where it goes.

590

00:32:55,583 --> 00:32:56,708
You watch them grow,

591

00:32:57,291 --> 00:32:58,458
and it all makes sense.

592

00:33:03,208 --> 00:33:04,208
So, yeah.

593

00:33:04,291 --> 00:33:05,166
[scoffs]

594

00:33:06,083 --> 00:33:07,500
Everyone is exhaustive.

595

00:33:08,791 --> 00:33:09,875
Even the best ones.

596

00:33:12,708 --> 00:33:13,750
But sometimes...

597

00:33:14,583 --> 00:33:16,666
once in a blue goddamned moon, I guess...

598

00:33:17,833 --> 00:33:18,750
someone...

599

00:33:19,875 --> 00:33:22,500
like this moonflower,
just might be worth the effort.

600

00:33:27,666 --> 00:33:29,250
Look, I know you're struggling.

601

00:33:30,750 --> 00:33:31,583
I see it.

602

00:33:33,000 --> 00:33:35,083
I know you're carrying this guilt around,

603

00:33:35,583 --> 00:33:38,958
but I also know that you don't decide
who lives and who doesn't.

604

00:33:39,958 --> 00:33:41,416
I'm sorry, Dani, but you don't.

605

00:33:42,666 --> 00:33:43,750
Humans are organic.

606

00:33:45,875 --> 00:33:46,791
It's a fact.

607

00:33:47,541 --> 00:33:48,500
We're meant to die.

608

00:33:49,708 --> 00:33:50,541
It's natural...

609

00:33:51,291 --> 00:33:52,125
beautiful.

610

00:33:54,625 --> 00:33:57,500
And it all breaks down and rises back up,

611

00:33:58,000 --> 00:33:59,125
and breaks down again,

612

00:33:59,208 --> 00:34:01,875
and every living thing
grows out of every dying thing.

613

00:34:03,208 --> 00:34:05,625
We leave more life behind us
to take our place.

614

00:34:06,916 --> 00:34:10,416
That life refreshes and recycles,

615

00:34:10,500 --> 00:34:11,916

and on and on it goes.

616

00:34:12,541 --> 00:34:14,125
And that is so much better

617

00:34:14,666 --> 00:34:16,916
than that life getting crushed,

618

00:34:17,833 --> 00:34:18,958
deep down in the dirt,

619

00:34:20,125 --> 00:34:22,958
into a rock that will burn
if it's old enough.

620

00:34:23,041 --> 00:34:27,166
So much better to see the leafling..
and flower.

621

00:34:29,958 --> 00:34:32,166
We leave more life behind
to take our place.

622

00:34:34,916 --> 00:34:36,041
Like this moonflower.

623

00:34:38,250 --> 00:34:42,333
It's where all its beauty lies, you know.
In the mortality of the thing.

624

00:34:45,083 --> 00:34:47,083
[emotional music continues]

625

00:34:48,583 --> 00:34:49,416
[Dani sighs]

626

00:34:58,541 --> 00:34:59,666
[Dani pants softly]

627

00:35:17,250 --> 00:35:19,250
[clock ticking quietly]

628

00:35:32,000 --> 00:35:32,833
Oh, dear.

629

00:35:35,416 --> 00:35:37,416
What are we going to do about this?

630

00:35:40,458 --> 00:35:41,625
I don't know.

631

00:35:44,541 --> 00:35:45,958
I truly don't know.

632

00:35:58,000 --> 00:36:00,000
[unsettling music playing]

633

00:36:06,083 --> 00:36:07,583
[soft growl]

634

00:36:11,500 --> 00:36:12,708
[Peter grunts]

635

00:36:14,083 --> 00:36:15,500
Is that all of it?

636

00:36:15,583 --> 00:36:18,000
-One more piece in the car.
-Okay, I'll grab it.

637

00:36:24,083 --> 00:36:25,208
[Charlotte gasps]

638

00:36:25,291 --> 00:36:27,250
Oh, my God!

639

00:36:27,833 --> 00:36:29,166
What have you done?

640

00:36:29,250 --> 00:36:32,000
I found a gentleman in Sussex
who makes these.

641

00:36:32,541 --> 00:36:34,166
It's, well...

642

00:36:34,250 --> 00:36:36,750
-It's close enough, I suppose.
-[Charlotte scoffs]

643

00:36:36,833 --> 00:36:38,791
Couldn't match it exactly, obviously.

644

00:36:39,458 --> 00:36:42,916
Oh, she's going to lose her mind.
[gasps]

645

00:36:43,000 --> 00:36:44,666
I'm sorry I won't make the party.

646

00:36:45,333 --> 00:36:46,958
Hopefully, this smooths it over.

647

00:36:47,041 --> 00:36:49,208
Oh, she's six.
She'll only notice the presents.

648

00:36:49,291 --> 00:36:50,125
[Henry chuckles]

649

00:36:51,875 --> 00:36:52,708
Not here.

650

00:36:54,958 --> 00:36:55,916
[Henry] Hm.

651

00:36:56,791 --> 00:36:59,541
-[footsteps approaching]
-[Henry] I'll get the last of it.

652

00:36:59,625 --> 00:37:02,583
Uh, perhaps we could hide this
in the study until the party.

653

00:37:04,958 --> 00:37:06,166
[Charlotte] Sounds good.

654

00:37:06,250 --> 00:37:08,375
Darling, look what your brother's brought.

655

00:37:09,000 --> 00:37:09,916
It's terrific.

656

00:37:11,416 --> 00:37:14,125
I'm sorry I can't make the birthday party.
You know how it is.

657

00:37:14,208 --> 00:37:17,458
-I'll call you when I get to Berlin.
-Sounds perfect.

658

00:37:22,416 --> 00:37:23,708
[door opens]

659

00:37:26,208 --> 00:37:27,666
[door creaks shut]

660

00:37:30,500 --> 00:37:32,041
[somber music playing]

661

00:37:44,083 --> 00:37:46,083
[rain pattering]

662

00:37:51,291 --> 00:37:52,416
[footsteps descending]

663

00:37:58,708 --> 00:38:00,500
[Charlotte gasps, laughs nervously]

664

00:38:01,125 --> 00:38:02,083
Oh, my God!

665

00:38:03,416 --> 00:38:04,250
What...

666

00:38:04,583 --> 00:38:07,375
Whatever are you doing here
just sitting in the dark?

667

00:38:08,041 --> 00:38:10,666
I just wanted something small
before going to sleep.

668

00:38:11,541 --> 00:38:14,625
Extra energy.
It's going to be a blitz in the morning.

669

00:38:14,708 --> 00:38:17,041
All those extra children running around.

670

00:38:17,666 --> 00:38:20,208
You should get some rest as well.
Are you coming to bed?

671

00:38:24,416 --> 00:38:25,708
[Dominic] Flora's birthday..

672

00:38:27,416 --> 00:38:28,416
got me thinking..

673

00:38:30,791 --> 00:38:32,375
what a strange night that was.

674

00:38:34,458 --> 00:38:35,416
[Charlotte] Was it?

675

00:38:37,458 --> 00:38:38,750
I don't remember much.

676

00:38:39,875 --> 00:38:41,125
Beauty of childbirth.

677

00:38:42,750 --> 00:38:44,500
We're supposed to forget, they say.

678

00:38:45,541 --> 00:38:47,208
A chemical in the brain, in fact.

679

00:38:48,708 --> 00:38:50,833

It's the only way
we'd ever have another one.

680

00:38:52,291 --> 00:38:53,916

She was so early.

681

00:39:00,583 --> 00:39:01,458

She was.

682

00:39:03,666 --> 00:39:04,500

Right.

683

00:39:05,125 --> 00:39:06,750

And I was so surprised.

684

00:39:07,666 --> 00:39:09,000

But for a baby that early...

685

00:39:10,125 --> 00:39:12,541

she wasn't nearly as small as I expected.

686

00:39:35,208 --> 00:39:36,541

Math didn't work, did it?

687

00:39:40,041 --> 00:39:41,458

I don't know what you mean.

688

00:39:44,000 --> 00:39:45,666

I mean, that if she wasn't early,

689

00:39:46,291 --> 00:39:48,375

if she was actually right on time,

690

00:39:48,458 --> 00:39:49,666

that math wouldn't work.

691

00:39:50,708 --> 00:39:52,708

She kind of had to be early, didn't she?

692

00:39:54,166 --> 00:39:56,625
Or else it would mean
she was conceived in August.

693

00:39:58,625 --> 00:39:59,791
While I was in Russia.

694

00:40:02,500 --> 00:40:03,541
Six years.

695

00:40:06,041 --> 00:40:08,208
Took me six years to do the math.

696

00:40:10,416 --> 00:40:12,125
I suppose I didn't want to, did I?

697

00:40:16,833 --> 00:40:19,041
I was gone an awful lot, wasn't I?

698

00:40:23,375 --> 00:40:24,208
Lonely...

699

00:40:25,750 --> 00:40:26,916
a house this size...

700

00:40:28,458 --> 00:40:29,541
just you and Miles.

701

00:40:31,750 --> 00:40:32,583
Lonely.

702

00:40:38,500 --> 00:40:39,416
Do you love him?

703

00:40:43,791 --> 00:40:44,833
[sighs]

704

00:40:50,250 --> 00:40:51,083
[sniffles]

705

00:41:04,666 --> 00:41:06,333
[storyteller]

The au pair could not remember

706

00:41:06,416 --> 00:41:08,375
the last time she'd slept this well.

707

00:41:09,166 --> 00:41:11,541
And she thought perhaps she never had.

708

00:41:16,500 --> 00:41:18,500
[quiet, unsettling sound]

709

00:41:22,583 --> 00:41:24,000
[Dani sighs]

710

00:41:42,791 --> 00:41:44,166
[unsettling music playing]

711

00:41:44,250 --> 00:41:45,083
[Dani] Flora!

712

00:41:46,875 --> 00:41:49,041
Flora! Flora, what are you doing?

713

00:41:51,041 --> 00:41:51,875
Where am I?

714

00:41:52,458 --> 00:41:55,625
What's happening? Are you okay?
Were you sleepwalking again?

715

00:41:55,708 --> 00:41:56,541
I don't...

716

00:41:57,458 --> 00:41:58,291
I don't know.

717

00:41:59,125 --> 00:42:00,958
I think I was tucked away again.

718

00:42:02,333 --> 00:42:04,041
Okay, come on. Let's go inside.

719
00:42:04,750 --> 00:42:06,208
Why does this keep happening?

720
00:42:11,125 --> 00:42:13,000
[ominous music playing]

721
00:42:19,500 --> 00:42:20,750
[music fades to silence]

722
00:42:21,333 --> 00:42:22,250
[sniffles]

723
00:42:22,750 --> 00:42:24,958
I'm terribly sorry for the trouble.

724
00:42:25,583 --> 00:42:28,625
I was just going on a walk.
I didn't mean to alarm you.

725
00:42:29,791 --> 00:42:33,750
Let's get some breakfast, shall we?
I'm positively famished.

726
00:42:34,750 --> 00:42:35,583
[Dani chuckles]

727
00:42:35,666 --> 00:42:36,791
[somber music playing]

728
00:42:45,291 --> 00:42:47,291
-[door opens]
-[footsteps approaching]

729
00:42:49,416 --> 00:42:50,250
[clears throat]

730
00:42:51,041 --> 00:42:52,208
[clears throat louder]

731

00:42:53,458 --> 00:42:54,625
I'm sorry to interrupt.

732

00:42:55,208 --> 00:42:57,000
Miss Clayton called, again.

733

00:42:57,750 --> 00:43:00,166
-I think maybe you should--
-Is anyone hurt?

734

00:43:00,250 --> 00:43:01,625
Do they need an ambulance?

735

00:43:02,416 --> 00:43:04,416
No, I don't think it's that simple.

736

00:43:04,500 --> 00:43:05,958
Jesus, I told you!

737

00:43:06,458 --> 00:43:08,833
[yells] I'm unavailable
unless someone is hurt!

738

00:43:13,083 --> 00:43:14,208
[Henry sighs heavily]

739

00:43:16,250 --> 00:43:17,166
[sighs]

740

00:43:18,666 --> 00:43:20,250
Goddamn it.

741

00:43:21,666 --> 00:43:22,541
Fine!

742

00:43:24,166 --> 00:43:25,083
[exhales]

743

00:43:25,916 --> 00:43:26,750
Fine.

744

00:43:27,666 --> 00:43:29,083
Get her back on the phone.

745

00:43:29,166 --> 00:43:31,166
[unsettling music playing]

746

00:43:32,083 --> 00:43:34,708
-[men speaking indistinctly]
-[objects shuffling]

747

00:43:35,708 --> 00:43:36,541
[Henry] Hey.

748

00:43:37,375 --> 00:43:38,958
What's all this, then?

749

00:43:39,041 --> 00:43:40,791
Just put those in the car, will you?

750

00:43:42,541 --> 00:43:44,958
You keep the office, is what this is.

751

00:43:45,708 --> 00:43:47,125
What are you talking about?

752

00:43:47,208 --> 00:43:49,833
I don't want to see any of this,
ever again.

753

00:43:51,000 --> 00:43:53,041
How stupid you must have thought of me.

754

00:43:54,125 --> 00:43:55,250
How fucking stupid.

755

00:43:56,375 --> 00:43:59,333
-I-I don't--
-Babies rarely adhere to a schedule, Dom.

756

00:44:00,791 --> 00:44:01,625
But listen,

757

00:44:02,416 --> 00:44:04,000
and this is the important part.

758

00:44:05,250 --> 00:44:06,458
She's my daughter.

759

00:44:07,500 --> 00:44:08,958
In every way that matters.

760

00:44:10,041 --> 00:44:11,291
When she skins her knee,

761

00:44:12,000 --> 00:44:13,541
calls out with a nightmare...

762

00:44:14,500 --> 00:44:15,333
it's me.

763

00:44:16,583 --> 00:44:19,208
First time some asshole
breaks her heart...

764

00:44:20,375 --> 00:44:21,833
I'll be there to console her.

765

00:44:23,541 --> 00:44:26,875
And when she asks her father
to walk her down the aisle...

766

00:44:29,291 --> 00:44:30,791
me, not you.

767

00:44:32,166 --> 00:44:33,333
Do you understand me?

768

00:44:34,541 --> 00:44:35,541
She didn't tell you?

769

00:44:36,958 --> 00:44:37,916
Well, look at that.

770

00:44:38,541 --> 00:44:40,458

I get to be here when the penny drops.

771

00:44:42,458 --> 00:44:43,500

I've been thinking.

772

00:44:44,833 --> 00:44:47,250

I've been thinking
about what the right word must be.

773

00:44:47,916 --> 00:44:49,916

And I keep getting stuck on "banished."

774

00:44:50,666 --> 00:44:51,791

It's close.

775

00:44:51,875 --> 00:44:52,708

It has teeth.

776

00:44:53,375 --> 00:44:54,500

But not nearly enough.

777

00:44:57,375 --> 00:44:58,458

And it'll do for now.

778

00:45:00,416 --> 00:45:02,250

You're banished, little brother.

779

00:45:03,791 --> 00:45:05,416

You're banished from my house.

780

00:45:06,291 --> 00:45:09,125

You're banished from my wife, my children.

781

00:45:10,291 --> 00:45:11,125

Banished.

782

00:45:12,916 --> 00:45:14,583

You don't have a brother anymore.

783
00:45:16,041 --> 00:45:16,916
Or a niece.

784
00:45:17,750 --> 00:45:18,583
Or a nephew.

785
00:45:20,166 --> 00:45:21,000
Nobody.

786
00:45:22,416 --> 00:45:23,333
Just yourself.

787
00:45:24,541 --> 00:45:25,750
And yourself, Henry..

788
00:45:27,833 --> 00:45:29,000
your real self..

789
00:45:31,583 --> 00:45:32,833
he's an evil shit.

790
00:45:35,250 --> 00:45:37,500
A grotesque little demon, isn't he?

791
00:45:40,708 --> 00:45:41,666
I pity you.

792
00:45:43,750 --> 00:45:45,416
'Cause you have to live with him.

793
00:45:47,958 --> 00:45:49,541
You have to live with yourself.

794
00:45:52,000 --> 00:45:54,666
And he's a shit, grinning,
fucking monster.

795
00:45:55,666 --> 00:45:56,666
Isn't he?

796

00:46:08,041 --> 00:46:08,875
[door slams]

797

00:46:16,125 --> 00:46:18,875
-[Flora] How far away is India?
-[Charlotte chuckles]

798

00:46:18,958 --> 00:46:22,250
It's further than "I'll miss you,"
but closer than "goodbye."

799

00:46:22,875 --> 00:46:25,500
I know what you're thinking,
but you shouldn't worry.

800

00:46:25,583 --> 00:46:28,416
It's going to be fine.
It's just a few weeks, my darling.

801

00:46:29,625 --> 00:46:31,041
[Flora] Can I come with you?

802

00:46:31,583 --> 00:46:34,583
A couple of weeks is a terribly long time,

803

00:46:35,083 --> 00:46:38,750
and I don't want to be here all alone
with Miles and Mrs. Grose.

804

00:46:41,333 --> 00:46:42,166
Hm.

805

00:46:46,750 --> 00:46:48,416
Ah. Here we are.

806

00:46:49,833 --> 00:46:52,291
This is called a talisman.

807

00:46:53,166 --> 00:46:54,250
I used to make them.

808

00:46:54,875 --> 00:46:57,333

Well, sometimes I still do. Old habits.

809

00:46:58,625 --> 00:47:00,791
I've made them
since I was your age, really.

810

00:47:00,875 --> 00:47:02,083
[Flora] What does it do?

811

00:47:02,166 --> 00:47:04,875
Well, it protects people,
and it keeps them happy.

812

00:47:08,458 --> 00:47:10,041
[sighs] It's happening again...

813

00:47:11,083 --> 00:47:11,916
isn't it?

814

00:47:12,666 --> 00:47:13,500
What?

815

00:47:14,750 --> 00:47:16,041
I'm not really here.

816

00:47:17,083 --> 00:47:18,250
I'm too old.

817

00:47:19,583 --> 00:47:20,666
It's like...

818

00:47:20,750 --> 00:47:22,250
the math doesn't work.

819

00:47:22,333 --> 00:47:23,500
That's right.

820

00:47:25,291 --> 00:47:28,000
I'm tucked away again in another memory.

821

00:47:29,541 --> 00:47:30,625

Tucked away safe.

822

00:47:33,916 --> 00:47:35,125
I miss you, Mummy.

823

00:47:36,958 --> 00:47:38,375
[Charlotte whispering] Oh...

824

00:47:39,000 --> 00:47:39,833
My darling.

825

00:47:42,833 --> 00:47:44,875
[in normal voice]
You should probably wake up now.

826

00:47:44,958 --> 00:47:46,958
[ominous music playing]

827

00:47:49,375 --> 00:47:50,208
[eerie swish]

828

00:48:01,708 --> 00:48:04,166
-[Owen] Remember these? Was in the spring.
-[Dani] You remember.

829

00:48:06,333 --> 00:48:07,833
[Dani and Owen laugh]

830

00:48:07,916 --> 00:48:09,125
How can you have two helpings?

831

00:48:09,208 --> 00:48:10,708
-[all chuckling]
-Look at him go.

832

00:48:12,208 --> 00:48:14,208
[Flora] You've... You've...

833

00:48:15,291 --> 00:48:16,541
What are you doing?

834

00:48:16,625 --> 00:48:17,458
[Dani] Flora!

835
00:48:17,541 --> 00:48:18,750
Hey!

836
00:48:19,083 --> 00:48:21,458
You're eating dinner without me.

837
00:48:21,541 --> 00:48:22,750
W-What?

838
00:48:23,250 --> 00:48:25,916
-Wh-- Flora, what?
-You already ate, in your room.

839
00:48:26,000 --> 00:48:28,708
-Owen made you soup.
-It was some of my best work.

840
00:48:29,541 --> 00:48:30,875
I don't remember that.

841
00:48:31,625 --> 00:48:33,375
Told you she wasn't herself.

842
00:48:33,458 --> 00:48:34,458
She seems fine.

843
00:48:35,708 --> 00:48:36,666
But weird.

844
00:48:37,166 --> 00:48:38,500
I don't like this game.

845
00:48:39,791 --> 00:48:40,625
It's okay.

846
00:48:40,708 --> 00:48:41,750
I don't like it!

847

00:48:41,833 --> 00:48:43,500
-[phone rings]
-[Dani] Probably your uncle.

848
00:48:43,583 --> 00:48:46,375
Everything's gonna be okay, Flora.
Don't-Don't worry.

849
00:48:46,458 --> 00:48:47,291
Hello?

850
00:48:48,458 --> 00:48:49,291
Hello?

851
00:48:51,333 --> 00:48:52,166
Hello?

852
00:48:54,208 --> 00:48:56,375
-It's another freaking prank call.
-[line disconnects]

853
00:48:58,291 --> 00:48:59,125
[sighs]

854
00:48:59,208 --> 00:49:02,416
[alter ego] Do you really think
she'll answer one of these times?

855
00:49:03,208 --> 00:49:04,041
[scoffs]

856
00:49:04,125 --> 00:49:05,750
It's getting sad.

857
00:49:06,916 --> 00:49:07,750
[phone hangs up]

858
00:49:07,833 --> 00:49:10,041
I don't imagine
there's much in it for you.

859
00:49:10,125 --> 00:49:13,291

One in ten times you call,
she might answer.

860

00:49:14,250 --> 00:49:17,166
You might hear her say,
"Flora residence."

861

00:49:18,083 --> 00:49:18,958
Unlikely.

862

00:49:19,041 --> 00:49:19,916
[snickers]

863

00:49:20,625 --> 00:49:21,916
In the meantime..

864

00:49:22,000 --> 00:49:24,875
[laughing] ...they think you're some pervert

865

00:49:24,958 --> 00:49:26,750
breathing into the phone.

866

00:49:26,833 --> 00:49:27,875
Just a crank.

867

00:49:28,541 --> 00:49:30,208
Pathetic, really.

868

00:49:30,708 --> 00:49:31,666
[knocking on door]

869

00:49:33,208 --> 00:49:34,666
Here we are again.

870

00:49:35,375 --> 00:49:39,000
Well, it's not real,
but you probably should get it anyway.

871

00:49:43,916 --> 00:49:45,083
[footsteps approaching]

872

00:49:49,583 --> 00:49:50,458
[sighs]

873
00:49:51,000 --> 00:49:52,291
I'm sorry to come by.

874
00:49:53,750 --> 00:49:54,583
Uh...

875
00:49:55,083 --> 00:49:56,500
Well, I-I was nearby, and...

876
00:49:58,125 --> 00:49:58,958
[sighs]

877
00:49:59,458 --> 00:50:00,708
I wasn't nearby.

878
00:50:02,083 --> 00:50:04,250
I made up a story. I don't have long.

879
00:50:08,875 --> 00:50:10,250
What are you doing in here?

880
00:50:11,000 --> 00:50:11,875
Oh, I was...

881
00:50:13,958 --> 00:50:14,833
[sighs]

882
00:50:16,000 --> 00:50:18,000
I don't rightly know. [laughs]

883
00:50:24,000 --> 00:50:24,875
I'm sorry.

884
00:50:27,458 --> 00:50:28,583
Flora.

885
00:50:28,666 --> 00:50:29,916
I'm so sorry.

886

00:50:30,625 --> 00:50:32,041
I should have told you.

887

00:50:34,000 --> 00:50:36,750
I should have done
a lot of things differently.

888

00:50:38,333 --> 00:50:39,500
We're leaving tonight.

889

00:50:40,750 --> 00:50:41,708
India.

890

00:50:43,833 --> 00:50:45,041
For a few weeks.

891

00:50:45,125 --> 00:50:46,416
Retracing our honeymoon.

892

00:50:48,791 --> 00:50:49,666
I see.

893

00:50:52,666 --> 00:50:53,833
I wanted to say goodbye.

894

00:50:53,916 --> 00:50:55,291
-Charlotte.
-I mean it.

895

00:50:56,833 --> 00:50:58,291
I'm going to make this work.

896

00:50:59,583 --> 00:51:01,333
My husband, my family.

897

00:51:02,833 --> 00:51:04,291
I needed you to hear it from me..

898

00:51:05,208 --> 00:51:06,666
why I'm going on this trip.

899
00:51:09,291 --> 00:51:10,458
I can fix it.

900
00:51:14,791 --> 00:51:16,833
But I couldn't leave without...

901
00:51:18,458 --> 00:51:19,916
I love you, Charlotte.

902
00:51:26,125 --> 00:51:26,958
I know.

903
00:51:31,833 --> 00:51:34,000
[crying]
There's a lot more to it than love.

904
00:51:34,875 --> 00:51:36,166
A lot more to it.

905
00:51:52,333 --> 00:51:55,416
[Charlotte snuffles, breathes heavily]

906
00:52:08,541 --> 00:52:10,083
[footsteps receding]

907
00:52:18,166 --> 00:52:20,166
[unsettling, ethereal music playing]

908
00:52:28,375 --> 00:52:30,083
[alter ego]
Jumping ahead, if you don't mind,

909
00:52:30,166 --> 00:52:32,041
to my favorite part.

910
00:52:32,125 --> 00:52:33,541
No, please.

911
00:52:34,083 --> 00:52:36,458
That hurts. That really hurts.

912
00:52:37,041 --> 00:52:38,250
I want to see it again.

913
00:52:38,333 --> 00:52:40,666
-No.
-The night we met.

914
00:52:40,750 --> 00:52:42,083
[phone rings]

915
00:52:42,666 --> 00:52:44,250
-[alter ego] Come on.
-[sighs]

916
00:52:44,333 --> 00:52:45,500
[alter ego] Answer it.

917
00:52:47,125 --> 00:52:47,958
-No.
-[ringing]

918
00:52:48,041 --> 00:52:50,166
[alter ego]
But you have to. You know that.

919
00:52:50,916 --> 00:52:53,500
-I don't want to.
-[alter ego] But you always do.

920
00:52:53,583 --> 00:52:56,916
Come on, there's nothing to be afraid of.
You know who it is.

921
00:52:57,000 --> 00:52:59,083
It's the British Consulate in India.

922
00:52:59,166 --> 00:53:00,541
No, please.

923
00:53:00,625 --> 00:53:02,208
They have terrible news.

924
00:53:02,291 --> 00:53:04,875
-Please.
-There's been an accident.

925
00:53:10,458 --> 00:53:12,000
[ringing continues]

926
00:53:12,083 --> 00:53:13,166
[sighs]

927
00:53:16,083 --> 00:53:17,833
[ringing]

928
00:53:19,083 --> 00:53:20,208
[Henry sighs]

929
00:53:24,041 --> 00:53:25,375
[clears throat] Hello.

930
00:53:28,833 --> 00:53:29,958
Yes, speaking.

931
00:53:33,875 --> 00:53:35,833
I'm sorry, could you repeat that?

932
00:53:41,958 --> 00:53:42,833
[sniffs]

933
00:53:44,000 --> 00:53:44,875
[inhales sharply]

934
00:53:46,250 --> 00:53:47,958
What sort of an accident?

935
00:53:52,625 --> 00:53:53,458
Oh...

936
00:53:56,166 --> 00:53:57,791
Well, surely, they're all right.

937
00:54:04,875 --> 00:54:05,791
[inhales sharply]

938
00:54:08,541 --> 00:54:10,541
[breathes heavily]

939
00:54:10,625 --> 00:54:11,500
You're wrong.

940
00:54:12,125 --> 00:54:13,000
[clears throat]

941
00:54:16,083 --> 00:54:17,041
You're mistaken.

942
00:54:22,833 --> 00:54:23,833
[exhales]

943
00:54:25,333 --> 00:54:26,166
[pants]

944
00:54:26,250 --> 00:54:27,250
[whimpers]

945
00:54:28,083 --> 00:54:30,125
[pants, cries out]

946
00:54:30,625 --> 00:54:32,166
[panicked breaths]

947
00:54:32,250 --> 00:54:33,541
[ominous music playing]

948
00:54:36,208 --> 00:54:37,166
[screaming]

949
00:54:46,291 --> 00:54:47,458
[sighs]

950
00:54:48,750 --> 00:54:49,583

[sniffles]

951

00:54:55,625 --> 00:54:57,625

[panting]

952

00:54:59,541 --> 00:55:01,500

[alter ego] That wasn't so bad, was it?

953

00:55:01,583 --> 00:55:03,083

[exhales heavily] It was hell.

954

00:55:03,875 --> 00:55:05,375

Every time is hell.

955

00:55:05,458 --> 00:55:06,708

No.

956

00:55:06,791 --> 00:55:08,833

That wasn't the worst of it.

957

00:55:08,916 --> 00:55:10,916

Not even arranging their funerals,

958

00:55:11,000 --> 00:55:13,000

or burying those empty coffins.

959

00:55:13,500 --> 00:55:14,333

No.

960

00:55:14,833 --> 00:55:17,375

Hell was having to call Bly,

961

00:55:17,916 --> 00:55:20,208

having to break the news,

962

00:55:20,291 --> 00:55:23,833

and having her voice
be the first one you heard

963

00:55:23,916 --> 00:55:25,500

when she picked up the phone.

964
00:55:26,000 --> 00:55:28,666
Her little voice saying..

965
00:55:29,208 --> 00:55:30,958
[Flora] Flora residence.

966
00:55:38,916 --> 00:55:41,250
[Jamie] Sleep talking, sleepwalking.

967
00:55:42,083 --> 00:55:43,750
She's having a rough time of it.

968
00:55:44,500 --> 00:55:45,333
Yeah.

969
00:55:46,291 --> 00:55:47,333
Yeah, I...

970
00:55:50,041 --> 00:55:51,875
I don't know what else to do.

971
00:55:51,958 --> 00:55:55,500
So, yeah, I think I'm gonna take her
to a doctor in the morning.

972
00:55:56,250 --> 00:55:57,625
She needs a psychologist.

973
00:55:59,625 --> 00:56:01,333
We have mandated therapy inside.

974
00:56:02,250 --> 00:56:04,541
I hated it.
Didn't think it would do anything.

975
00:56:06,083 --> 00:56:10,083
My assigned psychologist, Tamara,
she was relentless.

976
00:56:10,166 --> 00:56:12,041

A dog with a bone, that woman.

977

00:56:14,041 --> 00:56:16,166
So, I started talking just to shut her up.

978

00:56:17,250 --> 00:56:20,041
After a month, I realized
I was sleeping through the night.

979

00:56:21,041 --> 00:56:21,875
Wow.

980

00:56:23,375 --> 00:56:24,208
Yeah.

981

00:56:25,666 --> 00:56:26,666
You might be right.

982

00:56:28,083 --> 00:56:29,041
[sighs]

983

00:56:30,958 --> 00:56:31,791
I'm gonna go.

984

00:56:32,833 --> 00:56:33,750
Oh.

985

00:56:33,833 --> 00:56:36,083
I should change my clothes, at least.

986

00:56:36,708 --> 00:56:37,541
[laughs]

987

00:56:39,333 --> 00:56:40,541
Well, um...

988

00:56:42,125 --> 00:56:43,333
y-you could..

989

00:56:44,375 --> 00:56:45,291
come back.

990
00:56:46,375 --> 00:56:47,916
-Tonight?
-Yeah.

991
00:56:48,833 --> 00:56:49,750
Tonight.

992
00:56:51,916 --> 00:56:53,208
I don't know, Poppins.

993
00:56:54,250 --> 00:56:56,541
I don't know, you've got your hands full.
[sighs]

994
00:57:00,666 --> 00:57:04,333
Well, I'm gonna be up all night
checking up on her, anyway.

995
00:57:07,375 --> 00:57:08,208
Good night.

996
00:57:09,458 --> 00:57:10,416
Just good night.

997
00:57:13,208 --> 00:57:14,583
There are other nights,

998
00:57:15,166 --> 00:57:16,750
and there will be other nights.

999
00:57:17,583 --> 00:57:18,583
You promise?

1000
00:57:25,708 --> 00:57:26,583
[Jamie chuckles]

1001
00:57:26,666 --> 00:57:27,875
[Dani laughs gently]

1002
00:57:29,750 --> 00:57:31,166

-Promise.
-[Dani] Mm.

1003
00:57:39,833 --> 00:57:41,916
[sighs] Fuck it.

1004
00:57:42,916 --> 00:57:43,875
This again.

1005
00:57:49,541 --> 00:57:50,583
Disconnected.

1006
00:57:51,250 --> 00:57:52,291
Phone trouble?

1007
00:57:55,083 --> 00:57:55,916
[Henry sighs]

1008
00:57:57,333 --> 00:57:59,250
[ominous rumbling]

1009
00:57:59,375 --> 00:58:00,916
Phone's disconnected.

1010
00:58:01,583 --> 00:58:02,416
So?

1011
00:58:02,916 --> 00:58:06,208
So, it shouldn't be. It wasn't earlier.

1012
00:58:07,000 --> 00:58:08,625
I'm sure it's nothing.

1013
00:58:10,625 --> 00:58:13,708
[ominous rumble, drone]

1014
00:58:15,375 --> 00:58:17,166
-What are you doing?
-Going.

1015
00:58:17,791 --> 00:58:19,958

-What?

-I'm going to Bly.

1016

00:58:20,041 --> 00:58:22,333

-[ominous boom]

-[scoffs] That's insane.

1017

00:58:22,416 --> 00:58:23,625

It's a three-hour drive,

1018

00:58:23,708 --> 00:58:26,666

and you've been drinking all--

Well, for two years, really.

1019

00:58:26,750 --> 00:58:28,583

-That's no reason.

-[ominous boom]

1020

00:58:28,666 --> 00:58:31,416

[sighs]

What's the point? The nanny has got this.

1021

00:58:31,500 --> 00:58:33,208

You couldn't do anything, anyway.

1022

00:58:33,291 --> 00:58:35,250

-I have a terrible feeling.

-[ominous boom]

1023

00:58:35,333 --> 00:58:36,666

Oh, well, that settles it.

1024

00:58:38,333 --> 00:58:41,291

I haven't had a feeling like this since--

1025

00:58:41,375 --> 00:58:44,875

So, you'll go to Bly, then?

They'll be so happy to see you.

1026

00:58:44,958 --> 00:58:47,666

And maybe you can tell
those little kids to their faces

1027

00:58:47,750 --> 00:58:49,625
exactly how their parents died.

1028

00:58:49,708 --> 00:58:52,333
And you can tell them
why they were taking that trip

1029

00:58:52,416 --> 00:58:53,666
in the first place.

1030

00:58:54,291 --> 00:58:55,416
[ominous boom]

1031

00:59:20,208 --> 00:59:21,083
Hello?

1032

00:59:25,916 --> 00:59:26,750
Wait!

1033

00:59:40,666 --> 00:59:41,500
Hello?

1034

01:00:01,083 --> 01:00:01,916
There you are.

1035

01:00:03,125 --> 01:00:04,250
Don't be scared.

1036

01:00:04,958 --> 01:00:06,833
[somber music playing]

1037

01:00:06,916 --> 01:00:08,500
I'm sorry I was scared before.

1038

01:00:09,583 --> 01:00:12,250
That was very rude of me, but...

1039

01:00:12,333 --> 01:00:14,083
I thought I'd give you a story.

1040

01:00:16,166 --> 01:00:17,375
You poor boy.

1041
01:00:18,291 --> 01:00:20,250
I'm so sorry about your face.

1042
01:00:25,375 --> 01:00:26,208
Here.

1043
01:00:30,458 --> 01:00:31,333
Try this.

1044
01:00:39,791 --> 01:00:40,791
There.

1045
01:00:40,875 --> 01:00:41,750
There you are.

1046
01:00:43,541 --> 01:00:45,458
Now, let's come up with a story...

1047
01:00:46,375 --> 01:00:47,208
just for you.

1048
01:00:50,250 --> 01:00:52,750
I've done it again, haven't I?

1049
01:00:54,083 --> 01:00:57,375
I'm tucked away again in another memory.

1050
01:00:58,000 --> 01:00:59,708
Because the night I did this,

1051
01:01:00,291 --> 01:01:02,291
the night I gave you a new face,

1052
01:01:02,375 --> 01:01:04,791
I was only just five years old.

1053
01:01:05,666 --> 01:01:06,791
Wasn't I?

1054

01:01:09,041 --> 01:01:10,958
Why do you keep doing this to me?

1055

01:01:11,750 --> 01:01:13,208
Just tell me.

1056

01:01:13,291 --> 01:01:16,000
Why do you keep pushing me aside?

1057

01:01:16,083 --> 01:01:17,416
Miss Jessel.

1058

01:01:24,333 --> 01:01:25,291
Come on, now.

1059

01:01:26,083 --> 01:01:27,250
No more.

1060

01:01:28,666 --> 01:01:30,416
I don't like this game.

1061

01:01:31,333 --> 01:01:33,208
Stop hiding from me.

1062

01:01:33,291 --> 01:01:35,291
I want to talk to you.

1063

01:01:38,583 --> 01:01:40,208
[suspenseful music playing]

1064

01:01:40,291 --> 01:01:41,833
I'm very cross with you.

1065

01:01:42,750 --> 01:01:43,625
But why?

1066

01:01:44,166 --> 01:01:45,500
Everything is just fine.

1067

01:01:45,583 --> 01:01:47,125
-It's perfectly--
-It's not.

1068

01:01:48,000 --> 01:01:50,291
I'm tired of being tucked away.

1069

01:01:50,375 --> 01:01:54,541
I'm tired of forgetting things,
and I'm tired of acting strange.

1070

01:01:55,083 --> 01:01:56,875
And of Miles acting strange.

1071

01:01:58,625 --> 01:02:00,125
What's the matter with Miles?

1072

01:02:00,208 --> 01:02:02,458
Miles is perfectly splendid,

1073

01:02:02,541 --> 01:02:04,458
except when he isn't.

1074

01:02:05,000 --> 01:02:06,333
Isn't splendid?

1075

01:02:06,416 --> 01:02:08,083
Isn't Miles.

1076

01:02:08,791 --> 01:02:09,625
[Flora sighs]

1077

01:02:12,333 --> 01:02:13,458
No.

1078

01:02:13,541 --> 01:02:15,125
Don't do that!

1079

01:02:15,208 --> 01:02:17,041
You mustn't keep doing that.

1080

01:02:18,250 --> 01:02:20,875
Get back here and let me see you!

1081
01:02:22,291 --> 01:02:23,791
What are you doing to me?

1082
01:02:24,625 --> 01:02:25,583
-I...
-[door creaks open]

1083
01:02:25,666 --> 01:02:26,541
[Dani] Flora?

1084
01:02:27,041 --> 01:02:28,541
[frightening music playing]

1085
01:02:32,750 --> 01:02:33,583
Flora.

1086
01:02:34,166 --> 01:02:35,000
Come here.

1087
01:02:38,083 --> 01:02:39,000
[Flora] It's okay.

1088
01:02:40,375 --> 01:02:41,833
It's only Miss Jessel.

1089
01:02:41,916 --> 01:02:43,208
Shh, shh, shh.

1090
01:02:46,625 --> 01:02:47,458
Miles!

1091
01:02:48,500 --> 01:02:49,333
Miles!

1092
01:02:50,416 --> 01:02:51,708
-[frightening boom]
-Well...

1093

01:02:52,250 --> 01:02:53,291
this is awkward.

1094

01:02:55,458 --> 01:02:56,291
Miles!

1095

01:02:56,375 --> 01:02:58,083
[music intensifies]

1096

01:02:58,166 --> 01:02:59,291
[music fades into silence]

1097

01:02:59,916 --> 01:03:00,750
What?

1098

01:03:00,833 --> 01:03:02,083
Flora. Flora!

1099

01:03:02,166 --> 01:03:03,791
No, Flora! Flora!

1100

01:03:03,875 --> 01:03:06,000
[footsteps pounding rapidly]

1101

01:03:06,083 --> 01:03:07,208
Flora!

1102

01:03:09,625 --> 01:03:10,458
Flora.

1103

01:03:11,125 --> 01:03:12,875
[suspenseful music playing]

1104

01:03:12,958 --> 01:03:14,375
Flora, where are you?

1105

01:03:16,500 --> 01:03:17,416
Flora.

1106

01:03:19,375 --> 01:03:20,500
Flora, we gotta go.

1107
01:03:21,708 --> 01:03:22,875
Come on.

1108
01:03:24,958 --> 01:03:25,916
I'm sorry.

1109
01:03:27,708 --> 01:03:29,083
[frightening musical swell]

1110
01:03:29,166 --> 01:03:31,208
-[thud]
-[music abruptly stops]

1111
01:03:33,833 --> 01:03:35,750
[closing music playing]
