[Dark Lord snarls]

7

00:01:47,941 --> 00:01:51,861  
[Dark Lord] You dare summon me, Lilith?

8

00:01:52,320 --> 00:01:54,656  
You charged me with caring for Sabrina,  
but...

9

00:01:55,490 --> 00:01:58,326  
most recently,  
three of your kings came to attack her.

10

00:01:58,409 --> 00:01:59,536  
Who did?

11

00:01:59,994 --> 00:02:02,247  
Not to worry,  
they've been sent back to the Pit.

12

00:02:02,330 --> 00:02:06,084  
But they rather cryptically  
asserted that...

13

00:02:06,960 --> 00:02:09,170  
"The half-breed must not ascend."

14

00:02:10,463 --> 00:02:12,465  
How can I protect Sabrina

15

00:02:12,549 --> 00:02:15,343  
if I don't know what  
your plans for her are?

16

00:02:15,426 --> 00:02:18,888  
[Dark Lord] The Gates of Hell  
will be thrown open.

17

00:02:19,430 --> 00:02:23,560  
Sabrina will be my herald.  
My prophet on Earth.

18

00:02:24,894 --> 00:02:26,187  
She will?

19

00:02:26,271 --> 00:02:28,690  
[Dark Lord] Are you jealous, Lilith?

20

00:02:28,773 --> 00:02:31,025  
You'll still be first amongst women.

21

00:02:31,109 --> 00:02:33,820  
But, Dark Lord, the girl is...

22

00:02:34,821 --> 00:02:35,864  
not worthy.

23

00:02:36,406 --> 00:02:39,033  
[Dark Lord] Were you worthy,  
when I found you?

24

00:02:39,450 --> 00:02:45,623  
W-What I mean is... that there are limits  
to how far the half-breed will go for you.

25

00:02:46,040 --> 00:02:49,294

-She'll balk, for instance, at doing evil.  
-[Dark Lord] Evil?

26

00:02:50,128 --> 00:02:52,463  
That word means nothing to our kind.

27

00:02:52,547 --> 00:02:54,257  
Ah, but it does to her kind.

28

00:02:55,175 --> 00:02:56,676  
Remember, she's half-mortal.

29

00:02:56,759 --> 00:02:59,721  
I know what she is, Lilith. More than you.

30

00:02:59,804 --> 00:03:01,306  
Her essential nature, it...

31

00:03:01,890 --> 00:03:03,683  
tends towards the Light.

164  
00:10:15,823 --> 00:10:17,450

You're jealous, aren't you?

165

00:10:18,951 --> 00:10:21,704  
[Prudence] That Dorcas is playing  
the romantic lead opposite Nick.

166

00:10:22,121 --> 00:10:26,334  
Last year, I played Kim in Bye Bye Birdie  
at Baxter High, Prudence. I'm fine.

167

00:10:26,417 --> 00:10:28,919  
Didn't you break up with the mortal  
so you could be with Nick?

168

00:10:29,003 --> 00:10:31,172  
No, I broke up with Harvey because...

169

00:10:33,174 --> 00:10:34,759  
None of your business.

170

00:10:35,801 --> 00:10:37,803  
-As for Nick, he's... he's...  
-A friend.

171

00:10:37,887 --> 00:10:39,930  
Yes, yes, we've all heard that refrain.

172

00:10:40,014 --> 00:10:41,932  
But come on, Sabrina.

173

00:10:42,683 --> 00:10:46,520  
In the dark, late at night,  
between the sheets of your virgin's bed,

174

00:10:47,063 --> 00:10:50,566  
are you telling me you've never had  
the odd, stray thought about Nick?

175

00:10:51,525 --> 00:10:53,694  
Imagined him slipping through the window?

176

00:10:54,612 --> 00:10:55,488

Between your legs?

177

00:10:55,571 --> 00:10:59,158  
Eww! You're like one of my Aunt Hilda's  
bad Harlequin romance novels.

178

00:10:59,241 --> 00:11:01,661  
Lust isn't a sin, Sabrina,  
it's an emotion.

179

00:11:01,744 --> 00:11:04,997  
I can't memorize my lines  
with you whispering in my ear, like...

180

00:11:06,332 --> 00:11:07,375  
Like... [sighs]

181

00:11:11,587 --> 00:11:12,546  
[Dorcas clears throat]

182

00:11:13,297 --> 00:11:15,800  
Why, Lord, did you exile me  
from your Kingdom?

183

00:11:17,802 --> 00:11:21,138  
Lilith, you look to the False God  
for answers and understanding,

184

00:11:21,222 --> 00:11:22,264  
but none are coming.

185

00:11:22,807 --> 00:11:24,600  
You are forsaken in his eyes.

186

00:11:25,434 --> 00:11:28,020  
He cast me out, Lucifer, as he did you,

187

00:11:28,354 --> 00:11:31,273  
when I did nothing more than  
ask for equality.

188

00:11:33,234 --> 00:11:35,361

[quietly] Dorcas is a terrible actress.

189

00:11:35,986 --> 00:11:38,572

[Dark Lord whispers]

That role should be yours.

190

00:11:38,656 --> 00:11:39,532

[wind whistling]

191

00:11:39,615 --> 00:11:40,449

Dark Lord.

192

00:11:41,951 --> 00:11:45,121

I'm the understudy,  
Dorcas is the lead. That's...

193

00:11:45,579 --> 00:11:47,373

Look to your left.

194

00:11:48,874 --> 00:11:50,209

There is a pin there.

195

00:11:50,876 --> 00:11:54,422

Pull it and the role will be yours.

196

00:12:07,226 --> 00:12:08,436

[Zelda gasps]

197

00:12:12,273 --> 00:12:13,774

I won't! I won't do it!

198

00:12:14,400 --> 00:12:16,193

-Sabrina?

-[whispers] Seriously?

199

00:12:17,027 --> 00:12:18,571

Who are you talking to?

200

00:12:23,117 --> 00:12:24,827

No one, Aunt Zelda.

201

00:12:27,204 --> 00:12:28,205  
Sorry.

202  
00:12:29,165 --> 00:12:30,207  
Huh.

203  
00:12:31,000 --> 00:12:32,418  
And that's lunch, everyone.

204  
00:12:53,564 --> 00:12:55,566  
[indistinct chatter]

205  
00:13:01,238 --> 00:13:02,656  
[whispering]

206  
00:13:10,289 --> 00:13:11,916  
What is your problem now?

207  
00:13:12,249 --> 00:13:14,710  
First you wanna be on  
our basketball team.

208  
00:13:15,419 --> 00:13:17,588  
Now you wanna start usin'  
our locker room? [scoffs]

209  
00:13:18,088 --> 00:13:20,216  
There something you wanna tell us, Susie?

210  
00:13:20,508 --> 00:13:22,343  
-It's Theo now.  
-[Billy] Oh, that's right.

211  
00:13:22,718 --> 00:13:26,806  
Well, "Theo," don't mind us.  
We're just waitin' for the show to start.

212  
00:13:28,182 --> 00:13:29,266  
What show?

213  
00:13:30,684 --> 00:13:33,979  
Um, I'm pretty sure

you know what show, "Theo."

214

00:13:34,605 --> 00:13:36,232  
So go on. Go ahead.

215

00:13:36,607 --> 00:13:40,319  
Take it off. Take it all off.

216

00:13:56,377 --> 00:13:58,212  
[laughter]

217

00:13:58,295 --> 00:14:00,172  
[chattering, chuckling]

218

00:14:07,054 --> 00:14:09,473  
Sabrina, can I run lines with you?

219

00:14:10,099 --> 00:14:11,016  
Mm!

220

00:14:12,059 --> 00:14:14,562  
Sure. But shouldn't you be doing that  
with Dorcas?

221

00:14:16,313 --> 00:14:17,565  
[Nick] Dorcas, yeah.

222

00:14:18,524 --> 00:14:19,567  
Um...

223

00:14:20,150 --> 00:14:22,570  
I'm not really feelin' it with her.

224

00:14:23,612 --> 00:14:26,282  
I mean, don't get me wrong,  
she's a nice girl and all,

225

00:14:26,365 --> 00:14:27,449  
but, um...

226

00:14:28,158 --> 00:14:31,745

truthfully, I was kind of hoping  
you'd be cast as Lilith.

227

00:14:32,246 --> 00:14:33,247

Mm.

228

00:14:33,831 --> 00:14:38,294  
I'm not sure I could handle playing  
such a... subservient character.

229

00:14:38,836 --> 00:14:40,087

It's not really my style.

230

00:14:40,170 --> 00:14:41,255

No, it isn't.

231

00:14:42,381 --> 00:14:43,841

You like to be in charge, right?

232

00:14:44,800 --> 00:14:46,969

What scenes did you wanna go over, Nick?

233

00:14:48,012 --> 00:14:51,724

How about Lilith and Lucifer's  
first night together?

234

00:14:51,807 --> 00:14:52,766

Oh, uh...

235

00:14:53,100 --> 00:14:56,604

Lilith, why do you lie  
so far away from me?

236

00:14:57,438 --> 00:14:58,355

Come closer.

237

00:15:01,191 --> 00:15:02,735

I will not lie beneath you,

238

00:15:03,569 --> 00:15:05,446

but only by your side.

239

00:15:06,697 --> 00:15:08,866  
Is that what you said  
to your husband, Adam?

240

00:15:09,617 --> 00:15:11,660  
-Aren't you cold, woman?  
-Yes.

241

00:15:12,244 --> 00:15:14,413  
I've been cold since the Garden.

242

00:15:16,582 --> 00:15:17,625  
Come closer, then.

243

00:15:19,376 --> 00:15:20,628  
And I'll keep you warm.

244

00:15:25,299 --> 00:15:28,802  
I'm curious about your adaptation,  
Father Blackwood.

245

00:15:29,720 --> 00:15:32,932  
There are some departures  
from our sacred Satanic texts.

246

00:15:33,265 --> 00:15:36,393  
Lilith... for instance.

247

00:15:37,269 --> 00:15:40,689  
I don't recall her wandering helplessly  
in the wilderness.

248

00:15:40,773 --> 00:15:43,150  
She provided for herself,  
like a survivalist.

249

00:15:43,233 --> 00:15:45,736  
You're beginning to sound like  
Sister Jackson, Zelda.

250

00:15:46,320 --> 00:15:50,282  
Are you presuming, too,

that I need dramaturgical support?

251

00:15:50,699 --> 00:15:51,617  
Hm?

252

00:15:52,076 --> 00:15:52,952  
Not at all.

253

00:15:53,452 --> 00:15:55,037  
But if you will excuse me,

254

00:15:55,579 --> 00:15:58,624  
I believe I'll take some air  
before we resume rehearsals.

255

00:16:08,258 --> 00:16:09,510  
[rumbling]

256

00:16:09,593 --> 00:16:11,512  
[growling]

257

00:16:14,723 --> 00:16:16,392  
[cracking]

258

00:16:17,977 --> 00:16:19,186  
[crashing]

259

00:16:23,232 --> 00:16:24,692  
[laughter]

260

00:16:25,442 --> 00:16:27,653  
[Shirley] There must have been  
a crack in the marble.

261

00:16:32,533 --> 00:16:33,534  
[Nick] You're shivering.

262

00:16:34,076 --> 00:16:35,911  
What are you so frightened of?

263

00:16:40,708 --> 00:16:42,793

You should really be doing this  
with Dorcas.

264

00:16:44,128 --> 00:16:45,045  
[chuckles] Sabrina...

265

00:16:45,129 --> 00:16:47,297  
Sorry, Nick, but I should go.

266

00:16:49,633 --> 00:16:51,510  
[gags]

267

00:16:51,969 --> 00:16:53,137  
Sabrina, are you okay?

268

00:16:53,220 --> 00:16:54,138  
[gasps]

269

00:16:54,388 --> 00:16:55,639  
Sabrina?

270

00:16:55,723 --> 00:16:56,807  
[wheezing]

271

00:16:56,890 --> 00:16:57,808  
[choking]

272

00:17:00,394 --> 00:17:02,021  
[screams]

273

00:17:02,104 --> 00:17:04,314  
Sabrina, you're choking. Let me help.

274

00:17:06,066 --> 00:17:07,109  
Sabrina.

275

00:17:10,612 --> 00:17:13,407  
[heartbeat thumping]

276

00:17:22,207 --> 00:17:23,125  
[softly] Darling?

277

00:17:26,211 --> 00:17:27,546  
There's my good girl.

278

00:17:28,130 --> 00:17:32,718  
I've got a nice, soothing tea here,  
for your little throat.

279

00:17:34,595 --> 00:17:35,679  
There you are.

280

00:17:35,763 --> 00:17:37,097  
Aunt Hilda, what happened?

281

00:17:37,681 --> 00:17:40,476  
You started choking on an apple  
is what happened.

282

00:17:41,268 --> 00:17:44,605  
And then that warlock Nicholas Scratch  
teleported you home, Praise Satan,

283

00:17:44,688 --> 00:17:48,025  
and I... I performed  
the Heimlich maneuver on you.

284

00:17:49,151 --> 00:17:50,152  
What happened, my love?

285

00:17:50,444 --> 00:17:52,446  
Didn't go down the wrong pipe, did it?

286

00:17:52,821 --> 00:17:55,282  
-It was the Dark Lord, Auntie.  
-Hm?

287

00:17:57,159 --> 00:17:58,160  
But--

288

00:17:58,243 --> 00:17:59,620  
He keeps hounding me.

289

00:18:00,287 --> 00:18:03,540  
Because you haven't done  
what He asked, is that it?

290

00:18:06,210 --> 00:18:07,461  
You're in a pickle, then.

291

00:18:08,128 --> 00:18:11,924  
I didn't tell you this,  
but He tasked me, once.

292

00:18:12,382 --> 00:18:14,426  
One day, after my baptism,

293

00:18:15,010 --> 00:18:18,639  
He gave me a wooden box  
with a button on top,

294

00:18:19,056 --> 00:18:20,015  
a button to push.

295

00:18:20,682 --> 00:18:21,767  
And did you?

296

00:18:22,810 --> 00:18:23,644  
Mm-hmm.

297

00:18:23,894 --> 00:18:24,728  
What happened?

298

00:18:25,813 --> 00:18:26,730  
Nothing.

299

00:18:27,147 --> 00:18:29,066  
It tormented me for days.

300

00:18:29,149 --> 00:18:31,902  
I thought something must have happened,  
something awful.

301

00:18:32,569 --> 00:18:36,198

And so I smashed the box  
to see what was inside.

302  
00:18:36,532 --> 00:18:37,616  
And?

303  
00:18:38,033 --> 00:18:38,951  
Empty.

304  
00:18:39,868 --> 00:18:41,537  
Empty wooden box.

305  
00:18:41,912 --> 00:18:44,206  
No mechanisms inside it at all.

306  
00:18:44,623 --> 00:18:46,834  
I don't understand.  
It was all for nothing?

307  
00:18:47,042 --> 00:18:50,337  
I think the Dark Lord  
wanted to know that I would do it.

308  
00:18:50,420 --> 00:18:52,798  
That I would be willing to do  
what He asked.

309  
00:18:53,590 --> 00:18:56,176  
Hm. Maybe I shouldn't be  
resisting Him, then.

310  
00:18:56,927 --> 00:18:57,803  
Why are you?

311  
00:18:59,471 --> 00:19:04,768  
If I say yes to this one thing,  
it'll be harder to say no to the next.

312  
00:19:05,102 --> 00:19:07,521  
I can't tell you what to do. [chuckles]

313  
00:19:08,981 --> 00:19:10,983

But... you know, chances are

314

00:19:11,692 --> 00:19:14,403  
the Dark Lord's influence is much stronger

315

00:19:14,486 --> 00:19:16,697  
at the Academy and the desecrated church.

316

00:19:17,156 --> 00:19:20,909  
Maybe it will be easier to resist Him,  
if that's what you're choosing to do,

317

00:19:21,243 --> 00:19:22,870  
if you went back to Baxter High.

318

00:19:22,953 --> 00:19:24,997  
I mean, surround yourself  
by your mortal friends.

319

00:19:25,080 --> 00:19:27,124  
By Harvey and Rosalind and Theo.

320

00:19:27,207 --> 00:19:28,083  
Theo? Who's Theo?

321

00:19:28,167 --> 00:19:29,376  
Oh, do catch up.

322

00:19:29,960 --> 00:19:31,795  
Susie goes by Theo now.

323

00:19:32,045 --> 00:19:35,757  
You've missed so much.  
You've been so strong for your friends.

324

00:19:35,841 --> 00:19:39,511  
You've protected them and held them up.  
Let them do the same for you now.

325

00:19:39,928 --> 00:19:41,763  
Maybe you're right, Aunt Hilda.

326  
00:19:45,267 --> 00:19:48,687  
[sighs] Maybe I need to get back  
to my non-Satanic friends.

327  
00:19:59,823 --> 00:20:01,950  
- 'Brina?  
-[ringing tone sounds]

328  
00:20:02,826 --> 00:20:05,078  
-Harvey.  
-Sabrina, you're back?

329  
00:20:06,205 --> 00:20:07,122  
I am.

330  
00:20:08,040 --> 00:20:09,750  
-I'm back.  
-[laughs]

331  
00:20:16,173 --> 00:20:18,383  
So, how are things at your other school?

332  
00:20:18,717 --> 00:20:20,761  
The... What's it called again?

333  
00:20:21,053 --> 00:20:22,846  
The Academy of Unseen Arts.

334  
00:20:23,138 --> 00:20:24,890  
Okay. We're doing a play.

335  
00:20:25,140 --> 00:20:26,058  
The Crucible?

336  
00:20:27,976 --> 00:20:29,019  
Harvey, was that a joke?

337  
00:20:31,188 --> 00:20:32,773  
Kind of. But not really.

338  
00:20:33,565 --> 00:20:37,194

Anyway, no, uh,  
it's more like... Bible stories.

339

00:20:37,569 --> 00:20:42,282  
We're doing, no surprise,  
Romeo and Juliet in drama class.

340

00:20:42,366 --> 00:20:45,494  
Again? Is that the only play  
that Mrs. Curtis teaches?

341

00:20:45,786 --> 00:20:46,745  
Right?

342

00:20:47,246 --> 00:20:48,580  
Roz and I are scene partners.

343

00:20:49,998 --> 00:20:51,833  
We're playing Romeo and Juliet.

344

00:20:54,503 --> 00:20:59,132  
But I'm sure we could find a scene  
with three people if you wanna join.

345

00:20:59,633 --> 00:21:01,009  
Maybe with the nurse.

346

00:21:01,510 --> 00:21:05,097  
Oh, no. If you guys are  
already working on a scene together,

347

00:21:05,180 --> 00:21:06,515  
don't worry about me.

348

00:21:06,890 --> 00:21:09,518  
I'm sure Mrs. Curtis  
can pair me up with someone.

349

00:21:10,936 --> 00:21:12,437  
Billy Marlin needs a partner.

350

00:21:13,188 --> 00:21:14,773

[boy] That only leaves...

351

00:21:14,856 --> 00:21:15,983

[girl] The rhythms of it?

352

00:21:17,359 --> 00:21:18,193

[soft laughter]

353

00:21:20,737 --> 00:21:22,155

A crutch, a crutch,

354

00:21:22,239 --> 00:21:24,032

-why call you for a sword?

-[laughter]

355

00:21:24,616 --> 00:21:26,034

-What? Probably.

-No way.

356

00:21:26,910 --> 00:21:27,953

[girl] Yeah. Later.

357

00:21:29,579 --> 00:21:31,748

[Dark Lord]

The mortal belongs to you, Sabrina.

358

00:21:39,172 --> 00:21:40,841

[growling]

359

00:21:44,970 --> 00:21:45,804

Sabrina.

360

00:21:46,847 --> 00:21:48,265

Susie. I...

361

00:21:48,849 --> 00:21:50,100

Theo. Sorry.

362

00:21:50,183 --> 00:21:53,520

It's okay, it takes some getting used to.

I've missed you.

363

00:21:53,603 --> 00:21:55,355  
I've missed you guys.

364

00:21:55,439 --> 00:21:57,607  
Roz and Harvey say you're on  
the boys' basketball team.

365

00:21:57,691 --> 00:21:59,985  
Congratulations, that's amazing.

366

00:22:00,235 --> 00:22:04,364  
Yeah, except for the fact that I'm  
still changing in the girls' locker room.

367

00:22:05,073 --> 00:22:07,701  
Right. Is that because of...

368

00:22:08,076 --> 00:22:09,244  
Billy and his goons?

369

00:22:09,328 --> 00:22:11,121  
Yeah. I gave the boys' locker room a try,

370

00:22:11,204 --> 00:22:13,248  
and it's like  
they were just standing around,

371

00:22:13,332 --> 00:22:15,542  
waiting for me to take my shirt off  
to make fun of me.

372

00:22:15,917 --> 00:22:17,044  
[sighs]

373

00:22:18,420 --> 00:22:19,379  
'Brina...

374

00:22:19,921 --> 00:22:22,758  
isn't there some witchy way

375

00:22:22,841 --> 00:22:24,343

we could take care of Billy?

376

00:22:30,974 --> 00:22:32,726

The next time you guys are practicing,

377

00:22:33,101 --> 00:22:34,519

tie a new knot on this cord.

378

00:22:35,312 --> 00:22:36,897

Billy'll keep tripping over his feet.

379

00:22:37,272 --> 00:22:38,815

-[giggles]

-That'll bruise his ego.

380

00:22:38,899 --> 00:22:40,192

Thanks, 'Brina, you're the best.

381

00:22:40,275 --> 00:22:43,653

Of course! After missing your try-outs,  
it's the least I can do.

382

00:22:44,196 --> 00:22:45,864

Oh, my God. Sabrina, your back.

383

00:22:48,909 --> 00:22:49,951

What the hell?

384

00:22:52,496 --> 00:22:53,955

All right, I've seen enough.

385

00:22:56,041 --> 00:22:58,335

It's called the Devil's Claw, Sabrina.

386

00:22:58,418 --> 00:23:02,381

It's a physical manifestation  
of His grip on your soul.

387

00:23:02,631 --> 00:23:05,008

Great. So, does every witch have one?

388

00:23:05,425 --> 00:23:07,969  
Well, not as inflamed as yours,  
which indicates...

389  
00:23:09,137 --> 00:23:11,139  
Are you defying Him in some way?

390  
00:23:12,724 --> 00:23:14,393  
I am, Ms. Wardwell.

391  
00:23:14,768 --> 00:23:18,105  
He asked me to steal a pack of gum,  
which is totally not a big deal.

392  
00:23:18,188 --> 00:23:19,189  
Oh, but it is.

393  
00:23:19,731 --> 00:23:20,816  
It is a big deal.

394  
00:23:21,233 --> 00:23:23,485  
Every avalanche begins with a snowflake.

395  
00:23:23,568 --> 00:23:28,573  
Trust me, the path to consummate evil  
is cumulative, not singular.

396  
00:23:28,657 --> 00:23:33,620  
Today, it's gum, tomorrow, He'll be asking  
you to poison Greendale's reservoir.

397  
00:23:33,703 --> 00:23:35,831  
So, are you saying I should defy Him?

398  
00:23:35,914 --> 00:23:38,583  
But you took me into the woods  
to sign the Book of the Beast.

399  
00:23:38,667 --> 00:23:41,169  
I did, yes, as a last resort,

400  
00:23:41,253 --> 00:23:47,175

but forcing you to steal a pack of gum  
is just petty and malicious.

401

00:23:47,259 --> 00:23:50,762

And now, as before,  
I believe we should all have free will.

402

00:23:51,012 --> 00:23:52,848

Well, what are my options?

403

00:23:52,931 --> 00:23:54,933

He's always... [sighs]

404

00:23:55,016 --> 00:23:56,810

...lurking nearby, but...

405

00:23:56,893 --> 00:23:58,061

[low growling sound]

406

00:23:58,437 --> 00:24:00,897

Is there a way to... trick Him?

407

00:24:01,356 --> 00:24:02,899

You mean deceive the Great Deceiver?

408

00:24:03,483 --> 00:24:08,405

[chuckles] No, you're locked in  
a battle of wills, I'm afraid. And nerves.

409

00:24:09,156 --> 00:24:12,200

That claw will be a barometer  
of how you're doing.

410

00:24:13,702 --> 00:24:15,954

Can I at least, I don't know, shrink it?

411

00:24:17,038 --> 00:24:18,540

Follow the Path of Light.

412

00:24:19,666 --> 00:24:21,501

Think clean thoughts.

413  
00:24:21,835 --> 00:24:24,379  
Do, and be, good, Sabrina.

414  
00:24:25,547 --> 00:24:28,175  
Then perhaps that will shrink  
the Devil's stain.

415  
00:24:30,135 --> 00:24:31,178  
[sighs]

416  
00:24:31,261 --> 00:24:33,263  
[growling]

417  
00:24:38,268 --> 00:24:42,731  
Ad fidem tibi domino obscuro.

418  
00:24:45,775 --> 00:24:47,611  
-Am I saying it right?  
-Not remotely.

419  
00:24:48,278 --> 00:24:50,197  
Do you even know what it means?

420  
00:24:50,489 --> 00:24:51,490  
Um...

421  
00:24:52,449 --> 00:24:55,660  
It means, "I curse the False God!

422  
00:24:56,286 --> 00:24:59,748  
And submit my fealty to you, Dark Lord."

423  
00:25:00,999 --> 00:25:04,586  
Coram me suscipies damnationem aeternam.

424  
00:25:09,257 --> 00:25:11,843  
Very good, Nicholas.

425  
00:25:13,011 --> 00:25:14,971  
But I'd put the emphasis on the...

426  
00:25:15,055 --> 00:25:15,889  
[croaks]

427  
00:25:15,972 --> 00:25:17,390  
[choking]

428  
00:25:18,558 --> 00:25:20,560  
[gagging]

429  
00:25:22,854 --> 00:25:24,147  
[gasps]

430  
00:25:24,231 --> 00:25:25,690  
[continues croaking and gagging]

431  
00:25:34,324 --> 00:25:35,951  
[students gasp]

432  
00:25:36,201 --> 00:25:38,078  
Which one of you did this?

433  
00:25:40,038 --> 00:25:41,331  
Not us.

434  
00:25:41,414 --> 00:25:43,542  
That familiar belongs  
to a colleague of yours.

435  
00:25:45,210 --> 00:25:46,461  
Shirley.

436  
00:25:46,545 --> 00:25:47,671  
[croaks]

437  
00:25:48,213 --> 00:25:50,674  
The tears have got small victory by that

438  
00:25:50,757 --> 00:25:52,884  
For it was bad enough without their spite.

00:25:52,968 --> 00:25:55,929  
Thou wrong'st it,  
more than tears, with that report.

440  
00:25:56,221 --> 00:25:58,598  
That is no slander, sir, which is truth.

441  
00:26:02,978 --> 00:26:04,604  
Hey, isn't that your boyfriend?

442  
00:26:06,189 --> 00:26:08,149  
He's not my boyfriend.

443  
00:26:08,817 --> 00:26:10,318  
But he used to be, right?

444  
00:26:11,444 --> 00:26:13,863  
And now he's with that girl  
you used to be friends with.

445  
00:26:13,947 --> 00:26:17,075  
Roz and I are still friends, Billy.  
We're best friends.

446  
00:26:17,409 --> 00:26:18,493  
Same with Theo and me.

447  
00:26:18,577 --> 00:26:20,829  
So you better stop picking on him  
in the locker room.

448  
00:26:21,454 --> 00:26:22,622  
Must be hard, huh?

449  
00:26:23,331 --> 00:26:26,585  
Watching your ex-boyfriend  
and your best friend getting together.

450  
00:26:27,377 --> 00:26:28,670  
Must really burn you.

451  
00:26:34,259 --> 00:26:35,885

Not at all. I'm...

452  
00:26:38,430 --> 00:26:39,639  
happy for them.

453  
00:26:39,931 --> 00:26:41,016  
Really?

454  
00:26:41,683 --> 00:26:43,393  
'Cause I'd be pretty pissed.

455  
00:26:47,772 --> 00:26:49,149  
[rattling]

456  
00:26:51,401 --> 00:26:52,819  
[rattling intensifies]

457  
00:26:58,325 --> 00:26:59,409  
You kiss by the book...

458  
00:27:00,452 --> 00:27:01,953  
...dear saint, is hateful to myself

459  
00:27:02,037 --> 00:27:03,747  
Because it is an enemy to--

460  
00:27:06,833 --> 00:27:07,834  
[wind gusts]

461  
00:27:08,793 --> 00:27:10,003  
[whispers] Do it.

462  
00:27:10,587 --> 00:27:12,964  
It would be so easy.

463  
00:27:14,841 --> 00:27:16,176  
I'm not doing it!

464  
00:27:17,969 --> 00:27:18,845  
Not doing what?

465

00:27:18,928 --> 00:27:20,764  
[chuckles] What are you talking about?

466

00:27:21,014 --> 00:27:22,140  
I have to go.

467

00:27:27,604 --> 00:27:28,438  
[shop bell jingles]

468

00:27:28,521 --> 00:27:29,981  
[bubbling]

469

00:27:32,692 --> 00:27:34,486  
-[croaks]  
-[Hilda] You cooking dinner?

470

00:27:34,986 --> 00:27:38,073  
I am. How do you feel about frog's legs?

471

00:27:38,615 --> 00:27:39,616  
Depends on the frog.

472

00:27:41,534 --> 00:27:44,287  
Sister Jackson has decided  
to pick on me, Hilda.

473

00:27:44,371 --> 00:27:46,498  
As if we were common schoolgirls.

474

00:27:46,790 --> 00:27:49,334  
I turned the other cheek  
when she tried to kill me with a gargoyle,

475

00:27:49,417 --> 00:27:52,504  
but then she teleported her familiar  
down my throat

476

00:27:52,587 --> 00:27:54,339  
to humiliate me  
in front of all the students,

477

00:27:54,422 --> 00:27:55,924  
and that I cannot abide.

478

00:27:56,174 --> 00:27:58,718  
Oh, the poor little familiar's innocent.

479

00:27:59,469 --> 00:28:01,596  
-[door opens]  
-Is anyone truly innocent?

480

00:28:01,680 --> 00:28:03,515  
Aunties, is Ambrose home?

481

00:28:04,766 --> 00:28:05,725  
In his room.

482

00:28:05,975 --> 00:28:09,104  
And we missed you  
at rehearsals today, Sabrina.

483

00:28:09,562 --> 00:28:11,940  
I already have  
all of Lilith's lines memorized, Aunt Zee.

484

00:28:12,023 --> 00:28:14,651  
And frankly, hearing Dorcas say them  
makes my ears bleed.

485

00:28:14,734 --> 00:28:16,361  
Ugh. Can't argue with that.

486

00:28:18,154 --> 00:28:20,198  
What would you say  
to frog's legs for dinner?

487

00:28:21,491 --> 00:28:23,201  
Can't we just have pizza?

488

00:28:23,493 --> 00:28:25,161  
[sighs]

489

00:28:25,745 --> 00:28:28,623

Ohh, yummy! Bit of pizza?

490

00:28:29,958 --> 00:28:31,626  
It's better than frog's legs.

491

00:28:31,918 --> 00:28:33,920  
I have to send Shirley a message, Hilda,

492

00:28:34,003 --> 00:28:36,464  
or else I'll never find my footing  
at the Academy.

493

00:28:37,048 --> 00:28:39,467  
Punish the guilty, sister,  
not the innocent.

494

00:28:40,135 --> 00:28:41,970  
Like our friend Little Pizza.

495

00:28:42,053 --> 00:28:44,180  
Yeah. There's a good boy.

496
