1
00:00:12 --> 00:00:14
[chirping]

2
00:00:16 --> 00:00:18
[Jaskier] Vespula? Vespula!

3
00:00:19 --> 00:00:21
Are you even listening?

4
00:00:21 --> 00:00:24
What does Radovid even mean, I see people?

5
00:00:24 --> 00:00:28
How does he know what I see?
I mean, he's only met me, like, twice.

6
00:00:28 --> 00:00:29
[traders shouting outside]

7
00:00:30 --> 00:00:35
Nah... You can't play a player.
That's what I always say.

8
00:00:36 --> 00:00:39
He's hiding something,
and if I'm gonna help Geralt,

9
00:00:41 --> 00:00:43
I need to find out what that is.

10
00:00:44 --> 00:00:47
Because Geralt is..

11
00:00:49 --> 00:00:50
a hammer.

12

00:00:51 --> 00:00:52
-[cockerel crows]
-You know?

13

00:00:53 --> 00:00:54
[hooves clattering]

14

00:00:55 --> 00:00:56
You're confused.

15

00:00:57 --> 00:00:58
All right-- Wait-- Okay. Ah...

16

00:00:59 --> 00:01:02
When you're a hammer,
every problem is a nail.

17

00:01:02 --> 00:01:05
You see a nail
and you're like, "Grrr. Fuck this nail."

18

00:01:05 --> 00:01:08
"Fuck this nail, in particular."
And you hammer the nail.

19

00:01:08 --> 00:01:10
But sometimes
the problem is something else.

20

00:01:10 --> 00:01:14
Sometimes the problem is, uh...
a bunch of petunias,

21

00:01:14 --> 00:01:18
or a bowl of... porridge,
and you can't hammer a bowl of porridge.

22

00:01:19 --> 00:01:22

I mean, you can try,
but then your hammer gets all gunked up,

23

00:01:22 --> 00:01:25

porridge goes everywhere,
and then you have... no porridge.

24

00:01:26 --> 00:01:28

The solution requires

25

00:01:29 --> 00:01:31

a different kind of tool.

26

00:01:34 --> 00:01:37

And Radovid... is that tool.

27

00:01:38 --> 00:01:41

Radovid is... a spoon.

28

00:01:43 --> 00:01:46

-Oh, obviously.

-Obviously. Yeah.

29

00:01:46 --> 00:01:49

Aah... Yeah, I'm aware
this doesn't make a lot of sense.

30

00:01:49 --> 00:01:52

What I'm trying to say is,
the problem is different.

31

00:01:53 --> 00:01:55

The solution needs to be different.

32

00:01:57 --> 00:02:00

And Radovid... is different.

33

00:02:03 --> 00:02:07

He's intelligent.

He tries to hide it, but he's insightful.

34

00:02:08 --> 00:02:11

Sharp... like a knife.

35

00:02:13 --> 00:02:16

If he's a knife,

I need to keep him away from Geralt.

36

00:02:16 --> 00:02:18

[Vespula] You like him!

37

00:02:19 --> 00:02:21

Who, Geralt? Yeah, I guess.

38

00:02:21 --> 00:02:25

Platonically, and occasionally with
great effort, as one would a family goat.

39

00:02:26 --> 00:02:29

-Hang on, when did you get dressed?

-I mean the spoon guy.

40

00:02:29 --> 00:02:31

What, Radovid? No!

41

00:02:31 --> 00:02:32

-[Vespula] Yes.

-No!

42

00:02:32 --> 00:02:35

I've cursed you
for chasing tail of every kind.

43

00:02:35 --> 00:02:37
Men, women, dwarves,

44

00:02:38 --> 00:02:39
elves, polymorphous--

45

00:02:39 --> 00:02:43
That was one time and I... regret nothing.

46

00:02:43 --> 00:02:44
-It was amazing.
-Hmm.

47

00:02:44 --> 00:02:48
But never have I ever
seen you have a crush.

48

00:02:48 --> 00:02:49
[playful music]

49

00:02:49 --> 00:02:51
-A crush?
-Mmm.

50

00:02:52 --> 00:02:53
Oh, you think I have crushes.

51

00:02:53 --> 00:02:54
Mmm-hmm.

52

00:02:55 --> 00:02:58
-Crushes are for children, my darling.
-Mmm?

53

00:02:58 --> 00:02:59

[Vespula gasps]

54

00:02:59 --> 00:03:02
-[Jaskier] I have mind-bending...
-Mmm?

55

00:03:03 --> 00:03:04
...world-ending,

56

00:03:05 --> 00:03:07
heart-wrenching affairs.

57

00:03:10 --> 00:03:12
-Whatever you say.
-[laughs]

58

00:03:14 --> 00:03:16
-The Lothario of Lyria.
-Oh!

59

00:03:16 --> 00:03:19
-The Romancer of Redania!
-Aah!

60

00:03:19 --> 00:03:21
-The Stud of Cidaris!
-[laughs]

61

00:03:21 --> 00:03:22
-[banging on door]
-[Geralt] Jaskier.

62

00:03:23 --> 00:03:25
For fuck's...

63

00:03:26 --> 00:03:28
Sorry. It's the family goat.

64

00:03:30 --> 00:03:33

[Jaskier] Good to see you too.
How'd it go?

65

00:03:33 --> 00:03:34

[Geralt] Not quite as expected.

66

00:03:36 --> 00:03:37

[Jaskier] Did you find the castle?

67

00:03:37 --> 00:03:40

Please tell me you killed Firefingers.

68

00:03:40 --> 00:03:42

-[horse neighs]
-[Geralt] Rience wasn't there.

69

00:03:43 --> 00:03:45

I did find something else, though.

70

00:03:45 --> 00:03:47

Yeah, and what's that?

71

00:03:47 --> 00:03:48

[girl talking]

72

00:03:48 --> 00:03:49

-[Geralt] Her.
-[murmuring]

73

00:03:49 --> 00:03:51

[Jaskier] And she is?

74

00:03:51 --> 00:03:52

I don't know.

75

00:03:53 --> 00:03:54
[girl] Ooh, ooh... ooh!

76

00:03:54 --> 00:03:56
But she thinks she's Ciri.

77

00:03:56 --> 00:03:58
[girl] Always a source. No room for...

78

00:03:59 --> 00:04:01
I hate you. Ooh!

79

00:04:01 --> 00:04:03
[Geralt] It's all right... Ciri.

80

00:04:03 --> 00:04:05
-This is a friend.
-[muttering]

81

00:04:06 --> 00:04:07
I'm Jaskier.

82

00:04:07 --> 00:04:10
[girl] Always a source.
No room for vermin.

83

00:04:10 --> 00:04:13
-Always.
-Fuck. Is she all right?

84

00:04:13 --> 00:04:15
She was part of an experiment.

85

00:04:15 --> 00:04:17
-[girl] Don't be...

-The only survivor.

86

00:04:17 --> 00:04:18
[whimpering]

87

00:04:18 --> 00:04:21
She has lucid moments,
but reverts back to this.

88

00:04:22 --> 00:04:23
[singing]

89

00:04:23 --> 00:04:24
Whatever she's rambling about,

90

00:04:25 --> 00:04:28
it's stuck in her head
in a nonsensical loop.

91

00:04:28 --> 00:04:30
I need to find out why.

92

00:04:30 --> 00:04:32
[Jaskier] Please tell me you have a plan.

93

00:04:33 --> 00:04:35
[Geralt] We're taking her to Anika.

94

00:04:36 --> 00:04:38
If this is an enchantment,
she'll be able to fix it.

95

00:04:38 --> 00:04:40
And who's Anika?

96

00:04:42 --> 00:04:45

She's a druid.
And a friend of my mother's.

97

00:04:46 --> 00:04:48
[girl chuckling softly]

98

00:05:02 --> 00:05:04
[dramatic music]

99

00:05:09 --> 00:05:11
-[man] Yep, it's him all right.
-[Roach snorts]

100

00:05:11 --> 00:05:13
Smelled you from two hilltops away.

101

00:05:14 --> 00:05:16
What are you doing here, Otto?

102

00:05:16 --> 00:05:20
Blame the heightened senses,
but we both know you're a ripe old bugger.

103

00:05:22 --> 00:05:24
I suppose you're here for a reason.

104

00:05:25 --> 00:05:26
[girl murmuring]

105

00:05:26 --> 00:05:28
-[Geralt] Hello, Anika.
-[girl] Wait. Just--

106

00:05:28 --> 00:05:30
-[Otto] She's missed you too.
-[sighs]

107
00:05:34 --> 00:05:35
Come on.

108
00:05:40 --> 00:05:42
[rustling]

109
00:05:42 --> 00:05:45
-[clattering]
-[Jaskier] Whew! Oh, that burns.

110
00:05:45 --> 00:05:47
That burns like a Raróg's arsehole.

111
00:05:47 --> 00:05:50
-[chuckles] What is it?
-[Otto] Uh, that's table salt.

112
00:05:50 --> 00:05:52
[Jaskier coughing] Yeah.

113
00:05:52 --> 00:05:54
Ooh-hoo.

114
00:05:54 --> 00:05:56
Yep, that's just, uh...
that's just table salt.

115
00:05:56 --> 00:05:59
That's not, um... not very druidic.

116
00:05:59 --> 00:06:01
-I'm not a druid.
-Oh, right.

117
00:06:01 --> 00:06:02
I'm a werewolf.

118

00:06:02 --> 00:06:05

Whoa. What? You're-- What? Uh, a...

119

00:06:05 --> 00:06:08

[chuckles] I was bit,
back in the plague of '21.

120

00:06:08 --> 00:06:12

Went out to the woods to isolate.
Avoid the disease.

121

00:06:12 --> 00:06:14

Was so worried about boils
and shitting myself to death,

122

00:06:15 --> 00:06:16

I wasn't thinking about werewolves.

123

00:06:16 --> 00:06:18

Priority, yeah. I get it.

124

00:06:18 --> 00:06:20

Geralt was hired by the villagers
to kill me.

125

00:06:21 --> 00:06:22

He found me a cure instead.

126

00:06:23 --> 00:06:26

-Kept close to my chest, it keeps me safe.
-Oh.

127

00:06:27 --> 00:06:29

Almost got himself killed
in the process, but...

128

00:06:30 --> 00:06:32
he saved my life.

129

00:06:33 --> 00:06:35
Yeah. Seems about right.

130

00:06:35 --> 00:06:37
[girl murmuring softly]

131

00:06:40 --> 00:06:42
I don't know...

132

00:06:43 --> 00:06:45
How'd you and Otto meet?

133

00:06:45 --> 00:06:47
It was about a year ago.

134

00:06:49 --> 00:06:51
We were at the Temple of Truth. Mourning.

135

00:06:53 --> 00:06:56
His wife, Edwina, was killed in a fire.
The children too.

136

00:06:59 --> 00:07:01
I was there for Visenna.

137

00:07:07 --> 00:07:09
She's dead?

138

00:07:11 --> 00:07:13
She talked about you a lot at the end.

139

00:07:17 --> 00:07:19

[mournful music]

140

00:07:23 --> 00:07:25
Well, whoever did this
fucked her up pretty good.

141

00:07:25 --> 00:07:27
It's a mind-control enchantment.

142

00:07:28 --> 00:07:29
[Geralt] Mind control?

143

00:07:29 --> 00:07:32
So someone needs her
to believe she's Ciri.

144

00:07:33 --> 00:07:34
It's extremely powerful.

145

00:07:35 --> 00:07:38
Elements of Chaos, druidic magic,

146

00:07:38 --> 00:07:40
even some ancient elven sorcery
in the spell.

147

00:07:41 --> 00:07:43
Oh, that's another thing.
She's part elven.

148

00:07:43 --> 00:07:46
Maybe a couple
of generations removed, but still.

149

00:07:47 --> 00:07:49
Poor girl's head's a tangled mess.

150

00:07:50 --> 00:07:52

Who would have the power to do this?

151

00:07:52 --> 00:07:54

I don't know anyone
with the knowledge to do this.

152

00:07:55 --> 00:07:58

It would take lifetimes
to acquire all these tricks.

153

00:07:59 --> 00:08:02

Whoever this mage is,
they have quite a variety of interests.

154

00:08:04 --> 00:08:06

[Otto] An extraction elixir.

155

00:08:07 --> 00:08:09

[Anika] Well done, Otto.

156

00:08:10 --> 00:08:12

[uncorks bottle]

157

00:08:13 --> 00:08:15

[soft hissing]

158

00:08:15 --> 00:08:16

[mystical music]

159

00:08:17 --> 00:08:18

[winces]

160

00:08:19 --> 00:08:21

[gasps and splutters]

161

00:08:21 --> 00:08:23
[whimpering]

162

00:08:25 --> 00:08:27
Ah, it'll take a while,
and there's no guarantee.

163

00:08:28 --> 00:08:30
If it works, she'll be able
to tell us who did this.

164

00:08:31 --> 00:08:32
[Geralt] And what they want with Ciri.

165

00:08:35 --> 00:08:37
[dramatic music]

166

00:08:38 --> 00:08:40
[seabirds calling]

167

00:08:43 --> 00:08:45
-[bell tinkles]
-[Ciri] This is the dwarven bank.

168

00:08:47 --> 00:08:49
-I thought we were going to Aretuza.
-[Yennefer] We are.

169

00:08:49 --> 00:08:53
But as you said yourself,
there's always more to the picture.

170

00:08:53 --> 00:08:55
-Aah! [laughs]
-[dwarf] My eyes deceive me!

171

00:08:56 --> 00:08:59
For surely,
a creature this beautiful cannot be real!

172
00:09:01 --> 00:09:02
My sweet Yennefer,

173
00:09:02 --> 00:09:06
it is the most sumptuous of pleasures,
as always.

174
00:09:06 --> 00:09:09
-The pleasure is all mine, Giancardi.
-Mmm!

175
00:09:09 --> 00:09:13
Please, take a seat
while we finalize your arrangements.

176
00:09:14 --> 00:09:18
[Giancardi] Horror!
Pure 'orror on my family's faces,

177
00:09:18 --> 00:09:21
as they watched me
dragged away to certain death,

178
00:09:21 --> 00:09:23
their own fate hanging in the balance.

179
00:09:24 --> 00:09:27
When who should appear?
A goddess from the heaven?

180
00:09:28 --> 00:09:31
-Better! Yennefer of Vengerberg.
-[Yennefer giggles]

181
00:09:31 --> 00:09:35
She blasted the villainous wretches
into dust.

182
00:09:35 --> 00:09:37
You exaggerate my heroism.

183
00:09:37 --> 00:09:38
[Giancardi] Nonsense.

184
00:09:38 --> 00:09:41
This is why the Giancardi Bank,
mind well the name,

185
00:09:41 --> 00:09:43
will do anything for a friend.

186
00:09:46 --> 00:09:47
For your other matter,

187
00:09:47 --> 00:09:50
my most secure vault is yours.

188
00:09:50 --> 00:09:51
Thank you.

189
00:09:52 --> 00:09:55
If it's not too much to ask,
I have one more favor.

190
00:09:55 --> 00:09:58
-[Giancardi] Sure.
-My ward needs a chaperone.

191
00:09:58 --> 00:09:59
-Say no more.

-[Ciri] What?

192

00:09:59 --> 00:10:01
Fabio is at your disposal.

193

00:10:02 --> 00:10:05

I'm a fighter, not a politician.

398

00:20:54 --> 00:20:56

I don't really know
how to sugarcoat the truth.

399

00:20:57 --> 00:20:58

All the better for it.

400

00:20:59 --> 00:21:00

Continue.

401

00:21:02 --> 00:21:04

[Gallatin] I've been a soldier
all my life.

402

00:21:04 --> 00:21:05

I take no pleasure in jumping rank.

403

00:21:06 --> 00:21:09

But Francesca has been siphoning off
our best fighters, our resources,

404

00:21:09 --> 00:21:12

leading my men on side missions
straight to their graves.

405

00:21:13 --> 00:21:16

[Emhyr] Well, Francesca has made
many sacrifices for her people.

406

00:21:16 --> 00:21:19

What makes you think
her choices can't be trusted?

407

00:21:19 --> 00:21:21

Her choices are
in defiance of your orders, sir.

408

00:21:21 --> 00:21:25

She's not fighting to soften the North.
She's searching for a girl.

409

00:21:25 --> 00:21:27

[inhales sharply]

410

00:21:31 --> 00:21:32

I'd like you to stay awhile.

411

00:21:33 --> 00:21:35

We can resolve this issue,
I have no doubt.

412

00:21:36 --> 00:21:38
-Make sure this man is fed.
-[man] My lord.

413

00:21:38 --> 00:21:39
[boots stamp]

414

00:21:40 --> 00:21:40
Thank you.

415

00:21:44 --> 00:21:46
[marching away]

416

00:21:46 --> 00:21:48
[soldiers continue drilling outside]

417

00:21:50 --> 00:21:52
Thank you, my lord.

418

00:21:52 --> 00:21:54
I knew your righteousness would prevail.

419

00:21:54 --> 00:21:57
[Emhyr] Is this a manipulation
to end your punishment?

420

00:21:57 --> 00:22:01
Because, don't forget, it was deceit
that got you where you are now.

421

00:22:01 --> 00:22:02
No, my lord.

422

00:22:03 --> 00:22:05
I would not lie about this.

423

00:22:06 --> 00:22:09
I asked for a private audience
to protect your secret.

424

00:22:10 --> 00:22:12
But Cirilla... Cirilla is out there.

425

00:22:17 --> 00:22:19
I am having dreams about her.

426

00:22:19 --> 00:22:22
-She wants me to find her.
-You tried that once.

427

00:22:23 --> 00:22:24
You failed.

428

00:22:26 --> 00:22:29
My lord, I have been in the field.
Gallatin is a good fighter.

429

00:22:29 --> 00:22:31
He knows the land.
The elves are loyal to him.

430

00:22:31 --> 00:22:33
He can deliver us the North.

431

00:22:37 --> 00:22:40
Division among the elves
would only hurt our cause on both fronts.

432

00:22:43 --> 00:22:44
But, uh...

433

00:22:46 --> 00:22:48

an army is only as good as its leader, uh...

434

00:22:51 --> 00:22:53

I know a good leader when I see one.

435

00:22:59 --> 00:23:02

It gave me... no pleasure to punish you.

436

00:23:05 --> 00:23:07

But I had to know you could be trusted.

437

00:23:09 --> 00:23:12

That I had not lost you.

438

00:23:14 --> 00:23:16

Are you ready to come home, Cahir?

439

00:23:19 --> 00:23:20

Yes.

440

00:23:28 --> 00:23:28

Prove it.

441

00:23:38 --> 00:23:44

[Jaskier] I think you've chopped
enough wood here for... two,

442

00:23:45 --> 00:23:48

maybe three centuries of fire.

443

00:23:51 --> 00:23:52

What's the plan, Geralt?

444

00:23:55 --> 00:23:58

We wait for her to wake up,
make sure she's okay,

445

00:23:58 --> 00:24:00
find Rience and the mage that did this,
and kill them.

446

00:24:00 --> 00:24:02
And then what?

447

00:24:02 --> 00:24:06
Yarpen told me he saw you
talking to Philippa Eilhart in Ban Gleán.

448

00:24:07 --> 00:24:08
It's okay, Jaskier.

449

00:24:09 --> 00:24:10
What did Dijkstra want you to do?

450

00:24:13 --> 00:24:16
He wanted me to convince you

451

00:24:17 --> 00:24:19
to take Ciri to Redania.

452

00:24:19 --> 00:24:20
[chuckles]

453

00:24:20 --> 00:24:21
And I agree with him.

454

00:24:23 --> 00:24:27
She'd be safe with an army,
an entire army at her back.

455

00:24:27 --> 00:24:31
Ciri would be nothing more

than a brood mare on the Cintran throne.

456

00:24:31 --> 00:24:33
She's a princess, Geralt.

457

00:24:33 --> 00:24:35
That's what princesses do.

458

00:24:35 --> 00:24:38
They sit on little royal thrones
and they have little royal babies.

459

00:24:38 --> 00:24:41
And they rule kingdoms.
This is what Ciri wants.

460

00:24:41 --> 00:24:45
Does she want to be a political pawn
for Vizimir and Dijkstra?

461

00:24:45 --> 00:24:46
-No...
-No.

462

00:24:47 --> 00:24:48
We stay the course.

463

00:24:48 --> 00:24:49
Neutrality has consequences too.

464

00:24:49 --> 00:24:54
There are already consequences, Jaskier.
And not just for Ciri.

465

00:24:55 --> 00:24:58
I thought by taking her off the board,
the world would stop trying to use her.

466

00:24:59 --> 00:25:01
Instead, they're trying
to use others in her place.

467

00:25:01 --> 00:25:03
And they will continue to.

468

00:25:03 --> 00:25:07
Because that is what people in power do.

469

00:25:08 --> 00:25:09
But she's not a witcher.

470

00:25:10 --> 00:25:16
She's certainly not an Aretuzan witch
sourcing magic out of... stones, or hemp,

471

00:25:16 --> 00:25:20
or plants,
or whatever it is that Yennefer does.

472

00:25:20 --> 00:25:22
She's a princess.

473

00:25:23 --> 00:25:24
I think you should trust her.

474

00:25:26 --> 00:25:28
Her source.

475

00:25:29 --> 00:25:30
Her... what now?

476

00:25:33 --> 00:25:34
You're right.

477

00:25:37 --> 00:25:38

[Jaskier] I'm right...

478

00:25:40 --> 00:25:42

Well, that's deeply worrying. What?

479

00:25:48 --> 00:25:49

[Anika] Geralt--

480

00:25:49 --> 00:25:51

-I need you to wake up.

-[Anika] Geralt, no.

481

00:25:51 --> 00:25:52

-[Otto] It's too soon.

-Can you hear me?

482

00:25:52 --> 00:25:54

[Otto] You could hurt the extraction spell.

483

00:25:55 --> 00:25:57

You said there was always a source.

484

00:25:57 --> 00:25:59

-[sighs]

-[Geralt] What did you mean?

485

00:26:00 --> 00:26:02

Always a source to what?

486

00:26:03 --> 00:26:04

Magic.

487

00:26:05 --> 00:26:07

[Geralt] Can you tell me your name?

488

00:26:08 --> 00:26:09

Teryn.

489

00:26:09 --> 00:26:11

[Geralt] Good.

490

00:26:11 --> 00:26:13

Something happened
that affected your mind.

491

00:26:15 --> 00:26:16

Do you remember what happened?

492

00:26:19 --> 00:26:20

[gasps]

493

00:26:20 --> 00:26:22

I was dragged from my room.

494

00:26:22 --> 00:26:23

Yes.

495

00:26:24 --> 00:26:25

By a man.

496

00:26:26 --> 00:26:27

A man with a scar?

497

00:26:27 --> 00:26:28

[Anika] Careful, Geralt.

498

00:26:28 --> 00:26:31

[Teryn, shakily] He was there. Sometimes.

499

00:26:34 --> 00:26:37

And the woman with the funny voice.

500

00:26:38 --> 00:26:40

They all helped the man.

501

00:26:41 --> 00:26:43

The man, he...

502

00:26:45 --> 00:26:47

He always scared me.

503

00:26:48 --> 00:26:49

You knew him.

504

00:26:50 --> 00:26:51

At school.

505

00:26:53 --> 00:26:54

At Aretuza.

506

00:26:55 --> 00:26:57

[gasps]

507

00:26:57 --> 00:26:59

Oh... [sobbing]

508

00:26:59 --> 00:27:01

We need to put her back under.

509

00:27:01 --> 00:27:03

-[Geralt] I need a name.

-[Otto] I'll grab elixir.

510

00:27:03 --> 00:27:04

-[wailing]
-It's all right.

511
00:27:04 --> 00:27:06
-Just say it.
-What was his name, Teryn?

512
00:27:06 --> 00:27:08
[screaming]

513
00:27:10 --> 00:27:11
[wails]

514
00:27:12 --> 00:27:14
[sobs]

515
00:27:16 --> 00:27:18
[deep voice] Stupid witcher.

516
00:27:18 --> 00:27:21
You're doomed and you don't even know it.

517
00:27:22 --> 00:27:25
[overlapping voices]
I am Cirilla's destiny.

518
00:27:25 --> 00:27:27
May all ye wail,

519
00:27:27 --> 00:27:31
for the Destroyer of Nations is upon us.

520
00:27:34 --> 00:27:35
[yelps]

521
00:27:35 --> 00:27:37

Anika!

522

00:27:37 --> 00:27:39
-[cracking sounds]
-[groaning]

523

00:27:41 --> 00:27:42
[crunching]

524

00:27:42 --> 00:27:44
[deep voice] Geralt!

525

00:27:44 --> 00:27:46
-[growling]
-Jaskier, the amulet!

526

00:27:47 --> 00:27:48
No, no, no, no. Teryn. Teryn!

527

00:27:48 --> 00:27:50
-Jaskier!
-[roaring]

528

00:27:51 --> 00:27:53
-[grunting]
-Geralt!

529

00:27:55 --> 00:27:56
[Otto] Ah! Aah...

530

00:27:58 --> 00:28:00
-[Teryn gasping]
-[Jaskier] Shh, shh.

531

00:28:01 --> 00:28:04
-[Otto sighing]
-[Teryn whimpering]

532

00:28:05 --> 00:28:07
[Jaskier] Shh, shh.

533

00:28:13 --> 00:28:15
[barker] Roll up! Roll up!

534

00:28:15 --> 00:28:17
Roll up!

535

00:28:17 --> 00:28:18
See with your own eyes

536

00:28:18 --> 00:28:22
the most frightful creature
the gods ever created!

537

00:28:22 --> 00:28:27
A live basilisk, the venomous terror
of the Zerrikanian desert!

538

00:28:27 --> 00:28:29
An insatiable man-eater!

539

00:28:29 --> 00:28:31
-Only 15 groats.
-Told you.

540

00:28:31 --> 00:28:33
[barker] That's 15 groats, yeah?
Hey, you, hop it.

541

00:28:33 --> 00:28:36
15 groats, everyone. Yeah, go on.
Pay the money to the boy.

542

00:28:36 --> 00:28:38
In you go. Enjoy. In you go.

543
00:28:38 --> 00:28:41
Enjoy the show.
[chuckles] Enjoy the show.

544
00:28:42 --> 00:28:44
[barker continues shouting]

545
00:28:46 --> 00:28:47
[man] Come on, hurry up!

546
00:28:47 --> 00:28:51
Careful. These beasts
are notoriously unpredictable.

547
00:28:51 --> 00:28:53
I've fought enough of them to know.

548
00:28:55 --> 00:28:57
[woman] Hey, let's get to the front.

549
00:28:58 --> 00:28:59
[growling]

550
00:28:59 --> 00:29:02
-[Ciri] That cage looks small.
-Maybe it's a baby basilisk.

551
00:29:02 --> 00:29:05
That would be a rip-off.
How scary could that be?

552
00:29:06 --> 00:29:08
You'd be surprised.

553

00:29:09 --> 00:29:10
They are unpredictable.

554

00:29:11 --> 00:29:13
And unpredictable means trouble.

555

00:29:13 --> 00:29:15
What's wrong with a little trouble?

556

00:29:15 --> 00:29:17
[scoffs] A lot if you've lived my life.

557

00:29:19 --> 00:29:20
That sounds like a challenge.

558

00:29:22 --> 00:29:23
[soft clink]

559

00:29:23 --> 00:29:25
[growling continues]

560

00:29:26 --> 00:29:30
Ladies and gentlemen!

561

00:29:31 --> 00:29:32
[laughing]

562

00:29:32 --> 00:29:35
The king of all serpents.

563

00:29:35 --> 00:29:37
'Tis a most rare monster.

564

00:29:37 --> 00:29:39
-[thump]

-[squealing]

565

00:29:39 --> 00:29:44

Hatching from an egg
only laid by a knavish cockerel, well!

566

00:29:44 --> 00:29:46

Who presents his rump to another...

567

00:29:46 --> 00:29:50

in the manner of a horny hen!

568

00:29:50 --> 00:29:51

-Ooooh!

-[laughter]

569

00:29:51 --> 00:29:54

Cock-a-doodle-doo-oo-oo!

570

00:29:55 --> 00:29:57

Ta-da!

571

00:29:57 --> 00:29:58

[crowd gasps]

572

00:29:58 --> 00:30:00

An egg that must be brooded

573

00:30:00 --> 00:30:03

by a hundred and one venomous snakes.

574

00:30:03 --> 00:30:05

[growling]

575

00:30:05 --> 00:30:08

Good people, keep your distance.

576

00:30:08 --> 00:30:11

Its breath alone could poison you.

577

00:30:11 --> 00:30:14

-[Ciri] That's not a basilisk.

-[gasps and murmurs]

578

00:30:14 --> 00:30:15

[man] Stop interrupting, love.

579

00:30:17 --> 00:30:19

When the basilisk hatches,

580

00:30:19 --> 00:30:22

it devours the snakes,
imbibing their venom.

581

00:30:22 --> 00:30:25

And when a knight stabs it with his sword,

582

00:30:25 --> 00:30:27

the poison runs up the blade,
killing the knight...

583

00:30:27 --> 00:30:29

-Chhkk, chhkk! Outright.

-[crowd gasps]

584

00:30:29 --> 00:30:31

That is the falsest lie.

585

00:30:31 --> 00:30:32

'Tis the truest truth.

586

00:30:33 --> 00:30:37

That's why a basilisk can only be killed
by seeing its reflection in the mirror.

587

00:30:37 --> 00:30:38

Quite right, sir!

588

00:30:38 --> 00:30:41

-Don't.

-No, you're all wrong. This is a wyvern.

589

00:30:41 --> 00:30:45

And it's young, and it's starving
because you're keeping it in this cage!

590

00:30:45 --> 00:30:47

[laughs mockingly]

591

00:30:47 --> 00:30:49

Listen, darlin',
if you don't like my little show,

592

00:30:49 --> 00:30:52

why don't you just piss off and shut up?

593

00:30:53 --> 00:30:56

-[wyvern squeals]

-[barker groans]

594

00:30:57 --> 00:30:58

[wood crunching]

595

00:30:58 --> 00:31:00

[purring and chirping]

596

00:31:02 --> 00:31:04

[screaming]

597
00:31:04 --> 00:31:05
[chittering]

598
00:31:07 --> 00:31:09
-[roars]
-[screaming]

599
00:31:12 --> 00:31:13
[snarling]

600
00:31:13 --> 00:31:15
[screaming]

601
00:31:21 --> 00:31:23
[wyvern squealing]

602
00:31:31 --> 00:31:33
Oi, oi, you little shit!

603
00:31:36 --> 00:31:38
This girl is under the protection
of Giancardi Bank.

604
00:31:38 --> 00:31:40
Mind well the name, asshole.

605
00:31:40 --> 00:31:41
[thumping]

606
00:31:43 --> 00:31:44
[gasps]

607
00:31:45 --> 00:31:47
[snarling]

608

00:31:48 --> 00:31:49
Where's my knife?

609
00:31:57 --> 00:31:58
Here!

610
00:32:00 --> 00:32:01
[wyvern cries]

611
00:32:01 --> 00:32:03
[wyvern whimpering]

612
00:32:04 --> 00:32:06
[woman] Who is she? Is she okay?

613
00:32:06 --> 00:32:09
-[Ciri groans]
-[knight] Get off of her, devil dog!

614
00:32:12 --> 00:32:14
You saved me, brave knight!

615
00:32:14 --> 00:32:16
We have a hero in our midst!

616
00:32:16 --> 00:32:18
-He saved us all!
-[knight] I did?

617
00:32:20 --> 00:32:22
-I did!
-[Ciri] I have to get out of here!

618
00:32:22 --> 00:32:25
[Fabio] That was fucking incredible!
Did you see me hit that guy?

619

00:32:25 --> 00:32:27

-[Ciri] Yennefer will kill me.
-I'll get fired, I don't even care!

620

00:32:27 --> 00:32:29

-Where the fuck's my money?
-I can travel.

621

00:32:29 --> 00:32:32

-Kick arse through this fucking Continent!
-Where's my money?

622

00:32:32 --> 00:32:33

-[woman] Hey, trouble!
-[coins jingle]

623

00:32:33 --> 00:32:34

[horse snorts]

624

00:32:37 --> 00:32:39

You were great in there.

625

00:32:41 --> 00:32:43

Fucking hell.

626

00:32:44 --> 00:32:46

I've gotta go. Thank you.

627

00:32:47 --> 00:32:49

-Where are you goin'?
-And good luck kicking arse!

628

00:32:53 --> 00:32:55

[speaking in Elder]

629

00:32:57 --> 00:32:58

[repeats spell]

630

00:32:59 --> 00:33:00

[repeats spell]

631

00:33:04 --> 00:33:05

Where are you, Yennefer?

632

00:33:08 --> 00:33:09

[repeats spell]

633

00:33:10 --> 00:33:11

[repeats spell]

634

00:33:12 --> 00:33:14

Another runaway.
You've had your fun, novice.

635

00:33:14 --> 00:33:16

-Back to the dorms.
-Get your hands off me!

636

00:33:16 --> 00:33:17

[gasps]

637

00:33:18 --> 00:33:20

You will address me
as Mistress Laux-Antille.

638

00:33:20 --> 00:33:22

And you'll clean the toilets
for your impertinence.

639

00:33:22 --> 00:33:24

[Yennefer] I'll take it from here.

640

00:33:24 --> 00:33:25
[Mistress Laux-Antille] Yen.

641
00:33:25 --> 00:33:27
[Sabrina] What are you doing here?

642
00:33:29 --> 00:33:31
Bringing my ward
to get a proper education,

643
00:33:31 --> 00:33:33
one she obviously sorely needs.

644
00:33:34 --> 00:33:36
Forgive her, Rita.

645
00:33:40 --> 00:33:41
So this is the girl.

646
00:33:45 --> 00:33:46
Don't look at her.

647
00:33:49 --> 00:33:50
Look at me.

648
00:33:53 --> 00:33:56
Don't you dare take your eyes off me.

649
00:33:57 --> 00:33:59
[low rumbling]

650
00:34:04 --> 00:34:06
-[Yennefer] That's enough introductions.
-[breathing shakily]

651
00:34:07 --> 00:34:11

As an apology for her impudence, allow me
to treat you ladies to some luxury.

652

00:34:12 --> 00:34:13
[Sabrina] Thank gods, I'm bored.

653

00:34:13 --> 00:34:15
Shall we take the waters
at the Silver Heron?

654

00:34:15 --> 00:34:16
[both giggle]

655

00:34:16 --> 00:34:19
[Rita] Don't threaten me with a good time.

656

00:34:19 --> 00:34:21
[gasps]

657

00:34:22 --> 00:34:23
[sighs]

658

00:34:24 --> 00:34:26
[echoing laughter]

659

00:34:28 --> 00:34:31
[Rita chuckles] Hands off. He's mine.

660

00:34:33 --> 00:34:36
[Sabrina] I wasn't planning
on using my hands.

661

00:34:41 --> 00:34:44
[Rita] Fuck magic, let's stay here.

662

00:34:48 --> 00:34:52

[Sabrina] If this place ever closes,
I'll burn this fucking city to the ground.

663

00:34:53 --> 00:34:54

Here, girl!

664

00:34:56 --> 00:34:58

Novices these days are useless.

665

00:34:58 --> 00:35:01

-[Sabrina] Mmm.

-[Rita] Not like when we were girls.

666

00:35:02 --> 00:35:04

I told you to bring the wine.

667

00:35:04 --> 00:35:07

I'm surprised you can taste anything
at this point.

668

00:35:07 --> 00:35:09

Are you calling me a lush?

669

00:35:09 --> 00:35:11

Better a lush than a traitor.

670

00:35:13 --> 00:35:15

Tell me, Yennefer.

671

00:35:15 --> 00:35:17

Are the rumors about witchers true?

672

00:35:18 --> 00:35:21

That their mutations make them impotent?

673

00:35:21 --> 00:35:24

-[Rita] You're fucking a witcher? [laughs]
-[Sabrina] Atrocious, isn't it?

674

00:35:25 --> 00:35:28

-Almost as atrocious as your manners.

-Mmm.

675

00:35:28 --> 00:35:29

-[Rita] Ooh.

-[Sabrina giggles]

676

00:35:29 --> 00:35:33

Perhaps instead of dwelling on the past,
focus our attention on the future.

677

00:35:34 --> 00:35:36

I wanted red!

678

00:35:36 --> 00:35:37

[Sabrina] Here.

679

00:35:38 --> 00:35:39

We deserve a drink.

680

00:35:39 --> 00:35:42

After all the fires
we've been putting out between kingdoms.

681

00:35:44 --> 00:35:45

Fires we didn't start.

682

00:35:48 --> 00:35:50

[Rita] Damned Cintran princess.

683

00:35:50 --> 00:35:53

-What's so special about her, anyway?

-[Sabrina] Mmm.

684

00:35:55 --> 00:35:57
Girl, the wine! Now.

685

00:35:58 --> 00:35:59
Get it yourself.

686

00:35:59 --> 00:36:00
[bangs pitcher down]

687

00:36:04 --> 00:36:05
[laughs]

688

00:36:05 --> 00:36:07
She'll only screw it up.

689

00:36:07 --> 00:36:10
Besides, I know where the good stuff is.

690

00:36:14 --> 00:36:15
[gasps]

691

00:36:16 --> 00:36:18
-What the hell is wrong with you?
-Shut the fuck up.

692

00:36:18 --> 00:36:22
-Before you spoil everything.
-I can't spoil something already rotten!

693

00:36:22 --> 00:36:24
This place, these women, it's horrible!

694

00:36:25 --> 00:36:27
"This place"? You're not a princess here.

695

00:36:28 --> 00:36:30
You're a low-level novice.
Get used to being treated like one.

696

00:36:30 --> 00:36:32
Entitlement will get you nowhere.

697

00:36:32 --> 00:36:35
[breathing heavily]
I don't want to do this.

698

00:36:35 --> 00:36:37
You know, I don't want to do this either.

699

00:36:38 --> 00:36:40
Tomorrow I'll be expected
to crawl back to the Brotherhood,

700

00:36:40 --> 00:36:43
tail between my legs,
begging for forgiveness.

701

00:36:43 --> 00:36:44
And I'll do it.

702

00:36:44 --> 00:36:48
Because Aretuza is my best hope
of protecting you from those who hunt you.

703

00:36:48 --> 00:36:50
Our best chance to be safe.

704

00:36:51 --> 00:36:54
-You have to go along to get along.
-To what end?

705

00:36:55 --> 00:36:59

If I can't learn to control my powers,
will you let Tissaia turn me into an eel?

706

00:36:59 --> 00:37:02

And if I do become
some powerful, learned Aretuzan maid,

707

00:37:02 --> 00:37:04

will you let her scrape out my insides

708

00:37:04 --> 00:37:07

to become vapid and power-hungry
like your friends out there?

709

00:37:07 --> 00:37:10

Tissaia is one of the most
powerful sorceresses on this Continent!

710

00:37:10 --> 00:37:13

You should be grateful
she's willing to teach you!

711

00:37:13 --> 00:37:14

[breathing heavily]

712

00:37:17 --> 00:37:19

[whispers] Just because she saved you

713

00:37:20 --> 00:37:22

does not mean
you owe her the rest of your life.

714

00:37:24 --> 00:37:26

You told me
to never apologize for my power,

715

00:37:26 --> 00:37:29
and yet that's all you seem to do.

716
00:37:30 --> 00:37:33
You want to be a great leader?
You want to change the world?

717
00:37:34 --> 00:37:35
Well, the day-to-day of leading

718
00:37:35 --> 00:37:38
is dealing with a lot of vapid,
power-hungry arseholes!

719
00:37:43 --> 00:37:44
I'm not Geralt.

720
00:37:45 --> 00:37:46
This isn't Kaer Morhen.

721
00:37:47 --> 00:37:50
This is the version of myself
I have to be here.

722
00:37:50 --> 00:37:54
So you need to find a version of yourself
that can deal with that.

723
00:37:54 --> 00:37:56
Trust me, I know you're not Geralt.

724
00:37:57 --> 00:37:59
-He would never sell his soul like this.
-[sobbing]

725
00:38:04 --> 00:38:05
-[yells]

-[glass clatters]

726

00:38:06 --> 00:38:07
[sobbing]

727

00:38:13 --> 00:38:15
[fire crackling]

728

00:38:15 --> 00:38:16
-[owl hooting]
-[sighs]

729

00:38:18 --> 00:38:20
[gasping]

730

00:38:21 --> 00:38:23
-It's all right.
-[sighs]

731

00:38:25 --> 00:38:27
Thanks to Otto.

732

00:38:28 --> 00:38:31
I've never seen
someone make a potion so fast.

733

00:38:32 --> 00:38:33
You taught him well.

734

00:38:34 --> 00:38:36
[sighs] Just like Visenna taught me.

735

00:38:43 --> 00:38:44
Did she suffer?

736

00:38:47 --> 00:38:49

She was mistaken for an elf
while helping a villager.

737

00:38:49 --> 00:38:51
[mournful music]

738

00:38:52 --> 00:38:54
She was beaten very badly.

739

00:38:58 --> 00:39:00
Does that make you feel better or worse?

740

00:39:01 --> 00:39:03
I never wanted her to hurt.

741

00:39:06 --> 00:39:09
-Just wanted her to know what she did.
-Oh, she knew.

742

00:39:09 --> 00:39:13
Love for a child forces parents to make
the hardest choices of their lives.

743

00:39:14 --> 00:39:16
Impossible ones, even.

744

00:39:18 --> 00:39:21
Chances are, they toil over it
for the rest of their lives.

745

00:39:30 --> 00:39:32
I do remember bits of our life.

746

00:39:37 --> 00:39:39
She smelled like embers.

747

00:39:40 --> 00:39:44
From keeping those measly fires alive
for the long nights.

748
00:39:47 --> 00:39:49
I remember my hunger.

749
00:39:50 --> 00:39:53
And her stomach growling
twice as loud as mine.

750
00:39:55 --> 00:39:57
She used her magic

751
00:39:58 --> 00:40:01
to create elaborate meals
that we couldn't afford.

752
00:40:07 --> 00:40:10
I would have done anything
to make her smile.

753
00:40:13 --> 00:40:14
And yet...

754
00:40:16 --> 00:40:18
the day she left me,

755
00:40:19 --> 00:40:20
she was sick.

756
00:40:23 --> 00:40:26
She needed water,
so I went to get her some.

757
00:40:26 --> 00:40:28
And when I came back...

758

00:40:30 --> 00:40:31
she was gone.

759

00:40:34 --> 00:40:35
I called for her.

760

00:40:39 --> 00:40:40
But she was gone.

761

00:40:42 --> 00:40:43
She loved you the best she could.

762

00:40:45 --> 00:40:48
To save you, she had to let you go.

763

00:40:50 --> 00:40:53
-This can't have been the only choice.
-It wasn't.

764

00:40:55 --> 00:40:56
It's simply the one she made.

765

00:40:57 --> 00:41:00
And now you have
your own impossible decision.

766

00:41:00 --> 00:41:02
I won't abandon Ciri.

767

00:41:03 --> 00:41:05
Even if it costs me my life.

768

00:41:06 --> 00:41:08
[sighs]

769

00:41:11 --> 00:41:12
Teryn.

770

00:41:14 --> 00:41:17
Can she stay here,
while I work out how to help her?

771

00:41:17 --> 00:41:20
-Mmm, of course.
-Thank you.

772

00:41:21 --> 00:41:22
Where are you going?

773

00:41:25 --> 00:41:26
Aretuza. [sighs]

774

00:41:30 --> 00:41:32
[water splashing gently]

775

00:41:35 --> 00:41:36
[quiet laughter]

776

00:41:38 --> 00:41:39
Are you all right?

777

00:41:40 --> 00:41:42
No.

778

00:41:45 --> 00:41:46
The magic is one thing.

779

00:41:48 --> 00:41:49
-But the politics..
-Hmm.

780

00:41:50 --> 00:41:53

Even if I can curry enough favor to get
back into the Brotherhood's fold

781

00:41:53 --> 00:41:55

and get her trained, you're right.

782

00:41:55 --> 00:41:58

War is coming,
and she's at the center of it.

783

00:41:59 --> 00:42:02

Mages have kept kings in check
for centuries.

784

00:42:04 --> 00:42:07

-We'll find a way.
-Toxicity's infectious.

785

00:42:09 --> 00:42:13

The kings have turned against each other.
How long before mages follow suit?

786

00:42:14 --> 00:42:17

If we are to unite the North,
we must be united.

787

00:42:18 --> 00:42:19

[Tissaia chuckles]

788

00:42:21 --> 00:42:22

A conclave.

789

00:42:24 --> 00:42:24

What?

790

00:42:26 --> 00:42:28
We host a conclave of mages.

791
00:42:29 --> 00:42:33
-We haven't had one since before Soddan.
-And then we went to war.

792
00:42:33 --> 00:42:35
So we do it differently this time.

793
00:42:35 --> 00:42:40
Instead of discord and debate,
we focus on trust.

794
00:42:40 --> 00:42:41
Togetherness.

795
00:42:47 --> 00:42:49
Is this also the girl's doing?

796
00:42:49 --> 00:42:52
If we have any hope
of appealing to the kings,

797
00:42:53 --> 00:42:56
we first have to find
better versions of ourselves.

798
00:42:59 --> 00:43:00
I'm willing to try.

799
00:43:02 --> 00:43:03
Are you?

800
00:43:05 --> 00:43:07
-[chuckles]
-[laughter downstairs]

801
00:43:10 --> 00:43:12
[wistful music]

802
00:43:12 --> 00:43:14
[dog barking]

803
00:43:21 --> 00:43:23
[breathing shakily]

804
00:43:23 --> 00:43:24
[whispers] Geralt.

805
00:43:24 --> 00:43:26
Hey, Geralt, where are you?

806
00:43:26 --> 00:43:28
-[whispering voices]
-Geralt, where are you?

807
00:43:29 --> 00:43:30
-[wind whistling]
-[voice] Who's Geralt?

808
00:43:30 --> 00:43:32
-[voices overlapping]
-Where are you?

809
00:43:32 --> 00:43:34
[jumbled voices and laughter]

810
00:43:34 --> 00:43:36
[voice whispers] He's coming. Now.

811
00:43:36 --> 00:43:38
[Geralt] We'll meet again soon.

812

00:43:40 --> 00:43:43
[mouth full] I understand your concerns.
But I've made up my mind.

813

00:43:43 --> 00:43:46
This Cirilla nonsense is
too much of a headache.

814

00:43:47 --> 00:43:48
I couldn't agree more, Your Majesty.

815

00:43:49 --> 00:43:52
But bargaining with Nilfgaard
is not the answer.

816

00:43:53 --> 00:43:56
-The queen is opinionated and strong.
-Like a bull.

817

00:43:56 --> 00:44:00
And Radovid is eager to please.
But all three of you are far too important

818

00:44:00 --> 00:44:03
to burden yourself with the minutiae
of Redanian intelligence.

819

00:44:04 --> 00:44:05
What would you suggest?

820

00:44:06 --> 00:44:10
Hope I'm not interrupting.
Uh, this was left with my manservant.

821

00:44:11 --> 00:44:13
-The note says it's for you.

-Oh.

822

00:44:14 --> 00:44:16
A present. [chuckles]

823

00:44:20 --> 00:44:23
"Courtesy of Nilfgaard."
See, I told you, Dijkstra.

824

00:44:23 --> 00:44:24
They're not so ba--

825

00:44:25 --> 00:44:27
[yelps]

826

00:44:27 --> 00:44:29
[gasps]

827

00:44:29 --> 00:44:31
-[wailing]
-[coughing]

828

00:44:31 --> 00:44:33
[Vizimir sobbing]

829

00:44:34 --> 00:44:37
I want men on every door and window.
Nobody in or out but me!

830

00:44:37 --> 00:44:39
Tell the gatekeeper
to scout the perimeter.

831

00:44:39 --> 00:44:41
Bring me
Radovid's manservant immediately!

832
00:44:41 --> 00:44:44
-[sobbing]
-[guard 1] With me! Now!

833
00:44:44 --> 00:44:46
Man on every door! We've got intruders!

834
00:44:46 --> 00:44:50
[whispers] I swear to you,
I will not let them get away with this.

835
00:44:51 --> 00:44:52
-[men running]
-[guard 1] Guard the gates!

836
00:44:52 --> 00:44:54
-Come. Come.
-[guard 2] Secure the perimeter!

837
00:44:55 --> 00:44:57
-Through that gate!
-[guard 3] By me!

838
00:44:59 --> 00:45:00
-Through there, now!
-Come.

839
00:45:01 --> 00:45:03
-Take the king to his chambers.
-My lord.

840
00:45:04 --> 00:45:06
-[distant door slams]
-[guards yelling]

841
00:45:07 --> 00:45:08
-[sighs]

-[Vizimir sobbing]

842
00:45:12 --> 00:45:14
[nearby door slams]

843
00:45:15 --> 00:45:17
[intriguing music]

844
00:45:17 --> 00:45:18
Hmm.

845
00:45:22 --> 00:45:23
[Radovid gasps]

846
00:45:24 --> 00:45:25
Mmm. Hah!

847
00:45:27 --> 00:45:28
You.

848
00:45:30 --> 00:45:33
All that talk of...
making the queen more useful.

849
00:45:35 --> 00:45:36
You and Philippa did this.

850
00:45:38 --> 00:45:40
You won't get away with it.

851
00:45:40 --> 00:45:41
Huh.

852
00:45:41 --> 00:45:42
It's treason.

853

00:45:44 --> 00:45:47
-I'll tell my brother.
-Tell him what, exactly?

854

00:45:48 --> 00:45:52
That his strong, opinionated queen,
gods rest her soul,

855

00:45:52 --> 00:45:54
went a little rogue
in the secret meetings,

856

00:45:55 --> 00:45:56
and deserved to be assassinated?

857

00:45:58 --> 00:45:59
On your watch?

858

00:46:00 --> 00:46:01
-He trusted you.
-Trusts.

859

00:46:05 --> 00:46:06
He trusts me.

860

00:46:07 --> 00:46:08
Now more than ever.

861

00:46:10 --> 00:46:12
I am his most important advisor.

862

00:46:12 --> 00:46:17
Whereas you are
a weak, silly, ineffectual little shit

863

00:46:17 --> 00:46:20

who just delivered his wife's head
to him in a box.

864

00:46:21 --> 00:46:23

Well, now I come to think of it,

865

00:46:23 --> 00:46:26

how do we know
you weren't involved in her treachery?

866

00:46:29 --> 00:46:32

You want to help?
Go back to sucking on the royal teat

867

00:46:32 --> 00:46:36

until you're just drunk enough
to forget this terrible tragedy.

868

00:46:36 --> 00:46:38

And keep your mouth shut.

869

00:46:40 --> 00:46:43

[whispers] Because next time,
it could be your head in a box.

870

00:46:47 --> 00:46:49

[dramatic music]

871

00:47:02 --> 00:47:04

[echoing sighs]

872

00:47:07 --> 00:47:09

[romantic music]

873

00:47:17 --> 00:47:19

[groaning]

874
00:47:23 --> 00:47:24
Breathe.

875
00:47:26 --> 00:47:27
Breathe.

876
00:47:36 --> 00:47:38
-[screams]
-[echoing gasps]

877
00:47:45 --> 00:47:46
Mmm.

878
00:47:50 --> 00:47:51
Enough.

879
00:47:51 --> 00:47:52
[laughs]

880
00:47:53 --> 00:47:55
[groans]

881
00:47:57 --> 00:47:59
Aah! [laughing]

882
00:48:00 --> 00:48:02
Oh, I wish you were there today.

883
00:48:03 --> 00:48:05
I mean, I knew Hedwig had a thick neck,

884
00:48:06 --> 00:48:08
but gods, that was a workout
to cut through. [chuckles]

885

00:48:10 --> 00:48:11

[Philippa] Mmm.

886

00:48:13 --> 00:48:16

I wonder what Dijkstra thought
of my pièce de résistance.

887

00:48:16 --> 00:48:18

[Philippa] Mmm.

888

00:48:18 --> 00:48:20

No one ever expects
a head in a box, do they?

889

00:48:22 --> 00:48:24

-[Philippa] It doesn't make any sense.
-Hmm?

890

00:48:24 --> 00:48:27

Emhyr uses mages
for cannon fodder, not emissaries.

891

00:48:29 --> 00:48:31

The woman you saw in the meeting
didn't move her mouth.

892

00:48:32 --> 00:48:34

Oh, well, it takes all sorts,
I suppose. [chuckles]

893

00:48:35 --> 00:48:37

Unless she was using telepathy.

894

00:48:39 --> 00:48:40

Hmm.

895

00:48:41 --> 00:48:43

But how did she manage
to portal into the palace

896

00:48:43 --> 00:48:46
and through my protection enchantments?

897

00:48:47 --> 00:48:49
Maybe because the portal was special?

898

00:48:52 --> 00:48:53
A portal is a portal.

899

00:48:55 --> 00:48:56
I've seen your portals.

900

00:48:58 --> 00:49:01
[sighs] This wasn't that.

901

00:49:01 --> 00:49:06
This was a swirling black vortex
of fucking unnervingness.

902

00:49:09 --> 00:49:11
The mage backing Rience...

903

00:49:13 --> 00:49:15
works for Nilfgaard.

904

00:49:17 --> 00:49:18
Fuck me.

905

00:49:21 --> 00:49:22
[caws]

906

00:49:22 --> 00:49:25
[Rience] The only reason

I fucking agreed to do this job

907

00:49:25 --> 00:49:28
is because you told me
you didn't work for Nilfgaard.

908

00:49:28 --> 00:49:30
[Lydia] I don't. I work for my lord.

909

00:49:30 --> 00:49:33
-Who works for fucking Nilfgaard!
-[cawing]

910

00:49:33 --> 00:49:36
Oh, Rience, don't get so agitated.
It makes you uglier.

911

00:49:37 --> 00:49:42
As for my lord, working with Nilfgaard
is not the same as working for Nilfgaard.

912

00:49:42 --> 00:49:45
The White Flame is just a means to an end.

913

00:49:45 --> 00:49:47
A small piece of a much bigger puzzle.

914

00:49:48 --> 00:49:51
-Don't worry your hideous little face.
-[crow caws]

915

00:49:52 --> 00:49:53
At least I still have a face.

916

00:49:55 --> 00:49:58
Instead of just the illusion of one.

917

00:50:00 --> 00:50:03
Tell him I'm growing tired
of being kept in the dark.

918

00:50:04 --> 00:50:06
If he wants me
to go along with his little plan,

919

00:50:08 --> 00:50:10
I have a demand of my own.

920

00:50:12 --> 00:50:14
[Francesca speaking in Elder]

921

00:50:20 --> 00:50:24
-[continues speaking in Elder]
-[creaking and sighing sounds]

922

00:50:30 --> 00:50:31
[Filavandrel] Hey.

923

00:50:33 --> 00:50:36
You... are exhausted.

924

00:50:36 --> 00:50:39
-You need to eat.
-Not until they do.

925

00:50:41 --> 00:50:42
What news from the scouts?

926

00:50:42 --> 00:50:46
There was a rumor that she was spotted
in Maribor. Nothing came of it.

927

00:50:48 --> 00:50:49

And Gallatin?

928

00:50:49 --> 00:50:53
He's headed to Xin'trea
with the roundy general.

929

00:50:54 --> 00:50:56
So perhaps it would be wise to consider

930

00:50:57 --> 00:50:59
an escape plan.

931

00:51:00 --> 00:51:04
The only escape I'll take
is death, Filavandrel.

932

00:51:05 --> 00:51:06
[knocking at door]

933

00:51:08 --> 00:51:13
I don't miss the snobbery of the city,
but shit, I do miss the services.

934

00:51:13 --> 00:51:16
[sighs] Your White Flame
sure knows how to host.

935

00:51:16 --> 00:51:17
-[door slams]
-Well...

936

00:51:18 --> 00:51:19
I suppose it's not hard

937

00:51:19 --> 00:51:22
to impress a backwards pointy
like you, though, is it?

938

00:51:22 --> 00:51:25
I'd rather be a backwards pointy
invited to the palace

939

00:51:25 --> 00:51:27
than the rich little shit
who got kicked out of it.

940

00:51:27 --> 00:51:31
That's not fair. I lost my money
long before I was kicked out.

941

00:51:34 --> 00:51:36
My father was the nobleman.

942

00:51:37 --> 00:51:41
He expected me to have a disposition
of a diplomat like my brothers.

943

00:51:42 --> 00:51:45
But I was impetuous.
Short temper, rash judgment.

944

00:51:45 --> 00:51:48
-That's why I like fighting.
-[scoffs] You? No.

945

00:51:48 --> 00:51:53
Well, if we've moved onto the emotional
story-swapping part of our friendship,

946

00:51:54 --> 00:51:56
I think we'd have got on as kids.

947

00:51:56 --> 00:51:59
We may have burned down a town

or two on accident, but... still.

948

00:52:06 --> 00:52:10

When the Usurper took Nilfgaard,
he enslaved my father and my brothers.

949

00:52:11 --> 00:52:15

He was afraid of their strength and their
ability to someday take revenge, but...

950

00:52:15 --> 00:52:16

but I was...

951

00:52:17 --> 00:52:19

I was just a little boy, I was...

952

00:52:20 --> 00:52:22

too weak for concern.

953

00:52:22 --> 00:52:24

I was left to starve or die.

954

00:52:24 --> 00:52:27

Cahir, I've known you to march into battle

955

00:52:27 --> 00:52:31

with little more than a breastplate made
of chicken bones and a stick for a sword.

956

00:52:31 --> 00:52:34

Fuck the Usurper. He was an idiot.

957

00:52:35 --> 00:52:38

That's what the White Flame said to me
when he came to free me.

958

00:52:39 --> 00:52:42
"The Usurper was a fool
to let you go, son,

959

00:52:42 --> 00:52:44
because you are the strongest
of them all."

960

00:52:44 --> 00:52:47
Well, I suppose you're strong
for a scrawny little--

961

00:52:49 --> 00:52:50
[mournful music]

962

00:52:52 --> 00:52:54
[choking]

963

00:53:04 --> 00:53:05
[Cahir] I'm sorry.

964

00:53:06 --> 00:53:08
I'm sorry it had to be this way.

965

00:53:09 --> 00:53:10
[sobbing]

966

00:53:14 --> 00:53:16
[wind whistling]

967

00:53:19 --> 00:53:21
[sighing sounds]

968

00:53:24 --> 00:53:25
[Cahir groans]

969

00:53:40 --> 00:53:42
[birds calling]

970

00:53:43 --> 00:53:45
-[wind sighing]
-[horse galloping]

971

00:53:51 --> 00:53:52
[neighs]

972

00:53:54 --> 00:53:56
[dramatic music]

973

00:54:00 --> 00:54:02
[thunder crashing]

974

00:54:09 --> 00:54:11
[thunder booming]

975

00:54:15 --> 00:54:17
[frightened neighing]

976

00:54:22 --> 00:54:24
[whispering voice] Ciri...

977

00:54:25 --> 00:54:26
[wind whistling]

978

00:54:30 --> 00:54:32
[wind howling]

979

00:54:32 --> 00:54:34
[hooves thundering]

980

00:54:35 --> 00:54:37
[Eredin] Cirilla!

981
00:54:37 --> 00:54:40
Cirilla!

982
00:54:43 --> 00:54:44
-[deep voice] Cirilla!
-[neighing]

983
00:54:44 --> 00:54:47
[Eredin] Cirilla!

984
00:54:52 --> 00:54:54
No. You're ghosts. Corpses.

985
00:54:54 --> 00:54:59
Yes, we are corpses,
but you are death itself!

986
00:55:05 --> 00:55:07
Join us.

987
00:55:09 --> 00:55:10
[yells]

988
00:55:15 --> 00:55:17
[horses screaming]

989
00:55:17 --> 00:55:19
[roaring]

990
00:55:26 --> 00:55:27
You found me.

991
00:55:34 --> 00:55:36
[foreboding music]

992

00:55:55 --> 00:55:56

They were real.
