1

00:00:08,091 --> 00:00:09,676
[overlapping yelling]

2

00:00:10,301 --> 00:00:12,303
-Please! You have to listen.
-[Paladin] Move!

3

00:00:12,887 --> 00:00:15,807
You're making a terrible mistake! You--
[grunting]

4

00:00:16,016 --> 00:00:17,475
Let us go right now!

5

00:00:17,559 --> 00:00:19,185
[grunting]

6

00:00:19,394 --> 00:00:21,938
-The Skeksis killed my mother!
-Be silent!

7

00:00:22,897 --> 00:00:24,607
Or I will silence you!

8

00:00:24,691 --> 00:00:26,401
You will never silence me!

9

00:00:26,484 --> 00:00:28,528
-Well...
-[Brea yelps]

10

00:00:28,611 --> 00:00:30,113
[Paladin yelping]

11

00:00:30,405 --> 00:00:31,531
You two Paladins.

12

00:00:32,073 --> 00:00:34,367
-Your services are no longer required.
-[grunting]

13

00:00:34,451 --> 00:00:36,661
Run along back to your new All-Maudra.

14
00:00:36,828 --> 00:00:40,790
These Gelfling here have just the vigor
we're looking for.

15
00:00:40,874 --> 00:00:42,167
[grunting]

16
00:00:42,292 --> 00:00:43,877
-Load them in!
-[Paladin] Turn around!

17
00:00:44,294 --> 00:00:45,962
And their little Podling, too.

18
00:00:46,254 --> 00:00:48,089
-[Paladin] Get in! I won't tell you again!
-[Hup shouting]

19
00:00:48,173 --> 00:00:49,049
Move!

20
00:00:49,132 --> 00:00:51,051
-[Deet] Let us go!
-Gelfling!

21
00:00:51,134 --> 00:00:52,093
[overlapping shouting]

22
00:00:52,177 --> 00:00:54,387
[Ritual Master] Come on! Get in there!

23
00:00:54,929 --> 00:00:57,474
-[commotion]
-Silence! Get in!

24
00:00:57,807 --> 00:01:00,518
Go, Gelfling! Stop whining!

25
00:01:00,602 --> 00:01:02,729

Silence!

26

00:01:02,812 --> 00:01:04,314
No!

27

00:01:06,816 --> 00:01:08,651
[Lore rumbling]

28

00:01:26,753 --> 00:01:28,004
[groaning]

29

00:01:28,296 --> 00:01:29,964
To the Castle of the Crystal.

30

00:01:30,715 --> 00:01:32,300
-[zapping]
-[Armaligs groaning]

31

00:01:38,723 --> 00:01:40,475
-[Deet] Help!
-[Brea] Please, my lords. Please!

32

00:01:40,725 --> 00:01:43,436
-Help us! Please, help!
-[female Paladin] Don't do this, my lords.

33

00:01:43,520 --> 00:01:44,729
Let us out!

34

00:01:44,979 --> 00:01:46,481
Let us out!

35

00:01:47,482 --> 00:01:48,858
[overlapping yelling]

36

00:01:56,950 --> 00:01:58,743
[whispering]

37

00:01:59,744 --> 00:02:00,745
[Brea] Help us!

38

00:02:01,371 --> 00:02:03,623
-Someone!
-[Deet] Let us go!

39
00:02:04,707 --> 00:02:06,417
[gasping] Huh.

40
00:02:07,168 --> 00:02:08,711
The Skeksis have Deet.

41
00:02:09,379 --> 00:02:10,505
And Brea.

42
00:02:10,755 --> 00:02:12,215
We have to do something.

43
00:02:12,507 --> 00:02:15,760
You have no idea what horrible things
the Skeksis will do to them.

44
00:02:15,844 --> 00:02:18,429
We won't abandon anyone. I promise.

45
00:02:18,680 --> 00:02:20,849
-But we'll have to act quickly.
-[Naia] Let's mount up.

46
00:02:20,932 --> 00:02:22,350
-[grunting]
-[galloping]

47
00:02:22,517 --> 00:02:23,893
-[Naia] On your right!
-[Rian] Follow me!

48
00:02:24,018 --> 00:02:25,395
-[Naia] Hi-yah!
-[Armaligs bellowing]

49
00:02:25,562 --> 00:02:26,604
Watch out!

00:02:26,896 --> 00:02:28,898
[overlapping shouting]

51
00:02:40,118 --> 00:02:41,995
[sighing]

52
00:02:48,877 --> 00:02:50,044
[sighing]

53
00:02:50,128 --> 00:02:51,462
[throne rumbling]

54
00:02:52,630 --> 00:02:53,464
Hm?

55
00:02:54,883 --> 00:02:56,467
-[gasping]
-[glass clinking]

56
00:03:00,263 --> 00:03:01,264
-[footsteps approaching]
-[gasping]

57
00:03:01,347 --> 00:03:02,182
[shrieking]

58
00:03:18,948 --> 00:03:20,074
[gasping]

59
00:03:21,534 --> 00:03:22,619
[Lore rumbling]

60
00:03:25,455 --> 00:03:26,873
[panting]

61
00:03:35,757 --> 00:03:37,425
[glass shattering]

62
00:03:38,801 --> 00:03:40,303
[yelling]

63

00:03:45,266 --> 00:03:47,268
[Armaligs bellowing]

64
00:03:50,188 --> 00:03:51,397
[Brea] Oh, what's going on?

65
00:03:52,190 --> 00:03:53,608
Help! Someone help!

66
00:03:53,942 --> 00:03:55,276
Where are they taking us?

67
00:03:55,860 --> 00:03:56,903
Please!

68
00:03:57,612 --> 00:03:58,738
[yelling]

69
00:03:58,821 --> 00:04:00,698
[female paladin] Trust the lords.

70
00:04:01,074 --> 00:04:03,534
-[panting]
-[Hup speaking Podling language]

71
00:04:04,744 --> 00:04:07,580
You must learn
to control your temper, skekVar.

72
00:04:07,664 --> 00:04:08,665
[scoffing]

73
00:04:08,748 --> 00:04:11,209
We were sent to collect Gelfling,
not spill blood!

74
00:04:11,292 --> 00:04:12,961
I did what was necessary.

75
00:04:13,044 --> 00:04:16,381
I only hope, for your sake,
the Emperor sees it that way.

76

00:04:16,464 --> 00:04:19,092
-The Emperor is forgiving.
-[Ritual Master] Of course.

77

00:04:19,175 --> 00:04:22,178
If there's one quality our Emperor
is known for,

78

00:04:22,262 --> 00:04:23,930
it's mercy.

79

00:04:24,222 --> 00:04:26,224
-[chuckling]
-[sighing]

80

00:04:39,487 --> 00:04:41,531
[Armaligs moaning]

81

00:04:45,076 --> 00:04:46,744
[yelping]

82

00:04:47,495 --> 00:04:49,122
[panting]

83

00:04:56,504 --> 00:04:58,673
-Why have we stopped?
-Hm...

84

00:04:59,340 --> 00:05:00,258
[Deet] Huh?

85

00:05:00,341 --> 00:05:01,509
-What's happening?
-Yapa...

86

00:05:01,592 --> 00:05:02,593
[Deet] Where are we?

87

00:05:02,677 --> 00:05:03,803
Why we not go?

88

00:05:04,304 --> 00:05:06,139
-I don't know. Is something wrong?
-[gasping]

89

00:05:06,681 --> 00:05:07,974
-[Kylan] Down!
-[Naia] Skeksis!

90

00:05:08,349 --> 00:05:09,809
[growling]

91

00:05:11,602 --> 00:05:12,437
Rian!

92

00:05:13,104 --> 00:05:15,773
-[Brea] What's going on?
-Rian? Rian is here!

93

00:05:15,857 --> 00:05:16,774
[gasping]

94

00:05:16,858 --> 00:05:18,443
I hear you're looking for me!

95

00:05:18,776 --> 00:05:20,236
[huffing] Arrogant trifle!

96

00:05:20,320 --> 00:05:22,989
[Rian] What's the matter?
Too scared to come out and face me?

97

00:05:23,364 --> 00:05:24,657
[growling]

98

00:05:24,782 --> 00:05:26,284
-Now!
-Go!

99

00:05:26,367 --> 00:05:27,660
[yelling]

100

00:05:28,578 --> 00:05:29,454
Stay low!

101
00:05:30,079 --> 00:05:31,497
[panting]

102
00:05:32,665 --> 00:05:34,751
-[Kylan] Brea.
-[gasping]

103
00:05:34,876 --> 00:05:35,752
-Kylan!
-We're here.

104
00:05:37,211 --> 00:05:39,213
-We're going to get you all out.
-Somehow.

105
00:05:39,547 --> 00:05:41,341
-Huh?
-[female Paladin] Please help, please!

106
00:05:41,424 --> 00:05:43,801
-[Hup speaking Podling language]
-[grunting]

107
00:05:44,635 --> 00:05:46,637
-[cackling]
-[zapping]

108
00:05:46,721 --> 00:05:48,473
[Armaligs groaning]

109
00:05:49,390 --> 00:05:51,017
[moaning]

110
00:05:52,101 --> 00:05:53,853
[rumbling]

111
00:06:01,110 --> 00:06:03,738
What was that? What's happening?
Come on, we need to get on.

112
00:06:05,740 --> 00:06:06,699
Open up!

113
00:06:06,783 --> 00:06:07,784
Move! Look out!

114
00:06:08,117 --> 00:06:09,535
[growling]

115
00:06:09,744 --> 00:06:10,828
[gasping]

116
00:06:11,079 --> 00:06:12,330
[overlapping yelling]

117
00:06:12,455 --> 00:06:14,874
-What are you doing?
-Squashing a pest!

118
00:06:15,500 --> 00:06:17,293
[moaning]

119
00:06:17,502 --> 00:06:19,712
-But we're not moving!
-I know that!

120
00:06:20,296 --> 00:06:21,923
[Armaligs wailing]

121
00:06:25,718 --> 00:06:26,594
What's it doing?

122
00:06:27,637 --> 00:06:28,930
[Ritual-Master wheezing]

123
00:06:29,514 --> 00:06:31,224
What is that foul thing?

124
00:06:31,307 --> 00:06:32,600
-Huh?
-[yelping]

125

00:06:33,559 --> 00:06:35,311
[snorting]

126

00:06:36,020 --> 00:06:38,940
It's some creature! Get away, fiend.

127

00:06:40,566 --> 00:06:41,776
[gasping]

128

00:06:42,902 --> 00:06:43,945
Let go!

129

00:06:47,323 --> 00:06:48,908
[all gasping]

130

00:06:49,158 --> 00:06:51,369
-My carriage!
-[Naia] Everyone, out!

131

00:06:52,662 --> 00:06:54,914
-This way!
-Come on, let's go! This way.

132

00:06:55,123 --> 00:06:56,666
-Let's go. Go. Don't stop!
-Come on.

133

00:06:57,917 --> 00:06:59,836
-This way!
-This way. Don't look back! Come on.

134

00:07:00,211 --> 00:07:02,713
Don't stop, move it.
That's it. We've gotta go.

135

00:07:04,257 --> 00:07:06,926
-[Brea] You saved us.
-[Lore rumbling]

136

00:07:07,969 --> 00:07:09,929
I've never seen such a creature before.

137
00:07:11,097 --> 00:07:12,432
[yelping]

138
00:07:12,598 --> 00:07:14,767
Good day. Uh...

139
00:07:16,436 --> 00:07:17,520
This is Lore.

140
00:07:18,062 --> 00:07:19,772
He's my protector.

141
00:07:20,940 --> 00:07:21,983
Thank you, Lore.

142
00:07:22,066 --> 00:07:25,236
You'll die for this impudence,
you noxious Gelfling!

143
00:07:25,653 --> 00:07:26,737
[gasping]

144
00:07:29,449 --> 00:07:31,117
[gasping] What are you doing?

145
00:07:32,368 --> 00:07:35,746
-It's coming for us!
-I demand you stop where you are!

146
00:07:36,330 --> 00:07:38,207
Halt! That's far enough!

147
00:07:38,291 --> 00:07:39,625
[yelping]

148
00:07:39,876 --> 00:07:40,877
What shall we do?

149
00:07:41,252 --> 00:07:45,006
-We must escape without delay!

-At long last, you've had a good idea.

150
00:07:45,089 --> 00:07:45,965
Yes.

151
00:07:46,424 --> 00:07:48,426
-[zapping]
-[Armaligs moaning]

152
00:07:53,890 --> 00:07:54,891
Cowards!

153
00:07:55,641 --> 00:07:57,101
[panting]

154
00:07:58,728 --> 00:07:59,604
[panting]

155
00:08:00,938 --> 00:08:02,023
[gasping]

156
00:08:05,276 --> 00:08:07,278
-[Lore rumbling]
-Uh...

157
00:08:07,904 --> 00:08:08,863
Hello there.

158
00:08:12,867 --> 00:08:13,910
[panting]

159
00:08:14,035 --> 00:08:14,869
Rian.

160

513

00:28:39,134 --> 00:28:40,135
That's good.

514

00:28:40,552 --> 00:28:42,262
[moaning]

515

00:28:42,470 --> 00:28:43,805
That's better.

516

00:28:46,516 --> 00:28:47,517
That's the best.

517

00:28:47,600 --> 00:28:50,562
What is matter here? Have all gone mad?

518

00:28:50,645 --> 00:28:52,105
-[gasping]
-[grunting]

519

00:28:52,522 --> 00:28:54,524
-And now public micturition?
-[farting]

520

00:28:54,607 --> 00:28:57,402
-Chamberlain, have you not heard?
-[Chamberlain yelps]

521

00:28:57,485 --> 00:28:59,654
-Ooh, ah... Excuse me.
-Ugh!

522

00:29:02,866 --> 00:29:06,578
The General murdered the All-Maudra.

523

00:29:06,911 --> 00:29:08,371
-The General?
-Yes.

524

00:29:08,455 --> 00:29:11,207
-At the Emperor's command?
-No, no!

525

00:29:11,458 --> 00:29:13,209
No command at all.

526

00:29:13,293 --> 00:29:17,046
And then the castle guards
rose against us.

527

00:29:17,422 --> 00:29:19,632
We crushed them!

528

00:29:19,716 --> 00:29:21,718
[cackling]

529

00:29:21,968 --> 00:29:24,637
It has been a long time
since I have experienced

530

00:29:24,971 --> 00:29:29,851
the heady thrill of armed combat.
[hiccups]

531

00:29:29,934 --> 00:29:33,396
Emperor must be very angry at General.

532

00:29:34,189 --> 00:29:35,523
Hm...

533

00:29:36,983 --> 00:29:40,320
Perhaps I rejoin at sire's side.

534

00:29:40,737 --> 00:29:41,946
Yes?

535

00:29:42,489 --> 00:29:45,909
Come, come. See for yourself.

536

00:29:46,034 --> 00:29:47,285
Mm...

537

00:29:47,368 --> 00:29:48,912
[snickering]

538

00:29:51,247 --> 00:29:52,707
[General] What a feast!

539

00:29:53,374 --> 00:29:56,211
-[music machine playing]
-[overlapping Skeksis chatter]

540

00:29:57,212 --> 00:30:00,423
[Ritual-Master]
I'm overcome by zeal! Such ardor!

541

00:30:00,507 --> 00:30:02,509
[Podlings shuddering]

542

00:30:02,592 --> 00:30:05,595
[Gourmand] Oh, yes. Look, see.

543

00:30:05,970 --> 00:30:07,096
Ha!

544

00:30:07,347 --> 00:30:09,015
Oh, my!

545

00:30:09,265 --> 00:30:10,767
Sweet essence!

546

00:30:10,892 --> 00:30:12,894
[overlapping Skeksis chatter]

547

00:30:13,061 --> 00:30:14,854
[slurping]

548

00:30:15,396 --> 00:30:16,815
[Collector] Delicious!

549

00:30:19,984 --> 00:30:21,277
[laughing]

550

00:30:22,987 --> 00:30:24,364
[slurping]

551

00:30:24,489 --> 00:30:25,990
[cackling]

552

00:30:26,908 --> 00:30:27,909
Ah!

553

00:30:28,243 --> 00:30:30,036
-It's so good!
-[burping]

554

00:30:30,578 --> 00:30:32,872
-Essence everywhere.
-[cackling]

555

00:30:33,498 --> 00:30:35,875
Anyway, as I was saying,

556

00:30:36,459 --> 00:30:40,964
essence goes much better
with roasted snoutling.

557

00:30:41,047 --> 00:30:43,591
-Hear, hear!
-You're probably wondering

558

00:30:43,675 --> 00:30:46,427
how we came by all this essence.

559

00:30:46,511 --> 00:30:49,180
Ah... it's a delightful tale.

560

00:30:49,973 --> 00:30:52,600
After the guards were defeated,

561

00:30:52,725 --> 00:30:55,436
we started draining them.

562

00:30:55,520 --> 00:30:58,523
Now, we feast on essence!

563

00:30:58,606 --> 00:31:00,567
[cackling]

564
00:31:01,276 --> 00:31:04,195
Don't worry. We kept the Podlings.

565
00:31:04,320 --> 00:31:06,948
[chortling]

566
00:31:07,240 --> 00:31:08,491
[speaking Podling language]

567
00:31:08,575 --> 00:31:10,201
[Skeksis yelling]

568
00:31:11,661 --> 00:31:12,787
[squeaking]

569
00:31:14,163 --> 00:31:15,874
[commotion]

570
00:31:17,292 --> 00:31:19,043
[snarling]

571
00:31:20,628 --> 00:31:22,505
[hacking]

572
00:31:22,839 --> 00:31:24,632
Stop! Stop!

573
00:31:24,716 --> 00:31:27,802
Stop the music. I bring news!

574
00:31:28,636 --> 00:31:31,389
Terrible news! Stop!

575
00:31:31,681 --> 00:31:34,350
-Cease all merrymaking!
-[Skeksis] Bah!

576
00:31:34,475 --> 00:31:37,812

[Emperor]
Chamberlain! I see you standing here,

577
00:31:37,896 --> 00:31:39,522
but no Rian.

578
00:31:39,898 --> 00:31:42,817
What do you have to say
before I punish you

579
00:31:42,901 --> 00:31:45,236
for your continued failure?

580
00:31:45,570 --> 00:31:46,613
[Skeksis cackling]

581
00:31:46,696 --> 00:31:48,156
As you celebrate,

582
00:31:48,239 --> 00:31:50,408
Gelfling of Stone-in-Wood rebel.

583
00:31:50,491 --> 00:31:53,870
An entire clan
has taken arms against Skeksis.

584
00:31:54,579 --> 00:31:56,915
I was drawn into heated battle.

585
00:31:57,040 --> 00:31:59,542
-I face grave danger.
-[burping]

586
00:31:59,626 --> 00:32:03,630
I fought my way out at own personal risk
to bring you this report.

587
00:32:03,713 --> 00:32:04,714
[Skeksis] Bah!

588
00:32:04,797 --> 00:32:06,674
Stone-in-the-Wood you say?

589

00:32:07,216 --> 00:32:10,637

Yes. Yes!

Because of General's blundering violence!

590

00:32:10,720 --> 00:32:11,554

Bah...

591

00:32:11,971 --> 00:32:14,307

-Nonsense.

-SkekVar killed All-Maudra

592

00:32:14,515 --> 00:32:16,184

against Emperor's wishes.

593

00:32:16,309 --> 00:32:18,937

Caused all of this. Order is upended!

594

00:32:19,020 --> 00:32:21,022

-[growling]

-Huh?

595

00:32:22,065 --> 00:32:23,942

[laughing]

596

00:32:25,193 --> 00:32:27,195

[cackling]

597

00:32:31,908 --> 00:32:34,661

The General has set us free.

598

00:32:34,744 --> 00:32:37,205

Never again will the Skeksis

have to bear the burden

599

00:32:37,288 --> 00:32:40,750

of pretending to care

for these useless Gelfling.

600

00:32:41,167 --> 00:32:45,004

[General] We will take what is ours

without games or pretense.

601

00:32:45,546 --> 00:32:47,048
We will rule forever!

602

00:32:47,131 --> 00:32:48,925
[cheering]

603

00:32:50,677 --> 00:32:52,345
But... But, Emperor...

604

00:32:53,429 --> 00:32:54,347
Emperor.

605

00:32:55,264 --> 00:32:59,394
The Chamberlain here may've inadvertently
provided us with our next meal.

606

00:32:59,894 --> 00:33:01,688
The Stonewoods' defiance

607

00:33:01,938 --> 00:33:04,190
is all the justification we need

608

00:33:04,273 --> 00:33:07,527
to clear them out of their village
and into our larders!

609

00:33:07,610 --> 00:33:09,028
[cheering]

610

00:33:09,445 --> 00:33:11,239
-We must have more essence!
-More essence!

611

00:33:11,322 --> 00:33:13,157
-More!
-More!

612

00:33:13,241 --> 00:33:14,409
[cackling]

613

00:33:14,492 --> 00:33:17,370
-More essence!
-More essence!

614
00:33:17,912 --> 00:33:19,539
[Skeksis chanting] More!

615
00:33:19,622 --> 00:33:20,623
More essence!

616
00:33:22,583 --> 00:33:24,085
More essence!

617
00:33:24,168 --> 00:33:25,586
[sniffing]

618
00:33:27,130 --> 00:33:29,966
What is that I smell on you, Chamberlain?

619
00:33:31,092 --> 00:33:33,094
[sniffing]

620
00:33:33,344 --> 00:33:36,556
Oh! Peachberry!
SkekSil stinks of it.

621
00:33:36,973 --> 00:33:38,141
[groaning]

622
00:33:39,684 --> 00:33:41,436
Into the bath with you, Chamberlain.

623
00:33:41,853 --> 00:33:42,895
Ah, disgusting.

624
00:33:43,604 --> 00:33:44,605
-Ugh, stinks!
-[Scroll-Keeper] Get out!

625
00:33:44,689 --> 00:33:46,357
-You stink!
-[Ritual-Master] Go on with you!

626

00:33:46,983 --> 00:33:48,693
[Scientist] Filthy! Out!

627

00:33:49,485 --> 00:33:51,279
Begone!

628

00:33:51,821 --> 00:33:54,574
-Yes. Begone, Chamberlain!
-[Chamberlain whimpering]

629

00:33:54,657 --> 00:33:57,326
Remove your fetid stench
from our presence!

630

00:33:57,452 --> 00:33:59,203
[Skeksis laughing]

631

00:33:59,871 --> 00:34:00,788
[guard] Let go!

632

00:34:01,330 --> 00:34:03,207
Let me go!

633

00:34:03,624 --> 00:34:05,001
[cage rattling]

634

00:34:08,421 --> 00:34:11,215
-[door locking]
-[indistinct muttering]

635

00:34:11,674 --> 00:34:12,800
[female Paladin] Let us out!

636

00:34:15,094 --> 00:34:15,928
Let us out!

637

00:34:16,012 --> 00:34:18,848
-[sighing]
-[Tavra] Do not lose hope, Paladin.

638

00:34:23,019 --> 00:34:24,353
Princess Tavra.

639
00:34:24,687 --> 00:34:26,731
-You're alive.
-For now.

640
00:34:28,357 --> 00:34:30,651
I'm sorry about your mother.

641
00:34:33,196 --> 00:34:34,280
What about my mother?

642
00:34:35,448 --> 00:34:36,324
You don't know.

643
00:34:36,783 --> 00:34:39,952
She stood up to the Skeksis.
She tried to save our lives, but...

644
00:34:41,287 --> 00:34:42,914
[exhaling]

645
00:34:46,042 --> 00:34:47,835
-But she's gone?
-[gasping]

646
00:34:50,379 --> 00:34:52,381
[prisoners muttering]

647
00:34:53,716 --> 00:34:56,344
Then she died doing what she had to do.

648
00:34:57,136 --> 00:34:58,638
What she always did.

649
00:34:59,806 --> 00:35:01,307
Protecting Gelfling.

650
00:35:01,724 --> 00:35:02,683
Mm...

651

00:35:04,852 --> 00:35:07,105
We must stay strong, Paladin.

652

00:35:09,315 --> 00:35:10,650
For the All-Maudra.

653

00:35:11,192 --> 00:35:12,443
For the All-Maudra.

654

00:35:17,240 --> 00:35:19,242
[wind blowing]

655

00:35:29,460 --> 00:35:30,878
Maudras...

656

00:35:32,004 --> 00:35:33,714
as we all expected,

657

00:35:34,298 --> 00:35:37,093
Maudra Argot of Grot
did not make the journey

658

00:35:37,510 --> 00:35:40,680
but sent back her piece
of the Living Crown with her blessing.

659

00:35:42,348 --> 00:35:43,850
And so I join it with mine.

660

00:35:47,854 --> 00:35:50,356
You may now deliver your blessings

661

00:35:51,065 --> 00:35:52,733
upon my coronation.

662

00:35:53,901 --> 00:35:55,736
The Spriton bless the All-Maudra.

663

00:36:01,242 --> 00:36:03,411
The Sifa bless the All-Maudra.

664
00:36:08,833 --> 00:36:09,667
Hm.

665
00:36:10,334 --> 00:36:12,503
The Dousan bless the All-Maudra.

666
00:36:19,177 --> 00:36:20,011
Hm.

667
00:36:23,097 --> 00:36:25,808
-The Stonewood withhold.
-What?

668
00:36:25,892 --> 00:36:27,059
[gasping]

669
00:36:28,561 --> 00:36:29,729
Maudra Laesid.

670
00:36:30,813 --> 00:36:33,107
The Drenchen withhold.

671
00:36:33,191 --> 00:36:34,108
Oh, no.

672
00:36:35,151 --> 00:36:36,527
[Maudra Mera]
This has never happened before.

673
00:36:36,611 --> 00:36:37,486
[scoffing]

674
00:36:38,279 --> 00:36:41,741
I am the eldest daughter
of the fallen All-Maudra,

675
00:36:41,991 --> 00:36:43,993
heir to the Vapran throne,

676
00:36:44,410 --> 00:36:46,454
next in the line of succession.

677

00:36:47,038 --> 00:36:50,541
The All-Maudra
has not always been a Vapran.

678

00:36:51,292 --> 00:36:53,044
But the Skeksis decreed it.

679

00:36:53,336 --> 00:36:56,047
-Yes.
-The Skeksis who imprison our children

680

00:36:56,422 --> 00:36:59,550
-and take our lives for themselves.
-[sighing]

681

00:36:59,967 --> 00:37:05,139
A war is coming, and Seladon
is not the one to lead us into battle.

682

00:37:05,223 --> 00:37:08,601
It's my mother's crown. It belongs to me.

683

00:37:09,018 --> 00:37:12,813
I would've followed her
into a nest of Spitters, but not you.

684

00:37:12,897 --> 00:37:15,733
-[gasping]
-[Maudra Fara] I challenge Seladon...

685

00:37:16,692 --> 00:37:18,361
for the Living Crown!

686

00:37:18,903 --> 00:37:22,323
-Fara, don't do this.
-Let us not act rashly.

687

00:37:22,615 --> 00:37:24,617
Better we wait and bide our time.

688

00:37:24,700 --> 00:37:29,121

Maudra Fara, I beg you to reconsider.
We cannot stand against the Skeksis.

689

00:37:29,205 --> 00:37:31,540
[Maudra Fara] They are few, we are many.

690

00:37:32,875 --> 00:37:36,254
We can fight! I will lead us to victory!

691

00:37:36,587 --> 00:37:38,965
But the Skeksis are immortal.

692

00:37:39,048 --> 00:37:41,968
How can you defeat an enemy
that cannot die?

693

00:37:42,051 --> 00:37:45,221
Maudra Fara has invoked a challenge.

694

00:37:45,888 --> 00:37:48,266
It is her right to choose the nature.

695

00:37:50,434 --> 00:37:52,144
-Trial by air.
-[gasping]

696

00:37:52,228 --> 00:37:56,148
Tests and trials are the Skeksis ways,
not Gelfling.

697

00:37:56,232 --> 00:37:58,150
How have we come to this?

698

00:38:00,236 --> 00:38:01,821
Be wary, Fara.

699

00:38:01,988 --> 00:38:05,741
Seladon is very clever.
She leaves nothing to chance.

700

00:38:05,825 --> 00:38:10,204
[scoffing] I would wager on the strength

of my wings against hers any day.

701

00:38:10,538 --> 00:38:11,664
[Seladon] I accept.

702

00:38:12,748 --> 00:38:14,959
Trial by air.

703

00:38:15,543 --> 00:38:17,295
Victor takes the crown.

704

00:38:19,255 --> 00:38:20,214
Of course.

705

00:38:20,965 --> 00:38:24,552
I will take no pleasure
in besting you... childling.

706

00:38:24,969 --> 00:38:25,970
[scoffing]

707

00:38:40,693 --> 00:38:42,695
[creature bellowing]

708

00:38:47,491 --> 00:38:49,160
Mm?

709

00:38:53,080 --> 00:38:54,081
[exhaling]

710

00:38:55,875 --> 00:38:57,543
-[creature bellowing]
-Hm?

711

00:39:01,505 --> 00:39:02,548
[sighing]

712

00:39:03,799 --> 00:39:05,801
-[bellowing continues]
-Hm?

713

00:39:07,970 --> 00:39:09,430
[grunting]

714
00:39:10,848 --> 00:39:13,934
Easy, Lore. Easy, Lore.

715
00:39:15,061 --> 00:39:16,395
[Hup grunting]

716
00:39:18,606 --> 00:39:19,648
What is that?

717
00:39:19,774 --> 00:39:21,776
[bellowing]

718
00:39:22,109 --> 00:39:23,361
The Dousan.

719
00:39:23,444 --> 00:39:25,237
I've never met a Dousan before.

720
00:39:25,321 --> 00:39:28,157
They rarely travel
beyond their beloved desert.

721
00:39:28,324 --> 00:39:31,702
The Dousan are the only clan forbidden
from being castle guards.

722
00:39:32,119 --> 00:39:34,663
The Skeksis told us they worship death.

723
00:39:36,457 --> 00:39:39,043
[bellowing]

724
00:39:42,630 --> 00:39:43,923
Whoa!

725
00:39:50,012 --> 00:39:51,514
[gasping]

726

00:39:54,225 --> 00:39:56,060
[grunting]

727
00:40:03,734 --> 00:40:05,152
He looks fun.

728
00:40:06,487 --> 00:40:09,281
[Hup chuckling]

729
00:40:18,666 --> 00:40:20,000
Gidakai kae.

730
00:40:20,418 --> 00:40:21,794
To the great All,

731
00:40:22,336 --> 00:40:24,880
may the dead become one with Thra again.

732
00:40:24,964 --> 00:40:27,299
May we feel their tears in rain

733
00:40:27,716 --> 00:40:29,718
and their warmth in the suns.

734
00:40:30,177 --> 00:40:33,222
Though they are gone,
they remain with us still.

735
00:40:34,515 --> 00:40:35,933
That was beautiful.

736
00:40:36,934 --> 00:40:40,479
But trifling compared to the depths
of your emotion.

737
00:40:42,440 --> 00:40:44,859
Your song was carried to us
on the desert winds.

738
00:40:45,151 --> 00:40:47,695
We heard its melody
and were deeply moved.

739

00:40:48,821 --> 00:40:52,283
These passings
were very important to you. True?

740

00:40:54,577 --> 00:40:56,328
We have taken many losses.

741

00:40:56,912 --> 00:40:58,789
Friends, parents...

742

00:40:59,832 --> 00:41:01,333
even the All-Maudra.

743

00:41:03,752 --> 00:41:05,754
Yes, we have heard of her passing.

744

00:41:06,547 --> 00:41:08,424
The windsifters have flown.

745

00:41:08,924 --> 00:41:11,677
[inhaling] She was my mother.

746

00:41:12,261 --> 00:41:14,138
I should've known, Princess.

747

00:41:18,267 --> 00:41:19,977
My name is Rek'yr,

748

00:41:20,728 --> 00:41:23,022
Sandmaster of the Southern Xeric.

749

00:41:23,105 --> 00:41:24,440
I'm Brea.

750

00:41:26,859 --> 00:41:28,402
-Here, a simple charm, Princess.
-Oh!

751

00:41:31,947 --> 00:41:32,948
Huh.

752

00:41:35,284 --> 00:41:37,578
Made from Moog bone for protection.

753

00:41:39,371 --> 00:41:43,000
If I or any of my crew
can be of assistance...

754

00:41:44,168 --> 00:41:45,211
Uh...

755

00:41:45,794 --> 00:41:46,837
Actually,

756

00:41:47,379 --> 00:41:50,758
a few of us seek safe passage
across the Crystal Desert.

757

00:41:51,759 --> 00:41:54,970
Bennu and myself
would be happy to carry you.

758

00:41:55,596 --> 00:41:58,224
It would be an honor
to take you, Princess.

759

00:41:58,933 --> 00:41:59,767
Thank you.

760

00:42:00,851 --> 00:42:03,479
My friends and I need to reach
the Circle of the Suns

761

00:42:03,562 --> 00:42:05,564
-as soon as possible.
-You seek the Circle?

762

00:42:06,273 --> 00:42:07,441
A cursed ruin.

763

00:42:07,858 --> 00:42:10,236
-Dangerous. Forbidden.

-[gasping]

764

00:42:10,694 --> 00:42:13,239
Allow me to escort you
to the Wellspring instead,

765

00:42:13,572 --> 00:42:15,157
a verdant oasis with crystal--

766

00:42:15,241 --> 00:42:16,617
No. If you're too scared,
then it's all right.

767

00:42:17,034 --> 00:42:19,411
-We can find another way.
-Very well. Very well.

768

00:42:20,329 --> 00:42:22,039
I will take you as far as I am able.

769

00:42:23,249 --> 00:42:25,209
Thank you. We are forever in your debt.

770

00:42:25,709 --> 00:42:27,002
-Mm.
-[Rian clearing throat] Um...

771

00:42:27,753 --> 00:42:29,213
Would you excuse us?

772

00:42:30,172 --> 00:42:31,173
Thank you.

773

00:42:31,966 --> 00:42:33,217
What are you doing?

774

00:42:33,300 --> 00:42:35,469
Wait. You don't trust Rek'yr? Why?

775

00:42:36,262 --> 00:42:38,138
-[overlapping chatter]
-Well, for starters,

776

00:42:38,264 --> 00:42:39,431
he's a Dousan.

777

00:42:40,724 --> 00:42:43,686
-They're obsessed with death.
-They're not obsessed.

778

00:42:44,395 --> 00:42:45,604
He gave you bones.

779

00:42:47,273 --> 00:42:49,108
-I like it.
-Uh...

780

00:42:49,191 --> 00:42:50,943
-[overlapping chatter]
-[groaning]

781

00:42:51,735 --> 00:42:54,530
We graciously accept your offer.

782

00:42:56,240 --> 00:42:58,367
Then we sail at your command.

783

00:42:59,076 --> 00:42:59,910
Hm.

784

00:43:05,541 --> 00:43:07,918
Sail at your command!

785

00:43:08,877 --> 00:43:10,546
[imitates farting noise]

786

00:43:11,255 --> 00:43:12,631
I don't like him either.

787

00:43:13,257 --> 00:43:15,384
Come on, Hup. It'll be fun!

788

00:43:15,551 --> 00:43:18,304

-[giggling]
-[Hup speaking Podling language]

789
00:43:23,142 --> 00:43:25,144
[bellowing]

790
00:43:25,853 --> 00:43:28,272
Well, I suppose
this is where we say goodbye.

791
00:43:28,981 --> 00:43:31,066
We must light the fires of resistance.

792
00:43:31,442 --> 00:43:33,944
And spread the truth
across the Seven Clans.

793
00:43:34,862 --> 00:43:35,821
Come here.

794
00:43:36,989 --> 00:43:38,115
-[Rian] Mm.
-Farewell, Rian.

795
00:43:39,700 --> 00:43:41,035
Take care of yourself.

796
00:43:41,910 --> 00:43:44,330
You too... bold Gurjin.

797
00:43:44,413 --> 00:43:47,833
Ha! I like that. Bold Gurjin.

798
00:43:47,916 --> 00:43:49,501
[laughing]

799
00:43:55,299 --> 00:43:57,301
[wings flapping]

800
00:44:01,930 --> 00:44:03,932
[bellowing]

801

00:44:12,191 --> 00:44:14,985
So, the hunt continues.

802

00:44:31,627 --> 00:44:34,213
Don't fear. She's only a frightened child.

803

00:44:34,296 --> 00:44:35,297
She's no threat.

804

00:44:35,381 --> 00:44:38,133
So you've chosen
the course for this day's trial by air?

805

00:44:38,217 --> 00:44:41,136
-We'll fly Raunip's Pass.
-A dangerous route.

806

00:44:50,521 --> 00:44:52,731
[Maudra Mera] How many trine
since a challenge was issued?

807

00:44:52,815 --> 00:44:54,400
I don't even know.

808

00:44:54,483 --> 00:44:56,360
Six hundred and thirty-nine.

809

00:44:56,860 --> 00:44:58,737
This is a wretched business.

810

00:44:59,697 --> 00:45:02,866
Seladon is late. More games!

811

00:45:03,409 --> 00:45:06,412
[Maudra Fara] Perhaps smashing her wings
upon the rocks will knock some sense

812

00:45:06,495 --> 00:45:08,539
into the entitled little princess.

813

00:45:12,710 --> 00:45:17,423

Enough waiting.
It's obvious Seladon dares not face me.

814
00:45:17,715 --> 00:45:19,633
The Living Crown is mine.

815
00:45:26,849 --> 00:45:28,100
[gasping]

816
00:45:28,517 --> 00:45:30,018
The princess.

817
00:45:30,102 --> 00:45:31,937
She looks like a Skeksis.

818
00:45:34,940 --> 00:45:36,108
Loyal Maudras,

819
00:45:37,109 --> 00:45:39,403
I am humbled by your presence

820
00:45:39,486 --> 00:45:42,823
on the day of my coronation.

821
00:45:43,198 --> 00:45:46,785
You are not All-Maudra.
Not while my challenge stands.

822
00:45:46,994 --> 00:45:48,328
Or have you forgotten?

823
00:45:48,746 --> 00:45:49,997
I remember well.

824
00:45:50,956 --> 00:45:54,042
I hereby forfeit my claim
to the Living Crown.

825
00:45:54,126 --> 00:45:55,794
-What? Is it over then?
-[gasping]

826

00:45:56,670 --> 00:45:59,047
Take your soiled trinket, Fara.

827

00:46:03,051 --> 00:46:06,305
This crown belonged to my friend!
Your mother.

828

00:46:09,767 --> 00:46:13,854
Her traitorous blood
has forever stained the Living Crown.

829

00:46:14,396 --> 00:46:16,774
What was once a symbol of Gelfling unity

830

00:46:16,857 --> 00:46:19,526
is now the sad relic
of a failed rebellion.

831

00:46:20,360 --> 00:46:23,197
That is why I have forged a new crown

832

00:46:23,697 --> 00:46:25,365
to symbolize a new future

833

00:46:26,158 --> 00:46:27,743
for all Gelfling.

834

00:46:28,702 --> 00:46:32,414
You defile her legacy
with that abomination.

835

00:46:32,956 --> 00:46:37,336
And you invite ruin
with your feckless rush to war.

836

00:46:37,419 --> 00:46:38,337
Oh!

837

00:46:38,462 --> 00:46:41,340
-The Skeksis, in their infinite wisdom...
-[scoffing]

838

00:46:41,423 --> 00:46:44,635
...named me All-Maudra
upon my mother's death, just as---

839

00:46:44,718 --> 00:46:46,720
Skeksis are draining Gelfling!

840

00:46:47,554 --> 00:46:49,890
-Lies.
-You will never be All-Maudra!

841

00:46:50,349 --> 00:46:53,727
I am All-Maudra.

842

00:46:53,811 --> 00:46:55,646
[groaning]

843

00:46:56,605 --> 00:46:57,731
[grunting]

844

00:46:58,315 --> 00:46:59,441
No!

845

00:47:00,234 --> 00:47:02,986
I will have justice!

846

00:47:03,070 --> 00:47:04,696
-[gasping]
-[Fara yelling]

847

00:47:06,907 --> 00:47:09,868
I will see the Skeksis punished
for their crimes.

848

00:47:10,953 --> 00:47:12,913
I will be All-Maudra!

849

00:47:13,247 --> 00:47:15,249
You will bow.

850

00:47:15,874 --> 00:47:17,417

I will never bow!

851

00:47:18,252 --> 00:47:19,586
[grunting]

852

00:47:19,795 --> 00:47:23,006
Then you will crawl! [grunting]

853

00:47:23,757 --> 00:47:25,759
[yelping]

854

00:47:25,884 --> 00:47:28,053
-[crown shattering]
-[all gasping]

855

00:47:28,178 --> 00:47:29,555
-[moaning]
-[Maudra Laesid] Fara!

856

00:47:32,349 --> 00:47:33,183
This...

857

00:47:33,934 --> 00:47:36,061
This is the discord my mother has sown.

858

00:47:36,353 --> 00:47:38,438
This is the inevitable end of rebellion.

859

00:47:38,897 --> 00:47:42,776
Gelfling turning on Gelfling.
We stand on the brink of anarchy!

860

00:47:43,318 --> 00:47:45,320
[panting]

861

00:47:46,071 --> 00:47:47,573
Bow before me, Maudra Fara.

862

00:47:48,448 --> 00:47:51,285
And together
we will prove our loyalty to the Skeksis

863
00:47:51,368 --> 00:47:53,871
and snuff this fire
before it burns us all.

864
00:47:54,288 --> 00:47:56,290
[panting]

865
00:47:58,375 --> 00:48:00,377
As you burned your own mother.

866
00:48:01,211 --> 00:48:02,421
[gasping]

867
00:48:05,966 --> 00:48:07,050
Paladins!

868
00:48:07,509 --> 00:48:08,468
[gasping]

869
00:48:10,137 --> 00:48:12,306
Escort Fara from the citadel.

870
00:48:14,975 --> 00:48:17,978
-No need. I know the way.
-As do I.

871
00:48:18,061 --> 00:48:20,397
It is the rest of you who are lost.

872
00:48:20,480 --> 00:48:21,940
[groaning]

873
00:48:22,566 --> 00:48:24,568
[Fara whimpering]

874
00:48:30,908 --> 00:48:33,577
And what will you three choose?

875
00:48:34,536 --> 00:48:35,579
Order...

876
00:48:36,580 --> 00:48:37,831
or chaos?

877
00:48:38,749 --> 00:48:40,876
This is not the Gelfling way.

878
00:48:43,170 --> 00:48:46,340
It is now.

879
00:48:46,840 --> 00:48:48,383
[gasping]

880
00:49:03,815 --> 00:49:05,817
[fantasy music playing]
