348
00:23:52,800 --> 00:23:55,320
We hardly see one another anymore,
and when we do,

349

00:23:55,840 --> 00:23:57,440
we quarrel more than ever.

350

00:23:59,640 --> 00:24:01,080
It's so depressing,

351

00:24:02,080 --> 00:24:03,080
corrosive.

352

00:24:03,200 --> 00:24:04,040
[Margaret] Mm.

353

00:24:06,440 --> 00:24:10,120
And it's left me with no option
but to... start seeing someone.

354

00:24:10,200 --> 00:24:12,120
Yes, I think we all know about that.

355

00:24:12,200 --> 00:24:13,280
No, not Camilla.

356

00:24:13,960 --> 00:24:14,800
I meant...

357

00:24:15,880 --> 00:24:16,720
a professional.

358

00:24:18,160 --> 00:24:20,120
A therapist, to help with the moods.

359

00:24:20,720 --> 00:24:21,760
A headshrinker?

360

00:24:23,720 --> 00:24:26,000
Aunt Margot, you can't call them that.

361

00:24:26,640 --> 00:24:27,560
Has it helped?

362

00:24:28,080 --> 00:24:29,560

It hasn't made things worse.

363

00:24:29,640 --> 00:24:31,680
Mm. Not much of an endorsement.

364

00:24:33,400 --> 00:24:36,440
The reason I bring it up
is I promised Anne

365

00:24:37,040 --> 00:24:39,840
that I would urge you
to try seeing someone too.

366

00:24:40,520 --> 00:24:42,280
Are you both ganging up on me?

367

00:24:42,360 --> 00:24:43,360
We both care.

368

00:24:45,160 --> 00:24:46,680
Why not try back in London?

369

00:24:47,600 --> 00:24:49,520
Anne thinks she's found someone good.

370

00:24:58,040 --> 00:25:02,760
It's outrageous that I, an HRH,
should travel to see her.

371

00:25:02,840 --> 00:25:05,240
[Anne Tennant]
I gather it's part of the process,

372

00:25:05,320 --> 00:25:08,520
that the patient accept
that they are a patient.

373

00:25:10,680 --> 00:25:14,920
Apparently, the healing cannot start
until the grandiosity is diminished.

374

00:25:15,000 --> 00:25:16,280

What grandiosity?

375

00:25:16,360 --> 00:25:19,680
I'm so far down the royal pecking order
these days,

376

00:25:19,760 --> 00:25:21,600
I'm virtually an untouchable.

377

00:25:21,680 --> 00:25:22,760
[Anne] Here we are.

378

00:25:34,560 --> 00:25:38,040
[Margaret] I had therapy once before

379

00:25:38,120 --> 00:25:41,000
in the early days
of my marriage to Lord Snowdon.

380

00:25:42,200 --> 00:25:43,720
The problem we face is I'm...

381

00:25:44,320 --> 00:25:46,240
Well, I'm so opposed to all of this.

382

00:25:46,320 --> 00:25:49,680
I find it pathetic. It violates everything
I was brought up to believe.

383

00:25:49,760 --> 00:25:51,480
[doctor]
What were you brought up to believe?

384

00:25:52,720 --> 00:25:55,000
Self-pity won't get you very far.

385

00:25:56,640 --> 00:25:58,640
You've just got to get on with it.

386

00:25:59,560 --> 00:26:01,560
[doctor]
Well, that's a very common attitude.

387
00:26:02,080 --> 00:26:04,000
It's also quite old-fashioned.

388
00:26:04,080 --> 00:26:06,800
Did you just call me common? And old?

389
00:26:09,840 --> 00:26:12,520
Because that would not be
a good way to start.

390
00:26:16,920 --> 00:26:19,040
So, what made you want to try again?

391
00:26:19,520 --> 00:26:20,440
Ma'am.

392
00:26:21,000 --> 00:26:22,080
Ma'am.

393
00:26:34,200 --> 00:26:35,040
Because...

394
00:26:37,800 --> 00:26:40,080
Well,
I'm ashamed to say I've been feeling...

395
00:26:41,960 --> 00:26:43,000
a little low...

396
00:26:46,040 --> 00:26:47,040
for a while now.

397
00:26:49,400 --> 00:26:50,240
And...

398
00:26:51,200 --> 00:26:52,880
this current slump...

399
00:26:53,840 --> 00:26:55,640
seems to have resisted every...

400
00:26:56,760 --> 00:27:00,880
attempt I've made to muscle through.

401
00:27:02,920 --> 00:27:05,720
Are you aware of anyone else
in your immediate family

402
00:27:05,800 --> 00:27:07,680
struggling with mental health issues?

403
00:27:14,400 --> 00:27:17,080
The Prince of Wales.
He has his ups and downs.

404
00:27:17,840 --> 00:27:21,160
But I wouldn't say that's a condition.
That's just marriage.

405
00:27:23,080 --> 00:27:25,120
The Duke of Gloucester, my uncle.

406
00:27:26,480 --> 00:27:28,760
He got low from time to time.

407
00:27:29,880 --> 00:27:31,840
[doctor] I only ask because I am aware,

408
00:27:31,920 --> 00:27:35,040
through professional colleagues,
of... the sisters.

409
00:27:37,680 --> 00:27:38,520
Sisters?

410
00:27:41,040 --> 00:27:42,040
What sisters?

411
00:27:43,120 --> 00:27:46,080
[Margaret] That's when
she told me about our cousins.

412

00:27:46,160 --> 00:27:49,240
Our first cousins,
Katherine and Nerissa Bowes-Lyon.

413

00:27:50,520 --> 00:27:53,320
Third and fifth daughters
of Mummy's favorite elder brother...

414

00:27:53,400 --> 00:27:54,240
Uncle Jock.

415

00:27:54,320 --> 00:27:55,800
...being locked up

416

00:27:55,880 --> 00:27:59,000
in the Earlswood Institution
for Mental Defectives,

417

00:27:59,080 --> 00:28:00,600
if you please, in Redhill.

418

00:28:00,680 --> 00:28:03,320
Yes, I remember
hearing about Katherine and Nerissa

419

00:28:03,960 --> 00:28:06,160
and their... terrible problems.

420

00:28:06,920 --> 00:28:08,120
But they're long dead.

421

00:28:09,480 --> 00:28:12,240
It's my understanding
they're both very much alive.

422

00:28:13,200 --> 00:28:14,280
But we can check.

423

00:28:15,360 --> 00:28:17,680
-[rings bell]
-What are you doing? That's my button.

424

00:28:20,320 --> 00:28:22,360
Ah. Here we are. Burke's.

425

00:28:25,120 --> 00:28:27,920
-[Elizabeth] Let me do that. I'll do that.
-No, I'm fine.

426

00:28:31,040 --> 00:28:32,000
[Elizabeth] Ah.

427

00:28:35,200 --> 00:28:36,800
Here we are. Ooh, heavy!

428

00:28:43,520 --> 00:28:45,160
-Catch! [laughs]
-Don't you dare!

429

00:28:45,240 --> 00:28:47,280
Not funny. Go carefully.

430

00:28:48,520 --> 00:28:51,400
P, R, S...

431

00:28:52,000 --> 00:28:53,280
Oh, did I just see it?

432

00:28:56,400 --> 00:28:57,600
Mmm...

433

00:28:58,840 --> 00:29:00,560
Oh, yes. Look, here it is.

434

00:29:00,640 --> 00:29:03,080
Nerissa, deceased 1940.

435

00:29:03,960 --> 00:29:07,400
Katherine, deceased 1961.
There it is in black and white.

436

00:29:07,480 --> 00:29:09,200
Both died long ago.

437
00:29:09,880 --> 00:29:11,360
How strange.

438
00:29:13,240 --> 00:29:15,240
[telephone ringing]

439
00:29:16,240 --> 00:29:17,720
[footsteps approach]

440
00:29:17,800 --> 00:29:19,840
-[telephone ringing]
-[Margaret] I'm not here.

441
00:29:19,920 --> 00:29:21,640
[butler] Buckingham Palace.

442
00:29:23,600 --> 00:29:25,280
-[phone hangs up]
-[clears throat]

443
00:29:25,360 --> 00:29:26,200
Who was it?

444
00:29:26,920 --> 00:29:28,640
[butler] Mr. Jennings, ma'am.

445
00:29:29,400 --> 00:29:31,400
Dazzle? Hmm.

446
00:29:31,480 --> 00:29:32,560
What did he want?

447
00:29:32,640 --> 00:29:36,040
[Butler] To let you know he'd be
in London next week for a few days,

448
00:29:36,120 --> 00:29:37,760
in case you had any time.

449
00:29:40,040 --> 00:29:40,880

No.

450

00:29:51,760 --> 00:29:54,440

[Dazzle]

Mater misericordiae, ora pro nobis..

451

00:29:54,520 --> 00:29:56,720

-[Margaret] You're not praying, are you?

-I am.

452

00:29:57,240 --> 00:30:00,120

Maria, mater gratio..

When was the last time you drove a car?

453

00:30:00,720 --> 00:30:04,080

I drive all the time.

Well, maybe not this particular model.

454

00:30:05,320 --> 00:30:08,680

Anyway, you're a fine one to talk.

You can't drive at all.

455

00:30:09,280 --> 00:30:11,080

At least I recognize my limitations.

456

00:30:12,440 --> 00:30:14,720

I'd have been happy

for the chauffeur to drive us,

457

00:30:14,800 --> 00:30:15,680

but then...

458

00:30:15,760 --> 00:30:17,160

[cyclist] What are you doing?

459

00:30:17,240 --> 00:30:18,800

...well, we wouldn't have been alone.

460

00:30:18,880 --> 00:30:21,120

Why is it so important that we're alone?

461

00:30:44,120 --> 00:30:46,200

What if someone asks me who I am?

462

00:30:46,280 --> 00:30:48,400

-They won't. You're a priest.

-But I'm not.

463

00:30:48,480 --> 00:30:50,320

Not yet. I'm still just a seminarian.

464

00:30:50,400 --> 00:30:51,640

They don't know that.

465

00:30:52,320 --> 00:30:55,800

You still look suitably clerical
and beyond suspicion.

466

00:30:55,880 --> 00:30:57,200

It feels wrong, ma'am.

467

00:30:57,680 --> 00:30:58,640

Deceitful.

468

00:30:59,840 --> 00:31:02,040

You can always confess later. Now go.

469

00:31:09,920 --> 00:31:11,920

[indistinct chatter]

470

00:31:21,560 --> 00:31:23,920

Here we go. Just through here.

471

00:31:31,040 --> 00:31:32,520

[rain pattering]

472

00:32:04,880 --> 00:32:06,880

[breathing heavily]

473

00:32:08,960 --> 00:32:10,480

They are alive, ma'am.

474

00:32:10,560 --> 00:32:11,720

You saw them?

475

00:32:11,800 --> 00:32:12,800
I did.

476

00:32:15,560 --> 00:32:16,560
How were they?

477

00:32:20,360 --> 00:32:21,520
[Dazzle] Like children.

478

00:32:24,120 --> 00:32:25,600
But they know who you are.

479

00:32:26,960 --> 00:32:29,000
And they know who your sister is.

480

00:32:30,480 --> 00:32:32,880
They have pictures of the whole family.

481

00:32:34,000 --> 00:32:35,840
Which they know is their family.

482

00:32:40,560 --> 00:32:43,560
-[nurse] You love that one, don't you?
-[Dazzle] Oh yes.

483

00:32:43,640 --> 00:32:45,960
[nurse]
Keeps it in pride of place, she does.

484

00:32:48,040 --> 00:32:49,200
[nurse] Aww!

485

00:32:55,640 --> 00:32:57,480
Shall I get your cousins to say hello?

486

00:32:57,560 --> 00:32:59,040
[Dazzle] Did you say cousins?

487

00:33:01,080 --> 00:33:02,280

-Hello.

-Hello.

488

00:33:02,360 --> 00:33:04,120

And... there are more.

489

00:33:06,440 --> 00:33:07,440

More what?

490

00:33:09,960 --> 00:33:11,240

[Dazzle] More relatives.

491

00:33:11,920 --> 00:33:15,160

Cousins of theirs, equally afflicted.

492

00:33:16,000 --> 00:33:18,520

-Hello.

-[nurse] You can sit down here, love.

493

00:33:18,600 --> 00:33:20,120

Wanna sit on the bed?

494

00:33:20,200 --> 00:33:22,680

-All family together.

-[man] Oh, family, yes.

495

00:33:24,240 --> 00:33:25,800

[nurse] You all right, Nerissa?

496

00:33:48,280 --> 00:33:50,280

[indistinct chatter]

497

00:33:52,400 --> 00:33:53,360

Oh, darling!

498

00:33:53,840 --> 00:33:56,360

Oh, what a surprise!

You're just in time for lunch.

499

00:33:56,440 --> 00:33:57,440

Not hungry.

500

00:33:58,760 --> 00:34:02,640
Oh. We're starving. We've all been
for long walks this morning.

501

00:34:03,160 --> 00:34:06,200
Well, you and I are about go for another.

502

00:34:06,280 --> 00:34:09,400
You don't mind
if I steal her away, do you?

503

00:34:09,480 --> 00:34:10,760
No, not at all.

504

00:34:16,480 --> 00:34:17,320
Five.

505

00:34:17,840 --> 00:34:19,040
Five, Mummy!

506

00:34:19,920 --> 00:34:23,280
Five members of our close family
locked up and neglected!

507

00:34:23,920 --> 00:34:25,200
What do you expect us to do?

508

00:34:25,280 --> 00:34:29,240
-Behave like human beings.
-Oh, don't be so naive. We had no choice.

509

00:34:30,760 --> 00:34:31,960
They're your nieces.

510

00:34:32,880 --> 00:34:35,600
-Daughters of your favorite brother!
-They were unwell.

511

00:34:36,080 --> 00:34:38,040
Aunt Fenella was overwhelmed.

512

00:34:38,560 --> 00:34:40,920
Then the way
things suddenly changed for all of us,

513
00:34:41,000 --> 00:34:42,440
none of us could have foreseen it.

514
00:34:42,520 --> 00:34:43,720
It? What's it?

515
00:34:44,280 --> 00:34:45,120
The abdication--

516
00:34:45,200 --> 00:34:47,800
No! Not everything
that is wrong with this family

517
00:34:47,880 --> 00:34:50,160
can be explained away by the abdication.

518
00:34:50,240 --> 00:34:52,920
Well,
the abdication did change everything.

519
00:34:54,240 --> 00:34:56,080
You were too young to understand.

520
00:34:56,600 --> 00:34:57,440
Everything.

521
00:35:03,760 --> 00:35:04,720
It's complicated.

522
00:35:04,800 --> 00:35:06,160
No, it's not!

523
00:35:06,240 --> 00:35:08,720
It's wicked, and it's cold-hearted,

524

603

00:40:09,880 --> 00:40:12,240
am I destined to be mad, too?

604

00:40:14,320 --> 00:40:15,680
No, ma'am.

605

00:40:18,760 --> 00:40:22,560
When I heard you'd..
made the appointment to come today..

606

00:40:23,840 --> 00:40:25,400
I did a little research.

607

00:40:26,320 --> 00:40:30,280
Now the genetic fault
responsible for your cousins' condition

608

00:40:31,040 --> 00:40:34,720
seems to have descended
from their common maternal grandfather,

609

00:40:34,800 --> 00:40:37,960
Charles Trefusis, 21st Baron Clinton.

610

00:40:39,720 --> 00:40:43,440
This suggests that the recessive gene
responsible for their condition

611

00:40:43,520 --> 00:40:45,760
lies with the Clinton family.

612

00:40:46,880 --> 00:40:49,400
So, how did it get
to the Bowes-Lyon family?

613

00:40:49,480 --> 00:40:51,480
Through your aunt Fenella,

614

00:40:52,320 --> 00:40:53,560
born Clinton,

615

00:40:54,520 --> 00:40:56,920
who married John Bowes-Lyon.

616

00:40:57,000 --> 00:40:57,840
Uncle Jock.

617

00:40:57,920 --> 00:41:01,680
What your cousins suffer from
is a severe developmental disorder.

618

00:41:02,800 --> 00:41:05,360
And whatever issues
you may or may not be facing,

619

00:41:05,440 --> 00:41:07,400
that's not the same thing at all.

620

00:41:07,480 --> 00:41:09,040
It hasn't somehow passed...

621

00:41:10,000 --> 00:41:11,520
to my mother, Queen Elizabeth?

622

00:41:12,160 --> 00:41:13,000
No.

623

00:41:14,040 --> 00:41:18,760
But then, if they didn't threaten
the integrity of the royal family,

624

00:41:18,840 --> 00:41:21,560
the girls need never
have been hidden away.
