1  
00:00:10,885 --> 00:00:12,887  
[bells jingling]

2  
00:00:13,054 --> 00:00:15,056  
-[breathing heavily]  
-[echoing]

3  
00:00:15,849 --> 00:00:18,351  
[Duadran] There is no higher calling

4  
00:00:18,518 --> 00:00:21,396  
than the Order of Lesser Service.

5  
00:00:21,521 --> 00:00:22,856  
So, no dawdling!

6  
00:00:23,982 --> 00:00:27,152  
There's good, hard work to be done.

7  
00:00:27,360 --> 00:00:28,445  
Keep up!

8  
00:00:29,696 --> 00:00:31,823  
That means you, Princess.

9  
00:00:31,948 --> 00:00:33,241  
-Hm.  
-[groaning]

10  
00:00:34,034 --> 00:00:34,909  
Oh!

11  
00:00:34,993 --> 00:00:38,496  
No carriages  
in the Order of Lesser Service, Princess.

12  
00:00:38,872 --> 00:00:41,041  
You walk like the rest of us.

13  
00:00:42,333 --> 00:00:43,376  
[Duadran] Come along.

14

00:00:43,501 --> 00:00:46,588  
The Order of Lesser Service  
is not a punishment,

15

00:00:46,671 --> 00:00:49,132  
it's an opportunity to lift yourself up

16

00:00:49,257 --> 00:00:51,259  
by performing the lowliest of deeds...

17

00:00:51,384 --> 00:00:53,636  
[Gelfling girl]  
Bet we're chewing snippit root again.

18

00:00:53,720 --> 00:00:56,473  
-[Brea] Why would we do that?  
-[Gelfling girl] To feed all the Nebries.

19

00:00:56,556 --> 00:00:59,517  
Well, they don't have teeth yet,  
so we have to chew it up for them

20

00:00:59,601 --> 00:01:02,645  
-and spit it in their mouths.  
-[Brea] That's repugnant.

21

00:01:03,396 --> 00:01:04,856  
[sighing]

22

00:01:05,106 --> 00:01:07,859  
[Duadran]  
Go. One foot in front of the other.

23

00:01:09,069 --> 00:01:10,361  
[creature squeaking]

24

00:01:10,987 --> 00:01:15,283  
I have something very special  
planned for you all.

25

00:01:15,366 --> 00:01:16,785

[chuckling]

26

00:01:17,118 --> 00:01:19,245  
You know, I too was once a wide-eyed...

27

00:01:19,329 --> 00:01:22,207  
-Are you really a princess?  
-I am.

28

00:01:22,290 --> 00:01:26,044  
I never met a princess before.  
I always imaged them having shinier hair.

29

00:01:26,127 --> 00:01:28,379  
Is this your first time  
in the Order of Lesser Service?

30

00:01:28,588 --> 00:01:30,131  
-It is.  
-[Gelfling girl] Me too.

31

00:01:30,215 --> 00:01:31,716  
I became friends with a Spriton boy.

32

00:01:31,800 --> 00:01:34,302  
I made him sweet mini-katnies,  
and he made me laugh,

33

00:01:34,385 --> 00:01:37,013  
but my parents didn't like  
that he wasn't Vapran, so...

34

00:01:37,097 --> 00:01:39,182  
jingle-jangle, time to put on the hat!

35

00:01:39,516 --> 00:01:41,518  
-It doesn't seem fair.  
-What's your name?

36

00:01:42,435 --> 00:01:45,605  
-Juni.  
-Brea. It's a pleasure to meet you.

37

00:01:45,688 --> 00:01:46,689  
[gasping]

38

00:01:47,023 --> 00:01:49,067  
I always thought  
I'd make a fantastic princess.

39

00:01:49,150 --> 00:01:51,027  
I've got the hair for it. It's very shiny.

40

00:01:51,111 --> 00:01:53,863  
So, why did you get sent  
to the Order of Lesser Service?

41

00:01:54,155 --> 00:01:57,575  
I created a diplomatic incident  
by erasing a Sifan elder's memory.

42

00:01:57,826 --> 00:02:00,161  
-Hm.  
-Uh...

43

00:02:01,746 --> 00:02:06,334  
[Duadran] Ah, at last, we arrive  
at today's opportunity for service.

44

00:02:07,001 --> 00:02:09,546  
-A filthy Podling village.  
-[Podlings shouting]

45

00:02:10,547 --> 00:02:12,423  
-[grunting]  
-Ooh!

46

00:02:12,507 --> 00:02:14,008  
[guffawing]

47

00:02:14,551 --> 00:02:17,011  
-[grunting]  
-[spitting]

48

00:02:17,095 --> 00:02:19,097

-[laughing]  
-[yelling]

49  
00:02:20,557 --> 00:02:22,142  
[smacking lips]

50  
00:02:24,561 --> 00:02:26,229  
[yelling, grunting]

51  
00:02:28,148 --> 00:02:29,524  
[groaning]

52  
00:02:29,607 --> 00:02:30,942  
[cackling]

53  
00:02:31,568 --> 00:02:34,195  
The Deterge is upon us!

54  
00:02:35,196 --> 00:02:37,699  
Oh, no! Not the Deterge!

55  
00:02:37,782 --> 00:02:38,950  
[Podlings howling]

56  
00:02:41,452 --> 00:02:43,037  
[commotion]

57  
00:02:45,874 --> 00:02:51,087  
[Duadran] The Deterge is an opportunity  
to cleanse ourselves of our mistakes

58  
00:02:51,171 --> 00:02:53,840  
by cleansing Podlings.

59  
00:02:54,382 --> 00:02:55,550  
Ah!

60  
00:02:55,675 --> 00:02:59,929  
[Duadran] There is no filthier creature  
in all of Thra than the Podling.

00:03:00,013 --> 00:03:03,433  
The Podling takes to dirt  
like a Sifan takes to the sea.

62

00:03:06,811 --> 00:03:10,982  
Which means every Podling,  
no matter how disgusting...

63

00:03:11,524 --> 00:03:13,818  
-[Juni] You forgot your pants!  
-[Duadran] ...is a gift.

64

00:03:14,194 --> 00:03:16,237  
-[yelling]  
-Come on! Would you hold still?

65

00:03:16,321 --> 00:03:18,489  
[Duadran] ...wash away yesterday's misdeed

66

00:03:18,740 --> 00:03:23,036  
by scouring away layer after layer,  
from rind to nails.

67

00:03:24,662 --> 00:03:26,206  
[spitting]

68

00:03:29,125 --> 00:03:30,460  
[shuddering]

69

00:03:33,504 --> 00:03:36,132  
[Seladon] Brea is the most selfish  
Gelfling in all Ha'rar.

70

00:03:36,216 --> 00:03:39,427  
She never comes to court.  
She just spends all day in the library.

71

00:03:39,719 --> 00:03:42,639  
She's a princess.  
She has responsibilities,

72

00:03:42,722 --> 00:03:45,016  
not just to us,

but to her fellow Gelfling.

73

00:03:45,099 --> 00:03:47,644

-Mm-hm.

-[sighing] It's Mother's fault.

74

00:03:48,269 --> 00:03:51,606

She spoils her. Brea's her favorite.

75

00:03:52,440 --> 00:03:55,652

The Order of Lesser Service  
is exactly what Brea needs.

76

00:03:56,069 --> 00:03:57,278

[sighing]

77

00:03:57,737 --> 00:03:59,781

-You don't agree?

-Hm?

78

00:04:01,032 --> 00:04:02,450

I didn't say anything.

79

00:04:02,533 --> 00:04:03,952

I know you.

80

00:04:04,035 --> 00:04:06,913

I know what your silence means.

Come on, out with it.

81

00:04:11,834 --> 00:04:13,670

I don't think it's Brea you're angry with.

82

00:04:13,753 --> 00:04:15,171

No! It is.

83

00:04:15,546 --> 00:04:19,008

Pretend all you want, Seladon,  
but I see you.

84

00:04:19,550 --> 00:04:22,136

I see all the responsibilities

you take on.

85

00:04:22,220 --> 00:04:25,473  
The meetings, the ceremonies,  
the rituals.

86

00:04:26,099 --> 00:04:28,142  
You work harder than all of us.

87

00:04:28,226 --> 00:04:29,894  
Even harder than Mother.

88

00:04:30,478 --> 00:04:32,272  
Then why doesn't Mother see that?

89

00:04:33,064 --> 00:04:37,360  
[sighs] Mother is toughest on you,  
because you have the hardest path ahead.

90

00:04:37,860 --> 00:04:39,946  
You will be All-Maudra one day.

91

00:04:41,739 --> 00:04:43,950  
Good thing you're also the strongest.

92

00:04:45,451 --> 00:04:47,996  
[sighing] I don't feel strong.

93

00:04:49,998 --> 00:04:52,917  
I would have run away  
with the Sifa long trine past

94

00:04:53,084 --> 00:04:56,129  
if I had to be at half the meetings  
you attend in a single day.

95

00:04:56,212 --> 00:04:59,882  
[chuckling] They really are so boring.

96

00:05:00,133 --> 00:05:02,093  
-[footsteps approaching]  
-[giggling]

97

00:05:02,719 --> 00:05:04,470  
Pardon the interruption, Princesses.

98

00:05:04,554 --> 00:05:07,140  
The All-Maudra needs to see  
Princess Tavra right away.

99

00:05:09,976 --> 00:05:11,769  
[Brea]  
How did you get so dirty?

100

00:05:12,270 --> 00:05:14,314  
-[squealing]  
-Calm down! Stop it!

101

00:05:14,397 --> 00:05:16,149  
-[howling]  
-[Juni] Podling! Podling!

102

00:05:16,607 --> 00:05:19,360  
-You need to wear pants!  
-[Brea] It's just a little water!

103

00:05:19,986 --> 00:05:21,904  
I beg you to keep still!

104

00:05:22,071 --> 00:05:24,782  
Expediency is the key, Princess,

105

00:05:24,866 --> 00:05:27,744  
-else it will be a long trine for you.  
-[gasping]

106

00:05:27,869 --> 00:05:29,787  
-[chuckling]  
-Trine?

107

00:05:29,871 --> 00:05:31,414  
I can't be here a full trine.

108

00:05:31,497 --> 00:05:33,124

I must return to Ha'rar  
before the winds change,

109

00:05:33,207 --> 00:05:35,710  
or else it will be the end of all things.  
Or maybe the beginning.

110

00:05:35,793 --> 00:05:39,130  
Hmph! You obviously have sun frenzy.

111

00:05:39,213 --> 00:05:43,134  
Ugh! I don't have sun frenzy.  
I know all about sun frenzy.

112

00:05:43,217 --> 00:05:45,511  
I read Durken's Deliriums, twice.

113

00:05:45,595 --> 00:05:47,347  
-Ow! Ow!  
-[giggling]

114

00:05:47,555 --> 00:05:48,389  
Hey!

115

00:05:48,848 --> 00:05:50,850  
[speaking Podling language]

116

00:05:52,518 --> 00:05:54,437  
Well, go get her.

117

00:05:54,645 --> 00:05:55,646  
[groaning]

118

00:05:56,147 --> 00:05:57,398  
[sighing]

119

00:05:59,442 --> 00:06:01,944  
[groaning]  
Dear...

120

00:06:02,195 --> 00:06:04,530  
Podling! Podling!

121  
00:06:04,655 --> 00:06:05,948  
[Podlings giggling]

122  
00:06:06,532 --> 00:06:09,452  
Get back here this minute! Podling!

123  
00:06:10,453 --> 00:06:12,622  
-Where are you?  
-[panting]

124  
00:06:13,164 --> 00:06:14,665  
-[sighing]  
-[giggling]

125  
00:06:19,295 --> 00:06:22,382  
-[Brea] Come finish your bath.  
-[Podling grunting]

126  
00:06:26,803 --> 00:06:28,554  
[yowling]

127  
00:06:29,222 --> 00:06:32,100  
-Where did you go?  
-[yelping]

128  
00:06:32,517 --> 00:06:34,769  
I've got you now.  
No! Whoa, whoa, whoa!

129  
00:06:34,852 --> 00:06:36,270  
-Stop! Ow!  
-[Podling yelling]

130  
00:06:36,354 --> 00:06:39,190  
Stop, Podling! Stop! Calm.

131  
00:06:39,273 --> 00:06:41,067  
-Shh...  
-[Podling grunting]

132  
00:06:41,442 --> 00:06:42,568

There we go.

133

00:06:43,152 --> 00:06:45,029

-Okay, listen.

-[Podling grunting]

134

00:06:45,196 --> 00:06:49,158

You don't want to get clean, and I don't  
want to clean you, so let's make a deal.

135

00:06:50,326 --> 00:06:54,705

We both go our separate ways,  
and we trust that the other won't squeal.

136

00:06:54,789 --> 00:06:55,748

Sound good?

137

00:06:56,290 --> 00:06:58,292

[squealing]

138

00:06:58,793 --> 00:07:00,169

-[giggling]

-I'll take that as a yes?

139

00:07:00,545 --> 00:07:02,505

[cheering]

140

00:07:02,588 --> 00:07:03,673

[chuckling]

141

00:07:03,756 --> 00:07:06,092

[continues cheering]

142

00:07:09,554 --> 00:07:11,556

[howling]

143

00:07:12,265 --> 00:07:14,267

[chirping]

144

00:07:15,017 --> 00:07:16,811

[squeaking]

145  
00:07:18,980 --> 00:07:20,982  
[creatures calling]

146  
00:07:25,319 --> 00:07:27,155  
[overlapping creature sounds]

147  
00:07:30,658 --> 00:07:32,410  
[squawking]

148  
00:07:34,579 --> 00:07:36,038  
[chirping]

149  
00:07:42,837 --> 00:07:44,297  
Do you hear them?

150  
00:07:44,380 --> 00:07:46,507  
[panting] Arathim?

151  
00:07:46,966 --> 00:07:49,469  
No. All the creatures of Thra.

152  
00:07:50,261 --> 00:07:53,306  
I never imagined  
there'd be so much life topside.

153  
00:07:54,056 --> 00:07:55,224  
It's beautiful.

154  
00:07:55,641 --> 00:07:57,560  
Arathim ne beautiful.

155  
00:07:58,436 --> 00:08:00,438  
All creatures are part of Thra.

156  
00:08:02,398 --> 00:08:04,025  
What happens if we fail?

157  
00:08:04,984 --> 00:08:07,069  
The Darkening will destroy everything.

158

00:08:07,153 --> 00:08:08,196  
[speaking Podling language]

159

00:08:08,613 --> 00:08:09,697  
Deet. Hup.

160

00:08:10,072 --> 00:08:11,908  
All-Maudra. Win.

161

00:08:12,658 --> 00:08:13,618  
You're right.

162

00:08:14,160 --> 00:08:17,455  
Together, we unite the Gelfling  
and stop the Darkening.

163

00:08:17,830 --> 00:08:19,332  
[speaking Podling language]

164

00:08:19,540 --> 00:08:21,709  
All Gelfling not help.

165

00:08:22,376 --> 00:08:23,920  
Why wouldn't they all want to help?

166

00:08:24,629 --> 00:08:25,546  
Hup knows.

167

00:08:26,881 --> 00:08:28,841  
Gelfling clans not friends, ya.

168

00:08:28,925 --> 00:08:30,635  
[speaking Podling language]

169

00:08:31,302 --> 00:08:33,012  
You Grottan Gelfling.

170

00:08:33,387 --> 00:08:37,225  
Hup pretend to be Vapran Gelfling, ya.

171

00:08:39,060 --> 00:08:41,979

Don't like Grottan Gee. No good!

172

00:08:42,271 --> 00:08:43,397  
Different Gee.

173

00:08:43,564 --> 00:08:44,732  
Blech!

174

00:08:45,274 --> 00:08:46,234  
You go away!

175

00:08:46,484 --> 00:08:47,652  
[grunting]

176

00:08:48,778 --> 00:08:50,363  
Just because they're different?

177

00:08:50,947 --> 00:08:52,949  
Ye.  
Hm.

178

00:08:53,783 --> 00:08:54,825  
I don't accept that.

179

00:08:55,576 --> 00:08:57,828  
Getting along may be hard at first.

180

00:09:00,373 --> 00:09:01,624  
[exhaling]

181

00:09:02,500 --> 00:09:04,252  
But like anything else in life...

182

00:09:04,377 --> 00:09:06,462  
[overlapping creature sounds]

183

00:09:09,423 --> 00:09:11,425  
[creature noises continue]

184

00:09:15,888 --> 00:09:17,723  
...it just takes time to adjust.

185  
00:09:18,641 --> 00:09:20,643  
Hm... huh.

186  
00:09:25,147 --> 00:09:27,692  
-[Deet] Look!  
-[Hup] Yotubi Stonewood clan.

187  
00:09:27,775 --> 00:09:30,570  
That Stone-in-the-Wood.

188  
00:09:31,737 --> 00:09:33,739  
[making fart noise]

189  
00:09:34,073 --> 00:09:36,993  
Where's your sense of adventure? Come on!

190  
00:09:37,994 --> 00:09:39,453  
[sighing]

191  
00:09:44,375 --> 00:09:46,377  
[trees rustling]

192  
00:09:47,461 --> 00:09:49,255  
[distant grunting]

193  
00:09:50,006 --> 00:09:51,215  
-[male voice] Use both hands!  
-[female voice] I am.

194  
00:09:51,757 --> 00:09:54,635  
-What do you think I'm doing?  
-[male voice] Don't twist it. Push!

195  
00:09:56,262 --> 00:09:57,555  
Lift it higher.

196  
00:09:58,306 --> 00:10:01,392  
-It's as high as I can get it.  
-[grunting] Push.

197

00:10:02,059 --> 00:10:03,894  
Here, let me help.

198  
00:10:03,978 --> 00:10:05,062  
Oh, thank you.

199  
00:10:07,023 --> 00:10:08,566  
[grunting]

200  
00:10:12,778 --> 00:10:14,739  
There we are. [exhaling]

201  
00:10:14,822 --> 00:10:15,823  
[childling crying]

202  
00:10:15,906 --> 00:10:18,659  
[female Gelfling]  
Hush now, childling. All is well.

203  
00:10:19,619 --> 00:10:21,287  
-There, there.  
-[male Gelfling] Thank you, friend.

204  
00:10:21,996 --> 00:10:24,915  
We were on our way to Sami Thicket  
to trade our grains

205  
00:10:24,999 --> 00:10:27,126  
when a bump sent our wheel flying.

206  
00:10:27,877 --> 00:10:31,881  
Huh.  
Sami Thicket, huh? That's quite a journey.

207  
00:10:32,089 --> 00:10:34,425  
The blight on our land  
has left us no choice

208  
00:10:34,508 --> 00:10:36,844  
but to trade far outside our village.

209  
00:10:36,927 --> 00:10:38,012

[Rian] Oh, I'm sorry.

210  
00:10:38,763 --> 00:10:40,014  
Your bags. [grunting]

211  
00:10:40,097 --> 00:10:41,057  
[farmer] Thank you.

212  
00:10:41,932 --> 00:10:43,768  
[gasping]

213  
00:10:45,853 --> 00:10:47,188  
He's a castle guard.

214  
00:10:47,688 --> 00:10:50,066  
He could be the one. What's his name?

215  
00:10:50,149 --> 00:10:52,109  
He can't be. He came to our aid.

216  
00:10:56,197 --> 00:10:57,281  
[farmer's wife] What was it?

217  
00:10:58,199 --> 00:11:00,201  
-That's it. Rian!  
-[gasping]

218  
00:11:01,285 --> 00:11:02,286  
Do we know each other?

219  
00:11:03,245 --> 00:11:04,205  
Is something wrong?

220  
00:11:04,622 --> 00:11:05,831  
My apologies.

221  
00:11:05,915 --> 00:11:09,168  
The news about the murder at the castle  
has put the miss here on edge.

222  
00:11:09,251 --> 00:11:10,753

It is all over Thra.

223

00:11:11,212 --> 00:11:13,839  
A Gelfling murdered this Mira.

224

00:11:14,173 --> 00:11:17,134  
[farmer] Thank the harvest,  
we have the Skeksis to keep us safe.

225

00:11:17,218 --> 00:11:18,052  
[farmer's wife] Yes.

226

00:11:18,135 --> 00:11:20,137  
-But the Skeksis killed Mira!  
-[gasping]

227

00:11:20,221 --> 00:11:23,724  
-Heresy!  
-It is him! It's that Rian! [gasping]

228

00:11:24,016 --> 00:11:26,602  
I think it's time you were on your way.

229

00:11:26,686 --> 00:11:27,812  
Yes, be gone!

230

00:11:28,479 --> 00:11:29,605  
[grunting]

231

00:11:30,106 --> 00:11:31,148  
Safe travels.

232

00:11:32,358 --> 00:11:33,901  
[nervous panting]

233

00:11:35,277 --> 00:11:36,195  
It's all right.

234

00:11:36,529 --> 00:11:38,030  
[baby whimpering]

235

00:11:40,700 --> 00:11:43,327  
[melancholic music playing]

236  
00:11:57,800 --> 00:11:58,676  
[thud]

237  
00:12:01,470 --> 00:12:02,763  
We protect the lords.

238  
00:12:03,806 --> 00:12:06,600  
The lords protect the Crystal of Truth.

239  
00:12:08,394 --> 00:12:09,520  
All lies.

240  
00:12:12,523 --> 00:12:14,275  
-[panting]  
-[hat jingling]

241  
00:12:16,110 --> 00:12:18,112  
[breathing heavily]

242  
00:12:18,446 --> 00:12:19,864  
[Landstrider bellowing]

243  
00:12:22,700 --> 00:12:23,993  
The Podling squealed on me!

244  
00:12:24,827 --> 00:12:26,245  
Hi-yah!

245  
00:12:28,497 --> 00:12:29,623  
[panting]

246  
00:12:33,002 --> 00:12:34,295  
[bellowing]

247  
00:12:40,009 --> 00:12:41,343  
[grunting]

248  
00:12:46,974 --> 00:12:48,684

[Tavra] I know someone is there.

249

00:12:48,851 --> 00:12:50,603  
-[Landstrider bellowing]  
-[hat jingling]

250

00:12:51,061 --> 00:12:52,354  
Whoever you are,

251

00:12:52,897 --> 00:12:55,316  
in the name of All-Maudra,  
reveal yourself!

252

00:12:56,233 --> 00:12:57,109  
Tavra?

253

00:12:57,485 --> 00:13:00,112  
Uh...  
I can explain!

254

00:13:01,781 --> 00:13:03,824  
-Brea?  
-Yes, I ran away.

255

00:13:03,908 --> 00:13:05,743  
And yes, I know I'm in trouble...

256

00:13:06,035 --> 00:13:10,873  
again, but I could not spend  
an entire trine wearing silly hats

257

00:13:10,956 --> 00:13:13,876  
and getting kicked in the face  
by muddy Podlings!

258

00:13:14,251 --> 00:13:15,961  
-You ran away?  
-Yes.

259

00:13:16,462 --> 00:13:17,338  
Good.

260

00:13:19,715 --> 00:13:21,258  
Hey, easy now.

261  
00:13:21,634 --> 00:13:22,468  
Easy.

262  
00:13:23,344 --> 00:13:25,805  
-[hat jingling]  
-[Brea] Good riddance!

263  
00:13:27,765 --> 00:13:29,975  
So, then Mother didn't send you?

264  
00:13:31,727 --> 00:13:34,772  
Does this mean  
you're not here to take me back?

265  
00:13:35,189 --> 00:13:36,190  
Not at all.

266  
00:13:38,234 --> 00:13:39,109  
Brea...

267  
00:13:40,778 --> 00:13:43,322  
there's been a murder  
at the Castle of the Crystal.

268  
00:13:43,405 --> 00:13:44,824  
A murder?

269  
00:13:45,241 --> 00:13:48,369  
A Stonewood guard named Rian  
killed a Vapran and fled.

270  
00:13:49,203 --> 00:13:51,080  
Mother ordered me to find him.

271  
00:13:52,081 --> 00:13:54,834  
The clans have always been  
mistrustful of each other, but...

272  
00:13:56,168 --> 00:13:57,044

murder?

273

00:13:59,296 --> 00:14:00,965  
Another dark sign.

274

00:14:03,133 --> 00:14:04,218  
I saw something.

275

00:14:04,677 --> 00:14:06,136  
-A vision!  
-[chuckling] Oh?

276

00:14:06,512 --> 00:14:08,180  
You get visions now?

277

00:14:09,056 --> 00:14:09,974  
Yes.

278

00:14:11,433 --> 00:14:13,686  
All right then. What did you see?

279

00:14:14,103 --> 00:14:15,062  
A symbol.

280

00:14:15,521 --> 00:14:17,147  
It looked like this... Um...

281

00:14:25,114 --> 00:14:25,990  
This...

282

00:14:26,490 --> 00:14:27,992  
sort of, and then...

283

00:14:28,534 --> 00:14:30,578  
through here three times...

284

00:14:30,661 --> 00:14:31,954  
and down.

285

00:14:33,831 --> 00:14:34,874  
[Tavra] Hm...

286  
00:14:39,962 --> 00:14:41,005  
[sighing]

287  
00:14:41,547 --> 00:14:42,506  
What does it mean?

288  
00:14:44,508 --> 00:14:45,718  
[sighing] I don't know.

289  
00:14:47,094 --> 00:14:49,221  
But I made a deal with a Sifan soothsayer.

290  
00:14:49,972 --> 00:14:52,182  
-If I bring Onica the brightest--  
-Onica?

291  
00:14:52,349 --> 00:14:53,392  
[Brea] Uh-huh.

292  
00:14:53,934 --> 00:14:56,020  
If anyone catches you...

293  
00:14:56,437 --> 00:14:58,480  
Mother's too busy to notice anything.

294  
00:14:59,315 --> 00:15:00,983  
It's Seladon that's the problem.

295  
00:15:01,066 --> 00:15:03,402  
Ugh, Brea, I know Seladon can be--

296  
00:15:03,485 --> 00:15:05,571  
...colder than the Claw Mountains.

297  
00:15:09,241 --> 00:15:11,827  
-I don't like it when you do that.  
-Do what?

298  
00:15:11,911 --> 00:15:14,455  
Stay quiet when I know you have

something to say.

299

00:15:14,538 --> 00:15:15,706  
Out with it.

300

00:15:16,165 --> 00:15:19,835  
Well, I was thinking that you and Seladon  
are more alike than you realize.

301

00:15:20,002 --> 00:15:21,962  
That's a mean thing to say.

302

00:15:22,046 --> 00:15:25,466  
-Well, you're both very stubborn--  
-She's the most stubborn!

303

00:15:28,510 --> 00:15:29,887  
-[sighing]  
-Hm.

304

00:15:32,097 --> 00:15:33,766  
If she and I are so similar,

305

00:15:33,849 --> 00:15:37,019  
then why is it so much easier  
to talk to you?

306

00:15:37,311 --> 00:15:38,395  
That's simple.

307

00:15:39,313 --> 00:15:40,397  
I'm fun.

308

00:15:41,398 --> 00:15:42,608  
[chuckling]

309

00:15:43,651 --> 00:15:45,653  
-Come here, little one.  
-Aw.

310

00:15:48,280 --> 00:15:49,239  
Remember,

311  
00:15:50,074 --> 00:15:52,493  
the bonds of sisterhood can be tested...

312  
00:15:56,038 --> 00:15:57,498  
but never broken.

313  
00:15:59,416 --> 00:16:01,043  
[sighing]

314  
00:16:03,337 --> 00:16:05,130  
I love you, Tavra.

315  
00:16:05,714 --> 00:16:07,174  
I love you, Brea.

316  
00:16:13,222 --> 00:16:15,224  
[chirping]

317  
00:16:16,684 --> 00:16:18,560  
[cheerful music playing]

318  
00:16:22,231 --> 00:16:25,317  
-[Deet] These houses are all so cute!  
-[Hup groaning]

319  
00:16:25,609 --> 00:16:27,111  
[sighing]

320  
00:16:27,653 --> 00:16:30,698  
Hello! Beautiful day we're having.

321  
00:16:30,864 --> 00:16:33,534  
-[scoffing]  
-[door slamming]

322  
00:16:35,160 --> 00:16:36,996  
-[Deet] Good day! How are you?  
-[growling]

323  
00:16:37,079 --> 00:16:38,706

[barking]

324

00:16:39,039 --> 00:16:39,957  
I see.

325

00:16:40,457 --> 00:16:42,042  
Well, all right then.

326

00:16:42,418 --> 00:16:45,295  
Look at that ladder!  
I wonder where it goes.

327

00:16:46,005 --> 00:16:47,631  
Oh! Oh, hi!

328

00:16:48,090 --> 00:16:49,591  
[grumbling]

329

00:16:50,217 --> 00:16:51,301  
[growling]

330

00:16:52,302 --> 00:16:53,512  
-Hello!  
-Huh?

331

00:16:54,513 --> 00:16:57,808  
Deet, Hup not welcome Yotubi.

332

00:16:58,517 --> 00:17:00,185  
-Blech!  
-[gasping]

333

00:17:00,269 --> 00:17:02,980  
Stop it, Hup. They're just curious.

334

00:17:05,149 --> 00:17:06,859  
Whoa! Look at that!

335

00:17:06,942 --> 00:17:08,944  
[rumbling]

336

00:17:10,404 --> 00:17:13,699  
I wonder what it's for.  
And why is it full of swords?

337  
00:17:16,118 --> 00:17:17,119  
Let's ask them!

338  
00:17:17,494 --> 00:17:18,662  
Oh!

339  
00:17:19,163 --> 00:17:21,331  
Not safe here, Stone-in-the-Wood.

340  
00:17:21,415 --> 00:17:23,167  
Tintin go Ha'rar.

341  
00:17:24,126 --> 00:17:25,669  
Come on, Hup.

342  
00:17:25,878 --> 00:17:29,339  
Don't you want to enjoy a nice,  
refreshing Stonewood brew

343  
00:17:29,423 --> 00:17:31,592  
after a long day on the road?

344  
00:17:32,426 --> 00:17:35,054  
Hup... uchi uchi thirsty.

345  
00:17:37,097 --> 00:17:39,058  
[Stonewood man]  
And I said, "That's not my nebrie!"

346  
00:17:39,141 --> 00:17:41,101  
[laughing]

347  
00:17:41,226 --> 00:17:43,228  
[overlapping chatter]

348  
00:17:45,647 --> 00:17:48,650  
[Stonewood man]  
Oh, look at that filthy green Gelfling.

349  
00:17:49,109 --> 00:17:51,070  
Oh, she's disgusting!

350  
00:18:01,705 --> 00:18:03,165  
Oh...

351  
00:18:06,168 --> 00:18:07,294  
Ahh...

352  
00:18:08,670 --> 00:18:10,214  
Ah, there's a seat!

353  
00:18:11,507 --> 00:18:12,424  
Oh, oh!

354  
00:18:12,508 --> 00:18:14,426  
[whispering] No, don't let her in.

355  
00:18:14,760 --> 00:18:15,594  
-What?  
-Yeah.

356  
00:18:16,095 --> 00:18:17,888  
[Deet] Excuse me. Sorry.

357  
00:18:18,514 --> 00:18:19,640  
[sipping]

358  
00:18:19,765 --> 00:18:21,266  
-Tight squeeze.  
-Oh!

359  
00:18:24,061 --> 00:18:24,937  
Hup?

360  
00:18:25,312 --> 00:18:26,897  
-Oh!  
-[gulping]

361  
00:18:26,980 --> 00:18:28,732

-[Deet] Come sit with us!  
-Mm-mm!

362  
00:18:29,358 --> 00:18:30,400  
-[sniffing]  
-[Deet] Excuse me.

363  
00:18:30,484 --> 00:18:32,277  
What's that statue over there mean?

364  
00:18:32,361 --> 00:18:34,655  
-Huh? [speaking Podling language]  
-[barking, yelping]

365  
00:18:35,739 --> 00:18:37,407  
Do you hear something?

366  
00:18:37,574 --> 00:18:39,743  
No, but I smell something.

367  
00:18:40,160 --> 00:18:41,703  
-[Deet snorts]  
-It's her.

368  
00:18:41,787 --> 00:18:44,206  
-Smells like wet Fizzgig.  
-Yes.

369  
00:18:44,414 --> 00:18:46,416  
I'm not a Fizzgig. I'm Grottan.

370  
00:18:46,500 --> 00:18:48,794  
-Grottan! Didn't they die out?  
-[Stonewood woman] Ha!

371  
00:18:48,877 --> 00:18:51,380  
No! Who told you that?

372  
00:18:51,839 --> 00:18:55,008  
Go crawl back in the nest  
you came from, you dirty Grottan!

373

00:18:55,092 --> 00:18:57,761  
-[yelping]  
-[cackling]

374  
00:18:58,137 --> 00:18:58,971  
What?

375  
00:18:59,054 --> 00:19:01,056  
-[cackling continues]  
-Huh?

376  
00:19:01,181 --> 00:19:02,850  
[sounds intensify and echo]

377  
00:19:03,183 --> 00:19:06,061  
-[thud] -[growling]

378  
00:19:08,730 --> 00:19:10,482  
-[whooshing]  
-[yelling]

379  
00:19:12,276 --> 00:19:13,443  
Hup, watch out!

380  
00:19:13,735 --> 00:19:15,737  
[Stonewood man groaning]

381  
00:19:16,947 --> 00:19:18,073  
[commotion]

382  
00:19:18,991 --> 00:19:20,617  
Stop! Stop it!

383  
00:19:20,701 --> 00:19:21,994  
[grunting]

384  
00:19:24,163 --> 00:19:25,372  
Stop it! Get away!

385  
00:19:26,123 --> 00:19:27,916  
-[grunting] Ha!  
-[yelping]

386  
00:19:31,753 --> 00:19:32,963  
-[yelling]  
-[grunting]

387  
00:19:33,964 --> 00:19:35,716  
[screaming, grunting]

388  
00:19:37,217 --> 00:19:39,052  
[speaking Podling language] Ha!

389  
00:19:40,637 --> 00:19:42,264  
-[overlapping grunting]  
-[Deet] Ah, Hup!

390  
00:19:42,347 --> 00:19:44,141  
-Hey, stop that!  
-[guard] All right, enough!

391  
00:19:44,224 --> 00:19:46,560  
-[Deet] Stop that right now!  
-I said enough.

392  
00:19:46,643 --> 00:19:47,561  
[panting]

393  
00:19:47,644 --> 00:19:50,189  
-The Podling started it!  
-That's a lie!

394  
00:19:50,272 --> 00:19:52,941  
Hup protect aminya Deet.  
Rude Gelfling!

395  
00:19:53,025 --> 00:19:55,861  
A couple of days in the rascal hole  
ought to teach you a lesson.

396  
00:19:55,944 --> 00:19:57,905  
-That's right.  
-Wait, let me explain!

397

00:19:57,988 --> 00:19:59,489  
Explain it to Maudra Fara.

398  
00:20:00,240 --> 00:20:01,950  
Podling justista!

399  
00:20:03,744 --> 00:20:05,078  
[Stonewood woman] That showed them.

400  
00:20:07,080 --> 00:20:10,959  
Don't worry, Hup!  
I'll get you out. I promise.

401  
00:20:11,501 --> 00:20:12,628  
[sighing]

402  
00:20:15,297 --> 00:20:17,299  
[overlapping creature noises]

403  
00:20:18,759 --> 00:20:20,761  
[Chamberlain humming]

404  
00:20:27,726 --> 00:20:29,019  
[creature growling]

405  
00:20:29,853 --> 00:20:31,104  
[squawking]

406  
00:20:37,778 --> 00:20:39,571  
Hmm...

407  
00:20:44,910 --> 00:20:48,538  
You're wasting your time.  
I won't tell you anything.

408  
00:20:48,830 --> 00:20:51,541  
Not talk. Just listen.

409  
00:20:52,251 --> 00:20:54,211  
This peeper beetle,

410

00:20:54,294 --> 00:20:56,797  
found only in Crystal Desert.

411  
00:20:57,089 --> 00:20:59,049  
Is something, yes?

412  
00:20:59,883 --> 00:21:01,176  
I've seen uglier.

413  
00:21:01,260 --> 00:21:05,222  
We keep starved.  
Hungry beetle likes the soft meats.

414  
00:21:05,305 --> 00:21:09,059  
Favorite is round, wet eyes.

415  
00:21:09,476 --> 00:21:13,146  
Peeper beetle goes chomp, chomp, chomp!

416  
00:21:13,605 --> 00:21:16,566  
-Perfect for torturing Gelfling, huh?  
-No!

417  
00:21:16,858 --> 00:21:21,280  
Never use on Gelfling,  
only on Skeksis who misbehave.

418  
00:21:21,530 --> 00:21:23,365  
Did you hear screams last night?

419  
00:21:23,448 --> 00:21:27,035  
Friend Scientist was naughty,  
so saw peeper beetle.

420  
00:21:27,119 --> 00:21:28,120  
Think, Gelfling.

421  
00:21:28,578 --> 00:21:30,289  
If Skeksis do that to Skeksis,

422  
00:21:30,372 --> 00:21:33,542  
imagine what Skeksis do

to Gelfling that will not talk.

423

00:21:33,625 --> 00:21:34,918  
Hm?

424

00:21:35,168 --> 00:21:39,548  
I am friend to Gelfling,  
so tell where Rian is,

425

00:21:39,631 --> 00:21:43,468  
or other Skeksis will make Gurjin scream  
like Scientist.

426

00:21:43,885 --> 00:21:47,180  
Tell Chamberlain where Rian is, please!

427

00:21:49,016 --> 00:21:50,642  
-Never.  
-[gasping]

428

00:21:50,726 --> 00:21:53,520  
Think on what friend says!

429

00:21:54,688 --> 00:21:56,523  
[peeper beetle screeching]

430

00:22:06,199 --> 00:22:07,993  
Elder Cadia, welcome.

431

00:22:08,618 --> 00:22:10,871  
-Hello.  
-Yes, hello.

432

00:22:11,163 --> 00:22:12,372  
Hello!

433

00:22:12,956 --> 00:22:14,875  
It's even worse than I imagined.

434

00:22:14,958 --> 00:22:17,044  
[Cadia] What a nice,  
shiny palace you've got.

435  
00:22:17,127 --> 00:22:18,420  
Oh, Brea.

436  
00:22:19,588 --> 00:22:21,006  
-[Cadia] Hello.  
-[sighing]

437  
00:22:21,089 --> 00:22:22,841  
Guess I'm not getting in that way.

438  
00:22:24,301 --> 00:22:25,469  
[gasping]

439  
00:22:26,762 --> 00:22:27,804  
[Seladon] This way!

440  
00:22:27,888 --> 00:22:29,931  
-[Cadia] Where are you taking me?  
-[gasping]

441  
00:22:30,432 --> 00:22:32,059  
[creature munching]

442  
00:22:32,351 --> 00:22:35,062  
[Librarian] Oh, not again.  
What are you eating now?

443  
00:22:35,145 --> 00:22:36,605  
-[door opens]  
-[Librarian] Hm.

444  
00:22:36,772 --> 00:22:38,357  
Is someone there? Huh?

445  
00:22:39,107 --> 00:22:42,027  
Brea? Princess, what's the rush?

446  
00:22:43,070 --> 00:22:44,237  
[panting]

447

00:22:44,571 --> 00:22:47,657  
Princess, shouldn't you be  
with the Order of Lesser Service?

448  
00:22:47,741 --> 00:22:50,285  
-I ran away.  
-You what? But why?

449  
00:22:50,452 --> 00:22:51,328  
Princess?

450  
00:22:51,411 --> 00:22:55,248  
Because I have to fetch the brightest  
jewel from my mother's chamber!

451  
00:22:55,332 --> 00:22:56,917  
-[Librarian] Come back!  
-[Brea] No time to talk.

452  
00:22:57,250 --> 00:22:59,961  
[Librarian] Princess,  
where are you going?

453  
00:23:00,045 --> 00:23:00,921  
[squeaking]

454  
00:23:01,004 --> 00:23:03,298  
I-- I don't understand.

455  
00:23:03,715 --> 00:23:04,633  
Wait!

456  
00:23:04,925 --> 00:23:06,468  
-Princess!  
-[squeaking]

457  
00:23:06,551 --> 00:23:08,512  
[yelling]

458  
00:23:11,181 --> 00:23:12,516  
[townsperson yelling]

459

00:23:12,933 --> 00:23:14,643  
[Vapran man 1]  
Where'd she come from?

460  
00:23:14,726 --> 00:23:16,228  
[Brea laughing]

461  
00:23:17,979 --> 00:23:19,898  
[Vapran man 2]  
Slow down! Slow down!

462  
00:23:24,069 --> 00:23:25,695  
[Vapran woman] What's her rush?

463  
00:23:25,904 --> 00:23:27,697  
Where's she flying off to?

464  
00:23:29,449 --> 00:23:30,700  
-Excuse me.  
-[yelping]

465  
00:23:31,201 --> 00:23:32,035  
Be careful!

466  
00:23:40,001 --> 00:23:41,211  
[All-Maudra] Oh, Brea.

467  
00:23:42,337 --> 00:23:45,257  
The tithing was especially stressful  
this year,

468  
00:23:45,632 --> 00:23:47,175  
and I took it out on her.

469  
00:23:47,717 --> 00:23:50,637  
Cadia and his attendants  
are waiting in the throne room.

470  
00:23:50,720 --> 00:23:53,974  
I sent Tavra on a dangerous mission.

471  
00:23:54,433 --> 00:23:58,103

There's also a line of Gelfling  
waiting to speak to you about the blight.

472

00:23:58,228 --> 00:24:01,690  
Creatures going mad.  
The murder of one of our clan.

473

00:24:01,815 --> 00:24:03,150  
My daughters...

474

00:24:03,900 --> 00:24:04,734  
gone.

475

00:24:05,527 --> 00:24:06,736  
I'm here.

476

00:24:07,237 --> 00:24:08,530  
I'm always here.

477

00:24:08,780 --> 00:24:10,907  
[sighing]  
You know what I mean, dear.

478

00:24:12,826 --> 00:24:13,785  
Yes, Mother.

479

00:24:15,537 --> 00:24:18,415  
I'll grant them all an audience tomorrow.

480

00:24:20,125 --> 00:24:21,084  
Mother...

481

00:24:22,085 --> 00:24:23,753  
you have always told me

482

00:24:23,837 --> 00:24:27,215  
you are the All-Maudra first,  
a mother second,

483

00:24:27,591 --> 00:24:32,053  
just as I am a princess first,  
a daughter second.

484

00:24:32,637 --> 00:24:36,141  
If we allow matters of the heart  
to distract us from our duties,

485

00:24:36,224 --> 00:24:40,145  
then we have failed Thra.  
We have failed the Skeksis.

486

00:24:40,562 --> 00:24:43,398  
You and I are better than that.

487

00:24:43,607 --> 00:24:45,609  
[sighing, inhaling]

488

00:24:47,194 --> 00:24:48,403  
You're right.

489

00:24:51,531 --> 00:24:55,035  
You will be a great All-Maudra someday,  
Seladon.

490

00:24:56,745 --> 00:24:58,205  
Duty calls.

491

00:25:02,209 --> 00:25:03,835  
-Seladon?  
-Yes, Mother?

492

00:25:03,919 --> 00:25:07,714  
Straighten your wings.  
You look like a lopsided unamoth.

493

00:25:09,758 --> 00:25:10,592  
Yes, Mother.

494

00:25:11,885 --> 00:25:13,094  
[sighing]

495

00:25:20,143 --> 00:25:21,853  
[grunting]

496  
00:25:22,604 --> 00:25:23,688  
[exhaling]

497  
00:25:24,856 --> 00:25:26,691  
[gasping] My journal.

498  
00:25:32,656 --> 00:25:35,617  
Now, let's see. The brightest jewel.

499  
00:25:36,201 --> 00:25:38,620  
Which one is the brightest jewel?

500  
00:25:40,330 --> 00:25:41,540  
[gasping]

501  
00:25:42,207 --> 00:25:44,209  
[jingling]

502  
00:25:49,214 --> 00:25:50,882  
The brightest jewel.

503  
00:25:56,555 --> 00:25:59,474  
[Scientist] Treacherous,  
perfidious Skeksis!

504  
00:25:59,558 --> 00:26:00,392  
[chains rattling]

505  
00:26:00,475 --> 00:26:04,563  
-[zapping]  
-Oh, soon... soon they will all see!

506  
00:26:04,646 --> 00:26:05,772  
[snarling]

507  
00:26:05,855 --> 00:26:09,317  
How is friend skekTek? Good? Mm?

508  
00:26:10,360 --> 00:26:14,197  
Emperor is very displeased  
that machine is not yet fixed.

509

00:26:14,281 --> 00:26:15,490  
[grumbling]

510

00:26:15,657 --> 00:26:17,701  
I urge patience.

511

00:26:17,784 --> 00:26:21,705  
Explain your loss of eye slows you.

512

00:26:21,997 --> 00:26:23,206  
-[growling]  
-[gasping]

513

00:26:23,290 --> 00:26:25,792  
My eye is better than ever!

514

00:26:26,293 --> 00:26:29,796  
I require no further assistance  
from you, skekSil.

515

00:26:29,879 --> 00:26:33,925  
But if it wasn't for me,  
Emperor would have taken more than eye.

516

00:26:34,009 --> 00:26:36,761  
I want your machine to succeed, skekTek.

517

00:26:36,845 --> 00:26:40,348  
I want what is best for all Skeksis.

518

00:26:40,724 --> 00:26:43,435  
You must see that, yes?

519

00:26:43,518 --> 00:26:48,189  
[grumbling] I do not have time for  
your gormless distractions, you slippery--

520

00:26:48,273 --> 00:26:50,066  
Huh?  
Uh...

521

00:26:50,317 --> 00:26:51,943  
What are those?

522

00:26:52,027 --> 00:26:53,737  
Gruenaks.

523

00:26:54,446 --> 00:26:58,742  
-These are gifts.  
-But I thought we had eradicated them.

524

00:26:58,825 --> 00:27:02,245  
These are survivors  
found by Sifan mariners.

525

00:27:02,329 --> 00:27:04,372  
-[whimpers]  
-[skekSil] They are mechanically minded

526

00:27:04,456 --> 00:27:06,499  
and surprisingly strong.

527

00:27:06,958 --> 00:27:09,252  
You've sewn their mouths shut?

528

00:27:09,336 --> 00:27:12,672  
-[continue whimpering]  
-Mmm...

529

00:27:13,340 --> 00:27:16,217  
Perfect for keeping secrets, yes?

530

00:27:17,344 --> 00:27:21,014  
So, we are friends? All is forgiven?

531

00:27:21,348 --> 00:27:24,267  
-It's a start.  
-Mm...

532

00:27:24,934 --> 00:27:26,603  
[muffled whimpering]

533

00:27:26,686 --> 00:27:28,688  
[overlapping chatter]

534

00:27:30,357 --> 00:27:33,610  
Step forward!  
What's your business with the Maudra?

535

00:27:33,860 --> 00:27:38,156  
-My name's Deet, I'm a Grottan--  
-A Grottan? Aren't they all...

536

00:27:38,239 --> 00:27:41,826  
[sighing] No, we're very much alive,  
and we don't sleep upside down.

537

00:27:41,910 --> 00:27:45,163  
-And we smell just fine, most of the time.  
-You what?

538

00:27:45,664 --> 00:27:47,874  
I'm here to see Maudra Fara  
on behalf of my friend Hup,

539

00:27:47,957 --> 00:27:49,668  
who was unjustly thrown  
into the rascal hole

540

00:27:49,751 --> 00:27:52,379  
while defending my honor  
against two very rude Gelfling.

541

00:27:52,462 --> 00:27:55,924  
-He knocked me out of my chair...  
-I need to speak to Maudra Fara.

542

00:27:56,549 --> 00:27:58,176  
-Rian?  
-She'll want to see me.

543

00:27:58,259 --> 00:27:59,511  
[Deet chattering]

544

00:27:59,594 --> 00:28:00,470

[Rian] Now.

545

00:28:00,970 --> 00:28:03,515  
Fara needs to hear the truth  
and release Hup immediately.

546

00:28:03,598 --> 00:28:07,060  
No dirty Grottan's getting to see  
the Maudra on my watch.

547

00:28:07,143 --> 00:28:09,020  
-But... [sighing]  
-[guard 2] Follow me, Rian.

548

00:28:10,730 --> 00:28:14,150  
He's much dirtier than me, just look.  
Why does he get to go in?

549

00:28:14,901 --> 00:28:17,028  
Because Rian is one of us!

550

00:28:17,445 --> 00:28:19,114  
-Unlike you.  
-[gasping]

551

00:28:19,948 --> 00:28:22,367  
-[guard 1] Step forward!  
-[sighing]

552

00:28:24,452 --> 00:28:25,662  
Step forward!

553

00:28:28,581 --> 00:28:31,292  
-What's your business with the Maudra?  
-[petitioner] It's about Vivig.

554

00:28:31,376 --> 00:28:34,796  
That's my Fizzgig.  
Something's wrong with her. Her eyes...

555

00:28:36,381 --> 00:28:37,924  
[sighing]

556

00:28:39,592 --> 00:28:41,010  
[gate opening]

557

00:28:42,470 --> 00:28:44,514  
-Huh? Huh?  
-Huh?

558

00:28:45,598 --> 00:28:47,142  
[guard] Maudra Fara.

559

00:28:53,815 --> 00:28:57,235  
Rian, guard to the Castle of the Crystal.

560

00:28:57,360 --> 00:28:58,987  
[creature growling]

561

00:28:59,320 --> 00:29:01,322  
[groaning]

562

00:29:04,117 --> 00:29:06,828  
[growling]

563

00:29:06,953 --> 00:29:08,037  
Quiet, Baffi.

564

00:29:10,457 --> 00:29:12,083  
-Maudra.  
-[Maudra Fara] Rian.

565

00:29:12,459 --> 00:29:17,046  
Your return to Stone-in-the-Wood  
puts our clan in a dangerous position.

566

00:29:17,547 --> 00:29:20,508  
The Skeksis have declared you  
a traitor to Thra.

567

00:29:20,592 --> 00:29:22,343  
The Skeksis are the real traitors.

568

00:29:23,178 --> 00:29:24,679

They lied to us about everything.

569

00:29:24,763 --> 00:29:29,100

I will not tolerate heresy  
from a murderer!

570

00:29:29,184 --> 00:29:30,810

I didn't murder Mira.

571

00:29:31,311 --> 00:29:32,604

The Skeksis did.

572

00:29:34,063 --> 00:29:36,900

This-- this is all that remains of Mira.

573

00:29:39,194 --> 00:29:41,988

She was kind and brave.

574

00:29:43,281 --> 00:29:44,491

And her laugh...

575

00:29:45,700 --> 00:29:46,868

She was full of life.

576

00:29:48,661 --> 00:29:50,663

But the Skeksis took that life.

577

00:29:51,873 --> 00:29:54,918

I watched them drain  
and consume her very essence!

578

00:29:57,796 --> 00:29:58,880

You are my Maudra...

579

00:29:59,964 --> 00:30:01,883

and I've never seen you lose a fight.

580

00:30:02,675 --> 00:30:03,885

Dreamfast with me.

581

00:30:03,968 --> 00:30:04,928

[growling]

582

00:30:05,428 --> 00:30:06,805  
Learn the truth,

583

00:30:07,472 --> 00:30:09,766  
and together we can stop the Skeksis.

584

00:30:09,891 --> 00:30:10,892  
You're right.

585

00:30:13,853 --> 00:30:17,232  
-Your son is not well.  
-[footsteps approaching]

586

00:30:21,110 --> 00:30:21,986  
Father?

587

00:30:22,904 --> 00:30:24,823  
His condition is worse than I feared.

588

00:30:24,906 --> 00:30:27,575  
I must return him  
to the Castle of the Crystal at once.

589

00:30:27,659 --> 00:30:30,328  
-No! Dreamfast with me and you'll see.  
-[Maudra Fara] No.

590

00:30:31,120 --> 00:30:34,332  
The Skeksis have warned us  
madness spreads this way.

591

00:30:35,250 --> 00:30:36,084  
Rian...

592

00:30:37,335 --> 00:30:39,838  
-you're very ill.  
-I know what I saw.

593

00:30:39,921 --> 00:30:43,049  
-They have Gurjin. He confessed.

-Gurjin?

594

00:30:44,008 --> 00:30:46,970

-He's alive?

-He said you killed Mira.

595

00:30:47,595 --> 00:30:50,723

Did you see Gurjin for yourself,  
or is this what the Skeksis told you?

596

00:30:51,099 --> 00:30:53,810

The Skeksis have promised mercy.  
Come back with me.

597

00:30:53,977 --> 00:30:56,896

Let them help, then everything  
will go back to the way it was.

598

00:30:57,480 --> 00:30:58,439

Never!

599

00:30:58,857 --> 00:31:00,733

Listen to me, all of you.

600

00:31:01,276 --> 00:31:02,610

[panting]

601

00:31:02,735 --> 00:31:04,863

-The Skeksis are murderers!

-Enough, Rian!

602

00:31:04,946 --> 00:31:08,116

As your captain, I'm ordering you  
to return with me to the castle.

603

00:31:08,199 --> 00:31:10,869

You are my father.

Why don't you ever believe me?

604

00:31:11,244 --> 00:31:12,161

[Maudra Fara] Enough!

Escort Captain Ordon and his son

605  
00:31:14,372 --> 00:31:16,374  
back to the Castle of the Crystal.

606  
00:31:16,916 --> 00:31:18,543  
[Baffi growling]

607  
00:31:20,503 --> 00:31:21,838  
-No!  
-Rian!

608  
00:31:22,171 --> 00:31:23,506  
-Get back.  
-Don't! Calm down!

609  
00:31:23,590 --> 00:31:25,466  
Get back.

610  
00:31:25,550 --> 00:31:26,384  
[Ordon] Stop!

611  
00:31:26,718 --> 00:31:27,552  
Rian!

612  
00:31:28,887 --> 00:31:29,804  
[barking]

613  
00:31:30,763 --> 00:31:32,265  
-Rian, please!  
-Back.

614  
00:31:32,348 --> 00:31:33,725  
Nobody else needs to get hurt.

615  
00:31:38,438 --> 00:31:39,981  
You're not going anywhere.

616  
00:31:44,694 --> 00:31:46,321  
-[grunting]  
-[metal clanking]

617  
00:31:47,906 --> 00:31:49,741

-[yelling]  
-[Rian] Watch out!

618  
00:31:51,826 --> 00:31:52,911  
-[glass shattering]  
-[all] Huh?

619  
00:31:53,202 --> 00:31:55,204  
-[Rian panting]  
-[gasping]

620  
00:31:57,373 --> 00:31:59,375  
[Gelflings yelling]

621  
00:32:00,168 --> 00:32:01,294  
[Ordon] Careful!

622  
00:32:01,377 --> 00:32:02,962  
-[creatures fluttering]  
-[yelping]

623  
00:32:03,838 --> 00:32:05,048  
He's getting away!

624  
00:32:05,757 --> 00:32:07,008  
[straining]

625  
00:32:07,175 --> 00:32:08,885  
-[guard] Move!  
-[Ordon] Rian!

626  
00:32:10,261 --> 00:32:12,263  
[commotion]

627  
00:32:14,349 --> 00:32:15,642  
[glass shattering]

628  
00:32:15,725 --> 00:32:17,602  
[overlapping yelling]

629  
00:32:20,396 --> 00:32:21,898  
[female voice] What do we do?

630  
00:32:25,610 --> 00:32:27,445  
[Baffi growling]

631  
00:32:29,030 --> 00:32:31,324  
-[overlapping grunting]  
-[Ordon] No! No, Rian!

632  
00:32:33,034 --> 00:32:34,285  
[yelling]

633  
00:32:41,334 --> 00:32:42,919  
[male voice] Where did he go?

634  
00:32:47,256 --> 00:32:48,383  
After him!

635  
00:32:48,675 --> 00:32:50,218  
[overlapping shouting]

636  
00:32:54,722 --> 00:32:55,765  
Hm.

637  
00:32:56,265 --> 00:32:58,267  
-[overlapping yelling continues]  
-[panting]

638  
00:33:00,144 --> 00:33:01,145  
[grunting]

639  
00:33:01,896 --> 00:33:03,106  
[sighing]

640  
00:33:05,817 --> 00:33:07,902  
[panting]

641  
00:33:12,323 --> 00:33:13,616  
[grunting] Bah!

642  
00:33:14,742 --> 00:33:16,744  
[creature chittering]

643  
00:33:18,037 --> 00:33:19,580  
[slapping]

644  
00:33:20,581 --> 00:33:23,626  
Ah... Such sweet pain.

645  
00:33:24,043 --> 00:33:25,628  
Harder right there.

646  
00:33:25,753 --> 00:33:27,046  
[moaning]

647  
00:33:29,924 --> 00:33:32,844  
-More flowers!  
-Ah! Ah!

648  
00:33:33,428 --> 00:33:34,762  
[sighing]

649  
00:33:36,597 --> 00:33:37,765  
[moaning]

650  
00:33:38,224 --> 00:33:39,267  
Lovely.

651  
00:33:39,350 --> 00:33:42,645  
Oh, that's so marvelous upon the joints.

652  
00:33:42,729 --> 00:33:45,231  
Oh, totally.  
Glob...

653  
00:33:45,523 --> 00:33:46,983  
Mm...

654  
00:33:48,443 --> 00:33:51,320  
Ah... beautiful.

655  
00:33:52,030 --> 00:33:53,281  
[Aughra] Skeksis?

656

00:33:53,364 --> 00:33:54,323

What?

657

00:33:54,532 --> 00:33:56,951

[Aughra] Where are you hiding yourselves?

658

00:33:57,035 --> 00:33:58,077

Huh?

659

00:33:58,703 --> 00:34:00,705

I recognize that voice.

660

00:34:01,456 --> 00:34:03,291

-It sounds like--

-[Aughra] Skeksis!

661

00:34:03,374 --> 00:34:05,960

[Scroll-Keeper yelping]

It's her! It's her!

662

00:34:06,044 --> 00:34:08,087

[Ritual Master] Oh, no. It cannot be.

663

00:34:08,379 --> 00:34:11,632

-After so long?

-Yeah, she's as ugly as ever.

664

00:34:14,135 --> 00:34:15,678

It is her.

665

00:34:16,095 --> 00:34:18,848

It's... Aughra.

666

00:34:19,766 --> 00:34:21,559

I'm not decent.

667

00:34:21,768 --> 00:34:22,727

Pah!

668

00:34:22,810 --> 00:34:24,812

[Emperor] It has been many a trine.

669

00:34:25,521 --> 00:34:27,023  
Hundreds of them.

670

00:34:27,648 --> 00:34:30,860  
I see you've been enjoying yourselves  
in my absence.

671

00:34:33,029 --> 00:34:35,656  
-Get out, Podlings. Out! Go!  
-[Podlings yelping]

672

00:34:35,740 --> 00:34:36,699  
[grumbling]

673

00:34:36,783 --> 00:34:38,659  
Go! Out, Podling!

674

00:34:38,785 --> 00:34:39,952  
[whimpering]

675

00:34:40,203 --> 00:34:42,205  
-Hmm...  
-[eye popping]

676

00:34:42,997 --> 00:34:44,582  
[grunting]

677

00:34:44,665 --> 00:34:47,126  
[Scroll-Keeper]  
No, get that out of there! Get it out!

678

00:34:48,628 --> 00:34:49,670  
Pah!

679

00:34:50,004 --> 00:34:51,589  
So little has changed.

680

00:34:51,672 --> 00:34:54,383  
Oh, what are you doing? No! Stop it!

681  
00:34:54,467 --> 00:34:56,344  
-Stop it!  
-Keep still.

682  
00:34:57,970 --> 00:34:59,055  
There we are.

683  
00:35:00,807 --> 00:35:03,518  
You appear unwell, Mother Aughra.

684  
00:35:03,893 --> 00:35:04,852  
[sighing]

685  
00:35:05,061 --> 00:35:06,854  
Noticed, did you?

686  
00:35:06,979 --> 00:35:10,191  
I'm unwell because Thra is unwell.

687  
00:35:10,274 --> 00:35:13,277  
I've come to see the Crystal,  
see what ails it.

688  
00:35:13,361 --> 00:35:14,695  
You are mistaken.

689  
00:35:14,779 --> 00:35:16,906  
The Crystal thrives,

690  
00:35:17,281 --> 00:35:18,658  
as does Thra.

691  
00:35:18,741 --> 00:35:22,078  
Aughra mistaken?  
You speak but know nothing.

692  
00:35:22,161 --> 00:35:24,622  
Or is it you know and speak nothing?

693  
00:35:24,914 --> 00:35:28,626  
If the Crystal thrives,

why does my heart ache?

694

00:35:28,960 --> 00:35:31,295  
Why does Thra call out in pain?

695

00:35:31,671 --> 00:35:35,550  
Perhaps your interminable age  
has finally caught up with you.

696

00:35:35,633 --> 00:35:38,219  
You're ones to talk! Look at you.

697

00:35:38,511 --> 00:35:41,055  
These are not the Skeksis  
Aughra remembers.

698

00:35:41,139 --> 00:35:43,850  
-Fat, shriveled, all at once!  
-Ow! Ow! Cease! Cease!

699

00:35:44,392 --> 00:35:45,977  
No, no, no, no, no!  
Stop it!

700

00:35:46,185 --> 00:35:47,019  
Stop it at once!

701

00:35:47,103 --> 00:35:48,604  
-Bah!  
-[Scroll-Keeper whimpering]

702

00:35:48,813 --> 00:35:50,189  
Show me the Crystal.

703

00:35:50,439 --> 00:35:53,568  
The Crystal of Truth never lies.  
Not to me.

704

00:35:53,943 --> 00:35:56,154  
Not to Thra. It cannot.

705

00:35:56,237 --> 00:35:58,406

You have no right  
to make demands upon us.

706

00:35:58,948 --> 00:36:01,075  
-You abandoned the Crystal.  
-[gasping]

707

00:36:01,242 --> 00:36:03,828  
We've protected it  
this last thousand trine.

708

00:36:03,911 --> 00:36:08,082  
We gave the poor creatures of Thra  
order, innovation, and purpose.

709

00:36:08,166 --> 00:36:11,085  
What have you done in all that time,  
Mother Aughra?

710

00:36:11,169 --> 00:36:13,379  
I journeyed among the stars and planets...

711

00:36:13,462 --> 00:36:14,922  
-[Emperor] Ha!  
-...that I may someday bring

712

00:36:15,006 --> 00:36:18,718  
-their knowledge to Thra!  
-So go back to your travels,

713

00:36:18,843 --> 00:36:22,763  
then we can go back to caring  
for the many you left behind.

714

00:36:22,847 --> 00:36:25,933  
I am Mother Aughra! I am Thra!

715

00:36:26,017 --> 00:36:27,310  
-No!  
-[creature squeaking]

716

00:36:27,393 --> 00:36:30,521  
Perhaps once, but no longer.

717

00:36:30,938 --> 00:36:33,149  
Now we are Thra.

718

00:36:33,232 --> 00:36:36,068  
I was a fool to entrust you  
with the Crystal of Truth.

719

00:36:36,152 --> 00:36:39,739  
You were well compensated.  
You've got your precious orrery.

720

00:36:39,822 --> 00:36:42,450  
-No!  
-Return to it. Guards!

721

00:36:42,700 --> 00:36:44,202  
[growling]

722

00:36:45,077 --> 00:36:48,789  
Throw this useless old crone  
out of our castle forever!

723

00:36:48,873 --> 00:36:50,625  
[Skeksis cackling]

724

00:36:51,125 --> 00:36:52,793  
[grunting]

725

00:36:53,502 --> 00:36:54,545  
Out of my way!

726

00:36:54,629 --> 00:36:55,630  
Ha!

727

00:37:00,176 --> 00:37:04,764  
Do you really think that's Mother Aughra?  
She's a lot shorter than I expected.

728

00:37:04,847 --> 00:37:07,391  
My grandfather told me  
she cursed his village with ear mites

729

00:37:07,475 --> 00:37:09,393  
because they forgot her birthday!

730

00:37:09,477 --> 00:37:13,147  
I heard she sneezed  
and a whole mountain crumbled.

731

00:37:13,522 --> 00:37:15,983  
-It's all true.  
-Hm?

732

00:37:16,567 --> 00:37:20,071  
All and worse.  
So you'll stay where you are,

733

00:37:20,571 --> 00:37:24,533  
or you'll suffer the wrath  
of all eight and a half fingers.

734

00:37:25,785 --> 00:37:27,119  
-[growling]  
-[yelping]

735

00:37:28,913 --> 00:37:30,206  
-[growling]  
-[both yelping]

736

00:37:31,415 --> 00:37:32,667  
Ninny wheelers.

737

00:37:33,417 --> 00:37:34,460  
Ingrates.

738

00:37:34,752 --> 00:37:35,711  
Huh?

739

00:37:36,671 --> 00:37:38,005  
[breathing heavily]

740

00:37:38,214 --> 00:37:41,008  
Skeksis think

they can take Crystal from me?

741

00:37:41,217 --> 00:37:42,051  
Hmph!

742

00:37:42,343 --> 00:37:43,844  
I am Crystal.

743

00:37:44,679 --> 00:37:46,222  
The Crystal is Aughra.

744

00:37:47,932 --> 00:37:48,975  
[growling]

745

00:37:49,475 --> 00:37:51,018  
[panting]

746

00:37:58,943 --> 00:38:00,194  
[gasping]

747

00:38:03,698 --> 00:38:04,865  
Oh, no.

748

00:38:05,616 --> 00:38:08,703  
No, no, no, no, no, no!

749

00:38:09,245 --> 00:38:11,080  
This cannot be!

750

00:38:11,956 --> 00:38:13,165  
Look at you!

751

00:38:13,958 --> 00:38:16,627  
My beautiful Crystal of Truth.

752

00:38:17,211 --> 00:38:18,587  
My heart!

753

00:38:18,754 --> 00:38:20,423  
[whimpering]

754

00:38:20,631 --> 00:38:24,510  
The Skeksis made you sick.  
Aughra must heal you.

755

00:38:25,594 --> 00:38:28,055  
-But how?  
-[Crystal pulsating]

756

00:38:29,307 --> 00:38:30,391  
[gasping]

757

00:38:31,267 --> 00:38:32,476  
What is this?

758

00:38:33,019 --> 00:38:35,771  
It's me, but not me now.

759

00:38:36,522 --> 00:38:40,151  
I am you when we last saw the Crystal,

760

00:38:40,276 --> 00:38:43,779  
before our eyes turned to the stars.

761

00:38:44,655 --> 00:38:47,575  
What have the Skeksis done to the Crystal?

762

00:38:48,659 --> 00:38:49,535  
To us?

763

00:38:49,994 --> 00:38:53,205  
The moment Skeksis possessed the Crystal,  
they abused it.

764

00:38:53,873 --> 00:38:57,168  
-Their corruption created the Darkening.  
-[groaning]

765

00:38:57,251 --> 00:39:00,254  
Now, the Crystal has nothing left to give,

766

00:39:00,338 --> 00:39:03,382

so the Skeksis abuse grows.

767

00:39:04,425 --> 00:39:08,054  
And the Skeksis can take  
that which is not given.

768

00:39:08,554 --> 00:39:09,513  
Look.

769

00:39:11,515 --> 00:39:15,019  
-No!  
-Give the Crystal everything!

770

00:39:15,102 --> 00:39:17,897  
Give it your very essence!

771

00:39:18,272 --> 00:39:19,982  
[screaming]

772

00:39:20,649 --> 00:39:22,943  
[Scientist]  
Here is the answer we seek!

773

00:39:23,027 --> 00:39:25,738  
Here is life everlasting!

774

00:39:25,821 --> 00:39:28,074  
No, no! Stop! Stop!  
[sobbing]

775

00:39:28,157 --> 00:39:30,951  
Gelfling return to Thra when they die.

776

00:39:31,786 --> 00:39:33,871  
That is the natural order.

777

00:39:34,538 --> 00:39:37,625  
But when Skeksis consume essence,

778

00:39:37,958 --> 00:39:41,087  
the Gelfling cannot return home.

779

00:39:41,545 --> 00:39:43,547  
Thra is out of balance,

780

00:39:43,839 --> 00:39:46,384  
thus the Darkening spreads faster.

781

00:39:46,467 --> 00:39:47,968  
What do we do?

782

00:39:48,469 --> 00:39:51,222  
How do I make this right? Tell me!

783

00:39:51,305 --> 00:39:54,642  
I see many endings lain before us,

784

00:39:54,975 --> 00:39:58,270  
diverging paths through an endless forest.

785

00:39:58,521 --> 00:40:00,439  
Some good, most bad.

786

00:40:00,773 --> 00:40:01,732  
[gasping]

787

00:40:01,816 --> 00:40:04,276  
You must guide destiny.

788

00:40:04,777 --> 00:40:05,736  
Shape it.

789

00:40:06,612 --> 00:40:08,781  
Why can I not see these paths?

790

00:40:08,864 --> 00:40:11,534  
You have lost the song of Thra.

791

00:40:11,826 --> 00:40:13,119  
Find the song.

792

00:40:13,202 --> 00:40:16,330

Change the future before it's too late.

793

00:40:16,539 --> 00:40:17,832  
[Crystal pulsating]

794

00:40:20,459 --> 00:40:21,669  
Hm! [grunting]

795

00:40:32,638 --> 00:40:35,433  
Don't worry, Hup.  
I'll get you out of that rascal hole.

796

00:40:38,561 --> 00:40:40,271  
[creature growling]

797

00:40:41,939 --> 00:40:43,232  
Maybe not this way.

798

00:40:46,485 --> 00:40:48,195  
[overlapping creature sounds]

799

00:40:56,495 --> 00:40:59,748  
-[growling, howling]  
-[gasping]

800

00:41:00,541 --> 00:41:03,961  
I don't know what you are,  
but you better not come any closer.

801

00:41:05,379 --> 00:41:06,464  
[panting]

802

00:41:07,214 --> 00:41:08,048  
[gasping]

803

00:41:11,927 --> 00:41:13,137  
Ooh!

804

00:41:13,679 --> 00:41:14,597  
Hello.

805

00:41:17,141 --> 00:41:18,267  
You're not so scary.

806  
00:41:19,185 --> 00:41:20,936  
I like your pretty neck.

807  
00:41:21,353 --> 00:41:23,022  
-[squeaking]  
-Are you hungry?

808  
00:41:23,898 --> 00:41:25,691  
-Here.  
-[cooing]

809  
00:41:28,944 --> 00:41:30,696  
It's good. Trust me.

810  
00:41:34,658 --> 00:41:35,951  
-[cooing]  
-[giggling]

811  
00:41:36,577 --> 00:41:37,661  
Told you.

812  
00:41:48,214 --> 00:41:49,965  
[squeaking]

813  
00:41:50,382 --> 00:41:51,800  
[all cooing]

814  
00:41:52,259 --> 00:41:53,636  
Hm?

815  
00:42:05,564 --> 00:42:06,815  
Ah...

816  
00:42:08,400 --> 00:42:10,110  
You're all one.

817  
00:42:12,029 --> 00:42:13,739  
-[male voice] Curse you!  
-[Deet gasps]

818

00:42:14,823 --> 00:42:16,242  
-[cooing]  
-[rustling]

819

00:42:18,369 --> 00:42:19,370  
[Deet] Hm?

820

00:42:21,372 --> 00:42:24,124  
[Rian] Ah, for the love of Thra, light!

821

00:42:24,416 --> 00:42:27,253  
[groaning]

822

00:42:27,586 --> 00:42:30,673  
Oh, come on, I just need a spark.

823

00:42:30,756 --> 00:42:31,840  
-Light!  
-Excuse me.

824

00:42:31,924 --> 00:42:33,551  
[gasping, grunting]

825

00:42:34,885 --> 00:42:37,972  
-Stay back!  
-I'm sorry. I didn't mean to scare you.

826

00:42:38,055 --> 00:42:40,558  
I thought you might need some help  
with your fire.

827

00:42:40,641 --> 00:42:43,435  
Who sent you? Maudra Fara? Huh?

828

00:42:43,519 --> 00:42:45,729  
-My father?  
-[Deet] Maudra Argot.

829

00:42:45,813 --> 00:42:48,524  
Although, technically,  
it was the Sanctuary Tree that gifted me

830

00:42:48,607 --> 00:42:51,360  
with the vision of a coming disaster  
that's going to destroy us all.

831

00:42:51,694 --> 00:42:54,113  
But it was Maudra Argot that said  
I needed to leave the caves.

832

00:42:54,196 --> 00:42:55,197  
Oh.

833

00:42:55,489 --> 00:42:57,783  
Hey! Aren't you that Gelfling  
from Stone-in-the-Wood

834

00:42:57,866 --> 00:42:59,952  
who cut ahead of me  
in line to see the Maudra?

835

00:43:00,286 --> 00:43:02,246  
Well, yes.

836

00:43:03,998 --> 00:43:05,499  
-I'm sorry.  
-That's all right.

837

00:43:05,583 --> 00:43:07,293  
I know how you can make it up to me.

838

00:43:07,459 --> 00:43:09,962  
My friend, Hup, is locked up  
in the rascal hole.

839

00:43:10,045 --> 00:43:12,298  
But if you can get me in  
to see the Stonewood Maudra...

840

00:43:12,381 --> 00:43:15,092  
[sighing] No. I can't help you.

841

00:43:15,426 --> 00:43:17,052

My clan has cast me out.

842  
00:43:20,055 --> 00:43:20,973  
[sighing]

843  
00:43:21,557 --> 00:43:22,600  
-May I?  
-Hm?

844  
00:43:23,058 --> 00:43:24,727  
Uh... sure.

845  
00:43:27,813 --> 00:43:29,982  
But it won't light. The ground's too wet.

846  
00:43:30,357 --> 00:43:31,650  
[Deet] We'll see about that.

847  
00:43:34,820 --> 00:43:36,822  
[gasping]

848  
00:43:41,160 --> 00:43:42,244  
Hm...

849  
00:43:42,661 --> 00:43:45,039  
-Impressive.  
-Old Grottan trick.

850  
00:43:45,122 --> 00:43:45,998  
Huh.

851  
00:43:49,209 --> 00:43:50,210  
I'm Deet, by the way.

852  
00:43:51,045 --> 00:43:51,920  
I'm Rian.

853  
00:43:52,421 --> 00:43:53,881  
Nice to meet you, Rian.

854  
00:43:53,964 --> 00:43:56,675

You're... not scared of me?

855

00:43:57,843 --> 00:43:58,927  
I don't think so.

856

00:43:59,720 --> 00:44:00,638  
Should I be?

857

00:44:02,473 --> 00:44:04,350  
Seems like every other Gelfling is.

858

00:44:05,142 --> 00:44:06,810  
They think that I'm a monster.

859

00:44:07,561 --> 00:44:09,647  
They're all too scared to see the truth,

860

00:44:10,230 --> 00:44:12,066  
even when it's right in front of them.

861

00:44:14,068 --> 00:44:16,820  
Well, I don't think you're a monster.  
[gasping]

862

00:44:17,404 --> 00:44:19,365  
That's it! Monsters!

863

00:44:19,448 --> 00:44:21,575  
-What?  
-I know exactly what to do now!

864

00:44:21,659 --> 00:44:23,994  
You've been so helpful. Thanks so much!

865

00:44:24,662 --> 00:44:27,039  
-[Rian] Wait!  
-No time! I have to rescue my friend.

866

00:44:27,414 --> 00:44:30,250  
-Good luck with everything.  
-Uh... Good luck to you!

867  
00:44:31,043 --> 00:44:32,252  
Oh...

868  
00:44:42,262 --> 00:44:43,097  
[sighing]

869  
00:44:46,016 --> 00:44:47,017  
Hm...

870  
00:44:49,978 --> 00:44:51,230  
[sighing nervously]

871  
00:44:51,814 --> 00:44:53,524  
Oh... I'm too late.

872  
00:44:55,651 --> 00:44:56,527  
-[Cadia] Hello.  
-[gasping]

873  
00:44:56,985 --> 00:44:58,028  
Elder Cadia!

874  
00:44:58,278 --> 00:44:59,655  
Do I know you?

875  
00:45:00,030 --> 00:45:03,659  
Princess Brea, just in time.  
We sail with the tide.

876  
00:45:03,742 --> 00:45:08,372  
Cadia, please make sure the last runes  
are packed and ready for transport.

877  
00:45:08,455 --> 00:45:10,833  
Of course, my Elder Onica.

878  
00:45:11,917 --> 00:45:15,129  
Where did I leave those runes?  
And what are runes?

879  
00:45:15,254 --> 00:45:17,047

-Elder Onica?

-[chuckling]

880

00:45:17,381 --> 00:45:20,634  
I served as Cadia's apprentice  
for many trine.

881

00:45:20,759 --> 00:45:23,595  
His recent... memory loss

882

00:45:23,679 --> 00:45:27,015  
allowed me to give myself  
a long overdue promotion.

883

00:45:28,100 --> 00:45:29,893  
Did you bring what I asked?

884

00:45:30,144 --> 00:45:31,311  
Oh! Yes.

885

00:45:32,896 --> 00:45:34,982  
The brightest jewel  
in my mother's chamber.

886

00:45:35,482 --> 00:45:37,109  
Hm... clever.

887

00:45:38,360 --> 00:45:41,947  
Now, you have your payment.  
Tell me more about my symbol.

888

00:45:42,364 --> 00:45:43,282  
Payment?

889

00:45:43,741 --> 00:45:44,867  
Of course.

890

00:45:45,409 --> 00:45:48,495  
-Sifa never do anything for free.  
-Apparently not!

891

00:45:48,579 --> 00:45:49,455

Ugh!

892

00:45:49,538 --> 00:45:53,667  
The chrysalis isn't payment.  
It's the answer!

893

00:45:54,501 --> 00:45:55,335  
Oh...

894

00:45:56,253 --> 00:45:57,671  
I don't understand.

895

00:45:58,088 --> 00:45:59,840  
A great many things.

896

00:46:00,424 --> 00:46:03,594  
You see another bauble  
hung high on a wall.

897

00:46:04,094 --> 00:46:07,681  
This is the chrysalis  
of an imperial unamoth,

898

00:46:07,973 --> 00:46:10,726  
-the totem animal of your clan.  
-Huh?

899

00:46:14,104 --> 00:46:16,356  
[singing]

900

00:46:25,824 --> 00:46:28,744  
Now, ask your question.

901

00:46:30,579 --> 00:46:32,790  
Ask... the moth?

902

00:46:33,373 --> 00:46:34,416  
[chuckling]

903

00:46:34,500 --> 00:46:38,253  
How can one Gelfling know so much  
and so little all at once?

904  
00:46:39,546 --> 00:46:40,506  
Uh...

905  
00:46:41,381 --> 00:46:42,883  
[moth shaking]

906  
00:46:45,052 --> 00:46:48,180  
Where are the answers I seek?

907  
00:46:50,098 --> 00:46:51,642  
[gasping]

908  
00:47:02,653 --> 00:47:04,029  
[fluttering]

909  
00:47:08,784 --> 00:47:10,202  
It's beautiful.

910  
00:47:13,539 --> 00:47:14,623  
Onica,

911  
00:47:15,165 --> 00:47:16,500  
I'm in your debt.

912  
00:47:17,084 --> 00:47:19,044  
Time to run, Princess.

913  
00:47:19,586 --> 00:47:21,088  
Yes, I...  
Oh!

914  
00:47:22,297 --> 00:47:23,131  
Thank you.

915  
00:47:23,841 --> 00:47:24,842  
Goodbye.

916  
00:47:26,009 --> 00:47:27,678  
[wings fluttering]

917  
00:47:39,022 --> 00:47:40,816  
[wings fluttering]

918  
00:47:50,075 --> 00:47:51,827  
[panting]

919  
00:48:01,128 --> 00:48:03,130  
[moth wings fluttering]

920  
00:48:06,425 --> 00:48:08,427  
[rumbling]

921  
00:48:09,887 --> 00:48:11,263  
[Brea gasping]

922  
00:48:18,020 --> 00:48:20,022  
[panting]

923  
00:48:22,649 --> 00:48:23,901  
-Hello?  
-[echoing]

924  
00:48:23,984 --> 00:48:25,944  
[dramatic music playing in distance]

925  
00:48:41,209 --> 00:48:43,795  
[dramatic music grows louder]

926  
00:48:56,224 --> 00:48:58,226  
[fantasy music playing]
