*CHILLING ADVENTURES OF*  
**SABRINA**

PART 2

Episode 2:08: "Chapter Nineteen: The Mandrake"

An ominous discovery leads to a desperate search for answers -- and a risky spell for Sabrina. Meanwhile, Father Blackwood makes a bold announcement.

1  
00:01:48,983 --> 00:01:51,820  
I offer you a chance to survive the night.

2  
00:01:52,112 --> 00:01:53,113  
Convert.

3  
00:01:57,700 --> 00:02:01,704  
I am the Dark Lord's sword!

4  
00:02:03,873 --> 00:02:06,126  
Sabrina? Sabrina.

5  
00:02:08,128 --> 00:02:09,087  
Are you all right?

6  
00:02:10,713 --> 00:02:12,674  
No. No, I don't think I am.

7  
00:02:12,757 --> 00:02:16,136  
Look, we don't know what this thing means,

8  
00:02:16,636 --> 00:02:18,138  
or why it was even down there.

9  
00:02:18,221 --> 00:02:20,473  
So I don't think that  
we should assume the worst.

10  
00:02:20,557 --> 00:02:23,226  
Roz, a picture of my face was in a mosaic

11  
00:02:23,309 --> 00:02:26,688  
that was hundreds,  
if not thousands, of years old.

12  
00:02:26,771 --> 00:02:29,899  
I'm pretty sure that,  
whatever it is, it's not a good thing.

13  
00:02:29,983 --> 00:02:32,068

Sabrina, you... you said you were  
the Herald of Hell.

14

00:02:32,152 --> 00:02:34,070  
It was just a guess, Theo.

15

00:02:34,362 --> 00:02:37,699  
Though the imagery surrounding  
the picture of Sabrina's...

16

00:02:38,449 --> 00:02:41,536  
definitely apocalyptic  
and infernal in nature.

17

00:02:41,619 --> 00:02:43,163  
Dude, not helping.

18

00:02:45,039 --> 00:02:48,251  
I should go back into the mines  
and board up tunnel 13,

19

00:02:49,085 --> 00:02:50,879  
so no one else sees... that.

20

00:02:51,588 --> 00:02:53,673  
Or finds the albino witch that I killed.

21

00:02:54,132 --> 00:02:55,258  
Good plan, Harry.

22

00:02:55,758 --> 00:02:56,593  
It's Harvey.

23

00:02:56,676 --> 00:03:00,013  
In the meantime, Sabrina and I  
will try to get some real answers.

24

00:03:00,346 --> 00:03:03,057  
But can I borrow the drawing, Harvey?

25

00:03:03,141 --> 00:03:06,519  
I... I wanted to show it to someone

who might be able to help us.

26

00:03:06,895 --> 00:03:08,396  
Yeah, of course.

27

00:03:15,069 --> 00:03:16,696  
Why did you say that to Sabrina?

28

00:03:18,615 --> 00:03:20,116  
"If you ever loved me."

29

00:03:21,034 --> 00:03:22,535  
Why those specific words?

30

00:03:22,619 --> 00:03:23,578  
[sniffles]

31

00:03:23,661 --> 00:03:25,830  
Actually, guys, I'm gonna peel off here.

32

00:03:25,914 --> 00:03:28,416  
-Wait, Theo--  
-No, no, I'll see you tomorrow. Bye.

33

00:03:29,209 --> 00:03:30,293  
[sighs]

34

00:03:33,087 --> 00:03:34,047  
[sighs]

35

00:03:34,130 --> 00:03:37,258  
She was gonna jump off the roof.  
I was trying to get her attention.

36

00:03:37,342 --> 00:03:39,510  
It came pretty easy to you, Harvey.

37

00:03:39,844 --> 00:03:42,388  
Well, I did love her... once.

38

00:03:43,973 --> 00:03:44,807

But now...

39

00:03:46,976 --> 00:03:47,977  
I love you.

40

00:03:50,230 --> 00:03:51,731  
I know the timing's not great, but...

41

00:03:52,857 --> 00:03:53,775  
I do.

42

00:03:55,693 --> 00:03:57,445  
I love you, Rosalind.

43

00:04:11,834 --> 00:04:15,004  
We should go to the Academy  
and have Cassius pull every book he has

44

00:04:15,088 --> 00:04:17,674  
about the Apocalypse, prophecies,  
being the Herald of Hell.

45

00:04:17,757 --> 00:04:19,926  
We will, we will. But first...

46

00:04:20,426 --> 00:04:21,636  
let's try Ms. Wardwell.

47

00:04:22,303 --> 00:04:23,763  
She knows about these things.

48

00:04:24,847 --> 00:04:28,268  
[Ms. Wardwell]  
Don't be scared, Adam, it's just fire.

49

00:04:28,643 --> 00:04:31,020  
You're not a typical man of straw.

50

00:04:31,604 --> 00:04:35,316  
As long as you have my rib inside of you,  
there's nothing to fear.

51  
00:04:35,400 --> 00:04:37,277  
Move closer, you'll see.

52  
00:04:37,443 --> 00:04:39,362  
[raspy breathing]

53  
00:04:41,572 --> 00:04:42,991  
[crunching]

54  
00:04:43,074 --> 00:04:44,409  
-[snap]  
-[gasps]

55  
00:04:45,034 --> 00:04:47,662  
My rib's inside you.  
You must do as I say.

56  
00:04:49,580 --> 00:04:51,082  
[gasps]

57  
00:04:52,000 --> 00:04:55,253  
There. Very, very good.

58  
00:04:56,671 --> 00:04:59,465  
Soon, you'll be able to do  
what I created you for.

59  
00:05:01,050 --> 00:05:04,804  
To rip the flesh from  
Sabrina Spellman's bones.

60  
00:05:05,430 --> 00:05:09,225  
And whether or not the Dark Lord's  
grand design comes to fruition,

61  
00:05:10,810 --> 00:05:14,230  
he won't have his  
little half-witch pet to love.

62  
00:05:15,773 --> 00:05:19,152  
And what more delicious revenge  
is there than that?

63

00:05:21,404 --> 00:05:22,488  
[knocking at door]

64

00:05:23,614 --> 00:05:25,450  
Ms. Wardwell? It's Sabrina.

65

00:05:26,242 --> 00:05:27,076  
Sabrina?

66

00:05:27,410 --> 00:05:28,494  
-[Adam moans]  
-[gasps]

67

00:05:29,037 --> 00:05:30,163  
[whispers] Perfect.

68

00:05:30,246 --> 00:05:32,081  
[Sabrina]  
I'm here with Nick. Can we come in?

69

00:05:32,165 --> 00:05:32,999  
[sighs]

70

00:05:33,416 --> 00:05:34,459  
Of course.

71

00:05:36,294 --> 00:05:37,295  
Give me a minute.

72

00:05:44,135 --> 00:05:46,262  
What does it mean, Ms. Wardwell?

73

00:05:46,512 --> 00:05:51,184  
On first blush, this implies  
that you are some kind of Herald of Hell.

74

00:05:51,267 --> 00:05:52,185  
I knew it.

75

00:05:52,268 --> 00:05:56,230

And that you will play a key role  
in bringing about the Apocalypse.

76

00:05:57,315 --> 00:05:59,692  
And by Apocalypse, we're talking about...

77

00:05:59,901 --> 00:06:01,235  
The Earth in flames.

78

00:06:01,319 --> 00:06:05,156  
The tribes of human and witch-kind  
enslaved by the hordes of Hell,

79

00:06:05,239 --> 00:06:07,742  
with the Dark Lord presiding over it all.

80

00:06:07,825 --> 00:06:09,077  
What makes you an expert?

81

00:06:09,410 --> 00:06:11,371  
[raspy breathing]

82

00:06:11,454 --> 00:06:14,665  
I studied with Nostradamus, Mr. Scratch.

83

00:06:14,749 --> 00:06:16,542  
Also, it doesn't take a genius.

84

00:06:17,210 --> 00:06:21,714  
The End Times is usually preceded  
by the Gates of Hell opening, and...

85

00:06:22,298 --> 00:06:23,674  
look here, these are the Gates,

86

00:06:23,758 --> 00:06:26,094  
and here is the Herald of Hell.

87

00:06:26,969 --> 00:06:28,137  
That would be Sabrina.

88

00:06:28,429 --> 00:06:29,430  
Why me?

89

00:06:29,514 --> 00:06:30,807  
You're special, aren't you?

90

00:06:30,890 --> 00:06:34,227  
Half-witch, half-mortal, representing  
the two tribes to be tyrannized.

91

00:06:35,311 --> 00:06:37,188  
This would explain my new powers.

92

00:06:37,271 --> 00:06:38,398  
New powers?

93

00:06:38,481 --> 00:06:41,609  
I've recently tapped into new magics,  
new energies.

94

00:06:41,901 --> 00:06:44,654  
Resurrection, healing,  
control over the weather.

95

00:06:44,737 --> 00:06:46,447  
I'm not sure I can be killed.

96

00:06:47,698 --> 00:06:48,950  
How fascinating.

97

00:06:49,867 --> 00:06:50,743  
Well...

98

00:06:51,786 --> 00:06:55,206  
Yes, it would seem  
that the, um, Herald of Hell

99

00:06:55,289 --> 00:06:57,708  
would have to wield  
a certain amount of power.

100

00:06:57,792 --> 00:06:59,627

But no way am I doing it.

101

00:07:00,211 --> 00:07:03,047

So, here we go again.

How do we stop the prophecy?

102

00:07:03,131 --> 00:07:05,550

If you're manifesting powers

103

00:07:06,092 --> 00:07:08,678

to fulfill the prophecy  
depicted in this mosaic,

104

00:07:09,095 --> 00:07:11,973

to ensure you don't  
bring about the End of Days,

105

00:07:12,557 --> 00:07:13,558

you must...

106

00:07:13,933 --> 00:07:14,892

[sighs]

107

00:07:14,976 --> 00:07:17,562

...divest yourself of these powers.

108

00:07:17,937 --> 00:07:20,022

Well, is... is that even possible?

109

00:07:20,106 --> 00:07:22,024

Yes, there... there are ways.

110

00:07:22,108 --> 00:07:24,360

Have you ever heard of the mandrake spell?

111

00:07:24,444 --> 00:07:27,864

It would likely mean that  
you would lose all of your witch powers,

112

00:07:27,947 --> 00:07:29,615

rendering you, essentially, mortal.

113  
00:07:29,699 --> 00:07:33,911  
Hang on. You... You can't just ask Sabrina  
to stop being a witch. It's who she is.

114  
00:07:33,995 --> 00:07:36,747  
Don't you mean, it's half of who she is?

115  
00:07:36,831 --> 00:07:38,291  
Nick, if there's no other way--

116  
00:07:38,374 --> 00:07:39,375  
There has to be.

117  
00:07:42,295 --> 00:07:43,296  
I'll find it.

118  
00:07:45,339 --> 00:07:46,507  
[Ms. Wardwell sighs]

119  
00:07:51,846 --> 00:07:53,639  
You must keep me abreast, won't you?

120  
00:07:53,723 --> 00:07:57,143  
And do look into the mandrake spell.  
It could be just the ticket.

121  
00:08:04,317 --> 00:08:05,860  
-[door closes]  
-Adam?

122  
00:08:07,904 --> 00:08:09,906  
[raspy breathing]

123  
00:08:11,949 --> 00:08:14,118  
Follow her. Discreetly.

124  
00:08:15,036 --> 00:08:16,954  
And once she's vulnerable and alone...

125  
00:08:19,040 --> 00:08:19,957  
kill her.

126  
00:08:20,041 --> 00:08:21,417  
[raspy breathing]

127  
00:08:23,002 --> 00:08:24,712  
[heavy tread]

128  
00:08:31,219 --> 00:08:32,803  
[insects chirping]

129  
00:08:33,679 --> 00:08:36,516  
Hey. Talk to me, Spellman.

130  
00:08:37,058 --> 00:08:40,311  
The weight of the world on your shoulders?  
You don't have to bear that alone.

131  
00:08:41,229 --> 00:08:44,982  
Nick, if I'm a key piece  
in the Apocalypse,

132  
00:08:45,358 --> 00:08:46,651  
and apparently I am,

133  
00:08:47,610 --> 00:08:50,154  
there's no way my father  
knew about it, is there?

134  
00:08:52,365 --> 00:08:54,033  
I don't know, Sabrina.

135  
00:08:55,243 --> 00:08:57,954  
I mean, your father wrote about  
a lot of things, but never prophecies.

136  
00:08:58,037 --> 00:08:59,539  
Besides talking to Cassius,

137  
00:08:59,622 --> 00:09:02,542  
you have access to the Sanctum's  
special collections, Nick.

138

00:09:03,376 --> 00:09:04,835

-Will you--

-Try to find somethin'

139

00:09:04,919 --> 00:09:08,172

that confirms your father knew,  
or didn't know, about the prophecy?

140

00:09:08,256 --> 00:09:09,173

Yeah.

141

00:09:09,840 --> 00:09:10,758

All right.

142

00:09:11,676 --> 00:09:15,429

But, Sabrina, promise me that  
you won't do anything rash.

143

00:09:16,347 --> 00:09:18,599

Okay? Not until we have more information.

144

00:09:18,683 --> 00:09:19,517

I promise.

145

00:09:39,245 --> 00:09:42,331

[Ambrose] Bloody hell, Cuz. Why do  
these things always happen to you?

146

00:09:42,415 --> 00:09:45,585

I wish I knew,  
but please don't tell the aunties.

147

00:09:45,668 --> 00:09:46,961

That the Apocalypse is imminent

148

00:09:47,044 --> 00:09:49,088

and you might be responsible?  
Keep that a secret?

149

00:09:49,589 --> 00:09:53,593

The Apocalypse isn't happening,  
we can stop it, but I need your help.

150

00:09:53,676 --> 00:09:56,345  
You want to create a double of yourself  
using a mandrake root?

151

00:09:56,429 --> 00:09:58,889  
I read about it in one of Aunt Hilda's  
magic recipe books.

152

00:09:58,973 --> 00:10:00,891  
-Mm-hm.  
-The mandrake will siphon off

153

00:10:00,975 --> 00:10:01,976  
my darker energies.

154

00:10:02,059 --> 00:10:03,978  
It'll grow using those energies.

155

00:10:04,061 --> 00:10:05,396  
And then you immediately kill it,

156

00:10:05,479 --> 00:10:07,898  
thereby releasing those energies  
up into the universe.

157

00:10:07,982 --> 00:10:08,983  
I know how it goes.

158

00:10:09,066 --> 00:10:12,903  
Once that happens, it will be impossible  
for me to initiate the Apocalypse.

159

00:10:12,987 --> 00:10:14,488  
Oh, I'm sure you will find a way.

160

00:10:14,572 --> 00:10:16,907  
Ambrose, I won't play a part  
in this prophecy.

161

00:10:16,991 --> 00:10:20,161  
You're talking about a prophecy

you don't fully understand.

162

00:10:20,244 --> 00:10:22,413  
-And we don't even know if it's real.  
-I do.

163

00:10:24,248 --> 00:10:25,374  
I know it's real.

164

00:10:26,834 --> 00:10:30,463  
I feel it, Ambrose, in my bones.

165

00:10:30,963 --> 00:10:32,465  
Everything that's happened to me,

166

00:10:32,715 --> 00:10:34,634  
that I've done since my Dark Baptism,

167

00:10:35,259 --> 00:10:36,969  
has been leading to something.

168

00:10:37,053 --> 00:10:39,221  
It was to be the Herald of Hell.

169

00:10:40,931 --> 00:10:42,391  
I know this to be true.

170

00:10:43,100 --> 00:10:44,477  
This is the only way.

171

00:10:44,852 --> 00:10:46,437  
You'd be killing yourself.

172

00:10:47,396 --> 00:10:50,650  
If you go through with this,  
it would be suicide. Witch suicide.

173

00:10:51,442 --> 00:10:54,612  
Without your powers, you will age,  
wither, and die like a mortal.

174

00:10:54,862 --> 00:10:57,823  
You'll have 60, 70 years,  
and that's if you're lucky.

175  
00:10:58,324 --> 00:11:01,494  
And right now,  
that seems like a long way away.

176  
00:11:01,827 --> 00:11:04,413  
But in witch years,  
that's the blink of an eye,

177  
00:11:04,497 --> 00:11:05,790  
and you're gone forever.

178  
00:11:05,873 --> 00:11:09,710  
Think, for one minute,  
what that would do to our aunties,

179  
00:11:10,002 --> 00:11:11,420  
to everybody that loves you.

180  
00:11:12,296 --> 00:11:13,297  
To Nicholas.

181  
00:11:13,881 --> 00:11:14,840  
To me.

182  
00:11:15,591 --> 00:11:16,926  
That's why I came to you.

183  
00:11:18,010 --> 00:11:19,178  
Because I thought...

184  
00:11:20,137 --> 00:11:21,681  
I hoped you'd understand.

185  
00:11:24,058 --> 00:11:25,893  
My life is not my own.

186  
00:11:26,936 --> 00:11:32,358  
Again, I'm a pawn in the Dark Lord's

sick, perverse game.

187

00:11:33,109 --> 00:11:34,151  
Again.

188

00:11:39,198 --> 00:11:42,118  
This isn't a decision  
I'm making lightly, Ambrose.

189

00:11:43,369 --> 00:11:44,286  
Believe me.

190

00:11:46,038 --> 00:11:46,956  
I love you.

191

00:11:47,915 --> 00:11:49,333  
I love our aunties.

192

00:11:50,084 --> 00:11:52,712  
I think I maybe even love Nick.

193

00:11:53,713 --> 00:11:54,547  
[chuckles]

194

00:11:54,880 --> 00:11:57,174  
And I know that  
by going through with this,

195

00:11:57,758 --> 00:12:00,302  
I will, one day, lose all of you.

196

00:12:00,761 --> 00:12:02,304  
But this prophecy is real.

197

00:12:03,097 --> 00:12:04,724  
The End of Days is coming,

198

00:12:06,726 --> 00:12:07,643  
unless...

199

00:12:07,977 --> 00:12:10,062

Unless you relinquish your powers.

200

00:12:16,026 --> 00:12:18,612  
Well, if we're going to do it,  
we're going to do it properly.

201

00:12:18,696 --> 00:12:22,158  
We're going to need a mandrake root  
from Aunt Hilda's garden

202

00:12:23,033 --> 00:12:24,076  
and 13 hours.

203

00:12:29,582 --> 00:12:34,879  
Radix eius ut sit figura,  
sit idem tam intrinsecus et extrinsecus.

204

00:12:34,962 --> 00:12:36,922  
[whooshing]

205

00:12:37,006 --> 00:12:38,132  
[Ambrose sighs]

206

00:12:38,215 --> 00:12:39,091  
Now what?

207

00:12:39,925 --> 00:12:43,637  
Now you sleep, whilst I watch over you.

208

00:12:44,930 --> 00:12:46,974  
Thank you, Ambrose.

209

00:12:47,725 --> 00:12:48,726  
Mm-hm.

210

00:13:11,707 --> 00:13:13,709  
[birdsong]

211

00:13:19,340 --> 00:13:21,175  
[soft snoring]

212

00:13:24,470 --> 00:13:25,387  
[snoring]

213  
00:13:27,014 --> 00:13:28,182  
[snoring continues]

214  
00:13:31,393 --> 00:13:32,228  
Ambrose.

215  
00:13:32,895 --> 00:13:35,147  
-Ambrose!  
-I'm awake. Sorry.

216  
00:13:36,607 --> 00:13:39,485  
Nothing happened.  
The mandrake spell didn't work.

217  
00:13:40,611 --> 00:13:41,904  
So what do we do now?

218  
00:13:41,987 --> 00:13:45,199  
Uh, I was reading up.  
There is another way. An older way.

219  
00:13:45,950 --> 00:13:49,578  
You, uh...  
you make a sort of golem using river mud.

220  
00:13:50,037 --> 00:13:52,998  
And then, when it sort of animates,  
you must destroy it.

221  
00:13:53,082 --> 00:13:55,668  
So we go to Sweetwater River  
and mold a double?

222  
00:13:56,043 --> 00:13:59,463  
If you're determined in shedding yourself  
of your powers, then, yes.

223  
00:14:00,506 --> 00:14:02,675  
And you push it into the river  
and drown it.

224

00:14:07,096 --> 00:14:09,098  
[running footsteps]

225

00:14:09,974 --> 00:14:11,767  
Sabrina? Ambrose? That you?

226

00:14:12,268 --> 00:14:13,185  
Uh, yes, it is, Auntie.

227

00:14:13,269 --> 00:14:15,229  
-We're just heading out for--  
-Bagels and coffee.

228

00:14:15,563 --> 00:14:16,772  
But we'll be back soon.

229

00:14:17,523 --> 00:14:19,066  
-Okay.  
-[door closes]

230

00:14:20,484 --> 00:14:21,652  
[church bell tolling]

231

00:14:21,735 --> 00:14:26,532  
Brethren, these are deeply unstable times.

232

00:14:26,615 --> 00:14:29,159  
We've endured horror upon horror.

233

00:14:29,660 --> 00:14:32,204  
Our beloved Anti-Pope slain.

234

00:14:32,496 --> 00:14:36,333  
Our Academy attacked  
by the False God's hunters.

235

00:14:36,792 --> 00:14:41,630  
And, most recently, the Witches' Council  
has turned its back on us.

236

00:14:41,714 --> 00:14:43,632  
[gasping and murmuring]

237

00:14:45,217 --> 00:14:47,386  
But, praise Satan,

238

00:14:48,304 --> 00:14:49,555  
there is a man

239

00:14:50,556 --> 00:14:53,058  
who is willing to shield you,

240

00:14:53,475 --> 00:14:56,562  
to guide you back to the old ways

241

00:14:57,479 --> 00:14:59,481  
you have so arrogantly forsaken.

242

00:15:07,114 --> 00:15:08,949  
[whispering]

243

00:15:12,119 --> 00:15:13,954  
[Father Blackwood]  
The Church of Night is gone.

244

00:15:14,038 --> 00:15:17,249  
We are now the Church of Judas,

245

00:15:17,750 --> 00:15:20,920  
and you must look  
to the Five Tenets of Judas

246

00:15:21,003 --> 00:15:23,839  
for salvation and exaltation.

247

00:15:24,173 --> 00:15:27,551  
The Academy will adopt  
these beliefs immediately.

248

00:15:27,635 --> 00:15:30,262  
Learn them. Do not deviate from them.

249

00:15:30,346 --> 00:15:34,475  
And we will once again  
know Satanic greatness!

250

00:15:37,311 --> 00:15:38,687  
[female voice] Mm! [chuckles]

251

00:15:38,771 --> 00:15:39,772  
[gasps]

252

00:15:39,855 --> 00:15:40,898  
[whispers] Pretty.

253

00:15:41,440 --> 00:15:43,025  
[humming]

254

00:15:46,445 --> 00:15:47,905  
Ooh, didn't know you were back.

255

00:15:47,988 --> 00:15:50,866  
I am. I'm here, dear Auntie.

256

00:15:52,117 --> 00:15:52,952  
You all right?

257

00:15:53,285 --> 00:15:56,497  
Yes. I woke up today feeling excited.

258

00:15:56,872 --> 00:15:58,499  
Excited to be here.

259

00:15:58,916 --> 00:16:00,417  
To be alive.

260

00:16:01,001 --> 00:16:02,044  
Ooh.

261

00:16:02,753 --> 00:16:04,213  
Okay. [chuckles]

262

00:16:06,256 --> 00:16:07,341  
Okay.

263  
00:16:07,633 --> 00:16:08,676  
Get this in here...

264  
00:16:08,759 --> 00:16:09,927  
-Auntie.  
-[gasps]

265  
00:16:10,010 --> 00:16:12,346  
Will you make me  
my favorite for breakfast?

266  
00:16:13,514 --> 00:16:14,807  
Blueberry pancakes?

267  
00:16:18,435 --> 00:16:19,269  
Yeah.

268  
00:16:19,645 --> 00:16:20,771  
Come on, then.

269  
00:16:23,357 --> 00:16:25,192  
-More syrup.  
-M-More?

270  
00:16:25,275 --> 00:16:27,528  
-Ooh. Thought you'd had enough.  
-No. More!

271  
00:16:27,611 --> 00:16:28,487  
Okay.

272  
00:16:30,864 --> 00:16:32,574  
Phew! Aww.

273  
00:16:34,243 --> 00:16:35,411  
Hungry!

274  
00:16:38,163 --> 00:16:39,540  
-[Hilda chuckles]

-Mm.

275

00:16:39,957 --> 00:16:41,208  
What are you doing today?

276

00:16:41,291 --> 00:16:43,836  
I am going to see all my friends.

277

00:16:44,169 --> 00:16:45,379

-Aw.

-But first...

278

00:16:46,088 --> 00:16:47,256  
can I have a hug?

279

00:16:51,885 --> 00:16:53,012  
[sighs]

280

00:16:54,471 --> 00:16:58,517  
Father, I've been reviewing  
your new rules for the Academy.

281

00:16:59,810 --> 00:17:01,270  
A strict curfew,

282

00:17:01,353 --> 00:17:03,397  
no unchaperoned incantations,

283

00:17:03,480 --> 00:17:06,608  
and no enrollment in  
the higher, darker magics.

284

00:17:06,692 --> 00:17:07,693  
That's correct.

285

00:17:08,193 --> 00:17:10,571  
But these censures  
only apply to the girls,

286

00:17:11,113 --> 00:17:12,281  
the witches, not the warlocks.

287

00:17:12,364 --> 00:17:13,949  
Witches must focus their studies

288

00:17:14,033 --> 00:17:16,785  
on the more feminine magics  
of herbalism and fertility.

289

00:17:16,869 --> 00:17:19,038  
Did the Dark Lord  
reveal these tenets to you?

290

00:17:22,249 --> 00:17:24,126  
No, Prudence. The Tenets are mine,

291

00:17:24,585 --> 00:17:28,255  
as derived from my many years  
of Satanic scholarship.

292

00:17:28,630 --> 00:17:32,092  
And do these rules apply to me, too?

293

00:17:32,509 --> 00:17:36,138  
Prudence, I need you, Daughter,

294

00:17:37,848 --> 00:17:40,017  
to be my strong left hand.

295

00:17:43,520 --> 00:17:47,733  
To help the other girls understand  
and accept the Blackwood Doctrine,

296

00:17:47,816 --> 00:17:51,570  
and their vital place  
in the Church of Judas.

297

00:17:52,029 --> 00:17:55,991  
Do that for me, and you will be exempt  
from the strictures.

298

00:17:56,408 --> 00:17:58,702  
As Blackwoods, we are beyond censure.

299

00:18:02,164 --> 00:18:03,457  
[Prudence chuckles]

300

00:18:13,509 --> 00:18:15,010  
[high-pitched ringing]

301

00:18:16,720 --> 00:18:17,805  
Zelds?

302

00:18:17,888 --> 00:18:19,723  
-[hissing]  
-Zelds, is that you?

303

00:18:20,182 --> 00:18:22,976  
Please, Hilda, I don't have much time.  
Listen closely.

304

00:18:23,060 --> 00:18:26,021  
Father Blackwood has ruinous plans  
for the Church of Night

305

00:18:26,438 --> 00:18:28,232  
and, in particular, its witches.

306

00:18:29,358 --> 00:18:34,363  
He wants the coven remade in his image,  
built on a foundation of misogyny,

307

00:18:34,446 --> 00:18:36,490  
separate from the other unholy dioceses.

308

00:18:36,573 --> 00:18:38,283  
Can he leave the Churches of Darkness?

309

00:18:38,367 --> 00:18:41,245  
You must speak to Methuselah  
and the Witches' Council.

310

00:18:41,328 --> 00:18:42,830  
They'll put a stop to this madness.

311

00:18:44,373 --> 00:18:45,207  
[Hilda scoffs]

312  
00:18:45,290 --> 00:18:46,291  
So... But, what if--

313  
00:18:46,375 --> 00:18:47,584  
Zelda, dearest,

314  
00:18:50,504 --> 00:18:51,463  
what are you doing?

315  
00:18:51,547 --> 00:18:55,801  
Why, making myself beautiful  
for you, husband.

316  
00:19:00,389 --> 00:19:04,059  
[Hilda] Father Methuselah,  
and Dishonorable Council,

317  
00:19:04,143 --> 00:19:06,311  
I've summoned you here because...

318  
00:19:06,812 --> 00:19:10,315  
well, the High Priest  
has gone off his rocker... honestly.

319  
00:19:10,899 --> 00:19:15,028  
And he has declared his intentions  
to subjugate witches

320  
00:19:15,112 --> 00:19:17,156  
and to break away from  
the Churches of Darkness.

321  
00:19:17,239 --> 00:19:20,659  
Father Blackwood may govern  
the Church of Night as he sees fit.

322  
00:19:22,244 --> 00:19:24,246  
And should you, Hilda Spellman,

323

00:19:24,830 --> 00:19:27,457  
be foolish enough  
to waste the Council's time again,

324  
00:19:28,375 --> 00:19:29,918  
there will be consequences.

325  
00:19:32,462 --> 00:19:33,297  
Right.

326  
00:19:38,468 --> 00:19:39,678  
[groans] Hm...

327  
00:19:39,761 --> 00:19:40,637  
Oh...

328  
00:19:41,513 --> 00:19:42,598  
Sorry.

329  
00:19:43,891 --> 00:19:47,269  
You sit there on your... your platform,  
and your privilege,

330  
00:19:47,352 --> 00:19:51,231  
and you pretend you're better than  
the rest, and... you're not. [whimpers]

331  
00:19:51,648 --> 00:19:52,941  
I know the truth.

332  
00:19:53,025 --> 00:19:57,029  
Blackwood's a killer, and because  
his downfall would bring about yours,

333  
00:19:57,446 --> 00:20:00,782  
you close ranks,  
and you turn a blind eye, but...

334  
00:20:02,159 --> 00:20:03,327  
but I see you.

335  
00:20:04,703 --> 00:20:06,163

And the Dark Lord does, too.

336  
00:20:08,582 --> 00:20:09,499  
Arses.

337  
00:20:16,757 --> 00:20:18,217  
-[knocking]  
-[door opens]

338  
00:20:18,300 --> 00:20:19,218  
[Harvey] Sabrina, hey.

339  
00:20:19,760 --> 00:20:22,304  
I just boarded up that tunnel,  
if that's what you came to check on.

340  
00:20:22,387 --> 00:20:23,931  
I came to talk to you, Harvey.

341  
00:20:24,973 --> 00:20:26,892  
About what you said to me at my house.

342  
00:20:27,559 --> 00:20:28,810  
That you still love me.

343  
00:20:31,438 --> 00:20:32,898  
Whoa, that's not what I said.

344  
00:20:34,441 --> 00:20:37,069  
But you do still love me, don't you?

345  
00:20:38,070 --> 00:20:41,114  
Else, you wouldn't have given me this.

346  
00:20:42,741 --> 00:20:46,578  
When you gave this to me,  
you told me you loved me.

347  
00:20:47,579 --> 00:20:48,789  
Was that a lie?

348

00:20:50,249 --> 00:20:51,375  
-No.  
-I know.

349  
00:20:51,917 --> 00:20:53,252  
I know it wasn't.

350  
00:20:58,215 --> 00:20:59,800  
-Um...  
-I love you, too.

351  
00:21:03,136 --> 00:21:04,137  
Sabrina, I...

352  
00:21:04,721 --> 00:21:06,306  
I said I loved you back then,

353  
00:21:06,640 --> 00:21:07,516  
and I meant it,

354  
00:21:08,642 --> 00:21:09,559  
back then.

355  
00:21:10,727 --> 00:21:13,438  
But "I love you" is forever, Harvey.

356  
00:21:14,690 --> 00:21:15,732  
I don't know...

357  
00:21:16,817 --> 00:21:18,860  
where this is coming from, but, uh...

358  
00:21:19,611 --> 00:21:21,822  
me and you, we're just friends, that's it.

359  
00:21:22,114 --> 00:21:23,323  
I'm with Roz now.

360  
00:21:24,241 --> 00:21:25,867  
I love Roz now.

361

00:21:28,287 --> 00:21:29,871  
I know how to make you love me.

362  
00:21:32,040 --> 00:21:33,333  
And only me.

363  
00:21:34,793 --> 00:21:36,795  
[cracking]

364  
00:21:37,713 --> 00:21:39,756  
[cracking grows louder]

365  
00:21:49,266 --> 00:21:50,767  
What's the meaning of this?

366  
00:21:50,851 --> 00:21:52,477  
Elspeth fled, Father Blackwood.

367  
00:21:54,313 --> 00:21:56,440  
She tried to abandon the Church of Judas.

368  
00:21:56,857 --> 00:22:01,194  
She said she was in search of  
the apostate, Sabrina, Your Unholiness.

369  
00:22:01,611 --> 00:22:02,529  
Ingrate.

370  
00:22:04,197 --> 00:22:05,073  
You'll die for that.

371  
00:22:05,157 --> 00:22:07,326  
No, please.

372  
00:22:07,659 --> 00:22:09,077  
[sobs]

373  
00:22:09,745 --> 00:22:10,620  
Forgive me.

374  
00:22:11,163 --> 00:22:15,000

Husband,  
you are wise in all matters, but...

375  
00:22:15,542 --> 00:22:18,211  
is it advisable to martyr this girl?

376  
00:22:19,921 --> 00:22:20,797  
Zelda.

377  
00:22:21,840 --> 00:22:24,676  
Perhaps Lady Blackwood  
has a point, Father.

378  
00:22:24,760 --> 00:22:29,056  
If you put Elspeth to death,  
you risk giving the others a cause,

379  
00:22:29,765 --> 00:22:31,433  
a reason to rise against you.

380  
00:22:32,893 --> 00:22:34,770  
Hm. Well reasoned, Prudence.

381  
00:22:36,646 --> 00:22:38,690  
I don't want this pathetic waif

382  
00:22:39,399 --> 00:22:40,942  
becoming a hero in death.

383  
00:22:41,568 --> 00:22:43,028  
Throw her in the Witch's Cell.

384  
00:22:43,111 --> 00:22:44,154  
[Elspeth] No.

385  
00:22:44,738 --> 00:22:45,947  
[sobbing]

386  
00:22:46,031 --> 00:22:47,074  
And starve her.

387

00:22:50,869 --> 00:22:53,080  
That's enough,  
you may take your leave of me.

388  
00:23:00,504 --> 00:23:02,464  
Marcus, Dario, come here.

389  
00:23:03,256 --> 00:23:04,383  
Even beyond our walls,

390  
00:23:04,466 --> 00:23:07,427  
the heretic Sabrina Spellman  
threatens our dominion.

391  
00:23:07,511 --> 00:23:09,721  
So find her. Kill her.

392  
00:23:10,389 --> 00:23:12,057  
And bring me her head.

393  
00:23:17,646 --> 00:23:19,648  
[Roz] Sabrina, is something wrong?

394  
00:23:20,315 --> 00:23:21,483  
You seem...

395  
00:23:22,818 --> 00:23:23,735  
upset.

396  
00:23:27,531 --> 00:23:30,075  
I came to clear the air between us, Roz.

397  
00:23:31,410 --> 00:23:32,953  
About the Harvey of it all.

398  
00:23:33,036 --> 00:23:34,371  
What about Harvey?

399  
00:23:34,454 --> 00:23:35,914  
Let's face facts, Roz.

00:23:36,665 --> 00:23:39,584  
We both know that  
Harvey will always love me.

401  
00:23:40,001 --> 00:23:43,171  
But I don't want us  
to fight over some dumb boy.

402  
00:23:43,255 --> 00:23:44,089  
Who's fighting?

403  
00:23:44,172 --> 00:23:47,217  
The point is, you're my BFF,

404  
00:23:47,801 --> 00:23:49,052  
and no one should ever,

405  
00:23:49,136 --> 00:23:51,972  
ever, ever come between us.

406  
00:23:52,514 --> 00:23:53,473  
Sabrina...

407  
00:23:54,975 --> 00:23:56,351  
[gasps]

408  
00:24:12,159 --> 00:24:13,452  
[gasps]

409  
00:24:13,535 --> 00:24:14,828  
You're not Sabrina.

410  
00:24:18,665 --> 00:24:20,876  
What an awful thing to say.

411  
00:24:20,959 --> 00:24:22,961  
[cracking]

412  
00:24:25,255 --> 00:24:27,257  
[high-pitched screeching]

413

00:24:29,551 --> 00:24:30,427  
[door unlocks]

414  
00:24:33,180 --> 00:24:34,347  
[gasping]

415  
00:24:35,474 --> 00:24:36,600  
Lady Blackwood!

416  
00:24:37,225 --> 00:24:39,060  
Why? Why are you come?

417  
00:24:40,395 --> 00:24:41,938  
I brought you sustenance.

418  
00:24:43,815 --> 00:24:46,234  
And an assurance  
I will get you out of here

419  
00:24:46,318 --> 00:24:47,652  
one way or another.

420  
00:24:47,736 --> 00:24:50,697  
Not all of us subscribe  
to Father Blackwood's draconian gospel.

421  
00:24:50,780 --> 00:24:52,574  
I knew there was a traitor in our midst.

422  
00:24:53,158 --> 00:24:54,326  
Prudence.

423  
00:24:54,409 --> 00:24:57,537  
How fortunate I should find you here  
in the Academy's dungeon.

424  
00:24:57,621 --> 00:25:00,081  
Once I tell Father Blackwood  
of your subterfuge,

425  
00:25:00,165 --> 00:25:02,667  
this is where you'll be spending

the last of your days.

426

00:25:03,043 --> 00:25:04,127  
But don't worry.

427

00:25:04,628 --> 00:25:08,048  
I'll make sure that you have a much more  
comfortable cell than this one.

428

00:25:08,131 --> 00:25:09,466  
Save it for yourself.

429

00:25:10,425 --> 00:25:12,594  
Because the dungeon  
is where we'll all end up.

430

00:25:12,677 --> 00:25:14,012  
Make no mistake of that.

431

00:25:14,095 --> 00:25:16,264  
-I have his name.  
-So do I.

432

00:25:17,432 --> 00:25:20,310  
His only wish is to subjugate us,  
or worse.

433

00:25:20,393 --> 00:25:21,937  
I am a Blackwood by blood.

434

00:25:22,020 --> 00:25:23,313  
As is his daughter Letitia.

435

00:25:23,813 --> 00:25:26,816  
And yet, you helped me hide her.

436

00:25:27,943 --> 00:25:30,403  
Why? I'll tell you.

437

00:25:32,197 --> 00:25:34,157  
You know the truth  
about your father's barbarism,

438

00:25:34,241 --> 00:25:36,117  
even if you choose not to see it now.

439

00:25:39,287 --> 00:25:40,830  
[Theo] So what did you wanna talk about?

440

00:25:40,914 --> 00:25:44,459  
Theo. I came to find you  
because I have a fun idea.

441

00:25:45,585 --> 00:25:47,837  
I've been thinking about your transition.

442

00:25:48,588 --> 00:25:49,673  
Oh. Uh...

443

00:25:50,382 --> 00:25:52,133  
Okay. What have you been thinking?

444

00:25:52,217 --> 00:25:54,844  
How lucky you are to have  
a friend who's a witch.

445

00:25:55,303 --> 00:25:57,847  
Who can use her magic to make you a boy.

446

00:25:57,931 --> 00:25:59,891  
But, uh... I already am a boy.

447

00:25:59,975 --> 00:26:01,726  
No, I mean a real boy.

448

00:26:02,352 --> 00:26:06,565  
Yeah, but Sabrina,  
I already see myself as a real boy.

449

00:26:06,648 --> 00:26:08,441  
But I can change your body.

450

00:26:08,942 --> 00:26:10,318

Uh... I don't...

451

00:26:11,152 --> 00:26:14,114  
I don't need to change my body  
to feel like a boy.

452

00:26:14,489 --> 00:26:17,534  
Theo, only a friend will tell you this.

453

00:26:18,326 --> 00:26:20,120  
You confuse people.

454

00:26:20,829 --> 00:26:24,916  
Everyone's confused why there's a girl  
on the boys' basketball team.

455

00:26:25,875 --> 00:26:28,003  
Why are you saying this if it's not true?

456

00:26:28,503 --> 00:26:30,797  
The guys on the team respect me, and...

457

00:26:30,880 --> 00:26:33,008  
and I would never  
change my body for them.

458

00:26:33,091 --> 00:26:35,051  
If I was gonna do it, I'd do it for me.

459

00:26:35,135 --> 00:26:36,970  
Why won't you let me fix you?

460

00:26:37,053 --> 00:26:38,346  
-Because I'm not broken.  
-[gasps]

461

00:26:38,805 --> 00:26:39,639  
Theo.

462

00:26:40,390 --> 00:26:42,642  
You're being awfully mean.

463  
00:26:43,351 --> 00:26:45,353  
[cracking]

464  
00:26:47,105 --> 00:26:48,440  
[high-pitched screeching]

465  
00:26:52,611 --> 00:26:53,945  
[banging at door]

466  
00:26:55,864 --> 00:26:57,490  
Sabrina, what happened to you?

467  
00:26:57,574 --> 00:26:58,700  
-[sighs]  
-Where have you been?

468  
00:26:58,783 --> 00:27:00,410  
-I just got home.  
-From where?

469  
00:27:00,493 --> 00:27:01,870  
Making a golem out of mud.

470  
00:27:02,120 --> 00:27:04,497  
Ambrose is waiting by Sweetwater River  
to see if it animates.

471  
00:27:04,581 --> 00:27:07,959  
No, no, no. Sabrina, I found something  
that changes everything.

472  
00:27:08,293 --> 00:27:11,046  
Uh... Just, uh, give me five minutes  
to clean up, okay?

473  
00:27:17,594 --> 00:27:18,970  
[creaking]

474  
00:27:19,054 --> 00:27:21,056  
[heavy tread]

475

00:27:27,103 --> 00:27:29,314  
-[door opens]  
-[raspy breathing]

476  
00:27:30,148 --> 00:27:30,982  
Nick?

477  
00:27:31,775 --> 00:27:33,526  
[raspy breathing]

478  
00:27:33,902 --> 00:27:36,863  
Why are you wearing one of my Aunt Zelda's  
sheets? Is this some kind of--

479  
00:27:40,659 --> 00:27:41,660  
You're not Nick.

480  
00:27:42,619 --> 00:27:44,204  
Vade retro maleficus!

481  
00:27:44,746 --> 00:27:46,247  
-[roars]  
-[screams]

482  
00:27:46,790 --> 00:27:48,375  
-[screaming]  
-Sabrina!

483  
00:27:53,380 --> 00:27:55,048  
-[roaring]  
-[screaming]

484  
00:28:09,521 --> 00:28:10,480  
[Sabrina screams]

485  
00:28:12,482 --> 00:28:13,775  
[crunching]

486  
00:28:13,858 --> 00:28:15,485  
[both gasping]

487  
00:28:21,783 --> 00:28:25,286

I tried banishing it,  
but nothing happened.

488

00:28:26,538 --> 00:28:27,622  
It didn't work.

489

00:28:28,623 --> 00:28:29,833  
I didn't work.

490

00:28:30,959 --> 00:28:32,085  
Why not, do you think?

491

00:28:34,295 --> 00:28:35,839  
[sighs] Well...

492

00:28:36,381 --> 00:28:38,133  
Don't be upset, Nick, but...

493

00:28:39,467 --> 00:28:42,637  
[sighs] Ambrose and I performed  
a mandrake ritual last night.

494

00:28:43,722 --> 00:28:45,473  
I didn't think the spell had taken,

495

00:28:46,433 --> 00:28:48,143  
but now that I have no powers,

496

00:28:48,226 --> 00:28:49,060  
I'm thinking it did.

497

00:28:50,061 --> 00:28:52,605  
And now, there's a mandrake double  
of you out there, somewhere.

498

00:28:53,106 --> 00:28:54,107  
Probably.

499

00:28:55,316 --> 00:28:57,444  
-Does that mean that you're, um...  
-Mortal?

500

00:29:01,406 --> 00:29:04,033  
Oh, Sabrina, I begged you not to do it.

501

00:29:04,117 --> 00:29:06,870  
I couldn't let my legacy be  
the destruction of the world.

502

00:29:06,953 --> 00:29:09,372  
Maybe it's selfish of me,  
but I don't care about the world,

503

00:29:09,456 --> 00:29:10,582  
I only care about you.

504

00:29:10,665 --> 00:29:12,375  
Nick, I need you to be strong,

505

00:29:13,042 --> 00:29:16,129  
stronger than you've ever been,  
even if it's just for my sake.

506

00:29:17,589 --> 00:29:18,465  
Right.

507

00:29:19,466 --> 00:29:21,509  
Of course. Sorry. Um...

508

00:29:21,926 --> 00:29:25,138  
I, uh... I couldn't find anything in your  
father's writings about prophecies.

509

00:29:25,221 --> 00:29:28,767  
But then, Cassius hooked me up with  
the Tome of Tomes.

510

00:29:29,517 --> 00:29:31,060  
The Codex Prognostica.

511

00:29:31,144 --> 00:29:34,939  
It's the definitive collection  
of all infernal prophecies ever.

512

00:29:35,023 --> 00:29:36,983

-And?

-I narrowed my search

513

00:29:37,066 --> 00:29:40,403

to prophecies focused  
on women and found an obscure footnote.

514

00:29:40,487 --> 00:29:42,280

A prophecy about a half-shadow girl,

515

00:29:42,363 --> 00:29:44,407

who will precipitate the End of Days by...

516

00:29:44,824 --> 00:29:47,368

performing a series of Satanic perversions

517

00:29:47,452 --> 00:29:50,079

that mock the Nazarene's path on Earth.

518

00:29:50,371 --> 00:29:54,751

Blasphemous versions of the miracles  
Jesus performed in the Bible.

519

00:29:55,084 --> 00:29:57,378

What miracles? Have I done any of them?

520

00:29:57,462 --> 00:29:59,547

Well, there's, uh... an exorcism.

521

00:30:00,131 --> 00:30:03,301

Speak with a loud, clear voice, Sabrina.

522

00:30:03,384 --> 00:30:07,013

Expel Apophis,  
return him to the Dark Lord.

523

00:30:08,014 --> 00:30:09,891

Raising the dead, crossing into limbo.

524

00:30:09,974 --> 00:30:11,267

Recite the words.

525

00:30:11,351 --> 00:30:14,020  
-Redi ad periculum tuum.  
-Sabrina?

526

00:30:16,189 --> 00:30:19,108  
-Restoring eyesight to the blind.  
-Why don't you restore her sight?

527

00:30:19,984 --> 00:30:22,237  
[Roz] I can see. I can see again!

528

00:30:23,738 --> 00:30:25,740  
But I've done all those things.

529

00:30:26,741 --> 00:30:31,204  
Luckily, whatever perversions  
of the Nazarene's life there are left,

530

00:30:31,663 --> 00:30:33,706  
-you haven't done them yet.  
-Wait wait, wait, wait.

531

00:30:33,790 --> 00:30:38,294  
All those miracles,  
I did them all at Ms. Wardwell's behest.

532

00:30:38,753 --> 00:30:40,505  
That must mean  
she knew about the prophecy.

533

00:30:40,588 --> 00:30:42,048  
And tried to get me to fulfill it.

534

00:30:42,131 --> 00:30:44,843  
Then why would Wardwell have told you  
to give up your powers now?

535

00:30:44,926 --> 00:30:47,011  
Because I found out about the prophecy.

536

00:30:47,095 --> 00:30:50,557  
And she knew because I told her  
that I would never see it completed.

537

00:30:50,765 --> 00:30:53,184  
So she suggests I create a Sabrina

538

00:30:53,268 --> 00:30:55,353  
-that would do her dirty work.  
-Huh.

539

00:30:55,436 --> 00:30:57,689  
A Sabrina that would  
bring about the End of Times.

540

00:30:57,772 --> 00:31:00,900  
And meanwhile,  
assuming that this rib is hers,

541

00:31:01,693 --> 00:31:03,152  
she sends a scarecrow to kill you?

542

00:31:03,486 --> 00:31:05,822  
It's Wardwell, Nick.

543

00:31:07,115 --> 00:31:10,118  
It's been Wardwell pulling the strings  
this whole time.

544

00:31:14,539 --> 00:31:16,541  
Sabrina. Nicholas.

545

00:31:17,417 --> 00:31:20,086  
-Please come in.  
-Drop the act, Wardwell.

546

00:31:20,503 --> 00:31:22,338  
Whatever do you mean, Sabrina?

547

00:31:22,422 --> 00:31:24,007  
Jesse Putnam's exorcism.

548

00:31:24,799 --> 00:31:25,967  
Resurrecting Tommy.

549

00:31:26,050 --> 00:31:27,594  
Going to limbo.

550

00:31:27,677 --> 00:31:29,929  
Signing my name in the Book of the Beast.

551

00:31:30,013 --> 00:31:33,266  
Conjuring hellfire to defeat  
the Greendale Thirteen.

552

00:31:33,808 --> 00:31:37,353  
I did those things with you  
whispering in my ear.

553

00:31:37,687 --> 00:31:40,189  
You have been leading me  
down the Path of Darkness.

554

00:31:40,523 --> 00:31:42,233  
All in the name of some prophecy.

555

00:31:42,317 --> 00:31:43,568  
Sabrina, listen to me.

556

00:31:43,651 --> 00:31:47,614  
Whose bidding are you doing?  
My father's? The Dark Lord's?

557

00:31:47,697 --> 00:31:48,990  
-Your own?  
-Don't be ridic--

558

00:31:49,073 --> 00:31:50,909  
-[creaking]  
-Abi in malem cursem.

559

00:31:51,784 --> 00:31:53,328  
Abi in malem cursem.

560

00:31:53,786 --> 00:31:55,747  
-Abi in malem cursem.  
-Is that--

561  
00:31:55,830 --> 00:31:59,208  
The rib you were using to control  
the scarecrow who tried to kill me?

562  
00:31:59,709 --> 00:32:01,127  
Why, yes, it is.

563  
00:32:01,419 --> 00:32:03,254  
Your manipulations are over.

564  
00:32:03,671 --> 00:32:06,925  
So why don't you go ahead and tell me  
where you're keeping my doppelgänger,

565  
00:32:07,008 --> 00:32:10,553  
-so I can end this once and for all?  
-I don't know what you're talking about.

566  
00:32:10,637 --> 00:32:13,640  
So you didn't suggest  
I create a mandrake of myself,

567  
00:32:13,723 --> 00:32:15,558  
so you could control it and kill me?

568  
00:32:16,392 --> 00:32:17,226  
Where is it?

569  
00:32:17,310 --> 00:32:21,105  
I don't know if it even exists.  
I haven't seen it, I swear.

570  
00:32:21,189 --> 00:32:23,775  
What do you think, Sabrina?  
Should we trust her?

571  
00:32:24,609 --> 00:32:25,485  
Like Hell.

572

00:32:26,194 --> 00:32:28,071  
Keep her bound until I come back.

573

00:32:29,906 --> 00:32:32,533  
-Where are you going?  
-I'm going to find and kill my double.

574

00:32:33,785 --> 00:32:35,536  
And then I'll be back to kill you.

575

00:32:37,413 --> 00:32:38,790  
-Sabrina, wait.  
-[crunching]

576

00:32:44,003 --> 00:32:45,713  
[gasps]

577

00:32:55,390 --> 00:32:57,225  
Hello? Who's there?

578

00:32:57,684 --> 00:32:59,185  
Hello there, Sabrina.

579

00:32:59,936 --> 00:33:02,105  
Hello. Do I know you?

580

00:33:02,772 --> 00:33:04,816  
We speak for Faustus Blackwood.

581

00:33:05,692 --> 00:33:08,027  
-Where are you going?  
-To check on my friends.

582

00:33:08,111 --> 00:33:09,404  
You don't have any friends.

583

00:33:10,238 --> 00:33:13,199  
You're too much of a loud-mouthed bitch  
to have friends.

584

00:33:13,866 --> 00:33:15,702

I don't like your tone much.

585

00:33:15,785 --> 00:33:18,204  
Don't worry. We'll make this quick.

586

00:33:18,913 --> 00:33:19,914  
Do it.

587

00:33:19,998 --> 00:33:21,666  
And save her head for Blackwood.

588

00:33:21,749 --> 00:33:23,751  
[boys grunting]

589

00:33:25,712 --> 00:33:28,131  
What? What is she doing?

590

00:33:31,175 --> 00:33:33,803  
Why can't people just be nice to me?

591

00:33:33,886 --> 00:33:35,847  
Let us go, you crazy whore.

592

00:33:35,930 --> 00:33:37,140  
Oh.

593

00:33:37,223 --> 00:33:40,018  
You're very nasty boys.

594

00:33:40,101 --> 00:33:41,227  
[cracking]

595

00:33:48,317 --> 00:33:49,193  
[hums]

596

00:33:50,528 --> 00:33:52,113  
[woman, echoing] Wake up, Theo.

597

00:33:52,196 --> 00:33:54,699  
Quickly, boy. You must kill them.

598  
00:34:02,331 --> 00:34:04,083  
[gasping]

599  
00:34:05,460 --> 00:34:07,003  
[squelching]

600  
00:34:12,759 --> 00:34:14,510  
-[snapping]  
-[yells]

601  
00:34:16,596 --> 00:34:18,598  
[gurgling]

602  
00:34:20,058 --> 00:34:20,975  
Crap.

603  
00:34:48,252 --> 00:34:49,378  
Sorry, Harvey.

604  
00:34:52,048 --> 00:34:53,549  
[gasping]

605  
00:35:09,816 --> 00:35:11,818  
-[squelching]  
-[screams]

606  
00:35:23,579 --> 00:35:25,164  
Roz? Harvey? Wake up.

607  
00:35:26,582 --> 00:35:27,792  
Roz, wake up!

608  
00:35:29,418 --> 00:35:30,920  
-Where am I?  
-Harvey, wake up!

609  
00:35:32,880 --> 00:35:34,632  
-Theo?  
-Hey.

610  
00:35:35,091 --> 00:35:37,260

-What's going on?  
-She was turning us into them.

611  
00:35:43,224 --> 00:35:45,226  
[sighs] How are you doing?

612  
00:35:46,060 --> 00:35:48,396  
-I don't understand.  
-It was... It was Sabrina.

613  
00:35:48,479 --> 00:35:50,189  
She... She did something to us.

614  
00:35:50,273 --> 00:35:52,066  
-She was trying to duplicate us.  
-No.

615  
00:35:52,150 --> 00:35:54,902  
-But don't worry, I killed them.  
-It's not Sabrina. It's something else.

616  
00:35:54,986 --> 00:35:57,572  
I saw it in one of my visions.  
Like... Like a twin.

617  
00:35:57,989 --> 00:35:58,906  
Guys.

618  
00:35:58,990 --> 00:36:00,783  
[high-pitched shrieking]

619  
00:36:03,744 --> 00:36:06,372  
You murdered my friends?

620  
00:36:06,706 --> 00:36:08,624  
Run. Run! Go!

621  
00:36:21,512 --> 00:36:23,514  
[sobbing]

622  
00:36:23,598 --> 00:36:25,183  
[wailing]

623

00:36:30,688 --> 00:36:31,772

Oh!

624

00:36:31,856 --> 00:36:33,357

Cookies. Splendid.

625

00:36:35,401 --> 00:36:37,111

Well, they're stale, anyway.

626

00:36:37,445 --> 00:36:40,448

Still more than you deserve  
after the dressing down you gave me.

627

00:36:41,032 --> 00:36:43,201

Ah. I apologize, Sister.

628

00:36:43,743 --> 00:36:45,536

That was for the sake of the Council.

629

00:36:45,912 --> 00:36:48,122

-Hm?

-Oh, I had to play my part.

630

00:36:48,497 --> 00:36:51,292

Appear impartial and severe.

631

00:36:51,667 --> 00:36:52,960

So, tell me, Hilda.

632

00:36:53,044 --> 00:36:57,423

Do you truly wish  
to bring your High Priest to his knees?

633

00:36:57,882 --> 00:36:59,759

S-- Er, yeah. Of...

634

00:36:59,842 --> 00:37:01,177

Well, of course I-- Yes!

635

00:37:01,260 --> 00:37:02,970

-[both chuckle]

-Well!

636

00:37:03,346 --> 00:37:05,306  
I'll see if I can persuade the Council.

637

00:37:06,224 --> 00:37:07,475  
Well, thanks.

638

00:37:07,558 --> 00:37:09,644  
-Er...  
-But first, before that...

639

00:37:11,020 --> 00:37:12,563  
you must show me how...

640

00:37:12,647 --> 00:37:15,900  
how passionately  
you desire Father Blackwood's demise.

641

00:37:23,616 --> 00:37:25,785  
How may I be of service, husband?

642

00:37:33,042 --> 00:37:33,918  
Leticia!

643

00:37:35,753 --> 00:37:36,587  
No!

644

00:37:36,671 --> 00:37:37,505  
Traitor.

645

00:37:38,839 --> 00:37:39,715  
Villain.

646

00:37:40,591 --> 00:37:43,177  
How long has the Caligari spell  
been broken?

647

00:37:43,261 --> 00:37:45,304  
-Faustus.  
-You lied to me, Zelda.

648

00:37:46,389 --> 00:37:48,891  
You said Baby Judas had consumed his twin.

649

00:37:48,975 --> 00:37:50,601  
Please, just give me the babe.

650

00:37:50,685 --> 00:37:52,311  
You stole my daughter

651

00:37:53,104 --> 00:37:55,690  
and left her to be raised by a wood-witch?

652

00:37:55,773 --> 00:37:57,024  
You foolish child.

653

00:37:57,650 --> 00:37:59,193  
What have you done? She is your sister.

654

00:37:59,277 --> 00:38:00,695  
And he is our father.

655

00:38:05,283 --> 00:38:07,076  
-Father.  
-Prudence is your daughter.

656

00:38:07,159 --> 00:38:09,161  
She is your blood. Let me and Leticia go,

657

00:38:09,245 --> 00:38:10,997  
-and I promise not to spill it.  
-[whimpers]

658

00:38:14,458 --> 00:38:15,626  
[Leticia cries]

659

00:38:18,504 --> 00:38:21,090  
Do what you must.  
I have another daughter here.

660

00:38:22,925 --> 00:38:26,470

But you will not be leaving the Academy  
with Leticia.

661

00:38:27,638 --> 00:38:29,348  
Or alone, for that matter.

662

00:38:41,944 --> 00:38:42,820  
Boys.

663

00:38:48,784 --> 00:38:50,077  
[Father Blackwood sighs]

664

00:38:51,620 --> 00:38:52,997  
[insects chirping]

665

00:38:53,372 --> 00:38:54,206  
[whimpering]

666

00:38:54,665 --> 00:38:55,499  
[sighs]

667

00:38:55,583 --> 00:38:57,626  
Sabrina, what is-- what's going on?

668

00:38:59,128 --> 00:39:00,504  
It's my friends.

669

00:39:01,380 --> 00:39:02,256  
They're all dead.

670

00:39:02,798 --> 00:39:04,884  
[gasps] Oh. What happened?

671

00:39:06,093 --> 00:39:08,429  
Harvey, Rosalind, and Theo.

672

00:39:09,138 --> 00:39:11,891  
Their heads were smashed in.

673

00:39:12,350 --> 00:39:13,934  
Their bodies pulped.

674

00:39:14,518 --> 00:39:18,022  
The ground was soaked in their fluid.

675

00:39:18,105 --> 00:39:20,066  
Sabrina, you're not making any sense.

676

00:39:20,149 --> 00:39:21,901  
They were so beautiful.

677

00:39:23,486 --> 00:39:25,905  
Why would anyone kill those poor souls?

678

00:39:26,906 --> 00:39:28,449  
They were going to love me.

679

00:39:29,492 --> 00:39:31,452  
-We would have grown up together.  
-Hm...

680

00:39:32,203 --> 00:39:34,330  
I just wanted them to love me.

681

00:39:35,122 --> 00:39:37,416  
[gasps] You love me, don't you?

682

00:39:37,500 --> 00:39:41,420  
Of course I do. But, erm,  
perhaps you should lie down and rest?

683

00:39:41,712 --> 00:39:43,297  
Can I sit on your lap?

684

00:39:43,798 --> 00:39:45,091  
Sabrina, you're not yourself.

685

00:39:45,174 --> 00:39:49,053  
Won't you hold me?  
And rock me? And comfort me?

686

00:39:49,136 --> 00:39:49,970

[door opens]

687

00:39:50,054 --> 00:39:52,264  
Please, Cousin, don't say no to me.

688

00:39:52,348 --> 00:39:53,474  
[door closes]

689

00:39:55,101 --> 00:39:57,645  
I don't know what I'll do  
if you reject me, too.

690

00:39:58,062 --> 00:40:01,023  
Ambrose, stay away from that imposter.

691

00:40:04,693 --> 00:40:06,654  
Er... Wait, it worked?

692

00:40:07,321 --> 00:40:09,740  
-Is she the mandrake?  
-I'm the one true Sabrina.

693

00:40:10,699 --> 00:40:14,787  
The one with the sacred magics  
handed down by our ancestors.

694

00:40:16,622 --> 00:40:19,667  
She's just a pathetic, powerless mortal.

695

00:40:21,127 --> 00:40:21,961  
Kill her.

696

00:40:23,671 --> 00:40:25,256  
I should've done it myself,

697

00:40:26,424 --> 00:40:27,258  
but I felt...

698

00:40:28,300 --> 00:40:29,260  
What?

699

00:40:29,343 --> 00:40:31,887  
Pity, I suppose.

700  
00:40:33,097 --> 00:40:36,475  
Cousin, please, if you love me, kill her.

701  
00:40:36,559 --> 00:40:39,937  
If you knew Ambrose,  
you'd know he'd never hurt me.

702  
00:40:40,020 --> 00:40:42,398  
-[creaking]  
-Now, now!

703  
00:40:42,481 --> 00:40:43,399  
Sabrinas.

704  
00:40:44,608 --> 00:40:46,444  
There's only one way to settle this.

705  
00:40:46,861 --> 00:40:49,864  
The evolved way would be  
to be fair and square.

706  
00:40:50,364 --> 00:40:54,160  
Hm? How easily you could kill her with  
your magics. But where is honor in that?

707  
00:40:54,243 --> 00:40:57,288  
And we Spellmans  
are witches of honor, are we not?

708  
00:40:57,830 --> 00:40:58,664  
Yes!

709  
00:41:00,833 --> 00:41:01,876  
Then what do you suggest?

710  
00:41:03,335 --> 00:41:05,129  
We level the playing field, Cousin.

711  
00:41:05,212 --> 00:41:07,047

And I call upon witch law.

712

00:41:07,131 --> 00:41:10,134  
What happens when there is a conflict  
between two witches

713

00:41:10,217 --> 00:41:12,761  
and one of them is far more powerful  
than the other?

714

00:41:13,387 --> 00:41:17,933  
To settle the matter, we enter into  
an old-fashioned duel with pistols.

715

00:41:18,017 --> 00:41:22,021  
A very gentlewomanly agreement  
with a very quick verdict.

716

00:41:22,104 --> 00:41:26,775  
Let she with the quickest hand determine  
which of ye be worthy of living.

717

00:41:26,859 --> 00:41:28,986  
I've never heard of such witch law.

718

00:41:29,069 --> 00:41:31,572  
Cousin Ambrose is always  
teaching me new things.

719

00:41:32,114 --> 00:41:36,327  
And besides, this seems like a dignified,  
honorable end for one of us.

720

00:41:37,244 --> 00:41:38,496  
Unless you're not honorable?

721

00:41:38,579 --> 00:41:39,455  
I am.

722

00:41:40,873 --> 00:41:43,000  
I understand these rules of honor.

723

00:41:43,375 --> 00:41:45,503  
So then, I challenge you, mortal,

724  
00:41:46,420 --> 00:41:47,338  
to a duel.

725  
00:41:48,506 --> 00:41:49,590  
Do you accept?

726  
00:41:51,550 --> 00:41:52,718  
Accepted.

727  
00:41:52,801 --> 00:41:55,179  
I'll see you tonight  
at the witching hour, then.

728  
00:41:56,222 --> 00:41:58,015  
At the place where we were born.

729  
00:42:18,452 --> 00:42:19,787  
Forgive me, father, but...

730  
00:42:20,371 --> 00:42:22,373  
what are your plans

731  
00:42:23,541 --> 00:42:24,500  
for baby Letitia?

732  
00:42:24,959 --> 00:42:28,003  
Well, first, to rename her Judith.

733  
00:42:29,964 --> 00:42:33,884  
Baby Judith's twin birth  
has destined her for greatness.

734  
00:42:35,427 --> 00:42:37,304  
Your sister will have  
the best of everything.

735  
00:42:37,846 --> 00:42:40,516  
Her own establishment, private tutors.

736

00:42:40,766 --> 00:42:43,894  
And, upon her 16th birthday  
at her Dark Baptism,

737

00:42:44,645 --> 00:42:47,731  
to perpetuate and purify  
the Blackwood bloodline,

738

00:42:49,483 --> 00:42:50,818  
she will be espoused...

739

00:42:52,570 --> 00:42:54,989  
to her brother Judas.

740

00:43:00,077 --> 00:43:02,955  
[Sabrina] A duel?  
That seems so unwitchlike.

741

00:43:03,372 --> 00:43:04,206  
Hm.

742

00:43:04,290 --> 00:43:05,833  
Are we having buyer's remorse?

743

00:43:06,625 --> 00:43:07,501  
Not a bit.

744

00:43:08,586 --> 00:43:09,837  
You're a terrible liar, Sabrina.

745

00:43:09,920 --> 00:43:11,964  
-Just wait till you get your first cold.  
-[sighs]

746

00:43:12,047 --> 00:43:13,340  
Then you'll be sorry.

747

00:43:13,424 --> 00:43:16,343  
Ambrose, can you please not make this  
any harder than it already is?

748

00:43:16,427 --> 00:43:19,555  
My apologies,  
but it'll only get harder from here.

749  
00:43:20,389 --> 00:43:24,018  
Once you kill the mandrake,  
you'll never get your witch powers back.

750  
00:43:24,727 --> 00:43:26,103  
Is there any other way?

751  
00:43:26,979 --> 00:43:28,063  
To stop the prophecy?

752  
00:43:29,273 --> 00:43:30,941  
Not that I can think of, alas.

753  
00:43:32,151 --> 00:43:33,152  
Will it hurt her?

754  
00:43:35,237 --> 00:43:36,071  
The mandrake?

755  
00:43:36,780 --> 00:43:37,740  
Er...

756  
00:43:38,490 --> 00:43:40,659  
Well, it is a vegetable.

757  
00:43:41,493 --> 00:43:42,786  
But it is also you.

758  
00:43:43,162 --> 00:43:46,498  
It has all your thoughts, wants and needs.

759  
00:43:47,082 --> 00:43:48,751  
To exist, to be loved.

760  
00:43:49,710 --> 00:43:52,463  
But it is different from you  
in one fundamental way.

761  
00:43:53,881 --> 00:43:54,965  
It's like a newborn.

762  
00:43:56,425 --> 00:43:58,427  
Which means that  
it hasn't yet learned things like--

763  
00:43:58,510 --> 00:43:59,678  
Strategy.

764  
00:43:59,762 --> 00:44:00,638  
Precisely.

765  
00:44:03,265 --> 00:44:04,266  
[Ambrose sighs]

766  
00:44:04,350 --> 00:44:05,768  
[Theo] No answer at Sabrina's.

767  
00:44:06,977 --> 00:44:07,936  
Try again in a bit.

768  
00:44:11,690 --> 00:44:13,400  
I'm never gonna eat  
another vegetable again.

769  
00:44:13,484 --> 00:44:14,985  
Like you ate vegetables before?

770  
00:44:16,570 --> 00:44:17,863  
[Harvey sighs]

771  
00:44:18,238 --> 00:44:21,533  
Harvey, I should've said this before,

772  
00:44:22,451 --> 00:44:24,703  
when we were walking home  
from Dr. Cerberus's.

773  
00:44:26,080 --> 00:44:28,123  
But I don't wanna die

without saying it back.

774

00:44:29,041 --> 00:44:29,875  
Roz...

775

00:44:31,210 --> 00:44:32,211  
I love you, too.

776

00:44:50,813 --> 00:44:52,564  
[sighs] Sister Zelda, you have to hurry.

777

00:44:52,648 --> 00:44:53,982  
Prudence, what are you doing now?

778

00:44:54,066 --> 00:44:55,317  
Setting you free.

779

00:44:57,820 --> 00:44:59,571  
You were right about my father.

780

00:44:59,822 --> 00:45:00,781  
Hideous, isn't he?

781

00:45:04,576 --> 00:45:07,371  
Come with me.  
We'll give you asylum at the mortuary.

782

00:45:07,454 --> 00:45:09,581  
-I can't leave my sisters.  
-Bring Leticia.

783

00:45:09,665 --> 00:45:12,960  
And Dorcas? And Agatha?  
If I don't protect them, who will?

784

00:45:14,002 --> 00:45:17,548  
And the others? I--  
I won't leave the coven behind.

785

00:45:19,258 --> 00:45:22,136  
I'll go to the Council.  
They'll help us end this lunacy.

786

00:45:28,892 --> 00:45:31,687  
You can't stop the prophecy.  
You know that, don't you?

787

00:45:32,521 --> 00:45:35,357  
Sour grapes that we're dashing  
your hopes for an apocalypse?

788

00:45:35,941 --> 00:45:39,653  
I don't care if the world ends,  
one way or the other.

789

00:45:39,737 --> 00:45:40,863  
That's not my interest.

790

00:45:40,946 --> 00:45:42,614  
I'll survive, either way.

791

00:45:43,532 --> 00:45:48,495  
I am curious. How did you piece together  
the daisy-chain of Satanic miracles?

792

00:45:48,746 --> 00:45:51,331  
I read about the prophecy  
in the Codex Prognostica.

793

00:45:52,082 --> 00:45:53,625  
There's an entry about Sabrina?

794

00:45:53,876 --> 00:45:54,835  
A footnote.

795

00:45:56,503 --> 00:45:57,755  
About a shadow girl.

796

00:45:59,465 --> 00:46:01,341  
What does it say about Sabrina?

797

00:46:01,425 --> 00:46:02,551  
Don't you know the prophecy?

798

00:46:02,634 --> 00:46:04,595  
Of course I do,  
I just didn't know anyone else did.

799

00:46:04,678 --> 00:46:07,890  
Why don't you read it to me, Mr. Scratch?

800

00:46:18,817 --> 00:46:19,777  
[sighs]

801

00:46:19,860 --> 00:46:23,572  
"And a half-shadow girl  
shall be born of witch and mortal.

802

00:46:24,448 --> 00:46:28,952  
And in mockery of the Nazarene, she shall  
perform Satanic miracles and profane acts.

803

00:46:29,495 --> 00:46:31,663  
Her final perversion  
will allow the Dark Lord

804

00:46:31,747 --> 00:46:33,332  
to return to Earth in His true form

805

00:46:33,415 --> 00:46:37,211  
and open the Gates of Hell and  
enslave the tribes of witch and mortal."

806

00:46:39,838 --> 00:46:40,923  
But don't worry.

807

00:46:45,511 --> 00:46:46,804  
That's not gonna happen.

808

00:46:48,430 --> 00:46:51,141  
You see, once Sabrina  
finds and kills the mandrake,

809

00:46:51,517 --> 00:46:53,685  
she'll stop it from performing  
the last perversion.

810  
00:46:53,769 --> 00:46:55,187  
[laughs] Oh, I--

811  
00:46:56,230 --> 00:47:00,108  
My dear boy,  
that's exactly what she'll be doing.

812  
00:47:00,859 --> 00:47:02,694  
Enacting the final perversion.

813  
00:47:03,278 --> 00:47:06,198  
-What do you mean?  
-What was the Nazarene's last act?

814  
00:47:06,657 --> 00:47:08,075  
He sacrificed himself.

815  
00:47:08,617 --> 00:47:11,245  
And what is the ultimate perversion  
of a sacrifice?

816  
00:47:13,997 --> 00:47:14,873  
Suicide.

817  
00:47:15,874 --> 00:47:17,334  
Unholy shit.

818  
00:47:17,417 --> 00:47:20,045  
You can't beat the Dark Lord at this game.

819  
00:47:20,587 --> 00:47:21,421  
There's more.

820  
00:47:22,422 --> 00:47:24,383  
-More?  
-To the prophecy.

821  
00:47:25,259 --> 00:47:28,971  
"And once He walks on Earth,  
the girl will rule at His side,

822

00:47:29,930 --> 00:47:31,640  
and the new Dawn will begin."

823

00:47:35,018 --> 00:47:36,895  
The girl will rule at His side.

824

00:47:39,773 --> 00:47:42,693  
Once Sabrina ascends, I'll--

825

00:47:43,944 --> 00:47:45,028  
[gasps]

826

00:47:46,071 --> 00:47:49,908  
Mr. Scratch, we must stop Sabrina  
before she dooms us all.

827

00:47:52,077 --> 00:47:53,245  
[yells] Now!

828

00:47:54,162 --> 00:47:55,122  
Hilda?

829

00:47:56,415 --> 00:47:58,166  
Sabrina? Ambrose?

830

00:47:58,250 --> 00:48:00,586  
Zelds? You're back. Oh. You all right?

831

00:48:00,669 --> 00:48:03,672  
Oh, Hilda, Father Blackwood  
has utterly lost his mind.

832

00:48:03,755 --> 00:48:05,173  
We must convene the Council at once.

833

00:48:05,507 --> 00:48:07,301  
Mm. Oh. About that.

834

00:48:08,635 --> 00:48:09,678  
Funny story.

835  
00:48:12,973 --> 00:48:13,807  
Hilda...

836  
00:48:15,392 --> 00:48:16,685  
you killed Methuselah?

837  
00:48:17,811 --> 00:48:18,896  
He got, erm...

838  
00:48:19,605 --> 00:48:20,606  
a bit handsy.

839  
00:48:21,607 --> 00:48:23,108  
-Methuselah did?  
-Mm-hm.

840  
00:48:23,525 --> 00:48:24,526  
[Zelda sighs]

841  
00:48:25,402 --> 00:48:28,280  
The Council will demand  
blood atonement for this, Hilda.

842  
00:48:29,615 --> 00:48:32,492  
And poor Prudence,  
she's on her own in there!

843  
00:48:33,160 --> 00:48:35,329  
Alone against Blackwood.

844  
00:48:37,372 --> 00:48:38,957  
[church bell rings]

845  
00:48:39,791 --> 00:48:40,751  
Sabrina.

846  
00:48:43,670 --> 00:48:45,339  
-You're here.  
-Sabrina.

847  
00:48:45,923 --> 00:48:46,757

You came.

848

00:48:47,132 --> 00:48:49,509

-Did you bring the weapons?

-[Sabrina] Yes.

849

00:48:50,719 --> 00:48:54,181

[sighs] And there's no other way  
this can play out?

850

00:48:55,307 --> 00:48:56,516

I wish there were.

851

00:48:57,351 --> 00:48:58,727

For both our sakes.

852

00:49:02,981 --> 00:49:04,441

[Ambrose] The rules are this.

853

00:49:05,525 --> 00:49:07,444

You'll turn your backs to one another,

854

00:49:08,070 --> 00:49:09,154

count ten paces.

855

00:49:10,656 --> 00:49:13,033

On ten, turn, shoot.

856

00:49:19,581 --> 00:49:20,958

May the best Sabrina win.

857

00:49:25,712 --> 00:49:26,672

One.

858

00:49:27,923 --> 00:49:28,840

Two.

859

00:49:30,300 --> 00:49:31,134

Three.

860

00:49:32,469 --> 00:49:33,303

Four.

861

00:49:34,513 --> 00:49:35,347

Five.

862

00:49:36,932 --> 00:49:37,766

Six.

863

00:49:38,517 --> 00:49:39,434

Seven.

864

00:49:40,477 --> 00:49:41,311

Eight.

865

00:49:42,396 --> 00:49:43,397

Nine.

866

00:49:43,897 --> 00:49:44,982

[gasps]

867

00:49:58,954 --> 00:50:00,205

You shot early.

868

00:50:01,498 --> 00:50:02,833

That's not fair.

869

00:50:06,795 --> 00:50:07,671

No.

870

00:50:09,798 --> 00:50:11,049

No, it's not.

871

00:50:17,848 --> 00:50:20,308

[sighs] I-- I-- It's okay.

872

00:50:22,811 --> 00:50:25,063

It's gonna be okay. It's going to be okay.

873

00:50:25,313 --> 00:50:27,065

Shh. Don't be scared.

874  
00:50:31,403 --> 00:50:32,446  
I'm so sorry.

875  
00:50:34,448 --> 00:50:35,365  
I'm here.

876  
00:50:36,033 --> 00:50:37,367  
Holding your hand.

877  
00:51:01,099 --> 00:51:02,559  
It was a mercy killing.

878  
00:51:03,393 --> 00:51:04,478  
It had to be done.

879  
00:51:07,314 --> 00:51:09,441  
For all we know, it might have...

880  
00:51:10,317 --> 00:51:12,235  
stopped the Apocalypse from happening.

881  
00:51:17,532 --> 00:51:18,575  
Sabrina!

882  
00:51:20,869 --> 00:51:22,370  
Nick. Ms. Wardwell.

883  
00:51:23,330 --> 00:51:24,164  
It's over.

884  
00:51:24,998 --> 00:51:27,876  
Sabrina, that was the last step...

885  
00:51:29,711 --> 00:51:31,046  
to complete the prophecy.

886  
00:51:32,047 --> 00:51:33,465  
Killing yourself.

887  
00:51:34,591 --> 00:51:36,051

It was the final perversion.

888

00:51:36,885 --> 00:51:38,345  
-[rumbling]  
-What are you saying?

889

00:51:38,804 --> 00:51:40,555  
[thunderclap]

890

00:51:45,685 --> 00:51:47,604  
The prophecy is being fulfilled.

891

00:51:48,688 --> 00:51:50,482  
The End of Days is upon us.

892

00:51:50,816 --> 00:51:54,277  
The Dark Lord will walk the Earth  
in His true form.

893

00:51:54,986 --> 00:51:56,988  
The Gates of Hell will open.

894

00:51:58,115 --> 00:52:01,243  
And you will sit by His side and rule...

895

00:52:03,954 --> 00:52:05,163  
as His Queen.

896

00:52:05,247 --> 00:52:06,581  
[thunder crashing]

897

00:53:17,319 --> 00:53:18,737  
[man] Greg, move your head!
