1
00:00:12 --> 00:00:14
[chickens clucking]

2
00:00:15 --> 00:00:16
[door opens]

3
00:00:18 --> 00:00:19
[Yennefer gasps]

4
00:00:20 --> 00:00:21
Geralt!

5
00:00:23 --> 00:00:25
-[sighs]
-I was only at the market, Yen.

6
00:00:26 --> 00:00:28
I made more than a few pennies
thanks to your garden.

7
00:00:30 --> 00:00:31
[chuckles]

8
00:00:33 --> 00:00:35
I can't wait to grow old together.

9
00:00:36 --> 00:00:38
You, me, and her.

10
00:00:39 --> 00:00:40
The family we always dreamed of.

11
00:00:41 --> 00:00:42
[gasps]

12
00:00:44 --> 00:00:46
[voice whispering] That's a... very...

13
00:00:46 --> 00:00:47

pretty dream.

14

00:00:48 --> 00:00:49
[voice fading] Pretty dream...

15

00:00:51 --> 00:00:53
[baby crying]

16

00:00:57 --> 00:00:58
[baby screaming]

17

00:00:59 --> 00:00:59
Geralt!

18

00:01:00 --> 00:01:01
[baby screaming]

19

00:01:07 --> 00:01:09
Give her to me.

20

00:01:09 --> 00:01:10
[crying]

21

00:01:10 --> 00:01:11
She's ours.

22

00:01:15 --> 00:01:17
-[horse neighing]
-[wheels rumbling]

23

00:01:26 --> 00:01:28
-Fuck.
-[shivering]

24

00:01:33 --> 00:01:35
[Fringilla murmurs] I don't want you...
[gasping]

25

00:01:37 --> 00:01:38
[horse neighs]

26
00:01:40 --> 00:01:43
[gasping] I said don't touch me.

27
00:01:43 --> 00:01:45
-Wake up.
-[yelps]

28
00:01:45 --> 00:01:46
Don't touch me!

29
00:01:46 --> 00:01:48
[gasping]

30
00:01:50 --> 00:01:52
[horse neighs]

31
00:01:55 --> 00:01:56
We're moving away from Cintra.

32
00:01:58 --> 00:01:59
Fuck.

33
00:02:00 --> 00:02:01
Finally, an honest response.

34
00:02:03 --> 00:02:06
-Ow!
-We're stuck here together.

35
00:02:07 --> 00:02:10
Who knows,
maybe we'll be friends yet again.

36
00:02:11 --> 00:02:12
We'll be saved.

37
00:02:13 --> 00:02:15
I have faith.

38

00:02:15 --> 00:02:17
Forget faith. We've got power.

39

00:02:17 --> 00:02:19
[horse neighs]

40

00:02:20 --> 00:02:21
[wheels stop]

41

00:02:21 --> 00:02:22
[bolts rattling]

42

00:02:26 --> 00:02:27
Keep them close.

43

00:02:35 --> 00:02:37
Where are you taking us?

44

00:02:38 --> 00:02:40
I'm a citizen of Nilfgaard.

45

00:02:40 --> 00:02:42
The soldiers you killed
were also Nilfgaardians.

46

00:02:42 --> 00:02:43
Istredd spoke of these.

47

00:02:46 --> 00:02:48
They look like Aretuza.

48

00:02:49 --> 00:02:52
Built by elves to honor the prophets.

49

00:02:54 --> 00:02:56
You set fire to them in the early wars.

50

00:02:56 --> 00:02:59
Better lost to history than humans.

51
00:03:06 --> 00:03:08
[Yennefer] I've never seen so many elves.

52
00:03:08 --> 00:03:09
[Filavandrel] I need to see her.

53
00:03:11 --> 00:03:13
I come bearing gifts.

54
00:03:15 --> 00:03:16
[Fringilla] What is this place?

55
00:03:16 --> 00:03:18
You keep behind me.

56
00:03:18 --> 00:03:20
You keep your mouths shut.

57
00:03:35 --> 00:03:36
[chains rattle]

58
00:03:38 --> 00:03:42
Nilfgaard's fight is with
the Northern Kingdoms, not with the elves.

59
00:03:45 --> 00:03:46
Set us free,

60
00:03:47 --> 00:03:48
-and we promise to grant you s--
-[whoosh]

61
00:03:56 --> 00:03:58
[in Elder] You said gifts.

62
00:03:58 --> 00:04:00
Hostages. Humans--

63

00:04:00 --> 00:04:04
You should have hung their corpses nearby.

64
00:04:04 --> 00:04:06
They can be of use.

65
00:04:07 --> 00:04:08
These are human forests.

66
00:04:08 --> 00:04:10
They're our forests.

67
00:04:11 --> 00:04:13
This one was in dimeritium?

68
00:04:13 --> 00:04:15
This one was a captive of Nilfgaard.

69
00:04:16 --> 00:04:17
I'm also an elf.

70
00:04:18 --> 00:04:20
[in Elder] Is this how you treat your own?

71
00:04:22 --> 00:04:24
Do you sing our songs?

72
00:04:25 --> 00:04:27
Do you honor our elders?

73
00:04:29 --> 00:04:32
Have you ever shed a tear
over anything elven?

74
00:04:34 --> 00:04:36
You are no elf.

75
00:04:39 --> 00:04:42
-String them up.
-We've been digging here for weeks.

76

00:04:42 --> 00:04:44
Every day increases
the risk of being found.

77

00:04:44 --> 00:04:47
You don't lead our people any more,
Filavandrel.

78

00:04:48 --> 00:04:50
Or has the White Robed One
visited your dreams too?

79

00:04:54 --> 00:04:56
I'm doing everything I can
to keep you safe.

80

00:05:00 --> 00:05:02
Once we find what we're looking for,

81

00:05:02 --> 00:05:06
we ship their heads back to Aretuza
as a reminder of elven glory.

82

00:05:18 --> 00:05:20
[wind whistling]

83

00:05:33 --> 00:05:34
[Roach snorts]

84

00:05:34 --> 00:05:35
We're nearly there.

85

00:06:13 --> 00:06:15
[Ciri] This is your home?

86

00:06:18 --> 00:06:20
How many did you say there were?

87

00:06:20 --> 00:06:21

I didn't.

88

00:06:28 --> 00:06:29
Last I checked...

89

00:06:30 --> 00:06:31
we were 20.

90

00:06:32 --> 00:06:33
Now?

91

00:06:34 --> 00:06:35
Maybe less.

92

00:06:41 --> 00:06:43
You sure we're safe here?

93

00:06:44 --> 00:06:45
[Geralt] Keep up.

94

00:06:49 --> 00:06:51
[murmur of voices]

95

00:06:52 --> 00:06:53
[laughter]

96

00:06:56 --> 00:06:58
-Lambchop.
-[door slams]

97

00:06:58 --> 00:06:59
[man] Here comes trouble!

98

00:07:13 --> 00:07:16
Where the fuck have you been?

99

00:07:16 --> 00:07:17
We thought you got lost.

100

00:07:17 --> 00:07:18
Or killed.

101
00:07:19 --> 00:07:21
-Not yet.
-[man chuckles]

102
00:07:21 --> 00:07:22
Sorry.

103
00:07:23 --> 00:07:25
[laughs]

104
00:07:25 --> 00:07:27
-Brother!
-So!

105
00:07:27 --> 00:07:28
-He returns.
-Come here!

106
00:07:29 --> 00:07:31
-Knew you'd make a fuckin' entrance.
-He's back.

107
00:07:31 --> 00:07:32
-Finally, brother.
-I knew it.

108
00:07:33 --> 00:07:35
Wolf. You're home.

109
00:07:36 --> 00:07:37
Finally.

110
00:07:37 --> 00:07:39
-[Geralt] Vesemir.
-Huh?

111
00:07:40 --> 00:07:40
Yeah.

112
00:07:43 --> 00:07:44
I had to make a few stops.

113
00:07:45 --> 00:07:46
Hmm.

114
00:07:50 --> 00:07:51
[man] He's home!

115
00:07:52 --> 00:07:53
Brother!

116
00:07:53 --> 00:07:56
-[laughter]
-There's the man!

117
00:07:59 --> 00:08:05
So, there I am, freezing my bollocks off
in the middle of a grain field

118
00:08:05 --> 00:08:07
for the second straight night,

119
00:08:07 --> 00:08:13
when the farmer's wife comes sneaking out
to tell me that I'm wasting my time.

120
00:08:14 --> 00:08:18
It wasn't a mora
her husband saw leaving that room.

121
00:08:18 --> 00:08:19
No.

122
00:08:20 --> 00:08:22
It was the fucking field hand!

123
00:08:22 --> 00:08:24
[laughter]

124

00:08:25 --> 00:08:28
Oh, and now she's wailing,
"Oh, what are we gonna do?"

125

00:08:28 --> 00:08:32
"My husband won't pay you
if you don't deliver a mora head!"

126

00:08:32 --> 00:08:33
[chuckles]

127

00:08:33 --> 00:08:35
So I pulled out my sword and I said..

128

00:08:37 --> 00:08:40
"Bet he'll pay double
for the field hand's."

129

00:08:40 --> 00:08:41
[laughter]

130

00:08:42 --> 00:08:43
Good old Lambchop.

131

00:08:44 --> 00:08:46
She returned
with two horses and a fur rug.

132

00:08:46 --> 00:08:49
Best job I had all year. [chuckles]

133

00:08:49 --> 00:08:52
Each of your faces
is cause enough for celebration.

134

00:08:54 --> 00:08:58
You're safe. You made it back.
You made it home.

135

00:08:58 --> 00:08:59

-Aye.

-Hear, hear!

136

00:09:00 --> 00:09:02

Here's to another winter, together.

137

00:09:02 --> 00:09:03

Yeah.

138

00:09:03 --> 00:09:04

-Well said.

-Aye.

139

00:09:04 --> 00:09:06

To breath in our lungs.

140

00:09:06 --> 00:09:07

Hear, hear!

141

00:09:07 --> 00:09:08

To the brothers.

142

00:09:08 --> 00:09:09

[men] The brothers.

143

00:09:09 --> 00:09:11

To forgetting the fucking Path!

144

00:09:12 --> 00:09:15

For one fucking night.

145

00:09:16 --> 00:09:17

-Who's ready?

-[all] Eskel!

146

00:09:18 --> 00:09:19

-[laughter]

-Eskel's back!

147

00:09:20 --> 00:09:23
Are you all right?
You look like day-old shit.

148
00:09:26 --> 00:09:27
You should see the other guy.

149
00:09:28 --> 00:09:29
Hmm.

150
00:09:31 --> 00:09:33
The bout lasted six hours.

151
00:09:34 --> 00:09:36
I'd have got the fucker, too,

152
00:09:37 --> 00:09:38
if hadn't lost my elixirs.

153
00:09:38 --> 00:09:40
[scattered laughter]

154
00:09:40 --> 00:09:41
Took her hand, though.

155
00:09:42 --> 00:09:43
-What's that?
-Is that a leshy?

156
00:09:43 --> 00:09:45
Is that a leshy?

157
00:09:45 --> 00:09:46
-What is it?
-[Eskel] Walked like one.

158
00:09:48 --> 00:09:49
Talked like one.

159
00:09:50 --> 00:09:51

Sort of.

160

00:09:52 --> 00:09:53

Sort of?

161

00:09:54 --> 00:09:56

I haven't crossed a leshy in a while.

162

00:09:56 --> 00:09:59

-Not in Kaedwen.

-[Eskel] Well, count yourselves lucky.

163

00:10:00 --> 00:10:03

Unless you're aching for the sting
of one of their fucking roots.

164

00:10:03 --> 00:10:05

[men murmuring]

165

00:10:05 --> 00:10:09

Fire through the heart
is the only thing that puts one down.

166

00:10:10 --> 00:10:13

-Six hours in, that didn't occur to you?

-[scattered laughter]

167

00:10:15 --> 00:10:16

[chuckles]

168

00:10:16 --> 00:10:17

[Ciri laughs]

169

00:10:35 --> 00:10:36

Who the hell are you?

170

00:10:38 --> 00:10:39

[swallows]

171

00:10:44 --> 00:10:45

Princess Cirilla of Cintra.

172

00:10:47 --> 00:10:48

Pleasure to meet you.

173

00:11:13 --> 00:11:15

[wind whistling]

174

00:11:20 --> 00:11:22

[wood creaking]

175

00:11:31 --> 00:11:32

[grunts]

176

00:11:35 --> 00:11:36

[grunts]

177

00:11:36 --> 00:11:39

When you told me
you called the Law of Surprise--

178

00:11:39 --> 00:11:41

-[sighs]

--I told you, "Big mistake."

179

00:11:41 --> 00:11:43

[horse neighs]

180

00:11:43 --> 00:11:46

You said you promised
you wouldn't claim the child.

181

00:11:47 --> 00:11:50

I said, "Good. Still a big mistake."

182

00:11:52 --> 00:11:54

-I had to save her.

-I know.

183

00:11:55 --> 00:11:57

And you knew I would call you out on it.

184
00:11:58 --> 00:11:59
Yeah.

185
00:11:59 --> 00:12:01
You brought her here anyway.

186
00:12:03 --> 00:12:04
[sighs]

187
00:12:06 --> 00:12:08
[squeaking]

188
00:12:15 --> 00:12:16
[rattling]

189
00:12:24 --> 00:12:24
[door creaking]

190
00:12:25 --> 00:12:26
[wind whistling]

191
00:12:28 --> 00:12:31
[Vesemir] So you're telling me
she escaped Nilfgaard.

192
00:12:32 --> 00:12:34
Survived the wholesale slaughter
of her kingdom.

193
00:12:36 --> 00:12:37
How?

194
00:12:38 --> 00:12:38
I asked.

195
00:12:40 --> 00:12:41
-She lied.
-Hmm.

196

00:12:41 --> 00:12:43
It's not like you to let it go.

197

00:12:44 --> 00:12:45
Witchers watch for answers.

198

00:12:47 --> 00:12:50
-I think you might've said that one.
-Oh, what was I thinking?

199

00:12:50 --> 00:12:51
[both chuckle]

200

00:12:54 --> 00:12:56
I brought her here so she'd be safe.

201

00:12:57 --> 00:12:59
It's easier for me to protect her
within these walls.

202

00:12:59 --> 00:13:03
-Long enough to watch for answers?
-Exactly. Learn who she is. What she is.

203

00:13:06 --> 00:13:07
And how I can help her.

204

00:13:07 --> 00:13:08
You say that...

205

00:13:09 --> 00:13:11
but remember what happened the last time

206

00:13:11 --> 00:13:15
witchers shoved their noses
into the dramas of courts and kingdoms.

207

00:13:17 --> 00:13:20
[sighs] What if your princess

is more than you bargained for?

208

00:13:21 --> 00:13:22

I know that already.

209

00:13:30 --> 00:13:32

-[Eskel] Princess.

-[gasps]

210

00:13:32 --> 00:13:33

Eskel.

211

00:13:36 --> 00:13:39

I'm just exploring.

Told Geralt I'd find a good room.

The rest is gibberish.

425

00:27:25 --> 00:27:28
No. It's an incantation.

426

00:27:28 --> 00:27:30
About a hut, with no doors.

427

00:27:31 --> 00:27:33
My father,
he used to scare us with stories

428

00:27:34 --> 00:27:35
about the witch in the woods,

429

00:27:36 --> 00:27:39
her home perched on basilisk legs.

430

00:27:40 --> 00:27:43
She would lure the children in
to be boiled and eaten.

431

00:27:43 --> 00:27:47
Wouldn't be the first time mankind
cried "witch" at the sight of elven power.

432

00:27:47 --> 00:27:48
My brother's right.

433

00:27:48 --> 00:27:52
These are our ancestors,
kneeling, worshiping.

434

00:27:52 --> 00:27:55
Perhaps this deathless mother's
one of the old gods.

435

00:27:56 --> 00:27:59

First you say it's Ithlinne,
then it's one of the old gods.

436

00:27:59 --> 00:28:01
What designs would either have
with two humans?

437

00:28:01 --> 00:28:03
[rumbling and cracking]

438

00:28:15 --> 00:28:17
[echoing whisper]
Turn your back to the forest.

439

00:28:18 --> 00:28:19
She's calling us.

440

00:28:19 --> 00:28:21
[distorted voices whispering]

441

00:28:21 --> 00:28:23
Stand guard until we've returned.

442

00:28:23 --> 00:28:24
-Francesca.
-No.

443

00:28:24 --> 00:28:28
Gage, I swore I'd take care of you
since we were children.

444

00:28:28 --> 00:28:30
Now let me take care of us all.

445

00:28:32 --> 00:28:33
[sighs]

446

00:28:36 --> 00:28:37
Do she and I get a vote

447

00:28:37 --> 00:28:39
-on joining your prayer circle?
-What do you think?

448
00:28:52 --> 00:28:54
[laughter and music from hall]

449
00:28:55 --> 00:28:56
[loud cheering]

450
00:29:15 --> 00:29:18
Newcomers always struggle sleeping
their first nights.

451
00:29:20 --> 00:29:21
It's the chill.

452
00:29:25 --> 00:29:27
Klef here was one of the first witchers.

453
00:29:28 --> 00:29:30
Before my time.

454
00:29:31 --> 00:29:32
What happened to him?

455
00:29:33 --> 00:29:35
One of the oldest monsters. A demon.

456
00:29:36 --> 00:29:37
Long extinct.

457
00:29:38 --> 00:29:43
She wreaked havoc until the witchers
bound her deep in the forest.

458
00:29:45 --> 00:29:47
That's what she used to kill him.

459
00:29:49 --> 00:29:52

Some say
she still calls to the unfortunate souls

460

00:29:52 --> 00:29:54
unlucky enough to cross her woods.

461

00:29:54 --> 00:29:56
Lures them in to devour them.

462

00:29:58 --> 00:30:01
Scary stories don't really work on me.

463

00:30:05 --> 00:30:07
And this one, Deglan,

464

00:30:07 --> 00:30:10
was killed by men right in these halls.

465

00:30:12 --> 00:30:14
He taught me everything I know.

466

00:30:14 --> 00:30:15
Made me a witcher.

467

00:30:17 --> 00:30:20
He was like a father to you, wasn't he?
As you're Geralt's.

468

00:30:21 --> 00:30:22
Something like that.

469

00:30:24 --> 00:30:26
It is easier when they're young.

470

00:30:26 --> 00:30:29
Wait for them
to finish crying for Ma and feed them,

471

00:30:29 --> 00:30:33
train them, send them out into the world,

and see who comes back alive.

472

00:30:39 --> 00:30:40
You don't frighten easily.

473

00:30:42 --> 00:30:45
There's times to stand still,
and there's times to keep moving.

474

00:30:45 --> 00:30:47
Did that mantra help you escape Cintra?

475

00:30:49 --> 00:30:51
Geralt said I'd be protected here.

476

00:30:51 --> 00:30:54
It's hard to do
when I don't know who I'm protecting.

477

00:30:54 --> 00:30:56
Or what I'm protecting her from.

478

00:31:01 --> 00:31:02
[woman gasps]

479

00:31:09 --> 00:31:11
You took on that wooden beast.

480

00:31:11 --> 00:31:13
Let me take on yours!

481

00:31:13 --> 00:31:14
Oh!

482

00:31:23 --> 00:31:25
[creaking]

483

00:31:26 --> 00:31:27
[woman moaning]

484

00:31:29 --> 00:31:31
[wind whistling]

485

00:31:36 --> 00:31:37
Come on. Keep moving.

486

00:31:43 --> 00:31:44
If you dreamt of Emhyr,

487

00:31:45 --> 00:31:47
why were you so terrified when you woke?

488

00:31:50 --> 00:31:51
Tell me.

489

00:31:55 --> 00:31:56
I'm in the dark.

490

00:31:57 --> 00:31:59
There are people over me...

491

00:32:00 --> 00:32:01
touching me.

492

00:32:02 --> 00:32:03
Just gentle taps.

493

00:32:04 --> 00:32:07
I can't see them. I can't stop them. So...

494

00:32:09 --> 00:32:11
I just lay there and let them.

495

00:32:14 --> 00:32:16
After the Usurper executed Fergus,

496

00:32:17 --> 00:32:19
he had all of the mages moved to a prison.

497

00:32:22 --> 00:32:23

Uh...

498

00:32:24 --> 00:32:25

A playhouse.

499

00:32:27 --> 00:32:30

I was there for years.

Then Emhyr found me.

500

00:32:32 --> 00:32:33

[voice hissing]

501

00:32:38 --> 00:32:40

[whispering voice] I could go walking...

502

00:32:41 --> 00:32:44

-[wind whistling]

-...if you were alive...

503

00:32:45 --> 00:32:46

A hut with no doors.

504

00:32:47 --> 00:32:49

-The inscription.

-[Yennefer] Wait.

505

00:32:50 --> 00:32:54

If you're wrong,
if the dreams don't mean what you think--

506

00:32:54 --> 00:32:58

Behold the mother of forests,
the deathless mother, nesting in dreams.

507

00:32:58 --> 00:33:01

-Turn your back to the forest, hut, hut.

-[rumbling]

508

00:33:02 --> 00:33:03

Turn your front to me,

509

00:33:04 --> 00:33:06

hut, hut.

510

00:33:11 --> 00:33:12

[echoing roar]

511

00:33:21 --> 00:33:23

[laughter]

512

00:33:23 --> 00:33:25

-Have you seen Cirilla?

-Yeah.

513

00:33:25 --> 00:33:28

I saw her pounding White Gull
and dancing on the table.

514

00:33:28 --> 00:33:29

-Funny.

-Mmm.

515

00:33:31 --> 00:33:32

I caught her spying.

516

00:33:36 --> 00:33:40

Geralt, it's her first night here.
What did you expect?

517

00:33:40 --> 00:33:42

I was hoping she'd do as I say.

518

00:33:42 --> 00:33:44

Kids never do what you say.

519

00:33:44 --> 00:33:45

Hmm.

520

00:33:45 --> 00:33:48

We had a chat, and then I sent her to bed.

521

00:33:50 --> 00:33:51
Are you sure you're ready for this?

522

00:33:56 --> 00:33:59
I was in a cell beneath the city
when Cintra was sacked.

523

00:34:00 --> 00:34:01
I heard it all.

524

00:34:02 --> 00:34:04
Fire, screams, and death.

525

00:34:06 --> 00:34:09
The same sounds
that I heard here as a boy,

526

00:34:09 --> 00:34:11
hiding in the cellar,

527

00:34:12 --> 00:34:14
waiting for the humans to come for us.

528

00:34:16 --> 00:34:20
You were the last surviving witcher
after Kaer Morhen fell.

529

00:34:21 --> 00:34:23
You and a batch of mutated orphans

530

00:34:24 --> 00:34:26
with nowhere else to go.

531

00:34:28 --> 00:34:29
Were you ready?

532

00:34:30 --> 00:34:31
No.

533

00:34:31 --> 00:34:33
But you protected us anyway.

534

00:34:33 --> 00:34:34
No.

535

00:34:34 --> 00:34:37
I taught you how to fend for yourselves.

536

00:34:39 --> 00:34:40
[chuckles]

537

00:34:41 --> 00:34:42
-[ringing]
-[chains rattling]

538

00:34:43 --> 00:34:45
[sighing sound echoes]

539

00:34:47 --> 00:34:49
[women gasping]

540

00:34:49 --> 00:34:50
-No!
-Hey!

541

00:34:50 --> 00:34:52
[high-pitched buzzing]

542

00:34:53 --> 00:34:54
[creaking]

543

00:34:55 --> 00:34:57
[skittering and rumbling]

544

00:34:58 --> 00:35:00
[heavy creaking]

545

00:35:00 --> 00:35:02
[pattering]

546

00:35:02 --> 00:35:04
Maybe Eskel's leshy wants its hand back.

547

00:35:04 --> 00:35:06
[pattering and creaking continue]

548

00:35:09 --> 00:35:10
Wield your wits, boys.

549

00:35:11 --> 00:35:13
-I'll secure the guests.
-I'll check the wing.

550

00:35:13 --> 00:35:16
-We'll check the perimeter.
-Follow me! Get a move on!

551

00:35:16 --> 00:35:18
-Let's go!
-[Lambert] Move it!

552

00:35:18 --> 00:35:19
-I'll find Cirilla.
-[Vesemir] No.

553

00:35:20 --> 00:35:21
Do what you do best.

554

00:35:22 --> 00:35:23
Stay and fight.

555

00:35:29 --> 00:35:31
[loud banging]

556

00:35:31 --> 00:35:33
-[gasps]
-Look alive, girl! We've got company.

557

00:35:33 --> 00:35:35
-What are you doing? Stay back.
-Hey!

558

00:35:35 --> 00:35:39
Don't barge into a girl's room
waving about a sword, you moron!

559

00:35:39 --> 00:35:42
-[gasping]
-Stand guard outside.

560

00:35:43 --> 00:35:45
I was following fucking orders.

561

00:35:46 --> 00:35:48
Come on, let's go! Move it!

562

00:35:51 --> 00:35:53
[water dripping]

563

00:35:54 --> 00:35:56
[creaking]

564

00:36:03 --> 00:36:04
[thump]

565

00:36:05 --> 00:36:07
[rumbling]

566

00:36:07 --> 00:36:08
[creaking]

567

00:36:17 --> 00:36:18
[creaking continues]

568

00:36:25 --> 00:36:26
Where are you?

569

00:36:30 --> 00:36:31
-[crashing]
-[screaming]

570
00:36:31 --> 00:36:32
[gasping]

571
00:36:33 --> 00:36:34
-[squeaking]
-[woman sobbing]

572
00:36:36 --> 00:36:38
[chittering and squelching]

573
00:36:41 --> 00:36:43
[rumbling]

574
00:36:54 --> 00:36:56
[whispering voices]

575
00:36:57 --> 00:36:58
-[wind whistling]
-[groans softly]

576
00:37:05 --> 00:37:07
[whispering voices overlapping]

577
00:37:21 --> 00:37:22
What are you?

578
00:37:23 --> 00:37:24
Hello.

579
00:37:27 --> 00:37:29
Don't be scared.

580
00:37:29 --> 00:37:30
I'm here to help you.

581
00:37:31 --> 00:37:32

Ithlinne?

582

00:37:35 --> 00:37:35

I knew it.

583

00:37:37 --> 00:37:38

You're not him.

584

00:37:40 --> 00:37:41

I know what you are.

585

00:37:42 --> 00:37:43

[Emhyr] An old wives' tale for children.

586

00:37:46 --> 00:37:48

Are you a child, Fringilla?

587

00:37:49 --> 00:37:52

Did I save you from the playhouse
to be a child?

588

00:37:54 --> 00:37:55

I'm not scared.

589

00:37:56 --> 00:37:57

And I don't do help.

590

00:37:57 --> 00:37:59

Yes, you don't need anyone.

591

00:38:01 --> 00:38:02

You have nothing to hide here.

592

00:38:02 --> 00:38:03

I know.

593

00:38:04 --> 00:38:06

It's just... the path has been hard.

594

00:38:06 --> 00:38:09
And the path forward will be harder still.

595
00:38:09 --> 00:38:10
[echoing] But I can help you.

596
00:38:11 --> 00:38:12
[voices hissing]

597
00:38:14 --> 00:38:15
And yet...

598
00:38:16 --> 00:38:18
you've stayed for decades.

599
00:38:20 --> 00:38:21
Why?

600
00:38:22 --> 00:38:23
Is it love?

601
00:38:23 --> 00:38:25
Legacy, you say?

602
00:38:28 --> 00:38:28
Power!

603
00:38:29 --> 00:38:30
That's what you live for.

604
00:38:31 --> 00:38:33
[laughing] That's your play?
It's rather desperate.

605
00:38:33 --> 00:38:36
You're the desperate one, Yennifer.

606
00:38:36 --> 00:38:37
[distorted] The most.

607

00:38:44 --> 00:38:45
You are not the new sun.

608

00:38:46 --> 00:38:49
-You are not him.
-Oh, he'll never tell you what I will.

609

00:38:50 --> 00:38:54
The path to true strength
lies not in humble faith,

610

00:38:55 --> 00:38:57
but in believing in oneself..

611

00:38:57 --> 00:38:59
[Ithlinne, echoing]
...and seizing one's destiny.

612

00:39:02 --> 00:39:07
The world will die in frost
and be reborn with a new sun.

613

00:39:08 --> 00:39:12
But first, the earth will flow
with the blood of elves.

614

00:39:13 --> 00:39:15
How do I save them?

615

00:39:15 --> 00:39:16
Remove those robes.

616

00:39:17 --> 00:39:21
Or what if I told you
that you could have power?

617

00:39:22 --> 00:39:24
And not of a meek sycophant,

618

00:39:24 --> 00:39:25

but as your own woman.

619

00:39:25 --> 00:39:26

This isn't real.

620

00:39:28 --> 00:39:30

[Ithlinne] Well, imagine if it were.

621

00:39:31 --> 00:39:34

[Emhyr and Ithlinne] Imagine
that you are the emperor, right now.

622

00:39:36 --> 00:39:40

[girl] The others' dreams were obvious.

623

00:39:41 --> 00:39:42

You thought you were special.

624

00:39:43 --> 00:39:44

But no.

625

00:39:44 --> 00:39:46

Yours was obvious too.

626

00:39:47 --> 00:39:48

Then make your ask.

627

00:39:49 --> 00:39:50

I would rebuild our forces.

628

00:39:51 --> 00:39:53

Strengthen our numbers.

629

00:39:54 --> 00:39:58

We are an empire, but the North...
the North is a league of many kingdoms.

630

00:39:58 --> 00:40:00

[Emhyr and Ithlinne]
And a large and unpredictable land.

631

00:40:01 --> 00:40:04
[echoing] Even with numbers,
you'd be lost. You need friends.

632

00:40:06 --> 00:40:08
Allies that know this land
as if it were their own.

633

00:40:08 --> 00:40:10
No Northern Kingdom
would ally itself with us.

634

00:40:11 --> 00:40:12
-[whisper] No...
-No kingdom of men.

635

00:40:16 --> 00:40:17
Do you want salvation?

636

00:40:18 --> 00:40:22
[whispering] Then you're bringing back
the wrong elf.

637

00:40:26 --> 00:40:29
The first pure elf for years.

638

00:40:31 --> 00:40:34
A new hope for a brighter future.

639

00:40:34 --> 00:40:35
I've been with child before.

640

00:40:36 --> 00:40:37
None have come to term.

641

00:40:37 --> 00:40:38
But if it could?

642

00:40:39 --> 00:40:40

If I could help you?

643

00:40:41 --> 00:40:43
All you need to do is ask.

644

00:40:45 --> 00:40:47
You're not Ithlinne, are you?

645

00:40:47 --> 00:40:49
[distorted] Your ancestors' faith
was better than yours.

646

00:40:49 --> 00:40:51
[whispering echo] Better than yours.

647

00:40:51 --> 00:40:53
Then make your ask.

648

00:40:55 --> 00:40:56
What must I do?

649

00:40:58 --> 00:40:59
To see your child live,

650

00:41:00 --> 00:41:02
you must live first

651

00:41:02 --> 00:41:03
amongst men.

652

00:41:03 --> 00:41:05
[distorted ringing]

653

00:41:06 --> 00:41:07
Xintrea!

654

00:41:10 --> 00:41:12
[girl] You're no longer bound.

655

00:41:13 --> 00:41:15
Why haven't you thought
to portal yourself free?

656

00:41:19 --> 00:41:20
You've felt it since Sodden,

657

00:41:21 --> 00:41:22
haven't you?

658

00:41:23 --> 00:41:25
-[distorted] Or rather...
-[wind whistles]

659

00:41:25 --> 00:41:27
[girl and Ithlinne] ...haven't felt it.

660

00:41:30 --> 00:41:33
But you'd rather be blind
than see the truth.

661

00:41:35 --> 00:41:37
Remember this lesson, Piglet?

662

00:41:39 --> 00:41:41
[wind gusting]

663

00:41:42 --> 00:41:43
[bird screeches]

664

00:41:44 --> 00:41:46
[distant crashing sounds]

665

00:41:50 --> 00:41:51
Zeilil eip.

666

00:41:54 --> 00:41:55
Zeilil eip.

667

00:41:57 --> 00:41:58

Zeilil eip.

668

00:42:00 --> 00:42:01

Zeilil eip.

669

00:42:01 --> 00:42:02

You blew it at Sodden.

670

00:42:04 --> 00:42:06

Fire is dangerous magic.

671

00:42:07 --> 00:42:08

Farewell, Chaos!

672

00:42:08 --> 00:42:10

What will she live for now?

673

00:42:11 --> 00:42:14

Zeilil eip. Zeilil eip.

674

00:42:15 --> 00:42:17

Move, damn it!

675

00:42:17 --> 00:42:19

Fucking parlor tricks!

676

00:42:19 --> 00:42:20

Yes, denial!

677

00:42:21 --> 00:42:23

[girl and Ithlinne] A tasty garnish.

678

00:42:35 --> 00:42:38

-I'm going to let you bake some more.

-[whispering echo]

679

00:42:40 --> 00:42:43

I want your desperation crisp.

680

00:42:45 --> 00:42:49
You will beg me to take it from you.

681
00:42:50 --> 00:42:52
And I will.

682
00:42:58 --> 00:43:00
[creaking]

683
00:43:04 --> 00:43:05
[liquid running]

684
00:43:13 --> 00:43:15
[soft creaking]

685
00:43:26 --> 00:43:27
[sighs]

686
00:43:27 --> 00:43:28
[creaking and rumbling]

687
00:43:36 --> 00:43:37
[sounds fade]

688
00:43:38 --> 00:43:39
[grunting]

689
00:43:41 --> 00:43:42
[snorts]

690
00:43:42 --> 00:43:44
[creaking and shuffling]

691
00:43:44 --> 00:43:46
[skittering]

692
00:43:49 --> 00:43:50
[sounds fade]

693

00:43:56 --> 00:43:58
[grunts]

694
00:44:01 --> 00:44:02
[groans]

695
00:44:13 --> 00:44:14
[Geralt straining]

696
00:44:19 --> 00:44:20
[screeching]

697
00:44:24 --> 00:44:26
[roaring]

698
00:44:27 --> 00:44:29
[gasping]

699
00:44:30 --> 00:44:31
[growls]

700
00:44:32 --> 00:44:33
Eskel?

701
00:44:33 --> 00:44:35
[panting] Geralt.

702
00:44:39 --> 00:44:41
[Eskel grunting]

703
00:44:45 --> 00:44:46
[groans]

704
00:44:50 --> 00:44:51
[growls]

705
00:44:52 --> 00:44:53
[yells]

706

00:44:58 --> 00:45:00
[roars]

707
00:45:16 --> 00:45:16
Eskel!

708
00:45:25 --> 00:45:27
I came... back here.

709
00:45:29 --> 00:45:31
I knew something...

710
00:45:32 --> 00:45:32
was wrong.

711
00:45:33 --> 00:45:35
-I don't know what happened.
-[groans]

712
00:45:37 --> 00:45:38
But I thought...

713
00:45:39 --> 00:45:40
I thought I could fight it.

714
00:45:42 --> 00:45:43
[groans]

715
00:45:45 --> 00:45:46
I thought...

716
00:45:46 --> 00:45:48
you could...

717
00:45:49 --> 00:45:50
help...

718
00:45:51 --> 00:45:52
me.

719

00:45:56 --> 00:45:57
[screeches]

720

00:45:58 --> 00:45:59
Vesemir.

721

00:46:05 --> 00:46:08
Should've known better than to bring
my whores to a witcher den.

722

00:46:08 --> 00:46:09
Danica, you fool.

723

00:46:10 --> 00:46:12
Stay here. Take cover.

724

00:46:12 --> 00:46:13
-[door slams]
-No.

725

00:46:14 --> 00:46:15
No, no, no. Lambert!

726

00:46:16 --> 00:46:19
Fuck this. I'm not dying here.
What's the quickest way out, girl?

727

00:46:20 --> 00:46:23
There's stairs to the north of the hall,
a turret to the south.. I don't know.

728

00:46:23 --> 00:46:25
-All right, come on.
-No.

729

00:46:25 --> 00:46:28
-We have to stay. Geralt--
-Geralt may be dead already!

730

00:46:30 --> 00:46:32

-Look, witchers fight. We run.
-[rumbling]

731
00:46:33 --> 00:46:34
-[crashing]
-[gasping and screaming]

732
00:46:34 --> 00:46:36
Go. Go!

733
00:46:39 --> 00:46:41
-Go.
-[women crying]

734
00:46:45 --> 00:46:47
-[rumbling]
-What is this?

735
00:46:48 --> 00:46:49
It's Eskel.

736
00:46:49 --> 00:46:51
The leshy's infected him.

737
00:46:52 --> 00:46:53
That's not possible.

738
00:46:58 --> 00:46:59
-[creaking]
-[growls]

739
00:47:00 --> 00:47:01
[skittering]

740
00:47:03 --> 00:47:05
[clattering]

741
00:47:10 --> 00:47:11
[Geralt growls]

742

00:47:11 --> 00:47:12
[Eskel snarling]

743
00:47:15 --> 00:47:16
[Vesemir] The door! Go!

744
00:47:25 --> 00:47:26
[yells]

745
00:47:34 --> 00:47:35
[roaring]

746
00:47:42 --> 00:47:43
[screeches]

747
00:47:50 --> 00:47:50
Eskel.

748
00:47:51 --> 00:47:52
We need time.

749
00:47:53 --> 00:47:54
We can save you.

750
00:48:03 --> 00:48:04
[strained] Eskel...

751
00:48:07 --> 00:48:09
Please... stop...

752
00:48:09 --> 00:48:11
-[snarling]
-[whimpers]

753
00:48:19 --> 00:48:21
[Eskel screeches]

754
00:48:21 --> 00:48:22
[screams]

755
00:48:24 --> 00:48:25
[roaring]

756
00:48:29 --> 00:48:31
[gasping]

757
00:48:45 --> 00:48:47
[Vesemir sighs]

758
00:48:50 --> 00:48:51
[sighs]

759
00:48:54 --> 00:48:56
You did what you had to do.

760
00:48:59 --> 00:49:00
[sighs]

761
00:49:11 --> 00:49:12
[whimpering]

762
00:49:16 --> 00:49:18
[voices calling]

763
00:49:30 --> 00:49:31
There you are.

764
00:49:32 --> 00:49:33
It's all right.

765
00:49:36 --> 00:49:37
You saw her too.

766
00:49:38 --> 00:49:39
Don't worry. You're free.

767
00:49:42 --> 00:49:43
You're going with them.

768

00:49:44 --> 00:49:47

Francesca claims the old gods want
an alliance between elves and Nilfgaard.

769

00:49:47 --> 00:49:50

-I agreed.
-Then you're both fools.

770

00:49:51 --> 00:49:52

You know that evil witch is no god.

771

00:49:53 --> 00:49:55

I know my faith brought me this far.

772

00:49:55 --> 00:49:58

-I'll see how much further it can take me.
-That sounded like ambition.

773

00:49:58 --> 00:50:01

-Impossible.
-Not as impossible as you finding meaning.

774

00:50:02 --> 00:50:04

-What did you ask for?
-[horse neighs]

775

00:50:04 --> 00:50:06

-An end to this nonsense.
-Oh, glib as ever.

776

00:50:06 --> 00:50:07

Uh--

777

00:50:08 --> 00:50:09

If she really is that evil,

778

00:50:10 --> 00:50:12

why did she let you go?

779

00:50:13 --> 00:50:14

[elves shouting]

780

00:50:18 --> 00:50:20

[thunder crashing]

781

00:50:21 --> 00:50:23

[sobs]

782

00:50:30 --> 00:50:31

[rats squeaking]

783

00:50:37 --> 00:50:38

[door opens]

784

00:50:46 --> 00:50:48

[Geralt groans]

785

00:50:52 --> 00:50:53

Is it over?

786

00:50:54 --> 00:50:55

We're safe now?

787

00:51:03 --> 00:51:04

Are you okay?

788

00:51:06 --> 00:51:07

I'm all right.

789

00:51:10 --> 00:51:11

Come with me.

790

00:51:29 --> 00:51:31

When I first came to Kaer Morhen,

791

00:51:33 --> 00:51:36

Vesemir said to me
that the world outside these walls

792

00:51:38 --> 00:51:39
is a dangerous place.

793
00:51:42 --> 00:51:44
[thunderclap]

794
00:51:49 --> 00:51:51
[Geralt] But times are changing,

795
00:51:53 --> 00:51:54
even here.

796
00:51:56 --> 00:51:57
[high-pitched ringing]

797
00:51:58 --> 00:51:59
Nowhere's safe now.

798
00:51:59 --> 00:52:01
[shouting in Elder]

799
00:52:02 --> 00:52:02
[yelps]

800
00:52:02 --> 00:52:04
[Geralt] You can't run from the world.

801
00:52:06 --> 00:52:07
You can't hide from it.

802
00:52:09 --> 00:52:10
Eskel.

803
00:52:10 --> 00:52:12
-Eskel.
-For the brothers.

804
00:52:13 --> 00:52:15
But you can find power

805
00:52:16 --> 00:52:17
and purpose.

806
00:52:24 --> 00:52:27
A chance to survive the horror.

807
00:52:27 --> 00:52:29
[thunder crashing]

808
00:52:29 --> 00:52:31
[gasping and shouting in Elder]

809
00:52:34 --> 00:52:35
[gasps]

810
00:52:44 --> 00:52:45
[shouts in Elder]

811
00:52:47 --> 00:52:48
[gasps]

812
00:52:53 --> 00:52:54
[sobbing]

813
00:53:00 --> 00:53:01
[screaming]

814
00:53:07 --> 00:53:09
[sobbing]

815
00:53:12 --> 00:53:13
[Geralt] This Continent...

816
00:53:14 --> 00:53:15
was meant for no one.

817
00:53:17 --> 00:53:19
All you have to do, Ciri,

818
00:53:20 --> 00:53:22
is keep your sword close

819
00:53:22 --> 00:53:23
and keep moving.
