1

00:00:14,681 --> 00:00:16,516
[theme music playing]

2

00:01:19,204 --> 00:01:21,664
[woman] The big question is,
how aggressive do you want to be?

3

00:01:22,290 --> 00:01:24,918
[Leigh] Very aggressive.
We don't want to lose any more time.

4

00:01:25,001 --> 00:01:27,796
You've been trying for... two years?

5

00:01:28,171 --> 00:01:29,005
And four months.

6

00:01:30,090 --> 00:01:33,384
Uh, I have the app monitoring ovulation,

7

00:01:33,802 --> 00:01:35,512
taking temperature and mucus levels,

8

00:01:35,595 --> 00:01:38,431
we've been, uh, planning
and pacing intercourse.

9

00:01:38,598 --> 00:01:40,183
It's been very romantic.

10

00:01:41,601 --> 00:01:43,603
So we're looking at IUI or IVF.

11

00:01:43,895 --> 00:01:46,523
IUI is the least invasive. And outpatient.

12

00:01:46,606 --> 00:01:47,482
IUI...?

13

00:01:48,566 --> 00:01:50,652
Didn't you read the thing? I told you to.

14

00:01:50,735 --> 00:01:52,112
[doctor] Intrauterine insemination.

15

00:01:52,195 --> 00:01:53,988
The sperm are injected into the uterus.

16

00:01:54,072 --> 00:01:56,407
-And yes, it's outpatient
-Let's start there.

17

00:01:56,783 --> 00:01:58,660
-[doctor] You're 39, Steven?
-Mm-hmm.

18

00:01:58,952 --> 00:02:01,996
Okay, we'll test your sperm
for count and motility percentage.

19

00:02:02,080 --> 00:02:04,958
And how far away are we
from your period, Leigh?

20

00:02:05,041 --> 00:02:07,335
It's unpredictable.
A week, maybe ten days.

21

00:02:07,669 --> 00:02:09,504
[doctor] Your cycle's unpredictable?

22

00:02:10,588 --> 00:02:11,548
Is that a problem?

23

00:02:12,298 --> 00:02:13,800
[doctor] Possibly, possibly not.

24

00:02:13,883 --> 00:02:16,010
That and your age are all factors.

25

00:02:16,094 --> 00:02:18,888
Over 35,
the situation becomes more difficult.

26

00:02:19,389 --> 00:02:21,015
But very often, it's manageable.

27

00:02:21,182 --> 00:02:23,518
But it might be likely
that, based on your test results,

28

00:02:23,601 --> 00:02:25,019
we go straight to in vitro.

29

00:02:25,520 --> 00:02:28,773
-[Leigh] Will Insurance help with that?
-[doctor] Most companies won't cover IVF,

30

00:02:28,857 --> 00:02:32,152
but very often, the genetic testing
for the man will be covered.

31

00:02:32,235 --> 00:02:34,154
-Oh, that sounds fair.
-[doctor and Leigh chuckle]

32

00:02:34,279 --> 00:02:36,990
[doctor] All right, so, Steven,
when can we schedule your tests?

33

00:02:37,073 --> 00:02:38,241
Which tests?

34

00:02:39,284 --> 00:02:41,619
A blood panel for chromosomal diagnosis,

35

00:02:41,703 --> 00:02:42,829
a sample of your semen.

36

00:02:42,912 --> 00:02:44,497
When did you last ejaculate?

37

00:02:45,331 --> 00:02:46,249
A week.

38

00:02:47,000 --> 00:02:47,834
Maybe less.

39

00:02:48,042 --> 00:02:49,127
No, it's two weeks.

40

00:02:49,669 --> 00:02:50,503
When--

41

00:02:52,297 --> 00:02:53,173
Ah.

42

00:02:53,256 --> 00:02:55,216
[doctor] We'll need to reschedule it.

43

00:02:55,717 --> 00:02:57,260
We need within three to five days after.

44

00:03:01,931 --> 00:03:03,892
Homework, honey. [chuckles]

45

00:03:07,270 --> 00:03:08,479
[sighs]

46

00:03:08,855 --> 00:03:09,981
We gotta talk.

47

00:03:11,691 --> 00:03:12,609
About what?

48

00:03:14,194 --> 00:03:15,111
Steve?

49

00:03:17,655 --> 00:03:18,489
Steve!

50

00:03:19,616 --> 00:03:20,450
Steve.

51

00:03:21,951 --> 00:03:23,119

Steve!

52

00:03:26,748 --> 00:03:28,291
Oh. I'm sorry.

53

00:03:30,501 --> 00:03:32,670
-I'll just put it there.
-I can fix this.

54

00:03:32,754 --> 00:03:36,132
[Shirley] No, I don't want to cancel it,
I just wanted a usage alert.

55

00:03:36,799 --> 00:03:39,010
So you'll text me next time it's used?

56

00:03:40,511 --> 00:03:41,596
Okay. Thanks.

57

00:03:42,805 --> 00:03:44,307
He hasn't used the credit card yet.

58

00:03:44,390 --> 00:03:46,267
They're going to send me an alert
when he does.

59

00:03:46,351 --> 00:03:48,019
We can get a location from that.

60

00:03:48,603 --> 00:03:50,355
God, I hope he...

61

00:03:50,772 --> 00:03:53,942
just tries an ATM
and doesn't trade the card for dope.

62

00:03:54,275 --> 00:03:55,193
Does he have your PIN?

63

00:03:55,902 --> 00:03:56,778
Are you kidding?

64

00:03:56,861 --> 00:03:58,238
Why would he try an ATM?

65

00:03:58,529 --> 00:04:01,199
I'm sorry, Steve.
Do you have a better suggestion?

66

00:04:01,449 --> 00:04:03,493
He took the card to use the card,

67

00:04:03,576 --> 00:04:05,078
and now we'll know if he does.

68

00:04:07,830 --> 00:04:09,707
He didn't have to break the house.

69

00:04:10,041 --> 00:04:11,960
[Hugh] No, I don't think he did.

70

00:04:12,252 --> 00:04:13,294
Me neither.

71

00:04:13,419 --> 00:04:15,505
Someone ask you what you think, Theodora?

72

00:04:16,172 --> 00:04:17,006
Sorry.

73

00:04:17,590 --> 00:04:20,969
-[Shirley] If it wasn't Luke, who was it?
-[Steve] Maybe one of your kids.

74

00:04:21,219 --> 00:04:23,930
[Shirley] Yeah, that makes sense.
It was probably my kids.

75

00:04:24,180 --> 00:04:27,141
Or maybe it was the guy
who just stole a car

76

00:04:27,225 --> 00:04:28,393

to put a needle in his arm.

77

00:04:28,476 --> 00:04:30,270
I'm worried about
a lot more than that.

78

00:04:30,353 --> 00:04:31,479
What do you mean?

79

00:04:31,562 --> 00:04:35,233
I mean,
that suicides can cluster in families,

80

00:04:35,566 --> 00:04:36,734
especially twins.

81

00:04:37,652 --> 00:04:39,195
If they lose a twin,

82

00:04:39,570 --> 00:04:40,822
the odds go up.

83

00:04:41,572 --> 00:04:44,993
He may not be planning to come home.

84

00:04:46,327 --> 00:04:49,372
-Where-- Where would he go?
-[Shirley] He could be anywhere.

85

00:04:50,707 --> 00:04:54,127
He was picked up off Mass Ave a few times
when he was living here.

86

00:04:54,711 --> 00:04:56,045
Methadone Mile.

87

00:04:56,879 --> 00:04:59,257
-What's that?
-Mass Ave, south of downtown.

88

00:04:59,340 --> 00:05:01,968
It's basically an open-air drug market.

89

00:05:02,510 --> 00:05:03,428
I remember it.

90

00:05:04,304 --> 00:05:06,639
-I'll go look for him.
-[Shirley] It's a waste of gas.

91

00:05:06,723 --> 00:05:08,808
-He could be anywhere.
-Yeah, I'll-- I'll go with you.

92

00:05:08,891 --> 00:05:11,060
-I got this.
-[Shirley] Just wait a bit.

93

00:05:11,144 --> 00:05:13,229
-We'll see if he's using the card.
-[Steve] Call me if he does.

94

00:05:13,313 --> 00:05:14,981
[Shirley] Are you gonna drive in circles?

95

00:05:15,064 --> 00:05:18,192
-Hope he's standing on some corner?
-[Steve] Maybe, I don't know.

96

00:05:18,776 --> 00:05:20,945
We're really not gonna tell them
what we saw?

97

00:05:22,613 --> 00:05:23,573
[scoffs]

98

00:05:25,783 --> 00:05:26,784
Damn it, Luke.

99

00:05:28,494 --> 00:05:29,495
[sighs angrily]

100

00:05:35,376 --> 00:05:36,419
We going or what?

101

00:05:37,879 --> 00:05:38,880
I just want to help.

102

00:05:41,299 --> 00:05:42,633
[young Steve] I just want to help.

103

00:05:44,260 --> 00:05:45,845
Look, bud, I know you do,

104

00:05:46,346 --> 00:05:49,432
but I'm gonna start using
some really strong chemicals down here,

105

00:05:49,515 --> 00:05:50,808
and it just isn't safe.

106

00:05:51,392 --> 00:05:52,852
I can help with something else, then.

107

00:05:52,935 --> 00:05:54,354
Look, pal,

108

00:05:55,688 --> 00:05:57,523
I've already hired all the help
I can afford

109

00:05:57,607 --> 00:05:59,817
just to get everything else
finished by the end of summer.

110

00:06:02,570 --> 00:06:04,906
I could use your help
with something, though.

111

00:06:04,989 --> 00:06:06,074
-Yeah?
-Yeah.

112

00:06:07,075 --> 00:06:10,787
See, your mom's gonna go
to your Aunt Janet's in a few days...

113
00:06:11,329 --> 00:06:12,330
and stay a bit.

114
00:06:12,663 --> 00:06:13,706
Maybe a week.

115
00:06:14,499 --> 00:06:15,375
How come?

116
00:06:16,584 --> 00:06:19,837
Well, you know, she's been cooped up
in this house all summer, and...

117
00:06:20,630 --> 00:06:22,590
Anyway,
I know it's not the most exciting thing,

118
00:06:22,673 --> 00:06:25,009
but I could really use your help

119
00:06:25,093 --> 00:06:27,637
watching your brother and your sisters
while she's away.

120
00:06:28,596 --> 00:06:29,430
Yeah.

121
00:06:29,639 --> 00:06:30,640
Yeah, I got you.

122
00:06:31,057 --> 00:06:31,974
Okay.

123
00:06:35,144 --> 00:06:36,521
[indistinct chatter]

124
00:06:36,646 --> 00:06:39,941
[hammering]

125
00:06:45,196 --> 00:06:47,198

[gentle tapping]

126
00:07:02,880 --> 00:07:03,714
Mom?

127
00:07:03,965 --> 00:07:06,008
[Olivia] What do you mean, sweetheart?

128
00:07:06,592 --> 00:07:08,511
Of course you're safe with me.

129
00:07:09,345 --> 00:07:10,430
-Mom.
-[gasps]

130
00:07:12,640 --> 00:07:13,516
Are you okay?

131
00:07:15,726 --> 00:07:16,561
Where...

132
00:07:16,644 --> 00:07:17,812
Where are the twins?

133
00:07:18,146 --> 00:07:19,147
Downstairs.

134
00:07:20,314 --> 00:07:21,149
[sighs]

135
00:07:22,150 --> 00:07:23,109
Of course.

136
00:07:23,484 --> 00:07:25,862
-Are you sure--?
-I'm fine, sweetie. I'm fine.

137
00:07:29,115 --> 00:07:30,324
[zapping]

138
00:07:32,160 --> 00:07:33,119

[beeping]

139

00:07:40,001 --> 00:07:42,003
[upbeat melody playing]

140

00:07:52,513 --> 00:07:53,514
Okay, thanks.

141

00:07:55,016 --> 00:07:57,268
Well, he's-- he's not at Holy Family.

142

00:07:57,393 --> 00:07:59,937
Well,
he's probably not gonna instantly OD.

143

00:08:00,104 --> 00:08:03,149
You're gonna call every hospital
in Boston? That the plan?

144

00:08:03,232 --> 00:08:06,527
What, you're gonna just drive around,
hope we spot him in a city of 700,000?

145

00:08:06,611 --> 00:08:09,947
I'm not looking for him.
I'm looking for a beat-up green Jeep

146

00:08:10,031 --> 00:08:12,658
with not one, but two, Ani DiFranco
bumper stickers,

147

00:08:12,742 --> 00:08:14,785
and I'm looking for it
where I know he used to score.

148

00:08:15,578 --> 00:08:16,829
Gotta do something.

149

00:08:17,580 --> 00:08:18,581
Yeah, we do.

150

00:08:21,792 --> 00:08:23,503

-So, um...
-[Steve sighs]

151
00:08:24,670 --> 00:08:25,755
What's going on?

152
00:08:25,963 --> 00:08:28,174
-Hmm?
-What's going on with you and Leigh?

153
00:08:28,257 --> 00:08:29,300
What do you mean?

154
00:08:29,884 --> 00:08:30,885
Well, I mean...

155
00:08:31,886 --> 00:08:35,264
-how's your marriage?
-[chuckling] You're kidding, right?

156
00:08:35,348 --> 00:08:36,474
You're not living at home,

157
00:08:36,557 --> 00:08:38,351
and I couldn't help but notice
at the funeral--

158
00:08:38,434 --> 00:08:41,354
-You aren't seriously doing this.
-Well, yeah, I am. I--

159
00:08:41,437 --> 00:08:43,814
Jesus Christ, Dad, you're out of line.

160
00:08:44,023 --> 00:08:47,360
We might be in the car for a while,
and so I thought to myself,

161
00:08:47,443 --> 00:08:49,946
"I'm going to ask my son about his life."
What's wrong with that?

162

00:08:50,029 --> 00:08:51,405
Doesn't work that way, Dad.

163
00:08:54,700 --> 00:08:56,911
Your mom and I were married 15 years.

164
00:08:59,539 --> 00:09:01,374
Together five before that.

165
00:09:04,085 --> 00:09:06,712
She used to say she was the kite
and I was the line.

166
00:09:06,879 --> 00:09:09,966
She was a... creature of the clouds

167
00:09:10,049 --> 00:09:13,135
and... and I was a creature of the earth.

168
00:09:14,470 --> 00:09:17,390
And she'd say that, without me,
she'd become untethered

169
00:09:17,473 --> 00:09:19,433
and she would float away up into the...

170
00:09:20,351 --> 00:09:22,812
And then, without her,
I would just, you know,

171
00:09:22,895 --> 00:09:25,189
crash, just drop right down to the ground,

172
00:09:25,273 --> 00:09:26,649
and, you know.

173
00:09:26,899 --> 00:09:30,027
But... together... [chuckles]

174
00:09:31,237 --> 00:09:32,238
...we...

175

00:09:37,702 --> 00:09:38,953
You know, we separated.

176

00:09:39,579 --> 00:09:41,497
You... You didn't know that, probably.

177

00:09:42,748 --> 00:09:45,251
Briefly, we separated.
You were one year old.

178

00:09:46,002 --> 00:09:47,587
Stupidest thing I ever did.

179

00:09:47,670 --> 00:09:50,256
You know, I made some stupid
proclamation, and that was it.

180

00:09:50,339 --> 00:09:51,340
Two weeks.

181

00:09:52,675 --> 00:09:56,178
Two weeks. I don't even know
how we got there. I just know we fought.

182

00:09:56,262 --> 00:10:00,141
I don't know what we fought about,
but I finally came to my senses, and...

183

00:10:02,143 --> 00:10:05,855
[sighs] I thought, "What the hell,
you stupid asshole. What are you, insane?"

184

00:10:05,980 --> 00:10:08,441
So, you know, I came back
and knocked on the door,

185

00:10:08,524 --> 00:10:10,735
she answered it,
she put her arms around me,

186

00:10:10,860 --> 00:10:13,362
she kissed me,

she forgave me with her eyes, and...

187

00:10:14,822 --> 00:10:15,698
She handed you to me.

188

00:10:15,781 --> 00:10:18,701
I had you in one arm
and her in the other, and that was it.

189

00:10:19,744 --> 00:10:20,870
[chuckles softly]

190

00:10:23,080 --> 00:10:24,040
We were back at it.

191

00:10:26,000 --> 00:10:27,835
And Shirley came along, and...

192

00:10:29,086 --> 00:10:30,963
from that moment on,
we were on the same team.

193

00:10:31,047 --> 00:10:32,923
You know, we still fought sometimes,

194

00:10:33,674 --> 00:10:34,634
but it was...

195

00:10:34,967 --> 00:10:38,095
it was different. We fought with love.
She taught me that.

196

00:10:38,596 --> 00:10:39,722
You fight with love.

197

00:10:40,056 --> 00:10:41,140
Yeah, when you're...

198

00:10:43,517 --> 00:10:46,312
You're on the same team
even when you're in the middle of a fight.

199

00:10:46,771 --> 00:10:47,647
During the fight,

200

00:10:48,397 --> 00:10:49,940
you're... you're forgiven.

201

00:10:50,149 --> 00:10:52,526
There's no fear. There's no danger.
You're safe.

202

00:10:53,986 --> 00:10:56,781
I hope, really,
you get to experience that sometime.

203

00:10:57,031 --> 00:10:57,990
It's a...

204

00:10:58,491 --> 00:10:59,867
It's a beautiful way to be.

205

00:11:03,245 --> 00:11:05,122
You know, look, we weren't perfect...

206

00:11:07,291 --> 00:11:08,876
but we were always kind.

207

00:11:09,502 --> 00:11:11,962
And we loved each other hard.

208

00:11:13,839 --> 00:11:17,009
And I love her today
just as much as I did in the beginning.

209

00:11:20,638 --> 00:11:21,806
The kite and the line.

210

00:11:26,227 --> 00:11:29,021
So whatever you need to fix
between you and Leigh...

211

00:11:31,232 --> 00:11:32,983

I really-- I really hope you do.

212

00:11:36,570 --> 00:11:37,488
And, uh...

213

00:11:39,407 --> 00:11:41,867
That's all I...
That's all I really wanted to say.

214

00:11:45,287 --> 00:11:47,498
[Allie] Candy, candy, candy, candy!

215

00:11:47,748 --> 00:11:49,250
Sure you won't come with us?

216

00:11:49,333 --> 00:11:50,292
You guys have fun.

217

00:11:50,376 --> 00:11:52,169
Come on, Mom, candy!

218

00:11:52,253 --> 00:11:54,672
We'll bring her back some.
Mom's had a very hard day.

219

00:11:55,089 --> 00:11:56,507
Would you stop that?

220

00:11:57,174 --> 00:11:59,510
I'm still disappointed you're not going
as Captain Lane.

221

00:11:59,635 --> 00:12:01,512
[sighs] I swear to God, Dad.

222

00:12:01,595 --> 00:12:03,055
[Allie] Candy, candy, candy!

223

00:12:03,723 --> 00:12:04,557
Hey.

224

00:12:05,683 --> 00:12:06,892
Can we talk when I get back?

225

00:12:07,977 --> 00:12:10,104
How? You'll be back at the hotel.

226

00:12:11,397 --> 00:12:12,273
Okay.

227

00:12:13,607 --> 00:12:14,483
Okay, Shirl.

228

00:12:16,402 --> 00:12:17,319
Stop.

229

00:12:17,903 --> 00:12:19,572
-Let's go.
-[Shirley] Turn off the porch light.

230

00:12:19,905 --> 00:12:21,657
I can't handle trick-or-treaters tonight.

231

00:12:24,660 --> 00:12:25,494
I love you.

232

00:12:27,079 --> 00:12:28,247
You guys have fun.

233

00:12:36,672 --> 00:12:40,342
-[pieces clattering]
-[sighs]

234

00:12:59,069 --> 00:13:00,154
What the hell?

235

00:13:01,989 --> 00:13:03,157
[doorbell rings]

236

00:13:09,914 --> 00:13:11,290
[doorbell rings]

237

00:13:13,042 --> 00:13:14,543
Sorry, no candy here.

238
00:13:18,547 --> 00:13:19,840
[doorbell rings]

239
00:13:22,259 --> 00:13:23,719
Goddamn light's off.

240
00:13:30,601 --> 00:13:32,061
[insects chirping]

241
00:13:45,407 --> 00:13:47,201
[Hugh] I'm gonna call the hospitals again.

242
00:13:47,284 --> 00:13:49,703
-Maybe he just forgot his ID.
-[Steve] And ask them what?

243
00:13:49,787 --> 00:13:51,580
If they've seen a junkie
in a funeral suit?

244
00:13:51,664 --> 00:13:53,958
He's 90 days clean
and he's your brother.

245
00:13:54,041 --> 00:13:55,251
He's a good man, Steve.

246
00:13:55,334 --> 00:13:59,421
They're not mutually exclusive.
He's my brother, but he's a junkie.

247
00:14:02,091 --> 00:14:04,009
We're not gonna find him like this.

248
00:14:04,176 --> 00:14:05,719
-You didn't have to come.
-Yeah, I did.

249
00:14:05,803 --> 00:14:07,972

-No, you really didn't.

-Yeah, I did, Steve.

250

00:14:10,391 --> 00:14:12,184
He's my son. You know? My...

251

00:14:12,518 --> 00:14:15,354
I don't know what I'd do
if I lost him, any of you.

252

00:14:15,646 --> 00:14:16,564
[scoffs]

253

00:14:18,440 --> 00:14:19,775
Yeah, I had to come.

254

00:14:21,110 --> 00:14:22,945
I can't... I can't lose...

255

00:14:24,196 --> 00:14:26,156
I can't lose anyone else. [sighs]

256

00:14:28,242 --> 00:14:30,327
One day, when you have children,
you'll understand.

257

00:14:30,411 --> 00:14:32,329
[scoffs] I'm never having children.

258

00:14:33,664 --> 00:14:35,749
Well, that's... that's a shame.

259

00:14:36,834 --> 00:14:39,295
'Cause you kids are the best thing
in my life.

260

00:14:39,503 --> 00:14:41,046
You mean Aunt Janet's life?

261

00:14:41,422 --> 00:14:43,257
She's the one who raised your kids,
didn't she?

262

00:14:43,340 --> 00:14:45,426
-You don't know what it was like.
-You never told me.

263

00:14:45,509 --> 00:14:47,177
Everything I did, I did to protect you.

264

00:14:47,261 --> 00:14:49,054
To protect us, I know, yeah.

265

00:14:49,138 --> 00:14:50,598
Just like you protected Mom.

266

00:14:52,766 --> 00:14:53,684
Here we go.

267

00:14:53,893 --> 00:14:55,436
I saw the police reports.

268

00:14:58,147 --> 00:15:01,817
-Her skull cracked like a melon--
-All right, Steve, why don't you just--?

269

00:15:01,901 --> 00:15:04,653
There was blood all over
the library carpet.

270

00:15:04,945 --> 00:15:07,364
There were bruises on her upper arms

271

00:15:07,448 --> 00:15:09,867
because someone grabbed her pretty hard.

272

00:15:09,950 --> 00:15:10,868
Okay, Steve--

273

00:15:10,951 --> 00:15:14,622
And a contusion on the back of her head
from being shoved into a wall?

274

00:15:16,040 --> 00:15:18,250
Her ankle was twisted,
so she was limping,

275

00:15:18,334 --> 00:15:20,669
she was bruised to hell,
depressed out of her mind,

276

00:15:20,753 --> 00:15:23,881
unmedicated, untreated, and abandoned.

277

00:15:23,964 --> 00:15:25,466
It wasn't like that.

278

00:15:25,549 --> 00:15:27,676
I did my best. You have no idea--

279

00:15:27,760 --> 00:15:29,970
You threw us in a car,
you left her there alone,

280

00:15:30,054 --> 00:15:32,598
and she threw herself
off the goddamn staircase,

281

00:15:32,681 --> 00:15:33,724
and that was your best?

282

00:15:33,807 --> 00:15:36,393
All right, well, she should not
have been left alone in the house--

283

00:15:36,477 --> 00:15:39,188
Fuck the house. It wasn't the house.
She was sick.

284

00:15:39,772 --> 00:15:42,316
She was sick in her mind,
and the one person,

285

00:15:42,399 --> 00:15:44,777
the one person that was supposed
to take care of her

286
00:15:44,860 --> 00:15:47,738
didn't do a goddamn thing to get her help.

287
00:15:49,156 --> 00:15:50,199
[sighs]

288
00:15:53,577 --> 00:15:54,536
I miss her.

289
00:15:57,331 --> 00:15:58,582
I miss my mom.

290
00:16:02,628 --> 00:16:03,796
I miss her too.

291
00:16:07,675 --> 00:16:10,094
It's certainly beautiful.
Where did you find it?

292
00:16:11,095 --> 00:16:11,971
The game room.

293
00:16:12,805 --> 00:16:14,348
-The what room?
-Upstairs.

294
00:16:14,431 --> 00:16:17,184
You know, I think a little paint,
maybe fix those doors,

295
00:16:17,267 --> 00:16:19,770
-and she might really love it.
-I'm sure she will.

296
00:16:20,688 --> 00:16:22,815
So do you know
where the paint and stuff is?

297
00:16:22,982 --> 00:16:26,026
-Why don't you ask your father?
-I did. He's busy.

298

00:16:26,151 --> 00:16:28,988
He said if it wasn't tagged for sale,
I could do whatever I wanted.

299

00:16:29,071 --> 00:16:30,572
And it's not tagged for sale.

300

00:16:31,490 --> 00:16:33,742
Well, I do know where some paint is.

301

00:16:38,372 --> 00:16:39,623
[sighs] I thought so.

302

00:16:40,290 --> 00:16:42,126
This must have been Poppy's.

303

00:16:42,626 --> 00:16:43,502
Poppy?

304

00:16:44,878 --> 00:16:45,921
Poppy Hill.

305

00:16:47,172 --> 00:16:48,590
She was William's wife.

306

00:16:49,550 --> 00:16:50,759
She was insane.

307

00:16:51,260 --> 00:16:53,053
Yeah, she looks kind of wild.

308

00:16:53,512 --> 00:16:54,805
No, I mean clinically.

309

00:16:55,305 --> 00:16:56,223
So was he.

310

00:16:57,391 --> 00:17:00,352
William's parents sent him
to an institution when he was a kid.

311

00:17:00,436 --> 00:17:03,439
They called it private school,
but it wasn't a school, though.

312

00:17:03,522 --> 00:17:06,650
It was just a place where rich parents
hid their embarrassments.

313

00:17:08,193 --> 00:17:10,404
They met in the mental institution.

314

00:17:10,779 --> 00:17:12,531
They fell in love in an asylum.

315

00:17:12,906 --> 00:17:14,283
She was insane.

316

00:17:15,784 --> 00:17:16,785
Did you know her?

317

00:17:18,162 --> 00:17:19,204
Oh, yes.

318

00:17:19,872 --> 00:17:22,541
She was just as crazy, just older.
[scoffs]

319

00:17:23,834 --> 00:17:27,755
She was a beautiful young woman
in her time, though.

320

00:17:29,089 --> 00:17:30,340
No doubt about that.

321

00:17:39,183 --> 00:17:41,852
If you really want this to be a surprise
for your mom,

322

00:17:42,603 --> 00:17:44,772
I'd suggest you don't work on it
in your room.

323
00:17:46,815 --> 00:17:48,650
[video game zapping and beeping]

324
00:18:28,774 --> 00:18:30,025
[doorbell rings]

325
00:18:32,111 --> 00:18:33,445
[breathing deeply]

326
00:18:33,946 --> 00:18:35,280
[doorbell rings]

327
00:18:43,122 --> 00:18:45,916
Just take the fucking candy and go.

328
00:18:51,755 --> 00:18:52,714
[knocking at door]

329
00:18:53,257 --> 00:18:54,424
[inhales sharply]

330
00:19:06,019 --> 00:19:06,979
[door closes]

331
00:19:07,479 --> 00:19:08,564
You're very clever.

332
00:19:09,606 --> 00:19:11,233
How about you try another house?

333
00:19:11,316 --> 00:19:12,943
I'm not in the fucking mood!

334
00:19:19,575 --> 00:19:21,577
[sighs]

335
00:19:23,245 --> 00:19:24,246
[gasps]

336

00:19:29,042 --> 00:19:30,043
[knocking at door]

337
00:19:38,719 --> 00:19:39,761
[urgent knocking]

338
00:19:40,554 --> 00:19:41,430
[sighs]

339
00:19:44,308 --> 00:19:46,101
What the fuck do you want?

340
00:19:48,312 --> 00:19:49,688
Um... Oh.

341
00:19:50,772 --> 00:19:52,524
I was just coming to apologize.

342
00:19:54,401 --> 00:19:55,652
Who are you yelling at?

343
00:19:57,571 --> 00:19:58,947
Some fucking kids are...

344
00:20:00,407 --> 00:20:01,241
Just forget it.

345
00:20:08,916 --> 00:20:10,250
-Wait.
-Not now.

346
00:20:10,375 --> 00:20:11,919
-I can explain.
-I doubt that.

347
00:20:12,169 --> 00:20:14,671
-Shouldn't you be packing?
-I know what it looked like last night.

348
00:20:14,755 --> 00:20:18,050
-You were making out with my husband.
-No. No, there was no actual...

349

00:20:18,133 --> 00:20:21,303
Okay, so from what I can remember,
which isn't a lot actually,

350

00:20:21,386 --> 00:20:22,304
he pushed me away.

351

00:20:22,387 --> 00:20:24,848
-Is that supposed to make this better?
-It wasn't even him.

352

00:20:25,098 --> 00:20:28,018
It wasn't...
I didn't see him. It wasn't about him.

353

00:20:28,101 --> 00:20:30,229
It's about you getting out of
my guest house

354

00:20:30,312 --> 00:20:31,563
and off my fucking property.

355

00:20:31,647 --> 00:20:34,816
-If you would just let me talk.
-I don't care what you have to say.

356

00:20:34,900 --> 00:20:37,194
Don't you understand? Get out!

357

00:20:37,277 --> 00:20:38,737
You are impossible. Do you know that?

358

00:20:38,820 --> 00:20:40,197
I'm sorry, have I offended you?

359

00:20:40,280 --> 00:20:42,991
You are always throwing it in my face
that I live in your guest house.

360

00:20:43,075 --> 00:20:43,992
Won't happen again.

361

00:20:44,076 --> 00:20:45,953
I choose to live there, Shirley.

362

00:20:46,036 --> 00:20:48,956
-With you, for you.
-Oh, I can't thank you enough.

363

00:20:49,039 --> 00:20:50,207
You ice people out.

364

00:20:50,290 --> 00:20:51,208
You always have.

365

00:20:51,291 --> 00:20:52,542
I ice people out?

366

00:20:52,626 --> 00:20:54,002
Have you met yourself?

367

00:20:54,086 --> 00:20:56,713
And so I chose to live there
to help try and keep you warm.

368

00:20:56,797 --> 00:20:58,465
You fucking suck at apologies.

369

00:20:58,548 --> 00:21:02,052
I don't have to live in your guest house.
I'm not some bohemian weirdo.

370

00:21:02,135 --> 00:21:03,220
I'm an adult.

371

00:21:03,345 --> 00:21:04,846
I am a fucking doctor.

372

00:21:04,930 --> 00:21:06,390
You're a fucking slut.

373

00:21:08,016 --> 00:21:09,226

I just need you to know

374

00:21:09,726 --> 00:21:11,853
that it wasn't Kevin's fault
and he didn't do anything--

375

00:21:11,937 --> 00:21:14,231
Don't you fucking dare
defend my husband.

376

00:21:14,314 --> 00:21:16,942
All of us, all of us are just always
helping you

377

00:21:17,025 --> 00:21:19,820
keep up this idea in your head
that you're perfect Shirley,

378

00:21:19,903 --> 00:21:21,863
and we're just a bunch
of fuck-ups fucking up.

379

00:21:21,947 --> 00:21:24,283
-Perfect Shirley's perfect fucking life--
-Out!

380

00:21:24,825 --> 00:21:25,742
No!

381

00:21:25,826 --> 00:21:28,078
You do not just get to shut me
out of your--

382

00:21:30,247 --> 00:21:31,373
[gasps]

383

00:21:32,916 --> 00:21:34,626
Did you just punch me in the boob?

384

00:21:36,503 --> 00:21:37,337
Yeah.

385

00:21:38,422 --> 00:21:39,339
Yeah!

386
00:21:40,173 --> 00:21:42,217
If you kiss my husband,
that's what you get.

387
00:21:42,301 --> 00:21:44,386
You get punched
in the fucking boob.

388
00:21:45,012 --> 00:21:45,929
And you get evicted

389
00:21:46,013 --> 00:21:47,764
-from my fucking house.
-[knocking on door]

390
00:21:50,100 --> 00:21:51,393
[pounding on door]

391
00:22:05,407 --> 00:22:06,742
[pounding at door]

392
00:22:07,117 --> 00:22:08,327
[gasps]

393
00:22:08,535 --> 00:22:09,745
[knocking at window]

394
00:22:12,914 --> 00:22:14,207
[banging on window]

395
00:22:16,585 --> 00:22:18,337
[rhythmic banging on window]

396
00:22:19,129 --> 00:22:21,298
[loud banging on door and windows]

397
00:22:23,550 --> 00:22:25,052
[crashing at door]

398
00:22:29,639 --> 00:22:30,599
[banging stops]

399
00:22:40,817 --> 00:22:41,860
[cell phone ringing]

400
00:22:51,620 --> 00:22:52,788
[car horn blaring]

401
00:22:54,664 --> 00:22:56,083
[cell phone ringing]

402
00:22:57,376 --> 00:22:58,210
Shirl?

403
00:22:59,002 --> 00:23:00,045
What's up?

404
00:23:00,879 --> 00:23:01,963
[Shirley] They...

405
00:23:04,257 --> 00:23:05,175
Sorry, they...

406
00:23:06,885 --> 00:23:07,928
They got a hit.

407
00:23:09,262 --> 00:23:11,765
He used the card at a gas station.

408
00:23:12,849 --> 00:23:14,643
202, just east of Amherst.

409
00:23:15,936 --> 00:23:16,770
Amherst?

410
00:23:17,104 --> 00:23:17,938
Um...

411
00:23:18,105 --> 00:23:19,815

Can you text me the address?

412

00:23:23,235 --> 00:23:24,611

-Shirl?

-Yeah.

413

00:23:24,903 --> 00:23:26,905

I'm here. Sorry. Uh...

414

00:23:27,906 --> 00:23:30,033

Yeah, I'll... I'll text you the address.

415

00:23:31,118 --> 00:23:33,829

-Amherst is on the way--

-[Hugh] Yeah, I know where it is.

416

00:23:33,912 --> 00:23:36,248

You guys are gonna stay there.

We're gonna go to Amherst.

417

00:23:36,331 --> 00:23:39,668

I'm saying, if he's stopping in Amherst,
he's heading--

418

00:23:39,751 --> 00:23:41,837

Shirley, listen to me,

you're gonna stay put.

419

00:23:41,920 --> 00:23:43,755

-You hear me?

-Tell them what happened.

420

00:23:44,798 --> 00:23:46,341

Tell them what just happened.

421

00:23:47,884 --> 00:23:49,010

I'll text you.

422

00:23:50,846 --> 00:23:53,432

Some fucking kids playing a prank
is what happened.

423

00:23:53,515 --> 00:23:54,516
You know it wasn't.

424

00:23:55,183 --> 00:23:56,059
You know that.

425

00:23:57,519 --> 00:24:00,730
That's not the only thing like that
that's happened here tonight.

426

00:24:04,985 --> 00:24:07,446
I think Luke is going to the house.

427

00:24:08,405 --> 00:24:10,365
[Steve] Of course he is. [sighs]

428

00:24:10,449 --> 00:24:12,409
The goddamn house.

429

00:24:12,993 --> 00:24:16,121
It was a good enough spot for Nell,
it's a good enough spot for Luke.

430

00:24:16,204 --> 00:24:18,582
He always wanted to do what she did
his whole life.

431

00:24:18,665 --> 00:24:19,916
-You think you know.
-Uh-huh.

432

00:24:20,000 --> 00:24:21,918
And you just don't,
you don't understand.

433

00:24:22,002 --> 00:24:23,837
Last time I saw Mom,

434

00:24:24,588 --> 00:24:25,881
the look in her eye,

435

00:24:26,298 --> 00:24:27,382

I've seen that look.

436

00:24:27,799 --> 00:24:30,927
In Nell over the years, and Luke,
from the start,

437

00:24:31,011 --> 00:24:34,514
from when he'd sit there
drawing crazy ghouls in his tree house.

438

00:24:34,598 --> 00:24:37,017
And, hell, I've seen that look
in the mirror.

439

00:24:39,352 --> 00:24:41,855
Our family has a disease
that's never been treated,

440

00:24:41,938 --> 00:24:44,483
because it was easier
to listen to your crazy stories

441

00:24:44,566 --> 00:24:45,609
about an evil house.

442

00:24:48,111 --> 00:24:49,404
You think you saw it in the mirror?

443

00:24:49,488 --> 00:24:51,198
That's why you think
you'll never have kids?

444

00:24:51,281 --> 00:24:52,824
Oh, I know I'm never having children.

445

00:24:52,908 --> 00:24:56,077
Because you think that they'll
just have the same imaginary sickness?

446

00:24:56,161 --> 00:24:58,205
They would. We all do.

447

00:24:58,288 --> 00:25:00,665
Nell was delusional, depressed.

448
00:25:00,749 --> 00:25:03,668
Luke's an addict,
Shirley is a control freak,

449
00:25:03,752 --> 00:25:06,630
and Theo's basically a clenched fist
with hair.

450
00:25:07,464 --> 00:25:10,258
The whole fucking family is
on the brink of a breakdown

451
00:25:10,342 --> 00:25:13,512
and seeing things that aren't there,
hearing things that aren't there,

452
00:25:13,595 --> 00:25:16,056
and that shit happened after the house.

453
00:25:16,139 --> 00:25:17,307
It's not the house.

454
00:25:17,390 --> 00:25:20,018
There's something wrong
with our goddamn brains.

455
00:25:20,393 --> 00:25:22,145
So yeah, I'm never having children.

456
00:25:23,605 --> 00:25:24,648
I made sure.

457
00:25:28,360 --> 00:25:29,194
A vasectomy.

458
00:25:31,738 --> 00:25:32,739
Right out of college.

459
00:25:34,199 --> 00:25:37,285

And it was the right call, believe me,
because if I ever doubted it,

460

00:25:37,369 --> 00:25:40,455
some of the bullshit
I've been hallucinating this week...

461

00:25:43,041 --> 00:25:44,000
You really did?

462

00:25:45,085 --> 00:25:45,919
Yeah.

463

00:25:48,505 --> 00:25:49,798
Before you met Leigh?

464

00:25:52,425 --> 00:25:53,552
[sighs deeply]

465

00:25:53,969 --> 00:25:54,886
Boy.

466

00:25:56,805 --> 00:25:57,806
You didn't tell her?

467

00:25:59,599 --> 00:26:00,684
You didn't tell her.

468

00:26:02,227 --> 00:26:03,061
No.

469

00:26:05,480 --> 00:26:07,023
She wanted kids, I knew that.

470

00:26:08,024 --> 00:26:11,278
And I kept thinking, "I'll tell her later,
now's not the time."

471

00:26:13,238 --> 00:26:16,157
[sighs] But then we were engaged,
and then we were married,

472
00:26:16,241 --> 00:26:19,452
and then we were trying,
and she was upset it wasn't working.

473
00:26:22,831 --> 00:26:24,124
I couldn't say,

474
00:26:24,708 --> 00:26:26,543
"I can't. My genes...

475
00:26:27,377 --> 00:26:30,046
My genes are rotten, Leigh."

476
00:26:30,130 --> 00:26:31,881
[stammers] So I... I...

477
00:26:34,634 --> 00:26:35,885
I didn't tell her.

478
00:26:37,220 --> 00:26:40,515
And I thought I was being kind,
I really thought that.

479
00:26:42,100 --> 00:26:44,853
[sighs] See, we're all fucking crazy.

480
00:26:46,396 --> 00:26:47,647
The crazy Crains.

481
00:26:49,608 --> 00:26:53,194
This sickness already killed two of us,
might kill a third tonight.

482
00:26:53,612 --> 00:26:54,613
That's...

483
00:26:55,614 --> 00:26:56,698
almost half.

484
00:26:58,908 --> 00:27:00,243
It'd be almost half of us.

485
00:27:02,078 --> 00:27:03,121
[sighs]

486
00:27:03,913 --> 00:27:06,875
So, you want to tell me more
about the kite and the line?

487
00:27:09,169 --> 00:27:10,128
Or just...

488
00:27:11,171 --> 00:27:13,298
Just tell me what a shitty husband I was.

489
00:27:13,965 --> 00:27:14,966
Go ahead.

490
00:27:18,011 --> 00:27:19,095
I'm so sorry.

491
00:27:20,347 --> 00:27:21,222
I'm just...

492
00:27:24,809 --> 00:27:26,061
I'm just so sorry, son.

493
00:27:28,104 --> 00:27:29,147
[Olivia] You did this?

494
00:27:29,439 --> 00:27:31,858
I mean, this is beautiful.
You did this by yourself?

495
00:27:32,317 --> 00:27:33,943
Thought it might cheer you up.

496
00:27:34,402 --> 00:27:35,737
Dad said you've been...

497
00:27:36,696 --> 00:27:38,573
What? What did he say?

498

00:27:38,698 --> 00:27:40,241

I'm... I just...

499

00:27:40,325 --> 00:27:42,410

I know you're taking a little vacation.

500

00:27:42,494 --> 00:27:44,037

I wanted to cheer you up.

501

00:27:46,081 --> 00:27:46,998

Oh, sweetie.

502

00:27:48,708 --> 00:27:50,502

How long are you gonna be gone?

503

00:27:50,627 --> 00:27:51,836

Oh, not long.

504

00:27:52,128 --> 00:27:53,171

Not long, honey.

505

00:27:53,797 --> 00:27:56,758

I just need a little time away.
It's nothing more than that, okay?

506

00:27:57,300 --> 00:27:58,134

Okay.

507

00:27:59,886 --> 00:28:01,054

This is perfect.

508

00:28:02,806 --> 00:28:05,141

[chuckling] Thank you.

Thank you! I love it.

509

00:28:09,646 --> 00:28:10,730

[panting]

510

00:28:12,023 --> 00:28:12,857

Mom?

511
00:28:14,275 --> 00:28:15,402
[grunts]

512
00:28:20,865 --> 00:28:22,033
Oh, baby.

513
00:28:24,160 --> 00:28:25,286
Oh, I'm so sorry.

514
00:28:26,287 --> 00:28:29,082
This is an older picture.
He would have been wearing a suit.

515
00:28:29,165 --> 00:28:31,751
-About an hour ago. Did he come in?
-Yeah, I think so.

516
00:28:31,835 --> 00:28:32,669
Yeah?

517
00:28:32,752 --> 00:28:34,921
Did he say anything weird
or do anything... ?

518
00:28:35,004 --> 00:28:36,256
He filled up his Jeep.

519
00:28:36,631 --> 00:28:38,091
-Green Jeep?
-That's right.

520
00:28:38,174 --> 00:28:40,844
And then he filled up some cans,
like, five cans.

521
00:28:41,594 --> 00:28:43,138
Five cans, you say?

522
00:28:55,525 --> 00:28:56,818
-[Steve] Was it him?
-Yeah.

523

00:28:57,986 --> 00:28:59,320
[Steve] What are you doing?

524

00:28:59,404 --> 00:29:01,364
-I'm driving.
-[Steve] No, no, no, this...

525

00:29:01,448 --> 00:29:02,574
This is my rental.

526

00:29:05,618 --> 00:29:06,745
[engine revs]

527

00:29:08,872 --> 00:29:10,582
[Steve] Jesus, Dad, slow down.

528

00:29:10,665 --> 00:29:13,168
He bought five cans of gasoline.
He's not going to kill himself,

529

00:29:13,251 --> 00:29:15,378
-he's going to burn the house down.
-That's a relief.

530

00:29:15,462 --> 00:29:17,756
He's in more danger now
than he's ever been,

531

00:29:17,839 --> 00:29:20,216
and if he tries to burn it,
it will defend itself.

532

00:29:20,300 --> 00:29:23,344
-You really didn't hear a word I said.
-I did. Now you're gonna listen to me.

533

00:29:24,721 --> 00:29:26,222
There's a lot you don't know.

534

00:29:27,348 --> 00:29:30,643
I thought I could keep you kids safe

if you didn't know, but for 20 years

535

00:29:30,727 --> 00:29:33,313
I've been holding the door closed,
'cause I knew there were monsters

536

00:29:33,396 --> 00:29:35,064
on the other side,
do you understand me?

537

00:29:35,148 --> 00:29:36,399
Not even a little.

538

00:29:36,483 --> 00:29:39,861
Our family is like an unfinished meal
to that house,

539

00:29:39,944 --> 00:29:42,489
and your brother is walking
right back into...

540

00:29:43,990 --> 00:29:48,328
That house is the most dangerous place
in the world for all of us,

541

00:29:49,204 --> 00:29:50,747
but especially for you.

542

00:29:51,206 --> 00:29:52,540
-For me?
-Yeah, you.

543

00:29:53,208 --> 00:29:54,125
What? Why?

544

00:29:54,209 --> 00:29:55,877
Because I read your book,

545

00:29:55,960 --> 00:29:59,672
and you are the last person
that should ever step foot in that house

546

00:29:59,756 --> 00:30:02,258
because of what you wrote
and how you wrote it.

547

00:30:02,592 --> 00:30:05,011
You think you know what you saw?

548

00:30:05,261 --> 00:30:08,264
-You think you know what you wrote?
-What?

549

00:30:09,182 --> 00:30:10,683
I know you saw a ghost.

550

00:30:11,476 --> 00:30:13,353
-[scoffs]
-Yeah, chapter 19.

551

00:30:13,561 --> 00:30:14,395
Yeah.

552

00:30:14,479 --> 00:30:17,440
That little story about the vanity
you painted for your mother.

553

00:30:17,524 --> 00:30:19,943
That's a story about a schizophrenic woman

554

00:30:20,026 --> 00:30:21,945
having a manic episode
in front of a mirror.

555

00:30:22,028 --> 00:30:23,613
You don't understand what you wrote--

556

00:30:23,696 --> 00:30:26,407
No, I saw Mom smash that glass

557

00:30:26,491 --> 00:30:28,034
-for no reason.
-Before that.

558

00:30:28,117 --> 00:30:31,996
Go to the beginning, that little bit,
about the vanity and why you did it.

559

00:30:32,080 --> 00:30:34,290
-You found the vanity in the game room.
-Mm-hmm.

560

00:30:34,374 --> 00:30:36,584
And you walked
by the man repairing the clock,

561

00:30:36,668 --> 00:30:38,962
and then you saw your mother
looking into the twins' room,

562

00:30:39,045 --> 00:30:40,296
staring at their empty beds.

563

00:30:40,380 --> 00:30:43,049
Textbook dissociative episode.
She was not well.

564

00:30:43,132 --> 00:30:44,425
No, no, not her.

565

00:30:44,509 --> 00:30:46,302
The man repairing the clock.

566

00:30:47,595 --> 00:30:48,555
What about him?

567

00:30:49,264 --> 00:30:51,516
Do you know what witness marks are?

568

00:30:52,809 --> 00:30:53,852
They're scars.

569

00:30:54,561 --> 00:30:56,437
Little marks inside the clock,

570

00:30:56,521 --> 00:30:58,439

scrapes, lines, divots,

571

00:30:58,523 --> 00:31:00,275
from tools, gears,

572

00:31:00,650 --> 00:31:02,569
pieces removed from the clock.

573

00:31:02,652 --> 00:31:05,864
They're basically evidence of repairs
that have been done to the clock

574

00:31:05,947 --> 00:31:07,240
and what the clock was.

575

00:31:07,949 --> 00:31:11,619
And with antique clocks,
you almost never have a repair record,

576

00:31:11,703 --> 00:31:14,205
so you have to learn how to read
the witness marks,

577

00:31:14,289 --> 00:31:16,291
so you can understand
what was done to the machine

578

00:31:16,374 --> 00:31:19,043
-and how it is meant to function.
-[scoffs]

579

00:31:19,127 --> 00:31:21,588
Witness marks tell the story of the piece,

580

00:31:21,838 --> 00:31:23,464
if you know how to read them.

581

00:31:23,548 --> 00:31:25,133
What are you trying to say?

582

00:31:25,425 --> 00:31:27,802
I had that clock evaluated

by a professional

583

00:31:27,886 --> 00:31:29,721
before we even moved into the house.

584

00:31:30,096 --> 00:31:34,058
I just wanted to know its history,
know its value.

585

00:31:34,642 --> 00:31:36,811
That clock hadn't been touched
since the '60s.

586

00:31:37,270 --> 00:31:39,981
You hired a slew of workers
toward the end...

587

00:31:40,064 --> 00:31:41,858
Not for that clock, I didn't. Uh-uh.

588

00:31:44,027 --> 00:31:46,029
No, and if I had,
it would have taken a specialist.

589

00:31:46,112 --> 00:31:48,573
There's only a handful in the world
who know how to do it right,

590

00:31:48,656 --> 00:31:49,657
and they take it off-site.

591

00:31:50,199 --> 00:31:52,452
No. No one touched that clock.
There was no man there,

592

00:31:52,535 --> 00:31:56,164
and certainly not one in old overalls
with a handlebar mustache.

593

00:31:56,247 --> 00:31:58,082
That man wasn't there.

594

00:31:59,292 --> 00:32:00,460
You probably just forgot.

595
00:32:00,543 --> 00:32:03,046
You know, you think you're writing
about your crazy mom,

596
00:32:03,129 --> 00:32:05,757
your crazy brother
making scary faces in the tree house.

597
00:32:05,840 --> 00:32:08,468
You see the marks,
but you don't know how to read them.

598
00:32:09,427 --> 00:32:12,180
I never built you kids a tree house.

599
00:32:13,181 --> 00:32:14,933
What? Luke was in there all the time.

600
00:32:15,016 --> 00:32:18,102
-I used to go fetch him for dinner--
-We were there flipping a house.

601
00:32:18,186 --> 00:32:20,480
We were gonna be there maybe eight weeks.

602
00:32:20,563 --> 00:32:24,108
How would I even have the time to build
you kids a goddamn tree house?

603
00:32:24,192 --> 00:32:26,945
-Maybe it was already there.
-There was no tree house.

604
00:32:29,072 --> 00:32:30,740
Now, when we get there,
you can have a look,

605
00:32:30,823 --> 00:32:33,660
but I have to tell you something:
your mother, she was not sick.

606

00:32:34,285 --> 00:32:36,746
She wasn't crazy,
and neither was your sister,

607

00:32:36,829 --> 00:32:38,957
neither is your brother, neither are you.

608

00:32:39,040 --> 00:32:40,792
Whatever you saw this week,

609

00:32:40,875 --> 00:32:43,795
and I'm very sorry you have to be
taking all this in right now,

610

00:32:43,878 --> 00:32:44,754
but you have to.

611

00:32:44,837 --> 00:32:46,297
Do you understand me? You have to,

612

00:32:46,381 --> 00:32:49,342
because your brother's life depends on it.

613

00:32:50,051 --> 00:32:53,388
That house is the most dangerous place
in the world for all of us,

614

00:32:53,680 --> 00:32:56,391
and that's why I told your sisters
to stay put.

615

00:32:58,434 --> 00:32:59,811
You really think they will?

616

00:33:05,358 --> 00:33:06,484
Do you think he's...?

617

00:33:08,319 --> 00:33:09,195
You know...

618

00:33:10,863 --> 00:33:13,116
going there like Nell went there?

619
00:33:13,533 --> 00:33:14,909
Like going to kill himself?

620
00:33:16,244 --> 00:33:17,078
I don't know.

621
00:33:19,706 --> 00:33:20,540
No.

622
00:33:20,873 --> 00:33:21,958
I guess I don't.

623
00:33:24,210 --> 00:33:26,087
I'm not perfect, you know.

624
00:33:27,588 --> 00:33:28,423
I know.

625
00:33:29,674 --> 00:33:30,633
I'm really not.

626
00:33:32,010 --> 00:33:33,594
So go ahead, tell me.

627
00:33:35,179 --> 00:33:36,014
Try again.

628
00:33:39,392 --> 00:33:41,227
Dad and I were in your office,

629
00:33:41,310 --> 00:33:44,188
and the forever house
was on the floor,

630
00:33:44,772 --> 00:33:46,482
and we heard a noise under the desk--

631
00:33:46,566 --> 00:33:48,401

Not that. You already told me that.

632

00:33:50,278 --> 00:33:51,571
I was really drunk.

633

00:33:52,363 --> 00:33:54,782
-I swear to God, Theo--
-And the lights went out

634

00:33:55,783 --> 00:33:57,744
while we were down there, and I...

635

00:33:59,162 --> 00:34:01,622
couldn't see. I was in the dark.

636

00:34:02,915 --> 00:34:05,043
I mean, like I was in the dark

637

00:34:05,710 --> 00:34:08,171
that whole night, and I just needed...

638

00:34:08,254 --> 00:34:10,423
I-- I needed... I...

639

00:34:12,175 --> 00:34:13,509
I couldn't see

640

00:34:14,052 --> 00:34:14,969
him,

641

00:34:15,178 --> 00:34:16,554
if that makes any sense.

642

00:34:16,679 --> 00:34:18,389
You know what? Never mind.

643

00:34:18,890 --> 00:34:21,517
-I'm trying to tell you--
-Forget I asked.

644

00:34:21,601 --> 00:34:23,936

You just don't know what I'm dealing with.

645

00:34:24,020 --> 00:34:25,313
We've all been dealing,

646

00:34:25,396 --> 00:34:28,316
and we somehow managed
not to try to fuck each other's spouses--

647

00:34:28,399 --> 00:34:30,818
Hey, that's not what this was about.
It just isn't.

648

00:34:30,902 --> 00:34:33,196
So, you were drunk,

649

00:34:33,279 --> 00:34:35,907
-and that's supposed to be okay?
-I'm telling you.

650

00:34:36,407 --> 00:34:38,743
I don't even know why
I let you come with me.

651

00:34:39,911 --> 00:34:42,789
I touched Nell's body the night before.

652

00:34:43,414 --> 00:34:44,832
The fuck is wrong with you?

653

00:34:46,667 --> 00:34:47,960
Why don't you listen?

654

00:34:48,044 --> 00:34:49,754
-I don't-- No, no--
-I'm telling you.

655

00:34:49,837 --> 00:34:52,924
-I'm trying to tell you.
-I don't need to hear your excuses...

656

00:34:53,007 --> 00:34:54,801

-I'm not making excuses.
-...or your bullshit.

657
00:34:54,884 --> 00:34:55,760
I saw--

658
00:34:55,843 --> 00:34:56,719
[screaming]

659
00:35:01,724 --> 00:35:02,809
[gasping]

660
00:35:06,896 --> 00:35:08,898
[seat belt clicks]

661
00:35:10,900 --> 00:35:12,235
[Theo wailing]

662
00:35:16,572 --> 00:35:18,741
-[Shirley] Are you okay?
-[Theo] That was her!

663
00:35:18,825 --> 00:35:21,744
That was her! That was her!

664
00:35:22,161 --> 00:35:24,038
Did you see that, Shirley?

665
00:35:24,122 --> 00:35:26,124
Do you fucking believe that?

666
00:35:30,378 --> 00:35:32,004
You ought to know why I did it.

667
00:35:33,172 --> 00:35:35,383
I touched Nell because I had to know.

668
00:35:36,300 --> 00:35:37,927
You know what I'm talking about.

669
00:35:38,010 --> 00:35:39,470

Don't pretend that you don't.

670

00:35:40,471 --> 00:35:42,640
You know what happens
when I touch people.

671

00:35:42,723 --> 00:35:44,725
A part of you knows, it always has.

672

00:35:46,853 --> 00:35:48,354
I had to know, and I...

673

00:35:49,564 --> 00:35:50,565
I touched her.

674

00:35:51,607 --> 00:35:52,441
And I felt...

675

00:35:53,943 --> 00:35:54,861
nothing.

676

00:35:56,571 --> 00:35:58,072
Just nothing.

677

00:35:59,574 --> 00:36:02,285
And it spread,
it spread everywhere in me,

678

00:36:02,368 --> 00:36:05,496
this nothing,
until I couldn't feel anything anymore.

679

00:36:05,580 --> 00:36:07,123
I was just this dark,

680

00:36:07,623 --> 00:36:09,333
empty black hole.

681

00:36:09,834 --> 00:36:12,128
And I tried to fill it up,
I tried to fill me back up.

682

00:36:12,211 --> 00:36:15,423
I called Trish, and she came right away,
and I felt nothing.

683

00:36:15,548 --> 00:36:18,467
And then I tried to mourn at the wake
and I felt nothing.

684

00:36:18,551 --> 00:36:21,929
And so I drank and I drank,
and nothing worked.

685

00:36:22,013 --> 00:36:24,140
I couldn't feel anything, Shirley.

686

00:36:24,223 --> 00:36:27,560
After I touched her skin,
I couldn't feel...

687

00:36:28,728 --> 00:36:29,896
anything.

688

00:36:30,646 --> 00:36:33,733
And then we're in the basement,
and the lights go out.

689

00:36:35,151 --> 00:36:36,444
And I can't see.

690

00:36:37,111 --> 00:36:38,446
And I can't feel.

691

00:36:39,488 --> 00:36:43,659
And I'm just... I'm just floating
in this ocean of nothing,

692

00:36:43,743 --> 00:36:46,370
and I wonder if this is it,
if this is what death is,

693

00:36:46,454 --> 00:36:50,416
just out there in the darkness,

just darkness and numbness and alone,

694

00:36:50,499 --> 00:36:54,378
and I wondered if that's what she felt
and that's what Mom feels,

695

00:36:54,462 --> 00:36:58,341
and it's just numb and nothing and alone.

696

00:37:02,094 --> 00:37:04,847
What if that's what it is for all of us

697

00:37:05,890 --> 00:37:07,099
when the time comes?

698

00:37:08,559 --> 00:37:12,647
And then... And then the lights came on,
and there he was, and I...

699

00:37:13,231 --> 00:37:15,274
I didn't see him. I didn't see him.

700

00:37:15,358 --> 00:37:17,193
He was a light in the darkness.

701

00:37:17,276 --> 00:37:19,904
He was a life preserver in the ocean.

702

00:37:19,987 --> 00:37:23,324
I just... I reached for him
because I had to feel something.

703

00:37:23,407 --> 00:37:24,659
I had to feel anything.

704

00:37:25,076 --> 00:37:27,745
[panting] And I didn't see him.

705

00:37:28,162 --> 00:37:30,414
I didn't... I didn't see him.
I didn't see him.

706

00:37:30,623 --> 00:37:31,624
I didn't see him!

707

00:37:31,707 --> 00:37:33,209
And he stopped me. He stopped me.

708

00:37:33,292 --> 00:37:35,086
He took my hands, and he said no,

709

00:37:35,169 --> 00:37:37,546
and then I saw him,
and then you walked in.

710

00:37:39,006 --> 00:37:41,217
God, I'm so glad I did it, though.

711

00:37:42,677 --> 00:37:43,928
Because it worked.

712

00:37:44,845 --> 00:37:46,389
Oh, God, it worked.

713

00:37:46,889 --> 00:37:48,432
I started feeling things again,

714

00:37:48,516 --> 00:37:51,602
and I felt... I felt shame,
and I felt grief,

715

00:37:51,686 --> 00:37:53,896
and I felt... scared.

716

00:37:53,980 --> 00:37:55,648
I felt so fucking scared

717

00:37:55,731 --> 00:37:58,567
that I was gonna lose
the only sister that I had left.

718

00:38:00,611 --> 00:38:01,445
And I...

719

00:38:01,904 --> 00:38:05,408
Honestly, I had to do it,
because it felt better than nothing.

720

00:38:05,533 --> 00:38:08,619
That thorough fucking shame

721

00:38:08,995 --> 00:38:12,999
was so much better than that horrible,
empty nothing.

722

00:38:13,082 --> 00:38:15,751
I can't... Shirley, please.

723

00:38:18,212 --> 00:38:20,381
I am... I am so...

724

00:38:20,464 --> 00:38:22,091
I am so, so, so sorry.

725

00:38:22,883 --> 00:38:24,135
I'm so sorry.

726

00:38:25,052 --> 00:38:27,054
Please, just please.

727

00:38:32,435 --> 00:38:33,602
[Theo sniffles]

728

00:38:50,161 --> 00:38:51,787
[insects chirping]

729

00:39:33,079 --> 00:39:34,538
[liquid trickling]

730

00:40:04,318 --> 00:40:06,654
[Luke] One, two, three, four,

731

00:40:06,779 --> 00:40:08,406
five, six, seven.

732
00:40:13,244 --> 00:40:14,537
[breathing hard]

733
00:40:14,829 --> 00:40:15,704
One,

734
00:40:16,038 --> 00:40:17,832
two, three,

735
00:40:18,374 --> 00:40:20,042
four, five,

736
00:40:20,543 --> 00:40:21,377
six...

737
00:40:22,128 --> 00:40:23,546
[breathing hard]

738
00:40:30,344 --> 00:40:31,637
[gasps]

739
00:40:57,246 --> 00:40:58,122
Mom.
