BIG MOUTH

Episode 1:07: "Requiem for a Wet Dream"

Andrew struggles to keep the Hormone Monster in check as he works with Missy on a science fair project. Jessi and Matthew have fun at Jay's expense.

1
00:00:29,738 --> 00:00:30,822
[crack]

2
00:00:30,905 --> 00:00:32,782
- Oh, hey.
- Hello.

3
00:00:32,866 --> 00:00:36,119
Oh, is that...?
Going to take care of it.

4
00:00:42,667 --> 00:00:44,502
I need this so bad.

5
00:00:44,586 --> 00:00:46,671
You don't know how far I came.

6
00:00:46,755 --> 00:00:48,923
If I can close my eyes, I can...

7
00:00:49,007 --> 00:00:50,759
Oh, really?

8
00:00:50,842 --> 00:00:53,803
Yeah, honey.
Yeah, honey... yeah...

9
00:00:53,887 --> 00:00:55,472
[groaning]

10
00:00:55,555 --> 00:00:58,183
[sighs] Oh, we fucking came together.

11
00:01:00,977 --> 00:01:03,730
[sizzling and gurgling]

12
00:01:03,813 --> 00:01:06,816
[roaring]

13
00:01:06,900 --> 00:01:08,610

And that's pretty much how it happened.

14

00:01:08,693 --> 00:01:12,113
So, life started because a giant alien
had sex with the Earth?

15

00:01:12,197 --> 00:01:14,365
I don't know.
That sounds like Scientology.

16

00:01:14,449 --> 00:01:16,659
Yup, of everyone they got the closest.

17

00:01:51,194 --> 00:01:53,696
As you know, the science fair next week
is a chance to embrace

18

00:01:53,780 --> 00:01:55,698
the true spirit of experimentation.

19

00:01:55,782 --> 00:01:57,951
- Science fair buddies again?
- You want an A.

20

00:01:58,034 --> 00:02:00,787
- I'm fine with a C.
- And we'll end up with a B.

21

00:02:00,870 --> 00:02:02,288
What-- what's this?
What are we doing now?

22

00:02:02,372 --> 00:02:03,998
- We're doing a fist bump.
- Ah.

23

00:02:04,082 --> 00:02:07,418
Because the football program has taken
part of our budget for legal fees,

24

00:02:07,502 --> 00:02:09,504
this year we'll be breaking up
into teams of three.

25

00:02:09,587 --> 00:02:11,339
[voice echoing]

26

00:02:14,259 --> 00:02:16,970
Devin is mine!

27

00:02:17,053 --> 00:02:19,305
[screaming]

28

00:02:20,390 --> 00:02:21,808
Guys, over here!

29

00:02:21,891 --> 00:02:23,560
I don't think we can work with Jessi.

30

00:02:23,643 --> 00:02:26,062
Yeah, it will be impossible to spend
all that time with her

31

00:02:26,146 --> 00:02:27,438
and not tell her what we saw.

32

00:02:27,522 --> 00:02:30,233
That we saw her mom
lez out with another woman?

33

00:02:30,316 --> 00:02:32,527
I put it in our spank bank.
It's all digital now.

34

00:02:33,111 --> 00:02:35,155
Hand down. You're with me, Glazer.

35

00:02:35,238 --> 00:02:37,282
We just need a third.
Like an idiot to make fun of.

36

00:02:37,365 --> 00:02:40,201
Okay. So, who were you thinking?
Ooh, the Go-Gurt burglar?

37

00:02:40,285 --> 00:02:44,080

- [giggles]

- No, his geisha giggle weirds me out.

38

00:02:44,164 --> 00:02:47,208

I was thinking...

[gasps] male Frida.

39

00:02:47,292 --> 00:02:49,961

- Andrew! Nick! Guys, over here!

- Oh, Jay?

40

00:02:50,044 --> 00:02:52,422

- Oh, I don't know.

- He's perfect.

41

00:02:52,505 --> 00:02:55,008

He's ridiculous,

and he's kind of cute, right?

42

00:02:55,091 --> 00:02:56,968

- Eww. No.

- Oh, come on.

43

00:02:57,051 --> 00:03:00,430

He's like a sexy Neanderthal.

Jay! Get over here!

44

00:03:00,513 --> 00:03:02,765

- You're on our team.

- Fuck yes! Ha ha!

45

00:03:02,849 --> 00:03:06,019

Chosen! Hey, Nick, Andrew,

I'm joining Matthew's team.

46

00:03:06,102 --> 00:03:08,646

We're gonna bury you fags.

47

00:03:08,730 --> 00:03:09,814

That's what I'm talking about.

48

00:03:09,898 --> 00:03:12,275
Oh, shit, Jessi and Jay are both taken.

49
00:03:12,358 --> 00:03:13,192
- Oh.
- [screaming]

50
00:03:13,276 --> 00:03:14,903
That's it, Missy. She's really smart.

51
00:03:14,986 --> 00:03:17,280
- Missy, do you want to be our partner?
- Whoa! Really?

52
00:03:17,363 --> 00:03:19,908
- Oh, yeah, I like that.
- I can't work with Missy.

53
00:03:19,991 --> 00:03:23,870
Come on, do a little work, kissy-kissy,
ride her aboard, humpy-humpy.

54
00:03:23,953 --> 00:03:26,372
No, no, no, no!
She makes me very nervous.

55
00:03:26,456 --> 00:03:29,918
I get all dizzy, and I don't know
if I'm gonna barf or cum in my pants.

56
00:03:30,001 --> 00:03:31,669
Either way, it's sweet release.

57
00:03:31,753 --> 00:03:33,588
- Hi, Andrew.
- Hi, Missy. I want--

58
00:03:33,671 --> 00:03:35,131
- [muffled retch]
- [gulps]

59
00:03:35,215 --> 00:03:37,008
- Welcome to the team.

- Thanks.

60

00:03:37,091 --> 00:03:38,218
I really can't wait to--

61

00:03:38,301 --> 00:03:39,344
- [muffled retch]
- [gulps]

62

00:03:39,427 --> 00:03:40,929
Oh. That was a little vomit,

63

00:03:41,012 --> 00:03:44,307
and I think it happened
because I am truly excited

64

00:03:44,390 --> 00:03:47,810
to join you in this odyssey
of inquiry and exploration.

65

00:03:47,894 --> 00:03:50,772
Stay away from Devin.

66

00:03:50,855 --> 00:03:52,440
- [groans]
- [giggles]

67

00:03:53,149 --> 00:03:56,986
Anyway, as far as water coolers go,
you see that new Seinfeld yesterday?

68

00:03:57,070 --> 00:03:58,696
That show has been off the air for years.

69

00:03:58,780 --> 00:04:02,492
Yeah, well, there was a new one
on WGN last night.

70

00:04:02,575 --> 00:04:06,537
Kramer, you know, the cool one,
he ordered a coffee that was so hot,

71

00:04:06,621 --> 00:04:10,166
he's gonna sue the place, you know,
which I thought was extreme, but...

72

00:04:10,250 --> 00:04:11,834
Yeah, uh, okay.

73

00:04:11,918 --> 00:04:14,921
Anyway, speaking of coffee,
I'm a Sanka man.

74

00:04:15,004 --> 00:04:16,214
I'm a Keurig lady.

75

00:04:16,297 --> 00:04:19,175
Whoa! Is there banter happening here?

76

00:04:19,259 --> 00:04:21,844
Miss Benitez weighs in with the Keurig.

77

00:04:21,928 --> 00:04:23,388
That's a tough word to say.

78

00:04:23,471 --> 00:04:25,223
Well, you could just say K-cups.

79

00:04:25,306 --> 00:04:29,978
Uh-oh! She said it again!
Saying stuff directly to me! K-cups!

80

00:04:30,061 --> 00:04:33,439
That's for Keur-- Keurig. Courage.

81

00:04:33,523 --> 00:04:35,066
You give me courage.

82

00:04:35,149 --> 00:04:36,734
Oh, thanks, Steve.

83

00:04:36,818 --> 00:04:39,112
I'm looking for some help
with the science fair.

84

00:04:39,195 --> 00:04:41,698
Okay, I'll do it, AKA sign me up,

85

00:04:41,781 --> 00:04:45,702
AKA I am not able to sign myself up,
AKA I cannot read.

86

00:04:45,785 --> 00:04:47,412
Well, maybe I can help you with that.

87

00:04:47,495 --> 00:04:49,205
Well, that would be--
[muffled retch]

88

00:04:49,289 --> 00:04:50,540
Are you okay, Steve?

89

00:04:50,623 --> 00:04:54,919
[gulps] Am I okay?
Nobody has ever asked me that before.

90

00:04:55,003 --> 00:04:58,798
You know what? Spoiler alert, I am
gonna help you with that science fair,

91

00:04:58,881 --> 00:05:00,508
but it's not gonna be "science fair."

92

00:05:00,591 --> 00:05:03,970
Spoiler alert,
it's gonna be "science awesome."

93

00:05:04,053 --> 00:05:05,430
That's so funny, Steve.

94

00:05:07,056 --> 00:05:09,183
Sorry about that.
That's the Sanka coming back up.

95

00:05:09,267 --> 00:05:11,436
You're the man, Steve.

96

00:05:11,519 --> 00:05:14,439
No, you're the man,
my Hormone Monster dude.

97

00:05:14,522 --> 00:05:16,774
Are you gonna eat that vomit?

98

00:05:18,192 --> 00:05:21,946
Okay. For our project, I'm thinking
we do the science of three pointers.

99

00:05:22,030 --> 00:05:24,449
Andrew and I will shoot hoops,
and, Missy, you can do the math.

100

00:05:24,532 --> 00:05:28,369
Oh, boy, look at her going to town
on that hummus and celery.

101

00:05:28,453 --> 00:05:29,579
Two can play at that game.

102

00:05:29,662 --> 00:05:33,416
Suck down a couple of those loose scallops
that Daddy packed for you.

103

00:05:33,499 --> 00:05:36,044
No, gross.
I will not eat in front of her.

104

00:05:36,127 --> 00:05:39,338
- It's too embarrassing.
- May I propose a project?

105

00:05:39,422 --> 00:05:41,966
What if we made a model
of the Yellowstone Caldera?

106

00:05:42,050 --> 00:05:45,553
It's a super volcano, and when it blows,
the ash cloud will destroy farmland,

107

00:05:45,636 --> 00:05:48,389
- clog rivers and suffocate entire cities.
- That sounds devastating.

108

00:05:48,473 --> 00:05:50,141
I'll send you some really troubling links.

109

00:05:50,224 --> 00:05:52,101
I'd like that. I'd like that very much.

110

00:05:52,185 --> 00:05:54,145
Okay, we've got two solid options,

111

00:05:54,228 --> 00:05:56,481
super volcano or shooting threes.

112

00:05:56,564 --> 00:05:58,399
Those in favor of super volcano?

113

00:05:58,483 --> 00:06:00,777
- Uh, I'm sorry.
- Okay.

114

00:06:00,860 --> 00:06:03,696
Two betas beat one alpha,
good to know.

115

00:06:04,530 --> 00:06:07,867
All right, dum-dums, I don't even know
if you can handle the idea that I've got.

116

00:06:07,950 --> 00:06:10,495
[gasps] Jessi, can we handle it?

117

00:06:10,578 --> 00:06:13,414
I'm wearing a second pair of underwear.
Let's do this.

118

00:06:13,498 --> 00:06:16,375
Good call, 'cause I'm about
to shit your pants.

119

00:06:16,459 --> 00:06:20,379
Our project is about the magic
of teleportation.

120

00:06:21,255 --> 00:06:24,842
First off,
confusing science and magic... mmwah!

121

00:06:24,926 --> 00:06:26,803
But we have a big problem.

122

00:06:26,886 --> 00:06:29,514
Jessi and I are too scared
to lead the presentation.

123

00:06:29,597 --> 00:06:32,058
I could do it. I could do it.
[stammers] Jay will do it.

124

00:06:32,141 --> 00:06:33,684
Oh, thank goodness.

125

00:06:33,768 --> 00:06:36,729
And I was thinking we should just wear,
like, our regular boring clothes, right?

126

00:06:36,813 --> 00:06:39,273
Oh, my God. What are you, crazy?

127

00:06:39,357 --> 00:06:42,443
Matthew and I will be wearing
matching vests and shiny shirts.

128

00:06:42,527 --> 00:06:45,696
And Jessi will be wearing
a tight little skirt-- ooh.

129

00:06:45,780 --> 00:06:49,325
Unless you wanna wear the skirt, Matthew,
but I think gay and trans are different?

130

00:06:49,408 --> 00:06:52,537

No, no, they are the same
and you should tell people that.

131

00:06:52,620 --> 00:06:54,122

- I will.

- This is fun.

132

00:06:54,205 --> 00:06:56,707

But if we don't have an actual project,
we're gonna get an F.

133

00:06:56,791 --> 00:06:59,585

Oh, Marnie. Shout-out to Girls.

134

00:06:59,669 --> 00:07:02,588

Relax, our project
is right in front of us.

135

00:07:02,672 --> 00:07:05,091

We're gonna make a science documentary.

136

00:07:05,174 --> 00:07:07,093

- [pigeon cooing]

- The Delusion of Illusion:

137

00:07:07,176 --> 00:07:10,096

The Lonely World of a Child Magician.

138

00:07:12,306 --> 00:07:13,391

So, you and Missy, huh?

139

00:07:14,142 --> 00:07:15,268

What about me and Missy?

140

00:07:15,351 --> 00:07:17,603

Ah, come on,
you wanna slam-dunk her pussy.

141

00:07:17,687 --> 00:07:20,106

- Jesus.

- Come on, Andrew. You obviously like her.

142

00:07:20,189 --> 00:07:21,732
I don't like her. I just--

143
00:07:21,816 --> 00:07:24,777
I just think about her all the time
and my ears get hot--

144
00:07:24,861 --> 00:07:28,239
Yeah, and your dick gets hot too.
Oh, maybe it's got a fever.

145
00:07:28,322 --> 00:07:30,241
Stick a thermometer in its little mouth.

146
00:07:30,324 --> 00:07:32,034
Ugh! That sounds so painful.

147
00:07:32,118 --> 00:07:33,453
You like her. You should ask her out.

148
00:07:33,536 --> 00:07:36,289
I'm definitely not doing that.
What if she says no?

149
00:07:36,372 --> 00:07:37,457
Dude, she'll say yes.

150
00:07:37,540 --> 00:07:41,169
That's even worse, Nick,
'cause then we'll date,

151
00:07:41,252 --> 00:07:43,754
and I'll tell her all my secrets,
and then we'll break up,

152
00:07:43,838 --> 00:07:45,673
and she'll tell everyone else my secrets,

153
00:07:45,756 --> 00:07:46,924
and then the whole school will know

154
00:07:47,008 --> 00:07:48,968

about these milk baths
my mom gives me for eczema.

155

00:07:49,051 --> 00:07:51,137

- Andrew, may I be blunt?

- But, of course.

156

00:07:51,220 --> 00:07:53,973

Opportunities like this might be
somewhat rare for you.

157

00:07:54,056 --> 00:07:56,267

What are you saying?

That most of the time I'm gonna like girls

158

00:07:56,350 --> 00:07:58,895

and they won't like me back
so I should seize this opportunity?

159

00:07:58,978 --> 00:08:01,230

- Yeah, that makes sense.

- Yes, Andrew, seize the day,

160

00:08:01,314 --> 00:08:02,773

and here's how you're gonna do it.

161

00:08:02,857 --> 00:08:05,902

Okay. So here's the key.

Missy is at the baseline.

162

00:08:05,985 --> 00:08:08,196

You're gonna pass it down to her.

That's asking her out.

163

your head out of your ass?

490
00:22:31,099 --> 00:22:31,933
Okay, okay.

491
00:22:32,017 --> 00:22:33,685
Assistants are better seen, not heard.

492
00:22:33,769 --> 00:22:38,648
Now, as you can see,
the booth is empty, as is this booth.

493
00:22:38,732 --> 00:22:40,317
Wha-- what are you guys doing here?

494
00:22:40,400 --> 00:22:42,194
We thought you might need
a couple assistants.

495
00:22:42,277 --> 00:22:44,863

And we didn't want to be blamed
for your suicide.

496

00:22:44,946 --> 00:22:47,115
Okay. Let's do this.

497

00:22:47,199 --> 00:22:51,661
Ladies and gentlemen, behold,
the science of teleportation.

498

00:22:51,745 --> 00:22:53,246
[electricity crackling]

499

00:22:54,331 --> 00:22:56,291
Holy shit. It worked.

500

00:22:56,374 --> 00:22:57,667
Jay, we did it!

501

00:22:57,751 --> 00:22:59,878
No, Jessi. I did it.

502

00:22:59,961 --> 00:23:01,338
Still the worst.

503

00:23:01,421 --> 00:23:03,924
Our project is the Yellowstone Caldera,

504

00:23:04,007 --> 00:23:07,761
a sleeping giant ready to awaken
at any moment.

505

00:23:07,844 --> 00:23:11,014
Hot, thick fluids bubbling up from below.

506

00:23:11,098 --> 00:23:15,685
Swelling, thrusting, crustal stretching.

507

00:23:15,769 --> 00:23:17,813
I can't. I can't keep it together, man.

508

00:23:17,896 --> 00:23:20,607
I'm not strong enough. I'm really sorry.

509
00:23:20,690 --> 00:23:22,567
- Sorry for what?
- For what I'm about to do.

510
00:23:22,651 --> 00:23:25,987
And when the pressure builds,
it needs to release.

511
00:23:26,071 --> 00:23:27,197
- [rumbling]
- Oh, my God! Whoa!

512
00:23:29,116 --> 00:23:31,618
Everything's fine, kids.
It's just a small tremor.

513
00:23:31,701 --> 00:23:33,912
Okay. Everybody keep your friends close.

514
00:23:33,995 --> 00:23:35,539
Keep going, Missy. You're doing great.

515
00:23:35,622 --> 00:23:37,499
I... I can't. I...

516
00:23:37,582 --> 00:23:39,501
Andrew, can you please take over?

517
00:23:39,584 --> 00:23:41,795
- Oh, no.
- What's wrong?

518
00:23:41,878 --> 00:23:42,963
Uh...

519
00:23:43,046 --> 00:23:44,965
- My...
- Oh, boy.

520

00:23:45,048 --> 00:23:46,591
- [groans]
- [rumbling]

521
00:23:46,675 --> 00:23:48,802
- Whoa!
- Oh, God!

522
00:23:48,885 --> 00:23:49,970
Shit!

523
00:23:50,053 --> 00:23:51,513
Missy, come with me.

524
00:23:51,596 --> 00:23:54,307
No, you're out of control, Andrew!

525
00:23:55,058 --> 00:23:56,476
We're all out of control.

526
00:23:56,560 --> 00:23:58,812
Suck my stump, Maurice.

527
00:23:58,895 --> 00:24:00,605
Yeah, suck his sick little dick.

528
00:24:00,689 --> 00:24:02,941
All right. I don't know what's going on.

529
00:24:03,024 --> 00:24:04,776
- [metal clanging]
- Fuck!

530
00:24:04,860 --> 00:24:09,072
Do you take Coach Steve to be
your lawfully wedded husband?

531
00:24:09,156 --> 00:24:09,990
I do.

532
00:24:10,073 --> 00:24:11,783
Hallelujah!

533
00:24:11,867 --> 00:24:14,035
- [cracking]
- [electricity crackling]

534
00:24:14,119 --> 00:24:15,287
Oh, my God!

535
00:24:15,370 --> 00:24:16,872
[children screaming]

536
00:24:16,955 --> 00:24:18,039
Missy! Whaah!

537
00:24:18,790 --> 00:24:19,708
[squeaking]

538
00:24:19,791 --> 00:24:20,792
Oh, you like it? Bad girl.

539
00:24:25,046 --> 00:24:26,840
Andrew, you knucklehead.

540
00:24:26,923 --> 00:24:29,050
...are also intended to teach us...

541
00:24:30,135 --> 00:24:33,138
And there will be a day of reckoning,

542
00:24:33,221 --> 00:24:35,515
as the hot lava blasts forth...

543
00:24:35,599 --> 00:24:38,393
[voice changing]
and cleanses the Earth of sin,

544
00:24:38,476 --> 00:24:42,147
for you cannot control
the power of nature.

545
00:24:43,064 --> 00:24:44,816

[cackling]

546

00:24:47,402 --> 00:24:48,236
[gasps]

547

00:24:49,487 --> 00:24:51,990
No!

548

00:24:52,991 --> 00:24:54,618
Shit!

549

00:24:54,701 --> 00:24:55,869
[gasps]

550

00:24:57,078 --> 00:24:58,997
Ugh! It's everywhere.

551

00:24:59,080 --> 00:25:01,041
- [squishing]
- It's between my goddamn toes.

552

00:25:01,124 --> 00:25:04,211
I told you the volcano would blow.
You can't ignore me. I'm here to stay.

553

00:25:04,294 --> 00:25:07,339
- Like Nick Cannon.
- So it was all a wet dream?

554

00:25:07,422 --> 00:25:08,965
I honestly don't know.

555

00:25:09,049 --> 00:25:11,134
I think the Jessi and Jay stuff was real.

556

00:25:11,218 --> 00:25:15,222
- What about the bath mat?
- She's real, and she's spectacular.

557

00:25:15,305 --> 00:25:16,890
Hey, that's from Seinfeld.

558

00:25:16,973 --> 00:25:19,559

- Question: am I still dreaming?

- I think so.

559

00:25:19,643 --> 00:25:21,519

Okay, 'cause I wasn't
in the teacher's lounge

560

00:25:21,603 --> 00:25:23,688

when Coach Steve was,
like, talking about Seinfeld.

561

00:25:23,772 --> 00:25:24,731

Right, right, right.

562

00:25:24,814 --> 00:25:29,402

Let's just agree that maybe I've seen all
of this and that this dream is possible.

563

00:25:29,486 --> 00:25:31,571

What did you think
about the Garrison Keillor part? Too far?

564

00:25:31,655 --> 00:25:33,490

That part made me uncomfortable.

565

00:25:33,573 --> 00:25:35,242

Yeah, at the time, it seemed funny.

566

00:25:35,325 --> 00:25:37,118

No, and I like fucked up stuff like that.

567

00:25:37,202 --> 00:25:39,496

- You know, Netflix insisted on it.

- Really?

568

00:25:39,579 --> 00:25:43,500

[The Notorious B.I.G. "Juicy" playing]
