205
00:12:14 --> 00:12:16
[horses blowing and snorting]

206
00:12:17 --> 00:12:18
The longer this takes,
the more time I have

207

00:12:19 --> 00:12:22

-to think about what they're doing to him.
-You two seem to have quite the bond.

208

00:12:23 --> 00:12:26

I mean, he's a grump of the first order,

209

00:12:26 --> 00:12:29

has the social graces
of a wild boar, but he's...

210

00:12:30 --> 00:12:31

He's your protector.

211

00:12:33 --> 00:12:35

He's the father I never had.

212

00:12:38 --> 00:12:40

When I'm with him,
I don't feel alone anymore.

213

00:12:42 --> 00:12:44

I know what you mean.

214

00:12:46 --> 00:12:47

What...

215

00:12:49 --> 00:12:50

what was between you and Geralt?

216

00:12:53 --> 00:12:54

Longing,

217

00:12:55 --> 00:12:56

regret,

218

00:12:57 --> 00:13:00

hope, and fear.

219
00:13:02 --> 00:13:03
I don't think I've omitted anything.

220
00:13:06 --> 00:13:09
So, you love him too.

221
00:13:13 --> 00:13:14
Let's go.

222
00:13:15 --> 00:13:16
[horse snorts]

223
00:13:17 --> 00:13:18
[neighing]

224
00:13:19 --> 00:13:21
[bell ringing]

225
00:13:22 --> 00:13:26
I always loved the name Ceinwen.

226
00:13:26 --> 00:13:28
-[laughs]
-Sh, sh, sh.

227
00:13:28 --> 00:13:29
Absolutely not.

228
00:13:30 --> 00:13:32
I had a cousin named Ceinwen.

229
00:13:33 --> 00:13:34
-She ate her own hair.
-[laughs]

230
00:13:35 --> 00:13:36
She's a Fiona.

231
00:13:37 --> 00:13:38

Elegant.

232

00:13:39 --> 00:13:40

Or Liserne.

233

00:13:41 --> 00:13:43

Powerful and brave.

234

00:13:43 --> 00:13:46

-Sh, sh. Come-- come here.

-Thank you, Dara.

235

00:13:46 --> 00:13:47

[laughs]

236

00:13:47 --> 00:13:48

[baby cries]

237

00:13:48 --> 00:13:51

-Ohh...

-Sh, sh, sh, sh, sh...

238

00:13:52 --> 00:13:54

Liserne is pretty.

239

00:13:55 --> 00:13:57

With such a wonderful distraction,

240

00:13:57 --> 00:14:00

I trust you're unaware that
your fighters failed to show this morning.

241

00:14:00 --> 00:14:02

-I heard.

-Well, then I trust

242

00:14:02 --> 00:14:05

you will make sure it never happens again.

243

00:14:05 --> 00:14:07

One day is a hangover,

244

00:14:07 --> 00:14:09
two is sedition.

245

00:14:09 --> 00:14:12
-Many of us have had a change of heart.
-Then you change it back.

246

00:14:12 --> 00:14:15
I never intended to fight for Nilfgaard.

247

00:14:16 --> 00:14:18
Francesca convinced me,

248

00:14:18 --> 00:14:21
but now she has given me
a far better reason

249

00:14:21 --> 00:14:23
-not to fight.
-[baby cooing]

250

00:14:24 --> 00:14:25
It's time for us to rebuild.

251

00:14:27 --> 00:14:28
To grow strong again.

252

00:14:28 --> 00:14:31
Have you forgotten
who brought that child into the world?

253

00:14:32 --> 00:14:34
-Who made Cintra safe for the elves?
-We're grateful.

254

00:14:34 --> 00:14:37
It's time for us now
to add to our numbers,

255

00:14:37 --> 00:14:38
not to die in someone else's war.

256

00:14:38 --> 00:14:40
Our war is your war.

257

00:14:41 --> 00:14:44
[Francesca] Fringilla,
as a friend, I must ask,

258

00:14:45 --> 00:14:47
are these your words or Cahir's?

259

00:14:48 --> 00:14:50
Francesca...

260

00:15:01 --> 00:15:03
The bargain we struck in that hut,

261

00:15:04 --> 00:15:05
it is working.

262

00:15:09 --> 00:15:10
You have your baby...

263

00:15:12 --> 00:15:14
and I have Emhyr's favor.

264

00:15:15 --> 00:15:17
It can all stay this way

265

00:15:17 --> 00:15:18
if...

266

00:15:19 --> 00:15:21
our bond remains strong.

267

00:15:23 --> 00:15:25
As I said, we are friends.

268
00:15:26 --> 00:15:28
I value the bond we have.

269
00:15:30 --> 00:15:31
But family,

270
00:15:32 --> 00:15:33
blood,

271
00:15:34 --> 00:15:39
that's the only bond that can't be broken,
and that's the one I must protect.

272
00:15:40 --> 00:15:41
[[snorts softly]

273
00:15:56 --> 00:15:59
[Dijkstra] I thought you'd want
to hear the news right away.

274
00:15:59 --> 00:16:00
[Stregobor] It's even worse than I feared.

275
00:16:01 --> 00:16:03
Not just an elven baby,
but one born to a mage.

276
00:16:04 --> 00:16:07
Only you could see a threat
where everyone else sees a baby.

277
00:16:07 --> 00:16:10
Not all of us have
your soft spot for elves, Tissaia.

278
00:16:10 --> 00:16:13
She's a co-chair on this council.
She doesn't have soft spots.

279

00:16:13 --> 00:16:14

Well, you'd know.

280

00:16:15 --> 00:16:19

Besides, it's not just a baby.
It's a-- it's a symbol. A beacon.

281

00:16:19 --> 00:16:22

Not to mention a potential enemy
who'll live for centuries..

282

00:16:23 --> 00:16:25

[Artorius] Who is currently aligned
with our other enemy.

283

00:16:25 --> 00:16:27

We could be tangled in a war again
before we know it.

284

00:16:27 --> 00:16:29

Unlike your tenure, Artorius,

285

00:16:29 --> 00:16:32

we no longer act
on unfounded prejudice and rumors.

286

00:16:32 --> 00:16:35

Which is why
I find it so very hard to believe

287

00:16:35 --> 00:16:37

that you came here simply to share gossip.

288

00:16:39 --> 00:16:41

[chuckles] Well, in my line of work,

289

00:16:42 --> 00:16:44

today's gossip is next month's news.

290

00:16:44 --> 00:16:48

For instance, I heard that one

of your former students has returned.

291

00:16:49 --> 00:16:51

Foltest's mage?

292

00:16:53 --> 00:16:55

Triss Merigold, is it?

293

00:16:56 --> 00:16:57

Triss is here?

294

00:16:57 --> 00:16:59

She fell ill in Temeria

295

00:17:00 --> 00:17:02

and has come here to recover.

296

00:17:02 --> 00:17:03

Oh. Mmm.

297

00:17:04 --> 00:17:07

Yes, there are tales of many
a strange stomach ailment this spring.

298

00:17:08 --> 00:17:10

All of them coming
from up in the mountains, though.

299

00:17:13 --> 00:17:14

Give her my best.

300

00:17:15 --> 00:17:16

Oh, I will.

301

00:17:17 --> 00:17:19

As long as you give King Vizimir ours

302

00:17:19 --> 00:17:22

for this distracting information
about the baby.

303

00:17:28 --> 00:17:30
Will there be anything else,

304

00:17:31 --> 00:17:32
Dijkstra?

305

00:17:33 --> 00:17:34
[caws]

306

00:17:35 --> 00:17:39
As soon as Cirilla disappeared,
I knew my chance had passed so I fled.

307

00:17:40 --> 00:17:41
Fled?

308

00:17:41 --> 00:17:44
I was aided, of course.

309

00:17:44 --> 00:17:47
I didn't have the time nor strength left
to open a portal myself.

310

00:17:47 --> 00:17:49
Yes, well...

311

00:17:50 --> 00:17:52
he hasn't been here in days.

312

00:17:53 --> 00:17:55
He said he'd come.

313

00:17:55 --> 00:17:57
-And you said I'd get to meet him.
-[cawing]

314

00:17:57 --> 00:17:59
If you brought the girl.

315
00:18:00 --> 00:18:01
This is on you.

316
00:18:05 --> 00:18:06
Or it's on you.

317
00:18:08 --> 00:18:11
Perhaps you don't have
as much sway with him as you imagined.

318
00:18:11 --> 00:18:14
No, it's part of his plan.

319
00:18:14 --> 00:18:16
The theatrics.

320
00:18:18 --> 00:18:21
[sighing] The distraction.

321
00:18:27 --> 00:18:28
[caws]

322
00:18:34 --> 00:18:35
Fine, you little lunatic, you can have it.

323
00:18:37 --> 00:18:39
Go on, run your damn test.

324
00:18:39 --> 00:18:42
If it works, your master will be here
in an instant, I assure you.

325
00:18:44 --> 00:18:45
Do you think?

326
00:18:57 --> 00:18:59
Blood tracing is simple.

327
00:18:59 --> 00:19:02

Mages have been practicing it
for centuries.

328

00:19:02 --> 00:19:03
Though, I admit,

329

00:19:04 --> 00:19:06
my test subjects are normally..

330

00:19:06 --> 00:19:07
Dead.

331

00:19:09 --> 00:19:10
-Precisely.
-[cawing]

332

00:19:12 --> 00:19:13
[sighs]

333

00:19:28 --> 00:19:29
[loud cawing]

334

00:19:29 --> 00:19:30
[Lydia gasps]

335

00:19:30 --> 00:19:32
-[thud]
-[Lydia groans]

336

00:19:32 --> 00:19:33
-[gasps]
-[kicking]

337

00:19:34 --> 00:19:36
-[screaming]
-[thumping]

338

00:19:38 --> 00:19:39
[Jaskier] Oh, blessed nectar.

339

00:19:39 --> 00:19:41
I have not washed in quite some time,

340
00:19:41 --> 00:19:44
and I'm beginning to smell
like a Nilfgaardian's ballsack.

341
00:19:44 --> 00:19:47
So if you'll excuse me, hold this.

342
00:19:50 --> 00:19:53
I have been looking forward to this!

343
00:19:55 --> 00:19:56
God, it's cold!

344
00:19:56 --> 00:19:57
Whew!

345
00:19:57 --> 00:20:01
Whew, you could hang portraits
off my nipples right now.

346
00:20:01 --> 00:20:03
You're the expert.
How do you get blood out?

347
00:20:03 --> 00:20:05
What was Yennefer doing in Oxenfurt?

348
00:20:06 --> 00:20:08
-Well, she was saving my life.
-What?

349
00:20:08 --> 00:20:11
Yeah, I know. I'm as surprised as you are,

350
00:20:11 --> 00:20:15
seeing as I trust her about as far
as I could wring her stringy, weird neck,

351
00:20:15 --> 00:20:16
but it's true.

352
00:20:17 --> 00:20:18
She risked her life for me.

353
00:20:19 --> 00:20:21
I always knew
there was some deeper feeling for me

354
00:20:21 --> 00:20:24
beneath all that rage and... hair.

355
00:20:24 --> 00:20:26
-She's got a lot of hair, that woman.
-What was her angle?

356
00:20:26 --> 00:20:28
Not an attractive one.

357
00:20:29 --> 00:20:32
[grunts] She was on the run.
She'd lost her magic.

358
00:20:33 --> 00:20:34
She was almost tolerable.

359
00:20:34 --> 00:20:36
-She lost her magic?
-Yeah, I know!

360
00:20:36 --> 00:20:38
It was great! [chuckles]

361
00:20:39 --> 00:20:40
Unless she was lying.

362
00:20:42 --> 00:20:44
Only just realizing now
she might have been lying.

363
00:20:44 --> 00:20:48
[echoing] Fuck! Oh, Jaskier, you moron!

364
00:20:49 --> 00:20:50
Because if she wasn't lying,

365
00:20:50 --> 00:20:53
then how did she magically disappear
into thin air

366
00:20:53 --> 00:20:55
when she was imprisoned
in the whorehouse?

367
00:20:55 --> 00:20:57
Tell me exactly what happened in Oxenfurt.

368
00:20:57 --> 00:20:59
When the Redanian guards grabbed her,

369
00:20:59 --> 00:21:01
she muttered something about forests,

370
00:21:02 --> 00:21:05
and mothers, and huts,

371
00:21:05 --> 00:21:07
and then she just
sort of disappeared,

372
00:21:07 --> 00:21:09
-so--
-"Turn your back to the forest, hut, hut"?

373
00:21:10 --> 00:21:13
"Turn your front to me, hut, hut."
Yeah, that's what she said.

374
00:21:16 --> 00:21:18

She's in league with the Deathless Mother.

375

00:21:19 --> 00:21:21
Well, she sounds like a hoot.

376

00:21:21 --> 00:21:24
Who is the Deathless Mother, Geralt?

377

00:21:24 --> 00:21:25
Voleth Meir.

378

00:21:26 --> 00:21:28
The first witchers
were hired to imprison her.

379

00:21:29 --> 00:21:31
They entombed her in her hut.

380

00:21:31 --> 00:21:34
But someone's gone and opened up the door.

381

00:21:34 --> 00:21:36
That someone being..

382

00:21:37 --> 00:21:39
-She wouldn't.
-She would.

383

00:21:40 --> 00:21:43
What? Sacrifice your Child Surprise
to get her magic back?

384

00:21:43 --> 00:21:46
You bet your bloated biceps she would.

385

00:21:46 --> 00:21:49
Voleth Meir is a demon that feeds on pain.

386

00:21:50 --> 00:21:51
[birds calling]

387

00:21:56 --> 00:21:58
We need to go to Cintra.

388

00:21:58 --> 00:21:59
-Why? What's in Cintra?
-[twig snaps]

389

00:22:00 --> 00:22:00
Oh!

390

00:22:04 --> 00:22:06
Someone really didn't like my shirt!
[chuckles]

391

00:22:06 --> 00:22:08
[cackling]

392

00:22:08 --> 00:22:10
[horse neighing]

393

00:22:10 --> 00:22:11
[Geralt] Yarpen Zigrin.

394

00:22:12 --> 00:22:13
Your aim's gone to shit.

395

00:22:14 --> 00:22:17
And if it isn't the White fuckin' Wolf
and the big fuckin' mouth.

396

00:22:22 --> 00:22:24
Put your weapons down, numpty arseholes.

397

00:22:25 --> 00:22:27
This is an old friend.

398

00:22:27 --> 00:22:28
Uh, friends. Plural.

399

00:22:29 --> 00:22:31
-Julian Alfred Pankratz, Viscount--
-Yeah!

400

00:22:31 --> 00:22:32
I know.

401

00:22:33 --> 00:22:34
Right, yeah.

402

00:22:34 --> 00:22:38
What are you doin' out here in the middle
of east bloody nowhere, you warlock?

403

00:22:38 --> 00:22:40
[Geralt] I could ask you
the same question.

404

00:22:40 --> 00:22:43
Aren't you supposed to be the lord
of a vassal state in Caingorn?

405

00:22:43 --> 00:22:45
[Yarpen] Ach.

406

00:22:45 --> 00:22:47
Lording's for peacocks and pissants.

407

00:22:47 --> 00:22:50
We run the roads for Henselt now.
Protect his convoys.

408

00:22:50 --> 00:22:51
Pays better.

409

00:22:52 --> 00:22:55
-You remember my men.
-Of course. Good to see you all again.

410

00:22:56 --> 00:22:59

I have absolutely no recollection
of any of these people.

411

00:22:59 --> 00:23:00

-[man scoffs] Wanker.

-[muttering]

412

00:23:01 --> 00:23:02

Where's Lucas Corto?

413

00:23:03 --> 00:23:05

-He owes me money.

-[Yarpen] You've got a good memory.

414

00:23:05 --> 00:23:08

Lucas Corto got married,
settled down in Mahakam,

415

00:23:08 --> 00:23:10

and dropped out of the company,
the stupid oaf.

416

00:23:13 --> 00:23:15

You ain't looking
to join a crew yourself?

417

00:23:16 --> 00:23:19

Be happy to have you as our sixth.
Even if you do smell like shite.

418

00:23:21 --> 00:23:22

I can't right now, Yarpen.

419

00:23:24 --> 00:23:26

And I need a horse. I'll, uh...

420

00:23:27 --> 00:23:29

pay you double with interest
once I find some coin.

421

00:23:30 --> 00:23:32

Normally, I'd tell you
to shit twice and die,

422

00:23:33 --> 00:23:36
but we're on the Trail,
and you never refuse help on the Trail.

423

00:23:38 --> 00:23:40
This mount's too big for us lot, anyway.

424

00:23:41 --> 00:23:43
What's the mission,
if you don't mind me asking?

425

00:23:43 --> 00:23:44
I do.

426

00:23:47 --> 00:23:49
The secret kind.

427

00:23:49 --> 00:23:51
My favorite.

428

00:23:51 --> 00:23:52
[snorts]

429

00:23:57 --> 00:23:59
You're not my usual type.

430

00:24:02 --> 00:24:03
But you'll do.

431

00:24:03 --> 00:24:06
[Yarpen] Come on, boys! The king can wait.

432

00:24:07 --> 00:24:09
We're goin' on an adventure! [laughs]

433

00:24:24 --> 00:24:25
The bridge is out.

434

00:24:36 --> 00:24:37
Where else can we cross?

435

00:24:37 --> 00:24:39
It's half a day's ride.
We don't have time.

436

00:24:43 --> 00:24:47
[Yennefer] We'll have to leave
the horses behind. But there is a way.

437

00:24:48 --> 00:24:49
Lesson number two.

438

00:24:50 --> 00:24:51
Let's see what your Chaos can do.

439

00:24:57 --> 00:25:00
You can either be too strong to fail
or too weak to try.

440

00:25:00 --> 00:25:02
You can do this, Ciri.

441

00:25:04 --> 00:25:05
I believe in you.

442

00:25:16 --> 00:25:17
Repeat after me.

443

00:25:19 --> 00:25:22
[speaking in Elder]

444

00:25:23 --> 00:25:26
[repeats words]

445

00:25:29 --> 00:25:31
[Yennefer speaking in Elder]

446
00:25:34 --> 00:25:35
[repeats words]

447
00:25:45 --> 00:25:47
[Yennefer] That's it! Now repeat.

448
00:25:47 --> 00:25:49
[repeats spell]

449
00:25:59 --> 00:26:02
Don't strain.
Trust your power to do the work.

450
00:26:09 --> 00:26:10
That's enough.

451
00:26:10 --> 00:26:11
I can do it.

452
00:26:12 --> 00:26:15
-We'll find another route.
-[groans]

453
00:26:15 --> 00:26:18
-You're going to hurt yourself!
-[rumbling]

454
00:26:21 --> 00:26:23
Ciri, stop! Stop!

455
00:26:24 --> 00:26:25
[whimpers and yells]

456
00:26:26 --> 00:26:27
Fuck! Fuck!

457
00:26:28 --> 00:26:31
-[screams] Fuck!
-[intense rumbling]

458
00:26:31 --> 00:26:32
[crashing]

459
00:26:32 --> 00:26:34
[whooshing]

460
00:26:34 --> 00:26:36
[rumbling fades]

461
00:26:40 --> 00:26:42
Well, that's one way of doing it.

462
00:26:46 --> 00:26:49
I'm so sorry. I don't know what happened.

463
00:26:51 --> 00:26:53
When you have power like this,

464
00:26:53 --> 00:26:55
never apologize.

465
00:27:13 --> 00:27:15
[birdsong]

466
00:27:22 --> 00:27:23
[Triss] Do you hear them?

467
00:27:25 --> 00:27:27
It's wood thrush, calling to each other.

468
00:27:29 --> 00:27:32
When I first went to court,
I was so homesick for that sound.

469
00:27:33 --> 00:27:35
You used to put seeds on your sill
when you were younger.

470
00:27:35 --> 00:27:39

Tried to catch them for pets.
Succeeded once.

471

00:27:39 --> 00:27:42
I didn't know whose neck
you'd wring first, mine or the bird's.

472

00:27:42 --> 00:27:43
[chuckles]

473

00:27:45 --> 00:27:48
[Tissaia] When you were called away,
I didn't realize what you'd be doing.

474

00:27:49 --> 00:27:50
You should know

475

00:27:51 --> 00:27:53
I saw Cirilla of Cintra at Sodden.

476

00:27:54 --> 00:27:55
What?

477

00:27:55 --> 00:27:58
She was there
with the white-haired witcher.

478

00:28:00 --> 00:28:03
I didn't know who she was,
but now, of course, it makes sense.

479

00:28:04 --> 00:28:06
-They were looking for--
-Yennefer.

480

00:28:06 --> 00:28:07
Yes.

481

00:28:08 --> 00:28:10
They believed she was dead.

482

00:28:23 --> 00:28:25

The information you told me about Ciri,

483

00:28:25 --> 00:28:28

about what you saw
when you performed the Dol Durza,

484

00:28:29 --> 00:28:30

who else knows?

485

00:28:30 --> 00:28:31

The other witchers and you.

486

00:28:31 --> 00:28:33

I don't trust anyone else.

487

00:28:33 --> 00:28:35

Triss!

488

00:28:35 --> 00:28:37

No, no, I said I would call you
when she was ready.

489

00:28:37 --> 00:28:41

I need to know everything
about the girl. Now.

490

00:28:42 --> 00:28:43

You told him.

491

00:28:43 --> 00:28:47

This knowledge, it cannot be ours alone.
There is too much at stake.

492

00:28:47 --> 00:28:49

Look, this is important.

493

00:28:50 --> 00:28:53

I need you to tell me everything, Triss.

494
00:28:54 --> 00:28:56
[gasps]

495
00:28:56 --> 00:28:57
Triss.

496
00:29:06 --> 00:29:07
She wasn't ready.

497
00:29:08 --> 00:29:10
This is why I didn't want to tell you.

498
00:29:10 --> 00:29:12
This isn't a game, Tissaia.

499
00:29:13 --> 00:29:15
If what she says is true,

500
00:29:15 --> 00:29:20
this child has the potential
to end all war.

501
00:29:20 --> 00:29:21
Forever.

502
00:29:23 --> 00:29:25
Unless she falls into the wrong hands.

503
00:29:25 --> 00:29:29
And if that happens,
the consequences will be ours to own.

504
00:29:29 --> 00:29:31
Well, damn the consequences.

505
00:29:31 --> 00:29:33
Because I made a promise to Triss,

506
00:29:33 --> 00:29:37

and I will not continue
to put my girls at risk unnecessarily.

507

00:29:37 --> 00:29:40
[yells] I wouldn't ask you to
if it wasn't necessary!

508

00:29:44 --> 00:29:45
[sighs]

509

00:29:56 --> 00:29:57
[sighs]

510

00:29:58 --> 00:30:00
[sighs]

511

00:30:00 --> 00:30:03
I have always considered you
my equal partner.

512

00:30:05 --> 00:30:07
My most trusted confidante.

513

00:30:09 --> 00:30:11
I wish I could prove to you

514

00:30:12 --> 00:30:14
that I'm worthy of the same.

515

00:30:26 --> 00:30:27
[portal opens]

516

00:30:29 --> 00:30:30
[portal closes]

517

00:30:30 --> 00:30:32
You dare show your face here.

518

00:30:33 --> 00:30:35
After lying to the conclave

and attacking us at Sodden!

519

00:30:35 --> 00:30:37

My portal has no doubt set off alarms.

520

00:30:38 --> 00:30:40

-I don't have much time.

-So get on with it.

521

00:30:40 --> 00:30:43

What water does Nilfgaard want you
to carry for them this time?

522

00:30:43 --> 00:30:44

I'm not here for them.

523

00:30:44 --> 00:30:45

Or as a mage.

524

00:30:46 --> 00:30:47

Just as your niece.

525

00:30:50 --> 00:30:51

I may need to leave Nilfgaard.

526

00:30:52 --> 00:30:53

And quickly.

527

00:30:57 --> 00:30:58

What's changed?

528

00:30:58 --> 00:31:01

An emperor arriving tomorrow
with great expectations I--

529

00:31:02 --> 00:31:07

I brought in the elves to fight for us,
but they... have had a change of heart.

530

00:31:08 --> 00:31:11

So the elven birth has helped our cause,
not threatened it.

531

00:31:13 --> 00:31:14
Tissaia was right.

532

00:31:14 --> 00:31:17
-I care not for the Brotherhood's polit--
-And yet I do.

533

00:31:20 --> 00:31:24
Triss Merigold returns suddenly,
without explanation.

534

00:31:24 --> 00:31:26
-Do you know anything about that?
-No.

535

00:31:29 --> 00:31:30
Uncle,

536

00:31:32 --> 00:31:33
you are my blood.

537

00:31:36 --> 00:31:39
And that is a bond
that is stronger than all others.

538

00:31:39 --> 00:31:41
[sighs]

539

00:31:44 --> 00:31:45
Please.

540

00:31:48 --> 00:31:50
I'm asking you for help.

541

00:31:52 --> 00:31:53
For once, will you give it?

542

00:31:56 --> 00:32:00
I should have stood up for you
that night at the ball in Aretuza.

543
00:32:02 --> 00:32:03
I'm sorry.

544
00:32:04 --> 00:32:07
Let's be honest.
Whatever is brewing out there,

545
00:32:07 --> 00:32:09
the Brotherhood needs
reinforcements in here.

546
00:32:10 --> 00:32:12
If you were to return,

547
00:32:12 --> 00:32:14
you'd need to plead your case.

548
00:32:16 --> 00:32:18
Apologize, as well.

549
00:32:19 --> 00:32:20
For aligning with Nilfgaard?

550
00:32:21 --> 00:32:22
Of course.

551
00:32:22 --> 00:32:25
For believing that you could have
any impact there at all, my dear.

552
00:32:27 --> 00:32:29
There are those who are
obsessed with finding power,

553
00:32:29 --> 00:32:31
and those who know their place.

554

00:32:31 --> 00:32:34

You know which one you are, thank gods.

555

00:32:35 --> 00:32:37

You wouldn't have come back here
if you didn't.

556

00:32:38 --> 00:32:40

[sighs]

557

00:32:43 --> 00:32:45

[bell ringing]

558

00:32:49 --> 00:32:50

[Dara breathing shakily]

559

00:32:51 --> 00:32:52

Of course I'm nervous.

560

00:32:53 --> 00:32:57

As a child,

I watched Cintran soldiers murder my kind.

561

00:32:57 --> 00:32:59

Now I'm watching Nilfgaard do the same.

562

00:33:00 --> 00:33:02

Only now I'm complicit.

563

00:33:02 --> 00:33:04

-[man shouts]

-[horse neighs]

564

00:33:05 --> 00:33:06

They're looking for me.

565

00:33:07 --> 00:33:10

-[cooing]

-Elves are dying because I'm here. Spying.

566

00:33:13 --> 00:33:15
But it's more than that.

567

00:33:15 --> 00:33:16
Last night,

568

00:33:18 --> 00:33:20
seeing my people sing and dance,

569

00:33:20 --> 00:33:23
seeing the baby in her mother's arms...

570

00:33:25 --> 00:33:26
[sighs]

571

00:33:27 --> 00:33:29
I don't care about Redania.

572

00:33:29 --> 00:33:30
Or Cirilla of Cintra.

573

00:33:31 --> 00:33:33
They can have each other.

574

00:33:33 --> 00:33:34
From here on out,

575

00:33:34 --> 00:33:37
I want to focus
on keeping that elven hope alive.

576

00:33:41 --> 00:33:42
Tell Dijkstra I'm done.

577

00:33:44 --> 00:33:47
[Hake] I've had my doubts
about Fringilla all along.

578

00:33:47 --> 00:33:48

[dog barks]

579

00:33:48 --> 00:33:52

Emhyr letting a mage give us orders? Nah.

580

00:33:54 --> 00:33:57

The White Flame will take one look
at this disaster and reset the table.

581

00:33:57 --> 00:34:01

If her head's still on her shoulders
by morning, I'll be shocked.

582

00:34:05 --> 00:34:07

You're falling behind.

583

00:34:08 --> 00:34:09

What's the matter?

584

00:34:09 --> 00:34:11

We're supposed to be on the same side.

585

00:34:12 --> 00:34:14

Searching for Princess Cirilla.

586

00:34:16 --> 00:34:17

She's alive.

587

00:34:18 --> 00:34:19

I know it.

588

00:34:20 --> 00:34:22

[Hake] And we'll find her.

589

00:34:23 --> 00:34:26

As soon as we unload
Fringilla's dead weight.

590

00:34:29 --> 00:34:32

If we don't,

all our heads will be on the ch--

591

00:34:32 --> 00:34:34

-[crackling]

-[choking and grunting]

592

00:34:36 --> 00:34:38

[dog barks and whimpers]

593

00:34:40 --> 00:34:44

I have so much resentment
for my Aretuzan training

594

00:34:44 --> 00:34:46

that I forget...

595

00:34:48 --> 00:34:50

-there were bright spots.

-[muffled groaning]

596

00:34:51 --> 00:34:53

Botany, for example.

597

00:34:55 --> 00:34:58

Where else could I have learned
the paralytic qualities of nightshade?

598

00:35:00 --> 00:35:03

Or how to mask it in a glass of mead?

599

00:35:08 --> 00:35:10

My most valuable lesson, though...

600

00:35:10 --> 00:35:11

[Cahir whimpers]

601

00:35:11 --> 00:35:12

...came on my last night there.

602

00:35:13 --> 00:35:16

When Yennefer of Vengerberg

603

00:35:18 --> 00:35:21
stole the seat of Aedirn
to which I was entitled.

604

00:35:21 --> 00:35:24
And that taught me

605

00:35:25 --> 00:35:27
whenever a lesser light
tries to steal what is yours...

606

00:35:28 --> 00:35:31
[grunting] ...you do not sit there
and take it.

607

00:35:31 --> 00:35:34
[Voleth Meir cackling]

608

00:35:34 --> 00:35:35
[sighs]

609

00:35:35 --> 00:35:37
[Voleth Meir] Your power...

610

00:35:42 --> 00:35:43
seize it.

611

00:35:43 --> 00:35:44
[Fringilla grunts]

612

00:35:44 --> 00:35:46
[Voleth Meir laughing]

613

00:35:51 --> 00:35:52
You must do...

614

00:35:52 --> 00:35:54
[Voleth Meir laughing]

615
00:35:54 --> 00:35:55
...whatever...

616
00:35:56 --> 00:35:57
is required...

617
00:36:00 --> 00:36:02
[Voleth Meir] Not as a meek sycophant...

618
00:36:02 --> 00:36:03
[echoing] ...sycophant...

619
00:36:04 --> 00:36:05
[laughing]

620
00:36:05 --> 00:36:06
[Fringilla sighs]

621
00:36:09 --> 00:36:10
...to hold on...

622
00:36:13 --> 00:36:14
to what you've earned.

623
00:36:15 --> 00:36:17
-[choking]
-[Voleth Meir laughing]

624
00:36:21 --> 00:36:22
[laughter echoing]

625
00:36:23 --> 00:36:25
How did it come to this, Cahir?

626
00:36:28 --> 00:36:29
I may never know

627
00:36:30 --> 00:36:32

if you were planning
to overthrow me or not.

628

00:36:32 --> 00:36:34
But one thing I do know.

629

00:36:36 --> 00:36:39
I am never going back to that dungeon.

630

00:36:42 --> 00:36:44
-I would much rather...
-[whimpers]

631

00:36:44 --> 00:36:46
...put this knife in my own eye

632

00:36:47 --> 00:36:48
and end it all.

633

00:36:56 --> 00:36:58
Emhyr needs to hear of the treachery
I just uncovered.

634

00:37:00 --> 00:37:03
And he needs
the general that he trusts most

635

00:37:04 --> 00:37:06
to tell him I was justified.

636

00:37:08 --> 00:37:10
So when he arrives tomorrow...

637

00:37:13 --> 00:37:14
rave.

638

00:37:22 --> 00:37:24
[Voleth Meir cackling]

639

00:37:24 --> 00:37:26

[flames roaring]

640
00:37:27 --> 00:37:29
[laughing]

641
00:37:30 --> 00:37:32
[laughter fading]

642
00:37:33 --> 00:37:35
[screeching]

643
00:37:37 --> 00:37:38
[Dijkstra] Hmm.

644
00:37:39 --> 00:37:41
[chuckles]

645
00:37:42 --> 00:37:42
[coos]

646
00:37:42 --> 00:37:45
Our little spy Dara
has had a change of heart.

647
00:37:48 --> 00:37:50
We have all the information we need.

648
00:37:52 --> 00:37:54
The girl gives you
the rightful claim to Cintra.

649
00:37:55 --> 00:37:59
That makes Redania the most powerful
kingdom on the Continent.

650
00:37:59 --> 00:38:01
Or Nilfgaard, if they get her first.

651
00:38:02 --> 00:38:04
What about Aretuza?

652

00:38:05 --> 00:38:06
Didn't you go there for...

653

00:38:07 --> 00:38:09
-something?
-Hmm.

654

00:38:09 --> 00:38:14
There are some... unknown variables
in Aretuza.

655

00:38:15 --> 00:38:17
Tissaia knows of the girl's existence.
I'm certain.

656

00:38:18 --> 00:38:21
But she keeps the information
very close to her chest.

657

00:38:21 --> 00:38:23
Even from Vilgefertz,

658

00:38:23 --> 00:38:26
whom she helped install
and, uh... obviously cares for. [scoffs]

659

00:38:27 --> 00:38:30
-Who?
-The new leader of the Brotherhood.

660

00:38:30 --> 00:38:32
How long that will last
is anybody's guess.

661

00:38:32 --> 00:38:35
Tissaia acts detached,

662

00:38:35 --> 00:38:39
but she lets relationships
cloud her judgment.

663

00:38:40 --> 00:38:43
Stregobor will take advantage of that.
If I were a betting man--

664

00:38:43 --> 00:38:44
If...

665

00:38:45 --> 00:38:49
you were a betting man,
you'd be betting with my money.

666

00:38:52 --> 00:38:54
I pay you to solve problems, Dijkstra,

667

00:38:55 --> 00:38:58
not fill my head with piling bad news.

668

00:38:58 --> 00:39:01
Not bad news, my lord.

669

00:39:01 --> 00:39:02
Bedlam.

670

00:39:03 --> 00:39:06
And if our goal is
to destabilize the Continent,

671

00:39:06 --> 00:39:08
bedlam is good news.

672

00:39:09 --> 00:39:12
Yes, well, let's hope so,
for your sake, Dijkstra.

673

00:39:12 --> 00:39:14
Trust me, your Highness.

674

00:39:14 --> 00:39:16
Elven spy or not,

we are in a strong position.

675

00:39:18 --> 00:39:21

And I have many more irons in the fire.

676

00:39:22 --> 00:39:24

-[neighing]

-[driver] Go on! Go on!

677

00:39:24 --> 00:39:25

[Jaskier] Look, I understand

678

00:39:25 --> 00:39:29

that what's-her-demon wants
to eat your Child Surprise and all,

679

00:39:29 --> 00:39:31

and I'm happy to help save her,

680

00:39:31 --> 00:39:34

but you never even wanted this child
in the first place, and now...

681

00:39:36 --> 00:39:39

now it's like she has turned
your entire world upside down.

682

00:39:39 --> 00:39:41

[men talking]

683

00:39:42 --> 00:39:42

I guess...

684

00:39:43 --> 00:39:45

what I'm really asking you is...

685

00:39:47 --> 00:39:49

is this what pleases you?

686

00:39:51 --> 00:39:56

I thought ignoring Ciri's existence
would make everything better.

687

00:39:59 --> 00:40:00

I was wrong.

688

00:40:04 --> 00:40:05

What about Yennefer?

689

00:40:05 --> 00:40:08

If she's hurt Ciri,
I may just have to kill her.

690

00:40:08 --> 00:40:12

Oh, no, well, obviously we'll kill her.
We'll definitely kill her.

691

00:40:12 --> 00:40:14

I just haven't found
a good enough jabbing stick yet.

692

00:40:14 --> 00:40:16

But what if she's changed too?

693

00:40:19 --> 00:40:23

People do stupid things when they think
they're trapped in a corner, Geralt.

694

00:40:23 --> 00:40:24

And they say stupid things.

695

00:40:26 --> 00:40:27

That's what friends do.

696

00:40:29 --> 00:40:30

They come back.

697

00:40:31 --> 00:40:32

[Geralt] This is different.

698

00:40:35 --> 00:40:36
And I'm sorry, Jaskier.

699
00:40:37 --> 00:40:41
Gah, you are always so emotional!

700
00:40:41 --> 00:40:44
I mean, it's just yap, yap, yap
with you sometimes.

701
00:40:44 --> 00:40:47
[mimicking] "Oh, Jaskier,
I'm so sad and complicated!"

702
00:40:47 --> 00:40:49
-Shut up, Jaskier.
-You shut up.

703
00:40:49 --> 00:40:51
That's a perfect impression of you,
by the way.

704
00:41:06 --> 00:41:08
[snorting]

705
00:41:09 --> 00:41:11
[Ciri] How can it look the same

706
00:41:11 --> 00:41:13
when everyone I've known is gone?

707
00:41:25 --> 00:41:27
There was a monolith there.

708
00:41:28 --> 00:41:29
The blackest stellacite.

709
00:41:30 --> 00:41:32
What happened to it?

710

00:41:34 --> 00:41:35
Me.

711
00:41:38 --> 00:41:39
You did that?

712
00:41:47 --> 00:41:48
Ci-- Ciri...

713
00:41:49 --> 00:41:51
promise me something, if we get separated.

714
00:41:54 --> 00:41:55
Remember what you have.

715
00:41:57 --> 00:41:58
Magic.

716
00:41:59 --> 00:42:02
It's lodged in you. Like a spiked arrow.

717
00:42:03 --> 00:42:05
It wounds you. Deeply.

718
00:42:07 --> 00:42:09
But it's a strange sort of pain.

719
00:42:11 --> 00:42:12
Combined with...

720
00:42:13 --> 00:42:14
bliss.

721
00:42:19 --> 00:42:20
Trust me.

722
00:42:21 --> 00:42:22
It's all you'll ever need.

723

00:42:24 --> 00:42:25
It's everything.

724
00:42:27 --> 00:42:28
I want to believe you.

725
00:42:30 --> 00:42:31
I really do, but...

726
00:42:32 --> 00:42:34
when you had magic,

727
00:42:35 --> 00:42:36
you controlled the Chaos.

728
00:42:38 --> 00:42:39
But it controls me.

729
00:42:40 --> 00:42:43
No one's been able
to teach me how to use it.

730
00:42:45 --> 00:42:45
And...

731
00:42:47 --> 00:42:48
I'm afraid, Yennefer.

732
00:42:55 --> 00:42:57
[Voleth Meir, echoing] So close...

733
00:42:58 --> 00:43:02
[overlapping voices] Do what
you have to do to seize your destiny.

734
00:43:03 --> 00:43:05
Deliver me to the shattered black door.

735
00:43:06 --> 00:43:08
Destiny.

736
00:43:09 --> 00:43:12
-Your destiny.
-[gasping]

737
00:43:12 --> 00:43:14
[high-pitched ringing]

738
00:43:14 --> 00:43:16
[low rumbling]

739
00:43:20 --> 00:43:23
[Yennefer] If you're afraid, turn back...
[distorted] ...back, back...

740
00:43:24 --> 00:43:27
[Ciri, echoing] That door mustn't
be opened. You know that.

741
00:43:27 --> 00:43:28
[Yennefer] I do.

742
00:43:28 --> 00:43:30
[muffled, distorted echoing]

743
00:43:30 --> 00:43:32
[Ciri] But you're still leading me there.

744
00:43:33 --> 00:43:35
[Yennefer] If you're afraid, turn back.
[distorted] You still--

745
00:43:35 --> 00:43:38
[clearly] You still have time
to turn back. It's not too late.

746
00:43:39 --> 00:43:40
[Ciri] And you?

747
00:43:40 --> 00:43:42

[Yennefer] For me, it is... it is...

748

00:43:43 --> 00:43:45
[distorted] ...no choice...
[clearly] I had no choice...

749

00:43:46 --> 00:43:48
My Chaos... I thought... I thought I had to...

750

00:43:53 --> 00:43:54
I'm so sorry, Ciri.

751

00:43:55 --> 00:43:56
Don't go.

752

00:43:57 --> 00:43:58
I didn't know who you were.

753

00:43:59 --> 00:44:01
I didn't know what you were to him.

754

00:44:01 --> 00:44:03
I need to get to him.

755

00:44:03 --> 00:44:04
He's not here!

756

00:44:06 --> 00:44:07
He never was.

757

00:44:15 --> 00:44:16
That mage at Melitele's,

758

00:44:18 --> 00:44:19
he knew you.

759

00:44:20 --> 00:44:21
No.

760

00:44:22 --> 00:44:24
You led him to us.

761
00:44:24 --> 00:44:25
No.

762
00:44:25 --> 00:44:28
We were in trouble and needed help,
and you betrayed us!

763
00:44:28 --> 00:44:29
I was stupid.

764
00:44:30 --> 00:44:31
And I was selfish!

765
00:44:32 --> 00:44:34
You have to come with me.

766
00:44:34 --> 00:44:34
Now!

767
00:44:37 --> 00:44:38
[distorted] I don't trust you.

768
00:44:38 --> 00:44:40
[rumbling and crashing]

769
00:45:00 --> 00:45:01
Sound the alarm!

770
00:45:01 --> 00:45:03
[neighing]

771
00:45:08 --> 00:45:09
Get to the horses.

772
00:45:12 --> 00:45:13
Get to the horses now!

773
00:45:20 --> 00:45:21
There they are!

774
00:45:22 --> 00:45:22
Get the girl!

775
00:45:23 --> 00:45:24
[panting]

776
00:45:25 --> 00:45:28
-Looks like you lost your horse!
-[neighs]

777
00:45:29 --> 00:45:30
[grunts]

778
00:45:31 --> 00:45:32
[yells]

779
00:45:32 --> 00:45:33
Come here!

780
00:45:35 --> 00:45:37
Yennefer!

781
00:45:37 --> 00:45:38
[grunts] Oh, we got a fighter!

782
00:45:38 --> 00:45:40
-[yells]
-Little brat!

783
00:45:40 --> 00:45:41
[soldier 2] Get hold of her!

784
00:45:42 --> 00:45:43
[yells]

785
00:45:47 --> 00:45:49

[all yelling]

786

00:45:55 --> 00:45:57

Come on, Bard!

787

00:46:00 --> 00:46:01

Right in his fuckin' nose!

788

00:46:01 --> 00:46:03

In the kneecaps!

789

00:46:05 --> 00:46:06

Come here, you little--

790

00:46:11 --> 00:46:13

[soldier] Stop it. Stay down!

791

00:46:14 --> 00:46:15

Hey!

792

00:46:38 --> 00:46:39

How could you do this?

793

00:46:40 --> 00:46:41

I'm so sorry.

794

00:46:45 --> 00:46:47

Yarpen and his men
will get you out of here.

795

00:46:48 --> 00:46:51

Jaskier, take her to Kaer Morhen.

796

00:46:52 --> 00:46:53

Ciri knows the way.

797

00:46:53 --> 00:46:55

No. No, I'm staying with you.

798

00:46:55 --> 00:46:57
[sighs] You can't.

799
00:46:57 --> 00:46:59
Why? Where are you going?

800
00:47:01 --> 00:47:02
To slay a monster.

801
00:47:04 --> 00:47:06
I'll be with you soon, I promise.

802
00:47:12 --> 00:47:13
All right.

803
00:47:17 --> 00:47:20
The Child Surprise, I've heard so much a--

804
00:47:21 --> 00:47:23
Like father, like daughter.

805
00:47:26 --> 00:47:27
The girl.

806
00:47:28 --> 00:47:29
Yours?

807
00:47:29 --> 00:47:31
[sword rings]

808
00:47:35 --> 00:47:36
Mine.

809
00:47:41 --> 00:47:43
Mine, Zigrin.

810
00:47:50 --> 00:47:51
Say it.

811

00:47:53 --> 00:47:55
Behold the mother of forests...

812
00:47:55 --> 00:47:57
[driver] Bah! Bah!

813
00:47:57 --> 00:47:58
...the Deathless Mother,

814
00:47:59 --> 00:48:00
nesting in dreams.

815
00:48:01 --> 00:48:03
Turn your back to the forest, hut, hut.

816
00:48:07 --> 00:48:08
Turn your front to me.

817
00:48:09 --> 00:48:10
Hut. Hut.

818
00:48:10 --> 00:48:12
[gasps]

819
00:48:14 --> 00:48:16
[cooing]

820
00:48:18 --> 00:48:19
[cries out]

821
00:48:23 --> 00:48:25
[Filavandrel yelling]

822
00:48:25 --> 00:48:27
-[gasps]
-[sobbing]

823
00:48:27 --> 00:48:29
[Francesca] Oh, no...

824
00:48:29 --> 00:48:31
[whimpering]

825
00:48:35 --> 00:48:37
[screaming]

826
00:48:37 --> 00:48:39
-[flames roaring]
-[Francesca screaming]

827
00:48:40 --> 00:48:41
[cackling]

828
00:48:52 --> 00:48:54
[laughing wildly]

829
00:49:07 --> 00:49:08
She's gone.

830
00:49:10 --> 00:49:11
It's always worked.

831
00:49:12 --> 00:49:15
The first witchers imprisoned her
in this hut for eternity.

832
00:49:15 --> 00:49:17
She shouldn't be able to escape.

833
00:49:19 --> 00:49:20
Unless...

834
00:49:22 --> 00:49:23
What?

835
00:49:23 --> 00:49:25
Unless she's had her fill

836
00:49:25 --> 00:49:27

of pain and desperation.

837

00:49:29 --> 00:49:31
It would have given her new life.

838

00:49:31 --> 00:49:32
To do what?

839

00:49:51 --> 00:49:52
[neighing]

840

00:50:01 --> 00:50:03
[hissing]

841

00:50:11 --> 00:50:14
[Voleth Meir cackling]
