

THE WITCHER

CREATED BY

Lauren Schmidt Hissrich

EPISODE 2.04

"Redanian Intelligence"

A guest at Kaer Morhen extends a guiding hand to Ciri – and an invitation to Geralt. On the run in Redania, Yennefer seeks safety below ground.

Donnie Baxter	...	Redanian Prison Guard
Julianna Kurokawa	...	Michaela
Dermot Daly	...	Elven Businessman
Ian Alexander	...	Elven Man
Michele Moran	...	Elven Woman

1

00:00:16 --> 00:00:17
[Gerald] The Trail will test you.

2

00:00:18 --> 00:00:21
Force you to move beyond the pain,

3

00:00:22 --> 00:00:23
the fear,

4

00:00:24 --> 00:00:25
the failure.

5

00:00:26 --> 00:00:27
[gasps]

6

00:00:29 --> 00:00:31
Until you become one
with the killer itself.

7

00:00:34 --> 00:00:38
Remember, hesitation
will draw danger to you like fire.

8

00:00:39 --> 00:00:41
But trust the path you choose...

9

00:00:44 --> 00:00:46
and it will protect you.

10

00:00:46 --> 00:00:48
[Ciri panting]

11

00:00:48 --> 00:00:49
Even in darkness.

12

00:00:50 --> 00:00:51
[gasps]

13

00:00:54 --> 00:00:56

As long as you listen.

14
00:00:56 --> 00:00:58
Always listen.

15
00:00:58 --> 00:00:59
-[distant roaring]
-[gasps]

16
00:01:04 --> 00:01:05
[bellowing]

17
00:01:17 --> 00:01:19
-[distant screeching]
-[panting]

18
00:01:21 --> 00:01:22
[growling]

19
00:01:23 --> 00:01:24
[blade rings]

20
00:01:25 --> 00:01:27
[loud screeching]

21
00:01:31 --> 00:01:32
[gasps]

22
00:01:33 --> 00:01:34
[groans]

23
00:01:34 --> 00:01:36
[growling]

24
00:01:37 --> 00:01:38
[sighs]

25
00:01:40 --> 00:01:41
-[sighs]
-[branch breaks]

26

00:01:42 --> 00:01:44
[Triss] Don't be scared.

27

00:01:44 --> 00:01:46
I'm not going to hurt you.

28

00:01:49 --> 00:01:50
You're a girl.

29

00:01:52 --> 00:01:53
So are you.

30

00:01:53 --> 00:01:55
I'm going to Kaer Morhen.

31

00:01:55 --> 00:01:57
Is that where you're headed?

32

00:01:59 --> 00:02:02
I appreciate the suspicion,
but be reasonable.

33

00:02:03 --> 00:02:05
Would I have gotten this far
if I didn't know the way?

34

00:02:08 --> 00:02:09
Let me look.

35

00:02:10 --> 00:02:12
[bird croaking]

36

00:02:21 --> 00:02:22
[Speaking in Elder]

37

00:02:28 --> 00:02:29
[chuckles]

38

00:02:29 --> 00:02:30
Your heart beat faster.

39
00:02:32 --> 00:02:33
I heard it.

40
00:02:41 --> 00:02:42
It's nice to meet you.

41
00:02:47 --> 00:02:49
You-- you're a sorceress, like Yennefer.

42
00:02:50 --> 00:02:50
[Geralt] Triss.

43
00:02:53 --> 00:02:55
And a friend of Geralt's.

44
00:02:55 --> 00:02:57
You must be quite charitable.

45
00:02:57 --> 00:02:58
[laughs]

46
00:03:00 --> 00:03:02
It's good to see you again.

47
00:03:03 --> 00:03:04
And you.

48
00:03:11 --> 00:03:12
[Geralt] I brought dinner.

49
00:03:13 --> 00:03:15
More than that.

50
00:03:16 --> 00:03:19
My child, what a surprise.

51

00:03:20 --> 00:03:21

Hello, Vesemir.

52

00:03:22 --> 00:03:25

Oh, hell,
haven't even had me fill of grog yet,

53

00:03:25 --> 00:03:27

and already, the women are doubling.

54

00:03:29 --> 00:03:31

-Merigold.

-Lambert.

55

00:03:31 --> 00:03:34

I see your wounds have improved,
but your manners have not.

56

00:03:34 --> 00:03:35

[laughing]

57

00:03:35 --> 00:03:39

I wish you'd come sooner.
We all could have used you.

58

00:03:39 --> 00:03:41

Hopefully, we still can.

59

00:03:42 --> 00:03:43

Your turn, boys. Get to it.

60

00:03:44 --> 00:03:48

I'll go and dress for dinner. I assume
you'll all want to wash up as well?

61

00:03:49 --> 00:03:50

[Coen scoffs]

62

00:03:50 --> 00:03:52

[chuckling]

63

00:03:52 --> 00:03:54
Of course not.

64

00:03:56 --> 00:03:59
So how do you two know each other?

65

00:04:02 --> 00:04:03
[sighs]

66

00:04:05 --> 00:04:06
[crows cawing]

67

00:04:11 --> 00:04:14
-[handbell ringing]
-[crier] People of Gors Velen,

68

00:04:14 --> 00:04:16
the end is nigh!

69

00:04:16 --> 00:04:20
The Wild Hunt walks among us.

70

00:04:20 --> 00:04:23
-Get in there, you elven pig.
-[crier] The end is nigh!

71

00:04:23 --> 00:04:26
The end is nigh!

72

00:04:26 --> 00:04:31
Nilfgaard are our punishment
from the gods!

73

00:04:32 --> 00:04:34
[guard] Keep it moving!

74

00:04:34 --> 00:04:36
Take your mind off it, Beardell.

75

00:04:36 --> 00:04:39
I have done. For the past hour.

76
00:04:39 --> 00:04:42
Stop! That is enough from the two of you!

77
00:04:42 --> 00:04:44
Stop fidgeting!

78
00:04:44 --> 00:04:45
[cries out]

79
00:04:45 --> 00:04:47
Shut up and get over here!

80
00:04:47 --> 00:04:49
[prisoner mumbling]

81
00:04:49 --> 00:04:52
-I need to relieve myself.
-We'll reach our destination by sundown.

82
00:04:53 --> 00:04:54
-Where are you taking us?
-Shut up!

83
00:04:54 --> 00:04:57
Please, sir. I can't wait.

84
00:04:57 --> 00:04:59
Could I be escorted to an alley?

85
00:05:00 --> 00:05:01
You can restrain me.

86
00:05:04 --> 00:05:06
Yeah, well, if it can't wait,
it can't wait, can it?

87
00:05:06 --> 00:05:09

[sighs] Thank you, sir.

88

00:05:11 --> 00:05:12

Go on, then.

89

00:05:13 --> 00:05:14

Relieve yourself.

90

00:05:23 --> 00:05:24

You elf scum.

91

00:05:33 --> 00:05:34

Come on, then!

92

00:05:35 --> 00:05:38

-Move, you pointies!
-[crier] The Wild Hunt!

93

00:05:38 --> 00:05:42

The Wild Hunt walks among us!

94

00:05:42 --> 00:05:45

Watch for the signs!

95

00:05:46 --> 00:05:49

The market is too crowded.
Soldiers are everywhere.

96

00:05:49 --> 00:05:50

Portal us out of here.

97

00:05:51 --> 00:05:53

I can't. Portals can be tracked.

98

00:05:54 --> 00:05:56

Then explain to me
how you're not dead weight.

99

00:05:56 --> 00:05:59

Looked in the mirror lately?

Prison didn't do you any favors.

100

00:05:59 --> 00:06:03

I have a mission to complete.
We must get back to Cintra.

101

00:06:03 --> 00:06:06

Sure. The Nilfgaardians
will be thrilled to have me.

102

00:06:06 --> 00:06:09

We can reminisce
and share fond memories of Sodden.

103

00:06:09 --> 00:06:12

You'll be entering with their commander
general. They'll make new memories.

104

00:06:12 --> 00:06:14

They already are. With the elves.

105

00:06:14 --> 00:06:16

[horse whinnies]

106

00:06:16 --> 00:06:17

Oh, you didn't know.

107

00:06:18 --> 00:06:19

Reclaimed as Xin'trea.

108

00:06:20 --> 00:06:22

-Under Fringilla's leadership.
-Fringilla?

109

00:06:23 --> 00:06:25

Funny how quickly people forget about you

110

00:06:25 --> 00:06:28

when you're no longer of use to them,
isn't it?

111
00:06:28 --> 00:06:30
[crows cawing]

112
00:06:32 --> 00:06:34
[screeching]

113
00:07:02 --> 00:07:03
[Cahir] We're not safe here.

114
00:07:04 --> 00:07:05
We are not a "we."

115
00:07:05 --> 00:07:06
[townspeople whispering]

116
00:07:09 --> 00:07:11
[horse neighing]

117
00:07:12 --> 00:07:13
Cintra it is.

118
00:07:29 --> 00:07:32
King Vizimir, the Northern Kingdoms
are united by a common enemy now,

119
00:07:32 --> 00:07:34
but it is a tenuous alliance.

120
00:07:34 --> 00:07:37
Opportunists and assassins lurk
where you least expect them.

121
00:07:37 --> 00:07:38
I will not live in fear.

122
00:07:38 --> 00:07:40
[man] Nor would we ask you to.

123
00:07:40 --> 00:07:43

We only want to serve Redania
as best we can.

124
00:07:44 --> 00:07:47
-[grunts]
-Ugh.

125
00:07:47 --> 00:07:48
[choking]

126
00:07:51 --> 00:07:54
-[Vizimir] Dijkstra?
-Good afternoon, Your Highness.

127
00:07:59 --> 00:08:00
[gasps]

128
00:08:09 --> 00:08:10
Drink it.

129
00:08:11 --> 00:08:12
[breathing shakily]

130
00:08:14 --> 00:08:15
Now.

131
00:08:21 --> 00:08:21
[gasps]

132
00:08:27 --> 00:08:28
-[gulps]
-[goblet falls]

133
00:08:30 --> 00:08:31
Oh!

134
00:08:32 --> 00:08:33
[gurgling]

135
00:08:35 --> 00:08:37

[sighs] Apologies for the theatrics,
Your Highness,

136

00:08:37 --> 00:08:38
but I just had to be sure.

137

00:08:38 --> 00:08:39
Fuckers.

138

00:08:40 --> 00:08:42
Do you know,
I've known him since I was 12.

139

00:08:43 --> 00:08:45
Even traitors speak the truth.

140

00:08:46 --> 00:08:47
[grunts]

141

00:08:47 --> 00:08:50
The Northern Kingdoms
have formed an alliance

142

00:08:50 --> 00:08:52
based on their mutual hatred of elves.

143

00:08:53 --> 00:08:55
But, and if you'll excuse me
for saying so, Your Highness,

144

00:08:56 --> 00:08:57
we shouldn't give a shit.

145

00:08:58 --> 00:09:02
What'll happen
once the elves are rounded up and killed?

146

00:09:03 --> 00:09:05
Once they've escaped to Cintra?

147

00:09:05 --> 00:09:10
Why did Nilfgaard go to all the trouble
of taking the Continent's crown jewel

148
00:09:11 --> 00:09:12
only to fill it with hungry mouths?

149
00:09:12 --> 00:09:15
Yes, speaking of which,
I'm starving, Dijkstra. Get to the point.

150
00:09:15 --> 00:09:18
Cintra is the point, Your Highness.

151
00:09:20 --> 00:09:23
We would never have taken it
from Calanthe.

152
00:09:24 --> 00:09:25
But now..

153
00:09:29 --> 00:09:31
Cintra could be ours?

154
00:09:31 --> 00:09:32
If we're smart.

155
00:09:42 --> 00:09:43
Leave it with us.

156
00:10:03 --> 00:10:05
[Ciri] I'm starving. Can I start?

157
00:10:05 --> 00:10:07
[Triss] It's quieter in here
than I remember.

158
00:10:07 --> 00:10:10
-[Coen] More food for the rest of us.
-[man 1] My belly's cooled down.

159

00:10:10 --> 00:10:11
[man 2] Talking of bellies..

160

00:10:11 --> 00:10:13
Aren't there any herbs
or mushrooms for me today?

161

00:10:14 --> 00:10:15
In December?

162

00:10:15 --> 00:10:18
[coughs] That windmill
knock your head about, Princess?

163

00:10:21 --> 00:10:23
-Right.
-[clears throat]

164

00:10:23 --> 00:10:24
[men laughing]

165

00:10:26 --> 00:10:28
So, Geralt said you saved his life.

166

00:10:31 --> 00:10:33
He found himself in my kingdom a time ago.

167

00:10:34 --> 00:10:35
Helped me with a..

168

00:10:36 --> 00:10:37
a princess in trouble.

169

00:10:37 --> 00:10:39
Nastier than you, even.

170

00:10:39 --> 00:10:40
-Hm!
-[Triss] He's not joking.

171

00:10:41 --> 00:10:43
She took a big chunk out of him.

172

00:10:44 --> 00:10:46
But he saved her anyway.

173

00:10:46 --> 00:10:48
Well, you healed my cheek.

174

00:10:49 --> 00:10:51
Seems pretty impressive too.

175

00:10:56 --> 00:10:57
I like your dress.

176

00:10:59 --> 00:11:00
Thank you.

177

00:11:02 --> 00:11:03
Would you like me
to show you around the keep?

178

00:11:04 --> 00:11:06
I actually know this place pretty well.

179

00:11:06 --> 00:11:10
When Geralt told me what Triss had done
for him, I invited her here.

180

00:11:12 --> 00:11:14
I brought her here for you.

181

00:11:16 --> 00:11:17
To help guide you.

182

00:11:19 --> 00:11:21
What, like Mousesack did for my mother?

183

00:11:23 --> 00:11:25

Just like Mousesack.

184

00:11:29 --> 00:11:30
But now it's time for bed.

185

00:11:32 --> 00:11:33
I'm not tired.

186

00:11:33 --> 00:11:35
[Coen] All right, come on, you little rat.

187

00:11:35 --> 00:11:37
I'll play a few rounds of snaps
with you before bed.

188

00:11:37 --> 00:11:39
Maybe I might even let you win.

189

00:11:40 --> 00:11:42
[scoffs] Yeah, you wish!

190

00:11:45 --> 00:11:46
Night, everyone.

191

00:11:46 --> 00:11:47
Good night.

192

00:11:47 --> 00:11:49
-Good night, Ciri.
-[Lambert] Night.

193

00:11:49 --> 00:11:51
-[Coen] Night, all.
-[Geralt] Good night.

194

00:11:51 --> 00:11:53
[Coen] So, you think
you can beat me, do you?

195

00:11:56 --> 00:11:57

So how do you two know each other?

196
00:11:59 --> 00:12:00
[sighs]

197
00:12:01 --> 00:12:02
[dog barking]

198
00:12:04 --> 00:12:06
[Cahir] We can steal our way
onto a boat at dawn.

199
00:12:06 --> 00:12:09
-[man 1 laughing]
-[man 2] Oi! What's under the hat?

200
00:12:09 --> 00:12:11
[man 1] Look! I knew it. A fucking elf!

201
00:12:11 --> 00:12:12
[grunting]

202
00:12:12 --> 00:12:15
-Get down boy. Stay down!
-Pointy fuck!

203
00:12:15 --> 00:12:16
Come.

204
00:12:23 --> 00:12:25
You two. Thought you could get away?

205
00:12:25 --> 00:12:27
[yells]

206
00:12:31 --> 00:12:32
[gasping]

207
00:12:35 --> 00:12:37
-I had that covered.

-Course you did.

208

00:12:41 --> 00:12:42

[Cahir] Down here!

209

00:12:47 --> 00:12:49

[Yennefer groans]

210

00:12:49 --> 00:12:50

Oh, shit.

211

00:12:50 --> 00:12:52

Shit, shit. [sighs]

212

00:12:54 --> 00:12:56

We're safer down here
than we are up there.

213

00:12:57 --> 00:12:59

-[grunts]

-Make a move and lose your head!

214

00:13:00 --> 00:13:01

[flame gusts]

215

00:13:04 --> 00:13:05

Stay back!

216

00:13:05 --> 00:13:07

We're not here to hurt you.

217

00:13:07 --> 00:13:08

-[Cahir grunts]

-[yelps]

218

00:13:09 --> 00:13:11

[yells] I'm still thinking it over!

219

00:13:11 --> 00:13:12

Run, Dermain. Run! Run like hell!

220

00:13:13 --> 00:13:15
I'm not abandoning you.
I'll stay and fight.

221

00:13:18 --> 00:13:19
You don't really want to hurt me.

222

00:13:20 --> 00:13:22
Dermain, was it?

223

00:13:26 --> 00:13:28
Traitorous elven mage,
from the posters, you're her!

224

00:13:33 --> 00:13:35
And the wanted Nilfgaardian soldier!

225

00:13:37 --> 00:13:38
Ba'lian, they're on our side!

226

00:13:40 --> 00:13:44
No one's on our side, you trusting idiot.

227

00:13:44 --> 00:13:46
Are you going to the Sandpiper?

228

00:13:46 --> 00:13:48
Shut up, damn it! Shut up!

229

00:13:48 --> 00:13:51
The Sandpiper is an angel of refuge
to the persecuted.

230

00:13:51 --> 00:13:53
-What is he saying?
-All right, all right!

231

00:13:54 --> 00:13:56
[panting]

232
00:13:56 --> 00:13:57
[sighs] Um...

233
00:13:58 --> 00:13:59
The Sandpiper

234
00:14:00 --> 00:14:02
helps elves get to Xin'trea.

235
00:14:03 --> 00:14:05
We get to Oxenfurt,

236
00:14:05 --> 00:14:06
he puts us on a boat.

237
00:14:08 --> 00:14:09
It's just the two of us.

238
00:14:09 --> 00:14:12
If you know a way to Cintra and help us,

239
00:14:12 --> 00:14:15
I can assure you
your pick of land on our safe return.

240
00:14:23 --> 00:14:26
If there's no room,
we'll catch the next boat.

241
00:14:29 --> 00:14:30
I promise.

242
00:14:37 --> 00:14:38
[sighing] Oh, for fuck's sake.

243
00:14:41 --> 00:14:42
[sighs heavily]

244

00:14:43 --> 00:14:44
All right. Come on.

245
00:14:55 --> 00:14:56
You're very pretty.

246
00:15:04 --> 00:15:07
It appears you have some use after all.

247
00:15:08 --> 00:15:10
Thankfully, men remain simple.

248
00:15:18 --> 00:15:19
[echoing crash]

249
00:15:20 --> 00:15:22
[crash]

250
00:15:23 --> 00:15:25
[gurgling growl]

251
00:15:28 --> 00:15:31
So your surprise was more surprising
than you'd imagined.

252
00:15:32 --> 00:15:33
And mysterious.

253
00:15:34 --> 00:15:37
She won't tell me anything
from before the fall of Cintra.

254
00:15:38 --> 00:15:39
[sighs]

255
00:15:40 --> 00:15:43
Well, if her mother
did have powers, as you say,

256
00:15:43 --> 00:15:46

if she was a mage
who never properly harnessed,

257

00:15:46 --> 00:15:49
the child could have inherited
an evolved version of it.

258

00:15:50 --> 00:15:52
But it's an untested theory.

259

00:15:52 --> 00:15:55
When did Ciri start
exhibiting signs of Chaos?

260

00:15:56 --> 00:15:57
That's the issue.

261

00:15:58 --> 00:16:01
She hasn't exhibited
any typical indicators of Chaos.

262

00:16:01 --> 00:16:05
-She can't even form witcher signs.
-What do you mean by "typical"?

263

00:16:06 --> 00:16:08
She might have the power of foresight.

264

00:16:09 --> 00:16:11
She seems to have visions

265

00:16:11 --> 00:16:13
of things that have yet to come to pass.

266

00:16:13 --> 00:16:14
Like what?

267

00:16:17 --> 00:16:20
She saw me
at the aftermath of Sodden Hill.

268
00:16:20 --> 00:16:21
Before it happened.

269
00:16:24 --> 00:16:26
[sighs softly]

270
00:16:27 --> 00:16:29
No one should have to gaze
upon that carnage.

271
00:16:31 --> 00:16:32
That loss.

272
00:16:37 --> 00:16:38
There's more.

273
00:16:40 --> 00:16:41
Ciri felt something else.

274
00:16:43 --> 00:16:44
A pull.

275
00:16:45 --> 00:16:48
Toward the leshy that turned Eskel.

276
00:16:49 --> 00:16:51
Like a compass to a magnet,
she led me straight to it.

277
00:16:52 --> 00:16:53
And then this..

278
00:16:56 --> 00:16:57
tore it in half

279
00:16:57 --> 00:16:59
and charged us.

280
00:16:59 --> 00:17:00

[Triss] Gods...

281

00:17:01 --> 00:17:04

-What is it?

-I've never seen anything like it.

282

00:17:04 --> 00:17:06

But it did try to get her.

283

00:17:07 --> 00:17:08

Both of them did.

284

00:17:09 --> 00:17:10

To do what?

285

00:17:11 --> 00:17:14

I didn't let it live long enough
to find out.

286

00:17:15 --> 00:17:16

Could a mage have made this?

287

00:17:17 --> 00:17:18

Theoretically.

288

00:17:18 --> 00:17:20

But generating monsters
has been outlawed for centuries.

289

00:17:20 --> 00:17:24

Oh, outlawed.

So definitely not a mage, then.

290

00:17:24 --> 00:17:25

[laughs]

291

00:17:27 --> 00:17:29

There is one way to find out.

292

00:17:34 --> 00:17:35

May I?

293

00:17:46 --> 00:17:48
[Speaking in Elder]

294

00:17:49 --> 00:17:51
[Speaking in Elder]

295

00:17:58 --> 00:18:01
If there is any sign of mutagenic alchemy,

296

00:18:01 --> 00:18:03
if a mage has been involved,

297

00:18:03 --> 00:18:05
that component will glow.

298

00:18:08 --> 00:18:10
We'll know by morning.

299

00:18:12 --> 00:18:14
-But why would a mage want her?
-[sighs]

300

00:18:15 --> 00:18:16
I don't know.

301

00:18:18 --> 00:18:19
Mages, Nilfgaard,

302

00:18:21 --> 00:18:23
something dark lies ahead of her.

303

00:18:26 --> 00:18:27
I can feel it.

304

00:18:28 --> 00:18:29
That's why I'm training her.

305

00:18:30 --> 00:18:33
I won't be here forever to protect her.

306
00:18:40 --> 00:18:41
I'm sorry about Eskel.

307
00:18:42 --> 00:18:43
I'm sorry about Sodden.

308
00:18:48 --> 00:18:49
Those who died, I...

309
00:18:50 --> 00:18:53
I say their names at night
when I lay down, so I don't forget.

310
00:18:56 --> 00:18:57
Atlan Kerk.

311
00:18:58 --> 00:19:00
Vanielle of Brugge.

312
00:19:01 --> 00:19:03
Axel Raby.

313
00:19:04 --> 00:19:05
-Dagobert--
-Stop.

314
00:19:07 --> 00:19:08
If it's up to me,

315
00:19:09 --> 00:19:11
everyone will know their names.

316
00:19:12 --> 00:19:14
They can live on in our memories.

317
00:19:17 --> 00:19:18
Perhaps something more.

318
00:19:20 --> 00:19:21
[sighs]

319
00:19:21 --> 00:19:22
Oh.

320
00:19:23 --> 00:19:24
You witchers,

321
00:19:25 --> 00:19:27
you pretend not to have emotions,

322
00:19:28 --> 00:19:29
but you do.

323
00:19:30 --> 00:19:32
I know you feel it too.

324
00:19:33 --> 00:19:34
[whispers] All of it.

325
00:19:36 --> 00:19:37
Normal love,

326
00:19:38 --> 00:19:39
normal hatred,

327
00:19:41 --> 00:19:44
normal pain, fear and regret,

328
00:19:46 --> 00:19:47
normal joy,

329
00:19:49 --> 00:19:50
and normal sadness.

330
00:19:58 --> 00:20:00
[sighs]

331
00:20:01 --> 00:20:02
Stay with me tonight.

332
00:20:02 --> 00:20:04
-Triss.
-Only stay.

333
00:20:05 --> 00:20:06
Let's not be alone.

334
00:20:14 --> 00:20:16
I'm sorry.

335
00:20:22 --> 00:20:23
[gasps]

336
00:20:24 --> 00:20:25
[sighs]

337
00:20:33 --> 00:20:35
[echoing croaking]

338
00:20:35 --> 00:20:36
What is this place?

339
00:20:36 --> 00:20:38
Old elven aqueducts.

340
00:20:38 --> 00:20:41
Humans built their world
on top of our ruins.

341
00:20:47 --> 00:20:48
Hand me a torch.

342
00:20:58 --> 00:21:00
Who did this to you?

343

00:21:06 --> 00:21:07
This is important.

344
00:21:07 --> 00:21:08
Yeah, all right, all right.

345
00:21:11 --> 00:21:15
Some villagers came at us
at a tavern, a week back.

346
00:21:15 --> 00:21:17
We work... well, worked

347
00:21:18 --> 00:21:20
at the bank in Gors Velen.

348
00:21:20 --> 00:21:22
It's dwarf-owned,

349
00:21:22 --> 00:21:24
so the owner...

350
00:21:25 --> 00:21:26
let us escape

351
00:21:27 --> 00:21:28
before the guards

352
00:21:28 --> 00:21:30
came in for a roundup.

353
00:21:32 --> 00:21:34
Ever since
the elves took refuge in Xin'trea,

354
00:21:34 --> 00:21:36
the North have been claiming

355
00:21:36 --> 00:21:38
that we're all sleeper agents

for Nilfgaard.

356

00:21:39 --> 00:21:40
Sounds familiar.

357

00:21:42 --> 00:21:43
Oh, I doubt that.

358

00:21:44 --> 00:21:46
All we can hope for now is to survive.

359

00:22:00 --> 00:22:04
There's said to be a pregnant elf
in Xin'trea.

360

00:22:04 --> 00:22:06
Think of it, Bal. A new beginning.

361

00:22:06 --> 00:22:07
It's a fairy tale.

362

00:22:07 --> 00:22:10
We don't have the fight left anymore
to start anew.

363

00:22:10 --> 00:22:12
The North have made sure of that.

364

00:22:12 --> 00:22:14
Fuck the North!

365

00:22:14 --> 00:22:15
Yeah, I know. Fuck the North!

366

00:22:17 --> 00:22:20
No. I'm starting anew.

367

00:22:20 --> 00:22:24
Get a little patch of land,
raise some chickens.

368
00:22:24 --> 00:22:28
Find a buxom, raven-haired woman

369
00:22:28 --> 00:22:32
to boss me around.

370
00:22:33 --> 00:22:34
[Ba'lian scoffs]

371
00:22:34 --> 00:22:35
I'll borrow your hope, then.

372
00:22:38 --> 00:22:39
[loud croaking]

373
00:22:39 --> 00:22:42
Come on, help him! Help me!

374
00:22:42 --> 00:22:43
[yells] What the fuck is it?

375
00:22:43 --> 00:22:45
[Cahir] I can't see a thing!

376
00:22:45 --> 00:22:46
Help us!

377
00:22:46 --> 00:22:48
-[Yennefer] Pull!
-[croaking]

378
00:22:48 --> 00:22:49
[screeching]

379
00:22:50 --> 00:22:51
-No!
-Hey! Come back!

380

00:22:52 --> 00:22:53
-No!
-No!

381
00:22:53 --> 00:22:55
-[both yelling]
-[creature croaking]

382
00:22:56 --> 00:22:58
-No! No! He's gone!
-[gasps]

383
00:22:59 --> 00:23:00
Fuck!

384
00:23:07 --> 00:23:08
[panting]

385
00:23:10 --> 00:23:10
Shit.

386
00:23:13 --> 00:23:15
-[gasps]
-[grunts]

387
00:23:15 --> 00:23:17
-Got you!
-[creature growling]

388
00:23:17 --> 00:23:18
[Yennefer gasping]

389
00:23:18 --> 00:23:21
-[creature roaring]
-[groans] Kill it! Use your magic!

390
00:23:22 --> 00:23:23
[screams] I can't!

391
00:23:26 --> 00:23:28
-[yells]

-[screams] Get off!

392

00:23:28 --> 00:23:29

Move!

393

00:23:29 --> 00:23:31

Come on! Let's go!

394

00:23:36 --> 00:23:38

-[Cahir gasping]

-[Yennefer] Fuck! Fuck, fuck, fuck!

395

00:23:38 --> 00:23:40

Fuck, fuck!

396

00:23:40 --> 00:23:41

What the fuck is the point?

397

00:23:41 --> 00:23:43

-Of screaming?

-Of anything!

398

00:23:43 --> 00:23:44

-[groans]

-[sobbing]

399

00:23:44 --> 00:23:46

You're born helpless so you find strength.

400

00:23:46 --> 00:23:49

Then that's all they want you for,
to use you. [sobs]

401

00:23:49 --> 00:23:51

-And you find love, but it isn't real.

-[sighs]

402

00:23:51 --> 00:23:55

It's-- it's a wish someone made once,
before they even knew who you were.

403

00:23:55 --> 00:23:58
And you-- you find power,

404

00:23:58 --> 00:24:00
and it turns to ash in your hands!

405

00:24:00 --> 00:24:01
-Hey!
-[gasps]

406

00:24:01 --> 00:24:03
[both breathing heavily]

407

00:24:04 --> 00:24:06
You were incredible that day in Sodden.

408

00:24:07 --> 00:24:08
The fire.

409

00:24:13 --> 00:24:14
-[sobs]
-[sighs]

410

00:24:17 --> 00:24:18
Oh...

411

00:24:18 --> 00:24:20
Oh, that's what did you in, isn't it?

412

00:24:23 --> 00:24:24
It stole your power.

413

00:24:24 --> 00:24:26
[gasps]

414

00:24:26 --> 00:24:28
[Cahir sighs]

415

00:24:28 --> 00:24:29

[sobs]

416

00:24:30 --> 00:24:31

We all have our time in the sun.

417

00:24:31 --> 00:24:33

[sighs]

418

00:24:33 --> 00:24:35

Your magic has served its purpose.

419

00:24:36 --> 00:24:39

[sighs] Perhaps there's a bigger plan
out there for you now.

420

00:24:39 --> 00:24:41

Yes, yes, yes, the benevolent White Flame

421

00:24:41 --> 00:24:44

who brings purpose
and meaning and all that fuckery!

422

00:24:44 --> 00:24:45

Skip the recruitment speech.

423

00:24:46 --> 00:24:49

-Fringilla already gave it.
-Fringilla is devoted to the cause.

424

00:24:49 --> 00:24:50

[yells] Oh!

425

00:24:50 --> 00:24:53

The most important thing
