B O D Y G U A R D

Episode 1.06: "Episode 6"

When Budd's connection to the shooter is revealed, he becomes a police target. But his reunion with Chanel causes much more serious problems.

1

00:00:13,160 --> 00:00:15,240
Sergeant David Budd, Metropolitan Police.

2

00:00:15,320 --> 00:00:18,480
British Transport Police have put out
an alert on a possible suicide bomber.

3

00:00:18,560 --> 00:00:19,920
[breathes heavily]

4

00:00:20,000 --> 00:00:22,760
Don't do that, please!
Just stay still. Stay still.

5

00:00:25,120 --> 00:00:28,040
-[Nadia] You have children?
-Yes, I do. Two.

6

00:00:28,480 --> 00:00:31,600
That's Ella. She's ten.
Charlie, he's eight.

7

00:00:32,360 --> 00:00:35,200
[Andrew Marr] The government is intent
on forcing through a beefed-up

8

00:00:35,280 --> 00:00:38,720
Regulation of Investigatory Powers Act,
RIPA-18,

9

00:00:38,800 --> 00:00:41,600
as it's been dubbed, spearheaded by you.

10

00:00:41,680 --> 00:00:44,920
Only those intent on acts of violence
have anything to fear.

11

00:00:45,000 --> 00:00:46,760
I want you right beside me,

12

00:00:46,840 --> 00:00:49,880

not because it's your job...
but because it's our choice.

13

00:00:49,960 --> 00:00:55,600
This is a very, very dangerous politician,
someone who must be stopped.

14

00:01:02,240 --> 00:01:04,840
Despite the heroic efforts
of our emergency services...

15

00:01:05,920 --> 00:01:10,200
the Home Secretary, Julia Montague,
succumbed to her injuries

16

00:01:10,280 --> 00:01:13,120
and was pronounced dead a short while ago.

17

00:01:13,400 --> 00:01:14,240
[gunshot]

18

00:01:15,200 --> 00:01:16,360
Someone tampered with my gun.

19

00:01:16,440 --> 00:01:19,320
-The police searched your flat.
-If they found an illegal firearm,

20

00:01:19,400 --> 00:01:22,240
they'd seize it. They wouldn't change
the bullets for blanks.

21

00:01:23,000 --> 00:01:25,680
The PM's asked me to step up
to Acting Home Secretary.

22

00:01:25,760 --> 00:01:28,840
Now, it goes without saying,
I'd never wish in a million years

23

00:01:28,920 --> 00:01:30,880
to assume this role
under these circumstances.

24

00:01:30,960 --> 00:01:34,120
There's a simple, plausible story
for you to stick to,

25

00:01:34,200 --> 00:01:36,240
and you will stick to it.

26

00:01:36,320 --> 00:01:40,560
Finally, we've got your shooter,
Sergeant Andrew Apsted.

27

00:01:40,840 --> 00:01:44,720
Served in Helmand Province, two tours.
This could be the original bomb-maker.

28

00:01:45,480 --> 00:01:49,560
The war in the desert, we've brought it
back to the streets of Britain.

29

00:01:50,040 --> 00:01:52,480
Andrew Apsted, we need more on him,

30

00:01:52,560 --> 00:01:55,080
who he joined the Army with,
who he served with.

31

00:01:55,360 --> 00:01:56,720
And where did he get that rifle?

32

00:01:57,040 --> 00:01:59,240
A PSL with no history
traceable back to me.

33

00:01:59,720 --> 00:02:01,480
Maybe I can make a couple of calls.

34

00:02:04,880 --> 00:02:08,160
-I thought they were sending you a cab
-Yeah, I don't need their shitty cab.

35

00:02:08,560 --> 00:02:11,960

Chanel Dyson was the late
Home Secretary's PR, until she was fired.

36

00:02:13,080 --> 00:02:15,240
Thank you for being a sweetheart that day.

37

00:02:15,320 --> 00:02:18,320
-You're very welcome.
-'Cause I was going to suggest a drink.

38

00:02:20,320 --> 00:02:23,160
The male subject has been identified
as Luke Aikens.

39

00:02:23,240 --> 00:02:27,760
Aikens is believed to be a senior figure
in organized criminal enterprises.

40

00:02:29,360 --> 00:02:32,400
Nadia, we're desperate to find the person
who's been creating these devices.

41

00:02:34,200 --> 00:02:35,600
Is this the man your husband met?

42

00:02:36,920 --> 00:02:39,920
-Only problem is they know about you.
-That'll be David Budd.

43

00:02:40,640 --> 00:02:42,200
He's the one who challenged me.

44

00:02:42,280 --> 00:02:46,560
A few days before she was killed, the Home
Secretary received a visit from Longcross.

45

00:02:47,040 --> 00:02:49,080
He supplied her with a file of kompromat

46

00:02:49,160 --> 00:02:50,600
she shared with the Prime Minister.

47

00:02:50,680 --> 00:02:54,000
She offered them greater powers in return
for the compromising material.

48

00:02:54,080 --> 00:02:56,640
A series of scandals, all covered up,

49

00:02:56,720 --> 00:02:58,840
a sexual assault, drug addiction,

50

00:02:58,920 --> 00:03:00,240
financial impropriety.

51

00:03:01,320 --> 00:03:03,480
Last night, I learned
they relate to the Prime Minister.

52

00:03:04,600 --> 00:03:08,400
The kompromat wasn't with the Home
Secretary at the time of the explosion.

53

00:03:10,120 --> 00:03:11,240
It's still out there.

54

00:03:11,560 --> 00:03:14,040
They seem pretty sure if anyone knows
where it's hidden, you do.

55

00:03:16,920 --> 00:03:20,520
Julia Montague's home was thoroughly
searched, all of her devices seized.

56

00:03:22,280 --> 00:03:23,600
There was no tablet found.

57

00:03:31,000 --> 00:03:33,800
[news report #1] Six long weeks
have passed since the incident

58

00:03:33,880 --> 00:03:35,960
that triggered the current terror alert.

59

00:03:36,040 --> 00:03:39,480
[news report #2] The Metropolitan Police
remain on the highest level of vigilance,

60

00:03:39,560 --> 00:03:43,680
responding to terror alerts on
a daily basis, most of them false alarms.

61

00:03:43,760 --> 00:03:46,440
[news report #3] Police
and Security Service MI5 stand

62

00:03:46,520 --> 00:03:50,920
at an almost unprecedented level of
alertness to a home-grown terror threat.

63

00:03:51,000 --> 00:03:54,440
Yet still, there have been
no further arrests, no breakthrough,

64

00:03:54,520 --> 00:03:56,880
and the assassination
of Home Secretary Julia Montague...

65

00:03:56,960 --> 00:03:57,840
[turns radio off]

66

00:03:58,320 --> 00:03:59,440
[phone bleeps]

67

00:04:04,440 --> 00:04:08,920
[Chanel] Hey, David, it's Chanel.
Um, it was really lovely to run into you.

68

00:04:09,000 --> 00:04:10,880
I meant it about that drink. Maybe...

69

00:04:10,960 --> 00:04:12,400
[ringing tone]

70

00:04:13,160 --> 00:04:16,880
[Chanel] David. I was getting worried
you were never going to call me back.

71

00:04:17,399 --> 00:04:18,880
Anything to play hard to get.

72

00:04:19,360 --> 00:04:22,560
[Chanel laughs] Uh, well, let's meet up.
I know just the place.

73

00:04:24,760 --> 00:04:26,160
[drill whirs]

74

00:04:56,640 --> 00:04:57,560
Ma'am.

75

00:05:01,800 --> 00:05:02,800
As you were.

76

00:05:04,480 --> 00:05:05,760
-Ma'am.
-Deepak.

77

00:05:06,040 --> 00:05:08,000
-Sorry, nobody told me--
-I wanted an update.

78

00:05:08,480 --> 00:05:11,480
Yes, ma'am. We've now interviewed
all the security staff on duty

79

00:05:11,560 --> 00:05:13,760
the night before the bombing
at St. Matthew's College.

80

00:05:14,400 --> 00:05:18,040
They all claim not to have witnessed
any kind of break-in or intruder.

81

00:05:18,120 --> 00:05:20,480
-Claim?
-The bomb didn't plant itself, ma'am.

82

00:05:20,960 --> 00:05:23,600

Maybe we're looking at bribery
and/or intimidation.

83

00:05:23,680 --> 00:05:26,920
They also needed access to CCTV
to delete part of the recording.

84

00:05:27,320 --> 00:05:30,320
-This sounds like a new line of inquiry.
-Yes, ma'am.

85

00:05:31,440 --> 00:05:34,440
Luke Aikens. We're exploring
whether he played a role

86

00:05:34,520 --> 00:05:36,400
in the assassination
of the Home Secretary.

87

00:05:36,480 --> 00:05:40,480
Possible motivation: to prevent increased
scrutiny into criminal communications.

88

00:05:40,560 --> 00:05:41,920
-RIPA-18?
-Yes, ma'am.

89

00:05:42,000 --> 00:05:44,720
Aikens is a significant player
in organized crime.

90

00:05:45,480 --> 00:05:48,640
As you know, ma'am, he's always
successfully avoided criminal charges.

91

00:05:48,720 --> 00:05:49,760
As I know?

92

00:05:50,920 --> 00:05:54,400
Uh, yes. I saw in the file.
You led the Organized Crime Unit.

93

00:05:57,640 --> 00:06:00,200

Across the investigations
into Aikens' activities.

94

00:06:03,440 --> 00:06:07,080
That was some time ago. Why wasn't I
informed about this new line of inquiry?

95

00:06:07,160 --> 00:06:09,320
-I'm sorry, ma'am--
-Who initiated it?

96

00:06:09,800 --> 00:06:11,800
I'm acting on information from David Budd.

97

00:06:21,640 --> 00:06:23,560
Every step forward, we take one back.

98

00:06:41,600 --> 00:06:42,760
Something happen, boss?

99

00:06:44,320 --> 00:06:47,480
There's always been whispers Luke Aikens
had senior officers in his pocket...

100

00:06:48,200 --> 00:06:51,680
officers prepared to sabotage
investigations into his criminal empire.

101

00:06:52,480 --> 00:06:53,480
Our officers?

102

00:06:56,440 --> 00:06:59,960
There's so much of the Home Secretary's
assassination we can't put together.

103

00:07:00,040 --> 00:07:04,160
A lot of it can be explained if,
all along, there's been an inside man...

104

00:07:05,720 --> 00:07:06,720
or woman.

105

00:07:08,440 --> 00:07:10,640
[dance music]

106
00:07:18,280 --> 00:07:19,200
You made it.

107
00:07:23,760 --> 00:07:25,560
Never one to turn down a free drink.

108
00:07:25,640 --> 00:07:27,680
We have a table downstairs,
if that's okay.

109
00:07:27,760 --> 00:07:30,400
-It's your manor, your rules.
-What would you like to drink?

110
00:07:30,840 --> 00:07:33,400
-Uh, a beer's fine, please.
-Oh.

111
00:07:33,480 --> 00:07:37,120
Cheap date. The same again, please,
but we'll have them downstairs.

112
00:07:37,200 --> 00:07:38,400
[barmaid] Sure, Chanel.

113
00:07:41,600 --> 00:07:44,920
-Welcome to my manor.
-Actually, it was good running into you.

114
00:07:45,320 --> 00:07:46,480
Because here we are.

115
00:07:47,000 --> 00:07:47,960
That, too.

116
00:07:48,040 --> 00:07:52,040
Uh, when you finished at the Home Office,
I heard a few things.

117

00:07:52,400 --> 00:07:54,520
-About me?
-Yeah, about you.

118
00:07:55,120 --> 00:07:57,680
They were always beefing me.
What was it this time?

119
00:07:58,320 --> 00:08:01,040
Your money comes from companies
registered offshore.

120
00:08:01,560 --> 00:08:02,640
So?

121
00:08:02,960 --> 00:08:05,840
I think there was a concern
these companies weren't fully legit.

122
00:08:05,920 --> 00:08:09,480
Listen, David, you're not
a business person, and I'm certainly not.

123
00:08:09,560 --> 00:08:11,680
I have clever people
to do all that for me,

124
00:08:11,760 --> 00:08:14,800
so we could sit here
and talk about corporate law all night

125
00:08:14,880 --> 00:08:18,120
-and neither of us would be any the wiser.
-Fair point.

126
00:08:18,200 --> 00:08:19,840
[both giggle]

127
00:08:21,120 --> 00:08:22,440
Paid for with Nazi gold.

128
00:08:23,040 --> 00:08:24,200
[he chuckles]

129

00:08:25,480 --> 00:08:26,400

Thank you.

130

00:08:30,360 --> 00:08:31,760

-Cheers.

-Cheers.

131

00:08:40,400 --> 00:08:43,320

-What?

-Just trying to figure you out.

132

00:08:45,320 --> 00:08:49,800

Well, depending on who you talk to,
I'm either deceptively deep...

133

00:08:49,880 --> 00:08:51,280

or deceptively shallow.

134

00:08:52,080 --> 00:08:53,560

Either way, you're deceptive.

135

00:08:56,640 --> 00:08:57,640

What's wrong?

136

00:08:57,720 --> 00:08:58,560

I'm sorry.

137

00:09:03,600 --> 00:09:04,640

Well?

138

00:09:06,320 --> 00:09:08,520

Uh, belt on the right-hand side.

139

00:09:16,280 --> 00:09:18,320

[Luke] We don't normally allow coppers.

140

00:09:21,480 --> 00:09:23,120

We definitely don't allow them.

141

00:09:24,000 --> 00:09:25,360

Makarov, is that right?

142

00:09:26,120 --> 00:09:27,840
Looks like someone's been talking.

143

00:09:29,240 --> 00:09:32,360
You go around asking for a PSL,
it's going to come to my attention.

144

00:09:33,800 --> 00:09:35,000
You supply Andy Apsted?

145

00:09:40,120 --> 00:09:41,240
Tell me one thing.

146

00:09:43,280 --> 00:09:44,880
He come to you, or did you go to him?

147

00:09:46,680 --> 00:09:48,000
Well, here's a question for you.

148

00:09:49,600 --> 00:09:50,680
Is that thing loaded?

149

00:09:51,720 --> 00:09:52,720
What do you think?

150

00:09:54,480 --> 00:09:56,480
It's what it's loaded with that matters.

151

00:10:00,320 --> 00:10:01,640
You swapped in the blanks?

152

00:10:05,440 --> 00:10:06,720
[David grunts]

153

00:10:07,760 --> 00:10:08,680
[grunts]

154

00:10:14,000 --> 00:10:16,960
Apologies, everyone.

The lad's just had too much to drink.

155

00:10:17,040 --> 00:10:18,680
Try not to let it spoil your evening.

156

00:10:31,640 --> 00:10:34,200
Sarge, you're gonna want to log in
to Thornton Circus.

157

00:10:34,280 --> 00:10:36,080
-We've got something on Andrew Apsted.
-Yeah?

158

00:10:52,560 --> 00:10:53,880
[sighs, strikes desk]

159

00:10:59,480 --> 00:11:02,320
Boss. We've completed cross-checks

160

00:11:02,400 --> 00:11:05,400
on everyone Andrew Apsted
served alongside with in the army.

161

00:11:06,080 --> 00:11:10,920
Apsted was posted to Helmand Province
with 16 Engineer Regiment in 2009.

162

00:11:11,000 --> 00:11:15,000
Now, there were a number
of operations carried out

163

00:11:15,080 --> 00:11:16,960
alongside the Royal Albion Regiment.

164

00:11:17,040 --> 00:11:20,080
And serving in the Royal Albion
at that time was, um...

165

00:11:20,960 --> 00:11:22,440
[sighs]

166

00:11:23,440 --> 00:11:24,520

...was David Budd.

167

00:11:24,760 --> 00:11:26,400

-Shit.

-[slaps papers on desk]

168

00:11:26,920 --> 00:11:29,840

Yeah. Yeah, it gets worse.

169

00:11:31,760 --> 00:11:34,880

Budd went back to Julia Montague's house
and broke in via the back entrance.

170

00:11:34,960 --> 00:11:37,440

That's unguarded.

I mean, he appears to have keys.

171

00:11:38,200 --> 00:11:42,120

He must've got them cut when he was her
PPO, which is suspicious enough in itself.

172

00:11:43,200 --> 00:11:47,400

He was on the premises for minutes, which
means he knew exactly what he was after.

173

00:11:47,480 --> 00:11:48,520

Yeah. The kompromat.

174

00:11:49,760 --> 00:11:50,920

You were right, boss.

175

00:11:52,720 --> 00:11:54,600

There's been an inside man all along.

176

00:11:55,960 --> 00:11:58,320

-The fucker has played me since day one.

-He's played us all!

177

00:12:00,560 --> 00:12:02,360

We're going to be
the ones to bring him in.

178

00:12:04,840 --> 00:12:06,160
Let's find the bastard.

179

00:12:15,160 --> 00:12:18,360
[Control] Observations for a male
wanted in connection with the murder

180

00:12:18,440 --> 00:12:19,760
of Julia Montague.

181

00:12:19,840 --> 00:12:24,920
Police Sergeant David Budd,
IC1 male, early 30s, dark hair.

182

00:12:25,000 --> 00:12:28,040
Subject may be armed
and is extremely dangerous.

183

00:12:28,120 --> 00:12:31,800
Repeat, David Budd is to be treated
as extremely dangerous.

184

00:12:36,440 --> 00:12:38,200
[breathes heavily]

185

00:12:44,760 --> 00:12:45,840
[gasps]

186

00:12:50,240 --> 00:12:51,520
[gasps]

187

00:12:59,280 --> 00:13:00,680
[nearby siren wails]

188

00:13:19,440 --> 00:13:22,080
[pants softly]

189

00:13:48,960 --> 00:13:50,000
[grunts softly]

190

00:14:13,400 --> 00:14:14,840
[pants softly]

191

00:14:32,560 --> 00:14:33,960
-[pants softly]
-[door bangs]

192

00:14:38,720 --> 00:14:42,560
Mrs. Budd, do you know
the name, Andrew Apsted?

193

00:14:43,240 --> 00:14:44,080
No.

194

00:14:44,160 --> 00:14:46,520
Apsted and David served
in Afghanistan together.

195

00:14:47,240 --> 00:14:49,960
Apsted had a history of post-traumatic
stress and took his own life.

196

00:14:51,360 --> 00:14:55,280
One of our current lines of inquiry is
Apsted and your husband were accomplices

197

00:14:55,360 --> 00:14:57,960
in the Thornton Circus attempt
on the Home Secretary's life.

198

00:14:59,520 --> 00:15:03,120
-No... No. Dave would never--
-David has lied.

199

00:15:03,200 --> 00:15:05,800
And lied to all of us... you included.

200

00:15:06,760 --> 00:15:09,600
And our priority now
is to bring him safely into custody.

201

00:15:10,480 --> 00:15:13,360
Has he said anything to you
that might shed some light on his plans?

202

00:15:14,760 --> 00:15:18,720
Um... Well, he did say one thing
the last time I saw him,

203

00:15:18,800 --> 00:15:20,400
which really worried me.

204

00:15:20,480 --> 00:15:24,400
He said, um, he needed to act now
before it was too late.

205

00:15:24,760 --> 00:15:26,640
I... Is he in danger?

206

00:15:26,720 --> 00:15:30,360
I believe what David meant by
"before it's too late" is before his link

207

00:15:30,440 --> 00:15:32,040
to Andrew Apsted was detected.

208

00:15:32,800 --> 00:15:34,680
Hence all the lies and the betrayals.

209

00:15:35,880 --> 00:15:38,920
Now, I'd like you to accompany me
to Walworth Police Station

210

00:15:39,000 --> 00:15:40,440
to help with our inquiries, okay?

211

00:15:41,160 --> 00:15:44,360
Vicky, Ella and Charlie are safe and well,
no sightings of David.

212

00:15:44,800 --> 00:15:47,440
We've dispatched an officer to the school
for safeguarding purposes.

213

00:15:48,080 --> 00:15:50,720
No. Dave would never hurt the kids. Never.

214

00:15:51,240 --> 00:15:52,280
Who would he hurt?

215

00:16:00,720 --> 00:16:03,720
Madam, don't be alarmed.
Please, can I use your telephone?

216

00:16:03,800 --> 00:16:05,800
Please, I just need some help,
ma'am, please.

217

00:16:10,600 --> 00:16:12,600
Madam, stop, police officer.

218

00:16:13,360 --> 00:16:16,000
I understand the state I look.
My name's Police Sergeant David Budd.

219

00:16:16,080 --> 00:16:18,400
-Do you have a mobile telephone, please?
-Uh...

220

00:16:18,720 --> 00:16:21,560
All I need you to do is call 999
and hold the phone on speaker,

221

00:16:21,640 --> 00:16:24,800
so I can contact the police operator.
The call's free of charge.

222

00:16:26,120 --> 00:16:28,080
Madam, it's an emergency. Please.

223

00:16:30,840 --> 00:16:31,920
Thank you.

224

00:16:32,560 --> 00:16:33,400
[ringing tone]

225

00:16:33,960 --> 00:16:35,960
[operator] Emergency,
which service do you require?

226

00:16:36,040 --> 00:16:37,880

-Police.

-Putting you through now.

227

00:16:39,760 --> 00:16:41,720

[woman] Police. What is your emergency?

228

00:16:41,800 --> 00:16:43,920

PS David Budd, using a member

of the public's phone.

229

00:16:44,000 --> 00:16:47,160

I am status zero on... Saltmarsh Street.

230

00:16:48,240 --> 00:16:52,080

-Can you confirm your name, please?

-Police Sergeant David Budd.

231

00:16:53,720 --> 00:16:55,480

Units are on their way, PS Budd.

232

00:16:55,560 --> 00:16:58,120

Please return the phone

to the member of the public.

233

00:17:00,600 --> 00:17:01,640

What's going on?

234

00:17:08,040 --> 00:17:09,000

Shit.

235

00:17:30,200 --> 00:17:32,400

[woman] Obs on David Budd.

Saltmarsh Street.

236

00:17:32,480 --> 00:17:34,280

Received. Saltmarsh Street, blue-light it.

237

00:17:34,760 --> 00:17:37,280

[siren wails]

238

00:17:37,360 --> 00:17:38,320
[tires squeal]

239

00:17:40,160 --> 00:17:43,080
-What's going on?
-I need your full cooperation, Vicky.

240

00:17:43,160 --> 00:17:45,360
This could turn
into a negotiation situation.

241

00:17:49,840 --> 00:17:50,800
[siren wails]

242

00:17:56,840 --> 00:17:58,240
[sirens wail]

243

00:18:10,760 --> 00:18:12,720
Control, Trojan, stand by for sit rep.

244

00:18:15,480 --> 00:18:16,960
Did you see where he went?

245

00:18:17,040 --> 00:18:19,520
-[sirens wail]
-Extend the search outwards.

246

00:18:21,640 --> 00:18:24,080
Come with me. Trojan, sit rep.

247

00:18:24,160 --> 00:18:26,200
-[police radio]
-Unarmed. Clear to enter.

248

00:18:26,280 --> 00:18:27,640
[sirens wail]

249

00:18:33,360 --> 00:18:35,400
-Sarge.
-PS Mason, ma'am.

250

00:18:35,480 --> 00:18:39,040
Lorraine Craddock, Budd's boss.
I hope I can talk him into cooperating.

251
00:18:39,120 --> 00:18:41,080
-Ma'am.
-[approaching siren]

252
00:18:49,840 --> 00:18:53,640
Ma'am, DS Rayburn, SO15.
I've got Budd's wife with me.

253
00:18:54,800 --> 00:18:55,640
[gasps]

254
00:19:01,240 --> 00:19:03,240
I'm cooperating. Don't shoot!

255
00:19:03,920 --> 00:19:05,480
Armed police! Hands in the air!

256
00:19:05,560 --> 00:19:07,440
-Don't shoot!
-Hands in the air!

257
00:19:07,520 --> 00:19:10,360
-I can't.
-[Craddock] David, please do as we say!

258
00:19:10,440 --> 00:19:12,640
-No one needs to get hurt!
-I need to explain.

259
00:19:12,720 --> 00:19:16,080
-[officer] Raise your hands!
-[Craddock] David, please raise your hand!

260
00:19:16,720 --> 00:19:18,000
[officer] Final warning!

261
00:19:18,080 --> 00:19:20,120
Raise... your... hands...

262
00:19:22,000 --> 00:19:23,480
-Shit!
-Pull back!

263
00:19:25,320 --> 00:19:26,520
Clear the area!

264
00:19:29,560 --> 00:19:30,800
David, don't move!

265
00:19:30,880 --> 00:19:34,320
-Stay perfectly still!
-It's a dead man's switch.

266
00:19:35,680 --> 00:19:37,160
Anything happens to me, it'll go off.

267
00:19:37,600 --> 00:19:40,320
-[Trojan] Control, active message.
-Go ahead, Trojan.

268
00:19:40,400 --> 00:19:42,400
I didn't do this! You need to believe me!

269
00:19:42,480 --> 00:19:45,440
Subject armed with PBIED.
Require safe route.

270
00:19:45,920 --> 00:19:48,360
-We need Expo here and a negotiator.
-Ma'am.

271
00:19:49,680 --> 00:19:53,520
Charlie Yankee Five Seven, request
Expo and Negotiator to Saltmarsh Street.

272
00:19:53,800 --> 00:19:57,360
I didn't do this. I was put in this vest!

273
00:19:57,440 --> 00:19:59,960
-Get him away from all these buildings.
-Agreed.

274

00:20:00,040 --> 00:20:01,840
[sirens wail]

275

00:20:01,920 --> 00:20:04,240
We need to move you
to a less built-up area!

276

00:20:04,320 --> 00:20:08,240
-It's a DMS. Don't shoot!
-You need you to comply.

277

00:20:08,320 --> 00:20:10,680
I am complying! Do not shoot!

278

00:20:10,760 --> 00:20:14,240
Turn around slowly
with your hands in the air.

279

00:20:14,920 --> 00:20:17,840
[Control]
Trojan, route via Saltmarsh Mews.

280

00:20:17,920 --> 00:20:19,800
-[officer] Wait!
-[breathes heavily]

281

00:20:20,760 --> 00:20:25,240
Taking the street to your right,
walk there slowly now.

282

00:20:25,320 --> 00:20:26,280
[breathes heavily]

283

00:20:28,200 --> 00:20:32,480
Control from Trojan, active message.
Request directions to safe area.

284

00:20:35,440 --> 00:20:40,080
-Just keep moving. No sudden moves.
-[Control] Destination is Pope Square.

285

00:20:40,160 --> 00:20:42,960
Approximately 500 meters southwest--

286
00:20:43,040 --> 00:20:44,640
Armed Police, get back!

287
00:20:44,720 --> 00:20:46,480
[Control] Left turn into Pope Lane.

288
00:20:47,040 --> 00:20:51,360
Followed by right turn into Pope Square.
Traffic control and air ops

289
00:20:51,440 --> 00:20:52,680
covering the route.

290
00:20:52,760 --> 00:20:54,600
[officer] Received. Keep walking.

291
00:21:12,680 --> 00:21:15,000
Sir, we're just tapping
into the CCTV camera now.

292
00:21:18,680 --> 00:21:20,480
-[sirens wail]
-Get out of the park!

293
00:21:20,560 --> 00:21:21,880
Keep it moving!

294
00:21:28,560 --> 00:21:31,840
[officer] Keep moving, as far away
from the buildings as possible.

295
00:21:31,920 --> 00:21:33,640
[sirens wail]

296
00:21:36,400 --> 00:21:38,360
[officer] Keep moving! Clear the area.

297
00:21:40,480 --> 00:21:42,520
Keep moving! Everyone keep moving.

298

00:21:42,880 --> 00:21:46,480
Control, Trojan, subject now
confined to Pope Square.

299

00:21:46,880 --> 00:21:48,680
Require critical-shot authorization.

300

00:21:49,080 --> 00:21:50,640
[control] Received, stand by.

301

00:21:57,040 --> 00:22:00,360
He says it's trigger-activated.
Are we safe to get a radio to him?

302

00:22:00,440 --> 00:22:02,400
-Ma'am?
-If we're going to get him to surrender,

303

00:22:02,480 --> 00:22:04,080
we'll need to be able to talk.

304

00:22:12,000 --> 00:22:14,720
David, I'm going to lay the radio down
for you, okay?

305

00:22:15,880 --> 00:22:17,760
Do not move yet!

306

00:22:19,160 --> 00:22:20,120
Okay!

307

00:22:20,200 --> 00:22:22,200
[sirens and helicopter]

308

00:22:28,920 --> 00:22:30,720
Bring the wife, just in case, okay?

309

00:22:31,160 --> 00:22:32,480
Got the radio? Cheers.

310

00:22:37,800 --> 00:22:39,400
Stay still until I tell you!

311
00:22:42,280 --> 00:22:43,200
Okay.

312
00:22:48,040 --> 00:22:49,040
Pick up the radio!

313
00:23:10,280 --> 00:23:11,280
Back to back on two.

314
00:23:12,560 --> 00:23:15,120
David, please listen to me very carefully.

315
00:23:16,000 --> 00:23:18,760
I really hope this can be resolved
with no one getting hurt.

316
00:23:19,800 --> 00:23:23,840
For your own sake,
for your family and colleagues,

317
00:23:23,920 --> 00:23:25,840
please give yourself up.

318
00:23:28,080 --> 00:23:32,200
Ma'am, I've tried to remove the vest.
It's booby-trapped with coax connectors

319
00:23:32,280 --> 00:23:34,920
across the clasps.
They're wired to the control unit.

320
00:23:35,680 --> 00:23:37,440
I give you my solemn promise...

321
00:23:37,960 --> 00:23:41,880
Your previous good service and the effect
of your recent traumatic experiences

322
00:23:41,960 --> 00:23:43,520

will be taken into account.

323

00:23:44,040 --> 00:23:46,520
Ma'am, you're not listening to me.
I was knocked unconscious.

324

00:23:46,600 --> 00:23:50,520
When I came round, I was in this vest
with my thumb taped to the DMS.

325

00:23:50,920 --> 00:23:55,880
David, you've got to be straight with us.
You hid your relationship with Apsted.

326

00:23:56,400 --> 00:23:59,360
You hid your involvement
in Julia Montague's assassination.

327

00:23:59,440 --> 00:24:02,240
I had nothing to do
with Julia's assassination! Nothing!

328

00:24:02,320 --> 00:24:03,880
I tried to save her!

329

00:24:04,440 --> 00:24:07,200
David, you've betrayed everyone's trust.

330

00:24:07,880 --> 00:24:09,360
We won't be fooled again.

331

00:24:09,960 --> 00:24:11,440
I'm telling the truth!

332

00:24:14,120 --> 00:24:16,480
I'm sorry, David. I did my best for you.

333

00:24:18,000 --> 00:24:20,560
What? Your best? What are you doing?

334

00:24:21,480 --> 00:24:23,960
-This is an SO15 operation.

-Ma'am, what are you doing?

335

00:24:27,360 --> 00:24:29,440
[Rayburn] David, let's try and stay calm.

336

00:24:29,520 --> 00:24:32,400
-[breathes heavily]
-David, are you receiving me?

337

00:24:32,680 --> 00:24:34,080
Vic, get away from here!

338

00:24:34,760 --> 00:24:37,120
-Dave, they want me here.
-Get away!

339

00:24:39,280 --> 00:24:42,000
Just get Expo here, Louise.
Please, get me out of this thing.

340

00:24:42,080 --> 00:24:44,720
Stay still and keep your hands
where we can see them.

341

00:24:45,600 --> 00:24:49,400
My hand is on the DMS.
What's the matter with you? Are you blind?

342

00:24:50,000 --> 00:24:51,640
No, David.

343

00:24:52,200 --> 00:24:56,520
I'm being set up! The people that did this
to me, they're the ones who killed Julia!

344

00:24:59,280 --> 00:25:00,200
Okay, David.

345

00:25:02,720 --> 00:25:06,320
Louise, I know I betrayed your trust.
I lied about Andy Apsted.

346

00:25:06,400 --> 00:25:08,680
If I'd come clean,
I'd have been the fall guy.

347

00:25:08,760 --> 00:25:11,320
The people that really killed Julia
would've gotten away with it.

348

00:25:11,400 --> 00:25:13,760
I didn't want to lie. I had to!

349

00:25:13,840 --> 00:25:15,920
-David, please just do what they say!
-She's fine.

350

00:25:16,760 --> 00:25:18,960
David, you need help, please!

351

00:25:19,040 --> 00:25:20,640
Vic, I'm telling the truth!

352

00:25:22,040 --> 00:25:25,200
-[Control] Trojan, Control.
-Go ahead, Control.

353

00:25:26,080 --> 00:25:29,440
Message from SFC.
Critical shot authorized.

354

00:25:30,080 --> 00:25:30,920
Received.

355

00:25:35,320 --> 00:25:36,560
Line of fire, behind me.

356

00:25:41,800 --> 00:25:44,080
I know I lied, I hid things,
but you have to understand,

357

00:25:44,160 --> 00:25:46,360
I had nothing to do
with Andy trying to kill Julia.

358

00:25:46,440 --> 00:25:50,040
Nothing to do with the bomb that
killed her. I wanted to know who did it.

359

00:25:50,120 --> 00:25:52,960
I don't know who did it.
It was Security Service,

360

00:25:53,040 --> 00:25:56,280
organized crime, terrorism,
that's what I was trying to find out.

361

00:25:58,480 --> 00:26:00,280
-[radio chatter]
-[officer] Pictures up.

362

00:26:00,360 --> 00:26:04,560
[Control] Also an SO15 DS
awaiting Silver to be, status six.

363

00:26:04,640 --> 00:26:06,720
[Sharma] Control, Silver seconds away.

364

00:26:07,560 --> 00:26:09,400
-[Hunter-Dunn] Get me live with the field.
-Sir.

365

00:26:10,000 --> 00:26:13,040
-[David] I know you think I'm lying.
-Any RT revealing what he's told them?

366

00:26:13,120 --> 00:26:15,280
-No, sir.
-Get this blown up.

367

00:26:15,560 --> 00:26:18,560
-Sir.
-[David] ...the conspiracy to kill Julia.

368

00:26:18,640 --> 00:26:21,480
[David, distantly] There were security
pictures of St. Matthew's College.

369

00:26:21,560 --> 00:26:23,880
They knew about
the Home Secretary's itinerary.

370

00:26:24,560 --> 00:26:26,680
-[officer] By me, sir.
-Silver, status six.

371

00:26:26,760 --> 00:26:27,760
Control, received.

372

00:26:27,840 --> 00:26:31,000
-Boss.
-Any idea what explosive's in the device?

373

00:26:31,080 --> 00:26:34,680
Not yet, no, boss. I wouldn't hold
much store in Budd's answers either.

374

00:26:34,760 --> 00:26:36,760
It's been a stream of bullshit
since day one!

375

00:26:36,840 --> 00:26:39,360
All right, Louise, I hear you,
but let's lower the temperature.

376

00:26:39,840 --> 00:26:41,440
-What channel?
-Two.

377

00:26:42,800 --> 00:26:44,400
David, Deepak Sharma, receiving?

378

00:26:45,320 --> 00:26:46,240
Receiving.

379

00:26:47,920 --> 00:26:49,560
What can you tell us about the PBIED?

380

00:26:52,080 --> 00:26:55,880
It resembles the device worn by Nadia Ali

during the 1st of October attack.

381

00:26:57,280 --> 00:26:58,720
How can you be so sure?

382

00:26:58,800 --> 00:27:00,960
I saw hers up close
before it was con-exed.

383

00:27:01,280 --> 00:27:03,520
The HE, the detonators, the control unit.

384

00:27:03,600 --> 00:27:05,120
Mine appear exactly the same.

385

00:27:05,200 --> 00:27:06,640
You understand our doubts here, mate?

386

00:27:06,720 --> 00:27:10,240
Our inquiries led us to the probability
of an inside man in the force,

387

00:27:10,320 --> 00:27:14,080
who conspired in the security breaches
to assassinate the Home Secretary.

388

00:27:14,400 --> 00:27:16,160
I'm not the inside man!

389

00:27:16,240 --> 00:27:20,040
But here you are, wearing the exact same
PBIED employed by an active terror cell.

390

00:27:21,120 --> 00:27:24,560
This is how it happened, sir.
I was contacted by Chanel Dyson.

391

00:27:24,840 --> 00:27:28,760
She set a trap. I was ambushed
by Luke Aikens and put into this vest,

392

00:27:28,840 --> 00:27:31,800

to frame me, to point the finger away
from organized crime.

393

00:27:31,880 --> 00:27:33,560
You keep asking us to believe you

394

00:27:33,640 --> 00:27:36,760
and now you tell us you're arranging
a secret meeting with one of the suspects.

395

00:27:36,840 --> 00:27:41,240
I was trying to trace Andy Apsted's
PSL rifle! It was supplied by Luke Aikens.

396

00:27:41,320 --> 00:27:44,600
-It was his men that broke into my flat.
-Why do you think that, David?

397

00:27:44,680 --> 00:27:47,640
I used a pistol I brought back
from Afghanistan as bait.

398

00:27:47,720 --> 00:27:50,320
Luke knew all about it.
Knew it'd been tampered with.

399

00:27:54,400 --> 00:27:55,760
Look. Ask Vic! She knows.

400

00:27:55,840 --> 00:27:57,680
She knows.
She'll prove I'm telling the truth.

401

00:27:57,760 --> 00:27:59,120
Vicky, will you tell them?

402

00:28:00,160 --> 00:28:03,320
[sighs] He's telling the truth.

403

00:28:03,400 --> 00:28:07,000
The pistol, someone tampered with
the bullets, replaced them with blanks.

404

00:28:07,600 --> 00:28:08,600
How do you know?

405

00:28:09,800 --> 00:28:13,240
[sighs] After the Home Secretary died,
David tried to shoot himself.

406

00:28:13,840 --> 00:28:17,040
Why would Dave try and shoot himself
with a blank, unless he didn't realize

407

00:28:17,120 --> 00:28:19,480
-the gun had been tampered?
-[siren blares]

408

00:28:19,560 --> 00:28:20,520
Thank you.

409

00:28:22,800 --> 00:28:26,080
Clearly we need to look into this,
but we're being told

410

00:28:26,160 --> 00:28:28,360
you're suicidal
and now here you are in a suicide vest.

411

00:28:29,040 --> 00:28:31,680
No, no, no!
That's not it. That's not the point here!

412

00:28:32,160 --> 00:28:34,600
Where's this pistol now, mate?
You got it with you?

413

00:28:35,280 --> 00:28:38,840
No. Luke's men seized it before
they fitted the vest. Forget the pistol.

414

00:28:38,920 --> 00:28:41,760
The blank rounds are proof.
They are hidden in my flat.

415

00:28:41,840 --> 00:28:45,640
Maybe you can pull DNA, prints
from them to link it back to Luke's men.

416
00:28:45,720 --> 00:28:47,640
All this evidence you've kept hidden.

417
00:28:48,160 --> 00:28:50,800
We know you broke
into Julia Montague's flat.

418
00:28:51,800 --> 00:28:55,920
-Led me up the garden path on that, too.
-I am sorry about that, Louise.

419
00:28:56,000 --> 00:28:59,080
I had to. I couldn't risk what I found
being common knowledge.

420
00:28:59,160 --> 00:29:02,720
Why, David?
Why couldn't you trust your colleagues?

421
00:29:02,800 --> 00:29:05,880
Because of the conspiracy!
Because of the Security Service!

422
00:29:07,640 --> 00:29:09,600
I found where Julia hid the kompromat.

423
00:29:10,440 --> 00:29:12,360
-Phone.
-[David] The tablet.

424
00:29:12,440 --> 00:29:13,600
[Sharma] Where is it, David?

425
00:29:15,360 --> 00:29:18,560
My flat, downstairs, in the bathroom
above a spotlight.

426
00:29:20,400 --> 00:29:22,880
Budd's flat. Downstairs bathroom.

Above a spotlight.

427

00:29:23,200 --> 00:29:24,400
Seconds away.

428

00:29:24,480 --> 00:29:26,240
Budd's flat. Turn right.

429

00:29:27,800 --> 00:29:28,800
[horn blasts]

430

00:29:29,040 --> 00:29:30,360
Do you give consent to search?

431

00:29:31,560 --> 00:29:32,440
Yes, sir.

432

00:29:32,720 --> 00:29:35,360
[Sharma] I need a search team
to David Budd's address immediately.

433

00:29:36,160 --> 00:29:37,280
[David] Look at me.

434

00:29:40,760 --> 00:29:41,880
[mouths]

435

00:29:48,120 --> 00:29:49,480
They're changing radio channels!

436

00:29:58,520 --> 00:30:02,240
Security Service may be monitoring this.
Do not share via regular channels.

437

00:30:02,320 --> 00:30:06,240
Advise search team not to tamper with
the spotlight. Hold back from entering.

438

00:30:06,320 --> 00:30:07,320
[shot, clattering]

439

00:30:09,720 --> 00:30:12,040
-[Sharma] Received.
-What's the message? What's Budd say?

440
00:30:12,120 --> 00:30:14,000
Sorry, sir, they're too quick for us.

441
00:30:19,960 --> 00:30:22,400
[screams and groans]

442
00:30:22,480 --> 00:30:23,600
[siren blares]

443
00:30:27,160 --> 00:30:28,320
[gasps and groans]

444
00:30:31,720 --> 00:30:34,360
[groaning]

445
00:30:34,440 --> 00:30:37,080
[policeman] Armed police!
Get down on the ground!

446
00:30:37,160 --> 00:30:38,880
-Hands where I can see them.
-On the ground!

447
00:30:38,960 --> 00:30:40,200
-Search him!
-Don't move!

448
00:30:40,280 --> 00:30:42,440
[shrieking]

449
00:30:46,040 --> 00:30:46,960
One in custody.

450
00:30:48,040 --> 00:30:50,840
-Matching e-fit of Richard Longcross.
-Oh...

451
00:30:53,440 --> 00:30:54,320

[sighs]

452

00:30:55,080 --> 00:30:56,200
Fuck.

453

00:30:58,560 --> 00:30:59,560
Hold Expo!

454

00:31:02,720 --> 00:31:04,200
They need to get this thing off me!

455

00:31:06,000 --> 00:31:07,880
I would if I could, mate,
but you know the drill.

456

00:31:07,960 --> 00:31:10,320
There's a risk you'll trigger the device
and take us with you.

457

00:31:10,880 --> 00:31:12,840
I don't want anyone here getting hurt!

458

00:31:14,280 --> 00:31:16,040
My hand's aching on this DMS!

459

00:31:18,160 --> 00:31:19,480
I want to talk to my wife.

460

00:31:23,000 --> 00:31:25,800
It might be the last chance I get. Please.

461

00:31:33,120 --> 00:31:34,400
Go set-to-set on three.

462

00:31:36,600 --> 00:31:38,280
Press here when you want to talk.

463

00:31:42,680 --> 00:31:45,960
I've let you down, Vic, I know that,
but on our children's lives,

464

00:31:46,040 --> 00:31:48,960
I'm not a traitor,
I had nothing to do with Julia's murder.

465
00:31:50,880 --> 00:31:52,520
I'm sorry for what I've put you through.

466
00:31:55,320 --> 00:31:57,440
I'm sorry I've stopped
being the man you married.

467
00:32:00,040 --> 00:32:01,240
I've tried to explain,

468
00:32:01,320 --> 00:32:04,640
but... part of me never wants to explain
what the war did to me.

469
00:32:06,920 --> 00:32:10,800
Look, I never wanted it to touch you,
or us... but it has.

470
00:32:12,160 --> 00:32:14,040
I tried to stop it, but I couldn't.

471
00:32:15,840 --> 00:32:16,840
[sobs softly]

472
00:32:18,840 --> 00:32:22,880
I've failed as a husband, and as a father,
and that's the worst thing.

473
00:32:23,320 --> 00:32:24,800
I'm sorry. [he sobs softly]

474
00:32:26,080 --> 00:32:27,560
[sighs in exasperation]

475
00:32:27,640 --> 00:32:29,760
Help him! Why won't you help him?

476
00:32:31,360 --> 00:32:33,320

[buzz of helicopter]

477

00:32:34,320 --> 00:32:35,320
Please!

478

00:32:36,960 --> 00:32:38,560
Let me examine the device, sir.

479

00:32:44,800 --> 00:32:47,000
-Okay.
-Thank you, thank you!

480

00:32:47,480 --> 00:32:48,720
Ballistic shields.

481

00:32:50,120 --> 00:32:50,960
[exhales]

482

00:32:51,040 --> 00:32:53,040
[helicopter buzzes and sirens wail]

483

00:32:57,560 --> 00:32:58,600
[officer] With me.

484

00:33:04,800 --> 00:33:07,640
Any sudden moves, any shout from me...

485

00:33:08,200 --> 00:33:09,200
take him out.

486

00:33:10,840 --> 00:33:11,680
Hold.

487

00:33:24,200 --> 00:33:25,440
My name's Daniel Chung.

488

00:33:26,400 --> 00:33:28,600
I'm going to begin
by examining this device.

489

00:33:28,680 --> 00:33:29,600

Thank you.

490

00:33:30,400 --> 00:33:31,400
I'm David.

491

00:33:31,880 --> 00:33:36,360
David, remain perfectly still
with your hands facing me.

492

00:33:37,840 --> 00:33:41,640
Apart from the dead man's switch,
are there any other initiation devices?

493

00:33:41,720 --> 00:33:44,280
To the best of my knowledge, no.
[breathes heavily]

494

00:33:44,560 --> 00:33:46,400
David, keep pressure on the DMS.

495

00:33:48,400 --> 00:33:51,560
I need you to turn very slowly,
through 360 degrees,

496

00:33:51,640 --> 00:33:53,360
so I can inspect the whole device.

497

00:33:54,760 --> 00:33:56,400
[anxious breathing]

498

00:34:27,120 --> 00:34:27,960
Thank you.

499

00:34:28,920 --> 00:34:31,040
I don't see any hidden initiation devices.

500

00:34:32,679 --> 00:34:34,719
Now I'm gonna carry out
a closer examination.

501

00:34:34,800 --> 00:34:35,960
[David snuffles]

502

00:34:36,040 --> 00:34:38,480
Please remain completely still
maintaining pressure on the DMS.

503

00:34:38,800 --> 00:34:39,800
I will.

504

00:34:44,400 --> 00:34:49,440
[Daniel] The coax wires across the clasps
are wired into the control unit.

505

00:34:49,760 --> 00:34:51,679
I'm going to examine the control unit now.

506

00:34:52,639 --> 00:34:56,199
Please remain perfectly still for me,
David, maintaining pressure on the DMS.

507

00:35:06,000 --> 00:35:07,600
[anxious breathing]

508

00:35:33,280 --> 00:35:36,640
David, I've completed my examination.
Now I need to confer with my colleagues.

509

00:35:37,040 --> 00:35:41,280
Stay here, remaining perfectly still
and keep maintaining pressure on the DMS.

510

00:35:45,160 --> 00:35:46,160
No. Come back.

511

00:35:48,000 --> 00:35:48,920
Come back.

512

00:35:49,520 --> 00:35:51,360
[siren wails]

513

00:35:58,960 --> 00:36:00,000
[both] Ma'am.

514

00:36:00,320 --> 00:36:03,400
Great work on getting Longcross
into custody. Well done.

515

00:36:03,480 --> 00:36:05,920
Budd's device appears to be the work
of the original bomb-maker.

516

00:36:07,760 --> 00:36:09,080
[sobs]

517

00:36:10,760 --> 00:36:14,000
It's impossible to tell if he put it
on himself or someone did it to him.

518

00:36:14,960 --> 00:36:19,080
I read the report on the 1/10 device.
This is equally sophisticated.

519

00:36:19,160 --> 00:36:20,680
Can it be defused?

520

00:36:21,240 --> 00:36:24,560
I can try, but there's an extremely
high risk of detonation.

521

00:36:26,600 --> 00:36:27,600
What's happening?

522

00:36:30,600 --> 00:36:35,480
[sighs] This is Anne Sampson, David.
Tell us, are there other bombers at large?

523

00:36:36,560 --> 00:36:37,800
Not that I know of.

524

00:36:37,880 --> 00:36:39,480
Are further attacks planned?

525

00:36:42,280 --> 00:36:43,400
I don't know.

526

00:36:44,280 --> 00:36:47,880
-Who built the device you're wearing?
-Ma'am, this wasn't my doing.

527

00:36:47,960 --> 00:36:49,280
I don't know who built it.

528

00:36:55,120 --> 00:36:59,080
We've got no idea of the power of the
device or how long he can hold the DMS.

529

00:36:59,560 --> 00:37:01,760
Added to which,
Budd's got a history of deception

530

00:37:01,840 --> 00:37:05,480
and is highly likely to be the inside man
who's enabled this conspiracy.

531

00:37:07,480 --> 00:37:09,040
[anxious breathing]

532

00:37:11,600 --> 00:37:15,000
Get everyone to pull back outside
the cordons and we'll re-spin the wheel.

533

00:37:18,880 --> 00:37:20,760
-Deepak.
-Ma'am.

534

00:37:21,360 --> 00:37:22,560
Everyone, pull back!

535

00:37:23,480 --> 00:37:24,400
Pull back.

536

00:37:27,000 --> 00:37:28,280
David.

537

00:37:29,040 --> 00:37:30,000
Please!

538

00:37:31,120 --> 00:37:32,200
Mrs. Budd.

539

00:37:32,280 --> 00:37:33,760
I'm innocent! Please!

540

00:37:34,320 --> 00:37:35,760
You're killing me!

541

00:37:35,840 --> 00:37:37,680
Pull back to a safe distance, please.

542

00:37:39,600 --> 00:37:40,600
[softly] I love you.

543

00:37:41,680 --> 00:37:45,880
See what she's up to? All the easier
to pin everything on David when he's dead.

544

00:37:45,960 --> 00:37:47,960
She's the one with links to Luke Aikens.

545

00:37:49,880 --> 00:37:51,080
Quick as you can.

546

00:37:54,560 --> 00:37:55,520
[frustrated sob]

547

00:37:58,600 --> 00:38:01,760
If I stay put, she'll order the shot.
If I run, the same.

548

00:38:04,040 --> 00:38:06,040
-[pants]
-No! Stop!

549

00:38:06,640 --> 00:38:08,160
-Stop her!
-[grunts]

550

00:38:08,240 --> 00:38:09,120

Vicky, No!

551

00:38:09,200 --> 00:38:11,200

-Hold fire!

-It's too dangerous.

552

00:38:11,280 --> 00:38:15,680

-It's Charlie and Ella losing both of us.

-I believe you, that you're innocent.

553

00:38:16,080 --> 00:38:18,120

This gives you a chance to prove it.

554

00:38:18,200 --> 00:38:21,440

Trojan to TFC, subject's wife
now in close proximity to device.

555

00:38:24,400 --> 00:38:28,040

[TFC] Trojan, TFC,

SFC rescinds critical shot.

556

00:38:29,160 --> 00:38:30,080

Off aim!

557

00:38:30,560 --> 00:38:31,880

[sighs]

558

00:38:36,880 --> 00:38:37,800

Budd to Sampson.

559

00:38:39,960 --> 00:38:40,920

Sampson.

560

00:38:41,680 --> 00:38:44,120

I'll lead you to the evidence
that proves I'm telling the truth.

561

00:38:44,960 --> 00:38:46,200

Stay where you are.

562

00:38:47,400 --> 00:38:48,360

What now?

563
00:38:49,560 --> 00:38:50,720
Stay close.

564
00:38:50,800 --> 00:38:51,720
[sirens wail]

565
00:38:51,800 --> 00:38:52,840
We walk.

566
00:38:54,600 --> 00:38:55,600
[Sampson] David!

567
00:38:57,880 --> 00:38:58,880
David!

568
00:38:59,600 --> 00:39:00,680
David!

569
00:39:04,480 --> 00:39:06,000
Mobile containment.

570
00:39:06,480 --> 00:39:09,040
-A hundred meters rolling cordon.
-Red team with me.

571
00:39:09,120 --> 00:39:12,920
Get traffic control in place
to create a safety corridor.

572
00:39:13,000 --> 00:39:13,920
Ma'am.

573
00:39:16,200 --> 00:39:17,920
Help us out here, mate. Where you going?

574
00:39:19,000 --> 00:39:21,560
My flat. Long walk ahead.

575
00:39:27,360 --> 00:39:31,000
[news report] The incident began earlier

this morning, with reports of a man

576

00:39:31,080 --> 00:39:34,800
wearing a suicide vest
causing a disturbance in Saltmarsh Street.

577

00:39:35,480 --> 00:39:38,880
Specialist firearms officers
of the Metropolitan Police's

578

00:39:38,960 --> 00:39:44,240
counter-terrorism unit, SCO19,
attended the incident within a few minutes

579

00:39:44,320 --> 00:39:47,720
and the area was closed to the public.
The incident...

580

00:39:47,800 --> 00:39:49,680
You had the whole situation locked down.

581

00:39:50,200 --> 00:39:52,920
We've got an innocent civilian
in harm's way

582

00:39:53,000 --> 00:39:55,400
and Budd claims
to be leading us to crucial evidence.

583

00:39:56,480 --> 00:39:58,240
He's making for his home address.

584

00:39:58,320 --> 00:40:01,480
Armed units are in situ
and residents are being evacuated.

585

00:40:01,920 --> 00:40:05,760
Air Ops are also conducting neighborhood
surveillance for possible associates.

586

00:40:05,840 --> 00:40:08,400
-So far, none detected.
-Then who's he working with?

587

00:40:08,480 --> 00:40:11,480
We've established a link to Andrew Apsted,

588

00:40:11,560 --> 00:40:14,200
-the Thornton Circus sniper.
-I see.

589

00:40:14,280 --> 00:40:16,640
...cross live
to our security correspondent...

590

00:40:16,720 --> 00:40:17,720
Ah!

591

00:40:17,800 --> 00:40:20,960
[news report #2] The pictures
you're watching here are being...

592

00:40:21,040 --> 00:40:23,760
You never said you were including
the Security Service.

593

00:40:24,320 --> 00:40:26,680
Anne, Anne, we're all in this together.

594

00:40:27,160 --> 00:40:28,960
[TV report continues in background]

595

00:40:31,720 --> 00:40:32,720
Stephen...

596

00:40:34,120 --> 00:40:37,720
You may be interested to hear
my officers have taken into custody

597

00:40:37,800 --> 00:40:40,960
a male suspect matching
the e-fit of Richard Longcross.

598

00:40:41,600 --> 00:40:44,280
We're currently exploring

a number of lines of inquiry

599

00:40:44,360 --> 00:40:46,240
in association with the suspect.

600

00:40:47,360 --> 00:40:52,920
Such as places of work and seizure
of communications devices.

601

00:40:53,400 --> 00:40:56,440
I can neither confirm nor deny
the suspect's identity...

602

00:40:57,000 --> 00:41:00,680
but what I can confirm
is that the requisite authorities apply,

603

00:41:00,760 --> 00:41:04,880
which render his actions lawful.
He should be released immediately.

604

00:41:04,960 --> 00:41:07,880
There are certain actions for which
there are no lawful authorities,

605

00:41:07,960 --> 00:41:11,680
one being the assassination of a
democratically elected secretary of state.

606

00:41:11,760 --> 00:41:13,200
Anne, please!

607

00:41:13,840 --> 00:41:15,880
Cool heads and cooperation.

608

00:41:19,200 --> 00:41:21,320
This cooperation...

609

00:41:22,080 --> 00:41:26,280
is it due to Budd's compromising material
giving you both so much to lose

610

00:41:26,360 --> 00:41:28,480
that you never want
its existence revealed?

611

00:41:28,560 --> 00:41:31,880
Because it would show the hand
of the Security Service in a failed coup?

612

00:41:31,960 --> 00:41:36,520
And despite your convincing assurances
that the Home Office's role

613

00:41:36,600 --> 00:41:39,200
in Julia Montague's death
was purely accidental,

614

00:41:39,760 --> 00:41:42,600
I wonder if the public
will be equally convinced.

615

00:41:42,680 --> 00:41:45,800
Anne, I think it's best
if Stephen and I continue without you.

616

00:41:47,680 --> 00:41:49,160
A woman was murdered.

617

00:41:50,440 --> 00:41:52,240
A crime was committed.

618

00:41:53,000 --> 00:41:54,760
My officers will investigate.

619

00:41:58,600 --> 00:41:59,600
Thanks.

620

00:42:07,000 --> 00:42:09,880
I've sought a court order
for my officer's release.

621

00:42:09,960 --> 00:42:10,880
Good.

622

00:42:12,360 --> 00:42:14,240
Budd claims to hold crucial evidence.

623

00:42:14,320 --> 00:42:16,640
He was working
with the Thornton Circus sniper.

624

00:42:17,400 --> 00:42:21,960
Andrew Apsted was a disturbed,
embittered war veteran.

625

00:42:22,920 --> 00:42:25,120
Not only does Budd fit the same profile,

626

00:42:25,200 --> 00:42:29,240
he possessed all the inside know-how
to overcome Julia's security.

627

00:42:30,120 --> 00:42:32,680
No wider conspiracy involved.

628

00:42:33,600 --> 00:42:35,560
[TV report continues in background]

629

00:42:35,640 --> 00:42:38,280
Look no further for Julia's assassin.

630

00:42:38,360 --> 00:42:41,000
[reporter]
...and an evacuation is taking place.

631

00:42:42,320 --> 00:42:43,560
[siren blares]

632

00:43:00,040 --> 00:43:01,200
[siren blares]

633

00:43:12,560 --> 00:43:13,800
How are you doing?

634

00:43:16,480 --> 00:43:17,920

My hand's in spasm.

635

00:43:46,040 --> 00:43:49,920

You need to go inside.

It's okay. It's completely safe.

636

00:43:51,120 --> 00:43:53,240

Cupboard in the kitchen,
there's some rope.

637

00:43:53,320 --> 00:43:54,600

Rope? What for?

638

00:43:54,680 --> 00:43:55,600

And a spade.

639

00:43:57,840 --> 00:43:58,720

[sighs]

640

00:44:02,640 --> 00:44:04,840

[sirens blare]

641

00:44:25,040 --> 00:44:26,160

[pants]

642

00:44:26,240 --> 00:44:30,200

Uh... there's something down here,
like a black plastic bag.

643

00:44:30,480 --> 00:44:31,440

That's it, Vic.

644

00:44:39,800 --> 00:44:41,120

This is the evidence.

645

00:44:41,200 --> 00:44:43,240

The original tablet
containing the kompromat.

646

00:44:43,320 --> 00:44:46,040

It'll prove the Security Service
were involved.

647

00:44:46,440 --> 00:44:50,560
The blank rounds smuggled into my pistol,
they'll prove organized crime were, too.

648

00:44:56,680 --> 00:44:58,880
[Sharma]
Send Vicky to us with the evidence.

649

00:44:58,960 --> 00:45:00,520
If I go, they can shoot you.

650

00:45:04,480 --> 00:45:09,320
I don't know how much longer I can hold
the DMS. This vest is crucial evidence.

651

00:45:09,400 --> 00:45:12,840
The others got blown up. If forensics
got a chance to examine this...

652

00:45:13,760 --> 00:45:15,800
it might lead us back to the bomb maker.

653

00:45:15,880 --> 00:45:19,600
-Prevent further attacks.
-He's bargaining, boss. He's playing you.

654

00:45:19,680 --> 00:45:22,080
Or he's giving us the chance
to crack this case.

655

00:45:23,200 --> 00:45:26,800
-I'll send Vicky to you with the evidence.
-No, Dave, don't fall for it.

656

00:45:28,080 --> 00:45:29,920
If you give me a chance to defuse this.

657

00:45:33,360 --> 00:45:34,680
How do you know I'll keep my side?

658

00:45:37,880 --> 00:45:40,240

I've been a soldier. I've been a copper.

659

00:45:41,720 --> 00:45:43,800
You get to spot a bloke
whose word's his bond.

660

00:45:47,440 --> 00:45:48,720
You happy to let him try?

661

00:45:49,720 --> 00:45:52,560
I wouldn't say happy. [sighs]

662

00:45:52,840 --> 00:45:53,880
Robot.

663

00:46:04,480 --> 00:46:05,400
Vicky.

664

00:46:08,560 --> 00:46:10,160
How are things with your boyfriend?

665

00:46:12,360 --> 00:46:13,480
Uh...

666

00:46:13,560 --> 00:46:14,520
All right.

667

00:46:16,280 --> 00:46:17,680
You deserve to be happy.

668

00:46:20,200 --> 00:46:21,480
[anxious breathing]

669

00:46:34,480 --> 00:46:36,040
I've laid out what you'll need.

670

00:46:36,920 --> 00:46:39,280
The robot's coming up to you,
so I can talk you through it.

671

00:46:42,040 --> 00:46:42,960

Thank you.

672

00:46:45,800 --> 00:46:46,680
Go.

673

00:46:58,160 --> 00:47:00,720
[tearful breathing]

674

00:47:06,920 --> 00:47:08,440
Question for DCI Sharma.

675

00:47:10,080 --> 00:47:11,000
[Sharma] Go ahead.

676

00:47:13,360 --> 00:47:14,640
Is Longcross talking yet?

677

00:47:17,320 --> 00:47:18,360
I don't know.

678

00:47:19,440 --> 00:47:22,760
It'd help, sir, if I knew
this hadn't all been in vain.

679

00:47:26,040 --> 00:47:29,600
-We'll get back to you on that.
-To me, Vicky. Thanks.

680

00:47:34,480 --> 00:47:36,200
I'll get an update on Longcross.

681

00:47:37,840 --> 00:47:39,280
[whimpers softly]

682

00:47:45,800 --> 00:47:47,160
[Daniel] We've got picture.

683

00:47:48,160 --> 00:47:50,160
-Can you hear me?
-Receiving.

684

00:47:53,360 --> 00:47:54,400
Get Vicky away.

685
00:47:55,680 --> 00:47:56,960
She shouldn't have to watch.

686
00:48:02,040 --> 00:48:03,040
[Sharma] Mrs. Budd.

687
00:48:26,440 --> 00:48:28,480
I'm not going to manage with one hand.

688
00:48:28,560 --> 00:48:33,160
[Daniel] We'll start by freeing your
left hand. You'll see a set of scissors.

689
00:48:37,800 --> 00:48:40,640
Divide the tape over your thumb,
creating two loose ends.

690
00:48:56,440 --> 00:48:59,240
[anxious breathing]

691
00:49:05,000 --> 00:49:07,120
Next, you'll see a non-ferrous spacer.

692
00:49:09,160 --> 00:49:11,440
It looks like one of the piece
in a game of draughts.

693
00:49:18,400 --> 00:49:23,000
Slip the spacer under your thumb, being
sure to maintain pressure on the trigger.

694
00:49:34,640 --> 00:49:38,520
Being sure to maintain pressure,
roll your thumb through 90 degrees.

695
00:49:38,800 --> 00:49:42,200
So you can fold one of the free ends
of tape down onto the spacer.

696

00:49:42,280 --> 00:49:44,320
[anxious breathing]

697

00:49:48,840 --> 00:49:51,200
The next stage is to roll your thumb

698

00:49:51,280 --> 00:49:55,080
in the opposite direction over the piece
of tape you've just secured...

699

00:49:55,680 --> 00:49:57,080
maintaining pressure.

700

00:49:58,600 --> 00:49:59,800
[frustrated grunt]

701

00:50:01,960 --> 00:50:05,120
So that you can fold the other free end
of tape to the spacer.

702

00:50:06,760 --> 00:50:08,760
[pants]

703

00:50:13,040 --> 00:50:17,600
If you're sure the tape is secure...
you'll be able to remove your thumb.

704

00:50:22,800 --> 00:50:23,760
[exhales]

705

00:50:27,520 --> 00:50:28,840
[groans in relief]

706

00:50:32,000 --> 00:50:33,000
Well done, David.

707

00:50:34,400 --> 00:50:38,000
I'd suggest applying another couple
of loops of tape to get the spacer

708

00:50:38,080 --> 00:50:39,280
100% secure.

709

00:50:49,480 --> 00:50:53,720
David, normally the best approach is
to neutralize the power source.

710

00:50:54,640 --> 00:50:58,480
But remember, with the 1/10 device,
Fort Halstead found it was rigged

711

00:50:58,560 --> 00:50:59,880
with multiple booby traps.

712

00:51:01,800 --> 00:51:05,240
When the power was cut,
the control unit triggered the detonators.

713

00:51:06,440 --> 00:51:08,400
I'm convinced
this is the same kind of device.

714

00:51:10,200 --> 00:51:11,640
[both exhale]

715

00:51:11,720 --> 00:51:14,400
Then you're going to have to neutralize
the control unit itself.

716

00:51:16,240 --> 00:51:18,600
I've already removed
the cover successfully...

717

00:51:19,440 --> 00:51:21,240
but there may be hidden trip wires.

718

00:51:25,120 --> 00:51:27,520
Thanks, mate. That's given us a good view.

719

00:51:29,760 --> 00:51:31,000
Now what do you suggest?

720

00:51:31,840 --> 00:51:35,120
I doubt a device like this

will be neutralized by cutting a wire.

721

00:51:38,120 --> 00:51:39,200
A shunt might work.

722

00:51:39,920 --> 00:51:41,480
Hence the croc clips and cable?

723

00:51:42,880 --> 00:51:43,720
Yeah.

724

00:51:51,760 --> 00:51:55,040
I can see a pair of relay blocks,
serving the detonators.

725

00:51:56,400 --> 00:51:57,880
I'm going to shunt between the two.

726

00:52:04,200 --> 00:52:05,320
[sighs heavily]

727

00:52:14,960 --> 00:52:17,080
[anxious breathing]

728

00:52:31,080 --> 00:52:33,000
Right. I'm going to disconnect
the power supply.

729

00:52:38,840 --> 00:52:40,200
I'm cutting the first wire.

730

00:52:46,640 --> 00:52:47,800
[breathes heavily]

731

00:52:50,120 --> 00:52:52,840
[David breathes heavily over coms]

732

00:52:59,840 --> 00:53:02,120
[pants]

733

00:53:04,600 --> 00:53:05,680

[anxious groan]

734

00:53:09,640 --> 00:53:11,640
[long sigh]

735

00:53:12,240 --> 00:53:13,960
Put some tape over the ends.

736

00:53:18,480 --> 00:53:21,240
-Question for DCI Sharma.
-[Sharma] Go ahead.

737

00:53:21,840 --> 00:53:23,280
Any news on Longcross?

738

00:53:31,720 --> 00:53:32,640
Sir?

739

00:53:33,320 --> 00:53:36,000
[Sharma] I'm very sorry, David.
He had to be released.

740

00:53:37,880 --> 00:53:42,000
Is that it?
They just get away with it scot-free?

741

00:53:50,480 --> 00:53:54,960
I'm going to cut the second wire. Everyone
should get as far back as possible.

742

00:53:55,960 --> 00:53:57,600
Everyone back! Take cover!

743

00:53:57,680 --> 00:53:58,560
Fall back!

744

00:54:06,320 --> 00:54:07,920
Get everyone right back!

745

00:54:08,000 --> 00:54:09,000
[officer] Move back!

746
00:54:09,080 --> 00:54:11,680
-Get right back!
-[officer] Back! All of you move!

747
00:54:17,400 --> 00:54:18,360
Okay.

748
00:54:19,040 --> 00:54:21,040
[breathes heavily]

749
00:54:31,080 --> 00:54:33,000
[frightened breathing]

750
00:54:35,000 --> 00:54:37,800
[breathing echoes]

751
00:54:44,600 --> 00:54:46,360
After him! Go! Go! Go!

752
00:55:04,800 --> 00:55:06,880
[Sharma] No obs on Budd in the graveyard.

753
00:55:06,960 --> 00:55:09,520
-[phone rings]
-Widen the search. Lock off all--

754
00:55:09,600 --> 00:55:10,960
[woman] Negative, no obs.

755
00:55:11,960 --> 00:55:13,640
[man] Negative. We lost him.

756
00:55:15,920 --> 00:55:18,160
-Minister.
-Where's Budd?

757
00:55:19,640 --> 00:55:22,720
I'm afraid I don't have
that information at this time.

758
00:55:22,800 --> 00:55:23,920

What's he up to?

759

00:55:25,600 --> 00:55:28,160

In all probability,
he's fleeing from justice.

760

00:55:29,200 --> 00:55:30,520

And what if he's not?

761

00:55:30,600 --> 00:55:33,160

[woman] David Budd could be
armed and dangerous...

762

00:56:06,040 --> 00:56:08,440

-That'll kill you.

-Oh, my God!

763

00:56:10,800 --> 00:56:12,200

So would a suicide vest.

764

00:56:13,200 --> 00:56:14,600

Oh, my God! You're okay.

765

00:56:14,680 --> 00:56:16,080

Like you give a shit.

766

00:56:17,920 --> 00:56:20,720

I don't even know
what to say to you. I'm so sorry.

767

00:56:20,800 --> 00:56:24,400

Cooperate. You'll get immunity,
witness protection. You'll be out.

768

00:56:25,040 --> 00:56:26,120

I can't do that.

769

00:56:26,200 --> 00:56:29,560

You're going to phone Luke,
tell him the inside man's going to talk.

770

00:56:29,640 --> 00:56:32,440

He's gonna want to silence him,
he's gonna lead me straight to him.

771

00:56:32,520 --> 00:56:34,600
Isn't Luke going to find that
a bit suspicious?

772

00:56:34,680 --> 00:56:36,080
It's what you did to me.

773

00:56:39,680 --> 00:56:41,280
It's the only way to prove I'm innocent.

774

00:56:53,160 --> 00:56:54,080
I'll drive.

775

00:57:44,840 --> 00:57:45,880
Stay put.

776

00:57:50,320 --> 00:57:51,320
[door slams]

777

00:58:11,200 --> 00:58:12,520
Are you off somewhere?

778

00:58:17,720 --> 00:58:20,240
None of your business. Talking of which--

779

00:58:20,320 --> 00:58:22,200
I pay for results.

780

00:58:23,280 --> 00:58:26,240
Budd is still out there.
It's a basic rule, Lorraine.

781

00:58:26,320 --> 00:58:28,880
If you're going to frame someone,
you make it a dead bloke.

782

00:58:29,560 --> 00:58:32,400
-It's hardly my fault.
-No. But it's made you nervous.

783
00:58:34,600 --> 00:58:36,560
[indistinct chattering]

784
00:58:39,920 --> 00:58:40,800
[grunts]

785
00:58:42,000 --> 00:58:43,720
On your knees! Hands on your head!

786
00:58:43,800 --> 00:58:45,360
Are you fucking joking?

787
00:58:45,440 --> 00:58:46,480
[gunshot]

788
00:58:46,560 --> 00:58:47,600
[dog barks]

789
00:58:47,680 --> 00:58:50,920
-Stand down, Sarge, that's an order!
-I know about you two!

790
00:58:51,360 --> 00:58:52,840
[dog barks]

791
00:58:52,920 --> 00:58:53,960
On your knees!

792
00:58:57,920 --> 00:58:59,080
Hands.

793
00:59:00,760 --> 00:59:01,760
Hands.

794
00:59:04,720 --> 00:59:05,800
[window opens]

795
00:59:07,120 --> 00:59:08,880
[breathes heavily]

796
00:59:08,960 --> 00:59:09,920
Did you kill her?

797
00:59:13,240 --> 00:59:14,800
Did you kill Julia?

798
00:59:17,360 --> 00:59:18,920
David, don't do this.

799
00:59:19,400 --> 00:59:20,440
Tell me.

800
00:59:23,200 --> 00:59:24,080
It was business.

801
00:59:26,000 --> 00:59:27,200
David, don't.

802
00:59:27,280 --> 00:59:29,440
Why? [pants]

803
00:59:29,520 --> 00:59:32,880
Just good for business.
It's nothing personal.

804
00:59:34,480 --> 00:59:35,800
Nothing personal...?

805
00:59:37,400 --> 00:59:38,480
David, don't!

806
00:59:38,560 --> 00:59:39,600
[grunts angrily]

807
00:59:40,920 --> 00:59:43,080
[grunt turns into yell]

808
00:59:43,160 --> 00:59:44,800
[gunshot]

809

00:59:46,400 --> 00:59:47,400
Don't look at me!

810
00:59:47,480 --> 00:59:48,680
[Luke whimpers]

811
00:59:50,200 --> 00:59:51,040
[grunts]

812
00:59:55,840 --> 00:59:57,720
Call this in before I change my mind.

813
00:59:58,440 --> 01:00:00,240
[breathes heavily]

814
01:00:02,800 --> 01:00:03,960
It's over.

815
01:00:17,080 --> 01:00:18,400
Chief Superintendent Craddock.

816
01:00:18,480 --> 01:00:21,240
I need a firearms unit
to my home address right away, please.

817
01:00:32,120 --> 01:00:34,600
We've got prints back
on your blank rounds.

818
01:00:36,960 --> 01:00:39,080
They match
known associates of Luke Aikens.

819
01:00:44,480 --> 01:00:45,880
Why didn't they just steal your gun?

820
01:00:47,760 --> 01:00:49,800
Straightaway,
I'd have known they'd been in my flat.

821
01:00:51,120 --> 01:00:52,600
They were trying to frame me.

822

01:00:54,040 --> 01:00:56,680
Suppose they couldn't take the chance
of leaving me with live rounds.

823

01:00:58,120 --> 01:01:00,120
[police radio]

824

01:01:03,560 --> 01:01:04,440
Cheers.

825

01:01:12,040 --> 01:01:13,000
Great work, mate.

826

01:01:19,720 --> 01:01:23,840
[Sharma] S015 recorded interview with
Chief Superintendent Lorraine Craddock

827

01:01:23,920 --> 01:01:24,920
by DCI Sharma.

828

01:01:27,320 --> 01:01:30,280
Describe the nature of your relationship
with Luke Aikens.

829

01:01:34,920 --> 01:01:36,000
[clears throat]

830

01:01:38,200 --> 01:01:40,000
For some years, I've...

831

01:01:42,320 --> 01:01:45,600
disclosed sensitive information on...

832

01:01:47,960 --> 01:01:53,200
on police operations that might threaten
his criminal activities.

833

01:01:54,680 --> 01:01:57,440
[Sharma] What information did you disclose
regarding the Home Secretary?

834

01:02:05,000 --> 01:02:10,800
Her itinerary the day of
the Thornton Circus attempt on her life.

835

01:02:12,280 --> 01:02:14,560
[Sharma] Which Aikens passed
to Andrew Apsted?

836

01:02:20,680 --> 01:02:22,880
Luke recruited Apsted.

837

01:02:27,400 --> 01:02:29,200
He armed him and...

838

01:02:33,160 --> 01:02:36,080
used one of his captive businesses
to, um...

839

01:02:37,920 --> 01:02:41,840
enable Apsted to access
Pascoe House as a tradesman.

840

01:02:42,320 --> 01:02:45,600
[Sharma] And the St. Matthew's attack that
resulted in the Home Secretary's death?

841

01:02:56,280 --> 01:02:58,480
Um... [sobs]

842

01:02:58,920 --> 01:03:00,200
Her itinerary.

843

01:03:01,920 --> 01:03:04,320
Her security plans and procedures.

844

01:03:09,760 --> 01:03:11,720
Luke was able to, um...

845

01:03:13,320 --> 01:03:16,760
plan steps to overcome all of them.

846

01:03:19,400 --> 01:03:22,680
What motivated Aikens to induce you
to disclose this information?

847
01:03:25,320 --> 01:03:26,240
[sighs]

848
01:03:27,720 --> 01:03:28,560
Um...

849
01:03:31,760 --> 01:03:32,800
[inhales deeply]

850
01:03:32,880 --> 01:03:35,600
Luke found out Julia Montague was planning

851
01:03:35,680 --> 01:03:39,480
to transfer powers to the Security
Service, which would give them...

852
01:03:42,640 --> 01:03:46,680
an upper hand, more of an upper hand
against organized crime.

853
01:03:49,320 --> 01:03:51,960
They're harder to contact,
more shadowy. Therefore...

854
01:03:59,840 --> 01:04:02,000
harder to bribe and blackmail.

855
01:04:02,560 --> 01:04:04,800
Unlike corrupt officers such as yourself.

856
01:04:09,440 --> 01:04:14,160
Aikens needed policing to stay with
an organization he could manipulate.

857
01:04:14,920 --> 01:04:17,200
[Sharma] Is there any connection with you

858
01:04:17,280 --> 01:04:19,920

appointing David Budd
as the Home Secretary's PPO?

859

01:04:23,560 --> 01:04:24,760

Yes.

860

01:04:25,480 --> 01:04:27,360

So he'd make the perfect fall guy.

861

01:04:29,720 --> 01:04:31,160

[Sharma] And the Heath Bank attack?

862

01:04:32,040 --> 01:04:35,320

Did you provide the confidential
information on PS Budd's family?

863

01:04:36,440 --> 01:04:37,720

No, never. I...

864

01:04:38,720 --> 01:04:40,880

I'd never do anything like that
to one of my team.

865

01:04:42,800 --> 01:04:44,160

If she didn't do it, who did?

866

01:04:44,880 --> 01:04:48,280

Lorraine Craddock, I will now be seeking
the authority of the Crown Prosecutor...

867

01:04:48,360 --> 01:04:52,040

There's one other person in this whole
conspiracy that knew about my kids.

868

01:04:52,120 --> 01:04:56,120

[Sharma] ...public office...
conspiracy to murder.

869

01:04:58,000 --> 01:04:59,480

Interview terminated.

870

01:05:03,920 --> 01:05:05,360

[sobs]

871

01:05:10,600 --> 01:05:13,480
[news report #1] Ten days since
the assassination of Julia Montague...

872

01:05:13,560 --> 01:05:17,400
[news report #2] The Metropolitan Police
Counter-Terrorism Branch SO15 made

873

01:05:17,480 --> 01:05:18,560
a number of arrests.

874

01:05:18,640 --> 01:05:22,040
[news report #3] Arrests include
a man in his 30s known to police...

875

01:05:22,120 --> 01:05:24,600
[news report #2] Downing Street
and the Home Office have welcomed

876

01:05:24,680 --> 01:05:28,640
the police breakthrough in investigating
the Home Secretary's assassination.

877

01:05:29,360 --> 01:05:32,640
A Home Office spokesman said it was
too early to make any comment.

878

01:05:38,080 --> 01:05:38,960
David.

879

01:05:39,640 --> 01:05:40,640
Good to go.

880

01:05:46,160 --> 01:05:47,440
[Rayburn] The DIR is recording.

881

01:05:54,880 --> 01:05:55,720
Nadia.

882

01:05:57,280 --> 01:05:59,720

I'd like to start by asking you
about David Budd.

883

01:06:03,680 --> 01:06:06,240
Did you have any information
regarding his children?

884

01:06:08,000 --> 01:06:08,880
No.

885

01:06:10,320 --> 01:06:11,680
Why are you asking me this?

886

01:06:11,760 --> 01:06:14,800
Nadia, we've had significant breakthroughs
in our inquiry.

887

01:06:16,840 --> 01:06:20,840
There's only one piece of
the puzzle left... and that's you.

888

01:06:23,120 --> 01:06:26,040
Maybe you're just an innocent victim
in all of this...

889

01:06:28,160 --> 01:06:30,360
the pawn controlled
by the real masterminds.

890

01:06:32,480 --> 01:06:34,080
You can say no comment.

891

01:06:45,560 --> 01:06:46,480
Is that true?

892

01:06:47,200 --> 01:06:48,640
Are you just a victim?

893

01:07:06,120 --> 01:07:07,920
David Budd made the same mistake.

894

01:07:10,000 --> 01:07:12,480

He thought so little of me,
he showed me pictures.

895

01:07:12,880 --> 01:07:15,000
What do you mean,
thought so little of you?

896

01:07:16,240 --> 01:07:18,240
To him, I was a weak woman.

897

01:07:20,280 --> 01:07:23,000
I remembered everything he told me
about his children.

898

01:07:23,640 --> 01:07:25,640
Their names... their ages.

899

01:07:26,280 --> 01:07:28,920
From prison, I was able to inform
my organization.

900

01:07:29,000 --> 01:07:31,360
So they could launch an attack
on his children's school?

901

01:07:32,040 --> 01:07:32,880
Yes.

902

01:07:35,680 --> 01:07:38,040
There's another finding
I'd like to put to you.

903

01:07:39,920 --> 01:07:43,200
We've able to examine the person-borne
improvised explosive device

904

01:07:43,280 --> 01:07:44,840
David Budd was forced to wear.

905

01:07:46,760 --> 01:07:50,360
Forensic examination of the control unit's
circuitry detected deposits

906

01:07:50,440 --> 01:07:53,600
of your DNA and your fingerprints.

907

01:07:55,960 --> 01:07:57,000
Why would that be?

908

01:08:02,080 --> 01:08:03,720
Because I built the device.

909

01:08:08,760 --> 01:08:10,080
I built all the bombs.

910

01:08:12,240 --> 01:08:15,400
You all saw me as a poor,
oppressed Muslim woman.

911

01:08:16,840 --> 01:08:18,319
I am an engineer.

912

01:08:19,399 --> 01:08:20,479
I am a jihadi.

913

01:08:22,080 --> 01:08:23,200
[Rayburn] Which bombs?

914

01:08:26,160 --> 01:08:28,160
The one used to kill the Home Secretary.

915

01:08:29,080 --> 01:08:32,240
The one used to kill police officers
at Heath Bank School.

916

01:08:33,640 --> 01:08:35,680
The one I wore on the 1st of October.

917

01:08:37,720 --> 01:08:42,000
So, you're telling us, this man didn't
supply the bomb to your husband?

918

01:08:46,640 --> 01:08:50,880
I invented that story because Police

Sergeant Budd was so eager to believe it.

919

01:08:52,040 --> 01:08:54,399

And so stupidly eager to believe me.

920

01:08:54,479 --> 01:08:56,479

You made that up to mislead our inquiry?

921

01:08:57,399 --> 01:08:58,720

How easy that was.

922

01:08:59,760 --> 01:09:00,920

You are all so easy...

923

01:09:01,000 --> 01:09:04,560

It wasn't just you, mate.

We all fell for it.

924

01:09:07,319 --> 01:09:10,479

Who planted the device
at St. Matthew's College...

925

01:09:13,000 --> 01:09:14,800

the one that killed the Home Secretary?

926

01:09:17,000 --> 01:09:18,120

Non-believers.

927

01:09:19,240 --> 01:09:20,240

Criminals.

928

01:09:21,880 --> 01:09:23,000

[Rayburn] Luke Aikens?

929

01:09:24,000 --> 01:09:24,840

Yes.

930

01:09:26,680 --> 01:09:28,800

[Rayburn] Why did you conspire
with non-believers?

931

01:09:29,720 --> 01:09:30,680
For money.

932
01:09:31,359 --> 01:09:32,960
Money to build more bombs

933
01:09:33,040 --> 01:09:35,359
and buy more guns and spread the truth

934
01:09:35,439 --> 01:09:37,399
to our brothers and sisters
throughout the world...

935
01:09:38,160 --> 01:09:40,359
so that the world would be convinced
that we put a sword

936
01:09:40,439 --> 01:09:42,120
through the heart
of the British government.

937
01:09:42,200 --> 01:09:46,279
You failed to detonate your own PBIED
on the 1st of October rail attack.

938
01:09:47,680 --> 01:09:49,279
You couldn't go through with it.

939
01:09:50,160 --> 01:09:51,760
But look how I have atoned.

940
01:09:53,080 --> 01:09:55,720
I have helped the cause
a thousand times more.

941
01:10:01,880 --> 01:10:05,680
[presenter] We're being told a statement
by the Prime Minister is imminent.

942
01:10:05,760 --> 01:10:08,760
Meanwhile, all day,
ministers have been giving their reaction

943

01:10:08,840 --> 01:10:10,000
to this morning's news

944

01:10:10,080 --> 01:10:12,680
that the Prime Minister
canceled today's engagements.

945

01:10:12,760 --> 01:10:14,880
[man] Home Secretary,
any reaction on the breaking news?

946

01:10:14,960 --> 01:10:19,240
Really, please, we should avoid
speculation until the Prime Minister's had

947

01:10:19,320 --> 01:10:21,960
the opportunity
to address the allegations himself.

948

01:10:22,040 --> 01:10:23,800
-[knocking]
-Yeah. Come in.

949

01:10:23,880 --> 01:10:26,480
[presenter]
Today's event follow unconfirmed reports

950

01:10:26,560 --> 01:10:31,560
of a leak of compromising material
relating to the Prime Minister's past.

951

01:10:31,640 --> 01:10:33,720
[woman]
Is the Prime Minister going to resign?

952

01:10:34,240 --> 01:10:38,400
I'm just getting on with the job
of protecting our country.

953

01:10:39,440 --> 01:10:40,480
Thank you.

954

01:10:40,560 --> 01:10:42,840
-[journalists shout out]
-Home Secretary!

955

01:10:42,920 --> 01:10:45,560
It's also being reported
the leak implicates

956

01:10:45,640 --> 01:10:49,680
the Director-General of the Security
Service, Stephen Hunter-Dunn. The--

957

01:10:50,760 --> 01:10:53,560
The Prime Minister will resign
before the day is out.

958

01:10:54,280 --> 01:10:55,560
Hunter-Dunn, the same.

959

01:10:56,480 --> 01:11:01,720
Mike Travis, he stays on to make sure
RIPA-18 gets kicked into the long grass.

960

01:11:02,560 --> 01:11:05,920
Leaking the kompromat...
whose decision was that?

961

01:11:11,120 --> 01:11:12,560
I couldn't possibly say.

962

01:11:17,920 --> 01:11:22,040
Thanks to you, David, the CPS have charged
Nadia Ali, Luke Aikens

963

01:11:22,120 --> 01:11:25,960
and Lorraine Craddock in the conspiracy
to murder Julia Montague.

964

01:11:27,200 --> 01:11:28,840
Some say you should get a medal.

965

01:11:29,960 --> 01:11:32,400
Others reckon

you should be kicked off the force.

966

01:11:33,440 --> 01:11:34,440
We'll see.

967

01:11:35,400 --> 01:11:38,680
There'll need to be a thorough
investigation into your conduct.

968

01:11:39,480 --> 01:11:43,840
But first, David, there's something
you need more than all of that.

969

01:11:48,200 --> 01:11:49,320
[woman] Come in.

970

01:11:53,560 --> 01:11:54,800
-[David] Hello.
-Hello.

971

01:12:01,920 --> 01:12:03,200
I'm David.

972

01:12:07,640 --> 01:12:08,840
And I, uh...

973

01:12:12,640 --> 01:12:13,840
I need some help.

974

01:12:17,760 --> 01:12:18,640
[sighs]

975

01:12:30,800 --> 01:12:31,880
[knocking]

976

01:12:37,960 --> 01:12:38,800
Hi.

977

01:12:39,080 --> 01:12:39,960
Hey.

978

01:12:41,320 --> 01:12:42,400
Uh, come in.

979
01:12:46,080 --> 01:12:48,440
-How are you doing?
-I'm good.

980
01:12:49,680 --> 01:12:50,680
How are you?

981
01:12:51,240 --> 01:12:52,080
[sighs]

982
01:12:52,560 --> 01:12:53,600
I'm getting there.

983
01:12:54,720 --> 01:12:56,760
Well, you've... taken the first step.

984
01:12:57,840 --> 01:12:59,080
I'm really proud of you.

985
01:13:03,040 --> 01:13:05,800
The kids are looking forward
to sleeping in their own beds again.

986
01:13:05,880 --> 01:13:07,200
-I bet.
-[chuckles]

987
01:13:07,680 --> 01:13:08,840
I was thinking...

988
01:13:09,760 --> 01:13:13,200
it's actually my turn for them again
but only if it's okay with you.

989
01:13:14,480 --> 01:13:15,800
Yeah, um...

990
01:13:16,800 --> 01:13:18,080
Kids, your dad's here!

991

01:13:18,680 --> 01:13:19,520
[Ella] Dad!

992

01:13:19,600 --> 01:13:21,200
-No train journeys this time.
-Mm.

993

01:13:21,680 --> 01:13:23,480
-Dad.
-Hello, princess.

994

01:13:23,560 --> 01:13:24,800
Ah!

995

01:13:25,560 --> 01:13:28,680
Ah! There's a monster on my back!
Get him off! Get him off!

996

01:13:29,200 --> 01:13:31,560
[Vicky] Okay, you behave. You have fun.

997

01:13:40,720 --> 01:13:41,560
Do you, uh...

998

01:13:44,200 --> 01:13:45,320
What?

999

01:13:46,000 --> 01:13:47,000
Nothing.

1000

01:13:49,240 --> 01:13:50,240
'Cause, um...

1001

01:13:51,680 --> 01:13:53,000
there's room for one more.

1002

01:13:55,680 --> 01:13:56,600
Yeah?

1003

01:13:57,320 --> 01:13:58,320

Yeah.

1004
01:14:00,440 --> 01:14:01,440
Okay.

1005
01:14:02,320 --> 01:14:03,280
I'll get my bag.

1006
01:14:04,240 --> 01:14:05,480
[chuckles]

1007
01:14:10,400 --> 01:14:13,400
-Mummy's going to come too.
-[kids] Yeah!

1008
01:14:14,920 --> 01:14:15,840
[door closes]

1009
01:14:22,120 --> 01:14:23,440
[giggles] Oh! He's off!

1010
01:14:24,560 --> 01:14:26,000
Okay.

1011
01:14:26,080 --> 01:14:28,400
[happy chatter]

1012
01:14:28,480 --> 01:14:29,640
[David] Let's go.
