

THE FOSTERS

Episode 5.02: "Exterminate Her"

Callie gets control of her life and applies to audit art classes at a local college; Jesus distances himself from Mariana and Brandon so he can build his tree house with Gabe alone; and the Fosters get a new neighbor.

00:07:59,562 --> 00:08:01,898
How can I help?
What can I do?

169
00:08:01,898 --> 00:08:03,483
Figure out what to get
the neighbors.

170
00:08:03,483 --> 00:08:04,984
(laughs)

171
00:08:04,984 --> 00:08:07,320
I'm serious.

172
00:08:09,030 --> 00:08:11,616
(knocking)

173
00:08:14,160 --> 00:08:16,037
-What?
-(knocking)

174
00:08:16,037 --> 00:08:17,663
What?

175
00:08:17,663 --> 00:08:19,457
Ow!

176
00:08:25,129 --> 00:08:26,631
-Hey.
-Can I come in?

177
00:08:26,631 --> 00:08:29,091
Uh, yeah.
Yeah, sure. Come in.

178
00:08:29,091 --> 00:08:32,762
Okay. Jesus wants to do
his senior project alone,

179
00:08:32,762 --> 00:08:34,764
but I need you to say
that you won't help

180
00:08:34,764 --> 00:08:36,057
unless it's both
our projects,

181
00:08:36,057 --> 00:08:38,184
because you can't
choose sides.

182
00:08:38,184 --> 00:08:39,769
Okay?

183
00:08:39,769 --> 00:08:41,479
Um...

184
00:08:43,064 --> 00:08:45,441
So, you know I'm on
the school paper, right?

185
00:08:45,441 --> 00:08:48,110
I know you fold the copies
and stack them in the hallway.

186
00:08:48,110 --> 00:08:49,820
It's an entry-level
position,

187
00:08:49,820 --> 00:08:51,989
but I will
be writing someday.

188
00:08:51,989 --> 00:08:53,533
Sorry.

189
00:08:53,533 --> 00:08:55,618
So, I probably shouldn't
be showing you this.

190
00:08:55,618 --> 00:08:58,704
But I took a screenshot
of an opinion piece

191
00:08:58,704 --> 00:09:00,581

that they're publishing
in tomorrow's paper.

192

00:09:04,669 --> 00:09:05,836
(knocking)

193

00:09:05,836 --> 00:09:08,005
What did you need?

194

00:09:08,005 --> 00:09:10,841
I thought we agreed we weren't
going to assign blame

195

00:09:10,841 --> 00:09:12,218
for what happened
at the protest.

196

00:09:12,218 --> 00:09:14,428
Oh. Yeah, we did agree,

197

00:09:14,428 --> 00:09:16,973
but that article
doesn't quote me
or anyone on the board

198

00:09:16,973 --> 00:09:19,141
or administration,
so it's just...

199

00:09:19,141 --> 00:09:20,351
one kid's opinion.

200

00:09:20,351 --> 00:09:22,478
An opinion that blames
the students,

201

00:09:22,478 --> 00:09:25,439
when, in fact,
Mr. Stratos put his hands
on my daughter first.

202

00:09:25,439 --> 00:09:28,442
-And your son shoved him.

-And the guards you hired
pepper-sprayed him.

203
00:09:28,442 --> 00:09:29,902
He's lucky
I didn't suspend him.

204
00:09:29,902 --> 00:09:31,612
And you're lucky
I don't sue you...

205
00:09:31,612 --> 00:09:32,989
and the school.

206
00:09:35,616 --> 00:09:37,368
(sighs)
Look.

207
00:09:37,368 --> 00:09:40,037
This article is only gonna
rile everybody up again.

208
00:09:40,037 --> 00:09:41,872
Not everybody.
There was a lot of kids

209
00:09:41,872 --> 00:09:45,293
who weren't at the protest
and aren't happy about
what happened.

210
00:09:45,293 --> 00:09:48,713
You're not suggesting
that I censor them, are you?

211
00:09:50,548 --> 00:09:52,717
Woman:
I'm really glad you
reached out, Callie.

212
00:09:52,717 --> 00:09:54,552
Callie:
Thank you, again,
for meeting me.

213

00:09:54,552 --> 00:09:56,721
This is all, like,
really amazing.

214

00:09:56,721 --> 00:09:58,681
Well, I hope you'll consider
our program,

215

00:09:58,681 --> 00:10:00,808
but applications
are due soon.

216

00:10:00,808 --> 00:10:03,561
Uh, what criteria
are they looking for?

217

00:10:03,561 --> 00:10:05,521
Grades and SAT scores,
of course.

218

00:10:05,521 --> 00:10:08,190
But they're interested
in the whole student,
so your essay is important

219

00:10:08,190 --> 00:10:11,360
-and, of course,
your portfolio.
-Um...

220

00:10:11,360 --> 00:10:13,821
Portfolio?
Like-- like, what?

221

00:10:13,821 --> 00:10:17,742
-Your body of work.
-I don't really have
a body of work.

222

00:10:17,742 --> 00:10:20,453
Um, I have some
photographs,

223

00:10:20,453 --> 00:10:22,872
but my senior project
is pretty much it.

224

00:10:22,872 --> 00:10:25,916
I'm surprised to hear that,
given the sophistication
of that piece.

225

00:10:25,916 --> 00:10:27,752
(laughs)
Um...

226

00:10:27,752 --> 00:10:30,421
So, how many pieces
would I need in my portfolio?

227

00:10:30,421 --> 00:10:33,215
At least twenty
really good ones.

228

00:10:36,469 --> 00:10:38,346
Look. You know,
there's always next year.

229

00:10:39,722 --> 00:10:43,768
I can't wait until next year.
I need this now.

230

00:10:43,768 --> 00:10:45,686
Could you, maybe...

231

00:10:46,896 --> 00:10:49,774
Do you think you could
help me build it
for this year?

232

00:10:57,865 --> 00:10:59,450
So, how'd it go?

233

00:11:02,119 --> 00:11:04,872
Oh, I have to have
a portfolio.

234

00:11:05,873 --> 00:11:08,668
What does--
what does that mean?

235

00:11:08,668 --> 00:11:11,295
Just art school's
not an option,

236

00:11:11,295 --> 00:11:12,963
at least not this year.

237

00:11:14,799 --> 00:11:16,842
It's okay though. I--

238

00:11:16,842 --> 00:11:18,928
I could go
to community college
for a year

239

00:11:18,928 --> 00:11:20,805
-and maybe apply
after that.
-(scoffs)

240

00:11:24,600 --> 00:11:26,352
Maybe I should
just do something else.

241

00:11:26,352 --> 00:11:27,895
I don't even know
if I'm an artist.

242

00:11:36,862 --> 00:11:38,322
Hey.

243

00:11:38,322 --> 00:11:40,032
Hi.

244

00:11:40,032 --> 00:11:43,953
So, Mariana just told me
that this tree house project

245

00:11:43,953 --> 00:11:46,414
was approved for her
and not Jesus,

246

00:11:46,414 --> 00:11:48,207
because he might not
be a senior next year?

247

00:11:48,207 --> 00:11:50,418
Well, we don't-- we don't
know that for sure.

248

00:11:50,418 --> 00:11:52,837
But he has no idea,
right?

249

00:11:52,837 --> 00:11:55,047
You know,
there are a lot of unknowns
with someone who has a TBI.

250

00:11:55,047 --> 00:11:57,425
We just don't
want to frighten Jesus
with all the what-ifs.

251

00:11:57,425 --> 00:11:59,802
Yeah, no, I-- I get it,

252

00:11:59,802 --> 00:12:02,847
but keeping things from him
blew up in a pretty big way,
you know?

253

00:12:04,640 --> 00:12:06,809
Listen, Gabe,
we really do appreciate

254

00:12:06,809 --> 00:12:08,936
your helping the kids out
with this project,

255

00:12:08,936 --> 00:12:11,564

but as far as
what we tell Jesus

256

00:12:11,564 --> 00:12:14,024
about his situation,
that's our call,
Lena's and mine.

257

00:12:16,444 --> 00:12:18,904
Right. Okay, I got it.
I'm... sorry.

258

00:12:18,904 --> 00:12:21,157
No, it's all good.
It's all good.

259

00:12:23,909 --> 00:12:25,494
We're in a drought,
you know.

260

00:12:25,494 --> 00:12:27,288
I'm allowed to water
twice a week!

261

00:12:27,288 --> 00:12:28,789
Ass.

262

00:12:28,789 --> 00:12:31,208
-I'm sorry. What?
-No, no. Not you!

263

00:12:31,208 --> 00:12:34,462
That-- that guy.
I'm Dean Bayfield,
Your new neighbor.

264

00:12:34,462 --> 00:12:36,338
Oh! Oh, my-- hi.

265

00:12:36,338 --> 00:12:38,883
I'm so sorry.
I'm-- I'm Stefanie
Adams Foster.

266

00:12:38,883 --> 00:12:41,093
Nice to meet you.
Sorry we haven't

267

00:12:41,093 --> 00:12:43,512
welcomed you
to the neighborhood.
It's just been--

268

00:12:43,512 --> 00:12:46,015
No, no. No problem.
We're up to our necks
in boxes.

269

00:12:46,015 --> 00:12:48,100
Oh, yeah. I hear ya.
(laughs)

270

00:12:48,100 --> 00:12:50,019
I just wanted
to talk to you
about your fence.

271

00:12:50,019 --> 00:12:52,146
It's leaning
on to our property.

272

00:12:53,481 --> 00:12:55,816
-Is it?
-Yeah, it looks like
the post is rotting.

273

00:12:55,816 --> 00:12:58,152
-They probably should have
put in concrete.
-Ah.

274

00:12:58,152 --> 00:13:01,030
Do you mind if I fix it?

275

00:13:01,030 --> 00:13:03,949
Yeah. Uh, well.
I mean, how much
is it gonna cost? 'Cause--

276

00:13:03,949 --> 00:13:05,951
Oh, oh. Nothing.
I'll-- I'll do it myself.

277

00:13:05,951 --> 00:13:07,912
I just didn't want to do it
without your permission.

278

00:13:09,038 --> 00:13:12,541
Uh, yeah.
That would be very... great.

279

00:13:12,541 --> 00:13:14,585
I appreciate-- we would--
that would be great.

280

00:13:14,585 --> 00:13:15,920
-Thanks.
-Sure thing.

281

00:13:15,920 --> 00:13:17,796
It's nice to meet you.
And once we get settled,

282

00:13:17,796 --> 00:13:19,423
-we'd love to have you over.
-That would be great.

283

00:13:19,423 --> 00:13:21,550
-Us too. Have you over.
-(chuckles) Okay.

284

00:13:21,550 --> 00:13:23,928
Have a good one.

285

00:13:23,928 --> 00:13:26,347
This is so unfair.
Why can't we tell
our side of the story?

286

00:13:26,347 --> 00:13:28,265
Because your side

could get you suspended?

287

00:13:28,265 --> 00:13:30,267
-We have to fight back.
-Honey, we are fighting.

288

00:13:30,267 --> 00:13:31,977
We're making our case
to the Department of Education

289

00:13:31,977 --> 00:13:34,897
that Monty was still
the principal and that
Drew's vote doesn't count.

290

00:13:34,897 --> 00:13:36,524
In the meantime,

291

00:13:36,524 --> 00:13:38,025
I need you guys to try
to stay calm

292

00:13:38,025 --> 00:13:39,693
and not agitate
the situation.

293

00:13:39,693 --> 00:13:41,612
Okay. Get to class.

294

00:13:42,988 --> 00:13:44,949
Jude:
This sucks.

295

00:13:44,949 --> 00:13:47,535
When do they send
the paper to the printer?

296

00:13:47,535 --> 00:13:49,495
They already did.

297

00:13:49,495 --> 00:13:51,121
Hm.

298

00:13:51,121 --> 00:13:53,832
What if they caught an error
and sent a new file?

299

00:13:56,043 --> 00:13:57,920
Hey, Callie.

300

00:13:57,920 --> 00:14:00,130
I need you to make arrangements
to pick up your senior project.

301

00:14:00,130 --> 00:14:01,340
We don't have room
to store it.

302

00:14:02,550 --> 00:14:05,886
-Uh, you can just toss it.
-Are you sure?

303

00:14:05,886 --> 00:14:08,055
Yeah, I don't really
have anywhere to keep it
either.

304

00:14:08,055 --> 00:14:09,932
So really, it's fine.

305

00:14:12,142 --> 00:14:13,936
-So, how was your day?
-It was good!

306

00:14:13,936 --> 00:14:15,563
You know,
I actually met
our new neighbors.

307

00:14:15,563 --> 00:14:17,606
The husband, anyway.
His name is Dean.

308

00:14:17,606 --> 00:14:19,191
And guess what?

309

00:14:19,191 --> 00:14:22,319
He offered to fix our fence
and pay for it.

310

00:14:22,319 --> 00:14:25,030
-Can you believe that?
-Wow. What's he do
for a living?

311

00:14:25,030 --> 00:14:27,867
Um, I don't--I don't--
I don't know. I didn't ask.

312

00:14:27,867 --> 00:14:31,078
-Did you get his wife's name?
-Uh, no.

313

00:14:31,078 --> 00:14:32,663
Do they have children?

314

00:14:32,663 --> 00:14:35,124
Oh, my gosh.
I didn't interrogate him.
I just said hi.

315

00:14:35,124 --> 00:14:37,501
You know, for a detective,
it's surprising how little
information

316

00:14:37,501 --> 00:14:39,753
-you get out of normal people.
-Ha, ha. That's so funny.

317

00:14:39,753 --> 00:14:44,508
No, I'm actually excited
that we might have neighbors
we can be friends with.

318

00:14:44,508 --> 00:14:46,844
(saw buzzing loudly)

319

00:14:50,055 --> 00:14:51,724

(laughs)

320

00:14:51,724 --> 00:14:53,851
I wonder how friendly
they're gonna be about
the power saw.

321

00:14:53,851 --> 00:14:57,104
Do we have any idea
how long it's gonna take
to build this thing?

322

00:14:57,104 --> 00:14:59,899
Well, hopefully not long,
then Gabe can be on his way.

323

00:14:59,899 --> 00:15:02,651
Something happen?

324

00:15:02,651 --> 00:15:05,946
(sighs)
Just a little unsolicited
parenting advice.

325

00:15:05,946 --> 00:15:08,198
Oh, well, you're the one
who said it takes a village.

326

00:15:08,198 --> 00:15:09,992
A statement
I may live to regret.

327

00:15:09,992 --> 00:15:12,161
Speaking of,
did you talk to Robert?

328

00:15:12,161 --> 00:15:13,787
How did Callie's
meeting go?

329

00:15:15,080 --> 00:15:16,123
Not well.

330

00:15:18,667 --> 00:15:20,794
Um, okay...
So, uh...

331
00:15:20,794 --> 00:15:23,088
Helen just called me--
the art professor--

332
00:15:23,088 --> 00:15:26,133
she changed her mind.
She's gonna let me
audit her classes

333
00:15:26,133 --> 00:15:28,177
and help me put
my portfolio together,

334
