EPISODE 1.06

"Two Storms"

It's a reunion for all the wrong reasons when Hugh flies in for the funeral, coming face to face with his estranged children on a dark, stormy night.

Elizabeth Reaser	...	Shirley Crain
Oliver Jackson-Cohen	...	Luke Crain
Kate Siegel	...	Theodora Crain
Victoria Pedretti	...	Nell Crain
Lulu Wilson	...	Young Shirley
Mckenna Grace	...	Young Theo
Paxton Singleton	...	Young Steven
Julian Hilliard	...	Young Luke
Violet McGraw	...	Young Nell
Timothy Hutton	...	Hugh Crain
Anthony Ruivivar	...	Kevin Harris
James Lafferty	...	Ryan
Mimi Gould	...	Older Hazel

1

00:00:14,472 --> 00:00:16,474
[theme music playing]

2

00:01:18,870 --> 00:01:20,872
-[thunder rumbles]
-[rain patters]

3

00:01:27,087 --> 00:01:28,630
[Shirley breathing shakily]

4

00:01:39,974 --> 00:01:42,185
In movies,
they always say that they, uh,

5

00:01:42,477 --> 00:01:43,853
look like they're sleeping.

6

00:01:45,105 --> 00:01:47,982
She doesn't look like she's sleeping.
She looks dead.

7

00:01:50,652 --> 00:01:51,694
I mean, you, um...

8

00:01:52,320 --> 00:01:54,614
She looks great.
You did a really good job, as usual.

9

00:01:54,697 --> 00:01:57,367
-Thanks.
-But she doesn't look like she's sleeping.

10

00:01:59,077 --> 00:02:01,287
[sniffles] I don't know
why people say that.

11

00:02:01,788 --> 00:02:04,707
Most of what people say
at a funeral is a wish.

12

00:02:05,291 --> 00:02:06,334
They're...

13

00:02:06,960 --> 00:02:10,880
in a better place, they're at peace,
they're smiling down.

14

00:02:10,964 --> 00:02:12,507
People just wishing out loud.

15

00:02:12,590 --> 00:02:13,675
How bad was it?

16

00:02:14,968 --> 00:02:19,055
I mean, when she... got here,
how did she look?

17

00:02:19,848 --> 00:02:20,974
Are you really asking?

18

00:02:23,309 --> 00:02:24,144
No.

19

00:02:24,978 --> 00:02:25,812
You're right.

20

00:02:28,356 --> 00:02:29,816
You might wanna slow down.

21

00:02:30,275 --> 00:02:33,278
It's gonna be a long night.
You've been at that all day.

22

00:02:40,660 --> 00:02:41,744
[sighs]

23

00:02:43,371 --> 00:02:46,040
There's a stupid amount of food.
It keeps showing up.

24

00:02:47,083 --> 00:02:49,043
[Shirley] Hope they didn't eat dinner.

25

00:02:49,627 --> 00:02:50,837
-[Kevin] Can I have one?
-[Theo] Mm-hmm.

26

00:02:50,920 --> 00:02:52,714
[Shirley] Should've told them
not to eat dinner.

27

00:02:52,797 --> 00:02:55,175
There's plenty in the kitchen
if we burn through that.

28

00:02:55,466 --> 00:02:56,301
[sniffles]

29

00:02:56,384 --> 00:02:57,343
[sighs]

30

00:02:57,510 --> 00:02:58,970
-Thank you.
-[Theo] Yeah.

31

00:03:00,430 --> 00:03:02,640
Did you connect with a florist
for tomorrow?

32

00:03:02,891 --> 00:03:04,142
Yeah, it's all set.

33

00:03:04,559 --> 00:03:05,435
I promise.

34

00:03:06,561 --> 00:03:08,313
This gonna be a problem for Luke?

35

00:03:09,647 --> 00:03:12,483
If he tries for it,
Steve can take him back to the hotel.

36

00:03:20,325 --> 00:03:22,076
[Theo] So, Luke's fresh off the streets?

37

00:03:22,160 --> 00:03:24,996
[Shirley] Steve says he didn't even have
shoes when he found him.

38
00:03:25,121 --> 00:03:26,080
[Theo] Great.

39
00:03:26,289 --> 00:03:27,999
We get to watch him come down.

40
00:03:28,082 --> 00:03:30,710
He flies across the country
to puke on his dead sister.

41
00:03:30,793 --> 00:03:32,003
Jesus, Theo.

42
00:03:33,379 --> 00:03:35,924
Might as well hide our purses, though.

43
00:03:37,634 --> 00:03:38,760
[Theo] What about Dad?

44
00:03:38,843 --> 00:03:41,262
They flew in together,
I know that, so he's here.

45
00:03:41,346 --> 00:03:42,680
Has he been here before?

46
00:03:42,764 --> 00:03:44,682
I was trying to remember that, too.

47
00:03:44,891 --> 00:03:46,142
He hasn't, has he?

48
00:03:46,226 --> 00:03:48,853
-Or if he has, I can't remember it.
-[doorbell rings]

49
00:03:50,396 --> 00:03:52,815
-[Theo sighs]

-I got it. You guys relax.

50

00:03:54,651 --> 00:03:56,819

-[Kevin exhales]

-Please, Luke.

51

00:03:56,903 --> 00:03:58,738

Don't fuck this up.

52

00:04:01,032 --> 00:04:04,661

It's funny, Nellie was always trying
to get all of us together in one place.

53

00:04:04,744 --> 00:04:05,578

[Steve] Hey.

54

00:04:05,662 --> 00:04:07,830

-Even Dad tried for years.

-[Kevin] Can I get your coat?

55

00:04:07,914 --> 00:04:08,957

[Steve] Yeah.

56

00:04:10,792 --> 00:04:13,628

Someone should've told her
she didn't have to try this hard.

57

00:04:13,962 --> 00:04:14,963

-[Shirley] Hi.

-Hey.

58

00:04:15,672 --> 00:04:18,299

-[Shirley] It's pretty bad out there.

-Yeah. [sighs]

59

00:04:18,633 --> 00:04:19,842

It's just a little rain.

60

00:04:20,677 --> 00:04:22,303

-[Theo sighs]

-Hi, Shirl.

61

00:04:24,264 --> 00:04:25,265
Hey.

62
00:04:25,473 --> 00:04:26,474
Still not a hugger?

63
00:04:29,227 --> 00:04:30,103
Flight's good?

64
00:04:30,478 --> 00:04:32,313
It was... It was not too bad.

65
00:04:32,689 --> 00:04:33,523
Long.

66
00:04:36,776 --> 00:04:37,986
[Shirley clears throat]

67
00:04:39,237 --> 00:04:40,363
Dad's not with you?

68
00:04:40,655 --> 00:04:43,616
Uh, he's still at the hotel.
He told us to go ahead.

69
00:04:43,700 --> 00:04:45,493
He kept changing his clothes.

70
00:04:46,703 --> 00:04:47,996
He's nervous, I guess.

71
00:04:48,079 --> 00:04:50,581
Luke, can I get you some water
or something to eat?

72
00:04:50,665 --> 00:04:53,001
We've got a mountain of food.
Anything you want.

73
00:04:53,084 --> 00:04:54,127
[sighs]

74

00:04:59,048 --> 00:04:59,966
I'm sorry.

75

00:05:00,049 --> 00:05:03,428
[stammering] I can't-- I can't--
I can't...

76

00:05:05,930 --> 00:05:08,099
He seems a lot better than I expected.

77

00:05:08,182 --> 00:05:09,309
I know.

78

00:05:09,934 --> 00:05:12,270
I think he's, like, actually clean,
a little while now.

79

00:05:12,353 --> 00:05:14,897
-So what was with the jailbreak?
-Long story.

80

00:05:16,274 --> 00:05:17,108
Hey, Luke.

81

00:05:18,318 --> 00:05:19,444
[sighs]

82

00:05:25,950 --> 00:05:27,201
-You okay?
-Yeah.

83

00:05:27,285 --> 00:05:29,162
-Yeah?
-Yeah, I, um...

84

00:05:31,539 --> 00:05:33,791
[breathing shakily] I... [sniffles]

85

00:05:34,167 --> 00:05:36,336
I thought... I thought I could do it.

86

00:05:36,419 --> 00:05:37,795
-I know.
-She's right there.

87
00:05:38,379 --> 00:05:39,297
Take your time.

88
00:05:40,256 --> 00:05:41,132
We can wait.

89
00:05:42,258 --> 00:05:43,092
Yeah.

90
00:05:43,176 --> 00:05:44,218
There's no rush.

91
00:05:44,802 --> 00:05:45,720
I...

92
00:05:46,012 --> 00:05:47,513
-[sighs]
-It's okay. Come on.

93
00:05:47,889 --> 00:05:49,766
[breathing shakily]

94
00:05:50,683 --> 00:05:51,851
So, where's Leigh?

95
00:05:53,353 --> 00:05:54,187
What?

96
00:05:54,896 --> 00:05:57,315
Um, she'll be here tomorrow. We're, um...

97
00:05:57,774 --> 00:05:59,192
We didn't travel together.

98
00:05:59,442 --> 00:06:00,276
Why not?

99

00:06:01,861 --> 00:06:03,404
We're taking a... break.

100

00:06:04,405 --> 00:06:07,158
Luke, you sure I can't get you
an iced tea or something?

101

00:06:07,408 --> 00:06:08,659
-That might be good.
-Yeah.

102

00:06:08,743 --> 00:06:09,827
-Want some iced tea?
-Yeah.

103

00:06:09,911 --> 00:06:11,996
-Iced tea, you got it.
-That'd be great. Thanks, Kev.

104

00:06:12,413 --> 00:06:14,374
-You're taking a what?
-A break.

105

00:06:14,457 --> 00:06:16,459
-Like a separation?
-Like... [scoffs]

106

00:06:16,876 --> 00:06:18,336
If it's all the same to you,

107

00:06:18,419 --> 00:06:21,130
maybe we can save this conversation
for a little later.

108

00:06:21,214 --> 00:06:24,175
I... I mean, I think we got bigger things
to tackle tonight

109

00:06:24,258 --> 00:06:26,052
than my marital... [sighs]

110

00:06:27,387 --> 00:06:28,346
If you were married,

111
00:06:28,429 --> 00:06:31,015
you'd know that sometimes people need
a little room.

112
00:06:32,308 --> 00:06:34,519
I mean, I... Theo, I'm not...

113
00:06:34,602 --> 00:06:36,562
This is coming out wrong. I...

114
00:06:36,896 --> 00:06:40,149
I just think it's not unusual for people
in a relationship as long as us--

115
00:06:40,233 --> 00:06:41,150
I don't care.

116
00:06:41,943 --> 00:06:44,612
-Getting you a drink.
-[sighs] Thank Christ.

117
00:06:45,822 --> 00:06:47,907
[breathing shakily] Thank you.

118
00:06:52,036 --> 00:06:53,996
-Okay.
-[exhales deeply]

119
00:06:54,372 --> 00:06:55,456
-Yeah?
-Yeah.

120
00:06:57,250 --> 00:06:58,626
Just rip off the Band-Aid.

121
00:06:58,709 --> 00:06:59,752
Yeah, let's, um...

122
00:07:01,212 --> 00:07:02,422
-Let's do it.
-Okay.

123
00:07:06,342 --> 00:07:08,636
-[breathes shakily]
-I'm with you.

124
00:07:09,053 --> 00:07:10,012
We got this.

125
00:07:10,638 --> 00:07:12,765
It's not as bad as it is in your head,

126
00:07:12,932 --> 00:07:15,268
but...
she doesn't look like she's sleeping,

127
00:07:15,351 --> 00:07:17,019
-so forget that.
-Right. Right, right.

128
00:07:17,186 --> 00:07:20,314
And... and if you're not ready,
we'll just go back.

129
00:07:22,191 --> 00:07:23,901
-That's all right. Come on.
-Okay.

130
00:07:26,279 --> 00:07:28,281
[thunder rumbling]

131
00:07:38,875 --> 00:07:40,543
[both breathing shakily]

132
00:07:48,718 --> 00:07:49,552
Yep.

133
00:07:50,970 --> 00:07:53,055
That's... that's her, detective.

134
00:07:53,848 --> 00:07:54,849
Positive.

135

00:07:55,725 --> 00:07:56,726
Positive ID.

136

00:07:56,809 --> 00:07:59,770
[stuttering] That's Nellie, all right,
and she's dead.

137

00:07:59,854 --> 00:08:00,897
[sighs]

138

00:08:01,147 --> 00:08:02,064
Jesus.

139

00:08:02,982 --> 00:08:03,983
Jesus!

140

00:08:04,192 --> 00:08:05,318
Shit, Shirl.

141

00:08:06,027 --> 00:08:07,028
[exhales deeply]

142

00:08:08,362 --> 00:08:11,324
[breathing shakily] I'm sorry,
I don't know what that was.

143

00:08:11,407 --> 00:08:13,618
I changed every light bulb
in the house this afternoon,

144

00:08:13,701 --> 00:08:15,411
because if one went out
tonight or tomorrow,

145

00:08:15,495 --> 00:08:18,039
I wouldn't have time to change it
with everything going.

146

00:08:18,456 --> 00:08:20,541
It's... it's... crazy.

147

00:08:23,044 --> 00:08:23,878
I get it.

148
00:08:23,961 --> 00:08:25,755
-It's... it's crazy.
-[sighs]

149
00:08:26,672 --> 00:08:27,548
Right.

150
00:08:28,758 --> 00:08:30,301
We don't have to stay in here.

151
00:08:30,927 --> 00:08:31,886
Let's sit.

152
00:08:32,053 --> 00:08:33,387
-She's okay.
-Yeah.

153
00:08:33,679 --> 00:08:34,555
That'd be good.

154
00:08:36,307 --> 00:08:37,266
Thank you.

155
00:08:42,688 --> 00:08:45,525
I'm drinking every time
I feel like punching something.

156
00:08:46,275 --> 00:08:47,902
[Luke] It's just not fucking fair.

157
00:08:48,528 --> 00:08:49,904
-Fuck!
-[exhales]

158
00:08:50,571 --> 00:08:53,157
-[Shirley] Okay, Steve?
-Yeah, I'll be right there.

159
00:08:54,742 --> 00:08:55,826

[sighs deeply]

160

00:08:58,579 --> 00:09:00,581
[thunder rumbling]

161

00:09:02,291 --> 00:09:04,293
Oh, fuck.

162

00:09:04,460 --> 00:09:06,712
[inhales sharply]
Come on, get it together.

163

00:09:06,921 --> 00:09:09,006
[breathing shakily] Get it together.

164

00:09:11,717 --> 00:09:13,719
[thunder rumbling]

165

00:09:16,556 --> 00:09:17,431
[sighs]

166

00:09:19,684 --> 00:09:21,769
Oh, okay, okay!

167

00:09:23,646 --> 00:09:24,647
Okay.

168

00:09:26,691 --> 00:09:27,650
You okay?

169

00:09:27,733 --> 00:09:28,985
-[Steve] Huh?
-Spill it.

170

00:09:29,193 --> 00:09:31,028
-What?
-The details.

171

00:09:31,571 --> 00:09:34,156
Um, I... I don't know
much more than you. I...

172

00:09:34,865 --> 00:09:37,076
She killed herself at that goddamn house.

173

00:09:37,660 --> 00:09:40,705
-[Luke] I don't think it's that simple.
-Thanks. That clears it all right up.

174

00:09:40,788 --> 00:09:43,666
I... Listen, I'm not saying it's simple.
That's all I know.

175

00:09:43,749 --> 00:09:46,127
-No, I mean the suicide part.
-[chuckles]

176

00:09:46,669 --> 00:09:48,671
Luke, she went back to the house,

177

00:09:48,754 --> 00:09:51,299
she didn't tell anybody, and she...

178

00:09:52,466 --> 00:09:54,552
-You spoke to the coroner, right?
-Right.

179

00:09:55,386 --> 00:09:57,847
[Steve] So you probably know more
than I do.

180

00:09:57,930 --> 00:10:01,684
She-- she hung herself.
Her neck... was broken.

181

00:10:02,643 --> 00:10:03,519
[sighs]

182

00:10:04,270 --> 00:10:05,104
Her neck?

183

00:10:05,479 --> 00:10:06,397
Here you go.

184

00:10:06,480 --> 00:10:08,774
I still don't get why she'd go there
in the first place.

185

00:10:08,858 --> 00:10:12,320
-Well... Mom.
-She barely remembered Mom.

186

00:10:12,653 --> 00:10:13,738
Luke...

187

00:10:13,863 --> 00:10:15,364
how much do you remember Mom?

188

00:10:15,823 --> 00:10:18,367
-Yeah, I don't know.
-She was like six years old.

189

00:10:18,451 --> 00:10:19,910
Well, what then, Dr. Crain?

190

00:10:21,120 --> 00:10:21,954
Punch.

191

00:10:22,038 --> 00:10:24,582
I want to know what
Mrs. Dudley said to him. [sighs]

192

00:10:24,665 --> 00:10:26,375
-Me too.
-He didn't tell you?

193

00:10:26,667 --> 00:10:28,044
[Steve] What do you think?

194

00:10:30,421 --> 00:10:31,964
Six hours on a plane?

195

00:10:32,673 --> 00:10:33,633
Didn't come up?

196

00:10:34,383 --> 00:10:35,384
No.

197

00:10:35,885 --> 00:10:37,136
[Luke] Dad was in coach.

198

00:10:38,596 --> 00:10:39,430
Wait...

199

00:10:39,764 --> 00:10:42,516
you put yourself... in first class?

200

00:10:43,267 --> 00:10:44,644
I put him there, too.

201

00:10:45,061 --> 00:10:46,771
-And made Dad fly coach?
-[chuckles]

202

00:10:46,854 --> 00:10:48,147
He insisted.

203

00:10:48,439 --> 00:10:50,608
-That's--
-Look, Shirl, he wanted to...

204

00:10:50,691 --> 00:10:52,818
-That's just--
-...pay for his own ticket.

205

00:10:52,902 --> 00:10:55,029
-So, yeah, he was in coach.
-Hmm.

206

00:10:56,113 --> 00:10:59,116
It's not like we were really talking
each other's ears off before that.

207

00:10:59,200 --> 00:11:00,826
-[doorbell rings]
-[sighs]

208

00:11:01,952 --> 00:11:02,953
[sighs] God.

209
00:11:03,746 --> 00:11:04,664
I got it.

210
00:11:08,084 --> 00:11:10,503
[door creaks open]

211
00:11:12,046 --> 00:11:14,048
[thunder rumbles]

212
00:11:14,173 --> 00:11:16,050
-[Kevin] Hey, welcome. Hi.
-[Hugh] Hi.

213
00:11:17,051 --> 00:11:17,885
Hey.

214
00:11:18,094 --> 00:11:19,470
Boy, it's... [sniffles]

215
00:11:19,887 --> 00:11:22,306
-...it's coming down out there.
-Yeah, yeah.

216
00:11:22,390 --> 00:11:24,225
I know, I know, I know. It's...

217
00:11:25,810 --> 00:11:26,811
How are you, Kevin?

218
00:11:27,770 --> 00:11:28,604
I'm...

219
00:11:29,480 --> 00:11:30,439
so sorry.

220
00:11:31,399 --> 00:11:33,192
Yeah, yeah. Thanks.

221

00:11:33,317 --> 00:11:34,485
Me-- me-- me too.

222
00:11:40,783 --> 00:11:41,617
Wow.

223
00:11:46,372 --> 00:11:48,416
Hey, sorry, I'm... a little late.

224
00:11:49,667 --> 00:11:50,835
[Young Shirley] That's okay.

225
00:11:52,378 --> 00:11:53,671
[Young Theo] How was your flight?

226
00:11:53,921 --> 00:11:54,964
Uh...

227
00:11:55,798 --> 00:11:56,966
Well, it was...

228
00:11:58,259 --> 00:11:59,427
It was, uh...

229
00:12:03,180 --> 00:12:04,014
fine.

230
00:12:04,598 --> 00:12:06,892
-You know.
-[Shirley] Thanks for being here.

231
00:12:10,980 --> 00:12:11,939
[Hugh] Hey.

232
00:12:13,733 --> 00:12:14,650
Thank you.

233
00:12:14,734 --> 00:12:16,485
You-- you have a beautiful home.

234
00:12:17,278 --> 00:12:20,406

Oh, this is the...
this is the business side of the...

235

00:12:21,115 --> 00:12:23,617
The residential side is over in the...

236

00:12:25,077 --> 00:12:26,537
Thank you. [chuckles]

237

00:12:29,832 --> 00:12:30,958
God. [exhales deeply]

238

00:12:31,459 --> 00:12:32,418
Look at you girls.

239

00:12:32,752 --> 00:12:33,836
It's been a minute.

240

00:12:34,462 --> 00:12:35,504
Yeah, it has.

241

00:12:36,881 --> 00:12:38,048
Longer than a minute.

242

00:12:39,008 --> 00:12:40,301
Or a long...

243

00:12:41,343 --> 00:12:42,720
-minute.
-[chuckles softly]

244

00:12:43,095 --> 00:12:45,264
-I'm not sure... which.
-[chuckles]

245

00:12:48,184 --> 00:12:52,062
Can I get you anything?
We got tons to eat, plenty to drink.

246

00:12:52,146 --> 00:12:54,982
This is Kevin's coping mechanism.
He turns into a waiter.

247

00:12:55,983 --> 00:13:00,404
No, uh, thanks, I'm fine.
I... I don't really know...

248

00:13:01,447 --> 00:13:03,449
-what to say, uh...
-Mm-hmm

249

00:13:03,783 --> 00:13:04,700
...really.

250

00:13:05,284 --> 00:13:06,786
Other than, um...

251

00:13:08,537 --> 00:13:10,623
you know, to see all of you
in the same...

252

00:13:10,998 --> 00:13:12,374
room. Well, not all.

253

00:13:14,460 --> 00:13:15,586
I'm just sorry that...

254

00:13:16,462 --> 00:13:18,964
that we have to... be here...

255

00:13:20,049 --> 00:13:20,966
under...

256

00:13:22,760 --> 00:13:25,930
Neither can I.
Look at them, they're all grown up.

257

00:13:27,640 --> 00:13:28,516
What?

258

00:13:29,391 --> 00:13:30,267
Hmm?

259

00:13:31,685 --> 00:13:33,020
Under these circumstances,

260

00:13:33,103 --> 00:13:35,064
that we have to be here
under these circumstances--

261

00:13:35,147 --> 00:13:37,608
Wow, well put.
You want to do the eulogy tomorrow?

262

00:13:37,691 --> 00:13:39,443
-'Cause it's--
-You wanna go see her?

263

00:13:39,527 --> 00:13:42,029
-Yes, actually, if you'll excuse me.
-Of course.

264

00:13:42,112 --> 00:13:43,280
That's why we're here.

265

00:13:44,073 --> 00:13:46,075
[thunder rumbles]

266

00:14:04,802 --> 00:14:06,011
[Hugh] Oh, Shirley.

267

00:14:06,887 --> 00:14:07,763
Shirley.

268

00:14:08,472 --> 00:14:11,642
You... [inhales] You-- you... did a...

269

00:14:13,269 --> 00:14:14,812
She looks beautiful.

270

00:14:16,605 --> 00:14:17,606
Not too much makeup.

271

00:14:17,690 --> 00:14:20,025
Sometimes they put too much makeup

on them,

272

00:14:20,109 --> 00:14:21,110
but she looks, uh...

273

00:14:25,030 --> 00:14:25,990
[clicks tongue]

274

00:14:26,240 --> 00:14:27,408
You did a...

275

00:14:29,076 --> 00:14:30,035
Thank you for...

276

00:14:31,579 --> 00:14:33,831
taking care of her, and if there's a...

277

00:14:36,083 --> 00:14:37,042
Is there...?

278

00:14:37,751 --> 00:14:39,712
I could use a bathroom.
Where would be the closest?

279

00:14:39,795 --> 00:14:41,130
-Just head up that hall.
-Okay.

280

00:14:41,213 --> 00:14:43,424
-To your left at your-- the end.
-Okay.

281

00:15:08,157 --> 00:15:10,159
[thunder rumbling]

282

00:15:16,749 --> 00:15:18,751
[thunder roaring]

283

00:15:37,728 --> 00:15:39,730
[loud crash]

284

00:15:40,689 --> 00:15:41,899
[sighs]

285
00:15:49,740 --> 00:15:51,075
Oh, man.

286
00:15:53,077 --> 00:15:54,119
[sighs deeply]

287
00:16:00,626 --> 00:16:01,460
Great.

288
00:16:01,835 --> 00:16:02,670
[Olivia] Honey?

289
00:16:03,087 --> 00:16:05,172
[Younger Hugh] There you are.
You weren't in bed. Where'd you go?

290
00:16:05,255 --> 00:16:06,715
-[Olivia] Jesus Christ.
-Yeah.

291
00:16:07,049 --> 00:16:08,425
Oh, that makes sense.

292
00:16:08,676 --> 00:16:10,260
It sounded like a car crash.

293
00:16:10,344 --> 00:16:12,513
I guess, but I don't know
why it would fall.

294
00:16:13,013 --> 00:16:14,390
Where-- Where'd you go?

295
00:16:15,557 --> 00:16:17,935
I don't know. I guess I was... wandering.

296
00:16:18,018 --> 00:16:19,311
Maybe I was sleepwalking.

297

00:16:19,603 --> 00:16:21,313
I had the strangest dream.

298

00:16:21,730 --> 00:16:24,483
-[Young Nell] Jesus Christ!
-[Olivia] Honey, don't say that.

299

00:16:24,566 --> 00:16:26,568
-[Young Nell] You just said it.
-[both chuckle]

300

00:16:26,860 --> 00:16:28,696
You're right. I'm sorry.

301

00:16:29,071 --> 00:16:32,241
-You guys hear a scary noise?
-So many scary noises.

302

00:16:32,324 --> 00:16:34,159
Yeah. It's okay, see? It was that.

303

00:16:34,243 --> 00:16:36,870
-Someone broke the sannadeer!
-"Chandelier." It just fell.

304

00:16:37,162 --> 00:16:39,039
-[Young Theo] What the hell happened?
-[Young Nell] Language.

305

00:16:39,123 --> 00:16:40,833
-[Olivia] We don't know.
-That explains the noise.

306

00:16:40,916 --> 00:16:42,167
-I don't like this.
-[sighs]

307

00:16:42,584 --> 00:16:45,004
It's just a silly old storm, sweetheart.

308

00:16:45,087 --> 00:16:46,630
[Younger Hugh]

Your mother hates storms, too.

309

00:16:47,548 --> 00:16:48,882

-[Young Nell] You do?

-Mm-hmm.

310

00:16:48,966 --> 00:16:51,135

Since I was a little girl, just like you.

311

00:16:51,760 --> 00:16:53,178

But you know what storms do?

312

00:16:54,179 --> 00:16:56,432

-Do they pass?

-They pass.

313

00:16:56,515 --> 00:16:58,100

[Younger Hugh] Stevie, give me a hand.

314

00:16:58,475 --> 00:17:00,853

-What do you need?

-Just grab that other side.

315

00:17:00,936 --> 00:17:03,564

I wanna move this out of the way,
so no one's tripping on it.

316

00:17:03,647 --> 00:17:04,481

Got it.

317

00:17:04,565 --> 00:17:05,399

Ready?

318

00:17:05,566 --> 00:17:06,400

[Steve] Yep.

319

00:17:07,026 --> 00:17:08,569

[Young Nell] How did it fall?

320

00:17:08,861 --> 00:17:10,404

Did it get hit by lightning?

321

00:17:10,487 --> 00:17:12,156

[Olivia]

No, no, nothing like that, honey.

322

00:17:12,239 --> 00:17:13,907

[Younger Hugh] Gently, gently.

323

00:17:14,199 --> 00:17:15,200

[grunts] Okay.

324

00:17:16,660 --> 00:17:18,662

[hail pouring rapidly]

325

00:17:20,122 --> 00:17:21,415

[Young Theo] What's that?

326

00:17:22,666 --> 00:17:23,584

That's hail.

327

00:17:26,545 --> 00:17:29,965

Yep, it is. [chuckles]

328

00:17:30,132 --> 00:17:32,217

It's really loud, huh? [chuckles]

329

00:17:32,718 --> 00:17:34,845

All right, come with me.

Let's go sit down.

330

00:17:36,972 --> 00:17:37,890

[Young Nell] Hail?

331

00:17:37,973 --> 00:17:41,060

Yeah. Well, sometimes in thunderstorms,

332

00:17:41,518 --> 00:17:45,439

the wind can push the storm
up into the sky really, really high...

333

00:17:45,731 --> 00:17:47,024

and the rain can freeze.

334
00:17:47,524 --> 00:17:48,859
So it's ice?

335
00:17:48,942 --> 00:17:49,818
Exactly.

336
00:17:50,069 --> 00:17:51,779
Explains why my room is freezing.

337
00:17:52,071 --> 00:17:55,157
And the ice balls fall back down to Earth
and they pick up more water

338
00:17:55,240 --> 00:17:57,117
and they get bigger and bigger.

339
00:17:57,201 --> 00:17:58,327
[glass shatters]

340
00:17:59,369 --> 00:18:00,454
[Young Theo] What was that?

341
00:18:00,537 --> 00:18:02,414
[Olivia] Um, sounded like a window.

342
00:18:03,040 --> 00:18:03,999
Which is fine.

343
00:18:04,750 --> 00:18:06,376
-Everything's fine, okay?
-Yeah.

344
00:18:06,460 --> 00:18:08,003
My window just broke.

345
00:18:08,378 --> 00:18:09,713
-Seriously?
-It exploded.

346
00:18:09,797 --> 00:18:11,423

-[Olivia] You okay?
-I'm-- I'm fine.

347
00:18:11,507 --> 00:18:13,842
-[Younger Hugh] Let me check it out.
-[Young Steve] Can I come?

348
00:18:13,926 --> 00:18:15,552
Um, sure.

349
00:18:15,969 --> 00:18:19,056
But the rest of you, stay down here
and stay away from the windows.

350
00:18:19,139 --> 00:18:21,141
Watch your step.
There's glass on the floor.

351
00:18:21,225 --> 00:18:23,268
-Like someone threw a rock through it.
-[Younger Hugh] Great.

352
00:18:23,352 --> 00:18:25,312
-Ice.
-The hell happened to the chandelier?

353
00:18:25,395 --> 00:18:26,980
-The wind turned it into ice.
-Hey, Shirl?

354
00:18:27,064 --> 00:18:29,900
Can you do me a favor?
Go in the kitchen and make some cocoa.

355
00:18:29,983 --> 00:18:30,984
Seriously?

356
00:18:31,485 --> 00:18:34,238
You know how to do it,
and your brother and sister are scared.

357
00:18:34,947 --> 00:18:35,948
Fine.

358

00:18:36,031 --> 00:18:38,200
-Theo, you can help. Take Luke, too.
-[Young Theo] Mom.

359

00:18:38,283 --> 00:18:40,035
Thank you. Go ahead.

360

00:18:40,119 --> 00:18:41,870
-Go with your sisters.
-[Young Theo] Come on.

361

00:18:43,205 --> 00:18:44,164
[Olivia sighs]

362

00:18:44,915 --> 00:18:47,084
[Shirley] You wearing those gloves
to bed now?

363

00:18:47,251 --> 00:18:48,877
-Wanna play a game?
-[Young Theo] Shut up.

364

00:18:49,253 --> 00:18:51,463
So, when there's another flash
of lightning,

365

00:18:51,964 --> 00:18:54,550
let's count how long it takes
until we hear thunder.

366

00:18:54,883 --> 00:18:56,885
That way, we can tell how far away it is.

367

00:18:56,969 --> 00:18:57,803
Okay?

368

00:18:57,970 --> 00:19:01,390
So for every five seconds,
that's one whole mile away.

369

00:19:02,266 --> 00:19:04,268

All right, let's wait for the next one.

370

00:19:06,603 --> 00:19:07,437
There.

371

00:19:07,521 --> 00:19:10,440
-Okay, one, two--
-[thunderclap]

372

00:19:10,983 --> 00:19:11,984
Two miles.

373

00:19:12,067 --> 00:19:13,610
Uh, no, okay, not quite.

374

00:19:13,694 --> 00:19:15,988
So, for every five seconds,
that's only one mile away,

375

00:19:16,071 --> 00:19:17,823
so that one was actually closer.

376

00:19:19,158 --> 00:19:20,659
-[Shirley] Mom! [screams]
-It's okay.

377

00:19:20,742 --> 00:19:22,703
-It's just the power.
-[Theo] Mommy! Mommy!

378

00:19:22,786 --> 00:19:24,496
The power went out.
I'm right here, you guys.

379

00:19:24,580 --> 00:19:26,081
-Come here.
-[Younger Hugh] It's all right.

380

00:19:26,165 --> 00:19:28,375
-[Olivia] It's a really old house.
-[Younger Hugh] It's all right.

381

00:19:29,251 --> 00:19:30,836
Flashlight's in the kitchen.

382
00:19:30,919 --> 00:19:32,671
[Olivia] Okay, you got it?

383
00:19:33,380 --> 00:19:34,381
All right.

384
00:19:41,263 --> 00:19:43,015
[Young Nell screams]

385
00:19:43,265 --> 00:19:45,142
Bent-Neck Lady! Bent-Neck Lady!

386
00:19:45,225 --> 00:19:46,894
-[Olivia] It's okay.
-[Younger Hugh] You okay?

387
00:19:46,977 --> 00:19:48,353
-[Olivia] We're okay.
-She's there.

388
00:19:48,437 --> 00:19:50,397
-[Olivia] It's all right. Shh.
-With the statue.

389
00:19:50,480 --> 00:19:53,066
-[Olivia] It's all right, baby. It's okay.
-She's here again.

390
00:19:53,192 --> 00:19:55,194
Here, listen to me, my love.

391
00:19:56,486 --> 00:19:58,739
[inhales deeply]
Mommy's seen things, too.

392
00:19:59,364 --> 00:20:02,201
Sometimes, Mommy sees people here, too.

393
00:20:02,743 --> 00:20:05,996

But they won't hurt us, okay?
They're not here to hurt us.

394

00:20:06,705 --> 00:20:08,665
[Young Nell] What did you see?

395

00:20:08,749 --> 00:20:11,585
-Everybody okay in here?
-[Olivia] Yeah, everybody's fine.

396

00:20:11,668 --> 00:20:14,213
Well, this one's working,
but these need batteries.

397

00:20:15,214 --> 00:20:16,340
Theo's got you.

398

00:20:16,423 --> 00:20:18,050
-Take your sister's hand.
-[Young Theo] Mom.

399

00:20:18,133 --> 00:20:21,720
Just for a second. I'll get a flashlight.
I'll be right back. [sighs]

400

00:20:22,387 --> 00:20:24,306
All right. I got yours, Luke.

401

00:20:24,389 --> 00:20:27,893
[Young Theo] Let up on my hand.
It's just a storm.

402

00:20:28,060 --> 00:20:32,522
-[Young Shirley] A bad storm.
-Yeah, this wasn't forecast. This is nuts.

403

00:20:32,731 --> 00:20:36,151
Your stuff's all wet, Shirl.
The hail's blowing right in the window.

404

00:20:36,235 --> 00:20:38,487
-[Young Shirley] For real?
-[Olivia] Very helpful, Steve.

405

00:20:38,570 --> 00:20:40,614
-[Younger Hugh laughs]
-[Olivia] We'll figure it out.

406

00:20:40,739 --> 00:20:42,491
-[Younger Hugh] Fun, huh?
-[Olivia] There.

407

00:20:42,824 --> 00:20:45,369
When I was a kid, we used to go
camping all the time.

408

00:20:45,452 --> 00:20:46,620
I was a Life Scout.

409

00:20:46,870 --> 00:20:47,955
What's a Life Scout?

410

00:20:48,497 --> 00:20:49,957
Well, it's a group of, uh...

411

00:20:50,582 --> 00:20:52,417
Anyway, we used to go camping.

412

00:20:52,960 --> 00:20:54,670
And one time, there was a storm,

413

00:20:54,753 --> 00:20:57,422
and it was such a bad storm
that we took our packs,

414

00:20:57,506 --> 00:21:00,259
and we tied them to the trees
to keep them from washing away.

415

00:21:00,676 --> 00:21:01,718
[thunderclap]

416

00:21:01,802 --> 00:21:03,720
-Whoo!
-[Young Nell] Stop it!

417

00:21:04,054 --> 00:21:06,306
It's okay. We're totally safe, okay?

418

00:21:07,474 --> 00:21:10,018
-That was a good one, huh?
-[Olivia exhales deeply]

419

00:21:10,352 --> 00:21:12,020
Are you sure we're safe?

420

00:21:12,104 --> 00:21:14,982
The roof isn't gonna explode
or whatever?

421

00:21:15,107 --> 00:21:17,776
You know what, this house has been here
for a long, long time.

422

00:21:17,859 --> 00:21:20,320
It's seen plenty of storms
and worse than this.

423

00:21:20,988 --> 00:21:22,614
-It's gonna keep us safe.
-[Younger Hugh] Yeah.

424

00:21:22,698 --> 00:21:24,950
-I thought you hated this house.
-[chuckles softly]

425

00:21:25,784 --> 00:21:26,827
[sighs deeply]

426

00:21:27,244 --> 00:21:29,413
-[Young Steve] That's something, anyway.
-Uh-huh.

427

00:21:29,997 --> 00:21:31,373
Okay, one...

428

00:21:32,165 --> 00:21:34,876

-two, three...
-[children] ...two, three...

429
00:21:35,002 --> 00:21:36,586
-[faint rumble of thunder]
-See?

430
00:21:37,004 --> 00:21:37,963
It's moving away.

431
00:21:38,463 --> 00:21:40,924
What'd I tell you, Nellie?
That's what storms do. They...

432
00:21:41,174 --> 00:21:42,092
[faint thunder]

433
00:21:42,175 --> 00:21:43,176
Where's your sister?

434
00:21:44,594 --> 00:21:45,429
Theo?

435
00:21:45,929 --> 00:21:49,016
[stammers] She was right there.
I was holding her hand the entire time.

436
00:21:49,349 --> 00:21:50,434
[softly] Okay.

437
00:21:50,767 --> 00:21:52,311
-Nellie?
-[Young Theo] The whole time, I...

438
00:21:52,394 --> 00:21:54,062
I could feel her hand until I looked down.

439
00:21:54,146 --> 00:21:56,356
-[Olivia] Nellie? Honey?
-[Younger Hugh] Nellie?

440
00:21:58,317 --> 00:22:00,152

-[Young Shirley] Nellie? Nell.
-[Olivia] Sweetheart?

441

00:22:01,737 --> 00:22:04,448
Where could she have gone?
It was only a few seconds.

442

00:22:04,531 --> 00:22:06,116
[Young Theo] Maybe she went to her room.

443

00:22:06,199 --> 00:22:07,034
Maybe.

444

00:22:07,784 --> 00:22:11,038
-[Young Theo] I could feel her hand--
-I know. It's not your fault.

445

00:22:11,121 --> 00:22:11,955
[Young Shirley] Nellie!

446

00:22:12,039 --> 00:22:14,041
-[Olivia] We're gonna find her.
-What if something gets her?

447

00:22:14,124 --> 00:22:17,252
Oh, I know you're scared, pal.
I know you are.

448

00:22:17,336 --> 00:22:20,047
-[Young Steve] Come on out.
-Listen, she's just hiding from the storm.

449

00:22:20,130 --> 00:22:22,382
-She's probably in her room under her bed.
-[Olivia] Yeah.

450

00:22:22,466 --> 00:22:25,302
We'll go and find her,
we'll bring her back, okay? Okay?

451

00:22:25,844 --> 00:22:28,013
-Maybe we should...
-My sweet boy. Yes.

452

00:22:28,221 --> 00:22:31,016
Ah, Steve, okay,
you keep an eye on everyone.

453

00:22:31,475 --> 00:22:33,518
-We'll be right back.
-[Younger Hugh] We'll be back.

454

00:22:33,602 --> 00:22:35,896
You guys stay here and stay away
from the windows.

455

00:22:35,979 --> 00:22:37,481
[Olivia] Keep hold of your flashlights.

456

00:22:37,647 --> 00:22:39,149
[Younger Hugh] Think she went upstairs?

457

00:22:39,232 --> 00:22:41,401
[Olivia] We would've seen her
if she went for the halls.

458

00:22:41,485 --> 00:22:43,487
-[Young Shirley] Come out, it's okay.
-Don't worry.

459

00:22:43,570 --> 00:22:45,947
-She's gonna be okay.
-How do you know?

460

00:22:46,114 --> 00:22:48,367
'Cause I won't let anything
happen to her.

461

00:22:48,992 --> 00:22:50,243
To any of you guys.

462

00:22:50,952 --> 00:22:52,162
That's my whole job.

463

00:22:52,245 --> 00:22:54,206

First thing they teach us
in Big Brother School.

464

00:22:54,289 --> 00:22:55,374
[Young Shirley] Nell?

465

00:22:56,375 --> 00:22:57,459
I'm with you.

466

00:22:58,001 --> 00:22:58,960
We got this.

467

00:23:00,170 --> 00:23:01,004
Okay?

468

00:23:02,130 --> 00:23:04,257
Luke. Luke?

469

00:23:06,009 --> 00:23:07,052
[Young Steve] Luke.

470

00:23:07,969 --> 00:23:08,845
[Steve] Luke?

471

00:23:09,679 --> 00:23:10,764
Luke. [scoffs]

472

00:23:11,348 --> 00:23:13,850
Do you remember what it was,
that word she made up?

473

00:23:15,185 --> 00:23:16,812
-I'm not sure.
-[scoffs]

474

00:23:17,396 --> 00:23:19,106
This made-up word.

475

00:23:19,815 --> 00:23:22,901
Aunt Janet kept correcting her,
and she just went on using it.

476

00:23:22,984 --> 00:23:25,529

-What the hell was that word?

-Trying to remember.

477

00:23:26,196 --> 00:23:27,280

[sighs]

478

00:23:28,198 --> 00:23:30,742

Doesn't matter. Finally, Aunt Janet...

[sniffles]

479

00:23:31,493 --> 00:23:36,039

she gets fed up and tells Nellie to stop using whatever it was and speak properly.

480

00:23:36,873 --> 00:23:38,917

"You're ten years old. Speak properly."

481

00:23:40,460 --> 00:23:42,587

And Nellie just... looks at her.

482

00:23:42,671 --> 00:23:44,965

Like beyond her years, patient...

[inhales]

483

00:23:45,215 --> 00:23:47,175

...and asks what she's doing wrong.

484

00:23:48,593 --> 00:23:51,138

And Aunt Janet says,

"It's a made-up word."

485

00:23:52,556 --> 00:23:54,975

And Nellie looks her right in the eye and says...

486

00:23:55,350 --> 00:23:57,978

"All words are made-up at first."

[chuckles]

487

00:23:58,103 --> 00:24:00,522

[sighs] God,

I wish I could remember what the...

488

00:24:00,939 --> 00:24:01,982
that word.

489

00:24:02,232 --> 00:24:03,233
[Theo] "Puffalope."

490

00:24:04,443 --> 00:24:06,611
[Steve] That's it. "Puffalope."

491

00:24:06,945 --> 00:24:09,030
Padded, puffy envelope.

492

00:24:09,823 --> 00:24:10,866
"Puffalope."

493

00:24:12,200 --> 00:24:15,078
She would say she was running out
of puffalopes for her letters

494

00:24:15,162 --> 00:24:18,999
and she wanted Aunt Janet to pick up
puffalopes at the store.

495

00:24:21,168 --> 00:24:24,588
And that is the third story you've told
about that one stupid summer.

496

00:24:24,671 --> 00:24:27,757
I didn't live there after that.
That's what I remember most, I guess.

497

00:24:27,841 --> 00:24:30,552
I know those stories,
'cause I was there for those stories.

498

00:24:31,219 --> 00:24:32,971
I just wanna hear some new stories.

499

00:24:33,054 --> 00:24:35,474
Serious, Theo.

You might wanna slow down.

500
00:24:36,016 --> 00:24:38,977
I'm trying to drink her back to life.
Would you like me to stop?

501
00:24:39,060 --> 00:24:39,978
[Hugh] Yes.

502
00:24:40,187 --> 00:24:41,938
She got that from your mother.

503
00:24:42,022 --> 00:24:43,773
-You know.
-Alcoholism?

504
00:24:45,066 --> 00:24:46,568
No. Uh, "puffalope."

505
00:24:49,321 --> 00:24:50,322
She used to...

506
00:24:51,239 --> 00:24:53,492
She used to tell Nell
that her letters, uh...

507
00:24:54,159 --> 00:24:56,620
to Santa would be safe and warm
in the North Pole

508
00:24:56,703 --> 00:24:57,954
if she used a puffalope.

509
00:25:04,669 --> 00:25:05,504
Yeah.

510
00:25:14,387 --> 00:25:16,556
Nellie used to write letters to Santa.

511
00:25:19,059 --> 00:25:19,976
Took it...

512
00:25:20,727 --> 00:25:21,853
very seriously.

513
00:25:22,312 --> 00:25:23,313
Formal letters.

514
00:25:25,106 --> 00:25:26,650
Didn't want to call him, uh...

515
00:25:27,400 --> 00:25:29,319
Santa, so she called him
Mr. Claus.

516
00:25:29,402 --> 00:25:33,198
She thought "Santa" would be rude.
That's not how you... talk to grown-ups.

517
00:25:35,492 --> 00:25:36,409
So...

518
00:25:37,869 --> 00:25:39,454
"Dear Mr. Claus, this is, uh..."

519
00:25:41,164 --> 00:25:42,832
Nellie Crain." In whatever...

520
00:25:44,000 --> 00:25:45,293
address we were at.

521
00:25:45,669 --> 00:25:48,338
I told her she didn't need
to include that, but she...

522
00:25:48,755 --> 00:25:49,673
she insisted.

523
00:25:51,049 --> 00:25:53,051
You know, 'cause she's... [sniffles]

524
00:25:53,927 --> 00:25:56,555
[sobbing]

525

00:25:58,557 --> 00:26:00,141
She said, uh, you know...

526

00:26:00,684 --> 00:26:02,686
"Who knows how many Nells there are
in the world?"

527

00:26:02,769 --> 00:26:04,521
And we moved around so much.

528

00:26:07,190 --> 00:26:08,817
Yeah, we moved around so much...

529

00:26:09,818 --> 00:26:12,320
that, you know, he might get confused.

530

00:26:12,404 --> 00:26:14,781
"Dear Mr. Claus,
this is Nellie Crain in Boston.

531

00:26:15,240 --> 00:26:17,576
[inhales deeply] And, uh...

532

00:26:18,118 --> 00:26:20,620
[exhales] ...my brother, Steve...

533

00:26:22,455 --> 00:26:23,707
he wants a typewriter.

534

00:26:27,168 --> 00:26:30,088
And he's such a good brother,"
she would say.

535

00:26:31,715 --> 00:26:34,175
"And my sister, Shirley,
she could use a new camera,

536

00:26:34,259 --> 00:26:38,179
'cause she's capturing our memories,
you know, and they're so very precious."

537

00:26:38,263 --> 00:26:39,639
And the thing is, guys, you know,

538

00:26:39,723 --> 00:26:42,017
she'd never ask
for anything for herself, ever.

539

00:26:42,100 --> 00:26:43,059
Not once.

540

00:26:44,853 --> 00:26:47,522
She'd only ask for presents for you guys.
And God...

541

00:26:48,857 --> 00:26:51,901
damn it, you know, we had to make sure...

542

00:26:52,485 --> 00:26:54,321
we got you what... what you wanted,

543

00:26:54,404 --> 00:26:56,948
what she... what she mentioned
in those letters.

544

00:26:58,116 --> 00:27:00,827
'Cause we weren't about...
to discourage that instinct.

545

00:27:00,910 --> 00:27:03,455
Your mom would say,
"Oh no, we water that seed...

546

00:27:04,456 --> 00:27:05,790
until that's her tree."

547

00:27:11,129 --> 00:27:12,005
Well...

548

00:27:12,213 --> 00:27:13,715
she used to write letters.

549

00:27:16,051 --> 00:27:17,510
And, uh... [sniffles]

550
00:27:18,136 --> 00:27:19,804
...always, you know, handwritten.

551
00:27:20,430 --> 00:27:21,765
She wrote me once a month.

552
00:27:25,685 --> 00:27:26,519
Always.

553
00:27:28,104 --> 00:27:29,272
Just telling me...

554
00:27:31,024 --> 00:27:33,151
the amazing things going on with you guys.

555
00:27:36,071 --> 00:27:36,905
Two of us.

556
00:27:39,032 --> 00:27:40,116
What do you mean?

557
00:27:40,367 --> 00:27:41,618
I mean, two of us.

558
00:27:42,285 --> 00:27:44,954
There were seven of us,
and now there's five,

559
00:27:45,038 --> 00:27:46,373
because two of us...

560
00:27:46,790 --> 00:27:47,957
decided...

561
00:27:48,291 --> 00:27:49,250
to die.

562
00:27:52,921 --> 00:27:56,383

You know, some religions won't let you
be buried in their cemeteries

563

00:27:56,466 --> 00:27:57,592
if you kill yourself?

564

00:27:57,676 --> 00:27:59,511
It's... it's monstrous.

565

00:28:01,179 --> 00:28:02,555
Like you committed a crime.

566

00:28:03,848 --> 00:28:07,018
When... when really it was just
that you're in so much pain.

567

00:28:09,813 --> 00:28:10,855
So much pain.

568

00:28:13,566 --> 00:28:14,859
And Nellie knew that.

569

00:28:16,736 --> 00:28:19,572
She knew the price the rest of us pay
when someone does that,

570

00:28:19,656 --> 00:28:20,907
and she did it anyway.

571

00:28:24,119 --> 00:28:24,953
God.

572

00:28:26,037 --> 00:28:28,623
I wish she felt
like she could've talked to me.

573

00:28:29,374 --> 00:28:32,210
I don't know why she didn't feel like
she could talk to me.

574

00:28:34,087 --> 00:28:35,004
There's nothing...

575

00:28:35,672 --> 00:28:38,174
she was going through
that wouldn't have been okay.

576

00:28:38,967 --> 00:28:39,801
Nothing.

577

00:28:45,932 --> 00:28:47,058
[Luke] You know, uh...

578

00:28:48,977 --> 00:28:52,439
[breathing shakily] ...this one time,
uh, Aunt Janet, she, um...

579

00:28:53,690 --> 00:28:56,985
[clicks tongue] ...she let us camp out
in the backyard, and...

580

00:28:57,402 --> 00:28:58,319
[sniffles]

581

00:28:59,946 --> 00:29:03,116
...set up a tent, you know,
roasted marshmallows all night.

582

00:29:03,199 --> 00:29:05,201
-I remember that.
-Yeah, and, um...

583

00:29:07,120 --> 00:29:08,204
Steve...

584

00:29:08,580 --> 00:29:10,582
-Right, the bear thing.
-Yeah.

585

00:29:11,082 --> 00:29:12,625
-[sniffles]
-Steve, uh...

586

00:29:13,793 --> 00:29:15,795

he was outside, pretending to be a bear,

587

00:29:16,254 --> 00:29:18,047
banging on the tent, and, uh...

588

00:29:20,175 --> 00:29:22,802
You know, I'm freaking out,
and Nellie says...

589

00:29:25,263 --> 00:29:26,598
Nellie says, "Don't worry.

590

00:29:26,848 --> 00:29:28,933
We're safe in here. This, uh...

591

00:29:30,810 --> 00:29:31,936
this tent is magic.

592

00:29:32,937 --> 00:29:34,397
It makes us indivisible."

593

00:29:38,735 --> 00:29:41,029
And Steve...
Steve stopped shaking the tent.

594

00:29:41,654 --> 00:29:45,575
He says, "Hey," still in the bear voice,
"I think you mean..."

595

00:29:46,701 --> 00:29:47,535
invisible."

596

00:29:49,204 --> 00:29:50,705
And Nellie shouts at the bear,

597

00:29:51,164 --> 00:29:52,707
"I meant what I said, bear."

598

00:29:56,211 --> 00:29:57,170
[exhales sharply]

599

00:29:58,087 --> 00:30:01,007
[inhales deeply] I'd like to go back
to something you said.

600
00:30:02,300 --> 00:30:03,134
[Luke] What?

601
00:30:03,384 --> 00:30:05,011
[sighs] Not you, him.

602
00:30:07,555 --> 00:30:08,765
You said Nellie...

603
00:30:09,933 --> 00:30:11,142
wrote you a letter...

604
00:30:11,684 --> 00:30:12,560
once a month?

605
00:30:13,353 --> 00:30:14,979
Yeah, that's... that's right.

606
00:30:16,648 --> 00:30:20,568
So maybe she mentioned something
in one of her monthly letters that...

607
00:30:21,277 --> 00:30:23,780
might have raised
the flag about, I don't know,

608
00:30:24,364 --> 00:30:25,448
her state of mind?

609
00:30:25,657 --> 00:30:27,325
No, she just...

610
00:30:28,368 --> 00:30:31,037
No, she would...
You know, she'd...

611
00:30:31,287 --> 00:30:33,748
talk about you guys,

and just like the Santa letter,

612

00:30:33,832 --> 00:30:36,501
-she'd just tell me about you guys.
-You said that, but...

613

00:30:36,709 --> 00:30:39,587
You see, we're all aware of how you like
to hold back information

614

00:30:39,671 --> 00:30:42,006
when a family member offs themselves.

615

00:30:42,090 --> 00:30:43,633
-[Luke] Steve--
-So I'm just wondering

616

00:30:43,716 --> 00:30:45,844
if there's a little more
you're not telling us.

617

00:30:49,180 --> 00:30:50,181
Do you want to do...

618

00:30:50,557 --> 00:30:51,516
do this now, huh?

619

00:30:53,810 --> 00:30:54,811
Yeah, I do.

620

00:30:56,354 --> 00:30:57,647
We've all got questions,

621

00:30:57,730 --> 00:31:01,192
and I think it'd be swell if you'd give us
a few answers for a change.

622

00:31:05,864 --> 00:31:07,031
[sighs]

623

00:31:09,075 --> 00:31:09,993
All right.

624

00:31:10,952 --> 00:31:13,204
Let's start with that call you got
from Mrs. Dudley

625

00:31:13,288 --> 00:31:15,832
-and what exactly she said about--
-She called me...

626

00:31:17,458 --> 00:31:20,503
immediately after, she called--
called the police. [sniffs]

627

00:31:20,753 --> 00:31:23,464
She said she'd noticed the car out front.

628

00:31:23,756 --> 00:31:26,926
Well, she went inside,
and she... she saw your sister, uh...

629

00:31:28,887 --> 00:31:32,557
[sighs] ...hanging next to
the spiral staircase in the library.

630

00:31:32,640 --> 00:31:33,641
Oh, and...

631

00:31:34,183 --> 00:31:36,853
Mrs. Dudley, she-- she also apologized,

632

00:31:36,936 --> 00:31:39,397
because she said she threw up
on the floor, and...

633

00:31:40,398 --> 00:31:42,442
-[sighs]
-[Hugh] What's... what's next?

634

00:31:43,109 --> 00:31:45,320
Did Nellie mention
in one of her puffalopes

635

00:31:45,403 --> 00:31:48,489
that she crashed a book signing of mine
about a month ago?

636
00:31:48,573 --> 00:31:50,116
-[Hugh] She did not.
-To scream at me.

637
00:31:50,199 --> 00:31:51,284
-Wait, what?
-Yeah.

638
00:31:51,367 --> 00:31:53,369
-Does that sound like Nell to you?
-No, it doesn't.

639
00:31:53,453 --> 00:31:54,495
She wasn't herself.

640
00:31:54,579 --> 00:31:57,123
She was seeing a new therapist
since Arthur, I know that.

641
00:31:57,206 --> 00:31:59,542
-That's right.
-Anybody know anything about this doctor?

642
00:31:59,626 --> 00:32:02,378
Any psychiatrist worth their shit
would've kept her on a shorter leash.

643
00:32:02,462 --> 00:32:04,923
-He's a fucking quack.
-She was clearly off her meds

644
00:32:05,006 --> 00:32:07,133
-when I saw her.
-How did she sound when she called you?

645
00:32:07,216 --> 00:32:09,135
-She called you?
-Yeah, the day it happened.

646

00:32:09,218 --> 00:32:11,262
-She called Steve, too.
-Did you talk to her?

647
00:32:11,346 --> 00:32:13,389
-No, I didn't get to.
-[sighs] Me either.

648
00:32:13,556 --> 00:32:16,351
She wasn't worried about herself;
she was apparently worried about you.

649
00:32:16,434 --> 00:32:17,352
[sighs]

650
00:32:17,977 --> 00:32:19,228
[Hugh] I talked to her.

651
00:32:19,562 --> 00:32:21,564
[thunder rumbles]

652
00:32:22,023 --> 00:32:22,982
Yeah.

653
00:32:23,816 --> 00:32:25,318
I talked to her that night.

654
00:32:26,486 --> 00:32:28,112
And she was...

655
00:32:29,697 --> 00:32:32,992
She was worried about a lot more than,
uh, than Luke.

656
00:32:34,535 --> 00:32:36,287
[Steve] Well... [breathing shakily]

657
00:32:36,371 --> 00:32:37,246
Like what?

658
00:32:40,458 --> 00:32:42,710
She said the Bent-Neck Lady was back.

659

00:32:42,794 --> 00:32:44,629
[thunder rumbles]

660

00:32:44,754 --> 00:32:46,547
[sighs] There it is.

661

00:32:47,382 --> 00:32:48,716
Mental illness.

662

00:32:48,800 --> 00:32:50,677
-No, no, Steve--
-Clear as day.

663

00:32:50,760 --> 00:32:52,261
-[Hugh] No, you don't--
-Hereditary.

664

00:32:52,345 --> 00:32:54,722
You let her believe all that bullshit.

665

00:32:54,806 --> 00:32:57,183
-[Hugh] You don't--
-All that bullshit about Hill House,

666

00:32:57,266 --> 00:33:00,103
and this is the inevitable conclusion,
which makes you culpable.

667

00:33:00,186 --> 00:33:01,813
-Who is the Bent-Neck Lady?
-Frankly.

668

00:33:01,896 --> 00:33:03,940
So you hear her spout
some of the crazy stuff...

669

00:33:04,023 --> 00:33:05,858
-[Hugh] It's not crazy.
-...she said when she was six,

670

00:33:05,942 --> 00:33:08,277

and you don't think that maybe you should
get her some help?

671

00:33:08,361 --> 00:33:09,904
I did. I called you immediately.

672

00:33:09,988 --> 00:33:12,407
-Just like Mom, you ignore the signs.
-That's not how it is.

673

00:33:12,490 --> 00:33:15,451
You hope it'll go away,
and then you hold back information!

674

00:33:15,535 --> 00:33:18,663
If I held back anything,
it was to protect you kids.

675

00:33:18,746 --> 00:33:21,541
I don't need... Why do I need protection
from the truth?

676

00:33:22,458 --> 00:33:24,085
-[breathing heavily]
-No...

677

00:33:24,252 --> 00:33:27,005
She's... No.
[stutters] He's entitled...

678

00:33:27,255 --> 00:33:30,466
What... [stutters]
What is that? What's that?

679

00:33:31,009 --> 00:33:32,301
I said you're entitled.

680

00:33:33,386 --> 00:33:36,222
-I'm entitled to the truth?
-You're entitled to your anger.

681

00:33:36,305 --> 00:33:37,348
Remember why we're here.

682

00:33:37,432 --> 00:33:40,476
It's very generous of you to allow me
to feel my anger.

683

00:33:40,560 --> 00:33:42,645
[stuttering] All of you...
you're entitled.

684

00:33:42,729 --> 00:33:45,773
What else am I entitled to
while you're being so fucking generous?

685

00:33:45,857 --> 00:33:48,151
You might want to... check yourself...

686

00:33:48,776 --> 00:33:51,696
before you start talking about the truth,
Steve.

687

00:33:52,155 --> 00:33:55,074
Oh... great, are we breaking this out?

688

00:33:55,158 --> 00:33:57,243
-You're drunk.
-[panting]

689

00:33:57,326 --> 00:33:59,287
Theo's drunk; I'm just pissed.

690

00:33:59,662 --> 00:34:02,999
And this is the part of the show
where you break out my goddamn book?

691

00:34:03,082 --> 00:34:05,126
[Shirley] Want to talk about
propagating delusions?

692

00:34:05,209 --> 00:34:06,711
-Why don't we just...?
-There it is.

693

00:34:06,794 --> 00:34:09,297
[Shirley] ...paranoid delusions
for entertainment and profit.

694
00:34:09,380 --> 00:34:11,382
-...gonna make--
-What about that, huh?

695
00:34:11,466 --> 00:34:15,511
You took all that paranoia and craziness,
and you mass-marketed it

696
00:34:15,595 --> 00:34:18,347
-to jump-start your writing career.
-[Steve] Really?

697
00:34:18,431 --> 00:34:20,808
So don't stand in plain view
of Nellie's casket

698
00:34:20,892 --> 00:34:24,187
-and lecture us about responsibility.
-Are you gonna stop the book fight?

699
00:34:24,270 --> 00:34:26,355
-We're all real tired--
-You were happy enough

700
00:34:26,439 --> 00:34:28,399
to exploit all of us for some blood money.

701
00:34:28,483 --> 00:34:30,860
That's why none of us ever took
your fucking money, Steve.

702
00:34:30,943 --> 00:34:32,945
-Cut it out.
-[Shirley] And you're fucking drunk!

703
00:34:33,029 --> 00:34:35,156
While we're supposed
to be honoring Nellie.

704

00:34:36,574 --> 00:34:38,242
Real class act, Theo.

705

00:34:38,409 --> 00:34:39,368
No, no, no.

706

00:34:40,244 --> 00:34:42,789
No, you don't know.
You don't know what I felt.

707

00:34:43,581 --> 00:34:45,583
And you don't know what I feel.

708

00:34:46,167 --> 00:34:49,128
And I am allowed to process that
any way that I want to.

709

00:34:49,212 --> 00:34:52,965
You don't just stand there and dictate
how we all grieve our dead si--

710

00:34:53,800 --> 00:34:54,967
-Fuck!
-[Kevin] Fuck!

711

00:34:55,301 --> 00:34:56,302
-Ow.
-You okay?

712

00:34:56,385 --> 00:34:58,262
I'm fine. God, don't touch me!

713

00:35:01,224 --> 00:35:02,809
Don't fucking touch.

714

00:35:05,561 --> 00:35:07,605
I have enough of my own grief. I...

715

00:35:08,481 --> 00:35:09,857
I don't need yours, too.

716

00:35:10,691 --> 00:35:12,944

[Shirley] Whatever that means. [sobs]

717

00:35:20,785 --> 00:35:21,661
You know what?

718

00:35:21,828 --> 00:35:23,204
I took the money, Shirl.

719

00:35:24,872 --> 00:35:25,706
Yeah.

720

00:35:26,874 --> 00:35:28,501
I took his fucking money.

721

00:35:28,793 --> 00:35:30,586
-[Steve grunts]
-I got my degree.

722

00:35:30,962 --> 00:35:32,171
I started my career.

723

00:35:32,547 --> 00:35:35,925
'Cause you know what?
It's good fucking money.

724

00:35:36,467 --> 00:35:37,510
The book was a hit.

725

00:35:37,593 --> 00:35:39,428
The royalties still haven't dried up.

726

00:35:39,512 --> 00:35:41,973
I'm fucking glad that I took it.

727

00:35:45,643 --> 00:35:47,311
You took his money.

728

00:35:47,603 --> 00:35:50,606
[Theo] You'd have to be a stubborn bitch
not to, so...

729

00:35:52,316 --> 00:35:53,818
Congratulations.

730
00:35:55,403 --> 00:35:56,237
Shut up.

731
00:35:56,946 --> 00:35:57,822
You're drunk.

732
00:35:58,156 --> 00:35:58,990
Nope.

733
00:36:00,449 --> 00:36:02,785
Yup... but I'm right.

734
00:36:04,579 --> 00:36:06,622
So what now?
You want to come after me?

735
00:36:06,706 --> 00:36:08,916
So you just thought
you'd live under my roof?

736
00:36:09,000 --> 00:36:10,835
-Shirl--
-No, let me get this right.

737
00:36:10,918 --> 00:36:13,546
Live under my roof, eat my food,

738
00:36:13,629 --> 00:36:16,465
and lie to my face
for how many years?

739
00:36:16,924 --> 00:36:18,759
Guess we should've charged you rent
after all.

740
00:36:18,843 --> 00:36:20,636
I offered to pay rent,
you sanctimonious bitch.

741

00:36:20,720 --> 00:36:23,556
I guess you won't have a problem
paying for a place of your own, will you?

742
00:36:23,639 --> 00:36:25,933
You can use all your royalties.

743
00:36:26,017 --> 00:36:26,976
[Kevin] Shirley.

744
00:36:27,059 --> 00:36:28,311
-[Theo] Are you serious?
-I am.

745
00:36:28,394 --> 00:36:30,062
-[Kevin] She's not.
-We agreed. All of us.

746
00:36:30,146 --> 00:36:32,607
-We weren't going to participate--
-We didn't agree.

747
00:36:32,690 --> 00:36:35,151
-You stood up and dictated--
-[Shirley] You don't get to lie

748
00:36:35,234 --> 00:36:37,987
and live off me at the same time,
and call me a bitch.

749
00:36:38,070 --> 00:36:39,780
-[Steve] All right.
-That's not gonna fly.

750
00:36:39,864 --> 00:36:41,407
-Slow up, Shirl.
-Fuck you!

751
00:36:41,532 --> 00:36:42,992
Fuck both of you!

752
00:36:43,409 --> 00:36:46,078
Blood money! Blood money!

753

00:36:46,370 --> 00:36:47,413
You're out, Theo.

754

00:36:47,496 --> 00:36:48,998
-Are you gonna stop this?
-What am I--

755

00:36:49,081 --> 00:36:51,417
After the funeral,
you can fuck off back to Cali, Steven.

756

00:36:51,500 --> 00:36:54,253
You can start looking for a new place
to squat, Dr. Crain.

757

00:36:54,337 --> 00:36:57,089
If I were you, I'd get off that high horse
before I fall off.

758

00:36:57,173 --> 00:36:59,717
[Shirley] If you were me, you wouldn't be
such a fucking asshole.

759

00:36:59,800 --> 00:37:02,053
You're just embarrassing yourself.
You don't even know it.

760

00:37:02,136 --> 00:37:05,640
She's falling on the goddamn ground,
and I'm embarrassing myself?

761

00:37:05,723 --> 00:37:06,974
We took the money, too.

762

00:37:11,646 --> 00:37:14,190
I mean, I took the money, I guess.

763

00:37:15,650 --> 00:37:16,567
We did.

764

00:37:19,654 --> 00:37:21,113

No, you didn't.

765

00:37:22,365 --> 00:37:23,658
I opened an account for it.

766

00:37:23,741 --> 00:37:26,160
The checkbook that you found
the other day...

767

00:37:26,786 --> 00:37:30,331
Shirl, you keep cutting prices
down to cost.

768

00:37:30,623 --> 00:37:32,708
-Right? I mean--
-Don't you dare.

769

00:37:32,792 --> 00:37:35,962
[stammers] The pro bono funerals,
the special cases.

770

00:37:36,045 --> 00:37:37,088
Don't put this on me.

771

00:37:37,171 --> 00:37:39,215
How else was I supposed to keep
the business going?

772

00:37:39,298 --> 00:37:41,801
I mean, look, look, if you think about it,

773

00:37:41,884 --> 00:37:44,595
we took that money and we changed it
into something that helped people

774

00:37:44,679 --> 00:37:46,973
-on the worst day of their lives.
-Stop. Stop.

775

00:37:49,684 --> 00:37:53,020
Do you have any idea how much
you've humiliated me?

776
00:37:53,104 --> 00:37:54,563
Look, honey...

777
00:37:55,690 --> 00:37:57,233
Don't. [sighs]

778
00:37:58,985 --> 00:37:59,819
Both of you.

779
00:38:00,027 --> 00:38:02,321
[crying] Just... out. I can't...

780
00:38:02,655 --> 00:38:03,489
[Kevin] Shirley...

781
00:38:03,572 --> 00:38:05,950
I can't look at either one of you
right now.

782
00:38:07,076 --> 00:38:07,994
Get out.

783
00:38:09,620 --> 00:38:12,665
[sniffles] We're just...
We're done here. Everybody out.

784
00:38:13,666 --> 00:38:15,710
-Do I really have to move out?
-[Shirley sniffles]

785
00:38:16,877 --> 00:38:19,255
-Out!
-Just give her her space.

786
00:38:19,880 --> 00:38:20,881
Look, I need...

787
00:38:21,882 --> 00:38:23,342
I need some more vodka.

788
00:38:25,720 --> 00:38:27,513

-I want more vodka.
-There's more downstairs.

789

00:38:27,596 --> 00:38:30,057
-I need another bottle--
-Okay. We gotta go, let's go.

790

00:38:30,141 --> 00:38:31,183
Why don't we...

791

00:38:31,600 --> 00:38:35,771
go back to the hotel
and give your sister some space?

792

00:38:35,855 --> 00:38:38,190
You know, she's wounded,
we're all wounded.

793

00:38:38,482 --> 00:38:41,360
-People lash out. It's perfectly--
-[Shirley] What? [crying]

794

00:38:42,028 --> 00:38:43,696
What the hell? [whimpers]

795

00:38:44,155 --> 00:38:44,989
[Hugh] What?

796

00:38:46,032 --> 00:38:47,366
Who did this?

797

00:38:47,450 --> 00:38:48,576
-[Luke] What?
-[Hugh] What?

798

00:38:48,659 --> 00:38:49,577
[Steve] Shirl.

799

00:38:50,161 --> 00:38:51,579
-[Shirley sniffles]
-[Steve] What?

800

00:38:53,164 --> 00:38:54,165
[Shirley] Is this...

801
00:38:54,457 --> 00:38:56,125
What is this? [sniffles]

802
00:38:56,292 --> 00:38:57,418
[stammers] It's...

803
00:38:57,752 --> 00:38:59,795
You think this is... this is cute?

804
00:39:01,047 --> 00:39:03,507
-[Steve] I didn't...
-[Shirley] Someone thought, what?

805
00:39:03,591 --> 00:39:06,093
This was... funny? This was...

806
00:39:06,552 --> 00:39:07,678
Who the fuck did this?

807
00:39:07,762 --> 00:39:09,513
I swear to God, I didn't--

808
00:39:09,764 --> 00:39:12,099
-You were the last one up here.
-No, absolutely--

809
00:39:12,183 --> 00:39:14,560
-You were standing here.
-Why would I do something...

810
00:39:14,977 --> 00:39:15,978
I...

811
00:39:16,145 --> 00:39:18,439
What... the hell?

812
00:39:19,023 --> 00:39:21,901
-[Steve] Did you blow a fuse?
-[Shirley] I've got a backup generator.

813

00:39:21,984 --> 00:39:23,652
[Steve] The storm's not that bad.

814

00:39:24,612 --> 00:39:26,197
Goddamn tonight.

815

00:39:26,697 --> 00:39:27,656
Just damn it.

816

00:39:28,866 --> 00:39:31,035
[Steve] Where... where's your breaker box?

817

00:39:31,285 --> 00:39:32,411
[Luke] Can I do anything?

818

00:39:36,707 --> 00:39:38,709
[thunder rumbling]

819

00:39:42,171 --> 00:39:43,214
[Nell] Daddy. [sobs]

820

00:39:43,339 --> 00:39:44,507
[sighs]

821

00:39:45,466 --> 00:39:46,425
Oh, Nell.

822

00:40:10,116 --> 00:40:11,367
[sighs]

823

00:40:13,202 --> 00:40:14,203
Nell.

824

00:40:14,870 --> 00:40:15,996
Oh, no.

825

00:40:18,833 --> 00:40:19,792
Nell.

826

00:40:26,006 --> 00:40:26,882
Nell?

827
00:40:37,226 --> 00:40:38,477
She's not in our room.

828
00:40:39,186 --> 00:40:41,689
I don't know why she'd go anywhere else
by herself.

829
00:40:42,314 --> 00:40:43,732
Ah, the roof.

830
00:40:44,191 --> 00:40:45,025
I know.

831
00:40:45,109 --> 00:40:48,028
[sighs]
The hail, they sounded like golf balls.

832
00:40:48,112 --> 00:40:50,656
I don't even wanna think
about what it did to this roof.

833
00:40:50,781 --> 00:40:51,907
[Younger Hugh exhales]

834
00:40:52,241 --> 00:40:54,201
I'll get Mullen over tomorrow to look.

835
00:40:55,828 --> 00:40:56,996
[gasps]

836
00:40:58,080 --> 00:40:59,498
I just put batteries in.

837
00:40:59,582 --> 00:41:01,500
Okay, you get fresh ones,
I'll keep looking.

838
00:41:01,584 --> 00:41:02,585
All right.

839
00:41:05,171 --> 00:41:07,923
I'll check the library and the kitchen,
just to be sure.

840
00:41:09,758 --> 00:41:11,302
-Be right back.
-Okay.

841
00:41:14,430 --> 00:41:15,306
Nellie?

842
00:41:18,976 --> 00:41:20,686
Oh, shit.

843
00:41:32,364 --> 00:41:33,240
Nellie?

844
00:41:35,242 --> 00:41:36,118
You in here?

845
00:41:44,877 --> 00:41:45,711
Come on.

846
00:41:47,588 --> 00:41:48,923
Where did you go?

847
00:41:49,423 --> 00:41:51,425
-[water dripping]
-[Olivia sighs]

848
00:41:53,636 --> 00:41:55,596
Really? [sighs]

849
00:41:58,015 --> 00:42:01,018
-Oh.
-[squeaks, clangs]

850
00:42:01,101 --> 00:42:02,061
Okay.

851

00:42:03,229 --> 00:42:04,230
[pants]

852
00:42:04,313 --> 00:42:06,315
[doorknob rattling]

853
00:42:12,154 --> 00:42:14,823
[rattling continues]

854
00:42:20,079 --> 00:42:20,913
Nellie?

855
00:42:21,997 --> 00:42:23,290
[sighs]

856
00:42:54,572 --> 00:42:56,073
[footsteps approaching]

857
00:43:03,539 --> 00:43:04,415
Liv?

858
00:43:22,558 --> 00:43:23,434
Liv!

859
00:43:34,069 --> 00:43:35,529
You kids okay down there?

860
00:43:36,405 --> 00:43:37,740
[children] We're all right.

861
00:43:47,416 --> 00:43:48,292
[Younger Hugh] Liv.

862
00:43:49,251 --> 00:43:50,085
Hey!

863
00:44:11,732 --> 00:44:12,566
Liv.

864
00:44:12,900 --> 00:44:14,276
How the hell did you...

865
00:44:16,528 --> 00:44:18,530
[windows rattling]

866
00:44:23,952 --> 00:44:26,330
Liv, you better stay away
from these windows.

867
00:44:26,747 --> 00:44:28,332
This storm's getting really...

868
00:44:34,630 --> 00:44:35,547
[glasses shattering]

869
00:44:42,262 --> 00:44:43,138
Liv!

870
00:44:43,222 --> 00:44:44,807
Get away from the windo--

871
00:44:46,100 --> 00:44:47,267
Jesus Christ!

872
00:44:53,857 --> 00:44:55,359
[panting]

873
00:44:57,528 --> 00:44:58,529
Liv...

874
00:45:00,030 --> 00:45:00,864
Liv!

875
00:45:01,156 --> 00:45:01,990
Jesus!

876
00:45:02,866 --> 00:45:03,742
Liv.

877
00:45:04,284 --> 00:45:06,078
-What the hell?
-Hon... honey?

878

00:45:06,954 --> 00:45:08,038
Are you okay?

879

00:45:08,997 --> 00:45:10,374
[stutters] I think so.

880

00:45:10,457 --> 00:45:13,001
I looked in the rooms,
but she wasn't up here.

881

00:45:13,544 --> 00:45:16,714
-What were you doing?
-[stutters] I looked in the bed...

882

00:45:17,297 --> 00:45:18,382
bedrooms.

883

00:45:19,049 --> 00:45:20,426
Honey. [chuckles]

884

00:45:21,093 --> 00:45:24,388
-I'm having the strangest dream.
-[children screaming]

885

00:45:26,056 --> 00:45:28,058
[Olivia panting]

886

00:45:31,270 --> 00:45:32,896
-[Olivia] Are you okay?
-What's wrong?

887

00:45:32,980 --> 00:45:33,856
[screaming continues]

888

00:45:33,939 --> 00:45:34,982
[Olivia] We're coming!

889

00:45:45,826 --> 00:45:47,035
[Olivia] What happened?

890

00:45:48,078 --> 00:45:49,788
[Young Shirley] There's something
in the house.

891
00:45:49,872 --> 00:45:51,039
My flashlight stopped working,

892
00:45:51,123 --> 00:45:53,625
and I heard it breathing,
and I... I don't know what it was,

893
00:45:53,709 --> 00:45:55,627
-but it was so close to us.
-Okay.

894
00:45:55,711 --> 00:45:57,379
Slow down, slow down.

895
00:45:57,463 --> 00:45:59,840
Even I saw it.
I... I think it was a big dog.

896
00:45:59,923 --> 00:46:01,925
It ran right through here
toward the kitchen.

897
00:46:02,009 --> 00:46:04,511
It was like this big wolf
and had red these glowing eyes.

898
00:46:04,595 --> 00:46:07,556
I... I didn't see any glowing eyes,
but it was in here.

899
00:46:07,639 --> 00:46:09,641
-It was definitely something.
-[Olivia] Okay.

900
00:46:10,184 --> 00:46:11,435
[Younger Hugh] Where did it go?

901
00:46:12,186 --> 00:46:13,437
[Young Shirley panting]

902
00:46:17,357 --> 00:46:18,317
[Olivia] It's okay.

903
00:46:25,073 --> 00:46:27,201
-[Younger Hugh grunts]
-[taps flashlight]

904
00:46:27,326 --> 00:46:28,160
Again?

905
00:46:30,037 --> 00:46:32,790
[Young Nell coughs, whimpering]

906
00:46:33,665 --> 00:46:35,667
[breathing shakily]

907
00:46:46,386 --> 00:46:47,596
[Luke] Where'd you go?

908
00:46:48,889 --> 00:46:49,973
No...

909
00:46:50,474 --> 00:46:51,934
I just... nowhere.

910
00:46:54,269 --> 00:46:56,480
Oh, you're just wandering around
in the dark?

911
00:46:56,563 --> 00:46:57,648
Well, aren't we all?

912
00:47:00,567 --> 00:47:03,278
Steve and Shirl are still trying to get
the lights back on.

913
00:47:03,862 --> 00:47:05,572
Something tells me they won't.

914
00:47:06,281 --> 00:47:07,157

Yeah.

915

00:47:07,741 --> 00:47:09,326
Something tells me the same.

916

00:47:21,255 --> 00:47:23,006
[Luke] Who do you think did this?

917

00:47:27,177 --> 00:47:29,680
Well, if I'm honest, uh...

918

00:47:31,849 --> 00:47:32,724
none of us.

919

00:47:35,435 --> 00:47:36,395
But...

920

00:47:38,063 --> 00:47:41,316
you, uh, probably know that already,
don't you?

921

00:47:47,281 --> 00:47:48,240
So...

922

00:47:50,951 --> 00:47:52,995
The Bent-Neck Lady, you think she was...

923

00:47:53,537 --> 00:47:55,289
I mean, this whole time was...

924

00:47:56,540 --> 00:47:57,457
Yeah.

925

00:48:00,043 --> 00:48:01,628
She didn't do this to herself.

926

00:48:03,005 --> 00:48:03,839
No.

927

00:48:07,050 --> 00:48:08,427
Neither did Mom, did she?

928

00:48:11,346 --> 00:48:12,431
That's a...

929

00:48:13,599 --> 00:48:15,267
that's a complicated question.

930

00:48:18,478 --> 00:48:20,022
[Shirley] Doesn't make any sense.

931

00:48:20,147 --> 00:48:24,276
We have a backup genny in the basement
for the refrigeration.

932

00:48:24,359 --> 00:48:26,236
This is... It's not even a storm.

933

00:48:26,320 --> 00:48:28,488
The rest of the block's fine.
It's just us.

934

00:48:28,572 --> 00:48:29,698
-[Shirley] For real?
-[Steve] Yeah.

935

00:48:29,781 --> 00:48:32,784
-Why is it complicated?
-It's been a long night.

936

00:48:32,868 --> 00:48:35,787
-Why don't we... head back?
-[Steve] All right.

937

00:48:35,871 --> 00:48:38,415
I'd really like to know, Dad.

938

00:48:39,291 --> 00:48:40,250
[Steve] Know what?

939

00:48:42,419 --> 00:48:43,962
Nellie didn't kill herself.

940

00:48:44,212 --> 00:48:45,213
[Steve] Oh, Luke.

941

00:48:45,297 --> 00:48:47,215
-Let's not do this again.
-She didn't.

942

00:48:47,299 --> 00:48:49,176
-And Dad knows it, too.
-[Steve] Oh, does he?

943

00:48:49,259 --> 00:48:51,178
I don't think Mom did either.
Dad said that--

944

00:48:51,261 --> 00:48:52,304
"Dad said."

945

00:48:52,387 --> 00:48:55,349
-Luke, Dad propped up Nell's crazy ideas.
-No--

946

00:48:55,432 --> 00:48:57,601
-[Steve] This is how that ended.
-[Luke] It's not crazy.

947

00:48:57,684 --> 00:49:00,646
As soon as we leave the room,
you start working on him, too?

948

00:49:00,729 --> 00:49:02,481
-No, Steve.
-No, let's hear it.

949

00:49:02,564 --> 00:49:05,901
No, I don't want to upset anyone
any more than we're already upset.

950

00:49:05,984 --> 00:49:08,570
-No, just... just get it all out.
-It's not--

951

00:49:11,073 --> 00:49:12,908
No, he's not gonna want to hear that
from me.

952

00:49:12,991 --> 00:49:14,618
[Steve] You see what I'm talking about?

953

00:49:14,701 --> 00:49:17,287
I don't understand why this family
has such a hard time

954

00:49:17,371 --> 00:49:19,623
acknowledging mental illness.

955

00:49:20,207 --> 00:49:23,585
Mom, Nell,
Dad's talking to himself all night.

956

00:49:23,669 --> 00:49:24,711
It's not like that.

957

00:49:24,795 --> 00:49:27,464
-Then explain yourself, finally, please.
-[Hugh sighs]

958

00:49:28,548 --> 00:49:29,424
Okay.

959

00:49:29,883 --> 00:49:31,677
Nell didn't kill herself, the house did.

960

00:49:31,760 --> 00:49:34,304
You don't understand Hill House, Steve,
you never did.

961

00:49:34,554 --> 00:49:36,807
And Nell and Luke,

962

00:49:36,890 --> 00:49:38,725
they could see its face
clearer than you kids...

963

00:49:38,809 --> 00:49:40,519

-Jesus, Dad.

-...and your mother saw it, too.

964

00:49:40,602 --> 00:49:43,522

And anything I did,

I did it for a very good reason.

965

00:49:43,605 --> 00:49:46,108

-All this bullshit about...

-You want to hear this or not?

966

00:49:46,191 --> 00:49:48,819

-...a haunted house. You don't get it.

-I don't get it?

967

00:49:48,902 --> 00:49:51,947

You don't get it. You're the ghost.

You are, Dad.

968

00:49:52,030 --> 00:49:54,574

-You're the spectral presence--

-Come on, Steve.

969

00:49:54,658 --> 00:49:57,035

-I can see right through you.

-Yeah?

970

00:49:57,119 --> 00:49:59,913

And the only difference between you

and the stuff of campfire stories

971

00:49:59,997 --> 00:50:01,289

is that you keep getting older.

972

00:50:01,373 --> 00:50:03,792

I just tried to keep your kids safe

and to protect

973

00:50:03,875 --> 00:50:06,712

what memories you kids still have

of your poor mother.

974

00:50:06,795 --> 00:50:09,006
-This is what got into her head!
-You've never understood.

975
00:50:09,089 --> 00:50:10,757
-This is what made her sick.
-Your problem--

976
00:50:10,841 --> 00:50:12,634
-It's always been your problem.
-My problem?

977
00:50:12,718 --> 00:50:14,469
You think you know
what happened that night?

978
00:50:14,553 --> 00:50:17,305
-You don't know--
-My problem is that the wrong parent died!

979
00:50:17,431 --> 00:50:18,849
[crashes]

980
00:50:49,755 --> 00:50:51,840
[Hugh] Let's... [panting]

981
00:50:54,342 --> 00:50:56,219
-[Steve] One, two...
-[Hugh] Let's go.

982
00:50:56,428 --> 00:50:57,304
[Steve] ...three.

983
00:50:58,805 --> 00:51:00,515
-[grunts]
-Okay, down.

984
00:51:00,849 --> 00:51:02,642
Set it down.

985
00:51:03,894 --> 00:51:04,895
[Hugh sighs deeply]

986
00:51:16,073 --> 00:51:16,907
I...

987
00:51:18,784 --> 00:51:20,702
[tearfully] I have to fix her makeup.

988
00:51:26,541 --> 00:51:28,251
[softly] I'll get my kit.

989
00:52:15,674 --> 00:52:17,008
It's all right, boys.

990
00:52:42,784 --> 00:52:43,660
Wait.

991
00:52:55,505 --> 00:52:56,464
[Kevin] Shirley.

992
00:52:56,882 --> 00:52:58,133
Shirley, wait.

993
00:52:59,593 --> 00:53:01,011
-[Olivia] Nellie.
-[whimpers]

994
00:53:01,219 --> 00:53:03,763
There you are. We were worried sick.

995
00:53:03,972 --> 00:53:05,348
[Olivia sighs]

996
00:53:09,186 --> 00:53:12,230
-Where did you go?
-I was... here.

997
00:53:12,898 --> 00:53:14,900
I was right here.

998
00:53:15,317 --> 00:53:17,402
Oh, honey, you're freezing.

999
00:53:17,485 --> 00:53:19,863
I was right here and I was screaming
and shouting,

1000
00:53:19,946 --> 00:53:21,448
and none of you could see me.

1001
00:53:22,324 --> 00:53:24,242
Why couldn't you see me?

1002
00:53:24,784 --> 00:53:27,412
-[Olivia] It's okay, baby.
-I waved and jumped and screamed,

1003
00:53:27,495 --> 00:53:28,663
and you didn't even look.

1004
00:53:29,206 --> 00:53:31,416
-[Young Nell] None of you even looked.
-[Olivia] So sorry.

1005
00:53:31,499 --> 00:53:32,667
We're so sorry.

1006
00:53:37,631 --> 00:53:40,133
[Steve sighs] Come on.
We'll see her tomorrow.

1007
00:53:47,057 --> 00:53:48,058
Come on.

1008
00:54:01,071 --> 00:54:03,657
[Young Luke] Don't do that ever again.

1009
00:54:04,032 --> 00:54:06,034
Don't do that ever again.

1010
00:54:06,743 --> 00:54:07,577
Ever.

1011
00:54:08,787 --> 00:54:13,208

I thought the house things had got you.
I thought they took you.

1012
00:54:13,750 --> 00:54:16,294
-I'm so glad you're okay.
-[sobbing]

1013
00:54:18,171 --> 00:54:19,130
[Steve] Come on.

1014
00:54:27,722 --> 00:54:31,059
[Young Luke] I'll never let you go again.
Never again.

1015
00:54:31,268 --> 00:54:32,519
I promise.

1016
00:54:35,480 --> 00:54:37,023
[Young Nell] I was right here.

1017
00:54:37,357 --> 00:54:39,401
I didn't go anywhere.

1018
00:54:40,026 --> 00:54:41,611
I was right here.

1019
00:54:43,238 --> 00:54:44,823
I was right here...

1020
00:54:45,156 --> 00:54:46,658
the whole time.

1021
00:54:47,909 --> 00:54:49,411
None of you could see me.

1022
00:54:51,371 --> 00:54:53,373
Nobody could see me.
