1
00:00:13 --> 00:00:15
[birds calling]

2
00:00:16 --> 00:00:18
[poignant music]

3
00:00:33 --> 00:00:35
[echoing bird calls]

4
00:00:41 --> 00:00:43
[bird calls continuing]

5
00:00:47 --> 00:00:48
[squawk]

6
00:00:52 --> 00:00:54
[Geralt wheezing]

7
00:00:56 --> 00:00:56
You're awake.

8
00:01:01 --> 00:01:02
And pleasant as ever.

9
00:01:03 --> 00:01:04
No, witcher.

10
00:01:04 --> 00:01:07
No news of Nilfgaard or the girl.

11
00:01:07 --> 00:01:08
And no, I didn't ask.

12
00:01:09 --> 00:01:11
Ask the wrong question,

they'll string you up.

13

00:01:11 --> 00:01:15
And then how would we have
these... lovely daily chats?

14

00:01:16 --> 00:01:17
[Geralt groans]

15

00:01:22 --> 00:01:22
Grouse.

16

00:01:23 --> 00:01:24
Caught especially for you.

17

00:01:26 --> 00:01:27
I don't want it.

18

00:01:29 --> 00:01:30
Of course you don't.

19

00:01:31 --> 00:01:32
Ungrateful twat.

20

00:01:35 --> 00:01:37
[Eithné] Still won't eat?

21

00:01:37 --> 00:01:39
You're sure this one deserves your help?

22

00:01:39 --> 00:01:41
Let us decide that.

23

00:01:41 --> 00:01:43
Same as we decided for you,

24

00:01:43 --> 00:01:46
and the Scoia'tael
you've asked us to take in.

25

00:01:48 --> 00:01:50
I will never command you, Milva.

26

00:01:51 --> 00:01:53
Nor return you
to the horrors of your past.

27

00:01:54 --> 00:01:56
But you do owe a debt.

28

00:01:57 --> 00:01:59
Keep him alive.

29

00:01:59 --> 00:02:01
Why is he so special?

30

00:02:02 --> 00:02:06
You are not the only one
who protects lost souls.

31

00:02:08 --> 00:02:11
Many that do are broken themselves.

32

00:02:13 --> 00:02:16
[Jaskier] I just heard a Nilfgaardian
royal carriage has been seen traveling.

33

00:02:16 --> 00:02:20
[Geralt grunts]
How long until Emhyr has her?

34

00:02:20 --> 00:02:22

Your guess is as good as mine.

35

00:02:22 --> 00:02:24

[Geralt wheezing]

36

00:02:24 --> 00:02:27

-What are we gonna do, Geralt?

-Help me up.

37

00:02:27 --> 00:02:29

-[grunts]

-All right, take it easy.

38

00:02:29 --> 00:02:31

-Stop!

-[Milva] Let him be, bard.

39

00:02:31 --> 00:02:33

-Easy--

-He broke his back. And look at his leg.

40

00:02:34 --> 00:02:37

[sighs] Like I've been saying,
you can't leave unless you get better.

41

00:02:37 --> 00:02:40

And you won't get better
unless you let us help you.

42

00:02:40 --> 00:02:43

You need more healing waters
and plenty of rest.

43

00:02:44 --> 00:02:45

Grouse?

44

00:02:47 --> 00:02:49

Give me the damn grouse.

45

00:02:49 --> 00:02:51

Oh, now you want it.

46

00:02:51 --> 00:02:53

[wheezes]

47

00:02:54 --> 00:02:56

There's a very weird energy
between you two.

48

00:02:57 --> 00:02:59

[Geralt groans]

49

00:03:00 --> 00:03:03

[Jaskier] I don't wanna tell them
how to do their jobs,

50

00:03:03 --> 00:03:05

but are we sure that these healers are...

51

00:03:05 --> 00:03:07

[healer murmuring in Elder]

52

00:03:08 --> 00:03:09

...qualified?

53

00:03:11 --> 00:03:13

[healer speaking in Elder]

54

00:03:16 --> 00:03:17

-[sizzling]

-[yells]

55

00:03:17 --> 00:03:19

Hey. Are you all right?

56

00:03:19 --> 00:03:20
[dryads speaking in Elder]

57

00:03:21 --> 00:03:22
[Geralt moans]

58

00:03:23 --> 00:03:25
[poignant music]

59

00:03:35 --> 00:03:37
[grunts]

60

00:03:42 --> 00:03:43
[Geralt sighing]

61

00:03:46 --> 00:03:48
The waters weren't successful.

62

00:03:48 --> 00:03:50
They're meant for natural beings,
not mutants.

63

00:03:51 --> 00:03:53
[grunts] Pack up. We leave in the morning.

64

00:03:53 --> 00:03:55
Good, yeah. Uh, might I suggest we wait

65

00:03:55 --> 00:03:59
until your leg pus
stops visibly oozing first?

66

00:03:59 --> 00:04:03
You're in no shape to walk across

the forest, much less the Continent!

67

00:04:03 --> 00:04:05

-Can you even hold the damn sword?

-[Geralt groans]

68

00:04:06 --> 00:04:07

Are you gonna stop him?

69

00:04:07 --> 00:04:11

I've been telling him for months he needs to think about himself, not just Ciri.

70

00:04:11 --> 00:04:14

-Oh, so you're not completely useless?

-But I was wrong.

71

00:04:15 --> 00:04:18

Protecting her,
protecting his family, it's who he is.

72

00:04:18 --> 00:04:20

I'd have to kill him to stop him.

73

00:04:20 --> 00:04:22

And even in this sorry-arse state,

74

00:04:22 --> 00:04:25

I'm pretty sure he could snap me like a toothpick, so no.

75

00:04:26 --> 00:04:28

-I'm not gonna stop him.

-[sighs]

76

00:04:28 --> 00:04:30

If he needs my help,

77

00:04:30 --> 00:04:31
he has it.

78

00:04:33 --> 00:04:34
So you're both fucking lunatics!

79

00:04:37 --> 00:04:40
You really think
you're ready to go find your girl?

80

00:04:41 --> 00:04:43
-[yells]
-'Cause you'd be dead now.

81

00:04:43 --> 00:04:45
[breathing unsteadily]

82

00:04:53 --> 00:04:55
[cracking]

83

00:05:00 --> 00:05:01
[rumbling]

84

00:05:09 --> 00:05:11
[ethereal music]

85

00:05:20 --> 00:05:22
[man] Let it off!

86

00:05:23 --> 00:05:24
[man yells] Go ahead!

87

00:05:27 --> 00:05:28
[Yennefer] Crach an Craite!

88

00:05:28 --> 00:05:30

-[woman 1 whoops]

-[laughter]

89

00:05:30 --> 00:05:32

[woman 2] Oi, oi, treacle!

90

00:05:32 --> 00:05:34

[woman 1] So it's definitely you, then!

91

00:05:35 --> 00:05:38

[Yennefer] There's no sign of Ciri
in the Eastern Skelligens.

92

00:05:39 --> 00:05:41

-Any news from the rest of your fleet?

-[woman 3] Oh, good!

93

00:05:42 --> 00:05:44

-[man] I'm not--

-She's not dead, I can feel it.

94

00:05:44 --> 00:05:47

[Crach an Craite] Aye,
but the alternative's not much better.

95

00:05:47 --> 00:05:51

There's a rumor bubbling up in the South
that Ciri's heading to Nilfgaard.

96

00:05:51 --> 00:05:52

[woman 1] Come on!

97

00:05:53 --> 00:05:55

Well, she'd never go willingly.

98

00:05:58 --> 00:05:59
Vilgefartz.

99
00:06:00 --> 00:06:01
An Aretuzan mage gone rogue.

100
00:06:02 --> 00:06:03
He's taking her to Emhyr.

101
00:06:04 --> 00:06:07
Listen, the tribunal wants
to patter on about peace talks.

102
00:06:07 --> 00:06:09
If Ciri's siding with Nilfgaard,

103
00:06:10 --> 00:06:11
we're obliged to join.

104
00:06:12 --> 00:06:14
-You'd fight for Nilfgaard?
-Fuck, no!

105
00:06:15 --> 00:06:17
[sighs] At least, not willingly.

106
00:06:18 --> 00:06:22
But Ciri's also Princess of Brugge
and a shit ton more vassals.

107
00:06:23 --> 00:06:26
Those butterball lords,
they won't put up a fight.

108
00:06:26 --> 00:06:27
If Ciri joins Nilfgaard,

109

00:06:28 --> 00:06:29
the whole Continent shifts.

110

00:06:30 --> 00:06:31
I'll get to her before then.

111

00:06:33 --> 00:06:36
Well, then, maybe
this horseshit surrender talk stops.

112

00:06:38 --> 00:06:40
You know where this Vilgefortz
has got her stowed?

113

00:06:44 --> 00:06:46
[sighing sounds]

114

00:06:51 --> 00:06:53
[echoing bird calls]

115

00:06:58 --> 00:06:59
[Yennefer, echoing] Ciri?

116

00:07:00 --> 00:07:01
Ciri, are you here?

117

00:07:03 --> 00:07:04
[Triss] Oh, gods!

118

00:07:04 --> 00:07:05
[Yennefer gasps]

119

00:07:06 --> 00:07:07
[Rita] What happened here?

120

00:07:11 --> 00:07:12
These are our girls.

121
00:07:13 --> 00:07:14
[Sabrina gasps]

122
00:07:15 --> 00:07:17
It's worse than Geralt described.

123
00:07:17 --> 00:07:20
[Philippa] If you're looking
for Vilgefartz, he's gone.

124
00:07:20 --> 00:07:24
-[Yennefer] We're looking for Ciri.
-Then I'll save you the time.

125
00:07:24 --> 00:07:26
I've searched the castle. It's empty.

126
00:07:26 --> 00:07:28
What kind of magic can do this?

127
00:07:28 --> 00:07:31
-None we've ever practiced.
-None like any we've ever seen.

128
00:07:31 --> 00:07:34
[Sabrina] How did we not see it?
Who Vilgefartz really was.

129
00:07:34 --> 00:07:35
Some of us did.

130
00:07:36 --> 00:07:38
It'll take all of us
to reverse this spell.

131
00:07:40 --> 00:07:41
Together.

132
00:07:44 --> 00:07:45
They deserve that.

133
00:07:53 --> 00:07:57
[all speaking in Elder]

134
00:07:59 --> 00:08:01
[sighing and rumbling sounds]

135
00:08:01 --> 00:08:03
[repeating spell]

136
00:08:04 --> 00:08:06
[hissing sounds]

137
00:08:08 --> 00:08:10
[repeating spell]

138
00:08:13 --> 00:08:15
[groaning sounds]

139
00:08:16 --> 00:08:17
[deep, resonating vibration]

140
00:08:20 --> 00:08:22
[repeating spell]

141
00:08:24 --> 00:08:26
[loud rumbling]

142
00:08:26 --> 00:08:28

[fading sigh]

143
00:08:30 --> 00:08:31
[Triss] Nissa.

144
00:08:32 --> 00:08:34
Eva. Elisabet.

145
00:08:34 --> 00:08:36
[Sabrina] May they have peace.

146
00:08:42 --> 00:08:44
[Keira] I want to get
as far away from here as possible.

147
00:08:44 --> 00:08:45
[Triss] This isn't right.

148
00:08:45 --> 00:08:48
[Philippa] Stay, if you like.
I have to get back to Tretogor.

149
00:08:48 --> 00:08:49
[Triss] Stop!

150
00:08:49 --> 00:08:51
We can't just leave them there!

151
00:08:51 --> 00:08:53
They deserve a proper burial.

152
00:08:54 --> 00:08:55
To honor them.

153
00:08:57 --> 00:08:58
To remember them.

154

00:08:58 --> 00:09:00

Now you're going to remember them.

155

00:09:00 --> 00:09:02

Berate us all you want.

156

00:09:03 --> 00:09:05

But these girls were killed here,
in Redania.

157

00:09:06 --> 00:09:07

Vilgefartz did it under your nose.

158

00:09:07 --> 00:09:09

Yes, and he wouldn't have
brought them here

159

00:09:09 --> 00:09:12

if she had looked after them properly
at Aretuza.

160

00:09:13 --> 00:09:18

You always propped up the Brotherhood,
its importance in protecting Chaos.

161

00:09:18 --> 00:09:21

But with Vilgefartz,
you simply propped up the man.

162

00:09:21 --> 00:09:25

Save your sanctimony.
I know I failed. But so did you.

163

00:09:26 --> 00:09:27

Go, run back to Tretogor.

164

00:09:28 --> 00:09:31

Do not forget you were willing to bring
the Brotherhood down with your purge.

165

00:09:31 --> 00:09:33

And why? Not for Chaos. No.

166

00:09:33 --> 00:09:37

You destroyed whomever so Vizimir would
see you lurking in Dijkstra's shadow.

167

00:09:37 --> 00:09:38

You th--

168

00:09:41 --> 00:09:43

We are partners.

169

00:09:44 --> 00:09:47

-I can trust Dijkstra.
-Yeah, like I trusted Vilgefartz.

170

00:09:48 --> 00:09:50

But that is the problem with trust.

171

00:09:51 --> 00:09:53

You have it until you don't.

172

00:09:53 --> 00:09:54

[Yennefer] Please stop.

173

00:09:55 --> 00:09:59

Every minute that passes,
Vilgefartz draws closer to Nilfgaard.

174

00:10:00 --> 00:10:03

I don't know

what he or Emhyr want with Ciri,

175

00:10:05 --> 00:10:07
but look at what he did to those girls.

176

00:10:09 --> 00:10:11
We return them to Aretuza.

177

00:10:11 --> 00:10:13
We give them peace.

178

00:10:15 --> 00:10:18
Then... we fight.

179

00:10:19 --> 00:10:21
To make sure this never happens again.

180

00:10:25 --> 00:10:27
[neighing]

181

00:10:41 --> 00:10:43
[man] Close the gates!

182

00:10:44 --> 00:10:46
[portentous music]

183

00:10:47 --> 00:10:49
[soldiers chanting]

184

00:11:03 --> 00:11:04
[soldier] Move it!

185

00:11:04 --> 00:11:06
Are you sure about this?

186

00:11:06 --> 00:11:08
-[soldier] Forward!
-[horses neigh]

187
00:11:12 --> 00:11:14
Nilfgaard made their play.

188
00:11:15 --> 00:11:16
Now let's make ours.

189
00:11:17 --> 00:11:19
[soldiers marching]

190
00:11:23 --> 00:11:26
[Emhyr] Press harder. We must take
Dillingen to secure the western front.

191
00:11:27 --> 00:11:28
Fringilla.

192
00:11:30 --> 00:11:33
It appears you have returned
from the grave just in time. Leave us.

193
00:11:34 --> 00:11:36
[courtier] Good day, my lord.

194
00:11:36 --> 00:11:38
My fighters tell me that

195
00:11:39 --> 00:11:42
your arrival in Aretuza

196
00:11:42 --> 00:11:46
helped secure
what some may call a victory.

197

00:11:47 --> 00:11:48

[Fringilla] It did.

198

00:11:49 --> 00:11:53

We succeeded at Thanedd
because of the elves, their sacrifices.

199

00:11:53 --> 00:11:56

It's thanks to them
the Brotherhood is in shambles.

200

00:11:57 --> 00:12:00

The North, however, is still a worthy foe.

201

00:12:01 --> 00:12:04

[Francesca] We need to secure Xin'trea's
ports and gain control of the Yaruga.

202

00:12:04 --> 00:12:08

[Fringilla] Temeria's most critical
supply chain. You lose that...

203

00:12:09 --> 00:12:10

you lose the war.

204

00:12:11 --> 00:12:14

You need someone. Someone
who knows Xin'trea from the inside.

205

00:12:14 --> 00:12:17

Someone who has
Nilfgaard's interests at heart.

206

00:12:17 --> 00:12:21

[Emhyr] So you're proposing that I forgive
your past sins and return you to Cintra?

207

00:12:23 --> 00:12:25
Us, my lord.

208

00:12:26 --> 00:12:27
Side by side.

209

00:12:28 --> 00:12:31
Cirilla is on her way home.
That's what we all wanted.

210

00:12:32 --> 00:12:35
And she will reign
by your side as intended.

211

00:12:35 --> 00:12:36
And she...

212

00:12:38 --> 00:12:40
She needs you here. In Nilfgaard.

213

00:12:41 --> 00:12:45
So allow me to serve you
as Imperial Governor of Xin'trea,

214

00:12:45 --> 00:12:49
and Francesca... can give her people
the home they deserve.

215

00:12:49 --> 00:12:52
I must say, Fringilla,
death, it becomes you.

216

00:12:53 --> 00:12:54
[sighs]

217

00:12:55 --> 00:12:58

And I have faith
that being Imperial Governor will too.

218

00:12:59 --> 00:13:02
Especially with the...
Queen of the Elves by your side.

219

00:13:07 --> 00:13:09
I guarantee you won't regret it, my lord.

220

00:13:10 --> 00:13:14
And thank you for recognizing
that we delivered what was promised.

221

00:13:16 --> 00:13:18
The Scoia'tael deserve peace.

222

00:13:18 --> 00:13:20
-The Scoia'tael?
-[Francesca] Mmm.

223

00:13:20 --> 00:13:21
No.

224

00:13:24 --> 00:13:29
You may lead the elves in Cintra, the old,
the sick, the ones who-- who cannot fight,

225

00:13:29 --> 00:13:31
but the Scoia'tael, they stay with us.

226

00:13:31 --> 00:13:34
They know the land so well.
They are an effective force in the North.

227

00:13:34 --> 00:13:36
You mean a dispensable one.

228

00:13:38 --> 00:13:39
They won't do it.

229

00:13:40 --> 00:13:41
Not as long as they serve me.

230

00:13:41 --> 00:13:43
Then disavow them.

231

00:13:46 --> 00:13:49
Either they die

232

00:13:49 --> 00:13:50
fighting for us,

233

00:13:51 --> 00:13:53
so the rest of your... people may live,

234

00:13:53 --> 00:13:56
or all of your people die

235

00:13:56 --> 00:13:58
fighting to survive.

236

00:13:59 --> 00:14:01
The elves have sacrificed so much.

237

00:14:02 --> 00:14:03
Don't let it be for nothing.

238

00:14:04 --> 00:14:05
[chuckles softly]

239

00:14:15 --> 00:14:17

[dramatic music]

240
00:14:28 --> 00:14:30
[door opens]

241
00:14:30 --> 00:14:30
[Dijkstra] Leave.

242
00:14:32 --> 00:14:33
Go.

243
00:14:34 --> 00:14:38
I thought you might be dead, Dijkstra.
I swore I sent for you yesterday.

244
00:14:38 --> 00:14:40
I came as fast as I could.

245
00:14:40 --> 00:14:42
Corpses have come faster,
that was the joke.

246
00:14:43 --> 00:14:46
Moving on.
What do you hear from the front?

247
00:14:46 --> 00:14:51
Nilfgaard has taken towns
in Aedirn, Lyria, and Cidaris.

248
00:14:51 --> 00:14:52
And Radovid, any word?

249
00:14:54 --> 00:14:56
We've got everyone we can spare
searching for him.

250

00:14:58 --> 00:15:00

This is not where you promised we'd be.

251

00:15:04 --> 00:15:06

-There were eventualities.
-Yeah.

252

00:15:10 --> 00:15:13

You were to purge the Brotherhood
and come back heroes.

253

00:15:13 --> 00:15:16

Instead, Aretuza is a pile of rocks,

254

00:15:16 --> 00:15:18

the Brotherhood has no brothers left,

255

00:15:18 --> 00:15:21

and my brother's dead
in a fucking ditch somewhere.

256

00:15:21 --> 00:15:23

I see you opening your mouth.

257

00:15:24 --> 00:15:26

Don't. Don't try and handle me.

258

00:15:29 --> 00:15:30

Not you, Sigismund.

259

00:15:32 --> 00:15:33

Hmm.

260

00:15:35 --> 00:15:37

Luck plays a role in everything we do.

261

00:15:38 --> 00:15:43

And while I mitigate that role as much
as I can, we were unlucky at Thanedd.

262

00:15:44 --> 00:15:45

A few minutes too late.

263

00:15:46 --> 00:15:48

A message
for naval reinforcements not received.

264

00:15:48 --> 00:15:50

A fucking witcher.

265

00:15:51 --> 00:15:54

But our intelligence was right
and our plan was correct.

266

00:15:54 --> 00:15:57

None of which stops
my people from doubting me.

267

00:15:57 --> 00:15:58

[Dijkstra sighs]

268

00:16:00 --> 00:16:04

You and I have been through
difficult times, but nothing like this.

269

00:16:04 --> 00:16:05

Examples must be made.

270

00:16:06 --> 00:16:07

[armor clanks]

271

00:16:09 --> 00:16:10

I'm truly sorry.

272

00:16:15 --> 00:16:17

Because I know how much you like Philippa.

273

00:16:19 --> 00:16:20

But someone's got to pay.

274

00:16:23 --> 00:16:25

[Vizimir sighs]

275

00:16:27 --> 00:16:28

Do not disappoint me again.

276

00:16:29 --> 00:16:31

[tense music]

277

00:16:36 --> 00:16:37

[Dijkstra grumbles]

278

00:16:45 --> 00:16:47

[dramatic music]

279

00:16:57 --> 00:16:59

[grunting]

280

00:17:01 --> 00:17:02

[exhales]

281

00:17:07 --> 00:17:08

[groaning]

282

00:17:24 --> 00:17:26

Aaah!

283

00:17:26 --> 00:17:27
[yelps]

284
00:17:27 --> 00:17:29
You'd be dead now.

285
00:17:30 --> 00:17:31
Go back to bed, witcher.

286
00:17:32 --> 00:17:33
[grunts]

287
00:17:41 --> 00:17:42
[Jaskier] He is going.

288
00:17:43 --> 00:17:45
With or without me.

289
00:17:45 --> 00:17:47
Is he at full strength yet?
Of course he's not.

290
00:17:47 --> 00:17:50
Look at that leg,
it's like a sock full of marbles,

291
00:17:50 --> 00:17:52
which is why he needs somebody

292
00:17:53 --> 00:17:55
to look after him until he's better.

293
00:17:57 --> 00:17:58
You're not his friend.

294
00:17:59 --> 00:18:02

You're tagging along to get
one more song out of him when he dies.

295

00:18:04 --> 00:18:05

How dare you?

296

00:18:08 --> 00:18:11

I would milk his death
for, like, three songs.

297

00:18:11 --> 00:18:13

And maybe an epic poem, so...

298

00:18:17 --> 00:18:18

Uh...

299

00:18:18 --> 00:18:19

[scoffs]

300

00:18:19 --> 00:18:20

[grunts]

301

00:18:21 --> 00:18:22

You're useless.

302

00:18:22 --> 00:18:24

And he's truly useless.

303

00:18:24 --> 00:18:27

Neither of you is any good
to that girl dead.

304

00:18:28 --> 00:18:31

Every day that I spend here
is another that Ciri's in danger.

305

00:18:32 --> 00:18:34
Just because you're hiding from the world

306
00:18:35 --> 00:18:37
doesn't mean that I have to.

307
00:18:39 --> 00:18:40
[Geralt sighs]

308
00:18:41 --> 00:18:42
[grunts]

309
00:18:44 --> 00:18:45
Fine.

310
00:18:46 --> 00:18:47
Go.

311
00:18:49 --> 00:18:50
-[crunching]
-[yells]

312
00:18:50 --> 00:18:51
[Jaskier] Wait!

313
00:18:53 --> 00:18:54
[Geralt groans]

314
00:18:56 --> 00:18:57
[sighs]

315
00:18:57 --> 00:18:58
[birdsong]

316
00:19:03 --> 00:19:04
I don't wanna hear it.

317
00:19:14 --> 00:19:15
[sighs]

318
00:19:18 --> 00:19:19
You've got it wrong.

319
00:19:20 --> 00:19:22
I'm not scared to leave.

320
00:19:23 --> 00:19:24
I'm scared of what I'd do to them..

321
00:19:28 --> 00:19:30
the people who hurt me,

322
00:19:30 --> 00:19:31
if-- if I did.

323
00:19:32 --> 00:19:34
I know that fear.

324
00:19:35 --> 00:19:37
Their waters are supposed
to make you forget.

325
00:19:38 --> 00:19:40
Guess they didn't work on me either.

326
00:19:50 --> 00:19:52
Does it remind you of someone you lost?

327
00:19:53 --> 00:19:54
It looks important.

328

00:19:56 --> 00:19:58
[Geralt sighs]

329
00:20:03 --> 00:20:06
It reminds me of someone I killed.

330
00:20:06 --> 00:20:07
[blade slashes]

331
00:20:07 --> 00:20:08
[gasps]

332
00:20:14 --> 00:20:16
I've always tried to stay above the fray.

333
00:20:16 --> 00:20:18
-Monster!
-Butcher!

334
00:20:18 --> 00:20:19
To shut everything out.

335
00:20:23 --> 00:20:26
And life always finds
a way to force my hand.

336
00:20:26 --> 00:20:27
[crowd yelling]

337
00:20:27 --> 00:20:29
Witcher! You take the wrong ones!

338
00:20:30 --> 00:20:31
[Milva] Or forcing you to make a choice.

339
00:20:32 --> 00:20:33

I know.

340

00:20:37 --> 00:20:38
Whatever they did to you...

341

00:20:40 --> 00:20:41
I hope they pay.

342

00:20:47 --> 00:20:49
Like the world works that way.

343

00:21:04 --> 00:21:05
[Yennefer] Tissaia.

344

00:21:13 --> 00:21:14
Tissaia, look at me.

345

00:21:14 --> 00:21:17
I just got word.
Redania and Kaedwen lost another battle.

346

00:21:17 --> 00:21:19
Since when have you cared
about movement of troops?

347

00:21:19 --> 00:21:22
Since I became responsible
for the death of each and every soldier.

348

00:21:23 --> 00:21:25
This war was inevitable.

349

00:21:26 --> 00:21:27
Was it?

350

00:21:27 --> 00:21:31

You could've handed Ciri's head over
to the kings on a platter to win support.

351

00:21:32 --> 00:21:33

But you didn't.

352

00:21:33 --> 00:21:34

No.

353

00:21:35 --> 00:21:37

No, I could never have done that.

354

00:21:38 --> 00:21:40

Your pain is my pain.

355

00:21:42 --> 00:21:44

My pain is your pain.

356

00:21:54 --> 00:21:56

They make us sacrifice so much.

357

00:21:58 --> 00:21:59

The cost of learning magic.

358

00:22:02 --> 00:22:05

When I came to Aretuza, if a sorceress
fell pregnant, she was kicked out.

359

00:22:06 --> 00:22:08

"Divided loyalties,"

360

00:22:09 --> 00:22:10

said the men.

361

00:22:12 --> 00:22:14

So I made them take us seriously.

362

00:22:16 --> 00:22:18
The enchantment was never
about clearer access to Chaos.

363

00:22:18 --> 00:22:20
It was about getting a seat at the table.

364

00:22:20 --> 00:22:22
And the Brotherhood, they called me bold.

365

00:22:26 --> 00:22:27
I was just desperate.

366

00:22:29 --> 00:22:30
The first of many mistakes.

367

00:22:30 --> 00:22:33
-Stop it.
-Look around, it's all gone.

368

00:22:33 --> 00:22:35
Forget this, go to Brokilon.

369

00:22:35 --> 00:22:38
-Salvage what you can with the witcher.
-Geralt's getting help.

370

00:22:39 --> 00:22:40
My focus is here, on Ciri.

371

00:22:41 --> 00:22:43
If I go to him without her, I've failed.

372

00:22:43 --> 00:22:45
There are worse failures.

373

00:22:45 --> 00:22:47

Spare me the self-loathing bullshit.

374

00:22:49 --> 00:22:51

This feeling sorry for yourself,

375

00:22:51 --> 00:22:54

and letting Vilgefartz
make you question who you are.

376

00:22:55 --> 00:22:56

This isn't you!

377

00:22:58 --> 00:22:59

I know you.

378

00:23:01 --> 00:23:02

At your core.

379

00:23:03 --> 00:23:06

Everything I've done,
everything that's been done to me,

380

00:23:06 --> 00:23:08

I've survived because of your faith.

381

00:23:09 --> 00:23:12

You are the strongest force
I've ever known.

382

00:23:12 --> 00:23:13

[sobs]

383

00:23:14 --> 00:23:16

Remember your strength.

384

00:23:17 --> 00:23:20
You are Tissaia de Vries,
you are our mother, and we need you.

385

00:23:21 --> 00:23:22
I need you.

386

00:23:23 --> 00:23:25
[emotional music]

387

00:23:30 --> 00:23:32
[knocking at door]

388

00:23:32 --> 00:23:33
[door opens]

389

00:23:34 --> 00:23:35
The service for the novices.

390

00:23:36 --> 00:23:37
It's time.

391

00:23:40 --> 00:23:43
Go. I'll collect myself and come along.

392

00:23:45 --> 00:23:46
Thank you.

393

00:24:02 --> 00:24:03
[inhales]

394

00:24:16 --> 00:24:19
[Tissaia] One of the first things
we learn about Chaos...

395
00:24:25 --> 00:24:27
is that it always has consequences.

396
00:24:32 --> 00:24:34
There is a cost to this magic.

397
00:24:35 --> 00:24:37
And eventually, we all must pay.

398
00:24:40 --> 00:24:42
It is not a gift.

399
00:24:44 --> 00:24:45
It is a trade.

400
00:24:47 --> 00:24:49
And often,
that trade leads us to dark places.

401
00:24:51 --> 00:24:53
But there are always bright spots.

402
00:24:55 --> 00:24:58
Teaching you has been
the biggest bright spot of my life.

403
00:25:01 --> 00:25:04
And I would love to see you
through the next leg of your journey.

404
00:25:05 --> 00:25:08
I know you will do great things,
my daughter.

405
00:25:11 --> 00:25:13
But I'm afraid I cannot.

406
00:25:17 --> 00:25:19
There is a cost I must pay.

407
00:25:20 --> 00:25:22
[speaking in Elder]

408
00:25:26 --> 00:25:28
Sometimes a flower...

409
00:25:30 --> 00:25:32
is just a flower.

410
00:25:38 --> 00:25:40
And the best thing it can do for us

411
00:25:41 --> 00:25:42
is die.

412
00:25:42 --> 00:25:43
[Yennefer gasps]

413
00:25:50 --> 00:25:52
[emotional music swells]

414
00:26:03 --> 00:26:05
[sobs]

415
00:26:07 --> 00:26:08
[wails]

416
00:26:43 --> 00:26:45
[ethereal music]

417
00:26:53 --> 00:26:55

[gasps]

418

00:26:55 --> 00:26:56

[Yennefer] Geralt.

419

00:27:00 --> 00:27:02

[Geralt, muffled] Yen? You came.

420

00:27:03 --> 00:27:05

-[gasps]

-It's me.

421

00:27:06 --> 00:27:07

[sighs shakily]

422

00:27:09 --> 00:27:10

I'm sorry.

423

00:27:11 --> 00:27:13

I'm so sorry.

424

00:27:13 --> 00:27:14

I don't have her.

425

00:27:15 --> 00:27:16

No.

426

00:27:21 --> 00:27:22

It's my fault.

427

00:27:24 --> 00:27:26

I let Vilgefartz beat me.

428

00:27:32 --> 00:27:33

I couldn't protect her.

429

00:27:37 --> 00:27:39

[Yennefer sobbing]

430

00:27:40 --> 00:27:42

He's destroyed everything I love.

431

00:27:47 --> 00:27:47

Tissaia.

432

00:27:50 --> 00:27:51

[sighs] She's gone.

433

00:27:54 --> 00:27:55

I know it's not fair, but...

434

00:27:58 --> 00:27:59

I'm so angry with her.

435

00:28:03 --> 00:28:04

Who do we have now?

436

00:28:07 --> 00:28:08

We have you, Yen.

437

00:28:09 --> 00:28:10

[sobs]

438

00:28:10 --> 00:28:12

I will find Ciri.

439

00:28:13 --> 00:28:15

Those mages can't do this without you.

440

00:28:15 --> 00:28:16

[Yennefer sobs]

441
00:28:19 --> 00:28:20
It's not fair.

442
00:28:28 --> 00:28:30
I need you to heal me, Yen.

443
00:28:31 --> 00:28:35
-The dryads did what they could, but--
-There are some wounds magic can't heal.

444
00:28:37 --> 00:28:38
I know.

445
00:28:40 --> 00:28:42
I will make Vilgefortz pay.

446
00:28:43 --> 00:28:44
And I don't care if he's an emperor,

447
00:28:45 --> 00:28:47
I'll make Emhyr pay too.

448
00:28:51 --> 00:28:53
Tell me this isn't
the last time I'll see you.

449
00:28:55 --> 00:28:57
Say it. [sobs]

450
00:28:59 --> 00:29:01
I need you, Geralt.

451
00:29:07 --> 00:29:09
I need you too, Yen.

452

00:29:19 --> 00:29:22
[speaking in Elder]

453

00:29:23 --> 00:29:25
-[wind gusting]
-[repeating spell]

454

00:29:27 --> 00:29:28
[crunching]

455

00:29:28 --> 00:29:30
[groans]

456

00:29:30 --> 00:29:32
-[Yennefer repeating spell]
-[Geralt groaning]

457

00:29:37 --> 00:29:39
[spluttering]

458

00:29:42 --> 00:29:44
Someone's got to pay.

459

00:29:46 --> 00:29:50
Gah! Yes, yes. A price must be paid.

460

00:29:50 --> 00:29:51
[breathing heavily]

461

00:29:58 --> 00:30:00
[Vizimir] Gods, it's true. You're here!

462

00:30:01 --> 00:30:02
You're alive!

463

00:30:04 --> 00:30:05
[laughing]

464
00:30:08 --> 00:30:09
Oh, that's fine work.

465
00:30:09 --> 00:30:12
No, that's fine work indeed. Mmm.

466
00:30:14 --> 00:30:17
I was worried sick.
They should never have left you.

467
00:30:17 --> 00:30:19
Don't worry, there will be consequences.

468
00:30:20 --> 00:30:22
-Philippa--
-Found me and helped get me home.

469
00:30:23 --> 00:30:24
[Philippa] Your Highness.

470
00:30:25 --> 00:30:28
I could not rest until I knew he was safe.

471
00:30:28 --> 00:30:29
[sighs]

472
00:30:29 --> 00:30:32
I know Thanedd seems
like a blow to our cause,

473
00:30:33 --> 00:30:35
but, believe me,
the coup wasn't a total failure.

474

00:30:36 --> 00:30:38

We outed the Nilfgaardian traitor

475

00:30:38 --> 00:30:41

and we created a power vacuum
in the Brotherhood only we can fill.

476

00:30:41 --> 00:30:43

[Vizimir] A power vacuum?

477

00:30:43 --> 00:30:46

The Brotherhood is in shambles
and the North with it!

478

00:30:46 --> 00:30:50

Yes. Well, I have
a new plan for Redania, Your Grace.

479

00:30:51 --> 00:30:52

You'll see.

480

00:30:56 --> 00:31:00

Yeah, you'll see,
you shape-shifting little shit.

481

00:31:00 --> 00:31:03

Uh, you look absolutely awful,
and you stink.

482

00:31:03 --> 00:31:05

Let's get you hosed down with a quickness.

483

00:31:05 --> 00:31:06

Uh, I'm not staying.

484

00:31:08 --> 00:31:11

-What?

-I was coming to ask you to...

485

00:31:11 --> 00:31:12

let me go.

486

00:31:12 --> 00:31:15

Go where? In case you haven't noticed,
there's a war.

487

00:31:15 --> 00:31:16

And I'm no help in it.

488

00:31:17 --> 00:31:20

You've been trying for years
to find a purpose for me here.

489

00:31:21 --> 00:31:22

Plugged me into these straw-man jobs.

490

00:31:24 --> 00:31:26

I'm not a spy master.

491

00:31:28 --> 00:31:29

Not even a good prince.

492

00:31:30 --> 00:31:33

But I've finally found
something that suits me.

493

00:31:34 --> 00:31:35

Someone.

494

00:31:36 --> 00:31:38

And he needs my help.

495

00:31:41 --> 00:31:43
Your Highness,
I've prepared a bath for you.

496
00:31:43 --> 00:31:47
Find my cloaks, anything with fur,
take them to the haberdasher,

497
00:31:47 --> 00:31:50
fetch as high a price as you can
and bring the coin back to me.

498
00:31:51 --> 00:31:54
Yes, I'm serious.
No, my brother won't have you killed.

499
00:31:55 --> 00:31:56
Well. [scoffs]

500
00:31:56 --> 00:31:58
Looks like it's down to us now.

501
00:31:59 --> 00:32:00
[knocking at door]

502
00:32:01 --> 00:32:02
[thumping]

503
00:32:05 --> 00:32:07
[urgent knocking]

504
00:32:10 --> 00:32:11
Oh. You all right?

505
00:32:12 --> 00:32:14
[Dijkstra chuckles]

506

00:32:17 --> 00:32:19
Vizimir. [breathing heavily]

507

00:32:20 --> 00:32:21
He's not wrong. Usually.

508

00:32:24 --> 00:32:25
We fucked up.

509

00:32:26 --> 00:32:28
We promised him the Brotherhood.

510

00:32:28 --> 00:32:30
[chuckles] Redania on top!

511

00:32:30 --> 00:32:33
We saw four steps ahead,
and Vilgefartz saw five.

512

00:32:33 --> 00:32:36
I know you think Vizimir is a fool,
but he is still our king.

513

00:32:37 --> 00:32:39
And when he demands accountability...

514

00:32:42 --> 00:32:43
he gets it.

515

00:32:45 --> 00:32:46
Someone has to pay...

516

00:32:48 --> 00:32:49
for Thanedd.

517

00:32:58 --> 00:33:00
Just tell Vizimir it was my fault.

518
00:33:01 --> 00:33:02
Yeah. Yeah.

519
00:33:04 --> 00:33:07
I knew I could trust you with my life.

520
00:33:10 --> 00:33:12
But not my strategy.

521
00:33:13 --> 00:33:16
-What?
-I have made plans to protect us both.

522
00:33:16 --> 00:33:17
What do you mean?

523
00:33:17 --> 00:33:18
[Vizimir chuckles]

524
00:33:18 --> 00:33:19
[blade slices]

525
00:33:33 --> 00:33:35
[footsteps approaching]

526
00:33:38 --> 00:33:40
[Fringilla] Everything's in order.

527
00:33:40 --> 00:33:44
He won't expect any disruptions.
Not in the ceremony and not from us.

528
00:33:45 --> 00:33:46

We'll be at the front.

529

00:33:48 --> 00:33:51

Prize position.

Then, when Ciri comes, I grab her.

530

00:33:51 --> 00:33:52

-You--

-Stop.

531

00:33:53 --> 00:33:57

-We have sacrificed too much already.

-No, no... What are you saying?

532

00:33:59 --> 00:34:01

-I'm gonna take Emhyr's deal.

-Francesca.

533

00:34:02 --> 00:34:05

You can't take a deal
from a plan that was never real.

534

00:34:05 --> 00:34:06

It could work.

535

00:34:07 --> 00:34:11

-We could lead there together.

-And be under his service again?

536

00:34:12 --> 00:34:17

I want out. Out of this place,
out of this war, and out of this sphere.

537

00:34:17 --> 00:34:18

And Ciri, Ciri...

538

00:34:19 --> 00:34:20

she can give us that.

539

00:34:20 --> 00:34:22
She can give you Dol Blathanna.

540

00:34:23 --> 00:34:26
-It's out there. It's--
-No. It's not.

541

00:34:26 --> 00:34:27
Dol Blathanna, it...

542

00:34:29 --> 00:34:30
it was a real place.

543

00:34:31 --> 00:34:33
Tangible. On the map.

544

00:34:33 --> 00:34:35
For all the world to see.

545

00:34:36 --> 00:34:38
-But we lost it.
-[sighs]

546

00:34:39 --> 00:34:42
Home is where
my people are safe, Fringilla.

547

00:34:42 --> 00:34:46
Not in some unknown sphere at the hands
of a girl with unknown powers.

548

00:34:46 --> 00:34:48
-It's too risky.
-[sighs]

549

00:34:49 --> 00:34:51
Especially when I know
we're under Nilfgaard's protection.

550

00:34:51 --> 00:34:53
No, no, no! Have you forgotten

551

00:34:54 --> 00:34:56
that not everybody is safe there?

552

00:34:57 --> 00:34:59
Yes, I know what it means.

553

00:35:00 --> 00:35:01
I will condemn the Scoia'tael to die.

554

00:35:03 --> 00:35:05
-Save everyone else in the process.
-Listen to me.

555

00:35:05 --> 00:35:07
I said no.

556

00:35:08 --> 00:35:10
Emhyr is brutal.

557

00:35:10 --> 00:35:11
All humans are brutal.

558

00:35:11 --> 00:35:14
-But at least Emhyr's honest about it.
-No, he's not.

559

00:35:14 --> 00:35:16
He's a liar!
Do you know he had your baby killed?

560

00:35:16 --> 00:35:18

And then he tried to set me up for it!

561

00:35:26 --> 00:35:27

Emhyr killed our child?

562

00:35:32 --> 00:35:33

Yes, he did.

563

00:35:34 --> 00:35:38

And then he used Redania
to try and manipulate you.

564

00:35:38 --> 00:35:40

Emhyr killed our child, and you knew?

565

00:35:42 --> 00:35:44

What do you mean he set you up?

566

00:35:44 --> 00:35:47

Francesca, it was all going wrong.
Emhyr was coming to Cintra.

567

00:35:48 --> 00:35:50

And I had to gain his favor.

568

00:35:50 --> 00:35:52

And so I told him that your baby,
your baby was...

569

00:35:54 --> 00:35:55

[sighs]

570

00:35:56 --> 00:35:57

...was a way of keeping you here.

571

00:35:57 --> 00:35:58
To keep us fighting.

572

00:36:01 --> 00:36:04
Emhyr murdered my child.

573

00:36:06 --> 00:36:08
And I lost my brother,

574

00:36:08 --> 00:36:09
my husband,

575

00:36:10 --> 00:36:12
and hundreds of our people,

576

00:36:14 --> 00:36:15
because of your lie?

577

00:36:15 --> 00:36:17
I can't undo what I've done.

578

00:36:20 --> 00:36:22
He deserves it.

579

00:36:23 --> 00:36:27
He deserves to suffer just as you have.

580

00:36:28 --> 00:36:29
We can do that.

581

00:36:29 --> 00:36:32
One child for another.
You get eternal peace for the elves.

582

00:36:32 --> 00:36:34
-We can do that. You just have to--
-Don't touch me.

583
00:36:37 --> 00:36:40
He does not know the meaning of suffering.

584
00:36:42 --> 00:36:43
But he will.

585
00:36:46 --> 00:36:47
And so will you.

586
00:36:54 --> 00:36:55
[door slams]

587
00:37:01 --> 00:37:03
-[man 1] Stop there!
-[man 2] Fetch someone!

588
00:37:05 --> 00:37:06
[man 3] Quickly, get help!

589
00:37:14 --> 00:37:15
[gasps]

590
00:37:15 --> 00:37:17
-Secure the castle.
-[soldier 1] Certainly, my lord.

591
00:37:17 --> 00:37:19
-Now!
-[soldier 2] Follow me!

592
00:37:19 --> 00:37:21
-[soldier 3] With me!
-How did this happen?

593

00:37:21 --> 00:37:24
-[soldier 2] Secure the exits!
-I don't know. But I will find out.

594

00:37:24 --> 00:37:27
And whoever is responsible
will be made to pay.

595

00:37:27 --> 00:37:29
-We must move quickly.
-[soldiers shouting]

596

00:37:29 --> 00:37:33
Our enemies will capitalize
on this tragedy, say we are leaderless.

597

00:37:35 --> 00:37:37
-[soldier 3] Summon the guards!
-[soldier 2] Follow me!

598

00:37:37 --> 00:37:40
We cannot let those rumors fester.

599

00:37:46 --> 00:37:48
It is our great fortune

600

00:37:49 --> 00:37:53
that Radovid is back safely with us.

601

00:37:55 --> 00:37:59
Mighty of heart and spirit,

602

00:38:01 --> 00:38:03
for Redania first and always,

603

00:38:04 --> 00:38:06
we say together,

604

00:38:07 --> 00:38:12
long live King Radovid!

605

00:38:14 --> 00:38:17
[all] Long live King Radovid!

606

00:38:17 --> 00:38:20
Long live King Radovid!

607

00:38:21 --> 00:38:24
Long live King Radovid!

608

00:38:25 --> 00:38:28
Long live King Radovid!

609

00:38:29 --> 00:38:32
Long live King Radovid!

610

00:38:33 --> 00:38:35
Long live King Radovid!

611

00:38:38 --> 00:38:40
[wind gusting]

612

00:38:41 --> 00:38:45
[woman] Come through to the dining room.
This way!

613

00:38:48 --> 00:38:49
[Triss sighs]

614

00:38:50 --> 00:38:51
[melancholy music]

615
00:38:51 --> 00:38:52
[gasps]

616
00:38:58 --> 00:39:00
[seabirds calling]

617
00:39:01 --> 00:39:04
It's hard to believe so much has happened

618
00:39:05 --> 00:39:06
in a week.

619
00:39:07 --> 00:39:08
How much you lost.

620
00:39:14 --> 00:39:15
We've all lost.

621
00:39:19 --> 00:39:22
Our home. Our history.

622
00:39:26 --> 00:39:27
People we love.

623
00:39:30 --> 00:39:31
Not a great week for magic.

624
00:39:33 --> 00:39:34
[laughs]

625
00:39:35 --> 00:39:36
[all laughing]

626
00:39:36 --> 00:39:39

Sorry. It's not gonna be the same
