1
00:00:17,080 --> 00:00:19,120
[birds chirping]

2
00:00:21,000 --> 00:00:23,000
[clock ticking]

3
00:00:26,280 --> 00:00:27,440
[man grunts softly]

4
00:00:32,360 --> 00:00:34,000
[bottles rattling]

5
00:00:45,320 --> 00:00:46,440
[door shuts]

6
00:00:48,440 --> 00:00:49,920
[dog barks, whimpers]

7
00:00:55,520 --> 00:00:56,720
[man on radio] ...of his party.

8
00:00:56,800 --> 00:00:59,920
Mr. Heseltine says Britain
should reach for the levers of power

9
00:01:00,000 --> 00:01:02,280
if only to prevent
others pulling them first.

10
00:01:02,840 --> 00:01:06,680
One dead in an Ulster gun battle
between soldiers and terrorists.

11
00:01:07,240 --> 00:01:10,480
Police make arrests over ballot rigging
in the transport union.

12
00:01:11,000 --> 00:01:13,160
Confusion over plastic clingfilm..

13
00:01:13,240 --> 00:01:14,120

Thank you, dear.

14

00:01:14,200 --> 00:01:16,960
...government's cancer warning.
And animals to the slaughter.

15

00:01:17,040 --> 00:01:20,760
How the RSPCA hopes
to stop live animal exports.

16

00:01:21,600 --> 00:01:24,880
Michael Heseltine was speaking
to a conference in Hamburg.

17

00:01:25,560 --> 00:01:27,680
Mr. Heseltine is now
on his way back to London

18

00:01:27,760 --> 00:01:29,480
to be in the Commons this afternoon.

19

00:01:29,560 --> 00:01:32,640
There, Sir Geoffrey Howe
is expected to spell out in detail

20

00:01:32,720 --> 00:01:34,600
the reasons for his resignation.

21

00:01:34,680 --> 00:01:37,120
Is there anything
Sir Geoffrey is likely to say

22

00:01:37,200 --> 00:01:40,640
that could influence Mr. Heseltine
on whether to throw his hat in the ring?

23

00:01:40,720 --> 00:01:43,320
[man 2] Well,
Sir Geoffrey is an extremely cautious man.

24

00:01:43,400 --> 00:01:46,760
I suspect
that his speech will be carefully written,

25

00:01:46,840 --> 00:01:50,080
and I just wonder
whether it will be sufficiently in code

26

00:01:50,160 --> 00:01:52,320
not really to damage the prime minister.

27

00:01:52,400 --> 00:01:56,560
Sir Geoffrey has very deep personal
and ideological differences

28

00:01:56,640 --> 00:01:59,160
with the prime minister.
I think he will spell them out,

29

00:01:59,240 --> 00:02:02,360
but whether he will spell them out
in clear, set terms

30

00:02:02,440 --> 00:02:04,520
that amount to an assault
on her leadership,

31

00:02:04,600 --> 00:02:06,480
I think we have to wait and see for that.

32

00:02:06,560 --> 00:02:10,200
[Speaker] I remind the House
that a resignation statement

33

00:02:10,280 --> 00:02:13,680
is heard in silence
and without interruption.

34

00:02:14,240 --> 00:02:15,640
Sir Geoffrey Howe.

35

00:02:16,440 --> 00:02:19,040
[MPs] Hear, hear.

36

00:02:21,160 --> 00:02:22,200

Mr. Speaker, sir,

37

00:02:22,880 --> 00:02:27,040
"I find, to my astonishment,
that a quarter of a century has passed

38

00:02:27,120 --> 00:02:29,960
since I last spoke
from one of these backbenches."

39

00:02:30,040 --> 00:02:30,960
[murmuring]

40

00:02:31,040 --> 00:02:34,240
"Mr. Speaker, I believe
that both the chancellor and the governor

41

00:02:34,320 --> 00:02:36,200
are cricketing enthusiasts."

42

00:02:36,760 --> 00:02:39,680
"So I hope that there is
no monopoly of cricketing metaphors."

43

00:02:40,160 --> 00:02:42,800
"Increasingly,
those of us close to the prime minister

44

00:02:42,880 --> 00:02:45,400
feel like opening batsmen
being sent to the crease,

45

00:02:45,480 --> 00:02:48,120
only to find
the moment the first balls are bowled

46

00:02:48,640 --> 00:02:52,600
that our bats have been broken
before the game by the team captain."

47

00:02:52,680 --> 00:02:54,640
[laughter]

48

00:02:54,720 --> 00:02:55,680
[tapping]

49

00:02:55,760 --> 00:02:56,880
[Speaker] Order!

50

00:02:57,840 --> 00:02:58,680
Order.

51

00:02:59,840 --> 00:03:01,960
"The point... The point, Mr. Speaker,

52

00:03:02,040 --> 00:03:05,120
was perhaps more sharply put
by a British businessman,

53

00:03:05,200 --> 00:03:08,760
trading in Brussels and elsewhere,
who wrote to me last week."

54

00:03:09,840 --> 00:03:12,120
'People throughout Europe,' he said,

55

00:03:12,200 --> 00:03:15,040
'see our prime minister's finger-wagging

56

00:03:15,120 --> 00:03:20,320
and hear her passionate 'No, no, no'

57

00:03:21,120 --> 00:03:25,560
much more clearly than the content
of the carefully worded formal texts.'" "

58

00:03:26,160 --> 00:03:27,840
"'It is too easy,' he went on,

59

00:03:27,920 --> 00:03:30,920
'for them to believe
that we all share her attitudes.'" "

60

00:03:31,000 --> 00:03:32,760

"'For why else,' he asked,

61

00:03:32,840 --> 00:03:36,080
'has she been our prime minister
for so long?'"

62

00:03:36,160 --> 00:03:37,880
[murmuring]

63

00:03:37,960 --> 00:03:40,160
[Howe] "'This is,'
my correspondent concluded,

64

00:03:40,240 --> 00:03:43,360
'a desperately serious situation
for our country.'"

65

00:03:44,200 --> 00:03:47,200
And sadly, Mr. Speaker, I have to agree.

66

00:03:48,280 --> 00:03:50,000
"The conflict of loyalty,

67

00:03:50,840 --> 00:03:53,960
of loyalty to my right honorable friend
the prime minister,

68

00:03:54,560 --> 00:03:57,480
and, after all, in two decades together,

69

00:03:58,080 --> 00:04:01,600
that instinct of loyalty
is still very real...

70

00:04:02,560 --> 00:04:06,360
and of loyalty to what I perceive to be
the true interests of the nation,

71

00:04:06,880 --> 00:04:10,680
that conflict of loyalty
has become all too great."

72

00:04:11,800 --> 00:04:13,360
"I no longer believe it possible

73

00:04:13,440 --> 00:04:16,480
to resolve that conflict
from within this government."

74

00:04:16,560 --> 00:04:18,320
"That is why I have resigned."

75

00:04:18,960 --> 00:04:21,560
"In doing so,
I have done what I believe to be right

76

00:04:21,640 --> 00:04:23,840
for my party and my country."

77

00:04:24,880 --> 00:04:28,320
"The time has come for others
to consider their own response

78

00:04:28,400 --> 00:04:30,560
to the tragic conflict of loyalties

79

00:04:31,120 --> 00:04:34,960
with which I have myself wrestled...
for perhaps too long."

80

00:04:35,600 --> 00:04:37,880
[MPs, scattered] Hear, hear.

81

00:04:38,760 --> 00:04:39,600
Lilibet?

82

00:04:43,560 --> 00:04:45,560
[vacuum whirring]

83

00:04:49,520 --> 00:04:52,520
-Uh, the Queen?
-In the drawing room, Your Royal Highness.

84

00:04:52,600 --> 00:04:53,440

Right.

85

00:04:54,440 --> 00:04:57,640
She has resumed
her affair with Major Hewitt

86

00:04:57,720 --> 00:05:02,160
with flagrant disregard for the agreement
we made in our meeting with you.

87

00:05:02,800 --> 00:05:05,800
A meeting in which it is now clear
she brazenly lied to your face.

88

00:05:08,360 --> 00:05:09,480
So I hope you agree

89

00:05:09,560 --> 00:05:12,120
it leaves me no option
but to start a formal separation.

90

00:05:12,200 --> 00:05:13,200
Oh, Charles!

91

00:05:13,280 --> 00:05:15,520
I'm wretchedly unhappy,
yet there is someone else out there

92

00:05:15,600 --> 00:05:17,280
who would make me perfectly happy.

93

00:05:17,360 --> 00:05:19,160
-Quick, switch on the television.
-Why?

94

00:05:19,760 --> 00:05:21,240
It's the Ides of March.

95

00:05:21,320 --> 00:05:25,080
It's Julius Caesar,
or should I say Julia Caesar?

96

00:05:25,160 --> 00:05:27,360
We're in the middle
of an important conversation.

97
00:05:27,440 --> 00:05:29,040
-Shh.
-[man] ...her style of government.

98
00:05:29,120 --> 00:05:33,840
He says her nightmare image of Europe
risks the future of the nation.

99
00:05:33,920 --> 00:05:35,720
Can Sir Geoffrey's peroration,

100
00:05:35,800 --> 00:05:39,160
where he said the time has come
for others to consider their response,

101
00:05:39,240 --> 00:05:43,160
be read in any other way
than a clear invitation to open a contest

102
00:05:43,240 --> 00:05:44,120
for the leadership?

103
00:05:44,200 --> 00:05:47,440
[man 2] That is one of the implications.
Some people would go further than that.

104
00:05:47,520 --> 00:05:50,480
They would say he is urging people
to vote against Mrs. Thatcher...

105
00:05:50,560 --> 00:05:52,600
[woman] ...Thatcher is facing
the most serious threat

106
00:05:52,680 --> 00:05:53,800
to her 11 years in power...

107
00:05:53,880 --> 00:05:55,160
[man 3] ...first time in 15 years...

108
00:05:55,240 --> 00:05:57,880
[man 4] Geoffrey Howe,
Mrs. Thatcher's longest-serving colleague

109
00:05:57,960 --> 00:06:01,520
throughout her years in power,
turned on her in the Commons today

110
00:06:01,600 --> 00:06:04,440
and accused her
of risking the nation's future.

111
00:06:04,520 --> 00:06:06,760
-[phone ringing]
-He was explaining for the first time

112
00:06:06,840 --> 00:06:09,840
why he resigned as deputy prime minister
12 days ago.

113
00:06:09,920 --> 00:06:12,280
[man 5] ...refusal to keep in step
with the European community.

114
00:06:12,360 --> 00:06:14,120
[man 4] ...a coded diplomatic speech.

115
00:06:14,200 --> 00:06:16,720
Instead,
years of resentment and frustration

116
00:06:16,800 --> 00:06:19,640
were compressed
into a bitter attack on Mrs. Thatcher

117
00:06:19,720 --> 00:06:21,400
and her attitude to Europe.

118
00:06:21,480 --> 00:06:23,120
He called on Conservative MPs

119

00:06:23,200 --> 00:06:26,360
to consider what he described
as their conflict of loyalties...

120

00:06:26,440 --> 00:06:28,400
[man 6] Howe delivered
a stinging indictment...

121

00:06:28,480 --> 00:06:31,200
[man 2] There is great bitterness
on the prime minister's side,

122

00:06:31,280 --> 00:06:35,080
and they hope there will be some reaction
in her favor. It's down to Conservative...

123

00:06:35,160 --> 00:06:37,480
[man 7] Prime Minister Margaret Thatcher
faces a challenge

124

00:06:37,560 --> 00:06:39,040
that could cost her her job.

125

00:06:39,120 --> 00:06:42,320
[man 8] ...MPs, ministers, and peers
are still trying to assess

126

00:06:42,400 --> 00:06:45,280
what one described
as an incitement to mutiny

127

00:06:45,360 --> 00:06:48,000
and another said was an act of treachery.

128

00:06:48,080 --> 00:06:50,080
[stifling sobs]

129

00:06:56,200 --> 00:06:58,200
[theme music plays]

130

00:08:07,000 --> 00:08:09,040
[somber music playing]

131
00:08:12,000 --> 00:08:14,000
[turn signal blinking]

132
00:08:50,480 --> 00:08:51,640
[car door shuts]

133
00:08:52,200 --> 00:08:53,680
[engine turns over]

134
00:09:13,000 --> 00:09:14,440
[whistle blows]

135
00:09:14,520 --> 00:09:15,680
[overlapping grunts]

136
00:09:16,760 --> 00:09:17,720
[boy] William!

137
00:09:18,920 --> 00:09:19,760
Run!

138
00:09:19,840 --> 00:09:21,800
Oh, Ivo's got it! Ivo's got it!

139
00:09:21,880 --> 00:09:23,560
Go, Ivo! Go, Ivo!

140
00:09:23,640 --> 00:09:24,520
-Ivo!
-Move it!

141
00:09:26,560 --> 00:09:27,960
-Yes, well done!
-[whistle blows]

142
00:09:28,040 --> 00:09:29,000
Yes, well done!

143
00:09:30,760 --> 00:09:31,880
Well done, Ivo!

144
00:09:31,960 --> 00:09:34,240
Oh, he's brilliant, isn't he? Yes!

145
00:09:34,320 --> 00:09:35,840
[cheering]

146
00:09:36,440 --> 00:09:38,120
Did you see that? Yes!

147
00:09:38,200 --> 00:09:39,600
Well done, boys!

148
00:09:39,680 --> 00:09:42,800
Bye, my darling.
Not long until the holidays.

149
00:09:42,880 --> 00:09:43,840
Hmm?

150
00:09:44,840 --> 00:09:46,760
-Love you.
-[camera shutters clicking]

151
00:09:49,480 --> 00:09:50,960
-Well done today.
-Thank you.

152
00:09:51,040 --> 00:09:52,480
And we'll see you at Christmas.

153
00:09:53,480 --> 00:09:54,320
Goodbye.

154
00:09:56,920 --> 00:09:57,760
Take care.

155
00:10:01,840 --> 00:10:02,760
[car doors shut]

156
00:10:15,120 --> 00:10:16,120
Is that it?

157

00:10:16,680 --> 00:10:18,760
We're not going to talk again, ever?

158

00:10:18,840 --> 00:10:21,440
Since every time we do talk,
it ends in an argument,

159

00:10:21,520 --> 00:10:23,520
I'd say silence was preferable.

160

00:10:28,760 --> 00:10:31,000
What's this I hear
about a trip to New York?

161

00:10:31,080 --> 00:10:32,960
Oh, don't look so surprised.

162

00:10:33,040 --> 00:10:35,480
The government requested it.
Everyone knows I'm going.

163

00:10:35,560 --> 00:10:37,440
No one knew you were going on your own.

164

00:10:38,000 --> 00:10:41,280
What an ugly, avaricious piece
of self-advancement that is.

165

00:10:41,360 --> 00:10:44,240
[Diana] I'd sooner be doing it
with my husband by my side.

166

00:10:44,320 --> 00:10:45,960
[scoffs] Doing what?

167

00:10:46,800 --> 00:10:49,800
The past few months, you've barely been
in a fit state psychologically

168

00:10:49,880 --> 00:10:52,440
to go to the hairdresser,

much less represent the Crown.

169

00:10:52,520 --> 00:10:56,720

Although I gather you still found time
to see... certain other people.

170

00:11:00,120 --> 00:11:02,720

I think
this conversation's gone as far as it can.

171

00:11:02,800 --> 00:11:05,240

You were the one who insisted on talking.

172

00:11:06,160 --> 00:11:08,440

I always said silence was preferable.

173

00:11:12,560 --> 00:11:14,640

-[man] Mrs. Thatcher?
-[woman] Prime Minister?

174

00:11:15,160 --> 00:11:18,960

[Thatcher] One crisis rising above
all the others today, Your Majesty.

175

00:11:19,040 --> 00:11:19,880

Yes.

176

00:11:19,960 --> 00:11:23,240

An inconvenience
one would dearly like to avoid,

177

00:11:23,320 --> 00:11:27,080

given the significant challenges
this country already faces.

178

00:11:27,920 --> 00:11:30,040

The crisis in the Gulf.

179

00:11:31,160 --> 00:11:32,360

Oh, that crisis?

180

00:11:32,440 --> 00:11:35,280

Well, that is
the predominant challenge facing us.

181

00:11:35,360 --> 00:11:38,360
I thought you might be
referring to matters closer to home.

182

00:11:38,440 --> 00:11:41,080
There are one or two
minor domestic matters,

183

00:11:41,160 --> 00:11:44,520
some changes
to the fishing license conditions,

184

00:11:44,600 --> 00:11:48,400
but nothing I would want
to waste your valuable time with.

185

00:11:48,480 --> 00:11:51,960
You don't think
we should briefly discuss... that speech?

186

00:11:52,040 --> 00:11:53,440
Which speech?

187

00:11:54,440 --> 00:11:56,880
The resignation speech
made by Sir Geoffrey Howe

188

00:11:56,960 --> 00:11:58,280
that's caused such a stir.

189

00:11:58,360 --> 00:12:00,360
Why would we want to discuss that?

190

00:12:00,440 --> 00:12:02,960
Because a great deal of fuss
is being made of it.

191

00:12:03,040 --> 00:12:04,320
[Thatcher] Oh, poor Geoffrey.

192

00:12:04,400 --> 00:12:07,400

I'd offered him
the position of deputy prime minister,

193

00:12:07,480 --> 00:12:10,720

and he seems to have taken it
rather the wrong way.

194

00:12:10,800 --> 00:12:14,560

In the newspapers, his speech is seen
as a direct challenge to your authority.

195

00:12:14,640 --> 00:12:18,560

I think that all depends
on which newspapers you're reading.

196

00:12:18,640 --> 00:12:20,880

Not just newspapers. Television too.

197

00:12:20,960 --> 00:12:21,960

Or watching.

198

00:12:23,000 --> 00:12:25,600

And as sovereign, I must ask you...

199

00:12:26,320 --> 00:12:28,400

do you expect a leadership challenge?

200

00:12:29,440 --> 00:12:32,160

-The prime minister came to see me today.

-[Philip] Ah, yes.

201

00:12:32,680 --> 00:12:34,560

[Elizabeth] To discuss
the crisis in the Gulf.

202

00:12:34,640 --> 00:12:35,480

What?

203

00:12:36,600 --> 00:12:38,920

Not the fact
that she'd just been knifed in the back

204
00:12:39,000 --> 00:12:40,840
by one of her longest-standing allies?

205
00:12:40,920 --> 00:12:42,360
No, I asked her about that.

206
00:12:42,920 --> 00:12:44,480
-Did you really?
-Yes.

207
00:12:45,480 --> 00:12:46,360
You're brave.

208
00:12:46,440 --> 00:12:48,720
-[chuckles softly]
-[Philip] What did she say?

209
00:12:48,800 --> 00:12:50,760
She said the situation was unfortunate...

210
00:12:51,280 --> 00:12:56,240
...but it amounts to little more
than petty rivalries and resentments...

211
00:12:56,320 --> 00:12:57,880
...played out
at the level of the schoolyard.

212
00:12:57,960 --> 00:13:00,840
I shall see them off in no time.

213
00:13:01,440 --> 00:13:06,680
And, really,
we should not dignify an insignificant...

214
00:13:06,760 --> 00:13:10,000
[mockingly] ...internal party squabble
with any more of our precious time.

215
00:13:11,600 --> 00:13:13,280
[silverware clattering]

216

00:13:15,280 --> 00:13:16,880

Well... [scoffs]

217

00:13:18,440 --> 00:13:20,440

[clock ticking]

218

00:13:25,920 --> 00:13:29,600

[man] Sir Geoffrey's attack makes this,
the criticism of Mrs. Thatcher,

219

00:13:29,680 --> 00:13:31,200

much more lethal.

220

00:13:31,280 --> 00:13:33,120

I think she's in deep trouble,

221

00:13:33,200 --> 00:13:37,280

not that she will be beaten
in the first ballot by Michael Heseltine,

222

00:13:37,360 --> 00:13:40,480

but more probably that
there will be enough votes against her

223

00:13:40,560 --> 00:13:44,080

and enough abstentions
to damage her seriously.

224

00:13:44,160 --> 00:13:47,040

One person said to me
that he thought it possible,

225

00:13:47,120 --> 00:13:48,640

if she were badly enough damaged,

226

00:13:48,720 --> 00:13:51,440

that members of the Cabinet
would go to the chief whip

227

00:13:51,520 --> 00:13:53,840

and say that

she ought to consider her future.

228

00:13:53,920 --> 00:13:55,920
It's premature to say that yet,

229

00:13:56,000 --> 00:13:58,920
but undoubtedly
there's a rather stronger tide

230

00:13:59,000 --> 00:14:02,600
running against Mrs. Thatcher tonight
than there has ever been before.

231

00:14:02,680 --> 00:14:03,680
[phone rings]

232

00:14:05,080 --> 00:14:05,920
Powell.

233

00:14:06,840 --> 00:14:07,680
Yes.

234

00:14:08,560 --> 00:14:09,400
Yeah.

235

00:14:11,240 --> 00:14:12,080
I see.

236

00:14:14,080 --> 00:14:15,080
Thank you.

237

00:14:15,680 --> 00:14:16,680
[hangs up receiver]

238

00:14:17,880 --> 00:14:18,760
How many?

239

00:14:19,440 --> 00:14:21,000
-We're four short.
-[Thatcher] Oh.

240

00:14:21,080 --> 00:14:23,400
Not enough to stop it
going to a second ballot.

241
00:14:24,760 --> 00:14:27,960
Oh, it's betrayal of the very worst kind.

242
00:14:29,800 --> 00:14:30,800
[sighs]

243
00:14:30,880 --> 00:14:33,480
They owe their political lives to me.

244
00:14:33,560 --> 00:14:36,120
-It's despicable.
-Oh, those little men!

245
00:14:38,360 --> 00:14:40,960
And you want me
to get on my knees to them?

246
00:14:42,600 --> 00:14:43,440
Never.

247
00:14:47,200 --> 00:14:49,200
Have them brought in to me.

248
00:14:50,760 --> 00:14:52,480
One by one.

249
00:14:53,160 --> 00:14:55,160
[overlapping chatter]

250
00:15:12,320 --> 00:15:16,240
First item on the agenda
is Her Royal Highness's forthcoming...

251
00:15:17,040 --> 00:15:19,200
solo visit to New York.

252
00:15:19,720 --> 00:15:21,440
Looking at the itinerary,

253

00:15:22,000 --> 00:15:25,560
our concern would be
that it seems to be challenging.

254

00:15:26,880 --> 00:15:28,760
Several appointments each day.

255

00:15:28,840 --> 00:15:31,520
-It's just four days, Edward.
-In multiple locations.

256

00:15:32,920 --> 00:15:36,200
We all know the toll
a schedule of engagements can take,

257

00:15:36,280 --> 00:15:41,160
and I'm sure no one here would wish to see
the Princess of Wales overstretched.

258

00:15:41,960 --> 00:15:43,920
Certainly not at a risk to her own health.

259

00:15:44,000 --> 00:15:46,520
The Princess of Wales's health
is exemplary.

260

00:15:46,600 --> 00:15:47,960
Mental health.

261

00:15:50,000 --> 00:15:53,600
Not to mention the amount of time
she'd be separated from her children

262

00:15:54,120 --> 00:15:56,160
and the distress that might cause her.

263

00:15:56,240 --> 00:15:59,800
The Princess of Wales
is well aware of what's required of her

264

00:15:59,880 --> 00:16:02,360

and is very much
looking forward to the trip.

265
00:16:08,320 --> 00:16:10,560
[reporters chattering]

266
00:16:20,400 --> 00:16:23,560
I have only one question.

267
00:16:26,280 --> 00:16:27,760
Will you support me?

268
00:16:29,640 --> 00:16:30,760
Of course.

269
00:16:30,840 --> 00:16:34,120
You will always have
my unconditional support.

270
00:16:34,200 --> 00:16:35,440
I am with you.

271
00:16:35,520 --> 00:16:36,760
You can always count on me.

272
00:16:39,360 --> 00:16:40,280
The problem is...

273
00:16:40,360 --> 00:16:42,600
...the numbers are against you...

274
00:16:42,680 --> 00:16:45,920
[man 4] ...and your inability
to unite the party behind you...

275
00:16:46,000 --> 00:16:46,880
...over Europe...

276
00:16:46,960 --> 00:16:48,040
...over the economy...

277

00:16:48,120 --> 00:16:49,000
...over taxation...

278

00:16:49,080 --> 00:16:52,120
[man 3] Perhaps if your methods
were less confrontational...

279

00:16:52,200 --> 00:16:55,800
...and if you'd consulted with Cabinet
rather than ruling by decree...

280

00:16:55,880 --> 00:16:59,280
...your rejection
of core Conservative values,

281

00:16:59,360 --> 00:17:00,480
of moderation...

282

00:17:00,560 --> 00:17:01,640
...compassion...

283

00:17:01,720 --> 00:17:04,040
...and your total disregard
for the center ground...

284

00:17:04,120 --> 00:17:05,600
[man 6] ...leaves you vulnerable.

285

00:17:06,160 --> 00:17:08,240
[man 3] Exposed. Isolated.

286

00:17:09,520 --> 00:17:11,680
I shall always defend you, Margaret.

287

00:17:11,760 --> 00:17:13,320
Always.

288

00:17:14,160 --> 00:17:15,000
But...

289

00:17:15,080 --> 00:17:16,320
...as your friend...

290
00:17:17,120 --> 00:17:18,400
...as an ally..

291
00:17:18,480 --> 00:17:20,760
...I think I speak for the majority
when I say..

292
00:17:20,840 --> 00:17:24,480
[man 1] ...the time might have come
for some new blood.

293
00:17:26,440 --> 00:17:29,320
[man 2] ...and that it would be
in everyone's best interests

294
00:17:29,400 --> 00:17:32,360
if you were to... stand down.

295
00:17:38,440 --> 00:17:39,600
[door shuts]

296
00:17:48,160 --> 00:17:49,000
Bastards.

297
00:17:51,960 --> 00:17:53,120
The bloody lot of them.

298
00:17:54,360 --> 00:17:55,200
Murderers.

299
00:17:55,960 --> 00:17:57,120
[inhales deeply]

300
00:17:58,760 --> 00:17:59,960
[Denis scoffs]

301
00:18:02,040 --> 00:18:03,000
[Denis snuffles]

302
00:18:03,720 --> 00:18:05,120

So... [clears throat]

303

00:18:05,200 --> 00:18:06,240
...is that it?

304

00:18:07,640 --> 00:18:08,600
Is that the end?

305

00:18:10,040 --> 00:18:10,880
No.

306

00:18:12,720 --> 00:18:14,760
I still have one card to play.

307

00:18:15,840 --> 00:18:18,320
[man on radio]
Britain will send more troops to the Gulf.

308

00:18:18,400 --> 00:18:20,760
The defence secretary Tom King
has said Britain...

309

00:18:20,840 --> 00:18:24,480
[Thatcher] President Bush called
to tell me he thought it barbaric.

310

00:18:25,000 --> 00:18:28,280
Chancellor Kohl said it was inhumane.

311

00:18:28,840 --> 00:18:32,240
Mikhail Gorbachev reminded me
that ten years ago,

312

00:18:32,320 --> 00:18:35,920
it was Britain
holding democratic elections

313

00:18:36,000 --> 00:18:39,280
whilst Russia staged cabinet coups.

314

00:18:39,360 --> 00:18:41,040
Now it's the other way round.

315

00:18:41,120 --> 00:18:43,600
What they all agree on

316

00:18:43,680 --> 00:18:48,960
is that getting rid of me
is an act of national self-harm,

317

00:18:49,040 --> 00:18:51,120
which is why I've come to you, ma'am,

318

00:18:51,200 --> 00:18:55,880
that together we may act
in the national self-interest.

319

00:18:55,960 --> 00:18:57,000
How might I help?

320

00:18:57,760 --> 00:18:59,960
[Thatcher] By dissolving Parliament.

321

00:19:01,800 --> 00:19:02,640
What?

322

00:19:03,200 --> 00:19:05,960
We are on the brink of war.

323

00:19:07,120 --> 00:19:10,280
What kind of signal
does that give to our enemies,

324

00:19:10,360 --> 00:19:11,600
to Saddam,

325

00:19:11,680 --> 00:19:14,720
if we were to change leadership now?

326

00:19:14,800 --> 00:19:18,120
It would make us look
hopelessly weak and divided.

327

00:19:18,200 --> 00:19:19,800
I agree it's not ideal.

328

00:19:20,480 --> 00:19:22,600
Have you consulted Cabinet on this matter?

329

00:19:22,680 --> 00:19:24,560
I have not, ma'am.

330

00:19:24,640 --> 00:19:27,160
Surely that would be
the normal course of action?

331

00:19:27,240 --> 00:19:29,200
With all due respect,

332

00:19:29,280 --> 00:19:32,200
the decision to dissolve Parliament

333

00:19:32,280 --> 00:19:35,600
is in the gift
of the prime minister alone.

334

00:19:36,200 --> 00:19:40,320
It is entirely within my power
to do this if I see fit.

335

00:19:40,400 --> 00:19:41,480
You are correct.

336

00:19:42,400 --> 00:19:45,520
Technically,
it is within your power to request this.

337

00:19:46,480 --> 00:19:48,240
But we must all ask ourselves

338

00:19:48,760 --> 00:19:52,080
when to exercise those things
that are within our power and when not to.

339

00:19:53,320 --> 00:19:56,680

Your first instinct as a person,
I think, is often to act.

340

00:19:57,280 --> 00:19:58,880
To exercise power.

341

00:19:58,960 --> 00:20:01,240
Well,
that is what people want in a leader.

342

00:20:01,800 --> 00:20:05,240
To show conviction and strength.

343

00:20:05,320 --> 00:20:06,600
To lead.

344

00:20:08,920 --> 00:20:10,640
I'm merely asking the question.

345

00:20:11,240 --> 00:20:15,720
Whether it is correct to exercise a power
simply because it is yours to use.

346

00:20:17,200 --> 00:20:19,960
Power is nothing without authority.

347

00:20:20,840 --> 00:20:22,200
And at this moment,

348

00:20:23,320 --> 00:20:24,960
your Cabinet is against you.

349

00:20:25,480 --> 00:20:27,480
Your party is against you.

350

00:20:28,000 --> 00:20:29,640
And if the polls are to be believed,

351

00:20:29,720 --> 00:20:31,800
if you were
to call a general election today,

352

00:20:31,880 --> 00:20:33,000
you would not win.

353

00:20:33,520 --> 00:20:36,320
Which suggests the country is against you.

354

00:20:37,920 --> 00:20:40,000
Perhaps the time has come

355

00:20:40,640 --> 00:20:42,960
for you to try doing nothing for once.

356

00:20:44,880 --> 00:20:46,280
The difference is..

357

00:20:47,880 --> 00:20:49,320
you have power..

358

00:20:50,240 --> 00:20:51,520
in doing nothing.

359

00:20:53,080 --> 00:20:53,920
I..

360

00:20:54,920 --> 00:20:56,320
will have nothing.

361

00:20:58,200 --> 00:20:59,720
You will have your dignity.

362

00:21:00,320 --> 00:21:03,400
There is no dignity in the wilderness.

363

00:21:03,480 --> 00:21:05,720
Then might I suggest
you don't think of it as that.

364

00:21:06,960 --> 00:21:10,160
Think of it as an opportunity
to pursue other passions.

365
00:21:11,560 --> 00:21:13,240
I have other loves.

366
00:21:14,920 --> 00:21:17,440
My husband, my children...

367
00:21:18,720 --> 00:21:23,640
But this job is my only true passion.

368
00:21:25,520 --> 00:21:27,720
And to have it taken from me...

369
00:21:29,120 --> 00:21:32,000
stolen from me so cruelly...

370
00:21:34,520 --> 00:21:36,480
What hurts the most

371
00:21:36,960 --> 00:21:40,320
is that we had come so far.

372
00:21:41,880 --> 00:21:46,240
And now to have
the opportunity to finish the job

373
00:21:46,320 --> 00:21:49,520
snatched away at the very last...

374
00:21:59,240 --> 00:22:01,240
[indistinct announcement]

375
00:22:09,760 --> 00:22:11,240
[Diana yells] I'm in hell!

376
00:22:11,320 --> 00:22:13,160
And he just hates me.

377
00:22:14,040 --> 00:22:15,720
And wants me to fail.

378

00:22:16,880 --> 00:22:18,560
He tells everyone I'm mad.

379

00:22:21,240 --> 00:22:23,080
They treat me like I'm mad.

380

00:22:23,600 --> 00:22:25,720
And I'm starting to feel mad.

381

00:22:26,480 --> 00:22:28,480
Why did I agree to this trip?

382

00:22:29,040 --> 00:22:31,280
I'm going to fall flat on my face.

383

00:22:36,600 --> 00:22:38,600
[engines roaring]

384

00:22:44,120 --> 00:22:46,120
[crowd cheering, chattering]

385

00:22:50,120 --> 00:22:50,960
All right?

386

00:22:51,480 --> 00:22:52,320
I think so.

387

00:22:58,120 --> 00:23:00,360
-[speaks indistinctly]
-Lovely to meet you. Hello.

388

00:23:01,640 --> 00:23:02,680
Lovely to meet you.

389

00:23:03,600 --> 00:23:05,840
[reporter 1] Princess Diana, one quick...

390

00:23:05,920 --> 00:23:07,480
[overlapping chatter]

391

00:23:07,560 --> 00:23:09,560

[reporter 2] Over here, please, Lady Di!

392

00:23:19,960 --> 00:23:23,160
[theme from New York, New York playing]

393

00:23:32,840 --> 00:23:34,840
[chattering]

394

00:24:12,600 --> 00:24:14,000
[music ends]

395

00:24:14,080 --> 00:24:16,520
-[water running]
-[retching, coughing]

396

00:24:18,440 --> 00:24:19,760
[retching continues]

397

00:24:26,200 --> 00:24:28,200
[toilet flushes]

398

00:24:50,560 --> 00:24:52,560
[light traffic noises outside]

399

00:25:07,800 --> 00:25:09,800
-[sirens whooping]
-[horns honking]

400

00:25:14,000 --> 00:25:15,760
[man] I love you, Diana!

401

00:25:15,840 --> 00:25:17,360
[woman] Diana! Diana!

402

00:25:27,520 --> 00:25:30,120
-[hip-hop music playing]
-[cheering]

403

00:25:47,600 --> 00:25:49,600
[crowd cheering]

404

00:26:01,640 --> 00:26:04,360
Thank you so much.
That's so kind. Thank you.

405
00:26:04,440 --> 00:26:05,720
-Your Royal Highness.
-Hello.

406
00:26:07,320 --> 00:26:09,040
We're so thrilled to have you with us.

407
00:26:10,320 --> 00:26:12,160
This is Linda Correa.

408
00:26:12,240 --> 00:26:13,440
Lovely to meet you, miss.

409
00:26:14,120 --> 00:26:16,960
They told us there was a waiting list
for public housing...

410
00:26:17,040 --> 00:26:19,560
[reporter] A modest hospital
on the wrong side of Harlem

411
00:26:19,640 --> 00:26:22,720
very few American politicians
have ever even thought to visit,

412
00:26:22,800 --> 00:26:24,560
but today this is the final stop

413
00:26:24,640 --> 00:26:27,520
on Princess Diana's
whirlwind tour of New York.

414
00:26:32,840 --> 00:26:34,000
Your Royal Highness.

415
00:26:40,720 --> 00:26:44,840
[doctor] We established
the pediatric AIDS unit two years ago

416
00:26:44,920 --> 00:26:48,880
to deal with the rising problem
of infants suffering with the disease.

417
00:26:48,960 --> 00:26:50,960
[babies crying]

418
00:26:58,560 --> 00:26:59,400
Hello.

419
00:27:02,800 --> 00:27:04,720
Many of the children had been abandoned

420
00:27:05,240 --> 00:27:08,000
or have parents who are addicts
or sick with the virus.

421
00:27:08,080 --> 00:27:12,120
They desperately need foster parents,
but people are too afraid to take them.

422
00:27:12,200 --> 00:27:13,160
Why?

423
00:27:14,400 --> 00:27:17,520
Because of the stigma.
The fear of the disease.

424
00:27:26,360 --> 00:27:28,840
[people gasping softly, murmuring]

425
00:27:35,040 --> 00:27:37,360
[reporter] Chants of
"We want the princess" were heard

426
00:27:37,440 --> 00:27:39,400
in New York's Harlem neighborhood today.

427
00:27:39,480 --> 00:27:40,800
A triumphant end to a trip

428

00:27:40,880 --> 00:27:43,440
which has seen the princess fly solo
for the first time,

429

00:27:43,520 --> 00:27:47,200
hitting new heights
without her husband, Prince Charles.

430

00:27:47,280 --> 00:27:50,800
We love her. She's beautiful. She's warm.

431

00:27:50,880 --> 00:27:53,960
She's perfect. They don't want her there,
we would love to have her here.

432

00:27:54,680 --> 00:27:58,360
[woman] The way she hugged that boy
in the hospital nearly broke my heart.

433

00:27:58,440 --> 00:28:00,640
[man 1] Prince Charles is a lucky man.

434

00:28:00,720 --> 00:28:04,080
[man 2] Princess Di, thank you
for bringing love and vitality

435

00:28:04,160 --> 00:28:05,880
-to the Lower East Side!
-[cheering]

436

00:28:05,960 --> 00:28:08,400
She knows how to make people feel good,

437

00:28:08,480 --> 00:28:11,000
and that is a God-given talent.
Am I right?

438

00:28:11,080 --> 00:28:12,120
[woman] Yeah!

439

00:28:12,200 --> 00:28:14,200
[cheers fading out]

440
00:28:14,280 --> 00:28:16,280
[clock ticking]

441
00:28:22,880 --> 00:28:24,880
[thunder rumbling]

442
00:28:26,240 --> 00:28:29,920
[Camilla] If you care about me as much
as you say you do, sir, you will let go

443
00:28:30,000 --> 00:28:32,000
of these ideas
of breaking it off with Diana.

444
00:28:32,880 --> 00:28:33,720
Why?

445
00:28:34,960 --> 00:28:36,720
Don't you want us to be free, to...

446
00:28:37,560 --> 00:28:39,000
live our life in the open?

447
00:28:40,400 --> 00:28:41,280
I do.

448
00:28:41,360 --> 00:28:43,280
[sighs deeply]

449
00:28:45,040 --> 00:28:48,120
But I want to be humiliated
and attacked even less.

450
00:28:49,480 --> 00:28:52,640
That's what'll happen if you put me
in a popularity contest against her.

451
00:28:53,360 --> 00:28:54,240
I will lose.

452
00:28:54,320 --> 00:28:56,080

-Oh...

-[Camilla] I'm an old woman.

453

00:28:56,680 --> 00:28:58,320
I'm a married woman.

454

00:28:58,400 --> 00:29:01,080
Nowhere near as pretty,
nowhere near as radiant.

455

00:29:02,640 --> 00:29:05,120
Someone who looks like me
has no place in a fairy tale.

456

00:29:06,240 --> 00:29:08,360
That's all people want, is a fairy tale.

457

00:29:08,440 --> 00:29:11,080
If they knew the truth
about our feelings for one another,

458

00:29:11,160 --> 00:29:12,440
they'd have their fairy tale.

459

00:29:12,520 --> 00:29:13,360
[Camilla] No!

460

00:29:14,000 --> 00:29:17,440
To be the protagonist of a fairy tale,
you must first be wronged.

461

00:29:18,040 --> 00:29:18,960
A victim.

462

00:29:20,920 --> 00:29:23,320
Which, if we were to become public,
we would make her.

463

00:29:25,160 --> 00:29:27,920
In the narrative laws
of fairy tales versus reality...

464

00:29:28,960 --> 00:29:30,840
the fairy tale always prevails.

465

00:29:32,120 --> 00:29:35,840
She will... always defeat me
in the court of public opinion.

466

00:29:35,920 --> 00:29:37,560
What is all this, my darling?

467

00:29:39,080 --> 00:29:40,640
What's got into you today?

468

00:29:44,800 --> 00:29:46,000
[Camilla] It's reality, sir.

469

00:29:48,440 --> 00:29:50,120
She's the Princess of Wales.

470

00:29:51,360 --> 00:29:54,280
She's a future queen,
the mother to a future king.

471

00:29:56,440 --> 00:29:59,200
-And I'm just--
-My one... true love.

472

00:30:03,960 --> 00:30:04,960
A mistress.

473

00:30:06,240 --> 00:30:10,520
Mistress to the Prince of Wales, just like
my great-grandmother Alice Keppel

474

00:30:10,600 --> 00:30:14,680
was the mistress to the Prince of Wales,
your great-great-grandfather.

475

00:30:14,760 --> 00:30:16,560
And he loved her till the end.

476

00:30:26,400 --> 00:30:27,560

Leave this with me.

477

00:30:34,360 --> 00:30:37,160
[newsman] Number 10 is a house
and a home as well as an office,

478

00:30:37,240 --> 00:30:39,400
and as Margaret Thatcher left it
after so long,

479

00:30:39,480 --> 00:30:40,960
there was applause to be heard,

480

00:30:41,040 --> 00:30:44,160
and, I'm told, a tear or two shed
among the unseen staff.

481

00:30:44,240 --> 00:30:47,200
Mrs. Thatcher's own voice
had an emotional edge to it.

482

00:30:47,280 --> 00:30:49,080
Ladies and gentlemen,

483

00:30:49,640 --> 00:30:54,080
we are leaving Downing Street
for the last time

484

00:30:54,160 --> 00:30:58,680
after 11 and a half wonderful years.

485

00:30:58,760 --> 00:31:01,880
[newswoman] It was the end of an era
dominated by this woman

486

00:31:01,960 --> 00:31:04,600
whose name has become a political byword.

487

00:31:04,680 --> 00:31:06,400
Eleven years of Thatcherism.

488

00:31:06,920 --> 00:31:09,480

[newsman]
She recovered quickly for one last wave.

489

00:31:11,280 --> 00:31:13,760

But then
the Iron Lady's composure almost broke.

490

00:31:13,840 --> 00:31:16,080

Watch her face as she reaches her car.

491

00:31:23,960 --> 00:31:27,800

Friends say that she is deeply shocked
by the seeming injustice of it all.

492

00:31:27,920 --> 00:31:29,160

Three election victories

493

00:31:29,240 --> 00:31:32,360

and a clear, though insufficient,
majority in the first ballot

494

00:31:32,440 --> 00:31:34,800

rewarded, as she sees it, with the sack.

495

00:31:34,880 --> 00:31:38,240

Mrs. Thatcher, of course,
has a new home now in Dulwich...

496

00:31:38,320 --> 00:31:40,320

Martin? Could you ask the prime--

497

00:31:40,400 --> 00:31:43,000

Could you ask Mrs. Thatcher
to come and see me?

498

00:32:05,000 --> 00:32:06,600

When I ascended the throne...

499

00:32:07,720 --> 00:32:08,800

I was just a girl.

500

00:32:09,480 --> 00:32:10,880

Twenty-five years old.

501

00:32:12,000 --> 00:32:13,160
And I was surrounded

502

00:32:13,240 --> 00:32:16,320
by stuffy, rather patronizing
gray-haired men everywhere

503

00:32:16,400 --> 00:32:17,760
telling me what to do.

504

00:32:19,680 --> 00:32:20,960
And I wanted to say...

505

00:32:22,440 --> 00:32:26,880
the way you dealt with all your stuffy,
rather patronizing gray-haired men

506

00:32:26,960 --> 00:32:28,680
throughout your time in office

507

00:32:29,200 --> 00:32:30,320
and saw them all off...

508

00:32:30,400 --> 00:32:32,240
Well, they've had their revenge now.

509

00:32:35,120 --> 00:32:38,920
I was shocked by the way
in which you were forced to leave office.

510

00:32:40,400 --> 00:32:42,440
And I wanted to offer my sympathy.

511

00:32:43,680 --> 00:32:45,840
Not just as Queen to prime minister...

512

00:32:47,560 --> 00:32:48,680
but woman to woman.

513

00:32:50,600 --> 00:32:52,200
Throughout the time we worked together,

514

00:32:52,280 --> 00:32:55,000
people tended to focus
on our many differences.

515

00:32:57,320 --> 00:33:00,200
Which was lazy and misleading, I think.

516

00:33:01,560 --> 00:33:04,200
And overlooked the many things
we do have in common.

517

00:33:05,560 --> 00:33:06,560
Our generation.

518

00:33:07,760 --> 00:33:08,840
Our Christianity.

519

00:33:09,360 --> 00:33:10,520

[chuckles softly]

690

00:45:24,800 --> 00:45:27,160
I, uh, I came to see if you're all right.

691

00:45:32,320 --> 00:45:35,760
Do you know, I... I don't think
I've ever seen inside this room.

692

00:45:37,080 --> 00:45:38,280
[both chuckle softly]

693

00:45:40,280 --> 00:45:42,200
We can be a rough bunch in this family.

694

00:45:44,880 --> 00:45:46,400
And I'm sure, on occasion,

695

00:45:47,160 --> 00:45:49,120
to a sensitive creature like you,

696

00:45:49,200 --> 00:45:50,280

it must feel like..

697

00:45:51,760 --> 00:45:54,720
Well, let me ask. What does it feel like?

698

00:45:57,520 --> 00:45:59,720
A cold, frozen tundra.

699

00:46:01,240 --> 00:46:02,120
Right.

700

00:46:03,680 --> 00:46:04,640
Like that, then.

701

00:46:05,200 --> 00:46:07,440
An icy, dark,

702

00:46:08,280 --> 00:46:09,880
loveless cave..

703

00:46:13,280 --> 00:46:14,280
with no light..

704

00:46:15,520 --> 00:46:17,800
no hope.. anywhere.

705

00:46:18,720 --> 00:46:20,400
Not even the faintest crack.

706

00:46:21,120 --> 00:46:21,960
I see.

707

00:46:25,840 --> 00:46:27,120
He will come around.

708

00:46:28,800 --> 00:46:29,640
He will.

709

00:46:30,440 --> 00:46:31,360
Eventually.

710
00:46:32,640 --> 00:46:33,960
When he realizes that...

711
00:46:35,280 --> 00:46:36,960
he can never have the other one.

712
00:46:43,800 --> 00:46:47,240
Would it help you to realize
we all think he's quite mad?

713
00:46:47,840 --> 00:46:50,520
-[chuckles softly]
-That might have reassured me once.

714
00:46:50,600 --> 00:46:52,840
But I worry we're past that point now.

715
00:46:53,640 --> 00:46:54,480
Sir.

716
00:46:57,000 --> 00:46:57,880
And if he...

717
00:46:58,880 --> 00:47:03,560
If this family can't give me the love
and security that I feel I deserve,

718
00:47:03,640 --> 00:47:05,080
then I believe I have no option

719
00:47:05,160 --> 00:47:08,920
but to break away, officially...
and find it myself.

720
00:47:09,000 --> 00:47:11,040
-I wouldn't do that if I were you.
-Why not?

721
00:47:11,120 --> 00:47:14,320
Let's just say
I can't see it ending well for you.

722

00:47:14,400 --> 00:47:16,520
[footsteps approaching]

723

00:47:16,600 --> 00:47:18,600
I hope that isn't a threat, sir.

724

00:47:18,680 --> 00:47:21,160
-[knocking]
-No, not now. Out!

725

00:47:24,080 --> 00:47:25,000
[door shuts]

726

00:47:33,600 --> 00:47:36,600
Although we are both outsiders
who married in,

727

00:47:37,440 --> 00:47:39,320
you and I are quite different.

728

00:47:41,000 --> 00:47:41,840
Yes.

729

00:47:43,560 --> 00:47:44,720
I can see that now.

730

00:47:49,600 --> 00:47:51,280
You're right to call me an outsider.

731

00:47:53,320 --> 00:47:55,760
I was an outsider the day that I met the...

732

00:47:57,320 --> 00:48:00,760
the 13-year-old princess
who would one day become my wife.

733

00:48:03,960 --> 00:48:05,520
And after all these years...

734

00:48:07,720 --> 00:48:08,720
I still am.

735
00:48:10,520 --> 00:48:11,520
We all are.

736
00:48:13,760 --> 00:48:14,840
Everyone...

737
00:48:14,920 --> 00:48:16,080
in this system...

738
00:48:17,280 --> 00:48:18,120
is a lost...

739
00:48:18,720 --> 00:48:19,560
lonely...

740
00:48:20,560 --> 00:48:22,840
irrelevant outsider...

741
00:48:23,760 --> 00:48:25,960
apart from the one person,

742
00:48:26,840 --> 00:48:28,440
the only person,

743
00:48:29,120 --> 00:48:30,080
that matters.

744
00:48:33,760 --> 00:48:35,920
She is the oxygen we all breathe.

745
00:48:37,080 --> 00:48:39,200
The essence of all our duty.

746
00:48:41,800 --> 00:48:43,440
Your problem, if I may say...

747
00:48:44,440 --> 00:48:47,560
is you seem to be confused
about who that person is.

748
00:48:52,160 --> 00:48:53,240
[knocking at door]

749
00:48:54,520 --> 00:48:55,360
Come!

750
00:48:58,160 --> 00:49:02,000
Just to say, Your Royal Highnesses,
the photographer is ready.

751
00:49:02,080 --> 00:49:03,080
[Philip] Thank you.

752
00:49:05,560 --> 00:49:06,720
[Philip clears throat]

753
00:50:06,160 --> 00:50:08,640
[children chattering in distance]

754
00:50:14,000 --> 00:50:16,760
Everyone,
we're going to do the photograph.

755
00:50:19,920 --> 00:50:22,640
Don't you think the Queen
would be best suited in the middle?

756
00:50:22,720 --> 00:50:24,120
[Anne] Charles is pushing in.

757
00:50:25,280 --> 00:50:26,360
You stay outside.

758
00:50:26,440 --> 00:50:27,840
No squabbling, please.

759
00:50:29,920 --> 00:50:32,120
[Charles] Quiet. Quiet.

760
00:50:32,200 --> 00:50:33,880
-Ah, yes.

-[Anne laughing]

761

00:50:33,960 --> 00:50:36,200

[photographer]

The merriest of Christmas smiles!

762

00:50:36,280 --> 00:50:37,160

[Philip] Yes.

763

00:50:37,240 --> 00:50:38,760

[photographer] Three, two, one...

764

00:50:38,840 --> 00:50:40,040

[camera clicks, whirs]

765

00:50:40,120 --> 00:50:41,600

Done. Did anyone blink?

766

00:50:41,680 --> 00:50:42,560

[chuckling]

767

00:50:42,640 --> 00:50:44,640

[indistinct chatter continues]

768

00:50:47,880 --> 00:50:50,800

[choir singing

"Stille Nacht, Heilige Nacht"]

769

00:50:53,680 --> 00:50:55,680

[camera clicks, whirs]

770

00:51:12,160 --> 00:51:16,240

["Stille Nacht, Heilige Nacht" continues]
