EPISODE CAST

Henry Cavill	...	Geralt of Rivia
Anya Chalotra	...	Yennefer
Freya Allan	...	Ciri
Joey Batey	...	Jaskier
Eamon Farren	...	Cahir
MyAnna Buring	...	Tissaia
Mimî M. Khayisa	...	Fringilla
Royce Pierreson	...	Istredd
Tom Canton	...	Filavandrel
Mecia Simson	...	Francesca
Wilson Mbomio	...	Dara
Kim Bodnia	...	Vesemir
Shaun Dooley	...	King Foltest of Temeria
Adam Levy	...	Mousesack
Jodhi May	...	Queen Calanthe
Bart Edwards	...	Emhyr
Paul Bullion	...	Lambert
Yasen Atour	...	Coen
Nathanial Jacobs	...	Everard
Jota Castellano	...	Gwain
Chuey Okoye	...	Merek
Gaia Mondadori	...	Pavetta
Kaine Zajaz	...	Gage
Sonny Ashbourne Serkis	...	Martin
Lizzie Clarke	...	Redanian Mother
Shannon Murray	...	Nurse
Luke Cy	...	King Ethain of Cidaris
Rebecca Hanssen	...	Queen Meve of Lyria
Edward Rowe	...	King Henselt of Kaedwen
E. Richard Tirado	...	King Demavend of Aedirn

1

00:00:07 --> 00:00:09
[murmur of conversation]

2

00:00:09 --> 00:00:11
[trumpets playing fanfare]

3

00:00:16 --> 00:00:17
[door opens]

4

00:00:17 --> 00:00:21
[Mousesack] Cirilla Fiona Elen Riannon,
do you think this a joke?

5

00:00:22 --> 00:00:23
-I said there'd be hell to pay...
-Mousesack.

6

00:00:23 --> 00:00:25
...if you weren't ready
by the sound of those trumpets.

7

00:00:25 --> 00:00:27
Did you think I was joking?

8

00:00:27 --> 00:00:31
If there are dirty knucklebones
in your pockets, gods help you.

9

00:00:31 --> 00:00:32
[lively music playing outside]

10

00:00:32 --> 00:00:33
Is this a dream?

11

00:00:34 --> 00:00:38
It's gonna be a nightmare if you don't rub
that sleep from your eyes and get moving!

12

00:00:38 --> 00:00:40
The knighting ceremony started

20 minutes ago,

13

00:00:40 --> 00:00:43
and your grandmother
has your dance card full.

14

00:00:44 --> 00:00:45
My grandmother?

15

00:00:45 --> 00:00:47
Yes. Her jaw is doing that..

16

00:00:48 --> 00:00:50
twitchy thing, you know the one.

17

00:01:00 --> 00:01:01
What the fuck's going on?

18

00:01:01 --> 00:01:03
Watch your mouth, Princess.

19

00:01:06 --> 00:01:07
What are you doing?

20

00:01:07 --> 00:01:08
[faint whispering]

21

00:01:08 --> 00:01:09
It's really you.

22

00:01:11 --> 00:01:12
She's gone mad.

23

00:01:12 --> 00:01:15
Banquet in full swing, she's gone mad.
You know what?

24

00:01:15 --> 00:01:17
-This..
-[cheering and applause outside]

25
00:01:18 --> 00:01:19
...doesn't matter.

26
00:01:19 --> 00:01:20
Let's go.

27
00:01:30 --> 00:01:32
[rhythmic, courtly music]

28
00:01:57 --> 00:01:58
[gasps]

29
00:02:03 --> 00:02:04
[Yennefer] Geralt!

30
00:02:06 --> 00:02:07
Geralt!

31
00:02:20 --> 00:02:21
Geralt.

32
00:02:25 --> 00:02:27
-Listen to me.
-[Geralt] You betrayed us.

33
00:02:27 --> 00:02:31
Geralt, please. It's not what you think!
Let me explain.

34
00:02:31 --> 00:02:33
Before Voleth Meir showed me
her true self, she came to me as a girl.

35
00:02:33 --> 00:02:36
Some fucked-up version of myself.

36
00:02:36 --> 00:02:37
Yes, she feeds on pain!

37

00:02:38 --> 00:02:40

But everyone on this Continent is in pain.

38

00:02:40 --> 00:02:43

Voleth Meir is more personal than that.
She's more specific.

39

00:02:44 --> 00:02:45

Explain.

40

00:02:45 --> 00:02:47

She finds your weakness,

41

00:02:48 --> 00:02:50

the gaping wound in your heart,

42

00:02:50 --> 00:02:54

the thing that makes you feel hopeless,
and she plunges her finger into it

43

00:02:54 --> 00:02:56

and makes it hurt so badly,
you'd do anything.

44

00:02:58 --> 00:03:00

Like sacrificing an innocent child.

45

00:03:01 --> 00:03:04

Yes. Except I couldn't do it!

46

00:03:05 --> 00:03:06

Geralt,

47

00:03:07 --> 00:03:11

I know this means nothing to you,
but I understand now how special she is!

48

00:03:12 --> 00:03:13

When Chaos left me,

49

00:03:13 --> 00:03:17
I never thought that I'd feel that spark,
that... life again,

50

00:03:17 --> 00:03:19
but Ciri, she radiates it.

51

00:03:20 --> 00:03:22
At Melitele's,
when I helped her control it,

52

00:03:22 --> 00:03:26
when she opened that portal
under my direction, I felt like...

53

00:03:27 --> 00:03:29
-Like...
-I know how it feels, Yennefer.

54

00:03:29 --> 00:03:32
I don't know
what Voleth Meir wants from Ciri,

55

00:03:32 --> 00:03:34
but we have to protect her.

56

00:03:37 --> 00:03:39
I have to protect her.

57

00:03:45 --> 00:03:48
[wind whistling]

58

00:03:48 --> 00:03:50
[courtly music]

59

00:03:54 --> 00:03:56
[music becomes distorted]

60

00:03:56 --> 00:03:58
[snoring]

61
00:04:03 --> 00:04:05
[rumbling]

62
00:04:06 --> 00:04:08
-[gasping]
-[blood flowing]

63
00:04:13 --> 00:04:15
[sighs]

64
00:04:17 --> 00:04:19
[choking]

65
00:04:21 --> 00:04:23
Shhh.

66
00:04:24 --> 00:04:25
Shhhh.

67
00:04:31 --> 00:04:33
-[squelch]
-[gasps]

68
00:04:37 --> 00:04:39
[choking]

69
00:04:39 --> 00:04:41
-[sighs]
-[withdraws blade]

70
00:04:55 --> 00:04:57
[inhaling deeply]

71
00:05:14 --> 00:05:16
[Geralt] Vesemir.

72
00:05:18 --> 00:05:20
Ciri. What's going on?

73

00:05:21 --> 00:05:22
Geralt?

74

00:05:22 --> 00:05:24
There's a woman out there.

75

00:05:24 --> 00:05:27
An old woman. In a black robe.

76

00:05:27 --> 00:05:28
-It's Voleth Meir.
-[Vesemir] Here?

77

00:05:29 --> 00:05:31
-In Kaer Morhen?
-Where is she now?

78

00:05:32 --> 00:05:36
I saw her leaving Everard's room.
We have to do something.

79

00:05:37 --> 00:05:38
She killed them.

80

00:05:38 --> 00:05:39
Everard and Gwain.

81

00:05:41 --> 00:05:42
How did you escape?

82

00:05:44 --> 00:05:45
I screamed.

83

00:05:46 --> 00:05:47
And that didn't cause any damage?

84

00:05:49 --> 00:05:51
-I don't know.
-It didn't wake Vesemir?

85

00:05:52 --> 00:05:55
-Geralt.
-I'm scared. Please.

86

00:06:12 --> 00:06:13
Tell me what you want.

87

00:06:28 --> 00:06:30
[intense rumbling]

88

00:06:36 --> 00:06:38
[crashing]

89

00:07:01 --> 00:07:03
[Lambert] I can't believe Ciri did this.

90

00:07:03 --> 00:07:06
She killed our brothers in our home.

91

00:07:06 --> 00:07:07
That thing ain't Ciri.

92

00:07:09 --> 00:07:10
Get anyone who's left.

93

00:07:12 --> 00:07:13
Vortek.

94

00:07:14 --> 00:07:15
Merek.

95

00:07:16 --> 00:07:17
She got Merek too.

96

00:07:21 --> 00:07:23
[sighs]

97

00:07:40 --> 00:07:43
Grab all the elixir you can find.

98

00:07:43 --> 00:07:45
We don't know what she can do.

99

00:07:48 --> 00:07:50
[Lambert] To the armory!

100

00:07:50 --> 00:07:51
[Coen] Find Ciri!

101

00:07:52 --> 00:07:54
[Geralt] Your fight's not with Ciri.

102

00:07:57 --> 00:07:59
[Lambert] Talbot! Let's both find...

103

00:07:59 --> 00:08:01
When you took Eskell down, it broke me.

104

00:08:02 --> 00:08:04
But you were right. It had to be done.

105

00:08:04 --> 00:08:06
Same as now.

106

00:08:06 --> 00:08:08
Ciri has to be eliminated.

107

00:08:08 --> 00:08:11
Daughter or demon,
she has done too much damage.

108

00:08:12 --> 00:08:14
Witchers don't kill out of fear.

109

00:08:14 --> 00:08:16
They kill to save lives.

110

00:08:17 --> 00:08:18

I said that.

111
00:08:18 --> 00:08:19
You did.

112
00:08:19 --> 00:08:21
It feels like bullshit now.

113
00:08:23 --> 00:08:25
Eskell, Remus,

114
00:08:25 --> 00:08:27
Gascaden, Sorel, Gwain.

115
00:08:28 --> 00:08:31
There are too many medallions
hanging on that tree.

116
00:08:31 --> 00:08:33
But spilling Ciri's blood

117
00:08:34 --> 00:08:36
won't bring them back.

118
00:08:36 --> 00:08:39
You thought she was strong enough
to be the next witcher.

119
00:08:40 --> 00:08:42
Just like I was.

120
00:08:44 --> 00:08:45
She can survive this.

121
00:08:47 --> 00:08:48
She needs you.

122
00:08:51 --> 00:08:53
I need you.

123
00:08:54 --> 00:08:55
[sighs]

124
00:08:58 --> 00:08:59
Wolf--

125
00:08:59 --> 00:09:02
I'll convince Voleth Meir
to leave Ciri's body.

126
00:09:02 --> 00:09:06
Once the demon's out, once she's back
in her corporeal form, we'll trap her.

127
00:09:06 --> 00:09:08
[Vesemir] Will it work?

128
00:09:08 --> 00:09:09
I don't know.

129
00:09:09 --> 00:09:11
But our best chance is together, Vesemir.

130
00:09:13 --> 00:09:15
-Huh.
-Please trust me.

131
00:09:51 --> 00:09:52
-Jaskier!
-Mm?

132
00:09:52 --> 00:09:56
-Jaskier. Jaskier, come on, wake up!
-Too many squirrels.

133
00:09:56 --> 00:09:57
-Jaskier!
-Aaah!

134
00:09:57 --> 00:09:58

I need you.

135

00:09:59 --> 00:10:00

It's Ciri. She's been possessed.

136

00:10:00 --> 00:10:03

[Jaskier] Yep.

The last time I woke up next to you,

137

00:10:03 --> 00:10:07

you grabbed me by the balls
and then blew up the building, so--

138

00:10:07 --> 00:10:08

Come on!

139

00:10:08 --> 00:10:10

Oh, for fuck's sake.

140

00:10:11 --> 00:10:13

Wait. Did you say possessed?

141

00:10:14 --> 00:10:15

[snorts]

142

00:10:16 --> 00:10:18

[horses neighing]

143

00:10:18 --> 00:10:20

[men shouting]

144

00:10:20 --> 00:10:21

[Filavandrel] Are you sure?

145

00:10:22 --> 00:10:23

He said he--

146

00:10:24 --> 00:10:26

Dijkstra said he didn't need me anymore.

147

00:10:28 --> 00:10:30
He had other ways
of getting what he wanted.

148

00:10:32 --> 00:10:34
Cirilla of Cintra?

149

00:10:37 --> 00:10:38
Yes.

150

00:10:38 --> 00:10:39
Well, what does...

151

00:10:41 --> 00:10:44
what did our daughter
have to do with that?

152

00:10:44 --> 00:10:46
Why would Redania target us?

153

00:10:46 --> 00:10:49
Mm, because we've befriended Nilfgaard.

154

00:10:50 --> 00:10:51
Because we're elves.

155

00:10:53 --> 00:10:54
They hate us.

156

00:10:56 --> 00:10:58
They've always hated us.

157

00:10:59 --> 00:11:02
They need no other reason
than the shape of our ears.

158

00:11:04 --> 00:11:05
I'm...

159

00:11:08 --> 00:11:09
I'm...

160
00:11:10 --> 00:11:11
I'm sorry.

161
00:11:13 --> 00:11:15
I was in jail, and...

162
00:11:17 --> 00:11:19
he told me his target was Nilfgaard and I...

163
00:11:20 --> 00:11:21
I never realized.

164
00:11:22 --> 00:11:23
I-- I never would have thought...

165
00:11:25 --> 00:11:27
You saved your own life.

166
00:11:28 --> 00:11:29
This is not your doing.

167
00:11:33 --> 00:11:35
I need you to gather some horses.

168
00:11:48 --> 00:11:50
[Jaskier] Before you tell me
what's going on,

169
00:11:50 --> 00:11:53
please tell me
you're making a hangover cure.

170
00:11:53 --> 00:11:57
Because my head feels like it's lodged
between the buttocks

171
00:11:57 --> 00:12:00

of a fat and sexually rageful goat.

172

00:12:00 --> 00:12:01

What are we doing?

173

00:12:01 --> 00:12:04

Voleth Meir is a parasite. We need to remove her without killing the host.

174

00:12:04 --> 00:12:07

Oh, the Deathless Mother again.

Please, do go on.

175

00:12:08 --> 00:12:10

A spell from the extraction or separation family would do it.

176

00:12:10 --> 00:12:13

Yes, it would.

If you had your magic, which you don't.

177

00:12:13 --> 00:12:15

If I had my fucking magic.

178

00:12:15 --> 00:12:18

Instead, I'll have to make do with whatever I find in a witcher laboratory.

179

00:12:19 --> 00:12:20

Like this.

180

00:12:21 --> 00:12:23

Oh yay! A little stone.

You've saved us all.

181

00:12:23 --> 00:12:24

Active jasper.

182

00:12:24 --> 00:12:27

Provider of warmth, energy, balance.

183

00:12:28 --> 00:12:29
Golden oriole.

184

00:12:29 --> 00:12:31
Golden what? Areola?

185

00:12:32 --> 00:12:34
Pretty sure that's got
something to do with nipples.

186

00:12:34 --> 00:12:36
Neutralizes effects
of poisons in the blood.

187

00:12:36 --> 00:12:39
-But I'd make everything about nipples--
-Possession's like poison... Jaskier!

188

00:12:41 --> 00:12:44
I pulled Ciri into this mess, and I'll do
everything I can to get her out of it.

189

00:12:48 --> 00:12:50
Tell me what to do.

190

00:12:50 --> 00:12:50
Find Geralt.

191

00:12:52 --> 00:12:54
-Give him the jasper.
-What for?

192

00:12:54 --> 00:12:57
It helps turn wrongs into rights.
He'll understand.

193

00:12:57 --> 00:12:58
Wait, hang on. What are you gonna do?

194

00:12:59 --> 00:13:00

What witches do best.

195
00:13:00 --> 00:13:01
[sizzling]

196
00:13:01 --> 00:13:02
Make a potion.

197
00:13:09 --> 00:13:11
[tinkling]

198
00:13:23 --> 00:13:25
[lively music]

199
00:13:27 --> 00:13:29
[cheering and laughter]

200
00:13:36 --> 00:13:38
[doors open]

201
00:13:39 --> 00:13:40
[Mousesack] Come along, Ciri!

202
00:13:44 --> 00:13:46
It's even better than I remember.

203
00:13:46 --> 00:13:47
Are you sure you're feeling all right?

204
00:13:49 --> 00:13:50
Better than ever.

205
00:13:55 --> 00:13:56
[sighs]

206
00:13:59 --> 00:14:00
[Mousesack] Your granddaughter.

207
00:14:01 --> 00:14:03

[Calanthe] As a member
of the royal family,

208

00:14:03 --> 00:14:05
is it too much
to expect that you exercise--

209

00:14:05 --> 00:14:06
A modicum of respect.

210

00:14:06 --> 00:14:07
Oh.

211

00:14:08 --> 00:14:09
Yes.

212

00:14:11 --> 00:14:12
I'm sorry I'm late.

213

00:14:30 --> 00:14:31
[Calanthe] Oh.

214

00:14:32 --> 00:14:33
[sighs]

215

00:14:35 --> 00:14:37
I know you think me too stern, child.

216

00:14:39 --> 00:14:40
No.

217

00:14:41 --> 00:14:43
No, I understand you want to protect me.

218

00:14:43 --> 00:14:44
Of course.

219

00:14:46 --> 00:14:48
Because I know
it's not the same here without you.

220
00:14:52 --> 00:14:53
Ahem.

221
00:14:54 --> 00:14:57
Your Highness.
Would you honor me with a dance?

222
00:14:57 --> 00:14:59
-[music stops]
-[applause]

223
00:14:59 --> 00:15:02
-She would love--
-I'd love to, Martin.

224
00:15:04 --> 00:15:06
[excited chatter and laughter]

225
00:15:08 --> 00:15:11
[applause continues]

226
00:15:11 --> 00:15:12
[cheering]

227
00:15:14 --> 00:15:15
[band plays slow, rhythmic tune]

228
00:15:33 --> 00:15:34
[chuckles softly]

229
00:15:34 --> 00:15:36
[music and laughter fade]

230
00:15:36 --> 00:15:38
[mournful music]

231
00:15:49 --> 00:15:50
[woman sobbing]

232

00:15:56 --> 00:15:58
[doors close]

233

00:15:59 --> 00:16:00
[Cahir] Check it again.

234

00:16:00 --> 00:16:03
There can be no mistakes
when Emperor Emhyr arrives.

235

00:16:09 --> 00:16:10
What is it?

236

00:16:10 --> 00:16:11
The elves.

237

00:16:12 --> 00:16:13
Some of them have gone.

238

00:16:14 --> 00:16:16
There are always defectors, Fringilla.

239

00:16:16 --> 00:16:17
It's to be expected.

240

00:16:18 --> 00:16:20
Francesca and Filavandrel
were amongst them.

241

00:16:22 --> 00:16:26
Our scouts said they were riding north
on stolen horses.

242

00:16:27 --> 00:16:29
To hunt down the murderer of their child.

243

00:16:31 --> 00:16:33
All fingers point to Redania.

244

00:16:34 --> 00:16:37
If she had told me,
I could have offered support.

245
00:16:37 --> 00:16:39
Troops, access to our army.

246
00:16:39 --> 00:16:42
-Whatever she needed, as long--
-As long as she came back?

247
00:16:43 --> 00:16:44
Yes.

248
00:16:45 --> 00:16:46
Why?

249
00:16:46 --> 00:16:49
Why is she so important to you, Fringilla?

250
00:16:49 --> 00:16:51
-She's my friend.
-No.

251
00:16:53 --> 00:16:54
No.

252
00:16:55 --> 00:16:58
She is the key to your plan.

253
00:16:59 --> 00:17:02
To showing Emhyr
that you are a valuable leader.

254
00:17:04 --> 00:17:05
Yes.

255
00:17:07 --> 00:17:08
Yes, that too.

256

00:17:10 --> 00:17:11
But she is gone.

257

00:17:12 --> 00:17:14
According to your plan.

258

00:17:15 --> 00:17:17
Think about it.

259

00:17:17 --> 00:17:18
The baby gave them hope.

260

00:17:19 --> 00:17:22
A reason to live rather than die fighting.

261

00:17:23 --> 00:17:25
And it's mysteriously murdered?

262

00:17:26 --> 00:17:27
And now...

263

00:17:28 --> 00:17:31
now they're off
to raze the kingdoms of our enemies.

264

00:17:32 --> 00:17:35
What-- what are you saying?

265

00:17:36 --> 00:17:38
I'm saying it worked.

266

00:17:41 --> 00:17:42
Your plan.

267

00:17:46 --> 00:17:47
But I would never do that.

268

00:17:49 --> 00:17:51
-Oh, I would never do that.
-You said it yourself, Fringilla.

269
00:17:52 --> 00:17:55
When Emhyr arrives, I need to rave.

270
00:17:58 --> 00:17:59
So let me.

271
00:18:05 --> 00:18:07
[thrilling, dramatic music]

272
00:18:24 --> 00:18:26
[exhales]

273
00:18:32 --> 00:18:33
[witchers shouting]

274
00:18:33 --> 00:18:35
Where are you, Ciri?

275
00:18:40 --> 00:18:41
Ciri?

276
00:18:44 --> 00:18:45
Ciri!

277
00:18:46 --> 00:18:47
Come along, girl!

278
00:18:48 --> 00:18:50
What is this?

279
00:18:53 --> 00:18:54
Ciri!

280
00:18:56 --> 00:18:58
-[sighs]
-[Coen] Ciri!

281
00:18:58 --> 00:19:00

[tinkling]

282

00:19:10 --> 00:19:12

[creaking]

283

00:19:18 --> 00:19:20

You don't want to escape.

284

00:19:29 --> 00:19:30

So many gone.

285

00:19:31 --> 00:19:34

Devoured by this hellish Continent.

286

00:19:35 --> 00:19:37

I want Ciri back.

287

00:19:37 --> 00:19:39

Name your price.

288

00:19:39 --> 00:19:40

[Lambert] She's here!

289

00:19:43 --> 00:19:44

I'll cover the back.

290

00:19:45 --> 00:19:47

It's not a question of price.

291

00:19:50 --> 00:19:52

It's a matter of cost.

292

00:19:53 --> 00:19:56

-[Coen] Steady, boys.

-[Ciri] Make your ask.

293

00:19:57 --> 00:19:58

Release her,

294

00:19:59 --> 00:20:00
and you can have me.

295
00:20:01 --> 00:20:02
[distorted laugh]

296
00:20:06 --> 00:20:07
That is enticing.

297
00:20:09 --> 00:20:13
What glorious pain
we could create together.

298
00:20:15 --> 00:20:16
It's too late for that.

299
00:20:17 --> 00:20:18
[Jaskier] Geralt!

300
00:20:20 --> 00:20:22
Yennefer told me to...

301
00:20:22 --> 00:20:24
Shhhhit.

302
00:20:25 --> 00:20:26
You're busy.

303
00:20:27 --> 00:20:27
You're busy.

304
00:20:30 --> 00:20:31
Yeah.

305
00:20:38 --> 00:20:39
[screams]

306
00:20:40 --> 00:20:42
[intense rumbling]

307
00:20:53 --> 00:20:55
[deep groaning]

308
00:20:56 --> 00:20:58
[yells]

309
00:20:58 --> 00:21:00
-[scream fades]
-[medallions clinking]

310
00:21:02 --> 00:21:04
[scream grows louder]

311
00:21:07 --> 00:21:09
[wind gusting]

312
00:21:09 --> 00:21:11
What the fuck?

313
00:21:16 --> 00:21:17
Ciri!

314
00:21:17 --> 00:21:18
[screams]

315
00:21:25 --> 00:21:26
[whimpers]

316
00:21:28 --> 00:21:29
No.

317
00:21:30 --> 00:21:30
[stops screaming]

318
00:21:34 --> 00:21:36
[intense whooshing]

319
00:22:05 --> 00:22:06
[snarling]

320
00:22:11 --> 00:22:13
What the fuck kind of basilisks are those?

321
00:22:13 --> 00:22:15
I'll tell you after I kill 'em.

322
00:22:15 --> 00:22:17
I won't let her have you, Ciri.

323
00:22:18 --> 00:22:19
[basilisks growling]

324
00:22:21 --> 00:22:22
[roaring]

325
00:22:23 --> 00:22:24
Fuck!

326
00:22:30 --> 00:22:33
-Yrden, now!
-Wolf!

327
00:22:33 --> 00:22:35
Vesemir, I can do this!

328
00:22:35 --> 00:22:37
We have to contain her.

329
00:22:50 --> 00:22:52
Tell me what you want with her.

330
00:22:53 --> 00:22:55
Tell me what she is to you.

331
00:22:55 --> 00:22:57
[Voleth Meir] She is the future.

332
00:22:59 --> 00:23:01

And you're in my way.

333

00:23:07 --> 00:23:09
Ciri! I need you to hear me!

334

00:23:09 --> 00:23:12
-[growls]
-You can fight this!

335

00:23:12 --> 00:23:15
[Calanthe] I know
it's not the same here without you.

336

00:23:20 --> 00:23:22
-[groans]
-Geralt!

337

00:23:24 --> 00:23:25
Aah...

338

00:23:27 --> 00:23:28
Right the wrongs?

339

00:23:28 --> 00:23:31
Well, Yennefer, I don't see how
things could get any wronger!

340

00:23:31 --> 00:23:33
[yelps]

341

00:23:33 --> 00:23:34
-Geralt!
-[roaring]

342

00:23:43 --> 00:23:44
-[screams]
-[crunch]

343

00:23:45 --> 00:23:46
[Lambert] Little help here!

344
00:23:47 --> 00:23:48
-Help!
-[gasps]

345
00:23:50 --> 00:23:52
-Vartok!
-[grunts]

346
00:23:54 --> 00:23:56
[yells]

347
00:23:56 --> 00:23:58
[Vartok] Vesemir! Help us!

348
00:23:59 --> 00:24:00
[Lambert] Vesemir!

349
00:24:01 --> 00:24:03
[whooshing]

350
00:24:06 --> 00:24:08
-[yells]
-[Lambert] Vartok, behind you!

351
00:24:13 --> 00:24:15
-[roaring]
-[yells]

352
00:24:18 --> 00:24:20
[groans]

353
00:24:23 --> 00:24:25
-[basilisk roars]
-[grunts]

354
00:24:26 --> 00:24:27
[Vesemir] Geralt!

355
00:24:29 --> 00:24:32
Geralt! Yennefer told me to give you this!

356
00:24:32 --> 00:24:35
It's-- it's balance and heat and...

357
00:24:35 --> 00:24:37
Oh, you can't hear me.

358
00:24:41 --> 00:24:42
Geralt!

359
00:24:47 --> 00:24:48
No!

360
00:24:54 --> 00:24:55
You'll never get to me.

361
00:24:58 --> 00:25:01
[voices overlapping] Do it.
Show him you don't need him any more.

362
00:25:01 --> 00:25:03
[Vesemir roars]

363
00:25:04 --> 00:25:05
Stay strong, Ciri.

364
00:25:07 --> 00:25:09
[courtly music]

365
00:25:13 --> 00:25:14
[music speeding up]

366
00:25:20 --> 00:25:21
[music stops]

367
00:25:21 --> 00:25:22
[laughter and cheering]

368
00:25:25 --> 00:25:26

May I cut in?

369

00:25:30 --> 00:25:33
You know, Princess,
if you marry Martin Marbury,

370

00:25:33 --> 00:25:36
you'll continue
quite the exceptional bloodline.

371

00:25:36 --> 00:25:37
Gross.

372

00:25:37 --> 00:25:39
[laughs]

373

00:25:39 --> 00:25:40
[applause and cheering]

374

00:25:42 --> 00:25:44
[band plays slow, stately tune]

375

00:25:47 --> 00:25:49
My bloodline, Mousesack.

376

00:25:50 --> 00:25:52
Will you tell me more about it?

377

00:25:52 --> 00:25:53
Right now?

378

00:25:54 --> 00:25:57
I fear there is not
a long enough song in existence.

379

00:25:59 --> 00:26:00
Then someday soon?

380

00:26:09 --> 00:26:10
I promise.

381
00:26:13 --> 00:26:14
Your family, Princess,

382
00:26:16 --> 00:26:18
the women who came before you,

383
00:26:19 --> 00:26:21
they're quite extraordinary.

384
00:26:21 --> 00:26:23
-[Geralt, echoing] Ciri!
-[rumbling]

385
00:26:23 --> 00:26:25
You can fight this!

386
00:26:25 --> 00:26:27
-Stay strong, Ciri.
-[deep rumbling]

387
00:26:27 --> 00:26:29
[gasps]

388
00:26:29 --> 00:26:31
-Geralt!
-Do not give in.

389
00:26:31 --> 00:26:32
[roars]

390
00:26:34 --> 00:26:37
[Geralt] You know who you really are.

391
00:26:38 --> 00:26:41
Princess, are you all right?

392
00:26:42 --> 00:26:43
My grandmother.

393
00:26:44 --> 00:26:46
Why did she never tell me the truth?

394
00:26:47 --> 00:26:48
About who I am?

395
00:26:49 --> 00:26:52
My dear, you must be tired already.

396
00:26:52 --> 00:26:56
Your father will be so disappointed
he doesn't get a dance.

397
00:26:57 --> 00:26:57
What?

398
00:26:58 --> 00:26:59
[music fades]

399
00:27:06 --> 00:27:07
[gasps]

400
00:27:17 --> 00:27:18
[witchers yelling]

401
00:27:19 --> 00:27:21
[Vesemir] Attack!

402
00:27:22 --> 00:27:23
Stay strong, Ciri.

403
00:27:27 --> 00:27:29
-Is he still fussing?
-[baby crying]

404
00:27:29 --> 00:27:31
I don't know what could be wrong with him.

405
00:27:31 --> 00:27:34

King Vizimir himself
can probably hear these cries.

406

00:27:34 --> 00:27:35
Give him to me.

407

00:27:36 --> 00:27:37
Come. Come.

408

00:27:37 --> 00:27:40
Shh, shh, shh, shh, shh.

409

00:27:40 --> 00:27:42
-That's it. That's it.
-[crying]

410

00:27:43 --> 00:27:45
Sh, sh, sh, sh.

411

00:27:46 --> 00:27:48
[squelching]

412

00:27:48 --> 00:27:49
[hissing]

413

00:27:51 --> 00:27:53
[several babies crying]

414

00:28:01 --> 00:28:05
We warned all of our people we could find.
There aren't many elves left in Redania.

415

00:28:05 --> 00:28:06
Are you sure about this?

416

00:28:06 --> 00:28:09
There'll be no moving forward
without retribution.

417

00:28:10 --> 00:28:12

Sister, there are other ways.

418

00:28:12 --> 00:28:14

[babies screaming]

419

00:28:15 --> 00:28:16

I know what you've been through,
but this--

420

00:28:16 --> 00:28:18

No. You don't.

421

00:28:21 --> 00:28:23

[babies wailing]

422

00:28:24 --> 00:28:27

What has been need not always be.

423

00:28:29 --> 00:28:30

[whoosh]

424

00:28:30 --> 00:28:31

[silence]

425

00:28:31 --> 00:28:33

[woman screams] My baby!

426

00:28:33 --> 00:28:35

[many women screaming]

427

00:28:36 --> 00:28:38

My baby!

428

00:28:39 --> 00:28:41

-My baby!

-No!

429

00:28:41 --> 00:28:43

[screams echoing]

430
00:28:48 --> 00:28:51
[speaking in Elder]

431
00:28:51 --> 00:28:55
[Voleth Meir's voice overlapping]

432
00:28:55 --> 00:28:56
[rumbling]

433
00:28:59 --> 00:29:00
[thudding]

434
00:29:00 --> 00:29:01
Oh, seriously?

435
00:29:02 --> 00:29:03
Oh shit!

436
00:29:05 --> 00:29:07
[deep growling]

437
00:29:11 --> 00:29:12
[hissing]

438
00:29:13 --> 00:29:15
[yelling]

439
00:29:35 --> 00:29:37
[cries out]

440
00:29:38 --> 00:29:39
[growls]

441
00:29:41 --> 00:29:42
[gasps]

442
00:29:42 --> 00:29:45
[screeching]

443
00:29:45 --> 00:29:46
[groans]

444
00:29:46 --> 00:29:48
-[sizzling]
-[yells]

445
00:29:52 --> 00:29:54
[roaring]

446
00:29:59 --> 00:30:00
[howling]

447
00:30:06 --> 00:30:07
[grunts]

448
00:30:09 --> 00:30:12
Geralt. I made a potion to extract Voleth!

449
00:30:12 --> 00:30:16
[speaking in Elder]

450
00:30:16 --> 00:30:18
[basilisk roaring]

451
00:30:19 --> 00:30:22
[Ciri speaking in Elder]

452
00:30:23 --> 00:30:25
[continues reciting]

453
00:30:25 --> 00:30:26
[squelch]

454
00:30:27 --> 00:30:28
[grunting] Vesemir!

455
00:30:28 --> 00:30:31
You kill her, you kill Ciri!

456
00:30:34 --> 00:30:36
[wind whistling]

457
00:30:36 --> 00:30:38
[sighing]

458
00:30:39 --> 00:30:41
-[basilisk shrieking]
-[witchers yelling]

459
00:30:42 --> 00:30:44
[Voleth Meir's voice overlapping]
Poor, poor witchers.

460
00:30:46 --> 00:30:49
You feel everything, don't you?

461
00:30:49 --> 00:30:51
-[Lambert] Move!
-[Jaskier yelps]

462
00:30:52 --> 00:30:55
Especially hatred.

463
00:30:55 --> 00:30:57
[screeches]

464
00:30:57 --> 00:30:59
[yells]

465
00:31:05 --> 00:31:07
[Coen] Let's finish this, Geralt!

466
00:31:08 --> 00:31:09
[grunts]

467
00:31:10 --> 00:31:12
[panting]

468
00:31:13 --> 00:31:15
Jasper gives the courage
to rectify wrongs.

469
00:31:19 --> 00:31:19
Hate.

470
00:31:19 --> 00:31:21
Aah!

471
00:31:21 --> 00:31:22
Our hate

472
00:31:23 --> 00:31:25
is the pain she needs to grow stronger.

473
00:31:27 --> 00:31:28
Let's not give her what she wants.

474
00:31:30 --> 00:31:31
Ciri.

475
00:31:32 --> 00:31:33
If you can hear me,

476
00:31:34 --> 00:31:36
if you can hear us,

477
00:31:37 --> 00:31:38
come home.

478
00:31:41 --> 00:31:43
I've missed you so much.

479
00:31:44 --> 00:31:45
[sighs]

480
00:31:48 --> 00:31:49
[sighs]

481
00:31:52 --> 00:31:53
We've been right here

482
00:31:54 --> 00:31:55
the whole time.

483
00:31:56 --> 00:31:57
Always loving you.

484
00:32:00 --> 00:32:02
Our special girl.

485
00:32:03 --> 00:32:05
[Geralt, echoing] If you can hear me...

486
00:32:05 --> 00:32:06
Geralt?

487
00:32:06 --> 00:32:08
...if you can hear us...

488
00:32:10 --> 00:32:12
come home.

489
00:32:12 --> 00:32:14
[rumbling]

490
00:32:14 --> 00:32:15
[rumbling fades]

491
00:32:17 --> 00:32:20
[Voleth Meir, echoing]
She doesn't want to be here.

492
00:32:22 --> 00:32:23
She isn't yours.

493
00:32:23 --> 00:32:25

It's not working, Wolf.

494

00:32:26 --> 00:32:28
Come back to us, Ciri.
Can you hear us, girl?

495

00:32:29 --> 00:32:30
[Pavetta] Ciri?

496

00:32:30 --> 00:32:32
Make it stop.

497

00:32:32 --> 00:32:33
I'm not doing anything.

498

00:32:33 --> 00:32:35
-[Vesemir] I believe in you.
-Vesemir?

499

00:32:35 --> 00:32:37
I'm sorry for what I did.

500

00:32:37 --> 00:32:38
Be with us.

501

00:32:38 --> 00:32:39
[rumbling]

502

00:32:40 --> 00:32:41
You belong here.

503

00:32:43 --> 00:32:44
Stay.

504

00:32:46 --> 00:32:46
Stay.

505

00:32:49 --> 00:32:50
[echoing] Stay with us.

506

00:32:50 --> 00:32:52
Stay with us... stay...

507

00:32:55 --> 00:32:57
I'm not going anywhere.

508

00:32:58 --> 00:33:00
All right? I'm staying right here.

509

00:33:00 --> 00:33:03
Just, please, don't leave me.

510

00:33:04 --> 00:33:07
[Voleth Meir] I'm not going anywhere.

511

00:33:08 --> 00:33:11
I'm staying right here.

512

00:33:11 --> 00:33:13
Living in her.

513

00:33:13 --> 00:33:14
Forever.

514

00:33:15 --> 00:33:16
Her hut burned.

515

00:33:18 --> 00:33:20
She needs a vessel
to exist within this sphere.

516

00:33:22 --> 00:33:23
Ciri can't escape.

517

00:33:23 --> 00:33:24
Unless...

518

00:33:28 --> 00:33:30
-[glass smashes]

-[Yennefer] Unless I right this wrong.

519

00:33:30 --> 00:33:32
-My wounds wouldn't heal...
-Yen.

520

00:33:32 --> 00:33:34
...because magic wasn't what I was missing.

521

00:33:34 --> 00:33:36
-I can be the vessel.
-No.

522

00:33:36 --> 00:33:38
-For her.
-[Geralt] Yen!

523

00:33:39 --> 00:33:40
[Yennefer gasps]

524

00:33:42 --> 00:33:44
[speaking in Elder]

525

00:33:46 --> 00:33:48
-[wind gusting]
-No!

526

00:33:48 --> 00:33:51
[Yennefer speaking in Elder]

527

00:33:52 --> 00:33:55
[repeating spell]

528

00:33:56 --> 00:33:59
[repeating spell]

529

00:34:01 --> 00:34:02
Don't let us die again.

530

00:34:02 --> 00:34:04

-[wind whistling]
-[sighs]

531
00:34:04 --> 00:34:05
We're your family.

532
00:34:07 --> 00:34:09
We're your everything.

533
00:34:11 --> 00:34:13
[Yennefer] You deserve everything, Ciri.

534
00:34:13 --> 00:34:16
Let me give you everything I have.

535
00:34:17 --> 00:34:19
[Ciri] I don't know what to do.

536
00:34:19 --> 00:34:20
[gasps]

537
00:34:20 --> 00:34:21
Please, don't go.

538
00:34:23 --> 00:34:24
Don't go, please.

539
00:34:31 --> 00:34:32
[Geralt] I know you're afraid, Ciri,

540
00:34:33 --> 00:34:35
but what you see in there..

541
00:34:35 --> 00:34:37
-[sighs]
-...it isn't real.

542
00:34:46 --> 00:34:48
[breathing shakily]

543
00:34:48 --> 00:34:49
Don't do this.

544
00:34:58 --> 00:34:58
Ciri.

545
00:35:02 --> 00:35:03
-Ciri...
-Be with us.

546
00:35:05 --> 00:35:08
You belong with us.

547
00:35:09 --> 00:35:11
[Geralt] We belong together.

548
00:35:12 --> 00:35:13
You,

549
00:35:14 --> 00:35:15
us,

550
00:35:16 --> 00:35:18
it's not perfect,

551
00:35:19 --> 00:35:20
but it is real.

552
00:35:21 --> 00:35:22
It's yours.

553
00:35:26 --> 00:35:28
We are your family...

554
00:35:31 --> 00:35:32
and we need you.

555
00:35:35 --> 00:35:37
I have to go home.

556
00:36:20 --> 00:36:21
[Ciri sighs]

557
00:36:21 --> 00:36:22
-[gasps]
-[embers hissing]

558
00:36:25 --> 00:36:26
[Geralt] We don't have much time.

559
00:36:26 --> 00:36:28
We need to trap Voleth Meir
once and for all.

560
00:36:28 --> 00:36:30
[flames hissing]

561
00:36:30 --> 00:36:33
If you can pull monsters
through the monolith,

562
00:36:33 --> 00:36:34
you can send one back again.

563
00:36:35 --> 00:36:36
What?

564
00:36:36 --> 00:36:38
You can do this.

565
00:36:39 --> 00:36:40
Yennefer's lessons.

566
00:36:40 --> 00:36:42
-But I don't know if I can--
-I believe in you.

567
00:36:46 --> 00:36:47
All right.

568
00:36:54 --> 00:36:55
See the outcome.

569
00:36:55 --> 00:36:56
[rumbling]

570
00:36:56 --> 00:36:57
Make it happen.

571
00:36:58 --> 00:37:00
-[wind gusting]
-[gasping]

572
00:37:00 --> 00:37:01
Oh, not again.

573
00:37:02 --> 00:37:04
-[shouts in Elder]
-[deep, intense rumbling]

574
00:37:04 --> 00:37:06
-[voices whispering]
-[crashing]

575
00:37:07 --> 00:37:09
[wind rushing]

576
00:37:09 --> 00:37:10
-[Ciri yells]
-[power blasts]

577
00:37:10 --> 00:37:12
-[Geralt yelps]
-[Ciri gasps]

578
00:37:16 --> 00:37:17
-[Ciri cries out]
-[Geralt grunts]

579

00:37:20 --> 00:37:22
[gasping]

580

00:37:27 --> 00:37:29
[wind sighing]

581

00:37:31 --> 00:37:32
[wind gusting]

582

00:37:33 --> 00:37:34
[echoing cry]

583

00:37:37 --> 00:37:39
She's leaving.

584

00:37:39 --> 00:37:41
[rumbling]

585

00:37:45 --> 00:37:47
[cackling]

586

00:37:49 --> 00:37:51
[screeching laughter]

587

00:37:53 --> 00:37:55
[neighing]

588

00:38:02 --> 00:38:04
[echoing laughter]

589

00:38:09 --> 00:38:11
Child of the Elder Blood,

590

00:38:11 --> 00:38:13
starry-eyed Daughter of Chaos,

591

00:38:14 --> 00:38:15
join our Hunt.

592

00:38:16 --> 00:38:18
Your place is among us.

593
00:38:19 --> 00:38:21
[hissing]

594
00:38:21 --> 00:38:23
[echoing] You are ours.

595
00:38:24 --> 00:38:25
Ciri!

596
00:38:27 --> 00:38:28
[intense whooshing]

597
00:38:29 --> 00:38:31
[whispering voice] Ciri...

598
00:38:31 --> 00:38:32
[gasping]

599
00:38:34 --> 00:38:35
[sighs]

600
00:38:40 --> 00:38:42
[Jaskier] You're back. Are you all right?

601
00:38:43 --> 00:38:45
[gasps] Wh--

602
00:38:47 --> 00:38:48
Were those the Wraiths of Mörhogg?

603
00:38:49 --> 00:38:51
The Wild Hunt, yes.

604
00:38:53 --> 00:38:55
We're safe now, thanks to you.

605

00:38:56 --> 00:38:58
That's all that matters.

606
00:39:07 --> 00:39:08
The witchers need you.

607
00:39:12 --> 00:39:13
[grunts]

608
00:39:17 --> 00:39:18
[speaking in Elder]

609
00:39:24 --> 00:39:26
[Coen sighs]

610
00:39:26 --> 00:39:27
[gasps]

611
00:39:35 --> 00:39:37
You're panting like a dying mammoth.

612
00:39:37 --> 00:39:39
[both chuckle]

613
00:39:39 --> 00:39:41
[Jaskier] Look at us.

614
00:39:41 --> 00:39:43
Just one big happy family, eh?

615
00:39:43 --> 00:39:44
No.

616
00:39:45 --> 00:39:46
Right. Yeah.

617
00:39:51 --> 00:39:52
[sighs]

618

00:40:04 --> 00:40:05

Where did you go?

619

00:40:06 --> 00:40:08

I'm still trying to work that out.

620

00:40:10 --> 00:40:11

I saw the Wild Hunt.

621

00:40:12 --> 00:40:14

Hmm.

622

00:40:15 --> 00:40:17

We need to gather more supplies.

623

00:40:17 --> 00:40:19

Start to rebuild again.

624

00:40:19 --> 00:40:20

Ciri and I can't stay.

625

00:40:21 --> 00:40:23

We need to keep moving.

626

00:40:23 --> 00:40:25

Sorry, Wolf. I should have trusted you!

627

00:40:25 --> 00:40:27

Vesemir, it's not that.

628

00:40:27 --> 00:40:29

The demon. The Wild Hunt.

629

00:40:29 --> 00:40:32

She's marked for something,
and it doesn't end there.

630

00:40:32 --> 00:40:34

If mages and royals find out
she's still alive,

631

00:40:34 --> 00:40:36
and what she's capable of..

632

00:40:39 --> 00:40:41
they won't stop coming for her.

633

00:40:42 --> 00:40:43
[Tissaia] She had green eyes!

634

00:40:43 --> 00:40:44
[thunder rumbling]

635

00:40:44 --> 00:40:46
And ashen hair.

636

00:40:46 --> 00:40:49
-It was her.
-[heavy rainfall]

637

00:40:49 --> 00:40:52
The Lion Cub of Cintra,

638

00:40:52 --> 00:40:55
alive and at Sodden with a witcher.

639

00:40:55 --> 00:40:57
Why are we only hearing about this now?

640

00:40:58 --> 00:41:01
Sigismund Dijkstra came to Aretuza,
sniffing for something.

641

00:41:02 --> 00:41:05
You think he was prodding to see
if the Brotherhood knew Cirilla was alive?

642

00:41:05 --> 00:41:07
[thunder rumbling]

643

00:41:07 --> 00:41:08

I do, Meve.

644

00:41:10 --> 00:41:13

[Foltest] He finds Cirilla
and marries her off to his king.

645

00:41:14 --> 00:41:17

Giving him
the only rightful claim to Cintra.

646

00:41:17 --> 00:41:19

Redania's wealthy enough.

647

00:41:20 --> 00:41:23

They add Cintra to their realm, we'll all
be taking orders from fucking Vizimir.

648

00:41:23 --> 00:41:27

Dijkstra no doubt already has his spies
looking high and low for her.

649

00:41:27 --> 00:41:29

I'm just going to say it.

650

00:41:30 --> 00:41:33

Princess Cirilla created far less trouble
for us when she was dead.

651

00:41:35 --> 00:41:36

We'll put a bounty on the girl.

652

00:41:38 --> 00:41:40

And anyone who protects her.

653

00:41:43 --> 00:41:46

That's quite barbarous. Even for me.

654

00:41:47 --> 00:41:48

Welcome to the Brotherhood.

655
