1
00:00:50,425 --> 00:00:52,302
[thunder clapping]

2
00:00:53,261 --> 00:00:55,263
[crows cawing]

3
00:01:00,185 --> 00:01:02,103
[thunder crashing]

4
00:01:18,078 --> 00:01:20,080
[bats screeching]

5
00:02:00,203 --> 00:02:01,246
Girls.

6
00:02:03,081 --> 00:02:04,457
What's the meaning of this?

7
00:02:05,667 --> 00:02:09,129
Forgive us, Father, but we three
shared a dream you must hear.

8
00:02:09,212 --> 00:02:10,922
So you barge into my bedchamber?

9
00:02:11,214 --> 00:02:14,801
With the Anti-Pope's visit and
your marriage to Zelda Spellman upon us,

10
00:02:15,260 --> 00:02:16,886
I feared delaying even a moment.

11
00:02:17,387 --> 00:02:19,139
Speak, then. What did you dream of?

12
00:02:25,145 --> 00:02:26,938
[screeching sound]

13
00:02:27,564 --> 00:02:28,982
[in unison] We saw an altar,

14
00:02:29,858 --> 00:02:30,859
a coffin,

15
00:02:31,526 --> 00:02:33,069
and much bloodshed.

16
00:02:33,820 --> 00:02:34,946
Beware.

17
00:02:35,613 --> 00:02:37,532
Beware the Spellmans, Father.

18
00:02:37,824 --> 00:02:40,410
The Spellmans will be the undoing
of the Blackwoods.

19
00:02:40,493 --> 00:02:41,661
[all gasp]

20
00:02:47,750 --> 00:02:49,043
Have no fear, girls.

21
00:02:49,711 --> 00:02:52,964
The Spellmans
are in my thrall and at my mercy.

22
00:02:53,464 --> 00:02:54,591
Now go to bed.

23
00:02:55,884 --> 00:02:58,136
And dream no more of blood. Hm?

24
00:03:07,520 --> 00:03:08,521
Father.

25
00:03:11,441 --> 00:03:12,650
After the wedding,

26
00:03:14,611 --> 00:03:16,654
will Zelda Spellman take your name?

27

00:03:16,738 --> 00:03:19,365
[sighs] Not this again.
Of course she will, Prudence.

28

00:03:20,408 --> 00:03:22,118
And will Sabrina be a Blackwood?

29

00:03:25,997 --> 00:03:26,831
Never.

30

00:03:28,499 --> 00:03:30,710
She has as little claim
to the name as...

31

00:03:31,836 --> 00:03:33,588
well, you.

32

00:03:35,673 --> 00:03:36,841
Now go to bed.

33

00:03:43,348 --> 00:03:44,849
[insects chirping]

34

00:03:46,476 --> 00:03:47,518
[Stolas caws]

35

00:03:48,686 --> 00:03:50,271
[Ms. Wardwell] Indeed, Stolas.

36

00:03:50,647 --> 00:03:56,069
It is time to push our little half-breed
further towards the Dark Lord's prophecy.

37

00:03:56,152 --> 00:03:57,320
[cawing]

38

00:03:59,447 --> 00:04:00,490
Quite right.

39

00:04:01,908 --> 00:04:05,703

Just as Sabrina performed an exorcism
and a resurrection

40

00:04:05,787 --> 00:04:07,956
in perversion of the Nazarene's miracle,

41

00:04:08,039 --> 00:04:10,708
she must now bring down the temple.

42

00:04:11,167 --> 00:04:12,377
[cawing]

43

00:04:12,460 --> 00:04:14,337
Why, the Church of Night, of course.

44

00:04:14,671 --> 00:04:18,132
And I have got just the thing
to set the bricks a-tumbling.

45

00:04:18,216 --> 00:04:19,592
[cawing]

46

00:04:19,676 --> 00:04:21,052
[chuckles]

47

00:04:21,135 --> 00:04:22,262
Oh, Stolas.

48

00:04:23,471 --> 00:04:26,808
I do so love stirring the cauldron.

49

00:04:27,684 --> 00:04:28,643
[Adam] Mary?

50

00:04:29,978 --> 00:04:32,063
Oh, I thought I heard you
talking to someone.

51

00:04:33,189 --> 00:04:35,191
No, Adam, dearest. It's just me.

52

00:04:36,025 --> 00:04:37,068
Go back to bed.

53

00:04:37,860 --> 00:04:38,945
I'll be in shortly.

54

00:04:47,745 --> 00:04:51,332
This wedding will be the re-making
of the Spellman family.

55

00:04:51,708 --> 00:04:56,421
The Anti-Pope, the Unholy Papal himself,
is traveling from Rome,

56

00:04:56,504 --> 00:04:59,340
the Vatican Necropolis,
to marry Faustus and I.

57

00:05:00,717 --> 00:05:03,011
What an honor the Dark Lord
has bestowed on us.

58

00:05:03,886 --> 00:05:09,475
In two days, I shall, forever more,
be Mrs. Zelda Spellman-Blackwood.

59

00:05:09,559 --> 00:05:13,062
I only wish I could be there,
see you down the aisle.

60

00:05:13,146 --> 00:05:15,023
Oh, stop bleating, Hilda.

61

00:05:15,106 --> 00:05:18,651
I told you, I'm going to speak to Faustus
about lifting your excommunication.

62

00:05:18,735 --> 00:05:23,406
After all, you have your duties
as my maid of dishonor to carry out.

63

00:05:23,698 --> 00:05:25,700
Otherwise, they fall to Sabrina,

64

00:05:25,783 --> 00:05:28,369
who's been unusually quiet
these last few days.

65

00:05:28,453 --> 00:05:30,788
-If you can't say anything nice...
-[Hilda] Hm?

66

00:05:30,872 --> 00:05:34,292
I mean, putting aside the fact that
you clearly don't love Father Blackwood--

67

00:05:34,375 --> 00:05:36,085
Love? [scoffs]

68

00:05:37,045 --> 00:05:39,756
-You're 16, what do you know about love?
-But you don't even trust him.

69

00:05:39,839 --> 00:05:41,132
Sabrina, in less than 48 hours,

70

00:05:41,215 --> 00:05:43,718
I will be the wife of the High Priest,
whether you approve or not.

71

00:05:44,218 --> 00:05:45,511
[yowls]

72

00:05:46,179 --> 00:05:48,139
-[screeches]
-You better run, you little prick.

73

00:05:48,222 --> 00:05:49,349
-Ambrose!
-Leave Salem alone.

74

00:05:49,432 --> 00:05:50,266
How many times--

75

00:05:50,350 --> 00:05:52,101

I will, as soon as
he regurgitates Leviathan.

76

00:05:52,185 --> 00:05:55,396
-Salem didn't eat your familiar, Ambrose.
-Yeah, then where is he?

77

00:05:55,480 --> 00:05:57,732
Probably in the walls with the other mice.

78

00:05:59,442 --> 00:06:02,987
Look. Don't you think you're really upset
about Luke?

79

00:06:03,780 --> 00:06:07,200
It's normal, my love,
to grieve for those you've lost.

80

00:06:08,201 --> 00:06:10,578
I didn't get to say goodbye to him,
Auntie.

81

00:06:10,661 --> 00:06:11,496
[sighs]

82

00:06:11,579 --> 00:06:15,124
And now, it's as if Luke
simply ceased to exist.

83

00:06:16,250 --> 00:06:17,794
Enough talk of death.

84

00:06:18,628 --> 00:06:20,963
I'm getting married.

85

00:06:22,090 --> 00:06:23,716
Only smiles this week.

86

00:06:26,803 --> 00:06:28,971
I only said what we were all thinking.

87

00:06:29,055 --> 00:06:32,850

Still, it's pretty cool that your aunt
is getting married by the Anti-Pope.

88

00:06:32,934 --> 00:06:35,937
I mean, most witches never even get
to meet the Anti-Pope.

89

00:06:36,312 --> 00:06:37,688
I'm afraid to even ask, but--

90

00:06:37,772 --> 00:06:41,359
Okay, so, every coven
has a High Priest, right?

91

00:06:41,776 --> 00:06:44,237
Well, above all of them is the Anti-Pope,

92

00:06:44,570 --> 00:06:46,697
who presides over the Witches' Council,

93

00:06:47,115 --> 00:06:49,700
deciding witch laws and witches' policy--

94

00:06:49,784 --> 00:06:52,120
Oh, so he decides the rules
I'm always breaking.

95

00:06:52,203 --> 00:06:53,037
[chuckles]

96

00:06:53,121 --> 00:06:57,125
Essentially, yes,
but the current Anti-Pope, Enoch,

97

00:06:57,708 --> 00:07:00,378
he was a big fan of your...

98

00:07:04,924 --> 00:07:06,717
[Nick] Uh... Sabrina?

99

00:07:07,760 --> 00:07:08,678
Nick.

100
00:07:09,137 --> 00:07:11,681
Up there, look.

101
00:07:13,599 --> 00:07:15,226
Who... Who is that?

102
00:07:16,602 --> 00:07:18,688
I think that's the ghost of my father.

103
00:07:21,149 --> 00:07:22,275
That's your--

104
00:07:27,155 --> 00:07:29,240
-That's Edward Spellman?
-Stay here, okay?

105
00:07:39,792 --> 00:07:40,626
Dad?

106
00:07:43,045 --> 00:07:44,213
How are you here?

107
00:07:45,548 --> 00:07:46,841
[echoing] I came to warn you.

108
00:07:47,675 --> 00:07:48,593
About what?

109
00:07:49,510 --> 00:07:50,761
Faustus Blackwood.

110
00:07:51,888 --> 00:07:54,640
He brought down the plane
that killed your mother and I.

111
00:07:55,475 --> 00:07:57,226
He murdered us, Sabrina.

112
00:07:58,603 --> 00:08:01,939
You must stop Zelda from marrying him,

or he'll do the same to her.

113

00:08:02,231 --> 00:08:05,568

-Dad, wait.

-Protect my sister and avenge my death.

114

00:08:06,444 --> 00:08:09,197

Finish the work that I started.
Before it's too late.

115

00:08:09,280 --> 00:08:11,157

What do you mean, Dad, what work?

116

00:08:11,908 --> 00:08:13,117

My manifesto.

117

00:08:17,079 --> 00:08:17,997

Oh...

118

00:08:18,956 --> 00:08:20,750

[gasping]

119

00:08:33,012 --> 00:08:34,180

[echoing whisper] Wardwell...

120

00:08:37,099 --> 00:08:40,686

And bring down the temple she shall.

121

00:08:52,615 --> 00:08:55,076

[whispering sound]

122

00:09:01,832 --> 00:09:02,750

Constance?

123

00:09:05,711 --> 00:09:07,213

[Prudence] Sister Spellman?

124

00:09:15,263 --> 00:09:17,557

I came to ask a favor of you, Sister.

125

00:09:17,890 --> 00:09:20,643

Oh, I've got so much to do
before the wedding, Prudence.

126

00:09:20,726 --> 00:09:25,815
I am the High Priest's daughter by blood,
yet he denies me the Blackwood name.

127

00:09:25,898 --> 00:09:27,692
I'm not sure what you expect me to do.

128

00:09:27,775 --> 00:09:29,652
Entreat the High Priest on my behalf.

129

00:09:30,152 --> 00:09:32,613
Ask him to give me what is mine
by right of birth.

130

00:09:33,072 --> 00:09:34,240
Prudence.

131

00:09:34,323 --> 00:09:35,491
Sister, please.

132

00:09:35,741 --> 00:09:39,412
When you needed help to spirit away
Father Blackwood's newborn daughter,

133

00:09:39,495 --> 00:09:41,163
did I not give it readily?

134

00:09:42,123 --> 00:09:45,084
And have I not kept
your secret faithfully?

135

00:09:46,043 --> 00:09:47,086
[Sabrina] Auntie?

136

00:09:47,169 --> 00:09:50,256
I'll speak to the High Priest,
but no promises.

137

00:09:51,757 --> 00:09:53,009

Hey, Prudence.

138

00:09:54,719 --> 00:09:56,804

-What was she doing here?

-Never you mind.

139

00:09:57,638 --> 00:09:59,056

And I can tell from your expression.

140

00:09:59,140 --> 00:10:01,684

What unnecessary drama
are you cooking up now?

141

00:10:01,767 --> 00:10:04,437

As a matter of fact, Auntie,
we do need to have a family meeting.

142

00:10:09,525 --> 00:10:13,029

And then he told me that
Father Blackwood was responsible

143

00:10:13,112 --> 00:10:15,031

for his and my mother's murder.

144

00:10:15,114 --> 00:10:16,365

Edward told you this?

145

00:10:16,449 --> 00:10:18,993

My brother,
who's been dead for 16 years.

146

00:10:19,076 --> 00:10:22,038

-His ghost.

-Oh, spirits do love a witch wedding.

147

00:10:22,121 --> 00:10:24,999

There is an awful lot of hauntings
when someone's getting married.

148

00:10:25,082 --> 00:10:29,211

There was an independent inquiry conducted
by the Council when your parents died.

149

00:10:29,795 --> 00:10:34,008

They concluded that the plane crash was
the result of mechanical engine failure.

150

00:10:34,383 --> 00:10:38,387

Nothing more than that.
It was a horrible, tragic accident.

151

00:10:38,971 --> 00:10:40,389

Your ghost is ill-informed.

152

00:10:40,473 --> 00:10:43,893

My father also told me
that I was to finish his work.

153

00:10:43,976 --> 00:10:45,269

He mentioned a manifesto.

154

00:10:45,853 --> 00:10:48,230

Oh, yeah, Edward did have one of those,
do you remember?

155

00:10:48,314 --> 00:10:50,274

I read an early draft.

156

00:10:50,358 --> 00:10:54,153

Romantic musings about
mortal-witch intermingling, nothing more.

157

00:10:54,236 --> 00:10:56,781

Why are you dismissing
everything I say, Aunt Zelda?

158

00:10:56,864 --> 00:11:00,034

I don't know, something to do with
the fact you were sitting in a bar

159

00:11:00,117 --> 00:11:03,037

drinking absinthe in the middle of the day
when you had this visitation.

160

00:11:03,412 --> 00:11:05,122

Now, this conversation is closed.

161

00:11:05,456 --> 00:11:07,708

And consider your
bridesmaid's duties rescinded.

162

00:11:07,792 --> 00:11:08,959

Zelda, stop it.

163

00:11:09,043 --> 00:11:13,214

As for ghosts, the only specter
I'm worried about is Constance Blackwood.

164

00:11:13,297 --> 00:11:14,340

What do you mean?

165

00:11:14,423 --> 00:11:16,967

I saw her in the cemetery,
wandering amongst the gravestones

166

00:11:17,051 --> 00:11:18,552

-with malicious intent, no doubt.
-Ooh.

167

00:11:18,636 --> 00:11:19,470

Much like Sabrina.

168

00:11:21,055 --> 00:11:24,934

Hilda, as my maid of dishonor,
would you please handle it?

169

00:11:25,309 --> 00:11:26,310

Yes! [chuckles]

170

00:11:26,644 --> 00:11:31,273

Ooh! Constance Blackwood, eh?
I have not trapped a ghost for ages!

171

00:11:31,357 --> 00:11:34,527

So, no one is worried about
what my dad's ghost told me?

172

And fear nothing.

345

00:21:16,066 --> 00:21:17,609
-[clicks heels]
-Dismissed.

346

00:21:18,568 --> 00:21:20,112
Brother Ambrose, a word.

347

00:21:21,196 --> 00:21:23,740
As you know,
the Anti-Pope is journeying to Greendale,

348

00:21:23,824 --> 00:21:27,869
and will spend the night before my wedding
at the Academy, in the residence.

349

00:21:27,953 --> 00:21:31,790
I want you, personally, to guard
His Unholiness during his visit.

350

00:21:32,165 --> 00:21:33,166
Me, guard the Anti-Pope?

351

00:21:33,458 --> 00:21:35,711
Only the most loyal can be trusted.

352

00:21:38,046 --> 00:21:39,339
That would have been Lucas.

353

00:21:40,257 --> 00:21:42,634
Now, in his place,

354

00:21:44,303 --> 00:21:45,304
it is you.

355

00:21:47,931 --> 00:21:50,017
I won't let you down, Your Excellency.

356
00:21:56,982 --> 00:21:59,151
[Zelda] I've arranged it
with Faustus, Hilda.

357
00:21:59,568 --> 00:22:01,653
-Hm?
-You're back in the Church of Night.

358
00:22:01,737 --> 00:22:03,196
-[gasps]
-Just in time to fulfill

359
00:22:03,280 --> 00:22:05,449
your duties
as maid of dishonor.

360
00:22:05,532 --> 00:22:08,327
Oh! Ooh, I've already begun! Yeah.

361
00:22:08,410 --> 00:22:11,455
I've sent Lady Blackwood's ghost
back to whence it came.

362
00:22:11,538 --> 00:22:14,124
Oh? Have you dispatched with her
so quickly?

363
00:22:14,207 --> 00:22:17,586
[chuckles] I did.
It turns out, she's not the real villain.

364
00:22:17,669 --> 00:22:20,547
No, that is Sister Jackson.

365
00:22:20,630 --> 00:22:22,549
Shirley? Again?

366
00:22:22,632 --> 00:22:23,592
Yeah.

367
00:22:23,925 --> 00:22:27,179
I swear, I should've let her jump

to her death when I had the chance.

368

00:22:27,262 --> 00:22:28,972
No, don't you fret about it,

369

00:22:29,056 --> 00:22:31,433
because she and I are gonna have us
some tea and biscuits

370

00:22:31,516 --> 00:22:34,436
and sort our differences once and for all.

371

00:22:34,519 --> 00:22:39,024
I appreciate that, Hilda, but there's
one more duty that falls to you.

372

00:22:39,900 --> 00:22:43,153
The most important responsibility
as maid of dishonor.

373

00:22:44,279 --> 00:22:47,949
Tomorrow evening,
before Faustus and I are wed,

374

00:22:50,243 --> 00:22:51,453
will you attend me?

375

00:22:53,246 --> 00:22:55,999
At least until the Dark Lord arrives?

376

00:22:57,000 --> 00:22:58,919
If He arrives?

377

00:22:59,211 --> 00:23:00,212
As you wish.

378

00:23:01,088 --> 00:23:01,922
Do you...

379

00:23:02,005 --> 00:23:05,217
Do you really think
the Dark Lord's gonna visit? [chuckles]

380

00:23:05,717 --> 00:23:08,095
I wouldn't presume
to second-guess Him, but...

381

00:23:09,346 --> 00:23:11,598
I must be ready for the possibility.

382

00:23:12,182 --> 00:23:16,436
After all, it is our Dark Lord's
divine right to visit any bride-to-be

383

00:23:16,520 --> 00:23:18,605
the night before her witch wedding and...

384

00:23:20,273 --> 00:23:22,234
claim her for Himself.

385

00:23:22,526 --> 00:23:23,443
Yes.

386

00:23:24,277 --> 00:23:25,654
I... I will be there.

387

00:23:27,322 --> 00:23:28,782
Whatever you need, sister.

388

00:23:31,243 --> 00:23:33,662
It's my father's manifesto, Ambrose.

389

00:23:34,788 --> 00:23:39,167
In it, he lists his five basic laws.
Prepare yourself, they're shocking.

390

00:23:40,043 --> 00:23:43,004
"First. As mortals are
the God-spawn of the Earth,

391

00:23:43,088 --> 00:23:44,923
so witches are the Hell-spawn.

392

00:23:45,006 --> 00:23:46,925
They share a common home and destiny."

393
00:23:47,008 --> 00:23:50,262
"Second. Not only may
witch-kind lay with, love with,

394
00:23:50,345 --> 00:23:53,598
and live amongst the mortals,
it is their sacred prerogative."

395
00:23:53,849 --> 00:23:56,017
"Third. As Lilith was
the mother of demons,

396
00:23:56,101 --> 00:24:00,397
so all witches must be revered as
the matriarchs of the Church of Night."

397
00:24:00,814 --> 00:24:04,568
"Fourth. Magic is
the Dark Lord's gift to witches.

398
00:24:04,651 --> 00:24:07,154
It can and should be used
for pleasure, for gain,

399
00:24:07,237 --> 00:24:09,197
and to satiate the senses."

400
00:24:09,281 --> 00:24:13,201
"And fifth. Only the true union
of mortals and their witch brethren

401
00:24:13,285 --> 00:24:15,412
will bring the Era of the Morningstar."

402
00:24:16,663 --> 00:24:17,747
Huh.

403
00:24:18,206 --> 00:24:19,291
Bloody hell.

404

00:24:21,460 --> 00:24:25,255
My parents were flying to meet with
the Anti-Pope to present these tenets

405

00:24:25,338 --> 00:24:27,340
in the hopes of reforming
the Church of Night.

406

00:24:28,008 --> 00:24:31,178
We think Father Blackwood
murdered them before they could do that.

407

00:24:31,261 --> 00:24:33,138
Please say you believe me, Ambrose.

408

00:24:34,097 --> 00:24:35,223
Uh... I...

409

00:24:36,516 --> 00:24:37,350
do.

410

00:24:38,059 --> 00:24:41,021
And, Cousin, we're in the middle
of an uncanny confluence.

411

00:24:41,104 --> 00:24:43,607
Earlier tonight,
at a meeting with the Judas Society,

412

00:24:43,690 --> 00:24:47,152
I heard, for the first time,
Blackwood's tenets.

413

00:24:47,235 --> 00:24:51,114
His is a... a regressive
and misogynistic reformation.

414

00:24:51,406 --> 00:24:52,741
Back to the old, old ways.

415

00:24:53,658 --> 00:24:57,913
And tomorrow, in a private audience

with the Anti-Pope,

416

00:24:57,996 --> 00:25:00,916
he plans to present his manifesto
to Our Unholiness.

417

00:25:00,999 --> 00:25:02,834
Ambrose, we need to stop Blackwood.

418

00:25:02,918 --> 00:25:06,379
As luck would have it, I will be stationed
outside of Blackwood's office

419

00:25:06,463 --> 00:25:07,631
during the meeting.

420

00:25:07,714 --> 00:25:10,258
Part of my duties as an official guard.

421

00:25:10,342 --> 00:25:11,218
Perfect.

422

00:25:11,301 --> 00:25:13,512
If I can get in there and present
my father's doctrine

423

00:25:13,595 --> 00:25:15,305
as an alternative to Blackwood's,

424

00:25:15,388 --> 00:25:18,642
we could derail the High Priest's efforts
to regress the Church of Night,

425

00:25:18,725 --> 00:25:21,019
and, Satan willing, the wedding itself!

426

00:25:32,239 --> 00:25:34,241
[whispering]

427

00:25:45,418 --> 00:25:48,171
Your Most Unholy, you honor us.

428
00:25:48,255 --> 00:25:49,297
Yes, I know.

429
00:25:49,756 --> 00:25:54,177
Faustus, this must be your betrothed,
Zelda.

430
00:25:54,678 --> 00:25:56,596
Welcome, Father of Fathers.

431
00:25:56,680 --> 00:25:59,724
Oh, my, she is sumptuous.

432
00:25:59,808 --> 00:26:01,434
My, my, my.

433
00:26:01,935 --> 00:26:03,061
Well, rise, Sister.

434
00:26:03,645 --> 00:26:06,398
You please both Satan and myself.

435
00:26:07,357 --> 00:26:09,484
Do take me inside.

436
00:26:10,485 --> 00:26:11,945
[Father Blackwood] This way, Pater.

437
00:26:24,124 --> 00:26:25,041
[chuckles]

438
00:26:25,667 --> 00:26:29,379
Sister Zelda,
did you speak with my father?

439
00:26:29,462 --> 00:26:31,590
I did. Not good news.

440
00:26:32,090 --> 00:26:35,635
[whispers] He won't budge.
I'm sorry, Prudence. I tried.

441

00:26:36,553 --> 00:26:37,804
Thank you, Father.

442

00:26:37,887 --> 00:26:40,473
And this is Nicholas Scratch,
Your Eminence.

443

00:26:40,557 --> 00:26:42,809
A very fine and promising warlock.

444

00:26:43,101 --> 00:26:47,939
It pleases me, Faustus, to see such firm
and potent youths among our dark ranks.

445

00:26:49,065 --> 00:26:50,233
[chuckles]

446

00:26:53,862 --> 00:26:55,405
And who is this little bird?

447

00:26:55,488 --> 00:26:57,699
-Perhaps we should--
-Sabrina Spellman, Your Disgrace.

448

00:26:57,782 --> 00:26:59,034
Spellman?

449

00:26:59,284 --> 00:27:00,201
Oh.

450

00:27:01,077 --> 00:27:02,037
Child.

451

00:27:02,454 --> 00:27:05,790
Your father was a great,
learned High Priest

452

00:27:05,874 --> 00:27:07,542
and a terrifyingly skilled warlock.

453

00:27:09,002 --> 00:27:11,588
Thank you, Your Unholiness.

454

00:27:11,880 --> 00:27:15,467
Sadly, he perished before we could
meet and discuss his philosophies.

455

00:27:15,800 --> 00:27:18,637
But I've often wondered
where they might have led us.

456

00:27:18,928 --> 00:27:19,763
Hm?

457

00:27:20,263 --> 00:27:22,515
With your permission, Father of Fathers,

458

00:27:22,599 --> 00:27:25,518
my boys and I would like to give you
a tour of the Academy.

459

00:27:26,394 --> 00:27:27,520
This way.

460

00:27:32,317 --> 00:27:35,445
Aren't you going to introduce me, Father?

461

00:27:35,528 --> 00:27:36,946
Yes, Faustus.

462

00:27:39,574 --> 00:27:41,785
Who is this fine, supple witch?

463

00:27:43,578 --> 00:27:45,205
Oh, this is Prudence Night.

464

00:27:45,622 --> 00:27:47,874
One of the gutter orphans
the Academy fosters.

465

00:27:49,668 --> 00:27:53,713
Come, Your Unholiness,

let me show you the rest of our school.

466

00:27:53,797 --> 00:27:54,714
Hm.

467

00:28:01,763 --> 00:28:04,349
[Hilda] Now then, Sister Jackson.
[chuckles]

468

00:28:04,641 --> 00:28:06,226
I wanted to talk about Zelda.

469

00:28:06,810 --> 00:28:09,229
Oh, please help yourself
to a biscuit or two.

470

00:28:10,730 --> 00:28:12,232
What about your sister?

471

00:28:13,149 --> 00:28:17,112
Why did you conjure the ghost
of Lady Blackwood to haunt her?

472

00:28:17,195 --> 00:28:18,071
Oh!

473

00:28:18,154 --> 00:28:19,948
-She's been haunted, has she?
-Hm.

474

00:28:20,031 --> 00:28:22,784
These are delicious.
What are they, almond?

475

00:28:23,034 --> 00:28:23,952
Mm.

476

00:28:24,869 --> 00:28:26,496
Why do you hate her so?

477

00:28:29,207 --> 00:28:33,086
It's not only Zelda,

it's your brother, Edward.

478

00:28:33,169 --> 00:28:35,130
Well... What... What's he done?

479

00:28:35,422 --> 00:28:37,424
When we were all in the Academy together,

480

00:28:37,507 --> 00:28:40,969
he threw me over
for that mortal tramp, Diana.

481

00:28:41,636 --> 00:28:44,556
Then they died, which was right and just.

482

00:28:45,140 --> 00:28:47,517
And I rose in the Church of Night's ranks.

483

00:28:47,600 --> 00:28:50,729
But then Zelda comes in,
she starts to teach,

484

00:28:50,812 --> 00:28:53,148
she catches the eye of the High Priest.

485

00:28:53,231 --> 00:28:56,943
No, I won't have a Spellman
ascend over me, sorry.

486

00:28:57,277 --> 00:28:58,153
Oh.

487

00:28:58,236 --> 00:29:00,989
So, in actuality, you're a... [chuckles]

488

00:29:01,072 --> 00:29:03,199
...selfish and petty and jealous bitch.

489

00:29:03,825 --> 00:29:04,993
Poor Hilda.

490

00:29:05,076 --> 00:29:08,872
Always standing in her sister's shadow,
being put down by her,

491

00:29:08,955 --> 00:29:10,290
being killed by her.

492

00:29:10,832 --> 00:29:13,293
Why don't we work together

493

00:29:13,710 --> 00:29:15,670
and make all her hair fall out?

494

00:29:16,755 --> 00:29:18,339
[both giggle]

495

00:29:18,423 --> 00:29:20,467
Oh, Shirley, Shirley...

496

00:29:21,217 --> 00:29:22,385
So...

497

00:29:22,802 --> 00:29:23,887
So, folks...

498

00:29:24,429 --> 00:29:26,806
folks tend to get
the wrong impression of me.

499

00:29:27,474 --> 00:29:29,601
-They always think I'm meek and mild.
-Hm.

500

00:29:29,684 --> 00:29:32,061
You know, always the bridesmaid,
never the bride.

501

00:29:32,145 --> 00:29:34,689
Story of my life. And, oh, for sure,

502

00:29:34,773 --> 00:29:38,443
I mean, here I am, you know,

playing Zelda's maid of dishonor.

503

00:29:38,818 --> 00:29:42,071
But I'm gonna... I'm gonna tell you
a little tiny secret about me.

504

00:29:42,864 --> 00:29:44,407
I love my sister.

505

00:29:44,949 --> 00:29:47,202
But, yes, she slays me.
What are you gonna do?

506

00:29:47,660 --> 00:29:49,788
That's just family, you know?

507

00:29:50,497 --> 00:29:52,624
But as Satan is my witness...

508

00:29:53,124 --> 00:29:54,542
if you hurt my family,

509

00:29:55,126 --> 00:29:56,669
there will be Heaven to pay.

510

00:29:59,506 --> 00:30:00,340
[clears throat]

511

00:30:00,423 --> 00:30:02,050
Threatening me, Hilda?

512

00:30:02,300 --> 00:30:03,551
Oh!

513

00:30:03,802 --> 00:30:05,136
You should know.

514

00:30:06,095 --> 00:30:08,681
Ever since Zelda put
that earworm in my head,

515

00:30:09,641 --> 00:30:14,729
I've been wearing a protection that
guards me against all magical attacks.

516
00:30:14,813 --> 00:30:17,440
I... I would assume nothing less, my love.

517
00:30:17,732 --> 00:30:19,818
That's why you're eating
those almond cookies.

518
00:30:20,235 --> 00:30:24,572

You're not capable of such a thing.

691

00:41:43,626 --> 00:41:45,294
-[Salem yowls]
-[Faustus] Find the traitor!

692

00:41:48,380 --> 00:41:50,341
-[man] Find the traitor!
-They're coming for me.

693

00:41:50,424 --> 00:41:52,259
Blackwood and the Judas boys
will murder me.

694

00:41:52,343 --> 00:41:56,055
Nick, get Ambrose someplace safe.
Go, go now. I'll stall as long as I can.

695

00:41:58,599 --> 00:42:01,852
Where is he?
Where is the murderer, Ambrose Spellman?

696

00:42:02,228 --> 00:42:03,938
Murderer? What are you talking about?

697

00:42:04,021 --> 00:42:07,107
-Sabrina, is he here?
-What? No, I haven't seen him.

698

00:42:07,191 --> 00:42:10,110
-Aunties, what's happened?
-Search the house! Turn it upside down!

699

00:42:10,194 --> 00:42:12,321
Bring me the head of Ambrose Spellman!

700

00:42:12,863 --> 00:42:14,281
Where's the traitor?

701

00:42:14,907 --> 00:42:15,908
[indistinct yelling]

702

00:42:15,991 --> 00:42:19,662
You don't really think Ambrose killed
the Anti-Pope, do you, Aunt Zee?

703

00:42:19,745 --> 00:42:21,956
He was covered in blood,
dagger in hand,

704

00:42:22,039 --> 00:42:23,958
and when confronted,
he spirited himself away.

705

00:42:24,333 --> 00:42:27,336
Yes, because he thought Father Blackwood
was gonna slaughter him.

706

00:42:27,419 --> 00:42:28,837
Like he had the other boys.

707

00:42:28,921 --> 00:42:30,422
[yelling and clattering]

708

00:42:30,506 --> 00:42:32,883
Aunt Zelda, this is Ambrose.

709

00:42:32,967 --> 00:42:34,593
Cousin Ambrose.

710

00:42:34,677 --> 00:42:36,470
Our Ambrose.

711

00:42:36,554 --> 00:42:40,057
Yes. The very same Ambrose
who plotted to blow up the Vatican.

712

00:42:40,474 --> 00:42:41,892
There is no trace of him.

713

00:42:42,518 --> 00:42:44,895
Come, Zelda,
we must return to the Academy.

714

00:42:44,979 --> 00:42:46,647
Tomorrow will be all the more challenging.

715

00:42:46,730 --> 00:42:50,734
Wait, you're not going through
with the wedding, are you?

716

00:42:50,818 --> 00:42:53,237
The Church of Night needs
strong leadership right now.

717

00:42:53,612 --> 00:42:56,865
The hunt for Ambrose Spellman will
continue and so, too, will our wedding.

718

00:42:56,949 --> 00:42:58,576
But surely the circumstances--

719

00:42:58,659 --> 00:43:00,327
It is Our Dark Lord's will, Zelda.

720

00:43:00,744 --> 00:43:04,164
We shall wed, following the funeral
of His Most Unholy Eminence.

721

00:43:09,795 --> 00:43:11,839
A joint wedding and funeral?

722

00:43:11,922 --> 00:43:13,841
Hail Satan! Hail Judas!

723

00:43:14,258 --> 00:43:16,218
[all] Hail Satan! Hail Judas!

724
00:43:20,764 --> 00:43:22,766
Come back as often as you like, boys.

725
00:43:22,850 --> 00:43:24,685
I adore men in uniforms.

726
00:43:25,060 --> 00:43:26,312
But I told you before,

727
00:43:26,979 --> 00:43:28,689
Ambrose Spellman is not here.

728
00:43:31,859 --> 00:43:33,569
Come on. Okay. Let's go.

729
00:43:34,194 --> 00:43:35,070
Search it.

730
00:43:41,118 --> 00:43:42,328
[indistinct chatter]

731
00:43:44,872 --> 00:43:46,874
[doors creaking]

732
00:43:58,636 --> 00:44:00,929
You can come out now. They're gone.

733
00:44:04,892 --> 00:44:06,894
[echoing whispers]

734
00:44:11,607 --> 00:44:15,444
That is a nifty trick.
Hiding in your own portrait.

735
00:44:15,903 --> 00:44:16,987
It's hell in there.

736
00:44:18,113 --> 00:44:19,114

Literally.

737

00:44:20,866 --> 00:44:22,743
But Nick's a friend, so... [chuckles]

738

00:44:24,620 --> 00:44:26,538
Ambrose, you don't look well.

739

00:44:26,622 --> 00:44:28,040
-I don't feel so--
-[gasps]

740

00:44:28,123 --> 00:44:30,250
Ambrose. Ambrose. There, there.

741

00:44:30,334 --> 00:44:31,877
-I--
-You're all right. You're all right.

742

00:44:31,960 --> 00:44:33,796
-[bubbling]
-I'll get you a drink.

743

00:44:33,879 --> 00:44:35,297
[groaning]

744

00:44:36,048 --> 00:44:37,299
You're all right, Ambrose.

745

00:44:37,383 --> 00:44:38,509
[retches]

746

00:44:46,892 --> 00:44:48,310
[gasps] Leviathan?

747

00:44:49,019 --> 00:44:50,229
Oh, dear Satan.

748

00:44:50,813 --> 00:44:53,023
The damn mouse was never missing,

749

00:44:54,066 --> 00:44:55,567
he climbed inside me.

750

00:44:56,777 --> 00:44:57,695
Why?

751

00:44:58,779 --> 00:45:00,698
To control you, perhaps.

752

00:45:05,077 --> 00:45:07,287
Not all puppets
wear their strings on the outside.

753

00:45:07,830 --> 00:45:10,791
Leviathan was a gift
from Father Blackwood.

754

00:45:13,961 --> 00:45:16,422
Then I believe it was he
who killed the Anti-Pope.

755

00:45:16,922 --> 00:45:19,466
You, I'm surmising,
were merely his instrument.

756

00:45:20,884 --> 00:45:23,721
He loves his boys, Blackwood,
until he doesn't.

757

00:45:23,804 --> 00:45:24,888
What do you mean?

758

00:45:24,972 --> 00:45:28,183
Every warlock I've known to get
close to Blackwood winds up dead.

759

00:45:28,851 --> 00:45:29,852
-Luke.
-Luke?

760

00:45:31,895 --> 00:45:34,314
You think Father Blackwood
murdered Luke?

761

00:45:34,940 --> 00:45:36,400
I think it's quite possible.

762

00:45:36,859 --> 00:45:38,110
And now, you.

763

00:45:40,404 --> 00:45:42,197
Except I'm not dead yet, Gray.

764

00:45:42,740 --> 00:45:44,742
And I'm not about to roll over, either.

765

00:45:45,659 --> 00:45:46,910
No. In fact...

766

00:45:48,370 --> 00:45:50,330
I'm going to kill Father Blackwood.

767

00:45:50,664 --> 00:45:51,623
[whimpers]

768

00:45:52,416 --> 00:45:53,500
For Luke.

769

00:45:54,752 --> 00:45:57,421
For all that is unholy.

770

00:45:58,297 --> 00:45:59,882
[birdsong]

771

00:46:02,593 --> 00:46:03,594
Sabrina.

772

00:46:04,845 --> 00:46:07,306
Nick, where's Ambrose?

773

00:46:07,389 --> 00:46:10,350
Someplace safe. It's probably best
if you don't know where.

774

00:46:11,059 --> 00:46:14,271
-Did Blackwood call off the wedding?
-No. He's forcing it to happen.

775

00:46:14,354 --> 00:46:16,523
Combining it with the Anti-Pope's funeral.

776

00:46:17,608 --> 00:46:18,442
[sighs]

777

00:46:21,069 --> 00:46:23,322
I'm so sorry, Sabrina.
You did everything you could.

778

00:46:23,405 --> 00:46:24,865
Oh, I'm not giving up now.

779

00:46:25,407 --> 00:46:28,494
There's no way I'm letting
my parents' death go unavenged.

780

00:46:30,370 --> 00:46:33,957
And I won't let my Aunt Zelda get
caught up or crushed by that man either.

781

00:46:34,416 --> 00:46:35,459
What's the plan?

782

00:46:36,668 --> 00:46:37,503
Hamlet.

783

00:46:38,295 --> 00:46:39,463
Are we resurrecting him?

784

00:46:40,547 --> 00:46:45,803
In the play, Hamlet's uncle Claudius kills
his father to marry his mother Gertrude.

785

00:46:46,345 --> 00:46:48,347
To reveal Claudius as the villain,

786

00:46:48,430 --> 00:46:51,892
Hamlet puts on a play in front of Claudius
that re-enacts the murder.

787

00:46:53,435 --> 00:46:54,353
Did it work?

788

00:46:54,645 --> 00:46:55,604
No.

789

00:46:57,064 --> 00:47:00,818
But Hamlet wasn't a warlock,
and he didn't know about glamour spells.

790

00:47:02,027 --> 00:47:04,530
-I think I'm following you.
-It's our last chance, Nick.

791

00:47:04,613 --> 00:47:07,491
A Hail Malphas pass
to expose the High Priest,

792

00:47:07,574 --> 00:47:10,160
clear Ambrose's name,
and stop my Aunt Zelda's wedding.

793

00:47:13,580 --> 00:47:15,749
Patricide, Prudence?

794

00:47:16,792 --> 00:47:17,876
Patricide!

795

00:47:19,378 --> 00:47:20,629
For why, child?

796

00:47:21,088 --> 00:47:22,881
If I don't get to be a Blackwood,

797

00:47:24,758 --> 00:47:26,426
then neither should you be one.

798

00:47:31,515 --> 00:47:35,602

Last night, I realized
you'd stop at nothing

799

00:47:35,686 --> 00:47:37,771
to claim what you think is yours.

800

00:47:38,772 --> 00:47:41,024
Your ambition knows no bounds.

801

00:47:44,027 --> 00:47:46,280
And that is how I know you are, at heart,

802

00:47:47,906 --> 00:47:48,866
a Blackwood.

803

00:47:57,875 --> 00:47:59,710
Go and dress for the ceremony...

804

00:48:01,420 --> 00:48:02,546
and look your best.

805

00:48:02,963 --> 00:48:07,843
I'll need family by my side
at the Unholy Altar today.

806

00:48:08,468 --> 00:48:11,889
Henceforth,
you shall be known to all as...

807

00:48:16,852 --> 00:48:18,186
Prudence Blackwood.

808

00:48:20,063 --> 00:48:22,149
[church bells ringing]

809

00:48:23,483 --> 00:48:28,405
Witches, warlocks,
let us mourn Enoch of Antioch,

810

00:48:29,364 --> 00:48:31,074
our Father of Fathers.

811

00:48:31,950 --> 00:48:33,327
I loved His Eminence,

812

00:48:37,247 --> 00:48:39,082
but I love the Church of Night more.

813

00:48:40,417 --> 00:48:43,378
And so, we must turn our thoughts
to gladder subjects.

814

00:48:45,547 --> 00:48:47,549
As His Unholy Eminence is...

815

00:48:48,717 --> 00:48:51,094
no longer able to perform
the marriage rite,

816

00:48:52,721 --> 00:48:56,516
I shall conduct my own marriage
to Sister Zelda Spellman.

817

00:48:57,225 --> 00:48:58,352
[solemn music plays]

818

00:49:00,437 --> 00:49:01,855
[congregation whispering]

819

00:49:11,531 --> 00:49:13,825
In the name of Satan, I call forth

820

00:49:13,909 --> 00:49:16,745
the demons who rule marriage and lust.

821

00:49:16,828 --> 00:49:21,208
Astaroth, Furfur, Hathor, and Ishtar.

822

00:49:21,458 --> 00:49:24,670
Saleous, Uvall, and Vassage.

823

00:49:25,087 --> 00:49:30,384
Be here and forge this union

like fire forges the blade.

824

00:49:31,426 --> 00:49:33,136
Demons of the deep,

825

00:49:33,470 --> 00:49:35,806
accept this gift of blood.

826

00:49:48,068 --> 00:49:50,070
-[knife swipes]
-[blood trickles]

827

00:49:59,371 --> 00:50:03,667
My bride and I
will fortify our physical bodies

828

00:50:04,001 --> 00:50:06,420
with the blood of this sacrificed being.

829

00:50:23,687 --> 00:50:25,063
The hand of my bride

830

00:50:25,355 --> 00:50:27,024
will now be sheathed with mine

831

00:50:27,482 --> 00:50:28,859
under the skin of a mortal.

832

00:50:28,942 --> 00:50:29,901
Hilda.

833

00:50:37,534 --> 00:50:38,785
Now, Sister Zelda,

834

00:50:39,161 --> 00:50:42,122
in the name of Satan,
you shall respect me,

835

00:50:42,205 --> 00:50:43,999
obey me, and submit to me.

836

00:50:44,082 --> 00:50:46,877
As Lilith served Satan,
so will you serve me.

837

00:50:46,960 --> 00:50:48,795
You will forsake all others,

838

00:50:48,879 --> 00:50:52,466
lift me up, and exalt me for all eternity.

839

00:50:52,841 --> 00:50:56,470
And now, by the unholy power
invested in me--

840

00:50:56,553 --> 00:50:57,637
[Edward] Murderer!

841

00:50:59,723 --> 00:51:01,308
-Edward?
-Impossible.

842

00:51:01,600 --> 00:51:04,102
It is I, Edward Spellman, returned.

843

00:51:04,186 --> 00:51:07,105
And I, Diana Spellman, returned.

844

00:51:07,189 --> 00:51:09,441
I accuse Faustus Blackwood,

845

00:51:09,524 --> 00:51:11,318
who brought down the plane
that took our lives.

846

00:51:11,401 --> 00:51:14,446
-[Diana] Murderer!
-[Edward] I accuse Faustus Blackwood,

847

00:51:14,529 --> 00:51:17,824
who killed the Anti-Pope while he slept
under the very same roof.

848

00:51:17,908 --> 00:51:18,992
Murderer!

849
00:51:19,076 --> 00:51:22,120
Confess, Blackwood, or face my wrath!

850
00:51:22,204 --> 00:51:23,497
[congregation murmuring]

851
00:51:25,082 --> 00:51:26,374
Your wrath...

852
00:51:28,043 --> 00:51:29,044
Indeed.

853
00:51:29,753 --> 00:51:31,004
You forget, girl,

854
00:51:31,671 --> 00:51:33,006
I knew your father.

855
00:51:33,090 --> 00:51:34,633
And whatever the circumstances,

856
00:51:34,716 --> 00:51:36,718
Edward Spellman would never

857
00:51:36,802 --> 00:51:40,597
disrespect our ceremonies and traditions
as you do.

858
00:51:40,889 --> 00:51:43,683
And so, this petty trickery
comes to an end.

859
00:51:43,975 --> 00:51:46,311
Detegant istos ostenderet falsa!

860
00:51:48,438 --> 00:51:49,689
-[whooshing]
-[all gasp]

861
00:51:49,773 --> 00:51:52,192
-[gasps] Sabrina?
-[Father Blackwood] Seize them!

862
00:51:53,026 --> 00:51:54,945
Not a step closer, boys.

863
00:51:55,028 --> 00:51:57,030
I am Sabrina Spellman.

864
00:51:57,948 --> 00:52:01,451
I shall speak, and I shall be heard.

865
00:52:02,619 --> 00:52:05,872
You, Faustus Blackwood, are a fraud.

866
00:52:05,956 --> 00:52:07,666
Sabrina, what are you saying?

867
00:52:07,749 --> 00:52:09,417
I'm sorry, Auntie, but it's true.

868
00:52:10,001 --> 00:52:13,547
He killed my father and mother,
and I believe he killed the Anti-Pope too.

869
00:52:13,630 --> 00:52:15,632
-[all murmuring]
-And why would I have done that?

870
00:52:15,715 --> 00:52:20,470
Because you were afraid His Eminence
wouldn't approve your repugnant,

871
00:52:20,554 --> 00:52:23,223
misogynistic reformations.

872
00:52:23,306 --> 00:52:25,684
Which you haven't even read, have you?

873
00:52:26,560 --> 00:52:27,394

Hm?

874

00:52:28,228 --> 00:52:31,940
Let it be known
there is no proof to any of this.

875

00:52:32,774 --> 00:52:35,986
Yet your very own cousin
was covered in His Eminence's blood.

876

00:52:36,069 --> 00:52:37,863
Ambrose Spellman is innocent!

877

00:52:38,488 --> 00:52:40,657
Die, Blackwood! Die!

878

00:52:40,740 --> 00:52:41,950
Prohibere!

879

00:52:45,120 --> 00:52:46,955
-[gasps]
-[crunching]

880

00:52:48,582 --> 00:52:49,499
[screams]

881

00:52:50,167 --> 00:52:51,585
[Ambrose groans]

882

00:52:52,002 --> 00:52:54,087
-[yells]
-[gasping and screaming]

883

00:52:54,171 --> 00:52:55,922
[Ambrose] Blackwood!

884

00:52:56,006 --> 00:52:57,424
[yelling]

885

00:53:07,017 --> 00:53:11,062
Adam diaboli munit oculos.

886

00:53:11,146 --> 00:53:12,272
[cawing]

887

00:53:13,398 --> 00:53:15,859
Yes. But if I don't protect
the mortal, Stolas,

888

00:53:15,942 --> 00:53:17,944
I won't get to play with him any longer.

889

00:53:18,028 --> 00:53:20,530
-And I have grown rather fond of him.
-[caws]

890

00:53:20,614 --> 00:53:21,531
Oh, relax.

891

00:53:22,449 --> 00:53:24,659
What the Dark Lord doesn't know
won't hurt Him.

892

00:53:24,743 --> 00:53:25,577
[door opens]

893

00:53:25,660 --> 00:53:27,495
-[wind whistling]
-Oh.

894

00:53:27,579 --> 00:53:29,331
It's getting rather brisk
out there tonight.

895

00:53:29,873 --> 00:53:30,790
What is it, Mary?

896

00:53:31,458 --> 00:53:32,751
I'd like you to wear this ring.

897

00:53:33,168 --> 00:53:35,921
But you must never, ever take it off.

898

00:53:36,004 --> 00:53:37,714
Of course. But, Mary, what does this mean?

899
00:53:37,797 --> 00:53:38,840
It means

900
00:53:38,924 --> 00:53:41,384
we're... setting a date.

901
00:53:42,302 --> 00:53:44,596
-But only if you swear to me...
-[ringing sound]

902
00:53:44,679 --> 00:53:45,805
...you'll never take it off.

903
00:53:45,889 --> 00:53:47,390
-I won't.
-If you do...

904
00:53:47,474 --> 00:53:48,391
-Not ever.
-[gasps]

905
00:53:48,850 --> 00:53:51,061
-I love you, Mary.
-[both laughing]

906
00:53:59,027 --> 00:54:01,029
[door opens]

907
00:54:02,739 --> 00:54:03,949
Congratulations.

908
00:54:04,032 --> 00:54:06,243
-You ruined my wedding day, Sabrina.
-Aunt Zelda--

909
00:54:06,326 --> 00:54:09,162
A day of greatness
for the Spellman family shall now,

910

00:54:09,246 --> 00:54:11,122
instead, go down in infamy.

911

00:54:11,539 --> 00:54:12,624
Where's Ambrose, Aunt Zee?

912

00:54:12,707 --> 00:54:16,253
Your cousin has been thrown in the
Witch's Cell for his treasonous crimes.

913

00:54:16,336 --> 00:54:17,671
-No.
-What about Sabrina?

914

00:54:19,047 --> 00:54:23,677
She and Nicholas have been expelled
from the Academy of Unseen Arts.

915

00:54:24,094 --> 00:54:25,011
And they deserve it.

916

00:54:25,262 --> 00:54:28,640
It was all I could do to persuade Faustus
not to lock you in the dungeon, too.

917

00:54:28,890 --> 00:54:30,558
-Well, at least I stopped your wedding.
-Oh!

918

00:54:30,850 --> 00:54:31,685
[scoffs]

919

00:54:31,768 --> 00:54:33,103
Stopped it? [laughs]

920

00:54:33,436 --> 00:54:37,148
Sabrina, Faustus and I
were just married in his office.

921

00:54:46,616 --> 00:54:48,034
[whimpering]

922

00:54:55,458 --> 00:54:57,460
[doors creaking]

923

00:54:59,462 --> 00:55:01,256
[Father Blackwood] Lady Blackwood and I

924

00:55:02,048 --> 00:55:03,800
will convey the Anti-Pope's body

925

00:55:04,551 --> 00:55:07,846
to its final resting place
in the Necropolis beneath the Vatican,

926

00:55:08,513 --> 00:55:10,974
and thereafter honeymoon in Rome.

927

00:55:13,685 --> 00:55:19,024
Prudence, I trust you will uphold
the highest standards of this Academy,

928

00:55:21,568 --> 00:55:24,529
and our family name, in my absence.

929

00:55:25,572 --> 00:55:27,490
You can rely on me, Father.

930

00:55:28,033 --> 00:55:29,034
Good.

931

00:55:37,625 --> 00:55:42,005
You forget yourself, my dear.
A wife walks behind her husband.

932

00:57:00,667 --> 00:57:02,085
[man] Greg, move your head!
