Uh... can... can...

172

00:14:15,416 --> 00:14:16,750
Uh, can they do something?

173

00:14:17,541 --> 00:14:19,333
Uh, they-- they're just watching.

174

00:14:39,875 --> 00:14:40,958
[groans]

175

00:14:57,500 --> 00:14:59,666
It was a nice touch with the applause.

176

00:15:00,541 --> 00:15:01,375
[laughs]

177

00:15:02,291 --> 00:15:04,833
So how many more times

do you think we get to do this?

178

00:15:04,916 --> 00:15:05,958
I don't know.

179

00:15:07,750 --> 00:15:11,041
Soon you'll be off to your ruins,
dashing explorer.

180

00:15:11,750 --> 00:15:13,291
Part-time dashing explorer.

181

00:15:13,375 --> 00:15:16,041
Stregebor says
Temeria leans heavily on its mages.

182

00:15:16,166 --> 00:15:17,791
So maybe you'll be too busy for me.

183

00:15:17,875 --> 00:15:21,666
Or maybe you'll be too busy for me
once you get a taste of Aedirn revelry.

184

00:15:21,750 --> 00:15:24,833
King Virfuril is handsome. Allegedly.

185

00:15:26,041 --> 00:15:28,541
If I do a good job...

186

00:15:28,625 --> 00:15:31,125
I can persuade him
to give you access to our ruins.

187

00:15:32,791 --> 00:15:35,541
-Maybe we'll do this forever.
-Yeah.

188

00:15:36,791 --> 00:15:39,250
Well, after the initiation today,
we're in charge.

189

00:15:40,041 --> 00:15:42,541

We get to make the decisions,
be who we want to be.

190

00:15:47,916 --> 00:15:48,916
What's wrong?

191

00:15:49,708 --> 00:15:52,625
Fringilla and the others
see their ideal selves so clearly.

192

00:15:53,541 --> 00:15:56,291
They know exactly what they want
for their enchantments.

193

00:15:57,833 --> 00:15:59,500
Stop worrying so much.

194

00:15:59,583 --> 00:16:01,333
Easy for a Ban Ard boy.

195

00:16:01,416 --> 00:16:04,583
You dolts needn't change a single wrinkle
before heading to court.

196

00:16:15,833 --> 00:16:16,833
What do you want?

197

00:16:24,666 --> 00:16:28,000
Remember that scared girl
who tumbled at your feet in this cave...

198

00:16:29,083 --> 00:16:30,625
totally unaware of her power?

199

00:16:36,708 --> 00:16:39,375
I want to go back home to Aedirn
and never be her again.

200

00:16:44,166 --> 00:16:47,250
-You're bound for Aedirn?
-Yes.

201

00:16:51,291 --> 00:16:56,208
Let me be candid. You are a...
first draft of what nature intended, yes?

202
00:16:57,125 --> 00:17:00,708
Lucky for you, I'm the final artist.

203
00:17:13,041 --> 00:17:17,916
Every girl I enchant
leaves Aretuza a living work of art.

204
00:17:18,000 --> 00:17:19,000
Hmm?

205
00:17:20,125 --> 00:17:21,875
No matter how challenging the clay.

206
00:17:24,791 --> 00:17:25,791
[snap]

207
00:17:47,166 --> 00:17:48,583
Perfect for Aedirn.

208
00:17:48,666 --> 00:17:51,958
A gray dress assumes importance
without bald ambition.

209
00:18:00,500 --> 00:18:04,333
Ah. Not the final look. More a preview.

210
00:18:23,416 --> 00:18:25,708
There is not a person alive

211
00:18:25,791 --> 00:18:29,000
that does not look into the mirror
and see some deformity.

212
00:18:30,708 --> 00:18:31,958
Except for us.

213
00:18:33,791 --> 00:18:38,416
We remake ourselves on our terms.

The world has no say in it.

214
00:18:41,333 --> 00:18:42,333
Look.

215
00:18:43,958 --> 00:18:46,583
You can free the victim
in the mirror forever.

216
00:18:49,708 --> 00:18:51,125
I don't know where to begin.

217
00:18:53,958 --> 00:18:54,958
Close your eyes.

218
00:19:01,500 --> 00:19:02,541
I said close them.

219
00:19:05,791 --> 00:19:08,333
Imagine the most powerful woman
in the world.

220
00:19:09,416 --> 00:19:12,875
Her hair, the color of her eyes, yes...

221
00:19:14,875 --> 00:19:17,125
but also the strength of her posture.

222
00:19:18,875 --> 00:19:21,291
The poise of her entire being.

223
00:19:25,000 --> 00:19:26,000
Do you see her?

224
00:19:33,500 --> 00:19:34,500
Yes.

225
00:19:45,708 --> 00:19:46,791
Open your eyes.

226
00:19:50,625 --> 00:19:51,666

She is stunning.

227

00:20:04,458 --> 00:20:08,250
Miss Merigold, you were dispatched
to settle a family affair,

228

00:20:08,333 --> 00:20:11,291
not to enlist a mutant mercenary
for a game of sleuthing.

229

00:20:11,375 --> 00:20:14,541
This is no game, Captain.
Tonight is a full moon,

230

00:20:14,625 --> 00:20:17,208
and Geralt has already proved himself
to be invaluable.

231

00:20:17,291 --> 00:20:19,208
We believe we can cure the creature.

232

00:20:19,291 --> 00:20:20,500
You say she's a girl.

233

00:20:21,458 --> 00:20:23,916
Then you will refer to her
as Her Royal Highness.

234

00:20:24,000 --> 00:20:27,416
Segelin, I believe urgency

235

00:20:27,500 --> 00:20:30,000
warrants flexibility in court decorum.

236

00:20:31,041 --> 00:20:35,208
The witcher's theory is nonsense.
Princess Adda was the people's angel.

237

00:20:35,291 --> 00:20:37,750
-Who'd wish to murder her?
-What about her lover?

238

00:20:39,291 --> 00:20:44,125
Seditious rumors. Idle courtesans
trading out boredom for jealousy.

239
00:20:44,208 --> 00:20:46,250
Perhaps if you called off your guards,

240
00:20:46,333 --> 00:20:48,250
if we were able
to search the abandoned castle,

241
00:20:48,333 --> 00:20:50,708
we could find clues as to who cursed her.

242
00:20:50,791 --> 00:20:53,708
[Segelin] Except this witcher
would kill the princess as she sleeps,

243
00:20:53,833 --> 00:20:56,250
-and collect the miners' coin.
-Call her a princess.

244
00:20:57,333 --> 00:20:59,166
Call her a unicorn if you'd like to.

245
00:21:00,125 --> 00:21:02,791
She grew inside Adda,
feeding on her petrified womb.

246
00:21:02,875 --> 00:21:04,750
-Have you no respect?
-Mutating.

247
00:21:05,541 --> 00:21:07,958
Growing for years
till she got so hungry...

248
00:21:09,458 --> 00:21:11,250
she was forced to slither out.

249
00:21:12,333 --> 00:21:16,875
Rotten muscle, bent bones,
two spidery legs,

250
00:21:16,958 --> 00:21:21,166
claws dragging in the dirt.
An overgrown abortion.

251
00:21:21,250 --> 00:21:22,625
Enough.

252
00:21:22,708 --> 00:21:24,458
-[soldier] Your Highness?
-Leave.

253
00:21:47,041 --> 00:21:48,166
[guard] Hey!

254
00:21:48,250 --> 00:21:49,500
-Open the door!
-[banging]

255
00:21:50,166 --> 00:21:53,625
-[yelling]
-Open this door! Protect the king!

256
00:21:55,541 --> 00:21:57,791
[yelling and banging continues]

257
00:21:57,875 --> 00:21:58,875
[guard] Witcher!

258
00:22:03,416 --> 00:22:07,875
-Who's the princess' father?
-My men will kill you, Witcher.

259
00:22:08,666 --> 00:22:11,250
Hmm. It's funny.

260
00:22:12,458 --> 00:22:15,916
You learn that your sister was murdered,
and you didn't even flinch.

261
00:22:17,916 --> 00:22:20,416
But the moment

I mention the girl's father...

262

00:22:23,291 --> 00:22:24,708
Why were you never married?

263

00:22:31,000 --> 00:22:32,291
You are speaking to a king.

264

00:22:32,375 --> 00:22:33,750
That is exactly my point.

265

00:22:34,708 --> 00:22:36,583
Why not produce your own heir?

266

00:22:36,666 --> 00:22:39,625
Why not kill the striga
and avoid this revolt?

267

00:22:41,083 --> 00:22:42,333
Why drag this all out?

268

00:22:45,208 --> 00:22:47,208
Between you and me...

269

00:22:49,000 --> 00:22:50,750
who is the striga's father?

270

00:23:03,000 --> 00:23:07,375
I remember hearing stories
about witchers when I was a child.

271

00:23:09,666 --> 00:23:10,875
Is it true what they say?

272

00:23:11,666 --> 00:23:12,666
[thump on door]

273

00:23:12,750 --> 00:23:16,333
That the mutations
that grant you your... abilities

274

00:23:16,416 --> 00:23:18,000
also erase your emotions?

275
00:23:18,125 --> 00:23:19,333
[guards yell]

276
00:23:19,416 --> 00:23:20,416
Must be.

277
00:23:20,500 --> 00:23:22,500
'Cause only a man devoid of all heart

278
00:23:22,583 --> 00:23:24,791
could accuse a brother
of bedding his murdered sister

279
00:23:24,875 --> 00:23:26,375
while urging him to kill her.

280
00:23:33,708 --> 00:23:35,166
Leave Temeria.

281
00:23:37,208 --> 00:23:38,208
Never return.

282
00:23:52,000 --> 00:23:55,958
[Tissaia] Cintra continues their animosity
towards our organization.

283
00:23:56,041 --> 00:23:58,208
[Artorius] Don't tell me
they're employing druids

284
00:23:58,291 --> 00:24:00,250
or worse--fortune tellers.

285
00:24:00,333 --> 00:24:02,250
[laughter]

286
00:24:02,333 --> 00:24:06,125
King Dagorad has banned mages from Cintra,
God knows why.

287
00:24:06,208 --> 00:24:07,958
I've heard rumors he's taken ill.

288
00:24:08,041 --> 00:24:12,250
Now, if the king dies, perhaps his heiress
will be more pliable. Princess...

289
00:24:12,333 --> 00:24:14,541
Calanthe? Good luck with that.

290
00:24:14,625 --> 00:24:16,958
Word is she's even more stubborn
than her father is.

291
00:24:17,916 --> 00:24:19,000
How fares Nilfgaard?

292
00:24:19,916 --> 00:24:24,208
King Fergus is proving to be
an effective and excitable young king.

293
00:24:24,291 --> 00:24:25,375
Horny, she means.

294
00:24:25,458 --> 00:24:28,833
Spending the kingdom's money on women
as his people starve to death.

295
00:24:28,916 --> 00:24:31,125
Fringilla will be in Nilfgaard
by week's end.

296
00:24:31,208 --> 00:24:33,541
She will bring sanity and bread
to the people.

297
00:24:33,625 --> 00:24:36,750
Your girl is-- With all due respect,

298
00:24:36,833 --> 00:24:40,625
your niece is only capable

of doing what she's told.

299

00:24:43,291 --> 00:24:46,500

No ambitious mage wants to be assigned
anywhere south of Sodden.

300

00:24:47,291 --> 00:24:49,333

But Nilfgaard needs correcting.

301

00:24:52,875 --> 00:24:57,041

Perhaps we consider sending someone there
with a bit more... spine.

302

00:24:57,125 --> 00:24:59,291

Stregobor, did you have anyone in mind?

303

00:24:59,958 --> 00:25:02,291

What about your hunchback protégé?

304

00:25:02,916 --> 00:25:05,083

How's her... spine?

305

00:25:06,250 --> 00:25:09,958

We agreed

Yennefer would thrive in Aedirn.

306

00:25:10,041 --> 00:25:12,250

King Virfuril

prefers mages from his kingdom,

307

00:25:12,333 --> 00:25:16,000

-and Yennefer was born in Vengerberg.

-Oh, we'd be spitting in Dagorad's face

308

00:25:16,083 --> 00:25:18,583

if we send Yennefer

to their biggest trade partner.

309

00:25:19,458 --> 00:25:24,666

The only thing Cintra hates
more than mages is... elves.

310

00:25:29,708 --> 00:25:31,333
Yennefer's of elven blood?

311
00:25:32,916 --> 00:25:33,916
Quarter elf.

312
00:25:35,083 --> 00:25:36,750
Watch a Cintran do that math.

313
00:25:36,833 --> 00:25:39,666
Let's not model our wisdom
on prejudice and paranoia.

314
00:25:39,750 --> 00:25:41,541
Prejudiced or not, you can't deny

315
00:25:41,625 --> 00:25:44,375
Cintra has operated
outside our influence far too long.

316
00:25:44,458 --> 00:25:48,833
[Stregobor] Unchecked kings and queens
lead to rebellions. Massacres.

317
00:25:48,916 --> 00:25:51,375
It's the reason this chapter was formed.

318
00:25:51,458 --> 00:25:53,166
Still afraid of Falka, are you?

319
00:25:55,041 --> 00:25:57,958
And you, you spare your niece her duties?

320
00:25:58,041 --> 00:26:01,291
Not enough fragrance in Toussaint
to take the stench off that nepotism.

321
00:26:09,125 --> 00:26:13,916
Let the Chapter vote, then.
I'll even recuse myself.

322
00:26:14,000 --> 00:26:17,250

All in favor of Yennefer to Nilfgaard
instead of Fringilla?

323

00:26:23,750 --> 00:26:25,333
Your Excellence, it's an honor.

324

00:26:30,333 --> 00:26:32,791
-The honor is mine.
-[door opens]

325

00:26:36,208 --> 00:26:37,541
King Fergus chose this.

326

00:26:38,500 --> 00:26:41,125
-Not me.
-King Fergus of Nilfgaard?

327

00:26:42,375 --> 00:26:44,208
-[sighs]
-What are you talking about?

328

00:26:45,916 --> 00:26:46,916
Uh...

329

00:26:48,291 --> 00:26:49,291
[sighs]

330

00:26:49,375 --> 00:26:50,541
[door opens]

331

00:26:51,333 --> 00:26:53,083
I demand an audience with the Chapter.

332

00:26:55,875 --> 00:26:58,041
I handle court assignments, Yennefer.

333

00:26:59,333 --> 00:27:01,708
-Not the Chapter.
-You promised me Aedirn.

334

00:27:02,333 --> 00:27:04,375
New items came to light

which led me to believe

335

00:27:04,458 --> 00:27:06,416
that you would be a better fit
for Nilfgaard.

336

00:27:06,500 --> 00:27:09,000
There's no power in puppeting fools,

337

00:27:09,083 --> 00:27:12,250
especially one who'd sooner
fondle his sorceress than listen to her!

338

00:27:13,666 --> 00:27:15,666
I don't think new items came to light.

339

00:27:17,041 --> 00:27:18,541
I think the Chapter overruled you.

340

00:27:19,791 --> 00:27:22,416
Is that it? Yeah?

341

00:27:22,500 --> 00:27:24,833
The all-powerful sorceress
Tissaia de Vriess

342

00:27:24,916 --> 00:27:26,625
knocked down from her glass pedestal.

343

00:27:27,666 --> 00:27:28,875
[laughs]

344

00:27:29,625 --> 00:27:30,625
'Twas your blood.

345

00:27:34,583 --> 00:27:36,375
Efforts in Cintra prevent the Brotherhood

346

00:27:36,458 --> 00:27:39,208
from placing a mage with elven blood
in Aedirn's court.

347
00:27:43,583 --> 00:27:45,083
How could you tell them?

348
00:27:47,791 --> 00:27:48,791
I did not.

349
00:27:51,291 --> 00:27:52,291
Stregobor did.

350
00:27:53,125 --> 00:27:54,125
Divine the rest.

351
00:28:03,500 --> 00:28:04,500
[door closes]

352
00:28:06,041 --> 00:28:08,041
[crows cawing]

353
00:28:12,708 --> 00:28:14,291
[wind whistling]

354
00:28:15,333 --> 00:28:17,041
-[rattling]
-[crows cawing]

355
00:28:26,541 --> 00:28:28,208
How many more hours?

356
00:28:28,291 --> 00:28:29,291
Too many.

357
00:28:31,708 --> 00:28:33,875
[Triss] You were told to leave Temeria.

358
00:28:33,958 --> 00:28:34,958
But come on.

359
00:28:36,000 --> 00:28:37,083
These views.

360

00:28:38,916 --> 00:28:40,291
Are you going to kill her?

361
00:28:44,583 --> 00:28:46,333
I don't want the miners' coin.

362
00:28:46,416 --> 00:28:47,458
Or mine, apparently.

363
00:28:48,791 --> 00:28:50,083
What is this girl to you?

364
00:28:51,500 --> 00:28:52,541
Why do you care?

365
00:28:54,125 --> 00:28:55,125
You first.

366
00:28:55,791 --> 00:28:58,208
I saw how Foltest and his boy
spoke to you.

367
00:28:58,291 --> 00:29:00,083
Why help those who won't listen?

368
00:29:04,708 --> 00:29:06,875
I'm sure someone as legendary as you

369
00:29:06,958 --> 00:29:09,916
has already figured out several ways
to get past Segelin's guards.

370
00:29:21,333 --> 00:29:22,625
[thud]

371
00:29:23,791 --> 00:29:24,791
Move away.

372
00:29:35,875 --> 00:29:38,708
Temeria reeks of secrets.
I could sense them.

373
00:29:40,041 --> 00:29:42,458
Just like I could these bodies
before we entered.

374
00:29:44,750 --> 00:29:46,291
I imagine you sense them, too.

375
00:29:52,083 --> 00:29:55,666
Foltest and Adda. What happened to them?

376
00:29:58,166 --> 00:30:01,500
Not answering questions
is a pillar of your brooding charm.

377
00:30:08,875 --> 00:30:10,708
Pretty sure Foltest is the father.

378
00:30:29,250 --> 00:30:30,416
[Triss] Adda's bedroom.

379
00:30:37,125 --> 00:30:38,750
Do you think he cursed her?

380
00:30:39,708 --> 00:30:40,708
Foltest?

381
00:30:43,083 --> 00:30:44,083
Maybe.

382
00:30:59,583 --> 00:31:00,750
[inhales]

383
00:31:05,833 --> 00:31:07,833
[whimsical tune plays]

384
00:31:15,916 --> 00:31:17,125
[note plays]

385
00:31:18,791 --> 00:31:19,916
[notes play]

386
00:31:40,208 --> 00:31:41,208
Geralt.

387
00:31:42,833 --> 00:31:43,833
Letters.

388
00:31:44,666 --> 00:31:47,041
From Queen Sancia,
Foltest and Adda's mother.

389
00:31:50,416 --> 00:31:53,458
A Queen Mother
cursing her own children for their affair.

390
00:31:54,875 --> 00:31:56,500
This could destroy the throne.

391
00:31:57,666 --> 00:31:59,916
Sancia wanted Adda
to get rid of the child.

392
00:32:00,541 --> 00:32:02,791
It seems she refused. Repeatedly.

393
00:32:04,000 --> 00:32:06,625
And now she's taken that curse with her
to the grave.

394
00:32:06,708 --> 00:32:08,708
You've served the family for decades.

395
00:32:08,791 --> 00:32:11,166
Was Sancia involved in
dark sorcery of any kind?

396
00:32:11,250 --> 00:32:13,083
No. Of course not.

397
00:32:13,833 --> 00:32:15,625
What was your relationship to Adda?

398

00:32:16,416 --> 00:32:19,916
Well, I like to think that she saw me
as a confidant.

399
00:32:21,541 --> 00:32:23,250
And protector, even.

400
00:32:24,500 --> 00:32:27,041
We used to talk at great length
about her troubles.

401
00:32:28,000 --> 00:32:29,208
She could be very naive.

402
00:32:30,583 --> 00:32:32,291
She ever mention her brother?

403
00:32:33,625 --> 00:32:34,958
Certainly not like this.

404
00:32:35,791 --> 00:32:36,791
She was ashamed.

405
00:32:37,875 --> 00:32:39,083
Or she was frightened.

406
00:32:40,958 --> 00:32:42,708
What if the relationship was not...

407
00:32:44,375 --> 00:32:45,375
consensual?

408
00:32:46,208 --> 00:32:47,208
Hmm.

409
00:32:48,541 --> 00:32:51,541
You think he raped Adda,
then cursed the child to cover it up?

410
00:32:51,625 --> 00:32:53,541
Well, kings have done more for less.

411
00:32:55,208 --> 00:32:56,208
True.

412
00:32:57,916 --> 00:33:00,000
[sighs] There's only one wrinkle, though.

413
00:33:06,458 --> 00:33:09,083
-Your scent was on her sheets.
-Geralt.

414
00:33:09,166 --> 00:33:10,166
Old ones...

415
00:33:11,000 --> 00:33:12,166
and new ones.

416
00:33:12,250 --> 00:33:14,541
What would I be doing
in a dead girl's bed?

417
00:33:19,250 --> 00:33:22,500
I smelled what you were doing.

418
00:33:35,500 --> 00:33:37,375
Foltest had no right!

419
00:33:38,541 --> 00:33:41,750
He seduced Adda. Abused his position.

420
00:33:42,750 --> 00:33:45,166
He was always nagging her
for attention.

421
00:33:46,083 --> 00:33:47,416
Always nagging!

422
00:33:48,041 --> 00:33:49,250
But he didn't love her.

423
00:33:50,875 --> 00:33:53,625
-I did.

-You cursed the woman you loved?

424

00:33:53,708 --> 00:33:55,958
I cursed Foltest, not her.

425

00:33:56,041 --> 00:33:58,083
Countless are dead
because of your jealousy.

426

00:33:58,166 --> 00:34:00,250
Countless are dead because of Foltest!

427

00:34:01,750 --> 00:34:03,875
He spoiled Adda with his seed.

428

00:34:03,958 --> 00:34:06,208
He refuses to kill this striga.

429

00:34:06,291 --> 00:34:10,416
He lies to his people.
And yet you wag your finger in my face.

430

00:34:10,500 --> 00:34:13,875
If you wanted him to suffer,
you could have just exposed the affair.

431

00:34:13,958 --> 00:34:15,083
And hurt Adda?

432

00:34:17,000 --> 00:34:18,000
Never.

433

00:34:19,000 --> 00:34:22,208
Her memory will not be sullied,
not while I'm alive to protect it.

434

00:34:24,416 --> 00:34:26,291
Tell us how to lift the curse.

435

00:34:28,458 --> 00:34:29,458
No.

436
00:34:31,875 --> 00:34:36,416
Foltest will watch
as Temeria turns against him.

437
00:34:37,791 --> 00:34:40,458
Just as he turned Adda against me.

438
00:34:41,416 --> 00:34:42,458
Hmm.

439
00:34:45,250 --> 00:34:46,250
Unh.

440
00:34:47,083 --> 00:34:51,500
I, Sabrina Glevissig,
offer myself to the Brotherhood

441
00:34:51,583 --> 00:34:55,125
to make good on the promise
of the Spheres.

442
00:34:56,541 --> 00:35:00,625
-To not place power before virtue.
-[murmuring]

443
00:35:00,708 --> 00:35:03,166
-To respect...
-[thinks] Where is she?

444
00:35:03,833 --> 00:35:05,541
[thinks] You didn't hear?

445
00:35:05,625 --> 00:35:08,541
[Sabrina] ...for as long
as my flesh endures.

446
00:35:08,625 --> 00:35:12,583
Welcome to the Brotherhood of Sorcerers.
You may perform your enchantment.

447
00:35:17,083 --> 00:35:18,083
Yenna.

448

00:35:19,291 --> 00:35:20,625
Yenna, what are you doing?

449

00:35:21,791 --> 00:35:23,041
Undoing what you've done.

450

00:35:25,000 --> 00:35:27,958
I'll have my father sign this deed
declaring me his natural-born daughter

451

00:35:28,041 --> 00:35:29,041
and not an elven bastard.

452

00:35:29,125 --> 00:35:32,375
Do you really think this slip of paper
will fool the Chapter? Yenna--

453

00:35:32,458 --> 00:35:33,916
Get your hands away from me!

454

00:35:36,458 --> 00:35:37,458
It was a test.

455

00:35:38,458 --> 00:35:42,083
It was, uh, an idiotic manipulation.
Forgive me.

456

00:35:42,166 --> 00:35:44,333
Can your apology save me from Nilfgaard?

457

00:35:45,375 --> 00:35:46,416
Take me to Aedirn?

458

00:35:47,291 --> 00:35:50,333
-Do they make me more than my blood?
-And you think this will?

459

00:35:53,125 --> 00:35:54,125
Fine.

460

00:35:55,000 --> 00:35:56,000
Tell them you lied.

461
00:35:56,791 --> 00:35:59,958
Say you concocted this slander
to gain the favor of your precious rector.

462
00:36:00,041 --> 00:36:03,458
It's too late. You missed initiation.

463
00:36:03,541 --> 00:36:05,916
The enchantments are done.
Think clearly.

464
00:36:06,000 --> 00:36:08,958
You're so smart, aren't you?
You know everything.

465
00:36:09,041 --> 00:36:12,291
I'm sorry. I had no way of knowing
how the information would be used.

466
00:36:12,375 --> 00:36:14,458
-But neither did you.
-Do not turn this on me.

467
00:36:14,541 --> 00:36:17,791
We're pretending your precious rectoress
never ordered you to spy on me?

468
00:36:18,791 --> 00:36:20,000
[scoffs]

469
00:36:21,291 --> 00:36:23,083
Look, I-I can fix this.

470
00:36:24,750 --> 00:36:28,833
The Brotherhood--they've offered me a seat
on the Research Chapter. Me.

471
00:36:29,875 --> 00:36:32,666
Okay? Neither of us have to go to court.

472

00:36:35,500 --> 00:36:38,375

-You can't be serious?

-We can travel the continent together.

473

00:36:39,166 --> 00:36:42,250

We can be together.

We can forge a whole new destiny.

474

00:36:45,416 --> 00:36:46,541

Ah.

475

00:36:47,875 --> 00:36:51,250

A life holding dustpans

while you brush off forgotten bones?

476

00:36:53,416 --> 00:36:54,625

That's not destiny.

477

00:36:57,333 --> 00:36:58,833

It's slow suicide.

478

00:37:03,083 --> 00:37:04,083

You don't mean that.

479

00:37:04,166 --> 00:37:07,875

Would it frighten you to know you're
not privy to every one of my thoughts?

480

00:37:14,750 --> 00:37:16,000

You are patronizing me.

481

00:37:22,458 --> 00:37:24,291

I was going to Temeria for you.

482

00:37:24,375 --> 00:37:25,708

That was your decision.

483

00:37:25,791 --> 00:37:28,875

You really think I wish to waste my days
gossiping at court?

484

00:37:28,958 --> 00:37:30,458
That's your fetish, not mine.

485
00:37:30,541 --> 00:37:32,375
A true man would state his desires.

486
00:37:32,458 --> 00:37:35,041
Well, how would I recognize them? Huh?

487
00:37:35,125 --> 00:37:38,708
You get off on disguising yours
as my own. Oh.

488
00:37:40,000 --> 00:37:41,166
Stregobor was right.

489
00:37:41,250 --> 00:37:44,083
That's exactly why you're here,
exactly what she taught you.

490
00:37:44,750 --> 00:37:45,750
Everyone's a pawn.

491
00:37:45,833 --> 00:37:47,375
I will not be schooled by a man

492
00:37:47,458 --> 00:37:50,083
who pimps the world
as some romantic adventure.

493
00:37:51,541 --> 00:37:52,958
My world is cruel.

494
00:37:53,041 --> 00:37:54,791
-[scoffs]
-Unpredictable.

495
00:37:54,875 --> 00:37:56,750
You enter, you survive, you die.

496
00:37:58,416 --> 00:38:01,583
-You know, victimhood is not your color.

-Nor heroism yours.

497

00:38:03,541 --> 00:38:06,583

You're just angry because
you lost your chance to be beautiful!

498

00:38:09,541 --> 00:38:10,791

I want to be powerful.

499

00:38:10,875 --> 00:38:13,333

Seen and adored with everyone watching.

500

00:38:13,416 --> 00:38:15,041

It is what I'm owed.

501

00:38:15,125 --> 00:38:18,208

No amount of power or beauty
will ever make you feel worthy of either.

502

00:38:26,541 --> 00:38:28,541

[waltz plays]

503

00:39:08,000 --> 00:39:09,291

Let's take a rest, dear.

504

00:39:16,000 --> 00:39:17,833

Foltest, leave your sister be.

505

00:39:18,916 --> 00:39:20,666

Show Madame de Vriess some respect.

506

00:39:22,750 --> 00:39:24,666

What wonderful children, Your Highness.

507

00:39:24,750 --> 00:39:25,750

Thank you.

508

00:39:30,916 --> 00:39:32,250

Your Excellence.

509

00:39:36,333 --> 00:39:38,875

An Aedirnian would surely
have had better footing.

510

00:39:48,041 --> 00:39:51,000
[Yennefer] You claim to be
quite the artist. Prove it.

511

00:39:52,416 --> 00:39:55,583
-The Chapter would have my head.
-Do they already have your cock?

512

00:39:55,666 --> 00:39:56,666
[chuckles]

513

00:40:02,791 --> 00:40:05,750
-I'll need time to prepare the herbs.
-That won't be necessary.

514

00:40:05,833 --> 00:40:08,375
Don't be foolish.
You can't be awake during the procedure.

515

00:40:09,666 --> 00:40:10,666
I can.

516

00:40:24,833 --> 00:40:25,916
[sighs]

517

00:40:40,166 --> 00:40:42,583
[Foltest] Oh so quick to violence.

518

00:40:43,500 --> 00:40:47,458
Strange, considering what Miss Merigold
told me about you.

519

00:40:48,333 --> 00:40:51,000
-And what's that?
-She told me...

520

00:40:52,833 --> 00:40:53,833
to trust you.

521

00:40:54,583 --> 00:40:55,583
[chuckles]

522
00:41:03,916 --> 00:41:04,958
Will this work?

523
00:41:06,541 --> 00:41:07,625
Answer honestly.

524
00:41:13,625 --> 00:41:14,625
I don't know.

525
00:41:17,333 --> 00:41:18,333
Will my...

526
00:41:22,875 --> 00:41:23,958
will my daughter...

527
00:41:25,041 --> 00:41:26,041
be normal?

528
00:41:26,750 --> 00:41:28,166
She'll need special care.

529
00:41:29,333 --> 00:41:30,583
She's lived as an animal.

530
00:41:31,375 --> 00:41:32,750
All she's ever known is...

531
00:41:33,666 --> 00:41:35,666
rage and hunger.

532
00:41:46,166 --> 00:41:47,333
[Geralt sighs]

533
00:41:58,500 --> 00:41:59,708
[sighs]

534
00:42:18,375 --> 00:42:19,375
What is this?

535
00:42:21,083 --> 00:42:22,250
For the princess.

536
00:42:24,083 --> 00:42:25,583
If I can lift the curse.

537
00:42:27,750 --> 00:42:28,750
A gift.

538
00:42:32,125 --> 00:42:35,666
You're giving me this
because you do not expect to see morning.

539
00:42:35,750 --> 00:42:38,125
This isn't my first time
trying to save a princess

540
00:42:38,208 --> 00:42:39,625
who others see as a monster.

541
00:42:40,750 --> 00:42:42,416
What happened to that princess?

542
00:42:45,541 --> 00:42:46,541
I killed her.

543
00:42:52,625 --> 00:42:56,750
I did try to resist, at first, with Adda.
We both did.

544
00:42:59,125 --> 00:43:02,833
For all it brightens,
love casts long shadows.

545
00:43:06,583 --> 00:43:07,583
I envy you.

546
00:43:09,708 --> 00:43:10,750
To live...

547

00:43:11,625 --> 00:43:13,541
and never have to fall in love.

548
00:43:36,208 --> 00:43:37,916
[horse neighs]

549
00:43:43,583 --> 00:43:45,000
[moans]

550
00:43:52,708 --> 00:43:53,708
Witcher.

551
00:43:54,875 --> 00:43:56,208
This is madness!

552
00:43:57,500 --> 00:44:00,208
What are we doing here? What's happening?

553
00:44:01,291 --> 00:44:02,541
How can I lift the curse?

554
00:44:04,333 --> 00:44:05,333
No.

555
00:44:06,250 --> 00:44:07,541
This is not right.

556
00:44:08,625 --> 00:44:11,000
Foltest must pay for what he did.

557
00:44:13,750 --> 00:44:15,166
Explain that to her.

558
00:44:18,625 --> 00:44:20,833
Carry me out. I order you.

559
00:44:22,041 --> 00:44:23,583
Tell me how to lift the curse.

560
00:44:25,750 --> 00:44:27,458
[panting]

561
00:44:28,666 --> 00:44:31,250
Sh-She was hiding from the Brotherhood.

562
00:44:33,166 --> 00:44:35,208
She sold me a lamb.

563
00:44:35,291 --> 00:44:38,166
Sh-She told me
to wait until a full moon,

564
00:44:38,250 --> 00:44:40,000
to wait and then to kill it.

565
00:44:41,333 --> 00:44:43,458
And then I recited some silly chant.

566
00:44:45,541 --> 00:44:49,416
And then I bathed in the lamb's blood
until sunrise.

567
00:44:49,500 --> 00:44:54,666
Until the rooster crowed three times.
And that is all.

568
00:44:54,750 --> 00:44:58,583
I swear. I swear.
Now please let us leave.

569
00:44:58,666 --> 00:45:00,291
What was the chant?

570
00:45:00,375 --> 00:45:02,708
[gasping] It was years ago.

571
00:45:08,708 --> 00:45:10,250
It was Elven. Um...

572
00:45:13,875 --> 00:45:17,875
[speaking Elder]

573

00:45:18,666 --> 00:45:19,750
[sighs]

574
00:45:19,833 --> 00:45:25,291
[speaking Elder]

575
00:45:29,750 --> 00:45:32,708
Wh-- what is it? The--
I-- I've done what you've asked.

576
00:45:34,000 --> 00:45:35,833
What more can I do?

577
00:45:35,916 --> 00:45:38,583
Nothing, unless you can
keep a striga out of her crypt

578
00:45:38,666 --> 00:45:40,750
until a fucking rooster
crows three times.

579
00:45:44,208 --> 00:45:46,375
You're gonna have to fight her till dawn.

580
00:45:56,750 --> 00:45:59,375
Leave my eyes. These as well.

581
00:46:03,666 --> 00:46:05,000
[sighs]

582
00:46:10,708 --> 00:46:13,083
There is a cost to all creation.

583
00:46:14,458 --> 00:46:16,166
A sacrifice that is always made.

584
00:46:18,833 --> 00:46:19,916
To be reborn...

585
00:46:21,625 --> 00:46:22,791
you will bear no more.

586
00:46:23,916 --> 00:46:25,291
Do you understand?

587
00:46:28,708 --> 00:46:29,708
Good.

588
00:46:40,291 --> 00:46:42,083
[water dripping]

589
00:46:48,291 --> 00:46:50,291
[screeching]

590
00:46:59,041 --> 00:47:01,041
[screeching]

591
00:47:02,250 --> 00:47:05,166
No. No. Come back here.

592
00:47:06,000 --> 00:47:07,208
Please. Please!

593
00:47:08,416 --> 00:47:11,791
You'd leave a man
bound to die in such indignity?

594
00:47:11,875 --> 00:47:13,041
You're not a man.

595
00:47:17,208 --> 00:47:18,500
[whimpering]

596
00:47:22,625 --> 00:47:23,833
[loud screech]

597
00:47:24,708 --> 00:47:25,750
[whimpering]

598
00:47:30,250 --> 00:47:31,750
[croaks]

599

00:47:35,125 --> 00:47:37,416
-[creaking]
-[hissing]

600
00:47:39,333 --> 00:47:41,458
[high-pitched groan]

601
00:47:44,500 --> 00:47:45,875
-[cooing]
-[clicking]

602
00:47:47,375 --> 00:47:48,875
Please forgive me.

603
00:47:51,208 --> 00:47:52,375
It was Foltest.

604
00:47:53,541 --> 00:47:55,125
It was his fault.

605
00:47:58,625 --> 00:48:01,083
-I loved your mother.
-[croaks]

606
00:48:01,166 --> 00:48:02,333
[gasps]

607
00:48:08,375 --> 00:48:09,833
-[screeches]
-[gasps]

608
00:48:14,583 --> 00:48:16,000
[screeching fades]

609
00:48:18,208 --> 00:48:20,208
[rasping moaning]

610
00:48:31,875 --> 00:48:34,166
[screams]

611
00:48:40,041 --> 00:48:42,041
[croaking]

612
00:48:42,875 --> 00:48:44,833
[screeching]

613
00:48:44,916 --> 00:48:46,458
[snarling]

614
00:48:47,458 --> 00:48:49,458
[screeching]

615
00:48:53,208 --> 00:48:55,208
[hissing and croaking]

616
00:49:11,250 --> 00:49:13,250
[screeches]

617
00:49:16,291 --> 00:49:18,625
[screams]

618
00:49:23,541 --> 00:49:24,375
Fuck.

619
00:49:36,750 --> 00:49:39,375
[gasps and groans]

620
00:49:41,416 --> 00:49:43,416
[screams]

621
00:50:14,291 --> 00:50:15,708
[whines]

622
00:50:56,375 --> 00:50:58,375
[hissing]

623
00:51:15,708 --> 00:51:17,458
[panting]

624
00:51:24,875 --> 00:51:26,083
[sighs]

625

00:51:38,500 --> 00:51:39,666
-[glass breaks]
-[sighs]

626
00:51:53,583 --> 00:51:55,833
[speaking Elder]

627
00:51:56,958 --> 00:51:58,416
[speaking Elder]

628
00:52:08,458 --> 00:52:10,625
[speaking Elder]

629
00:52:11,625 --> 00:52:12,916
[speaking Elder]

630
00:52:15,875 --> 00:52:17,875
[speaking Elder]

631
00:52:18,708 --> 00:52:19,833
[speaking Elder]

632
00:52:24,125 --> 00:52:26,125
[speaking Elder]

633
00:52:26,791 --> 00:52:28,083
[speaking Elder]

634
00:52:28,166 --> 00:52:29,166
[screeching]

635
00:52:32,666 --> 00:52:34,666
[speaking Elder]

636
00:52:35,416 --> 00:52:37,125
[speaking Elder]

637
00:52:38,125 --> 00:52:39,208
[groans]

638
00:52:39,291 --> 00:52:40,500

[screeching]

639
00:52:40,583 --> 00:52:42,125
[groans]

640
00:52:45,250 --> 00:52:47,250
[screams]

641
00:52:54,000 --> 00:52:56,166
[screaming]

642
00:53:03,666 --> 00:53:05,458
[screeching]

643
00:53:44,750 --> 00:53:46,750
[screeching]

644
00:53:48,250 --> 00:53:49,875
[squealing]

645
00:54:05,000 --> 00:54:07,000
[howling]

646
00:54:13,333 --> 00:54:14,916
[screeching]

647
00:54:16,000 --> 00:54:17,833
[wailing]

648
00:54:23,916 --> 00:54:26,333
[screaming]

649
00:54:26,416 --> 00:54:27,750
[scream fades]

650
00:54:28,500 --> 00:54:30,500
-[birdsong]
-[rooster crows]

651
00:54:31,333 --> 00:54:32,833
[water dripping]

652
00:54:32,916 --> 00:54:34,125
[stone crunching]

653
00:54:36,791 --> 00:54:38,791
[stone grinding]

654
00:54:43,250 --> 00:54:44,250
[groans]

655
00:54:56,375 --> 00:54:57,875
[groans]

656
00:54:59,791 --> 00:55:01,166
[panting]

657
00:55:10,500 --> 00:55:11,625
[sighs]

658
00:56:02,000 --> 00:56:03,375
[sighs]

659
00:56:05,916 --> 00:56:07,166
[sighs]

660
00:56:14,958 --> 00:56:16,041
[screeches]

661
00:56:22,125 --> 00:56:23,500
[tearing]

662
00:56:23,583 --> 00:56:24,875
-[screeches]
-[groans]

663
00:56:30,875 --> 00:56:32,875
[gasping and groaning]

664
00:56:35,250 --> 00:56:36,375
[yells]

665
00:56:39,583 --> 00:56:41,583
[Geralt growls]

666
00:57:42,791 --> 00:57:43,916
[sighs]

667
00:58:12,291 --> 00:58:13,666
Yennefer of Vengerberg.

668
00:58:13,750 --> 00:58:15,666
My apologies, Your Excellence.

669
00:58:15,750 --> 00:58:18,416
Please allow me to remove
this misguided girl.

670
00:58:18,500 --> 00:58:21,750
Now, what sort of a king refuses a dance
with one of his subjects?

671
00:58:22,666 --> 00:58:23,666
Vengerberg?

672
00:58:24,375 --> 00:58:27,250
Are you aware that I'm in the market
for just such a mage?

673
00:58:28,000 --> 00:58:30,083
On your lead, Your Excellence.

674
00:59:42,583 --> 00:59:43,875
Geralt...

675
00:59:45,416 --> 00:59:46,416
Geralt.

676
00:59:51,375 --> 00:59:52,375
Renfri.

677
00:59:52,708 --> 00:59:55,291
The girl in the woods

will be with you always.

678

01:00:02,833 --> 01:00:04,833
People call you a monster too.

679

01:00:07,375 --> 01:00:08,625
Renfri.

680

01:00:08,708 --> 01:00:09,875
You choose...

681

01:00:09,958 --> 01:00:11,916
-[echoing] You choose...
-[sighs]

682

01:00:13,333 --> 01:00:14,333
[groans]

683

01:00:16,125 --> 01:00:17,833
[grunts]

684

01:00:21,166 --> 01:00:23,958
Your scars. You heal quite nicely.

685

01:00:25,416 --> 01:00:26,833
Your will to live is strong.

686

01:00:27,958 --> 01:00:29,208
The princess?

687

01:00:29,291 --> 01:00:32,333
I've arranged for her to stay a while
with the Sisters of Melitele.

688

01:00:32,416 --> 01:00:33,416
But...

689

01:00:34,250 --> 01:00:35,250
I...

690

01:00:36,333 --> 01:00:38,250

-Her neck?
-She'll heal, too.

691
01:00:41,041 --> 01:00:43,583
You should know
Foltest issued a statement.

692
01:00:43,666 --> 01:00:47,416
The honorable Lord Ostrit
gave his life to slay the vukodlak.

693
01:00:47,500 --> 01:00:49,666
Miners are gathering ore for a statue.

694
01:00:52,083 --> 01:00:55,083
-[grunts]
-Anyone else would've killed the princess.

695
01:00:55,166 --> 01:00:56,333
You chose not to.

696
01:00:56,416 --> 01:00:59,208
[grunts] I'll take my coin now.

697
01:01:00,041 --> 01:01:01,791
I need to get back to my horse.

698
01:01:06,083 --> 01:01:07,083
Who's Renfri?

699
01:01:10,375 --> 01:01:14,083
Hers was the only name you uttered
over and over in your sleep.

700
01:01:16,291 --> 01:01:17,291
My coin.

701
01:01:19,375 --> 01:01:21,000
So that's all life is to you?

702
01:01:22,375 --> 01:01:23,583
Monsters and money?

703
01:01:23,666 --> 01:01:25,083
It's all it needs to be.

704
01:01:31,708 --> 01:01:34,166
You say this is all life is to you,

705
01:01:34,250 --> 01:01:37,666
but there is a vortex of fate
around all of us, Geralt,

706
