00:08:47,735 --> 00:08:51,656

we should drain  
every last Gelfling across Thra!

154  
00:08:51,739 --> 00:08:55,076  
-[cheers]  
-[Collector] Let the essence flow.

155  
00:08:55,201 --> 00:08:57,912  
[Gourmand] Drain the Gelfling!

156  
00:08:58,120 --> 00:08:59,622  
-[wheezing]  
-[squishing]

157  
00:08:59,789 --> 00:09:00,831  
[groaning]

158  
00:09:02,041 --> 00:09:06,462  
A wise shepherd  
does not cull entire herd, yes?

159  
00:09:06,796 --> 00:09:10,591  
We should take  
only what Gelfling we need to survive.

160  
00:09:10,675 --> 00:09:13,678  
Moderation is for the meek!

161  
00:09:13,761 --> 00:09:18,099  
Immortality is our right.

162  
00:09:18,224 --> 00:09:19,767  
-[snorting]  
-Mm...

163  
00:09:20,059 --> 00:09:22,144  
This is all the Chamberlain's fault.

164  
00:09:22,770 --> 00:09:26,107  
It's because of you  
our secrets roam the countryside

165  
00:09:26,190 --> 00:09:29,193  
in the mind of a renegade,

waiting to destroy us!

166

00:09:29,277 --> 00:09:32,196

I have turned all Gelfling against Rian!

167

00:09:32,655 --> 00:09:35,199

They believe his mind is infected.

168

00:09:35,283 --> 00:09:38,452

-Bah!

-Even his own father hunts him.

169

00:09:38,869 --> 00:09:41,872

Is good thing we are not all so weak

170

00:09:41,998 --> 00:09:46,252

as to be scared of single Gelfling, yes?

171

00:09:46,335 --> 00:09:47,295

Ah...

172

00:09:47,461 --> 00:09:48,838

You question my bravery?

173

00:09:48,921 --> 00:09:50,923

Keep your robes on, spithead!

174

00:09:51,007 --> 00:09:53,009

[cackling]

175

00:09:56,679 --> 00:09:58,264

[growling]

176

00:09:58,598 --> 00:09:59,849

[General] Incompetent snipp!

177

00:10:00,433 --> 00:10:02,393

-How exciting!

-[Collector laughing]

178

00:10:02,643 --> 00:10:06,272

You only dare flap your beak  
because you sit at the Emperor's side.

179

00:10:06,606 --> 00:10:10,026

Let us see if your talons  
are half as fearsome as your tongue!

180

00:10:10,109 --> 00:10:14,155

-I bring order! Peace!  
-Ah! There's going to be a fight!

181

00:10:14,238 --> 00:10:17,533

[chortling] A meal and a show!

182

00:10:17,617 --> 00:10:19,076

Ooh! [cackling]

183

00:10:21,537 --> 00:10:23,289

[wheezing]

184

00:10:24,957 --> 00:10:28,210

You! You are reckless! Lead us into war!

185

00:10:28,294 --> 00:10:30,338

I welcome war!

186

00:10:31,047 --> 00:10:32,757

-[cracking]  
-[wheezing]

187

00:10:33,841 --> 00:10:37,011

[Chamberlain] Because you are  
too thick-headed to use brain.

188

00:10:37,094 --> 00:10:39,138

-[growling]  
-Enough!

189

00:10:39,472 --> 00:10:40,598

Enough?

190

00:10:40,681 --> 00:10:41,599

Enough!

191

00:10:41,682 --> 00:10:44,602  
The General is right.  
I need results, not talk!

192

00:10:44,685 --> 00:10:47,772  
-But, Emperor, my sire--  
-Be silent,

193

00:10:47,855 --> 00:10:49,398  
or I will silence you.

194

00:10:49,523 --> 00:10:53,194  
-But-- but why? I did not start fight.  
-[Collector laughing]

195

00:10:53,527 --> 00:10:55,321  
You talk too much.

196

00:10:55,404 --> 00:10:57,406  
Talk, talk, talk!

197

00:10:57,657 --> 00:10:59,575  
We rot while you chatter!

198

00:10:59,659 --> 00:11:02,203  
-Yes.  
-Sire, my plan is working.

199

00:11:02,286 --> 00:11:05,956  
-I just need more time.  
-More time, more words,

200

00:11:06,040 --> 00:11:08,000  
-more nothing!  
-[Chamberlain] Forgive.

201

00:11:08,084 --> 00:11:09,168  
Forgive.

202

00:11:09,585 --> 00:11:12,755

Forgiveness is for the feeble.  
I need a new counsel.

203

00:11:12,838 --> 00:11:15,257  
A counselor who understands  
how to wield power.

204

00:11:15,341 --> 00:11:16,634  
-[General] Yes.  
-General?

205

00:11:17,134 --> 00:11:18,094  
-You...  
-[Chamberlain gasps]

206

00:11:18,177 --> 00:11:20,680  
...will take Chamberlain's place  
at my side.

207

00:11:20,846 --> 00:11:22,973  
-I am honored, sire.  
-No!

208

00:11:23,182 --> 00:11:25,017  
-You are commanded.  
-[gasping]

209

00:11:26,477 --> 00:11:28,771  
Do what the Chamberlain  
has failed to do.

210

00:11:29,021 --> 00:11:32,233  
-Bring this crisis to a swift end.  
-[General] As you command.

211

00:11:32,400 --> 00:11:34,485  
Wait. But, sire, you can't!

212

00:11:34,568 --> 00:11:37,363  
Look what have done! [yelping]

213

00:11:38,280 --> 00:11:39,865  
[screeching]

214

00:11:40,741 --> 00:11:42,993  
That's enough from you, weakling!

215

00:11:43,077 --> 00:11:44,453  
How dare you!

216

00:11:44,537 --> 00:11:45,996  
-[bones crunching]  
-[squealing]

217

00:11:48,541 --> 00:11:50,751  
-My hand!  
-[laughing]

218

00:11:53,045 --> 00:11:54,380  
[Chamberlain wailing]

219

00:11:54,630 --> 00:11:56,424  
-My lords!  
-[Skeksis grunting]

220

00:11:56,549 --> 00:12:01,804  
As our Emperor's new counsel,  
I will capture this Rian

221

00:12:01,887 --> 00:12:04,557  
and ensure the essence flows once more!

222

00:12:04,682 --> 00:12:06,684  
[Skeksis cheering]

223

00:12:09,937 --> 00:12:11,439  
[panting]

224

00:12:12,022 --> 00:12:13,357  
[creature growling]

225

00:12:17,903 --> 00:12:19,447  
Infernal Skeksis.

226

00:12:20,072 --> 00:12:21,490  
Shriveled Pudgenubs.

227

00:12:21,615 --> 00:12:23,409  
Upset balance. [grunting]

228

00:12:23,492 --> 00:12:25,369  
Seek life eternal. Bah!

229

00:12:25,619 --> 00:12:27,121  
Everything grows old.

230

00:12:27,455 --> 00:12:29,415  
Everything passes on. Hm.

231

00:12:30,249 --> 00:12:32,001  
All, it seems, but Aughra.

232

00:12:32,585 --> 00:12:34,211  
Agh, Aughra born old.

233

00:12:37,214 --> 00:12:38,299  
[groaning]

234

00:12:39,633 --> 00:12:41,469  
And Thra's gone silent.

235

00:12:41,552 --> 00:12:43,554  
[rumbling]

236

00:12:44,346 --> 00:12:45,389  
Mm?

237

00:12:46,515 --> 00:12:48,559  
Sometimes not silent enough! [grunting]

238

00:12:49,268 --> 00:12:50,770  
[groaning]

239

00:12:52,062 --> 00:12:53,689  
Has Thra stopped singing?

240  
00:12:54,148 --> 00:12:55,441  
-[whizzing]  
-[whomp]

241  
00:12:56,233 --> 00:12:57,359  
Bah!

242  
00:12:57,651 --> 00:12:58,486  
What's this?

243  
00:12:59,403 --> 00:13:00,654  
It can't be!

244  
00:13:01,071 --> 00:13:03,449  
Can't be, but it is.  
[grunting]

245  
00:13:03,699 --> 00:13:05,701  
Ah-ha...

246  
00:13:06,118 --> 00:13:08,204  
The Archer returns.

247  
00:13:08,746 --> 00:13:09,747  
[chuckling]

248  
00:13:10,206 --> 00:13:13,584  
Very well, Longneck. I'll follow.  
[chuckling]

249  
00:13:14,460 --> 00:13:16,462  
[zapping]

250  
00:13:18,380 --> 00:13:21,133  
Lackadaisical Skeksis!

251  
00:13:21,217 --> 00:13:23,219  
They feast while we toil.

252  
00:13:24,053 --> 00:13:28,682

But do not worry.  
SkekTek never forgets a true friend.

253  
00:13:28,933 --> 00:13:30,935  
-Ah!  
-[squealing]

254  
00:13:34,355 --> 00:13:35,773  
-[Emperor] Scientist!  
-[gasping] Sire!

255  
00:13:36,315 --> 00:13:40,569  
[clearing throat] Sire, I wasn't expecting  
your imperial presence.

256  
00:13:40,653 --> 00:13:44,990  
And yet here I am, taking an interest  
in your work and your...

257  
00:13:45,074 --> 00:13:47,743  
[overlapping creature noises]

258  
00:13:48,744 --> 00:13:50,079  
...friends.

259  
00:13:51,705 --> 00:13:55,668  
It must be hard  
feeling so isolated from your kind

260  
00:13:55,751 --> 00:14:00,130  
that you must take solace  
in the company of the meek and fuzzy.

261  
00:14:00,631 --> 00:14:02,716  
-[squawking]  
-[Emperor chuckling]

262  
00:14:02,800 --> 00:14:04,593  
Uh... Mighty Emperor,

263  
00:14:04,677 --> 00:14:08,556  
I know how anxiously you have awaited  
for my repairs to be completed.

264

00:14:08,639 --> 00:14:12,726  
Perhaps I can find a way  
to expedite your progress.

265

00:14:12,810 --> 00:14:15,688  
No need! No need! Work is done.

266

00:14:16,146 --> 00:14:18,816  
Finished. Concluded, yes.

267

00:14:19,358 --> 00:14:22,152  
-With upgrades!  
-[creature squeaking]

268

00:14:22,653 --> 00:14:24,697  
Ah... Ah!

269

00:14:25,197 --> 00:14:28,826  
I'll need a Gelfling.  
Perhaps the Drenchen thief.

270

00:14:28,909 --> 00:14:33,163  
No, not him. The Drenchen traitor  
may yet produce useful information.

271

00:14:33,831 --> 00:14:35,207  
Of course.

272

00:14:35,332 --> 00:14:39,253  
I will bring you Gelfling,  
and you will strap them to your chair.

273

00:14:39,336 --> 00:14:41,672  
Just tell me, how many?

274

00:14:42,256 --> 00:14:44,758  
How... many?

275

00:14:44,842 --> 00:14:48,220  
How many Gelfling must we drain  
for us to cheat death

276

00:14:48,304 --> 00:14:50,514  
for all eternity?

277

00:14:50,723 --> 00:14:53,601  
Emperor, I beg you to reconsider.

278

00:14:53,684 --> 00:14:57,313  
The more essence we consume,  
the weaker the Crystal grows,

279

00:14:57,396 --> 00:14:59,189  
the greater the imbalance,

280

00:14:59,273 --> 00:15:02,443  
-the faster the Darkening spreads.  
-There is no Darkening!

281

00:15:02,526 --> 00:15:05,279  
Yes, yes. Forgive, Emperor.

282

00:15:05,446 --> 00:15:07,573  
-Forgive.  
-[Emperor wheezing]

283

00:15:08,949 --> 00:15:09,867  
[squawking]

284

00:15:10,034 --> 00:15:11,076  
[Emperor]  
So then...

285

00:15:13,287 --> 00:15:14,914  
give me a number.

286

00:15:15,289 --> 00:15:16,332  
Uh...

287

00:15:16,832 --> 00:15:18,542  
A great many.

288

00:15:18,959 --> 00:15:21,462  
-A number.  
-[shrieking]

289  
00:15:22,463 --> 00:15:23,339  
Fifty.

290  
00:15:23,672 --> 00:15:25,883  
Fifty Gelfling, every trine.

291  
00:15:26,300 --> 00:15:28,260  
-[shrieking continues]  
-[Scientist yelping]

292  
00:15:28,469 --> 00:15:29,345  
Fifty, then.

293  
00:15:30,387 --> 00:15:31,388  
So be it.

294  
00:15:31,722 --> 00:15:35,643  
-Prepare the machine.  
-As you wish, my Emperor.

295  
00:15:37,227 --> 00:15:39,229  
-[creature whimpering]  
-[muttering]

296  
00:15:39,897 --> 00:15:42,232  
Hush now, hush now.

297  
00:15:42,316 --> 00:15:44,151  
All is well.

298  
00:15:44,777 --> 00:15:46,320  
Ungrateful Emperor.

299  
00:15:46,612 --> 00:15:50,491  
Petty, preening Skeksis  
do not appreciate Chamberlain.

300  
00:15:50,658 --> 00:15:52,660

[whimpering]

301

00:15:54,536 --> 00:15:56,872  
-Shoo, Gelfling! Shoo!  
-[yelping]

302

00:15:57,706 --> 00:16:00,417  
-[panting]  
-[quickly departing footsteps]

303

00:16:01,543 --> 00:16:02,920  
Mmm...

304

00:16:03,921 --> 00:16:06,757  
I will take seat back at Emperor's side

305

00:16:06,840 --> 00:16:09,593  
and teach thick-headed General a lesson!

306

00:16:09,885 --> 00:16:11,679  
[wheel squeaking]

307

00:16:12,262 --> 00:16:14,264  
[cackling]

308

00:16:15,975 --> 00:16:17,977  
[horn blowing]

309

00:16:20,312 --> 00:16:22,314  
[multiple horns blaring]

310

00:16:32,116 --> 00:16:33,158  
Oh...

311

00:16:33,325 --> 00:16:34,660  
[snoring]

312

00:16:35,035 --> 00:16:36,453  
[screaming]

313

00:16:36,537 --> 00:16:38,122

The horn! The horn!

314

00:16:38,747 --> 00:16:41,959  
Who has summoned skekMal, the Hunter?

315

00:16:42,626 --> 00:16:45,754  
Oh, it's been many a trine  
since we last heard the horn.

316

00:16:45,838 --> 00:16:47,464  
-[horn continues blowing]  
-[giggling]

317

00:16:47,548 --> 00:16:51,677  
Oh, nothing good  
ever follows its horrid bleating.

318

00:16:51,760 --> 00:16:54,680  
Who dares call the Hunter  
back to the castle?

319

00:16:54,972 --> 00:16:57,599  
Isn't it obvious?  
The desperate Chamberlain.

320

00:16:57,683 --> 00:17:02,354  
But why, why would Chamberlain risk life  
and limb to call upon the Hunter?

321

00:17:02,438 --> 00:17:05,065  
To do the job the Chamberlain cannot.

322

00:17:05,274 --> 00:17:06,400  
Capture Rian.

323

00:17:06,775 --> 00:17:10,070  
But I hope the Hunter  
skins the Chamberlain alive first.

324

00:17:10,154 --> 00:17:11,530  
[cackling]

325

00:17:12,072 --> 00:17:14,074  
[Skeksis laughing]

326  
00:17:18,620 --> 00:17:20,622  
[overlapping creature noises]

327  
00:17:22,958 --> 00:17:24,334  
[croaking]

328  
00:17:26,420 --> 00:17:28,422  
[foreboding music playing]

329  
00:17:33,635 --> 00:17:36,513  
You should've seen your face.  
You were so scared.

330  
00:17:36,764 --> 00:17:39,933  
Ne. A apida surprised

331  
00:17:40,017 --> 00:17:41,810  
to see aminya Deet glowing.

332  
00:17:41,894 --> 00:17:43,479  
-[hissing]  
-Hi, you!

333  
00:17:43,812 --> 00:17:45,522  
Oh, ah...  
Mm-mm.

334  
00:17:46,982 --> 00:17:47,983  
There's a delicious moss

335  
00:17:48,067 --> 00:17:51,070  
that grows only in Grot  
that makes anyone who eats it glow.

336  
00:17:51,528 --> 00:17:52,404  
Boma strange.

337  
00:17:52,488 --> 00:17:54,698  
I'd offer you some,

but I used the last of--

338  
00:17:54,782 --> 00:17:55,824  
-[snapping]  
-Deet!

339  
00:17:56,241 --> 00:17:57,785  
-[gasping] What's wrong?  
-Gobbles!

340  
00:17:57,868 --> 00:18:00,204  
[panting] What are gobbles?

341  
00:18:00,329 --> 00:18:01,705  
[rumbling]

342  
00:18:04,917 --> 00:18:06,502  
[squeaking]

343  
00:18:11,715 --> 00:18:12,800  
[gasping]

344  
00:18:12,966 --> 00:18:14,593  
Yotubi gobbles.

345  
00:18:15,094 --> 00:18:16,261  
Thank you, Hup.

346  
00:18:17,054 --> 00:18:18,388  
[rumbling]

347  
00:18:18,555 --> 00:18:19,973  
-[thunder rumbling]  
-[both] Huh?

348  
00:18:20,140 --> 00:18:22,726  
Oh... Storm coming.

349  
00:18:23,769 --> 00:18:26,396  
Chekee shelter. Ha'rar after.

350

00:18:26,522 --> 00:18:27,356  
Good idea.

351  
00:18:27,439 --> 00:18:28,524  
Mm.

352  
00:18:29,858 --> 00:18:31,652  
[grunting]

353  
00:18:31,902 --> 00:18:32,736  
So hot!

354  
00:18:35,405 --> 00:18:36,615  
[grumbling]

355  
00:18:36,949 --> 00:18:38,283  
Too much!

356  
00:18:39,618 --> 00:18:41,370  
All this walking.

357  
00:18:42,496 --> 00:18:43,831  
-No!  
-[squawking]

358  
00:18:44,164 --> 00:18:47,084  
[grunting] I will go no further.

359  
00:18:47,835 --> 00:18:49,336  
-[squealing]  
-Hm?

360  
00:18:54,508 --> 00:18:56,593  
I will go a bit further.

361  
00:18:57,052 --> 00:18:57,886  
[grunting]

362  
00:19:00,305 --> 00:19:01,473  
[arrow whizzing]

363

00:19:05,978 --> 00:19:07,813  
Sanctuary Tree.

364  
00:19:18,991 --> 00:19:20,993  
[grunting]

365  
00:19:25,080 --> 00:19:27,082  
[panting]

366  
00:19:28,000 --> 00:19:30,043  
Oh, Sanctuary Tree.

367  
00:19:30,419 --> 00:19:33,755  
We have not spoken in a long time.

368  
00:19:33,839 --> 00:19:35,507  
Nor have we...

369  
00:19:37,176 --> 00:19:41,346  
-Mother Aughra.  
-Archer, old friend.

370  
00:19:41,430 --> 00:19:43,182  
Why make me walk so far?

371  
00:19:43,265 --> 00:19:44,808  
To bring you here.

372  
00:19:44,892 --> 00:19:48,645  
Then you know I do not need trees,  
you plodding pile!

373  
00:19:48,729 --> 00:19:50,772  
-Hm...  
-I need to find the Song of Thra!

374  
00:19:51,315 --> 00:19:56,195  
Ugh... But its tune eludes me.  
Has Thra gone quiet?

375  
00:19:56,278 --> 00:20:01,241  
-No. Thra still sings.

-Then why do I not hear it?

376

00:20:01,325 --> 00:20:06,330  
Because you turned your eye away from Thra  
and towards the stars.

377

00:20:06,413 --> 00:20:07,873  
So many stars.

378

00:20:08,457 --> 00:20:10,792  
Goes on and on.

379

00:20:11,752 --> 00:20:13,629  
-Like you and I.  
-Mm.

380

00:20:13,712 --> 00:20:16,048  
On and on.

381

00:20:16,131 --> 00:20:18,675  
Yes. Perhaps too long.

382

00:20:19,051 --> 00:20:23,180  
We do not get to decide  
when our part in the song is finished.

383

00:20:23,263 --> 00:20:26,266  
I trusted the Skeksis to look after Thra.

384

00:20:26,391 --> 00:20:29,686  
-I took their word!  
-And their gifts.

385

00:20:30,479 --> 00:20:33,232  
Hm. You speak true, urVa.

386

00:20:33,815 --> 00:20:37,653  
But now I have returned from  
my cosmic voyage to make things right!

387

00:20:37,736 --> 00:20:41,323  
But I cannot guide destiny

if I cannot hear the song.

388

00:20:41,448 --> 00:20:44,368  
That is why I am here.

389

00:20:45,410 --> 00:20:46,787  
You'll teach it to me?

390

00:20:47,371 --> 00:20:49,081  
Oh, no.

391

00:20:49,164 --> 00:20:51,208  
Well, if not you, then another Mystic.

392

00:20:51,500 --> 00:20:55,879  
The Mystics are hidden safely away  
until they are needed.

393

00:20:57,422 --> 00:21:00,592  
Hm... They are needed now.

394

00:21:00,968 --> 00:21:02,636  
There is one who can help.

395

00:21:14,022 --> 00:21:15,232  
[grunting]

396

00:21:32,624 --> 00:21:34,126  
Where did you... Archer!

397

00:21:35,127 --> 00:21:39,423  
If you cannot show Aughra  
the Song of Thra, then who can?

398

00:21:42,259 --> 00:21:43,969  
Arrow points to ground.

399

00:21:44,052 --> 00:21:44,928  
Hmph!

400

00:21:46,805 --> 00:21:48,265

Arrow points to...

401  
00:21:49,933 --> 00:21:50,976  
Thra!

402  
00:21:51,518 --> 00:21:53,103  
Thra will teach!

403  
00:21:53,312 --> 00:21:54,187  
Hm!

404  
00:21:54,271 --> 00:21:57,816  
Could've just said this!  
Clearly, succinctly...

405  
00:21:58,817 --> 00:22:00,652  
without all the walking!

406  
00:22:05,240 --> 00:22:06,408  
Mm...

407  
00:22:09,953 --> 00:22:11,246  
-[growling]  
-[yelping]

408  
00:22:11,330 --> 00:22:14,041  
-Chamberlain!  
-Hunter.

409  
00:22:14,458 --> 00:22:16,710  
What is my prey?

410  
00:22:16,793 --> 00:22:19,629  
-A Stonewood warrior.  
-Gelfling?

411  
00:22:19,713 --> 00:22:20,630  
Mm...

412  
00:22:20,714 --> 00:22:23,300  
-You insult me!  
-No.

413

00:22:23,383 --> 00:22:26,178  
-It is I who has been insulted, yes?  
-[growling]

414

00:22:26,636 --> 00:22:30,974  
-Look what General has done to my hand.  
-[Hunter] Poor skekSil.

415

00:22:31,058 --> 00:22:33,852  
Still consumed by petty squabbles.

416

00:22:34,311 --> 00:22:37,856  
When will you learn?  
Only the hunt matters!

417

00:22:37,939 --> 00:22:38,940  
[groaning]

418

00:22:39,024 --> 00:22:40,150  
Wait! Wait!

419

00:22:40,484 --> 00:22:43,987  
This Gelfling named Rian, he is thief,

420

00:22:44,404 --> 00:22:46,365  
fugitive, spy.

421

00:22:46,448 --> 00:22:48,992  
Already bested Scientist and myself.

422

00:22:49,493 --> 00:22:53,205  
A Gelfling that can stand before Skeksis  
and escape with life

423

00:22:53,455 --> 00:22:56,249  
is no ordinary prey, yes?

424

00:22:56,833 --> 00:22:57,959  
[groaning]

425

00:23:00,712 --> 00:23:02,005  
Say more.

426  
00:23:02,089 --> 00:23:07,010  
He defies us, spreads deceitful slander.

427  
00:23:07,219 --> 00:23:10,138  
He is threat to all Skeksis.

428  
00:23:10,597 --> 00:23:14,559  
Such prey would make quite the trophy.  
Mm?

429  
00:23:15,519 --> 00:23:16,478  
[gasping]

430  
00:23:17,062 --> 00:23:20,190  
-This scrap of Rian's clothing. Good?  
-[sniffing]

431  
00:23:20,440 --> 00:23:23,819  
I will take his lying tongue!

432  
00:23:25,112 --> 00:23:26,279  
Mm...

433  
00:23:30,909 --> 00:23:32,911  
[gears clanking]

434  
00:23:44,089 --> 00:23:44,923  
Drenchen!

435  
00:23:45,757 --> 00:23:47,426  
-[zapping]  
-[moaning]

436  
00:23:49,553 --> 00:23:51,805  
-Greetings.  
-Where's the Chamberlain?

437  
00:23:52,681 --> 00:23:54,307  
-[zapping]

-Ahh!

438

00:23:54,808 --> 00:23:55,642  
Occupied.

439

00:23:58,937 --> 00:24:02,649  
I will be handling your interrogation  
from this point forward.

440

00:24:02,732 --> 00:24:04,401  
[grunting]

441

00:24:04,568 --> 00:24:06,528  
-Get your... claws off me!  
-Quiet!

442

00:24:06,987 --> 00:24:07,904  
Move!

443

00:24:08,113 --> 00:24:09,823  
[chains rattling]

444

00:24:14,536 --> 00:24:17,747  
-[Scientist] But-- But the Emperor--  
-[General] ...put me in charge.

445

00:24:19,583 --> 00:24:21,376  
Not good.

446

00:24:21,501 --> 00:24:23,628  
-[sighing]  
-[whimpering]

447

00:24:23,753 --> 00:24:26,006  
Sure. [grunting]

448

00:24:26,840 --> 00:24:29,009  
You should not--

449

00:24:29,092 --> 00:24:31,470  
The time has come to find out

450

00:24:31,845 --> 00:24:35,098  
if you are a good Gelfling  
or a bad Gelfling.

451

00:24:35,640 --> 00:24:39,561  
I don't think it matters at this point,  
but you could have just asked around!

452

00:24:39,644 --> 00:24:43,690  
General, you cannot do this!  
You'll kill the Gelfling.

453

00:24:43,773 --> 00:24:45,025  
I won't kill him.

454

00:24:45,484 --> 00:24:48,195  
I'll just drain the defiance out of him.

455

00:24:48,278 --> 00:24:49,488  
[huffs]

456

00:24:49,696 --> 00:24:50,530  
Sit.

457

00:24:51,823 --> 00:24:53,200  
[exhaling]

458

00:24:54,075 --> 00:24:55,660  
[powering up]

459

00:25:03,084 --> 00:25:05,253  
It's-- It's too dangerous!

460

00:25:05,837 --> 00:25:07,088  
Tell me, Drenchen,

461

00:25:07,923 --> 00:25:10,133  
where is the fugitive Rian?

462

00:25:11,551 --> 00:25:13,428  
Eat sog!

463  
00:25:13,512 --> 00:25:14,596  
[grunting]

464  
00:25:15,639 --> 00:25:16,806  
[growling]

465  
00:25:17,766 --> 00:25:18,642  
Bad Gelfling!

466  
00:25:18,725 --> 00:25:19,935  
[yelling]

467  
00:25:21,811 --> 00:25:24,981  
No! Too much! Too much!

468  
00:25:25,982 --> 00:25:27,984  
[electricity buzzing]

469  
00:25:36,034 --> 00:25:38,036  
[yelling and grunting]

470  
00:25:39,996 --> 00:25:41,373  
[powering down]

471  
00:25:42,457 --> 00:25:44,668  
I will ask you once again.

472  
00:25:45,794 --> 00:25:47,295  
Where is the fugitive Rian?

473  
00:25:47,379 --> 00:25:51,049  
Have you checked the Great Smerth?  
It's particularly lovely in spring.

474  
00:25:51,132 --> 00:25:53,343  
[groaning]  
Bad Gelfling!

475  
00:25:54,094 --> 00:25:56,096  
[yelling]

476  
00:25:58,974 --> 00:26:00,767  
[cackling]

477  
00:26:05,230 --> 00:26:06,940  
-SkekVar!  
-Mm!

478  
00:26:07,023 --> 00:26:07,857  
Enough!

479  
00:26:08,692 --> 00:26:10,110  
-[groaning]  
-Oh, uh...

480  
00:26:13,655 --> 00:26:15,574  
[panting]

481  
00:26:17,075 --> 00:26:19,494  
I told the General not to do it.

482  
00:26:19,953 --> 00:26:23,039  
I was just introducing myself  
to the Drenchen.

483  
00:26:23,123 --> 00:26:24,249  
That can wait.

484  
00:26:24,332 --> 00:26:26,668  
I have a much more  
important task for you, General.

485  
00:26:26,751 --> 00:26:27,794  
Mm?

486  
00:26:27,877 --> 00:26:29,337  
Prepare to leave.

487  
00:26:29,796 --> 00:26:31,798  
You depart for Ha'rar in the morning.

488

00:26:32,299 --> 00:26:33,466  
-[General groans] Oh.  
-Huh?

489  
00:26:35,885 --> 00:26:36,886  
[huffing]

490  
00:26:45,145 --> 00:26:46,271  
Hm...

491  
00:26:48,607 --> 00:26:51,693  
Well, Vapra, Stonewood...

492  
00:26:51,943 --> 00:26:53,445  
Sifa didn't work.

493  
00:26:54,529 --> 00:26:57,949  
And Stonewood-Drenchen worked once,  
but then it didn't.

494  
00:26:58,950 --> 00:27:00,076  
[sighing]

495  
00:27:00,869 --> 00:27:02,454  
None of this makes sense.

496  
00:27:02,829 --> 00:27:06,458  
Mother always said that Vapra  
was the highest clan, but...

497  
00:27:07,083 --> 00:27:09,919  
on two attempts,  
the Grottan symbol lit up first,

498  
00:27:10,754 --> 00:27:13,882  
which is ridiculous because  
everyone knows that the Grottan...

499  
00:27:14,299 --> 00:27:15,925  
are the lowest clan.

500  
00:27:16,885 --> 00:27:19,763

At least... that's what we always say.

501

00:27:21,181 --> 00:27:22,182

But...

502

00:27:23,141 --> 00:27:24,517

why do we say that?

503

00:27:26,227 --> 00:27:28,772

[gasping] Perhaps we're wrong.

504

00:27:30,065 --> 00:27:31,983

[exhaling]

505

00:27:32,817 --> 00:27:36,154

"Thra's true balance will be found

506

00:27:36,237 --> 00:27:39,282

when natural order is sound."

507

00:27:41,034 --> 00:27:43,078

Except there is no correct order,

508

00:27:43,745 --> 00:27:47,207

because no clan  
is above any of the others.

509

00:27:48,625 --> 00:27:49,626

Ah...

510

00:27:50,877 --> 00:27:52,212

It isn't a puzzle.

511

00:27:54,673 --> 00:27:55,882

It's a lie.

512

00:28:00,553 --> 00:28:01,596

[gasping]

513

00:28:03,306 --> 00:28:04,391

[rumbling]

514  
00:28:04,933 --> 00:28:06,476  
[gasping]

515  
00:28:07,977 --> 00:28:09,145  
[powering up]

516  
00:28:12,315 --> 00:28:13,566  
[rumbling]

517  
00:28:32,877 --> 00:28:33,962  
That's it.

518  
00:28:34,546 --> 00:28:35,880  
We're all one!

519  
00:28:37,257 --> 00:28:38,133  
Huh?

520  
00:28:41,678 --> 00:28:43,680  
[rumbling]

521  
00:29:01,239 --> 00:29:02,615  
-[everything quiets down]  
-Uh...

522  
00:29:05,952 --> 00:29:07,078  
[yelping]

523  
00:29:08,621 --> 00:29:09,539  
Uh...

524  
00:29:12,542 --> 00:29:13,376  
Hello.

525  
00:29:14,461 --> 00:29:16,463  
Oh, I'm-- I'm sorry.

526  
00:29:17,046 --> 00:29:19,883  
I didn't mean to frighten you. I...

527

00:29:27,891 --> 00:29:29,350  
[creature growls]

528

00:29:31,102 --> 00:29:32,645  
[chuckling]

529

00:29:35,482 --> 00:29:37,901  
What are you doing? That's close enough.

530

00:29:38,276 --> 00:29:39,402  
[yelping]

531

00:29:39,986 --> 00:29:40,820  
Wait!

532

00:29:46,743 --> 00:29:48,787  
[male voice recording]  
Be not afraid.

533

00:29:48,870 --> 00:29:50,955  
This creature is Lore.

534

00:29:51,498 --> 00:29:56,127  
And while he may seem threatening,  
you are perfectly safe.

535

00:29:56,211 --> 00:29:58,046  
[scraping]

536

00:29:59,798 --> 00:30:01,466  
-Hello, Lore.  
-[Lore rumbling]

537

00:30:01,925 --> 00:30:03,092  
My name is Brea.

538

00:30:05,887 --> 00:30:09,682  
Now, Lore will guide you  
to the answers you seek.

539

00:30:17,816 --> 00:30:18,817

Hm?

540

00:30:28,201 --> 00:30:29,828  
[male voice on recording] So travel swift.

541

00:30:31,037 --> 00:30:32,455  
[powering down]

542

00:30:38,419 --> 00:30:39,796  
[rumbling]

543

00:30:40,547 --> 00:30:42,131  
[indistinct voice in background]

544

00:30:42,257 --> 00:30:43,842  
...with each passing trine,

545

00:30:43,925 --> 00:30:47,136  
they tighten their grip  
upon the Gelfling of Thra.

546

00:30:47,220 --> 00:30:49,556  
I'm sure you have many questions.

547

00:30:50,640 --> 00:30:53,476  
-I always have questions.  
-Lore has imprinted on you.

548

00:30:53,560 --> 00:30:56,271  
He is now your guardian  
and will protect you

549

00:30:56,354 --> 00:30:59,649  
on your journey to the Circle of the Suns.

550

00:30:59,732 --> 00:31:04,362  
There you will find the key to freeing  
Gelfling from Skeksis power forever.

551

00:31:04,737 --> 00:31:05,613  
[Lore growling]

552

00:31:06,030 --> 00:31:06,865  
What's wrong?

553

00:31:08,366 --> 00:31:09,534  
Get away from it, Brea!

554

00:31:09,701 --> 00:31:12,328  
-You don't understand!  
-I understand it speaks heresy.

555

00:31:12,412 --> 00:31:14,497  
[Brea] No! No! Wait!

556

00:31:14,831 --> 00:31:16,040  
Lore, stop!

557

00:31:16,708 --> 00:31:17,750  
It's all right.

558

00:31:18,251 --> 00:31:19,460  
She's my sister.

559

00:31:22,088 --> 00:31:24,799  
She's my sister. It's all right.

560

00:31:27,093 --> 00:31:29,220  
Yes. That's good.

561

00:31:32,891 --> 00:31:34,350  
[Lore rumbling]

562

00:31:35,310 --> 00:31:36,185  
[Seladon] Brea...

563

00:31:37,353 --> 00:31:39,022  
What have you done?

564

00:31:39,606 --> 00:31:40,773  
[gasping]

565

00:31:43,610 --> 00:31:44,944  
-[thunder rumbling]  
-[sighing]

566  
00:31:45,111 --> 00:31:46,946  
[Rian] Just great.

567  
00:31:47,155 --> 00:31:49,157  
[overlapping Podling chatter]

568  
00:31:56,664 --> 00:31:58,166  
[giggling]

569  
00:32:00,168 --> 00:32:01,753  
[chattering continues]

570  
00:32:02,545 --> 00:32:04,047  
[speaking Podling language]

571  
00:32:06,174 --> 00:32:08,134  
[grunting, yelping]

572  
00:32:13,890 --> 00:32:16,267  
[overlapping Podling language]

573  
00:32:16,517 --> 00:32:18,227  
Excuse me. Pardon.

574  
00:32:19,646 --> 00:32:21,022  
[giggling]

575  
00:32:24,734 --> 00:32:27,278  
[speaking Podling language]

576  
00:32:32,951 --> 00:32:34,953  
[foreboding music playing]

577  
00:32:43,336 --> 00:32:45,338  
-[playing drums]  
-[Podling yelling]

578

00:32:45,546 --> 00:32:47,256  
[Podlings playing music]

579

00:32:47,340 --> 00:32:48,508  
[Podlings cheering]

580

00:32:54,764 --> 00:32:56,140  
[Podlings laughing]

581

00:33:01,062 --> 00:33:02,313  
[grunting]

582

00:33:03,022 --> 00:33:04,691  
-[yelling]  
-[yelping]

583

00:33:06,359 --> 00:33:07,860  
[gulping]

584

00:33:13,741 --> 00:33:15,368  
[speaking Podling language]

585

00:33:17,120 --> 00:33:18,121  
[sighing]

586

00:33:32,593 --> 00:33:33,845  
Dance bowbi! [squealing]

587

00:33:33,928 --> 00:33:36,431  
I'm sorry. I'm not much of a dancer.

588

00:33:36,556 --> 00:33:38,433  
Thank you. Maybe later.

589

00:33:38,725 --> 00:33:40,727  
[speaking Podling language]

590

00:33:45,565 --> 00:33:47,567  
[yelling in Podling language]

591

00:33:48,151 --> 00:33:50,361

[laughing]

592

00:33:51,154 --> 00:33:53,156  
[speaking Podling language]

593

00:33:55,867 --> 00:33:57,118  
[cheering]

594

00:33:58,036 --> 00:33:59,203  
[groaning]

595

00:34:00,580 --> 00:34:03,082  
But... But I didn't order this.

596

00:34:03,958 --> 00:34:04,917  
Lady.

597

00:34:05,293 --> 00:34:07,587  
-Lady.  
-[blowing kiss]

598

00:34:08,129 --> 00:34:09,255  
-[laughing]  
-Oh...

599

00:34:09,380 --> 00:34:10,256  
I see.

600

00:34:11,424 --> 00:34:12,383  
Thank you!

601

00:34:12,467 --> 00:34:13,801  
[swooning]

602

00:34:26,439 --> 00:34:28,483  
Sorry, I don't want to dan--

603

00:34:28,566 --> 00:34:30,693  
Don't move. Hands on the table.

604

00:34:31,027 --> 00:34:32,779

-You're...

-Naia.

605

00:34:33,112 --> 00:34:35,114

-Gurjin's sister.

-And this is Kylan.

606

00:34:35,615 --> 00:34:38,993

-We're not here for a fight.

-But you are coming with us, traitor.

607

00:34:39,077 --> 00:34:40,578

-I'm no traitor.

-[Naia] I don't care.

608

00:34:40,661 --> 00:34:44,165

The Skeksis want you, and I want  
my brother, so I'm going to make a trade.

609

00:34:44,999 --> 00:34:47,126

-[metal clanging]

-[Podlings shrieking]

610

00:34:51,339 --> 00:34:54,467

-I'll take it from here, Drenchen.

-You're not taking anything, Vapran.

611

00:34:54,967 --> 00:34:56,886

I am the Princess Tavra...

612

00:34:56,969 --> 00:34:58,554

-sent by the All-Maudra...

-And I'm the eldest daughter...

613

00:34:58,638 --> 00:35:01,099

-...to return this criminal to Ha'rar--

-...of Maudra Laesid, sister of...

614

00:35:01,182 --> 00:35:03,935

Perhaps we should all take  
a deep calming breath.

615

00:35:04,936 --> 00:35:07,146

-Rian murdered a member of my clan!  
-I didn't!

616

00:35:07,230 --> 00:35:09,148  
He's going to the Crystal Castle with me!

617

00:35:09,232 --> 00:35:11,818  
[Tavra] You're in over your head.  
Go back to your swamp.

618

00:35:11,901 --> 00:35:14,028  
-[huffing]  
-That's enough!

619

00:35:14,487 --> 00:35:15,363  
[gasping]

620

00:35:23,204 --> 00:35:24,580  
What is that?

621

00:35:24,664 --> 00:35:26,791  
Dreamfast with me, and I'll show you.

622

00:35:26,874 --> 00:35:29,377  
[Tavra]  
Everyone knows your mind is infected.

623

00:35:29,585 --> 00:35:31,879  
We dreamfast, we take in your sickness.

624

00:35:31,963 --> 00:35:35,925  
The Skeksis spread the lie that I am sick  
to ensure the truth dies with me.

625

00:35:38,553 --> 00:35:40,429  
The truth about your brother.

626

00:35:41,639 --> 00:35:43,516  
And what happened to Mira.

627

00:35:44,517 --> 00:35:47,186  
-I'll dreamfast with you.

-Kylan, no.

628

00:35:47,270 --> 00:35:51,065  
The Skeksis may rule the land,  
but they do not rule my heart.

629

00:35:51,149 --> 00:35:53,818  
[Tavra] My mother would want to know  
the whole truth.

630

00:35:54,944 --> 00:35:55,862  
Huh.

631

00:35:57,697 --> 00:35:58,781  
What's the matter?

632

00:35:59,615 --> 00:36:00,575  
Scared?

633

00:36:01,492 --> 00:36:02,577  
[sighing]

634

00:36:02,785 --> 00:36:03,953  
If I come out of this crazy,

635

00:36:04,036 --> 00:36:07,290  
the last thing I'll do before  
I lose my mind is take your life.

636

00:36:07,373 --> 00:36:08,457  
[chuckling]

637

00:36:08,875 --> 00:36:10,042  
Sounds fair.

638

00:36:21,721 --> 00:36:23,723  
[thunder rumbling]

639

00:36:25,975 --> 00:36:27,310  
[gasping]

640

00:36:36,068 --> 00:36:37,361  
[rumbling]

641  
00:36:39,030 --> 00:36:40,531  
[Landstrider bellowing]

642  
00:36:41,574 --> 00:36:43,242  
[echoing] You want to go Spitter hunting?

643  
00:36:43,326 --> 00:36:46,829  
...my father had to listen  
to a few stories about his son.

644  
00:37:14,982 --> 00:37:15,983  
[gasping] Rian!

645  
00:37:16,192 --> 00:37:17,318  
[echoing]

646  
00:37:17,610 --> 00:37:18,611  
Don't let it escape!

647  
00:37:21,864 --> 00:37:24,200  
-What's down there?  
-[Rian] Let's see.

648  
00:37:24,700 --> 00:37:26,577  
[Scientist] Do you know what this is?

649  
00:37:26,661 --> 00:37:28,537  
It's the Crystal of Truth.

650  
00:37:28,621 --> 00:37:30,456  
-[Scientist] Here is the answer we seek!  
-[wailing]

651  
00:37:31,457 --> 00:37:33,000  
[screaming]

652  
00:37:34,001 --> 00:37:35,294  
[shrieking]

653  
00:37:36,128 --> 00:37:37,546  
[screams echoing]

654  
00:37:43,219 --> 00:37:46,389  
-[Chamberlain] We are friends, Rian!  
-No, don't listen, Rian.

655  
00:37:48,182 --> 00:37:50,142  
-[Chamberlain shrieking]  
-[Gurjin] Rian! Run, Rian!

656  
00:37:51,102 --> 00:37:52,561  
You'll never catch Rian now.

657  
00:37:53,062 --> 00:37:54,522  
[Rian yelling]

658  
00:37:57,441 --> 00:37:58,567  
Gurjin!

659  
00:37:58,734 --> 00:38:00,027  
[panting]

660  
00:38:00,236 --> 00:38:01,362  
[gasping]

661  
00:38:06,742 --> 00:38:07,868  
[gasping]

662  
00:38:08,286 --> 00:38:10,121  
Rian, I was...

663  
00:38:10,496 --> 00:38:12,248  
-Did you see?  
-Yes.

664  
00:38:13,040 --> 00:38:14,041  
Everything.

665  
00:38:14,750 --> 00:38:16,627  
I'm sorry I didn't believe you, son.

666

00:38:18,963 --> 00:38:22,383  
We're together now,  
that's all that matters.

667

00:38:23,551 --> 00:38:24,802  
[both sighing]

668

00:38:31,142 --> 00:38:32,184  
[Naia] Look.

669

00:38:33,227 --> 00:38:34,979  
-Look!  
-[Kylan] The table!

670

00:38:35,146 --> 00:38:37,148  
[overlapping Podling muttering]

671

00:38:43,487 --> 00:38:45,448  
[Tavra] We created a dream etching.

672

00:38:46,782 --> 00:38:49,493  
I know this symbol.  
My sister showed it to me.

673

00:38:51,537 --> 00:38:52,705  
[Ordon] We are all in danger.

674

00:38:53,122 --> 00:38:56,292  
We must go to the All-Maudra,  
rally every Gelfling to our cause.

675

00:38:57,084 --> 00:39:00,212  
[Naia] My brother is still a prisoner.  
I will go and free him.

676

00:39:00,296 --> 00:39:01,630  
[Tavra] And I will go with you.

677

00:39:02,006 --> 00:39:04,717  
A Vapran and a Drenchen  
fighting side by side.

678

00:39:05,176 --> 00:39:09,805  
-Hm. It really must be end times.  
-Well, then we'd better act quickly.

679

00:39:10,348 --> 00:39:12,016  
-Hm.  
-Hm.

680

00:39:12,266 --> 00:39:13,768  
We'll meet you in Ha'rar!

681

00:39:14,685 --> 00:39:17,521  
-Until the day.  
-Thra protect us all.

682

00:39:18,064 --> 00:39:19,023  
Hm.

683

00:39:19,106 --> 00:39:20,066  
[thunder rumbling]

684

00:39:20,608 --> 00:39:22,193  
-We have to keep moving!  
-[panting]

685

00:39:22,276 --> 00:39:25,821  
Once the Skeksis realize  
I've betrayed them, they'll send others.

686

00:39:26,781 --> 00:39:29,241  
Any guards they send  
will have to believe you!

687

00:39:29,325 --> 00:39:30,534  
I can dreamfast.

688

00:39:31,410 --> 00:39:32,912  
They won't send Gelfling.

689

00:39:33,371 --> 00:39:35,623  
The Skeksis will come for us!

690  
00:39:35,706 --> 00:39:37,625  
Come on, son! This way!

691  
00:39:38,167 --> 00:39:39,668  
[panting]

692  
00:39:40,669 --> 00:39:41,796  
[grunting]

693  
00:39:45,674 --> 00:39:46,926  
[sniffing]

694  
00:39:48,511 --> 00:39:49,929  
[growling]

695  
00:39:50,721 --> 00:39:52,139  
[wind howling]

696  
00:39:53,224 --> 00:39:57,186  
The Skeksis will stop at nothing  
to keep their secrets.

697  
00:39:58,437 --> 00:39:59,730  
[gasping]

698  
00:40:01,732 --> 00:40:03,359  
Run, Rian! Go! Run!

699  
00:40:04,026 --> 00:40:05,528  
[grunting]

700  
00:40:06,695 --> 00:40:08,280  
[snarling]

701  
00:40:08,906 --> 00:40:10,324  
[growling]

702  
00:40:13,119 --> 00:40:14,286  
[panting]

703  
00:40:18,207 --> 00:40:19,375  
[grunting]

704  
00:40:32,096 --> 00:40:33,305  
[panting]

705  
00:40:33,597 --> 00:40:34,723  
Huh?

706  
00:40:35,182 --> 00:40:36,267  
That was Rian!

707  
00:40:36,976 --> 00:40:37,893  
[gasping]

708  
00:40:38,352 --> 00:40:39,520  
[groaning]

709  
00:40:39,979 --> 00:40:43,649  
Aduma! Beast! Retreat ya elambom!

710  
00:40:44,108 --> 00:40:45,526  
He needs our help!

711  
00:40:46,360 --> 00:40:47,361  
-[Hup] Deet!  
-[panting]

712  
00:40:48,070 --> 00:40:49,864  
Deet! [panting]

713  
00:40:52,867 --> 00:40:53,826  
[grunting]

714  
00:40:53,951 --> 00:40:55,744  
-I think we lost it.  
-Not for long.

715  
00:40:55,828 --> 00:40:56,662  
Huh?

716

00:40:56,745 --> 00:40:57,746  
[Ordon] We need a plan.

717

00:41:00,040 --> 00:41:03,252  
Do you remember when we used to catch  
Fizzgig outside Stone-in-the-Wood?

718

00:41:03,794 --> 00:41:04,837  
Ah...

719

00:41:05,171 --> 00:41:07,214  
Just like old times.

720

00:41:10,050 --> 00:41:10,968  
I'll be the bait.

721

00:41:12,052 --> 00:41:13,387  
See you soon.

722

00:41:13,679 --> 00:41:14,638  
[laughing]

723

00:41:16,891 --> 00:41:18,434  
[growling]

724

00:41:19,810 --> 00:41:21,187  
[sniffing]

725

00:41:21,312 --> 00:41:22,813  
[snarling]

726

00:41:26,901 --> 00:41:28,277  
[panting]

727

00:41:28,611 --> 00:41:30,196  
-[yelling]  
-[roaring]

728

00:41:39,705 --> 00:41:41,040  
[panting]

729  
00:41:42,166 --> 00:41:43,417  
[growling]

730  
00:41:50,925 --> 00:41:52,593  
[grunting]

731  
00:41:53,344 --> 00:41:54,512  
[yelling]

732  
00:41:55,971 --> 00:41:57,681  
[grunting]

733  
00:42:01,143 --> 00:42:02,269  
[thudding]

734  
00:42:02,561 --> 00:42:03,521  
[grunting]

735  
00:42:05,439 --> 00:42:06,565  
[squeaking]

736  
00:42:07,316 --> 00:42:08,442  
[rumbling]

737  
00:42:15,241 --> 00:42:16,367  
[growling]

738  
00:42:18,869 --> 00:42:21,247  
I've come for my prize!

739  
00:42:21,330 --> 00:42:23,290  
Your lying tongue!

740  
00:42:24,708 --> 00:42:25,834  
[yelling]

741  
00:42:27,294 --> 00:42:28,295  
[grunting]

742  
00:42:28,379 --> 00:42:29,672

[sword swooshing]

743

00:42:32,550 --> 00:42:33,634  
[grunting]

744

00:42:33,968 --> 00:42:35,177  
[squeaking]

745

00:42:41,183 --> 00:42:42,393  
[grunting]

746

00:42:44,562 --> 00:42:45,938  
[yelling]

747

00:42:49,942 --> 00:42:51,277  
[straining]

748

00:42:55,614 --> 00:42:56,657  
[groaning]

749

00:42:58,284 --> 00:42:59,451  
[yelling]

750

00:43:01,996 --> 00:43:03,330  
[Hunter groaning]

751

00:43:03,998 --> 00:43:05,749  
Not quite like old times.

752

00:43:06,500 --> 00:43:08,210  
Very well

753

00:43:08,294 --> 00:43:09,920  
Father and son.

754

00:43:10,129 --> 00:43:11,672  
-Not quite.  
-[yelling]

755

00:43:11,797 --> 00:43:12,756  
[both] Together!

756  
00:43:15,634 --> 00:43:16,927  
[Deet] Oh! Rian!

757  
00:43:20,014 --> 00:43:20,848  
[Deet yelping]

758  
00:43:26,353 --> 00:43:27,771  
[metal clanking]

759  
00:43:33,902 --> 00:43:35,487  
[Hunter] You have heart.

760  
00:43:37,990 --> 00:43:40,326  
I'll take that, too.

761  
00:43:45,331 --> 00:43:46,290  
[groaning]

762  
00:43:51,128 --> 00:43:52,129  
Follow me!

763  
00:43:56,800 --> 00:43:58,886  
-[growling]  
-Father?

764  
00:44:00,137 --> 00:44:01,180  
Father!

765  
00:44:01,889 --> 00:44:03,390  
Enough fun!

766  
00:44:03,557 --> 00:44:05,142  
-[snarling]  
-[wheezing]

767  
00:44:07,353 --> 00:44:09,355  
-No! Father!  
-Not...

768  
00:44:10,022 --> 00:44:10,939

my...

769

00:44:11,023 --> 00:44:13,025  
son!

770

00:44:16,737 --> 00:44:17,988  
[squeaking]

771

00:44:19,406 --> 00:44:20,741  
[yelling]

772

00:44:21,617 --> 00:44:22,576  
No!

773

00:44:23,077 --> 00:44:26,080  
-Father!  
-You're coming with me.

774

00:44:26,747 --> 00:44:28,666  
It's all right.  
[yelling]

775

00:44:30,542 --> 00:44:33,003  
Rian, be brave!

776

00:44:33,295 --> 00:44:34,588  
[straining]

777

00:44:38,759 --> 00:44:39,593  
No!

778

00:44:46,350 --> 00:44:50,270  
No! Father! Father!

779

00:44:50,562 --> 00:44:53,565  
-[Deet] Rian, stop! It's too dangerous!  
-No, Father!

780

00:44:54,191 --> 00:44:56,944  
[screaming]  
No! No! No!

781  
00:44:58,278 --> 00:44:59,196  
No!

782  
00:45:00,197 --> 00:45:01,323  
He's gone.

783  
00:45:02,574 --> 00:45:03,701  
[hoarse] He's gone.

784  
00:45:03,992 --> 00:45:05,577  
[panting]

785  
00:45:07,079 --> 00:45:09,081  
[voice trembling] They're all... gone.

786  
00:45:12,167 --> 00:45:14,169  
[rumbling]

787  
00:45:18,215 --> 00:45:19,800  
[exploding]

788  
00:45:20,050 --> 00:45:22,010  
-[gasping]  
-[rumbling continues]

789  
00:45:23,137 --> 00:45:24,430  
[Rian yelling]

790  
00:45:26,432 --> 00:45:29,351  
[Rian] No! No!

791  
00:45:29,685 --> 00:45:30,894  
Rian!

792  
00:45:33,647 --> 00:45:35,232  
[panting]

793  
00:45:39,361 --> 00:45:41,363  
[fantasy music playing]
