1

00:00:16,349 --> 00:00:17,976
[nuns] Our sister on Earth.

2

00:00:18,476 --> 00:00:19,811
Our sister in Heaven.

3

00:00:20,395 --> 00:00:21,563
Never alone.

4

00:00:22,272 --> 00:00:23,273
Never forgotten.

5

00:00:23,773 --> 00:00:25,191
Ever in our spirits.

6

00:00:27,694 --> 00:00:29,237
[Beatrice] In this life or the next.

7

00:00:29,863 --> 00:00:31,531
[nuns] In this life or the next.

8

00:00:34,743 --> 00:00:35,577
[Camila] Mary.

9

00:00:36,536 --> 00:00:37,787
Is she in Heaven?

10

00:00:38,955 --> 00:00:43,043
Because if the Tarask took her,
could-- could she be in Hell?

11

00:00:43,668 --> 00:00:47,130
I mean, is that even a thing?
Can she be dragged to Hell?

12

00:00:47,213 --> 00:00:48,298
I don't know.

13

00:00:50,842 --> 00:00:52,302
She must have been so scared.

14

00:00:52,385 --> 00:00:53,511
[cane thwacks]

15

00:00:55,346 --> 00:00:56,765
[Mary] Sh.

16

00:00:58,391 --> 00:00:59,434
It's been a while.

17

00:01:00,852 --> 00:01:02,771
If Ava was going to come back
to the Cat's Cradle,

18

00:01:02,854 --> 00:01:04,105
she would be here by now.

19

00:01:04,606 --> 00:01:05,607
Ava will show.

20

00:01:07,192 --> 00:01:08,234
And if she doesn't?

21

00:01:09,194 --> 00:01:12,322
She'll be here... sooner or later.

22

00:01:13,907 --> 00:01:14,824
[door slams]

23

00:01:17,368 --> 00:01:18,995
You've got to be kidding me.

24

00:01:19,454 --> 00:01:20,747
Who are they?

25

00:01:20,830 --> 00:01:22,040
Rejects.

26

00:01:25,126 --> 00:01:26,002
Mother...

27

00:01:27,087 --> 00:01:28,546
it's good to see you again.

28

00:01:31,174 --> 00:01:33,051
We've come to pay our respects.

29

00:01:39,641 --> 00:01:41,059
I'm hoping for sooner.

30

00:01:49,025 --> 00:01:53,446
[indistinct chatter]

31

00:01:55,865 --> 00:01:56,825
How can I help you?

32

00:01:59,869 --> 00:02:02,497
Hi. Uh, I'd like to speak
to Jillian Salvius.

33

00:02:03,623 --> 00:02:04,874
I'm sorry. She's not available.

34

00:02:05,458 --> 00:02:08,545
[laughs] Okay, uh, you don't understand.
She wants to see me.

35

00:02:08,628 --> 00:02:09,963
Miss...

36

00:02:10,380 --> 00:02:11,548
T-- tell her it's Ava.

37

00:02:12,006 --> 00:02:13,883
[high-pitched ringing]

38

00:02:16,136 --> 00:02:17,470
Miss, I need you to put that down.

39

00:02:17,554 --> 00:02:19,055
And then you'll take me to Jillian?

40

00:02:19,139 --> 00:02:20,140
Just put it down.

41
00:02:22,350 --> 00:02:23,351
[gasps]

42
00:02:25,562 --> 00:02:26,771
-[man] Hey!
-[woman] Stop!

43
00:02:26,855 --> 00:02:28,606
[whooshing]

44
00:02:28,857 --> 00:02:29,691
[woman grunts]

45
00:02:30,233 --> 00:02:31,109
[high-pitched ringing]

46
00:02:31,943 --> 00:02:33,528
[all grunting]

47
00:02:33,611 --> 00:02:34,612
[men shouting]

48
00:02:36,823 --> 00:02:37,824
[Ava] You want some?

49
00:02:41,619 --> 00:02:43,830
[Jillian] You certainly know how
to make an entrance.

50
00:02:45,874 --> 00:02:46,708
Sorry.

51
00:02:48,209 --> 00:02:49,878
It needed a remodel, anyway.

52
00:02:51,337 --> 00:02:52,547
What brought you here?

53

00:02:53,548 --> 00:02:54,799
[Ava] You were looking for me.

54
00:02:55,008 --> 00:02:55,967
[Jillian chuckles]

55
00:02:56,217 --> 00:02:57,719
I'm a curious person.

56
00:02:57,802 --> 00:03:00,263
And, well, you're a curiosity.

57
00:03:02,223 --> 00:03:03,641
[Ava] You want to know what I am.

58
00:03:04,392 --> 00:03:06,394
[Jillian]
The research we do here is cutting edge.

59
00:03:06,895 --> 00:03:10,523
But you are something
altogether different.

60
00:03:11,316 --> 00:03:14,027
I would love to learn
what you're capable of and why.

61
00:03:15,403 --> 00:03:17,530
[Ava]
Seems we have something in common then.

62
00:03:19,449 --> 00:03:20,742
I want you to science me.

63
00:03:22,702 --> 00:03:23,620
Science you?

64
00:03:24,787 --> 00:03:26,039
I wanna know everything.

65
00:03:26,915 --> 00:03:29,250
So I can figure out for myself

what to do about it.

66

00:03:31,419 --> 00:03:33,171
Sounds like we can help each other.

67

00:03:34,130 --> 00:03:35,798
You get your answers. I get mine.

68

00:03:36,633 --> 00:03:38,426
And then afterwards, you leave me alone.

69

00:03:38,509 --> 00:03:39,427
Forever.

70

00:03:40,136 --> 00:03:41,095
That's the deal.

71

00:03:42,722 --> 00:03:43,973
Are you in or out?

72

00:03:46,517 --> 00:03:47,852
[whooshing]

73

00:03:47,936 --> 00:03:50,271
[woman singing liturgical music]

74

00:03:50,355 --> 00:03:52,065
[snarls grinding]

75

00:03:53,483 --> 00:03:56,694
[high-pitched ringing]

76

00:04:01,991 --> 00:04:03,993
[bells tolling]

77

00:04:10,833 --> 00:04:12,001
[nuns grunting]

78

00:04:13,253 --> 00:04:14,462
[nuns panting]

79

00:04:34,274 --> 00:04:35,275
[snickers]

80

00:04:41,489 --> 00:04:42,490
[grunting]

81

00:04:44,993 --> 00:04:47,829
[Duretti, in Italian] It seems like
the girls are getting acquainted.

82

00:04:51,541 --> 00:04:53,584
[in Italian]
These women don't belong in this place.

83

00:04:54,043 --> 00:04:56,838
[in Italian]
You saw potential in them last year.

84

00:04:56,921 --> 00:04:59,841
[in Italian] And I dismissed them
after a thorough evaluation.

85

00:05:00,216 --> 00:05:01,050
[whooshes]

86

00:05:01,426 --> 00:05:02,802
-[blows thudding]
-[Beatrice groans]

87

00:05:03,303 --> 00:05:05,138
[in Italian] You may have been too hasty.

88

00:05:06,180 --> 00:05:09,225
Sister Crimson is an impressive warrior.

89

00:05:09,309 --> 00:05:11,686
[in Italian]
She's aggressive, undisciplined...

90

00:05:13,271 --> 00:05:15,231
[in Italian]
Sounds like someone I used to know.

91

00:05:15,565 --> 00:05:17,400
[in Italian] ...and possibly sociopathic.

92

00:05:17,483 --> 00:05:20,194
[nuns continue grunting]

93

00:05:22,739 --> 00:05:26,117
[in Italian] You were the one
who said I hadn't taken enough interest

94

00:05:26,200 --> 00:05:27,410
in the Order.

95

00:05:27,952 --> 00:05:29,620
So I'm trying.

96

00:05:30,455 --> 00:05:32,081
[in Italian]
This isn't what I had in mind.

97

00:05:32,165 --> 00:05:34,083
[in Italian] When Sister Shannon died,

98

00:05:35,501 --> 00:05:37,503
new challenges emerged for the Order.

99

00:05:37,587 --> 00:05:40,715
New measures are needed to combat them.

100

00:05:41,507 --> 00:05:46,679
I haven't gotten to where I am
by hoping the same old methods

101

00:05:46,763 --> 00:05:48,431
will solve new problems.

102

00:05:51,559 --> 00:05:53,144
-[grunts] Oh!
-[nuns gasp]

103

00:05:53,227 --> 00:05:54,062
[groaning]

104
00:06:01,152 --> 00:06:02,528
[exhales]

105
00:06:05,782 --> 00:06:07,950
[in Italian] Piety, loyalty, and service.

106
00:06:08,034 --> 00:06:10,411
One can't exist without the other.

107
00:06:12,580 --> 00:06:14,457
I need you to deliver these.

108
00:06:15,583 --> 00:06:16,834
[in Italian] What are they?

109
00:06:16,918 --> 00:06:18,503
[in Italian] Solutions to problems.

110
00:06:26,344 --> 00:06:29,180
I wouldn't say I'm superhuman,
but I'm definitely strong.

111
00:06:29,514 --> 00:06:31,599
I can phase through solid objects.

112
00:06:31,682 --> 00:06:33,267
I can do energy-pulse-type things.

113
00:06:33,684 --> 00:06:35,603
Well, that's still a work in progress.

114
00:06:36,145 --> 00:06:37,397
And I can heal.

115
00:06:37,855 --> 00:06:40,858
Shoot me, stab me... Call me Jesus,
'cause I'm coming back.

116

00:06:42,902 --> 00:06:44,153
Can you heal others?

117
00:06:44,904 --> 00:06:46,322
[Ava] So far, it only works on me.

118
00:06:48,157 --> 00:06:50,410
So, any chance
we can be done with this thing?

119
00:06:50,910 --> 00:06:52,745
It's kind of claustrophobic and creepy.

120
00:06:53,871 --> 00:06:56,999
That's a tall assessment
for someone who can see demons.

121
00:06:58,835 --> 00:07:00,044
You know about the demons?

122
00:07:00,628 --> 00:07:01,796
I've heard stories.

123
00:07:02,672 --> 00:07:05,007
How? The OCS is supposed to be
a giant secret.

124
00:07:05,466 --> 00:07:06,884
I have a reliable source.

125
00:07:06,968 --> 00:07:09,011
[whirring]

126
00:07:10,096 --> 00:07:11,681
This is Kristian Schaefer.

127
00:07:12,432 --> 00:07:14,517
He used to be
an archivist for the Vatican.

128
00:07:14,851 --> 00:07:16,185
And now he works for you?

129

00:07:17,353 --> 00:07:20,565
I said science me, not church me.
I'm here because you're not them.

130

00:07:21,190 --> 00:07:23,192
I left the Church in pursuit of truth.

131

00:07:24,193 --> 00:07:26,904
In that respect,
you and I are very much alike.

132

00:07:27,447 --> 00:07:28,948
[Jillian] He's here to provide counsel.

133

00:07:29,240 --> 00:07:31,826
There are ethical considerations
to some of my work.

134

00:07:31,909 --> 00:07:34,078
[Kristian] I'm here to balance
the equation, so to speak.

135

00:07:34,162 --> 00:07:36,706
And to assure the outside world
that the work we do here

136

00:07:36,789 --> 00:07:38,332
takes all sides into account.

137

00:07:38,416 --> 00:07:41,085
Hmm. So you're here just for show.

138

00:07:43,671 --> 00:07:44,922
How long until we see results?

139

00:07:45,006 --> 00:07:45,923
It's nearly there.

140

00:07:49,093 --> 00:07:49,927
So?

141
00:07:51,137 --> 00:07:51,971
What is it?

142
00:07:52,555 --> 00:07:53,389
Well...

143
00:07:54,557 --> 00:07:57,560
it's definitely
an energy source of some kind.

144
00:07:58,728 --> 00:08:01,272
It doesn't adhere
to traditional laws of physics.

145
00:08:01,939 --> 00:08:04,484
Perhaps because it exists outside of them.

146
00:08:05,401 --> 00:08:06,944
It could be a foreign body.

147
00:08:09,697 --> 00:08:10,573
Foreign?

148
00:08:10,656 --> 00:08:11,491
[Jillian] Yeah.

149
00:08:11,866 --> 00:08:13,576
Like not of this earth.

150
00:08:14,327 --> 00:08:16,579
A new metal. Different from Divinium.

151
00:08:17,038 --> 00:08:18,331
Could be an asteroid or a--

152
00:08:18,414 --> 00:08:21,667
So you're saying
I have an alien battery in my back?

153
00:08:22,710 --> 00:08:23,628
That's weird.

154

00:08:24,253 --> 00:08:27,256
Well... weirder than an angel's halo?

155

00:08:29,342 --> 00:08:32,178
If it's a power source,
can I... adjust it?

156

00:08:32,970 --> 00:08:34,055
Crank it up and down?

157

00:08:35,515 --> 00:08:37,600
-I'm not sure.
-Or maybe transfer it to another person

158

00:08:37,683 --> 00:08:40,728
and then they can deal with the demons,
and I can deal with the everything else?

159

00:08:41,103 --> 00:08:43,314
I don't know what's possible yet.

160

00:08:43,397 --> 00:08:44,649
So run more tests.

161

00:08:45,525 --> 00:08:46,484
Figure it out.

162

00:08:50,196 --> 00:08:51,447
Vincent. Good.

163

00:08:53,032 --> 00:08:53,991
What is this?

164

00:08:55,451 --> 00:08:56,702
I've been reassigned.

165

00:08:57,912 --> 00:08:59,372
To a convent in Malaysia.

166

00:09:00,289 --> 00:09:01,916

The OCS has no chapter there.

167

00:09:03,459 --> 00:09:04,627
She's not the only one.

168

00:09:11,384 --> 00:09:12,802
Florida, th-- that's...

169

00:09:12,885 --> 00:09:13,928
[Superion] A gift.

170

00:09:14,011 --> 00:09:17,223
The Cardinal could've had you
excommunicated for insubordination.

171

00:09:18,140 --> 00:09:19,684
He chose a more compassionate solution.

172

00:09:20,184 --> 00:09:22,979
Cutting us off from everything we love
and care about?

173

00:09:23,062 --> 00:09:24,522
He's giving you a second chance.

174

00:09:24,605 --> 00:09:26,023
By kicking us out of the OCS.

175

00:09:26,107 --> 00:09:27,692
I know you don't support this.

176

00:09:28,359 --> 00:09:29,986
There are many ways to serve God.

177

00:09:30,069 --> 00:09:32,572
Do you think what he's doing
is what's best for this sect?

178

00:09:32,655 --> 00:09:35,825
The Cardinal has the final decision,
and I will not go against him.

179

00:09:35,908 --> 00:09:38,077

[Vincent]

He's using your history against you.

180

00:09:38,160 --> 00:09:42,456

He may have helped you find a home here,
but you made it your own a long time ago.

181

00:09:42,540 --> 00:09:43,541

Mother, please.

182

00:09:44,375 --> 00:09:46,127

The OCS is my home too.

183

00:09:49,589 --> 00:09:52,174

There are plane tickets and cash
in those envelopes.

184

00:09:52,842 --> 00:09:56,470

I think it best if you leave immediately.
To spare the other Sisters the turmoil.

185

00:09:56,554 --> 00:09:59,140

The Sisters... or you?

186

00:10:06,188 --> 00:10:09,734

If you want to modulate your power,
we have to identify the energy.

187

00:10:09,817 --> 00:10:11,694

See if we can measure it,
channel it, control it.

188

00:10:12,111 --> 00:10:13,029

Perfect.

189

00:10:14,238 --> 00:10:15,114

Right.

190

00:10:15,906 --> 00:10:16,824

Comfy?

191

00:10:18,367 --> 00:10:19,368
Is that an option?

192

00:10:20,369 --> 00:10:21,287
Good.

193

00:10:24,206 --> 00:10:25,207
[Jillian] All right.

194

00:10:26,792 --> 00:10:28,544
I hope that you're right about her.

195

00:10:29,503 --> 00:10:31,213
It's her. It has to be.

196

00:10:31,756 --> 00:10:34,842
She's the power source,
and this test will prove it.

197

00:10:34,925 --> 00:10:36,886
We should tell her
what this is really about.

198

00:10:36,969 --> 00:10:39,055
[scoffs]
You saw what she did to the lobby.

199

00:10:39,138 --> 00:10:41,140
-We can't keep her here against her will.
-[beeps]

200

00:10:42,224 --> 00:10:43,225
All right, Ava.

201

00:10:43,309 --> 00:10:44,602
I need you to power up,

202

00:10:45,061 --> 00:10:48,648
whatever you do
to access the energy within the device.

203

00:10:49,065 --> 00:10:49,982
Okay.

204
00:10:52,360 --> 00:10:53,361
Here goes something.

205
00:10:53,444 --> 00:10:56,822
[high-pitched ringing]

206
00:10:56,906 --> 00:10:58,366
[whirring]

207
00:11:00,034 --> 00:11:01,661
[high-pitched ringing continues]

208
00:11:01,744 --> 00:11:02,870
Did that do anything?

209
00:11:03,704 --> 00:11:04,705
That's perfect.

210
00:11:05,539 --> 00:11:07,541
[ringing continues]

211
00:11:09,543 --> 00:11:12,546
[rumbling]

212
00:11:16,467 --> 00:11:19,470
[machine pulsing]

213
00:11:25,351 --> 00:11:27,645
[pulsing begins to rumble]

214
00:11:27,728 --> 00:11:29,313
[whirring, beeping]

215
00:11:29,397 --> 00:11:32,441
[Jillian] This is a quantum expression
of Newtonian force.

216
00:11:33,192 --> 00:11:35,569

This type of energy shouldn't exist.

217
00:11:35,653 --> 00:11:37,697
-[ringing continues]
-Keep going, Ava.

218
00:11:40,950 --> 00:11:42,535
[ringing grows louder]

219
00:11:42,618 --> 00:11:43,577
-[zaps]
-[Ava gasps]

220
00:11:43,661 --> 00:11:45,454
Shit! Sorry. Sorry.

221
00:11:47,123 --> 00:11:49,125
[whirring, beeping]

222
00:11:50,042 --> 00:11:51,252
Is it stabilizing?

223
00:11:51,752 --> 00:11:52,586
Getting there.

224
00:11:52,670 --> 00:11:54,672
[rumbling]

225
00:11:55,589 --> 00:11:57,591
[whooshing]

226
00:11:58,050 --> 00:11:59,844
[winding down]

227
00:11:59,927 --> 00:12:01,554
[whirring]

228
00:12:02,638 --> 00:12:04,140
[high-pitched whirring]

229
00:12:04,223 --> 00:12:05,182

What are you doing?

230

00:12:05,266 --> 00:12:09,061
Enhancing the conductivity.
Maybe we have to help her get there.

231

00:12:09,145 --> 00:12:11,105
[high-pitched ringing grows louder]

232

00:12:11,188 --> 00:12:12,189
[groans]

233

00:12:12,273 --> 00:12:13,649
[screaming]

234

00:12:13,733 --> 00:12:14,734
[Ava] What are you doing?

235

00:12:14,817 --> 00:12:16,026
Keep going, Ava. Keep going.

236

00:12:16,110 --> 00:12:17,695
[shrieking]

237

00:12:17,778 --> 00:12:18,821
Stop!

238

00:12:18,904 --> 00:12:20,990
-It won't work.
-It has to work!

239

00:12:21,073 --> 00:12:22,908
[screaming]

240

00:12:22,992 --> 00:12:24,285
[gasping]

241

00:12:24,368 --> 00:12:25,578
[crying out] Ah!

242

00:12:26,162 --> 00:12:29,790

[panting]

243

00:12:33,169 --> 00:12:36,714
What the actual fuck was that?

244

00:12:37,339 --> 00:12:40,176
I'm-- I'm sorry, Ava.
I was wrong about you.

245

00:12:40,968 --> 00:12:42,094
[Ava] No. No.

246

00:12:42,178 --> 00:12:43,554
No, we're not done here!

247

00:12:43,929 --> 00:12:46,265
[panting]

248

00:12:46,348 --> 00:12:47,349
Where do these lead?

249

00:12:48,309 --> 00:12:49,643
-[whooshing]
-Wait!

250

00:12:52,646 --> 00:12:53,564
[Ava sighs]

251

00:13:03,115 --> 00:13:04,033
[door opens]

252

00:13:07,286 --> 00:13:09,288
You weren't testing me at all, were you?

253

00:13:10,080 --> 00:13:12,583
You had me hooked up to this thing
the entire time.

254

00:13:13,751 --> 00:13:14,877
You were using me.

255

00:13:16,962 --> 00:13:18,714
You're not what I thought you were.

256
00:13:19,423 --> 00:13:21,550
[Ava] What the hell are you talking about?

257
00:13:24,804 --> 00:13:25,721
I'll show you.

258
00:13:26,931 --> 00:13:27,848
Come.

259
00:13:33,437 --> 00:13:34,438
[beeping]

260
00:13:34,897 --> 00:13:35,898
[door closes]

261
00:13:45,950 --> 00:13:46,951
This is Michael.

262
00:13:48,953 --> 00:13:49,787
My son.

263
00:13:52,957 --> 00:13:55,209
[high-pitched ringing]

264
00:13:55,292 --> 00:13:56,210
Whoa.

265
00:14:13,644 --> 00:14:14,520
Bea?

266
00:14:27,199 --> 00:14:28,158
[Camila] I'm sorry.

267
00:14:28,742 --> 00:14:30,494
Don't apologize for doing your job.

268
00:14:32,496 --> 00:14:34,331
I went over the security protocols,

269

00:14:34,415 --> 00:14:36,208
and I have a list
of everyone's assignments

270

00:14:36,292 --> 00:14:38,752
and necessary weapons from the armory.

271

00:14:39,378 --> 00:14:40,212
So...

272

00:14:41,088 --> 00:14:43,215
It sounds like you have
everything under control.

273

00:14:45,009 --> 00:14:45,926
Not really.

274

00:14:46,635 --> 00:14:49,179
I secretly kind of wish
they'd kick me out, too.

275

00:14:49,889 --> 00:14:51,140
Why would you wish that?

276

00:14:53,684 --> 00:14:54,727
I don't know.

277

00:14:54,810 --> 00:14:55,936
It's just that...

278

00:14:57,187 --> 00:14:58,689
everything's changing,

279

00:14:58,772 --> 00:15:01,984
and I'm not sure I can handle it
without you guys.

280

00:15:02,860 --> 00:15:04,445
You can, Camila.

281

00:15:05,613 --> 00:15:06,947
I know you can.

282
00:15:07,615 --> 00:15:08,449
How?

283
00:15:09,575 --> 00:15:12,119
A lot of people can smile
when things go wrong,

284
00:15:13,162 --> 00:15:16,665
but it takes a special person
to make everyone else smile with them.

285
00:15:22,004 --> 00:15:23,631
God sends messages to guide us.

286
00:15:24,590 --> 00:15:26,300
Heed them, and you'll be fine.

287
00:15:39,271 --> 00:15:40,773
[blows thudding]

288
00:15:43,776 --> 00:15:44,610
[nuns grunting]

289
00:15:44,693 --> 00:15:45,694
[Mary roars] Ah!

290
00:15:46,904 --> 00:15:49,740
[gasping]

291
00:15:51,909 --> 00:15:53,160
I need to speak with you.

292
00:15:54,495 --> 00:15:57,831
Well, sorry to disappoint.
Father Vincent already beat you to it.

293
00:15:59,750 --> 00:16:02,086
But I am curious
how you would have done it, though.

294

00:16:02,628 --> 00:16:04,380
Dig the knife in quick and clean?

295

00:16:04,463 --> 00:16:06,340
Or would you do something
a little more nuanced,

296

00:16:06,423 --> 00:16:08,133
seeing I've known you the longest?

297

00:16:09,051 --> 00:16:11,470
I think we both appreciate
the direct approach.

298

00:16:11,553 --> 00:16:12,972
No disagreement there.

299

00:16:20,938 --> 00:16:23,565
I haven't been in Sister Shannon's room
in a while.

300

00:16:25,526 --> 00:16:27,361
It's not really hers anymore, is it?

301

00:16:29,947 --> 00:16:32,574
You were close to her, I know.

302

00:16:34,576 --> 00:16:35,869
Maybe it's a curse.

303

00:16:37,454 --> 00:16:39,623
Bad things happen
to everyone I care about.

304

00:16:44,253 --> 00:16:45,754
When you first arrived here...

305

00:16:46,755 --> 00:16:50,467
well, I never expected you
to amount to much, if I'm being honest.

306

00:16:51,218 --> 00:16:53,971
A fair assessment, all things considered.

307

00:16:54,346 --> 00:16:57,141
Orphaned children tend to have
a difficult time connecting.

308

00:16:57,224 --> 00:16:58,475
My mother isn't dead.

309

00:16:58,559 --> 00:17:00,728
[Superion] Still, you grew up alone.

310

00:17:01,895 --> 00:17:04,023
But when you came here, something clicked.

311

00:17:04,690 --> 00:17:06,567
You connected with these young women.

312

00:17:07,609 --> 00:17:08,569
Protected them.

313

00:17:09,278 --> 00:17:10,654
And you kept your distance.

314

00:17:11,780 --> 00:17:13,907
Never allowing anyone to get too close.

315

00:17:16,076 --> 00:17:18,328
The Sisters think
it's because you don't care,

316

00:17:19,496 --> 00:17:21,623
but I know it's because you care too much.

317

00:17:23,292 --> 00:17:26,628
I have seen you stand up
to the most powerful forces in the world.

318

00:17:27,379 --> 00:17:29,006
Human and otherwise.

319

00:17:30,382 --> 00:17:31,258

But now...

320

00:17:32,301 --> 00:17:34,094

now you're betraying everything you are.

321

00:17:34,178 --> 00:17:35,596

Everything you taught us. For what?

322

00:17:36,597 --> 00:17:37,973

I serve the Church.

323

00:17:38,057 --> 00:17:39,516

Duretti isn't the Church.

324

00:17:40,434 --> 00:17:41,477

He's a man.

325

00:17:42,019 --> 00:17:44,938

One who puts himself before anyone,
including God.

326

00:17:51,820 --> 00:17:52,696

I'm sorry.

327

00:17:55,115 --> 00:17:56,784

I've seen the inside of a prison,

328

00:17:57,993 --> 00:17:59,995

but after each visit, I get to walk out.

329

00:18:02,247 --> 00:18:04,041

It seems to me you're stuck here.

330

00:18:18,263 --> 00:18:19,348

-[thuds]

-[Crimson grunts]

331

00:18:20,349 --> 00:18:21,934

You're not supposed to be here.

332

00:18:22,559 --> 00:18:23,936
Yeah, that makes two of us.

333

00:18:24,019 --> 00:18:25,437
-[Mary grunts]
-[blow smacks]

334

00:18:31,819 --> 00:18:34,363
[Jillian] The Divinium particulates
are keeping him alive.

335

00:18:34,446 --> 00:18:35,364
[beeping]

336

00:18:36,240 --> 00:18:38,117
I was never supposed to have a child.

337

00:18:38,826 --> 00:18:40,536
The doctors told me I couldn't.

338

00:18:41,703 --> 00:18:44,081
I tried everything, and nothing worked.

339

00:18:44,414 --> 00:18:45,415
[beeping continues]

340

00:18:47,835 --> 00:18:50,003
So I threw myself into medical science.

341

00:18:50,629 --> 00:18:53,048
Genetic engineering.
DNA modification. All of it.

342

00:18:53,924 --> 00:18:56,218
I tested it on myself.

343

00:18:57,970 --> 00:18:59,096
Eventually, it worked.

344

00:19:00,139 --> 00:19:02,182

My pregnancy was a medical marvel.

345

00:19:05,394 --> 00:19:06,895
He's been sick a long time.

346

00:19:07,563 --> 00:19:10,941
A blood disorder,
one unlike anyone has seen before.

347

00:19:11,024 --> 00:19:13,152
Without the Divinium coursing through him,

348

00:19:13,485 --> 00:19:14,570
there's no cure.

349

00:19:15,654 --> 00:19:17,239
Then what does that machine do?

350

00:19:18,240 --> 00:19:22,327
The ark isn't designed
to treat his disease.

351

00:19:23,412 --> 00:19:24,663
It's about the next step.

352

00:19:25,539 --> 00:19:27,708
A bridge to somewhere
that will allow him...

353

00:19:29,459 --> 00:19:30,586
to continue.

354

00:19:31,378 --> 00:19:33,255
There is something out there.

355

00:19:34,256 --> 00:19:39,011
It's right here, next to us,
existing on a parallel plane.

356

00:19:40,179 --> 00:19:41,305
Where we can be together.

357

00:19:43,015 --> 00:19:44,433
Where there's no more pain.

358

00:19:45,767 --> 00:19:46,685
[Ava] You're serious.

359

00:19:47,436 --> 00:19:49,980
Well, I haven't been able
to stabilize the energy field long enough

360

00:19:50,063 --> 00:19:52,858
to keep the door open,
but I can tell you it's very real.

361

00:19:54,026 --> 00:19:56,153
Every experiment we've run confirms it.

362

00:19:56,862 --> 00:20:00,657
It's a dimension where there's no disease
and no death.

363

00:20:02,284 --> 00:20:04,036
You're trying to create eternity.

364

00:20:04,453 --> 00:20:05,704
It already exists.

365

00:20:07,414 --> 00:20:08,790
I'm only opening the door.

366

00:20:10,167 --> 00:20:14,379
That's why I-- I tested you back there.
That's what all of this was.

367

00:20:14,463 --> 00:20:17,424
I thought your Halo
would be strong enough to power the Ark.

368

00:20:18,926 --> 00:20:20,010
Unfortunately...

369

00:20:20,802 --> 00:20:21,887
[Michael] I like her.

370
00:20:22,721 --> 00:20:24,598
I glow when she's around.

371
00:20:25,057 --> 00:20:25,974
[chuckles]

372
00:20:27,226 --> 00:20:28,060
I'm sorry.

373
00:20:28,560 --> 00:20:29,519
I'm not the one.

374
00:20:32,105 --> 00:20:33,273
I wish I could help.

375
00:20:34,191 --> 00:20:36,610
And I'm sorry I don't have the answers
you're looking for.

376
00:20:38,362 --> 00:20:39,279
[beeping continues]

377
00:20:39,363 --> 00:20:41,365
[Mary] We wait till dusk. Move in teams.

378
00:20:41,448 --> 00:20:43,659
Beatrice and I
will take out the security out back.

379
00:20:43,742 --> 00:20:45,285
Father Vincent will move the van.

380
00:20:45,369 --> 00:20:47,120
[Beatrice]
In this scenario, you have a van?

381
00:20:47,204 --> 00:20:48,789
[Mary] It's a work in progress.

382

00:20:48,872 --> 00:20:50,999
Now we get into Shannon's room.
We blow out the wall.

383

00:20:51,083 --> 00:20:52,501
[Vincent] Now there's explosives.

384

00:20:52,584 --> 00:20:55,671
[Mary] Well, if either of you have
a more discreet plan, chime in.

385

00:20:55,754 --> 00:20:58,840
[Beatrice] There's no version of any plan
that doesn't get us all excommunicated.

386

00:20:58,924 --> 00:21:00,759
We have lost everything
we've ever fought for.

387

00:21:00,842 --> 00:21:03,303
-There's nothing more to lose.
-[Beatrice] Maybe not for you.

388

00:21:03,387 --> 00:21:05,347
But I joined the Church
to save my eternal soul.

389

00:21:05,430 --> 00:21:07,766
[Mary] Oh, is that the version
of the story you're telling?

390

00:21:08,225 --> 00:21:10,394
There are worse things than Hell.

391

00:21:10,477 --> 00:21:12,980
Like letting Duretti get away with murder.

392

00:21:13,063 --> 00:21:16,275
Or letting him kill Ava
as soon as she walks through those doors.

393

00:21:19,987 --> 00:21:21,029

[Beatrice] Murder?

394

00:21:22,864 --> 00:21:25,242
That is a dangerous accusation.
He's a Cardinal.

395

00:21:25,325 --> 00:21:26,743
You don't think I know that?

396

00:21:26,827 --> 00:21:29,538
-I wouldn't be saying it if wasn't true.
-[Beatrice] You have evidence?

397

00:21:29,621 --> 00:21:31,790
In Shannon's room. I know it is.

398

00:21:31,873 --> 00:21:33,667
You want us to break into Cat's Cradle,

399

00:21:33,750 --> 00:21:36,169
fight our Sister Warriors
because of a hunch?

400

00:21:36,253 --> 00:21:37,963
It is more than a hunch.

401

00:21:38,964 --> 00:21:39,881
Think about it.

402

00:21:40,507 --> 00:21:43,051
We know that Shannon's death
wasn't an ambush.

403

00:21:43,135 --> 00:21:44,469
It was an assassination.

404

00:21:44,553 --> 00:21:45,554
An inside job.

405

00:21:45,637 --> 00:21:47,472
What would the Cardinal gain
by killing her?

406

00:21:48,098 --> 00:21:49,516
Duretti is ambitious.

407

00:21:49,599 --> 00:21:50,517
He's a climber.

408

00:21:50,976 --> 00:21:53,812
If the Pope was dying,
he'd be vying to fill that position.

409

00:21:53,895 --> 00:21:56,106
Maybe Shannon was standing in his way.

410

00:21:56,189 --> 00:21:58,191
Maybe there's more to the Pope's health
than we know.

411

00:21:58,275 --> 00:22:00,485
-Mary...
-Shannon was murdered, Beatrice.

412

00:22:01,069 --> 00:22:04,406
And I am gonna take down who did it,
even if I have to go it alone.

413

00:22:05,407 --> 00:22:06,241
[Mary huffs]

414

00:22:11,747 --> 00:22:16,043
If it was me, I would use the small door
in the back of the crypt.

415

00:22:17,627 --> 00:22:18,879
No one even remembers it.

416

00:22:20,297 --> 00:22:21,965
I'd still go the long way around,

417

00:22:22,507 --> 00:22:23,633
through the east wing,

418
00:22:25,052 --> 00:22:26,511
just to avoid any latecomers.

419
00:22:27,846 --> 00:22:28,889
So you're coming.

420
00:22:31,516 --> 00:22:32,392
I can't.

421
00:22:36,772 --> 00:22:38,190
But I'll be praying for you.

422
00:22:45,781 --> 00:22:47,032
[Kristian] Are you all right?

423
00:22:47,449 --> 00:22:48,742
[Ava] I can heal, remember?

424
00:22:48,825 --> 00:22:49,659
Yes, of course.

425
00:22:49,743 --> 00:22:51,078
[Kristian] What will you do now?

426
00:22:52,579 --> 00:22:54,456
Keep looking for answers, I guess.

427
00:22:54,915 --> 00:22:55,749
Me too.

428
00:22:56,500 --> 00:22:57,334
[Ava] Hmm.

429
00:22:58,377 --> 00:22:59,294
May I ask:

430
00:23:00,087 --> 00:23:01,922
Why did you really leave the Church?

431
00:23:02,381 --> 00:23:03,882

Did you see something that put you off?

432

00:23:03,965 --> 00:23:05,050
No, no, no.

433

00:23:05,759 --> 00:23:07,677
It was more what I didn't see.

434

00:23:12,724 --> 00:23:13,683
Growing up,

435

00:23:15,060 --> 00:23:16,311
I was an altar boy.

436

00:23:17,979 --> 00:23:21,024
And I prayed every day.
I did everything right.

437

00:23:22,484 --> 00:23:24,569
When my mother got sick,

438

00:23:25,737 --> 00:23:27,072
I asked for a miracle.

439

00:23:28,824 --> 00:23:29,741
It didn't come.

440

00:23:32,160 --> 00:23:32,994
[sniffs]

441

00:23:33,578 --> 00:23:35,080
I thought it was my fault.

442

00:23:35,914 --> 00:23:38,333
Maybe God didn't think I deserved one,

443

00:23:38,417 --> 00:23:42,045
so I threw myself into the Church
even deeper.

444

00:23:43,088 --> 00:23:47,759

At the Vatican, I watched thousands
of people coming and going every day,

445

00:23:48,552 --> 00:23:52,264
all wanting their own miracles
and never getting them.

446

00:23:53,849 --> 00:23:56,059
I started to question
the point of prayer...

447

00:23:57,102 --> 00:23:59,354
if there was no evidence it did anything.

448

00:24:01,523 --> 00:24:04,067
You were looking for your miracle
in the wrong place.

449

00:24:05,652 --> 00:24:07,571
Exactly why I had to leave.

450

00:24:08,280 --> 00:24:09,197
[Ava] So you came here.

451

00:24:09,281 --> 00:24:11,158
[Kristian]
I needed proof, one way or another.

452

00:24:12,826 --> 00:24:17,080
Is there anything real,
above and beyond ourselves?

453

00:24:18,498 --> 00:24:19,875
If I've realized anything,

454

00:24:20,375 --> 00:24:24,254
it's that we can't find clarity
in the intangible.

455

00:24:25,130 --> 00:24:28,383
It is better to put our faith in ourselves

456

00:24:28,884 --> 00:24:32,387
and our trust in those who've earned it.

457
00:24:35,182 --> 00:24:37,017
[bell tolling]

458
00:24:41,730 --> 00:24:45,400
[Mary] We have fought demons,
mercenaries, devil worshipers,

459
00:24:46,151 --> 00:24:48,612
but suddenly a piece of paper
is what destroys us?

460
00:24:49,529 --> 00:24:51,198
You've always trusted me.

461
00:24:51,281 --> 00:24:52,657
Why won't you trust me now?

462
00:24:53,825 --> 00:24:55,535
Are you that afraid
to stand up to Duretti?

463
00:24:55,619 --> 00:24:58,205
-I'm not afraid.
-No? Because that's what it seems like.

464
00:24:58,622 --> 00:25:01,541
You've turned your back on us.
You've turned your back on Shannon.

465
00:25:04,252 --> 00:25:06,630
I might as well have
pulled the trigger myself.

466
00:25:07,422 --> 00:25:08,798
What are you talking about?

467
00:25:10,634 --> 00:25:12,344
Shannon came to me weeks ago.

468

00:25:13,136 --> 00:25:14,221
She was troubled.

469

00:25:14,804 --> 00:25:18,683
I don't know why, but she was convinced
the Church was hiding something.

470

00:25:19,643 --> 00:25:22,896
That there was something in the Vatican
they were keeping from us.

471

00:25:25,023 --> 00:25:27,150
I told her if she wanted answers,

472

00:25:28,360 --> 00:25:29,986
she should talk to the Cardinal.

473

00:25:32,906 --> 00:25:34,658
If there was anyone who'd know...

474

00:25:38,495 --> 00:25:41,706
If she went to him, and he killed her...

475

00:25:44,125 --> 00:25:45,919
she's dead because of me.

476

00:25:53,927 --> 00:25:55,178
[Mary] Duretti did this.

477

00:25:55,845 --> 00:25:58,181
And I'm going to bring Hell
down on him for it.

478

00:26:06,940 --> 00:26:08,942
My first week, I messed up a lot.

479

00:26:09,025 --> 00:26:11,194
So I get not knowing
all the rules right away.

480

00:26:11,278 --> 00:26:13,613
But one big one is that

the armory cannot be accessed

481

00:26:13,697 --> 00:26:15,740
without permission from Mother Superior.

482

00:26:15,824 --> 00:26:18,493
I take my orders
from the Cardinal directly.

483

00:26:18,577 --> 00:26:19,995
And his instructions were:

484

00:26:20,078 --> 00:26:24,207
if any dismissed personnel return,
they're to be removed immediately.

485

00:26:24,666 --> 00:26:26,960
Surely he didn't mean with violence.

486

00:26:27,043 --> 00:26:28,670
By any means necessary.

487

00:26:29,087 --> 00:26:30,964
His words, not mine.

488

00:26:41,683 --> 00:26:43,518
[bus approaching]

489

00:27:31,691 --> 00:27:32,525
[Ava gasps]

490

00:27:33,276 --> 00:27:34,944
Mary! What the fuck?

491

00:27:35,028 --> 00:27:35,862
[Mary] Shit.

492

00:27:35,945 --> 00:27:37,030
You gotta watch yourself.

493

00:27:37,113 --> 00:27:38,490

No, seriously. What the fuck?

494

00:27:39,074 --> 00:27:41,701

While you were gone,
Duretti brought in replacements.

495

00:27:42,202 --> 00:27:43,953

Father Vincent, Beatrice, and I,

496

00:27:44,037 --> 00:27:45,246

we've all been reassigned.

497

00:27:45,830 --> 00:27:47,165

And you're here because...

498

00:27:50,627 --> 00:27:51,920

You knew I'd come back.

499

00:27:52,921 --> 00:27:54,714

You didn't want me walking into a trap.

500

00:27:54,798 --> 00:27:56,049

We can get into it later.

501

00:27:56,424 --> 00:27:57,592

You like me.

502

00:27:57,676 --> 00:27:58,593

Ah.

503

00:27:59,678 --> 00:28:00,845

You're gonna need this.

504

00:28:02,430 --> 00:28:03,306

[Ava sighs]

505

00:28:04,683 --> 00:28:05,684

It looks good on you.

506

00:28:05,767 --> 00:28:07,435

-I know. [laughs]

-[Mary groans]

507

00:28:07,519 --> 00:28:10,563
So, what? We bust through the front door,
kick some ass,

508

00:28:10,647 --> 00:28:13,441
-get what we need, and blow this joint?
-That is definitely not the plan.

509

00:28:13,525 --> 00:28:14,442
Come on.

510

00:28:14,526 --> 00:28:15,360
Okay.

511

00:28:19,906 --> 00:28:20,824
[Mary] This way.

512

00:28:22,701 --> 00:28:25,161
Whoa. Where does that go?

513

00:28:25,245 --> 00:28:26,287
The crypt.

514

00:28:26,371 --> 00:28:28,206
The door we bring in dead bodies.

515

00:28:28,748 --> 00:28:30,750
Well, in the movies,
they call this foreshadowing.

516

00:28:30,834 --> 00:28:33,586
We're never gonna get this done
if everything comes with commentary.

517

00:29:02,282 --> 00:29:03,116
[sighs]

518

00:29:03,199 --> 00:29:05,952
Question: You think there's another room
on the other side of this wall?

519

00:29:06,035 --> 00:29:08,496
Or you know there is?
Because if it's just more wall--

520

00:29:08,580 --> 00:29:09,539
I'm positive.

521

00:29:10,790 --> 00:29:11,791
Mostly.

522

00:29:13,126 --> 00:29:13,960
Okay.

523

00:29:15,128 --> 00:29:16,045
Good enough.

524

00:29:16,880 --> 00:29:18,214
[inhales, exhales]

525

00:29:22,010 --> 00:29:23,470
[gasping]

526

00:29:27,599 --> 00:29:28,600
[sighs] Oh.

527

00:30:07,847 --> 00:30:10,391
[Ava's voice]
"Sister Margarite. Sister Kim Ji-Yoo..."

528

00:30:11,309 --> 00:30:14,020
It's the Warrior Nuns. All of them.

529

00:30:17,190 --> 00:30:18,191
Come on, Ava.

530

00:30:18,608 --> 00:30:19,776
Let's get a move on it.

531

00:30:21,361 --> 00:30:22,195
[Mary grunts]

532
00:30:22,695 --> 00:30:24,197
[Crimson panting]

533
00:30:25,907 --> 00:30:28,785
[both gasping, grunting]

534
00:30:30,370 --> 00:30:33,373
[grunting continues]

535
00:30:38,336 --> 00:30:39,712
[both yell] Ah!

536
00:30:39,796 --> 00:30:41,589
-[Mary grunts] Oh!
-[Crimson screams]

537
00:30:41,673 --> 00:30:43,925
You know you didn't join
the Church of Satan, right?

538
00:30:44,008 --> 00:30:45,969
[both grunting]

539
00:30:55,019 --> 00:30:56,312
[Ava whispers] There's a secret.

540
00:31:01,276 --> 00:31:02,235
Shit.

541
00:31:04,946 --> 00:31:05,780
[gasps]

542
00:31:05,864 --> 00:31:07,407
[Crimson and Mary grunting]

543
00:31:07,490 --> 00:31:08,867
-Mary!
-[Mary thuds]

544
00:31:10,451 --> 00:31:12,203

Seriously? On the nose much?

545

00:31:12,662 --> 00:31:15,081
[Ava screaming]

546

00:31:15,164 --> 00:31:17,208
-Oh, that is not what I meant.
-[nunchucks clacking]

547

00:31:19,210 --> 00:31:20,044
[Crimson gasps]

548

00:31:20,128 --> 00:31:22,881
-You need a lesson in camaraderie.
-[Crimson] You're going to teach me?

549

00:31:22,964 --> 00:31:24,132
I've already beaten you once.

550

00:31:24,215 --> 00:31:26,217
Sometimes you need to lose a battle
to win a war.

551

00:31:26,634 --> 00:31:28,469
[Crimson grunting]

552

00:31:28,553 --> 00:31:29,470
Left hook.

553

00:31:29,554 --> 00:31:30,930
Right-handed choke hold.

554

00:31:31,431 --> 00:31:32,348
[Crimson cries out] Ah!

555

00:31:32,432 --> 00:31:33,600
[gagging]

556

00:31:33,683 --> 00:31:35,184
Beatrice is a badass.

557

00:31:35,268 --> 00:31:37,645
-Bit of an opening on your left.
-[Crimson grunting]

558
00:31:37,729 --> 00:31:39,272
-[Ava laughs] Oh!
-My right.

559
00:31:39,355 --> 00:31:40,398
Just say when.

560
00:31:41,190 --> 00:31:42,025
[cocks gun]

561
00:31:42,108 --> 00:31:43,693
-When.
-[Ava screams] No!

562
00:31:44,277 --> 00:31:47,780
[exploding]

563
00:31:51,326 --> 00:31:52,201
[coughs]

564
00:31:52,660 --> 00:31:53,786
[gasps]

565
00:31:53,870 --> 00:31:55,496
Ava! Ava!

566
00:31:55,663 --> 00:31:56,706
[Ava gasping]

567
00:31:56,789 --> 00:31:59,167
-[Beatrice] You okay?
-[Ava] Something's wrong.

568
00:31:59,584 --> 00:32:00,585
I can't move.

569
00:32:00,668 --> 00:32:02,128
[gasping]

570
00:32:02,211 --> 00:32:03,504
Can you feel my hand?

571
00:32:04,505 --> 00:32:06,049
[stammers] Yeah.

572
00:32:06,132 --> 00:32:09,177
Maybe you just overexerted yourself.
Probably just temporary.

573
00:32:09,260 --> 00:32:11,220
[whimpering, gasping]

574
00:32:11,304 --> 00:32:13,806
[Mary] C'mon.
We've got to get out of here. Come on.

575
00:32:14,641 --> 00:32:15,642
[Ava groaning]

576
00:32:17,560 --> 00:32:18,436
[Mary] Come on.

577
00:32:18,519 --> 00:32:21,522
[Ava grunting, gasping]

578
00:32:21,606 --> 00:32:23,650
Wait, the book. The book. The book.

579
00:32:30,156 --> 00:32:31,157
[guns cocking]

580
00:32:36,245 --> 00:32:37,455
-[Ava] Wait.
-[Beatrice] Ava.

581
00:32:37,538 --> 00:32:38,539
I got this.

582
00:32:40,083 --> 00:32:41,417

We're not your enemy.

583

00:32:41,918 --> 00:32:44,837
But if you try to stop us,
then you'll leave me no choice.

584

00:32:45,463 --> 00:32:47,715
I will kick
the ever-loving shit out of you

585

00:32:47,799 --> 00:32:49,550
because I am the goddamn Warrior Nu--

586

00:32:49,634 --> 00:32:50,551
[Ava screams]

587

00:32:50,635 --> 00:32:52,261
-[Beatrice] Ava!
-[Ava gasping]

588

00:32:52,345 --> 00:32:55,181
-[sword slides, clatters]
-[Ava grunting, gasping]

589

00:32:55,431 --> 00:32:56,349
[guns cock]

590

00:32:56,432 --> 00:32:57,517
[automatic gunfire rattling]

591

00:32:57,600 --> 00:33:00,228
[Camila shrieking] Ya!

592

00:33:02,480 --> 00:33:04,816
I really hope I got God's message right.

593

00:33:05,400 --> 00:33:08,319
[wailing]

594

00:33:15,952 --> 00:33:18,121
-[Beatrice] She's been shot.
-[Ava grunting]

595

00:33:21,666 --> 00:33:22,542
[Mary]]Hold on.

596

00:33:35,805 --> 00:33:38,307
[Beatrice] Pull over here.
We need to stop the bleeding.

597

00:33:40,143 --> 00:33:41,352
[tires screech]

598

00:33:43,312 --> 00:33:44,313
[gasping]

599

00:33:47,483 --> 00:33:48,609
You're gonna be okay.

600

00:33:51,029 --> 00:33:52,030
How's she doing?

601

00:33:52,780 --> 00:33:53,865
Well, she's smiling.

602

00:33:54,365 --> 00:33:55,867
I'll take that as a good sign.

603

00:33:58,411 --> 00:33:59,871
Shannon's part is at the end.

604

00:34:00,204 --> 00:34:03,249
[Ava panting]

605

00:34:13,426 --> 00:34:16,971
"There is a secret buried
at the heart of the Vatican.

606

00:34:18,598 --> 00:34:20,975
A power that anchors demons to our world,

607

00:34:23,227 --> 00:34:25,605
but they keep it a secret

for their own benefit.

608

00:34:27,190 --> 00:34:28,816
Telling him was a mistake.

609

00:34:29,484 --> 00:34:31,277
He wants to use it for himself."

610

00:34:38,576 --> 00:34:39,494
[closes book]

611

00:34:47,085 --> 00:34:47,919
[beeping]

612

00:34:48,002 --> 00:34:49,587
I'm sorry, sweetheart.

613

00:34:51,798 --> 00:34:53,007
I failed you.

614

00:35:02,475 --> 00:35:03,768
Where's Ava?

615

00:35:05,937 --> 00:35:07,230
She can't help us.

616

00:35:11,025 --> 00:35:13,194
She's the key that opens the door.

617

00:35:14,570 --> 00:35:15,530
No.

618

00:35:17,615 --> 00:35:19,033
No, Michael, she isn't.

619

00:35:20,034 --> 00:35:21,035
We tried.

620

00:35:21,536 --> 00:35:23,663
We tried, but the door wouldn't open.

621

00:35:24,747 --> 00:35:26,457
[Michael] Not that door, Mummy.

622

00:35:27,125 --> 00:35:28,626
The one on the ground.

623

00:35:29,669 --> 00:35:31,420
[beeping continues]

624

00:35:37,885 --> 00:35:39,887
[bells tolling]

625

00:35:42,890 --> 00:35:43,891
[door opens]

626

00:35:46,227 --> 00:35:48,312
[in Italian]
Your Holiness, I appreciate you seeing...

627

00:35:53,317 --> 00:35:54,777
[in Italian] Pray with me, Mother.

628

00:35:55,403 --> 00:35:56,612
The Pope is dead.

629

00:35:56,696 --> 00:35:58,698
[bells continue tolling]

630

00:36:04,412 --> 00:36:08,499
[in Italian] It is a strange but pleasant
surprise to see you on such a dark day.

631

00:36:09,375 --> 00:36:12,128
I hope you aren't here
because of trouble at the Order.

632

00:36:13,045 --> 00:36:13,921
No.

633

00:36:15,381 --> 00:36:16,924
[in Italian] I came for guidance.

634

00:36:18,259 --> 00:36:19,093

Ah.

635

00:36:20,803 --> 00:36:22,471

[in Italian] Well, it's time to go.

636

00:36:22,555 --> 00:36:26,017

The Vatican will be closed soon
for the Conclave, and there is much to do.

637

00:36:27,018 --> 00:36:28,519

God be with you, Mother.

638

00:36:31,147 --> 00:36:32,356

[in Italian] And with us all.

639

00:36:57,423 --> 00:37:02,178

[rumbling, chattering]
