

# THE WITCHER

**CREATED BY**

Lauren Schmidt Hissrich

**EPISODE 2.06**

**"Dear Friend..."**

A close friend is lost – and another found – as Geralt helps Ciri learn more about her power. Cahir warns Fringilla to focus on their primary mission.

## **EPISODE CAST**

Henry Cavill	...	Geralt of Rivia
Anya Chalotra	...	Yennefer
Freya Allan	...	Ciri
Eamon Farren	...	Cahir
MyAnna Buring	...	Tissaia
Mimî M. Khayisa	...	Fringilla
Anna Shaffer	...	Triss
Royce Pierreson	...	Istredd
Tom Canton	...	Filavandrel
Mecia Simson	...	Francesca
Wilson Mbomio	...	Dara
Kim Bodnia	...	Vesemir
Aisha Fabienne Ross	...	Lydia
Paul Bullion	...	Lambert
Yasen Atour	...	Coen
Nathanial Jacobs	...	Everard
Ania Marson	...	Voleth Meir
Kaine Zajaz	...	Gage
Antony Byrne	...	General Hake
Joseph Payne	...	Jarre
Lucy Sheen	...	Nilfgaard Nurse

1  
00:00:10 --> 00:00:12  
[birdsong]

2  
00:00:12 --> 00:00:13  
[Roach whickering]

3  
00:00:22 --> 00:00:23  
How much further is it?

4  
00:00:29 --> 00:00:30  
Where are we even going?

5  
00:00:35 --> 00:00:37  
At least at Kaer Morhen, we were safe.

6  
00:00:37 --> 00:00:40  
The Trial of Grasses isn't safe.

7  
00:00:42 --> 00:00:43  
Not listening again.

8  
00:00:44 --> 00:00:45  
Hmph.

9  
00:00:46 --> 00:00:49  
You want to kill yourself  
trying to become a mutant

10  
00:00:49 --> 00:00:50  
so if you survive,

11  
00:00:51 --> 00:00:54  
you can kill yourself  
trying to get revenge.

12  
00:00:55 --> 00:00:56  
Which part did I miss?

13  
00:00:57 --> 00:00:59

[Roach snorting]

14

00:01:01 --> 00:01:04  
You don't really give a shit  
about what I want.

15

00:01:06 --> 00:01:08  
All you care about is your...

16

00:01:09 --> 00:01:11  
-damn duty.  
-[Roach snorts]

17

00:01:12 --> 00:01:14  
So long as I'm breathing,  
you've done your part.

18

00:01:19 --> 00:01:20  
I need more than that.

19

00:01:23 --> 00:01:24  
Ciri...

20

00:01:27 --> 00:01:29  
I do understand.

21

00:01:31 --> 00:01:33  
[Roach whickers]

22

00:01:33 --> 00:01:34  
[Ciri] What's up there?

23

00:01:35 --> 00:01:37  
Do you- do you hear something?

24

00:01:38 --> 00:01:39  
Come on, Roach.

25

00:01:40 --> 00:01:41  
Let's go.

26  
00:01:45 --> 00:01:48  
This is the shallowest part of the river.

27  
00:01:48 --> 00:01:50  
I'll check that it's safe to cross.

28  
00:01:51 --> 00:01:52  
[Ciri] What do you mean, safe?

29  
00:01:53 --> 00:01:55  
I'll try and draw it out first.

30  
00:01:56 --> 00:01:57  
[Ciri] Draw what out?

31  
00:01:57 --> 00:02:00  
-[Geralt] It's some kind of chernobog.  
-I don't know what that is.

32  
00:02:00 --> 00:02:01  
-But let me help--  
-Stay here.

33  
00:02:06 --> 00:02:08  
[Roach neighs]

34  
00:02:11 --> 00:02:13  
[Roach snorting]

35  
00:02:17 --> 00:02:18  
[whinnies]

36  
00:02:20 --> 00:02:21  
[Ciri] Geralt!

37  
00:02:21 --> 00:02:22  
Geralt, get back here!

38

00:02:22 --> 00:02:24  
[chernobog growling]

39  
00:02:26 --> 00:02:27  
[screeches]

40  
00:02:27 --> 00:02:29  
[shrieks]

41  
00:02:30 --> 00:02:32  
[roaring]

42  
00:02:34 --> 00:02:36  
[neighing frantically]

43  
00:02:37 --> 00:02:39  
[crunching]

44  
00:02:39 --> 00:02:40  
[screeching]

45  
00:02:42 --> 00:02:43  
Ciri, down!

46  
00:02:44 --> 00:02:45  
[whinnies]

47  
00:02:45 --> 00:02:47  
-[metallic slashing]  
-[power whooshing]

48  
00:02:47 --> 00:02:48  
[neighs]

49  
00:02:52 --> 00:02:54  
Run! Run! Run!

50  
00:02:55 --> 00:02:56  
[gasps]

51  
00:02:59 --> 00:03:00  
[sniffs]

52  
00:03:02 --> 00:03:03  
[footsteps approaching]

53  
00:03:05 --> 00:03:07  
[sighs and grumbles]

54  
00:03:11 --> 00:03:12  
I've been a fucking fool.

55  
00:03:14 --> 00:03:15  
Where are they?

56  
00:03:16 --> 00:03:17  
They didn't say.

57  
00:03:18 --> 00:03:20  
If I had to guess, Nenneke's.

58  
00:03:23 --> 00:03:24  
We've both been fools.

59  
00:03:26 --> 00:03:28  
Whatever's running  
through that girl's veins...

60  
00:03:28 --> 00:03:29  
[sighs]

61  
00:03:29 --> 00:03:31  
...whatever we made from it...

62  
00:03:33 --> 00:03:35  
it's more dangerous than we know.

63  
00:03:35 --> 00:03:37  
[rattling]

64  
00:03:38 --> 00:03:39  
What's wrong?

65  
00:03:39 --> 00:03:40  
Vesemir.

66  
00:03:42 --> 00:03:44  
-Someone is here.  
-What is it?

67  
00:03:44 --> 00:03:45  
What's happened?

68  
00:03:46 --> 00:03:47  
-Who's here?  
-[groans]

69  
00:03:51 --> 00:03:52  
[grunts]

70  
00:03:53 --> 00:03:54  
Surprise.

71  
00:03:58 --> 00:04:00  
[speaking in Elder]

72  
00:04:03 --> 00:04:04  
How quaint.

73  
00:04:05 --> 00:04:06  
[gasps]

74  
00:04:08 --> 00:04:09  
[grunts]

75  
00:04:10 --> 00:04:11  
[roars]

76

00:04:13 --> 00:04:14  
[yelling]

77  
00:04:15 --> 00:04:16  
[both straining]

78  
00:04:17 --> 00:04:19  
[both screaming]

79  
00:04:24 --> 00:04:25  
[yells]

80  
00:04:25 --> 00:04:26  
Vesemir!

81  
00:04:27 --> 00:04:28  
[gasps]

82  
00:04:32 --> 00:04:34  
Lambert!

83  
00:04:43 --> 00:04:44  
[wheezing]

84  
00:04:45 --> 00:04:47  
[Ciri] Shh.

85  
00:04:50 --> 00:04:52  
[Geralt] Easy, girl.

86  
00:04:58 --> 00:05:00  
-Is there anything we can do?  
-[sighs]

87  
00:05:06 --> 00:05:07  
[Roach snorts softly]

88  
00:05:12 --> 00:05:14  
Enjoy your last walk across the meadow

89  
00:05:15 --> 00:05:16  
and through the mist.

90  
00:05:16 --> 00:05:18  
[wheezing]

91  
00:05:19 --> 00:05:20  
Be not afraid of her...

92  
00:05:23 --> 00:05:24  
for she is your friend.

93  
00:05:27 --> 00:05:28  
[whinnies]

94  
00:05:29 --> 00:05:30  
-[blood flows]  
-[sighs]

95  
00:05:36 --> 00:05:38  
[distant roaring]

96  
00:05:41 --> 00:05:43  
[rumbling]

97  
00:05:47 --> 00:05:48  
It's time.

98  
00:05:54 --> 00:05:55  
Are you ready for this?

99  
00:05:57 --> 00:05:58  
Yes.

100  
00:05:59 --> 00:06:00  
Go up to the rock.

101  
00:06:14 --> 00:06:16  
[sighs]

102  
00:06:19 --> 00:06:21  
[creaking]

103  
00:06:28 --> 00:06:29  
[distant wingbeat]

104  
00:06:31 --> 00:06:34  
-[wingbeat]  
-[chernobog shrieking]

105  
00:06:37 --> 00:06:39  
[grinding cry]

106  
00:06:41 --> 00:06:43  
[Geralt growls] Stand your ground, Ciri!

107  
00:06:44 --> 00:06:45  
[roaring]

108  
00:06:46 --> 00:06:48  
[screeches]

109  
00:06:48 --> 00:06:49  
[Geralt] Hold!

110  
00:06:50 --> 00:06:52  
[roaring]

111  
00:06:52 --> 00:06:54  
[intense rumbling]

112  
00:06:54 --> 00:06:56  
[crashing roar]

113  
00:06:56 --> 00:06:57  
Hold!

114  
00:06:59 --> 00:06:59

[yells]

115

00:07:01 --> 00:07:02

[chernobog shrieking]

116

00:07:04 --> 00:07:05

[chernobog bellowing]

117

00:07:12 --> 00:07:13

[gasps]

118

00:07:14 --> 00:07:16

[panting]

119

00:07:21 --> 00:07:22

[sighs]

120

00:07:24 --> 00:07:26

Where the fuck are my swords?

121

00:07:39 --> 00:07:41

[birdsong]

122

00:07:45 --> 00:07:47

[laughter]

123

00:07:48 --> 00:07:50

[Francesca whispers]

124

00:07:54 --> 00:07:55

It's beautiful.

125

00:07:58 --> 00:08:00

Never seen a spell like it.

126

00:08:01 --> 00:08:05

My favorite thing to do as a girl  
was flower picking with my mother.

127

00:08:05 --> 00:08:08  
After she died,  
I kept one to remember her by.

128  
00:08:09 --> 00:08:11  
One day, it started to wilt.

129  
00:08:12 --> 00:08:14  
When I held that flower,

130  
00:08:14 --> 00:08:18  
I don't know why exactly,  
but I began to feel warm inside.

131  
00:08:18 --> 00:08:20  
And the flower bloomed again.

132  
00:08:24 --> 00:08:27  
I did that spell over and over for years,

133  
00:08:28 --> 00:08:29  
until my father caught me.

134  
00:08:30 --> 00:08:33  
That's when he tried to lead the village  
in a crusade against me.

135  
00:08:33 --> 00:08:34  
But he failed.

136  
00:08:35 --> 00:08:38  
Gage held him down  
while I slit his throat.

137  
00:08:39 --> 00:08:41  
The village built a statue in my honor.

138  
00:08:46 --> 00:08:47  
At Aretuza,

139

00:08:48 --> 00:08:50  
they taught us the art of politics.

140  
00:08:51 --> 00:08:52  
The art of persuasion.

141  
00:08:53 --> 00:08:57  
A quick tongue to bend others  
so they think that they're in control.

142  
00:08:58 --> 00:09:00  
Like with your friend Cahir?

143  
00:09:04 --> 00:09:06  
You're different with him around.

144  
00:09:07 --> 00:09:09  
Not afraid, perhaps, but smaller.

145  
00:09:10 --> 00:09:12  
-He was my superior.  
-Was?

146  
00:09:12 --> 00:09:14  
Because you bent him to believe so?

147  
00:09:16 --> 00:09:18  
It's time for him  
to stop thinking he's in power.

148  
00:09:19 --> 00:09:20  
To know you are.

149  
00:09:21 --> 00:09:22  
The White Flame rules Nilfgaard.

150  
00:09:22 --> 00:09:23  
-[horse neighs]  
-[Francesca] Yes.

151

00:09:24 --> 00:09:26

But my people,

152

00:09:26 --> 00:09:28

the face they see  
that feeds them every day,

153

00:09:28 --> 00:09:31

that welcomes them in  
from the cold, is yours.

154

00:09:32 --> 00:09:34

That is worth something.

155

00:09:34 --> 00:09:35

[whinnying]

156

00:09:52 --> 00:09:55

In times of war,  
hard decisions must be made.

157

00:09:56 --> 00:09:58

I don't begrudge you yours.

158

00:10:00 --> 00:10:02

The persecution of the elves  
is despicable.

159

00:10:07 --> 00:10:09

I know you well enough to understand

160

00:10:10 --> 00:10:14

that you did not forsake  
the mission the White Flame gave us.

161

00:10:14 --> 00:10:15

You just got a little...

162

00:10:17 --> 00:10:18

distracted.

163

00:10:20 --&gt; 00:10:24

It is time to return to the real reason  
that we took Cintra in the first place.

164

00:10:25 --&gt; 00:10:28

The girl was last seen in Sodden,  
I'm told.

165

00:10:38 --&gt; 00:10:39

[bird shrieking]

166

00:10:39 --&gt; 00:10:41

[flies buzzing]

167

00:10:41 --&gt; 00:10:45

[Ciri] I'm sorry. About Roach.  
About all of this...

168

00:10:45 --&gt; 00:10:47

[Geralt] Don't be. I'm proud of you, Ciri.

169

00:10:48 --&gt; 00:10:50

What you did back there was courageous.

170

00:10:51 --&gt; 00:10:53

[Ciri] I had that feeling again

171

00:10:54 --&gt; 00:10:55

when the chernobog came for me.

172

00:10:56 --&gt; 00:10:57

The pull.

173

00:10:59 --&gt; 00:11:01

But I... I don't think it wanted to hurt me.

174

00:11:04 --&gt; 00:11:05

It didn't want to hurt you?

175

00:11:08 --> 00:11:10  
Hmm. [sighs]

176  
00:11:12 --> 00:11:16  
[Ciri] If the monsters are coming  
through the monoliths, it's my fault.

177  
00:11:16 --> 00:11:18  
[Geralt] It's not that simple.

178  
00:11:19 --> 00:11:20  
Geralt?

179  
00:11:24 --> 00:11:26  
When the Knight caught me,

180  
00:11:26 --> 00:11:28  
all I could feel was fear.

181  
00:11:28 --> 00:11:29  
I was... I was so scared.

182  
00:11:31 --> 00:11:32  
But I also felt...

183  
00:11:33 --> 00:11:34  
anger.

184  
00:11:36 --> 00:11:39  
Later, there were also some men  
from Cintra who found me.

185  
00:11:40 --> 00:11:43  
They were going to take me to the Knight  
to collect a reward.

186  
00:11:44 --> 00:11:46  
But I-- I wasn't scared that time.

187  
00:11:48 --> 00:11:50

I just... I knew what could happen.

188

00:11:52 --> 00:11:53

You screamed.

189

00:11:56 --> 00:11:57

I killed them, Geralt.

190

00:11:57 --> 00:11:59

How many were there?

191

00:11:59 --> 00:12:00

Four.

192

00:12:00 --> 00:12:01

Only four?

193

00:12:02 --> 00:12:03

You've got some catching up to do.

194

00:12:09 --> 00:12:10

[Ciri] So, what now?

195

00:12:12 --> 00:12:13

[Geralt] Good question.

196

00:12:15 --> 00:12:17

I'm hoping we'll find our answers there.

197

00:12:38 --> 00:12:39

Melitele.

198

00:12:40 --> 00:12:42

Goddess of fertility and harvest.

199

00:12:44 --> 00:12:45

I'm impressed.

200

00:12:46 --> 00:12:48

I do, in fact, read.

201

00:12:51 --> 00:12:53

The graduates of the temple school

202

00:12:53 --> 00:12:57

are known to become midwives,  
historians, healers..

203

00:12:57 --> 00:12:58

And witchers.

204

00:13:00 --> 00:13:02

Vesemir sent me here  
when I was about your age.

205

00:13:03 --> 00:13:05

It's where witchers learn to do signs.

206

00:13:06 --> 00:13:09

Yes. I, too, was once a child.

207

00:13:12 --> 00:13:14

[woman] Blessings. Good morrow.

208

00:13:17 --> 00:13:19

Where is she taking those?

209

00:13:20 --> 00:13:21

Don't worry. We're safe.

210

00:13:22 --> 00:13:24

There's no fighting here. No politics.

211

00:13:24 --> 00:13:26

The temple is known for its neutrality.

212

00:13:27 --> 00:13:29

The temple is

213

00:13:30 --> 00:13:31  
what you make of it.

214

00:13:32 --> 00:13:33  
But, yes,

215

00:13:35 --> 00:13:39  
some find it more... giving than others.

216

00:13:40 --> 00:13:43  
I have missed you.

217

00:13:45 --> 00:13:46  
I have missed you too, Nenneke.

218

00:13:49 --> 00:13:50  
Now,

219

00:13:51 --> 00:13:53  
who are you?

220

00:13:58 --> 00:14:00  
I think we can, at the very least,

221

00:14:01 --> 00:14:05  
start to guide you  
in the art of controlling your Chaos.

222

00:14:05 --> 00:14:06  
What's that?

223

00:14:06 --> 00:14:08  
It's the feeling inside.

224

00:14:09 --> 00:14:11  
The feeling you can't control.

225

00:14:12 --> 00:14:13  
Like...

226

00:14:14 --> 00:14:16  
the Daughter of Chaos?

227

00:14:18 --> 00:14:19  
Where did you hear that?

228

00:14:24 --> 00:14:25  
Ciri,

229

00:14:26 --> 00:14:28  
the questions you are asking

230

00:14:28 --> 00:14:30  
require knowledge  
that's been lost to time.

231

00:14:32 --> 00:14:34  
And knowledge like that

232

00:14:34 --> 00:14:36  
is usually lost for a reason.

233

00:14:37 --> 00:14:39  
Are you sure you're ready?

234

00:14:41 --> 00:14:44  
Whatever... gave me this Chaos,

235

00:14:45 --> 00:14:46  
hiding from it won't fix it.

236

00:14:48 --> 00:14:50  
I'm ready for the truth,  
whatever it takes.

237

00:14:53 --> 00:14:54  
That spirit. [sighs]

238

00:14:54 --> 00:14:56  
You're just like him.

239  
00:14:56 --> 00:14:57  
-[chuckles]  
-Geralt?

240  
00:14:58 --> 00:14:59  
Ask him

241  
00:15:00 --> 00:15:03  
to tell you about the Aard incident.

242  
00:15:03 --> 00:15:07  
It nearly destroyed  
the very office we are sitting in.

243  
00:15:08 --> 00:15:10  
Ah! This is Jarre.

244  
00:15:11 --> 00:15:14  
One of our best students.

245  
00:15:14 --> 00:15:16  
Pleasure to meet you, milady.

246  
00:15:16 --> 00:15:18  
Mi-magical lady.

247  
00:15:20 --> 00:15:22  
-[Ciri chuckles]  
-Whatever it takes.

248  
00:15:23 --> 00:15:25  
Ah, Jarre, take Ciri to the library.

249  
00:15:25 --> 00:15:28  
She's in dire need of the orbuculum.

250  
00:15:31 --> 00:15:32

[chuckles]

251

00:15:35 --> 00:15:36

[whispers] Help me.

252

00:15:36 --> 00:15:37

Hmm.

253

00:15:43 --> 00:15:46

Now that you've had a chance  
to speak with her, what do you think?

254

00:15:46 --> 00:15:50

I don't see any side  
upon which you are not entirely fucked.

255

00:15:51 --> 00:15:52

[sighs]

256

00:15:52 --> 00:15:53

She's a princess.

257

00:15:53 --> 00:15:56

Kingdoms will want her for her status.

258

00:15:56 --> 00:15:58

Nilfgaard already does.

259

00:15:58 --> 00:16:02

You know how many have been killed  
in pursuit of her?

260

00:16:02 --> 00:16:04

Thousands, yes, I know.

261

00:16:04 --> 00:16:05

And if she has Elder blood,

262

00:16:06 --> 00:16:08

she's a fucking tinderbox.

263

00:16:08 --&gt; 00:16:09

By all means, go on.

264

00:16:10 --&gt; 00:16:14

You said she recited Ithlinne's Prophecy  
during one of her episodes.

265

00:16:14 --&gt; 00:16:18

Yes, but I won't let what may  
or may not be folklore dictate my path.

266

00:16:18 --&gt; 00:16:19

What does she know of the Wild Hunt?

267

00:16:20 --&gt; 00:16:23

She believes what most people believe.  
What are you driving at, Nenneke?

268

00:16:24 --&gt; 00:16:27

She's a Child of Destiny.

269

00:16:27 --&gt; 00:16:28

[sighs]

270

00:16:28 --&gt; 00:16:31

There are forces at play  
larger than we know.

271

00:16:31 --&gt; 00:16:34

You are a part of her,

272

00:16:34 --&gt; 00:16:36

she a part of you.

273

00:16:37 --&gt; 00:16:39

But it's not enough.

274

00:16:40 --&gt; 00:16:41

I know.

275  
00:16:42 --> 00:16:43  
[sighs]

276  
00:16:46 --> 00:16:47  
What can I do?

277  
00:16:49 --> 00:16:50  
I taught you

278  
00:16:51 --> 00:16:52  
in all things...

279  
00:16:53 --> 00:16:55  
-balance.  
-[sighs]

280  
00:16:56 --> 00:16:58  
Find what is missing in the girl.

281  
00:16:58 --> 00:16:59  
Then, maybe,

282  
00:17:00 --> 00:17:03  
you stand a chance of helping her.

283  
00:17:04 --> 00:17:05  
-[sighs]  
-Hmm?

284  
00:17:12 --> 00:17:13  
[sighs]

285  
00:17:21 --> 00:17:22  
[sighs]

286  
00:17:33 --> 00:17:35  
I hope training is going well.

287

00:17:35 --> 00:17:37  
Our people have lived  
in the mountains long enough.

288  
00:17:39 --> 00:17:40  
They know how to kill.

289  
00:17:41 --> 00:17:43  
They know how to defend.

290  
00:17:43 --> 00:17:45  
Can they learn how to kill first?

291  
00:17:45 --> 00:17:46  
[sighs]

292  
00:17:48 --> 00:17:50  
Imagine a time when we can return

293  
00:17:50 --> 00:17:52  
to valuing... beauty.

294  
00:17:54 --> 00:17:55  
The land, and life.

295  
00:17:55 --> 00:17:57  
Death is a part of life.

296  
00:17:59 --> 00:18:01  
Perhaps that is the cost  
of getting our land back.

297  
00:18:03 --> 00:18:04  
Do you believe it will happen?

298  
00:18:08 --> 00:18:10  
Something's shifted in the air, Francesca.

299  
00:18:12 --> 00:18:13  
Since that soldier arrived.

300  
00:18:14 --> 00:18:16  
-I know.  
-Everything feels more vulnerable.

301  
00:18:17 --> 00:18:19  
Including Fringilla.

302  
00:18:19 --> 00:18:20  
I'm taking care of it.

303  
00:18:21 --> 00:18:22  
I was skeptical,

304  
00:18:24 --> 00:18:26  
I'll be the first to admit, but...

305  
00:18:28 --> 00:18:30  
I'm not here to tell you what to do.

306  
00:18:31 --> 00:18:33  
I'm here to ask what you need of me.

307  
00:18:34 --> 00:18:36  
I will greet  
the elves who arrive on boats.

308  
00:18:36 --> 00:18:38  
I will train them in human warfare.

309  
00:18:41 --> 00:18:44  
I'll don Nilfgaardian armor  
if it's what's important.

310  
00:18:46 --> 00:18:47  
Whatever you need.

311  
00:18:52 --> 00:18:53  
I need you to stay by my side.

312  
00:18:57 --> 00:18:58  
I will.

313  
00:19:00 --> 00:19:02  
By our side.

314  
00:19:03 --> 00:19:04  
Where you belong.

315  
00:19:07 --> 00:19:09  
She is what's most important now.

316  
00:19:11 --> 00:19:12  
-[sighs]  
-[gasps]

317  
00:19:15 --> 00:19:17  
[wind howling]

318  
00:19:30 --> 00:19:31  
[sighs]

319  
00:19:32 --> 00:19:33  
How's Vesemir?

320  
00:19:34 --> 00:19:35  
Stable.

321  
00:19:36 --> 00:19:37  
But shaken.

322  
00:19:38 --> 00:19:39  
What I can't figure is,

323  
00:19:40 --> 00:19:43  
what would a mage want with Vesemir?

324  
00:19:45 --> 00:19:47  
Well, why don't we ask the expert?

325

00:19:48 --&gt; 00:19:51

What business  
could one of your kind have here,

326

00:19:52 --&gt; 00:19:53

Merigold?

327

00:19:53 --&gt; 00:19:55

That bastard is not one of my kind.

328

00:19:58 --&gt; 00:20:02

Oh, fuck me. I was only poking.  
I didn't mean nothing by it.

329

00:20:05 --&gt; 00:20:07

Fire magic is off-limits for us.

330

00:20:09 --&gt; 00:20:11

Whoever he is,  
he's not working for the Brotherhood.

331

00:20:11 --&gt; 00:20:13

If you say so.

332

00:20:14 --&gt; 00:20:16

And I don't think  
Vesemir is what he was after.

333

00:20:17 --&gt; 00:20:20

Well, at least he left empty-handed.  
[grunts]

334

00:20:21 --&gt; 00:20:22

Fuck...

335

00:20:28 --&gt; 00:20:30

[Lydia] You're sure it contains her blood?

336

00:20:32 --&gt; 00:20:33

[sighs]

337

00:20:33 --> 00:20:35

Ah-ah-ah-ah-ah.

338

00:20:36 --> 00:20:38

This wasn't part of our arrangement.

339

00:20:38 --> 00:20:40

We arranged for you to bring me the girl.

340

00:20:41 --> 00:20:42

You fucked that up.

341

00:20:43 --> 00:20:44

Here we are, then.

342

00:20:46 --> 00:20:48

Oh, dear. What--

343

00:20:48 --> 00:20:49

Get out.

344

00:20:56 --> 00:20:58

I was saying, it's a work in progress.

345

00:20:59 --> 00:21:00

But...

346

00:21:01 --> 00:21:04

perhaps the terms of our deal  
can be updated?

347

00:21:04 --> 00:21:05

What do you want?

348

00:21:05 --> 00:21:07

-To meet your employer.

-[scoffs]

349

00:21:08 --&gt; 00:21:12

My lord is a private man. Why should you  
give two shits about meeting him?

350

00:21:12 --&gt; 00:21:15

He seemed like a man with vision.  
I'd like to help him see it through.

351

00:21:16 --&gt; 00:21:18

What's that old saying?

352

00:21:19 --&gt; 00:21:22

Better to be at the right hand  
of the devil than in his path.

353

00:21:23 --&gt; 00:21:24

I'll see what I can do.

354

00:21:26 --&gt; 00:21:27

Now... [sighs]

355

00:21:27 --&gt; 00:21:31

...you expect to get out of that temple  
with the rest of your face intact?

356

00:21:35 --&gt; 00:21:36

-You'll need a crew.  
-Hmm.

357

00:21:37 --&gt; 00:21:40

I know some particularly savage brothers.

358

00:21:42 --&gt; 00:21:43

[dog barking]

359

00:21:48 --&gt; 00:21:49

[bell clanking]

360

00:21:49 --&gt; 00:21:51

[laughter and conversation]

361  
00:22:18 --> 00:22:19  
Hello?

362  
00:22:19 --> 00:22:20  
[meows]

363  
00:22:20 --> 00:22:22  
[growling]

364  
00:22:26 --> 00:22:27  
Hello?

365  
00:22:29 --> 00:22:30  
Tss, tss, tss.

366  
00:22:33 --> 00:22:34  
[yowls]

367  
00:22:36 --> 00:22:37  
[growling]

368  
00:22:40 --> 00:22:42  
You're lucky the trap's broken.

369  
00:22:42 --> 00:22:48  
Usually, it shoots 20-inch metal spikes  
out the studs.

370  
00:22:48 --> 00:22:51  
Got a hawk a few nights ago.

371  
00:22:51 --> 00:22:54  
I can still hear his screams.

372  
00:22:55 --> 00:22:58  
-That's, uh... that's chilling.  
-Yeah.

373

00:23:00 --> 00:23:03

-I take it you are Ellis Codringher.  
-Mm, mm.

374

00:23:04 --> 00:23:05

-My name is Istredd.  
-Mmm?

375

00:23:07 --> 00:23:10

So this is Hen Gedyndeith's  
Elves and Humans?

376

00:23:10 --> 00:23:12

All copies were thought lost.

377

00:23:12 --> 00:23:15

Yeah, well, we have a great number

378

00:23:15 --> 00:23:19

of lost works  
of literature and texts here.

379

00:23:20 --> 00:23:23

That's one reason  
why our services come at a premium.

380

00:23:24 --> 00:23:27

Now, you were saying you are in need of...

381

00:23:28 --> 00:23:30

[inhales] Yes, um...

382

00:23:31 --> 00:23:32

I need information.

383

00:23:32 --> 00:23:35

Oh, right, oh. Information. Mmm.

384

00:23:35 --> 00:23:36

[chuckles]

385  
00:23:37 --> 00:23:41  
Uh, information is power.

386  
00:23:41 --> 00:23:43  
And in the wrong hands,  
it can be a weapon.

387  
00:23:44 --> 00:23:46  
Tell me, are you acting

388  
00:23:46 --> 00:23:49  
on behalf of Stregobor?

389  
00:23:49 --> 00:23:50  
[cat hisses]

390  
00:23:50 --> 00:23:52  
Don't lie to me.

391  
00:23:52 --> 00:23:53  
No, I'm not.

392  
00:23:54 --> 00:23:55  
And...

393  
00:23:56 --> 00:23:58  
how do you know who I am?

394  
00:23:58 --> 00:24:00  
We know lots of things.

395  
00:24:00 --> 00:24:02  
-We?  
-[cat meows]

396  
00:24:02 --> 00:24:04  
[purring]

397  
00:24:04 --> 00:24:05

-This is Fenn?

-[purring]

398

00:24:05 --> 00:24:06

[woman chuckles]

399

00:24:06 --> 00:24:08

-[Codrigher laughs]

-[ruimbling]

400

00:24:09 --> 00:24:11

I'm Fenn. The cat's Esmeralda.

401

00:24:13 --> 00:24:16

What kind of information  
are you looking for?

402

00:24:17 --> 00:24:18

[Istredd] Well, uh...

403

00:24:18 --> 00:24:21

I've heard a great many things  
about you both, namely...

404

00:24:22 --> 00:24:24

you're who to ask, uh...

405

00:24:25 --> 00:24:26

sensitive questions.

406

00:24:26 --> 00:24:29

Sensitive questions are our favorite.

407

00:24:29 --> 00:24:32

-They come very expensive.  
-[whispers] Very expensive!

408

00:24:32 --> 00:24:35

Well, I need to know what a witcher,

409

00:24:35 --> 00:24:39  
a monolith, and a mysterious girl  
have to do with Nilfgaard.

410  
00:24:45 --> 00:24:46  
[mumbles]

411  
00:24:50 --> 00:24:51  
Will this do?

412  
00:24:56 --> 00:24:58  
These are Nilfgaardian marks.

413  
00:24:59 --> 00:25:00  
Do you work for them?

414  
00:25:01 --> 00:25:02  
Does it matter?

415  
00:25:03 --> 00:25:06  
Only that it makes you more... interesting.

416  
00:25:10 --> 00:25:13  
The girl is Cirilla of Cintra.

417  
00:25:14 --> 00:25:16  
And how do you know that?

418  
00:25:16 --> 00:25:18  
-Hmph.  
-Like I told you,

419  
00:25:18 --> 00:25:20  
we know lots of things.

420  
00:25:22 --> 00:25:25  
-[Ciri] So do you work here or something?  
-[Jarre] Me? Um...

421  
00:25:25 --> 00:25:27

[chuckles] I'm a historian. In training.

422

00:25:28 --> 00:25:30

You'll need this to begin your studies.

423

00:25:32 --> 00:25:33

Is this the orbuculum?

424

00:25:35 --> 00:25:37

-What does it do, exactly?

-Uh...

425

00:25:38 --> 00:25:39

I-- I'm not sure.

426

00:25:40 --> 00:25:41

Not much of a historian.

427

00:25:42 --> 00:25:43

Uh-- [chuckles]

428

00:25:43 --> 00:25:46

Well-- well, that's a tool for mages.

429

00:25:47 --> 00:25:52

Uh... I don't want to brag,  
but my tool is... bigger.

430

00:25:53 --> 00:25:54

And much more powerful.

431

00:25:59 --> 00:26:01

Uh... Knowledge.

432

00:26:01 --> 00:26:04

Like this book. It--  
it's about all sorts of amazing things,

433

00:26:04 --> 00:26:08

like, um... did you know that

some oneiromancers can relive past events

434

00:26:08 --> 00:26:10  
just by looking at a painting?

435

00:26:10 --> 00:26:14  
Or, and-- and this is my favorite,  
there's a myth about a long-lost tower

436

00:26:14 --> 00:26:16  
somewhere on the Continent  
that used to connect to the Isle--

437

00:26:16 --> 00:26:17  
-[thump]  
-Sorry.

438

00:26:18 --> 00:26:19  
Uh...

439

00:26:20 --> 00:26:23  
Your big old tool almost broke my toe.

440

00:26:29 --> 00:26:31  
Thank you for walking me here.

441

00:26:31 --> 00:26:33  
I'm going to go and practice now.

442

00:26:36 --> 00:26:37  
Whatever this is.

443

00:26:39 --> 00:26:41  
[soft whooshing]

444

00:26:43 --> 00:26:46  
[Deathless Mother, echoing] Find me.

445

00:26:47 --> 00:26:51  
Steal me.

446  
00:26:51 --> 00:26:53  
[voices whispering]

447  
00:27:00 --> 00:27:02  
Oh. Uh, can I help you?

448  
00:27:02 --> 00:27:04  
No. No, I was--  
I was just admiring the architecture.

449  
00:27:04 --> 00:27:06  
Oh. It's beautiful, isn't it?

450  
00:27:19 --> 00:27:20  
[Ciri's voice, muffled]

451  
00:27:33 --> 00:27:34  
Fuck.

452  
00:27:43 --> 00:27:44  
[door opens]

453  
00:27:45 --> 00:27:47  
Be with you in a minute, Ciri.

454  
00:28:07 --> 00:28:08  
[gasps]

455  
00:28:11 --> 00:28:12  
How is this possible?

456  
00:28:13 --> 00:28:14  
I don't care.

457  
00:28:34 --> 00:28:36  
Geralt, do you know what to do with this?

458  
00:28:36 --> 00:28:37

-Sorry.

-Ciri.

459

00:28:37 --> 00:28:39

-[whispers] Sorry.

-[Geralt] This is my...

460

00:28:41 --> 00:28:42

uh, dear friend.

461

00:28:44 --> 00:28:45

Dear friend?

462

00:28:47 --> 00:28:48

[Geralt sighs]

463

00:28:49 --> 00:28:51

This is Yennefer.

464

00:28:52 --> 00:28:53

You're Yennefer?

465

00:28:54 --> 00:28:56

And you must be his...

466

00:28:57 --> 00:28:58

Child Surprise.

467

00:29:08 --> 00:29:11

[Hake] Fucking pointies think  
they can join our ranks.

468

00:29:11 --> 00:29:13

Fringilla's lost her mind.

469

00:29:13 --> 00:29:15

Thank the gods you came back when you did.

470

00:29:15 --> 00:29:18

[Cahir] The elves have endured much,

and Nilfgaard has given them a haven.

471

00:29:19 --> 00:29:21  
Loyalty seems an easy return  
on the investment.

472

00:29:22 --> 00:29:23  
Loyalty to whom?

473

00:29:24 --> 00:29:26  
This isn't the White Flame's doing,  
you know?

474

00:29:26 --> 00:29:28  
This is all Fringilla.

475

00:29:29 --> 00:29:32  
You hold your sword like this.  
Yes, like this.

476

00:29:32 --> 00:29:33  
That? Yes? Like this.

477

00:29:33 --> 00:29:35  
So when they come with an attack... Hah!

478

00:29:38 --> 00:29:40  
Ready to defend yourself, yes? Good!

479

00:29:40 --> 00:29:43  
Perhaps a proper demonstration  
would help your ward?

480

00:29:45 --> 00:29:47  
-You don't have to fight him, Dara.  
-[Cahir] Not fighting.

481

00:29:48 --> 00:29:50  
We're all on the same side.

482

00:29:51 --> 00:29:51  
[grunts]

483  
00:29:51 --> 00:29:53  
-[sighs]  
-[Cahir] Don't you remember?

484  
00:29:54 --> 00:29:55  
Come!

485  
00:29:59 --> 00:30:00  
Trust yourself.

486  
00:30:07 --> 00:30:08  
Come.

487  
00:30:18 --> 00:30:20  
[Cahir grunting]

488  
00:30:26 --> 00:30:28  
-You fight like fairies!  
-Impossible!

489  
00:30:29 --> 00:30:31  
-Your kind killed them all.  
-[Gage] Filavandrel!

490  
00:30:32 --> 00:30:34  
The baby, it's early!

491  
00:30:35 --> 00:30:37  
-You're a lucky human.  
-[chuckles]

492  
00:30:48 --> 00:30:51  
[Ciri] You really expect me to believe  
that unicorns exist?

493  
00:30:51 --> 00:30:53  
[Yennefer] Of course they do.

494  
00:30:53 --> 00:30:54  
[Ciri] I used to own a stuffed one.

495  
00:30:55 --> 00:30:56  
Until it broke.

496  
00:30:56 --> 00:30:59  
Under mysterious circumstances.

497  
00:31:01 --> 00:31:04  
Well, I'd love to see one some day.

498  
00:31:04 --> 00:31:06  
[Geralt] You'd be in rare company.

499  
00:31:06 --> 00:31:09  
They only approach  
those who are pure of heart.

500  
00:31:10 --> 00:31:11  
Which reminds me,

501  
00:31:12 --> 00:31:14  
how did you get your hands on one?

502  
00:31:14 --> 00:31:15  
Good sir!

503  
00:31:15 --> 00:31:17  
I'm a beacon of purity.

504  
00:31:18 --> 00:31:20  
[chuckles]

505  
00:31:24 --> 00:31:25  
How...

506  
00:31:26 --> 00:31:28  
did you survive in Sodden?

507

00:31:29 --&gt; 00:31:31

I almost didn't.  
I'm one of the lucky ones.

508

00:31:32 --&gt; 00:31:34

Depending on your definition of luck.

509

00:31:36 --&gt; 00:31:40

Well, Geralt says you're  
the most powerful mage he's ever known.

510

00:31:41 --&gt; 00:31:42

Well, that's nice of him.

511

00:31:45 --&gt; 00:31:47

You're staying here to heal?

512

00:31:48 --&gt; 00:31:50

Have you been injured or something?

513

00:31:50 --&gt; 00:31:51

Of course not.

514

00:31:51 --&gt; 00:31:53

Monsters ceased biting and clawing  
ten years ago.

515

00:31:54 --&gt; 00:31:56

But what about you?

516

00:31:57 --&gt; 00:31:59

I crossed paths with another of your, uh...

517

00:32:00 --&gt; 00:32:02

dear friends.

518

00:32:04 --&gt; 00:32:06

He told me what happened at Aretuza.

519

00:32:07 --> 00:32:09  
Is that why you're here?

520

00:32:09 --> 00:32:11  
Hiding from the Brotherhood?

521

00:32:13 --> 00:32:14  
Yes.

522

00:32:16 --> 00:32:18  
It's been a difficult few months.

523

00:32:19 --> 00:32:22  
But things finally seem  
to be turning a corner.

524

00:32:26 --> 00:32:29  
I... dreamed about you once.

525

00:32:30 --> 00:32:32  
Before I even knew you existed.

526

00:32:33 --> 00:32:35  
Dreams are powerful omens.

527

00:32:37 --> 00:32:39  
Perhaps we were meant to find each other.

528

00:32:48 --> 00:32:49  
Um...

529

00:32:50 --> 00:32:52  
I'm going to go to bed.

530

00:32:53 --> 00:32:55  
Maybe I can...

531

00:32:56 --> 00:32:58  
dream about how to work this thing.

532  
00:32:59 --> 00:33:01  
This place is a maze. I'll walk you.

533  
00:33:02 --> 00:33:03  
No, it's-- it's all right.

534  
00:33:04 --> 00:33:05  
I can, uh...

535  
00:33:05 --> 00:33:07  
find my way.

536  
00:33:14 --> 00:33:15  
[gasping]

537  
00:33:15 --> 00:33:17  
-[woman] Come on! Push!  
-[Filavandrel] Come on!

538  
00:33:17 --> 00:33:20  
-[groans]  
-[woman] Go on. Come on, push.

539  
00:33:21 --> 00:33:22  
-[moaning]  
-[Fringilla] Come on.

540  
00:33:25 --> 00:33:28  
-You can do this.  
-All I want is for this baby to live.

541  
00:33:29 --> 00:33:30  
To have a life.

542  
00:33:31 --> 00:33:33  
All you have to do is push.

543  
00:33:34 --> 00:33:35  
-Push!

-Do it again.

544

00:33:36 --> 00:33:38

-Come on.

-[screams]

545

00:33:40 --> 00:33:42

-[sighs]

-[midwife] That's it. It's over.

546

00:33:44 --> 00:33:46

She isn't breathing.

547

00:33:46 --> 00:33:47

Quick!

548

00:33:47 --> 00:33:49

Come on, little one. Come on.

549

00:33:53 --> 00:33:54

-Come on.

-What's going on?

550

00:33:55 --> 00:33:57

-What is it?

-Sh, sh, sh. It's okay.

551

00:33:57 --> 00:33:59

Come on. [gasping]

552

00:34:01 --> 00:34:04

-Oh!

-[Francesca] Why isn't she crying?

553

00:34:05 --> 00:34:06

[whispers] Come on.

554

00:34:07 --> 00:34:08

Come on.

555

00:34:08 --> 00:34:10  
-What's-- what's going on?  
-Shh, it's okay.

556  
00:34:10 --> 00:34:12  
[Fringilla] Breathe. Breathe.

557  
00:34:13 --> 00:34:15  
-Come on.  
-[baby splutters]

558  
00:34:16 --> 00:34:17  
[whimpers]

559  
00:34:17 --> 00:34:19  
-[crying]  
-[gasps]

560  
00:34:20 --> 00:34:22  
-Oh! Ohh!  
-[crying loudly]

561  
00:34:22 --> 00:34:24  
-[midwife laughs]  
-Oh!

562  
00:34:33 --> 00:34:35  
How?

563  
00:34:37 --> 00:34:41  
[Filavandrel laughing]

564  
00:34:42 --> 00:34:45  
How? How, how, how?  
Was it dark magic? Necromancy? What?

565  
00:34:45 --> 00:34:46  
No magic.

566  
00:34:47 --> 00:34:49  
-Just warmth.

-[gasping]

567

00:34:49 --> 00:34:51

-Just warmth.

-Oh!

568

00:34:54 --> 00:34:56

[both laughing]

569

00:35:01 --> 00:35:02

[sighs]

570

00:35:04 --> 00:35:05

A new elf was born this night.

571

00:35:06 --> 00:35:08

[loud cheering]

572

00:35:22 --> 00:35:26

Geralt know you're out  
roaming my halls unsupervised?

573

00:35:28 --> 00:35:29

Does he need to know?

574

00:35:30 --> 00:35:31

[chuckles]

575

00:35:34 --> 00:35:36

What's all this for?

576

00:35:37 --> 00:35:40

To welcome late stragglers  
who seek refuge.

577

00:35:42 --> 00:35:43

And sometimes, I...

578

00:35:44 --> 00:35:47

I light them to remember those I've lost.

579

00:35:50 --> 00:35:52  
Can I help?

580

00:35:53 --> 00:35:54  
Of course.

581

00:36:02 --> 00:36:04  
To Myrrha.

582

00:36:12 --> 00:36:13  
For Roach.

583

00:36:23 --> 00:36:24  
For Mousesack.

584

00:36:26 --> 00:36:27  
Mousesack?

585

00:36:30 --> 00:36:31  
Who is that?

586

00:36:32 --> 00:36:33  
He, um...

587

00:36:35 --> 00:36:37  
he died trying to protect me.

588

00:36:39 --> 00:36:43  
Then he must have loved you very much.

589

00:36:46 --> 00:36:47  
Yes.

590

00:36:48 --> 00:36:49  
I just...

591

00:36:50 --> 00:36:53  
wish he would have told me what I am.

592

00:36:56 --&gt; 00:36:57

Not one of them did.

593

00:37:00 --&gt; 00:37:01

Not until Geralt.

594

00:37:04 --&gt; 00:37:07

Sometimes,  
our elders set out to protect us,

595

00:37:07 --&gt; 00:37:11

not knowing our strength.

596

00:37:13 --&gt; 00:37:15

-My grandmother was strong.  
-Hmm!

597

00:37:15 --&gt; 00:37:16

Brave.

598

00:37:17 --&gt; 00:37:19

Never hid from anything.

599

00:37:22 --&gt; 00:37:24

She loved me more than anything.

600

00:37:27 --&gt; 00:37:30

But she hated elves.

601

00:37:33 --&gt; 00:37:38

Hatred is an endless circle  
of fear and desperation.

602

00:37:39 --&gt; 00:37:41

And who can tell which came first?

603

00:37:43 --&gt; 00:37:49

Perhaps your grandmother's hypocrisy  
was rooted in something honest?

604

00:37:50 --> 00:37:53  
A desire to protect you.

605

00:37:54 --> 00:37:55  
[scoffs]

606

00:37:55 --> 00:37:57  
-Well, she did a shit job of that.  
-[chuckles]

607

00:38:00 --> 00:38:04  
Your true power resides  
in more than your blood, Ciri.

608

00:38:06 --> 00:38:07  
With the right guidance,

609

00:38:08 --> 00:38:13  
you may have the ability  
to break this cycle of hatred,

610

00:38:13 --> 00:38:14  
once and for all.

611

00:38:16 --> 00:38:18  
Do you really believe that?

612

00:38:19 --> 00:38:21  
Remains to be seen.

613

00:38:23 --> 00:38:26  
[sighs] Only a hundred more candles to go.

614

00:38:27 --> 00:38:29  
In... [clicks tongue] that direction.

615

00:38:34 --> 00:38:36  
What am I supposed to do with this thing?

616  
00:38:37 --> 00:38:38  
I can't figure it out.

617  
00:38:39 --> 00:38:42  
Geralt believes in you.

618  
00:38:44 --> 00:38:45  
I do too.

619  
00:39:06 --> 00:39:08  
[Filavandrel laughs]

620  
00:39:09 --> 00:39:10  
[baby cooing]

621  
00:39:11 --> 00:39:12  
[sighs]

622  
00:39:13 --> 00:39:15  
-Mmm.  
-[baby cries]

623  
00:39:16 --> 00:39:18  
[laughs]

624  
00:39:18 --> 00:39:20  
-[chuckles]  
-[speaking in Elder]

625  
00:39:22 --> 00:39:24  
Yes. Our little love.

626  
00:39:24 --> 00:39:25  
Mmm.

627  
00:39:27 --> 00:39:28  
[kisses]

628  
00:39:28 --> 00:39:29

[crowd cheering outside]

629

00:39:29 --> 00:39:31

[laughing]

630

00:39:32 --> 00:39:33

[girl] Come on!

631

00:39:34 --> 00:39:36

[crowd cheering and laughing]

632

00:39:36 --> 00:39:38

Have you ever seen  
anything like this before?

633

00:39:40 --> 00:39:41

So joyous.

634

00:39:41 --> 00:39:43

[raucous laughter]

635

00:39:44 --> 00:39:45

Only once.

636

00:39:46 --> 00:39:49

After the Usurper was overthrown  
and the people rose up.

637

00:39:49 --> 00:39:51

[drumming and cheering]

638

00:39:51 --> 00:39:55

It took me a while to be freed.  
And to feel anything at all, really.

639

00:39:57 --> 00:39:58

And look at you now.

640

00:40:00 --> 00:40:01

You gave them this.

641

00:40:03 --&gt; 00:40:04

Hope.

642

00:40:07 --&gt; 00:40:12

But I can't help but wonder  
what this hope will do to your alliance.

643

00:40:15 --&gt; 00:40:18

What happens when the elves decide  
they can repopulate on their own,

644

00:40:19 --&gt; 00:40:20

without Nilfgaard's help?

645

00:40:25 --&gt; 00:40:26

I hope...

646

00:40:27 --&gt; 00:40:28

I'm wrong.

647

00:40:33 --&gt; 00:40:34

Truly.

648

00:40:37 --&gt; 00:40:39

The White Flame wrote you.

649

00:40:44 --&gt; 00:40:46

How soon should we expect him?

650

00:40:49 --&gt; 00:40:51

Any day now.

651

00:40:52 --&gt; 00:40:53

[Deathless Mother] They will take it.

652

00:40:54 --&gt; 00:40:56

-[echoing] Take it...

-First your power.

653

00:40:56 --> 00:40:57  
[echoing] Power...

654

00:40:57 --> 00:40:59  
Then your freedom.

655

00:40:59 --> 00:41:01  
[whispering voices echoing] Freedom..

656

00:41:02 --> 00:41:04  
Did you think about me after Caingorn?

657

00:41:07 --> 00:41:09  
From time to time.

658

00:41:10 --> 00:41:12  
I fantasized about you quite a bit.

659

00:41:14 --> 00:41:15  
That a golem was ripping my insides out?

660

00:41:15 --> 00:41:17  
No, that your head was torn off by one.

661

00:41:18 --> 00:41:19  
[chuckles]

662

00:41:27 --> 00:41:28  
You hurt me.

663

00:41:30 --> 00:41:31  
I know.

664

00:41:34 --> 00:41:36  
You weren't alone in your pain.

665

00:41:38 --> 00:41:39  
I know.

666

00:41:41 --> 00:41:43  
What changed your mind  
about claiming the girl?

667

00:41:43 --> 00:41:46  
You seemed so certain  
it was a mistake back then.

668

00:41:47 --> 00:41:49  
[sighs] Many things changed my mind.

669

00:41:51 --> 00:41:53  
You among them.

670

00:41:57 --> 00:41:58  
I ran into Jaskier.

671

00:41:59 --> 00:42:00  
In Oxenfurt.

672

00:42:01 --> 00:42:04  
-He was in some trouble.  
-What kind of trouble?

673

00:42:04 --> 00:42:07  
This fire fucker was after him.  
A mage. I don't know who he was.

674

00:42:08 --> 00:42:11  
He was looking for information. About you.

675

00:42:16 --> 00:42:18  
He's looking for Ciri.

676

00:42:18 --> 00:42:20  
Why? What is she to him?

677

00:42:25 --> 00:42:26  
Yen,

678

00:42:26 --> 00:42:29  
your heart has been beating fast  
this whole time.

679

00:42:30 --> 00:42:31  
You're nervous.

680

00:42:34 --> 00:42:35  
So?

681

00:42:36 --> 00:42:37  
[sighs]

682

00:42:38 --> 00:42:39  
Why are you here?

683

00:42:42 --> 00:42:44  
I have some wounds that refuse to heal.

684

00:42:50 --> 00:42:51  
You still want to have a child?

685

00:42:54 --> 00:42:55  
No, it's...

686

00:42:56 --> 00:42:57  
it's different this time.

687

00:42:58 --> 00:43:00  
Well, let's hope  
it's different for the both of us.

688

00:43:04 --> 00:43:05  
I need to find Ciri.

689

00:43:13 --> 00:43:15  
Uh... [mutters and sighs]

690

00:43:17 --> 00:43:21

Maybe there isn't any riddle after all.

691

00:43:21 --> 00:43:24

Some kings build statues to their vanity.

692

00:43:24 --> 00:43:27

Maybe the Emperor Emhyr  
collects monoliths.

693

00:43:27 --> 00:43:32

He could want Cirilla  
to have a legitimate claim to Cintra.

694

00:43:33 --> 00:43:35

-Unrelated facts.

-Hmm. Yes.

695

00:43:35 --> 00:43:38

God, it's probably pure coincidence

696

00:43:38 --> 00:43:43

that Emhyr wants the princess  
with the secret power to shatter monoliths

697

00:43:43 --> 00:43:47

for her claim to a throne  
that he already took by force.

698

00:43:47 --> 00:43:50

-Hmm.

-You know, Fenn, I-- I've been thinking.

699

00:43:50 --> 00:43:53

How could we get answers faster?

700

00:43:54 --> 00:43:55

Hmm.

701

00:43:55 --> 00:43:57

More sarcasm.

702  
00:43:57 --> 00:43:58  
Hmm.

703  
00:43:59 --> 00:43:59  
Ahem.

704  
00:44:00 --> 00:44:05  
There's a gene that keeps showing up  
in Cintran genealogy records,

705  
00:44:05 --> 00:44:07  
-but I've never heard of it.  
-Uh-- Spell it.

706  
00:44:08 --> 00:44:10  
It's, uh...

707  
00:44:10 --> 00:44:12  
Leish... Ard..

708  
00:44:13 --> 00:44:17  
Rath... Ard... Lara.

709  
00:44:22 --> 00:44:24  
-Cod, get the scroll.  
-Hmm?

710  
00:44:24 --> 00:44:26  
[Fenn] Get the scroll.

711  
00:44:26 --> 00:44:27  
-Right. Uh...  
-So, um...

712  
00:44:28 --> 00:44:29  
-It was the--  
-This one... Hm?

713  
00:44:29 --> 00:44:31  
It looks like mostly women have it.

714

00:44:32 --&gt; 00:44:34

Do you think it's a-- a misnomer, or...

715

00:44:35 --&gt; 00:44:38

some kind of illness  
they're trying to conceal?

716

00:44:40 --&gt; 00:44:41

[Fenn] Uh--

717

00:44:42 --&gt; 00:44:46

"And when the humans proved hostile,

718

00:44:46 --&gt; 00:44:48

bringing death and destruction,

719

00:44:48 --&gt; 00:44:50

multiplying and infesting their lands,

720

00:44:50 --&gt; 00:44:53

the elves built a weapon...

721

00:44:54 --&gt; 00:44:55

to destroy them."

722

00:44:58 --&gt; 00:45:01

-Paerhabyn means weapon.

-Hmm.

723

00:45:02 --&gt; 00:45:05

But this is praethyn,  
which is more like draethyn.

724

00:45:08 --&gt; 00:45:09

It's a mistranslation.

725

00:45:10 --&gt; 00:45:13

The elves didn't build a weapon.

726

00:45:13 --> 00:45:15  
They built a warrior.

727

00:45:17 --> 00:45:19  
Lara Dorren.

728

00:45:20 --> 00:45:21  
That's their mission.

729

00:45:22 --> 00:45:23  
Cahir's, the emperor's..

730

00:45:24 --> 00:45:25  
To find her.

731

00:45:26 --> 00:45:29  
She is the reason they came to Cintra.

732

00:45:29 --> 00:45:30  
The reason for all of this.

733

00:45:32 --> 00:45:33  
I know because I helped Ciri escape.

734

00:45:37 --> 00:45:38  
And then I lost her myself.

735

00:46:04 --> 00:46:06  
"Verily I say unto you..

736

00:46:09 --> 00:46:12  
the era of the sword and the ax is nigh."

737

00:46:13 --> 00:46:14  
[gasps]

738

00:46:15 --> 00:46:16  
[sighs]

739  
00:46:28 --> 00:46:29  
[creaking]

740  
00:46:43 --> 00:46:44  
Jarre?

741  
00:46:44 --> 00:46:47  
-Jarre, what happened? What happened?  
-[groans]

742  
00:46:47 --> 00:46:50  
-Are you all right? Who did this?  
-[groaning]

743  
00:46:50 --> 00:46:51  
-[marching]  
-[wheezes]

744  
00:46:54 --> 00:46:55  
Get out. Find Geralt!

745  
00:46:56 --> 00:46:58  
[Rience] Hello, Ciri.

746  
00:46:59 --> 00:47:01  
It's so nice  
to finally put a face to a name.

747  
00:47:02 --> 00:47:04  
-Have you met the Michelet brothers?  
-[chuckling]

748  
00:47:05 --> 00:47:09  
I don't know who you are,  
but come any closer and you'll regret it.

749  
00:47:09 --> 00:47:10  
[laughs]

750  
00:47:12 --> 00:47:13

I think we'll take our chances.

751

00:47:13 --> 00:47:15  
[breathing heavily]

752

00:47:27 --> 00:47:29  
Ciri!

753

00:47:34 --> 00:47:36  
Well, if I'd known  
to follow you from Oxenfurt,

754

00:47:36 --> 00:47:39  
it would've saved me  
a spy mission to Kaer Morhen.

755

00:47:39 --> 00:47:40  
Nice scar, shithead.

756

00:47:40 --> 00:47:41  
Fire fucker?

757

00:47:41 --> 00:47:42  
Unfortunately, yes.

758

00:47:44 --> 00:47:45  
Take Ciri.

759

00:47:46 --> 00:47:48  
I'll find you afterwards.

760

00:47:49 --> 00:47:50  
Come on.

761

00:47:50 --> 00:47:51  
[retreating footsteps]

762

00:47:53 --> 00:47:55  
[Ciri gasping]

763  
00:48:03 --> 00:48:04  
There's no way out.

764  
00:48:07 --> 00:48:08  
[growls]

765  
00:48:10 --> 00:48:12  
[sighs]

766  
00:48:38 --> 00:48:39  
What do we do?

767  
00:48:40 --> 00:48:41  
I don't know.

768  
00:48:41 --> 00:48:43  
Most powerful mage  
Geralt's ever known? Right.

769  
00:48:44 --> 00:48:45  
It's complicated.

770  
00:48:47 --> 00:48:48  
[yells]

771  
00:49:00 --> 00:49:01  
[yells]

772  
00:49:09 --> 00:49:10  
[yells]

773  
00:49:13 --> 00:49:15  
[rumbling]

774  
00:49:15 --> 00:49:16  
[Yennefer] This thing senses magic.

775  
00:49:18 --> 00:49:19  
And it isn't mine.

776

00:49:21 --> 00:49:22  
[high-pitched ringing]

777

00:49:23 --> 00:49:25  
Which means  
you need to get us out of here.

778

00:49:28 --> 00:49:31  
-How?  
-I'll teach you the first thing I learned.

779

00:49:36 --> 00:49:37  
[screams]

780

00:49:37 --> 00:49:39  
[wails]

781

00:49:39 --> 00:49:40  
[Yennefer] Repeat after me.

782

00:49:41 --> 00:49:42  
[speaking in Elder]

783

00:49:42 --> 00:49:43  
I'm afraid.

784

00:49:44 --> 00:49:46  
[breathing shakily] Ciri, we have to try.

785

00:49:48 --> 00:49:49  
[speaking in Elder]

786

00:49:51 --> 00:49:52  
Lesson number one.

787

00:49:53 --> 00:49:54  
See the outcome,

788

00:49:54 --> 00:49:55  
make it happen.

789  
00:49:56 --> 00:49:57  
[speaking in Elder]

790  
00:49:57 --> 00:49:58  
[roaring]

791  
00:50:01 --> 00:50:03  
[repeats spell]

792  
00:50:08 --> 00:50:10  
[voices gasping and whispering]

793  
00:50:12 --> 00:50:14  
[man screams]

794  
00:50:19 --> 00:50:20  
Ciri!

795  
00:50:21 --> 00:50:22  
Yen!

796  
00:50:24 --> 00:50:25  
Stop.

797  
00:50:27 --> 00:50:28  
I wish I could.

798  
00:50:33 --> 00:50:35  
[sighs]

799  
00:50:38 --> 00:50:40  
[both retching]

800  
00:50:45 --> 00:50:47  
-Well, you did it.  
-[coughs]

801

00:50:48 --> 00:50:50  
Where the bloody hell are we?

802

00:50:59 --> 00:51:01  
I need to tell you something.

803

00:51:03 --> 00:51:04  
[Vesemir sighs]

804

00:51:05 --> 00:51:07  
You should know, the-- the vial...

805

00:51:09 --> 00:51:10  
the mutagen...

806

00:51:11 --> 00:51:12  
It's gone.

807

00:51:16 --> 00:51:18  
And there's somewhere I need to go.

808

00:51:24 --> 00:51:26  
Goodbye, Vesemir.

809

00:51:33 --> 00:51:35  
[growls softly]

810

00:51:36 --> 00:51:41  
[Fenn] "And when the babe was born,  
a field of feainnewedd sprung up."

811

00:51:41 --> 00:51:44  
"And Lara Dorren drew her last breath,

812

00:51:44 --> 00:51:47  
crying, 'Know this.'"

813

00:51:48 --> 00:51:53  
"My curse will hound your descendants

unto the tenth generation.'" "

814

00:51:53 --> 00:51:57

"'Until the columns  
of time and space tremble

815

00:51:57 --> 00:51:59

and open for my people.'" "

816

00:51:59 --> 00:52:01

"'Then my vengeance

817

00:52:02 --> 00:52:03

will be born again.'" "

818

00:52:03 --> 00:52:09

What? Calanthe hid her elven bloodline  
because she knew what lurked in it?

819

00:52:09 --> 00:52:11

A generational weapon.

820

00:52:23 --> 00:52:24

[whooshing]

821

00:52:27 --> 00:52:28

Triss.

822

00:52:30 --> 00:52:31

What are you doing here?

823

00:52:31 --> 00:52:33

I am loyal to you, Tissaia.

824

00:52:33 --> 00:52:36

No matter what's happening  
here at Aretuza, this is... [gasps]

825  
00:52:36 --> 00:52:39  
-It's bigger than that.  
-What is wrong?

826  
00:52:40 --> 00:52:41  
I know for a fact

827  
00:52:42 --> 00:52:45  
a drop of her blood  
could change the world.

828  
00:52:46 --> 00:52:47  
In the wrong hands,

829  
00:52:48 --> 00:52:50  
she will destroy it.

 THE WITCHER
