00:09:26,190 --> 00:09:28,067  
to saw your body in half.

160  
00:09:49,297 --> 00:09:52,049  
Behold the astounding--

161  
00:09:54,969 --> 00:09:56,470  
[gasping and shrieking]

162  
00:09:56,554 --> 00:09:57,680  
[screaming]

163  
00:10:00,308 --> 00:10:01,642  
Fooled you, didn't I?

164  
00:10:02,560 --> 00:10:04,186  
[applause]

165  
00:10:11,319 --> 00:10:15,114  
For my next trick, I'll need the help  
of an even braver young lady.

166  
00:10:15,197 --> 00:10:16,115  
[all] Oh! Oh!

167  
00:10:20,661 --> 00:10:23,331  
The incomparable Prudence Night,  
everybody!

168  
00:10:30,796 --> 00:10:33,090  
My dear Ms. Night,

169  
00:10:34,091 --> 00:10:37,219  
have you ever traveled  
beyond the Astral Realm?

170  
00:10:38,095 --> 00:10:41,932  
I'm speaking of a dark  
and terrifying dimension,

00:10:42,016 --> 00:10:45,061  
a shadowland even demons fear to tread,

172  
00:10:46,354 --> 00:10:48,189  
known to all witches as...

173  
00:10:49,690 --> 00:10:50,775  
the Other Realm.

174  
00:10:51,275 --> 00:10:52,443  
[gasping]

175  
00:10:54,320 --> 00:10:55,946  
Will you dare to venture there?

176  
00:10:58,741 --> 00:11:01,118  
[chuckles] Sure, why not?

177  
00:11:01,452 --> 00:11:03,079  
Sounds like a gas.

178  
00:11:17,009 --> 00:11:20,763  
Nunc dissipati peribunt.

179  
00:11:21,305 --> 00:11:22,306  
[snaps fingers]

180  
00:11:23,474 --> 00:11:25,226  
[applause]

181  
00:11:29,188 --> 00:11:31,065  
Are you still with us, Prudence?

182  
00:11:31,148 --> 00:11:32,191  
Can you hear me?

183  
00:11:34,026 --> 00:11:37,613  
And... tell us what you see  
beyond space and time?

184  
00:11:37,697 --> 00:11:40,533

[Prudence, echoing]  
Nick? Can... Can you hear me?

185  
00:11:41,283 --> 00:11:43,786  
I can't... I don't like this.

186  
00:11:44,453 --> 00:11:46,163  
Bring me back now, please.

187  
00:11:46,247 --> 00:11:47,790  
[audience whispering]

188  
00:11:50,835 --> 00:11:52,211  
[closing doors]

189  
00:11:53,671 --> 00:11:57,133  
-Peribunt dissipati nunc.  
-[snaps fingers]

190  
00:12:03,556 --> 00:12:05,015  
Uh... [chuckles]

191  
00:12:05,558 --> 00:12:07,935  
I'm sure she's just taking her time,

192  
00:12:09,019 --> 00:12:12,189  
sightseeing in the beautiful shadowland.

193  
00:12:12,273 --> 00:12:14,191  
[Prudence, echoing]  
Nick! I mean it!

194  
00:12:14,900 --> 00:12:16,277  
I don't like it here.

195  
00:12:16,777 --> 00:12:18,988  
There's--  
There's something in here with me!

196  
00:12:19,071 --> 00:12:20,072  
Nicky!

197

00:12:20,156 --> 00:12:22,283  
Nicky, help me, please! Nicky!

198

00:12:22,366 --> 00:12:24,076  
-Help me!  
-Somebody do something!

199

00:12:24,160 --> 00:12:25,536  
Uh, call for Father Blackwood!

200

00:12:25,995 --> 00:12:27,538  
Nick! Nick, do something.

201

00:12:27,621 --> 00:12:29,623  
Oh, calm down, Sabrina.

202

00:12:29,707 --> 00:12:31,625  
Have you never bi-located before?

203

00:12:31,709 --> 00:12:33,419  
[laughter]

204

00:12:33,836 --> 00:12:35,212  
Basic, much?

205

00:12:35,880 --> 00:12:38,466  
A round of applause for  
Prudence Night, everybody.

206

00:12:41,093 --> 00:12:42,178  
All right, now.

207

00:12:44,388 --> 00:12:47,433  
For my last and final act,

208

00:12:49,268 --> 00:12:51,979  
I'll need the help of the bravest lady

209

00:12:52,438 --> 00:12:53,564  
-in the room.  
-[all gasping]

210  
00:12:53,647 --> 00:12:54,899  
[sighs] I'll do it.

211  
00:12:56,567 --> 00:12:58,486  
Ah! Sabrina Spellman.

212  
00:13:01,655 --> 00:13:06,619  
Ms. Spellman, have you ever felt  
true weightlessness?

213  
00:13:06,952 --> 00:13:09,288  
Have you ever fallen upwards,

214  
00:13:09,872 --> 00:13:11,582  
-into the clouds?  
-I...

215  
00:13:13,584 --> 00:13:14,460  
[chuckles]

216  
00:13:14,543 --> 00:13:16,587  
-I...  
-It's all right.

217  
00:13:17,630 --> 00:13:18,839  
You're gonna be fine.

218  
00:13:20,049 --> 00:13:21,842  
You just need to trust me.

219  
00:13:25,429 --> 00:13:28,390  
You do know that I would never  
do anything to hurt you, Sabrina?

220  
00:13:29,642 --> 00:13:30,476  
Ever.

221  
00:13:31,644 --> 00:13:33,229  
You do believe that, don't you?

222

00:13:49,745 --> 00:13:52,706  
Radices interficiam

223  
00:13:54,250 --> 00:13:55,125  
te de terra.

224  
00:13:58,462 --> 00:14:02,216  
Behold the airy spirit, the enchantress,

225  
00:14:02,800 --> 00:14:05,970  
-the beautiful Sabrina Spellman!  
-[Sabrina laughs] Oh!

226  
00:14:08,973 --> 00:14:10,432  
[echoing breath]

227  
00:14:12,810 --> 00:14:16,146  
Okay! Okay, Nick. You can, uh...  
You can bring me back down now.

228  
00:14:16,522 --> 00:14:17,648  
[clears throat]

229  
00:14:22,820 --> 00:14:24,989  
Uh, don't... don't panic.  
Give me a minute.

230  
00:14:27,783 --> 00:14:30,035  
Nick! Nick, it's them!

231  
00:14:30,119 --> 00:14:31,120  
It's the Weird Sisters.

232  
00:14:31,203 --> 00:14:32,788  
-They're doing this.  
-[Nick] Uh...

233  
00:14:33,163 --> 00:14:35,040  
-Just... Just... You hang on.  
-Nick?

234  
00:14:35,124 --> 00:14:38,294

-Uh... You're gonna be fine, I promise.  
-Nick, I'm still falling.

235  
00:14:38,377 --> 00:14:40,212  
I know I've got  
the reversing spell somewhere.

236  
00:14:40,296 --> 00:14:41,547  
-Nick!  
-Just hang on. I--

237  
00:14:41,630 --> 00:14:43,674  
-Nick!  
-Don't panic. You're gonna be fine.

238  
00:14:43,757 --> 00:14:46,552  
-I'm still falling!  
-Keep calm. I've got this. Hang on.

239  
00:14:46,635 --> 00:14:49,054  
-[laughter]  
-I can fix this. Just trust me.

240  
00:14:49,138 --> 00:14:51,974  
You keep saying that.  
Bring me down now.

241  
00:14:52,057 --> 00:14:53,475  
And... And... And hold your breath.

242  
00:14:54,059 --> 00:14:56,061  
Nick, hurry up!

243  
00:14:56,145 --> 00:14:58,355  
-Prudence, Dorcas, Agatha, why?  
-Nick, bring me down!

244  
00:14:58,772 --> 00:15:00,274  
-Why are you doing this?  
-[Sabrina] Why?

245  
00:15:00,357 --> 00:15:02,818  
-Prudence, stop!

-You realize what altitude will do to her?

246

00:15:28,636 --> 00:15:30,971

That's not actually gonna happen, is it?

247

00:15:31,055 --> 00:15:33,766

I'm not gonna freeze to death  
in outer space.

248

00:15:33,849 --> 00:15:37,019

We don't read the cards, child,  
the cards read us.

249

00:15:37,937 --> 00:15:39,438

They whisper secret truths.

250

00:15:40,522 --> 00:15:43,025

In this case,  
it's not the boy you need to fear.

251

00:15:43,943 --> 00:15:45,319

Believe your trickster.

252

00:15:45,945 --> 00:15:46,904

And him alone.

253

00:15:47,446 --> 00:15:49,323

-Are you sure?

-Oh, yes, you must.

254

00:15:49,406 --> 00:15:51,575

You need not fear the dark path,

255

00:15:52,034 --> 00:15:55,412

as long as you trust the boy  
who walks it with you.

256

00:15:55,496 --> 00:15:56,497

[thunderclap]

257

00:16:00,084 --> 00:16:03,295

Sabrina, I found the coolest thing,

you have to come see it.

258

00:16:03,379 --> 00:16:04,546  
What, Nick?

259

00:16:04,630 --> 00:16:07,466  
It's this book of Houdini's stage tricks.

260

00:16:07,549 --> 00:16:09,635  
Come on, trust me, you'll love it.

261

00:16:10,344 --> 00:16:11,428  
[chuckles]

262

00:16:17,142 --> 00:16:18,852  
[thunderclap]

263

00:16:20,020 --> 00:16:21,939  
[bell rings]

264

00:16:32,950 --> 00:16:34,618  
What a curious young man.

265

00:16:37,621 --> 00:16:38,622  
Excuse me?

266

00:16:38,706 --> 00:16:40,916  
You look like a boy  
with a burning question.

267

00:16:41,709 --> 00:16:46,380  
One that my Tarot cards can answer  
better than any book.

268

00:16:48,257 --> 00:16:49,717  
[thunder crashing]

269

00:16:50,259 --> 00:16:51,719  
[Theo] So, how does this work?

270

00:16:52,720 --> 00:16:56,432

As you look into the cards,  
they look into you.

271

00:17:01,228 --> 00:17:03,689  
Like all brave young knights...

272

00:17:04,481 --> 00:17:06,942  
you're on a quest to find yourself.

273

00:17:07,609 --> 00:17:11,321  
To seek the grail  
that is just out of reach.

274

00:17:12,698 --> 00:17:14,116  
Uh... Will I get there?

275

00:17:25,753 --> 00:17:27,755  
[thunder rolling]

276

00:17:34,178 --> 00:17:37,681  
I can change my name, I can buzz my hair,

277

00:17:39,850 --> 00:17:41,435  
but I'll always look like this.

278

00:17:43,645 --> 00:17:45,064  
Better get used to it, Theo.

279

00:17:45,481 --> 00:17:47,316  
[woman, echoing]  
Putnams don't settle, boy.

280

00:17:47,399 --> 00:17:48,734  
Aunt Dorothea.

281

00:17:50,444 --> 00:17:52,988  
But there's no doctor in Greendale  
who can help me, and...

282

00:17:53,572 --> 00:17:56,909  
even if there was, it's not like  
my dad and I could afford doing it.

283

00:17:57,367 --> 00:18:00,829  
Perhaps. But you know secrets.

284

00:18:01,371 --> 00:18:03,207  
You know there are witches, boy,

285

00:18:03,791 --> 00:18:06,710  
who can help change things.

286

00:18:06,794 --> 00:18:07,961  
You mean the Spellmans?

287

00:18:10,172 --> 00:18:12,299  
But what if I ask and... and they say no?

288

00:18:13,008 --> 00:18:14,343  
Then don't ask 'em.

289

00:18:14,843 --> 00:18:18,514  
Just take what you need.

290

00:18:21,767 --> 00:18:23,102  
[frogs croaking]

291

00:18:23,185 --> 00:18:24,103  
[door opens]

292

00:19:00,722 --> 00:19:01,932  
[gasps]

293

00:19:03,267 --> 00:19:05,394  
"Gendered spells of metamorphosis."

294

00:19:12,609 --> 00:19:15,654  
Okay, I mixed all the ingredients together  
like the spell said.

295

00:19:17,489 --> 00:19:18,699  
Now what?

296

00:19:18,782 --> 00:19:21,034  
[Aunt Dorothea] Now it's time, Theo.

297

00:19:21,535 --> 00:19:23,579  
Are you ready to become?

298

00:19:28,542 --> 00:19:30,586  
How will I know if the spell worked?

299

00:19:31,503 --> 00:19:33,088  
What if the Spellmans find out that I--

300

00:19:33,172 --> 00:19:34,840  
Sleep, Theo,

301

00:19:35,465 --> 00:19:39,720  
and dream of the boy you'll become.

302

00:19:53,233 --> 00:19:54,484  
[alarm clock rings]

303

00:20:00,282 --> 00:20:01,533  
[gasping]

304

00:20:02,576 --> 00:20:04,745  
[deep voice]  
Theo Putnam, you son of a bitch.

305

00:20:05,704 --> 00:20:06,914  
It worked! [laughs]

306

00:20:08,040 --> 00:20:09,166  
It really worked!

307

00:20:14,254 --> 00:20:15,422  
[laughing] Oh, wow.

308

00:20:18,008 --> 00:20:19,551  
Ah... Ow!

309

00:20:30,896 --> 00:20:34,483  
Theo! My man! You killed it out there.

310  
00:20:34,900 --> 00:20:35,776  
[laughs]

311  
00:20:35,859 --> 00:20:38,904  
Did you see those Bulldog clowns  
try to block Theo's three-pointers?

312  
00:20:38,987 --> 00:20:41,448  
Oh, unstoppable. Dude's a beast.

313  
00:20:42,658 --> 00:20:45,077  
C'mon, Theo, let's go grab some chow  
with the rest of the team.

314  
00:20:45,160 --> 00:20:47,663  
Yeah, sounds good.  
I'll, uh... I'll catch up.

315  
00:20:47,746 --> 00:20:48,789  
All right.

316  
00:20:54,211 --> 00:20:55,837  
[doors closing]

317  
00:21:06,265 --> 00:21:07,182  
Ow.

318  
00:21:21,446 --> 00:21:22,489  
What?

319  
00:21:23,573 --> 00:21:24,533  
[knocking]

320  
00:21:24,616 --> 00:21:26,076  
[Theo] Ms. Spellman, are you home?

321  
00:21:26,159 --> 00:21:28,745  
I might have done something really dumb.

322

00:21:28,829 --> 00:21:30,414  
Oh, sweet Satan.

323

00:21:32,040 --> 00:21:34,710  
I broke in and stole one of your spells  
and tried to make a potion

324

487

00:31:27,218 --> 00:31:28,678  
Are you new here?

488

00:31:28,761 --> 00:31:31,180  
-They didn't tell me how long--  
-Just a couple of weeks.

489

00:31:32,849 --> 00:31:34,142  
I'm so sorry.

490

00:31:35,894 --> 00:31:37,061  
Can I ask...

491

00:31:41,566 --> 00:31:43,359  
did it happen suddenly?

492

00:31:43,443 --> 00:31:46,487  
Yes. Very suddenly.

493

00:31:48,948 --> 00:31:51,659  
I-- I hope you don't mind me talking  
about this, but...

494

00:31:52,994 --> 00:31:54,954  
how did you go blind, Audrey?

495

00:32:01,461 --> 00:32:02,921  
Well, don't you already know?

496

00:32:05,131 --> 00:32:06,758  
[distorted] You stole my eyes.

497

00:32:09,427 --> 00:32:10,261  
What?

498

00:32:10,345 --> 00:32:14,265  
You stole my eyes.

499

00:32:14,891 --> 00:32:17,435  
What are you talking about?  
I... I only just met you.

500  
00:32:17,518 --> 00:32:19,520  
-Liar.  
-I'm not lying.

501  
00:32:19,604 --> 00:32:21,230  
[hisses] Thief.

502  
00:32:23,358 --> 00:32:25,151  
Look at me, Rosalind.

503  
00:32:26,319 --> 00:32:28,571  
Look with your new eyes

504  
00:32:28,655 --> 00:32:31,741  
and see what you did to me.

505  
00:32:32,158 --> 00:32:36,120  
Your father paid my father  
with the church's money

506  
00:32:36,454 --> 00:32:37,705  
and then they took them.

507  
00:32:37,789 --> 00:32:40,124  
They took my eyes.

508  
00:32:40,208 --> 00:32:42,085  
I'm sorry, I'm so sorry.

509  
00:32:42,168 --> 00:32:45,630  
-I'm so sorry. No! I'm sorry!  
-You give me back my eyes!

510  
00:32:45,713 --> 00:32:47,590  
[gasping]

511  
00:32:47,674 --> 00:32:48,591  
That's--

512

00:32:49,133 --> 00:32:51,761  
That's not true, that's not...  
that's not how it would happen.

513

00:32:51,844 --> 00:32:55,556  
The Tarot is just a mirror. Calm yourself.

514

00:32:55,640 --> 00:32:58,726  
[chuckles] Our fates are not fixed.

515

00:32:59,811 --> 00:33:02,271  
-You still have a choice to make.  
-[thunder rumbles]

516

00:33:02,355 --> 00:33:04,107  
[shop bell jingles]

517

00:33:04,190 --> 00:33:07,402  
Dad, I... I've thought about it, and...

518

00:33:08,736 --> 00:33:12,198  
I don't want to take any money from  
the church to pay for my operation.

519

00:33:12,281 --> 00:33:14,033  
Rosalind. It's expensive.

520

00:33:14,534 --> 00:33:15,994  
-Without the church's help--  
-I know.

521

00:33:16,077 --> 00:33:17,537  
But it's...

522

00:33:18,496 --> 00:33:20,081  
okay, it's okay.

523

00:33:20,832 --> 00:33:23,751  
And patience is a virtue, right?

524

00:33:25,044 --> 00:33:26,921  
I can wait, Dad.

525  
00:33:30,174 --> 00:33:31,467  
If that's what you really want.

526  
00:33:31,676 --> 00:33:32,927  
It is. [sighs]

527  
00:33:35,179 --> 00:33:36,139  
Okay.

528  
00:33:36,973 --> 00:33:38,349  
[chuckles]

529  
00:33:42,645 --> 00:33:44,647  
-[thunder rolling]  
-[shop bell jingles]

530  
00:33:46,983 --> 00:33:48,151  
[door closes]

531  
00:33:52,655 --> 00:33:54,574  
[bell rings]

532  
00:33:57,535 --> 00:33:59,203  
Zelda! Fancy seeing you here--

533  
00:33:59,287 --> 00:34:02,331  
Spare me your curdled charm, Dr. Dracula.  
Where is my sister?

534  
00:34:02,415 --> 00:34:03,916  
[chuckles] I'm here, Zelds.

535  
00:34:04,000 --> 00:34:06,419  
Of course, you are, because  
you most certainly were not at home

536  
00:34:06,502 --> 00:34:09,255  
where Father Blackwood was waiting  
to taste the seven wedding cakes

537

00:34:09,338 --> 00:34:10,214  
you offered to bake.

538

00:34:10,298 --> 00:34:11,924  
Okay, bugger, I've goofed. Oh.

539

00:34:12,008 --> 00:34:14,844  
[sighs] I swear, Hilda, it's like  
you're trying to sabotage my wedding.

540

00:34:15,428 --> 00:34:16,304  
[sighs]

541

00:34:16,888 --> 00:34:18,431  
A little bit nervous, are we?

542

00:34:19,057 --> 00:34:21,517  
-Hm.  
-You know what I think would help?

543

00:34:22,060 --> 00:34:23,978  
[scoffs] A new maid of dishonor?

544

00:34:24,437 --> 00:34:27,148  
No, a little bit of fun, to unwind.

545

00:34:27,231 --> 00:34:29,817  
Now, lookit. Mrs. McGarvey here,

546

00:34:29,901 --> 00:34:32,361  
she's doing Tarot card readings.

547

00:34:32,445 --> 00:34:35,364  
-That would be a little lark.  
-You've got to be joking.

548

00:34:35,448 --> 00:34:38,117  
I sense a very powerful woman

549

00:34:39,160 --> 00:34:42,163

with a great and momentous event  
ahead of her.

550

00:34:42,246 --> 00:34:45,333  
You literally just heard me mention  
I was getting married.

551

00:34:53,591 --> 00:34:57,136  
Well. [chuckles] How very fitting.

552

00:35:03,309 --> 00:35:04,185  
Do go on.

553

00:35:04,268 --> 00:35:07,647  
Something stands between you  
and the altar.

554

00:35:08,981 --> 00:35:10,066  
An obstacle.

555

00:35:13,736 --> 00:35:18,241  
What kind of obstacle?  
Besides my sister's absent-mindedness.

556

00:35:19,242 --> 00:35:20,368  
A secret.

557

00:35:23,454 --> 00:35:25,164  
[thunder rolling]

558

00:35:35,716 --> 00:35:39,262  
[Hilda laughs] Holy Sis, you look gorge!

559

00:35:39,679 --> 00:35:41,514  
Oh, my! I have goosebumps.

560

00:35:41,597 --> 00:35:45,059  
[giggles] You are gonna be  
the Bride of Darkness.

561

00:35:45,143 --> 00:35:47,311  
Oh, if only Mum and Dad could see you now.

562  
00:35:47,395 --> 00:35:48,771  
-No.  
-Hm?

563  
00:35:48,855 --> 00:35:49,939  
No, no, no, no, no, no, no.

564  
00:35:50,022 --> 00:35:51,440  
-This is all wrong.  
-Oh, my-- [gasps]

565  
00:35:51,524 --> 00:35:52,775  
-Blazes.  
-Oh!

566  
00:35:53,151 --> 00:35:54,360  
Just-- Oh.

567  
00:35:54,652 --> 00:35:58,156  
I'm glad I sewed that from scratch.  
What is it, then? Is it your hem?

568  
00:35:58,239 --> 00:36:00,158  
-Is it your neckline?  
-The baby.

569  
00:36:00,533 --> 00:36:01,450  
Wh-What?

570  
00:36:02,243 --> 00:36:03,703  
I can't marry Faustus, Hilda.

571  
00:36:04,662 --> 00:36:08,291  
[sighs] Not until I've admitted the truth  
about what I did with baby Leticia.

572  
00:36:08,374 --> 00:36:09,208  
Oh.

573  
00:36:09,292 --> 00:36:12,170  
That I spirited her away

to be raised by Dezmelda.

574

00:36:12,253 --> 00:36:13,963  
I don't think it's a good idea

575

00:36:14,046 --> 00:36:16,382  
to tell a groom  
you stole his baby. [chuckles]

576

00:36:16,799 --> 00:36:19,051  
-It may enrage him.  
-Mm.

577

00:36:19,552 --> 00:36:21,888  
But I can make him understand,  
I'm sure I can.

578

00:36:22,346 --> 00:36:25,558  
And after we're married,  
we'll-- we'll all be together.

579

00:36:25,641 --> 00:36:29,645  
A family, with no secrets between us.  
Father, Mother, and twin babes.

580

00:36:29,729 --> 00:36:33,065  
-Sorry, I don't think it's a good idea.  
-No, no, it's been decided.

581

00:36:35,234 --> 00:36:36,861  
I'll just go and fetch the babe.

582

00:36:40,281 --> 00:36:41,324  
Dezmelda!

583

00:36:42,116 --> 00:36:43,075  
Leticia?

584

00:36:44,744 --> 00:36:46,120  
It's Zelda Spellman.

585

00:36:48,873 --> 00:36:50,333

Who the Heaven are you?

586

00:36:51,125 --> 00:36:53,419  
I need to speak to Dezmelda at once!

587

00:36:53,502 --> 00:36:55,046  
-Dezmelda.  
-[chuckles]

588

00:36:55,129 --> 00:36:56,589  
'Tis I, Zelda.

589

00:36:56,964 --> 00:36:58,883  
Behold. Dezmelda.

590

00:36:58,966 --> 00:37:01,636  
How could you possibly be Dezmelda?

591

00:37:01,719 --> 00:37:03,888  
She's over four centuries old.

592

00:37:03,971 --> 00:37:05,598  
The Goddess of Youth blessed me.

593

00:37:06,557 --> 00:37:09,227  
After I consumed the sacred marrow  
of an infant witch.

594

00:37:11,062 --> 00:37:11,979  
You... Wait.

595

00:37:15,274 --> 00:37:16,859  
[wolf howls]

596

00:37:18,778 --> 00:37:21,030  
You ate the baby?

597

00:37:22,323 --> 00:37:24,242  
You were supposed to take care of her.

598

00:37:24,325 --> 00:37:27,203

And I did. I ingested the babe  
and absorbed her youth.

599

00:37:28,955 --> 00:37:32,083  
Tell me, have you come  
to invite me to your wedding?

600

00:37:32,500 --> 00:37:34,919  
What? Are you daft?

601

00:37:35,294 --> 00:37:37,129  
After what you've done,  
are you suggesting I--

602

00:37:37,213 --> 00:37:40,174  
I wish to rejoin witch society,  
Zelda Spellman,

603

00:37:40,258 --> 00:37:43,302  
and what better way than  
by attending a Black Wedding?

604

00:37:43,386 --> 00:37:47,390  
Invite me,  
and I'll keep your treachery a secret.

605

00:37:47,974 --> 00:37:51,310  
Deny me, and I'll tell the High Priest  
what you did.

606

00:37:54,480 --> 00:37:56,482  
[chamber music playing]

607

00:38:05,491 --> 00:38:07,201  
[in unison] Congratulations, Sister Zelda.

608

00:38:07,285 --> 00:38:11,038  
Agatha. Dorcas.  
Have either of you seen the High Priest?

609

00:38:12,331 --> 00:38:14,208  
[in unison] Not since the ceremony.

610

00:38:14,292 --> 00:38:16,877  
Excuse me. Do enjoy yourselves.

611

00:38:22,008 --> 00:38:25,845  
Ambrose, I'm looking for my husband.  
Have you seen him?

612

00:38:25,928 --> 00:38:28,055  
Uh, try the office, Auntie Zee.

613

00:38:34,228 --> 00:38:35,271  
Faustus!

614

00:38:35,646 --> 00:38:36,480  
No.

615

00:38:40,860 --> 00:38:41,694  
Stop!

616

00:38:42,653 --> 00:38:43,904  
Stop!

617

00:38:44,280 --> 00:38:47,825  
Zelda, dearest, where have you been?  
It's quite a party, isn't it?

618

00:38:47,908 --> 00:38:50,119  
You can't do this, n-- not with her.

619

00:38:50,202 --> 00:38:51,037  
Certainly I can.

620

00:38:51,495 --> 00:38:53,581  
It's Satanic Law that  
on the day of his wedding,

621

00:38:53,664 --> 00:38:56,709  
a warlock groom can snog  
as many women as he pleases.

622

00:38:56,792 --> 00:38:59,378

-[Dezmelda] Mm.  
-Yeah, fine, but not her! She's your...

623  
00:39:00,129 --> 00:39:02,757  
[shudders] What you're doing  
is an abomination.

624  
00:39:02,840 --> 00:39:05,760  
Oh, Daddy Blackwood,

625  
00:39:05,843 --> 00:39:08,346  
looks like  
your old hag of a wife is jealous.

626  
00:39:08,429 --> 00:39:09,889  
[guffaws]

627  
00:39:09,972 --> 00:39:11,057  
[both laughing]

628  
00:39:16,812 --> 00:39:19,065  
Please, Faustus, stop. I beg you.

629  
00:39:19,148 --> 00:39:21,108  
Give me one good reason I should.

630  
00:39:21,984 --> 00:39:24,195  
[echoing laughter]

631  
00:39:25,696 --> 00:39:28,491  
[heartbeat]

632  
00:39:37,750 --> 00:39:41,212  
What a filthy trick to play  
on a bride-to-be.

633  
00:39:42,630 --> 00:39:44,215  
A filthy trick? [laughs]

634  
00:39:45,674 --> 00:39:47,802  
But you got your answer, didn't you?

635  
00:39:49,261 --> 00:39:50,721  
Some secrets...

636  
00:39:52,014 --> 00:39:54,016  
should remain secret.

637  
00:39:55,976 --> 00:39:59,438  
Yes, perhaps that's true.

638  
00:40:05,778 --> 00:40:07,696  
[bell rings]

639  
00:40:08,531 --> 00:40:09,407  
Hi.

640  
00:40:09,865 --> 00:40:10,741  
Uh...

641  
00:40:11,283 --> 00:40:12,451  
You tell fortunes?

642  
00:40:21,168 --> 00:40:22,795  
[scoffs] Great.

643  
00:40:24,171 --> 00:40:25,214  
Yeah, looks like me.

644  
00:40:37,017 --> 00:40:39,145  
You hang between two futures.

645  
00:40:40,187 --> 00:40:41,188  
One here at home,

646  
00:40:42,690 --> 00:40:44,275  
and one further away.

647  
00:40:44,358 --> 00:40:45,568  
[rain pattering]

648  
00:40:45,693 --> 00:40:46,902

Rhode Island.

649

00:40:49,947 --> 00:40:51,866  
Let's see what waits for you

650

00:40:52,324 --> 00:40:54,243  
beyond the town of Greendale.

651

00:40:56,245 --> 00:40:58,414  
[thunder rumbling]

652

00:41:03,586 --> 00:41:05,588  
[thunder crashing]

653

00:41:08,799 --> 00:41:10,801  
[rock music playing]

654

00:41:24,565 --> 00:41:26,275  
[Roz] When were you gonna tell me?

655

00:41:27,943 --> 00:41:29,111  
Uh... Hi.

656

00:41:29,945 --> 00:41:32,031  
-Tell you what?  
-Don't even try it, Kinkle.

657

00:41:32,990 --> 00:41:33,824  
Roz saw.

658

00:41:34,533 --> 00:41:36,285  
Like, saw, saw.

659

00:41:36,368 --> 00:41:37,328  
Like, with her...

660

00:41:37,786 --> 00:41:39,580  
-With her cunning.  
-You got a letter.

661

00:41:40,206 --> 00:41:41,790

You got accepted to something.

662

00:41:42,291 --> 00:41:43,292  
[Harvey] Oh. [sighs]

663

00:41:43,918 --> 00:41:46,086  
Look, I was gonna tell you.

664

00:41:47,421 --> 00:41:48,839  
I got into an arts colony

665

00:41:49,715 --> 00:41:50,966  
-for the summer.  
-Oh!

666

00:41:51,425 --> 00:41:53,135  
-But if I go--  
-You're going.

667

00:41:53,219 --> 00:41:54,261  
You are going.

668

00:41:54,929 --> 00:41:57,097  
I can't. I don't wanna leave you.

669

00:41:59,016 --> 00:42:00,059  
Harvey,

670

00:42:01,143 --> 00:42:02,311  
this is your dream.

671

00:42:02,770 --> 00:42:04,522  
And it's only for the summer.

672

00:42:05,773 --> 00:42:09,193  
Besides, Providence is only  
a train ride away.

673

00:42:18,285 --> 00:42:19,537  
[gasps]

674

00:42:22,915 --> 00:42:23,832  
Whoa.

675  
00:42:33,342 --> 00:42:36,136  
Welcome to the Arkham Colony  
for the Arts, Harvey.

676  
00:42:36,595 --> 00:42:38,722  
Hi. You must be Howard.

677  
00:42:41,308 --> 00:42:44,228  
Is this all your art, man?  
It's unbelievable.

678  
00:42:45,521 --> 00:42:46,438  
I, uh...

679  
00:42:46,897 --> 00:42:49,024  
I like to draw horror stuff, too,  
actually.

680  
00:42:50,609 --> 00:42:53,988  
I've been working non-stop  
for six, seven days.

681  
00:42:55,823 --> 00:42:59,285  
I hope you don't mind,  
but I keep strange hours.

682  
00:43:01,036 --> 00:43:03,539  
No, not at all. I'm just gonna unpack now.

683  
00:43:06,584 --> 00:43:07,668  
[sighs]

684  
00:43:11,839 --> 00:43:13,215  
[whooshing]

685  
00:43:13,882 --> 00:43:15,217  
[growling]

686  
00:43:16,468 --> 00:43:17,761

[scratching]

687

00:43:17,845 --> 00:43:21,599  
-[Howard whispers] Yes! Yes, I see.  
-[scribbling]

688

00:43:22,474 --> 00:43:23,892  
And I serve.

689

00:43:24,602 --> 00:43:27,563  
The world will kneel before you.

690

00:43:29,106 --> 00:43:30,733  
-[growling]  
-Enough of them...

691

00:43:30,816 --> 00:43:31,942  
wouldn't survive now...

692

00:43:32,026 --> 00:43:34,278  
-Howard?  
-And she wouldn't...

693

00:43:34,361 --> 00:43:35,613  
Who are you talking to?

694

00:43:35,988 --> 00:43:37,197  
Shh!

695

00:43:37,906 --> 00:43:39,325  
Go back to sleep, Harvey.

696

00:43:39,408 --> 00:43:41,035  
[whooshing]

697

00:43:41,535 --> 00:43:43,746  
What... What is that?

698

00:43:45,039 --> 00:43:46,290  
[crunching]

699

00:43:46,373 --> 00:43:47,458  
My muses.

700  
00:43:47,541 --> 00:43:48,459  
[growling]

701  
00:43:48,542 --> 00:43:50,294  
They only come out at night.

702  
00:43:50,377 --> 00:43:51,754  
[creaking]

703  
00:43:51,837 --> 00:43:53,881  
[echoing] Go back to sleep now.

704  
00:43:59,553 --> 00:44:01,555  
[whispering voices]

705  
00:44:03,599 --> 00:44:04,808  
[scribbling]

706  
00:44:09,563 --> 00:44:10,606  
[sighs]

707  
00:44:45,099 --> 00:44:46,809  
[growling]

708  
00:44:49,770 --> 00:44:51,814  
Who said you could look at my work?

709  
00:44:53,107 --> 00:44:54,274  
Where did you see this?

710  
00:44:54,358 --> 00:44:56,193  
See it? I imagined it.

711  
00:44:56,276 --> 00:44:58,237  
Bullshit. You didn't imagine it.

712  
00:44:58,946 --> 00:45:00,698  
I know, because I've seen it, too.

713

00:45:02,574 --> 00:45:04,827  
What... What are all these things?

714

00:45:05,244 --> 00:45:07,621  
I... I don't know.

715

00:45:08,664 --> 00:45:10,916  
They... They come at night, they...

716

00:45:11,834 --> 00:45:12,835  
appear to me.

717

00:45:14,002 --> 00:45:16,004  
I can't sleep, so I paint them.

718

00:45:16,088 --> 00:45:19,216  
-Who comes to you?  
-Harbingers of the Void.

719

00:45:19,508 --> 00:45:20,926  
Old ones.

720

00:45:21,176 --> 00:45:24,138  
Demons, Gods.

721

00:45:26,140 --> 00:45:27,975  
So many of them whispering.

722

00:45:28,058 --> 00:45:29,059  
Ah...

723

00:45:29,518 --> 00:45:31,311  
And the colors they show me.

724

00:45:32,062 --> 00:45:36,692  
Uh, the... the closet,  
it's some kind of window.

725

00:45:37,443 --> 00:45:39,194  
Uh, it's... it's just one of many

726

00:45:39,278 --> 00:45:43,824  
different hidden, uh, portals, pits,  
or, uh... tunnels

727

00:45:43,907 --> 00:45:47,202  
-that... that... that all lead to--  
-Tunnels? Tunnels like... like mines?

728

00:45:47,619 --> 00:45:48,662  
Yeah, yeah.

729

00:45:50,038 --> 00:45:52,124  
There are mines where I'm from.  
Where I've...

730

00:45:52,958 --> 00:45:54,793  
I've-- I've se-- I've seen things.

731

00:45:57,254 --> 00:45:59,173  
They're getting ready to do something.

732

00:45:59,965 --> 00:46:03,218  
To... emerge, perhaps.

733

00:46:04,803 --> 00:46:07,514  
And... And I thought  
that by painting them, that I...

734

00:46:09,433 --> 00:46:12,811  
-that I could trap them or--  
-Or bind them.

735

00:46:13,312 --> 00:46:15,147  
Slow them down, at least.

736

00:46:17,441 --> 00:46:18,650  
[sighs]

737

00:46:24,281 --> 00:46:26,408  
[grinding and whooshing]

738  
00:46:26,492 --> 00:46:29,036  
[whispering]  
This is my... mischief...

739  
00:46:30,287 --> 00:46:32,039  
...mustn't dim the colors...

740  
00:46:33,540 --> 00:46:34,708  
Yes!

741  
00:46:35,250 --> 00:46:37,336  
-[growling and whispering]  
-Yes!

742  
00:46:39,129 --> 00:46:40,839  
[distorted, growling voices]

743  
00:46:43,175 --> 00:46:44,009  
[gasps]

744  
00:46:45,260 --> 00:46:46,345  
[sighs]

745  
00:46:47,429 --> 00:46:48,430  
[sighing]

746  
00:46:48,514 --> 00:46:49,598  
[creaking]

747  
00:46:49,681 --> 00:46:50,724  
[sighs]

748  
00:46:50,808 --> 00:46:52,267  
[creaking continues]

749  
00:46:56,313 --> 00:46:58,315  
[rope twisting]

750  
00:47:25,384 --> 00:47:28,053  
[breathes deeply]

751  
00:48:01,086 --> 00:48:03,088  
[faint shouting and screaming]

752  
00:48:07,593 --> 00:48:09,052  
[creaking]

753  
00:48:09,970 --> 00:48:11,972  
[distorted, growling voices]

754  
00:48:12,973 --> 00:48:14,975  
[screaming]

755  
00:48:17,227 --> 00:48:19,229  
[screaming continues]

756  
00:48:25,986 --> 00:48:27,988  
[creaking and grinding]

757  
00:48:33,118 --> 00:48:34,411  
[thunderclap]

758  
00:48:35,495 --> 00:48:38,540  
So... What? What... What does it mean?

759  
00:48:39,374 --> 00:48:41,084  
You will suffer for your art,

760  
00:48:42,669 --> 00:48:45,797  
but you need not leave home to do so.

761  
00:48:51,720 --> 00:48:53,263  
You will dig deep...

762  
00:48:55,098 --> 00:48:57,142  
to unearth your true calling.

763  
00:48:58,101 --> 00:48:59,478  
[thunderclap]

764  
00:48:59,811 --> 00:49:00,854

Here...

765

00:49:02,397 --> 00:49:03,440  
in Greendale.

766

00:49:07,527 --> 00:49:08,362  
Yeah, that...

767

00:49:09,237 --> 00:49:10,489  
that... that makes sense.

768

00:49:12,950 --> 00:49:14,201  
Thank... Thank you.

769

00:49:24,503 --> 00:49:26,421  
[bell rings]

770

00:49:27,339 --> 00:49:28,215  
Hello.

771

00:49:29,591 --> 00:49:33,053  
Many questions hang over you,  
my handsome friend.

772

00:49:34,346 --> 00:49:36,223  
Uh... Not really.

773

00:49:36,515 --> 00:49:38,266  
I have exactly what I want.

774

00:49:39,476 --> 00:49:43,981  
Talent, good looks, a hot boyfriend.

775

00:49:44,064 --> 00:49:45,190  
He's gone.

776

00:49:45,273 --> 00:49:46,942  
He's away on important business.

777

00:49:47,567 --> 00:49:50,070  
-He's very well connected.

-But you're not.

778

00:49:51,321 --> 00:49:52,781  
Not yet, at least.

779

00:49:52,864 --> 00:49:54,616  
[thunder rumbling]

780

00:49:55,534 --> 00:49:57,995  
All right, then, I will bite.

781

00:49:58,912 --> 00:50:01,707  
What do your cards see for Luke and I?

782

00:50:09,506 --> 00:50:11,008  
The Hierophant.

783

00:50:14,928 --> 00:50:16,596  
[thunder rolling]

784

00:50:18,306 --> 00:50:19,933  
Now, that is more like it.

785

00:50:20,434 --> 00:50:21,685  
[Mrs. McGarvey laughs]

786

00:50:23,020 --> 00:50:24,730  
[thunderclap]

787

00:50:24,813 --> 00:50:28,442  
You may be aware of a private Brotherhood

788

00:50:28,525 --> 00:50:30,527  
within the ranks of the Church of Night.

789

00:50:30,610 --> 00:50:32,237  
The Judas Society.

790

00:50:32,863 --> 00:50:35,991  
A select group of warlocks who serve me,

791

00:50:37,200 --> 00:50:39,286  
who believe in the old ways.

792

00:50:40,620 --> 00:50:43,707  
Young Lucas is one of my finest boys,

793

00:50:44,332 --> 00:50:47,002  
and he's long made a case  
for you, Ambrose.

794

00:50:51,882 --> 00:50:53,008  
But I demand...

795

00:50:54,634 --> 00:50:56,261  
absolute loyalty.

796

00:50:56,887 --> 00:50:58,346  
I can be trusted, Father.

797

00:50:59,181 --> 00:51:00,057  
Can you?

798

00:51:01,391 --> 00:51:02,517  
Time will tell.

799

00:51:06,146 --> 00:51:11,359  
First, though, I require some assistance  
in the desecrated church.

800

00:51:14,571 --> 00:51:18,158  
Tonight, we forge your future, Ambrose.

801

00:51:18,492 --> 00:51:21,661  
With sacred and arcane  
metallurgy and alchemy,

802

00:51:22,579 --> 00:51:26,208  
we shall craft a tool of immense power,

803

00:51:27,959 --> 00:51:31,630  
one that will reveal

your fundamental nature,

804

00:51:33,507 --> 00:51:38,261  
even as it unlocks your fullest potential.

805

00:51:42,516 --> 00:51:47,979  
Come, Brother, let the great work begin.

806

00:51:49,773 --> 00:51:53,902  
Good. Good, my boy. Well done.

807

00:51:55,195 --> 00:51:57,489  
There are things you must understand.

808

00:51:59,032 --> 00:52:01,618  
If you are to stand with me  
and the Society,

809

00:52:02,994 --> 00:52:07,040  
you must know the truth,  
and know it presently.

810

00:52:07,582 --> 00:52:08,792  
Tell me, Father.

811

00:52:09,251 --> 00:52:13,171  
I believe the damage Edward Spellman  
wrought to the Church of Night

812

00:52:13,255 --> 00:52:15,132  
has been incalculable.

813

00:52:16,299 --> 00:52:17,551  
[thunderclap]

814

00:52:21,429 --> 00:52:23,682  
[Father Blackwood, echoing]  
You're weak, Brother!

815

00:52:23,765 --> 00:52:25,058  
[echo] You're weak, Brother!

816

00:52:25,142 --> 00:52:28,103  
For 75 years, you were imprisoned.

817

00:52:28,186 --> 00:52:31,314  
[echoing] Made soft by women.

818

00:52:31,398 --> 00:52:35,026  
Until I, and I alone, freed you.

819

00:52:35,110 --> 00:52:36,236  
[grunts] Thank you, Father.

820

00:52:37,237 --> 00:52:40,198  
You must be a rock.  
I can make you that way.

821

00:52:40,282 --> 00:52:45,537  
I can mold you in the Dark Lord's image.

822

00:52:46,413 --> 00:52:48,874  
What... What are we making?

823

00:52:50,041 --> 00:52:55,797  
But first, you must correct your family.

824

00:52:56,256 --> 00:52:58,091  
Correct my aunties?

825

00:52:58,175 --> 00:52:59,634  
Mmm.

826

00:52:59,718 --> 00:53:03,680  
And especially your cousin Sabrina.

827

00:53:04,431 --> 00:53:08,143  
Until that happens,  
you will always be their prisoner.

828

00:53:11,396 --> 00:53:12,772  
But all is not lost.

829  
00:53:13,440 --> 00:53:15,192  
For I am giving you...

830  
00:53:16,735 --> 00:53:18,612  
the key to your cell.

831  
00:53:22,365 --> 00:53:23,992  
[thunderclap]

832  
00:53:27,120 --> 00:53:28,580  
Has it told you what to do?

833  
00:53:30,874 --> 00:53:34,961  
Then put your house in order, my son.

834  
00:53:36,379 --> 00:53:38,131  
[thunder crashing]

835  
00:54:07,786 --> 00:54:09,454  
[growls]

836  
00:54:10,205 --> 00:54:11,957  
[thunder rolling]

837  
00:54:16,169 --> 00:54:17,545  
[creaking]

838  
00:54:18,797 --> 00:54:20,966  
[Zelda] Ambr-- Ambrose, what...

839  
00:54:21,049 --> 00:54:23,093  
What-- What on earth are you doing?

840  
00:54:23,301 --> 00:54:25,178  
-[screams]  
-[yowls]

841  
00:54:26,429 --> 00:54:27,806  
[creaking]

842

00:54:28,473 --> 00:54:29,683  
[Hilda gasping]

843  
00:54:30,767 --> 00:54:33,436  
What? [gasps] Did you hear that?  
Did you hear that?

844  
00:54:33,770 --> 00:54:34,688  
Z...

845  
00:54:36,064 --> 00:54:36,898  
Ambrose?

846  
00:54:37,565 --> 00:54:38,650  
-[thunderclap]  
-No!

847  
00:54:38,733 --> 00:54:40,735  
[screaming]

848  
00:54:52,622 --> 00:54:54,749  
[thunderclap]

849  
00:55:00,755 --> 00:55:02,340  
[thunderclap]

850  
00:55:10,098 --> 00:55:11,933  
[sighs] Ambrose?

851  
00:55:13,268 --> 00:55:14,352  
Are you...

852  
00:55:15,145 --> 00:55:16,354  
Are you okay?

853  
00:55:16,813 --> 00:55:18,064  
-[yells]  
-[screams]

854  
00:55:19,733 --> 00:55:21,192  
[creaking]

855

00:55:30,201 --> 00:55:32,954  
Has the situation been corrected?

856

00:55:33,038 --> 00:55:34,122  
[gasps]

857

00:55:34,205 --> 00:55:35,081  
[shakily] Yes, Father.

858

00:55:36,291 --> 00:55:38,668  
You've proven your worth  
as a Son of Night.

859

00:55:45,467 --> 00:55:47,510  
Welcome, Ambrose Spellman,

860

00:55:49,721 --> 00:55:50,889  
to the Judas Society.

861

00:55:52,557 --> 00:55:54,309  
[thunderclap]

862

00:56:08,615 --> 00:56:11,034  
What did any of that  
have to do with Luke and I?

863

00:56:11,576 --> 00:56:12,660  
Yes...

864

00:56:12,744 --> 00:56:14,037  
He wasn't even in any--

865

00:56:14,120 --> 00:56:15,121  
[gasps]

866

00:56:16,081 --> 00:56:17,499  
What is that card?

867

00:56:18,166 --> 00:56:20,543  
I think in this case, perhaps...

868

00:56:21,628 --> 00:56:23,630  
not knowing the truth is better.

869

00:56:25,173 --> 00:56:26,841  
Show me that card.

870

00:56:28,259 --> 00:56:29,344  
Give it to me.

871

00:56:35,850 --> 00:56:36,810  
Oh!

872

00:56:36,893 --> 00:56:37,977  
[chuckles]

873

00:56:39,437 --> 00:56:40,647  
[shop bell jingles]

874

00:56:41,439 --> 00:56:43,316  
[thunder rolling]

875

00:56:45,568 --> 00:56:47,112  
[bell rings]

876

00:56:47,529 --> 00:56:48,780  
[Hilda gasps] Aww.

877

00:56:49,239 --> 00:56:51,324  
Thank you both so very much.

878

00:56:51,408 --> 00:56:54,702  
-Are you going? So soon?  
-Well, it... it's stopped raining.

879

00:56:55,745 --> 00:56:57,914  
[laughs] And I'm expected home.

880

00:56:58,540 --> 00:57:02,085  
-Oh, well... I haven't had my reading yet.  
-Next time.

881

00:57:03,044 --> 00:57:05,296

-I'll start with you.

-Thank you.

882

00:57:05,380 --> 00:57:06,631

[laughs]

883

00:57:06,714 --> 00:57:09,676

Bless you. What a lovely couple you make.

884

00:57:10,343 --> 00:57:12,512

Warms an old woman's heart.

885

00:57:18,101 --> 00:57:19,269

[shop bell jingles]

886

00:57:19,352 --> 00:57:20,728

[insects chirping]

887

00:57:25,275 --> 00:57:26,443

What's on your mind, Spellman?

888

00:57:32,782 --> 00:57:35,660

Nick, are you my boyfriend?

889

00:57:38,538 --> 00:57:39,706

Well, I hope so.

890

00:57:47,547 --> 00:57:48,381

In that case,

891

00:57:50,091 --> 00:57:51,801

I want you to do something for me.

892

00:57:54,304 --> 00:57:56,639

I need you to stay away  
from the Weird Sisters.

893

00:58:00,935 --> 00:58:02,312

Don't you trust me?

894  
00:58:06,065 --> 00:58:08,485  
I do trust you, Nick.

895  
00:58:10,695 --> 00:58:11,863  
But I don't trust them.

896  
00:58:12,864 --> 00:58:13,990  
So, will you do that?

897  
00:58:16,618 --> 00:58:17,535  
For me?

898  
00:58:29,547 --> 00:58:30,381  
Oh.

899  
00:58:31,049 --> 00:58:32,091  
Do come in.

900  
00:58:32,175 --> 00:58:35,470  
Forgive me, your Excellency,  
I didn't mean to...

901  
00:58:36,763 --> 00:58:38,348  
You what? Spit it out, Brother.

902  
00:58:38,681 --> 00:58:42,560  
You would never harm the Spellmans,  
would you?

903  
00:58:45,480 --> 00:58:47,357  
Or ask me to hurt them?

904  
00:58:48,316 --> 00:58:49,234  
Hurt them?

905  
00:58:49,984 --> 00:58:50,818  
Huh.

906  
00:58:53,238 --> 00:58:55,990  
My boy, I'm marrying your Aunt Zelda.

907  
00:58:56,324 --> 00:58:58,535  
I liberated you from house arrest.

908  
00:58:59,369 --> 00:59:01,412  
Of course, you did.

909  
00:59:03,039 --> 00:59:05,375  
Forgive this intrusion. I...

910  
00:59:05,708 --> 00:59:06,668  
Not at all.

911  
00:59:07,460 --> 00:59:09,546  
In fact, there's some news  
I need to share with you.

912  
00:59:11,839 --> 00:59:13,591  
It's about young Lucas.

913  
00:59:14,467 --> 00:59:16,010  
We've lost him, I'm afraid.

914  
00:59:19,847 --> 00:59:20,765  
Lost him?

915  
00:59:21,975 --> 00:59:25,061  
He died in service to the Dark Lord.

916  
00:59:26,271 --> 00:59:27,605  
In service to me.

917  
00:59:38,992 --> 00:59:40,451  
Luke was a true warlock.

918  
00:59:41,119 --> 00:59:44,122  
A loyal soldier in an unholy war.

919  
00:59:46,791 --> 00:59:49,210  
Will you honor him, his memory,

920

00:59:50,253 --> 00:59:51,713  
by taking his place...

921  
00:59:52,880 --> 00:59:54,507  
in the Judas Society?

922  
00:59:58,303 --> 00:59:59,804  
[door opens]

923  
00:59:59,887 --> 01:00:01,681  
-[caws]  
-[sighing]

924  
01:00:01,764 --> 01:00:04,142  
-[cawing]  
-Shut up, Stolas.

925  
01:00:04,726 --> 01:00:07,687  
You've never been fooled  
by a glamour before.

926  
01:00:09,355 --> 01:00:10,940  
[cawing]

927  
01:00:12,567 --> 01:00:18,072  
Well, I have had a glorious day.

928  
01:00:19,616 --> 01:00:21,909  
And productive, let me tell you.

929  
01:00:22,910 --> 01:00:26,497  
I plumbed the depths of their tiny minds,

930  
01:00:27,665 --> 01:00:30,460  
plucking all sorts of juicy tidbits.

931  
01:00:30,752 --> 01:00:32,545  
[cawing]

932  
01:00:33,796 --> 01:00:36,466  
No, not only Sabrina's friends.

933

01:00:37,300 --> 01:00:38,551  
Her family, too.

934

01:00:39,427 --> 01:00:42,096  
Never hurts to have  
a sharpened blade handy.

935

01:00:45,475 --> 01:00:48,353  
In case someone makes  
a nuisance of themselves.

936

01:00:48,603 --> 01:00:49,812  
[inhales deeply]

937

01:00:52,231 --> 01:00:54,442  
In the coming war, Stolas,

938

01:00:55,068 --> 01:00:56,486  
no one can be trusted.

939

01:00:57,737 --> 01:01:00,031  
Well, the Dark Lord  
taught me that Himself.

940

01:01:01,407 --> 01:01:02,450  
And who knows?

941

01:01:03,326 --> 01:01:05,536  
If the Apocalypse is upon us,

942

01:01:06,579 --> 01:01:08,665  
even His plans might go awry.

943

01:01:10,124 --> 01:01:11,292  
In which case...

944

01:01:12,293 --> 01:01:15,380  
all Hell would break loose...

945

01:01:19,842 --> 01:01:23,554  
and it would be every woman for herself.

946  
01:01:32,563 --> 01:01:33,606  
[caws]

947  
01:01:38,403 --> 01:01:40,405  
[fire roars]

948  
01:02:50,266 --> 01:02:51,684  
[man] Greg, move your head!
