further back at engagements?

165

00:09:57,360 --> 00:09:59,520
I take pleasure in meeting
members of the public

166

00:09:59,600 --> 00:10:01,320
and have learnt so much from them.

167

00:10:02,080 --> 00:10:04,640

You remember
the lesson Lord Altrincham taught us.

168

00:10:05,600 --> 00:10:09,000
Twenty-five years ago, we were given
the advice to be more transparent.

169

00:10:09,080 --> 00:10:10,120
Accessible.

170

00:10:10,200 --> 00:10:11,480
To lower the drawbridge.

171

00:10:12,840 --> 00:10:15,240
It doesn't feel right
to be pulling it up again.

172

00:10:15,320 --> 00:10:17,560
["God Save the Queen" playing]

173

00:10:22,800 --> 00:10:24,800
Right. Gloves on.

174

00:10:25,960 --> 00:10:27,320
We've identified and prepared

175

00:10:27,400 --> 00:10:30,240
a few suitable members
of the general public for you to meet.

176

00:10:30,320 --> 00:10:33,480
Mm-hmm. But no questions,
no actual conversation?

177

00:10:33,560 --> 00:10:36,120
-[Charteris] No, ma'am.
-Right, let's get this over with.

178

00:10:36,200 --> 00:10:38,200
[orchestral music playing]

179

00:10:46,800 --> 00:10:48,760

I present Mr. and Mrs. Barrowclough,
ma'am.

180

00:10:48,840 --> 00:10:50,560

-Hello.

-Your Majesty.

181

00:10:51,040 --> 00:10:52,840

-What do you do?

-Health and safety officer.

182

00:10:55,000 --> 00:10:56,800

I hope you don't find
many issues here today.

183

00:10:56,880 --> 00:10:57,760

No, not at all.

184

00:10:59,160 --> 00:11:00,400

Will you be in on Thursday?

185

00:11:00,480 --> 00:11:03,400

[equerry] Mrs. Wallace, vice president
of the Women's Institute...

186

00:11:04,160 --> 00:11:06,200

Hello.

Do you still find time to bake cakes?

187

00:11:06,280 --> 00:11:07,440

Oh yes!

188

00:11:08,360 --> 00:11:10,360

[indistinct dialogue continues]

189

00:11:12,480 --> 00:11:13,960

[delighted giggling]

190

00:11:14,880 --> 00:11:17,320

[Thatcher on radio] I was brought up
by a Victorian grandmother.

191

00:11:17,400 --> 00:11:19,360
We were taught to work jolly hard.

192
00:11:19,440 --> 00:11:23,600
You were taught to improve yourself.
You were taught self-reliance.

193
00:11:24,240 --> 00:11:26,400
-You were taught to live in your income.
-Next.

194
00:11:26,480 --> 00:11:29,480
You were taught
that cleanliness was next to godliness.

195
00:11:29,560 --> 00:11:31,040
-Me again.
-[woman 1] Name?

196
00:11:31,120 --> 00:11:32,480
Uh, Bond. James Bond.

197
00:11:33,400 --> 00:11:35,160
Any work in the past two weeks?

198
00:11:35,640 --> 00:11:37,480
International espionage agent, you know.

199
00:11:37,560 --> 00:11:40,520
Intelligence work.
Counterintelligence. Assassinations.

200
00:11:44,160 --> 00:11:45,000
Twat.

201
00:11:45,920 --> 00:11:47,920
I've got a question for you.
Who's your boss?

202
00:11:48,000 --> 00:11:49,240
I wanna make a complaint.

203

00:11:49,320 --> 00:11:53,080
If you feel you've been treated unfairly,
please speak to your member of Parliament,

204
00:11:53,160 --> 00:11:55,760
who can refer you
to the Parliamentary Ombudsman.

205
00:11:56,560 --> 00:11:57,640
Oh...

206
00:11:57,720 --> 00:11:58,640
Ugh...

207
00:12:00,240 --> 00:12:02,200
You know, you're the fucking twat.

208
00:12:04,280 --> 00:12:05,160
[woman 2] Next!

209
00:12:07,040 --> 00:12:09,480
[interviewer] While your process
with the rest of the economy

210
00:12:09,560 --> 00:12:11,160
works its way through, then,

211
00:12:11,240 --> 00:12:14,440
one of the consequences appears to be
very high unemployment,

212
00:12:14,520 --> 00:12:16,280
unemployment which is rising.

213
00:12:16,360 --> 00:12:19,080
[Thatcher] No, it's...
Can I put it this way?

214
00:12:19,160 --> 00:12:21,840
It's like a nurse
looking after an ill patient.

215

00:12:22,320 --> 00:12:23,840
Which is the better nurse?

216

00:12:23,920 --> 00:12:26,800
The one who smothers the patient
with sympathy,

217

00:12:26,880 --> 00:12:28,760
"Never mind, dear. There, there.

218

00:12:28,840 --> 00:12:31,520
You just lie back.
I'll bring you all your meals.

219

00:12:31,600 --> 00:12:34,560
I'll bring your papers.
There, there. You just lie back.

220

00:12:35,040 --> 00:12:36,200
I'll look after you"?

221

00:12:36,280 --> 00:12:40,360
Or the nurse who says,
"Now come on. Just shake out of it.

222

00:12:40,440 --> 00:12:42,040
I know you had an operation yesterday.

223

00:12:42,120 --> 00:12:44,720
Time you put your feet to the ground
and took a few steps.

224

00:12:44,800 --> 00:12:46,640
That's right, dear. That's right.

225

00:12:46,720 --> 00:12:49,040
Now get back
and take a few more tomorrow"?

226

00:12:49,640 --> 00:12:51,360
Which do you think is the better nurse?

227

00:12:51,440 --> 00:12:54,120
[interviewer laughs] I know which
sounds more like you, Mrs. Thatcher!

228
00:13:17,000 --> 00:13:18,320
[Hastings] How can I help..

229
00:13:19,000 --> 00:13:19,920
Mr. Fagan?

230
00:13:20,600 --> 00:13:22,880
I wanted to talk to someone
about the system.

231
00:13:23,400 --> 00:13:24,440
Which system?

232
00:13:24,520 --> 00:13:25,680
This system. Britain.

233
00:13:27,360 --> 00:13:29,720
What is it about the system
that bothers you?

234
00:13:30,280 --> 00:13:31,800
Um, it's unfair..

235
00:13:32,600 --> 00:13:33,800
and a disgrace.

236
00:13:34,640 --> 00:13:38,560
It says here you're currently unemployed.
What do you do normally?

237
00:13:39,240 --> 00:13:40,760
I'm a painter-decorator,

238
00:13:40,840 --> 00:13:42,920
but there's not a lot of work
around recently.

239
00:13:43,000 --> 00:13:46,720

Perhaps because
instead of investing in new homes,

240

00:13:46,800 --> 00:13:48,880
which I could then paint and decorate,

241

00:13:48,960 --> 00:13:53,160
devil woman here is spending it all
on a completely unnecessary war.

242

00:13:53,240 --> 00:13:55,520
I have to tell you
that I fully support the war.

243

00:13:55,600 --> 00:13:57,560
Do you know what it costs?

244

00:13:57,640 --> 00:14:00,840
I know precisely.
The government has published the figures.

245

00:14:00,920 --> 00:14:04,960
Why would you spend
over three billion pounds

246

00:14:05,040 --> 00:14:07,920
on a war against total strangers

247

00:14:08,000 --> 00:14:10,200
rather than looking after your own family?

248

00:14:10,280 --> 00:14:12,280
Because the invasion
of the Falkland Islands

249

00:14:12,360 --> 00:14:14,960
was an illegal act by a foreign power,

250

00:14:15,040 --> 00:14:18,840
because General Galtieri is a criminal
and a fascist,

251

00:14:18,920 --> 00:14:21,920
and because the Falkland Islanders
are British subjects

252

00:14:22,000 --> 00:14:24,160
living on British sovereign territory.

253

00:14:24,240 --> 00:14:26,880
But thank you for your observations,

254

00:14:26,960 --> 00:14:28,200
which I will note.

255

00:14:28,280 --> 00:14:30,200
-No, you won't.
-Yes, I will.

256

00:14:30,800 --> 00:14:32,120
No, you won't.

257

00:14:38,640 --> 00:14:40,680
Noted, Mr. Fagan.

258

00:14:40,760 --> 00:14:42,760
Do you really need
a picture of her in here?

259

00:14:42,840 --> 00:14:45,360
It's like being in Turkey or Iraq.

260

00:14:45,440 --> 00:14:46,560
She's my boss.

261

00:14:46,640 --> 00:14:49,080
-I'm your boss. I'm a constituent.
-Did you vote for me?

262

00:14:49,160 --> 00:14:51,000
[laughing] You must be joking!

263

00:14:51,080 --> 00:14:53,760
You'll forgive me

if I don't think of you as my boss.

264

00:14:53,840 --> 00:14:56,520

Margaret Thatcher
is the leader of the Conservative Party,

265

00:14:56,600 --> 00:14:57,840

to which I belong,

266

00:14:57,920 --> 00:15:00,000

and so I think of her as my boss.

267

00:15:00,080 --> 00:15:01,320

You fancy her?

268

00:15:01,400 --> 00:15:03,640

-What?

-Have dirty thoughts? I bet you do.

269

00:15:03,720 --> 00:15:05,560

I'm afraid that's all we have time for.

270

00:15:06,280 --> 00:15:07,400

I haven't finished.

271

00:15:07,480 --> 00:15:09,000

-[chair creaks]

-[door opens]

272

00:15:09,080 --> 00:15:11,680

[Hastings] If you still wish
to register your protest,

273

00:15:11,760 --> 00:15:14,760

I suggest you do so via the ballot box
or peacefully in the street,

274

00:15:14,840 --> 00:15:17,320

as is your right in a civilized democracy.

275

00:15:17,400 --> 00:15:20,440

But if I wanna talk to someone about her,

who do I speak to?

276

00:15:21,160 --> 00:15:22,520
The leader of the opposition.

277

00:15:22,600 --> 00:15:24,800
He has the opportunity
to put questions to her

278

00:15:24,880 --> 00:15:26,640
in the House of Commons twice a week.

279

00:15:26,720 --> 00:15:28,760
Failing that, the Queen.

280

00:15:28,840 --> 00:15:31,680
She has a private audience
with the prime minister every Tuesday.

281

00:15:31,760 --> 00:15:34,600
Why don't you drop in
at Buckingham Palace to ask her?

282

00:15:38,680 --> 00:15:39,920
[soldier] Guards!

283

00:15:40,920 --> 00:15:42,200
By the left,

284

00:15:42,280 --> 00:15:43,840
quick march!

285

00:15:43,920 --> 00:15:48,360
-Left, right, left, right...
-[rousing orchestral music playing]

286

00:16:01,640 --> 00:16:05,000
[commentator] Her Majesty the Queen
here, taking the royal salute,

287

00:16:05,080 --> 00:16:08,520
the key moment in this,

the Queen's annual Birthday Parade.

288

00:16:15,560 --> 00:16:18,320
As members of the Household Division
troop their color,

289

00:16:18,400 --> 00:16:21,640
those watching at home, as well as
some lucky members of the public

290

00:16:21,720 --> 00:16:22,840
invited to attend,

291

00:16:22,920 --> 00:16:27,160
come together as one nation
in celebration of this joyous event.

292

00:16:29,240 --> 00:16:32,360
[Thatcher] I don't need to tell you that I
and every minister in this government

293

00:16:32,440 --> 00:16:34,040
are desperately concerned..

294

00:16:34,120 --> 00:16:37,240
-[woman] Number 72. Window 2.
-[baby crying]

295

00:16:39,400 --> 00:16:43,040
[man] Application for single payment
to cover home improvements?

296

00:16:43,120 --> 00:16:45,720
-[Fagan] Yep.
-Can you give me more information?

297

00:16:45,800 --> 00:16:48,360
Okay. My wife has left me.

298

00:16:49,000 --> 00:16:49,840
All right.

299

00:16:50,360 --> 00:16:53,200
I went to see Social Services to mediate

300
00:16:53,280 --> 00:16:55,360
'cause I want my kids
to spend time with me.

301
00:16:55,440 --> 00:16:56,280
Right.

302
00:16:58,120 --> 00:17:01,040
But they've seen the flat
and said it needs improving.

303
00:17:01,120 --> 00:17:03,320
There's water damage. I wanna fix it.

304
00:17:04,520 --> 00:17:06,040
You're not the primary tenant.

305
00:17:07,240 --> 00:17:09,720
My wife's the primary tenant,
but she's left.

306
00:17:09,800 --> 00:17:11,000
I just explained.

307
00:17:12,120 --> 00:17:14,080
You'd have to be the primary tenant

308
00:17:14,160 --> 00:17:16,800
before we could even consider
paying for the damages.

309
00:17:16,880 --> 00:17:18,520
You tried talking to the council?

310
00:17:19,600 --> 00:17:21,560
No. They told me to speak to you.

311
00:17:22,840 --> 00:17:26,080
Look, if this doesn't get sorted,

I don't get to see my kids.

312

00:17:28,440 --> 00:17:30,840

[man] You're gonna have to take that up
with the council.

313

00:17:30,920 --> 00:17:34,320

[Thatcher] ...paid off a great proportion
of the foreign debts we inherited.

314

00:18:43,760 --> 00:18:44,840

[grunts]

315

00:19:07,200 --> 00:19:09,440

[indistinct chatter]

316

00:19:43,040 --> 00:19:45,040

[strains, grunts]

317

00:19:48,160 --> 00:19:49,760

[grunting]

318

00:19:52,400 --> 00:19:53,720

[strains]

319

00:19:53,800 --> 00:19:54,720

[sighs]

320

00:19:59,840 --> 00:20:01,720

[breathing deeply]

321

00:20:17,280 --> 00:20:19,280

[indistinct chatter]

322

00:20:47,680 --> 00:20:49,680

[indistinct chatter]

323

00:21:15,800 --> 00:21:17,800

[indistinct chatter]

324

00:21:19,280 --> 00:21:20,560

[man laughing]

325

00:21:41,400 --> 00:21:42,600
[door shuts]

326

00:21:47,280 --> 00:21:48,600
[footsteps descending]

327

00:22:27,920 --> 00:22:28,880
[grunts]

328

00:22:40,240 --> 00:22:41,120
[shards clatter]

329

00:23:22,520 --> 00:23:24,520
[door creaking]

330

00:23:44,040 --> 00:23:44,960
[woman] Hey!

331

00:23:45,040 --> 00:23:46,000
Oh...

332

00:23:50,320 --> 00:23:52,280
Quickly! There's a man.

333

00:23:52,360 --> 00:23:54,120
-An intruder.
-What?

334

00:23:54,200 --> 00:23:55,720
He's by the Queen's bedroom.

335

00:23:55,800 --> 00:23:57,760
-Come on! Hurry up!
-Turn the lights on.

336

00:23:57,840 --> 00:23:58,720
[footman] Okay.

337

00:23:59,400 --> 00:24:01,880

-Is this where he was spotted?
-Down the other end.

338

It's even posher than you'd think

507

00:37:30,440 --> 00:37:31,800
and yet more rundown.

508

00:37:31,880 --> 00:37:32,880
Rundown?

509

00:37:32,960 --> 00:37:34,720
Oh yeah. Corridors and state rooms?

510

00:37:34,800 --> 00:37:35,800
Shocking.

511

00:37:38,760 --> 00:37:40,200
[replaces handset]

512

00:37:42,600 --> 00:37:45,720
Chipped paint, peeling wallpaper, stains.

513

00:37:45,800 --> 00:37:48,680
-Decorator. Can't help noticing.
-Is that what you do?

514

00:37:49,360 --> 00:37:50,680
[Fagan] Painter-decorator.

515

00:37:51,440 --> 00:37:52,560
You should hire me.

516

00:37:56,920 --> 00:37:58,440
You might need a glazier too.

517

00:37:58,920 --> 00:38:00,600
I broke a window this time.

518

00:38:01,560 --> 00:38:03,200
Last time was you too?

519

00:38:03,280 --> 00:38:05,240

-Yeah.

-What is the matter with you?

520

00:38:05,320 --> 00:38:07,880

-This is private property.

-No, it's not. It's state property.

521

00:38:09,080 --> 00:38:11,440

-Either way, you're trespassing.

-Which isn't a crime.

522

00:38:11,520 --> 00:38:13,200

Not if I don't steal anything.

523

00:38:13,720 --> 00:38:15,560

You stole a bottle of wine last time.

524

00:38:17,320 --> 00:38:19,920

Only to work up the courage
to speak to you.

525

00:38:20,000 --> 00:38:22,360

Because I've tried everything else.

526

00:38:22,440 --> 00:38:23,800

Writing letters,

527

00:38:24,360 --> 00:38:27,480

speaking to my MP.

Fat lot of good any of that did.

528

00:38:28,520 --> 00:38:30,240

Mirage of democracy.

529

00:38:30,320 --> 00:38:31,960

So I've come to you,

530

00:38:32,040 --> 00:38:33,240

the head of state.

531

00:38:35,160 --> 00:38:38,280

You're my last resort.
Someone who can actually do something.

532

00:38:40,120 --> 00:38:41,680
What is it you'd like me to do?

533

00:38:41,760 --> 00:38:43,480
Save us all from her.

534

00:38:44,960 --> 00:38:46,720
-Who?
-Thatcher.

535

00:38:46,800 --> 00:38:48,640
She's destroying the country.

536

00:38:48,720 --> 00:38:51,000
We've got
more than three million unemployed.

537

00:38:51,080 --> 00:38:53,200
More than at any time
since the Great Depression.

538

00:38:53,280 --> 00:38:56,240
-Doesn't that bother you?
-Yes, it bothers me greatly.

539

00:38:56,320 --> 00:38:58,440
But there's nothing I can do about it.

540

00:38:59,040 --> 00:39:01,360
When you've been in my position
as long as I have,

541

00:39:01,440 --> 00:39:05,440
you see how quickly and how often
a nation's fortunes can change.

542

00:39:06,760 --> 00:39:10,000
Joblessness, recession, crises, war.

543

00:39:10,080 --> 00:39:12,800
All these things have
a way of correcting themselves.

544

00:39:14,560 --> 00:39:16,560
Countries bounce back. People do.

545

00:39:17,120 --> 00:39:19,960
-Because they simply have to.
-That's what I thought.

546

00:39:20,040 --> 00:39:21,640
That I'd bounce back.

547

00:39:22,280 --> 00:39:23,240
And then I didn't.

548

00:39:23,800 --> 00:39:24,640
[scoffs]

549

00:39:25,200 --> 00:39:29,000
First the work dried up,
then my confidence dried up.

550

00:39:30,400 --> 00:39:34,160
Then...
the love in my wife's eyes dried up.

551

00:39:36,360 --> 00:39:37,840
And then you begin to wonder,

552

00:39:37,920 --> 00:39:39,360
you know, where's it gone?

553

00:39:40,600 --> 00:39:44,040
Not just your confidence
or your happiness, but your...

554

00:39:47,440 --> 00:39:49,920
They say
that I have mental health problems now.

555

00:39:50,000 --> 00:39:51,640
I don't. I'm just poor.

556

00:39:54,640 --> 00:39:55,480
[sighs]

557

00:40:02,320 --> 00:40:05,160
-The state can help with all of this.
-What state?

558

00:40:05,240 --> 00:40:06,960
The state has gone.

559

00:40:07,640 --> 00:40:09,160
She's dismantled it,

560

00:40:09,240 --> 00:40:12,360
along with the other things we thought
we could depend on growing up.

561

00:40:12,440 --> 00:40:16,920
A sense of community, a sense of,
you know, obligation to one another.

562

00:40:17,880 --> 00:40:19,280
A sense of kindness.

563

00:40:19,360 --> 00:40:21,480
It's all disappearing.

564

00:40:21,560 --> 00:40:23,320
I think you're exaggerating.

565

00:40:24,360 --> 00:40:26,760
People still show kindness to one another,

566

00:40:26,840 --> 00:40:28,920
and they still pay their taxes
to the state.

567

00:40:29,000 --> 00:40:32,320
And she spends that money

on an unnecessary war

568

00:40:32,400 --> 00:40:37,360
and declares
the feel-good factor is back again.

569

00:40:37,440 --> 00:40:40,640
In the meantime, all the things
that really make us feel good,

570

00:40:40,720 --> 00:40:43,640
the right to work, the right to be ill...

571

00:40:44,720 --> 00:40:46,080
the right to be old,

572

00:40:46,680 --> 00:40:50,200
the right to be frail, be human,

573

00:40:50,280 --> 00:40:51,880
mmm, gone.

574

00:40:54,320 --> 00:40:55,880
You may think you're off the hook,

575

00:40:55,960 --> 00:40:59,120
but she's got her eye on your job, too.
You'll be out of work soon.

576

00:40:59,200 --> 00:41:02,760
Let me assure you, Mrs. Thatcher is
an all-too-committed monarchist.

577

00:41:02,840 --> 00:41:05,320
She has an appetite for power
which is presidential,

578

00:41:05,400 --> 00:41:10,320
and in this country, a president
and a head of state cannot coexist.

579

00:41:10,400 --> 00:41:14,320

Mark my words, she's put us out of work.
She's quietly putting you out of work.

580

00:41:14,400 --> 00:41:15,960
-[knock at door]
-Who's that?

581

00:41:16,040 --> 00:41:18,400
That'll be my morning tea.
They come at this time.

582

00:41:18,960 --> 00:41:20,640
-Come in.
-[door opens]

583

00:41:25,600 --> 00:41:27,960
-Are you all right, ma'am?
-Quite all right, thank you.

584

00:41:28,040 --> 00:41:29,840
You might ask the policeman to come in.

585

00:41:37,400 --> 00:41:38,400
[door shuts]

586

00:41:46,800 --> 00:41:47,840
Have you come far?

587

00:41:48,560 --> 00:41:49,600
York Way.

588

00:41:51,520 --> 00:41:52,760
Just behind King's Cross.

589

00:41:52,840 --> 00:41:53,680
Lovely.

590

00:41:56,560 --> 00:41:57,560
Is it lovely?

591

00:41:58,520 --> 00:41:59,840
No, not particularly.

592

00:42:06,320 --> 00:42:08,520

Is there anything else
you'd like to say to me?

593

00:42:21,280 --> 00:42:22,120

No.

594

00:42:24,400 --> 00:42:25,400

Thank you.

595

00:42:30,200 --> 00:42:33,680

I do hope they don't make things
too difficult for you in light of this.

596

00:42:35,560 --> 00:42:36,400

Thank you.

597

00:42:36,480 --> 00:42:37,960

[footsteps approaching]

598

00:42:39,040 --> 00:42:40,760

[Elizabeth] Well, goodbye.

599

00:42:43,080 --> 00:42:44,920

-[guard] Don't touch her.

-It's all right.

600

00:42:47,880 --> 00:42:49,800

I shall bear in mind what you've said.

601

00:42:58,080 --> 00:42:59,000

[groans]

602

00:43:04,640 --> 00:43:06,960

-[guard] Get out!

-Now perhaps that cup of tea.

603

00:43:07,040 --> 00:43:08,080

Yes, ma'am.

604

00:43:12,800 --> 00:43:14,240
-[door shuts]
-[gasps]

605

00:43:20,120 --> 00:43:21,520
[breathing shakily]

606

00:43:30,560 --> 00:43:32,040
[anchor] The Home Office has confirmed

607

00:43:32,120 --> 00:43:35,440
that a man successfully breached
Buckingham Palace security

608

00:43:35,520 --> 00:43:38,920
and entered the Queen's bedroom,
not once but twice.

609

00:43:39,000 --> 00:43:42,000
An investigation
into this unprecedented failure

610

00:43:42,080 --> 00:43:45,440
has already begun,
and more details were given this afternoon

611

00:43:45,520 --> 00:43:47,360
to an incredulous House of Commons.

612

00:43:47,440 --> 00:43:50,120
[man on TV]
Is the home secretary not aware

613

00:43:50,200 --> 00:43:55,280
that the British public is
really very shocked and staggered

614

00:43:55,360 --> 00:43:57,280
that this event could have occurred

615

00:43:57,360 --> 00:44:03,400
and that the home secretary's reference
to "security not being satisfactory"

616

00:44:03,480 --> 00:44:06,240
must be the understatement of the year?

617

00:44:06,320 --> 00:44:08,560
[Home Secretary]
I would say that no one is likely

618

00:44:08,640 --> 00:44:11,200
to have been more shocked
and staggered than I was.

619

00:44:11,280 --> 00:44:14,680
I think that
what we've got to wait to hear...

620

00:44:14,760 --> 00:44:15,600
[clamoring]

621

00:44:15,680 --> 00:44:18,240
-[Speaker] Order!
-...we've got to await Mr. Dellow's report.

622

00:44:27,040 --> 00:44:28,880
[Thatcher] On behalf of the government

623

00:44:28,960 --> 00:44:30,840
and the Metropolitan Police,

624

00:44:30,920 --> 00:44:32,560
I am so sorry.

625

00:44:32,640 --> 00:44:35,160
It is a national embarrassment

626

00:44:35,240 --> 00:44:37,840
that the Queen of the United Kingdom

627

00:44:37,920 --> 00:44:41,560
should be subjected to troublemakers
and malcontents

628

00:44:41,640 --> 00:44:44,120
who feel at liberty to resort to violence.

629

00:44:44,200 --> 00:44:45,600
Oh, but he wasn't violent.

630

00:44:46,400 --> 00:44:50,720
In fact, the only person Mr. Fagan hurt
in the course of his break-in was himself.

631

00:44:51,800 --> 00:44:53,920
And while he may be a troubled soul,

632

00:44:54,680 --> 00:44:57,440
I don't think he's entirely to blame
for his troubles,

633

00:44:57,520 --> 00:44:59,160
being a victim of unemployment,

634

00:44:59,240 --> 00:45:01,160
which is now more than twice what it was

635

00:45:01,240 --> 00:45:03,360
when you came into office
just three years ago.

636

00:45:03,440 --> 00:45:06,800
If unemployment
is temporarily high, ma'am,

637

00:45:07,360 --> 00:45:10,040
then it is a necessary side effect

638

00:45:10,120 --> 00:45:13,520
of the medicine we are administering
to the British economy.

639

00:45:13,600 --> 00:45:15,560
Shouldn't we be careful
that this medicine,

640

00:45:15,640 --> 00:45:18,040
like some dreadful chemotherapy,

641

00:45:18,120 --> 00:45:21,400
doesn't kill the very patient
it is intended to heal?

642

00:45:21,480 --> 00:45:24,160
If people like Mr. Fagan are struggling,

643

00:45:24,240 --> 00:45:26,800
do we not have a collective duty
to help them?

644

00:45:28,120 --> 00:45:29,920
What of our moral economy?

645

00:45:30,920 --> 00:45:33,760
If we are to turn this country around...

646

00:45:34,960 --> 00:45:37,480
we really must abandon

647

00:45:37,560 --> 00:45:42,240
outdated and misguided notions
of collective duty.

648

00:45:42,840 --> 00:45:45,720
There are individual men and women,

649

00:45:45,800 --> 00:45:47,800
and there are families.

650

00:45:48,320 --> 00:45:52,760
Self-interested people
who are trying to better themselves.

651

00:45:52,840 --> 00:45:56,480
That is the engine that fires a nation.

652

00:45:57,200 --> 00:46:02,040

My father didn't have the state
to rely on should his business fail.

653

00:46:02,120 --> 00:46:04,400
It was the risk of ruin

654

00:46:05,040 --> 00:46:09,760
and his duty to his family
that drove him to succeed.

655

00:46:09,840 --> 00:46:13,000
Perhaps not everyone is
as remarkable as your father.

656

00:46:13,080 --> 00:46:14,480
Oh, you see,

657

00:46:14,560 --> 00:46:16,960
that is where you and I differ.

658

00:46:17,720 --> 00:46:21,560
I say they have it within them to be.

659

00:46:22,960 --> 00:46:24,640
Even someone like Mr. Fagan?

660

00:46:25,880 --> 00:46:29,160
Mr. Fagan is another matter.

661

00:46:30,040 --> 00:46:32,760
Two different doctors
have reached the conclusion

662

00:46:32,840 --> 00:46:35,280
he is suffering from
a schizophrenic illness.

663

00:46:35,360 --> 00:46:39,480
If he is spared criminal prosecution
on account of his condition,

664

00:46:39,560 --> 00:46:44,040

then a nice, secure mental hospital
will ensure

665

00:46:44,120 --> 00:46:47,080
he will not be a danger any longer.

666

00:46:47,160 --> 00:46:49,080
Now, if you will excuse me,

667

00:46:49,720 --> 00:46:51,320
I really must go.

668

00:46:51,400 --> 00:46:52,400
Where to?

669

00:46:53,120 --> 00:46:55,080
To the victory parade

670

00:46:55,920 --> 00:46:57,520
at the City of London.

671

00:46:58,120 --> 00:46:59,520
A victory parade?

672

00:46:59,600 --> 00:47:00,600
Yes, ma'am.

673

00:47:01,960 --> 00:47:04,600
We have just won a war.

674

00:47:09,000 --> 00:47:11,040
[drumroll]

675

00:47:13,200 --> 00:47:14,480
[marching band playing]

676

00:47:14,560 --> 00:47:18,320
[commentator] Good morning from outside
the Royal Exchange in the City of London.

677

00:47:18,400 --> 00:47:20,240

And on the saluting base,

678

00:47:20,320 --> 00:47:23,920
the lord mayor
and the prime minister waving.

679

00:47:24,000 --> 00:47:25,760
On the lord mayor's right,

680

00:47:25,840 --> 00:47:27,280
on his left, our right,

681
