1
00:00:12 --> 00:00:14
[wind howling]

2
00:00:18 --> 00:00:19
[breathing heavily]

3
00:00:30 --> 00:00:32
[grunting]

4
00:00:33 --> 00:00:34
[growls]

5
00:00:42 --> 00:00:43
[Ciri] Again.

6
00:00:48 --> 00:00:49
[grunting]

7
00:00:51 --> 00:00:52
[yells] Shit!

8
00:00:52 --> 00:00:55
That's enough. We'll start fresh tomorrow.

9
00:00:55 --> 00:00:56
I can do it.

10
00:01:01 --> 00:01:02
[growls]

11
00:01:04 --> 00:01:06
You need rest.

12
00:01:08 --> 00:01:11
Anything else
will have diminishing returns.

13
00:01:13 --> 00:01:15
Sir Lazlo, he protected me in Cintra,

14
00:01:16 --> 00:01:18
and he said less than perfect means death.

15
00:01:18 --> 00:01:21
Your stomach's growling loud enough
to wake the dead,

16
00:01:21 --> 00:01:22
if that counts.

17
00:01:24 --> 00:01:25
Hunger makes for good sauce.

18
00:01:25 --> 00:01:27
Also makes for shitty lunges.

19
00:01:28 --> 00:01:28
[gasps]

20
00:01:30 --> 00:01:31
[snarling]

21
00:01:32 --> 00:01:33
Ciri.

22
00:01:38 --> 00:01:40
You are safe here.

23
00:01:42 --> 00:01:43
Was it the Black Knight again?

24
00:01:44 --> 00:01:46
-No.
-If he's still haunting you--

25
00:01:46 --> 00:01:48
Whose turn is it for lunch?

26

00:02:05 --> 00:02:06
[Lambert] Coen!

27
00:02:07 --> 00:02:10
What's the difference
between a witcher and a heap of shit?

28
00:02:11 --> 00:02:12
Well, go on, then.

29
00:02:12 --> 00:02:15
Eventually, the shit will stop smelling.
[guffaws]

30
00:02:15 --> 00:02:17
That joke's old as the Conjunction.

31
00:02:17 --> 00:02:20
Well, you tell me one, then,
you comedic fuck.

32
00:02:21 --> 00:02:22
All right.

33
00:02:23 --> 00:02:25
What do you call a witcher with no brains?

34
00:02:25 --> 00:02:26
Lambert?

35
00:02:27 --> 00:02:28
[laughs]

36
00:02:29 --> 00:02:31
Okay, now she's funny.

37
00:02:32 --> 00:02:33
Oh, Lambert!

38
00:02:40 --> 00:02:42

When you finish this, get some rest.

39

00:02:45 --> 00:02:46

Ciri.

40

00:02:53 --> 00:02:55

Trouble with the pretty, pretty princess?

41

00:02:55 --> 00:02:57

-Leave it alone.

-Why should I?

42

00:02:57 --> 00:02:59

He made his choice.

43

00:03:00 --> 00:03:02

Cost us a brother.

44

00:03:04 --> 00:03:06

That wasn't our brother.

45

00:03:08 --> 00:03:09

Not by the end of it.

46

00:03:14 --> 00:03:17

And bitterness won't help us
find what killed him.

47

00:03:17 --> 00:03:19

[Lambert] Oh, I know what killed him.

48

00:03:21 --> 00:03:22

[Coen] Leave it alone.

49

00:03:25 --> 00:03:26

[sighs]

50

00:03:32 --> 00:03:34

[Eskel] Wait, Geralt...

51

00:03:37 --> 00:03:38
[Geralt] Eskel?

52

00:03:38 --> 00:03:40
Sorrel's waiting for us.

53

00:03:41 --> 00:03:42
No, no. [sighs]

54

00:03:42 --> 00:03:44
I'm finished, mate.

55

00:03:44 --> 00:03:46
We're finished
when we're counting worms in the ground,

56

00:03:46 --> 00:03:48
-not after an hour on the combs.
-[laughs]

57

00:03:48 --> 00:03:50
Three fucking hours.

58

00:03:51 --> 00:03:52
You sound just like Vesemir.

59

00:03:53 --> 00:03:56
Last I checked,
we come here to rest in the winter,

60

00:03:57 --> 00:03:59
and to restore, and to have some fun,

61

00:04:00 --> 00:04:02
not train till our legs give out.

62

00:04:05 --> 00:04:08
-Legs seem fine to me.
-Arsehole.

63

00:04:09 --> 00:04:12
I haven't seen you this sore
since Vesemir tanned our hides

64

00:04:12 --> 00:04:14
for tying that thread
to the bumblebee's leg.

65

00:04:14 --> 00:04:15
[laughs]

66

00:04:15 --> 00:04:19
It wasn't the thread that was the problem.
It was the jug we tied to the other end.

67

00:04:19 --> 00:04:23
"If you don't leave that bee in peace,
you'll feel my sting again."

68

00:04:23 --> 00:04:25
[chuckles] See, you're just like him.

69

00:04:26 --> 00:04:28
We're all just like him.

70

00:04:29 --> 00:04:31
We won't get any rest.

71

00:04:31 --> 00:04:33
None of us will have any peace

72

00:04:34 --> 00:04:36
until there are no monsters left
in the world.

73

00:04:37 --> 00:04:40
-Until our life's mission is complete.
-Which will be never.

74

00:04:42 --> 00:04:44

-'Cause what else would we do?
-Exactly.

75
00:04:45 --> 00:04:46
Come on.

76
00:04:48 --> 00:04:51
-One more hour.
-[sighs] Fine. One more hour.

77
00:04:52 --> 00:04:55
Then you can hang what's left of me
on the medallion tree.

78
00:04:55 --> 00:04:56
-[laughs]
-[Geralt] Hah.

79
00:04:57 --> 00:04:58
[Eskel] Just like..

80
00:05:04 --> 00:05:05
[sighs]

81
00:05:05 --> 00:05:07
[crunching]

82
00:05:09 --> 00:05:11
-[loud crack]
-[scraping]

83
00:05:14 --> 00:05:15
-[door opens]
-[squelching]

84
00:05:20 --> 00:05:21
Thank you, Wolf.

85
00:05:23 --> 00:05:26
Don't thank me yet.
It was Lambert's turn to cook.

86

00:05:28 --> 00:05:30
[Vesemir sighs]

87

00:05:34 --> 00:05:37
[sighs] This shouldn't have happened.

88

00:05:38 --> 00:05:40
We shouldn't have lost him this way.

89

00:05:41 --> 00:05:41
I know.

90

00:05:42 --> 00:05:46
There must be more tests I can run
to track whatever mutated the other leshy.

91

00:05:46 --> 00:05:49
If there was a scientific explanation
for any of this,

92

00:05:51 --> 00:05:53
you would've found it by now.

93

00:05:53 --> 00:05:55
We've got a lab
full of alchemical compounds

94

00:05:55 --> 00:05:57
that can change day to fucking night.

95

00:05:58 --> 00:06:00
I'm not going to give up now.

96

00:06:00 --> 00:06:01
I'm not asking you to give up.

97

00:06:01 --> 00:06:03
[sighs]

98

00:06:03 --> 00:06:05
But it's time to let Eskel rest.

99

00:06:11 --> 00:06:13
He deserves the peace.

100

00:06:24 --> 00:06:26
[inhales] Yeah.

101

00:06:39 --> 00:06:41
[wind rushing]

102

00:07:08 --> 00:07:10
[seabirds calling]

103

00:07:19 --> 00:07:22
[Artorius] So tell us, Istredd,
while at the Nilfgaardian dig site,

104

00:07:22 --> 00:07:26
did you absorb
any insight into their followers?

105

00:07:27 --> 00:07:30
I absorbed nothing.
Except perhaps some dirt.

106

00:07:31 --> 00:07:33
Archaeological dig sites
being what they are.

107

00:07:33 --> 00:07:38
A respected mage, and even he found
no indication of their plan to attack.

108

00:07:40 --> 00:07:42
How could any of us have known?

109

00:07:42 --> 00:07:43
Because we told you.

110
00:07:43 --> 00:07:47
[scoffs] Vilgefartz had one good hunch
about Nilfgaard's military strategy.

111
00:07:47 --> 00:07:50
A hunch that saved the Continent.

112
00:07:50 --> 00:07:54
Ah, I am not here to glorify my part
in our victory in Sodden.

113
00:07:55 --> 00:07:58
Nor to watch you
perform feigned inquisitions

114
00:07:58 --> 00:08:00
-to distract from your failures.
-Hmm.

115
00:08:00 --> 00:08:04
The Northern kings are coming
for the memorial, and they need answers.

116
00:08:04 --> 00:08:06
The Nilfgaardian prisoner
hasn't proven fruitful.

117
00:08:07 --> 00:08:10
There's evidence
of a magical barrier in his head.

118
00:08:13 --> 00:08:16
-So we need to search elsewhere.
-Yeah, I would help if I could.

119
00:08:16 --> 00:08:18
But I wasn't there to study Nilfgaard.

120
00:08:18 --> 00:08:20
I was there to study monoliths.

121
00:08:20 --> 00:08:23
They hold the history of this Continent.

122
00:08:25 --> 00:08:26
I think they hold our future too.

123
00:08:26 --> 00:08:30
A future that will soon go to hell
now that the elves are flocking to Cintra.

124
00:08:31 --> 00:08:33
If we want to keep our people safe,

125
00:08:33 --> 00:08:35
we'd be wise
to recognize the enemies in our midst.

126
00:08:35 --> 00:08:38
The elves are not our enemies.

127
00:08:38 --> 00:08:40
They've already aligned with Nilfgaard,

128
00:08:41 --> 00:08:43
proving what many of us
have known for centuries.

129
00:08:43 --> 00:08:45
They cannot be trusted.

130
00:08:46 --> 00:08:49
If we don't control this now,

131
00:08:51 --> 00:08:52
it'll grow

132
00:08:53 --> 00:08:56
beyond even our capabilities.

133

00:08:58 --> 00:09:01
We'll be burying a lot more
than 14 mages then.

134

00:09:02 --> 00:09:03
[Yennefer] Thirteen.

135

00:09:03 --> 00:09:04
[whispering]

136

00:09:06 --> 00:09:07
Yenna.

137

00:09:26 --> 00:09:28
[Tissaia] I waited a month

138

00:09:28 --> 00:09:29
to carve it.

139

00:09:31 --> 00:09:32
Mm-hm?

140

00:09:33 --> 00:09:35
[wind gusts]

141

00:09:37 --> 00:09:39
What was happening in there?

142

00:09:40 --> 00:09:41
It's tumultuous. [sighs]

143

00:09:41 --> 00:09:44
Artorius can feel his grasp
on the leadership slipping.

144

00:09:44 --> 00:09:46
-And Stregobor is--
-A fuckhead.

145

00:09:47 --> 00:09:47

Desperate.

146

00:09:49 --> 00:09:50

Which makes him dangerous.

147

00:09:52 --> 00:09:55

-I need to tell you something.

-Let me speak first.

148

00:09:57 --> 00:09:58

Your actions

149

00:09:58 --> 00:10:00

turned the tide at Sodden Hill.

150

00:10:01 --> 00:10:04

You are a hero to me and many others.

151

00:10:07 --> 00:10:10

But we need to let Vilgefartz carry
the mantle of victory for now.

152

00:10:13 --> 00:10:16

-You want me to lay low.

-I need you to.

153

00:10:18 --> 00:10:21

Because you and Vilgefartz
are making a play for their seats.

154

00:10:21 --> 00:10:24

We know it's dangerous,
but this is not the time to be weak.

155

00:10:25 --> 00:10:27

It's the time to be strong.

156

00:10:32 --> 00:10:34

Just like you were at Sodden.

157

00:10:36 --> 00:10:38
You did what you had to do.

158

00:10:38 --> 00:10:41
And I, for one, will always be grateful
for your sacrifice.

159

00:10:43 --> 00:10:44
[laughs ruefully]

160

00:10:59 --> 00:11:01
[man] Make sure you have your papers!

161

00:11:01 --> 00:11:02
[bustle of voices]

162

00:11:04 --> 00:11:06
[Filavandrel] They're coming to Xin'trea
from everywhere.

163

00:11:07 --> 00:11:08
A place of refuge,

164

00:11:09 --> 00:11:11
where elves can be safe.

165

00:11:12 --> 00:11:16
Our scouts tell us the North
has turned against the elves completely.

166

00:11:16 --> 00:11:18
-[Francesca] It wasn't that far to turn.
-Yes.

167

00:11:18 --> 00:11:21
But our immigration to Xin'trea
has inflamed tensions.

168

00:11:22 --> 00:11:25
With Nilfgaard, who will protect us.

169

00:11:27 --> 00:11:30
I've never known a human to give
out of the kindness of his heart.

170

00:11:30 --> 00:11:31
[Francesca] Yes, there's a cost.

171

00:11:32 --> 00:11:35
But if it saves our people,
it's one I'm happy to pay.

172

00:11:35 --> 00:11:38
-You say that now.
-Because I stand in the here and now.

173

00:11:38 --> 00:11:39
Where Ithlinne wanted us.

174

00:11:40 --> 00:11:42
Go. Eat meat.

175

00:11:43 --> 00:11:44
Be happy.

176

00:11:46 --> 00:11:47
We're safe here.

177

00:11:48 --> 00:11:49
I hope so.

178

00:11:50 --> 00:11:52
-[inhales deeply]
-[horse whinnies]

179

00:12:02 --> 00:12:03
[gasps]

180

00:12:03 --> 00:12:04
Gettin' tired?

181
00:12:04 --> 00:12:06
[breathing heavily]

182
00:12:07 --> 00:12:11
Do you remember wasting your time
battling sacks of straw, Coen?

183
00:12:11 --> 00:12:12
Can't say I do.

184
00:12:13 --> 00:12:16
[panting] What did you do, then?

185
00:12:16 --> 00:12:18
[chuckles]

186
00:12:19 --> 00:12:20
I don't think so.

187
00:12:22 --> 00:12:24
Some things are far too scary
for little girls.

188
00:12:25 --> 00:12:27
I'm not little, and I'm not afraid.

189
00:12:27 --> 00:12:31
That's easy to say.
But our road is a dark one.

190
00:12:33 --> 00:12:34
Full of dangers.

191
00:12:34 --> 00:12:36
Is that what you want?

192
00:12:36 --> 00:12:39
I want to do what a witcher does.

193
00:12:40 --> 00:12:41
[chuckles]

194
00:12:45 --> 00:12:46
[grunts]

195
00:12:51 --> 00:12:52
Come on, then.

196
00:13:13 --> 00:13:15
Afraid to break a nail, Princess?

197
00:13:32 --> 00:13:33
[crashing]

198
00:13:35 --> 00:13:37
[sails snapping]

199
00:13:39 --> 00:13:40
[blades swishing]

200
00:13:41 --> 00:13:43
-[wood creaking]
-[Lambert] Give it a try.

201
00:13:45 --> 00:13:46
Go on.

202
00:13:46 --> 00:13:48
[poles swooshing]

203
00:13:55 --> 00:13:56
[Coen] Are you sure about this?

204
00:13:57 --> 00:13:59
I'm just having a little fun.

205
00:14:17 --> 00:14:19
[yelp[s]]

206
00:14:19 --> 00:14:21
[coughing]

207
00:14:29 --> 00:14:30
Still wanna be a witcher?

208
00:14:32 --> 00:14:33
[gasps]

209
00:14:35 --> 00:14:37
[birdsong]

210
00:14:47 --> 00:14:49
[Vesemir grunts] Now you can rest.

211
00:14:55 --> 00:14:57
[sobbing quietly]

212
00:14:58 --> 00:15:00
[wolf howling]

213
00:15:01 --> 00:15:03
[sighs heavily]

214
00:15:04 --> 00:15:05
[Vesemir sniffing]

215
00:15:20 --> 00:15:22
[sniffles and sighs]

216
00:15:26 --> 00:15:27
[Vesemir sighs deeply]

217
00:15:31 --> 00:15:33
None of this makes sense.

218
00:15:34 --> 00:15:37
Death by a mutating leshy.

Find that in our annals.

219

00:15:42 --> 00:15:43

How did we miss this?

220

00:15:45 --> 00:15:48

I feel like the Continent's evolving
underneath our feet and...

221

00:15:50 --> 00:15:51

we didn't see it coming.

222

00:15:54 --> 00:15:57

Maybe another Conjunction'll come along
and change it all again.

223

00:16:00 --> 00:16:02

I know you think I'm mad,

224

00:16:03 --> 00:16:05

but I need to know what happened.

225

00:16:07 --> 00:16:08

If it were your child...

226

00:16:11 --> 00:16:13

you'd be going crazy to figure it out.

227

00:16:15 --> 00:16:16

What you missed.

228

00:16:19 --> 00:16:20

What you could have done differently.

229

00:16:23 --> 00:16:24

[Geralt] I know.

230

00:16:24 --> 00:16:26

It's a burden I now share.

231
00:16:27 --> 00:16:29
[Vesemir grunts]

232
00:16:31 --> 00:16:32
[wolves snarling]

233
00:16:32 --> 00:16:34
-[howling]
-[Geralt] They're here.

234
00:16:39 --> 00:16:41
[howling]

235
00:16:47 --> 00:16:49
[howling continues]

236
00:16:55 --> 00:16:56
[speaking in Elder]

237
00:17:03 --> 00:17:04
[sighs]

238
00:17:10 --> 00:17:12
[speaking in Elder]

239
00:17:18 --> 00:17:20
Fuck. Fuck!

240
00:17:20 --> 00:17:22
-[sighs]
-[footsteps]

241
00:17:22 --> 00:17:24
Do you kiss your elven father
with that mouth?

242
00:17:25 --> 00:17:26
We heard you were back.

243

00:17:28 --> 00:17:29
Word spread fast.

244
00:17:29 --> 00:17:30
Like wildfire.

245
00:17:31 --> 00:17:33
We heard about that too.

246
00:17:35 --> 00:17:36
You survived.

247
00:17:36 --> 00:17:37
So did you.

248
00:17:39 --> 00:17:40
How divine.

249
00:17:41 --> 00:17:43
Indeed, darling. Indeed.

250
00:17:48 --> 00:17:50
[both laughing]

251
00:17:54 --> 00:17:56
Come on, join us for a swim.

252
00:17:56 --> 00:17:57
It's freezing.

253
00:17:57 --> 00:18:01
Surely the savior of Soddan
would know how to heat a pool.

254
00:18:07 --> 00:18:09
[speaking in Elder]

255
00:18:09 --> 00:18:10
There.

256

00:18:15 --> 00:18:16
You look different.

257

00:18:18 --> 00:18:19
So do you.

258

00:18:20 --> 00:18:22
[Sabrina] Oh, the water's perfect.

259

00:18:25 --> 00:18:25
[laughs]

260

00:18:27 --> 00:18:28
Come on, you two!

261

00:18:38 --> 00:18:39
[laughs]

262

00:18:44 --> 00:18:46
[both laugh]

263

00:18:47 --> 00:18:48
[gasps and sighs]

264

00:18:50 --> 00:18:52
-[all laugh]
-[Sabrina] I could stay here a while.

265

00:18:53 --> 00:18:54
Gods, this feels good.

266

00:18:55 --> 00:18:56
Like you're alive again?

267

00:18:57 --> 00:18:57
[chuckles]

268

00:18:59 --> 00:19:01
Come on, Triss. Join us.

269
00:19:02 --> 00:19:03
Not today.

270
00:19:05 --> 00:19:06
Not yet.

271
00:19:11 --> 00:19:13
You remember Falka.

272
00:19:14 --> 00:19:15
[sighs]

273
00:19:16 --> 00:19:18
[roaring and rumbling]

274
00:19:18 --> 00:19:19
From your studies,

275
00:19:20 --> 00:19:24
you know
she was a power-hungry mutt of a girl...

276
00:19:25 --> 00:19:27
[roaring and screeching]

277
00:19:27 --> 00:19:30
...who cried, "Death to all kings!"

278
00:19:31 --> 00:19:34
when Vridank spurned her elven mother.

279
00:19:35 --> 00:19:37
[screeching]

280
00:19:38 --> 00:19:40
Bent on revenge,

281
00:19:41 --> 00:19:43

-she slaughtered nobility..
-[men scream]

282
00:19:43 --> 00:19:44
-...priests..
-[swords clash]

283
00:19:44 --> 00:19:47
-...even civilians, with her bare hands.
-[women scream]

284
00:19:48 --> 00:19:49
It wasn't enough, though.

285
00:19:50 --> 00:19:52
She preyed on foolish followers,

286
00:19:52 --> 00:19:55
-incited a rebellion.
-[crowd cheering]

287
00:19:55 --> 00:19:57
Together, they burned cities to the ground

288
00:19:58 --> 00:20:00
and sent rivers of innocent blood

289
00:20:00 --> 00:20:02
down the streets of Redania and Temeria.

290
00:20:03 --> 00:20:06
-Anything to reclaim power!
-[crowd yelling]

291
00:20:06 --> 00:20:07
[Istredd] That's not true.

292
00:20:09 --> 00:20:10
[screeching]

293

00:20:11 --> 00:20:14
Falka was a girl forgotten by her family.

294
00:20:15 --> 00:20:18
She was trying
to rightly recover her throne.

295
00:20:18 --> 00:20:19
You weren't there, boy.

296
00:20:19 --> 00:20:20
No, I'm a historian.

297
00:20:20 --> 00:20:24
Falka was quarter elven,
just as Yennefer is.

298
00:20:24 --> 00:20:26
What are you saying?
Yennefer's related to Falka?

299
00:20:26 --> 00:20:28
[Stregobor] Course not.

300
00:20:28 --> 00:20:29
[laughs]

301
00:20:29 --> 00:20:31
A historian should know bloodlines better.

302
00:20:32 --> 00:20:34
[murmuring]

303
00:20:34 --> 00:20:37
But history does have a way
of repeating itself, doesn't it?

304
00:20:39 --> 00:20:40
And I was there.

305

00:20:41 --> 00:20:44
I was there when Falka destroyed Mirthe

306
00:20:46 --> 00:20:47
and all the mages in it.

307
00:20:49 --> 00:20:51
Her violence, etched here...

308
00:20:53 --> 00:20:54
-forever.
-[audience gasp]

309
00:20:57 --> 00:20:59
[whispering]

310
00:21:06 --> 00:21:10
[chuckles] I have always tried
to protect our institutions.

311
00:21:10 --> 00:21:11
To protect...

312
00:21:12 --> 00:21:13
you.

313
00:21:13 --> 00:21:18
If we allow Vilgefartz and Tissaia
to take charge of our council,

314
00:21:18 --> 00:21:21
if we allow our power
to be diluted by elven blood,

315
00:21:22 --> 00:21:25
-Thanedd will be led to ruin.
-No. Yennefer...

316
00:21:26 --> 00:21:28
She would never do something like that.

317
00:21:30 --> 00:21:31
I'm sure of it.

318
00:21:31 --> 00:21:34
King Vridank was sure
of his sweet daughter Falka,

319
00:21:34 --> 00:21:36
and then she axed him in the neck.

320
00:21:38 --> 00:21:41
The only certainty
on this Continent, my boy...

321
00:21:43 --> 00:21:45
is that no one

322
00:21:46 --> 00:21:48
is ever what they seem.

323
00:21:54 --> 00:21:55
[Triss] At Sodden,

324
00:21:56 --> 00:21:58
after I'd been burnt
by that soldier, I was...

325
00:21:59 --> 00:22:01
on the ground, screaming, and..

326
00:22:03 --> 00:22:04
you walked by me.

327
00:22:05 --> 00:22:06
I'm so sorry.

328
00:22:06 --> 00:22:08
-No--
-No, I sent you to that gate.

329
00:22:08 --> 00:22:10
-If I'd have known--
-No.

330
00:22:11 --> 00:22:12
It's not that.

331
00:22:13 --> 00:22:15
We were all there to play a part.

332
00:22:15 --> 00:22:17
We knew we might not survive.

333
00:22:21 --> 00:22:22
I remember thinking,

334
00:22:24 --> 00:22:26
"If only one of us gets to live,

335
00:22:27 --> 00:22:28
I'm so glad it's Yen."

336
00:22:30 --> 00:22:32
We will find a cure for your scars.

337
00:22:32 --> 00:22:33
-I'll talk to Tissaia.
-No.

338
00:22:36 --> 00:22:37
What's lost is lost.

339
00:22:41 --> 00:22:43
I'm not on Tissaia's plaque.

340
00:22:44 --> 00:22:45
I'm not dead.

341
00:22:47 --> 00:22:49

I have to find a new way forward.

342
00:22:54 --> 00:22:55
[poles swooshing]

343
00:23:10 --> 00:23:11
[yells and coughs]

344
00:23:12 --> 00:23:14
[Lambert] That all you got, girl?

345
00:23:14 --> 00:23:15
[Coen] Come on, Ciri.

346
00:23:16 --> 00:23:17
-Let's go back.
-[splutters]

347
00:23:18 --> 00:23:20
-You've had enough.
-[coughs]

348
00:23:46 --> 00:23:48
[yells]

349
00:23:51 --> 00:23:53
Sheesh!

350
00:23:53 --> 00:23:55
[blades swishing]

351
00:24:05 --> 00:24:06
[shrieks]

352
00:24:07 --> 00:24:08
[groans]

353
00:24:08 --> 00:24:09
[wheezes]

354
00:24:09 --> 00:24:10
[whimpers]

355
00:24:15 --> 00:24:18
-[winces]
-[Lambert] Nice try, Princess.

356
00:24:19 --> 00:24:20
Admit it.

357
00:24:20 --> 00:24:22
You belong in a castle,

358
00:24:23 --> 00:24:24
not our keep.

359
00:24:37 --> 00:24:38
[bell ringing]

360
00:24:38 --> 00:24:42
[Hake] That makes 4,000 elves coming in
and more on the way.

361
00:24:42 --> 00:24:45
How exactly do you plan
to feed them, let alone train them?

362
00:24:45 --> 00:24:47
How can you be sure
they won't impede our mission?

363
00:24:47 --> 00:24:50
The White Flame always finds a way.

364
00:24:51 --> 00:24:55
Oh, just as he found a way
to empower you in his absence?

365
00:24:57 --> 00:24:57
Francesca.

366

00:24:59 --> 00:25:01
-Thank you for joining me.
-Of course.

367

00:25:03 --> 00:25:04
[scoffs]

368

00:25:16 --> 00:25:18
Trouble with your men?

369

00:25:20 --> 00:25:22
Are you comfortable here?

370

00:25:22 --> 00:25:23
[chuckles]

371

00:25:24 --> 00:25:26
My people are used to sleeping
on a forest floor.

372

00:25:27 --> 00:25:31
To awaken without the bite of a snake
or the sting of a wasp is a pleasure.

373

00:25:34 --> 00:25:35
What will it cost me?

374

00:25:38 --> 00:25:40
[laughs] We're both smart women.

375

00:25:41 --> 00:25:44
I was told
by someone masquerading as Ithlinne

376

00:25:44 --> 00:25:47
to come here
in order to find Dol Blathanna.

377

00:25:49 --> 00:25:51

You were told by someone masquerading as...

378

00:25:51 --> 00:25:55

Emhyr. To bring you here to fight against
the people who have wronged us both.

379

00:25:55 --> 00:25:58

You suffered great losses in Sodden.

380

00:25:58 --> 00:25:59

You need a new army.

381

00:25:59 --> 00:26:00

[sighs]

382

00:26:02 --> 00:26:04

We are looked upon as imperialists.

383

00:26:05 --> 00:26:07

People, they see our black armor
and they assume

384

00:26:07 --> 00:26:09

that we are here to destroy the world.

385

00:26:10 --> 00:26:11

But we're not.

386

00:26:11 --> 00:26:14

We are trying to feed,

387

00:26:14 --> 00:26:16

to house, to...

388

00:26:17 --> 00:26:18

to liberate.

389

00:26:22 --> 00:26:24

You can help us.

390

00:26:25 --> 00:26:26

How?

391

00:26:27 --> 00:26:29

The elves know the Continent
better than any man,

392

00:26:30 --> 00:26:32

Northern or Nilfgaardian, ever could.

393

00:26:34 --> 00:26:35

I want your partnership.

394

00:26:37 --> 00:26:41

The Deathless Mother may have
brought us together, but you can trust me.

395

00:26:44 --> 00:26:45

I want a home for my people.

396

00:26:47 --> 00:26:48

But, more importantly,

397

00:26:49 --> 00:26:51

I want a place for our future to begin.

398

00:27:00 --> 00:27:01

Can you promise me that?

399

00:27:07 --> 00:27:08

[man 1] ...is desperate...

400

00:27:10 --> 00:27:11

[man 2] ...I'm doing it...

401

00:27:12 --> 00:27:13

...next time, do I need to...

402

00:27:22 --> 00:27:23

Yennefer.

403

00:27:24 --> 00:27:26
What are you doing down here?

404

00:27:26 --> 00:27:28
Staying out from underfoot.

405

00:27:28 --> 00:27:29
Per Tissaia's request.

406

00:27:30 --> 00:27:31
I wish things were different.

407

00:27:33 --> 00:27:34
But...

408

00:27:35 --> 00:27:36
politics--

409

00:27:36 --> 00:27:38
Requires a certain type of person.

410

00:27:39 --> 00:27:41
Calculating. I understand.

411

00:27:42 --> 00:27:43
Yes.

412

00:27:44 --> 00:27:45
Of course you do.

413

00:28:00 --> 00:28:02
[faint voices overlapping]

414

00:28:06 --> 00:28:08
[voices and laughter]

415

00:28:08 --> 00:28:10

[soft groaning]

416

00:28:14 --> 00:28:16

[continues groaning]

417

00:28:29 --> 00:28:30

Oh! [laughs]

418

00:28:31 --> 00:28:32

My condolences.

419

00:28:34 --> 00:28:36

It isn't the end I'd hoped for, no.

420

00:28:36 --> 00:28:39

I hate to break it to you,
but you won't meet an end here.

421

00:28:41 --> 00:28:43

Well, Yennefer of Vengerberg,

422

00:28:44 --> 00:28:47

it seems mages are merciful.

423

00:28:47 --> 00:28:49

-[splutters]

-No, we're practical.

424

00:28:49 --> 00:28:51

Death must serve a purpose.

425

00:28:54 --> 00:28:56

And mine serves none?

426

00:28:56 --> 00:28:58

None whatsoever.

427

00:28:59 --> 00:29:01

-Fringilla told me about you.

-[thump]

428

00:29:03 --> 00:29:06

Your days as schoolmates. [laughs]

429

00:29:14 --> 00:29:15

She envied you.

430

00:29:16 --> 00:29:17

[laughs softly]

431

00:29:18 --> 00:29:19

Then.

432

00:29:31 --> 00:29:33

Ah. What's the hurry, my dear?

433

00:29:33 --> 00:29:35

What is it

with men lurking about this place?

434

00:29:36 --> 00:29:37

[chuckles] Oh, I startled you.

435

00:29:37 --> 00:29:39

So sorry.

436

00:29:47 --> 00:29:48

[yells]

437

00:29:48 --> 00:29:50

I always pegged you as a pervert.

438

00:29:50 --> 00:29:53

[chuckles] Oh, I'd never demean myself
with the likes of you,

439

00:29:54 --> 00:29:55

quarter blood.

440

00:29:55 --> 00:29:57
I prefer Hero of Sodden.

441
00:29:57 --> 00:30:00
Heroes don't go mysteriously missing
for a month after battle.

442
00:30:00 --> 00:30:04
It's telling that you don't understand
such complex concepts as prisoners of war!

443
00:30:05 --> 00:30:06
So...

444
00:30:07 --> 00:30:10
you were in the company of Nilfgaard.

445
00:30:10 --> 00:30:11
[echoing] Nilfgaard, Nilfgaard..

446
00:30:11 --> 00:30:12
Don't get shy now.

447
00:30:13 --> 00:30:15
We have so much more to talk about.

448
00:30:17 --> 00:30:18
Tell me how it felt...

449
00:30:18 --> 00:30:19
[echoing] Tell me how...

450
00:30:20 --> 00:30:21
...to control fire.

451
00:30:21 --> 00:30:22
Fuck you!

452
00:30:25 --> 00:30:27
Or why you returned to Aretuza,

453
00:30:27 --> 00:30:30
a place you once so colorfully conveyed
that you'd, what was it?

454
00:30:30 --> 00:30:31
"Burn it all down"?

455
00:30:32 --> 00:30:33
No?

456
00:30:34 --> 00:30:38
Well... if you don't want to chat
about your true intentions,

457
00:30:38 --> 00:30:42
I'll be forced to use a method
your dear Tissaia's grown so fond of.

458
00:30:43 --> 00:30:44
[intense crackling]

459
00:30:47 --> 00:30:49
[screams]

460
00:30:50 --> 00:30:51
[horse neighs]

461
00:30:52 --> 00:30:55
[screaming]

462
00:30:56 --> 00:30:57
[Yennefer yells]

463
00:30:58 --> 00:30:59
[grunting]

464
00:30:59 --> 00:31:00
[Stregobor] That's more like it.

465
00:31:03 --> 00:31:04
[Tissaia] Stop!

466
00:31:05 --> 00:31:06
[groans]

467
00:31:07 --> 00:31:09
[panting]

468
00:31:15 --> 00:31:16
[hisses]

469
00:31:17 --> 00:31:19
[Tissaia] You will answer to this.

470
00:31:23 --> 00:31:26
I thought the girl
was supposed to be tending your horses.

471
00:31:26 --> 00:31:28
-[horse neighing]
-She was.

472
00:31:30 --> 00:31:32
Training's going well, then.

473
00:31:34 --> 00:31:36
She's a quick study, if impatient.

474
00:31:37 --> 00:31:38
Sounds familiar.

475
00:31:39 --> 00:31:40
[horse snorts]

476
00:31:41 --> 00:31:42
Vesemir...

477
00:31:48 --> 00:31:49

I'm sorry for Eskel.

478

00:31:51 --> 00:31:52

I know, son.

479

00:31:54 --> 00:31:56

And if I was ever a burden...

480

00:31:57 --> 00:31:58

Was?

481

00:31:58 --> 00:32:00

-[laughs]

-Geralt!

482

00:32:02 --> 00:32:03

You need to see this.

483

00:32:06 --> 00:32:07

[sighs]

484

00:32:07 --> 00:32:10

[Lambert] I've told you once,
and I'm not gonna say it again!

485

00:32:10 --> 00:32:12

-[panting]

-Stop showing off!

486

00:32:12 --> 00:32:14

Steady your legs.

487

00:32:15 --> 00:32:16

And breathe, damn it!

488

00:32:16 --> 00:32:19

You're panting like a dying mammoth.

489

00:32:22 --> 00:32:23

[yells]

490
00:32:23 --> 00:32:24
[grunts]

491
00:32:24 --> 00:32:25
[cheering]

492
00:32:36 --> 00:32:37
[gasps]

493
00:32:37 --> 00:32:39
-Stay calm, girl!
-Go on!

494
00:32:39 --> 00:32:40
Yeah!

495
00:32:47 --> 00:32:48
[roars]

496
00:32:52 --> 00:32:53
[panting]

497
00:32:54 --> 00:32:55
[shouts]

498
00:32:56 --> 00:32:57
[groaning]

499
00:32:59 --> 00:33:00
[wheezing]

500
00:33:03 --> 00:33:04
[strains]

501
00:33:04 --> 00:33:05
[roars]

502
00:33:36 --> 00:33:38

[screams]

503

00:34:01 --> 00:34:03

[shouts]

504

00:34:05 --> 00:34:07

[panting]

505

00:34:11 --> 00:34:12

[groans]

506

00:34:13 --> 00:34:14

[whimpers]

507

00:34:18 --> 00:34:20

[coughs]

508

00:34:21 --> 00:34:22

[gasps]

509

00:34:24 --> 00:34:26

So close.

510

00:34:27 --> 00:34:30

You have committed treason

511

00:34:30 --> 00:34:33

against one of our own.

512

00:34:33 --> 00:34:34

[murmuring]

513

00:34:35 --> 00:34:37

Tissaia's pet,

514

00:34:38 --> 00:34:40

Yennefer of Vengerberg,

515

00:34:40 --> 00:34:42

survived fire magic,

516

00:34:43 --> 00:34:46
survived imprisonment by Nilfgaard,

517

00:34:46 --> 00:34:48
survived capture by elves,

518

00:34:48 --> 00:34:53
and now returns
to these hallowed halls unscathed?

519

00:34:53 --> 00:34:56
And we are to unquestioningly believe

520

00:34:56 --> 00:34:58
that she's here with good intentions?

521

00:35:00 --> 00:35:02
I'm not saying she is the enemy.

522

00:35:05 --> 00:35:06
I don't know.

523

00:35:08 --> 00:35:09
Do you?

524

00:35:11 --> 00:35:13
I'm simply saying, Vilgefortz,

525

00:35:14 --> 00:35:17
that if you claim
to want to defend the Brotherhood,

526

00:35:18 --> 00:35:21
as you so vociferously did before Sodden,

527

00:35:21 --> 00:35:27
then you must also be willing to defend it
from threats inside these walls!

528

00:35:28 --> 00:35:29

-[thunder rumbling]

-[heavy rainfall]

529

00:35:32 --> 00:35:34

[Tissaia] We have no other choice.

530

00:35:35 --> 00:35:37

To prove your innocence,
you have to kill

531

00:35:37 --> 00:35:40

-the Nilfgaardian prisoner.

-Is this Vilgefortz talking or you?

532

00:35:41 --> 00:35:42

The hero

533

00:35:42 --> 00:35:43

kills the enemy.

534

00:35:44 --> 00:35:45

Which will prove what?

535

00:35:45 --> 00:35:47

That you are not a spy!

536

00:35:47 --> 00:35:48

Or that I am a killer!

537

00:35:49 --> 00:35:50

[thunder crashes]

538

00:35:50 --> 00:35:53

I'd be gift-wrapping yet another reason
for Stregobor to vilify me!

539

00:35:53 --> 00:35:55

Then tell them the truth.

540
00:35:57 --> 00:35:58
What?

541
00:36:01 --> 00:36:03
That you are not a threat
because you have lost your magic.

542
00:36:11 --> 00:36:13
I know you to your core.

543
00:36:14 --> 00:36:17
Your pain is my pain.

544
00:36:19 --> 00:36:22
Triss is scarred.
Sabrina's bruised. We're all in pain.

545
00:36:23 --> 00:36:24
Yes.

546
00:36:25 --> 00:36:27
-Yes, we are.
-[sighs]

547
00:36:32 --> 00:36:33
[sighs]

548
00:36:37 --> 00:36:38
[sighs heavily]

549
00:36:40 --> 00:36:41
For a month,

550
00:36:42 --> 00:36:43
I've searched the Continent,

551
00:36:44 --> 00:36:47
trying every herb,
every potion, every spell

552
00:36:47 --> 00:36:49
to get back what I had.

553
00:36:49 --> 00:36:51
[sobbing] What I deserve!

554
00:36:55 --> 00:36:56
Tell me how to save myself!

555
00:36:56 --> 00:36:57
[sobs]

556
00:36:58 --> 00:37:00
-I cannot.
-[yells] I don't believe you!

557
00:37:00 --> 00:37:02
-[gasps and sobs]
-[thunder crashes]

558
00:37:03 --> 00:37:06
I want to pierce Cahir's mind.

559
00:37:07 --> 00:37:12
Punish him. Push him towards madness,
all to find out what had happened to you.

560
00:37:13 --> 00:37:16
-I would have done anything.
-[sighs]

561
00:37:18 --> 00:37:19
But what is lost

562
00:37:20 --> 00:37:21
is lost.

563
00:37:26 --> 00:37:28
[gasps] Without it, I'm nothing.

564
00:37:28 --> 00:37:29
Oh!

565
00:37:32 --> 00:37:34
I'm stumbling through darkness.

566
00:37:35 --> 00:37:38
From the moment we met,
you have been trying to fill a void.

567
00:37:38 --> 00:37:42
Power couldn't do it,
even when you had it at your fingertips.

568
00:37:42 --> 00:37:46
-What makes you think it's the answer now?
-Because it's all I have left!

569
00:37:51 --> 00:37:52
[Ciri] I almost had it.

570
00:37:58 --> 00:37:59
I can do it.

571
00:38:01 --> 00:38:03
[Geralt] You can do anything.

572
00:38:08 --> 00:38:09
[winces]

573
00:38:10 --> 00:38:12
Doesn't mean you have to.

574
00:38:17 --> 00:38:19
[sighs]

575
00:38:22 --> 00:38:24
When a witcher cracks his skull,

576

00:38:24 --> 00:38:26
all we need do is stick him in a cot

577

00:38:27 --> 00:38:30
and fill him with veratrum,
spurge, and hawthorn.

578

00:38:31 --> 00:38:33
Chances are, he'll survive.

579

00:38:36 --> 00:38:38
You do not have that luxury.

580

00:38:41 --> 00:38:44
But you said we catch fear.

581

00:38:45 --> 00:38:47
That you have to face it.
You mustn't just give up.

582

00:38:52 --> 00:38:52
That's right.

583

00:38:54 --> 00:38:55
But you have to train first.

584

00:38:57 --> 00:38:58
Well, then let me train.

585

00:38:59 --> 00:39:00
I am.

586

00:39:01 --> 00:39:03
No, you're not. Not enough.

587

00:39:04 --> 00:39:06
I want to be a great fighter.

588

00:39:07 --> 00:39:09

And not just against sacks of straw.

589

00:39:16 --> 00:39:19

I have known many who wanted
to be great fighters in my time.

590

00:39:21 --> 00:39:23

Do you know where they are now?

591

00:39:26 --> 00:39:27

Where?

592

00:39:28 --> 00:39:29

In cemeteries.

593

00:39:32 --> 00:39:33

Ugh!

594

00:39:40 --> 00:39:41

[sighs]

595

00:40:37 --> 00:40:38

[inhales]

596

00:40:45 --> 00:40:48

[Istredd] Where are you going?
Are you fleeing?

597

00:40:48 --> 00:40:51

-Why do you care?
-'Cause I care about you.

598

00:40:52 --> 00:40:54

If you have an ulterior motive,
you can tell me.

599

00:40:54 --> 00:40:56

What, so you can
rat me out to Stregobor? Again?

600

00:40:57 --> 00:40:59
-Oh, come on, Yenna.
-Don't call me that.

601
00:41:01 --> 00:41:02
I lied to the Council.

602
00:41:04 --> 00:41:06
I spent time
amongst Nilfgaard's followers.

603
00:41:07 --> 00:41:08
I talked to them.

604
00:41:09 --> 00:41:12
Heard how they feel protected
under the emperor, how they feel welcomed.

605
00:41:12 --> 00:41:14
I haven't told anyone.

606
00:41:15 --> 00:41:17
But I trust you.

607
00:41:18 --> 00:41:20
-I'm not a spy!
-I'm leaving for Cintra tomorrow,

608
00:41:21 --> 00:41:24
to help the elves who are migrating,
to help people like..

609
00:41:24 --> 00:41:26
Like me? How heroic.

610
00:41:27 --> 00:41:30
If only you were asked to prove
your loyalty by beheading a man.

611
00:41:32 --> 00:41:35
Stregobor has spies

stationed on the towers outside.

612

00:41:35 --> 00:41:38
If you slip out in the night,
you will be caught.

613

00:41:41 --> 00:41:44
But you were never one
to go quietly, were you?

614

00:41:50 --> 00:41:52
[whispering voices overlapping]

615

00:41:52 --> 00:41:54
[old woman] All you lost...

616

00:41:57 --> 00:41:58
[screaming]

617

00:41:58 --> 00:42:00
All you deserve...

618

00:42:01 --> 00:42:03
[cackling]

619

00:42:04 --> 00:42:05
Come to me.

620

00:42:06 --> 00:42:07
Come to me.

621

00:42:15 --> 00:42:17
[faintly echoing] Come to me...

622

00:42:18 --> 00:42:19
-[Ciri grunts]
-[Coen] Again!

623

00:42:22 --> 00:42:24
-[groans]

-[Coen] You keep looking down.

624

00:42:24 --> 00:42:26

That's why you're losing your balance.

625

00:42:26 --> 00:42:29

Your enemies aren't on the ground.

626

00:42:31 --> 00:42:32

-[grunts]

-Again!

627

00:42:35 --> 00:42:36

Good.

628

00:42:36 --> 00:42:37

Eyes up.

629

00:42:37 --> 00:42:39

-[grunts]

-Again!

630

00:42:39 --> 00:42:40

[panting]

631

00:42:42 --> 00:42:45

You said I couldn't train more yesterday.

632

00:42:45 --> 00:42:46

Not today.

633

00:42:46 --> 00:42:49

That strange feeling that you get
like someone's coming after you,

634

00:42:51 --> 00:42:53

can you describe it to me?

635

00:42:56 --> 00:42:57

I don't know.

636

00:42:58 --> 00:42:59
When you think about it,

637

00:42:59 --> 00:43:02
what's the first word
that comes into your mind?

638

00:43:06 --> 00:43:07
A pull.

639

00:43:09 --> 00:43:11
It's... like I'm being pulled.

640

00:43:11 --> 00:43:12
Pulled towards what?

641

00:43:14 --> 00:43:15
I don't know.

642

00:43:24 --> 00:43:25
[Geralt sighs]

643

00:43:27 --> 00:43:29
If you were to follow that feeling,

644

00:43:31 --> 00:43:33
where would it take you?

645

00:43:40 --> 00:43:40
[man roars]

646

00:43:42 --> 00:43:43
The woods.

647

00:43:53 --> 00:43:54
[Ciri] What do you think we'll find here?

648

00:43:58 --> 00:43:59

Why does it want me?

649

00:44:01 --> 00:44:01

Why me?

650

00:44:02 --> 00:44:04

I was at your parents' wedding feast.

651

00:44:05 --> 00:44:07

I saw your mother exhibit...

652

00:44:08 --> 00:44:10

uncontrolled magical power.

653

00:44:12 --> 00:44:15

She destroyed an entire throne room.

654

00:44:16 --> 00:44:18

Given that you're her blood,

655

00:44:20 --> 00:44:22

I think you've inherited that power.

656

00:44:23 --> 00:44:24

Or something like it.

657

00:44:35 --> 00:44:36

Why didn't you tell me?

658

00:44:38 --> 00:44:40

I didn't want to scare you if I was wrong.

659

00:44:43 --> 00:44:45

You said you'd never let
anything happen to me.

660

00:44:46 --> 00:44:47

And I trust you.

661

00:44:48 --> 00:44:51
Good. It's about time.

662
00:44:56 --> 00:44:58
[gasps] I think we're close.

663
00:45:08 --> 00:45:10
[gasps]

664
00:45:14 --> 00:45:15
It's missing a hand.

665
00:45:16 --> 00:45:18
It's Eskel's leshy.

666
00:45:19 --> 00:45:20
[crunching]

667
00:45:20 --> 00:45:22
[snarling]

668
00:45:22 --> 00:45:23
[hissing]

669
00:45:26 --> 00:45:27
[roars]

670
00:45:34 --> 00:45:35
[screams]

671
00:45:42 --> 00:45:44
-[shuddering roar]
-[leshy screeches]

672
00:45:44 --> 00:45:46
[blaring roar]

673
00:45:50 --> 00:45:52
[roars]

674
00:45:52 --> 00:45:54
[snarls]

675
00:45:54 --> 00:45:55
Run!

676
00:46:01 --> 00:46:03
[high-pitched, bleating roar]

677
00:46:10 --> 00:46:10
[groans]

678
00:46:11 --> 00:46:12
[shrieking]

679
00:46:19 --> 00:46:21
[creature's shrieks echoing]

680
00:46:24 --> 00:46:26
[panting]

681
00:46:35 --> 00:46:36
[shrieking continues]

682
00:46:44 --> 00:46:46
[snarling]

683
00:46:48 --> 00:46:50
[echoing shrieks and snarls]

684
00:46:57 --> 00:46:58
[breathing deeply]

685
00:47:09 --> 00:47:11
[echoing shrieks continue]

686
00:47:12 --> 00:47:13
[buzzing and chittering]

687
00:47:17 --> 00:47:19
[screeching]

688
00:47:21 --> 00:47:23
[high-pitched shrieking]

689
00:47:32 --> 00:47:34
[screeches]

690
00:47:34 --> 00:47:36
[bellowing]

691
00:47:39 --> 00:47:40
[roaring]

692
00:47:43 --> 00:47:45
[growling]

693
00:47:46 --> 00:47:47
[snarls]

694
00:47:47 --> 00:47:49
[huffs]

695
00:48:00 --> 00:48:02
[growling]

696
00:48:17 --> 00:48:19
Less than perfect means death.

697
00:48:24 --> 00:48:26
Sir Lazlo would be proud.

698
00:48:27 --> 00:48:29
[birdsong]

699
00:48:46 --> 00:48:48
[Cahir panting]

700
00:48:56 --> 00:48:57
[sighs]

701
00:49:06 --> 00:49:10
Can you at least tell me
what purpose my death serves now?

702
00:49:11 --> 00:49:12
Absolution.

703
00:49:14 --> 00:49:14
Mine?

704
00:49:16 --> 00:49:17
Mine.

705
00:49:23 --> 00:49:27
If the White Flame asks for my sacrifice,
I am ready for the darkness.

706
00:49:30 --> 00:49:33
It is in blindness
that we find our true strength.

707
00:49:34 --> 00:49:35
[sniffs]

708
00:50:03 --> 00:50:05
We thank the Northern Kingdoms

709
00:50:05 --> 00:50:09
for their generous contribution
honoring our fallen.

710
00:50:11 --> 00:50:14
May it stand forever on the Hill!

711
00:50:14 --> 00:50:15
[cheering]

712

00:50:23 --> 00:50:24
Where's Triss?

713

00:50:25 --> 00:50:27
She was summoned away this morning.

714

00:50:29 --> 00:50:32
[Vilgefoltz] In Sodden,
we banded together,

715

00:50:34 --> 00:50:36
to fight not only for the future of magic,

716

00:50:36 --> 00:50:39
but for the future of the Continent.

717

00:50:40 --> 00:50:41
Tragically,

718

00:50:41 --> 00:50:43
our victory came at a great cost.

719

00:50:46 --> 00:50:48
Vanielle of Brugge.

720

00:50:50 --> 00:50:52
Atlan Kerk.

721

00:50:54 --> 00:50:55
Lawdbor of Murivel.

722

00:50:56 --> 00:50:58
[King Foltest] Look there, Vizimir,

723

00:50:58 --> 00:51:00
the sorceress that saved Sodden.

724

00:51:01 --> 00:51:03
Yennefer of Vengerberg.

725

00:51:04 --> 00:51:08
Think she'll put on a fiery display
for us tonight, Foltest?

726

00:51:08 --> 00:51:11
I've heard mages embed these events
with spells to prevent magic.

727

00:51:11 --> 00:51:12
[Vizimir] Yes, well...

728

00:51:13 --> 00:51:16
my adviser Dijkstra says
she's worth keeping an eye on.

729

00:51:17 --> 00:51:18
[Tissaia] Kalia de Torteville.

730

00:51:18 --> 00:51:20
[Foltest sighs] They all are these days.

731

00:51:22 --> 00:51:24
Our most trusted advisers...

732

00:51:24 --> 00:51:26
[Tissaia] Wagens of White Hills.

733

00:51:26 --> 00:51:28
...are becoming less and less trustworthy.

734

00:51:28 --> 00:51:31
[Tissaia] ...C'steczko Tower. Gorazd.

735

00:51:33 --> 00:51:34
Lytta Neyd.

736

00:51:37 --> 00:51:38
Yoël Grethen.

737
00:51:46 --> 00:51:47
Today,

738
00:51:48 --> 00:51:50
we must unite again

739
00:51:51 --> 00:51:52
against a common enemy.

740
00:51:52 --> 00:51:54
[murmurs of agreement]

741
00:51:56 --> 00:51:58
[chains rattling]

742
00:52:09 --> 00:52:10
This Nilfgaardian

743
00:52:11 --> 00:52:12
will be put to death.

744
00:52:16 --> 00:52:17
His head

745
00:52:18 --> 00:52:20
will be sent to Cintra

746
00:52:20 --> 00:52:23
to make our voices heard.

747
00:52:24 --> 00:52:25
The North,

748
00:52:26 --> 00:52:29
kings and mages alike,

749
00:52:31 --> 00:52:35
this is what strength looks like.

750
00:52:35 --> 00:52:36
[cheering]

751
00:52:39 --> 00:52:40
[man] Hear, hear!

752
00:52:41 --> 00:52:42
[applause dies down]

753
00:53:03 --> 00:53:04
[Cahir wheezes]

754
00:53:07 --> 00:53:09
[old woman whispering] Free yourself.

755
00:53:10 --> 00:53:12
Reclaim your power.

756
00:53:13 --> 00:53:17
[voices overlapping] Simply say the words...

757
00:53:17 --> 00:53:18
[gasps]

758
00:53:31 --> 00:53:33
[breathes deeply]

759
00:53:41 --> 00:53:43
[breathing shakily]

760
00:54:03 --> 00:54:05
[breathing heavily]

761
00:54:16 --> 00:54:17
-[grunts]
-[gasps]

762
00:54:17 --> 00:54:19
[crowd groans]

763
00:54:20 --> 00:54:22
[uproar]

764
00:54:37 --> 00:54:38
[neighs]

765
00:54:41 --> 00:54:42
[whinnies]

766
00:54:45 --> 00:54:46
-[snorts]
-Come on, then.

767
00:54:49 --> 00:54:50
Why save me?

768
00:54:50 --> 00:54:51
Don't flatter yourself.

769
00:54:52 --> 00:54:53
I'm saving me.
