1
00:00:12 --> 00:00:13
[ominous music]

2
00:00:14 --> 00:00:15
[goats bleating]

3
00:00:26 --> 00:00:28
[shopkeeper] How may I help you?

4
00:00:28 --> 00:00:30
We're seeking a girl and a witcher.

5
00:00:30 --> 00:00:32
Her with ashen hair
and patrician countenance.

6
00:00:32 --> 00:00:34
Him a mannerless, blanched brute.

7
00:00:35 --> 00:00:37
Master Rience
will recompense you handsomely

8
00:00:37 --> 00:00:39
for illumination as to their whereabouts.

9
00:00:40 --> 00:00:41
Hmm?

10
00:00:43 --> 00:00:44
We'll pay if you've seen them.

11
00:00:44 --> 00:00:45
[door bangs]

12

00:00:46 --> 00:00:48
[creaking]

13
00:01:00 --> 00:01:01
[metal rings]

14
00:01:04 --> 00:01:06
[dramatic music]

15
00:01:09 --> 00:01:11
[henchman] Step back, Professor.

16
00:01:42 --> 00:01:43
[Professor] Ah...

17
00:01:44 --> 00:01:47
I importune you, benignant sir...

18
00:01:48 --> 00:01:49
Hmm.

19
00:01:50 --> 00:01:51
[blood splatters]

20
00:02:17 --> 00:02:21
[Yennefer] Dear friend, if our time
at Kaer Morhen proved anything,

21
00:02:21 --> 00:02:24
it's that the world is changing
underneath our feet.

22
00:02:24 --> 00:02:29
Days pass, but the threats keep coming,
fast and furiously.

23

00:02:30 --> 00:02:33
Sometimes I wonder
if we will ever stop running.

24
00:02:37 --> 00:02:39
-For your discretion.
-[man] Thank you.

25
00:02:49 --> 00:02:51
[Geralt sighs]

26
00:02:55 --> 00:02:57
[Yennefer] There is another ghost
that haunts us.

27
00:02:58 --> 00:02:59
What I did to you.

28
00:03:01 --> 00:03:03
I know I cannot change the past,

29
00:03:03 --> 00:03:07
but I will do everything in my power
to help Ciri grow her magical skill.

30
00:03:07 --> 00:03:09
And to help keep her safe.

31
00:03:10 --> 00:03:12
[sighs]

32
00:03:14 --> 00:03:19
By proving that to you,
maybe trust will find its way back to us.

33
00:03:20 --> 00:03:22
In the meantime, wish Ciri luck.

34

00:03:23 --> 00:03:26
It's going to be a long road ahead
for all of us.

35

00:03:26 --> 00:03:27
[sighs]

36

00:03:27 --> 00:03:29
Your friend, Yennefer.

37

00:03:33 --> 00:03:35
[Yennefer] This was the first lesson
Tissaia taught me.

38

00:03:36 --> 00:03:37
[rumbling]

39

00:03:41 --> 00:03:42
[rock falls]

40

00:03:43 --> 00:03:44
Give it a try.

41

00:03:46 --> 00:03:49
[Yennefer] Dear friend,
even in your silence,

42

00:03:49 --> 00:03:52
I know you're wondering
how Ciri's training is progressing.

43

00:03:53 --> 00:03:55
She has great potential but little talent.

44

00:03:55 --> 00:03:57

-[slight rustling]
-[Ciri sighs]

45

00:04:01 --> 00:04:03
[Yennefer] That will change over time.

46

00:04:04 --> 00:04:06
Someday, she'll be able
to conjure something tastier

47

00:04:07 --> 00:04:09
than the squid
you're likely bringing right now.

48

00:04:09 --> 00:04:12
-Hmm.
-Your friend, Yennefer.

49

00:04:13 --> 00:04:14
You need to focus on your breath.

50

00:04:16 --> 00:04:18
From here. Okay?

51

00:04:19 --> 00:04:21
[sighs]

52

00:04:21 --> 00:04:23
[rustling]

53

00:04:23 --> 00:04:24
[seabirds calling]

54

00:04:26 --> 00:04:27
[Geralt] Not again.

55

00:04:32 --> 00:04:34
Ciri, Yennefer, we're leaving!

56
00:04:37 --> 00:04:38
[man 1] Quickly!

57
00:04:38 --> 00:04:39
[man 2] Stop!

58
00:04:40 --> 00:04:42
-[man 3] Quick, do that.
-[man 2] That side!

59
00:04:43 --> 00:04:44
[yells]

60
00:04:45 --> 00:04:47
Missed them again!
Where the fuck are they?

61
00:04:48 --> 00:04:50
Burn it all down!

62
00:04:50 --> 00:04:52
[dramatic music]

63
00:05:04 --> 00:05:06
[music intensifies]

64
00:05:14 --> 00:05:16
[calm music]

65
00:05:23 --> 00:05:24
[Geralt] For your discretion.

66
00:05:40 --> 00:05:41

[sighs]

67

00:05:47 --> 00:05:49

[lively music]

68

00:05:51 --> 00:05:53

[Ciri grunts] That was brilliant!

69

00:05:53 --> 00:05:55

-[Geralt groans]

-[Ciri laughs]

70

00:05:55 --> 00:05:57

[Yennefer] Dear friend, it seems that

71

00:05:57 --> 00:06:00

you and Ciri are thoroughly enjoying
our fourth house in as many months,

72

00:06:00 --> 00:06:03

finding time to bond so delightfully.

73

00:06:05 --> 00:06:09

I will remind you, though, that you asked,
nay, begged me to teach her magic.

74

00:06:10 --> 00:06:13

Please conserve her energy
so that I may properly do so.

75

00:06:14 --> 00:06:17

Also, less meat, more wine.

76

00:06:18 --> 00:06:19

-Yennefer.

-Hmm.

77

00:06:21 --> 00:06:23
[Yennefer] Success only comes
with repetition.

78

00:06:23 --> 00:06:24
[speaking in Elder]

79

00:06:24 --> 00:06:26
-[wind whistling]
-[rumbling]

80

00:06:36 --> 00:06:37
[speaking in Elder]

81

00:06:50 --> 00:06:52
[Yennefer] You can do it. Don't give up.

82

00:07:05 --> 00:07:06
[unsettling music]

83

00:07:10 --> 00:07:12
[horse snorts]

84

00:07:16 --> 00:07:18
[woman shouts] Stay together! Hurry up!

85

00:07:18 --> 00:07:20
[Yennefer] They're just villagers, Geralt.

86

00:07:20 --> 00:07:21
Let's go.

87

00:07:21 --> 00:07:22
[horse neighs]

88

00:07:25 --> 00:07:27
[adventurous music]

89

00:07:41 --> 00:07:43
[horses neighing]

90

00:07:44 --> 00:07:45
[wind whistling]

91

00:07:45 --> 00:07:46
[horse snorting]

92

00:07:49 --> 00:07:51
[wistful music]

93

00:08:08 --> 00:08:09
[Ciri] Yarpfen!

94

00:08:09 --> 00:08:12
[Yarpfen] You really wanna hide,
you'd dye that mop.

95

00:08:12 --> 00:08:13
No one's lookin'
for the Black fuckin' Wolf.

96

00:08:14 --> 00:08:16
-[Geralt] Hello, old friend.
-Don't break my shite!

97

00:08:16 --> 00:08:20
[chuckles]
And I expect payment for my discretion!

98

00:08:26 --> 00:08:27
[door closes]

99

00:08:39 --> 00:08:40
[sighs]

100

00:08:44 --> 00:08:46
[Yennefer] Dear friend,

101

00:08:46 --> 00:08:49
we're so far off the map here
that we may never leave again.

102

00:08:49 --> 00:08:50
-[Yennefer and Ciri] Ooh!
-[both laugh]

103

00:08:50 --> 00:08:52
[Yennefer] Come to think of it,

104

00:08:53 --> 00:08:54
would that be such a bad thing?

105

00:08:55 --> 00:08:58
We'll continue magic lessons
before the ice melts, I promise.

106

00:08:58 --> 00:09:01
But for now,
perhaps the girl deserves a break.

107

00:09:01 --> 00:09:03
-[sighs]
-[Yennefer] Perhaps you and I do too.

108

00:09:04 --> 00:09:05
[both laughing]

109

00:09:07 --> 00:09:09

-Your friend, Yennefer.
-[Ciri] Let's go again.

110
00:09:10 --> 00:09:11
-Again. Ready?
-[Yennefer laughs] Okay.

111
00:09:11 --> 00:09:13
-[Ciri] One foot...
-[both gasp]

112
00:09:14 --> 00:09:15
[both laughing]

113
00:09:24 --> 00:09:27
I can magically intuit
your thoughts, Geralt.

114
00:09:27 --> 00:09:30
You've been wanting to invite me
to dinner ever since we arrived.

115
00:09:31 --> 00:09:32
Have I?

116
00:09:32 --> 00:09:36
[chuckles] No. But I looked through
your window and you have more wine.

117
00:09:36 --> 00:09:38
And I'm begging for a refill.

118
00:09:42 --> 00:09:44
[light music]

119
00:09:53 --> 00:09:54
[Geralt] Hmm.

120
00:10:02 --> 00:10:03
[Ciri] Thank you.

121
00:10:08 --> 00:10:09
Just a bit of this.

122
00:10:10 --> 00:10:12
-Perfect.
-[Ciri laughs] Mmm!

123
00:10:15 --> 00:10:17
-[Ciri] That one was a masterpiece.
-[Yennefer] Right.

124
00:10:22 --> 00:10:24
-Made by chef Ciri.
-Open your mouth!

125
00:10:29 --> 00:10:31
Geralt's favorite food is radish.

126
00:10:33 --> 00:10:34
Ooh!

127
00:10:34 --> 00:10:37
We always made that, so at least once..

128
00:10:38 --> 00:10:39
[Ciri laughing]

129
00:10:39 --> 00:10:40
Wait--

130
00:10:40 --> 00:10:41
[Geralt] Thank you.

131

00:10:45 --> 00:10:47
-I'm going to go to bed now.
-Okay.

132

00:10:47 --> 00:10:49
-Good night.
-Good night.

133

00:11:00 --> 00:11:02
Uh. Well...

134

00:11:03 --> 00:11:04
[clears throat]

135

00:11:09 --> 00:11:10
Good night.

136

00:11:14 --> 00:11:15
[Geralt grunts]

137

00:11:18 --> 00:11:19
Good night.

138

00:11:28 --> 00:11:30
[ice creaking]

139

00:11:30 --> 00:11:32
[Ciri speaking in Elder]

140

00:11:32 --> 00:11:34
[splashing]

141

00:11:45 --> 00:11:46
[sighs heavily]

142

00:11:48 --> 00:11:49
Water magic is tricky.

143

00:11:49 --> 00:11:52
That's what you said
about earth magic, and air magic.

144

00:11:52 --> 00:11:54
Well, you have power
like nothing I've seen.

145

00:11:55 --> 00:11:56
Makes it hard for both of us.

146

00:11:58 --> 00:12:00
That's enough for today.

147

00:12:03 --> 00:12:06
Considering the mess I make
with every other kind of magic,

148

00:12:07 --> 00:12:09
how could fire magic be any worse?

149

00:12:11 --> 00:12:13
Remember Rience.

150

00:12:14 --> 00:12:17
That look in his eye.
There's always a source.

151

00:12:18 --> 00:12:20
With fire magic, the source is you.

152

00:12:20 --> 00:12:22
It takes something you never get back.

153

00:12:23 --> 00:12:24
Your magic?

154

00:12:26 --> 00:12:26
Yes.

155

00:12:28 --> 00:12:29
But magic isn't everything.

156

00:12:32 --> 00:12:34
You say magic isn't everything,

157

00:12:34 --> 00:12:37
but you were willing
to trade my life for it.

158

00:12:37 --> 00:12:40
You almost lost me to Voleth Meir.
You almost lost Geralt.

159

00:12:40 --> 00:12:41
-It was...
-I know.

160

00:12:43 --> 00:12:45
Well, if you knew, why did you do it?

161

00:12:46 --> 00:12:48
Because... I'd given up.

162

00:12:51 --> 00:12:53
But I'll never make that mistake again.

163

00:12:55 --> 00:12:57
-[wheels rumbling]

-[horse neighing]

164

00:13:03 --> 00:13:06

[Yarpen] Wish I had more for you,
but the Squirrels hit Henselt's convoy.

165

00:13:07 --> 00:13:10

Look at these.
Potatoes the size of gnome nuts.

166

00:13:11 --> 00:13:12

Did they attack your convoy as well?

167

00:13:12 --> 00:13:15

[scoffs] I'd like
to see them fuckin' try it!

168

00:13:15 --> 00:13:18

The elves' gripe is with the kings,
not us.

169

00:13:18 --> 00:13:21

They're just trying to soften the North
for the grand cock of Nilfgaard.

170

00:13:22 --> 00:13:25

Nilfgaard gave elves refuge,
and now they're fighting on their behalf.

171

00:13:26 --> 00:13:29

Amazing what people will do
when you give them a second chance.

172

00:13:34 --> 00:13:35

Hold on.

173

00:13:36 --> 00:13:37

Hold on!

174

00:13:37 --> 00:13:39
Are you two fuckin' again?

175

00:13:40 --> 00:13:41
Subtle, Yarpen.

176

00:13:41 --> 00:13:44
[Yarpen laughs] Who would blame you?

177

00:13:44 --> 00:13:45
Spring's almost here.

178

00:13:45 --> 00:13:47
Ah, the whole world's wakin' up.

179

00:13:48 --> 00:13:51
Our Belleteyn festival is just
down the valley. You should come.

180

00:13:51 --> 00:13:52
I'd love to.

181

00:13:52 --> 00:13:54
-It's not safe.
-Bad idea.

182

00:13:54 --> 00:13:57
-[Ciri] No one's asked about me in months.
-[sighs]

183

00:13:57 --> 00:13:59
And everyone will be in costume.

184

00:14:00 --> 00:14:03

And... I was born on Belleteyn.

185

00:14:03 --> 00:14:06

[Yarpen] Ah! You'd have had a shot
at bein' May Queen.

186

00:14:06 --> 00:14:09

Except my niece's beard
is comin' in nice and full this year.

187

00:14:09 --> 00:14:11

-[laughs]
-[Geralt hisses]

188

00:14:12 --> 00:14:13

Just say yes, already!

189

00:14:14 --> 00:14:17

About time for a fuckin' thaw round here.

190

00:14:19 --> 00:14:20

[Ciri] I promise I'll be safe.

191

00:14:21 --> 00:14:22

[sighs]

192

00:14:23 --> 00:14:25

[growling and moaning]

193

00:14:26 --> 00:14:28

[deep rumbling]

194

00:14:28 --> 00:14:30

[snarling]

195

00:14:42 --> 00:14:43

-[roaring]
-[man 1 yelps]

196
00:14:43 --> 00:14:45
-[growling]
-[laughing]

197
00:14:54 --> 00:14:56
Now see how you like my new pet.

198
00:14:56 --> 00:14:58
-[groans]
-[man 2 laughs]

199
00:14:58 --> 00:15:00
[loud screeching]

200
00:15:00 --> 00:15:02
-[thumping and screeching]
-[man 2 laughing]

201
00:15:06 --> 00:15:08
-Hmm!
-What is that thing?

202
00:15:08 --> 00:15:10
-[laughs]
-[creature snarls]

203
00:15:10 --> 00:15:13
I should have warned you before,
you elven mutt.

204
00:15:14 --> 00:15:18
That jackapace is trained
to smell your kind from a league away.

205

00:15:18 --> 00:15:19
[whooshing]

206

00:15:19 --> 00:15:21
[Rience] Then I've come
to the right place.

207

00:15:21 --> 00:15:24
-[jackapace screeches]
-[man 2] Show yourself.

208

00:15:24 --> 00:15:28
-Or I open that and you can be its dinner.
-[footsteps approaching]

209

00:15:29 --> 00:15:30
[fingers snap]

210

00:15:31 --> 00:15:34
I need to find a girl with elven blood.

211

00:15:36 --> 00:15:38
All my jacky needs is a scent.

212

00:15:38 --> 00:15:40
Lock of hair, piece of clothin'...
[chuckles]

213

00:15:40 --> 00:15:42
I'll do you one better.

214

00:15:46 --> 00:15:47
[jackapace roars]

215

00:15:47 --> 00:15:49
Put that fucking thing away.

216
00:15:49 --> 00:15:51
[banging and screeching]

217
00:15:56 --> 00:15:57
How much?

218
00:15:59 --> 00:16:01
-[sheep bleats]
-[elf calls softly]

219
00:16:08 --> 00:16:10
[distant horse neighs]

220
00:16:11 --> 00:16:14
Gage, take your best fighters
and head west to Maribor.

221
00:16:14 --> 00:16:17
Filavandrel, take yours south to Caed Dhu.

222
00:16:18 --> 00:16:19
She is out there.

223
00:16:19 --> 00:16:22
Have there been sightings,
or are we chasing more rumors?

224
00:16:23 --> 00:16:24
We don't know

225
00:16:25 --> 00:16:26
if Cirilla has Elder Blood.

226
00:16:27 --> 00:16:28
We're basing it all
on the words of...

227
00:16:29 --> 00:16:32
of some mage
who came and went just as fast.

228
00:16:34 --> 00:16:35
You have your orders.

229
00:16:41 --> 00:16:44
I want to kill them all
for what they have done to your child.

230
00:16:45 --> 00:16:46
Our hope.

231
00:16:47 --> 00:16:50
But, sister, it is not enough.

232
00:16:51 --> 00:16:53
My aim has not wavered.

233
00:16:54 --> 00:16:55
I will find Dol Blathanna.

234
00:16:55 --> 00:16:59
But how? Where?
There is no sanctuary left for elves here.

235
00:17:00 --> 00:17:03
All will become clear
once we have Cirilla. She is our new hope.

236
00:17:04 --> 00:17:05
Do you doubt me?

237
00:17:06 --> 00:17:09

-[elfyn] Wake up! Hurry!
-[elf] Move the carts out!

238

00:17:09 --> 00:17:10
The others are starting to.

239

00:17:10 --> 00:17:13
Gallatin and the Scoia'tael, they're back!

240

00:17:14 --> 00:17:16
-It's not good.
-[elf] We need help!

241

00:17:16 --> 00:17:17
-[sighs]
-[horses neighing]

242

00:17:17 --> 00:17:18
[elf] Get the healer.

243

00:17:18 --> 00:17:20
-[elf] I need help!
-[elfyn] Help!

244

00:17:21 --> 00:17:23
[screaming and groaning]

245

00:17:27 --> 00:17:29
He doesn't need you to play nursemaid.

246

00:17:29 --> 00:17:31
He needs you to play soldier.

247

00:17:31 --> 00:17:32
[elf coughing]

248

00:17:32 --> 00:17:34
[elfyn sobbing]

249

00:17:35 --> 00:17:36
[Gallatin] Fuck.

250

00:17:36 --> 00:17:38
[elfyn] Leave it! It's spent.

251

00:17:38 --> 00:17:39
Needed.

252

00:17:44 --> 00:17:47
Let me know if you plan
to start holding weapons back next,

253

00:17:47 --> 00:17:50
leaving unarmed Squirrels
to fight for our freedom.

254

00:17:50 --> 00:17:52
I told you. I've given you
all the fighters I can spare.

255

00:17:53 --> 00:17:54
We both know that's bullshit.

256

00:17:54 --> 00:17:56
Your best fighters
are running secret missions

257

00:17:57 --> 00:18:00
to who the fuck knows where,
while the rest of us are out there,

258

00:18:00 --> 00:18:02
following orders, attacking convoys,

259

00:18:02 --> 00:18:04
doing the work to get our land back.

260

00:18:04 --> 00:18:07
Doing the bidding
of yet another self-important human.

261

00:18:07 --> 00:18:10
You think I give a shit
about that White Flame nonsense?

262

00:18:10 --> 00:18:15
I give a shit about food in my stomach
and a place to call home.

263

00:18:15 --> 00:18:19
I have plans, and they don't involve dying
in the woods because of your selfishness.

264

00:18:19 --> 00:18:22
-Plans with Nilfgaard?
-What don't you get?

265

00:18:22 --> 00:18:26
If Nilfgaard takes the North,
elves are free everywhere.

266

00:18:26 --> 00:18:29
The whole Continent is our Dol Blathanna.

267

00:18:29 --> 00:18:32
We tried sharing the Continent
for centuries.

268

00:18:33 --> 00:18:37
If there's to be another genocide,

this time, it'll be the humans'.

269

00:18:41 --> 00:18:45
You keep spouting off
about ancient times, prophecies.

270

00:18:45 --> 00:18:48
I don't know
what you're looking for out there.

271

00:18:48 --> 00:18:50
But you want to keep elves alive?

272

00:18:52 --> 00:18:53
Here we are.

273

00:18:54 --> 00:18:55
[horse neighs]

274

00:18:56 --> 00:18:57
[elfyn wails]

275

00:19:00 --> 00:19:03
[music and conversation]

276

00:19:03 --> 00:19:06
-[laughter]
-[Vizimir] You promised me a princess.

277

00:19:06 --> 00:19:10
Now every king knows about her,
thanks to Tissaia de Vries.

278

00:19:10 --> 00:19:13
It's not a good look, Dijkstra.
You swore Cirilla would be mine.

279

00:19:13 --> 00:19:16

Perhaps a tad quieter, your Highness.

280

00:19:16 --> 00:19:18

We wouldn't want your beloved
to catch wind.

281

00:19:24 --> 00:19:26

Being the king used to mean something.

282

00:19:27 --> 00:19:29

It's been six months.
What have you got to show for it?

283

00:19:29 --> 00:19:31

Excuses, expenses,

284

00:19:31 --> 00:19:34

but no sign of the new princess
you wanted me to marry.

285

00:19:34 --> 00:19:37

Sir, our attention has been diverted
because of the Squirrels.

286

00:19:37 --> 00:19:39

Oh, yet more excuses.

287

00:19:39 --> 00:19:41

Don't even get me started
on those bastards.

288

00:19:41 --> 00:19:44

Blaming us for murdering
that stupid elven baby. [scoffs]

289

00:19:46 --> 00:19:47
That definitely wasn't us?

290
00:19:50 --> 00:19:53
You have the North's largest army
and spy network.

291
00:19:54 --> 00:19:56
We are the most feared kingdom
of the North.

292
00:19:56 --> 00:19:59
What do I have to show for it? [scoffs]

293
00:19:59 --> 00:20:01
A spy master who can't find one girl.

294
00:20:01 --> 00:20:04
No. It's time for a change.

295
00:20:04 --> 00:20:06
[sniffs] I've decided
to put my best person on it.

296
00:20:06 --> 00:20:08
Someone who I can trust.

297
00:20:08 --> 00:20:09
Radovid!

298
00:20:11 --> 00:20:12
-What's that?
-[pop]

299
00:20:12 --> 00:20:13
-[woman shrieks]
-[cheering]

300
00:20:13 --> 00:20:14
Whoo!

301
00:20:17 --> 00:20:18
Oh.

302
00:20:22 --> 00:20:24
[Philippa] The king's baby brother?

303
00:20:26 --> 00:20:29
Now we have to chaperone
that royal seed-waste too?

304
00:20:30 --> 00:20:31
[Dijkstra] No, it's all for show.

305
00:20:32 --> 00:20:35
Vizimir just needs to remind everyone
who wears the crown.

306
00:20:35 --> 00:20:38
He wears it thanks to us.

307
00:20:39 --> 00:20:42
By gods, we've been doing this
too long, Dijkstra.

308
00:20:42 --> 00:20:44
[chuckles] There's no such thing.

309
00:20:44 --> 00:20:46
Our alliance, however old,

310
00:20:47 --> 00:20:48
keeps us young.

311

00:20:50 --> 00:20:53
Now, as for Prince Seed-waste,

312

00:20:54 --> 00:20:56
boulder, parchment, dagger.

313

00:20:57 --> 00:20:58
Absolutely not.

314

00:20:58 --> 00:21:01
I was the one who seduced
the Lyrian baroness last month,

315

00:21:01 --> 00:21:04
and the only secret she was hiding
was syphilis.

316

00:21:04 --> 00:21:08
And that's worse than the week I spent
perched over a shit-filled moat in Temeria

317

00:21:08 --> 00:21:10
while they debated timber prices?

318

00:21:13 --> 00:21:14
Fair.

319

00:21:15 --> 00:21:19
Perhaps I can order someone to babysit
the prince while he looks for the girl.

320

00:21:19 --> 00:21:21
Mmm. We don't trust anyone else.

321

00:21:27 --> 00:21:28

Hmm.

322

00:21:30 --> 00:21:32
If I do this..

323

00:21:34 --> 00:21:37
I'll be the only one giving orders
when I get back.

324

00:21:52 --> 00:21:55
[Ciri] I've never been to a Belleteyn
festival outside of Cintra before.

325

00:21:56 --> 00:22:00
You know, this one year, Sir Lazlo tried
to jump the bonfire in full armor.

326

00:22:04 --> 00:22:05
What do you think?

327

00:22:07 --> 00:22:11
[sighs] I think you need to hide your hair
and mask your eyes.

328

00:22:13 --> 00:22:15
Would it kill you to say,
"You look lovely"?

329

00:22:17 --> 00:22:18
Ciri.

330

00:22:21 --> 00:22:23
I knew this was a bad idea.

331

00:22:37 --> 00:22:38
You look lovely.

332
00:22:43 --> 00:22:45
[thrilling music]

333
00:22:53 --> 00:22:55
[cheering]

334
00:23:01 --> 00:23:02
[crowd cheers]

335
00:23:03 --> 00:23:05
[crowd] Whoa!

336
00:23:09 --> 00:23:11
-Stay close.
-Should we, uh, find the ale tent?

337
00:23:14 --> 00:23:16
Read my mind.

338
00:23:17 --> 00:23:18
[Ciri] Cods, I've missed this.

339
00:23:19 --> 00:23:21
-I'm going dancing.
-[Yennefer] Be safe.

340
00:23:21 --> 00:23:23
[lively folk music]

341
00:23:23 --> 00:23:25
[laughter]

342
00:23:26 --> 00:23:30
[Yennefer] Look at what happens
when we let her have one good night.

343

00:23:30 --> 00:23:34

Let's not pretend your motivations
aren't entirely unselfish, Yennefer.

344

00:23:35 --> 00:23:37

[man] Play "Old Times"!

345

00:23:38 --> 00:23:40

Happy birthday to you too.

346

00:23:43 --> 00:23:44

You remembered.

347

00:23:44 --> 00:23:46

I don't forget much.

348

00:23:48 --> 00:23:50

So you remember our good nights.

349

00:23:51 --> 00:23:53

After the djinn.

350

00:23:56 --> 00:23:58

The library in Kovir.

351

00:23:58 --> 00:23:59

[laughs]

352

00:24:00 --> 00:24:02

So much for staying quiet.

353

00:24:04 --> 00:24:05

The farmhouse.

354

00:24:06 --> 00:24:07

In Murivel.

355

00:24:10 --> 00:24:13
The overnight carriage ride
from Ellander to Moën.

356

00:24:14 --> 00:24:15
And the ride back.

357

00:24:18 --> 00:24:19
Don't forget the ride back.

358

00:24:19 --> 00:24:23
[Yennefer] How could I? That would be like
forgetting our night in Caingorn.

359

00:24:23 --> 00:24:24
Ah!

360

00:24:24 --> 00:24:26
That dragon hunt.

361

00:24:28 --> 00:24:30
Those nights were amazing.

362

00:24:31 --> 00:24:33
-But the mornings...
-They were lonely.

363

00:24:35 --> 00:24:37
You often left before dawn.

364

00:24:37 --> 00:24:39
Or you did.

365

00:24:42 --> 00:24:44

I know why I left, but why did you?

366

00:24:47 --> 00:24:49
Scared of what would happen
if we really tried?

367

00:24:57 --> 00:24:59
I was unsure
if it was actually what I wanted.

368

00:25:01 --> 00:25:03
Not just some trick of the djinn's magic.

369

00:25:06 --> 00:25:07
And now?

370

00:25:09 --> 00:25:11
[Ciri] Let's go in the maze!

371

00:25:12 --> 00:25:13
Come on!

372

00:25:21 --> 00:25:22
Come on!

373

00:25:26 --> 00:25:28
[folk music continues in distance]

374

00:25:32 --> 00:25:34
[women laugh]

375

00:25:39 --> 00:25:41
[couple laughing]

376

00:25:41 --> 00:25:42
[folk music fades]

377
00:25:42 --> 00:25:44
[plangent music]

378
00:25:52 --> 00:25:53
[Geralt grunts]

379
00:26:12 --> 00:26:13
[rumbling]

380
00:26:18 --> 00:26:20
[distant laughter]

381
00:26:25 --> 00:26:26
[laughs]

382
00:26:26 --> 00:26:28
[women screaming]

383
00:26:28 --> 00:26:29
-Run!
-Run!

384
00:26:29 --> 00:26:30
Ciri.

385
00:26:33 --> 00:26:34
[Geralt] Ciri!

386
00:26:35 --> 00:26:36
[Yennefer] Ciri!

387
00:26:37 --> 00:26:38
[Geralt] Ciri!

388

00:26:41 --> 00:26:42
[Yennefer] Ciri!

389
00:26:43 --> 00:26:44
[Ciri] Yennefer!

390
00:26:46 --> 00:26:47
Geralt!

391
00:26:51 --> 00:26:52
Geralt!

392
00:26:53 --> 00:26:54
Yennefer!

393
00:26:54 --> 00:26:55
[rumbling]

394
00:26:57 --> 00:26:58
[sniffing]

395
00:26:59 --> 00:27:01
[snorting]

396
00:27:18 --> 00:27:19
[screeches]

397
00:27:27 --> 00:27:28
[speaking in Elder]

398
00:27:33 --> 00:27:34
[speaking in Elder]

399
00:27:42 --> 00:27:44
[jackapace screeches]

400
00:27:46 --> 00:27:48
-[grunts]
-[Ciri] Geralt!

401
00:28:03 --> 00:28:05
[squelching]

402
00:28:14 --> 00:28:16
-We'll find another home.
-I liked this one.

403
00:28:17 --> 00:28:18
We all did.

404
00:28:19 --> 00:28:23
-How did that thing find us?
-[Geralt] A jackpace hunts by scent.

405
00:28:23 --> 00:28:26
-It found Ciri because it knew her.
-Her scent? How?

406
00:28:26 --> 00:28:29
Vesemir told me that Rience
stole Ciri's blood from Kaer Morhen.

407
00:28:30 --> 00:28:32
He must have used the blood
as a scent marker.

408
00:28:32 --> 00:28:34
[Yennefer] So wherever we go,
he'll find us?

409
00:28:34 --> 00:28:37
[Geralt] Yes. Unless we find him first.

410

00:28:37 --> 00:28:38

We draw him out.

411

00:28:41 --> 00:28:43

We give him the thing he wants most.

412

00:28:44 --> 00:28:45

Me.

413

00:28:47 --> 00:28:52

[Yarpen] Look, I'm sorry. I wouldn't have invited you if I knew it weren't safe.

414

00:28:52 --> 00:28:55

We know. But now you can make it up to us.

415

00:28:55 --> 00:28:57

You have a caravan leaving tomorrow, don't you?

416

00:28:57 --> 00:29:00

-Aye. To Hagge.

-I want to go with you.

417

00:29:00 --> 00:29:02

-By yourself?

-[Yennefer] Not quite.

418

00:29:02 --> 00:29:03

We'll be there too.

419

00:29:04 --> 00:29:06

[Ciri] But it's important no one knows that.

420

00:29:06 --> 00:29:09

-Or else this plan isn't going to work.
-[chuckles]

421
00:29:10 --> 00:29:12
Count me in. Tell me what I need to do.

422
00:29:12 --> 00:29:16
[Geralt] There's only one monster handler
reckless enough to cage a jackapace.

423
00:29:16 --> 00:29:19
-[yells]
-[Geralt] Name's Veldhoek.

424
00:29:19 --> 00:29:21
-Oh...
-[Geralt] Nasty fellow with a nasty habit.

425
00:29:22 --> 00:29:24
[Ciri] Rience hired Veldhoek to find me.

426
00:29:24 --> 00:29:26
Now they'll want
to hear about your convoy.

427
00:29:26 --> 00:29:27
[yells]

428
00:29:28 --> 00:29:30
[Yennefer] We need you to complain
about the spoilt brat

429
00:29:30 --> 00:29:32
who ruined Belleteyn for everyone.

430
00:29:32 --> 00:29:36
And what's worse, now I have to haul

that ivy-eyed brat's pale arse

431

00:29:36 --> 00:29:38
all the way to Aedirn with my caravan.

432

00:29:38 --> 00:29:42
Gonna charge them double if I have to
put up with any of her yappery.

433

00:29:45 --> 00:29:46
Come on, you elven mutt.

434

00:29:49 --> 00:29:51
[Ciri] They'll know
who you're talking about.

435

00:29:51 --> 00:29:53
[creature growling]

436

00:29:53 --> 00:29:55
[Ciri] And how much
that information is worth.

437

00:29:55 --> 00:29:58
-[Rience] Enjoy your reward.
-[Yarpen] Hold up, buttercup.

438

00:29:58 --> 00:30:01
You think this mage is gonna believe
you'd let Ciri ride without an escort?

439

00:30:01 --> 00:30:04
She'll be traveling with someone we trust.

440

00:30:04 --> 00:30:05
Someone...

441
00:30:06 --> 00:30:07
seemingly innocuous.

442
00:30:08 --> 00:30:10
Oh, come on! No...

443
00:30:10 --> 00:30:12
-[woman grunts]
-[yelps] It was one time!

444
00:30:12 --> 00:30:15
Admittedly, with many different people.

445
00:30:15 --> 00:30:16
And it meant nothing!

446
00:30:16 --> 00:30:19
I mean, these aren't even mine!

447
00:30:19 --> 00:30:23
Did you think you were the only one
having some fun on the side,

448
00:30:23 --> 00:30:26
you lying, wretched son of the devil?

449
00:30:26 --> 00:30:27
Well...

450
00:30:28 --> 00:30:30
yeah, kinda! [yelps]

451
00:30:31 --> 00:30:34
This is what we do, my sweet.
We are creatives.

452
00:30:35 --> 00:30:36
Freethinkers.

453
00:30:37 --> 00:30:38
-All is fair!
-Is it, though?

454
00:30:39 --> 00:30:40
Ah! Oh!

455
00:30:40 --> 00:30:45
Ooh! When will magic, sexy women
just stop jumping out at me?

456
00:30:45 --> 00:30:47
Usually it's you coming at me from above.

457
00:30:47 --> 00:30:49
-She doesn't have a crossbow, does she?
-No!

458
00:30:51 --> 00:30:53
Possibly. Yeah, no,
I wouldn't rule it out.

459
00:30:53 --> 00:30:54
No crossbows!

460
00:30:54 --> 00:30:56
And you can fuckin' have him!

461
00:30:56 --> 00:30:58
And his pox-marked cock!

462
00:30:58 --> 00:31:00
Now who's lying, Vespula?

463

00:31:00 --> 00:31:02
We've lost patience, Sandpiper.

464

00:31:03 --> 00:31:07
-I-- I'm doing everything that I can. I--
-You're doing nothing.

465

00:31:07 --> 00:31:09
Except fucking people over.

466

00:31:10 --> 00:31:13
We invested a lot in your operations.

467

00:31:13 --> 00:31:15
-And we've gotten nothing in return.
-[whimpers]

468

00:31:17 --> 00:31:20
Dijkstra and I are ready to cut you loose.

469

00:31:21 --> 00:31:23
-But King Vizimir is more forgiving.
-[winces]

470

00:31:23 --> 00:31:26
He's ready to welcome the girl
with open arms. Shall we?

471

00:31:27 --> 00:31:29
Yeah, and an open pair of pantaloons.

472

00:31:29 --> 00:31:30
Yeah-- Uh, no, darling--

473

00:31:30 --> 00:31:32

No! Look at me.

474

00:31:32 --> 00:31:35

Look at my eyes.
There is no need to harm the innocent!

475

00:31:35 --> 00:31:36

No, no, no, don't!

476

00:31:37 --> 00:31:38

No--

477

00:31:40 --> 00:31:44

I thought I left you cradling
a pint of ale some distance away.

478

00:31:45 --> 00:31:47

-You did. I got bored.
-Hmm. Oh.

479

00:31:49 --> 00:31:53

How fortunate that is.
I've long wanted to see you in person.

480

00:31:55 --> 00:31:56

"Song of the Seven" is my favorite.

481

00:31:56 --> 00:31:59

Yeah. That's... slightly ironic,
but thank you.

482

00:31:59 --> 00:32:01

You see? People like me.

483

00:32:02 --> 00:32:04

I've got fans.
Sorry, I didn't quite catch your name.

484

00:32:04 --> 00:32:06

-Uh, Radovid.

-Right.

485

00:32:06 --> 00:32:07

Comma, Prince.

486

00:32:07 --> 00:32:10

Comma, wow. Whoa-- wow. You're...

487

00:32:10 --> 00:32:13

Ooh! The Prince of Redania.

488

00:32:13 --> 00:32:16

Fuck, I don't really know
what I'm supposed to... Bow?

489

00:32:16 --> 00:32:19

Or curtsy, or... Been holding your hand
a very long time. I'm so sorry.

490

00:32:19 --> 00:32:23

Listen, I wish I could help you, truly.
But--

491

00:32:23 --> 00:32:25

-But nothing, Sandpiper--
-If I may offer a thought.

492

00:32:26 --> 00:32:29

Ah, this poor Cirilla girl
has enemies everywhere,

493

00:32:29 --> 00:32:33

and, truth be told,
Redania's not a bad place.

494

00:32:33 --> 00:32:36
Bit cold in the winter
and humid in the summer,

495

00:32:36 --> 00:32:38
but the food is spectacular.

496

00:32:38 --> 00:32:40
And my brother's not bad.

497

00:32:41 --> 00:32:42
As monarchs go.

498

00:32:44 --> 00:32:48
Redania may not be perfect,
but it's her least bad option.

499

00:32:50 --> 00:32:52
-You could be our royal bard.
-[laughs]

500

00:32:52 --> 00:32:53
Uh... Ha, ha!

501

00:32:53 --> 00:32:57
No. No, a staid life at court
is not for me.

502

00:32:57 --> 00:33:00
If your time at court's been staid,
you've been doing it wrong.

503

00:33:04 --> 00:33:06
Either deliver the girl,

504

00:33:06 --> 00:33:09
or we will single-handedly undo

505
00:33:09 --> 00:33:12
every good deed
you have done for the elves.

506
00:33:14 --> 00:33:15
We will kill them all.

507
00:33:15 --> 00:33:17
-Yeah, yeah, I got the gist.
-Mmm.

508
00:33:18 --> 00:33:21
I've got business in town
before we portal back to Tretogor.

509
00:33:21 --> 00:33:24
-You... have five days.
-[gulps]

510
00:33:31 --> 00:33:34
-[Yarpen] Oi, you lute-playin' walloper!
-[sighs]

511
00:33:35 --> 00:33:38
Again with this fresh hell...

512
00:33:38 --> 00:33:40
Mr. Zigrin! [chuckles]

513
00:33:43 --> 00:33:45
-Julian Alfred Pankratz.
-Yeah, I know. I know.

514
00:33:45 --> 00:33:47

I fucking know!

515

00:33:47 --> 00:33:49

I know you know. It's a rule of threes
thing. Has to be done.

516

00:33:49 --> 00:33:51

What can I do for you, Yarpfen?

517

00:33:51 --> 00:33:54

I've got ears and good taste, so... nothin'.

518

00:33:55 --> 00:33:57

But... your friends need help.

519

00:34:02 --> 00:34:04

[sighs] Of course they do.

520

00:34:05 --> 00:34:07

-[horses neighing]
-[Jaskier] Bait!

521

00:34:07 --> 00:34:09

I rode for days to get here,

522

00:34:09 --> 00:34:11

battling hunger, battling the elements,

523

00:34:11 --> 00:34:15

only to discover upon my arrival
that I'm being used as--

524

00:34:15 --> 00:34:16

-Jaskier, me.
-...bait.

525

00:34:16 --> 00:34:18
I am the bait. Rience is after me.

526
00:34:18 --> 00:34:22
Yes, which means he wants you alive,
and me very much not alive.

527
00:34:22 --> 00:34:24
You see my anxiety?

528
00:34:24 --> 00:34:26
We're not gonna let
anything happen to you.

529
00:34:26 --> 00:34:29
I saved your arse once.
I can do it again, Pankratz.

530
00:34:30 --> 00:34:31
You didn't save me--

531
00:34:31 --> 00:34:34
-She didn't save me. She...
-[horse snorting]

532
00:34:34 --> 00:34:35
She didn't!

533
00:34:36 --> 00:34:38
But seriously,
you are gonna save me, right?

534
00:34:39 --> 00:34:41
We won't make Hagge by sunset.

535
00:34:43 --> 00:34:45
We should make camp here.

536

00:34:45 --> 00:34:47
[dwarves shouting]

537

00:34:48 --> 00:34:50
[epic music]

538

00:35:09 --> 00:35:10
[Ciri] What is this place?

539

00:35:11 --> 00:35:12
[Geralt] It's Shaerrawedd.

540

00:35:12 --> 00:35:16
[Yennefer] Tread lightly.
This land is full of stories.

541

00:35:17 --> 00:35:20
Never seen
so many wild roses in one place.

542

00:35:21 --> 00:35:22
They're beautiful.

543

00:35:23 --> 00:35:25
Their story, sadly, is not.

544

00:35:27 --> 00:35:28
Aelirenn.

545

00:35:29 --> 00:35:33
A brave and inspiring elven warrior
who thought she could defeat the humans.

546

00:35:35 --> 00:35:36
She was wrong.

547

00:35:37 --> 00:35:39

A rather condensed version of the story.

548

00:35:42 --> 00:35:43

[Ciri] And what's yours, then?

549

00:35:44 --> 00:35:47

After the Conjunction, humans arrived.

550

00:35:48 --> 00:35:52

The elves thought
the humans were just a nuisance,

551

00:35:52 --> 00:35:54

like a plague of locusts or a drought.

552

00:35:55 --> 00:35:57

That they would die off
in the blink of an elven eye.

553

00:35:58 --> 00:36:00

But the humans kept multiplying.

554

00:36:02 --> 00:36:03

And killing.

555

00:36:05 --> 00:36:08

Aelirenn knew
the threat wasn't going away.

556

00:36:08 --> 00:36:12

So she rallied all of the young elves
to fight, at Shaerrawedd.

557

00:36:16 --> 00:36:18

Sounds like she fought
for what she believed in.

558

00:36:19 --> 00:36:20
To protect her people.

559

00:36:21 --> 00:36:23
[Geralt] She did fight
for what she believed in.

560

00:36:24 --> 00:36:26
She led those young
and passionate elves to war.

561

00:36:29 --> 00:36:30
They revered this place.

562

00:36:32 --> 00:36:34
This is where they fought.

563

00:36:35 --> 00:36:36
They fought for her.

564

00:36:36 --> 00:36:40
And they died with her name on their lips
and their honor and integrity intact.

565

00:36:43 --> 00:36:46
And in doing so, they condemned
their species to annihilation.

566

00:36:50 --> 00:36:52
She led them all to their deaths.

567

00:36:54 --> 00:36:55
Neutrality. [sighs]

568

00:36:55 --> 00:36:57
It won't get you a statue.

569

00:36:58 --> 00:37:01
But it'll certainly help
in keeping you alive.

570

00:37:11 --> 00:37:13
-[elf 1] And fight!
-[elf 2] Weak humans!

571

00:37:14 --> 00:37:16
-[elfyn] Ahh! That'll teach them!
-[elf 2] Yeah!

572

00:37:16 --> 00:37:19
[Gallatin] When will the humans learn
to travel with more guards?

573

00:37:19 --> 00:37:21
-[elf 3] How many men did you kill?
-Eat.

574

00:37:21 --> 00:37:23
-[elf 3] Here they are.
-Here.

575

00:37:23 --> 00:37:26
Got to fatten you up.
Need you back out there.

576

00:37:26 --> 00:37:28
-[elf 4] Well done, brother.
-Here.

577

00:37:29 --> 00:37:30
Eat.

578

00:37:33 --> 00:37:37
-Food goes to the ones who fought.
-We fight just like you.

579

00:37:37 --> 00:37:38
Then eat what you captured.

580

00:37:38 --> 00:37:41
All elves share equally.

581

00:37:41 --> 00:37:43
Otherwise,
we're no better than the humans.

582

00:37:51 --> 00:37:54
All elves must risk equally, as well.

583

00:37:57 --> 00:37:58
You were right.

584

00:37:58 --> 00:38:01
Our Scoia'tael forces should be united.

585

00:38:01 --> 00:38:02
In purpose,

586

00:38:03 --> 00:38:04
but also in action.

587

00:38:05 --> 00:38:07
Must've been an eventful morning.

588

00:38:07 --> 00:38:09
What did you see out there
to change your mind?

589

00:38:09 --> 00:38:13
[Francesca] Nothing. I simply had time
to consider your position.

590

00:38:15 --> 00:38:17
We have different ideas
of what Dol Blathanna looks like.

591

00:38:18 --> 00:38:19
But we both want a home.

592

00:38:20 --> 00:38:22
And we can find it faster together.

593

00:38:31 --> 00:38:33
You should get out of that tent
more often.

594

00:38:33 --> 00:38:34
Hmm.

595

00:38:36 --> 00:38:38
Tomorrow, we make our next move.

596

00:38:39 --> 00:38:42
I'll be by your side. As long as it takes.

597

00:38:52 --> 00:38:54
[birdsong]

598

00:38:58 --> 00:38:59
[sighs softly]

599

00:39:06 --> 00:39:08
-Ciri!

-Ciri.

600

00:39:08 --> 00:39:10
You two really think
I'm that shitty of a guard?

601

00:39:15 --> 00:39:16
I had another dream.

602

00:39:18 --> 00:39:19
[Geralt] A nightmare?

603

00:39:20 --> 00:39:22
No, it wasn't frightening.

604

00:39:23 --> 00:39:25
Just couldn't sleep
thinking about Aelirenn.

605

00:39:26 --> 00:39:27
And my grandmother.

606

00:39:28 --> 00:39:29
They lived centuries apart,

607

00:39:29 --> 00:39:31
but burned with the exact same mission.

608

00:39:34 --> 00:39:36
Wipe the other species off the Continent.

609

00:39:38 --> 00:39:39
[sighs]

610

00:39:46 --> 00:39:47
When I finally fell asleep,

611

00:39:49 --> 00:39:50
it came to me.

612

00:39:53 --> 00:39:55
If I can offer something different...

613

00:39:58 --> 00:40:01
A way forward that doesn't divide,
but unites.

614

00:40:02 --> 00:40:04
I'm part elf, I'm part human.

615

00:40:04 --> 00:40:08
I understand both because I am both,
and that is my strength.

616
