-Stay where you are!
-[neighs]

198
00:11:03 --> 00:11:04
-[whooshing]
-[yells]

199
00:11:08 --> 00:11:09
[soldier gasps]

200
00:11:11 --> 00:11:11
See?

201
00:11:12 --> 00:11:13
I am helpful.

202
00:11:13 --> 00:11:14

[horse snorts]

203

00:11:16 --> 00:11:17

Hmm.

204

00:11:23 --> 00:11:24

[poles swishing]

205

00:11:33 --> 00:11:35

I've been looking for you all over!

206

00:11:36 --> 00:11:38

Given up on magic lessons already?

207

00:11:38 --> 00:11:41

Geralt said when you know how to fight something, it becomes less threatening.

208

00:11:44 --> 00:11:47

-Do you even know what you're fighting?
-[grunting]

209

00:11:48 --> 00:11:49

Come inside.

210

00:11:49 --> 00:11:52

Let's do something
that will actually challenge you.

211

00:11:53 --> 00:11:54

I'll be in soon.

212

00:12:01 --> 00:12:02

[grunting]

213

00:12:07 --> 00:12:08

Are we going to talk about this?

214

00:12:08 --> 00:12:11

-There's nothing to talk about.

-The hell there isn't.

215

00:12:11 --> 00:12:15

-A Cintran princess with Elder blood.
-Legends aren't science.

216

00:12:15 --> 00:12:18

We don't know
that Elder blood can make witcher mutagen.

217

00:12:18 --> 00:12:20

We don't even really know what it is!

218

00:12:21 --> 00:12:22

[sighs]

219

00:12:23 --> 00:12:24

I watch my men die,

220

00:12:26 --> 00:12:28

waiting for the final blow to destroy us.

221

00:12:28 --> 00:12:31

But now, Ciri is here.

222

00:12:31 --> 00:12:33

And you arrive too.

223

00:12:33 --> 00:12:35

It can't be a coincidence.

224

00:12:35 --> 00:12:37

She is a living, breathing girl.

225

00:12:37 --> 00:12:40

Not some tool
for you to use when you're desperate.

226

00:12:42 --> 00:12:43

I'm not desperate.

227
00:12:45 --> 00:12:46
I'm hopeful.

228
00:12:48 --> 00:12:50
For the first time in a long time.

229
00:12:52 --> 00:12:54
You, me, and Ciri,

230
00:12:55 --> 00:12:58
we have a chance
to do something extraordinary.

231
00:13:01 --> 00:13:02
[sighs]

232
00:13:03 --> 00:13:06
I liked you better
when you were a cynical old codger.

233
00:13:11 --> 00:13:12
If we do this...

234
00:13:14 --> 00:13:16
it's because she wants to.

235
00:13:17 --> 00:13:18
She gets to decide.

236
00:13:22 --> 00:13:24
[Ciri grunting]

237
00:13:28 --> 00:13:30
[horse whinnying]

238
00:13:34 --> 00:13:36
[woman] Get off my daughter!

239

00:13:36 --> 00:13:38
Leave her alone, now!

240
00:13:38 --> 00:13:40
You cannot do this! Stop!

241
00:13:41 --> 00:13:41
[sobbing] No!

242
00:13:41 --> 00:13:44
-[girl] Mummy, don't let them take me!
-[mother] It's okay!

243
00:13:44 --> 00:13:45
-[mother] Give her back.
-[girl] Mummy!

244
00:13:46 --> 00:13:47
-Get your hands off my daughter!
-Mummy!

245
00:13:47 --> 00:13:49
-[man] Dirty little--
-[mother] No, stop!

246
00:13:49 --> 00:13:51
[speaking in Elder]

247
00:13:52 --> 00:13:55
[repeating spell]

248
00:13:56 --> 00:13:58
[old woman] Your power, you need it.

249
00:13:58 --> 00:14:00
[overlapping voices]
All you have to do is ask.

250
00:14:00 --> 00:14:01
No!

251

00:14:02 --> 00:14:04
[speaking in Elder]

252

00:14:04 --> 00:14:07
[repeating spell]

253

00:14:10 --> 00:14:13
[prostitute] Oi!
What's wrong with your hand?

254

00:14:13 --> 00:14:14
-[mother sobbing] No!
-Nothing.

255

00:14:16 --> 00:14:17
My friend?

256

00:14:17 --> 00:14:19
No one by the name of Jaskier.

257

00:14:21 --> 00:14:23
Oh, I feel you, sister.

258

00:14:25 --> 00:14:26
Frequent any taverns?

259

00:14:29 --> 00:14:30
-Huh?
-Just sayin'.

260

00:14:30 --> 00:14:31
From experience.

261

00:14:32 --> 00:14:36
When I lose a man, he's usually back
at the first place I found him.

262

00:14:36 --> 00:14:37
Bottom of a bottle.

263

00:14:44 --> 00:14:45
[breathing shakily]

264

00:14:49 --> 00:14:51
[Rience] I'll be honest,
I wasn't expecting this.

265

00:14:52 --> 00:14:53
[Jaskier whimpers]

266

00:14:53 --> 00:14:56
You're so tight-lipped
about your old friend the witcher.

267

00:14:56 --> 00:14:59
My lips are loose. You can ask anybody.

268

00:15:00 --> 00:15:02
-[sniffles]
-Shall we try a different technique?

269

00:15:02 --> 00:15:03
[laughs]

270

00:15:03 --> 00:15:04
Yeah.

271

00:15:05 --> 00:15:07
You know, I was just thinking about this,
and I, uh...

272

00:15:07 --> 00:15:09
I don't think it's your technique.

273

00:15:09 --> 00:15:12
I've not seen Geralt in months.

274

00:15:12 --> 00:15:14
Not since he abandoned me in Cairngorn,

275

00:15:14 --> 00:15:17
much-- much like he abandoned
his Child Surprise

276

00:15:17 --> 00:15:20
who I met only the once,
when she was still in the womb.

277

00:15:20 --> 00:15:25
I don't know where they are,
I don't know where they're going,

278

00:15:25 --> 00:15:28
and I don't know
why you're doing this to me!

279

00:15:29 --> 00:15:32
-It's such a shame you can't be useful.
-[gasps and sniffles]

280

00:15:32 --> 00:15:36
See, people think Chaos comes
from nothing, but that's wrong.

281

00:15:37 --> 00:15:39
No, to draw it, you need a source.

282

00:15:40 --> 00:15:42
[whimpers]

283

00:15:42 --> 00:15:44
See, fire is a forbidden source

284

00:15:44 --> 00:15:46
because it usually consumes
those that draw from it.

285

00:15:48 --> 00:15:49
Unless you're very talented.

286

00:15:51 --> 00:15:53
-Then the body can withstand it.
-[mumbles]

287
00:15:55 --> 00:15:58
-Mm-mm.
-But it consumes the soul.

288
00:15:59 --> 00:16:00
[Jaskier moans]

289
00:16:00 --> 00:16:01
[screams]

290
00:16:01 --> 00:16:04
-[laughs]
-Please, I don't know anything!

291
00:16:04 --> 00:16:06
No, no, no, no.

292
00:16:06 --> 00:16:09
The songs in your catalog
would suggest otherwise.

293
00:16:09 --> 00:16:11
[yells]

294
00:16:11 --> 00:16:13
Listen to me, please! Please listen to me.

295
00:16:13 --> 00:16:15
I-- I am a bard.

296
00:16:15 --> 00:16:17
[laughs] I am brilliant.

297
00:16:17 --> 00:16:19
This is what I do.

298

00:16:19 --> 00:16:22
He grunts, and I tell stories.

299
00:16:22 --> 00:16:23
He mentions a witcher keep,

300
00:16:23 --> 00:16:27
and I turn it into a magical,
mystical hideaway in the mountains.

301
00:16:27 --> 00:16:30
So please listen to me
when I tell you this.

302
00:16:30 --> 00:16:32
-He doesn't share details.
-Hmm.

303
00:16:33 --> 00:16:35
He does not have friends.

304
00:16:36 --> 00:16:38
And he does not...

305
00:16:38 --> 00:16:40
[screaming] ...have weaknesses!

306
00:16:42 --> 00:16:43
[glass smashes]

307
00:16:43 --> 00:16:44
[Jaskier laughs]

308
00:16:46 --> 00:16:48
[slurring] I knew I'd find you here.
You lazy lout.

309
00:16:49 --> 00:16:50
[hiccups]

310

00:16:50 --> 00:16:52
Leaving me at home to rot!

311
00:16:52 --> 00:16:54
Uh... uh... This is-- this is my wife.
She has nothing to do with this.

312
00:16:54 --> 00:16:57
-Please let her go--
-If you know what's good for you, leave.

313
00:16:58 --> 00:16:59
Now.

314
00:17:02 --> 00:17:03
[whispers] Yeah.

315
00:17:03 --> 00:17:05
If you knew what's good for you,

316
00:17:05 --> 00:17:07
you'd shut the fuck up. [hiccups]

317
00:17:09 --> 00:17:09
Have it your way.

318
00:17:10 --> 00:17:12
No, no! No, please! Don't hurt her!
Leave her alone, please!

319
00:17:13 --> 00:17:14
She's done nothing!

320
00:17:14 --> 00:17:16
Oh, gods!

321
00:17:16 --> 00:17:18
[screaming]

322
00:17:20 --> 00:17:22

[both gasping]

323

00:17:24 --> 00:17:26
-[Yennefer] Come on!
-[Jaskier groans]

324

00:17:28 --> 00:17:29
Oh fuck!

325

00:17:42 --> 00:17:44
[Istredd] Oh shit.

326

00:18:06 --> 00:18:10
It takes generations of erosion
to even make a dent in stellacite. This...

327

00:18:12 --> 00:18:14
this is a scientific revelation.

328

00:18:14 --> 00:18:17
It-- it defies
every historical precedent, Witcher.

329

00:18:17 --> 00:18:18
This changes everything.

330

00:18:19 --> 00:18:22
I was expecting tracks. Bones.

331

00:18:23 --> 00:18:24
Anything.

332

00:18:25 --> 00:18:27
-I have to go down there.
-We have to go down there.

333

00:18:34 --> 00:18:35
[blade being sharpened]

334

00:18:48 --> 00:18:49

Thirsty?

335

00:18:56 --> 00:18:56

[Ciri] Thanks.

336

00:19:01 --> 00:19:04

I thought you were gonna be a spoiled,

337

00:19:04 --> 00:19:06

high-bred, drip-nosed royal from the West.

338

00:19:07 --> 00:19:09

-And you are.

-[men chuckle]

339

00:19:12 --> 00:19:13

But...

340

00:19:14 --> 00:19:16

you're impressing all of us out there.

341

00:19:19 --> 00:19:21

Not enough to join Geralt in Cintra.

342

00:19:22 --> 00:19:24

You think you should have been invited?

343

00:19:25 --> 00:19:27

Well, it's my home.

344

00:19:31 --> 00:19:33

My fight.

345

00:19:35 --> 00:19:36

My life.

346

00:19:40 --> 00:19:41

I need to show you something.

347

00:19:50 --> 00:19:51
When the Conjunction happened,

348
00:19:51 --> 00:19:55
it wasn't just the elves, humans, dwarves.

349
00:19:55 --> 00:19:58
Spheres of beasts collided too.

350
00:20:00 --> 00:20:02
Mages weaponized monsters.

351
00:20:02 --> 00:20:05
Tried to conquer the lands with them.

352
00:20:05 --> 00:20:07
Fucking idiots.

353
00:20:08 --> 00:20:11
Of course,
the monsters destroyed everything.

354
00:20:11 --> 00:20:14
Then, 300 years ago,

355
00:20:14 --> 00:20:15
mages weaponized men.

356
00:20:16 --> 00:20:18
Mutated them with elixirs.

357
00:20:18 --> 00:20:20
Made them faster. Stronger.

358
00:20:21 --> 00:20:23
Brutal enough to kill the beasts.

359
00:20:23 --> 00:20:27
The witchers saved humanity
from extinction.

360
00:20:30 --> 00:20:33
Do you know why
there are fewer of us each winter, Ciri?

361
00:20:35 --> 00:20:37
Because when Kaer Morhen was destroyed,

362
00:20:38 --> 00:20:41
so was the mutagen
that allowed us to make new witchers.

363
00:20:43 --> 00:20:44
But I think you can help.

364
00:20:48 --> 00:20:50
Ever heard of feainnewedd?

365
00:20:51 --> 00:20:53
It's an ancient flower.

366
00:20:53 --> 00:20:55
Only grows one place.

367
00:20:55 --> 00:20:57
Where Elder blood has spilled.

368
00:21:04 --> 00:21:06
These have been sprouting
all over the training course.

369
00:21:06 --> 00:21:07
Yeah.

370
00:21:14 --> 00:21:16
[softly] Where I've bled.

371
00:21:22 --> 00:21:25
But my-- my grandmother,
she hated the elves.

372
00:21:25 --> 00:21:26
[exhales gently]

373
00:21:26 --> 00:21:28
Sometimes our deepest hate

374
00:21:28 --> 00:21:31
is for the things
we cannot change about ourselves.

375
00:21:49 --> 00:21:50
[sighs]

376
00:21:51 --> 00:21:53
Something bad is brewing out there.

377
00:21:54 --> 00:21:58
With a vial of your blood,
we could protect generations to come.

378
00:22:01 --> 00:22:03
How are you so sure it will work?

379
00:22:04 --> 00:22:05
I'm not.

380
00:22:07 --> 00:22:08
Ah...

381
00:22:13 --> 00:22:14
I'll do it.

382
00:22:15 --> 00:22:17
On one condition.

383
00:22:19 --> 00:22:21
You have to test it on me first.

384

00:22:23 --> 00:22:24
[screams]

385
00:22:28 --> 00:22:28
Forget it.

386
00:22:33 --> 00:22:34
Come.

387
00:22:39 --> 00:22:41
My men are warriors now.

388
00:22:45 --> 00:22:47
But they were boys in pain once.

389
00:22:48 --> 00:22:50
If they even survived.

390
00:22:51 --> 00:22:52
And not many did.

391
00:22:53 --> 00:22:55
I'll not take that chance with you.

392
00:22:56 --> 00:22:57
Because I'm a girl?

393
00:22:57 --> 00:22:59
Because you're Geralt's child.

394
00:22:59 --> 00:23:01
[scoffs] I'm not a child.

395
00:23:01 --> 00:23:05
-Because we care about you.
-And I care about all of you!

396
00:23:07 --> 00:23:08
You said it yourself!

397
00:23:11 --> 00:23:12
Witchers are dying.

398
00:23:13 --> 00:23:14
[whispers] One by one.

399
00:23:15 --> 00:23:16
You'll fight.

400
00:23:17 --> 00:23:19
You'll die.

401
00:23:20 --> 00:23:23
And all of those boys' suffering
will have been for nothing.

402
00:23:23 --> 00:23:24
[grunts]

403
00:23:25 --> 00:23:26
[growls]

404
00:23:31 --> 00:23:33
[whispers] I've destroyed

405
00:23:33 --> 00:23:35
so many things.

406
00:23:37 --> 00:23:38
Please, just...

407
00:23:39 --> 00:23:41
let me help heal something for once.

408
00:23:44 --> 00:23:46
I'm meant for this.

409
00:23:53 --> 00:23:54
[Geralt] There's no nest.

410
00:23:54 --> 00:23:57
There's no evidence
they've been here at all.

411
00:23:57 --> 00:23:58
Unbelievable.

412
00:23:59 --> 00:24:01
How could this happen? What could do this?

413
00:24:02 --> 00:24:03
Monsters.

414
00:24:03 --> 00:24:04
Explain.

415
00:24:06 --> 00:24:10
Historians have always theorized that
monoliths are scars from the Conjunction.

416
00:24:10 --> 00:24:12
Leftover points of impact.

417
00:24:13 --> 00:24:15
-Yes. I have read books before.
-Well, think about it.

418
00:24:15 --> 00:24:19
Monsters didn't exist
on this plane before the Conjunction.

419
00:24:19 --> 00:24:21
All species were separated
on different spheres

420
00:24:21 --> 00:24:23
till those spheres merged into one.

421
00:24:24 --> 00:24:26

A Conjunction like that
would've required two things.

422

00:24:26 --> 00:24:27
A massive surge of energy

423

00:24:28 --> 00:24:30
and-- and conduits to channel it.

424

00:24:30 --> 00:24:33
Now, what if
the monoliths aren't points of impact?

425

00:24:34 --> 00:24:35
What if they're the conduits?

426

00:24:40 --> 00:24:42
I worry about you mages more and more.

427

00:24:42 --> 00:24:44
[wind whistling]

428

00:24:44 --> 00:24:47
Perhaps humans
just shouldn't live for so long.

429

00:24:48 --> 00:24:50
-I've seen them communicating.
-Hmm.

430

00:24:53 --> 00:24:54
[thunder rumbling]

431

00:24:54 --> 00:24:55
[sighs]

432

00:24:57 --> 00:25:00
[Istredd] You say this monolith toppled
during the Slaughter of Cintra.

433

00:25:00 --> 00:25:03
-That makes perfect sense.
-[Geralt] And yet it doesn't.

434
00:25:04 --> 00:25:06
[liquid dripping]

435
00:25:49 --> 00:25:51
[speaking in Elder]

436
00:25:57 --> 00:25:58
[Triss continues speaking in Elder]

437
00:26:09 --> 00:26:12
[softly] Did it... did it work?

438
00:26:20 --> 00:26:21
It worked.

439
00:26:23 --> 00:26:25
[sighs]

440
00:26:28 --> 00:26:30
I just need a moment to prepare.

441
00:26:31 --> 00:26:32
[Triss] Prepare?

442
00:26:34 --> 00:26:36
-For what?
-She wants to be the first.

443
00:26:38 --> 00:26:40
-The first?
-New witcher.

444
00:26:41 --> 00:26:42
It was her choice.

445
00:26:47 --> 00:26:48

[laughs]

446

00:26:48 --> 00:26:51

-[gasps] Who the fuck was that?
-How should I know?

447

00:26:51 --> 00:26:54

-You're the one he kidnapped.
-You mages don't all share an alma mater?

448

00:26:55 --> 00:26:57

-You didn't catch him at an alumni event?
-I was looking forward

449

00:26:57 --> 00:26:59

to a few more thank yous,
perhaps some genuflection.

450

00:26:59 --> 00:27:01

He's after Geralt.

451

00:27:01 --> 00:27:03

What? Why? What does he want with him?

452

00:27:03 --> 00:27:06

You know, I assumed
it was to drink tea and eat crumpets

453

00:27:06 --> 00:27:08

and wax nostalgic over old times.

454

00:27:08 --> 00:27:09

I don't know, Yennefer.

455

00:27:10 --> 00:27:12

So why don't you conjure up a portal

456

00:27:12 --> 00:27:15

or do your mind talking and warn him?

457

00:27:15 --> 00:27:16
You owe him that.

458
00:27:16 --> 00:27:19
I owe him as much as he owes me.
Nothing more, nothing less.

459
00:27:19 --> 00:27:21
Anyway, I can't.

460
00:27:21 --> 00:27:23
No magic, remember?

461
00:27:23 --> 00:27:26
-Fuck!
-You don't get to play damsel in distress.

462
00:27:27 --> 00:27:29
[sighs] That's my job.

463
00:27:30 --> 00:27:32
-What's going on here?
-Uh, gentlemen.

464
00:27:32 --> 00:27:34
Good morning. Good to see you.
You're certainly looming.

465
00:27:35 --> 00:27:37
-Um...
-Ah, are we working this morning, love?

466
00:27:37 --> 00:27:39
-[groans]
-[Jaskier] Ohh!

467
00:27:39 --> 00:27:41
-[man moans]
-Oh, she's so scary.

468
00:27:42 --> 00:27:43

[man] Come 'ere!

469

00:27:43 --> 00:27:45

This way. This way. Run. Run.

470

00:27:45 --> 00:27:46

-Oi!

-Oi, you. Stop!

471

00:27:46 --> 00:27:47

[groans]

472

00:27:47 --> 00:27:49

You stop there!

473

00:27:49 --> 00:27:50

Uh, that way. Go!

474

00:27:50 --> 00:27:53

Gentlemen, gentlemen, many men
have wanted to punch me in the face.

475

00:27:53 --> 00:27:56

Now is your chance! Come on!

476

00:27:58 --> 00:28:00

-[man 1] Stop!

-[man 2] Come back 'ere!

477

00:28:01 --> 00:28:03

-[grunts]

-[man 1] Come on, lads!

478

00:28:03 --> 00:28:05

-Move!

-[man 2] Where?

479

00:28:05 --> 00:28:07

[man 1] Head down there!

480

00:28:08 --> 00:28:09
Oi! This way!

481
00:28:10 --> 00:28:11
[man 1] We'll find you!

482
00:28:12 --> 00:28:13
-In there!
-There she is!

483
00:28:13 --> 00:28:14
No good hiding!

484
00:28:14 --> 00:28:15
-We'll find you.
-Thank you.

485
00:28:15 --> 00:28:17
-[banging]
-Open the fucking door!

486
00:28:17 --> 00:28:18
[guard] You're ours now.

487
00:28:18 --> 00:28:20
[man 2] Open this door now!

488
00:28:20 --> 00:28:23
[prostitute] Sorry, love.
A girl's gotta eat.

489
00:28:23 --> 00:28:24
[banging continues]

490
00:28:24 --> 00:28:26
[water splashing]

491
00:28:31 --> 00:28:33
[footsteps]

492

00:28:35 --> 00:28:36
[door opens]

493
00:28:37 --> 00:28:38
What are you doing?

494
00:28:40 --> 00:28:42
I know you know how dangerous this is.

495
00:28:43 --> 00:28:44
I'm not afraid.

496
00:28:45 --> 00:28:46
Have you thought about Geralt?

497
00:28:47 --> 00:28:48
What he'd say?

498
00:28:50 --> 00:28:52
Why do you want this so badly, Ciri?

499
00:29:01 --> 00:29:03
Because I am sick of feeling lost.

500
00:29:05 --> 00:29:08
Everything I was told my whole life

501
00:29:08 --> 00:29:09
was a lie.

502
00:29:11 --> 00:29:14
And the people I loved most
in this world were taken from me

503
00:29:14 --> 00:29:16
before I could find the truth.

504
00:29:17 --> 00:29:19
What you're doing
won't change any of that.

505

00:29:20 --> 00:29:23

But it might help me find a new truth.

506

00:29:29 --> 00:29:32

Maybe there's another way
to find out where your powers came from.

507

00:29:36 --> 00:29:37

What, you...

508

00:29:37 --> 00:29:39

you mean like you did with the myriapod?

509

00:29:39 --> 00:29:41

Slightly less scientific than that.

510

00:29:43 --> 00:29:44

It's called a Dol Durza.

511

00:29:45 --> 00:29:48

It translates roughly
to Valley of the Soul.

512

00:29:49 --> 00:29:52

It allows me to enter the deepest layer
of your consciousness

513

00:29:53 --> 00:29:54

and uncover things
that may be hidden there.

514

00:29:55 --> 00:29:59

Genetic memories
that tell the story of who you really are.

515

00:29:59 --> 00:30:00

Where you really come from.

516

00:30:01 --> 00:30:03

Is... It's dangerous?

517

00:30:03 --> 00:30:06

No. It just requires
that we trust each other.

518

00:30:17 --> 00:30:18

All right, then.

519

00:30:22 --> 00:30:23

Clear your mind.

520

00:30:24 --> 00:30:26

Take three deep breaths.

521

00:30:32 --> 00:30:35

[speaking in Elder]

522

00:30:37 --> 00:30:39

[voice echoing]

523

00:30:40 --> 00:30:42

[exhales]

524

00:30:42 --> 00:30:43

[whispering sounds]

525

00:30:43 --> 00:30:44

[gasps]

526

00:30:56 --> 00:30:57

How?

527

00:30:59 --> 00:30:59

Trust.

528

00:31:03 --> 00:31:06

Come on, then, Lambchop!
It's my turn now!

529
00:31:06 --> 00:31:07
[yelling]

530
00:31:09 --> 00:31:10
[laughter]

531
00:31:13 --> 00:31:16
[Dara] You bring terror
and you bring death wherever you are!

532
00:31:16 --> 00:31:17
[echoes] ...wherever you are..

533
00:31:18 --> 00:31:21
[woman 1] Ma'am,
a present from His Majesty.

534
00:31:22 --> 00:31:24
[Calanthe] Tell Eist I love it.

535
00:31:24 --> 00:31:26
[woman 2] A fine sash for a fine queen.

536
00:31:29 --> 00:31:30
[Ciri gasps]

537
00:31:31 --> 00:31:33
[overlapping voices echoing]

538
00:31:36 --> 00:31:37
Come on, watch him.

539
00:31:37 --> 00:31:38
[raucous laughter]

540
00:31:45 --> 00:31:47
-[gasping]
-Don't be afraid.

541

00:31:48 --> 00:31:49
Nothing can hurt you here.

542
00:31:50 --> 00:31:53
All of this, it's just... it's you.

543
00:31:54 --> 00:31:55
[boy laughs]

544
00:31:58 --> 00:31:59
[children laughing]

545
00:32:08 --> 00:32:10
[boy] There's no way you can get five.

546
00:32:10 --> 00:32:13
[Ciri] You're not taking a bite
of that bread before I try it.

547
00:32:14 --> 00:32:15
[Pavetta] We've been right here.

548
00:32:17 --> 00:32:18
The whole time.

549
00:32:18 --> 00:32:20
[echoes] ...the whole time...

550
00:32:25 --> 00:32:27
[whispering voices overlapping]

551
00:32:29 --> 00:32:30
Mother.

552
00:32:30 --> 00:32:31
[whooshing]

553
00:32:32 --> 00:32:33
Would you like a story?

554
00:32:34 --> 00:32:35
[echoes] ...like a story...

555
00:32:36 --> 00:32:37
You can see us.

556
00:32:39 --> 00:32:40
What's wrong?

557
00:32:41 --> 00:32:43
This isn't how it's supposed to work.

558
00:32:43 --> 00:32:46
Come on, Ciri, let's go back.
You've had enough.

559
00:32:46 --> 00:32:47
[echoes] ...enough...

560
00:32:50 --> 00:32:51
[door opens]

561
00:32:51 --> 00:32:52
[creaking]

562
00:32:54 --> 00:32:56
[distant wailing]

563
00:32:57 --> 00:32:58
[baby crying]

564
00:32:59 --> 00:33:01
[cries echoing]

565
00:33:06 --> 00:33:08
This isn't how
it's supposed to work at all.

566
00:33:08 --> 00:33:10

[rats squeaking]

567

00:33:14 --> 00:33:15
[Pavetta, muffled] Hush.

568

00:33:15 --> 00:33:19
Hush now, and Mummy will tell you a story.

569

00:33:20 --> 00:33:22
[low murmuring]

570

00:33:28 --> 00:33:29
-[creaking]
-[baby gurgling]

571

00:33:35 --> 00:33:36
They'd kill her if they knew.

572

00:33:37 --> 00:33:38
It's a prophecy.

573

00:33:38 --> 00:33:39
Maybe it's not true.

574

00:33:40 --> 00:33:41
[Duny] It doesn't matter if it's true.

575

00:33:41 --> 00:33:44
It only matters if the people believe it.

576

00:33:46 --> 00:33:47
And they will.

577

00:33:55 --> 00:33:57
[low rumbling]

578

00:33:59 --> 00:34:00
The boat's ready.

579

00:34:02 --> 00:34:05
We can leave under the cover of darkness.

580
00:34:08 --> 00:34:10
This is the night they died.

581
00:34:12 --> 00:34:13
My parents.

582
00:34:14 --> 00:34:15
[gasps]

583
00:34:17 --> 00:34:19
-Ciri, come on.
-Wait. I don't want to leave them yet.

584
00:34:19 --> 00:34:21
[Triss] Something isn't right.

585
00:34:22 --> 00:34:23
[gasps]

586
00:34:27 --> 00:34:29
[overlapping voices] What are you, child?

587
00:34:30 --> 00:34:31
[whispering] Cirilla.

588
00:34:34 --> 00:34:36
Ciri.

589
00:34:38 --> 00:34:41
Ciri.

590
00:34:47 --> 00:34:50
-Ciri.
-Ciri.

591
00:34:53 --> 00:34:55
Ciri.

592

00:34:57 --> 00:34:59
[whispering voices continuing]

593

00:35:04 --> 00:35:06
[Istredd] I was at a dig
in Nazair a while back.

594

00:35:06 --> 00:35:07
I-- I witnessed something.

595

00:35:07 --> 00:35:11
There was this monolith
started emitting strange vibrations,

596

00:35:11 --> 00:35:13
like it was channeling
a massive energy surge.

597

00:35:13 --> 00:35:17
It only lasted a few seconds,
but look. Look, look at the date.

598

00:35:17 --> 00:35:20
It happened the night Cintra fell.
The same night as this.

599

00:35:21 --> 00:35:22
[thunder rumbling]

600

00:35:23 --> 00:35:25
You think
this is where the energy surge originated.

601

00:35:25 --> 00:35:29
Which activated the conduit system.
The monoliths started talking.

602

00:35:30 --> 00:35:32
What does that have to do with monsters?

603

00:35:34 --> 00:35:38

It wasn't a Conjunction.
At least, not how we've been thinking.

604

00:35:38 --> 00:35:40

The other spheres didn't merge, they...

605

00:35:41 --> 00:35:43

they collided, then separated again.

606

00:35:44 --> 00:35:47

If the original spheres
are still out there somewhere

607

00:35:47 --> 00:35:49

and our monoliths are calling to them...

608

00:35:51 --> 00:35:54

then the monsters aren't new,
they're just new to here.

609

00:35:57 --> 00:35:59

And they're using our monoliths
as gateways.

610

00:35:59 --> 00:36:01

[thunder crashing]

611

00:36:12 --> 00:36:13

Where are we?

612

00:36:14 --> 00:36:16

I don't know.

613

00:36:20 --> 00:36:22

[baby crying]

614

00:36:28 --> 00:36:31

[Istredd] Tell me how you knew
that monsters and monoliths were linked.

615

00:36:32 --> 00:36:34

[Geralt] What is it you're hoping to hear?

616

00:36:36 --> 00:36:37

Your agenda.

617

00:36:38 --> 00:36:40

If you have information
that could advance our civilization,

618

00:36:40 --> 00:36:44

-I have a right to know.

-Why? So you can help the elves?

619

00:36:46 --> 00:36:47

[wind whistling]

620

00:36:47 --> 00:36:48

[sighs]

621

00:36:48 --> 00:36:51

I came to Cintra

'cause I thought someone might be here.

622

00:36:51 --> 00:36:53

-A woman.

-Hmph.

623

00:36:54 --> 00:36:55

Yennefer.

624

00:36:57 --> 00:36:59

[thunder rumbling]

625

00:37:00 --> 00:37:01

Yennefer?

626

00:37:02 --> 00:37:03

Mmm.

627

00:37:04 --> 00:37:06

-Of...

-Of Vengerberg?

628

00:37:09 --> 00:37:10

You know Yenna?

629

00:37:11 --> 00:37:12

Yen.

630

00:37:13 --> 00:37:14

I did.

631

00:37:16 --> 00:37:17

Yes.

632

00:37:19 --> 00:37:22

-Me too.

-[thunder crashing]

633

00:37:26 --> 00:37:26

You loved her.

634

00:37:27 --> 00:37:29

Love. I never stopped.

635

00:37:31 --> 00:37:34

I thought after Sodden, after everything
they did to her at Aretuza, she--

636

00:37:35 --> 00:37:37

she would make her way here for refuge.

637

00:37:39 --> 00:37:40

After Sodden?

638

00:37:42 --> 00:37:44

After she burned through Nilfgaard's army
and saved the Continent.

639

00:37:44 --> 00:37:46
We should all be praising her name.

640

00:37:50 --> 00:37:51
Yen's alive?

641

00:37:52 --> 00:37:54
[baby crying]

642

00:37:56 --> 00:37:58
[woman singing]

643

00:38:06 --> 00:38:08
-[singing]
-[baby crying]

644

00:38:24 --> 00:38:26
Do you know who she is?

645

00:38:28 --> 00:38:28
No.

646

00:38:31 --> 00:38:32
Very well.

647

00:38:33 --> 00:38:36
I will tell you the story
of the elven warrior

648

00:38:37 --> 00:38:39
made to kill the human invader.

649

00:38:40 --> 00:38:42
The human she fell in love with.

650

00:38:43 --> 00:38:44
Nivellen's story.

651

00:38:45 --> 00:38:47
-[whooshing]
-[gasping]

652
00:38:47 --> 00:38:48
-[cracking]
-[Ciri] She's dying.

653
00:38:49 --> 00:38:50
-[woman gasping]
-[baby crying]

654
00:38:56 --> 00:38:57
[Triss speaking in Elder]

655
00:38:57 --> 00:38:59
You could have united our races.

656
00:39:00 --> 00:39:02
And now, my sweet daughter...

657
00:39:02 --> 00:39:04
[deep voice overlaps]
...you will destroy them.

658
00:39:04 --> 00:39:07
-[gasping] Ciri!
-[voices overlapping] You cannot help us.

659
00:39:08 --> 00:39:09
-[rumbling]
-[Triss] Ciri!

660
00:39:09 --> 00:39:11
-[whooshing]
-Help!

661
00:39:12 --> 00:39:14
-[choking]
-Child of Elder blood,

662

00:39:14 --> 00:39:15
child of wrath.

663

00:39:15 --> 00:39:18
-The time of contempt is nigh.
-[rumbling]

664

00:39:18 --> 00:39:22
The world will die amidst frost
and be reborn of the new sun.

665

00:39:22 --> 00:39:23
Reborn of Elder blood,

666

00:39:24 --> 00:39:26
of the seed that has been sown.

667

00:39:26 --> 00:39:29
A seed that will not sprout,
but will burst into flame.

668

00:39:30 --> 00:39:31
[Triss screams]

669

00:39:31 --> 00:39:32
[intense rumbling]

670

00:39:34 --> 00:39:36
[horses neighing]

671

00:39:42 --> 00:39:43
Ciri!

672

00:39:44 --> 00:39:45
Geralt!

673

00:39:45 --> 00:39:48
[echoing] Geralt!

674

00:39:48 --> 00:39:51

Geralt! Geralt!

675
00:39:52 --> 00:39:53
Geralt!

676
00:39:54 --> 00:39:56
Geralt! Geralt!

677
00:39:56 --> 00:39:58
[rumbling]

678
00:40:02 --> 00:40:03
[grunts]

679
00:40:08 --> 00:40:11
[intense crashing]

680
00:40:12 --> 00:40:13
-[coughing]
-Triss! Triss!

681
00:40:14 --> 00:40:15
[gasping]

682
00:40:15 --> 00:40:16
-Triss.
-No! No!

683
00:40:16 --> 00:40:19
-Let me help you.
-No, no, no! [groans]

684
00:40:19 --> 00:40:20
[whispers] Something is ending.

685
00:40:22 --> 00:40:23
It's because of you.

686
00:40:23 --> 00:40:24
[gasping]

687
00:40:25 --> 00:40:27
A seed that bursts into flame.

688
00:40:28 --> 00:40:29
It's you.

689
00:40:31 --> 00:40:32
You will destroy us all.

690
00:40:33 --> 00:40:34
I saw it.

691
00:40:35 --> 00:40:37
[shuddering]

692
00:40:38 --> 00:40:39
No one can stop it.

693
00:40:39 --> 00:40:41
[panting]

694
00:40:42 --> 00:40:43
[Triss] Not even him.

695
00:40:44 --> 00:40:46
[sobbing]

696
00:40:54 --> 00:40:58
[Istredd] Where did those stellacite
fragments go? Whose voice was that?

697
00:40:58 --> 00:40:59
Quiet.

698
00:40:59 --> 00:41:00
[clinking and creaking sounds]

699
00:41:01 --> 00:41:02

[faint roaring]

700

00:41:02 --> 00:41:03

[Istredd] What is it?

701

00:41:06 --> 00:41:07

[growling]

702

00:41:08 --> 00:41:10

-[hoofbeats]

-[deep rumbling]

703

00:41:12 --> 00:41:14

[intense rumbling]

704

00:41:14 --> 00:41:16

[tearing and crashing]

705

00:41:17 --> 00:41:18

[rumbling crash]

706

00:41:19 --> 00:41:21

[snarling]

707

00:41:22 --> 00:41:23

[low roaring]

708

00:41:23 --> 00:41:26

[thundering steps]

709

00:41:28 --> 00:41:29

[chitters]

710

00:41:32 --> 00:41:34

[growls and screeches]

711

00:41:34 --> 00:41:35

[Geralt] Fuck.

712

00:41:38 --> 00:41:39
Who is the girl who called to you?

713
00:41:40 --> 00:41:42
And what the hell was that thing?

714
00:41:42 --> 00:41:45
-Do you think Nilfgaard knows about this?
-Open a portal.

715
00:41:47 --> 00:41:48
Now.

716
00:41:51 --> 00:41:54
Vesemir, I want it done. Now.

717
00:42:18 --> 00:42:19
[Vesemir] Geralt.

718
00:42:27 --> 00:42:28
Are you certain?

719
00:42:32 --> 00:42:33
[sighs]

720
00:42:34 --> 00:42:35
[sighs]

721
00:42:40 --> 00:42:41
[Geralt[]] What are you doing?

722
00:42:42 --> 00:42:45
-Geralt.
-She's meant to be. To rebuild us.

723
00:42:45 --> 00:42:46
She is not.

724
00:42:47 --> 00:42:49
She's a girl. All you'll do is poison her.

725

00:42:49 --> 00:42:52

-She can do this.

-I made him do it, Geralt.

726

00:42:53 --> 00:42:56

Stop. I wanted him to try. Geralt, stop!

727

00:42:56 --> 00:42:59

Did you not think of the consequences?

What if you were killed?

728

00:43:00 --> 00:43:01

Stop.

729

00:43:01 --> 00:43:02

Stop!

730

00:43:03 --> 00:43:05

All I ever think about are consequences.

731

00:43:05 --> 00:43:07

No matter how hard I train,

732

00:43:07 --> 00:43:10

no matter what I do,
it'll never be enough.

733

00:43:10 --> 00:43:12

You are already enough, Cirilla.

734

00:43:14 --> 00:43:15

You are extraordinary.

735

00:43:19 --> 00:43:21

[whispers] I want to be like you,

736

00:43:22 --> 00:43:23

Geralt.

737

00:43:25 --> 00:43:28

I want to be indifferent to the past.

738

00:43:29 --> 00:43:29

To the lies.

739

00:43:30 --> 00:43:32

-To the things I've done.

-[sighs]

740

00:43:34 --> 00:43:35

Please.

741

00:43:41 --> 00:43:42

Let me have that.

742

00:43:42 --> 00:43:44

[breathing shakily]

743

00:43:46 --> 00:43:48

That is not how it works.

744

00:43:50 --> 00:43:54

Neither you nor I
can just forget who we are.

745

00:43:55 --> 00:43:57

We can't kill our feelings.

746

00:43:58 --> 00:43:59

Our best chance

747

00:44:00 --> 00:44:03

is to kill the hatred
that we may hold onto...

748

00:44:06 --> 00:44:07

and move on.

749

00:44:17 --> 00:44:18
[chain rattles]

750
00:44:18 --> 00:44:19
[Ciri shudders]

751
00:44:22 --> 00:44:24
[unfastens strap]

752
00:44:35 --> 00:44:37
Go and get your things.

753
00:44:57 --> 00:44:59
[sighs]

754
00:45:03 --> 00:45:06
[Istredd] Is that
what Calanthe was protecting?

755
00:45:06 --> 00:45:09
[sighs] What did she know?
What does all this mean?

756
00:45:11 --> 00:45:12
[sighs]

757
00:45:16 --> 00:45:17
[groans]

758
00:45:20 --> 00:45:21
Apologies, King Roegner.

759
00:45:24 --> 00:45:25
[sighs]

760
00:45:46 --> 00:45:48
[whispers] Cintra...

761
00:45:49 --> 00:45:50
Calanthe.

762

00:45:54 --> 00:45:55

Why does it stop?

763

00:45:55 --> 00:45:57

Ah, it doesn't make any sense.

764

00:45:59 --> 00:46:00

[grunts] What does this all mean?

765

00:46:03 --> 00:46:04

-[woman screaming]

-[waves rushing]

766

00:46:04 --> 00:46:06

-[ship creaking]

-[child crying]

767

00:46:09 --> 00:46:11

[coughing]

768

00:46:16 --> 00:46:18

[screams]

769

00:46:24 --> 00:46:26

[wave crashes]

770

00:46:26 --> 00:46:27

[panting]

771

00:46:57 --> 00:46:58

You wished to see me?

772

00:46:59 --> 00:47:01

There are fewer and fewer new arrivals.

773

00:47:02 --> 00:47:06

I received word
that guards have begun boarding ships.

774

00:47:06 --> 00:47:09

Even in Oxenfurt,
and they've always been on our side.

775

00:47:10 --> 00:47:12

We-- we need to find an alternative.

776

00:47:12 --> 00:47:13

I am.

777

00:47:15 --> 00:47:16

I didn't mean to alarm you, I just...

778

00:47:17 --> 00:47:19

I want you to have
all the information I do.

779

00:47:19 --> 00:47:20

So that we can...

780

00:47:22 --> 00:47:23

we can be in step with each other.

781

00:47:24 --> 00:47:26

[footsteps in hallway]

782

00:47:27 --> 00:47:28

What?

783

00:47:28 --> 00:47:31

Nothing. It's just
I've had leaders, followers,

784

00:47:33 --> 00:47:34

but...

785

00:47:35 --> 00:47:37

I've never had a partner before.

786

00:47:40 --> 00:47:41
Neither have I.

787
00:47:44 --> 00:47:45
It's not terrible.

788
00:47:46 --> 00:47:47
[both laugh]

789
00:47:50 --> 00:47:51
[Fringilla] Mmm.

790
00:47:51 --> 00:47:53
The next ship is due soon.

791
00:47:54 --> 00:47:55
Come.

792
00:47:56 --> 00:47:58
I want my people to meet their liberator.

793
00:48:19 --> 00:48:20
Your papers.

794
00:48:20 --> 00:48:21
What?

795
00:48:21 --> 00:48:23
Stand in line with the others.

796
00:48:23 --> 00:48:25
-[horse neighs]
-[goat bleats]

797
00:48:28 --> 00:48:29
[man] Name.

798
00:48:29 --> 00:48:32
-[guard] Have your papers ready!
-Cormeth from Oxenfurt.

799

00:48:34 --> 00:48:34

Welcome.

800

00:48:36 --> 00:48:37

Name!

801

00:48:38 --> 00:48:41

Dara, of the Marble Gardens.

802

00:48:45 --> 00:48:47

Welcome back to your land, son.

803

00:48:49 --> 00:48:50

Name.

804

00:48:53 --> 00:48:55

You must declare yourself
before entering Xin'trea.

805

00:48:55 --> 00:48:57

-Stand aside.

-Fall back in line!

806

00:48:57 --> 00:49:00

-I said stand aside.

-Perhaps you didn't hear.

807

00:49:02 --> 00:49:04

There's no entry until you report.

808

00:49:04 --> 00:49:05

So who are you?

809

00:49:07 --> 00:49:10

I am Commander Mawr Dyffryn aep Ceallach.

810

00:49:11 --> 00:49:13

Who the fuck are you?

811
00:49:13 --> 00:49:14
[Fringilla] Cahir!

812
00:49:17 --> 00:49:18
Welcome home.

813
00:49:20 --> 00:49:21
Good to see you alive.

814
00:49:33 --> 00:49:36
[old woman] Your friends are faring
so much better than you.

815
00:49:36 --> 00:49:38
One has command,

816
00:49:38 --> 00:49:40
the other hope.

817
00:49:41 --> 00:49:43
[man] This is bullshit.
I saw her go in the door.

818
00:49:43 --> 00:49:45
Oh, shit.

819
00:49:45 --> 00:49:47
You can't do this.
We've earned that reward.

820
00:49:48 --> 00:49:51
You wouldn't even have
that traitorous mage if it wasn't for us.

821
00:49:51 --> 00:49:52
[soldier] Reward's already been claimed.

822
00:49:53 --> 00:49:55
[old woman] You know
what you need, Piglet.

823
00:49:55 --> 00:49:57
[whispering voices]

824
00:49:57 --> 00:49:59
Your magic.

825
00:49:59 --> 00:50:00
Now fuck off!

826
00:50:01 --> 00:50:02
All right, all right!

827
00:50:10 --> 00:50:13
You're running out of time.

828
00:50:13 --> 00:50:15
Get your fucking hands off me.

829
00:50:15 --> 00:50:17
I'm gonna take pleasure in your execution.

830
00:50:17 --> 00:50:19
Show me what you want.

831
00:50:20 --> 00:50:23
Heal your wounds.

832
00:50:24 --> 00:50:26
Fucking... fucky... fuck.

833
00:50:27 --> 00:50:30
You know the words.

834
00:50:30 --> 00:50:31
Say them!

835
00:50:32 --> 00:50:33
Behold the mother of forests,

836
00:50:34 --> 00:50:36
the Deathless Mother nesting in dreams.

837
00:50:37 --> 00:50:39
Turn your back to the forest, hut, hut.

838
00:50:40 --> 00:50:41
Oh!

839
00:50:43 --> 00:50:45
-Yennefer!
-[man] Ahem.

840
00:50:45 --> 00:50:47
Peeping Toms get the clink.

841
00:50:49 --> 00:50:50
Gentlemen! Uh...

842
00:50:52 --> 00:50:54
[old woman] So good to see you again.

843
00:50:56 --> 00:50:58
All alone in a world that hates you,

844
00:50:58 --> 00:51:01
with no way to protect yourself.

845
00:51:02 --> 00:51:04
How delicious.

846
00:51:05 --> 00:51:06
I managed.

847
00:51:07 --> 00:51:09
And yet you're here.

848
00:51:10 --> 00:51:12

I'm not stupid.
I meant what I said before.

849
00:51:12 --> 00:51:14
I'm done dealing in debts.

850
00:51:14 --> 00:51:16
I want to make a trade.

851
00:51:16 --> 00:51:17
I know what you want.

852
00:51:18 --> 00:51:21
All that wrath
and righteous anger raging inside you.

853
00:51:22 --> 00:51:25
I can smell your desires
like rotting meat.

854
00:51:25 --> 00:51:28
But I'm not here to grant wishes.

855
00:51:28 --> 00:51:32
I'm simply a guide
to get you exactly what you deserve.

856
00:51:33 --> 00:51:34
Just ask your friends.

857
00:51:34 --> 00:51:36
I deserve to survive.

858
00:51:37 --> 00:51:40
I've earned it. I deserve access to Chaos.

859
00:51:40 --> 00:51:42
I know how you can get it.

860
00:51:42 --> 00:51:43

How you can steal it.

861

00:51:44 --> 00:51:45
[Yennefer] Steal what?

862

00:51:48 --> 00:51:49
Me.

863

00:51:52 --> 00:51:54
And who are you?

864

00:51:56 --> 00:51:59
I'm the key
to you getting your power back.

865

00:52:01 --> 00:52:03
And a great deal more than that.

866

00:52:05 --> 00:52:08
All you have to do
is deliver me to the right lock.

867

00:52:09 --> 00:52:12
A shattered black door
just outside Cintra.

 THE WITCHER
