
THE WITCHER

CREATED BY

Lauren Schmidt Hissrich

EPISODE 3.06

"Everybody Has a Plan 'til They Get Punched in the Face"

Betrayal and bloodshed rock the conclave when the hunt for Ciri comes to a head. As sides are chosen and enemies unmasked, nothing will ever be the same.

Thomas Billings	...	Marquard
Bernhard Fuchs	...	Fercart of Cidaris
Andy Pilgrim	...	Carduin
Eric Nolan	...	Dorregaray

1
00:00:06 --> 00:00:08
[men yelling in distance]

2
00:00:08 --> 00:00:10
[soldier 1] Prepare for battle, lads!

3
00:00:12 --> 00:00:13
[blade rings]

4
00:00:13 --> 00:00:15
-[thumping]
-[soldier 2] Come! This is one!

5
00:00:16 --> 00:00:18
Should have chosen a side, witcher.

6
00:00:19 --> 00:00:20
[yelling]

7
00:00:20 --> 00:00:22
[soldier 3] Move! Move!

8
00:00:22 --> 00:00:24
[Dijkstra] The Redanian side.

9
00:00:24 --> 00:00:25
[soldier 3] Keep moving! Move it!

10
00:00:25 --> 00:00:27
[Dijkstra] A new day dawns,
Geralt of Rivia.

11
00:00:28 --> 00:00:29
[soldier 4] I swear,
if you say another word--

12

00:00:29 --> 00:00:32
I cannot let you leave
until we've done what we came to do.

13

00:00:32 --> 00:00:34
-[soldier 4] On whose orders?
-[woman screams]

14

00:00:34 --> 00:00:37
Lay down your weapon.
I'd hate to ask the boys to persuade you.

15

00:00:37 --> 00:00:39
-[soldier 5] Move it!
-[Artorius] You were one of us, Radcliffe.

16

00:00:39 --> 00:00:42
Why sell out the Brotherhood?
[grunts] Let go!

17

00:00:42 --> 00:00:44
-I'm a prisoner?
-[Artorius] Do you know what you're doing?

18

00:00:44 --> 00:00:46
-We're only here for mages.
-Get them out!

19

00:00:46 --> 00:00:49
Holding you is more of a... courtesy.

20

00:00:49 --> 00:00:50
[woman screams]

21

00:00:50 --> 00:00:52
After all, I see us as allies.

22

00:00:52 --> 00:00:53
[soldier 6] With me! This way!

23

00:00:53 --> 00:00:55
-[thumping]
-[woman yells]

24

00:00:55 --> 00:00:57
Fine. I'll comply.

25

00:00:57 --> 00:00:59
[soldier 4] That one! Take a stand!

26

00:00:59 --> 00:01:01
Piece of advice, though. [sighs]

27

00:01:01 --> 00:01:05
Coming after mages in their own home
during a conclave...

28

00:01:06 --> 00:01:07
-That's suicide.
-[Dijkstra] Hmm.

29

00:01:07 --> 00:01:10
[soldier 7] Many mages have already
joined us, mutant.

30

00:01:10 --> 00:01:12
-[woman 1] Come on!
-[Artaud] Take your hands off me!

31

00:01:12 --> 00:01:13
[Keira] Best to come peacefully.

32

00:01:13 --> 00:01:15

[Artaud] How much
did you pay these dogs, Keira?

33

00:01:15 --> 00:01:19
[Dijkstra] I do hope, for your sake, that
Yennefer chooses the right side as well.

34

00:01:20 --> 00:01:22
-[Yennefer speaking in Elder]
-[ringing sound]

35

00:01:23 --> 00:01:25
[voices whispering softly]

36

00:01:28 --> 00:01:29
[speaking in Elder]

37

00:01:30 --> 00:01:30
[voices sigh]

38

00:01:34 --> 00:01:35
-[whispers] Ciri.
-[thud]

39

00:01:36 --> 00:01:37
-[woman screaming]
-[soldier yelling]

40

00:01:41 --> 00:01:43
-[soldier 4] You, shut up!
-[door opens]

41

00:01:45 --> 00:01:48
[woman 1] Traitors to the Brotherhood,
you'll get what you deserve.

42

00:01:48 --> 00:01:50

-[Yennefer] Geralt.
-[woman 2] Please, sir!

43

00:01:50 --> 00:01:54
[soldier 8] Not so powerful with
dimeritium around your wrists, are ya?

44

00:01:54 --> 00:01:55
[grunting]

45

00:01:55 --> 00:01:56
[woman 2 sobs]

46

00:01:57 --> 00:01:58
-[door slams]
-[soldier 3] Come on, now!

47

00:02:05 --> 00:02:08
-[woman 3] I won't let you do this!
-[man] How can you do this?

48

00:02:08 --> 00:02:11
-[woman 2] You traitor!
-[soldier 3] Come on, come on!

49

00:02:11 --> 00:02:13
[Gerhart] Radcliffe, what are you doing?

50

00:02:14 --> 00:02:17
-[Radcliffe] Move it, old man!
-[woman 4] Help me!

51

00:02:20 --> 00:02:22
[soldier 3] Check the side rooms!

52

00:02:22 --> 00:02:24
-[soft ringing]

-[soldier 9] Bust that door!

53

00:02:24 --> 00:02:26
[rumbling]

54

00:02:27 --> 00:02:29
-[crash]

-[soldier 3] Check the rooms on the left!

55

00:02:33 --> 00:02:34
Can't have gone far.

56

00:02:36 --> 00:02:37
Where the fuck did she go?

57

00:02:38 --> 00:02:39
[Yennefer whispers] Ciri.

58

00:02:39 --> 00:02:41
[gasps]

59

00:02:41 --> 00:02:42
[tense music]

60

00:02:43 --> 00:02:45
[birdsong]

61

00:02:47 --> 00:02:49
[breathing softly]

62

00:02:59 --> 00:03:01
[soft whoosh]

63

00:03:18 --> 00:03:19
[Jaskier] Ahem.

64

00:03:20 --> 00:03:21
[Radovid gasps]

65

00:03:21 --> 00:03:23
-I was just--
-I know what you were doing.

66

00:03:24 --> 00:03:27
-You've got it wrong.
-I've got it wrong? I'm sorry.

67

00:03:27 --> 00:03:30
Which part? The part
where you feigned affection for me,

68

00:03:30 --> 00:03:34
or the part where you tried to kidnap
a young woman under my care

69

00:03:34 --> 00:03:35
whilst I slept?

70

00:03:39 --> 00:03:42
It would make everything easier for us
if she came to Redania.

71

00:03:44 --> 00:03:47
-I'd be out from under Dijkstra's thumb.
-And there it is.

72

00:03:48 --> 00:03:50
How can you think
my feelings for you are a lie?

73

00:03:50 --> 00:03:53
Because that is who you are, Radovid.

74

00:03:53 --> 00:03:55
At your core.

75

00:03:55 --> 00:03:58
I thought I'd seen through your mask.

76

00:04:00 --> 00:04:02
[whispers] Turns out
there was nothing behind it.

77

00:04:06 --> 00:04:07
[Radovid] I'm so sorry.

78

00:04:11 --> 00:04:11
Ciri.

79

00:04:11 --> 00:04:13
[breathing shakily]

80

00:04:15 --> 00:04:16
Oh, Ciri.

81

00:04:20 --> 00:04:21
[shouts] Ciri!

82

00:04:23 --> 00:04:24
[Jaskier] Ciri!

83

00:04:35 --> 00:04:37
[yelling]

84

00:04:39 --> 00:04:41
Armbands are a nice touch.

85

00:04:41 --> 00:04:44

[Sabrina] Helps us know
who's on the winning side.

86

00:04:45 --> 00:04:46
[Geralt] Prisoners?

87

00:04:46 --> 00:04:49
[Dijkstra] Traitors.
Strewn across the courts of the North.

88

00:04:49 --> 00:04:53
Spies weakening us
for Nilfgaard's march of conquest.

89

00:04:53 --> 00:04:55
-Are they all traitors?
-No.

90

00:04:56 --> 00:04:58
Just Vilgefortz and his cronies.

91

00:04:58 --> 00:05:01
The rest shall bear witness.

92

00:05:02 --> 00:05:05
This is an assault on magic. On all of us.

93

00:05:06 --> 00:05:08
-Redania seeks to--
-[soldier] Shut your mouth!

94

00:05:08 --> 00:05:09
-[Geralt] So.
-[sighs]

95

00:05:09 --> 00:05:11
[Geralt] If they are here to bear witness,

96

00:05:11 --> 00:05:15
then why are they bound in dimeritium?

97

00:05:16 --> 00:05:17
Our protection.

98

00:05:18 --> 00:05:21
We have ample evidence
of Vilgefartz aligning with Nilfgaard.

99

00:05:22 --> 00:05:24
We want to be heard.

100

00:05:26 --> 00:05:27
The Brotherhood needs our help

101

00:05:27 --> 00:05:30
to root out
these traitorous infestations.

102

00:05:30 --> 00:05:33
-So, this is a trial?
-[Philippa] No.

103

00:05:34 --> 00:05:35
A purge.

104

00:05:35 --> 00:05:37
[dramatic music]

105

00:05:51 --> 00:05:53
[Lydia, echoing] It's too late..
it's too late..

106

00:05:54 --> 00:05:56

You shouldn't have left the girl alone.

107

00:05:56 --> 00:05:57
...left the girl alone...

108

00:05:59 --> 00:06:02
[voices overlapping]
She belongs with my master.

109

00:06:02 --> 00:06:05
-[Yennefer] Lydia.
-[Lydia] And you... and you...

110

00:06:05 --> 00:06:07
you belong in the dirt... dirt...

111

00:06:07 --> 00:06:11
You must truly hate
what's left of your face to challenge me.

112

00:06:11 --> 00:06:13
[echoing] You were great in your time...
in your time...

113

00:06:13 --> 00:06:15
But that time has passed... has passed...

114

00:06:15 --> 00:06:17
My master has given me power beyond--

115

00:06:17 --> 00:06:20
Power beyond... power... power...

116

00:06:20 --> 00:06:22
[voices laughing]

117

00:06:24 --> 00:06:25
Yennefer.

118
00:06:26 --> 00:06:26
[Yennefer groans]

119
00:06:26 --> 00:06:28
[rumbling]

120
00:06:28 --> 00:06:30
Fight all you want.

121
00:06:30 --> 00:06:33
The Lion Cub will bend
to my master's will.

122
00:06:33 --> 00:06:36
That coward Vilgefortz? Never.

123
00:06:36 --> 00:06:39
You can't protect her if you're dead.

124
00:06:39 --> 00:06:42
[laughing]
Can't protect her if you're dead..

125
00:06:49 --> 00:06:50
[gasps]

126
00:06:53 --> 00:06:55
[Triss] There's a coup, Yen.

127
00:06:55 --> 00:06:58
I was hoping Istredd
and the others had made it down here.

128

00:06:58 --> 00:07:01
Does this mean I can count on you
to help me protect Ciri?

129
00:07:01 --> 00:07:03
Protecting her isn't enough.

130
00:07:04 --> 00:07:06
-You have to know that.
-[gasping]

131
00:07:07 --> 00:07:07
I do.

132
00:07:09 --> 00:07:11
She'll only master her power
if she masters herself.

133
00:07:13 --> 00:07:17
With us, Ciri will find
and fulfill her own destiny.

134
00:07:17 --> 00:07:19
Her destiny is with Vilgefortz.

135
00:07:19 --> 00:07:21
-Her blood will give him--
-[crunch]

136
00:07:21 --> 00:07:22
-[Yennefer] Nothing.
-[crack]

137
00:07:23 --> 00:07:24
[breathing heavily]

138
00:07:29 --> 00:07:31

[Yennefer] I have to get to Ciri.

139

00:07:31 --> 00:07:32

[Triss] This way.

140

00:07:33 --> 00:07:35

I'll find Tissaia. She'll know what to do.

141

00:07:37 --> 00:07:39

[Dijkstra] Finally, our headmistress.

142

00:07:39 --> 00:07:43

-[Marti] Tissaia, thank gods you're safe.

-[Rita] Please make this right.

143

00:07:43 --> 00:07:46

Keira! Radcliffe! Why wasn't she secured?

144

00:07:46 --> 00:07:49

I told them I would
melt their faces if they touched me.

145

00:07:49 --> 00:07:51

[Philippa] There'll be
no face melting here.

146

00:07:51 --> 00:07:55

I've shrouded your little kingdom
in a powerful binding spell.

147

00:07:55 --> 00:07:56

[Tissaia] Oh yes, I can feel it.

148

00:07:56 --> 00:07:59

From The Book of the Waning Sun.
I wrote that book.

149

00:07:59 --> 00:08:01

[Dijkstra] We will concede
you are the most powerful of mages.

150

00:08:02 --> 00:08:03

The beating heart of Aretuza.

151

00:08:04 --> 00:08:08

Where you go, the Brotherhood follows,
which is why we will be courteous.

152

00:08:08 --> 00:08:09

[Vilgefartz] She won't believe your lies.

153

00:08:10 --> 00:08:13

Your sad gambit to put all mages
in the service of Vizimir.

154

00:08:13 --> 00:08:15

Strike him,
you will not live to see sunset.

155

00:08:15 --> 00:08:16

There's no need.

156

00:08:16 --> 00:08:19

We have accounts of portals
bridging this place and Nilfgaard.

157

00:08:19 --> 00:08:21

Vilgefartz's portals.

158

00:08:22 --> 00:08:24

Why should anyone here believe you?

159

00:08:24 --> 00:08:28

[Radcliffe] Listen, we know
that you've tainted the Brotherhood

160

00:08:28 --> 00:08:31
by having that nasty bastard Rience
doing your dirty work.

161

00:08:31 --> 00:08:32
[Vilgefartz] Rience was ousted years ago.

162

00:08:32 --> 00:08:35
-[Radcliffe] Oh, was he?
-[Bianca] Shut your mouth, Radcliffe!

163

00:08:35 --> 00:08:37
And what of you, witcher?

164

00:08:37 --> 00:08:39
What is your stake?
Are you part of this insanity?

165

00:08:40 --> 00:08:41
I am not.

166

00:08:41 --> 00:08:44
Nor do I think the accusations insane.

167

00:08:45 --> 00:08:46
You did know this was coming.

168

00:08:46 --> 00:08:48
You admitted as much last night.

169

00:08:48 --> 00:08:51
First Stregobor, now Vilgefartz?
Who will it be next?

170

00:08:51 --> 00:08:53

The powers that threaten the Continent,

171

00:08:53 --> 00:08:56

Philippa and Dijkstra,
are who should be on trial here.

172

00:08:57 --> 00:09:01

I don't give a shit
about Brotherhood politics.

173

00:09:05 --> 00:09:07

There's an unnatural fog in the bay.

174

00:09:07 --> 00:09:08

[Radcliffe] What do you mean?

175

00:09:08 --> 00:09:10

Someone's using magic to conceal ships.

176

00:09:10 --> 00:09:11

Don't you see?

177

00:09:11 --> 00:09:13

It's a Redanian army.

178

00:09:13 --> 00:09:14

Here to support their treachery.

179

00:09:15 --> 00:09:17

To destroy everything we have worked for.

180

00:09:17 --> 00:09:19

I must give Aplegatt a large boon.

181

00:09:19 --> 00:09:21
[dramatic music]

182
00:09:31 --> 00:09:34
Tissaia, you must break the binding spell.

183
00:09:34 --> 00:09:38
You'll only delay the inevitable.
Vilgefortz will be exposed today.

184
00:09:38 --> 00:09:40
She spurned you
for what you had to do at Sodden Hill.

185
00:09:40 --> 00:09:42
[Geralt] Whoever they are,

186
00:09:42 --> 00:09:43
they're moving closer.

187
00:09:43 --> 00:09:46
-Break the binding spell.
-Shut him up!

188
00:09:47 --> 00:09:49
[whispering in Elder]

189
00:09:50 --> 00:09:51
[Dijkstra] Sabrina?

190
00:09:51 --> 00:09:52
[Sabrina] Oh, fuck!

191
00:09:53 --> 00:09:55
-[Dijkstra] Anybody, stop her!
-[metal snapping]

192
00:09:55 --> 00:09:57
[speaking in Elder]

193
00:09:58 --> 00:10:00
Death to Redania.

194
00:10:00 --> 00:10:01
-[whoosh]
-[soldier yelps]

195
00:10:02 --> 00:10:05
There's no rush, Geralt. I can assure you,
if you're looking for the girl,

196
00:10:05 --> 00:10:07
you're too late.

197
00:10:07 --> 00:10:08
[soldier] Fuckin' witcher.

198
00:10:10 --> 00:10:11
[Geralt] Dijkstra!

199
00:10:12 --> 00:10:13
[door slams]

200
00:10:14 --> 00:10:15
[sighs]

201
00:10:16 --> 00:10:16
Geralt.

202
00:10:17 --> 00:10:19
Let's not do anything rash.

203

00:10:24 --> 00:10:25
You know what?

204
00:10:26 --> 00:10:28
I'll just tell you where we've taken her.

205
00:10:32 --> 00:10:33
[Dijkstra cries out]

206
00:10:33 --> 00:10:35
You-- you can't blame a man for trying.

207
00:10:35 --> 00:10:36
-[crack]
-[screams]

208
00:10:36 --> 00:10:38
[groans]

209
00:10:41 --> 00:10:42
[groaning]

210
00:10:42 --> 00:10:44
You-- you'll never get away with this.

211
00:10:44 --> 00:10:47
[groans] I've got 50 men
coming on those boats.

212
00:10:47 --> 00:10:49
Best hope one of them's a barber surgeon.

213
00:10:50 --> 00:10:53
-[crunch]
-[screams]

214

00:11:00 --> 00:11:02
-[soldier yelps]
-Mmm...

215
00:11:05 --> 00:11:07
I should have known better, friend.

216
00:11:07 --> 00:11:10
No. You should've paid
more attention... friend.

217
00:11:16 --> 00:11:17
[Vilgefartz] I'm finished here.

218
00:11:19 --> 00:11:22
-[Marti] We'll take it from here, Tissaia.
-[man] Move!

219
00:11:22 --> 00:11:24
Don't ever come back here.

220
00:11:24 --> 00:11:26
[fighting continues]

221
00:11:41 --> 00:11:42
[Tissaia] Vilgefartz!

222
00:11:43 --> 00:11:44
We can take the Redanians out

223
00:11:44 --> 00:11:47
if we unite our Chaos
and trap them in the tunnels.

224
00:11:48 --> 00:11:50
That won't be happening.

225

00:11:51 --> 00:11:53

The Scoia'tael will enter this place

226

00:11:53 --> 00:11:56

and burn it to the ground
in the name of the White Flame.

227

00:11:57 --> 00:11:58

The Scoia'tael?

228

00:11:59 --> 00:12:00

What are you talking--

229

00:12:05 --> 00:12:06

Why?

230

00:12:07 --> 00:12:08

This is our home.

231

00:12:08 --> 00:12:09

No, Tissaia.

232

00:12:10 --> 00:12:12

This is your home.

233

00:12:12 --> 00:12:14

I don't care who sacks it.

234

00:12:15 --> 00:12:17

I have my own aims.

235

00:12:17 --> 00:12:19

And they no longer include you.

236

00:12:21 --> 00:12:22

[softly] How could you?

237

00:12:23 --> 00:12:26

[Vilgefortz] Stregobor, with his pride,
was easy to set up.

238

00:12:26 --> 00:12:30

And you, with your undying trust,
were easy to fool.

239

00:12:37 --> 00:12:41

[Tissaia] Vilgefortz, please.
Please, do not do this!

240

00:12:41 --> 00:12:44

[overlapping whispering in Elder]

241

00:12:45 --> 00:12:47

[thump]

242

00:12:47 --> 00:12:49

-[Tissaia] Vilgefortz.
-[rumbling]

243

00:12:51 --> 00:12:54

[Vilgefortz] Poor Tissaia.
Such a failure of judgment.

244

00:12:54 --> 00:12:55

[Tissaia gasps]

245

00:12:55 --> 00:12:57

[stone grinding]

246

00:12:58 --> 00:13:00

[swooshing sounds]

247

00:13:01 --> 00:13:02
[soldiers marching]

248

00:13:25 --> 00:13:27
Today, we reclaim Aretuza as our own

249

00:13:28 --> 00:13:31
and we bring
the Elder Blood princess home.

250

00:13:31 --> 00:13:32
[scoffs]

251

00:13:45 --> 00:13:50
You will never take Aretuza.

252

00:13:55 --> 00:13:56
[Cahir] Archers!

253

00:13:59 --> 00:14:01
On my go!

254

00:14:02 --> 00:14:03
Now!

255

00:14:10 --> 00:14:12
-Help! We need help!
-Dimeritium tipped arrows.

256

00:14:12 --> 00:14:13
The archers are the priority!

257

00:14:13 --> 00:14:15
Disarm and deflect!

258

00:14:15 --> 00:14:17
If you find the girl, bring her to me.

259
00:14:17 --> 00:14:20
Go! Go!

260
00:14:26 --> 00:14:27
Go! Go!

261
00:14:37 --> 00:14:38
[Yennefer] Ciri!

262
00:14:40 --> 00:14:41
[Ciri] Yennefer!

263
00:14:41 --> 00:14:43
[wind whistling]

264
00:14:45 --> 00:14:46
Ciri.

265
00:14:48 --> 00:14:49
Ciri!

266
00:14:51 --> 00:14:52
[sobs] You're alive.

267
00:14:52 --> 00:14:55
[breathing shakily]
I dreamt you and Geralt were gone.

268
00:14:55 --> 00:14:57
We'll never leave you.

269
00:14:57 --> 00:14:59
Never! You know that.

270
00:15:00 --> 00:15:01
You were dead.

271
00:15:05 --> 00:15:08
We need to get away from this island
as fast as possible.

272
00:15:09 --> 00:15:11
The chain ferry. Come on.

273
00:15:12 --> 00:15:13
Yen, what about Geralt?

274
00:15:16 --> 00:15:17
He'll find us.

275
00:15:19 --> 00:15:20
He always finds us.

276
00:15:22 --> 00:15:23
Come on.

277
00:15:39 --> 00:15:40
[Bianca] No!

278
00:15:46 --> 00:15:47
[Filavandrel] Francesca!

279
00:15:48 --> 00:15:49
-[yells]
-[roars]

280
00:15:50 --> 00:15:53
[screaming] No!

281
00:15:53 --> 00:15:54
[elfyn] That's not fair!

282
00:15:54 --> 00:15:55
[heartbeat]

283
00:16:00 --> 00:16:02
[mournful music]

284
00:16:03 --> 00:16:05
[Rita] Your Chaos, Tissaia!

285
00:16:05 --> 00:16:07
-[sobbing]
-[heartbeat continues]

286
00:16:14 --> 00:16:16
[Rita] Artorius! She's unarmed.

287
00:16:16 --> 00:16:17
-Take her now!
-[roars]

288
00:16:19 --> 00:16:21
[spluttering]
-[Rita] Oh, gods!

289
00:16:21 --> 00:16:22
[elf] Kill them all!

290
00:16:25 --> 00:16:26
Kill!

291
00:16:27 --> 00:16:28
Goodbye, Uncle.

292
00:16:29 --> 00:16:30
[Tissaia] Artorius!

293
00:16:30 --> 00:16:32
[both gasping]

294
00:16:34 --> 00:16:35
Artorius!

295
00:16:35 --> 00:16:36
You've got to fight.

296
00:16:36 --> 00:16:37
[heartbeat]

297
00:16:37 --> 00:16:38
You've got to fight!

298
00:16:39 --> 00:16:40
[groans]

299
00:16:41 --> 00:16:42
[elf] Come on!

300
00:16:55 --> 00:16:57
[rumbling]

301
00:16:57 --> 00:16:58
[crashing]

302
00:17:06 --> 00:17:07
[sighs]

303
00:17:12 --> 00:17:13
Run!

304

00:17:17 --> 00:17:19
[Fringilla screaming]

305

00:17:20 --> 00:17:22
[wind whistling]

306

00:17:27 --> 00:17:29
We're almost at the stables.

307

00:17:32 --> 00:17:33
[Ciri] Fire fucker!

308

00:17:38 --> 00:17:39
Enough!

309

00:17:39 --> 00:17:41
You won't kill her.
Your master wants her alive.

310

00:17:42 --> 00:17:43
I have no master.

311

00:17:46 --> 00:17:47
I'm going to remove my sword,

312

00:17:48 --> 00:17:49
going to leave it here,

313

00:17:50 --> 00:17:51
and back away.

314

00:18:03 --> 00:18:05
You were right about Vilgefortz.

315

00:18:06 --> 00:18:07
He's at the center of all this.

316
00:18:08 --> 00:18:11
He brought both Nilfgaard
and the Scoia'tael.

317
00:18:11 --> 00:18:13
They're all searching for you, Ciri.

318
00:18:14 --> 00:18:15
We have to get off this island.

319
00:18:16 --> 00:18:18
[screaming]

320
00:18:27 --> 00:18:28
[woman] No! Oh god!

321
00:18:36 --> 00:18:37
[both grunt]

322
00:18:54 --> 00:18:56
Tissaia! We have to take cover.

323
00:18:56 --> 00:18:59
-[Marti] Archers up top!
-[Rita] Get them!

324
00:19:00 --> 00:19:02
-We need more help!
-[Istredd] Marti, over here!

325
00:19:14 --> 00:19:16
Triss! [gasps]

326

00:19:17 --> 00:19:19
Tissaia needs us! Hurry!

327
00:19:19 --> 00:19:22
Listen to me.
These elves, they still need you.

328
00:19:22 --> 00:19:25
We all followed you here
because we believe in your strength.

329
00:19:25 --> 00:19:27
I, too, thought I'd lost everything,

330
00:19:27 --> 00:19:29
but there is always
something to fight for.

331
00:19:30 --> 00:19:33
This is our fight,
and we can win, but together.

332
00:19:44 --> 00:19:46
[Marti] The doors are magically sealed!

333
00:19:50 --> 00:19:51
[Tissaia] Let's go!

334
00:19:55 --> 00:19:57
-[Triss] Gerhart!
-[Artaud] He's having a heart attack.

335
00:19:57 --> 00:19:58
-Take him!
-[Triss] Okay.

336
00:19:59 --> 00:20:01

-Istredd, help!
-[Istredd] Come on, this way.

337
00:20:02 --> 00:20:03
This way, Triss.

338
00:20:03 --> 00:20:05
-[explosion]
-[screaming]

339
00:20:08 --> 00:20:10
-[Triss] Hold on, Gerhart.
-[Istredd] Put him there.

340
00:20:10 --> 00:20:12
-[Gerhart] My heart...
-[Triss] I've got you.

341
00:20:12 --> 00:20:14
-[man] Tissaia! We need help!
-[woman] Tissaia!

342
00:20:14 --> 00:20:16
-[Gerhart] My heart! [groans]
-[Triss] Easy...

343
00:20:17 --> 00:20:20
-[Istredd] No!
-[Keira] We wanted to stop Vilgefartz.

344
00:20:20 --> 00:20:22
[Istredd] You made your choice, traitors!

345
00:20:23 --> 00:20:25
Hate us today, punish us tomorrow.

346
00:20:26 --> 00:20:28

They will not destroy this place, Tissaia.

347

00:20:28 --> 00:20:31

This is our home. Let us fight with you.

348

00:20:32 --> 00:20:33

For you.

349

00:20:36 --> 00:20:37

With me!

350

00:20:39 --> 00:20:41

[Gerhart] Don't waste your Chaos.

351

00:20:43 --> 00:20:44

[Triss] Gerhart, no.

352

00:20:46 --> 00:20:49

-[Gerhart] Leave me, Triss.

-[Triss] You're going to be fine!

353

00:20:49 --> 00:20:51

-I promise.

-It's too late.

354

00:20:54 --> 00:20:55

No, it isn't.

355

00:20:56 --> 00:20:58

We'll keep on fighting--

356

00:20:58 --> 00:21:00

-[gasping]

-Triss! No!

357

00:21:00 --> 00:21:01

Triss...

358

00:21:01 --> 00:21:03
Tissaia, it's okay.
We'll find another way.

359

00:21:03 --> 00:21:05
-It's okay. I need to take it out.
-[Triss gasping]

360

00:21:06 --> 00:21:08
Tissaia! Gah!

361

00:21:08 --> 00:21:10
-Triss, I need to take it out, okay?
-[Triss whimpering]

362

00:21:10 --> 00:21:13
I'll take it out.
Breathe. You're gonna be okay. Breathe.

363

00:21:18 --> 00:21:20
[tense music]

364

00:21:28 --> 00:21:31
-[Triss groaning]
-It's almost over. It's almost over.

365

00:21:32 --> 00:21:33
[Istredd yells]

366

00:21:34 --> 00:21:35
-[groans]
-Look at me. Look at me.

367

00:21:36 --> 00:21:39
-Look at me. Breathe. Yeah?

-[gasping]

368

00:21:41 --> 00:21:44

If they're inside,
if they're sacking the whole place...

369

00:21:44 --> 00:21:45

-The book!

-Yeah.

370

00:21:45 --> 00:21:49

Tissaia hid it, so Vilgefartz will know
if he orchestrated this whole thing.

371

00:21:49 --> 00:21:52

-Now, you understand.

-I'll be okay. Go.

372

00:21:52 --> 00:21:54

But don't let it get into the wrong hands.

373

00:21:55 --> 00:21:56

I need you to be okay.

374

00:21:56 --> 00:21:58

I need you.

375

00:21:58 --> 00:21:59

Marti, help her!

376

00:22:07 --> 00:22:09

[somber music]

377

00:22:38 --> 00:22:39

[speaking in Elder]

378

00:22:43 --> 00:22:44
[thunder rumbling]

379
00:22:45 --> 00:22:46
[Yennefer] Tissaia.

380
00:22:49 --> 00:22:50
What's wrong, Yen?

381
00:22:52 --> 00:22:53
Yen.

382
00:22:53 --> 00:22:55
She's summoning Alzur's Thunder.

383
00:22:56 --> 00:22:58
[Ciri] A spell of last resort.

384
00:23:03 --> 00:23:04
[wind howling]

385
00:23:08 --> 00:23:09
Go to her.

386
00:23:09 --> 00:23:11
We'll be all right.

387
00:23:11 --> 00:23:12
-No.
-She has no choice.

388
00:23:14 --> 00:23:16
I understand what she means to you.

389
00:23:18 --> 00:23:21
To know she suffers, she fights,

390
00:23:23 --> 00:23:24
that she may die.

391
00:23:25 --> 00:23:27
We didn't come this far
to abandon each other.

392
00:23:27 --> 00:23:28
Then don't abandon me.

393
00:23:30 --> 00:23:31
I have to do this.

394
00:23:34 --> 00:23:36
[sniffles]

395
00:23:36 --> 00:23:37
I've searched so long.

396
00:23:38 --> 00:23:40
Fought so long.

397
00:23:41 --> 00:23:42
Hurt so many.

398
00:23:42 --> 00:23:43
And it was all worth it.

399
00:23:45 --> 00:23:47
[thunder rumbling]

400
00:23:48 --> 00:23:52
No matter where you go or where you hide,
we will never be apart.

401
00:23:53 --> 00:23:54
[sobs]

402
00:23:54 --> 00:23:56
Destiny brought us together.

403
00:23:57 --> 00:23:59
Never lost. Always found.

404
00:24:02 --> 00:24:04
I love you, my daughter.

405
00:24:08 --> 00:24:09
Come back to us.

406
00:24:14 --> 00:24:16
[emotional music]

407
00:24:18 --> 00:24:20
[thunder crashing]

408
00:24:22 --> 00:24:24
[speaking in Elder]

409
00:24:25 --> 00:24:27
[repeating spell]

410
00:24:52 --> 00:24:54
[Cahir] Fringilla!

411
00:24:55 --> 00:24:57
-I thought you were dead.
-No. Not dead.

412
00:24:58 --> 00:24:59

[explosion]

413

00:24:59 --> 00:25:01

I'm simply no longer confined, Cahir.

414

00:25:01 --> 00:25:05

You know, it is amazing what you can do
when you think for yourself.

415

00:25:08 --> 00:25:09

[explosion]

416

00:25:10 --> 00:25:13

There's a good chance
the girl has already fled the building.

417

00:25:13 --> 00:25:16

Take a search party and go.
Tissaia's life's mine.

418

00:25:17 --> 00:25:18

Then take her.

419

00:25:21 --> 00:25:23

[speaking in Elder]

420

00:25:28 --> 00:25:29

[rumbling]

421

00:25:36 --> 00:25:38

[gasping] No.

422

00:25:40 --> 00:25:42

[thunder crashing]

423

00:25:51 --> 00:25:53

[screams]

424

00:26:01 --> 00:26:03

Take cover!

425

00:26:05 --> 00:26:07

[roaring]

426

00:26:09 --> 00:26:11

[roar echoing]

427

00:26:11 --> 00:26:12

[energy crackling]

428

00:26:14 --> 00:26:16

[thunder rumbling]

429

00:26:18 --> 00:26:20

[soft whoosh]

430

00:26:27 --> 00:26:29

Thank you for the book.

431

00:26:30 --> 00:26:32

But it's not the only thing I want.

432

00:26:32 --> 00:26:33

I'll see you soon.

433

00:26:38 --> 00:26:40

[groaning]

434

00:26:43 --> 00:26:45

[Artaud chuckles]

435

00:26:45 --> 00:26:47
[groans] Ugh.

436
00:26:47 --> 00:26:49
Hello, Sigismund.

437
00:26:49 --> 00:26:50
[chuckles]

438
00:26:51 --> 00:26:54
Madness that you thought
you could control us.

439
00:26:55 --> 00:26:57
All alone now, are we?

440
00:26:58 --> 00:26:59
Mmm.

441
00:27:01 --> 00:27:02
-[squishing]
-[moans]

442
00:27:04 --> 00:27:06
-[ringing]
-I got one for you.

443
00:27:07 --> 00:27:08
I think you'll like this one.

444
00:27:10 --> 00:27:14
What do you call a spymaster
when all of his spies have fled?

445
00:27:15 --> 00:27:16
Hmm?

446
00:27:17 --> 00:27:19
The answer is "dead."

447
00:27:19 --> 00:27:20
[screeching]

448
00:27:23 --> 00:27:25
-[slashing]
-[Artaud screaming]

449
00:27:27 --> 00:27:30
-[screams fade]
-[owl screeching]

450
00:27:31 --> 00:27:33
-[loud fluttering]
-[whoosh]

451
00:27:33 --> 00:27:34
-[whimpers]
-[thunder rumbling]

452
00:27:34 --> 00:27:37
-Vilgefartz outplayed us. We must move.
-[groans]

453
00:27:38 --> 00:27:40
Tissaia's using Alzur's Thunder.

454
00:27:40 --> 00:27:42
[wails]

455
00:27:42 --> 00:27:44
It will kill anyone she lays eyes on.

456
00:27:44 --> 00:27:46

How did the Squirrels beat us here?

457

00:27:46 --> 00:27:48

Ah, either they met
and defeated our reinforcements--

458

00:27:48 --> 00:27:50

-Or I hired the wrong messenger.
-Hmm.

459

00:27:50 --> 00:27:52

Can you cast a portal?

460

00:27:52 --> 00:27:55

No. Not until we get
some distance from Tor Lara.

461

00:27:55 --> 00:27:58

-Good thing you enjoy pain.
-[yelps]

462

00:27:58 --> 00:28:00

[somber music]

463

00:28:12 --> 00:28:14

[Geralt] We need to get down there.

464

00:28:15 --> 00:28:17

[horse neighs]

465

00:28:22 --> 00:28:23

[Ciri gasps]

466

00:28:26 --> 00:28:27

-It's him.
-[whinnying]

467

00:28:29 --> 00:28:32

-He's mine.

-There's no coming back from this.

468

00:28:32 --> 00:28:33

Back to what?

469

00:28:34 --> 00:28:35

To my home he burned?

470

00:28:35 --> 00:28:37

To my family he killed?

471

00:28:37 --> 00:28:39

He's haunted my nightmares ever since.

472

00:28:41 --> 00:28:43

But I'm not afraid of him anymore.

473

00:28:44 --> 00:28:46

[thunder crashing]

474

00:28:50 --> 00:28:51

[neighing]

475

00:28:52 --> 00:28:56

[Cahir] Princess,

I've dreamt of this moment.

476

00:28:59 --> 00:29:01

-[Ciri grunts]

-[Cahir] No!

477

00:29:09 --> 00:29:10

[screams]

478

00:29:11 --> 00:29:13

[Cahir] I do not wish to fight you!

479

00:29:13 --> 00:29:14

Pick it up!

480

00:29:14 --> 00:29:15

[Ciri panting]

481

00:29:16 --> 00:29:17

Pick it up!

482

00:29:18 --> 00:29:19

-[whimpers]

-Why?

483

00:29:20 --> 00:29:22

In the attack in Cintra, when I took you,

484

00:29:22 --> 00:29:24

I did everything I was asked
with no hesitation,

485

00:29:24 --> 00:29:26

but now, I can't stop asking questions.

486

00:29:27 --> 00:29:29

I've discovered I was wrong!

487

00:29:30 --> 00:29:32

I can't give you back the life I stole.

488

00:29:32 --> 00:29:33

[growls]

489

00:29:33 --> 00:29:35
[gasping]

490
00:29:41 --> 00:29:43
My life is yours.

491
00:29:44 --> 00:29:45
So take it.

492
00:29:52 --> 00:29:53
[Ciri sobs]

493
00:29:53 --> 00:29:54
You took...

494
00:29:56 --> 00:29:57
everything from me.

495
00:29:58 --> 00:29:59
[Cahir] I know.

496
00:30:01 --> 00:30:02
I know.

497
00:30:06 --> 00:30:07
Take this blade,

498
00:30:08 --> 00:30:11
and let yours be
the last face I see in this world.

499
00:30:13 --> 00:30:14
Princess Cirilla.

500
00:30:16 --> 00:30:17
The Lion Cub of Cintra.

501

00:30:18 --> 00:30:22

She who has the power to move the world.

502

00:30:24 --> 00:30:25

I owe you that.

503

00:30:28 --> 00:30:29

Do it.

504

00:30:32 --> 00:30:33

And forgive me.

505

00:30:37 --> 00:30:38

Forgive me.

506

00:30:38 --> 00:30:40

-[panting]

-[horses neighing]

507

00:30:41 --> 00:30:43

-Yah!

-[Cahir] The Scoia'tael.

508

00:30:43 --> 00:30:44

Go.

509

00:30:45 --> 00:30:47

I will find you.

510

00:30:47 --> 00:30:49

[faint, whispering voices]

511

00:30:50 --> 00:30:51

-Ciri.

-[gasps]

512
00:30:51 --> 00:30:53
[neighing]

513
00:31:01 --> 00:31:02
-[man] Stop!
-No!

514
00:31:10 --> 00:31:12
[wheezes]

515
00:31:12 --> 00:31:14
[energy pulsing]

516
00:31:20 --> 00:31:22
Let's end this.

517
00:31:23 --> 00:31:25
One last stand. We keep what's ours.

518
00:31:26 --> 00:31:28
-Come on.
-[coughing]

519
00:31:43 --> 00:31:46
-Stand back or die.
-[Yennefer] No!

520
00:31:47 --> 00:31:48
[shrieks]

521
00:31:51 --> 00:31:53
[Yennefer] You will not take what is ours.

522
00:31:53 --> 00:31:56
[Francesca] You're outnumbered.

You have no choice.

523

00:31:56 --> 00:32:00

-Go to hell, you fucking mongrels!

-[all gasp]

524

00:32:01 --> 00:32:02

I'll show you the way!

525

00:32:03 --> 00:32:05

[Fringilla] He's tapping into fire magic.

526

00:32:07 --> 00:32:08

Go.

527

00:32:08 --> 00:32:11

I'll buy you some time.

528

00:32:11 --> 00:32:13

I've been waiting for this moment.

529

00:32:14 --> 00:32:15

[Yennefer] Go!

530

00:32:15 --> 00:32:17

Triss, find Geralt.

531

00:32:20 --> 00:32:22

Falka will be waiting for you.

532

00:32:36 --> 00:32:38

Help me move this.

533

00:32:39 --> 00:32:41

[ringing]

534
00:32:46 --> 00:32:47
Ciri.

535
00:32:48 --> 00:32:49
Go.

536
00:32:49 --> 00:32:52
[Ciri] I'm not leaving you.
I can help you.

537
00:32:52 --> 00:32:54
Never lost, always found. Go.

538
00:33:37 --> 00:33:39
[thunder crashing]

539
00:33:53 --> 00:33:55
[wind gusting]

540
00:34:01 --> 00:34:04
[blade rings]

541
00:34:05 --> 00:34:08
[Vilgefortz] So,
we have an epilogue, then.

542
00:34:12 --> 00:34:17
The dénouement
that draws the play to a close.

543
00:34:19 --> 00:34:20
Or is it fate?

544
00:34:20 --> 00:34:22
[staff rings]

545

00:34:30 --> 00:34:32
You know where she's going.

546

00:34:35 --> 00:34:36
Tor Lara.

547

00:34:37 --> 00:34:38
And there is no way out.

548

00:34:40 --> 00:34:41
It's all over.

549

00:34:41 --> 00:34:42
No way out?

550

00:34:43 --> 00:34:44
I'm glad to hear it.

551

00:34:45 --> 00:34:47
That means there's only one way in.

552

00:34:48 --> 00:34:50
And you'll never reach it.

553

00:34:51 --> 00:34:53
You're a wise man, Geralt.

554

00:34:54 --> 00:34:55
A lot like me.

555

00:34:57 --> 00:34:59
A warrior. Touched by magic.

556

00:35:00 --> 00:35:01
Alone in a world he never made.

557

00:35:03 --> 00:35:06
Enough with your parallels.
You lack originality.

558

00:35:07 --> 00:35:09
Even more so
with Emhyr pulling your strings.

559

00:35:09 --> 00:35:10
I have no strings.

560

00:35:11 --> 00:35:14
Nilfgaard will get what it wants,
as will I.

561

00:35:14 --> 00:35:16
You may consider me your opponent,

562

00:35:16 --> 00:35:19
but it is you who is the enemy
of good today, Geralt.

563

00:35:19 --> 00:35:21
I grow tired of asking.

564

00:35:21 --> 00:35:23
And I grow tired of answering.

565

00:35:24 --> 00:35:26
I will not be your partner.

566

00:35:27 --> 00:35:28
I will not join your fight.

567

00:35:30 --> 00:35:32

Arrogance will be your undoing.

568

00:35:34 --> 00:35:37
And steel will be yours.

569

00:35:47 --> 00:35:48
You like my staff?

570

00:35:59 --> 00:36:00
Know what the hardest part was?

571

00:36:01 --> 00:36:02
Holding back!

572

00:36:03 --> 00:36:05
Hiding my real skills,

573

00:36:06 --> 00:36:09
knowing I could take any life at any time.

574

00:36:10 --> 00:36:12
It was... exasperating.

575

00:36:25 --> 00:36:27
Today, I hold back no more.

576

00:36:40 --> 00:36:42
[groans]

577

00:36:46 --> 00:36:47
[thunder rumbling]

578

00:37:01 --> 00:37:03
-[whispering voices]
-[blade rings]

579

00:37:10 --> 00:37:11
[echoing thunder]

580

00:37:16 --> 00:37:18
[gasping]

581

00:37:19 --> 00:37:22
-[Stregobor] Die, abominations!
-[Tissaia] No!

582

00:37:23 --> 00:37:25
-No! No...
-Fall back!

583

00:37:26 --> 00:37:28
-It's over.
-[groans]

584

00:37:38 --> 00:37:39
[staff rings]

585

00:37:40 --> 00:37:42
[groans]

586

00:37:55 --> 00:37:56
[sighs]

587

00:38:14 --> 00:38:17
-[Geralt yells]
-[Vilgefortz roars] Hah!

588

00:38:17 --> 00:38:18
[growls]

589

00:38:18 --> 00:38:20
[Vilgefortz] I could smash your brain out

through your ears.

590

00:38:26 --> 00:38:28
Make a friend of this pain,
Geralt of Rivia.

591

00:38:30 --> 00:38:30
Today...

592

00:38:34 --> 00:38:36
you begin your new life,

593

00:38:36 --> 00:38:38
as my warning to the Continent!

594

00:38:45 --> 00:38:47
This was supposed to be a lesson.

595

00:38:49 --> 00:38:50
-[crunch]
-[screams]

596

00:38:52 --> 00:38:54
[wheezes]

597

00:38:55 --> 00:38:58
But you were mistaken, witcher.

598

00:38:58 --> 00:39:01
You mistook the stars
reflected on a pond at night...

599

00:39:03 --> 00:39:04
for the sky.

600

00:39:05 --> 00:39:07

I shall see you later.

601
00:39:08 --> 00:39:09
One day.

602
00:39:09 --> 00:39:11
Perhaps.

603
00:39:12 --> 00:39:13
[groans]

604
00:39:14 --> 00:39:17
[shuddering]

605
00:39:20 --> 00:39:22
[poignant music]

606
00:39:43 --> 00:39:45
[Ciri gasping]

607
00:39:50 --> 00:39:52
[energy crackling]

608
00:40:03 --> 00:40:06
-[Vilgefortz] I didn't come to hurt you.
-[yelps]

609
00:40:06 --> 00:40:08
-[blade clattering]
-[gasps]

610
00:40:09 --> 00:40:12
[Vilgefortz, echoing] All I want is
to share my knowledge with you.

611
00:40:12 --> 00:40:16

It was smart for you
to join the witcher and Yennefer.

612

00:40:17 --> 00:40:20

But we both know
they couldn't properly train you.

613

00:40:20 --> 00:40:23

Only I can show you the way.

614

00:40:23 --> 00:40:26

Only I know what your powers can do.

615

00:40:28 --> 00:40:30

Please, Cirilla. Let me help you.

616

00:40:32 --> 00:40:34

Be my pupil.

617

00:40:36 --> 00:40:38

[wind whistling]

618

00:40:38 --> 00:40:40

[mournful music]

619

00:40:42 --> 00:40:43

[scraping]

620

00:40:48 --> 00:40:49

[bursts of energy]

621

00:40:55 --> 00:40:57

[hissing]

622

00:40:59 --> 00:41:01

What are you trying to tell me?

623
00:41:03 --> 00:41:05
[chittering]

624
00:41:08 --> 00:41:09
Please.

625
00:41:11 --> 00:41:12
[growling]

626
00:41:13 --> 00:41:15
[echoing] I can hear you... can hear you...

627
00:41:18 --> 00:41:19
[buzzing]

628
00:41:23 --> 00:41:24
-[female voice] Yes.
-[Ciri] Yes.

629
00:41:25 --> 00:41:26
[Ciri's echo] I understand...

630
00:41:26 --> 00:41:29
-I understand.
-[female voice and Ciri] I understand...

631
00:41:29 --> 00:41:31
[Vilgefortz] What are you doing?

632
00:41:32 --> 00:41:34
You don't know
what you're playing with, Cirilla...

633
00:41:34 --> 00:41:35
...what you're playing with, Cirilla...

634

00:41:36 --> 00:41:38

-You are not ready!

-...ready...

635

00:41:38 --> 00:41:39

[loud hissing]

636

00:41:42 --> 00:41:45

-You are not ready for this kind of power!

-You are not ready for this kind of power!

637

00:41:46 --> 00:41:48

[rumbling and hissing]

638

00:41:49 --> 00:41:50

-But together...

-...together...

639

00:41:52 --> 00:41:54

we can change this Continent!

640

00:41:55 --> 00:41:56

-[screams]

-[bursts of energy]

641

00:42:15 --> 00:42:17

[poignant music]

642

00:42:17 --> 00:42:19

[muffled explosions]

643

00:42:33 --> 00:42:34

Can you hear me?

644

00:42:35 --> 00:42:37

-I'll take you to safety.
-[groans]

645
00:42:38 --> 00:42:41
[Francesca] Where is the girl?
Have the scouts returned?

646
00:42:42 --> 00:42:44
-Did Cahir capture her?
-They haven't returned.

647
00:42:45 --> 00:42:47
[gasping]

648
00:42:54 --> 00:42:56
[emotional music]
