1

00:00:11,052 --> 00:00:12,762
[theme music playing]

2

00:00:35,618 --> 00:00:37,620
[bats fluttering]

3

00:00:50,341 --> 00:00:52,343
[thunder crashes]

4

00:00:53,219 --> 00:00:55,221
[crows cawing]

5

00:01:00,268 --> 00:01:01,895
[lightning sizzles]

6

00:01:18,203 --> 00:01:20,205
[bats screeching]

7

00:01:47,565 --> 00:01:50,026
[Sabrina]

This doesn't happen as much as it used to.

8

00:01:50,777 --> 00:01:52,278
Us walking home together.

9

00:01:52,612 --> 00:01:54,072
-[Harvey] Hmm.
-It's the nicest.

10

00:01:54,155 --> 00:01:55,031
Agreed.

11

00:01:56,032 --> 00:01:59,119
-What are you guys doing for Thanksgiving?
-It's not that big a holiday for us.

12

00:01:59,202 --> 00:02:01,996
Aunt Hilda and I watch the Macy's
Thanksgiving Day Parade in the morning,

13

00:02:02,080 --> 00:02:05,041
and Aunt Zee watches
whatever football games are on.

14

00:02:05,125 --> 00:02:08,002
-Your Aunt Zelda's a football fan?
-All contact sports.

15

00:02:08,461 --> 00:02:11,965
Then, it's the movies and Chinese food.
How about you guys?

16

00:02:12,257 --> 00:02:15,510
My Grandpa's coming, which means
lots of beer-drinking and deer-hunting.

17

00:02:15,593 --> 00:02:17,220
-Since when do you--
-[Harvey] I don't.

18

00:02:17,303 --> 00:02:20,849
But since I'm working at the mines now,
honoring the "Kinkle legacy,"

19

00:02:21,141 --> 00:02:23,643
-they said I could join 'em.
-Just promise me you'll be careful.

20

00:02:23,935 --> 00:02:24,769
I will.

21

00:02:26,187 --> 00:02:28,815
-I'm kind of excited about it.
-Do you wanna come in?

22

00:02:29,232 --> 00:02:30,108
To say hi?

23

00:02:30,525 --> 00:02:31,359
Sure.

24

00:02:35,071 --> 00:02:39,117
Actually, Harvey, I forgot,

my aunts are having some people over.

25

00:02:39,200 --> 00:02:40,618
Can we take a rain check?

26

00:02:40,952 --> 00:02:44,539
-Uh... Yeah, sure, but--
-Thanks so much for understanding.

27

00:02:44,622 --> 00:02:46,499
I'll see you at school tomorrow. Bye.

28

00:02:48,293 --> 00:02:49,127
Bye.

29

00:02:55,049 --> 00:02:56,467
[blood dripping]

30

00:02:56,926 --> 00:03:00,305
[Sabrina shouts] Aunties? Ambrose?

31

00:03:01,306 --> 00:03:04,559
Can anyone explain why it looks like
The Texas Chainsaw Massacre

32

00:03:04,642 --> 00:03:06,060
has been nailed to our door?

33

00:03:06,144 --> 00:03:07,353
[Hilda snorts] Oh, dear.

34

00:03:07,437 --> 00:03:09,480
I'll get some soap and sponges.

35

00:03:09,564 --> 00:03:12,859
And I'll get a plastic bag
to collect the lamb entrails.

36

00:03:12,942 --> 00:03:17,488
It's a message from the Council, Sabrina.
It means our family's been selected

37

00:03:17,572 --> 00:03:19,824
to participate in this year's
Feast of Feasts.

38

00:03:20,992 --> 00:03:25,288
Feast of Feasts, Sabrina,
is one of our coven's holiest holidays.

39

00:03:25,371 --> 00:03:28,791
It's similar to mortal Thanksgiving, but--

40

00:03:28,875 --> 00:03:31,336
The menu is slightly different.

41

00:03:31,753 --> 00:03:34,881
[Zelda] It's meant to honor
the single greatest sacrifice a witch

42

00:03:34,964 --> 00:03:36,758
ever made to save her coven.

43

00:03:37,258 --> 00:03:40,261
Praise Sister Freya. May we meet again.

44

00:03:41,012 --> 00:03:41,930
Who's Freya?

45

00:03:42,430 --> 00:03:44,265
A queen amongst witches.

46

00:03:44,349 --> 00:03:45,600
Centuries ago,

47

00:03:45,683 --> 00:03:48,728
the 14 women belonging
to the earliest incarnation

48

00:03:48,811 --> 00:03:52,482
of the Church of Night were chased
out of the township of Greendale...

49

00:03:52,565 --> 00:03:54,525
into the hills, the forest.

50

00:03:54,901 --> 00:03:55,818
Hilda.

51

00:03:56,069 --> 00:03:59,030
The men of Greendale
had hunted all the animals.

52

00:03:59,113 --> 00:04:01,241
So, you know, really,
there was nothing to eat.

53

00:04:01,324 --> 00:04:03,868
The witches would've starved
and died that winter,

54

00:04:03,952 --> 00:04:08,790
had it not been for the sacrifices
of Freya, the youngest, strongest witch.

55

00:04:09,123 --> 00:04:10,291
She, um...

56

00:04:13,294 --> 00:04:16,798
Freya slit her own throat and offered up
her body so that the coven would have

57

00:04:16,881 --> 00:04:19,425
sustenance through the cold months,
into the spring.

58

00:04:19,884 --> 00:04:22,011
-Praise Freya!
-[Zelda, Ambrose] Praise Freya!

59

00:04:22,095 --> 00:04:25,723
Wait, are we seriously
talking about cannibalism?

60

00:04:25,807 --> 00:04:27,392
It's not unlike the Donner Party.

61

00:04:27,475 --> 00:04:30,144
The Feast of Feasts
is an annual demonstration

62

00:04:30,228 --> 00:04:32,939
of our devotion to the Dark Lord.

63

00:04:33,773 --> 00:04:39,821
Fourteen families from the coven
are selected to participate in a, uh...

64

00:04:40,738 --> 00:04:41,572
a lottery.

65

00:04:41,906 --> 00:04:44,409
The families then choose someone
to represent them.

66

00:04:44,492 --> 00:04:47,287
-A tribute, as it were.
-Only ladies are eligible because--

67

00:04:47,370 --> 00:04:48,913
It is the Dark Lord's will.

68

00:04:48,997 --> 00:04:50,415
In any case... [inhales deeply]

69

00:04:50,498 --> 00:04:52,500
...the 14 tributes draw lots to see

70

00:04:52,583 --> 00:04:54,752
who will win the honor of being queen.

71

00:04:54,836 --> 00:04:56,296
What do you get as queen?

72

00:04:56,379 --> 00:04:59,132
You get to be the main course.

73

00:04:59,215 --> 00:05:03,136
The queen is eaten?
And witches participate in this...

74
00:05:03,678 --> 00:05:04,512
willingly?

75
00:05:04,595 --> 00:05:06,222
It is a sacred tradition.

76
00:05:07,056 --> 00:05:11,978
Our obligation is not to question,
it is to obey and participate.

77
00:05:12,061 --> 00:05:13,980
But no one's starving anymore.

78
00:05:14,063 --> 00:05:16,274
And we're talking about murder here.

79
00:05:16,357 --> 00:05:19,193
Ritual sacrifice. It's slightly different.

80
00:05:19,277 --> 00:05:23,406
Since Hilda's been excommunicated,
only Sabrina and I are eligible

81
00:05:23,489 --> 00:05:25,908
for the lottery, which means that...
[breathes deeply]

82
00:05:25,992 --> 00:05:28,828
...I will represent the family
at tomorrow night's drawing.

83
00:05:28,911 --> 00:05:32,332
No, no, no. No. Aunt Zelda, you can't.

84
00:05:33,166 --> 00:05:34,417
What if you get picked?

85
00:05:35,168 --> 00:05:37,378

Aunt Hilda? Ambrose? Back me up here!

86

00:05:37,879 --> 00:05:41,007
We Spellmans are an endangered species.

87

00:05:41,674 --> 00:05:43,092
I lost my mom and my dad...

88

00:05:44,927 --> 00:05:46,471
I don't want to lose you, too.

89

00:05:49,849 --> 00:05:51,392
That's sweet, Sabrina...

90

00:05:53,227 --> 00:05:54,729
but your Aunt Hilda and I

91

00:05:54,812 --> 00:05:58,483
have participated in many lotteries
over the years,

92

00:05:58,566 --> 00:06:03,696
and the Dark Lord has never seen fit
to reward us with being queen.

93

00:06:04,489 --> 00:06:07,450
I have no reason to believe
this year will be any different.

94

00:06:08,076 --> 00:06:10,703
So please,
the Feast of Feasts is happening,

95

00:06:10,787 --> 00:06:13,915
and like it or not, we are participating.

96

00:06:17,251 --> 00:06:18,669
[murmurs] Don't forget--

97

00:06:22,924 --> 00:06:24,801
[Wardwell]
It's Thanksgiving week, class,

98

00:06:24,884 --> 00:06:27,512
and I want to talk about you
and this town.

99

00:06:27,804 --> 00:06:31,307
Your family trees tell the tale
of Greendale.

100

00:06:31,891 --> 00:06:36,896
So, how well do you know your roots?

101

00:06:37,230 --> 00:06:40,525
For instance, you, Mr. Kinkle.

102

00:06:41,275 --> 00:06:43,736
When did your family come to Greendale?

103

00:06:44,028 --> 00:06:45,238
I'm not exactly sure.

104

00:06:45,488 --> 00:06:48,199
How did they come to own the mines?
And why?

105

00:06:48,908 --> 00:06:50,451
I don't-- I don't know.

106

00:06:50,618 --> 00:06:52,495
Well, you've got some digging to do.

107

00:06:52,829 --> 00:06:53,996
All of you do.

108

00:06:55,164 --> 00:06:59,419
The assignment this week
is to research your own family history.

109

00:06:59,502 --> 00:07:04,048
It's time we got to know ourselves,
and each other... better.

110

00:07:05,633 --> 00:07:07,552
-[school bell rings]
-Class is dismissed.

111

00:07:08,469 --> 00:07:12,849
Ms. Wardwell, have you ever heard
of witches celebrating

112

00:07:12,932 --> 00:07:15,017
something called Feast of Feasts?

113

00:07:15,810 --> 00:07:16,936
Hmm.

114

00:07:17,728 --> 00:07:22,024
My former coven, the Church of Shadows,
had a comparable ritual.

115

00:07:22,108 --> 00:07:24,569
-It's a--
-Do you know if there's any way to...

116

00:07:25,278 --> 00:07:26,529
opt out of it?

117

00:07:26,904 --> 00:07:28,698
Or stop it?

118

00:07:28,990 --> 00:07:31,325
Not off the top of my head,

119

00:07:31,409 --> 00:07:33,661
but I could do some research, if you like.

120

00:07:34,036 --> 00:07:37,039
That would be great, Ms. Wardwell,
and I'll do the same.

121

00:07:39,584 --> 00:07:40,626
Thank you.

122

00:07:41,544 --> 00:07:45,381
Yes, Sabrina. I'll do my research,

123

00:07:45,465 --> 00:07:51,179
and see if Mr. Kinkle's...
yields anything of note.

124

00:07:52,138 --> 00:07:55,141
[Harvey] Grandpa, I'm supposed to write
a paper on our family history.

125

00:07:55,475 --> 00:07:56,893
Have we always been miners?

126

00:07:57,768 --> 00:08:01,147
Not always. Back in the early days,
when we were Von Kunkles,

127

00:08:01,230 --> 00:08:02,482
we hunted and trapped.

128

00:08:03,524 --> 00:08:06,110
And then, there was that terrible winter.

129

00:08:06,861 --> 00:08:09,322
-And those people.
-What people?

130

00:08:09,405 --> 00:08:13,117
Well, no one knew where they came from,
but they lived on the outskirts of town.

131

00:08:13,367 --> 00:08:17,955
And the townsfolk used to say
that they were tunneling in them hills.

132

00:08:18,498 --> 00:08:21,083
They claimed we stole their land.

133

00:08:21,167 --> 00:08:23,544
Did we? Steal land from them?

134

00:08:23,628 --> 00:08:26,047
The hill people scared the town folk.

135
00:08:26,631 --> 00:08:29,884
And it was decided
that someone should get rid of them,

136
00:08:29,967 --> 00:08:31,219
and that duty fell to us.

137
00:08:32,220 --> 00:08:34,263
And after they were gone,
we made use of the land.

138
00:08:34,347 --> 00:08:37,266
What happened to the people?
The hill people?

139
00:08:38,100 --> 00:08:40,436
You're coming hunting with us this year,
ain't you?

140
00:08:42,355 --> 00:08:44,065
I'll show you what happened.

141
00:08:46,901 --> 00:08:49,403
[Mr. Putnam] Your Uncle Jesse kept track
of the family history.

142
00:08:49,737 --> 00:08:52,448
Things that most people
would've got rid of, he kept.

143
00:08:53,824 --> 00:08:55,868
That's Dorothea Putnam.

144
00:08:56,118 --> 00:08:58,996
First of our family to arrive from Europe
and settle in Greendale.

145
00:08:59,080 --> 00:09:00,331
Dorothea?

146

00:09:02,166 --> 00:09:04,460
-But she's dressed like a man.
-Oh.

147

00:09:05,044 --> 00:09:06,420
It was the frontier.

148

00:09:07,672 --> 00:09:09,173
She lived by herself for a while.

149

00:09:09,257 --> 00:09:13,636
Safer for a woman in that time to...
wear men's clothing, I guess.

150

00:09:17,348 --> 00:09:20,226
Those will be her journals.

151

00:09:20,309 --> 00:09:22,270
Never got all the way through them myself.

152

00:09:23,104 --> 00:09:24,814
-[knock on door]
-[Roz] Nana Ruth?

153

00:09:25,982 --> 00:09:29,068
-[Nana chuckles]
-It's me. [chuckles] Rosalind.

154

00:09:29,151 --> 00:09:31,028
Come closer, baby.

155

00:09:31,112 --> 00:09:33,281
It's been too long.

156

00:09:34,657 --> 00:09:37,618
Bless you, sweet girl. [chuckles]

157

00:09:37,785 --> 00:09:43,708
Nana, at school, we were asked
to research our personal histories--

158

00:09:43,791 --> 00:09:48,713
Oh. I thought you came to talk to me
because you was worrying

159

00:09:48,796 --> 00:09:52,008
you don't have enough faith,
which is nonsense.

160

00:09:52,508 --> 00:09:54,427
-Did Dad call you?
-[Nana] Call me?

161

00:09:54,510 --> 00:09:56,012
[scoffs] No.

162

00:09:57,263 --> 00:10:01,434
The cunning tells me what I need to know.

163

00:10:01,517 --> 00:10:05,563
The cunning... what is that?

164

00:10:05,646 --> 00:10:08,566
It's a... a hunch.

165

00:10:09,567 --> 00:10:14,614
A sixth sense in your bones
that helps us to see things...

166

00:10:15,114 --> 00:10:20,369
when others,
like your daddy, remain blind.

167

00:10:21,495 --> 00:10:26,751
My cunning started to manifest
when I was just about your age.

168

00:10:27,460 --> 00:10:28,753
And yours...

169

00:10:29,712 --> 00:10:32,673
Yours should be starting up now...

170

Okay, well...

345

00:20:51,458 --> 00:20:53,377
if there's no talking you out of this.

346

00:20:53,877 --> 00:20:56,797
Wait. Where are you going, handmaiden?

347

00:20:57,047 --> 00:20:58,173
Baxter High.

348

00:20:58,590 --> 00:20:59,841
To live my life.

349

00:21:00,008 --> 00:21:02,886
As fully as possible,
for as long as possible.

350

00:21:02,970 --> 00:21:05,013
The shepherd is meant
to take care of the lamb.

351

00:21:05,097 --> 00:21:06,014
[Sabrina] Hmm.

352

00:21:07,474 --> 00:21:10,477
-You can come with me, if you want.
-And why would I do that?

353

00:21:10,686 --> 00:21:11,687
Boys.

354

00:21:12,854 --> 00:21:15,482
Lots and lots of mortal boys.

355

00:21:15,732 --> 00:21:16,817
To torment.

356

00:21:17,109 --> 00:21:18,235
And seduce.

357

00:21:18,902 --> 00:21:19,736

Or both.

358

00:21:20,279 --> 00:21:24,366
Who knows, Prudence, maybe you'll find
the meaning of life at Baxter High.

359

00:21:24,449 --> 00:21:25,951
Oh, you had me at boys to torment.

360

00:21:28,620 --> 00:21:32,082
Ms. Wardwell, pardon the, uh, intrusion.

361

00:21:35,419 --> 00:21:37,838
-[Hawthorne inhales sharply]
-What can I, um...

362

00:21:40,257 --> 00:21:42,592
do for you, Principal Hawthorne?

363

00:21:42,926 --> 00:21:45,345
Any big plans for the holiday weekend?

364

00:21:45,887 --> 00:21:49,516
Because you would be welcome at my house.

365

00:21:50,892 --> 00:21:53,020
I have my own rituals.

366

00:21:55,897 --> 00:21:57,024
I order in.

367

00:21:57,941 --> 00:21:59,151
Perhaps next time.

368

00:22:00,319 --> 00:22:02,529
When I'm in the mood for a real meal.

369

00:22:02,988 --> 00:22:04,072
[softly] Oh, yeah.

370

00:22:05,866 --> 00:22:06,950

[soft chuckle]

371

00:22:07,701 --> 00:22:10,287
Guys, this is Prudence.

372

00:22:10,495 --> 00:22:12,873
She's my cousin
who's visiting for Thanksgiving.

373

00:22:13,290 --> 00:22:16,084
Prudence, this is my boyfriend, Harvey.

374

00:22:16,168 --> 00:22:18,670
And my two best friends,
Rosalind and Susie.

375

00:22:19,921 --> 00:22:22,883
Very nice to meet you.
[softly] You promised me boys.

376

00:22:22,966 --> 00:22:24,843
[whispers] I wanted you
to meet my friends first.

377

00:22:24,926 --> 00:22:27,763
So, what are we talking about?

378

00:22:28,388 --> 00:22:30,766
Uh... My ancestor Dorothea.

379

00:22:30,849 --> 00:22:34,353
She was an early settler in Greendale,
and was also a pirate

380

00:22:34,436 --> 00:22:38,023
who helped a group of women fleeing
religious persecution from Scotland.

381

00:22:38,106 --> 00:22:41,651
Dorothea Putnam?
We learned about her at my school.

382

00:22:41,735 --> 00:22:45,697
She was a true ally to those women.
A hero to the marrow.

383
00:22:46,031 --> 00:22:47,949
So I'm discovering. [chuckles softly]

384
00:22:48,450 --> 00:22:50,285
Did you turn up anything, Harvey?

385
00:22:51,161 --> 00:22:53,455
Yeah, but it's kind of messed up.

386
00:22:54,039 --> 00:22:56,875
Basically, the Kinkles got ownership
of the mines in a...

387
00:22:56,958 --> 00:23:00,921
a land grab. Kicked some people out
who lived in the hills and took them over.

388
00:23:01,254 --> 00:23:03,882
-What does that mean?
-By "kicked out," he means killed.

389
00:23:03,965 --> 00:23:05,801
And by "took over," he means stole.

390
00:23:07,010 --> 00:23:08,595
What did you say your family name is?

391
00:23:08,887 --> 00:23:09,888
-Harvey?
-Kinkle.

392
00:23:10,180 --> 00:23:12,307
So you're a descendant
of the Von Kunkles, then.

393
00:23:13,600 --> 00:23:16,895
Those "hill people"
your ancestors killed were witches.

394

00:23:16,978 --> 00:23:18,397
Which makes your family witch--

395

00:23:18,480 --> 00:23:20,440
Come on,
everybody knows witches aren't real.

396

00:23:20,524 --> 00:23:24,152
Your family committed atrocities,
and blood-atonement is demanded.

397

00:23:24,236 --> 00:23:26,279
-Kidding! She's kidding.
-[Harvey] Wait, hang on.

398

00:23:26,571 --> 00:23:31,243
Uh, I am going to show her the rest of
school, but we will see you guys later!

399

00:23:31,326 --> 00:23:33,453
[chuckles] Bye.

400

00:23:33,912 --> 00:23:36,123
[Prudence] Did you honestly think
I would find meaning here?

401

00:23:36,498 --> 00:23:38,333
Amongst your mortal friends?

402

00:23:38,417 --> 00:23:41,211
They don't even know the glorious truth
of what you are.

403

00:23:41,420 --> 00:23:43,922
-And your beau is a witch hunter!
-No, he's not.

404

00:23:44,005 --> 00:23:47,759
My sisters and I have a simple philosophy
when it comes to witch hunters:

405

00:23:47,843 --> 00:23:50,137

kill them before they have the chance
to kill us.

406

00:23:50,220 --> 00:23:54,099
Prudence, if you lay a finger on Harvey,
I swear to Satan, I'll tear you to pieces.

407

00:23:54,182 --> 00:23:56,226
-Save it for Feast Day.
-You're deluded.

408

00:23:56,309 --> 00:23:57,936
Girls, girls.

409

00:24:00,272 --> 00:24:03,191
Let's not be catty bitches, hmm?

410

00:24:04,818 --> 00:24:09,322
Sabrina, aren't you gonna introduce me
to your new gal pal?

411

00:24:10,490 --> 00:24:12,284
And I know it's witch tradition,

412

00:24:12,367 --> 00:24:16,204
but can you please
talk some sense into her, Ms. Wardwell,

413

00:24:16,288 --> 00:24:20,709
and tell her that there's absolutely
no purpose to the feast?

414

00:24:20,792 --> 00:24:23,795
Not when the cost is precious life.

415

00:24:23,879 --> 00:24:27,591
But the reward is everlasting glory
in the Dark Lord's heart.

416

00:24:28,383 --> 00:24:31,803
And who is this woman
that we can discuss our ways with her?

417

00:24:31,887 --> 00:24:33,138
We can trust Ms. Wardwell.

418

00:24:33,221 --> 00:24:36,183
She's a witch, too,
excommunicated from another coven.

419

00:24:38,435 --> 00:24:41,563
You expect me to take advice
from an excommunicate?

420

00:24:42,022 --> 00:24:46,651
Don't be a snob, Prudence.
Ms. Wardwell is incredibly learned.

421

00:24:46,735 --> 00:24:51,198
And, as promised, I have done some digging
into the Feast of Feasts

422

00:24:51,281 --> 00:24:54,576
and it's a... a complicated matter.

423

00:24:55,076 --> 00:24:59,915
Now, you may not want to listen
to an excommunicate,

424

00:24:59,998 --> 00:25:03,835
but there is someone
perhaps you should meet.

425

00:25:05,212 --> 00:25:10,509
A witch who was once Queen of the Feast,
until she rejected the crown.

426

00:25:10,967 --> 00:25:14,471
She lives deep in the Greendale Woods.

427

00:25:15,263 --> 00:25:19,768
Moon Valley,
if you're brave enough to find her.

428

00:25:19,851 --> 00:25:22,229

A witch spurned queenship?

429

00:25:22,646 --> 00:25:24,231
[scoffs] I don't believe it.

430

00:25:25,273 --> 00:25:28,401
Well, if your faith is
as strong as you say it is, Prudence...

431

00:25:29,277 --> 00:25:31,154
what's the harm in hearing her story?

432

00:25:34,407 --> 00:25:35,700
If I go...

433

00:25:36,993 --> 00:25:38,745
I want my sisters to come with us.

434

00:25:38,954 --> 00:25:40,705
The more, the merrier.

435

00:25:41,164 --> 00:25:45,252
And Satan knows
who we might chance upon in the woods.

436

00:25:48,463 --> 00:25:50,799
Thanksgiving was
Connor's favorite holiday.

437

00:25:51,424 --> 00:25:53,718
Mrs. Kemper, I can't even imagine

438

00:25:54,177 --> 00:25:57,097
how difficult this time of year
must be for you.

439

00:25:58,515 --> 00:26:01,643
But he's probably snug-as-a-bug...

440

00:26:03,228 --> 00:26:06,523
in this lovely little urn
you picked out for him for his ashes.

441

00:26:07,482 --> 00:26:09,609
Pop that on the mantelpiece, eh?

442

00:26:10,110 --> 00:26:14,281
Are there any leads regarding his, um...

443

00:26:15,198 --> 00:26:17,617
[sighs] Well, nothing from the police,

444

00:26:18,201 --> 00:26:23,456
but, uh... I found some things.

445

00:26:23,540 --> 00:26:25,292
What sort of things, Mrs. Kemper?

446

00:26:25,375 --> 00:26:26,793
I found a box.

447

00:26:26,876 --> 00:26:30,088
It contained occult objects.

448

00:26:30,171 --> 00:26:32,299
Talismans, vials of blood.

449

00:26:32,924 --> 00:26:35,927
We think that Connor was involved
in some sort of satanic cult,

450

00:26:36,011 --> 00:26:39,139
-and that's why he was murdered.
-Perhaps I could be of assistance.

451

00:26:39,431 --> 00:26:43,226
Hmm. Do you think you could
bring the items here?

452

00:26:44,227 --> 00:26:45,520
[sighs]

453

00:26:46,438 --> 00:26:48,815

Such a good idea. [chuckles softly]

454

00:26:59,284 --> 00:27:01,286
[birds chirping]

455

00:27:08,209 --> 00:27:10,462
-What if she's not at home?
-She's always at home.

456

00:27:11,379 --> 00:27:13,006
Isn't that right, Dezmelda?

457

00:27:15,759 --> 00:27:18,011
We're witches, like you...

458

00:27:19,471 --> 00:27:20,597
and seek counsel.

459

00:27:22,557 --> 00:27:24,476
What made you run, Dezmelda,

460

00:27:25,101 --> 00:27:26,227
from the Dark Lord?

461

00:27:26,478 --> 00:27:29,522
I didn't run from the Dark Lord.

462

00:27:30,231 --> 00:27:32,776
I ran from my High Priest.

463

00:27:33,985 --> 00:27:35,445
I was a child.

464

00:27:35,737 --> 00:27:40,575
We all were. All 14 of us
who took part in the lottery.

465

00:27:40,992 --> 00:27:42,661
Younger than you.

466

00:27:43,078 --> 00:27:46,081

No one questioned why that was.

467

00:27:46,164 --> 00:27:50,585
And I was selected to be queen.

468

00:27:51,086 --> 00:27:52,462
And then...

469

00:27:54,714 --> 00:27:58,009
Her High Priest had a revelation...

470

00:27:59,135 --> 00:28:03,014
delivered unto him
by the Dark Lord, allegedly.

471

00:28:03,515 --> 00:28:05,100
The night before the feast,

472

00:28:05,183 --> 00:28:07,060
the High Priest was to...

473

00:28:09,771 --> 00:28:10,855
initiate her.

474

00:28:12,607 --> 00:28:14,984
I was a child.

475

00:28:15,276 --> 00:28:21,825
Rather than allow herself to be violated,
Dezmelda fled... into the woods.

476

00:28:23,159 --> 00:28:24,994
She's lived here ever since.

477

00:28:25,829 --> 00:28:28,832
What happened then
isn't what Father Blackwood is asking now.

478

00:28:28,915 --> 00:28:30,625
Just listen to your words.

479

00:28:31,084 --> 00:28:35,088
Father Blackwood is asking you
to do this thing, not the Dark Lord.

480

00:28:35,171 --> 00:28:37,132
Father Blackwood is a righteous messenger.

481

00:28:37,215 --> 00:28:38,508
But he isn't divine.

482

00:28:38,800 --> 00:28:42,554
He's flesh and blood,
just like you and me.

483

00:28:42,637 --> 00:28:45,473
Which means he has faults and he sins.

484

00:28:45,932 --> 00:28:48,518
He can be wrong, he can be corrupted.

485

00:28:53,481 --> 00:28:58,027
This part of the forest is where
the Kinkle men have always hunted.

486

00:28:58,987 --> 00:29:01,614
They used to call it Moon Valley.

487

00:29:02,490 --> 00:29:03,575
I'll tell you...

488

00:29:04,325 --> 00:29:07,454
I've seen some strange things out here.

489

00:29:13,334 --> 00:29:15,170
[leaves rustling]

490

00:29:17,839 --> 00:29:19,090
[softly] That's a beauty.

491

00:29:23,511 --> 00:29:24,929
It's Harvey's first hunt.

492

00:29:25,513 --> 00:29:27,098
He should do the honors.

493

00:29:30,018 --> 00:29:32,854
Are you suggesting
Father Blackwood is acting on his own,

494

00:29:32,937 --> 00:29:34,189
independent of the Dark Lord?

495

00:29:34,272 --> 00:29:36,232
-I'm saying it's possible.
-But why?

496

00:29:37,317 --> 00:29:39,611
It's clear Dezmelda's High Priest
had an agenda.

497

00:29:39,694 --> 00:29:41,780
But how would my death
serve Father Blackwood?

498

00:29:41,863 --> 00:29:46,159
He's taken care of me, raised me,
treated me like a daughter.

499

00:29:46,242 --> 00:29:48,870
Which makes what he's doing
even more insidious.

500

00:29:48,953 --> 00:29:52,457
He isn't doing anything
except carrying out the Dark Lord's will.

501

00:29:52,999 --> 00:29:56,377
And, Sabrina, I want to be queen.

502

00:29:56,669 --> 00:29:57,962
I've dreamed about it.

503

00:29:58,421 --> 00:29:59,798
Why can't you accept that?

504

00:30:00,089 --> 00:30:01,007
[gunshot]

505

00:30:01,090 --> 00:30:03,760
What have you done?
Who else have you brought to this place?

506

00:30:03,843 --> 00:30:05,261
No one, I swear.

507

00:30:05,345 --> 00:30:07,347
[Dezmelda] Go, and never come back.

508

00:30:08,890 --> 00:30:12,352
-[Sabrina] Ms. Wardwell, what is it?
-It was a familiar.

509

00:30:12,977 --> 00:30:14,395
[Dorcas] Many live in Moon Valley.

510

00:30:20,360 --> 00:30:21,778
Who would do such a thing?

511

00:30:23,404 --> 00:30:24,364
Men.

512

00:30:24,948 --> 00:30:28,618
-[Tommy] Hey Dad, over here!
-Quickly, take the wool yarn.

513

00:30:30,453 --> 00:30:32,497
Form a pentagram around the creature.

514

00:30:32,580 --> 00:30:34,415
Wait, Ms. Wardwell, what are we doing?

515

00:30:34,999 --> 00:30:37,043
Pulling the wool over their eyes.

516

00:30:37,377 --> 00:30:38,336

Don't speak.

517

00:30:38,670 --> 00:30:41,339
Stay very quiet,
or the cloaking won't take.

518

00:30:44,968 --> 00:30:46,970
[Harvey pants]

519

00:30:49,889 --> 00:30:51,182
Blood stops here.

520

00:30:52,475 --> 00:30:54,394
Where the hell is the damn thing?

521

00:30:59,566 --> 00:31:03,653
[Mr. Kinkle] That was a kill-shot.
It shouldn't even have gotten this far.

522

00:31:03,862 --> 00:31:04,988
What do we do now?

523

00:31:06,239 --> 00:31:08,241
We keep looking. I want that prize.

524

00:31:36,227 --> 00:31:38,021
Once a hunter, always a hunter.

525

00:31:38,104 --> 00:31:39,898
Harvey's not a hunter.

526

00:31:39,981 --> 00:31:43,860
Though you must admit,
he certainly looks the part, Sabrina.

527

00:31:43,943 --> 00:31:45,069
More than looks it.

528

00:31:45,612 --> 00:31:48,114
He is a witch hunter.
His family are witch hunters.

529

00:31:48,197 --> 00:31:49,490
He told you himself.

530

00:31:49,574 --> 00:31:51,910
Then blood demands blood, that is the law.

531

00:31:51,993 --> 00:31:54,787
Blood atonement
for the murder of this familiar.

532

00:31:56,039 --> 00:31:59,125
Perhaps instead of letting you drag me
to the four corners,

533

00:31:59,459 --> 00:32:03,004
my last hours would be better spent
flaying your boyfriend alive.

534

00:32:03,087 --> 00:32:04,672
Rending him limb from limb.

535

00:32:04,756 --> 00:32:07,634
Keep away from him. Harvey's not a killer.

536

00:32:07,717 --> 00:32:09,135
You believe that, Sabrina?

537

00:32:09,844 --> 00:32:11,387
Even with what we just saw?

538

00:32:11,721 --> 00:32:13,932
Yes. Yes.

539

00:32:14,349 --> 00:32:18,519
How is your faith in the mortal boy any
different than my faith in the Dark Lord?

540

00:32:19,520 --> 00:32:21,856
Why is your faith more valid than mine?

541

00:32:23,024 --> 00:32:25,026

[phone ringing]

542

00:32:25,902 --> 00:32:28,112
Spellman Mortuary, this is Zelda.

543

00:32:29,989 --> 00:32:33,201
Lady Blackwood. Oh, come straight away.

544

00:32:35,411 --> 00:32:38,998
Nana Ruth, this is my friend from school.

545

00:32:39,958 --> 00:32:41,542
Hello, handsome fellow.

546

00:32:41,626 --> 00:32:45,421
Oh... no, Nana. Her name is Susie.

547

00:32:45,505 --> 00:32:46,756
No, it's okay, Roz.

548

00:32:48,174 --> 00:32:51,594
I asked Susie to come with me because--

549

00:32:51,678 --> 00:32:54,973
Because I scared you the last time.

550

00:32:56,474 --> 00:32:57,308
Nana...

551

00:32:58,726 --> 00:33:02,647
how did us Walker women get this...

552

00:33:04,232 --> 00:33:05,191
cunning?

553

00:33:05,441 --> 00:33:06,985
Generations ago...

554

00:33:08,486 --> 00:33:13,157
our kin accused a woman of being a witch.

555

00:33:13,825 --> 00:33:16,077
The other witches in Greendale,

556

00:33:16,369 --> 00:33:20,623
they cursed us Walker women
with blindness.

557

00:33:22,208 --> 00:33:25,253
But witches aren't real, are they, Nana?

558

00:33:26,587 --> 00:33:29,757
And what does being blind have to do
with being cunning?

559

00:33:30,842 --> 00:33:35,054
I don't know if being cursed
gave us the cunning,

560

00:33:35,138 --> 00:33:38,057
or if it simply brought out
what was already there.

561

00:33:40,351 --> 00:33:45,023
But I do know you will lose your vision.

562

00:33:46,566 --> 00:33:48,192
But with the cunning...

563

00:33:49,652 --> 00:33:53,573
you'll be able to see things
that others cannot.

564

00:33:54,574 --> 00:33:58,661
And that will save your life.

565

00:34:01,873 --> 00:34:03,875
[crows cawing]

566

00:34:07,336 --> 00:34:08,296
Harvey.

567

00:34:10,590 --> 00:34:14,594
I thought this year was gonna be different
with my dad and my grandfather.

568
00:34:15,803 --> 00:34:17,805
Did something happen?

569
00:34:18,264 --> 00:34:20,099
We all went down to Moon Valley to hunt.

570
00:34:22,435 --> 00:34:26,439
There was a deer...
and it was my turn, Grandpa said.

571
00:34:28,232 --> 00:34:29,233
But I...

572
00:34:30,735 --> 00:34:31,652
I couldn't do it.

573
00:34:31,736 --> 00:34:36,074
So Grandpa did it, but I... I should
have stopped him. I didn't stop him.

574
00:34:36,157 --> 00:34:38,159
-I should have stopped him, but I didn't.
-It's okay.

575
00:34:38,242 --> 00:34:39,619
It's hopeless, Sabrina.

576
00:34:40,119 --> 00:34:43,039
Besides Tommy, I don't...
fit in with them.

577
00:34:45,917 --> 00:34:47,085
You're not like them.

578
00:34:49,128 --> 00:34:50,421
Not even close.

579
00:34:55,593 --> 00:34:56,803

You wouldn't hurt a fly.

580

00:34:58,971 --> 00:35:00,181
That's why I love you.

581

00:35:07,939 --> 00:35:11,567
[whispering]
Qui affecto protego, mixtisque iubas

582

00:35:11,651 --> 00:35:15,446
serpentibus et posteris meis stirpique.

583

00:35:21,410 --> 00:35:24,330
-Sabrina, thank Beelzebub, I need you.
-For what?

584

00:35:24,413 --> 00:35:26,707
I've got Lady Blackwood downstairs
on the verge of hysteria,

585

00:35:26,791 --> 00:35:28,417
Hilda is at that ridiculous book store,

586

00:35:28,501 --> 00:35:31,420
but I've got a pot of her calming tea
on the stove. Fetch it and come down.

587

00:35:31,504 --> 00:35:33,714
At first, there were cramps,
then I saw blood.

588

00:35:33,798 --> 00:35:36,134
I was spotting. My babies,
are they all right?

589

00:35:36,217 --> 00:35:38,678
Tranquil thoughts,
Lady Blackwood, you're fine.

590

00:35:38,761 --> 00:35:41,722
I can't lose my babies.
Faustus would never forgive me.

591

00:35:41,806 --> 00:35:44,392

-I don't want to fail him.
-Nonsense. Sabrina, pour the tea.

592

00:35:44,475 --> 00:35:47,145

-Already poured, Aunt Zee.
-It's not poison, is it?

593

00:35:47,228 --> 00:35:50,690

Of course not.
It's chamomile with a calming tincture.

594

00:35:50,773 --> 00:35:51,941

Drink up.

595

00:35:53,151 --> 00:35:55,153

Finish every drop, that's a good girl.

596

00:35:55,820 --> 00:35:57,780

What's happening? What's wrong with me?

597

00:35:57,864 --> 00:36:00,658

Your blood pressure is abnormally high.

598

00:36:00,741 --> 00:36:02,493

You're having a panic attack.

599

00:36:02,577 --> 00:36:04,787

Have you done any
intense spellcasting lately?

600

00:36:04,871 --> 00:36:06,789

Sometimes that can stress a pregnancy.

601

00:36:06,873 --> 00:36:09,959

It was dangerous, but I had to do it.

602

00:36:11,711 --> 00:36:13,129

You understand, don't you?

603

00:36:16,883 --> 00:36:19,385

Of course, Lady Blackwood,
I understand you.

604

00:36:19,468 --> 00:36:21,637
You know what they're really like.

605

00:36:22,054 --> 00:36:25,558
Always whispering and...
and plotting and...

606

00:36:25,641 --> 00:36:27,810
and I think they're gonna kill my babies.

607

00:36:27,894 --> 00:36:29,770
No one is going to hurt your babies.

608

00:36:29,854 --> 00:36:33,149
You just have a touch
of third trimester hysteria, nothing more.

609

00:36:33,608 --> 00:36:34,817
Who's plotting?

610

00:36:34,901 --> 00:36:38,946
Those Weird Sisters. [pants] Those sluts.

611

00:36:41,824 --> 00:36:45,661
I won't let them conspire against me.
My children will come first.

612

00:36:45,745 --> 00:36:47,997
Why?
Why should the orphans wish you any harm?

613

00:36:48,080 --> 00:36:51,375
All three of them,
they think they're so clever.

614

00:36:51,959 --> 00:36:54,170
Planning to take
what belongs to my children.

615

00:36:54,503 --> 00:36:57,798
They would've done anything.
Hurt them, curse them.

616

00:36:59,967 --> 00:37:01,719
So I had to hurt them first.

617

00:37:03,846 --> 00:37:08,517
Kill one, and the others
are no threat of consequence.

618

00:37:13,898 --> 00:37:17,526
What did Lady Blackwood mean by
"her children" come first?

619

00:37:18,236 --> 00:37:22,949
I wonder if Constance might think
Father Blackwood has other children.

620

00:37:24,533 --> 00:37:26,077
He wouldn't be the first High Priest

621

00:37:26,160 --> 00:37:29,330
to have dropped
the odd bastard child here and there.

622

00:37:29,413 --> 00:37:32,833
But how would those other children be
a threat to Lady Blackwood's twins?

623

00:37:32,917 --> 00:37:36,629
Children born of a High Priest,
whether they're legitimate or not,

624

00:37:36,712 --> 00:37:38,798
can lay claim to that title.

625

00:37:38,881 --> 00:37:42,343
So if Father Blackwood
had other children out in the world...

626

00:37:43,177 --> 00:37:45,346
They could all make a play for the seat.

627

00:37:52,270 --> 00:37:53,729
[door creaks open]

628

00:37:53,813 --> 00:37:56,232
[Sabrina sighs]
Prudence, I need to talk to you.

629

00:37:56,732 --> 00:37:58,734
I'm being fitted for my Feast Day dress.

630

00:37:58,818 --> 00:38:02,613
It was premature of me to accuse
Father Blackwood of having an agenda

631

00:38:02,697 --> 00:38:04,115
when he choose you as queen.

632

00:38:04,615 --> 00:38:05,783
Finally. You've come--

633

00:38:05,866 --> 00:38:09,578
Instead, I think it might be
Lady Blackwood who wants you dead.

634

00:38:09,662 --> 00:38:11,205
What a blasphemous creature you are.

635

00:38:11,289 --> 00:38:13,916
You said Father Blackwood treats you
like a daughter.

636

00:38:14,000 --> 00:38:16,752
Is it possible you actually are
his daughter?

637

00:38:18,879 --> 00:38:21,757
Because if you were,
Lady Blackwood would see you as a threat.

638

00:38:21,841 --> 00:38:23,843
Have you completely lost your mind?

639

00:38:23,926 --> 00:38:26,470
Maybe. But why does Father Blackwood
take care of you?

640

00:38:26,554 --> 00:38:27,930
Because he's charitable.

641

00:38:28,014 --> 00:38:30,016
If you were Father Blackwood's daughter,

642

00:38:30,099 --> 00:38:32,685
you could one day lay claim
to the Church of Night,

643

00:38:32,768 --> 00:38:34,645
this school, everything,

644

00:38:34,979 --> 00:38:37,982
but you'd have to get rid
of his legitimate heirs first.

645

00:38:38,065 --> 00:38:39,942
Stop this. Please, stop this.

646

00:38:40,026 --> 00:38:43,571
If Lady Blackwood had it out for you,
wouldn't it be convenient for her

647

00:38:43,654 --> 00:38:45,948
if you were sacrificed
at the Feast of Feasts?

648

00:38:46,032 --> 00:38:47,283
For the last time...

649

00:38:48,034 --> 00:38:50,953
it is the Dark Lord's will
that I am to be queen.

650

00:38:51,037 --> 00:38:53,372
What if it's the will of a witch?

651

00:38:53,456 --> 00:38:58,627
Of a pregnant witch with a grudge
against you and your sisters?

652

00:38:59,670 --> 00:39:01,714
I just left her at my house.

653

00:39:01,797 --> 00:39:05,051
She was ranting about
how you're plotting against her,

654

00:39:05,134 --> 00:39:08,679
and how she needed to hurt you
before you could hurt her.

655

00:39:08,763 --> 00:39:10,473
Do you have even a shred of proof?

656

00:39:10,806 --> 00:39:13,309
Besides Lady Blackwood's
hysterical ramblings?

657

00:39:13,601 --> 00:39:16,562
No... just a hunch.

658

00:39:19,607 --> 00:39:23,277
But Lady Blackwood was holding
the lottery box.

659

00:39:24,362 --> 00:39:27,531
Please, Prudence,
I know you have complete faith

660

00:39:27,615 --> 00:39:29,533
that this is all the Dark Lord's will,

661

00:39:29,617 --> 00:39:32,036
and everything is going
according to his plan...

662

00:39:32,995 --> 00:39:36,540

but if there's even
a shadow of doubt in your mind,

663

00:39:36,624 --> 00:39:38,084
don't you want to know the truth?

664

00:39:38,709 --> 00:39:41,504
She'd be murdering you
in front of the entire coven.

665

00:39:47,385 --> 00:39:52,431
If I were to...
entertain this fantasy of yours...

666

00:39:55,351 --> 00:39:57,478
how do you suggest we proceed, handmaiden?

667

00:40:00,356 --> 00:40:03,359
Every Queen of the Feast
deserves a last supper, right?

668

00:40:16,914 --> 00:40:18,916
[wind whooshes]

669

00:40:27,716 --> 00:40:28,759
Dorothea?

670

00:40:33,347 --> 00:40:34,390
[Mr. Putnam] Susie!

671

00:40:35,224 --> 00:40:36,267
Dinner's ready!

672

00:40:39,061 --> 00:40:40,146
[sighs]

673

00:40:40,646 --> 00:40:43,441
-[indistinct chatter on TV]
-[snoring]

674

00:40:43,607 --> 00:40:45,109
[Harvey] This happens every year.

675

00:40:45,192 --> 00:40:47,862
They start drinking before breakfast
and pass out before lunch.

676

00:40:47,945 --> 00:40:49,113
So it's just you and me.

677

00:40:49,989 --> 00:40:50,948
I'm okay with that.

678

00:40:52,032 --> 00:40:53,659
Happy Thanksgiving, Tommy.

679

00:40:54,910 --> 00:40:56,245
Happy Thanksgiving, nerd.

680

00:40:56,704 --> 00:40:57,955
[door closes in Sabrina's house]

681

00:40:58,038 --> 00:41:00,749
Father Blackwood, Lady Blackwood,
please, come in.

682

00:41:01,333 --> 00:41:04,086
Happy Thanks... um... Feast of Feasts.

683

00:41:04,170 --> 00:41:05,671
[both] Blessed Feast.

684

00:41:06,255 --> 00:41:08,924
We'll be dining in the parlor
this evening.

685

00:41:10,718 --> 00:41:11,802
[Lady Blackwood] Wow!

686

00:41:11,886 --> 00:41:15,723
Prudence, you look stunning.
You must be filled with such--
