

# THE RAIN

**CREATED BY**

Jannik Tai Mosholt, Christian Potalivo, Esben Toft Jacobsen

**EPISODE 2.05**

**"Keep It Together"**

Plagued by frightening visions, Rasmus takes his fate into his own hands. Sarah's health worsens. Jean and Lea share a tender moment.

**WRITTEN BY:**

**MAIN EPISODE CAST**

Alba August	...	Simone
Lucas Lynggaard Tønnesen	...	Rasmus
Mikkel Boe Følsgaard	...	Martin
Lukas Løkken	...	Patrick
Jessica Dinnage	...	Lea
Sonny Lindberg	...	Jean
Natalie Madueño	...	Fie
Clara Rosager	...	Sarah
Evin Ahmad	...	Kira
Johannes Bah Kuhnke	...	Sten
Lars Simonsen	...	Frederik
Bertil de Lorenzi	...	Young Rasmus
Josephine Park	...	Kamilla
Ellaha Lack	...	Petra

1

00:00:14,725 --> 00:00:16,965  
We need to get started  
on the cure right away.

2

00:00:17,045 --> 00:00:18,525  
What the hell?

3

00:00:21,805 --> 00:00:25,005  
-Lea? What happened?  
-They were here.

4

00:00:25,085 --> 00:00:28,245  
-Who?  
-The Strangers. And now they're dead.

5

00:00:30,485 --> 00:00:34,405  
Okay, they're bound to come back.  
We need to get started.

6

00:00:34,485 --> 00:00:36,125  
Rasmus needs to rest.

7

00:00:37,405 --> 00:00:39,405  
We don't know what it'll do to him.

8

00:00:39,925 --> 00:00:41,285  
It will cure him.

9

00:00:44,605 --> 00:00:46,925  
How are you feeling? You're burning up.

10

00:00:49,045 --> 00:00:50,005  
Come on.

11

00:00:51,725 --> 00:00:52,805  
Are you okay, Sarah?

12

00:00:54,765 --> 00:00:55,845  
Come on.

13

00:00:59,165 --> 00:01:00,045

Come on.

14

00:01:20,805 --> 00:01:22,125  
Don't do it.

15

00:01:32,485 --> 00:01:34,285  
It's a fucking miracle.

16

00:01:35,125 --> 00:01:37,805  
Remember what he's been through.  
He's still weak.

17

00:01:37,885 --> 00:01:40,965  
Frederik, try to understand  
what this means.

18

00:01:41,045 --> 00:01:43,885  
For the entire world.  
He's going to save all of us.

19

00:01:59,725 --> 00:02:00,765  
Rasmus...

20

00:02:00,845 --> 00:02:03,805  
I know you're awake and that you heard us.

21

00:02:09,165 --> 00:02:10,765  
Dad says I'm weak.

22

00:02:11,365 --> 00:02:12,445  
No, you're not.

23

00:02:13,125 --> 00:02:15,405  
Your dad's afraid of his own creation.

24

00:02:16,565 --> 00:02:19,165  
But that's because  
he doesn't know what you are.

25

00:02:19,245 --> 00:02:20,445  
A miracle.

26

00:02:21,685 --> 00:02:23,725  
You can save all of mankind.

27

00:02:24,485 --> 00:02:28,685  
With each passing day,  
you will grow more and more powerful,

28

00:02:29,605 --> 00:02:33,725  
and one day, you will begin  
to realize your true potential.

29

00:03:29,605 --> 00:03:31,845  
-Are we ready?  
-Soon.

30

00:03:32,405 --> 00:03:35,085  
Fie is checking the results  
to make sure they're correct.

31

00:03:36,405 --> 00:03:38,885  
Okay. Do you know how it will work?

32

00:03:41,405 --> 00:03:42,845  
Not one hundred percent.

33

00:03:45,285 --> 00:03:46,525  
I want to do it.

34

00:03:52,765 --> 00:03:54,245  
I just want to be normal.

35

00:03:57,765 --> 00:03:59,125  
I know what I'm doing.

36

00:04:02,005 --> 00:04:04,565  
What if it goes wrong?  
What if something happens?

37

00:04:05,005 --> 00:04:09,325  
-I'm supposed to protect you.  
-What if I'm old enough to protect myself?

38

00:04:11,285 --> 00:04:14,965  
-You can't even tie your own shoelaces.  
-No, but I don't have to.

39

00:04:15,485 --> 00:04:16,565  
Shut up.

40

00:04:18,365 --> 00:04:21,725  
Maybe if you stopped  
taking it upon yourself all the time,

41

00:04:22,645 --> 00:04:25,485  
I could start making my own decisions.

42

00:04:27,525 --> 00:04:29,245  
-Is this because of her?  
-Who?

43

00:04:30,085 --> 00:04:32,765  
Who? Do you think I'm stupid?

44

00:04:33,325 --> 00:04:34,405  
Sarah.

45

00:04:35,285 --> 00:04:36,285  
No.

46

00:04:37,245 --> 00:04:38,805  
Shut up.

47

00:05:06,205 --> 00:05:07,645  
We don't need a cure.

48

00:05:08,805 --> 00:05:09,925  
It's going to kill us.

49

00:05:11,485 --> 00:05:13,725  
-You're not real.  
-We could kill her.

50

00:05:16,285 --> 00:05:18,285

We have powers she can't comprehend.

51

00:05:19,405 --> 00:05:20,405  
Why let her win?

52

00:05:32,085 --> 00:05:33,005  
Hey.

53

00:05:33,525 --> 00:05:34,445  
Hi.

54

00:05:35,125 --> 00:05:36,965  
-May I?  
-Yes, of course.

55

00:05:46,245 --> 00:05:47,405  
Where's Martin?

56

00:05:49,045 --> 00:05:50,245  
He's gone.

57

00:05:52,205 --> 00:05:53,405  
Patrick is gone too.

58

00:05:55,485 --> 00:05:56,845  
They're not coming back.

59

00:06:02,325 --> 00:06:03,525  
It's not your fault.

60

00:06:12,805 --> 00:06:14,445  
Those who aren't here anymore...

61

00:06:15,965 --> 00:06:17,485  
made the decision to leave.

62

00:06:18,365 --> 00:06:21,565  
They're letting us down.  
Keep that in mind.

63

00:06:23,925 --> 00:06:26,805

She screwed you over, Martin.  
You had no choice.

64

00:06:27,725 --> 00:06:32,365  
Now you feel bad, and that's pathetic.  
That's women for you.

65

00:06:32,445 --> 00:06:36,645  
They crawl into your head  
and piss all over your brain cells--

66

00:06:36,725 --> 00:06:39,445  
Patrick, let's not talk about it.

67

00:06:39,525 --> 00:06:43,045  
-Sure, sure.  
-And then explain to me,

68

00:06:43,925 --> 00:06:46,685  
how do we extract the capsules,  
once we get to Apollon?

69

00:06:47,325 --> 00:06:49,165  
-We...  
-You don't know?

70

00:06:49,245 --> 00:06:52,205  
-But...  
-You know that someone else was able to?

71

00:06:53,645 --> 00:06:54,925  
No.

72

00:06:56,885 --> 00:07:00,525  
So, we know where we're going,  
but not what to do once we're there?

73

00:07:00,605 --> 00:07:02,685  
-Kind of.  
-Okay, great.

74

00:07:02,765 --> 00:07:04,165  
Great plan, Patrick.

75

00:07:04,845 --> 00:07:07,645  
I'm just trying to run  
with what we've got.

76

00:07:07,725 --> 00:07:10,485  
-Do you have a better suggestion?  
-Nope, nothing.

77

00:07:11,125 --> 00:07:13,765  
Then let's get the capsules out  
and get the hell out.

78

00:07:14,205 --> 00:07:15,485  
That's exactly right.

79

00:07:15,565 --> 00:07:18,165  
-That's exactly what we should do!  
-That's exactly it!

80

00:07:22,165 --> 00:07:23,045  
Well?

81

00:07:26,645 --> 00:07:29,325  
You were right.  
There are two controller genes.

82

00:07:29,405 --> 00:07:32,485  
-What does that mean?  
-It means we might have a cure.

83

00:07:38,565 --> 00:07:39,685  
But what?

84

00:07:43,885 --> 00:07:48,045  
He needs to know how dangerous it is,  
and that there is a risk.

85

00:07:48,125 --> 00:07:49,005  
He knows.

86

00:07:49,645 --> 00:07:50,885

And what about you?

87

00:07:53,245 --> 00:07:57,565  
Do you realize that you risk losing him  
and that this treatment is irreversible?

88

00:07:59,845 --> 00:08:00,765  
Fie...

89

00:08:04,685 --> 00:08:06,965  
I have to kill him  
if the cure doesn't work.

90

00:08:07,645 --> 00:08:08,805  
What?

91

00:08:10,365 --> 00:08:13,365  
That's not going to happen.  
This is our chance.

92

00:08:13,445 --> 00:08:16,205  
-Yes, our last chance.  
-So let's make the most of it.

93

00:08:18,725 --> 00:08:20,085  
-Okay?  
-Okay.

94

00:08:36,925 --> 00:08:37,805  
Hi.

95

00:08:41,885 --> 00:08:45,285  
-What are you doing here?  
-I just wanted to check on you.

96

00:08:50,165 --> 00:08:56,365  
Sarah, you do know that all of this...  
I'm doing this so that we can be together.

97

00:08:57,325 --> 00:08:58,725  
If I survive that long.

98

00:09:02,605 --> 00:09:03,685  
Sorry.

99  
00:09:04,765 --> 00:09:05,885  
It's okay.

100  
00:09:11,205 --> 00:09:13,485  
I've started having these visions.

101  
00:09:17,165 --> 00:09:20,485  
-I've started seeing myself as a child.  
-Okay.

102  
00:09:21,285 --> 00:09:23,365  
What does the child version of you say?

103  
00:09:24,085 --> 00:09:26,805  
That I shouldn't be cured.

104  
00:09:29,525 --> 00:09:31,125  
I agree with that.

105  
00:09:32,405 --> 00:09:33,805  
I don't understand.

106  
00:09:33,885 --> 00:09:36,645  
-I'm doing this so that we--  
-So that we can be together?

107  
00:09:38,805 --> 00:09:40,365  
Rasmus, look around you.

108  
00:09:41,125 --> 00:09:43,645  
This shithole of a place...

109  
00:09:44,565 --> 00:09:47,205  
-I'm never getting out of here.  
-Yes, you will.

110  
00:09:47,805 --> 00:09:51,645  
If you stay with me,  
we'll be stuck in a sterile shoebox

111

00:09:51,725 --> 00:09:54,765  
until I die of a simple infection.

112

00:09:54,845 --> 00:09:57,605  
-Why do you say that?  
-Because it's the truth!

113

00:09:57,885 --> 00:10:01,325  
There won't be any more good days.  
Not like this!

114

00:10:05,605 --> 00:10:06,605  
I'm sorry.

115

00:10:06,685 --> 00:10:08,725  
Sarah... you can't touch me!

116

00:10:11,845 --> 00:10:12,845  
Funny, isn't it?

117

00:10:13,365 --> 00:10:16,445  
The thing you want to rid yourself of,  
I wish I had it!

118

00:10:16,525 --> 00:10:19,085  
They will cure me as soon as possible.

119

00:10:19,165 --> 00:10:21,925  
Maybe you don't believe in us,  
but I still do!

120

00:10:28,605 --> 00:10:30,165  
Here you go.

121

00:10:37,805 --> 00:10:39,405  
We can be powerful.

122

00:10:49,245 --> 00:10:50,725  
She wants to destroy us.

123

00:11:12,005 --> 00:11:14,245  
Sorry! I didn't mean to scare you.

124  
00:11:15,405 --> 00:11:16,405  
It's okay.

125  
00:11:17,365 --> 00:11:18,365  
What's up?

126  
00:11:19,845 --> 00:11:21,045  
You're a girl, right?

127  
00:11:22,045 --> 00:11:23,845  
Yes, the last time I checked.

128  
00:11:24,125 --> 00:11:27,765  
-So can I ask you something?  
-How can I, as a girl, help you?

129  
00:11:33,885 --> 00:11:34,965  
What's up?

130  
00:11:39,725 --> 00:11:40,765  
Is it...

131  
00:11:42,285 --> 00:11:43,205  
Is it Lea?

132  
00:11:48,405 --> 00:11:50,205  
You like her and she likes you.

133  
00:11:50,485 --> 00:11:51,405  
Yes.

134  
00:11:53,045 --> 00:11:54,525  
So what's the problem?

135  
00:11:55,365 --> 00:11:57,005  
I'm afraid.

136  
00:11:59,925 --> 00:12:01,365

-Of what?  
-Of losing her.

137  
00:12:04,685 --> 00:12:05,965  
It's silly...

138  
00:12:06,845 --> 00:12:07,805  
Hey...

139  
00:12:08,685 --> 00:12:12,965  
Nothing is going to happen to Lea,  
but it's okay to tell her you are afraid.

140  
00:12:14,445 --> 00:12:17,285  
It's like you and Martin.  
You can't figure it out either.

141  
00:12:17,365 --> 00:12:19,765  
-I think it's different with us.  
-Is it?

142  
00:12:20,965 --> 00:12:22,965  
Something always gets in the way.

143  
00:12:24,965 --> 00:12:25,845  
The virus.

144  
00:12:27,165 --> 00:12:28,485  
The end of the world.

145  
00:12:34,005 --> 00:12:35,325  
I just believed...

146  
00:12:38,965 --> 00:12:40,925  
I just believed we were meant to be.

147  
00:12:42,045 --> 00:12:43,845  
That we were meant to be together.

148  
00:12:45,125 --> 00:12:47,445  
-That's what he promised me.  
-Yes.

149  
00:12:49,925 --> 00:12:51,205  
If he was still here,

150  
00:12:51,965 --> 00:12:53,645  
what would you tell him?

151  
00:12:55,565 --> 00:12:57,965  
I'd tell him he's an idiot.

152  
00:13:00,925 --> 00:13:05,205  
Okay.  
I think I'll tell Lea something else.

153  
00:13:05,285 --> 00:13:07,205  
Yes, I think that's a good idea.

154  
00:13:08,205 --> 00:13:09,485  
Thanks, Simone.

155  
00:13:39,085 --> 00:13:40,205  
Petra!

156  
00:13:46,045 --> 00:13:47,085  
Yes?

157  
00:13:51,125 --> 00:13:52,165  
Food!

158  
00:13:56,685 --> 00:14:00,325  
It's full of black virus.  
Throw it away, damn it.

159  
00:14:00,405 --> 00:14:01,325  
Throw it away!

160  
00:14:14,485 --> 00:14:15,925  
On your feet, now!

161  
00:14:16,365 --> 00:14:18,005  
Get up, get up!

162  
00:14:18,085 --> 00:14:19,485  
You're coming with us.

163  
00:14:20,165 --> 00:14:21,485  
Come on.

164  
00:14:23,405 --> 00:14:24,245  
Come on.

165  
00:14:26,805 --> 00:14:27,965  
-Let's go.  
-Yes.

166  
00:14:28,045 --> 00:14:28,925  
Come on.

167  
00:14:31,645 --> 00:14:33,245  
I'm from Apollon.

168  
00:14:34,005 --> 00:14:36,045  
I know some of you fear that name,

169  
00:14:36,645 --> 00:14:40,445  
but today, we have to  
put aside our differences.

170  
00:14:40,525 --> 00:14:43,685  
I'm here because I need your help.

171  
00:14:44,525 --> 00:14:45,965  
You've all seen it...

172  
00:14:46,445 --> 00:14:49,485  
the virus... that came with the rain.

173  
00:14:49,965 --> 00:14:51,485  
It killed our loved ones.

174  
00:14:52,765 --> 00:14:55,125  
It seemed unstoppable,

175

00:14:55,805 --> 00:15:00,725  
but not far from here, there is a boy  
who holds the key to stopping the virus.

176

00:15:00,805 --> 00:15:05,805  
But he is being kept from us by evil  
forces, which is why I'm standing here.

177

00:15:05,885 --> 00:15:08,445  
I need your help to find the boy.

178

00:15:11,925 --> 00:15:14,485  
The first of you to find this boy...

179

00:15:14,805 --> 00:15:17,245  
the first of you to bring him before us,

180

00:15:17,325 --> 00:15:20,285  
will be allowed to leave the zone.

181

00:15:30,405 --> 00:15:33,725  
We'll find him first, okay?  
We'll be the first.

182

00:15:59,405 --> 00:16:02,245  
What's the first thing you'll do  
after you get out of the zone?

183

00:16:03,525 --> 00:16:05,205  
I'm going to find a clean toilet.

184

00:16:05,845 --> 00:16:10,645  
Then I'll take a huge dump and wipe my ass  
with clean toilet paper and wash my hands.

185

00:16:10,725 --> 00:16:13,125  
-With soap.  
-That's what I'm talking about.

186

00:16:13,205 --> 00:16:15,565  
-It's been on my mind for six years.

-I can tell.

187

00:16:28,725 --> 00:16:29,965  
What about you?

188

00:16:37,125 --> 00:16:38,445  
What are you going to do?

189

00:16:39,925 --> 00:16:41,205  
I want a house.

190

00:16:43,365 --> 00:16:44,405  
A wife...

191

00:16:45,285 --> 00:16:46,605  
Someone who wants me.

192

00:16:47,365 --> 00:16:48,365  
A job.

193

00:16:48,725 --> 00:16:52,165  
I want to get my act together  
for once in my life.

194

00:16:59,565 --> 00:17:00,605  
What?

195

00:17:01,925 --> 00:17:03,485  
Where did Patrick go?

196

00:17:05,245 --> 00:17:08,285  
-I'm not allowed to be sensitive?  
-Sure.

197

00:17:11,045 --> 00:17:12,485  
Buttercup.

198

00:17:13,285 --> 00:17:14,445  
Shut up.

199

00:17:20,885 --> 00:17:22,005

Patrick.

200

00:17:23,845 --> 00:17:25,205  
What the hell is that?

201

00:17:35,525 --> 00:17:39,005  
Should we go back and warn the others?  
If they think they can stop it?

202

00:17:46,805 --> 00:17:48,045  
No, we're moving on.

203

00:18:03,605 --> 00:18:05,325  
You have to trust me.

204

00:18:06,405 --> 00:18:07,845  
She wants to destroy us.

205

00:18:09,885 --> 00:18:11,085  
Trust me.

206

00:18:27,885 --> 00:18:30,885  
Lea? I need to talk... to you.

207

00:18:32,205 --> 00:18:34,045  
I want to show you something first.

208

00:18:34,685 --> 00:18:35,725  
What is it?

209

00:18:38,445 --> 00:18:39,725  
Welcome.

210

00:18:45,445 --> 00:18:46,525  
It's us.

211

00:18:49,685 --> 00:18:51,365  
And all the things we've done.

212

00:18:52,525 --> 00:18:53,805  
All the good things.

213

00:18:56,525 --> 00:18:58,885  
That's when I helped you cook.

214

00:19:00,805 --> 00:19:04,045  
-You sucked at that.  
-Yeah, I burned the food.

215

00:19:04,565 --> 00:19:06,805  
-We hadn't eaten for three days.  
-No.

216

00:19:07,525 --> 00:19:09,725  
-But you didn't get angry.  
-No.

217

00:19:10,845 --> 00:19:12,525  
You didn't do it on purpose.

218

00:19:12,605 --> 00:19:13,685  
No.

219

00:19:17,885 --> 00:19:18,965  
What's that?

220

00:19:19,525 --> 00:19:22,445  
That's when I helped you  
find new glasses.

221

00:19:23,085 --> 00:19:24,485  
You still have them.

222

00:19:27,285 --> 00:19:31,005  
Yeah, well, it's not like there are  
tons of cool glasses lying around.

223

00:19:31,085 --> 00:19:32,045  
No.

224

00:19:39,805 --> 00:19:43,085  
I know that you're scared.  
It's okay, I'm scared too.

225

00:19:43,165 --> 00:19:48,765  
But it helps to think of the fond memories  
we've shared, when you're afraid. Okay?

226

00:19:49,805 --> 00:19:50,725  
Okay.

227

00:19:51,845 --> 00:19:52,965  
Come here.

228

00:21:00,605 --> 00:21:03,365  
-When can I have the cure?  
-What are you doing?

229

00:21:03,445 --> 00:21:06,085  
-When can I have the cure?  
-Tomorrow.

230

00:21:06,165 --> 00:21:09,245  
-It can't wait. I'm in a bad way.  
-I understand...

231

00:21:09,325 --> 00:21:12,765  
No, I don't think you do!  
I'm going fucking insane!

232

00:21:15,565 --> 00:21:17,405  
Don't listen to her.

233

00:21:17,965 --> 00:21:19,165  
She's lying.

234

00:21:20,685 --> 00:21:22,325  
-Rasmus...  
-Why can't we do it now?

235

00:21:22,405 --> 00:21:23,805  
It's not ready.

236

00:21:23,885 --> 00:21:26,365  
Yes, but I want it now. I want it now.

237

00:21:26,765 --> 00:21:29,005  
Rasmus, stop! Stop that!

238

00:21:32,045 --> 00:21:33,245  
Go to your room.

239

00:21:33,965 --> 00:21:35,725  
I'll let you know when it's ready.

240

00:21:52,005 --> 00:21:53,805  
There's nothing wrong with us.

241

00:21:55,765 --> 00:21:57,845  
She doesn't want us to be powerful.

242

00:21:58,845 --> 00:22:01,885  
You're only taking the cure  
because she's telling you to.

243

00:22:03,965 --> 00:22:06,005  
She wants us to be weak, like Dad said.

244

00:22:06,085 --> 00:22:07,605  
Shut up!

245

00:22:09,645 --> 00:22:10,885  
Shut up!

246

00:22:12,365 --> 00:22:13,965  
Make it stop!

247

00:22:39,365 --> 00:22:40,365  
No!

248

00:23:13,445 --> 00:23:14,765  
Rasmus!

249

00:23:16,525 --> 00:23:17,365  
Rasmus!

250  
00:23:23,565 --> 00:23:25,405  
But we walked away from it.

251  
00:23:31,165 --> 00:23:32,885  
Should we find another way, or...

252  
00:23:34,765 --> 00:23:36,365  
This is the right way.

253  
00:23:38,685 --> 00:23:39,845  
There.

254  
00:24:10,925 --> 00:24:12,725  
I don't like it.

255  
00:24:12,805 --> 00:24:14,245  
This place is abandoned.

256  
00:24:14,605 --> 00:24:16,885  
The magnet machine  
should be in the basement.

257  
00:24:18,485 --> 00:24:19,605  
Ready?

258  
00:24:21,725 --> 00:24:23,285  
Well? Is it still working?

259  
00:25:12,445 --> 00:25:14,445  
-Martin, we just have to...  
-Hush.

260  
00:25:31,205 --> 00:25:32,285  
Come on.

261  
00:25:39,085 --> 00:25:40,405  
What the hell?

262  
00:25:42,605 --> 00:25:44,485  
Did they mention a lab in the video?

263

00:25:44,565 --> 00:25:47,525  
No, just that the magnet  
should be in the basement.

264

00:26:01,885 --> 00:26:03,965  
I told him it wasn't ready.

265

00:26:04,805 --> 00:26:08,245  
He didn't take that much.  
The virus is still inside him.

266

00:26:08,325 --> 00:26:09,805  
Why did he do it?

267

00:26:12,245 --> 00:26:14,085  
Because I had no other choice.

268

00:26:20,245 --> 00:26:21,485  
How do you feel?

269

00:26:24,685 --> 00:26:25,765  
Why did you do it?

270

00:26:27,565 --> 00:26:28,925  
Because I...

271

00:26:30,165 --> 00:26:33,285  
Because I hallucinated  
and I heard voices, and...

272

00:26:35,045 --> 00:26:36,245  
They said...

273

00:26:37,805 --> 00:26:38,645  
What?

274

00:26:40,325 --> 00:26:41,445  
What did they say?

275

00:26:43,245 --> 00:26:45,565  
She wants us to be weak, like Dad said.

276

00:26:46,565 --> 00:26:47,645  
You need me.

277

00:26:48,525 --> 00:26:49,685  
What did they say?

278

00:26:52,245 --> 00:26:54,125  
I don't think we can extract it.

279

00:26:55,685 --> 00:26:57,125  
I think it's part of me.

280

00:26:59,205 --> 00:27:01,365  
-What makes you say that?  
-Because...

281

00:27:01,885 --> 00:27:04,125  
Because that's how it feels.

282

00:27:04,565 --> 00:27:05,685  
Right?

283

00:27:06,445 --> 00:27:11,685  
The virus needs a host to survive,  
so that's why it makes you feel that way.

284

00:27:11,765 --> 00:27:13,805  
But it's not real. It's just a feeling.

285

00:27:15,285 --> 00:27:18,925  
-But it feels real.  
-Yes. Feelings do.

286

00:28:03,605 --> 00:28:06,005  
What the fuck were they doing in there?

287

00:28:20,285 --> 00:28:21,605  
We shouldn't be here.

288

00:28:29,125 --> 00:28:33,205

-What if they never found that machine?  
-They must have. It has to be here.

289  
00:28:33,285 --> 00:28:34,405  
I doubt it.

290  
00:28:35,085 --> 00:28:36,885  
I think we should leave.

291  
00:28:51,245 --> 00:28:52,685  
-Hey.  
-Hi.

292  
00:28:57,325 --> 00:28:59,845  
We're ready in an hour.  
Rasmus will be okay.

293  
00:29:01,485 --> 00:29:02,365  
Yes.

294  
00:29:07,365 --> 00:29:08,205  
Hey...

295  
00:29:08,965 --> 00:29:12,845  
Neither you nor the cure  
is going to kill him.

296  
00:29:13,605 --> 00:29:17,365  
But, Fie...  
I don't know if he still wants to.

297  
00:29:20,365 --> 00:29:21,765  
He's just scared.

298  
00:29:24,605 --> 00:29:25,605  
Yeah.

299  
00:29:27,165 --> 00:29:28,965  
I sure as hell am, too.

300  
00:29:41,165 --> 00:29:43,925  
A miracle. A masterpiece.

301

00:29:45,245 --> 00:29:46,885  
You are the future, Rasmus.

302

00:29:52,645 --> 00:29:53,525  
Sarah.

303

00:29:56,045 --> 00:29:57,125  
What happened?

304

00:29:58,805 --> 00:30:01,085  
Fie says you tried to  
give yourself the cure.

305

00:30:02,925 --> 00:30:03,765  
Yes.

306

00:30:06,005 --> 00:30:07,205  
But it didn't work?

307

00:30:08,805 --> 00:30:09,805  
No, I...

308

00:30:11,925 --> 00:30:14,365  
I wanted to take a full dose,  
but I couldn't.

309

00:30:15,605 --> 00:30:19,405  
When I did it, I felt like I was  
falling apart on the inside.

310

00:30:20,085 --> 00:30:23,685  
As if everything... fell to pieces.

311

00:30:25,405 --> 00:30:28,165  
I can't explain it, but it felt wrong.

312

00:30:28,245 --> 00:30:30,205  
Maybe because it is wrong.

313

00:30:33,245 --> 00:30:35,485

Rasmus, you and I are alike.

314

00:30:36,885 --> 00:30:38,165  
I've always been ill.

315

00:30:38,845 --> 00:30:43,205  
I don't remember what it's like not to be.  
Just like you feel about the virus.

316

00:30:44,525 --> 00:30:47,205  
If it feels so wrong,  
maybe you shouldn't do it.

317

00:30:49,165 --> 00:30:52,165  
Maybe you know more about  
what's right than your sister does.

318

00:30:52,245 --> 00:30:53,405  
Sarah...

319

00:31:14,405 --> 00:31:15,965  
The virus is part of you.

320

00:31:51,205 --> 00:31:52,045  
Help!

321

00:31:59,045 --> 00:31:59,885  
Help!

322

00:32:03,445 --> 00:32:05,525  
Martin, the tattoo.

323

00:32:05,925 --> 00:32:07,085  
What the hell?

324

00:32:08,445 --> 00:32:10,085  
-You shouldn't have come.  
-Hey!

325

00:32:12,365 --> 00:32:13,365  
Who are you?

326  
00:32:14,605 --> 00:32:15,445  
Who are you?

327  
00:32:16,845 --> 00:32:17,845  
Hey, hey, hey!

328  
00:32:20,125 --> 00:32:21,485  
Unless I do this,

329  
00:32:21,565 --> 00:32:23,685  
the virus will eject into the room,

330  
00:32:23,765 --> 00:32:24,765  
within...

331  
00:32:26,125 --> 00:32:28,125  
one minute and 53 seconds.

332  
00:32:28,205 --> 00:32:29,885  
What the fuck are you doing?

333  
00:32:29,965 --> 00:32:30,845  
Hey!

334  
00:32:37,365 --> 00:32:38,205  
The door!

335  
00:32:38,285 --> 00:32:40,325  
-Hey, man!  
-How do you open this door?

336  
00:32:40,405 --> 00:32:41,245  
Hey!

337  
00:32:41,845 --> 00:32:43,765  
How do you open the door? Huh?

338  
00:32:45,325 --> 00:32:46,245  
Increased dose, yes.

339

00:32:47,445 --> 00:32:49,485  
0.05 mg.

340  
00:32:50,005 --> 00:32:52,085  
He's out of his fucking mind!

341  
00:32:55,845 --> 00:32:57,285  
That ought to do it.

342  
00:32:58,565 --> 00:33:00,525  
-One minute and 20 seconds.  
-Fuck!

343  
00:33:00,605 --> 00:33:02,205  
You let us out of here now!

344  
00:33:02,285 --> 00:33:03,685  
Stand back. Stand back!

345  
00:33:07,085 --> 00:33:08,325  
Fuck!

346  
00:33:09,005 --> 00:33:11,205  
Open that door!

347  
00:33:11,285 --> 00:33:14,245  
I can't. I have to stop it!  
I have to keep him alive!

348  
00:33:14,325 --> 00:33:18,045  
Okay, fine.  
Just let us out first. Let us out first.

349  
00:33:18,125 --> 00:33:21,125  
-Open the door.  
-You might have been exposed to the virus.

350  
00:33:21,445 --> 00:33:24,605  
I have to run tests on you.  
I can't just let you go.

351  
00:33:33,925 --> 00:33:35,445

Look at me. Look at me.

352

00:33:37,165 --> 00:33:38,005  
Hey.

353

00:33:39,245 --> 00:33:40,845  
Do you even know if that works?

354

00:33:41,725 --> 00:33:42,605  
Huh?

355

00:33:43,725 --> 00:33:45,045  
Have you tried it before?

356

00:33:50,765 --> 00:33:51,965  
Twenty-four seconds.

357

00:33:52,605 --> 00:33:53,845  
Then we'll find out.

358

00:34:04,405 --> 00:34:05,565  
Ten, nine...

359

00:34:06,685 --> 00:34:08,125  
eight, seven...

360

00:34:08,205 --> 00:34:10,205  
six, five...

361

00:34:10,285 --> 00:34:11,765  
four, three...

362

00:34:11,845 --> 00:34:13,565  
Open the fucking door!

363

00:34:14,365 --> 00:34:15,885  
-Patrick, his hand!  
-Yes!

364

00:34:15,965 --> 00:34:17,085  
Come here! Come here!

365  
00:34:17,165 --> 00:34:18,165  
Get out!

366  
00:34:19,325 --> 00:34:20,325  
Close the door!

367  
00:34:29,045 --> 00:34:29,885  
It worked?

368  
00:34:30,485 --> 00:34:31,445  
No.

369  
00:34:51,325 --> 00:34:52,285  
Hello!

370  
00:34:52,365 --> 00:34:54,365  
What the fuck is this place? Huh?

371  
00:35:00,205 --> 00:35:02,525  
This is where we were  
supposed to solve it.

372  
00:35:03,365 --> 00:35:08,085  
This is where we were supposed to beat it,  
but the virus just keeps fighting back.

373  
00:35:10,325 --> 00:35:11,805  
So you tried to kill the virus?

374  
00:35:14,165 --> 00:35:15,485  
We can't control it.

375  
00:35:16,045 --> 00:35:19,485  
With each experiment,  
the virus became more and more aggressive.

376  
00:35:19,565 --> 00:35:21,605  
It has killed every test subject.

377  
00:35:24,405 --> 00:35:25,725

It will destroy us.

378

00:35:27,085 --> 00:35:28,885  
It's pointless, don't you see?

379

00:35:30,645 --> 00:35:31,645  
Please kill me.

380

00:35:33,645 --> 00:35:35,525  
I can't take this any longer.

381

00:35:38,365 --> 00:35:39,405  
Just kill me!

382

00:35:39,485 --> 00:35:40,485  
Go!

383

00:36:02,005 --> 00:36:02,885  
Hi.

384

00:36:03,525 --> 00:36:04,365  
Hi.

385

00:36:07,365 --> 00:36:08,405  
Is it time?

386

00:36:10,605 --> 00:36:11,565  
Yes.

387

00:36:12,925 --> 00:36:13,805  
Soon.

388

00:36:16,445 --> 00:36:18,925  
And Rasmus is okay with it? He's on board?

389

00:36:20,805 --> 00:36:21,685  
Yes.

390

00:36:23,445 --> 00:36:24,285  
Okay.

391

00:36:27,445 --> 00:36:28,365  
Hey.

392

00:36:29,885 --> 00:36:30,845  
Come here.

393

00:36:35,005 --> 00:36:37,405  
You're strong, Simone.

394

00:36:38,565 --> 00:36:40,845  
When you push all your doubts aside,

395

00:36:41,565 --> 00:36:43,165  
you're as strong as an ox.

396

00:36:45,045 --> 00:36:47,965  
This is only happening  
because you believe in it.

397

00:36:49,205 --> 00:36:51,285  
-I don't know if I do.  
-Yes, you do.

398

00:36:53,405 --> 00:36:56,245  
As long as you're here,  
everything will be fine.

399

00:36:57,445 --> 00:37:01,885  
You have sacrificed so much,  
and now you will save all of us.

400

00:37:03,565 --> 00:37:05,885  
That's a lot of weight on my shoulders.

401

00:37:07,325 --> 00:37:10,485  
Yes, but I know that you can handle it.

402

00:37:17,485 --> 00:37:18,885  
-Here.  
-Thanks.

403

00:37:21,005 --> 00:37:22,005  
Are you okay?

404  
00:37:23,005 --> 00:37:24,085  
Yeah.

405  
00:37:43,605 --> 00:37:45,205  
-I don't want to.  
-What?

406  
00:37:46,645 --> 00:37:48,325  
The cure, I...

407  
00:37:49,765 --> 00:37:52,285  
It doesn't feel right.  
I don't want to do it.

408  
00:37:53,245 --> 00:37:54,885  
I understand, but...

409  
00:37:54,965 --> 00:37:58,685  
Fie says it's just a feeling,  
but she doesn't know how it feels.

410  
00:38:00,205 --> 00:38:03,045  
-I don't want to do it.  
-Apollon could be here any time.

411  
00:38:03,125 --> 00:38:07,205  
Yeah, but I'm not afraid of Apollon.  
I'm afraid of what I'll do if...

412  
00:38:09,285 --> 00:38:10,485  
I can't control it.

413  
00:38:16,845 --> 00:38:18,005  
We're not doing it.

414  
00:38:31,885 --> 00:38:33,325  
Why aren't you saying anything?

415  
00:38:51,165 --> 00:38:52,125

Hey.

416

00:38:59,125 --> 00:39:00,525  
It's for your own good.

417

00:39:05,405 --> 00:39:06,445  
Fuck, man!

418

00:39:08,285 --> 00:39:09,525  
We have to get back.

419

00:39:10,485 --> 00:39:12,845  
We have to get back  
before they try to cure him.

420

00:39:13,405 --> 00:39:14,445  
If they do...

421

00:39:16,445 --> 00:39:18,045  
they're all going to die.

422

00:39:27,845 --> 00:39:28,685  
Hey...

423

00:39:31,845 --> 00:39:33,485  
Hey... Hey, hey.

424

00:39:33,965 --> 00:39:34,845  
Rasmus...

425

00:39:36,285 --> 00:39:37,405  
Rasmus, stay calm.

426

00:39:38,965 --> 00:39:39,965  
Lie still.

427

00:39:45,565 --> 00:39:48,725  
-Rasmus, we're giving you the cure now.  
-No, I don't want it.

428

00:39:50,365 --> 00:39:52,885

It will be over soon. Sweetie...

429

00:39:53,565 --> 00:39:55,325

-Simone?

-Just calm down.

430

00:39:59,525 --> 00:40:01,125

-Are they curing him?

-Yes.

431

00:40:03,645 --> 00:40:06,085

-Rasmus, it will all be over soon.

-Simone...

432

00:40:06,165 --> 00:40:07,605

Simone, I don't want it!

433

00:40:07,685 --> 00:40:09,965

-I want you to let me go now!

-Try to relax.

434

00:40:10,045 --> 00:40:11,565

Let me go now!

435

00:40:11,645 --> 00:40:12,485

Fie.

436

00:40:12,565 --> 00:40:15,525

I don't want it. Simone, I don't want it.

Release me!

437

00:40:15,605 --> 00:40:17,485

-Lie still.

-No, I don't want it!

438

00:40:17,565 --> 00:40:19,525

Fie, stop! Stop!

439

00:40:19,605 --> 00:40:21,405

Don't! Stop!

440

00:40:21,485 --> 00:40:25,205

Stop! Get Sarah! Don't!

441  
00:40:33,725 --> 00:40:34,645  
Simone!

442  
00:40:35,205 --> 00:40:36,085  
Simone, get out!

443  
00:40:39,965 --> 00:40:41,085  
Simone!

444  
00:40:44,365 --> 00:40:45,205  
Simone...

445  
00:40:46,445 --> 00:40:48,885  
-Simone...  
-Calm down.

446  
00:40:49,445 --> 00:40:51,685  
-I can't control it.  
-Hey! Calm down.

447  
00:40:51,765 --> 00:40:53,245  
I can't control it!

448  
00:40:57,525 --> 00:40:58,445  
Simone!

449  
00:40:58,885 --> 00:40:59,725  
Rasmus...

450  
00:41:00,565 --> 00:41:01,405  
Simone!

451  
00:41:02,525 --> 00:41:03,565  
Simone, get out!

452  
00:41:07,685 --> 00:41:08,565  
No.

453  
00:41:10,085 --> 00:41:10,965

Yes.

454

00:41:16,165 --> 00:41:17,605  
Lea, no!

455

00:41:17,685 --> 00:41:20,085  
You have to go, Lea, get out!

456

00:41:22,005 --> 00:41:22,845  
No!

457

00:41:23,965 --> 00:41:25,285  
Lea, no...

458

00:41:25,765 --> 00:41:27,645  
No! No, Lea!

459

00:41:28,045 --> 00:41:30,125  
No, Lea! Lea, no!

460

00:41:30,205 --> 00:41:31,445  
No, Lea!
